REPORT OF GENDER EQUITY PROMOTION PROGRAMMES

There is no doubt about the fact that development of women has always been the central focus of planning since Independence. Empowerment is a major step in this direction but it has to be seen in a relational context. A clear vision is needed to remove the obstacles to the path of women's emancipation both from the perspective of the government as well as women themselves. Efforts should be directed towards all round development of each and every section of Indian women by giving them their due share. In consideration of the welfare of women, Trichy SRM Medical College Hospital and Research centre established the **WOMEN EMPOWERMENT CELL** to empower women and to create awareness of Women's Right. the objectives of the cell are

- To organize events and activities for women empowerment and to create an environment to realize their full potential.
- To conduct workshops and awareness programmes with a motive to train girls about self-defence, health benefits and skill development.
- To create social awareness about the problems of women particularly regarding gender discrimination.
- To organize awareness programs on gender sensitization.
- Women's Day celebration.

Breast Feeding Week 2017

Dates: 2nd August 2017 to 4th August 2017

Speakers / Coordinators: Dr Meera, Dr Shankar, Dr Prabha, Dr Pahadeesh, Dr Sriram

3rd year Undergraduate MBBS Students & PG students

Number of Participants: 300 – Mothers and their families attending RITC Sangendi & UHTC Samayapuram

Report:

Breastfeeding week is celebrated every year in the first week of august which is taken as great opportunity to raise awareness and inform the public about why Breastfeeding is important for the better health and growth of babies and how can one support the breastfeeding mothers so they can continue to breastfeed no matter where they are.

Department of community medicine has arranged a combination of talk & roleplay skit for increasing the awareness on breastfeeding and its importance on immunity as well as growth of child. Need of a healthy diet, environment and support in the nursing mother is well explained to the accompanying family members and how it effects the overall outcome of the child and mother is stressed. The event end in a positive note from the target audience.

International Women's Day 2018

Topic: Multitasking - the Roles of Women in today's society– Panel Discussion

Dates: 8th March 2018

Coordinators:

Dr.Gugapriya,Dr.PriyaBanthavi,Dr.Ilavenil ,Dr.Dhivya and Dr.Kamala.

Panelists:

Dr.Anushiya - Medical superintendant

Dr.Vinodhini- Postgraduate in Pathology

Dr.Rathishree- CRRI

Dr.Barathi - Pediatrician

Number of Participants: 200 – Female Staff (Teaching & Nonteaching), Undergraduate Female Students

Report:

Women play a pivotal role in the society as they are the pillars of the family system. They also prove to be effective in the professional development in the present day. Despite holding a structural role they still face day to day hurdles in managing the family and profession leading to carry multiple roles and responsibilities at a time.

Trichy SRMMCH&RC has taken the opportunity of International Women's Day to conduct a panel discussion on ***"Roles & Responsibilities Of Womanhood"*** involving the eminent faculty of the campus to nurture the young minds by sharing the thoughts and ideas of role of women in modern day world and how to effectively manage a balance in both.

The discussion was fruitful with healthy active participation of participants and sharing their thoughts. The event ended with certain funny games and activities for the participants.

Number of Participants: 250 – Mothers and their families attending RHTC Sangrathi & UHTC Samayapuram

Report:

Breastfeeding week is celebrated every year in the first week of august which is taken as great opportunity to raise awareness about importance of breast feeding for the healthy babies. This event is also taken as an opportunity to enhance the knowledge of the budding doctors and their communication skills Department of Community medicine planned and executed the program this year owing to the theme of this year "Breastfeeding: Foundation for Life".

The program was targeted to the rural population around Trichy SRM Medical College particularly the nursing mothers and their relatives. With a combination of community talk by the faculty, skit and poster display by the 3rd year MBBS students the message of Breast feeding the first vaccine to the baby is given. Need of support for the nursing mothers nutritionally and mentally is well explained and stressed. The program ended with a positive note.

On this occasion a quiz program was conducted to the 3rd year undergraduate students about the importance of breastfeeding and related health conditions and the winners were felicitated.

REPORT ON

INTERNATIONAL WOMEN'S DAY CELEBRATION 2019

"Balance For Better"

With the correspondence from our respected Dean , Dr.Jesudoss MS,DLO, on 06.03.2019 to Dr.Nachal Annamalai, Head of the Department of Physiology, it was decided that the International Women's Day shall be celebrated in our institution involving all the women faculty working both in hospital as well as in College on 08.03.2019. The theme observed was "BALANCE FOR BETTER".

It was planned to conduct competitive events for all the women of our institution, during the forenoon session of 08.03.2019 (11.00 am -1.00 pm) followed by a formal celebration at Dr.APJ Abdul Kalam Hall between 2.00 pm - 4.00 pm. Invitations were mailed and given in person to all Clinical ,Preclinical and Paraclinical departments as instructed by the Dean to ensure participation of all students (medicine, allid health sciences & nursing), nurses, teaching & non teaching faculty, technicians, Office clerical assistants and women of house-keeping department of our institution.

On the day of events, there was an active participation in the student-oriented activities like Rangoli, Face painting, and Poster presentation. Nothing less than that was participation from the women working force of or institution in events like Rangoli , Hairstyling, Poetry, Fireless cooking . The participants were from Labs (Central & Departmental) ,administrative office, housekeeping and nursing.

Prizes were announced by the judges who were invited from different departments : Dr Muthukumaran , Dr Saradha ,Dr Kalamani , Heads of departments of paediatrics , Pathology and Obstetrics and gynaecology respectively.

The celebration was conducted in Dr.APJ Abdul Kalam lecture hall, headed by The Dean and The Executive Director. Dignitaries such as the Medical Superintendent , RMO and the heads of various departments had also arrived. The session was compered by students of I MBBS. The Welcome address was delivered by Dr.Nachal Annamalai , Head of Department of Physiology . The Dean gave the Presidential Address , stating the greatness of womanhood. The Executive Director delivered a ky note address and made the session highly interactive by posing questions related to most famous women personalities. Prizes were distributed for the 5 participants who gave the right answers. Dr.Anusuya , Incharge – IQAC , gave an address on Women's day celebration.

The prizes for the events conducted in the forenoon were distributed by The Dean and Executive Director. The vote of thanks was rendered by Dr.Niranjana, Assistant Professor of Physiology. All participants were provided with High Tea. The session came to a close with National anthem.

Breast Feeding Awareness Programme at Rural Health Training Centre (RHTC), Sangenthi

World Breastfeeding Week is celebrated every year from 1 to 7th August to encourage breastfeeding and improve the health of babies around the world. This year, WHO is working with UNICEF and partners to promote the importance of family-friendly policies to enable breastfeeding and help parents nurture and bond with their children in early life, when it matters most. Breastfeeding promotes better health for mothers and children alike. WHO recommends" EXCLUSIVE BREASTFEEDING" starting within 1hour after birth until a baby is 6months old. Nutritious complementary food should be added while continuing to breastfeed for up to 2 years or beyond.

Department of Community Medicine has been celebrating World Breastfeeding Week consecutively for the last 4 years. This year the program was held on 6th August 2019 between 10:00AM to 11:30AM at Rural Health Training Centre, Sangenthi.

Dr.Meera Mohan, given awareness talk on Breastfeeding

Event: Breast Feeding week

Date: 06-08-2019

Place: RHTC, Sangenthi

The programme was attended by about 45 participants. Apart from ante-natal and post-natal mothers, male participants were also sensitized on the importance of exclusive breast feeding. Dr.Meera Mohan gave awareness talk under the following headings.

- Importance of Breastfeeding
- Duration and methods of Breastfeeding
- Health benefits of Breastfeeding for mother & child
- Diet advice for Lactating mothers

Myths pertaining to exclusive breastfeeding was addressed and doubts regarding the same was cleared. The session ended with positive feedback from the participants.

CAMPUS LIFE DEPARTMENT

KAVALAN SEYALI (SOS) APP

DATE: 5.1.2020

To create awareness among Girl Students & Women employees about "KAVALAN SEYALI" which is designed to send an instant distress call to the nearest Police Station,a demonstration program session was conducted in our Campus on 3rd January 2020 at Easwari Auditorium. The police have called the public, especially women and the senior citizens, to make use of Kavalan SOS (save our soul) app which was launched across the State.

The campus Executive Director Dr S Raghupathy presided over the function.the Commissioner, DSP, SP and some Police officials took part and motivated the girl students. The Dean, Administrators of Trichy Campus, Principals of all the Colleges, Vice Principals, Campus Life Co coordinator, Executives of Hospital and all the Heads of the Departments, Staff & Students participated in this program.

The police personal asked the students to download the app into their Android-based mobiles and tablets, which will come in handy at times of distress and emergency.

He also explained that the SOS facility can be used to alert the police and seek assistance at times of of physical assault, abduction attempts or any crime. For women, the SOS would help to reach the police when they face eve teasing, harassment and crime like chain snatching.

After downloading the app, the user will have to provide details such as name, address, mobile number, email ID & contact of an immediate relative among others.

DEAN
TRICHY SRM MEDICAL
COLLEGE HOSPITAL AND
RESEARCH CENTRE
Irungalur, Trichy-621 105

The App accesses GPS location of the device, by pressing of the SOS button, it will send the location of the user to the Tamil Nadu State Police Master Control Room. As soon as the alert is received, the control room will send the information to the Police Station, which is close to the user of the App & take necessary steps.

Event: International Women's Day 2020 – Each for Equal

Date: 07.03.2020

Venue: Trichy SRM MCH&RC

CAMPUS LIFE DEPARTMENT

INTERNATIONAL WOMENS' DAY CELEBRATION

International Women's Day is celebrated in the world over, every year on the eight day of March. It lays focus on womanhood and pays tribute to the indomitable spirit of women across the globe.

To create awareness of gender equality for a healthy society, as a part of International Womens' Day celebration, SRM Trichy Campus organized a Icon formation under the theme of "Each For Equal" on 7th March 2020.

In the previous day the students of the campus and the artists drew the symbol and theme of "WOMENS DAY" 2020. On March 7th around 2000 boys and girls students assembled and joined enthusiastically in the sports ground for forming the icon of "Each for Equal". The male students held blue colour balloons and the female students held pink colour balloons. Using the drone camera the whole program was captured. It was a wonderful colourful event that everyone felt the positive vibration.

Dr. S Raghupathy, the Executive Director of SRM Trichy Campus addressed the gathering and said that gender equality is very important for a healthy society. The milestone to be reached is the basic information to be conveyed to a girl child in every family which will bring awareness in the society resulting in overall development of community and the Nation. Dr. N. Balasubramanyan, Deputy Director, said that it was the right time to uphold women's achievements, recognize challenges and focus greater attention on women's rights and gender equality to mobilize all people to do their best.

DEAN

Irungalur, Trichy-621 105

8th March is considered as 'INTERNATIONAL WOMEN'S DAY'. It is a cause for celebration, a reason to pause, re-evaluate, remember, an inspiration a time to honour the loved and admired girls students of SRM TRP Engineering College and SRM Trichy Arts and Science College. Many competitions were conducted for the girl students and prizes also were given. Many interesting and mind blowing performances were given by the student. Dr. N. Balasubramaniyan Deputy Director presided over the function. Mrs kalaimani Secretary D.E.O said that there should be a balance between career and family. Without a family support, a women can't achieve success. She remarked that girls should know their rights to defend themselves and be careful against crimes against women. On the same occasion she also shared her tales of struggles and success. Prof. Manimegalai the Campus Life Coordinator said that it was the right time to uphold women's achievements, recognize challenges and focus greater attention on women's rights and gender equality. Students Coordinators delivered the welcome address and vote of thanks.

DEPARTMENT OF PSYCHIATRY

World Mental Health Day: E-debate, Quiz and poster

World Mental Health Day 2020: World Mental Health Day, observed every year on 10 October, aims to create awareness about mental health issues around the world. The day also provides a platform and opportunity for people who work on mental health issues to talk about their work, and what needs to be done to make mental healthcare a reality for citizens around the world.

With the COVID-19 pandemic changing our lives considerably, mental health has become even more important. The last few months have created a number of challenges for healthcare workers, who are required to provide care during these trying circumstances. Students are also facing issues with having to adapt to a new way of education. The past few months have also seen people with mental health conditions experiencing even greater social isolation than before.

Given the circumstances, it is expected that the need for mental health and psycho-social support will substantially increase in the coming months and years. Thus, the goal of this year's World Mental Health Day campaign is increased investment in mental health.

World Mental Health Day 2020 theme

According to World Federation for Mental Health (WFMH) the theme for World Mental Health Day 2020 is **'Mental Health for All: Greater Investment – Greater Access'.** WHO director-general Dr Tedros Adhanom Ghebreyesus stated the world is accepting the concept of universal health coverage and that mental health must be an integral part of UHC. **"Nobody should be denied access to mental health care because she or he is poor or lives in a remote place," he added.**

The theme stresses on the fact that mental health is a human right and that it is time mental health is made available to all.

DEPARTMENT OF COMMUNITY MEDICINE

Department of Community Medicine

Trichy SRM Medical College Hospital & Research Centre

Report of World Breastfeeding Week -2021

The world breastfeeding week was observed to raise awareness about the benefits of breastfeeding to improve child's life. Each year World Alliance for Breastfeeding Action (WABA) operates under a certain theme in order to facilitate their goals. For the year 2021, their theme is "Protect Breastfeeding: A Shared Responsibility". Between August 1 and 7, WABA will be working to highlight how infant breastfeeding can directly affect the environment and climate change, and how it is responsible for the health and well-being of the planet and its people. Hence to align the goals of WABA, Department of Community Medicine conducted Essay writing competition for the third year MBBS students and slogan competition for second year MBBS students.

Objectives of the program

1. To engage the students and galvanize the action on the theme " "Protect Breastfeeding: A Shared Responsibility."
2. To develop them knowledge and skills to support mother and babies and advocate for change to improve infant feeding practices.

Summary of the Program

The MBBS students posted in the department of community medicine were sensitized about the WBFW theme for the year 2021 by Dr. Suguna A, Associate Professor from Department of Community Medicine. Other faculties actively involved in the conduct of program were Dr Divya R, Assistant Professor, Department of Community Medicine and Dr Kalaipriya G, Tutor, Department of Community Medicine. The completed essays and slogans were displayed in the department lab and were judged by Dr. Deodatt Madhav Suryawanshi, Associate Professor from Department of Community Medicine. The essays and slogans were assessed based on the relevance on the theme, presentation, content used and new ideas. Overall guidance was given by Dr Raghuram V, HOD from Department of Community medicine. The felicitations were given by the faculties of Department of Community Medicine for the following students:

Winner of Essay competition: Miss S. Rathidevi
Winner of slogan competition: Miss A. Thanya

This event was recognized by Dean and prize was given as appreciation.

World Breastfeeding Week

World Breastfeeding week (August 01st – 07th) was observed at UHTC Samayapuram on August 04th, 2021, organized by Department of Community Medicine and Department of Paediatrics, Trichy SRM Medical College and Research Centre. Health Educator welcomed the gathering and our Assistant professor incharge of UHTC Dr. Divya R spoke about the importance of breastfeeding.

Following which Dr. MuthuKumaran, Professor, Department of Paediatrics explained about the need for exclusive breastfeeding and complementary feeding. Emphasis was made on world breastfeeding week 2021 theme of, "Protect breastfeeding – A shared responsibility". The target audiences were mothers – in – law and fathers – in – law of married couples. The common myths and role of all members in the family in supporting breastfeeding was explicitly explained. Vote of thanks was delivered by Dr. Sathyasreedharan (Medical officer).

Report on International women's day celebration.

Alumni association and postgraduate students of Trichy SRM medical college hospital and research centre organized a programme for commemorating International women's day followed by donation of sanitary pad dispenser for female staffs and students on 08.03.22 at 2.00 PM. The initial step was taken on 05.03.22 with a request letter to the Dean for approval.

Venue:

The programme was conducted in Dr BC Roy hall, hospital block, TSRMCH&RC.

Participants:

Dr.S.Revvathy, Dean.

Dr.Balasubramanium, Deputy Director.

Dr.Santham Sweet rose, Principle, Trichy SRM nursing college.

Female faculties and staffs of all departments both teaching and non-teaching.Medical post graduates and nursing students. A total of 500 members attended the event.

Report:

Presidential address was given by Dr.S.Revvathy, Dean, on topic Gender equality for a Sustainable tomorrow. She spoke about the problems of gender inequality. She spoke about how gender equality prevents violence against women and how it will improve the economy. She enlightened the importance of financial independence for a woman.She also discussed the roles played by a woman in a society and in a family, how it makes our communities safer and healthier.

Followed by a speech given by Dr.Balasubramaniyam, deputy director. He spoke about rights and freedom of women. He highlighted the need for women to be protected and respected. He called for an end to violence against women and demanded that women be treated equally. He asked that women be given the same access to education, the same freedom of speech, and the same societal and political rights as men.

Dr.Santham Sweet rose highlighted the purpose of women empowerment, how it helps in boosting the status of women through literacy, education, training and awareness creation. She also defined that women's empowerment refers to women's ability to make strategic life choices which had been previously denied them. She also concluded that the true meaning of women empowerment will be achieved when gender inequality will be eliminated.

DEAN
TRICHY SRM MEDICAL
COLLEGE HOSPITAL AND
RESEARCH CENTRE
Irungalur, Trichy-621 105

Followed by vote of thanks given by Dr A Anupriya, Associate professor, Department of Microbiology. She thanked all the participants and also added that women should uplift one another in workplace and also should actas mentors and sponsors for one another.

After inaugural ceremony, sanitary pad dispenser was donated by alumni association and postgraduates of TSRM MCH&RC to the Dean of the institution. Followed by cultural events performed by postgraduates, staffs and nursing students.

Celebration of International women's day 2022

International Women's Day (IWD) is a global celebrated annually on March 8 to commemorate the cultural, political, and socioeconomic achievements of women. It is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women.

IWD 2022 campaign theme: #BreakTheBias Celebrate women's achievement. Raise awareness against bias. Take action for equality. Source

https://www.internationalwomensday.com/

On the occasion of international women's day, the Department of Community Medicine of Trichy SRM Medical College hospital & research Centre celebrated the day with much enthusiasm.

The following theme-based activities were organized throughout the week

1. Focused group discussion conducted by Dr Divya R (Assistant Professor) involving 10 female participants regarding their perceptions, attitudes and practices towards disproportionate **care household labor** and how it affects their health and health seeking behavior. (Pic 1.) date 22/2/2022

2. Visual Demonstration of Gender gap in Unpaid Household labor through video illustration through involvement of both men and women participants (conducted by Dr Divya ,Dr Sinthu). (Pic 2) Date 10/3/22

3 Thematic speech on role of women's participation on care labor and it effects on women's health on 10.3.2022 by Dr Divya and Dr Sinthu (Pic 3 & 4) Date 10/3/22

4. CRRI speech: Evolution of History women's day celebration (Pic 5) Date 10/3/22
