ECO – Friendly campus

01	50+ Acres lush green campus with more than 71520 trees and plants
02	Solar panel with total capacity 36450 units/Months
03	In-House Nursery
04	Water Conservation:6 Rainwater harvesting Pits
05	100% Plastic Free Campus
06	Plant Irrigation
07	Sewage Treatment Plant (STP)
08	Carbon Footprint of Kalinga University

KALINGA UNIVERSITY
RAIPUR | INDIA

Objective

To develop a strong sense of environmental responsibility and moral commitment among students, individuals, and communities, encouraging them to adopt sustainable practices and actively contribute to the preservation and conservation of the environment.

Sustainable Behaviour

- Eco-Friendly Behaviour
- Solar Energy & Energy Conservation
- Power-Efficient Equipment
- Digital Media for Paper Reduction
- Sustainability Center for Excellence
- In-House Nursery & Green House
- Zero Plastic Policy Environmental Sustainability Awareness
- Tree Plantation
- Name tags of Plants and Trees

FACILITIES FOR ALTERNATE SOURCES OF ENERGY

AND ENERGY CONSERVATION MEASURES

01 SOLAR PANELS

- 300 KW Capacity
- 250+ Panels
- 36450 units/month
- Wheeling to the Grid

02 BIO-GAS PLANT

$3m^3$ Capacity

03 LED LIGHTS

2500+ LEDs Installed in Kalinga University Campus

04 SENSOR BASED ENERGY

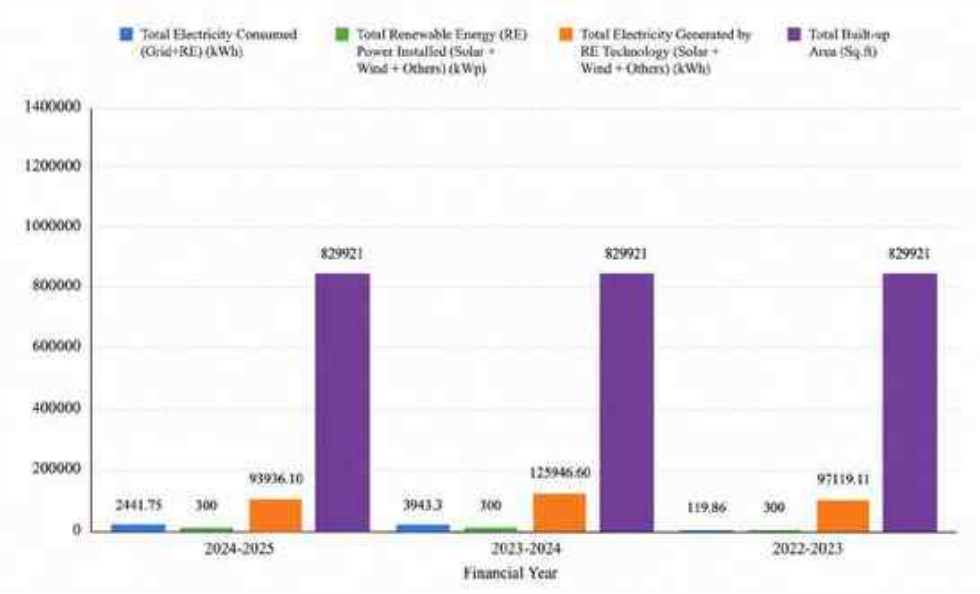
- All Entry gates have Sensor Based operation
- Sensor-based LED lighting systems

KALINGA UNIVERSITY
RAIPUR | INDIA

ENERGY CONSERVATION

Kalinga University demonstrates a strong commitment to achieving Sustainable Development Goals (SDGs) through a range of institutional initiatives. In alignment with SDG 7 (Affordable and Clean Energy), the University promotes the use of renewable energy and environmentally responsible practices across the campus to reduce its carbon footprint. The campus has installed a 300 kWp Solar Power Plant, which has generated 125,946.60 kWh of electricity. A biogas plant generates renewable energy by converting organic waste into clean fuel. Sensor-based LED lighting systems minimise unnecessary electricity consumption. Additionally, the university conducts a Free Solar PV Installation Helper Training Program under the Green Jobs sector (NSQF Level 4) to enhance technical skills and create employment opportunities in the renewable energy sector.

Financial Year	Total Electricity Consumed (Grid+RE)	Total Renewable Energy (RE) Power Installed (Solar + Wind + Others)	Total Electricity Generated by RE Technology (Solar + Wind + Others)	Total Built-up Area
Unit	kWh	kWp	kWh	Sq.ft
2024-2025	2441.75	300	93936.10	829921
2023-2024	3943.3	300	125946.60	829921
2022-2023	119.86	300	97119.11	829921



KALINGA UNIVERSITY
RAIPUR | INDIA

Our Initiatives

SOLAR POWER SYSTEMS
ROOFTOP SOLAR ENERGY

The University has installed a 300 kWp Solar Power Plant, reducing dependence on conventional electricity sources. So far, it has generated 125,946.60 kWh of electricity, contributing towards lower carbon emissions and clean energy usage on campus. Solar panels are installed on rooftops and open spaces to maximise sunlight exposure and energy efficiency. The University actively promotes the usage of renewable energy through various skill development programs, research and awareness activities. This initiative not only lowered electricity expenses but also proved our commitment to adopting green technology.

BIOGAS PLANT

For efficient waste management, the University has installed a biogas plant on campus that converts organic and food waste generated from hostels and other campus areas into renewable energy.

The biogas produced is used as a clean fuel, reducing the dependence on conventional fuels. The plant also produces nutrient-rich slurry, an organic fertilizer used in gardening and landscaping purposes, promoting sustainable resource usage and a circular approach towards waste management.

Sensor-Based LED Lighting Systems

The university has installed sensor-based LED lighting systems in several campus buildings and common areas. These smart lighting systems automatically switch on or off based on human movement and ambient light conditions, reducing unnecessary lighting consumption while maintaining adequate lighting across the campus.

KALINGA UNIVERSITY
RAIPUR | INDIA

Centre of Excellence for Sustainable Transportation and Green Campus Initiatives

The institution has established a Centre of Excellence dedicated to promoting sustainable and innovative practices across campus. As a key initiative, an eBlu Electric Vehicle (EV) has been introduced to create awareness about eco-friendly and energy-efficient transportation systems. The university actively encourages staff members to adopt carpooling practices, helping to reduce fuel consumption, traffic congestion, and carbon emissions. Additionally, well-organized bus facilities are provided to ensure safe, reliable, and convenient commuting for staff. These combined efforts demonstrate the institution's strong commitment to environmental responsibility, energy conservation, and building a greener, more sustainable campus culture.

Water Conservation

Kalinga University follows sustainable water management practices to conserve and efficiently utilize water resources across the campus. The university has implemented a sewage treatment plant (STP) to treat wastewater, which is reused for gardening and landscaping purposes. Rainwater harvesting systems are installed to capture and store rainwater, helping recharge groundwater and reduce dependence on external water sources. Drip irrigation is used in green areas to minimize water wastage and ensure efficient irrigation of plants. Through these initiatives, the university promotes responsible water use, environmental sustainability, and awareness among students and staff about the importance of water conservation.

Water Management Details

Financial Year	Total Horsepower of all pumps installed	Total Rooftop Area connected to Rainwater Harvesting (RWH)	Percentage of Wastewater Treated & Reused (approx.)	Total no of Taps in the Campus	No of Taps installed with low Flow fixtures	Total Rooftop Area
Unit	HP	Sq.ft.	%	Number	Number	Sq.ft.
2024-25	120	6,40,000	15	970	170	3940225
2023-24	120	6,40,000	10	970	170	3940225
2022-23	120	6,40,000	10	963	170	3940225

KALINGA UNIVERSITY
RAIPUR | INDIA

Water Sustainability at Kalinga University:

Sewage Treatment Plant (STP)

Kalinga University is committed to promoting water sustainability through efficient management and conservation practices. The university operates a modern Sewage Treatment Plant (STP) to treat wastewater generated from hostels, academic buildings, and residential quarters. The treated water is safely recycled and reused for gardening, landscaping, and irrigation across the campus, significantly reducing the demand for freshwater resources. In addition, the institution encourages responsible water use through awareness and monitoring systems. By adopting sustainable wastewater reuse practices, Kalinga University not only minimizes environmental impact but also contributes to long-term water conservation and supports the development of a green and eco-friendly campus environment.

KALINGA UNIVERSITY
RAIPUR | INDIA

Efficient Irrigation Practices at Kalinga University :

Drip irrigation

To enhance water-use efficiency, Kalinga University has implemented drip irrigation systems across its lawns, gardens, and green belts. This modern irrigation method delivers water directly to the plant roots through a controlled network of pipes and emitters, ensuring optimal water distribution while minimizing evaporation and runoff losses. By supplying precise amounts of water where it is needed most, the system significantly reduces water wastage and promotes healthier plant growth.

The use of drip irrigation also helps maintain the campus greenery in a sustainable manner. Through these initiatives, the university demonstrates its commitment to responsible water management and environmental sustainability.

KALINGA UNIVERSITY
RAIPUR | INDIA

Rainwater Harvesting at Kalinga University

Kalinga University has adopted rainwater harvesting as an important initiative to promote sustainable water management on campus. The university has installed rainwater harvesting structures that collect and channel rainwater from rooftops and open areas into recharge pits and storage systems.

This harvested rainwater helps replenish groundwater levels and reduces dependence on external water sources. The system also prevents water runoff and supports better utilization of natural rainfall.

By integrating rainwater harvesting with other conservation practices, the university ensures efficient water use throughout the year. These efforts reflect Kalinga University's commitment to environmental responsibility and the creation of a sustainable and eco-friendly campus.

KALINGA UNIVERSITY
RAIPUR | INDIA

Waste Management

To ensure a clean, sustainable, and environmentally responsible campus, Kalinga University follows a systematic approach towards waste management. The University manages different types of waste, such as solid, liquid, electronic, and biomedical waste, promoting recycling practices among students and staff members. These efforts align with the United Nations Sustainable Development Goals, specifically SDG 6 (Clean Water and Sanitation), SDG 11 (Sustainable Cities and Communities), SDG 12 (Responsible Consumption and Production), and SDG 13 (Climate Action).

Financial Year	Total (Wet + Dry) Solid Waste Generated	Total Horticulture Waste Generated	Total Dry Waste Generated	Total Wet Waste Generated	Total Dry Waste Recycled	Total Biodegradable (Food) Waste Processed	Total Electronic Waste Generated
Unit	Tons	Tons	Tons	Tons	Tons	Tons	KG
2024-2025	11.10	0.44	0.18	0.10	0.07	0.50	2.00
2023-2024	13.30	0.42	0.15	0.09	0.06	0.46	3.50
2022-2023	6.80	0.40	0.13	0.09	0.05	0.43	3.80

KALINGA UNIVERSITY
RAIPUR | INDIA

Solid Waste Management

The University has established a well-structured, solid waste management system by partnering with authorized vendors who regularly collect garbage and paper waste from various collection points. These are strategically located with proper colour coding, like green for biodegradable waste, blue for recyclable waste, and yellow for other waste categories, ensuring systematic segregation of wastes. We strongly encourage everyone on the campus to use minimal plastic and promote the usage of eco-friendly products, such as paper cups and paper bags, to maintain a plastic-free campus environment.

To manage biodegradable waste, the University has established compost pits and vermicomposting units across the campus. Green waste generated from gardens and landscape areas, such as dry leaves, pruning residues, grass clippings, and other horticulture waste, is collected and processed through vermicomposting. In this process, organic waste is decomposed by earthworms and converted into nutrient-rich vermin-compost. This method speeds up the decomposition process and improves the quality of organic manure. Wet waste collected from the cafeteria and canteen is also combined with suitable horticulture waste and treated in composting and vermicomposting units to produce high-quality organic fertilizer. The compost produced from these processes is used to maintain the campus greenery, plantations, and gardens, supporting an eco-friendly and circular approach towards waste management.

Liquid Waste Management
To ensure 100% utilization of liquid waste on the campus, the University operates a Sewage Treatment Plant (STP) to treat wastewater for gardening and landscaping purposes. Greywater, collected from wash basins and hostel rooms, is collected in storage tanks and used for irrigation purposes. Low-flush cisterns and water-saving taps with controlled flow systems are installed in washrooms.

KALINGA UNIVERSITY
RAIPUR | INDIA

E-Waste Management

The University follows a Standard Operating Procedure (SOP) for the safe handling and disposal of hazardous laboratory and electronic waste to ensure they are handled carefully in a legally compliant manner.
Departments are strictly instructed to submit outdated or non-functional electronic devices, such as monitors, keyboards, printers, batteries, cables, and other laboratory equipment to the E-Waste Store. By following all safety norms, these items are further segregated according to their categories and kept for temporary storage and monitoring before final disposal.
To ensure the responsible disposal of waste, the University has signed MoUs with certified and authorised e-waste management vendors. The collected e-waste is periodically handed over to these authorised recyclers for scientific dismantling, recycling, and recovery of reusable materials. This prevents environmental and health hazards caused by toxic components such as mercury, lead, cadmium, and other harmful substances present in electronic devices.

Waste Recycling System

The faculty, staff, and students actively participate in the recycling initiatives, such as the segregation of recyclable and non-recyclable waste materials by dumping them carefully in different labelled bins. Continuous awareness programs are conducted to encourage active participation in recycling activities across the campus to reduce waste generation.

KALINGA UNIVERSITY
RAIPUR | INDIA

Biomedical Waste Management

Biomedical waste generated from the University's animal house and medical room is segregated at the point of origin to ensure safe handling and proper disposal. The waste is placed in colour-coded and labelled containers under different categories, such as infectious waste, sharps, and non-infectious materials.

It prevents cross-contamination and ensures compliance with biomedical waste management regulations. The process is monitored every day by trained personnel to maintain strict hygiene standards.

The collected waste is transported by authorised agencies for further treatment.

GREEN CAMPUS INITIATIVES

The United **Nations Sustainable Development Goals** (SDGs) serve as a comprehensive global framework for creating a sustainable, equitable, and prosperous future for all. Comprising 17 interconnected Goals, the SDGs aim to tackle pressing challenges such as poverty, gender inequality and access to quality education, climate change, sustainable infrastructure, and the promotion of global partnerships. They provide guidance for nations, communities, and institutions to work collaboratively towards addressing these complex social, economic, and environmental issues.

KALINGA UNIVERSITY
RAIPUR | INDIA

As a leading higher education institution, Kalinga University embraces the responsibility of contributing to the SDGs through its core mission of education, research, and innovation. The university integrates sustainability principles into its academic programs, encouraging students to think critically, act responsibly, and develop solutions for local and global challenges. By promoting community engagement, interdisciplinary learning, and collaborative research, Kalinga University aims to create future-ready leaders who can drive positive change and support the realization of the Sustainable Development Goals.

Our Approach to Sustainability
Kalinga University promotes sustainability through a holistic and collaborative approach that includes:

•Academic Integration:
Incorporating sustainability concepts and the SDGs into curriculum, teaching, and research activities.

•Interdisciplinary Learning:
Encouraging students to address global and local challenges through innovative and problem-solving approaches.

•Research and Innovation:
Supporting research initiatives that contribute to sustainable development and environmental responsibility.

•Collaborative Partnerships:
Engaging with industry, government, and community partners to co-create knowledge and develop impactful solutions.

•Sustainable Campus Management:
Implementing eco-friendly practices to reduce the university's ecological footprint and promote environmental stewardship.

Awareness and Capacity Building

To strengthen awareness and active participation in sustainability initiatives, the university regularly organizes:

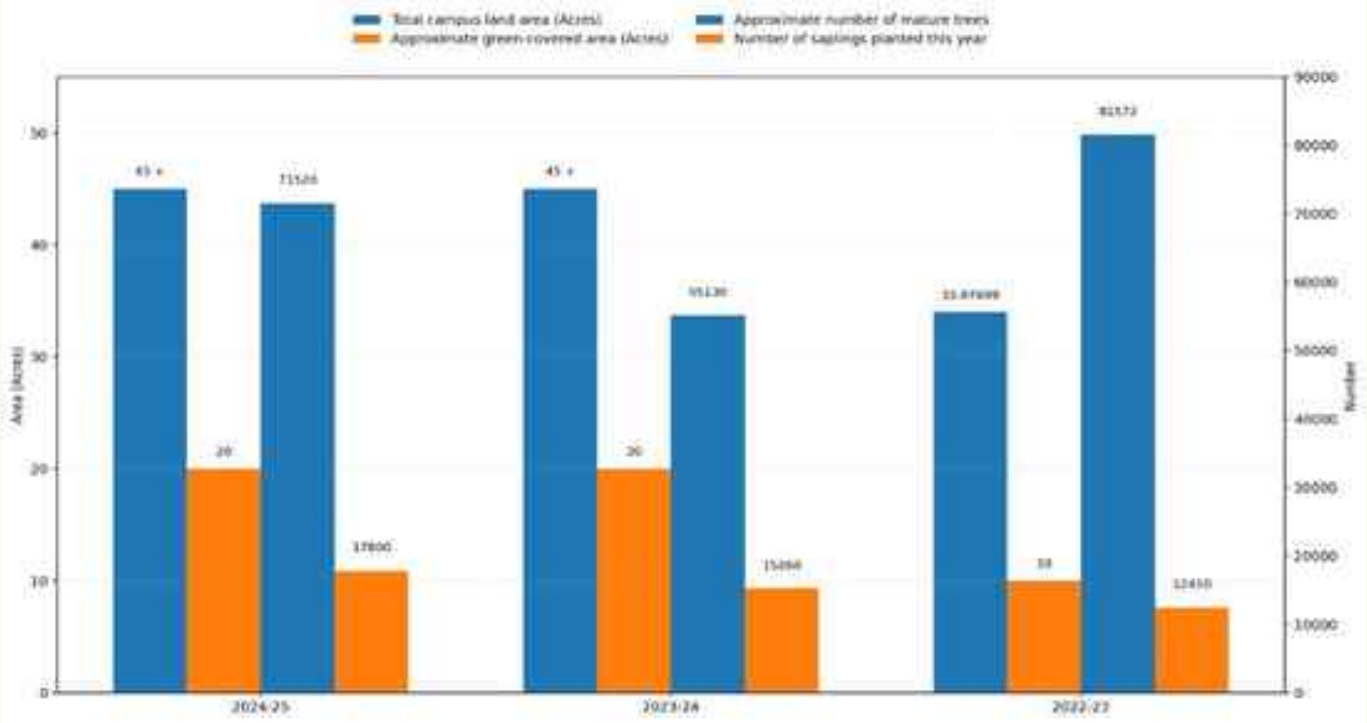
- **Awareness Programs**
- **Guest Lectures by experts**
- **National and International Seminars / Symposium**
- **Workshops and Training Programs**
- **Conferences and Academic Events**
- **Community Outreach and Engagement Activities**

Through these initiatives, Kalinga University aims to cultivate responsible citizens, future leaders, and innovators who are committed to building a greener, more inclusive, and sustainable society.

KALINGA UNIVERSITY
RAIPUR | INDIA

Green Coverage Details:

Financial Year	Total campus land area	Approximate green- covered area within campus (includes lawn, trees, and hedges)	Approximate number of mature trees on campus (older than 10 years)	Number of saplings planted this year (within and outside campus)
Unit	Acres	Acres	Number	Number
2024-25	45 +	20	71520	17800
2023-24	45 +	20	55130	15260
2022-23	33.97699	10	81572	12450



Use of Bicycles/Battery Powered Vehicles:

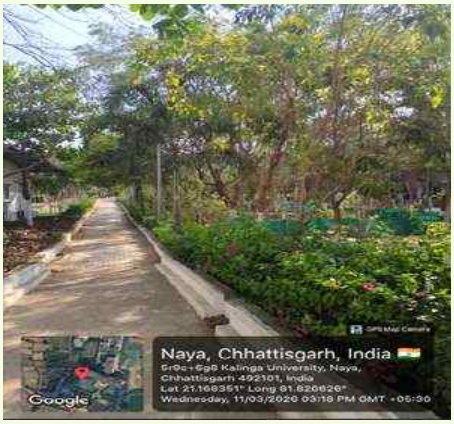
Kalinga University is committed to Green Campus and Environmental Sustainability initiatives. The University promotes a pollution-free environment by strictly prohibiting the entry of conventional automobiles inside the campus. Only eco-friendly modes of transport such as bicycles and battery-operated vehicles are permitted. Students and staff members are actively encouraged to use cycles for daily commuting within the campus. The campus also hosts a Centre of Excellence – eblu – dedicated to e-vehicles in different segments, including E-Auto, E-Cycle and E-Scooter Vehicles, designed from scratch with sustainability, innovation, and environmental responsibility in mind.

KALINGA UNIVERSITY
RAIPUR | INDIA

Use of Bicycles/Battery Powered Vehicles:

Pedestrian Friendly Pathways

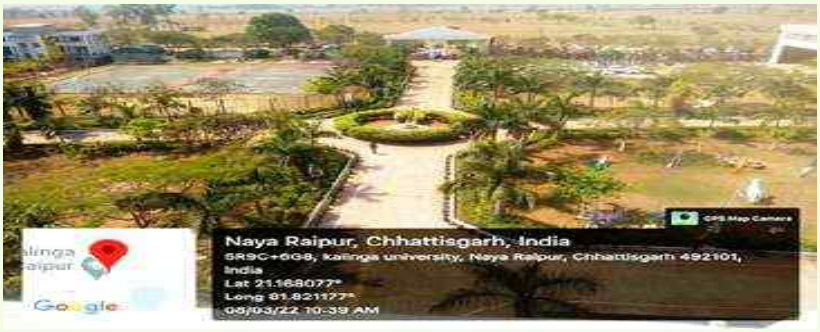
Kalinga University is designed as a walk-friendly and eco-conscious campus that promotes sustainable mobility. The building plan and architecture are user-friendly, encouraging walkability across academic blocks, administrative areas, hostels, and common facilities. Well-laid footpaths are constructed along internal roads and hostel pathways, ensuring safety, accessibility, and convenience for students and staff. These pathways are properly maintained and bordered with lush green belts that enhance the aesthetic and environmental value of the campus. A well-connected network of pedestrian walkways discourages the use of vehicles inside the campus, fostering a healthy, pollution-free, and environmentally responsible atmosphere.

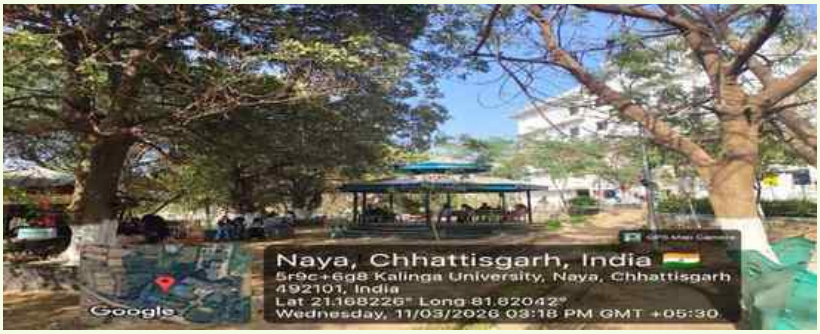


KALINGA UNIVERSITY
RAIPUR | INDIA

Landscaping with Trees and Plants

Kalinga University maintains a vibrant green campus through extensive landscaping with native species of trees, shrubs, and ornamental plants. The campus features well-developed gardens that enhance biodiversity and create a serene academic environment. A beautifully maintained pond supports the local ecosystem and groundwater recharge. Numerous fountains across the campus add aesthetic value while promoting a refreshing atmosphere. The rich greenery, lawns, and plantations reflect the University's strong commitment to environmental sustainability and ecological balance.





KALINGA UNIVERSITY
RAIPUR | INDIA

Energy Saving Initiatives

Kalinga University actively implements energy-saving initiatives to promote sustainability. The University has installed rooftop solar power generation systems across its buildings to harness renewable energy and reduce dependence on conventional electricity. Sensor-based LED lights are used in corridors and common areas to optimize energy efficiency. Regular awareness programs encourage responsible energy consumption among students and staff. Further strengthening its commitment, the University, in collaboration with the Skill Council for Green Jobs, is organizing a Free Solar PV Installation Helper Training Program under the Green Jobs sector (NSQF Level 4).

Plastic Free Campus

Kalinga University is committed to maintaining a plastic-free campus. The University conducts regular awareness programs and no-plastic-use campaigns to educate students and staff about environmental hazards. Banners, awareness posters, and signboards are displayed across the campus to discourage plastic usage and promote sustainable alternatives.

Objective of Program:

1. To recognize and appreciate Doctor's contribution.
2. To motivate and inspire Doctors in their noble profession.

Name of the doctors who were felicitated by the University:

1. Lt Gen. Dr Ashok Jindal --- Director, AIIMS
2. Dr. Mithilesh Choudhary — CMHO, Raipur District
3. Dr Sandeep Dave--- Ramkrishna Hospital
4. Dr Sunil Gouniyal ---Cardiologist
5. Dr Nikhil Motiramamni-- Cardiologist
6. Dr Satish Suryavanshi ---Cardiologist
7. Dr Ravi Goyal ---Dentist
8. Dr. Vijaylakshmi Anant — BMO Arang
9. Dr. Shridhar Rao — Director, V Y Hospital
10. Dr. Bhawna Sirohi — Director, Balco Hospital
11. Dr. Kiran Dasari — Director, Sapthagiri Hospital
12. Dr. K. S. Rai — Orthopaedic

13. Dr Akshay Kiledar ----Dy Director, Narayana Hospital
14. Dr. Virendra Kumar Matawle — Dentist
15. Dr. Srinivas Rao — Ayurvedic Doctor
16. Dr. Vikas Shrivastava — Patanjali
17. Dr. Dhananjay Prasad — Pathologist
18. Dr. Neeta Sharma — Homoeopathy
19. Dr Amrita Verma City Eye Hospital
20. Dr Manish Shrivastava City Eye Hospital
21. Dr Sangya ---Urmila Memorial Hospital
22. Dr Ankur Gupta----Sadbhavna Hospital
23. Dr Jyotshna Gupta---Sadbhavna Hospital

Details of Program:

Kalinga University observed Doctors Day on 1st July by felicitating renowned Doctor of City for the valuable contribution towards society. Doctors who were felicitated at their respective hospitals and they appreciated the efforts of Kalinga University.

Kalinga University's delegation comprised Dr. A Vijayanand, Chief Proctor, Deputy Dean of Students' Welfare, Mr. Sheikh Abdul Kadir and Data Operator of Chief Proctor, Mr. Lileshwar Sahu. Doctors felicitated were Lt. Gen. Dr Ashok Jindal, Director, AIIMS, Dr. Mithilesh Choudhary, Chief Medical and Health Officer (CMHO), Raipur District, Dr Sandeep Dave, Director of Ramkrishna Care Hospital, Dr Sunil Gouniyal Cardiologist of NHMMI Narayana Hridalaya, Dr Nikhil Motiramamni Cardiologist, Dr Satish Suryavanshi Cardiologist, Dr Ravi Goyal-Dentist, Dr. Vijaylakshmi Anant BMO Arang, Dr. Shridhar Rao, Director, V Y Hospital, Dr. Bhawna Sirohi, Director, Balco Hospital, Dr. Kiran Dasari, Director, Sapthagiri Hospital, Dr. K. S. Rai Orthopaedic, Dr Akshay Kiledar, Dy Director, NHMMI Narayana Hridalaya Hospital, Dr. Virendra Kumar Matawle, Dentist, Dr. Srinivas Rao Ayurvedic Doctor, Dr. Vikas Shrivastava, Patanjali, Dr. Dhananjay Prasad Pathologist, Dr. Neeta Sharma Homoeopathy, Dr Amrita Verma City Eye Hospital, Dr Manish Shrivastava City Eye Hospital, Dr Sangya Urmila Memorial Hospital, Dr Ankur Gupta Sadbhavna Hospital, Dr Jyotshna Gupta Sadbhavna Hospital.

They were honoured with mementoes and shawls by the Kalinga University delegates. Doctors expressed gratitude towards Kalinga University for the honour and reciprocated best wishes for Kalinga University.

It is worth mentioning that Kalinga University is a reputed educational institution in Central India. For providing innovation and quality education, the university has been granted B+ recognition by the National Assessment and Accreditation Council (NAAC). It is the only private university in Chhattisgarh, which is included in the NIRF Ranking 2022 and 2023 of Excellent 101-150 Universities. Here the students are trained through high quality multidisciplinary research focused education and skill development programs to inculcate innovation in the students as per the global benchmarks. So that with the development of leadership power in them, the spirit of becoming a responsible citizen can be developed.

Number of Doctors participated: 23

Number of faculty & staff participated: 03

Program Outcome:

Successfully felicitated 23 Doctors who have continuously contributing their services & support to Kalinga University.

KALINGAUNIVERY

Subject: Permission Request for Online Awareness Program by Behaviour Club in unit of UNICEF)

Sir,

We, members of Behaviour Club, Kalinga University are writing to request permission to conduct an online awareness program titled "**Redefining Menstrual Stigma as a matter of Menstrual Health Hygiene: A Behavioural Shift to Empower Skilful Youth**" on the event of **World Youth Skill Day**. This program, scheduled for **15th July 2024** from 12 PM to 3 PM, will involve the members of the Behavioural Club (students) and faculties of Kalinga University. We are pleased to inform you that a representative from UNICEF will be the resource person for this session. The primary objective is to educate and empower our youth on crucial health issues, fostering a more informed and supportive community. Your consideration of this request is highly appreciated.

Requirement: Creative and Online Certificate

Dr. Aakriti Dewangan — Assistant Professor

Ms. Tuhina Choubey — Assistant Professor

Dr. A Rajshekhar — Professor

Faculty of Arts and Humanities

Forwarded to DSA for approval.

Forwarded to Registrar Sir for approval

Approved

Pls get a creative prepared. Make Press Release & upload

Event Poster:

Invitation to the resource person: (If applicable) **–** An invitation was sent through the phone.

Objectives:

Increase Awareness: Educate participants about the importance of menstrual health and hygiene, highlighting its impact on overall well-being.

Foster Behavioural Change: Encourage a shift in attitudes and behaviours towards menstruation, aiming to eliminate stigma and misconceptions.

Empower Youth: Equip young individuals with the necessary skills and knowledge to manage menstrual health effectively and confidently.

Promote Open Dialogue: Create a safe and supportive environment for open discussions on menstrual health, allowing participants to share experiences and learn from each other.

Build a Supportive Community: Strengthen the community by promoting empathy, understanding, and support for menstrual health issues.

Provide Recognition: Acknowledge and reward participants with certificates for their engagement and contribution to the event, reinforcing the value of their involvement.

Profile of Resource person (if applicable):

Ms. Tulika Sharma

Ms. Tulika Sharma has been serving at AIIMS Raipur, continuing her dedication to public health. In addition to her primary roles, she has also led special sessions on mental health in schools and colleges on behalf of the government, showcasing her commitment to mental health awareness and education.

Chandan Rai , Consultant - Communication for Development, UNICEF Raipur

Chandan Rai is a dedicated and experienced professional specializing in Communication for Development. In his role at UNICEF Raipur, Chandan has consistently demonstrated his expertise in designing and implementing effective communication strategies to promote sustainable development and positive social change. His work focuses on engaging communities, raising awareness on critical issues, and fostering behavior change through targeted communication initiatives. Chandan's commitment to development and his ability to drive impactful campaigns have made him a valuable asset to UNICEF and a key contributor to the organization's mission in the Raipur region.

Program Schedule: 15th July 2024, 12:00pm to 3pm

Details of Program

On the occasion of World Youth Skill Day, the Behaviour Club, a unit of UNICEF at Kalinga University, is hosting a special online event titled 'Redefining Menstrual Stigma as a Matter of Menstrual Health Hygiene: Behaviour Shift to Empower Skilful Youth' on 15th July 2024, from 12 PM to 3 PM. This event is designed to raise awareness about menstrual health and hygiene, aiming to foster a behavioral shift that empowers youth with essential skills and knowledge. Participants will engage in meaningful discussions to break the stigma surrounding menstruation, promoting a more informed and supportive community. Certificates will be provided to all participants, recognizing their contribution to this crucial conversation. We invite everyone to join us in supporting and uplifting each other to make a positive impact on our community.

Program Outcome:

Increased Awareness: Participants will gain a deeper understanding of menstrual health and hygiene, including the importance of proper menstrual practices and the impact on overall health and well-being.

Behavioral Shift: The event will encourage a shift in attitudes and behaviors towards menstruation, helping to reduce stigma and misconceptions associated with it.

Empowerment: Youth will be equipped with the necessary skills and knowledge to manage menstrual health effectively, fostering a sense of confidence and self-reliance.

Open Dialogue: The program will create a safe space for open and honest discussions about menstruation, allowing participants to share experiences and learn from each other.

Community Support: By promoting empathy and understanding, the event will strengthen community support for menstrual health issues, leading to a more inclusive and supportive environment.

Recognition: Participants will receive certificates, acknowledging their active engagement and contribution to the event, reinforcing the value of their involvement.

Long-term Impact: The knowledge and skills gained during the event will have a lasting impact on participants, empowering them to advocate for menstrual health and hygiene in their communities.

Title- "Free Eye & Dental Checkup Camp"

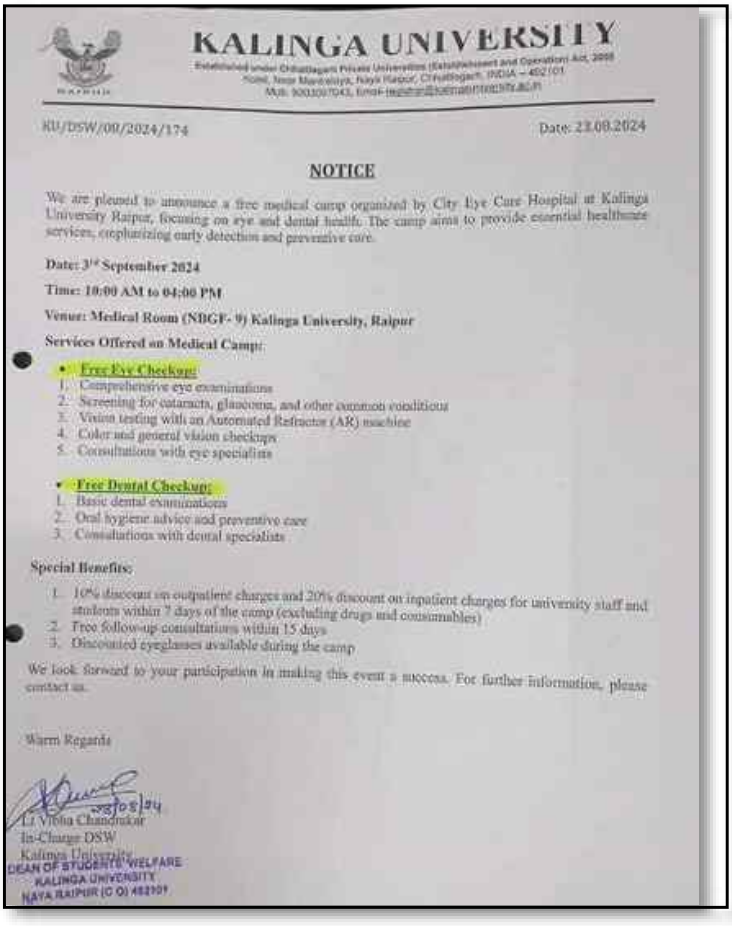
Date: 03-09-2024

Time of event: 10:00 AM to 05:00 PM

Event Type: Offline

Venue: Medical Room NBGF - 09

IOM/Circular:



KALINGA UNIVERSITY

KU/DSW/08/2024/174 Date: 23.08.2024

NOTICE

We are pleased to announce a free medical camp organized by City Eye Care Hospital at Kalinga University Raipur, focusing on eye and dental health. The camp aims to provide essential healthcare services, emphasizing early detection and preventive care.

Date: 3rd September 2024

Time: 10:00 AM to 04:00 PM

Venue: Medical Room (NBGF- 9) Kalinga University, Raipur

Services Offered on Medical Camp:

- **Free Eye Checkup:**
  1. Comprehensive eye examinations
  2. Screening for cataracts, glaucoma, and other common conditions
  3. Vision testing with an Automated Refractor (AR) machine
  4. Color and general vision checkups
  5. Consultations with eye specialists

- **Free Dental Checkup:**
  1. Basic dental examinations
  2. Oral hygiene advice and preventive care
  3. Consultations with dental specialists

Special Benefits:

1. 10% discount on outpatient charges and 20% discount on inpatient charges for university staff and students within 7 days of the camp (excluding drugs and consumables)
2. Free follow-up consultations within 15 days
3. Discounted eyeglasses available during the camp

We look forward to your participation in making this event a success. For further information, please contact us.

Warm Regards

23/08/24

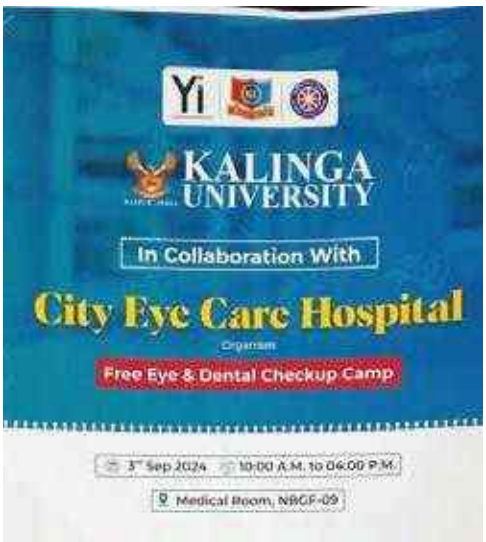
DEAN OF STUDENTS WELFARE
KALINGA UNIVERSITY
NAYA RAIPUR (C.G.) 492101

Event Poster:

Invitation:



Objective of Program:

The

objective of the free medical, eye, and dental checkup camp was to provide accessible healthcare services to the community, promote health awareness, detect potential health issues early, and offer guidance for maintaining overall well-being.

Details of Program:

The Dean of Students' Welfare & Chief Proctor, in association with City Eye Care Hospital, successfully organized a free eye and dental checkup camp on 3rd September 2024 (Tuesday) for its students, faculty members, and staff.

The camp, held at the medical room in the new building of the university campus, was inaugurated by Dr. Atish Sahu, Dental Consultant, in the presence of Dr. Manish Shrivastava, Senior Ophthalmologist, Dr. Mohammed Shaharyar Khan, Lt. Vibha Chandrakar Incharge Dean of Students' Welfare, Dr. A. Vijayananad, Chief Proctor, Ms. Suman Chouhan, Staff Nurse, Mr. Kuldeep Banjare staff nurse, Mr. Sheikh Abdul Kadir, Deputy Dean of Students' Welfare, Ms. Nikita Joshi, Assistant Dean of Students' Welfare, Ms Ayushi Kuchanwar, Assistant NCC Office, NCC volunteers students and other staff members & guests.

A total of 278 participants registered for the camp, with 190 completing their eye and dental checkups. The event saw active participation from students, including international students, highlighting the diverse and inclusive environment at Kalinga University.

The camp commenced at 10:30 am and continued until 5:00 pm, providing comprehensive eye tests conducted by the team from City Eye Care Hospital under the expert guidance of Dr. Manish Shrivastava. Attendees were also provided with free eye drops as part of the initiative.

Dr. Manish Shrivastava emphasized the importance of reducing screen time for better eye health and shared valuable eye exercises aimed at reducing stress. The participants, including students and faculty members, expressed their gratitude and satisfaction for the opportunity to receive these essential health services on campus.

Lt. Vibha Chandrakar In-charge Dean of Students' Welfare, and Dr. A. Vijayananad, Chief Proctor, expressed their appreciation for the collaborative effort and underscored the university's commitment to the well-being of its community. Afterwards a memento & certificate was presented to Dr Manish Shrivastava by Dr A. Vijayanand, Mr. Sheikh Abdul Kadir Deputy DSW & Ms. Suman Chouhan Staff Nurse.

Program Outcome:

 The
event resulted in increased health awareness, early detection of health issues, referrals for further treatment, and valuable health education for the community. It provided essential healthcare services to individuals who may not have regular access, improving overall health outcomes in the area.

Number of Students Participated: 183

"Creative Writing Competition"

Organized by

Department of Biotechnology

On

4th September2024

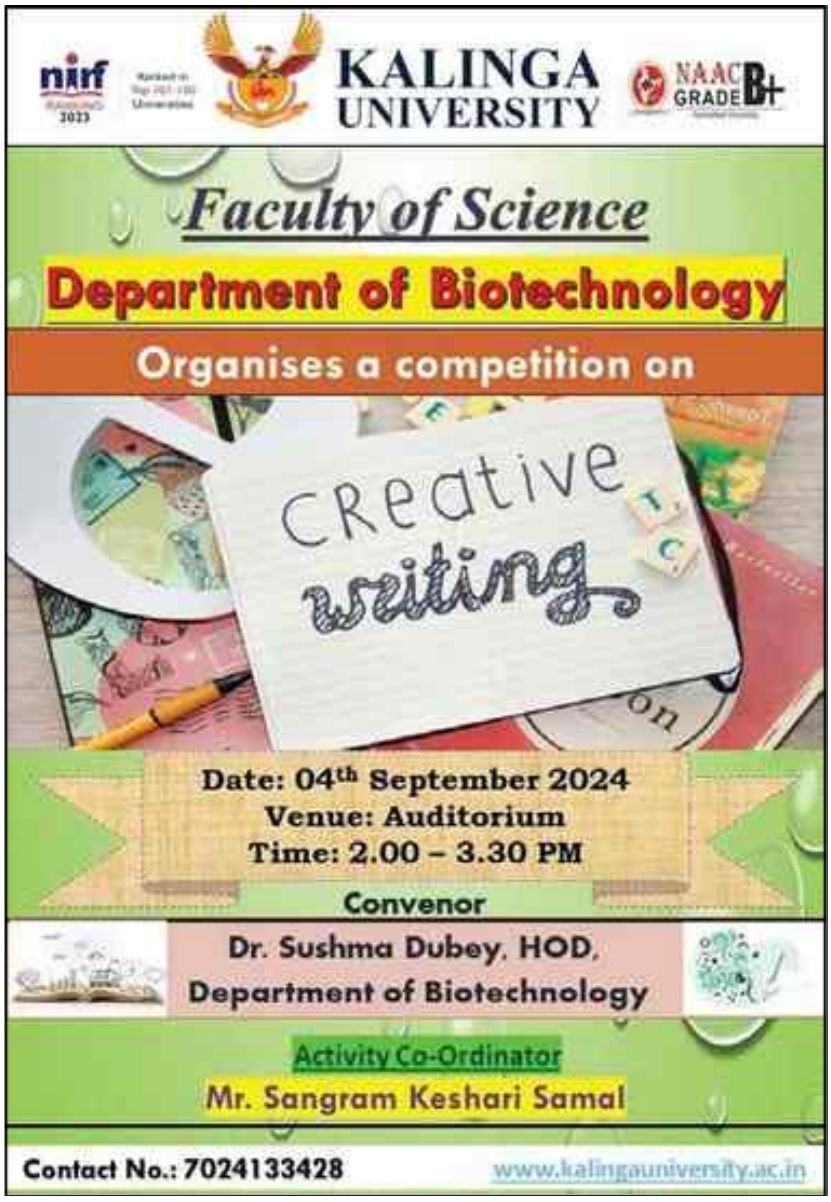
Title: Creative Writing Competition

Date: 04/09/2024

Time: 2.00 PM to 3.30 PM

Venue: Auditorium, Kalinga University

IOM/Circular:



Objective of the program:

To foster imaginative thinking and allow participants to express themselves creatively.

To provide platform for writers to share their work and gain recognition.

To inspire a love for literature and the written word.

To highlight different viewpoints and encourage unique storytelling techniques.

Program schedule: Program was scheduled on 4th September 2024 from 2.00 PM to 3.30 PM

Details of program:

[Raipur, Date: 04/09/2024]:-Department of Biotechnology, Kalinga University organized a "Creative Writing Competition" on 4th September 2024 to

promote creativity, writing proficiency and the love for literature among participants. The competition was open to all the students of Kalinga University.

The competition was organized in Auditorium, Kalinga University. One of the distinguished features of this competition was the open-topic format. Participants were given the freedom to choose any subject that inspired them, allowing for a diverse range of submission across all the students. This approach was implemented to encourage creative expression without the limitations of a fixed theme, enables writers to explore personal interests, passion and unique perspectives. Participants were seated in designated place of auditorium and the event commenced at 2.15PM and the competition lasts for 1 hour, during which participants had to complete and submit their writings.

The writings of the participants were evaluated by a panel of four judges (Dr. Deepa Biswas, Dr. Sushma Dubey, Dr. Amit Joshi & Dr. K. Shanti) and the writings were judged on three criteria i.e. language, writing skill and content.

Total 38 participants from various departments participated in this competition and Mr. Ujjwal Dutta (BSCBT 1st Sem) secured 1st position, Ms. Shalu Kumari (BSCBT 3rd Sem) and Ms. Priyanshi Choudhary (BSCBT 3rd Sem) secured 2nd position and Mr. Amit Aadarsh (MSc. Zoology) and Ms. Ananya Singh (BSCBT 1st sem) secured 3rd position. All the participants secured 1st , 2nd and 3rd position certified by e-certificate of achievement and all other participants received certificate of participation.

Program outcome:

The

competition successfully fostered creativity and showcased diverse talent.

Participa

nts demonstrated originality and skills, with open-topic format encouraging a wide range of themes.

Number of students participated: 38

KU/DSW/09/2024/180 Date: 09.09.2024

NOTICE

We are pleased to announce an informative session & Free Health Check-Up Camp organized by Dean of Students' Welfare in collaboration with Urmila Memorial Hospital. This is a great opportunity for you to take advantage of a comprehensive health screening at no cost.

Date: 13th September 2024
Time: 10:00 AM to 04:30 PM
Venue: Camp - Medical Room (NBGF- 09) Kalinga University, Raipur (10:00 AM to 03:30 PM)
Session - Auditorium (03:30 PM to 04:30 PM)

Services Offered on Medical Camp:

1. BP + Sugar Test
2. ECG (Electrocardiogram) Test
3. PFT (Pulmonary Function Test)
4. UFT (Urine Flow Test) for Male

Note:

- Expert Consultations: Renowned Cardiologists and Gastroenterologists from Urmila Memorial Hospital will be available to provide consultations and answer any health-related queries.
- Health Screenings: Receive free health assessments including blood pressure checks, blood sugar level tests, and more.
- Informative Session: An educational session on heart health and digestive wellness will be conducted to enhance awareness and preventive practices.

We look forward to your participation in making this event a success. For further information, please contact us at 7024116966 & 9300320389.

Warm Regards

Event Poster:

Invitation:

+

Objective of Program:

The free
health checkup camp aims to provide accessible health screenings and consultations to underserved communities, promote preventive care and early detection of health issues, and raise awareness about healthy living while fostering trust between healthcare providers and the public.

Details of Program:

Many students and faculty members participated in a health checkup camp organised by Kalinga University in collaboration with Urmila Memorial Hospital at the Medical Room on 13th, September 2024.

Various tests including Blood Pressure test, Sugar level test, Electrocardiogram (ECG), Pulmonary Function Test (PFT), and Urine Flow Test (UFT for males) were conducted during the camp.

The free health camp was inaugurated by Dr. R. Shridhar, Vice Chancellor of Kalinga University, in the presence of Chief Proctor Dr. A. Vijayanand, In-charge Dean of Students' Welfare Lt. Vibha Chandrakar, Mr. Sheikh Abdul Kadir, Deputy Dean of Students' Welfare, Ms. Nikita Joshi, Assistant Dean of Students' Welfare, Ms. Suman Chouhan, Kuldeep Singh (Staff Nurse), and others. The event saw active participation from both national and international students.

The camp was held at the Medical Room from 10:00 AM to 5:00 PM, followed by an interactive session with Dr. Vinod Kumar Singh, General and Laparoscopic Surgeon, Medical Director of Urmila Memorial Hospital, and Dr. Jinesh Kumar Jain, Cardiologist. Dr. Jain provided detailed information on heart care through a PowerPoint presentation, and faculty members had the opportunity to clear their doubts during the session.

A total of 126 national and international students participated in the camp, while 36 staff members availed the benefits. Additionally, 120 members attended the interactive session at the auditorium. In total, 282 individuals were benefited from the camp and the session.

The event was graced by Dr. Sangya Shrivastava, Chief Executive Officer of Urmila Memorial Hospital, Mr. Rajesh Dubey, Corporate Head, and Mr. Chandrakant Gupta, Marketing Executive, along with nursing staff members Thupendrai, Sonamani, Giteshwari, Somnath, and Dinesh. The medical camp proved to be highly beneficial for both students and staff members of Kalinga University. As a token of appreciation, Kalinga University mementoes were given to the Doctors after the successful completion of the event.

Program Outcome:

The event resulted in increased health awareness, early detection of health issues, referrals for further treatment, and valuable health education for the community. It provided essential healthcare services to individuals who may not have regular access, improving overall health outcomes in the area.

Number of Students Participated in Camp: 126

Report on

4th national pharmacovigilance awareness

ON

"Building ADR and Reporting Culture for Patient Safety"

Organized by

"Faculty of Pharmacy,

Kalinga University"

On

17th SEPTEMBER 2024

Title- ५nationalpharmacovigilanceawareness ***"Building ADR and Reporting Culture for Patient Safety"***

Date: 17. 09. 2024

Event Type: Offline

Venue: Auditorium, Kalinga University

Event Poster:

Objective of Program:

1. ***Enhanc e Reporting Mechanisms***: Develop and implement user-friendly systems and protocols for reporting ADRs that are accessible to healthcare professionals, patients, and caregivers, ensuring timely and accurate documentation of adverse events.
2. ***Foster a Safety Culture***: Promote a culture of transparency and open communication within healthcare settings to encourage the reporting of ADRs without fear of retaliation or blame, emphasizing the importance of patient safety and continuous improvement.
3. ***Increase Awareness and Training***: Provide comprehensive education and training for healthcare professionals and patients on recognizing, reporting, and managing ADRs, to ensure that all parties are informed about the significance of ADR reporting and its role in improving patient safety.

Program Schedule:

Sl. No	***Title***	***Time***
1	Inaugration of programme	2.00 PM
2	Welcome speech	2:10 AM – 2:20 PM
3	Expert talk	2:30 AM- 3.45 PM
4	Vote of thanks	3.45 PM- 3.55 PM

Details of the program:

To foster a proactive environment where healthcare professionals, patients, and regulatory authorities collaborate to improve the reporting and management of Adverse Drug Reactions (ADRs). The program will include keynote speeches by experts in pharmacovigilance, interactive workshops on effective ADR reporting systems, and panel discussions on integrating technology to streamline reporting mechanisms. Participants will also engage in case studies and hands-on sessions designed to highlight the importance of a transparent, non-punitive approach to reporting. The event seeks to raise awareness, enhance knowledge, and promote a culture of safety, accountability, and continuous improvement in healthcare systems to ensure better patient outcomes. The Expert Talk was organized under the guidance of ***Dr. Sandip Prasad Tiwari (Principal)*** Faculty of Pharmacy. The event was coordinated by Mr. Pranjul Shrivastava (Assistant Professor), Mr. Smrutiranjan Dash (Assistant Professor), Dr. Rupali Bharti Sao (Assistant Professor) with an organizing committee including Dr. Ashok Kumar, Dr. Indu Lata Kanwar, Mr. Ayushman Roy, Mr. Mrutunjaya Bhanja, Mr. Naimish Nanda, and Ms. Rashmi sinha. The Lecture were delivered by ***Dr. Pugazhenthan Thangaraju (Coordinator - MvPI), Dr. Prafulla P. Thaware (Assistant Professor & Member Patient Safety Committee), and Dr. Vikas Katiyara (AMC, Senior resident I/C).*** The event was attended by the students of M. Pharm, B. Pharm, Pharm.D, and D.Pharm. The speakers emphasized the critical role that young healthcare professionals can play in improving patient safety through vigilant ADR reporting. Drawing from real-life case studies and personal experiences, the expert demonstrated how proactive reporting can prevent harmful drug reactions and save lives. The talk encouraged students to be agents of change, promoting a culture of safety and transparency in their future careers.

Program outcome:

Participants gained knowledge on effective ADR reporting, improving their ability to identify and report adverse drug reactions. The program also promoted a culture of transparency and safety, encouraging continuous prioritization of patient well- being.

Number of Participants: above 120

"63rd National Pharmacy Week

(17-23 November 2024)

Organized by

Faculty of Pharmacy

Kalinga University

On

21st November 2024

Title- 63rd National Pharmacy Week (17-23 November 2024) on 21st November 2024 on theme- "Think Health, Think Pharmacy".

Date: 21.11.2024

Event Type: Offline

Venue: Pharmacy Building, Kalinga University

Event Poster

Objective of Program:

1. To celebrate the essential contributions of pharmacists to healthcare, medication safety, and patient outcomes.
2. To highlight the importance of pharmacists in promoting health and enhancing healthcare systems.
3. Encourage students and professionals to engage with the theme and reflect on their role in the healthcare system.
4. Foster creativity, teamwork, and knowledge-sharing through interactive events and activities.

Events Schedule:

Sl. No	***Title***	***Time***
1	Free eye Check Up Camp	11:00-3:00 PM
2	Debate Competition	2:00-3.30 PM
3	Vote of Thanks	3:30-3.40 PM

Details of program:

The event was organized to recognize pharmacist contributions to healthcare and to spread awareness of their crucial role in meeting global health needs. The theme for this year's celebration was "***Think Health, Think Pharmacy".*** We have organized Free Eye Checkup Camp in collaboration with ***City Eye+ Care Hospital & Retina Care*** and also Debate Competition. In this free eye check-up health camp 118 students and faculty members have registered and took benefit of this health camp.

The day was marked with an engaging Debate competition, which saw the enthusiastic participation of more than 45 students. The topics for debate competition were

1. Robotics in dispensing medicines

2. Telepharmacy/e-Pharmacy/online Pharmacy

3. Self-medication

The event intends to recognize and promote the invaluable role of pharmacists in healthcare delivery by fostering awareness, education, and collaboration among healthcare professionals, patients, and communities.

Through the various activities, students not only gained a deeper understanding of the theme but also celebrated the profession of pharmacy. The event fostered a sense of pride in the role of pharmacists in meeting global health needs and emphasized their contribution toward building healthier communities worldwide.

The Event was organized under the guidance of Dr. Sandip Prasad Tiwari (Principal) Faculty of Pharmacy. The event was coordinated by Dr. Indu Lata Kanwar, Mr. Pranjul Shrivastava, Dr. Sandeep Kumar Mishra, and Ms. Khushboo Gupta with an organizing committee including Mr. Mrutyunjaya Bhanja, Mr. Ayushman Roy, Mr. Smruti Ranjan Dash, Mr. Naimish Nanda, Ms. Monika Vishwakarma, Ms. Rashmi Shina, Dr. Rupali Bharti Sao, Ms. Saloni Saw and Ms. Rashmi Pandey.

Number of Participants: 118

1-Day

Industrial Visit to theWildlife Health & Forensic Centre, College of Veterinary Science and AnimalHusbandry, Durg

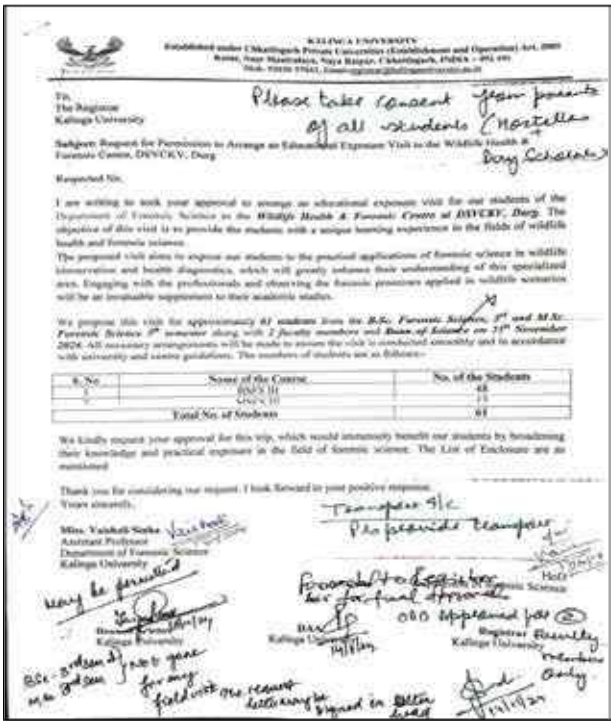
Organizedby

Department of Forensic Science,

Kalinga University

Pre-visit Phase

Approval Letter:



KALINGA UNIVERSITY

To,
The Registrar
Kalinga University

Please take consent from parents of all students (Hostellers + Day Scholars)

Subject: Request for Permission to Arrange an Educational Exposure Visit to the Wildlife Health & Forensic Centre, DSVCKV, Durg

Respected Sir,

I am writing to seek your approval to arrange an educational exposure visit for our students of the Department of Forensic Science to the *Wildlife Health & Forensic Centre at DSVCKV, Durg*. The objective of this visit is to provide the students with a unique learning experience in the fields of wildlife health and forensic science.

The proposed visit aims to expose our students to the practical applications of forensic science in wildlife conservation and health diagnostics, which will greatly enhance their understanding of this specialized area. Engaging with the professionals and observing the forensic processes applied in wildlife scenarios will be an invaluable supplement to their academic studies.

We propose this visit for approximately *61 students* from the *B.Sc. Forensic Science, 3rd and M.Sc. Forensic Science 3rd semester* along with *2 faculty members* and *Dean of Schools on 3rd November 2024*. All necessary arrangements will be made to ensure the visit is conducted smoothly and in accordance with university and centre guidelines. The numbers of students are as follows:-

S. No.	Name of the Course	No. of the Students
1	BSFS III	48
2	MSFS III	13
	Total No. of Students	61

We kindly request your approval for this trip, which would immensely benefit our students by broadening their knowledge and practical exposure in the field of forensic science. The List of Enclosure are as mentioned

Thank you for considering our request. I look forward to your positive response.

Yours sincerely,

Miss. Vaishali Sinha
Assistant Professor
Department of Forensic Science
Kalinga University

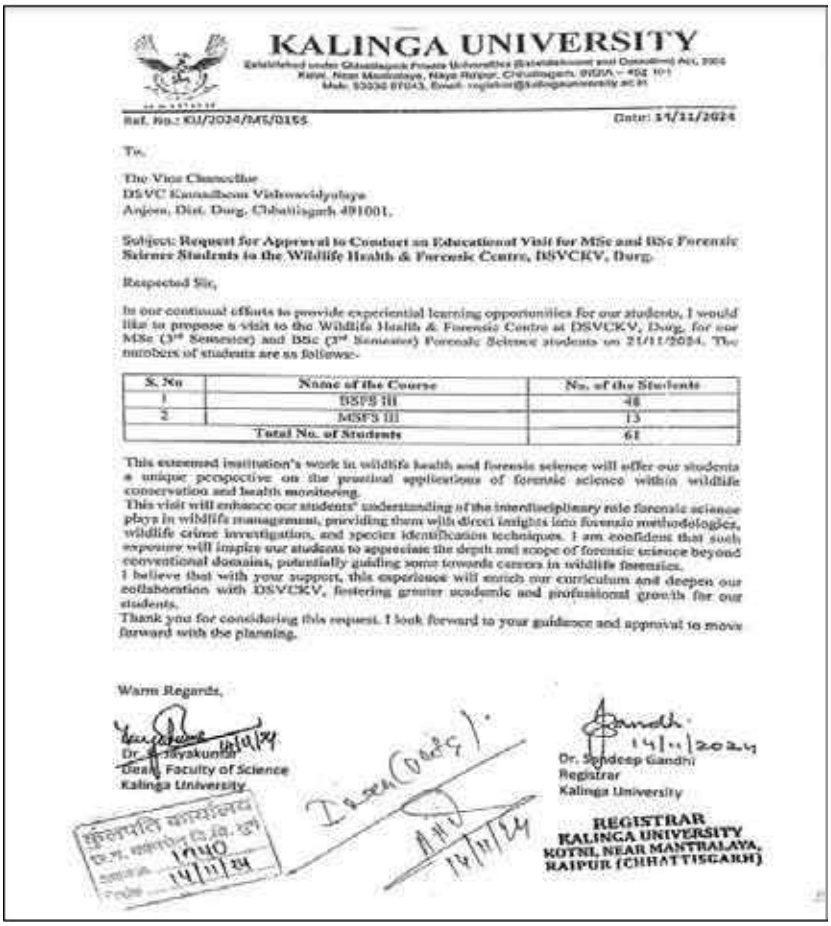
Permission letter from organization

Consent from the organization i.e. Wildlife Health & Forensic Centre has been taken via letter.



KALINGA UNIVERSITY

Ref. No.: KU/2024/DS/0155 Date: 14/11/2024

To,

The Vice Chancellor
DSVC Kamadhenu Vishwavidyalaya
Anjora, Dist. Durg, Chhattisgarh 491001.

Subject: Request for Approval to Conduct an Educational Visit for MSc and BSc Forensic Science Students to the Wildlife Health & Forensic Centre, DSVCKV, Durg.

Respected Sir,

In our continual efforts to provide experiential learning opportunities for our students, I would like to propose a visit to the Wildlife Health & Forensic Centre at DSVCKV, Durg, for our MSc (3rd Semester) and BSc (3rd Semester) Forensic Science students on 21/11/2024. The numbers of students are as follows:-

S. No	Name of the Course	No. of the Students
1	BSFS III	48
2	MSFS III	13
	Total No. of Students	61

This esteemed institution's work in wildlife health and forensic science will offer our students a unique perspective on the practical applications of forensic science within wildlife conservation and health monitoring.
This visit will enhance our students' understanding of the interdisciplinary role forensic science plays in wildlife management, providing them with direct insights into forensic methodologies, wildlife crime investigation, and species identification techniques. I am confident that such exposure will inspire our students to appreciate the depth and scope of forensic science beyond conventional domains, potentially guiding some towards careers in wildlife forensics.
I believe that with your support, this experience will enrich our curriculum and deepen our collaboration with DSVCKV, fostering greater academic and professional growth for our students.
Thank you for considering this request. I look forward to your guidance and approval to move forward with the planning.

Warm Regards,

Dr. Jayakumar
Dean, Faculty of Science
Kalinga University

REGISTRAR
KALINGA UNIVERSITY
KOTNI, NEAR MANTRALAYA,
RAIPUR (CHHATTISGARH)

IOM for the visit

KALINGA UNIVERSITY

To	:	All students of MSFS & BSFS IIIrd semester	
From	:	Department of Forensic Science	
Subject	:	1 day educational visit to the Wildlife Health and Forensic Centre at DSVCKV, Durg, Chhattisgarh	
Ref. No.	:	KU/DFoS/2024/06	Date : 13/11/24
Copy to	:	Ms. Vaishali Sinha Ms. Pakrii Sharma Ms. Somita Chakrabarty Mr. Md Alim Mr. Sovion Shaheer Ms. Amrita Vijayan	

This is to inform that all the students of M.Sc. & B.Sc. Forensic science, 3rd semester, that 1 day educational visit to the Wildlife Health and Forensic Centre at DSVCKV, Durg, Chhattisgarh has been organized by Department of Forensic science on 21st November 2024. This field exposure will provide the real-world insight into the integration of Wildlife Health and Forensic Science. Such experience will be the crucial for their academic and professional growth, bridging theoretical knowledge with practical application.

All the students who wish to visit the Wildlife Health and Forensic Centre at DSVCKV give their names and submit consent form filled and signed by their parents as well as students to their class coordinator.

Objective of industrial visit:
1. Understanding the Wildlife and Forensic: Students are able to understand how the forensic Science and Wildlife came together.
2. Understanding about the Wildlife: Students are able to understand the wildlife and their impact on environment and types of crime done against the Plants and Animals etc.
3. Understanding role of forensic science against the Wildlife crime: students may learn about the importance of forensics science in crime against the Wildlife and resolving the crime based on rare/special/prohibited and endangered species plants and animals smuggling or trafficking.

The schedule has been attached below in the table for reference:

S.no.	Date	Day	Faculty accompanying in visit	Class	Departure time	Return time
1	21/11/24	21st Thursday	Ms. Vaishali Sinha Mr. Md Alim	MSFS & BSFS 3rd Sem.	9:00 AM	4:00 PM

Vaishali 18/11/2024
Head of Department
Department of Forensic science

18/11/24
Dean, Faculty of Science
Kalinga University

Details of the visit

Programme: B.Sc. Forensic science and M.Sc. Forensic science
Semester: 3
Name of the company/industry: Wildlife Health & Forensic Centre, College of Veterinary Science and Animal Husbandry, Durg

Profile of the company:

1. To conduct and coordinate applied wildlife research on biology, healthcare and conservation and evolve relevant techniques.
2. To provide better diagnostic and healthcare facilities to captive and free ranging wild animals.
3. To provide training, education and extension of educated youth for sensitization about wildlife.
4. To create database for building up a comprehensive wildlife information system by employing modern analytical techniques.

Objective of Educational visit:

The visit aims to provide students with practical exposure to wildlife healthcare and forensic practices, understanding diagnostic methods, and conservation strategies. It also focuses on fostering awareness and enhancing skills in modern forensic and analytical techniques used in wildlife research and protection.

Details of the faculty member to accompany the students during visit:

5 Ms. Vaishali Sinha, Assistant Professor, Department of Forensic Science
6 Mr.M.D. Alim, Assistant Professor, Department of Forensic Science

Proposed learning outcome from the visit:

□***Enhanced Knowledge of Wildlife Forensics***: Gain insights into forensic techniques applied in wildlife research, including data analysis and evidence collection methods.

Understanding Wildlife Healthcare Practices: Learn about diagnostic and healthcare practices used for the well-being of captive and free-ranging wild animals.

Skill Development in Analytical Techniques: Acquire hands-on experience with modern tools and techniques used in wildlife data analysis and conservation.

Increased Awareness of Conservation Strategies: Develop a deeper understanding of wildlife conservation challenges and strategies for sustainable biodiversity management.

Fostering a Conservation Ethic: Cultivate a sense of responsibility and ethical considerations for wildlife preservation through exposure to practical applications and expert insights.

Mapping of learning outcomes of industry visit with courses taught: ***BSFS303 Wild life forensics &; Forensic Entomology***

UNIT II

Wild life crimes- introduction, motive, types of crime for live animal, dead animal, Investigations in wildlife crime: Site search approaches and Evidence collection, Forensic (medico-legal) necropsy of wildlife

UNIT III

Identification of wild life materials such as skin, fur, bones, nails, horn, teeth, flowers and plants, by conventional and modern methods, Identification of Pug marks of various animals.

MSFS304B: Forensic Medicine and Psychology

Unit 3

Forensic Entomology

Forensic Entomology- History, significance, determination of time since death- Diptereanlarval development & successional colonization of body, determining whether the body has been moved, body disturbance, presence and position wounds, linking suspect to the scene, identification of drugs and toxins from the insects and larvae feeding on the body, entomology as an evidentiary tool in child and senior abuse cases and animal abuse cases, collection of entomological evidence

Financial details of the funds required for the visit: None

Value Addition/Enhancement from the Proposed Visit

1. Exposure to real-world applications of forensic science in wildlife research and healthcare, bridging theoretical knowledge with practical experience.
2. Development of critical thinking and analytical skills through interaction with professionals and understanding modern diagnostic tools and techniques.
3. Enhanced awareness of the challenges in wildlife conservation and the role of forensic science in addressing these issues.
4. Inspiration and motivation for future careers in wildlife forensics, research, and conservation.

Outcome-Based Proposed Questions to Be Answered During the Visit

1. What diagnostic methods and forensic techniques are used in analyzing wildlife cases?
2. How does the center contribute to the conservation of wildlife through its research and healthcare initiatives?
3. What modern analytical tools and databases are employed in wildlife forensics and their significance in problem-solving?
4. How do training and educational programs at the center impact wildlife conservation efforts?
5. What are the key challenges faced in managing healthcare and conservation of free-ranging and captive wild animals?

Creative:

Industrial visit Coordinators are:

3. Ms. Vaishali Sinha, Assistant Professor, Department of Forensic Science
4. Mr.M.D.Alim, Assistant Professor, Department of Forensic Science

Total no. of students attended:
BSFS III-28
MSFS III-08
Total Number of the Students:36
Time of visit: 9:30 AM to 4:00 PM

Undertaking from student

Hard copy of consent letter is collected one day before the visit from all students signed by parents and students. 1 sample is attached

Highlights of the visit: -

During the visit to Wildlife Health & Forensic Centre, College of Veterinary Science and Animal Husbandry, Durg, the major highlights included:

1. ***Insights into Wildlife Crime Investigations:*** Dr. Jasmeet Singh provided detailed insights into real-life wildlife crime cases, highlighting the complexities and challenges involved in such investigations.

2. ***Challenges in Wildlife Treatment***: The visit emphasized the difficulties faced by experts in treating injured wildlife, along with the vital role of collaboration with local communities in rescuing and rehabilitating animals.

3. ***Forensic Techniques in Wildlife Cases:*** Participants were introduced to the procedures and specialized equipment used for conducting postmortem examinations and investigating crime scenes involving wildlife.
4. ***Application of Forensic Entomology:*** The session highlighted the use of forensic entomology, focusing on how insect activity on carcasses assists in determining the time since death or decomposition of animals.
5. ***Conservation and Endangered Species:*** Discussions during the visit underscored the challenges in handling endangered species, addressing poaching cases, and fostering collaborative conservation efforts with local stakeholders.

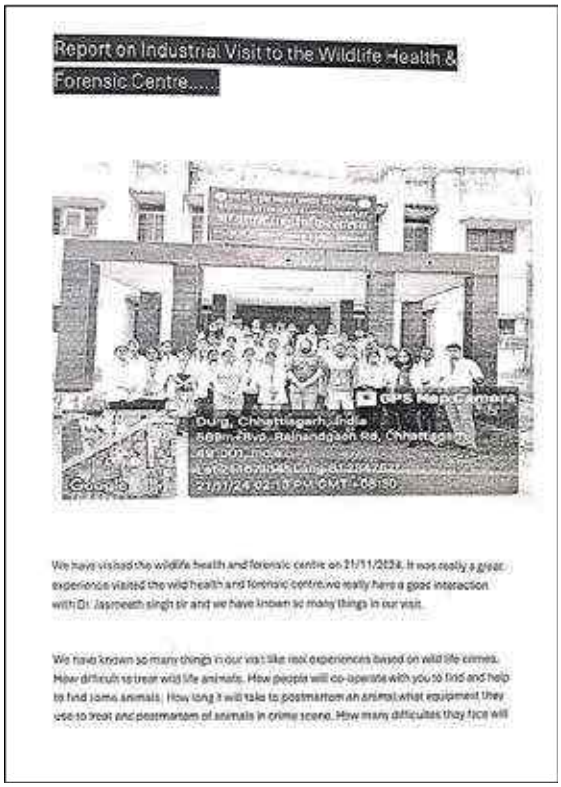
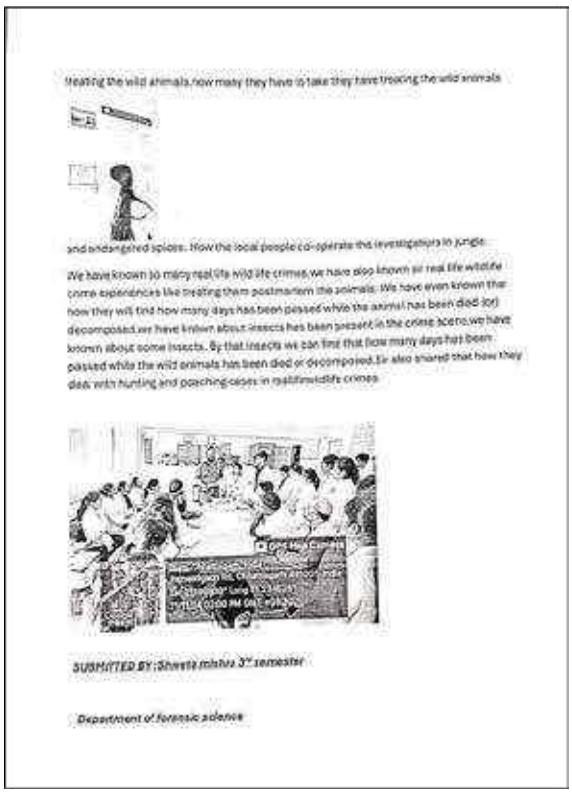
Report submitted by the students:



Report on Industrial Visit to the Wildlife Health & Forensic Centre.....

We have visited the wildlife health and forensic centre on 21/11/2024. It was really a great experience visited the wild health and forensic centre,we really have a good interaction with Dr. Jasmeeth singh sir and we have known so many things in our visit.

We have known so many things in our visit like real experiences based on wild life crimes. How difficult to treat wild life animals. How people will co-operate with you to find and help to find some animals. How long it will take to postmortem an animal,what equipment they use to treat and postmortem of animals in crime scene. How many difficulties they face will



treating the wild animals,now many they have to take they have treating the wild animals

and endangered spices. How the local people co-operate the investigators in jungle.

We have known so many real life wild life crimes,we have also known all real life wildlife crime experiences like treating them postmortem the animals. We have even known that how they will find how many days has been passed while the animal has been died (or) decomposed,we have known about insects has been present in the crime scene,we have known about some insects. By that insects we can find that how many days has been passed while the wild animals has been died or decomposed.Sir also shared that how they deal with hunting and poaching cases in reallifewildlife crimes

Event Poster:

Objective of Program:

The free medical check-up camp aims to provide health screenings, consultations, promote preventive care and early detection of health issues for healthy living.

Details of Program:

University has always been a front runner in providing health facilities, continuing with this tradition, Dean of Students' Welfare organised a free health camp at Kalinga University medical room, on Friday 22 November 2024.

The Free Medical Camp was inaugurated by Dr. Prakash K Gupta, MS Orthopedic Surgeon, in presence of Lt. Vibha Chandrakar, In charge Dean of Students' Welfare (DSW), Chief Proctor Dr. A Vijayanand, Ms. Suman Chouhan Staff Nurse, Deputy DSW Mr. Sheikh Abdul Kadir, Assistant DSW Ms. Nikita Joshi, Dr Himani Rao, Dietician, Dr Palka Shrivastava, Dental Surgeon, Dr. Omesh Bhagat, MD Medicine, Dr Roshni Patel, Physiotherapist, Dr Shraddha, Marketing executives, paramedical team and students.

Total of 124 persons got registered and were assessed, diagnosed, advised and counseled for many health issues during the day long camp out of which 33 faculties and 91 National and International students were present. Normal health checkup routine was done with on spot Sugar level and Blood Pressure tests were performed. Height and weight measurements were taken. For better treatment a proper diet plan was prepared and given to the patients by the doctor. The main aim of the health camp was to improve the health status of all.

At the end of the camp, memento was presented to Dr. Himani Rao, Dietician by Dr. A Vijayanand, as a token of respect and gratitude on behalf of Kalinga University. Marketing officials Dr Hemant Kumar Sahu, Mr. Gajendra Sahu, Mr. Vikas Nandi and Paramedical team were present on the occasion.

Program Outcome:

The event resulted in increased health awareness, early detection of health issues, referrals for further treatment, and valuable health education for the Kalinga University family members and students. It provided essential healthcare services, improving overall health outcomes.

Number of total participation: 124 (Students ***91***+ Faculty ***33***=Total ***124***)

Number of Students attended the camp: 91

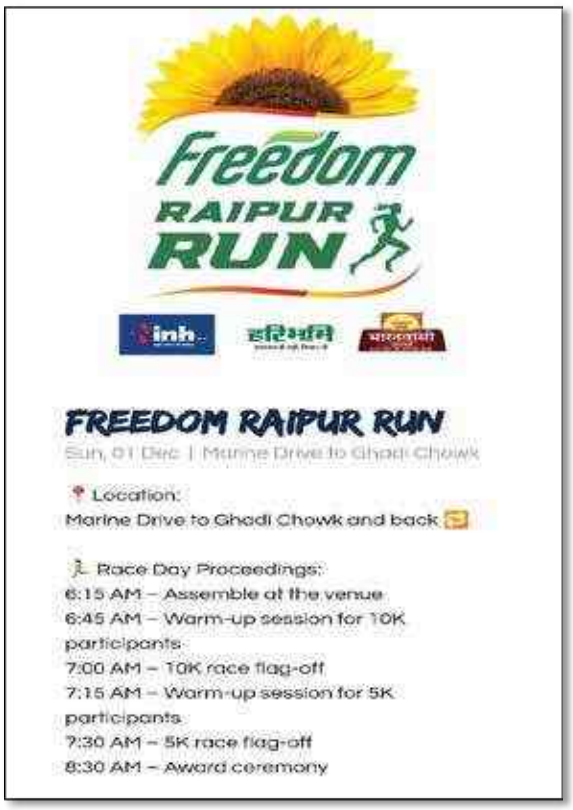
Event Poster:



Objective of the program:

The aim is to achieve personal fitness goals, raise awareness, challenge mental and emotional limits, build a sense of community and enjoy the experience.

Details of the program:

The registered students woke-up early & gathered at campus main gate at 05:15 AM afterwards the buses departed and reached the venue at 06:00 PM. After reaching the venue all the participants received printed T shirts of Freedom Raipur Run. The event began with a warm-up session zumba & loud pulsating music. Top officials of Hari Bhoomi, INH News, Police officials, sponsors and dignitaries were present during inauguration of the session. Large number of professional runners, school & college students gathered from different places to participate in the marathon. Later onwards the organizer announced the criteria & categories of marathon in which there is two categories, 10 KM run with prize money of Rs. 50,000 and 5 KM run with prize money of Rs. 25,000.

At 07:00 am flagged off for 10 KM run marathon and hence the participants took two lapse from Marine Drive to Ghadi Chowk. In between at 07:15 am another warm-up session started for 5 KM runner & at 7:30 am flagged-off for 5KM run marathon. After completing the marathon, award ceremony began at 8:30 am and winners were awarded trophies & cheques for both categories. All the participants who completed the marathon race were given gold medals to encourage them. During the program proper arrangements of water bottles and energy drink products were installed and distributed to the participants

(free of cost). In the end Kalinga University students & staff members took group photographs with Mr. Sanjay Sharma Sir AIG Traffic.

Program Outcome:

This marathon encourages people from various walks of life to engage in physical activities, promoting health, fitness, and a balanced lifestyle.

It also served a platform for identifying talented runners, offering them the opportunity to pursue professional sports careers.

Running and endurance events like marathons have a positive impact on mental health, helping to reduce stress, anxiety, and depression.

Number of Students attended the Marathon: 69

Details of Program: B.Ed. 1st Year Induction Program: Aarambh

The B. Ed. 1st Year Induction Program: Aarambh was held on 02/12/24 at Auditorium, Kalinga University, Raipur marked the commencement of the academic journey for the new cohort. The event began with a warm welcome by Ms.Alisa and Students Creating an inclusive atmosphere for the incoming students. The ceremonial lamp lighting followed, with Registrar sir, Dean Education, Dean Student's Welfare and Faculty Members of Faculty Education. Registrar Sir inaugurated the event, symbolizing the pursuit of knowledge and enlightenment. In his inaugural address, Registrar sir provided valuable insights into the rich history and ethos of the university, fostering a sense of pride and belonging among the students.

The program then transitioned into an enlightening session by Dean of Academics' Dr. Rahul Mishra Sir, who elucidated the various rules and regulations governing Academic life at the University. This comprehensive overview aimed to ensure that students are well-informed and equipped to navigate the Academic landscape successfully. Subsequently, Dean of Education's Dr. Shraddha Verma Ma'am took

the stage to provide essential information specific to the Department of Education, offering insights into the department's mission, vision, and key resources available to students.

The event was also graced by some cultural activities by students for enthusiasm and motivation for future learning. The event concluded on a note of gratitude, with Lt. Vibha Chandrakar Ma'am, In charge of DSW, expressing sincere thanks to all the distinguished speakers, students, and the organizing team for their contributions to the success of the program. The Induction Program not only acquainted students with the university's academic landscape but also fostered a sense of camaraderie and enthusiasm as they embark on their educational endeavors. The program concluded with a memorable group photo, symbolizing the unity and collective spirit of the B.Ed. 1st Year cohort as they embark on their academic journey together.

The second half of the program featured an engaging curriculum orientation session conducted by Mr. Gulsan Kumar Behera, the Class Coordinator followed by Dr. Shraddha Verma, Dean of Faculty of Education and preceded by Dr. Lubhawani Tripathi, Dr. Saroj Nayyar, Ms. Harsha Sharma. Mr. Behera shared detailed information about the B.Ed. curriculum, highlighting core subjects, Teaching Methodologies, and Assessment strategies. The interactive session allowed students to seek clarification and set a solid foundation for their Academic journey.

Program Outcome:

i. Enhanced Awareness: Participants of the induction program will exhibit increased awareness of University Policies, Academic regulations, and Department-specific information, ensuring a well-informed and confident start to their Academic journey.

ii. Established Connection: The Induction program will foster a sense of connection and community among the B.Ed. 1st Year students, promoting a supportive network that contributes to a positive and collaborative learning environment throughout their tenure at the university.

(Retired Professor, Delhi University)

Dr. Sanjay Bhatt, a distinguished academic with over thirty years of experience, holds advanced degrees in Social Work and Law from Lucknow University. He has served as a pivotal faculty member at the Delhi School of Social Work (University of Delhi) since 1993 and contributed to institutions like Lucknow University and MG Kashi Vidyapeeth.

An expert in nonprofit management, social legislation, and sustainability, Dr. Bhatt has mentored 12 doctoral scholars, authored eight books, and published 50 research papers. His thesis, "The 4 Ws of Development: Water, Work, Waste, and Women," reflects his innovative perspective on sustainable development.

He led notable initiatives, including UDAI-I (Bhuj earthquake rehabilitation) and UDAI-II (Bihar flood relief), and has actively participated in grassroots movements like the Chipko Movement and child rights advocacy. A former Treasurer of AISSW and Executive Member of the NGO Forum on ADR, Dr. Bhatt continues to influence areas such as CSR governance, and marginalized community welfare.

Prof. Ranjana Sehgal (Retired Professor, ISSW- Indore School of Social Work)

With over 35 years of distinguished service in academia, Prof. Ranjana Sehgal is a renowned expert in social work, specializing in casework, community organization, CSR, and women's empowerment. As a teacher, researcher, curriculum designer, and administrator, she has guided numerous doctoral students and contributed significantly to educational innovation and research.

A recipient of the Outstanding Contribution to Education Award (World Education Congress, 2014) and the Lifetime Achievement Award (2020), she is currently the Editor-in-Chief of the Social Sciences E-Journal and an active member of national and international academic bodies. Her work continues influencing CSR and sustainability practices and advancing social work education.

Email: ranjansw2@gmail.com

Dr Archana Yadav
Phone: +91797 426 1727
E-mail:
ggvsocialwork@gmail.com
archana.astha@gmail.com

Dr. Archana Yadav, an accomplished academic and entrepreneur, brings nearly two decades of expertise in advancing University Social Responsibility. She holds a PhD in Social Work (HIG Kashi Vidyapeeth, Varanasi) and a Postgraduate Diploma in Disaster Management.

Dr. Yadav has served in key roles, including Nodal Officer for UNICEF-GGV, Convener of KILKAARI Day Care Centre, and Co-Convener of GGV SHRAVAN Link for the elderly. She has authored over 20 research papers, published three books, and co-edited eight volumes. Her leadership in major projects funded by NSS, SECL, and NCW underscores her impact.

With over 50 national and international presentations and collaborations with ICSSR, NAAC, Helpage India, and NCW, Dr. Yadav continues to drive societal change through education, research, and community engagement.

Who Should Attend?

The five-day curriculum targets advanced MSW students, doctoral candidates, new practitioners, and young social work educators. Their communication skills, problem-solving ingenuity, and dedication to strengths-based practice improve.

NUMBER OF PARTICIPANTS: 50

Important to note:

The above fee includes all instructional materials, working lunch, coffee on breaks, computer use for tutorials and assignments, and a free internet facility. The participants will be provided accommodation on a shared basis upon request. Fee payment will be online mode only.

Participants from abroad: $100 (Online link will be provided)
Industry/ Research Organizations: Rs. 3500
Faculty members/NGOs: Rs. 2500
Students: Rs. 1000 & Research Scholars 1500

Bank Account Details:
State Bank of India, A/C No: No. 37137162271,
IFSC: SBIN0018879,
Account Name: REG GURU GHASIDAS Uni BILASPUR

Registration and other course-related details will be given on the Department of Social Work Portal of the university website (www.ggu.ac.in)

ACCOMODATION

Accommodation will be provided in the University Guest House/Hostel (as per availability) on payment basis. We can also provide contact details of nearby Hotels/Lodges to the participant on their demand. No T.A. /D.A. will be provided to the participants.

Summary of the program

Strengths-Based Social Work Practice- GIAN Course – 3-7th February 2025

4th February 2025 (Tuesday) – Day 2

Empowerment through strengths

Client autonomy – clients are experts in their own lives and capable of making choices

Collaborative approach – social workers partner with clients to identify and mobilise strengths

Individual's ability to hold on and define their life, exercise their choices and make use of the opportunities that lie ahead.

We collaborate with our clients to overcome structural oppression.

Promote social justice

Challenge stereotypes and recognize

Systematic barriers

How can we get somebody to get over some of the barriers? Before talking to somebody to get over barriers, you must recognize that there are bound to be barriers.

Relevance of question that reflects the context of the situation is very important to adopt a strengths-based approach.

READ: Blossoms in the Dust

Where does oppressive power come from?

Oppression can happen in smaller animals. E.g., 100 rats vs. one cat; honeybee vs. human

Writing SMART goals for our clients.

Exploring motivations, skills and capacities.

In people, we are looking at their motivations

- Aspirations, hopes and dreams
- Interests and concerns
- Values

Human rights can be interpreted in such a way that they can cover rights of all vulnerable groups – e.g., persons with disabilities.

We have become so individualistic that we do not think about the other people.

Is the problem the problem or is the person the problem?

- Is it a personal problem or can the problem be separated from the person?

Philosophy behind the strengths approach

All people have strengths and capacities
People can change
People change and grow through their strengths and capacities
People are the experts on their own situation

Beliefs of the strengths approach

The problem is the problem; the problem is not the problem
Problems can blind people from noticing their strengths
When people appreciate their strengths, they are free to learn and grow

What makes social work different from other human service professions?

Nothing to do is with nothing is the answer??

People are their own experts

Each person is unique
People make sense of experience in their own way
People's strengths and capacities, aspirations, experiences and beliefs are within them.

Social workers work as administrators.

'Power-over'

Assumes the right to control others
Negotiates or limits the right to resources, participation and self-determination
Sets agendas and expects compliance from groups or individuals.

Power-over and experts

Experts assume:

- They have all the answers
- They know what the problem is
- They know what the solution is and how to reach it
- They know why things are the way they are
- They know what people's strengths and capacities are

- Violence or coercion
- Not listening
- Assuming to know what's best for others
- Telling people what's wrong with them
- Telling people what to do and how to do it
- Blaming, labelling or classifying people excluding people or limiting their participation
- Giving unsolicited advice
- Telling people who their strengths are
- Imposing views, plans or strategies for change

Conditions for change and empowerment

- Feeling safe, valued and confident
- Feeling heard and validated
- A sense of hope and a picture of the future
- Sufficient motivation
- Sufficient resources

Conditions for Power-with

- Acknowledgement of power imbalances and action to address them
- Respect for people's dignity and rights
- Respect for the right to self-determination
- Valuing what we have in common
- Creation of interdependence and community

We do not want anybody to revolt in vulnerability or place them in vulnerability.

- Once we recognise an individual is vulnerable, we can help them overcome their vulnerability in an assertive way instead of aggressive manner.

Solution-focused practice is concerned with how solutions work than problems work.

READ: https://www.universalcoachinstitute.com/solution-focused/

Solution-based practice involves:

- Listening to people's stories and identifying the core issues
- Developing a picture of the future
- Identifying strengths and exceptions

Adding value to people's strengths

- Adding news strengths and capacities.
- People's own resources
- Community resources
- Specialist services

Foundations of strengths approach

- Self-determination
- Sharing power (power-with)
- Regard for human rights
- Inclusion and participation
- Collaboration and partnership
- Transparency
- Sharing of resources, skills strengths, knowledge, information, ideas and decision-making

Foundations of strengths approach Empowerment:

- Identification and mobilisation of strengths

- Adding resources to complement people's strengths and aspirations
- Self-determination
- Overcoming constraints

Plan your classes

- Allocate 30 mins for lectures and spend another 30 minutes on classroom activity.

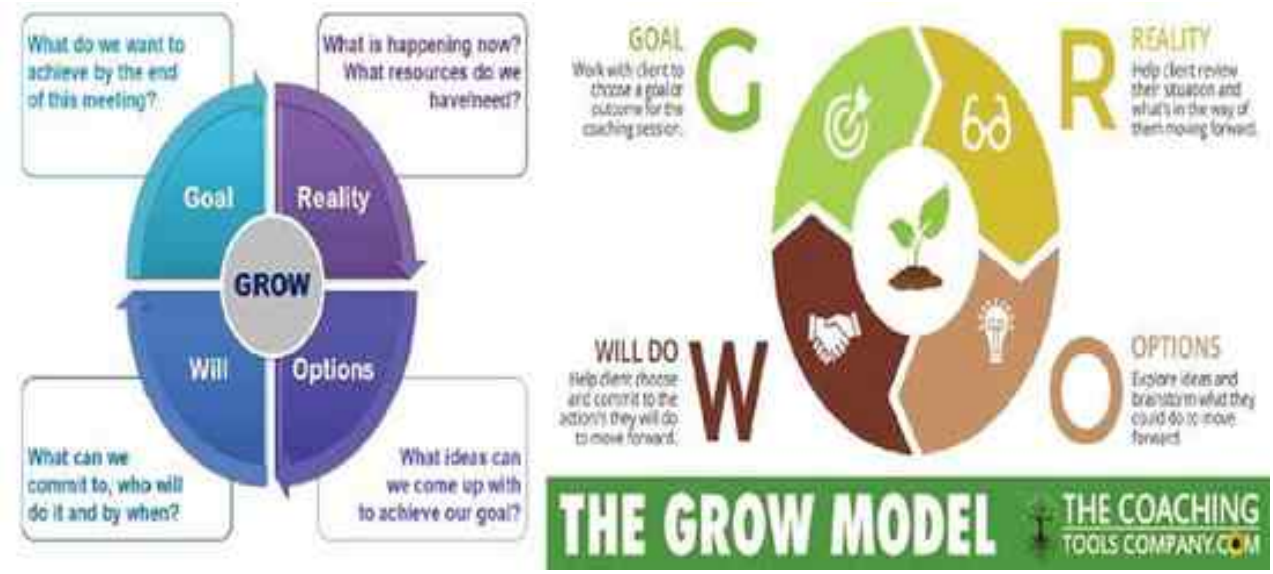
6th February 2025 (Thursday) – Day 4 GROW Model for Goal Setting

- ***Goal*** – what does the client want to achieve? Clarify and define the goal.
- ***Reality*** – What is the current situation? Asses the present state and obstacles.
- ***Options*** – What are the possible strategies to achieve the goal? Explore alternatives and resources.
- ***Will (Way Forward)*** – What actions will the client commit to? Establish the client's

commitment and plan of action

o Think of something that is not overwhelming and tasks that both the client and social worker don't get burnout. The social worker should also not experience vicarious trauma.

Example: A client wants to improve their emotional well-being. They would define a goal, assess their current coping mechanisms, explore therapy options or support groups, and commit to attending weekly sessions.



Role Play Exercise – Applying the GROW Model

CLEAR Model for Goal-Setting

- ***Contracting:*** Agree on the goal-setting process and expectations.
- ***Listen:*** Understand the client's perspective, concerns, and desires
- ***Empowerment:*** empower clients to take charge of their goals and action plans.
- ***Action:*** define clear actions and steps to achieve the goal.
- ***Review:*** Regularly review progress and adjust goals as needed.

Example: A social worker helps a client contract for change, listen deeply to their needs, empower them with decision-making, and establish

https://www.businessballs.com/coaching-and-mentoring/clear-model/

The GROW model comes after CLEAR model???

Role plays on contracting – focus not only on the problem but what are the three questions that will take the client to the past and then taken them to the future.

Explore conditions that were successful, what was working for the client previously. If they were successful now, can we repeat these conditions?

What were the conditions for the client to have successful experiences? How can the client create these conditions in the future? (e.g., create a miracle question)

Make sure you arrange the next session.

- https://www.universalcoachinstitute.com/miracle-question/
- https://sweetinstitute.com/solution-focused-brief-therapy-the-miracle-question/
- https://pmc.ncbi.nlm.nih.gov/articles/PMC3125538/

- The miracle question is a thought-provoking prompt that therapists use to help clients imagine a future where their current problems have been resolved. It invites clients to envision an ideal scenario where a "miracle" has occurred overnight, and their issues have disappeared.

7th February 2025 (Friday) – Day 5

Shifting narratives/ focus away from the deficits/ problems and focusing on hope – could this be more beneficial for clients? E.g., clients who use drugs and are struggling to get clean; do we tell them to avoid relapse or give them hope to stay clean?

International Conference – Day 1

Keynote Addresses – 1
Re-Imagining the Role of Social Work in Nation Building: Opportunities and Challenges in Contemporary Times by Gangabhushan M. Molankal

Response/ responding/ responsibility – key lifeline word of this conference.
Social work has evolved as a profession and is still evolving
Extended self
- Feeling connectedness to community, nation, country
- Feeling of belongingness
- Belongingness extends when yourself is extended

Contemporary generation – extended self is getting reduced
In social work, we try to do something about the problem, while sociology is concerned with societal structures.
Are there ways to make our research viable? Can research creates knowledge in action?

Technical Session – 1
The Importance of Social Work and Social Sciences in Creating a Regenerative Society (Theme-1) and The Ignition Process: The Behavioral Framework for Positive Societies (Theme 2).

Enhancing Academic Success of First-Generation Learners (FGLs) in Postgraduate (Social Work) Studies – Self-Learning as a Mentor by Dr. Harinder Mekala

- First generation learners find it challenging to move forward.

Social Work and emotional well-being of deprived children: An ethnographic study conducted in the slums of Howrah by Ms. Marie-Susanne Barfuss ***Research questions***

1. What is the relevance of emotional well-being of deprived adolescents in social work in India?
2. How is it perceived by SW?

4. How does this perception influence Social Work practice?

Grounded theory research; Dataset: observations of social work practice and interviews with experts (social workers, teachers, volunteers) of the field

Four main dimensions of differences in attitude towards emotional child well-being were identified:

- Difference of awareness of the topic of emotional child wellbeing
- Difference in professional self-perceptions of social workers
    - o Some felt proud to be social workers; others felt they were helpless and not able to do anything.
- Difference of world view concerning the believe in changeability
- Difference of the estimated status of social work profession in India and thereby felt empowerment

Challenges for SW/ Education of SW

- Promoting trauma informed practices.
- Self-care, mindfulness and learning to deal with trauma is very important.

8th February 2025 (Saturday)

International Conference – Day 2

Ms. Seema – study on issues faced by sexual minorities (transgender)

- Lack of legal recognition
- Intersectionality – lower-caste, LGBTQ+ identity
- Mental health and wellbeing issues not addressed

Perceived Family Burden, Mental Health and Wellbeing Among Spouses of Persons with Alcohol Dependence Syndrome by Nilesh Maruti Gujar, Lokesh Kumar Ranjan, Pramod Ramlakhan Gupta

The Social Work Students, Shantel (MSW 2 sem) and Natasha (BSW 6th sem) presented our research paper on "A comparative study of gender inequalities and economic disparities in Africa and India" at the international conference held at Guru Ghasidas Vishwavidyalaya in Bilaspur under the guidance of Ms. Sneha Jackson, Assistant Professor, Department of Social Work, Kalinga University. The program was an incredible opportunity for the students to attend the International Conference on "Towards Building a Positively Responding Society and Nation" at Guru Ghasidas Vishwavidyalaya in Bilaspur from February 7 to 8, 2025. It was inspiring to connect with social work professionals from Sri Lanka, Germany, and the Maldives, as well as fellow students from various regions of India. Standing near to the most respected personalities, Dr. W. G. Prasanna Kumar, Senior Social Scientist in the Telangana State Pollution control Board, Dr. V. N. Kantha Rao, OD Consultant, Dr. Harinder, Australia, Mr.

Sara Tandel from Mumbai, Mr. Niteen Chavan andmany students from different universities.

Number of Registered Participants: Around 100

Number of Attendees: Shantel and Shivangi (MSW2 sem) and Natasha (BSW 6th sem)

3 students and one faculty (from Kalinga University)

Report on Guest Lecture on

"Herpes Simplex Virus: Infection & Diagnosis" Related to SDG No. 3

Organized by

"Department of Microbiology & Botany"

On

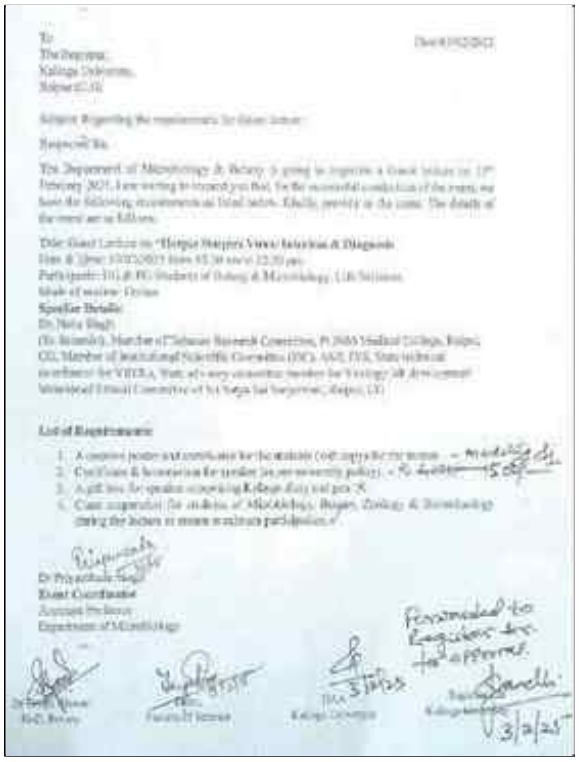
Date: 10/02/2025

Date: 10/02/2025

Time of event: 10:30 am-12:30pm Mode of event: Online

Venue: Online (Google Meet link: https://meet.google.com/wps-pywc-wqr)

Event Poster:



Details of Program:

Department of Microbiology & Botany has organized a guest lecture on "Herpes Simplex Virus: Infection & Diagnosis" on 10th February 2025 via online mode on google meet. The program started at 10:30 am, Dean Sciences, all faculties and students of Department of Microbiology & Botany and our guest speaker Dr Neha Singh, Sr. Scientist, Virology lab, Dept. of Microbiology, Pt. JNM, Medical College, Raipur, C.G. joined on google meet, Guest speaker was welcomed by Dr Priyambada Singh, HoD-Incharge Department of Microbiology. Ms Laiba Arsi, Assistant Professor Department of Microbiology had introduced Dr Neha Singh to the students and highlighted her area of research, achievements and her contributions in the field of Microbiology. Dr Neha Singh gave an informative session on Herpes Simplex virus, including Introduction to Herpes Simplex Virus (HSV), Pathophysiology and Infection Cycle, Clinical Manifestations, Diagnosis of HSV Infections, Treatment and Prevention. The students actively interacted with the speaker and participated in discussion related to HSV. Dean Sciences, Dr R Jayakumar, has also shared his knowledge on HSV with the students. The program concluded at 12:30 pm with the vote of thanks, given by Dr Pradeep Kumar, Assistant Professor Department of Microbiology and feedback taken by IQAC department.

Objective of Program:

The primary objective of this guest lecture is to provide students with a comprehensive understanding of Herpes Simplex Virus (HSV) infection and its diagnosis through a structured and evidence-based approach. The session aims to enhance the knowledge and diagnostic skills of students in virology and infectious diseases.

understanding of Herpes Simplex Virus (HSV) infection and its diagnosis through a structured and evidence-based approach. The session aims to enhance the knowledge and diagnostic skills of students in virology and infectious diseases.

1. Fundamentals of HSV Virology: To impart knowledge and discuss the epidemiology, transmission, and risk factors associated with HSV infections.
2. Laboratory Diagnosis of HSV: To provide an overview of diagnostic methods, including: Molecular techniques (PCR, RT-PCR), Serological tests, Cytopathology & Histopathology and Viral Culture. To emphasize the importance of selecting appropriate diagnostic methods based on clinical scenarios.
3. Treatment & Prevention Strategies: To educate the current challenges in vaccine development and ongoing research.
4. Application in Microbiological Research & Clinical Practice: To demonstrate how HSV research contributes to virology, molecular diagnostics, and therapeutic advancements. To encourage students to explore career opportunities in clinical microbiology, virology research, and infectious disease diagnostics
5. Interactive Learning & Critical Thinking: To engage students in case-based discussions and laboratory-based scenarios. To promote scientific inquiry and evidence-based approaches in HSV research and diagnosis.

Program Outcome:

The online lecture provided valuable insights on infection and diagnosis of Herpes Simplex Virus.

1. ***In-Depth Understanding of HSV Virology***: The students gained comprehensive knowledge of Herpes Simplex Virus (HSV-1 & HSV-2), its structure, classification, and replication cycle and understand the epidemiology, transmission dynamics, and global prevalence of HSV infections.

2. ***Proficiency in Laboratory Diagnosis:*** Acquired knowledge of various diagnostic techniques used for HSV detection, including: Molecular methods (PCR, RT-PCR), Serological tests for antibody detection. Cytological and histopathological methods and understood the advantages and limitations of different diagnostic approaches.
3. ***Awareness of Treatment and Prevention Strategies***: Gained insight into antiviral therapy (Acyclovir, Valacyclovir, Famciclovir) for HSV management. Understood the importance of preventive measures and challenges in HSV vaccine development.

4. ***Enhancement of Critical Thinking and Scientific Inquiry***: Developed the ability to analyse case studies related to HSV infections and diagnosis. Foster problem-solving skills in microbiological diagnostics and public health interventions.

Number of Registered Participants: 54

Date: 13th February 2025

Time of event: 10:00 PM Onwards

Event Type: Offline

Venue: Medical room

IOM/Circular:

KALINGA UNIVERSITY

Event Poster:

Details of Program:

The camp was inaugurated by the Director General of Kalinga University, Dr. Byju John, who formally opened the event by cutting the ribbon. The inauguration ceremony was attended by various prominent figures, including Lt. Vibha Chandrakar, In-charge Dean of Students' Welfare; Dr. A Vijayanand, Chief Proctor; Dr. Nuresh Khute, Assistant Dean of Academic Affairs and Assistant Professor of Mechanical Engineering Department; Dr. Ruchi Chandrakar, Assistant Dean of Academic Affairs and Assistant Professor of Civil Engineering Department;
Mr. Sheikh Abdul Kadir, Deputy Dean of Students' Welfare; Ms. Nikita Joshi, Assistant Dean of Students' Welfare; Ms. Suman Chouhan, Staff Nurse; and Ms. Sneha Mahto, among others.
Lt. Vibha Chandrakar and Dr. A Vijayanand, along with their dedicated team, efficiently coordinated and managed the entire blood donation camp. The event witnessed enthusiastic participation from both faculty and students of Kalinga University. Throughout the day, a total of 65 units of blood were donated, contributing to the noble cause of saving lives and supporting those in need.

The team from Good Hope Blood Centre, which played a crucial role in the camp's success, included Dr. D.V. Baghel, Medical Officer, and lab technicians Mr. Hitesh Chandrakar, Mr. Udho Ram Parker, Mr. Ram Narayan Sahu, Mrs. Shartila Sahu, Ms. Khushboo Sahu, Dr. Dhananjay Sahu, and Mr. Yogesh Sinha. Their professionalism and expertise ensured the smooth operation of the donation process.

participation. This certificate also serves as a privilege card, allowing the donors to access blood in case of future emergencies. The camp saw active participation from both international and national students of Kalinga University, with many students sharing their positive experiences. Several donors mentioned that it was their first time donating blood, and they expressed immense satisfaction in contributing to such a meaningful cause.

As a token of appreciation, mementoes were presented by Lt. Vibha Chandrakar and Dr. A Vijayanand to Dr. D.V. Baghel and Mr. Hitesh Chandrakar, recognizing their significant contribution to the success of the camp.

The blood donation camp was a great success, fostering a spirit of generosity and community service among the students and staff of Kalinga University. The event demonstrated the university's commitment to social responsibility and supporting humanitarian efforts.

Objective of Program:

The objective of a blood donation program is to ensure a steady supply of blood for emergencies, surgeries, and treatments. It aims to save lives in critical situations like accidents, childbirth, and cancer treatments while supporting healthcare systems. The program raises awareness about the life-saving impact of blood donation and promotes community involvement, encouraging individuals to participate and contribute to the well-being of others through regular donations

Program Outcome:
The outcome of blood donation is a steady, sufficient blood supply that meets the needs of patients in emergencies, surgeries, and medical treatments, ultimately saving lives and improving health outcomes.

Number of Attendees: 65
Number of Faculties Attended: 12

Title KU-Hackathon 2025

Related to SDG No.(s) 9

Organized by

"Faculty of CS and IT"

In Association with

"IIC"

On

Date: 13th-14th, Feb, 2025

Date: 13th-14th Feb, 025

Time of event: 11:00 AM & 11: AM (24 Hours)

Mode of event: Hybrid

Venue: MBFF-20 & MBFF-01

Event Poster:

Details of Program:

KU Hackathon is based on 4 Domains (Smart Automation Smart City Green Technology Block Chain Technology)
Select any one domain from the above.
Based on the selected domain, prepare an innovative/novel idea in the form of a PPT.
Upload the PPT with the registration fee of INR 100/- per Member (2 Members per Team) in the Google Link: https://forms.gle/iCM1fTwoLCvJif6Z7
The last date for the registration is 10 January 2025.
Teams shortlisted for the final round will be announced on 20 January 2025.
Teams shortlisted for the final round will have to pay a fee of INR 1000/- per Member (2 Members presentations in hybrid mode on the 13 and 14 of February, 2025.

About the Event

It is a National Level Hackathon.
It is a 24-hour event starting at 11:00 A.M. on the 13 of Feb and ending at 11:00 A.M. on the 14 of Feb 2025.

Rules and Regulations

Team can have a maximum of 2 students excluding the mentor.
The mentor can be a faculty from your respective university/college.
Mentors can guide the participants during the hackathon.
The mentor is optional.
Mentors will not be assigned by the organizing committee.
Food and Accommodation Charges of Rs.500/- for the mentor.

Important Points

Teams shortlisted for the final round will have to pay a fee of INR 1000/- per Member (2 Members per Team) prior to the event for food and accommodation at the campus. They shall have to give the presentations in hybrid mode on the 13 and 14 of Feb, 2025.
Accommodation and meals will be provided in the University Hostels.
No travel allowance will be provided.

Deadlines

Submission of PPT along with registration fee of INR 100/- per Member (2 Members per Team): 10 Jan 2025. Announcement of shortlisted teams for final round: 20 Jan 2025.

Objective of Program:

The ***KU-Hackathon 2025*** is typically organized as a competitive event that brings together participants to collaborate, innovate, and develop tech-driven solutions to real-world problems within a limited time frame. The objective of such programs usually includes the following key goals:

1. ***Fostering Innovation***: Encourage participants to come up with creative solutions to contemporary problems using technology and software development tools.
2. ***Collaboration and Teamwork***: Provide a platform for participants to work in teams, learning how to collaborate effectively, share ideas, and leverage the strengths of each member.
3. ***Skill Development***: Allow participants to improve their technical and problem-solving skills, whether in coding, design, or entrepreneurship, through hands-on experience.
4. ***Networking***: Provide opportunities to network with industry professionals, mentors, and fellow participants to exchange ideas and gain insights into the tech field.
5. ***Creating Impactful Solutions***: Focus on developing solutions that can have a positive impact on society, such as through technology, sustainability, or social issues. entrepreneurship, helping participants understand how to turn innovative ideas into viable products or services.

The event typically culminates in a presentation of projects to judges, where teams demonstrate their solutions, and prizes or recognition are given to outstanding teams.

Program Outcome:

The ***Program Outcome*** of KU-Hackathon 2025 can be outlined as follows:

Outcome Category	***Description***
Innovation and Creativity	Participants generate innovative ideas and solutions to real-world problems using technology.
Skill Enhancement	Improved technical, coding, problem-solving, and design skills gained through hands- on experience.
Team Collaboration	Enhanced teamwork and communication skills through collaborative project work.
Networking and Mentorship	Opportunities for participants to network with industry experts, mentors, and fellow tech enthusiasts.
Entrepreneurial Mindset	Fostering a mindset of entrepreneurship, helping participants understand how to turn ideas into marketable products.
Practical Problem Solving	Development of practical solutions to contemporary problems, focusing on societal, environmental, or technological challenges.
Exposure to Emerging Technologies	Participants gain exposure to and experience with cutting-edge technologies, tools, and frameworks.
Career Opportunities	Potential career and internship opportunities through connections made during the event.
Recognition and Awards	Top-performing teams are recognized with awards, motivating further learning and participation in future events.

This table sums up the broad and important outcomes expected from KU-Hackathon 2025.

Number of Registered Participants: 26

Number of Attendees: 48 (Students)

Number of Attendees: 18 (Staffs)

Groups: 24

3rd Position was Team Kavach (Arhasi Soni, Jasleen Kaur matharoo) from Amity University Raipur, 2nd Position was Team Spartans (Amarjit Singh, Priyanshu Prasad) from IIT Madras and 1st Position was Team BW Zero Waste Pioneers (Hirak Ganguly, Lpsita Tanaya Phukan) from Braneware University Kolkata. All the 1st, 2nd & 3rd received Cheque worth Rs 10000, Rs 7500 & Rs 5000 respectively.

3rd Position was Team Kavach (Arhasi Soni, Jasleen Kaur matharoo) from Amity University Raipur

2nd Position was Team Spartans (Amarjit Singh, Priyanshu Prasad) from IIT Madras

1st Position was Team BW Zero Waste Pioneers (Hirak Ganguly, Lpsita Tanaya Phukan) from Braneware University Kolkata.

रायपुर, 16 फरवरी। कलिंगा विश्वविद्यालय ने बताया कि अपने परिसर में 24 घंटे के हैकथॉन-2025 का सफलतापूर्वक आयोजन किया, जिसमें छह विभिन्न राज्यों से 26 टीमें शामिल हुईं। कंप्यूटर विज्ञान और सूचना प्रौद्योगिकी संकाय (सीएसआईटी) द्वारा आयोजित यह कार्यक्रम गुरुवार 13 फरवरी को शुरू हुआ और दो दिनों तक गहन नवाचार और सहयोग पर आधारित रहा।

विश्वविद्यालय ने बताया कि कार्यक्रम के उद्घाटन के लिए कलिंगा विश्वविद्यालय सभागार में मुख्य अतिथि, यशम सॉफ्टवेयर सर्विसेज के परियोजना प्रबंधक श्री विनोद पांडे और विशिष्ट अतिथि, फोरसाइट एज प्राइवेट लिमिटेड के सीईओ डॉ. पीयूष मेहता का स्वागत किया गया। कार्यक्रम की शुरुआत ज्ञान और नवाचार की भावना के प्रतीक, औपचारिक दीप प्रज्ज्वलन के साथ हुई।

विश्वविद्यालय ने बताया कि सीएस एवं आईटी विभागाध्यक्ष तथा कार्यक्रम के संयोजक डॉ. ओमप्रकाश देवांगन ने उद्घाटन भाषण दिया। इसके बाद कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. श्रीधर ने प्रेरक भाषण दिया। कलिंगा विश्वविद्यालय के महानिदेशक डॉ. बायजू जॉन ने भी उपस्थित लोगों को प्रेरणादायी शब्दों में संबोधित किया और प्रतिभागियों को शुभकामनाएं दीं।

श्री पांडे ने नवाचार को बढ़ावा देने में इस तरह के हैकथॉन के महत्व पर जोर दिया और अन्य शैक्षणिक संस्थानों को इसी तरह के कार्यक्रम आयोजित करने के लिए प्रोत्साहित किया। डॉ. पीयूष मेहता ने सफलता प्राप्त करने में आत्मविश्वास, दृढ़ता और जुनून के महत्व पर प्रकाश डाला। कार्यक्रम का संचालन सीएस एवं आईटी विभाग के सहायक प्रोफेसर श्री कमलेश कुमार यादव ने किया तथा धन्यवाद ज्ञापन डॉ. देवांगन ने किया।

Science Carnival

Related to SDG No.(s): 3

Organized by

Department of Biotechnology

On

Date:27/2/25

Title- Science Carnival

Date: 27/2/25

Time of event: 10.30-3.30

Mode of event: Offline

Venue: Basketball court

Event Poster:

Details of Program: The Department of Biotechnology today hosted a vibrantand engaging Science Carnival, bringing together 58 enthusiastic participants across various exciting activities. Participants were from Biotechnology, law, pharmacy, CSIT, PCM, ZBC and BBA. The event featured 6 dynamic food stalls, with students of various departments showcasing their innovative initiative and scientific knowledge.

The fun-filled activities were a highlight, with participants from various departments competing in thrilling games like the Lemon Spoon Race, 3-Legged Race, Crocodile Race, Dog & Bone Race, Shoe & Socks Race etc. The winners of these energetic challenges were:

3-Legged Race (Boys): Udbhav Chandravanshi and Sabib Sidar (BCA AIML, 4th Sem)
3-Legged Race (Girls): Aditi & Sunita Baghel (BPCM, 4th Sem)
Lemon and Spoon Race: Koklo Tawa Davis (BZBC, 4th Sem)
Dog and Bone Race: Abhishek Kumar (BSCBT, 4th Sem)
Shoe and Socks Race: Koklo Davis (BZBC, 4th Sem)
3-Legged Race (Round 2): Anamika Sharma & Simran Bharti (BSCBT, 4th Sem)
Congratulations to all the winners and participants for their enthusiastic participation and making the event a memorable success! The department looks forward to more such fun-filled and educational experiences in the future.
During whole event convener and overall inchare of event Dr. Sushma Dubey and activity coordinators Dr. Suchitra Panigrahy, Ms. Megha Chaturvedi and Mr. Sangram Keshari Samal were present and at the end winners were honored by gold medals.

Objective of Program:

To Promote Scientific Awareness

To Create a Fun Learning Environment

To Promote Environmental and Social Awareness

Program Outcome:

1. ***It will increase interest in science***
2. ***It will develop collaboration and team work***

Workshop

“How to Write a Research Paper”

Related to SDG No.(s)

Organized by

“Mechanical & Mining Engineering Department”

On

28.02.2025

Title- "How to Write a Research Paper"

Date: 28.02.2025

Time of event: 10:00 AM-12:00PM

Event Type: offline

Venue: MBFF 03

Event Poster: NA

Details of Program:

All the students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of the Department attended the event.

The session was started by head of the department Dr. V. C. Jha. He explained the importance of writing a research paper. Research studiesareimportant becausethese contribute to knowledge and progress on confusion, diseases, and disorders. The purpose of a research paper is to give your ideas and opinions about thatopicorproblem andtouse othersources to support yourposition.

Understanding that research is important might seem like a no-brainer, but many people avoid it like the plague. Yet, for those who like to learn, whether they are members of a research institution or not, conducting research is not just important it's imperative.

The Resourceperson Dr. Abhishek Kumar Sahu made focus on quality education and explained the various aspectsto build up research work. He stressed on basic fundamental that concept of students should be clearabout the topic.

He explained about the steps of research methodology and pointed out about the tools for the success of students in research work.

- While writing a research paper, students improve:

  Grammar;
  Active vocabulary;
  Knowledge;
  The ability to connect various ideas;
  The ability to explain complex terms in simple words.

Objective of Program:

Writing a research paper is very important for students to demonstrate their ability to understand how to start future scholarly works, find an answer to a question scientifically, relate what has been learned, receive critical peer feedback, and learn more strategically and effectively.

The objective of this event are as follows:

1. Manipulation of Things, Concepts and Symbols
2. Generalization
3. Verification of Old Facts
4. Extension of Knowledge, and
5. Knowledge May be Used for Theory Building or Practical Application.

The importance of research work is that it can help you to earn the decent grades you need to achieve higher standards.

Program Outcome:

Demonstrate the ability to choose methods appropriate to research aims and objectives.
Understand the limitations of particular research methods.
Develop skills in qualitative and quantitative data analysis and presentation.
Develop advanced critical thinking skills.
Demonstrate enhanced writing skills.

Date: 07.03.2025

Title - Health & Wellness Through Ayurveda

Date: 07.03.2025

Time of event: 3:00 pm

Mode of event: offline

Venue: University Campus

Event Poster:

Details of Program:

In an initiative aimed at promoting holistic health and well-being, Kalinga University organized a medical awareness session titled "A Practical Session on Health & Wellness through Ayurveda" on 7th March 2025. This session was an effort to introduce students and faculty members to the timeless practices and benefits of Ayurveda — one of the world's oldest healthcare systems.

Resource Person:

Dr. K. B. Srinivas Rao, a renowned Ayurveda Consultant and Panchkarma Specialist from Raipur conducted the session. With decades of experience in holistic medicine, Dr. Rao enlightened the audience on natural ways to boost immunity, manage stress, and maintain a balanced lifestyle through Ayurveda.

Objective of Program:

The primary goal of the session was to:

Increase awareness of Ayurvedic principles and practices among university stakeholders.
Promote natural and preventive healthcare measures.
Provide practical insights into Panchakarma and daily wellness routines.

Program Outcome:

The session was informative, interactive, and impactful. It fostered a greater appreciation for India's traditional knowledge systems and encouraged participants to incorporate Ayurvedic practices into their daily lives.

Number of Attendees: 60

Magazine Launch"WEसूमृति 2.0"
On the occasion of
International Women's Day

Related to SDG No.(s)

Organized by

"IEEE Kalinga University Student Branch"

In collaboration with

IEEE WIE AG MP Section, IEEE KU SB & DSW, Kalinga University, Naya Raipur

On

Date: 08 March 2025

Title: "Magazine launch WE**स्मृति** 2.0 on the occasion of International Women's Day"

Date: 8th March, 2025

Time of event: 10:00 am to 11:30 am

Mode of event: Hybrid

Venue: Seminar Hall, Kalinga University

Event Poster:

Details of Program:

The Magazine Launch 'WEस्मृति 2.0' was successfully held on March 8, 2025, at 10:00 AM in the Seminar Hall of Kalinga University as part of the International Women's Day Celebration. The event was conducted in offline mode, with some guests joining online. The Master of Ceremony, Ms. Vishakha Tiwari, Assistant Professor, Faculty of Arts & Humanities, led the proceedings.

The event began with a welcome note by the Master of Ceremony, followed by the Lamp Lighting Ceremony. The ICICI Bank Representatives were present at the event.

The online guests included Prof. (Dr.) G.S. Tomar, Chairperson, IEEE Madhya Pradesh Section, and Ms. Pratibha Bharathi, Founder of Nature's Bio Plastic and Environmentalist from Hyderabad. The event proceeded with an inaugural speech by Dr. Vijayalaxmi, Director, IQAC, followed by an online keynote address from Prof. (Dr.) G.S. Tomar and Ms. Pratibha Bharathi.

An interactive session was conducted by the ICICI Bank Representatives, engaging the attendees with insightful discussions. The much-awaited magazine launch of 'WEस्मृति 2.0' took place at 11:05 AM, marking a key highlight of the event. The celebration concluded with snacks and high tea, allowing participants to network and reflect on the discussions.

The event was successfully executed, bringing together inspiring speakers and engaging sessions to celebrate International Women's Day in a meaningful way.

Objective of Program:

To celebrate the achievements of women by recognizing their contributions in various fields and highlighting their impact on society.

To promote gender equality and empowerment by encouraging discussions on women's leadership and equal opportunities.

To inspire and educate by providing a platform for sharing experiences and insights.

To launch 'WEस्मृति 2.0' magazine showcasing the achievements and contributions of women in engineering, technology, and other domains.

To facilitate knowledge exchange through interactive sessions and expert talks.

To foster a supportive community by encouraging discussions, mentorship, and collaboration on initiatives related to women's empowerment.

Program Outcome:

The program successfully celebrated women's achievements, promoted gender equality, and encouraged meaningful discussions on empowerment. The launch of 'WEस्मृति 2.0' highlighted contributions in various fields. Interactive sessions fostered knowledge exchange, mentorship, and collaboration, creating a supportive environment for future initiatives focused on women's leadership, growth, and societal impact.

Details of Program:

Young India Raipur organized ***a*** Marathon ***on*** March 9, 2025 (Sunday), ***at*** Marine Drive, Telibandha, Raipur, starting from 6:00 AM onwards. The event aimed to promote health, fitness, and community participation among the youth. ***Students were*** invited to register and participate in this energetic and inspiring event. According to Raipur Chapter Coordinator Shri Kavit Passary**,** all participating students received a T-shirt and a food packet during the marathon. There was no registration fee for participation. A key highlight of the event was the address by the Raipur Collector Gaurav Kumar Singh, who motivated the participants and emphasized the importance of fitness, perseverance, and community engagement. His encouraging words inspired the runners and added to the enthusiasm of the event.

Objective of Program:

1. Encourage students and youth to adopt an active lifestyle through running and physical exercise.
2. Bring together participants from different backgrounds to strengthen social bonds and teamwork.
3. Instill values of perseverance, discipline, and well-being while spreading awareness about the importance of fitness in daily life.

Program Outcome:

- Participants gained a better understanding of the importance of regular exercise and a healthy lifestyle.
- A large number of students enthusiastically took part, fostering a sense of teamwork and sportsmanship.
- Theevent successfully brought together students, officials, and the local community, strengthening social connections.
- Theinspiring address by the Raipur Collector boosted morale and motivated participants to prioritize health and fitness.
- Theevent was well-planned, ensuring smooth logistics, timely execution, and a memorable experience for all involved.

KALINGA UNIVERSITY

Committee Members' Duty List for Holi Milan Celebration 2025

Event Poster:

Details of Program:

Kalinga University came alive with vibrant hues and infectious energy as Dean of Students' Welfare (DSW) Team hosted the Holi Milan Celebration on 13th March 2025 at five finger garden of university campus from 03:00 pm onwards. The grand celebration brought together a spirited gathering of Dignitaries, Deans, Head of Departments, Teaching & Non-Teaching staff members, all revelling in the
festive cheer and the essence of unity that Holi symbolizes. The Holi Milan celebration proved to b7e3 a

melting pot of traditions, bringing people from varied backgrounds together to celebrate the colours of joy, friendship, and inclusivity.

The atmosphere was electric with enthusiasm as attendees immersed themselves in the festive spirit, playfully smearing each other with herbal Gulals of different colours specially arranged for the celebration, and dancing to the rhythmic beats of traditional folk and Bollywood Holi songs. The campus resonated with laughter, music, and the exuberant spirit of spring as people let go of inhibitions and embraced the festival's essence. To add festive touch Punjabi Dhols were played to welcome the dignitaries and participants.

Lt. Vibha Chandrakar I/C DSW expressed her delight at the overwhelming participation and the joyous interactions that marked the event. "Holi is a festival of love, harmony, and new beginnings. It is heart-warming to witness our faculty, staff, and administration come together as one family, celebrating our diversity and strengthening bonds that make Kalinga University a truly inclusive institution," she said.

The festivities were further enhanced by a delightful spread of traditional Holi delicacies such as Gujiya, Thandai, and fritters, adding a flavourful touch to the celebrations. The combination of colour, music, dance, and culinary delights made the event a truly immersive experience for all participants. A friendly Tug-of-War activity was specially organised and played between teaching v/s non-teaching staffs of Kalinga University. Participants enjoyed the game played with sportsmen spirit. All the participants cheered the staff players.

The Holi Milan celebration at Kalinga University stood as a testament to the institution's commitment to fostering unity, cultural appreciation, and a joyous academic environment. For upcoming outdoor events DSW team is requesting for better sound system arrangements as it will enhance and boost participants interest & enjoyment.

Objective of Program:

- To celebrate and preserve the traditional cultural significance of Holi, the festival of colors.
- To create an inclusive environment where all individuals feel welcomed and valued.
- To engage people in fun activities that enhance social interaction and overall well-being.
- To encourage physical activity, such as dancing and playing with colors, which can uplift spirits and foster mental wellness.

Program Outcome:

- Participants will form lasting connections and friendships, contributing to an environment of harmony and mutual respect.
- The event helped us to raise awareness about the importance of cultural festivals and how they contribute to society's rich diversity.

- The celebration allowed people to engage in physical activities such as dancing, playing with colors, and participating in group games, which will have a positive impact on physical and mental health.

INTER OFFICE MEMORANDUM

Details of Program:

The ***Fit India Sundays – Cycle Campaign*** was successfully conducted on Sunday, 4th May 2025, as part of the ongoing efforts to promote health, fitness, and well-being among hostel students. The initiative was aligned with the national ***Fit India Movement*** and aimed at encouraging an active lifestyle in a fun and engaging manner.

Event Highlights:

Participants: Over 20 enthusiastic hostellers participated in the event, creating an energetic and inspiring environment early in the morning.
Start Time: The event commenced with the reporting at 6:30 AM at the Main Gate of Kalinga University.

and around the campus, ensuring both safety and scenic engagement.
Engagement: Students enjoyed the refreshing ride, team spirit, and motivation shared throughout the event.

Special Features:

Digital Participation Certificates were awarded to all registered riders.
The event promoted not only physical fitness but also community bonding and mental well-being.
Participants joined a dedicated WhatsApp group for coordination and post-event feedback.

Objective- To promote fitness, well-being, and an active lifestyle among hostel students through a fun cycling event as part of the Fit India Movement.

Program Outcome: The campaign received a highly positive response from participants. The spirit of camaraderie, combined with the mission for a healthier India, made this initiative a memorable experience. The feedback collected indicated a strong desire for regular fitness-based activities on campus. The Fit India Sundays – Cycle Campaign was a resounding success. It reinforced the importance of regular physical activity and provided a joyful platform for students to connect and care for their health. The Dean Student Welfare Office looks forward to organizing similar initiatives in the future.

Details of participated Cadet: Raksha Chandrakar (Enrollment No: 23071344543037),

B.Sc. BT

IOM/ Notice:

Details of Program:

The Combined Annual Training Camp (CATC-02), including Selection Shooting Training and Launch Camp, was successfully conducted by the 38 CG Battalion NCC, Rajnandgaon from 15th May to 24th May 2025 at Sanskar City International School, Rajnandgaon, Chhattisgarh.

The camp aimed to provide cadets with essential military training and discipline-based activities. It included various sessions such as drill practice, physical fitness training, obstacle training, theory classes, and selection-based shooting practice. Cadets from different institutions took part with full enthusiasm and dedication.

Cadet Raksha Chandrakar from Kalinga University participated actively in this camp. She had already started preparing for the shooting selection from 17th April 2025, showing great interest and dedication in shooting practice and physical training. Her commitment and consistent efforts throughout the camp led to her selection for further shooting training. The training not only enhanced her practical skills but also helped her develop confidence, leadership, and team spirit.

Objective of Program:

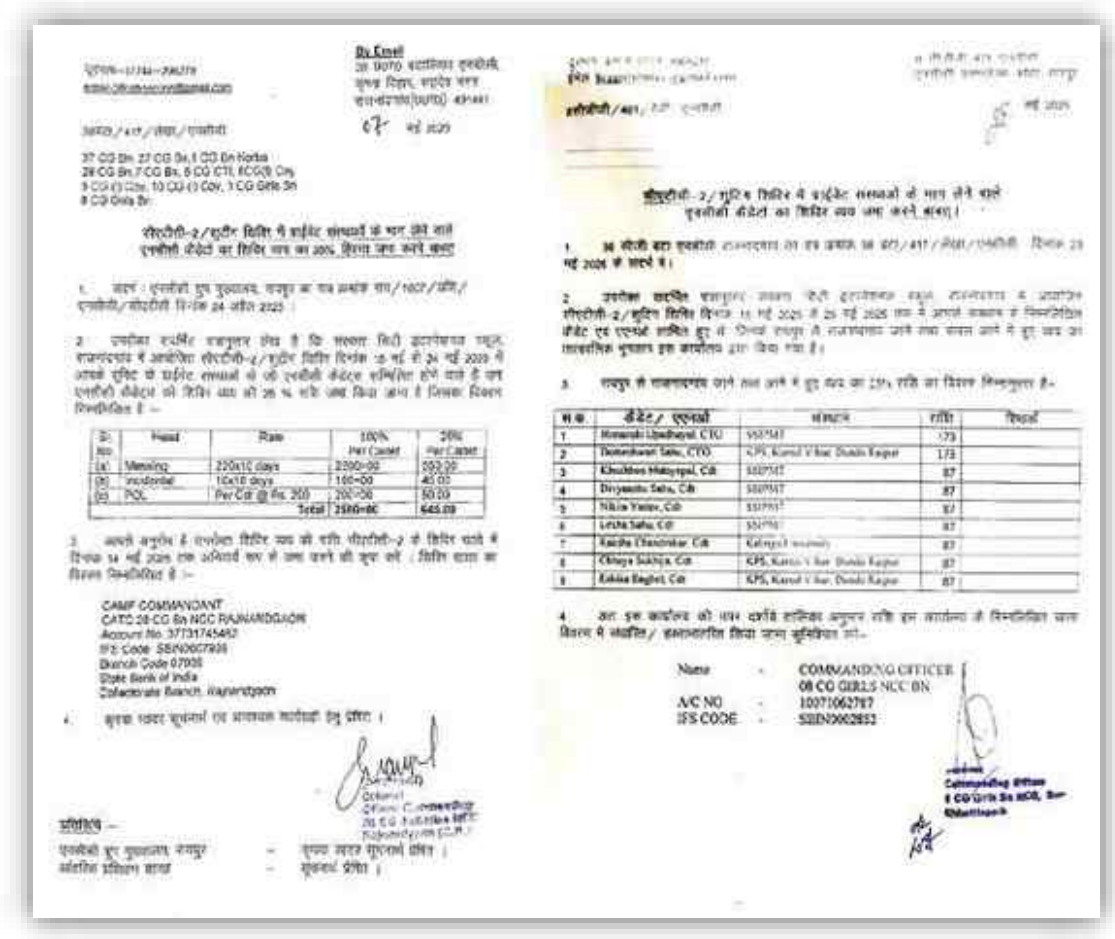
• The camp offered structured and disciplined training through daily PT, drill, and classroom sessions, helping cadets build self-discipline, time management, and a deeper understanding of NCC values and procedures.

• Selection-based shooting practice was a key part of the training, allowing cadets to improve their focus, aim, and confidence, and preparing them for advanced shooting opportunities.

• Physical exercises, obstacle training, and team-based outdoor tasks enhanced cadet's fitness, mental alertness, leadership, and decision-making abilities in a supportive group environment.

• Through various interactive sessions, cadets were encouraged to take pride in national service, develop a sense of social responsibility, and commit to contributing positively to society.

understanding, and mutual respect, while motivating them to pursue excellence in future NCC activities.



Program Outcome:

Cadet Raksha Chandrakar successfully completed the 10-day training camp from 15th to 24th May 2025.

Raksha was selected for advanced shooting training based on her performance and dedication, which began from her early preparation on 17th April 2025.

The camp helped her improve her skills in shooting, drill, discipline, physical training, and teamwork.

Raksha gained hands-on experience in structured military-style training and developed leadership qualities.

The camp encouraged a positive attitude, goal setting, and personal responsibility among the cadets.

The training program aligned with SDG 3 (Good Health and Well-being) by promoting physical activity and mental strength, and SDG 4 (Quality Education) by supporting skill development and disciplined learning.

• On successful completion, cadets like Raksha Chandrakar received certificates, gained practical knowledge, and felt inspired and confident to take part in upcoming NCC camps and competitions.

Event Poster:

Detailsof Program: This cultural event was held under the social initiative "Jashn-e- Zindagi," which aimed to spread awareness about life-threatening diseases like cancer and promote a positive and hopeful message within society. Bollywood singer Dhvani Bhanushali delivered a live performance that mesmerized the students from different universities. Her presentation effectively conveyed the underlying social message, connecting emotions with awareness. There was no arrangement for drinking water during the event, no supplies of any kind were available. Other media did not cover the event. Admission brochures and Hanuman Chalisa distributed to all the audience.

Media Partner: News18 Madhya Pradesh-Chhattisgarh

Co-sponsor: BALCO (Bharat Aluminium Company Limited), Pooja INOX, SARTHAK TV, Reliance Digital.

inspire the youth and general public to think about serious health issues through the medium of entertainment. The primary objectives included:

1. Spreading awareness about cancer.
2. Encouraging timely health check-ups.
3. Promoting sensitivity toward early diagnosis and treatment.

Outcome of the Program:

1. The event witnessed of students, faculty, families, and general public, demonstrating community support for the cause.
2. Informative messages and visuals during the event helped educate attendees on cancer prevention, detection, and available treatment options.
3. Dhvani Bhanushali's performance deeply moved the audience, making the social message more relatable.
4. Students actively participated in organizing and attending the event, showing increased interest in taking part in future social initiatives.
5. The partnership between the university, BALCO, media houses, and other institutions set an example for effective public-private collaboration for social change.

Venue: Pt. Sundarlal Sharma Open University, Birkona, Bilaspur (C.G.)

IOM/ Notice:

Details of participated Cadet:

1. Saniya Parveen (Enrollment No: 24071685026460), BCS AIML CS
2. Pattepu Madhuri (Enrollment No: 23071345191584), BSC FS
3. Sunita Baghel (Enrollment No: 23071340522062), BSC (PCM)

The Combined Annual Training Camp (CATC-134) and TSC-I Pre-Selection Camp was successfully conducted under the supervision of the 7 CG Battalion NCC, Bilaspur, from 16th June to 25th June 2025 at Pt. Sundarlal Sharma Open University, Birkona, Bilaspur (C.G.). The camp was held in offline mode and witnessed enthusiastic participation from cadets representing various institutions across the region.

The training camp focused on providing intensive pre-selection training for the Thal Sainik Camp (TSC), aimed at preparing cadets for multiple competitive categories, including Map Reading, Judging Distance and Field Signals, Firing, Health and Hygiene, and Obstacle Training. The program featured a comprehensive blend of physical fitness sessions, obstacle practice, drill, theory classes, map reading exercises, tent pitching, and health awareness activities to ensure the overall development of the cadets.

A total of four cadets from Kalinga University participated in the earlier TSC pre-selection training conducted from 26th May to 14th June 2025. Out of them, three cadets were successfully selected for CATC-134 & TSC-I based on their outstanding dedication and performance:

1. Saniya Parveen (Map Reading)
2. Pattepu Madhuri (Health and Hygiene)
3. Sunita Baghel (Obstacle Training)

During the camp, the cadets underwent rigorous training through both theory and practical sessions:

Sunita Baghel actively practiced running and tent pitching and appeared for practice tests focused on obstacle courses, showcasing physical endurance and technical skills.

Saniya Parveen took part in both theory and practical tests in Map Reading, demonstrating strong navigational ability and precision.

Pattepu Madhuri participated in theory and viva tests on Health and Hygiene, reflecting her in-depth knowledge and understanding of vital health practices.

Based on their continued commitment and excellent performance during CATC-134 and TSC-I, two of our cadets, Pattepu Madhuri and Sunita Baghel, were further selected for the CATC-138 GP Level TSC-2 Training and Launch Camp, scheduled to be held at Dr. C.V. Raman University, Kota, Bilaspur (C.G.), from 28th June 2025 to 7th July 2025.

Objective of Program:

To provide intensive and structured pre-selection training for Thal Sainik Camp (TSC), equipping cadets with practical and theoretical skills in key areas such as map reading,

physical endurance.

To develop discipline, leadership, and team spirit among cadets through daily drills, physical training, and challenging outdoor tasks.

To enhance cadet's abilities to perform under pressure through practice tests, theory assessments, and viva examinations aligned with selection standards.

To promote awareness of health and hygiene as crucial components of a cadet's lifestyle and to encourage safe and effective practices.

To prepare cadets not only for TSC selection but also to instill confidence, resilience, and national pride that contribute to their overall character development.

To foster unity, cultural understanding, and mutual respect by bringing together cadets from diverse institutions and backgrounds, motivating them to excel in national service.

Program Outcome:

Cadets from Kalinga University successfully completed the 10-day CATC-134 and TSC- I Pre-Selection Camp from 16th to 25th June 2025.

Three cadets of Kalinga University, namely Saniya Parveen (Map Reading), Pattepu Madhuri (Health and Hygiene), and Sunita Baghel (Obstacle Training), were selected for CATC-134 and TSC-I based on their dedication and performance.

The camp helped the cadets improve their skills in map reading, health and hygiene, obstacle handling, tent pitching, physical training, and teamwork.

The cadets gained hands-on experience in structured military-style training and developed confidence, discipline, and leadership qualities.

The camp encouraged a positive attitude, goal setting, and personal responsibility among the cadets.

The training program aligned with SDG 3 (Good Health and Well-being) by promoting physical fitness and mental resilience, and SDG 4 (Quality Education) by supporting skill development and disciplined learning.

Based on their continued performance, two cadets of Kalinga University, namely Pattepu Madhuri and Sunita Baghel, were selected for the CATC-138 GP Level TSC-2 Training and Launch Camp scheduled from 28th June to 7th July 2025 at Dr. C.V. Raman University, Kota, Bilaspur (C.G.).

Objective of Program:

1. To bring awareness of yoga among common people.
2. To harmonize the mind and body with surroundings.
3. To bring a healthy atmosphere of mother earth through healthy living..

Details of Program:

Members of Kalinga University celebrated the 11th International Yoga Day with the theme of 'Yoga for One Earth, One Health' with enthusiasm and fervor on Saturday. The theme emphasizes how yoga supports not just individual well-being but also the health of our planet. The event was organized by the Faculty of Science (Department of Yoga) and the Dean Students' Welfare of Kalinga University with the support of Chhattisgarh Yoga Aayog, Government of Chhattisgarh. The event was attended by the faculty and other staff members of the University.

The International Yoga Day began by joining the online stage, set to witness the grand commencement of the event by the Hon'ble Prime Minister of India. Thereafter, Dr R Shridhar, Vice Chancellor, Kalinga University while addressing the attendees, shared his experience on divine healing powers of Yoga. He emphasized that regular practice Yoga

received by the Chhattisgarh Yoga Aayog.

The International Yoga Day began with Chanting of Om and Yoga asana performed by Dr Rajesh Manik, Assistant Professor of Yoga department. He explained the benefits of each Yoga posture. Meditation was practiced by the participants conducted by Dr Dhananjay Jain, Assistant Professor of Yoga department. A 30-minutes yoga session was conducted, adhering to the Yoga Protocol at the Seminar Hall. The attendees actively practiced various yoga asanas and breathing exercises, guided by Dr. Dhananjay Jain and Dr. Rajesh Manik. The session aimed to provide a firsthand experience of the holistic benefits of yoga and its ability to promote a healthy lifestyle.

Students from the yoga department presented live yoga asanas on stage to assist participants in comprehending them. Vote of thanks was proposed appreciating the efforts of the department and faculties to make it a grand success. The celebration concluded with the distribution of nutritious refreshments consisting of healthy fruits and Lime water, which refreshed the participants after the invigorating yoga session.

Government of India, Ministry of Ayush also offered a certificate of participation 'Yoga Sangam Patra' to Kalinga University for taking part in the event to mark International Day of Yoga. Which was attended by over 100 participants. The International Yoga Day Celebration at Kalinga University was a resounding success, promoting the importance of yoga in achieving physical and mental well-being.

कलिंगा विश्वविद्यालय, नया रायपुर में अंतर्राष्ट्रीय योग दिवस समारोह संपन्न

अमन पथ न्यूज़

रायपुर। अंतर्राष्ट्रीय योग दिवस 21 जून को मनाया जाने वाला एक वार्षिक कार्यक्रम है जिसका उद्देश्य योग अभ्यास के लाभों के बारे में विश्व भर में जागरूकता बढ़ाना है। 'योग' शब्द संस्कृत से निकला है और इसका अर्थ है जुड़ना या एकजुट होना, जो शरीर और चेतना के मिलन का प्रतीक है। कलिंगा विश्वविद्यालय ने एक पृथ्वी, एक स्वास्थ्य के लिए 'योगा भीम' के साथ 11वां अंतर्राष्ट्रीय योग दिवस मनाया, जो इस बात पर जोर देता है कि योग न केवल व्यक्तिगत कल्याण, बल्कि हमारी पृथ्वी के स्वास्थ्य को भी बढ़ावा देता है। यह कार्यक्रम शिक्षा संकाय, फार्मेसी संकाय, विज्ञान संकाय (योग विभाग) और कलिंगा विश्वविद्यालय के डीन छात्र कल्याण द्वारा छत्तीसगढ़ सरकार के छत्तीसगढ़ योग आयोग के सहयोग से संयुक्त रूप से आयोजित किया गया था। इस कार्यक्रम में

विश्वविद्यालय के संकाय और अन्य स्टाफ सदस्य उपस्थित थे। अंतर्राष्ट्रीय योग दिवस की शुरुआत ऑनलाइन मंच पर शामिल होकर हुई, जहां भारत के माननीय प्रधानमंत्री द्वारा इस कार्यक्रम की मुख्य शुरुआत की गई। इसके बाद, कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. क्षीधर ने उपस्थित लोगों को संबोधित करते हुए योग की दिव्य उपचार शक्तियों पर अपने अनुभव साझा किए। उन्होंने इस बात पर जोर दिया कि नियमित योग अभ्यास से स्वस्थ और स्वस्थ शरीर प्राप्त किया जा सकता है।

योग विभाग के सहायक प्रोफेसर डॉ. राजेश भाणिक ने ओम के उच्चारण के साथ कार्यक्रम की शुरुआत की। योग विभाग के डॉ. राजेश भाणिक और डॉ. धनंजय जैन के मार्गदर्शन में उपस्थित लोगों ने विभिन्न योग आसनों और श्वास अभ्यासों में सक्रिय रूप से भाग लिया। इस सत्र ने योग के जरिए अपने शरीर की देखभाल करने पर केंद्रित है, साथ ही उस धरती की भी देखभाल पर ध्यान देता है, जिस पर हम सब रहते हैं।

योग विभाग के विद्यार्थियों ने प्रतिभागियों को योग आसन सीखाने में सहायता के लिए मंच पर लाइव योग आसन प्रस्तुत किए। योग विभाग के सहायक प्रोफेसर एवं विभागाध्यक्ष डॉ. धनंजय जैन ने ध्यान के बारे में बहुत ही शिक्षाप्रद सत्र दिया।

सत्र के बाद, कार्यक्रम को सफल बनाने के लिए विभाग और संकायों के प्रयासों की सराहना करते हुए धन्यवाद प्रस्ताव रखा गया तथा छत्तीसगढ़ योग आयोग द्वारा प्रतिभागियों को 100 टी-शर्ट वितरित की गई। समारोह का समापन पौष्टिक जलपान वितरण के साथ हुआ।

कलिंगा विश्वविद्यालय में अंतर्राष्ट्रीय योग दिवस समारोह एक शानदार सफलता थी, जिसमें शारीरिक और मानसिक स्वास्थ्य प्राप्त करने में योग के महत्व को बढ़ावा दिया गया।

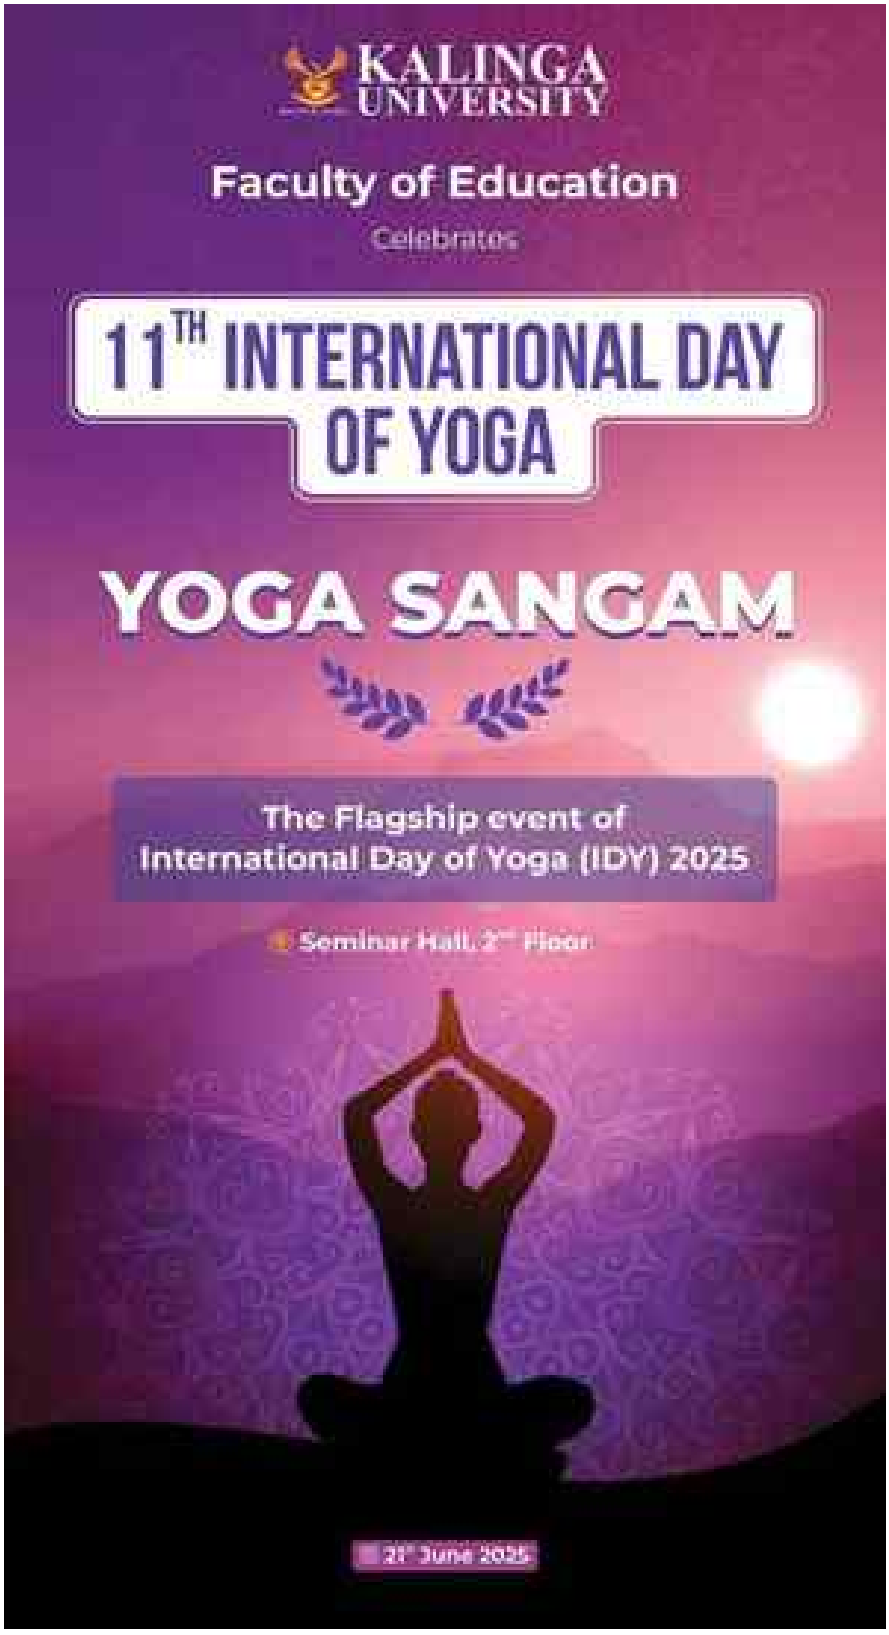
International Yoga Day

Organized by

"Faculty ofEducation"

On

21/06/2025



KALINGA UNIVERSITY
Faculty of Education
Celebrates
11TH INTERNATIONAL DAY OF YOGA
YOGA SANGAM
The Flagship event of
International Day of Yoga (IDY) 2025
Seminar Hall, 2nd Floor
21st June 2025

Date: 21/06/2026

Time of event: 09:00 AM to 11:00 AM

Event Type: Offline

No. of Participants: 100

Objective of Program:

The objective of the International Yoga Day program organized by the Faculty of Education at Kalinga University was to promote awareness about the physical, mental, and spiritual benefits of yoga among students and faculty members. The event aimed to encourage the incorporation of yoga into daily life for overall well-being, reduce stress, enhance concentration, and foster a balanced lifestyle. It also sought to highlight the cultural significance of yoga as an ancient Indian practice and inspire participants to adopt it as a sustainable health practice for personal and professional growth.

Details of Program:

The Faculty of Education at Kalinga University, Raipur, celebrated International Yoga Day on 21st June 2025 with great zeal and enthusiasm, emphasizing the importance of physical, mental, and emotional well-being. The event was organized in alignment with the global theme of promoting health and harmony through yoga and aimed at spreading awareness among faculty members and students about the benefits of incorporating yoga into daily life. The celebration began early in the morning on the university campus, where faculty members, staff, and students gathered to participate in a structured yoga session. Certified yoga instructors Dr. Rajesh Manik and Dr. Dhananjay Jain guided the session, which included a wide range of yoga postures and breathing techniques such as Surya Namaskar, Vrikshasana, Trikonasana, Pranayama, and Shavasana. The instructor also explained the significance of each asana and how regular practice can contribute to enhanced flexibility, improved posture, better concentration, and stress reduction. The peaceful ambience of the university premises, coupled with the disciplined participation of the attendees, created a spiritually uplifting atmosphere. The session was not only a physical activity but also a deeply reflective and meditative experience that allowed participants to connect with themselves on a deeper level. An enthusiastic speech was delivered by Hon'ble ***Vice Chancellor Dr. R. Shridhar***, who highlighted the significance of International Yoga Day in reviving India's ancient wisdom and emphasized the integration of yoga into modern education for the holistic development of learners. He appreciated the efforts of the Faculty of Education in organizing the event and encouraged both students and teachers to make yoga a lifelong practice for sustainable well-being. The Dean and senior faculty members also addressed the gathering, highlighting yoga as an ancient Indian practice that aligns with the principles of holistic education and lifestyle.

of their routine to ensure long-term health benefits and mental peace. Participants shared their experiences and expressed how the session helped them feel refreshed, focused, and more aware of their inner self. The celebration also served as a platform to reinforce Kalinga University's commitment to fostering a healthy academic environment through physical fitness and mindfulness activities. The university has plans to conduct weekly yoga and meditation sessions as part of faculty development programs and student wellness initiatives. The event concluded with a collective pledge by all participants to adopt yoga as a way of life and promote it within their families and communities. Overall, the International Yoga Day celebration at the Faculty of Education was a resounding success, reflecting the values of harmony, unity, and health that yoga inspires and reaffirming the university's dedication to the overall well-being of its academic community.

Program Outcome:

1. Participants experienced improved awareness of the physical, mental, and emotional benefits of yoga.
2. The event promoted a sense of unity, discipline, and mindfulness among faculty and students.
3. Increased motivation was observed among participants to adopt yoga as a part of their daily routine.
4. The session encouraged stress reduction and improved focus through guided asanas and breathing techniques.
5. The presence and speech of the Hon'ble Vice Chancellor inspired the academic community to value holistic health.
6. The program strengthened the wellness culture within the Faculty of Education.
7. Positive feedback from participants highlighted the event's success and relevance.
8. Plans were initiated for future yoga workshops, weekly sessions, and health awareness programs.
9. The event reinforced the importance of integrating traditional practices into modern education.
10. The program contributed to creating a healthier, more balanced academic environment.

कलिंगा विश्वविद्यालय, नया रायपुर में अंतर्राष्ट्रीय योग दिवस समारोह संपन्न

रायपुर। अंतर्राष्ट्रीय योग दिवस 21 जून को मनाया जाने वाला एक वार्षिक कार्यक्रम है जिसका उद्देश्य योग अभ्यास के लाभों के बारे में विश्व भर में जागरूकता बढ़ाना है। 'योग' शब्द संस्कृत से निकला है और इसका अर्थ है जुड़ना या एकजुट होना, जो शरीर और चेतना के मिलन का प्रतीक है। कलिंगा विश्वविद्यालय ने एक पृथ्वी, एक स्वास्थ्य के लिए योगट योग के साथ 11वां अंतर्राष्ट्रीय योग दिवस मनाया, जो इस बात पर जोर देता है कि योग न केवल व्यक्तिगत कल्याण, बल्कि हमारी पृथ्वी के स्वास्थ्य को भी बढ़ावा देता है। यह कार्यक्रम शिक्षा संकाय, फार्मेसी संकाय, विज्ञान संकाय (योग विभाग) और कलिंगा विश्वविद्यालय के डीन छात्र कल्याण द्वारा छत्तीसगढ़ सरकार के छत्तीसगढ़ योग आयोग के सहयोग से संयुक्त रूप से आयोजित किया गया था। इस कार्यक्रम में विश्वविद्यालय के संकाय और अन्य सदस्य उपस्थित थे। अंतर्राष्ट्रीय योग दिवस की शुरुआत ऑनलाइन मंच पर शामिल होकर हुई, जहां भारत के माननीय प्रधानमंत्री द्वारा इस कार्यक्रम की भव्य शुरुआत की गई। इसके बाद, कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. श्रीधर ने उपस्थित लोगों को संबोधित करते हुए योग की दिव्य उपचार शक्तियों पर अपने अनुभव साझा किए। उन्होंने इस बात पर जोर दिया कि नियमित योग अभ्यास से स्वस्थ और स्वस्थ शरीर प्राप्त किया जा सकता है।

योग विभाग के सहायक प्रोफेसर डॉ. राजेश माणिक ने ओम के उच्चारण के साथ कार्यक्रम की शुरुआत की। योग विभाग के डॉ. राजेश माणिक और डॉ. धनंजय जैन के मार्गदर्शन में उपस्थित लोगों ने विभिन्न योग आसनों और श्वास अभ्यासों में सक्रिय रूप से भाग लिया। यह सत्र योग के जरिए अपने शरीर की देखभाल करने पर केंद्रित है, साथ ही उस धरती की भी देखभाल पर ध्यान देता है, जिस पर हम सब रहते हैं।

योग विभाग के विद्यार्थियों ने प्रतिभागियों को योग आसन समझने में सहायता के लिए मंच पर लाइव योग आसन प्रस्तुत किए। योग विभाग के सहायक प्रोफेसर एवं विभागाध्यक्ष डॉ. धनंजय जैन ने ध्यान के बारे में बहुत ही शिक्षाप्रद संबोधन दिया।

सत्र के बाद, कार्यक्रम को सफल बनाने के लिए विभाग और संकायों के प्रयासों की सराहना करते हुए धन्यवाद प्रस्ताव रखा गया तथा छत्तीसगढ़ योग आयोग द्वारा प्रतिभागियों को 100 टी-शर्ट वितरित की गईं। समारोह का समापन पौष्टिक जलपान वितरण के साथ हुआ।

कलिंगा विश्वविद्यालय में अंतर्राष्ट्रीय योग दिवस समारोह एक शानदार सफलता थी, जिसमें शारीरिक और मानसिक स्वास्थ्य प्राप्त करने में योग के महत्व को बढ़ावा दिया गया।

International Yoga Day

2025

Related to SDG No.

Organized by

"Department of Education & NSS Unit"

On

Date: 21.06.25

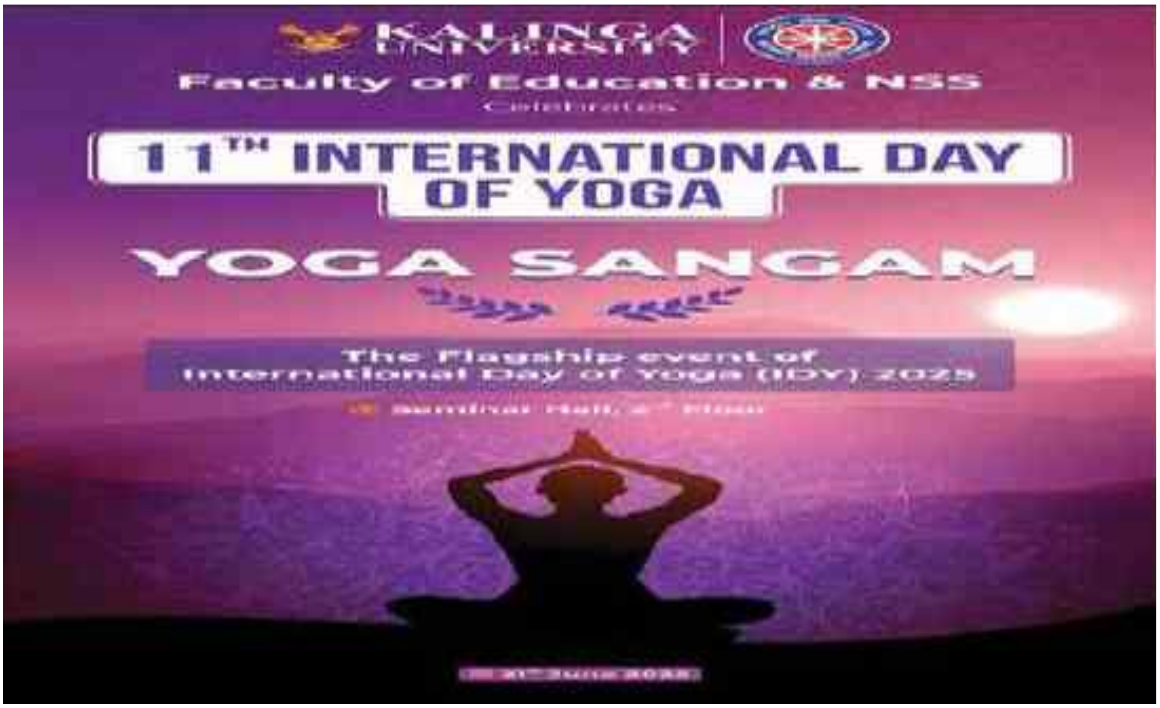
Date: 21-06-2025

Time of event: 9:30 AM to 11:00 AM

Mode of Event: Offline

Venue: Seminar Hall, Main Building 2nd Floor Kalinga University, Naya Raipur C.G.

Event Poster:



To bring awareness about the importance of yoga among the general public.
To harmonize the mind and body with the environment through yogic practices.
To promote a healthier and more sustainable way of life contributing to the health of Mother Earth

Details of Program:

The ***11th International Yoga Day*** was observed with great enthusiasm and spirit at Kalinga University on ***21st June 2025***. Themed ***'Yoga for One Earth, One Health'***, the event was organized by the ***Department of Education***, with support from ***Chhattisgarh Yoga Aayog***, Government of Chhattisgarh.

The event commenced with the live streaming of the national celebration inaugurated by the ***Hon'ble Prime Minister of India***. Following this, ***Dr. R. Shridhar***, Vice Chancellor of Kalinga University, addressed the gathering, emphasizing the spiritual and physical benefits of regular yoga practice. He highlighted the relevance of yoga in modern-day life and its alignment with ***SDG Goal 3*** on health and well-being.

More than ***100 participants***, including faculty members, NSS volunteers, and staff members actively participated. Yoga T-shirts, sponsored by the Chhattisgarh Yoga Aayog, were distributed to the attendees.

Yoga Session

The practical yoga session began with ***chanting of 'Om'***, followed by warm-up exercises and yoga asanas conducted by ***Dr. Rajesh Manik***, Assistant Professor, Department of Yoga. He explained the physiological and mental benefits of each posture.***Dr. Dhananjay Jain***, Assistant Professor, led the ***meditation session***, emphasizing breathing techniques and mindfulness. A complete ***30-minute yoga protocol*** session was conducted in accordance with the AYUSH Ministry's guidelines.Students of the Education Department and NSS Volunteers performed live yoga demonstrations on stage to aid participant understanding and engagement.

Concluding Session

The program concluded with a vote of thanks, acknowledging the efforts of the organizing department and the enthusiastic participation of all attendees. Nutritious refreshments (including fruits and lime water) were served post-session to rejuvenate participants.

NSS Participation & MY Bharat Registration

As per instructions from the ***Regional Directorate, NSS (MP-CG Zone)*** and in compliance with the Ministry's directives, the Yoga Day event was registered under the ***Mega Event*** category on the ***MY Bharat Portal*** (https://mybharat.gov.in/mega_events/international-day-of-yoga-2025-01).

Ensured active participation of NSS volunteers from the university and its associated institutions.
Uploaded ***photos of yoga workshops***, program highlights, and event participation on the ***MY Bharat Portal***.
Shared the ***event report, photographs, and video clips*** on official NSS social media platforms and submitted them to the Regional Directorate via email.

The ***Ministry of AYUSH, Government of India***, acknowledged Kalinga University's contribution with a ***Certificate of Participation*** titled ***'Yoga Sangam Patra'***.

Number of Registered Participants: 81

Number of Attendees: 100

Objective of NCC Mountaineering Expedition:

The NCC Mountaineering Expedition to Mt Kang Yatse-II, at 6250 metres in the Ladakh region, provides a unique adventure experience for the country's youth, testing their physical fitness, endurance, and mental resilience. This high-altitude winter climbing activity challenges cadets with extreme weather and altitude conditions, fostering both physical and mental toughness. The expedition emphasizes leadership and teamwork through various team events, instilling a sense of camaraderie and unity. It aims to instill adventure, character, and discipline while promoting national integration by bringing together cadets from diverse backgrounds. Highlighting the rich heritage of the National Cadet Corps (NCC), this initiative showcases the NCC's role in shaping young minds and contributing to national development. Participation in the expedition plays a crucial role in character building, teaching cadets valuable lessons in perseverance and resilience, and contributing to their personal growth and leadership skills.

Program Schedule:

Duration: 21st May, 2024 to 05th July, 2024 (46 Days)

Selection Venue: Cariappa Parade Ground, New Delhi, India

Training Venue: The Jawahar Institute of Mountaineering and Winter Sports (JIM & WS), J & K- 192126 ***Expedition Venue:*** Mount Kang Yatse-II, Leh Ladakh, India

Details of Program:

Selection and Preparation-

Nomination and Reporting

CPL Aditi Dubey was nominated for the expedition and reported to the Cariappa Parade Ground, New Delhi, on May 21, 2024.

Selection Process

Fifty cadets from 17 NCC directorates gathered at the DGNCC campus in New Delhi.
After various competitions and evaluations, 13 girls and 14 boys were selected for the "Mount Kang Yatse II Adventure Expedition," including CPL Aditi Dubey.

Team Composition

The expedition team comprised:

Five Officers
Seventeen Permanent Instructors
Twenty-seven Cadets (13 girls and 14 boys) from various NCC directorates

Training and Preparation

Pre-Expedition Training

Selected cadets underwent intensive training in New Delhi mainly focused on physical conditioning, technical mountaineering skills as well as survival tactics.

Training at Jawahar Institute of Mountaineering and Winter Sports

The team received ten days of specialized training at Jawahar Institute of Mountaineering and Winter Sports in Pahalgam & Sonmarg including advanced climbing techniques, equipment handling etc.

Acclimatization

The team acclimatized at various levels, starting in Leh and progressing through the Markha Valley, Thachungse, before reaching the base camp on June 18, 2024.

Expedition Timeline

Flag-Off Ceremony

The expedition was officially flagged off by DG NCC Lt. Gen. Gurbirpal Singh on May 28, 2024.

Journey to Base Camp

The team travelled from New Delhi to Ladakh, reaching the base camp near the starting point of the ascent to Mount Kang Yatse-II.

Base Camp Activities

At this location, final preparations by cadets included checking equipments plus practising climbs.

Ascent to Summit

The team commenced their ascent towards Mount Kang Yatse-II, with the aim to summit by June 21, 2024, coinciding with World Yoga Day. Despite adverse conditions, six SD cadets and four SW cadets successfully summited Mount Kang Yatse-II at 6,250 meters, hoisting the NCC flag.

Completion and Return

Under the leadership of Colonel Amit Bisht Sena Medal, the expedition team had accomplished their mission and returned back to Leh on June 22nd, 2024.

Flag-Inn Ceremony on July 3, 2024

The Flag-Inn Ceremony was graced by the presence of Kendriya Raksha Raj Mantri, Sanjay Seth, along with DG NCC Lt. Gen. Gurbirpal Singh and Colonel Amit Bisht, Sena Medal. This significant event took place on July 3, 2024.

Achievements and Recognition

The successful summit demonstrated the cadets' resilience, teamwork, and leadership skills.
DG NCC Lt. Gen. Gurbirpal Singh commended the team for their composure, courage, professionalism, and indomitable spirit.

Program Outcome: The NCC Mountaineering Expedition 2024 to Mount Kang Yatse-II was successful in achieving its objectives, with the team reaching the peak despite difficult conditions. The expedition enhanced cadets' technical skills, leadership, and resilience, thereby fostering national integration. CPL Aditi Dubey, associated with Kalinga University, contributed significantly to this achievement, exemplifying how the NCC nurtures young leaders. The

felicitation of our successful summit by DG NCC underscores the program's efficacy at both individual and national levels. On 4th July 2024, Aditi was honored with a memento by Kendriya Raksha Raj Mantri Sanjay Seth, in the presence of DGNCC Gurbirpal Singh (PVSM, AVSM, and VSM) and CO Amit Bisht. Additionally, she received a certificate of completion from CO Amit Bisht.

Objectiveof CATC-VIII (Group Level TSC Selection Camp):

The Combined Annual Training Camp-VIII (CATC-VIII) is designed as a Group Level Selection Camp for the Thal Sainik Camp (TSC). Its main objective is to identify and select outstanding cadets to represent their group at state and national levels. The camp provides intensive training in various military skills, including obstacle training, map reading, field craft, and weapon handling. Additionally, it focuses on developing discipline, leadership, and teamwork among cadets. The camp also fosters cultural exchange and national integration among participants from diverse backgrounds. Through challenging activities and interactions with senior officers, CATC-VIII aims to build physical and mental endurance and inspire cadets to excel in their personal and professional lives.

Program Schedule:

Training: From June 21, 2024, to July 1, 2024 at Lakholi, Arang, Raipur, Chhattisgarh, 493441

Duration: 02nd July, 2024 to 12th July, 2024

Camp Venue: JK Institute of Engineering, Gatora, Bilaspur (C.G.)

Details of Program:

Four cadets from Kalinga University, including Sunita Baghel, attempted the exam for the CATC-VIII (Group Level TSC Selection Camp). Sunita Baghel was selected for her outstanding performance, particularly in obstacle training. Following her selection, she underwent a 10-day intensive training program organized by the 8CG Girls Battalion, Kota, held at Lakholi from June 21, 2024, to July 1, 2024. This training was designed to enhance her skills in various military disciplines.

After completing this preparatory training, Sunita Baghel attended the CATC-VIII (Group Level TSC Selection Camp) from July 2, 2024, to July 11, 2024, at JK Institute of Engineering, Gatora, Bilaspur (C.G.). During the camp, she received intensive training in various military skills, including obstacle training, map reading, field craft, and weapon handling. Specific activities included straight line drills, clear jumps, tent pitching, and other essential skills aimed at improving her overall military competence and readiness.

Program Outcome:

After completing a tough training and selection process, Sunita Baghel successfully completed the CATC-VIII (Group Level TSC Selection Camp) held from July 2, 2024, to July 11, 2024, at JK Institute of Engineering, Gatora, Bilaspur (C.G.). Throughout the camp, she demonstrated exceptional skills in various military disciplines, including obstacle training, map reading, field craft, and weapon handling.

As a result of her outstanding performance and dedication, Sunita Baghel received a Camp Certificate, recognizing her achievements and proficiency in the camp's intensive training program. This certification not only highlights her commitment and competence but also represents a significant milestone in her NCC career.

Objective of Program: This training workshop aims to inspire and empower women to make significant contributions to water conservation.

Details of Program: Chhattisgarh Government Higher Education Department, National Service Scheme Cell and Indira Gandhi Agricultural University, Raipur organized a one-day training workshop under the Nari Shakti to Jal Shakti program for state NSS women program officers and state level on 10/7/24. to be done.

In this program, first of all the guests started the program by lighting the lamp and then the state anthem and national anthem were played. Chief guest of this program, Honorable Shri Prasanna RG Secretary, Government of Higher Education Department of Chhattisgarh, Honorable Sharda Verma ji Secretary, Finance Commissioner of Government of Chhattisgarh, Education Department, Dr. Girish Chandel ji Vice Chancellor, Indira Gandhi Agricultural University, Raipur, Honorable Dr. Ashok Kumar Shruti. G Deputy Program Advisor Regional Director NSS

Regional Directorate Bhopal, Dr PK Sangode Program Coordinator, Indira Gandhi Agricultural University, Raipur and Neeta Vajpayee State NSS Officer Chhattisgarh, Government Higher Education Department.

This program will focus on increasing water awareness, role of women in water management, active participation in water conservation projects, skill development and technical knowledge, resource optimization and reduced water expenditure and Women were made aware about this by showing some short videos and took an oath to conserve water and the program was concluded after certificate distribution and vote of thanks by Neeta Vajpayee State NSS Officer Chhattisgarh, Government Higher Education Department.

Program Outcome:

The state-level one-day women program officer training workshop, "Naari Shakti se Jal Shakti," was a significant step towards empowering women in water conservation and management. The workshop successfully raised awareness, developed skills, and encouraged active participation of women in addressing water-related issues. The positive outcomes and feedback highlight the need for continued efforts in this direction to ensure sustainable water management practices led by empowered women.

Number of program officers participated: 265

Objective of Program:

The primary objective of the program was to select the best candidates for the PRCN level. This selection process aimed to ensure that the chosen candidates have essential leadership qualities, good communication skills, physical fitness, and thorough knowledge of NCC activities. Identifying individuals who are committed to the NCC's values and mission is crucial for ensuring that future ANOs can effectively train, guide, and inspire cadets. Through rigorous interviews and assessments, the program aimed to uphold the high standards of the NCC and develop competent and dedicated officers.

Profile of Resource person:

Resource Person 1: Presiding Officer

Name: Brigadier VS Chauhan

Designation: Group Commander

Organization: NCC Gp HQ Raipur

Program Schedule:

Date: 29th July, 2024

Time of event: 09:30 PM Onwards

Venue: NCC Group Headquarters, Raipur (C.G.)

Details of Program:

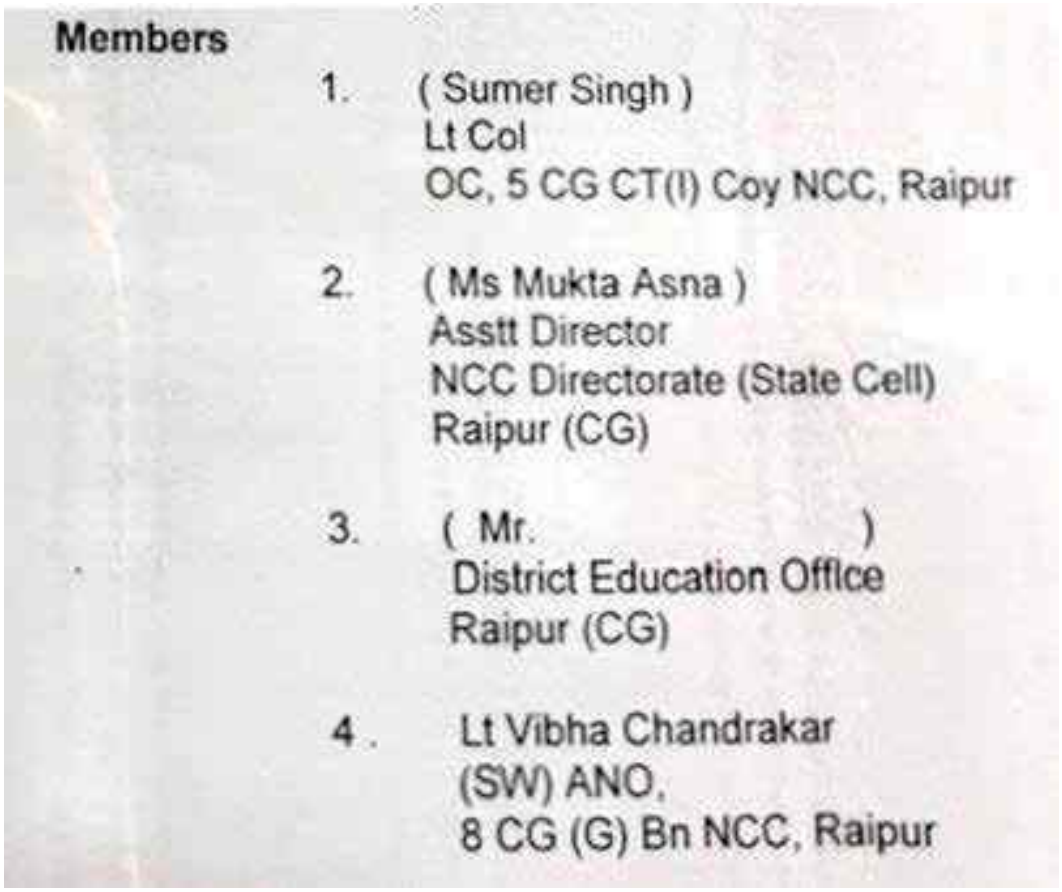
The program began with the document verification process, conducted by Lt. Vibha Chandrakar, to ensure that all candidates had the necessary paperwork and credentials in order. Following this, candidates underwent a comprehensive interview to assess their leadership qualities, communication skills, physical fitness, and knowledge of NCC activities. The interview was conducted by the presiding officer and the committee members. After the interviews, the committee members engaged in a detailed discussion about the performance of each candidate, considering the results of the document verification and interview processes. This discussion was crucial for making informed decisions about the suitability of each candidate. Finally, the program concluded with the declaration of the selected candidates for the PRCN level, ensuring that those chosen were well-equipped to uphold the high standards of the NCC.

On 5th August 2024, Lt. Vibha Chandrakar reported to the NCC Group Headquarters to sign the hardcopy documents of the recommended candidates for the Pre-Commission Course (PRCN) level.

Program Outcome:

Out of the 15 candidates evaluated, 12 were recommended for the PRCN level. The remaining 3 candidates were not recommended due to personal reasons that impacted their suitability for the course.

Number of Committee Member: 04



Number of Candidate: 15

Glimpse of event:

Note: The program was confidential, and capturing pictures or videos was not permitted or allowed.

BIOMETRIC REGISTRATION AND ENROLMENT FOR YEAR 2024-25

Respected Sir/Madam,

1. The biometric registration of the already enrolled third year (3R) cadets, 2nd & 3rd year SW Cadets as well as the enrolment of students as Cadets in NCC for the year 2024-25 is required to be carried out immediately after the educational institutions re-open in the month of Jun / Jul 2024.

2. The eligibility criteria for the enrolment of the students as NCC Cadets during the year 2024-25 as well as the documents required to be submitted by the Cadets are given in Appx 'A' and 'B' till.

3. In addition, the dates as worked out in consultation with the AAOs/CTOs of your institutions, for the biometric registration of existing NCC Cadets as well as for enrolment of students in NCC during the year 2024-25 are given in Appx 'C' and 'D' till.

4. It is requested that the necessary action at your end for the above be kindly ensured.

Enclosures: As Above.

Yours Sincerely

(Ashwani Sahu)

Objective of Program:

The objective of the biometric registration program for the year 2024-25 is to ensure a streamlined and efficient process for updating the records of 2nd & 3rd year Senior Wing (SW) cadets into the NCC. This program aims to verify cadet information through biometric authentication, simplify the enrolment process, ensure compliance with eligibility criteria and documentation requirements, and coordinate effectively with educational institutions. By doing so, it enhances the management of NCC cadet records and ensures that all cadets are properly registered and eligible for NCC activities for the academic year 2024-25.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Hav. Abhay Bahadur Singh

Designation: PI

Organization: 8CG Girls BN, Kota, Raipur (C.G.)

Program Schedule:

Date: 30th July, 2024

Time of event: 10:00 PM to 12:30 PM

Venue: MBGF-15 Ground Floor, Main Building, Kalinga University Campus, Naya Raipur (C.G.)

Details of Program:

The biometric registration for the 2nd and 3rd year NCC cadets from Kalinga University was held on the MBGF-15 Ground Floor, Main Building. 30 cadets attended the program, arriving in their NCC uniforms. The event aimed to update cadet records and facilitate new enrolments for 2024-25 through biometric authentication. PI Sir instructed that absent cadets must visit the unit for their registration, informing the ANO beforehand, who will then seek permission for their visit. Additionally, details related to the upcoming CATC-XI camp, scheduled from 12th August 2024 to 21st August 2024, were taught. The event concluded successfully with refreshments provided to all cadets, promoting discipline and camaraderie.

Program Outcome:

A total of 30 cadets attended the biometric registration program.

The program successfully updated cadet records and facilitated new enrolments for 2024-25 through biometric authentication.

PI Sir's instructions were communicated, ensuring absent cadets will complete their registration at the unit after informing the ANO and obtaining the necessary permissions.

As per PI Sir's instruction, 3 cadets visited the unit for registration and completed their process on 2nd August 2024.

Detailed information about the upcoming CATC-XI camp (12th August 2024 to 21st August 2024) was provided to the cadets.

The event concluded successfully with refreshments provided to all cadets.

The program promoted discipline and camaraderie among the participants.

कलिंगा विश्वविद्यालय ने हिंदी कथा सम्राट मुंशी प्रेमचंद – एक साहित्यिक दिग्गज की जयंती मनाई

by Shweta Tiwari 18 hours agoAugust 3, 2024

KALINGA UNIVERSITY

हिन्दी विभाग (कला एवं मानविकी संकाय)

के द्वारा

प्रेमचंद जयंती -2024

के अवसर पर संवाद संगोष्ठी

"प्रेमचंद और समकालीन समय"

रायपुर। आधुनिक हिंदी साहित्य में उपन्यास सम्राट के रूप में जाने जाने वाले मुंशी प्रेमचंद हिंदी और उर्दू सामाजिक कथा साहित्य के अग्रणी थे। वे 1880 के दशक के उत्तरार्ध में समाज में प्रचलित सांस्कृतिक पदानुक्रम और सामंतवादी और मजदूरों की दुर्दशा के बारे में लिखने वाले पहले लेखकों में से एक थे। वे भारतीय उपमहाद्वीप के सबसे प्रसिद्ध लेखकों में से एक हैं और उन्हें बीसवीं सदी की शुरुआत के सबसे प्रमुख हिंदी लेखकों में से एक माना जाता है। 'सेवासदन', 'कर्मभूमि', 'गबन', 'गोदान' और 'निर्मला' जैसी उनकी शानदार कृतियाँ आज भी पाठकों के बीच अपनी छाप छोड़ती हैं और कालातीत सामाजिक मुद्दों को संबोधित करती हैं।

कलिंग विश्वविद्यालय ने केला एवं मल्टीमीडी संकाय के हिंदी विभाग की देखरेख में एक विशेष व्याख्यान का आयोजन करके मुंशी प्रेमचंद की 144वीं जयंती मनाई। इस कार्यक्रम में शासकीय सावित्री स्नातकोत्तर महाविद्यालय अंबिकापुर के पूर्व प्राध्यापक डॉ. उमेश कुमार पांडेय वर्चुअल माध्यम से अध्यक्षीय कार्यक्रम में मुख्य वक्ता के रूप में उपस्थित थे।

See also छत्तीसगढ़ के इन दो जिलों में ITBP के 4 और CRPF के 3 जवान मिले कोरोना पॉजिटिव

कार्यक्रम की शुरुआत दीप प्रज्वलन, मां सरस्वती की प्रतिमा पर माल्यार्पण और कथा सम्राट प्रेमचंद को श्रद्धांजलि अर्पित करने के साथ हुई। यह कार्यक्रम मुख्य अतिथि छत्तीसगढ़ उच्च शिक्षा विभाग के सेवानिवृत्त वरिष्ठ प्रोफेसर एवं विश्वविद्यालय डॉ. आर.के. अग्रवाल की उपस्थिति में सम्पन्न हुआ। डॉ. उमेश कुमार पांडेय ने इस बात पर जोर दिया कि प्रेमचंद की रचनाएं न केवल हिंदी भाषा और साहित्य के लिए बल्कि विभिन्न सामाजिक और राष्ट्रीय मुद्दों के समाधान के लिए भी प्रेरणा का स्थायी स्रोत बनी हुई हैं। उन्होंने यह भी उल्लेख किया कि प्रेमचंद की रचनाएं किसानों की दुर्दशा और सांप्रदायिकता जैसी समस्याओं पर आज भी प्रासंगिक प्रकाश डालती हैं और प्रासंगिक समाधान प्रदान करती हैं। डॉ. पांडेय ने हिंदी गद्य साहित्य में प्रेमचंद की स्थायी विरासत पर प्रकाश डाला और कहा कि उनके साहित्यिक योगदान को हमेशा याद रखा जाएगा।

कलिंग विश्वविद्यालय के हिंदी विभागाध्यक्ष डॉ. आशा कुमार शुक्ला ने प्रेमचंद की जीवनी और उनकी रचनाओं पर प्रकाश डालते हुए कहा कि उन्होंने तीन सौ से अधिक कहानियों और कालजयी उपन्यासों से हिंदी साहित्य को समृद्ध किया। उन्होंने प्रेमचंद को हिंदी कहानियों और उपन्यासों का सबसे लोकप्रिय लेखक माना, जिन्होंने सामाजिक बुराइयों की जांच-पड़ताल, मनोरंजक और उपदेशात्मक कहानियां लिखने के कलात्मक दृष्टिकोण और समाज के वंचित वर्गों पहलुओं को चित्रित किया।

8/2/24, 3:59 PM कलिंग विश्वविद्यालय ने हिंदी कथा सम्राट मुंशी प्रेमचंद - एक साहित्यिक दिग्गज

मुंशी प्रेमचंद का साहित्यिक योगदान पाठकों को प्रबुद्ध और प्रेरित करता रहता है तथा उनके युग के सामाजिक-आर्थिक और सांस्कृतिक मुद्दों पर एक नजर डालता है।

कार्यक्रम का संचालन राजनीति विज्ञान विभाग की सहायक प्रोफेसर सुश्री कृति सिंह ने किया। धन्यवाद ज्ञापन भूगोल विभाग के सहायक प्रोफेसर डॉ. हरिशंकर ने किया। इस कार्यक्रम में अनुसंधान विभाग की प्रमुख डॉ. तृप्ति पाटिल के साथ-साथ विश्वविद्यालय के विभिन्न विभागों के प्रोफेसर, शोधकर्ता और छात्र भी शामिल हुए।

The Principal

ANOs / CTOs CONFERENCE : YEAR 2024-25

1. Annual training conference for ANOs / CTOs is scheduled on 31 July 2024 at premises of 8 CG Girls Bn NCC, NCC Complex Kota, Raipur.

2. Following agenda points will be discussed during the conference :-

(a) Training Programme for the year 2024-2025.
(b) Enrolments of NCC SW/JW Cadets.
(c) Nomination of ANOs Appt for CATC –XI & CATC XII.
(d) Aim of CATC –XI & CATC-XII. Which apart from the routine aims will include the identification & training of Cadets to represent the Battalion for RDC 2026.
(e) Earmarking of Cadets Camp Appointments.
(f) Suggestions to improve Try and make it more pragmatic.
(g) Discussion on enhancing ANOs role to train the cadets during camps and institutional training.

3. All ANOs should attend the conference in uniform and Cane blazer in Senior / Salwar Suit.

4. You are requested to relive your ANO / CT & ensure that ANOs/Cert.A.s of your institution attend the above conference without fail.

5. For your info & necessary action please.

8 CG GIRLS BN NCC RAIPUR

(Praveen Kumar)
Maj
Offg Commanding Officer

Objective of Program:

(a) Training Programme for the Year 2024-2025

The training programme for 2024-2025 will include a detailed schedule for basic and advanced training, encompassing practical sessions, camps and regular evaluations to ensure comprehensive skill development for the cadets.

(b) Enrolments of NCC SW/JW Cadets

The enrolment process for Senior Wing (SW) and Junior Wing (JW) cadets involves verifying eligibility, conducting selection interviews and tests, and providing an orientation to new cadets about NCC responsibilities and goals.

(c) Nomination of ANOs for CATC -XI & CATC-XII

The process for nominating ANOs (Associate NCC Officers) for CATC -XI and CATC -XII focuses on selecting experienced officers who will effectively lead and manage cadets during these camps.

(d) Aim of CATC -XI & CATC-XII

The aims of CATC -XI and CATC -XII include not only routine training but also the identification and preparation of cadets for potential representation in RDC (Republic Day Camp) 2025.

(e) Earmarking of Cadets Camp Appointments

Cadets will be assigned specific roles and responsibilities for camps to ensure effective camp management and execution of tasks.

(f) Suggestions to Improve Training and Make It More Pragmatic

Recommendations to enhance training include increasing practical sessions, incorporating regular feedback, utilizing resources efficiently, and adopting modern training techniques.

(g) Discussion on Enhancing ANO's Role in Training

Discussions focused on expanding the roles of ANOs in both institutional and camp training, including additional responsibilities and professional development to improve their effectiveness.

(h) Discussion on E-Enrollment of 1st-Year Cadets via DigiLocker

The discussion highlighted the adoption of DigiLocker for the e-enrollment of 1st-year cadets, aiming to streamline the process and manage documents digitally.

(i) Explained About DigiLocker and Step-by-Step Enrollment Process

A step-by-step guide was provided for using DigiLocker, including registration, document upload, verification, and completing the enrollment process for new cadets.

(j) Discussion on Increment on Refreshment Amount for Cadets

The discussion revealed that the MP Directorate has not yet acted on any notices from the CG Directorate regarding an increase in the refreshment amount. There is potential for future adjustments based on upcoming decisions.

(k) Discussion and Introduction of New Mixed Unit Concept (Ek Lavya)

The new mixed unit concept (Ek Lavya) allows for 33% of seats to be allocated to boys if the full quota for girls is not filled, aimed at ensuring balanced representation in cadet enrolments.

Profile of Speaker person:

Name: Col. Ashwin Sinha

Designation: Commanding Officer

Unit/ Group: 8CG Girls Battalion

Program Schedule:

Date: 31st July, 2024
Time of event: 09:30 PM to 02:30 PM
Event Type: Offline
Venue: 8CG Girls Battalion Unit, Kota, Raipur (C.G.)

Details of Program:

In the conference led by Col. Ashwin Sinha, Commanding Officer of the 8CG Girls Battalion, the agenda covered several key topics for the upcoming year. The conference began with an overview of the Training Programme for 2024-2025, outlining the annual schedule and significant events. It included a review of the current enrolments of NCC SW/JW cadets and discussed the nomination process for ANOs appointed to CATC-XI & CATC-XII. The objectives of these camps were highlighted, focusing not only on routine aims but also on preparing cadets for RDC 2025. The conference also addressed the earmarking of cadet appointments during camps and presented suggestions for improving training methods to make them more pragmatic. Enhancing the role of ANOs in training was discussed, alongside the introduction of the e-enrolment process for 1st-year cadets via Digi Locker, with a detailed explanation of its step-by-step procedure. Additionally, there was a discussion on potential increases in the refreshment amount for cadets and the introduction of the new mixed unit concept (Ek Lavya), which allows up to 33% of seats to be allocated to boys if not fully filled by girls.

Program Outcome:

For ANOs, the clarified roles and enhanced involvement in training will improve their leadership and efficiency. The streamlined Digi Locker e-enrolment process will simplify administrative tasks. Additionally, charts and books issued for cadets will support their learning and development.

For the institute, the structured training schedule and objectives for CATC-XI & CATC-XII, along with the Ek Lavya concept, will optimize resources and boost cadet participation. Potential increases in refreshment amounts will also improve cadet welfare, enhancing overall program effectiveness and satisfaction.

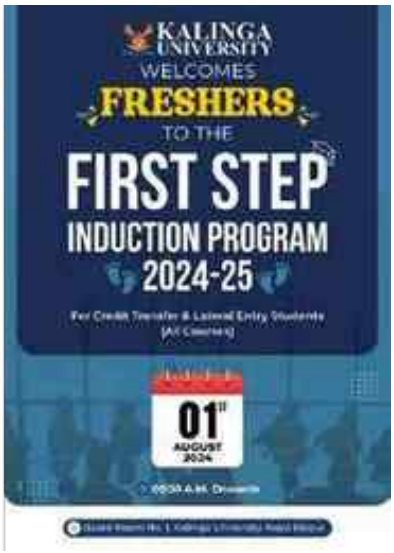
Invitation:



Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

Details of Program:

First Step 2024 Induction Program is organized for the newly admitted 1st semester students of Credit Transfer and Lateral Entry by the Department of Dean Students' Welfare (DSW) of Kalinga University on 1st August 2024.

The program commenced with a traditional welcoming ceremony, which set a warm and festive tone for the day. Students were greeted with the rhythmic beats of the dhol and the auspicious aarti-tilak ceremony. This traditional welcome not only honored the cultural heritage of the university but also helped in creating an inviting atmosphere for the new students.

Following the welcoming ceremony, a warm-up session was organized. This interactive segment was designed to open up & make the students more engaging in the Induction program. The session included a Guess the Noise activity that was met with enthusiasm and enjoyment, facilitating early camaraderie among the students. After the introduction & welcome of all dignitaries with potted plant, the informative session began.

The highlight of the program was a motivational speech delivered by Honorable Vice-Chancellor sir Dr. R. Shridhar. In his address, he emphasized the importance of pursuing excellence, embracing opportunities, and contributing positively to the university community. His inspiring words set a motivational tone for the students and encouraged them to strive for success in their academic and personal endeavours. Following the Vice Chancellor's speech, Honorable Director General Sir Dr. Byju John provided his blessings to the students. His presence and heartfelt wishes served to further enhance the sense of support and encouragement available to the new students as they embarked on their academic journey.

Respected Registrar Dr. Sandeep Gandhi sir offered a comprehensive briefing about Kalinga University, covering various aspects such as the university's history, academic programs, and support services. This session provided the students with a foundational understanding of the institution, helping them navigate their new academic environment effectively.

For entertainment, a quiz competition was organized as a light-hearted yet informative activity. The quiz covered various topics related to the university, its history, and general knowledge. It provided an engaging way for students to learn more about their new academic home while fostering a sense of friendly competition.

Afterwards, Respected Dean of Academic Affairs and the Controller of Examination, Dr. Rahul Mishra sir provided detailed briefings on academic procedures and examination protocols. This session was crucial in informing students about the academic expectations, assessment methods, and available academic resources. At the end top 3 winner students of quiz competitions were appreciated by providing them diary as a gift. The program concluded with a vote of thanks delivered by Lt. Vibha Chandrakar, In-Charge of the Dean of Students' Welfare. Her remarks expressed gratitude to all the dignitaries, staff members, and students for their participation and enthusiasm, and she reiterated the university's commitment to supporting the students throughout their academic journey.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

Number of Students Participated: 16

Invitation:

Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

Details of Program:

First Step 2024 Induction program is organized for the newly admitted 1st semester B.Com & BBA students by the Department of Dean Students' Welfare (DSW) of Kalinga University on 2nd August 2024.

The program commenced with a traditional welcoming of students, which set a warm and festive tone for the day. Students were greeted with the rhythmic beats of the dhol and the auspicious aarti-tilak ceremony. This traditional welcome not only honored the cultural heritage of the university but also helped in creating an inviting atmosphere for the new students.

Following that a warm-up session was organized to open up & make the students more engaging in the Induction program. The session included a Guess the Noise activity that was met with enthusiasm and enjoyment, facilitating early camaraderie among the students.

The program began with the formal welcome of esteemed dignitaries and other key figures of the university. Each dignitary was presented with a potted plant as a symbol of growth and new beginnings. The dignitaries gathered around a beautifully adorned ceremonial lamp, which was lit by them in succession. This act was performed with reverence and respect, accompanied by traditional chants and prayers.

Afterwards a motivational speech delivered by Honorable Vice-Chancellor sir Dr. R. Shridhar. In his address, he emphasized the importance of pursuing excellence, embracing opportunities, and contributing positively to the university community. His inspiring words set a motivational tone for the students and encouraged them to strive for success in their academic and personal endeavours. Following the Vice Chancellor's speech, Honorable Director General Sir Dr. Byju John provided his blessings to the students. His presence and heartfelt wishes served to further enhance the sense of support and encouragement available to the new students as they embarked on their academic journey.

Respected Registrar Dr. Sandeep Gandhi sir offered a comprehensive briefing about Kalinga University, covering various aspects such as the university's history, academic programs, and support services. This session provided the students with a foundational understanding of the institution, helping them navigate their new academic environment effectively.

After this informative session, Ms. Anisha Mohenty 3rd semester BA Film making student delivered an energetic solo dance performance, showcasing her talent and invigorating the audience.

A quiz competition was organized as a light-hearted yet informative activity. The quiz covered various topics related to the university, its history, and general knowledge which was related to Registrar sir PPT. It provided an engaging way for students to learn more about their new academic home while fostering a sense of friendly competition. All the winner students of quiz competitions were appreciated by providing them diary as a gift. After that a melodious solo song was performed by BTCS 5th semester student Mr. Ankur Kunal, adding a touch of cultural enrichment and entertainment to the proceedings.

To make the program more entertaining the faculty coordinators of commerce & management department conducted squid game as a fun activity to energize and engage the students.

After the lunch break major highlight of the entertainment segment was a captivating band performance, which was a major hit among the students, providing them with a memorable and enjoyable experience.

After that, a very informative & detailed session led by Respected Dean of Academic Affairs and the Controller of Examination, Dr. Rahul Mishra sir. This session was crucial in informing students about the academic expectations,

assessment methods, and available academic resources. The program concluded by the session of Respected Mr. Pankaj Tiwari sir Director of Career & Corporate Resource Center (CCRC) department provided valuable insights into training and placement opportunities, preparing students for their future career paths.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

INTER OFFICE MEMORANDUM

Objective of Program:

1. The primary objective is to recognize and show appreciation for the important role that friends play in our lives.
2. It aims to promote values such as trust, loyalty, and support, which are fundamental to building and maintaining healthy relationships.
3. It emphasizes the psychological and emotional benefits of having strong social networks and the importance of nurturing these relationships.

Details of Program:

The ***Friendship Day Celebration***, themed "Mujhse Dosti Karoge?" 2024, was held on 4th August 2024 at Ambuja Mall. The event was organized by Mr. Anil Jotsinghani and sponsored by Kalinga University. The celebration aimed to foster camaraderie and create memorable experiences for participants through a series of engaging activities and competitions.

Event Highlights:

1. ***Venue and Atmosphere:*** The celebration took place at Ambuja Mall, a vibrant venue that provided an ideal setting for the day's festivities. The ambiance was lively and festive, with decorations and thematic elements that set the tone for a fun-filled event.
2. ***Activities:***
   - o ***Friendship Ramp Walk:*** The event kicked off with an exciting Friendship Ramp Walk of our Respected Registrar, Dr. Sandeep Gandhi sir & Dr. Sanyukta Gandhi ma'am. Participants showcased their creativity and style on the ramp, walking alongside their friends. This activity was not only a platform for self-expression but also a celebration of friendship through fashion and flair.
   - o ***Know Your Friend:*** In this interactive segment, participants engaged in a game designed to test their knowledge about their friends. It was a fun and enlightening activity that encouraged participants to reflect on their friendships and discover new aspects about their peers.
   - o ***Innovative Dam Charades:*** A modern twist on the classic game of charades, Innovative Dam Charades had participants act out prompts related to celebrities. The innovative format added an extra layer of excitement and challenge, making it a highlight of the event.
3. ***Prizes and Recognition:*** Exciting prizes were awarded to the winners of each activity, adding an element of competitive spirit and celebration. The winners were recognized for their creativity, knowledge, and performance, enhancing the overall enjoyment of the event. A special prize was given to one of our students Mr. Gaurv Sharma (BAFM) for his different look & fantastic ramp walk.
4. ***Participant Engagement:*** The event saw enthusiastic participation from students and guests, who engaged actively in the various activities. The competitive and collaborative spirit of the games fostered a sense of unity and strengthened the bonds of friendship among participants. In the end, all guests & KU team members were felicitated with potted plant & all student participants received their snack boxes.

Program Outcome:

1. Celebrating Friendship Day can boost happiness and well-being, as people feel appreciated and supported.
2. It raises awareness about the importance of maintaining and nurturing friendships for overall well-being and personal growth.

Details of Program:

The First Step 2024 Induction Program at Kalinga University for newly admitted students in the Bachelor of Commerce (B.Com) and Bachelor of Business Administration (BBA) programs was a wonderful event. These orientation programs play a crucial role in helping new students acclimate to the academic environment. Here are some key highlights:

The day began with a warm reception for the incoming students. Dr. Chandra Bhoosan Singh, Ms. Shivangi Makade, and Ms. Alpana Sharma greeted the students, setting a welcoming tone for the day's proceedings.

Dr. Shinki K Pandey, Incharge-Dean of the Commerce & Management Department, delivered an inspiring welcome address and introduced the faculty members, helping students familiarize themselves with the educators who would guide them through their academic journey.

Engaging sessions followed, including insights from Mr. Abhijeet Sharma, COO of Kalinga Incubation Foundation (KIF), and an explanation of administrative processes by Assistant Registrar Mrs. T. Gayatri. The University Student

Coordinator, Ms. Swati Kohley, provided valuable information on student life, and Dr. Honey Gaur from the Examination Cell discussed examination procedures and academic policies.

Lt. Vibha Chandrakar introduced students to extracurricular programs such as the National Service Scheme (NSS), National Cadet Corps (NCC), Youth India (Yi), and sports activities were addressed by Dr. Kalidoss, Director Sports. Dr. Mohammed Nasir, Head Librarian, emphasized the importance of utilizing library resources for academic success. Interactive departmental games were organized to foster camaraderie and teamwork among the students. The talent showcase featured a beach ball toss game, allowing students to display their skills in a relaxed setting.

A group photo session captured the memorable moments of the induction program, and attendance and feedback were collected to ensure continuous improvement. The day concluded with university visits and outdoor games, allowing students to explore the campus and participate in recreational activities.

Here are several important details to emphasize:

Commitment to Education: By organizing this program, Kalinga University demonstrated its commitment to providing a holistic educational experience to its students. Such initiatives help create a sense of belonging and enthusiasm among students.

Enriching Academic Journey: The University's focus on creating an enriching academic journey is commendable. This journey includes not only classroom learning but also opportunities for personal growth, extracurricular activities, and career development.

Campus Engagement: Induction programs often include campus tours, interactions with faculty and senior students, and information sessions on academic programs. These activities help students become familiar with their new surroundings and resources available to them.

Community Building: Events like this contribute to building a sense of community among students. It helps them connect with their peers and faculty, fostering a supportive learning environment.

Future Success: A strong start with an induction program can set the tone for students' future success in their academic pursuits. It ensures that they are well-prepared and motivated for the challenges and opportunities that lie ahead.

Overall, Kalinga University's First Step 2024 Induction Program reflects a commitment to nurturing the personal and academic growth of its students, setting them on a path toward a successful B.Com & BBA program and beyond. Such initiatives are essential for creating a positive and inclusive educational experience.

Program Outcome:

The event successfully met its objectives by offering crucial information, building a sense of community, and ensuring that newcomers felt welcomed and integrated into the university atmosphere. This showcases Kalinga University's commitment to providing a smooth transition for its newly admitted students as they begin their academic journey.

The day began with a warm reception for the new students. Ms. Nishtha Sharma and Mr. Rakshak Bharti greeted the students, setting a welcoming tone for the day's proceedings.

Dr. Shinki K Pandey, Incharge-Dean of the Commerce & Management Department, delivered an inspiring welcome address and introduced the faculty members, helping students familiarize themselves with the educators who would guide them through their academic journey.

Engaging sessions followed, including insights from Mr. Abhijeet Sharma, COO of Kalinga Incubation Foundation (KIF), and an explanation of administrative processes by Assistant Registrar Mrs. T. Gayatri. The University Student Coordinator, Ms. Swati Kohley, provided valuable information on student life, and Dr. Honey Gaur from the Examination Cell discussed examination procedures and academic policies.

Lt. Vibha Chandrakar introduced students to extracurricular programs such as the National Service Scheme (NSS), National Cadet Corps (NCC), Youth India (Yi), and sports activities were addressed by Dr. Kalidoss, Director Sports. Dr. Mohammed Nasir, Head Librarian, emphasized the importance of utilizing library resources for academic success.

Interactive departmental games were organized to foster camaraderie and teamwork among the students. The talent showcase featured a jump-a-rope game and paper tower making, allowing students to display their skills in a relaxed setting.

Here are several important details to emphasize:

Commitment to Education: By organizing this program, Kalinga University demonstrated its commitment to providing a holistic educational experience to its students. Such initiatives help create a sense of belonging and enthusiasm among students.

Enriching Academic Journey: The University's focus on creating an enriching academic journey is commendable. This journey includes not only classroom learning but also opportunities for personal growth, extracurricular activities, and career development.

Community Building: Events like this contribute to building a sense of community among students. It helps them connect with their peers and faculty, fostering a supportive learning environment.

Future Success: A strong start with an induction program can set the tone for students' future success in their academic pursuits. It ensures that they are well-prepared and motivated for the challenges and opportunities that lie ahead.

Overall, Kalinga University's First Step 2024 Induction Program reflects a commitment to nurturing the personal and academic growth of its students, setting them on a path toward a successful MBA program and beyond. Such initiatives are essential for creating a positive and inclusive educational experience.

Program Outcome:

The event successfully met its objectives by offering crucial information, building a sense of community, and ensuring that newcomers felt welcomed and integrated into the university atmosphere. This showcases Kalinga University's commitment to providing a smooth transition for its newly admitted students as they begin their academic journey.

Details of Program:

First Step 2024 Induction program was organized by the Dean of Students' Welfare (DSW) of Kalinga University for the newly admitted 1st semester Faculty of CS & IT (BCA, BCS, MCA and MCS) students on 7th August 2024.

The program commenced with a traditional welcoming of students, which set a warm and festive tone for the day. Students were greeted with the rhythmic beats of the dhol and the auspicious aarti-tilak ceremony. This traditional welcome not only honored the cultural heritage of the university but also helped in creating an inviting atmosphere for the new students.

Following that a warm-up session was organized to open up & make the students more engaging in the Induction program. The session included a Guess the Sound activity that was met with enthusiasm and enjoyment, facilitating early camaraderie among the students.

The program began with the formal welcome of esteemed dignitaries and other key figures of the university. Each dignitary was presented with a potted plant as a symbol of growth and new beginnings. The dignitaries gathered around a beautifully adorned ceremonial lamp, which was lit by them in succession. This act was performed with reverence and respect, accompanied by traditional chants and prayers.

To boost the students' energy, our very talented student Ms. Dolly Behra from Bsc-AI&ML 3rd semester performed her energetic welcome dance.

Afterwards, a motivational speech was delivered by Honorable Vice-Chancellor Sir Dr. R. Shridhar. In his address, he emphasized the importance of pursuing excellence, embracing opportunities, and contributing positively to the university community. His inspiring words set a motivational tone for the students and encouraged them to strive for success in their academic and personal endeavors. Following the Vice Chancellor's speech, Honorable Director General Sir Dr. Byju John provided his blessings to the students. His presence and heartfelt wishes served to further enhance the sense of support and encouragement available to the new students as they embarked on their academic journey.

A mesmerizing group dance performance was performed by Ms. Anuska Rout BTCS AIML 3rd semester & Ms. Bhumika Patel BTCS AIML 3rd semester especially for the newly admitted students.

After that Respected Registrar Sir Dr. Sandeep Gandhi offered a comprehensive briefing about Kalinga University, covering various aspects such as the university's history, academic programs, and support services. This session provided the students with a foundational understanding of the institution, helping them navigate their new academic environment effectively.

Following the interactive session one enthusiastic dance performance was performed by Ms. Suhani, Ms. Vidhi & Ms. Tanushri of DICS 5th semester students. Afterwards good quality refreshments was distributed to all the students.

A quiz competition was also organized as a light-hearted yet informative activity. The quiz covered various topics related to the university, its history, and general knowledge which was related to Registrar sir PPT. It provided an engaging way for students to learn more about their new academic home while fostering a sense of friendly competition. All the winner students of quiz competitions were appreciated by providing them diary as a gift. After that Mr. Pankaj Tiwari sir Director of Career & Corporate Resource Center (CCRC) provided valuable insights into training and placement opportunities, preparing students for their future career paths.

After the lunch break major highlight of the entertainment segment was a captivating band performance, which was a major hit among the students, providing them with a memorable and enjoyable experience.

After that, a very informative & detailed session led by Respected Dean of Academic Affairs and the Controller of Examination, Dr. Rahul Mishra sir. This session was crucial in informing students about the academic expectations, assessment methods, and available academic resources.

For students' entertainment & creativity there is Paper Dress Making competition organized in which all students actively participated and the winners also received prizes. The program concluded with a vote of thanks delivered by Lt. Vibha Chandrakar, In-Charge of the Dean of Students' Welfare. Her remarks expressed gratitude to all the dignitaries, staff members, and students for their participation and enthusiasm, and she reiterated the university's commitment to supporting the students throughout their academic journey.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

For Disha 8/8/24 HOD CSIT

02/08/24

Objective of Program:

The objective of this event was to provide essential information about exams, departmental activities, library resources, student coordinator support, sports, and NCC, NSS, and student welfare services.

Details of Program:

The program is organized by faculty of CS & IT .The day began with a warm-up session that was noticeably more engaging than previous ones. The focus on movies, actors, and countries sparked lively participation from everyone, creating a positive and enthusiastic atmosphere from the outset.

Our Honorable HOD Sir Mr. Omprakash Dewangan n delivered a compelling address that was both motivating and inspiring. Following this, details were shared about the esteemed faculty members, outlining their areas of expertise and contributions to the department. Information about the value-added courses, designed to enhance students' skills and employability, was also provided. The upcoming hackathon was highlighted as a key opportunity for students to showcase their innovation and technical prowess. Additionally, details about available internships, aimed at providing real-world experience, and SWAYAM Prabha classes, offering additional learning resources, were discussed. Students were also provided with their class numbers and ERP IDs, ensuring they have all the necessary information to navigate their academic journey effectively.

Following this, Mr. Abhijeet Sharma, COO of KIF, delivered an insightful talk on entrepreneurship, emphasizing innovation, resilience, and strategic thinking as key to building successful ventures. He shared his experiences, highlighting the challenges and rewards of entrepreneurship, and encouraged students to pursue their entrepreneurial ambitions with a focus on continuous learning and effective resource utilization. His session provided a motivational roadmap for aspiring entrepreneurs.

The session conducted by the Assistant Registrar T. Gaytri provided detailed information about the enrollment process and required documentation. She explained the steps students need to follow for enrollment and outlined the necessary documents, ensuring that all students are well-prepared and have the required paperwork in order. Her guidance aimed to streamline the enrollment process and facilitate a smooth start to the academic year...

Dr. R. Udaya Kumar, Director of IPR (Intellectual Property Rights), discussed research opportunities, project development, and hackathons. He provided insights into how intellectual property considerations are integrated into research and project work, emphasizing the importance of protecting innovations and ideas.

In addition to the University Student Coordinator Ms. Swati Kohley addressed student ERP-related information, providing guidance on accessing and utilizing the ERP system effectively. They covered common issues faced by students, including login problems, updating personal details, and accessing course materials. The coordinator also offered solutions to these issues and encouraged students to reach out for further assistance if needed.

The library session provided by Dr. Mohammed Nasir included detailed information about available books, library rules, e-books, and library timings. They explained the procedures for borrowing physical books, the regulations for maintaining good standing with the library, and how to access and utilize the e-book collection. Additionally, the staff informed students about the library's operating hours, ensuring they are aware of when they can access library resources and services.

The sports session conducted by Dr. Kalidoss covered a wide range of activities, including all sports starting from Kalinga and various other sports available. It detailed the different sports facilities, programs, and events organized to promote physical fitness and competitive spirit among students. The session also highlighted opportunities for participation in both inter-college and intra-college sports competitions, emphasizing the importance of sportsmanship and team spirit in personal development.

Dr. Honey Gaur, Dy. COE from the Exam Cell provided comprehensive information regardinxams such as CT 1 and CT 2. She shared details about the structure of question papers, including sample questions and answer sheets to help students prepare effectively. Additionally, she outlined the passing criteria, including minimum marks required and policies related to ATKT (Allowed to Keep Terms) and degree completion. Her guidance aimed to clarify the examination process and support students in meeting academic requirements.

The DSW session conducted by Lt. Vibha Chandrakar focused on student involvement in cultural activities, NCC (National Cadet Corps), and NSS (National Service Scheme). It provided an overview of various cultural events and activities organized throughout the year to encourage artistic expression and community engagement. Additionally, the session detailed the rules and regulations for participating in NCC and NSS, including the responsibilities and commitments required. Achievements and notable contributions of both NCC and NSS were highlighted, showcasing their impact on personal growth and community service.

Following the lunch break, We enjoyed three energetic dance performances and a captivating solo song, which added a vibrant and dynamic atmosphere to the event. The performances were full of enthusiasm and creativity, showcasing the diverse talents of the participants. In addition to the musical acts, we had a series of departmental fun activities that encouraged team building and provided an opportunity for everyone to relax and engage in light-hearted competition. Overall, the event was a perfect blend of entertainment and camaraderie, leaving everyone with memorable experiences and a strengthened sense of community

The anchors were particularly impressive today. They maintained high energy throughout the entire induction program, effectively engaging the students and keeping the atmosphere lively. And also the students who were Volunteering today were also very formal and maintained the discipline.

The event concluded with a vote of thanks delivered by Dr. Anupa Sinha , bringing the day to a successful close.

Notably, the highlight of the event was that the number of students present after the lunch break was the same as in the morning this is a clear indication of the event's success and the students' engagement.

In summary, today's event was executed precisely as planned, with everything running smoothly and on time. There were no disruptions . The overall outcome of the event was highly positive and fruitful.

Program Outcome:

The event successfully achieved its objectives by delivering essential information, fostering a sense of community, and making newcomers feel welcomed and integrated into the university environment. Engaging activities and interactive sessions encouraged participation, helping attendees build connections and gain valuable insights. Feedback was highly positive, emphasizing the event's inclusive and supportive atmosphere

Invitation:

Objective of Program:

The objective of this event was to provide essential information regarding academics, examination & training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

KALINGA UNIVERSITY

Details of Program:

The new session of Kalinga University started with the arrival of fresh lot of students from Engineering and Technology department on 8th August 2024, Thursday. The First Step 2024 Induction program began with welcome of new students. The event was organised by Dean Student Welfare (DSW) Department of Kalinga University at Auditorium. Students were given warm welcome at the entrance of the Kalinga University with traditional Dhol.

Tilak was performed at the entrance and Kalinga wrist band was tied on their hand. Brief information was shared to the students through video presentation about Kalinga University. A game called 'Guess the sound' was played during the warm-up session.

Introduction and welcome session of all dignitaries were performed by presenting potted plants. Present on the occasion were Vice Chancellor Dr. R Shridhar, Registrar Dr. Sandeep Gandhi, Dean Academic Affairs Dr. Rahul Mishra, Dean of Technology Dr. C.P. Jawahar, In-Charge Dean of Students' Welfare Lt. Vibha Chandrakar, Director Marketing and Admission Mr. Abhishek Sharma, Manager Marketing Mr. J Vishal, Deputy Director Marketing Ms. Kajal Singh, Assistant Director Marketing Ms. Sonam Dubey, Ms. Neha Chawla, Ms Shabnam Sheikh and others.

A mesmerizing welcome dance was presented by Ms. Dolly Behra student of Bachelor of Computer Science, Artificial Intelligence and Machine Learning (AI&ML) 3rd sem.

Motivational Speech was given by Vice Chancellor, Dr R Shridhar and words of wisdom were presented by Director General, Dr Byju John. A mesmerizing group dance was performed by Ms. Anuska Rout and Ms. Bhumika Patel both of BTCS AI&ML 3rd sem.

Dr. Sandeep Gandhi gave welcome speech and informed about the inception of Kalinga University and its achievements. A group dance was performed by Ms. Suhani, Ms Vidhi, Ms Tanushri students of DICS 5th sem. Kalinga University based quiz was performed and winners were awarded gifts by Ms. Kajal Singh, Ms. Sonam Dubey, Ms. Neha Chawla, Ms. Shabnam Sheikh and Dr. C.P. Jawahar. Mr Pankaj Tiwari, Director Career and Corporate Resources Centre (CCRC) gave an important session on career. Dr. Rahul Mishra took a session based on code of conduct and academics.

A band performance was given by Mr. Ayush Gondale, Mr. Parth Dubey, Ms. Kanak Parmanandani, Ms. Rudrani Acharya and Mr. Anadi which was highly appreciated by the audience. Students actively took part in the paper dress making competition activity performed by Ms. Madhu Sahu, Mr. Sandeep Roy and Mr. Arun Kumar Lahre. Vote of thanks was proposed by Lt. Vibha Chandrakar, in-charge DSW.

Master of the ceremony were Ms. Alisha Yadav, student of B.Com 3rd year and Mr. Sajal, student of B. Com. Banking and Finance 3rd semester.

Students enjoyed the snacks box supplied by the University containing freshly prepared sandwich, delicious Samosa, sweet, chocolate and mango soft drink.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

DEAN OF STUDENTS' WELFARE
KALINGA UNIVERSITY

Details of Program:

Kalinga University marked a momentous occasion as it orchestrated the First Step 2024 Induction Program for the newly admitted students of the all B.Tech & Diplima. The event held on, August 09, 2024, at the university's campus, exemplified Kalinga University's commitment to ushering its students into an enriching academic journey.

The day commenced with a warm and vibrant reception for the incoming students of the first semester of the all B.Tech & Diploma. The atmosphere resonated with the rhythmic beats of traditional Punjabi Dhol, which set the tone for the eventful day ahead.

Dr.C.P.Jawahar, Dean, Faculty of Technology made a presentation on the glimpse of the department under Faculty of Technology. HOD's of CE, EE and ME motivated and encouraged the freshers. Mrs. T. Gayatri , Ms. Swati Kohley, Lt. vibha Chandrakar, Dr. Mohammed Nasir and Mr. Honey Gaur briefed the students about their respective departments. Dr. C. P. Jawahar, Dean of Technology, extended a gracious vote of thanks to all the participants and contributors who made the event possible. The entire program was smoothly hosted by Ms. Madhu Sahu , Mr Arun Kumar Lahare, Mr Sandeep Roy. This event underscores Kalinga University's unwavering commitment to nurturing holistic development and academic excellence among its students.

Games Name: Jamal kudu Game, Damsaraj Game, Quick response (by first year students)

Program Outcome:

1. Help new students become acquainted with the physical layout of the campus, including important locations such as classrooms, libraries, administrative offices, and recreational facilities.
2. Provide an overview of the academic programs, majors, and courses available at the institution, as well as academic policies and requirements.

Invitation:

Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

Details of Program:

An induction program was organised for the students of Science department on Monday, 12th August at Kalinga University. The First Step 2024 Induction program began with welcome of new students. The event was organised by Dean of Students' Welfare (DSW) Department of Kalinga University at Auditorium. Students were given warm welcome at the entrance of the Kalinga University with traditional Dhol.

Traditional Tilak was performed at the entrance. Brief information was shared to the students through video presentation about Kalinga University. A game called 'Guess the sound' was played during the warm-up session.

In order to make students familiar with the University administration, an introduction session of all dignitaries were performed and they were welcomed by presenting potted plants. Present on the occasion were Registrar Dr. Sandeep Gandhi, Dean of Science Dr. Jayakumar, In-Charge Dean of Students' Welfare Lt. Vibha Chandrakar, Director Marketing and Admission Mr. Abhishek Sharma, International Students Coordinator Ms. Parvinder Shesh and others.

A mesmerizing welcome dance was presented by Ms. Shubhangi Tiwari, B.Sc. Bio-Technology 3rd semester. Dr. Sandeep Gandhi gave welcome speech and informed about the inception of Kalinga University and its achievements. A group dance was performed by Ms. Pranjal Solanki, Ms Angelina Markas, Ms Ripshita Routh, Mr Vikas Yadav, Ms Monishka Diwan, Mas Krishma Sahu and Ms Shilpa Tirkey.

University based Knowledge Activities and Quiz was conducted by Ms Alisha Yadav and Mr. Sajal. Followed by a mesmerizing group dance was performed by students Ms Aditi Sahu, Ms. Dipanshi Mishra, Ms Simran Bharti, Ms. Harshita Patel and Ms. Sakshi Sahu. A session of Career and Corporate Resource Centre (CCRC) was conducted by Mr. Saurabh Banwar, Manager CTCD in presence of Mr. Arup Kumar Halder, Training and Placement Officer. Prizes were handed over to the winners by faculties Ms. Megha Chaturvedi and Ms. Lipsa Dash.

Post lunch session was conducted by Dr Rahul Mishra, Dean Academic Affairs on student code of conduct and Academics. An electrifying band performance was presented by the band comprised of Mr. Ayush Gondale, Ms. Kanak Parmanandani, Ms Rudrani Acharaya, Mr. Parth Dubey and Mr Anadi. Students actively took part in a paper dress making competition and 15 models were beautifully decorated with innovative paper dresses. Three winners were given away prizes by Lt. Vibha Chandrakar Mam, Ms. Lipsa Dash and Ms. Megha Chaturvedi.

Vote of thanks was proposed by Lt. Vibha Chandrakar, in-charge DSW.

Master of the ceremony were Ms Alisha Yadav, student of B.Com 3rd year and Mr. Sajal, student of B. Com. Banking and Finance 3rd semester. Students liked the taste of snacks packets provided to them as breakfast by the university.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

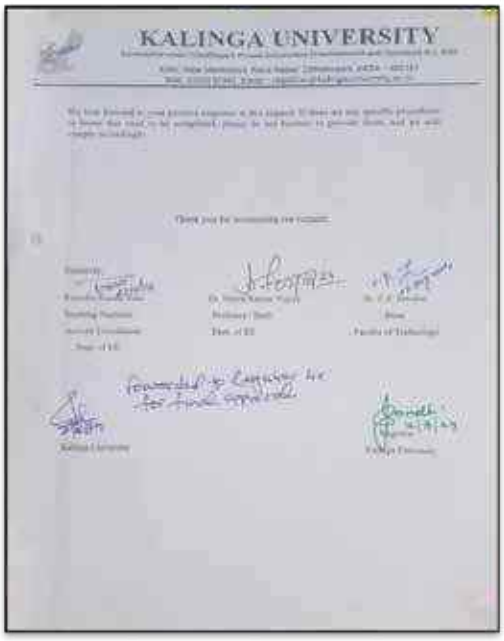
Faculty of Technology
Department of Electrical Engineering



KALINGA UNIVERSITY

Dear Sir/Ma'am,

Greetings from Department of Electrical Engineering.

We are happy to inform you that Department of Electrical Engineering is organizing a Guest Lecture on "Fuel Cell for Electric Vehicle Applications" for all the faculty members, Students of Engineering Students, on 12 August 2024.

Event Date and Time:

Date: 12-08-2024

Time: 10:00 AM to 12:00 PM

Venue: - Seminar Hall, Second Floor, Main Building, Kalinga University, Naya Raipur.

Resource Person: -

Dr. Subhojit Ghosh

Professor

Department of Electrical Engineering, National Institute of Technology, Raipur.
Event Organizer: -
Rajendra Kumar Sahu
(7987922704)
Teaching Assistant
Department of Electrical Engineering,
Kalinga University, Naya Raipur.

IOM/Circular:

Title- "Fuel Cell for Electric Vehicle Applications"

Date: 12th August 2024
Time of event: 10:00 AM to 12:00 PM
Event Type: Offline
Venue: Seminar Hall, Second Floor, Kalinga University, Raipur.

Event Certificate:-

KALINGA UNIVERSITY
FACULTY OF TECHNOLOGY
Department of Electrical Engineering
Spark Club
Guest Lecture
CERTIFICATE OF PARTICIPATION
This certificate is proudly presented to
Mr./Ms. _____ for his/her participation in the Guest Lecture on "Fuel Cell for Electric Vehicle Applications" organised by the Department of Electrical Engineering, Kalinga University, Naya Raipur, on 12th August 2024.
Dr. C. P. Jawalkar
Dr. Rahul Mishra
Dr. Sandeep Gandhi

Speaker: - Dr. Subhojit Ghosh, Professor, Department of Electrical Engineering, National Institute of Technology, Raipur.

The objective of Program:

1. ***Introduction to Fuel Cell Technology:*** Explain the fundamental principles of how fuel cells work, including the chemical reactions involved, the types of fuel cells, and their key components.

2. ***Application in Electric Vehicles:*** Discuss how fuel cells are integrated into electric vehicles, highlighting their advantages over traditional batteries, such as faster refueling, longer driving range, and reduced environmental impact.

3. ***Current Trends and Developments:*** Present the latest advancements in fuel cell technology for EVs, including research, development, and commercialization efforts by leading automotive companies.

4. ***Challenges and Opportunities:*** Address the technical and economic challenges faced by fuel cells in the EV market, such as cost, infrastructure development, and competition with other energy storage technologies. Explore potential opportunities for innovation and growth in this field.

5. ***Case Studies and Real-World Applications:*** Share examples of existing fuel cell electric vehicles (FCEVs) and their performance in various applications, ranging from passenger cars to commercial vehicles.

6. ***Future Outlook:*** Provide insights into the future prospects of fuel cells in the automotive industry, including potential government policies, market trends, and the role of fuel cells in achieving sustainable transportation.

7. ***Q &A and Discussion:*** Engage participants in a discussion to clarify concepts, answer questions, and explore the practical implications of fuel cells in electric vehicle applications.

Profile of Resource person (if applicable):

Resource Persons:

Dr. Shubhojit Ghosh

Professor of Electrical Engineering
NIT, Raipur (C.G)

Details of Program:

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an offline guest lecture on "Fuel cell Electric Vehicle Applications" at Seminar Hall, Main Building Second Floor, for the faculty members and students of technology. The resource persons Dr. Shubhojit Ghosh, Professor of Electrical Engineering NIT, Raipur (C.G) to make aware the students and academics regarding latest updates on "Fuel cell Electric Vehicle Application" The session was attended Dr. C.P. Jawahar (Dean, Faculty of Technology), Heads of Mechanical, Electrical and Civil Departments, Faculty Members, and a strong presence of enthusiastic ***71 students.***

Guest Lecture was scheduled to start at 10:00 PM and concluded at 12:00PM. The session was initiated by Dr. Shailesh Deshmukh, Assistant Professor Electrical Engineering Department, setting the stage for an insightful discourse on "Fuel cell Electric Vehicle Applications" in Engineering. Dean (FoT) Dr. C.P. Jawahar, HOD Mechanical, Electrical and Civil Engineering also interacted with the students and guided them to attend such type guest lectures to learn something new to improve their knowledge and skill. The resource person Dr. Shubhojit Ghosh, started the session and discussed the following topics during the presentation.

1. ***Introduction to Fuel Cell Technology***: Explain the fundamental principles of how fuel cells work, including the chemical reactions involved, the types of fuel cells, and their key components.
2. ***Application in Electric Vehicles***: Discuss how fuel cells are integrated into electric vehicles, highlighting their advantages over traditional batteries, such as faster refuelling, longer driving range, and reduced environmental impact.
3. ***Current Trends and Developments***: Present the latest advancements in fuel cell technology for EVs, including research, development, and commercialization efforts by leading automotive companies.

Closing: Dr. Manoj Kumar Nigam (HoD, Electrical) delivered a heartfelt vote of thanks, expressing gratitude to the speakers, attendees and organizers for their active participation and contribution to the event's success.
CONCLUSION: - The session was very interactive and beneficial for the students and there was a fruitful question session after the lecture.

Program Outcome:

1. ***Enhanced Understanding of Fuel Cell Technology***: Participants will gain a thorough understanding of the principles and workings of fuel cells, including their types, chemical processes, and components.
2. ***Knowledge of EV Integration***: Attendees will learn how fuel cells are utilized in electric vehicles, including the benefits they offer over traditional battery systems, such as longer range and faster refueling times.
3. ***Awareness of Industry Trends***: Participants will be updated on the latest developments and innovations in fuel cell technology, with a focus on how these advancements are shaping the future of electric vehicles.

4. ***Critical Analysis of Challenges***: The program will equip participants with the ability to critically analyze the challenges facing fuel cell adoption in the EV market, including cost, infrastructure, and competition from other technologies.

Application of Knowledge: Through case studies and real-world examples, participants will understand

1. the practical applications of fuel cells in various types of vehicles, allowing them to relate theoretical knowledge to real-world scenarios.

Number of Students participated: 71

"CATC-XI CAMP 2024-25"

Organized by

"8CG Girls Battalion, Kota"

On

12th August to 21st August 2024

Title- Report on "CATC-XI CAMP 2024-25"

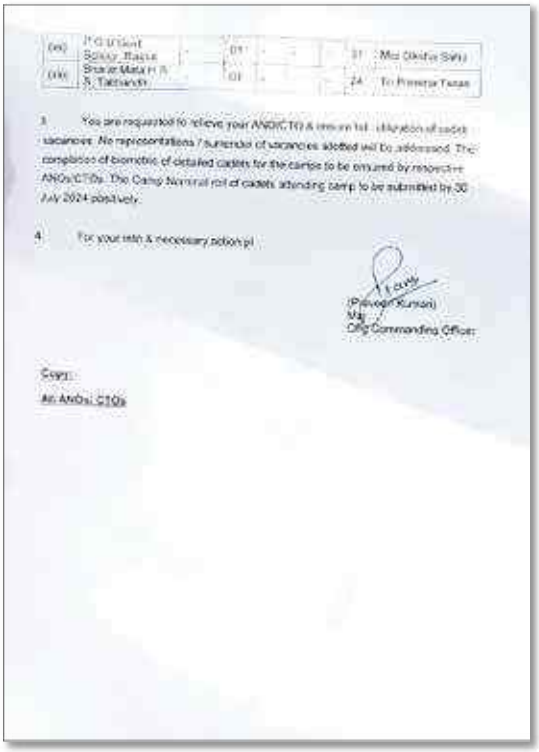
Camp Duration: 12th August to 21st August, 2024

Time of Camp: 10 Days

Event Type*: *Offline

Venue: Lakholi, Arang

IOM/Circular:



Objective of Program:

The objective of the CATC-XI Camp is to provide cadets with a comprehensive training experience that enhances their leadership, discipline, and teamwork skills. The camp is designed to foster leadership qualities and teamwork through group activities and drills, while also improving physical fitness and instilling a sense of discipline. Additionally, the camp aims to promote national awareness and civic responsibility through educational sessions and impart basic military training to prepare cadets for future NCC activities. Notably, during this camp, cadets were selected for Level 1 RDC, and some were trained and selected for the Inter-Group Competition (IGC) Best Cadet in Bhopal, scheduled from 21st to 30th August. The camp serves as a vital step in their journey towards becoming responsible and capable citizens.

Program Schedule:

Camp Duration: 12th August to 21st August 2024 (10 Days)

Venue: Lakholi, Arang

Details of Program:

The CATC-XI Camp at Lakholi, held from 12th August, 2024 to 21st August, 2024, aimed to build cadets' leadership, discipline, and teamwork. The camp included physical training, military drills, and educational sessions on civic duties. Cadets also participated in games such as sack race, musical chair, kho-kho, and kabaddi, as well as cultural activities like solo and group dance performances, singing and speeches. During the camp, several cadets were selected for Level 1 RDC and trained for the IGC Best Cadet in Bhopal, scheduled from 21st to 30th August. The camp ended with a closing ceremony that recognized the cadets' efforts and achievements.

THE FOLLOWING ACTIVITIES HAS BEEN DONE:

Drill

Firing & Weapon Training

Fire Safety

FC/ BC

Flag area

Presentation

Line area

Camp fire

Cultural Competition & Sports Competition

Program Outcome:

- Participants are now eligible for the “B” & “C” exams.
- Participants are qualified for all next-level competitions.
- Ms. Aditi Dubey, B.Sc. ZBC (5th Semester), has been selected for the IGC (Best Cadet Camp) in Bhopal from 21st to 30th August 2024.
- Prerana Sahoo, BBA (5th Semester), and Sephali Sahu, B. Tech (CS) AIML (3rd Semester), have been selected for the RDC Camp Level under the Singing category.
- Pattepu Madhuri, B.Sc. FS (3rd Semester), Raksha Chandrakar, B.Sc. BT (3rd Semester), Sephali Sahu, B. Tech (CS) AIML (3rd Semester), and Vandana Kumari, BA LLB (3rd Semester), were selected for Range Shooting.
- Ms. Vartika Sachan, B.Sc. FS (5th Semester), secured a Gold Medal for Company Senior.
- Ms. Isha Patel, B.Sc. FS (5th Semester), secured a Gold Medal in Drill.
- Ms. Disha Chandrakar, B.Sc. FS (5th Semester), secured a Gold Medal in Drill.

Details of Program:

The First Step 2024 Induction Program at Kalinga University for newly admitted students in the Bachelor of Science program was a wonderful event. These orientation programs play a crucial role in helping new students acclimate to the academic environment. Here are some key highlights:

The day began with a warm reception for the incoming students, Ms. Megha Chaturvedi and Ms. Lipsa Das greeted the students, setting a welcoming tone for the day's proceedings.

Dr. R. Jayakumar - Dean of Science, delivered an inspiring welcome address and introduced the faculty members, helping students familiarize themselves with the educators who would guide them through their academic journey.

Engaging sessions followed, including insights from Mr. Abhijeet Sharma, COO of Kalinga Incubation Foundation (KIF), and an explanation of administrative processes by Assistant Registrar Mrs. T. Gayatri. The University Student Coordinator, Ms. Swati Kohley, provided valuable information on student life, and Dr. Honey Gaur from the Examination Cell discussed examination procedures and academic policies.

Lt. Vibha Chandrakar introduced students to extracurricular programs such as the National Service Scheme (NSS), National Cadet Corps (NCC), Youth India (Yi), and sports activities were addressed by Dr. Kalidoss, Director Sports. Dr. Mohammed Nasir, Head Librarian, emphasized the importance of utilizing library resources for academic success.

Interactive departmental games were organized to foster camaraderie and teamwork among the students. The talent showcase featured a guess the movie game, allowing students to display their skills in a relaxed setting.

A group photo session captured the memorable moments of the induction program, and attendance and feedback were collected to ensure continuous improvement. The day concluded with university visits and outdoor games, allowing students to explore the campus and participate in recreational activities.

Here are several important details to emphasize:

Commitment to Education: By organizing this program, Kalinga University demonstrated its commitment to providing a holistic educational experience to its students. Such initiatives help create a sense of belonging and enthusiasm among students.

Enriching Academic Journey: The University's focus on creating an enriching academic journey is commendable. This journey includes not only classroom learning but also opportunities for personal growth, extracurricular activities, and career development.

Campus Engagement: Induction programs often include campus tours, interactions with faculty and senior students, and information sessions on academic programs. These activities help students become familiar with their new surroundings and resources available to them.

Community Building: Events like this contribute to building a sense of community among students. It helps them connect with their peers and faculty, fostering a supportive learning environment.

Future Success: A strong start with an induction program can set the tone for students' future success in their academic pursuits. It ensures that they are well-prepared and motivated for the challenges and opportunities that lie ahead.

Overall, Kalinga University's First Step 2024 Induction Program reflects a commitment to nurturing the personal and academic growth of its students, setting them on a path toward a successful B.Sc. program and beyond. Such initiatives are essential for creating a positive and inclusive educational experience.

Program Outcome:

The event successfully met its objectives by offering crucial information, building a sense of community, and ensuring that newcomers felt welcomed and integrated into the university atmosphere. This showcases Kalinga University's commitment to providing a smooth transition for its newly admitted students as they begin their academic journey.

Invitation:

Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

Details of Program:

Students of Arts and Humanities department taken admission in Bachelor of Arts (B.A.), Bachelor of Business Administration, Bachelor of Law (BBALLB) and Bachelor of Arts and Bachelor of Law (BALLB) took part in induction program on first day in university campus here on 13th August 2024, Tuesday. Large number of students enjoyed the events organised for them by Dean of Students' Welfare (DSW) Department of Kalinga University at Auditorium. Students were given warm welcome at the entrance of the Kalinga University with traditional Dhol.

Tilak was performed at the entrance. Brief information was shared to the students through video presentation about Kalinga University. A game called 'Guess the sound' was played during the warm-up session.

Introduction and welcome session of all dignitaries were performed by presenting potted plants. Present on the occasion were Registrar Dr. Sandeep Gandhi, Dean of Arts and Humanities Dr Shilpi Bhattacharya, Dean of Law department Dr. Azim Khan B Pathan, In-Charge Dean of Students' Welfare Lt. Vibha Chandrakar, Deputy Director Marketing Ms. Kajal Singh and others.

A welcome dance was presented by Ms. Shubhangi Tiwari, B.Sc. Bio-Technology 3rd semester. Dr. Sandeep Gandhi gave welcome speech and informed about the inception of Kalinga University and its achievements. A group dance was performed by Ms Aditi Sahu, Ms. Dipanshi Mishra, Ms Simran Bharti, Ms. Harshita Patel and Ms. Sakshi Sahu.

University Knowledge Activities and Quiz was conducted by Ms Alisha Yadav and Mr. Sajal. A session of Career and Corporate Resource Centre (CCRC) was conducted by Mr. Saurabh Banwar, Manager CTCD in presence of Mr. Arup Kumar Halder, Training and Placement Officer. Dr Rahul Mishra, Dean Academic Affairs took an important session on student code of conduct and Academics. Followed by a mesmerising group dance was performed by Ms. Pranjal Solanki, Ms Angelina Markas, Ms Ripshita Routh, Mr Vikas Yadav, Ms Monishka Diwan, Mas Krishma Sahu and Ms Shilpa Tirkey. Prizes were distributed to the winners by faculties Ms. Shruti Singh and Dr. Ajay Shukla.

An electrifying band performance was presented by the band comprised of Mr. Ayush Gondale, Ms. Kanak Parmanandani, Ms Rudrani Acharaya, Mr. Parth Dubey and Mr Anadi. Students actively took part in a paper dress making competition and 10 models were beautifully decorated with innovative paper dresses. Three winners were given away prizes by Ms. Shruti Singh and Dr. Ajay Shukla.

Vote of thanks was proposed by Lt. Vibha Chandrakar, in-charge DSW.

Master of the ceremony were Ms Alisha Yadav, student of B.Com 3rd year and Mr. Sajal, student of B. Com. Banking and Finance 3rd semester.

Participating students enjoyed the freshly prepared and distributed snacks boxes supplied by the university administration.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

Number of Students Participated: 103

KALINGA UNIVERSITY

Details of Program:

Nergy Vidya is India's first SL & IL Tech platform for commerce learning reinventing commerce learning with innovative SL Tech and IL Tech. benefiting students and college with career-focused courses. The evolving landscape of commerce education requires a shift from traditional teaching methods to more dynamic, technology-driven approaches. The National Education Policy (NEP) 2020 emphasizes the importance of outcome-based education (OBE) and experiential learning to develop future-ready graduates. This report explores how tech-enabled experiential tools can be leveraged to align commerce education with NEP and OBE principles, fostering practical skills and preparing students for real-world challenges.

NEP 2020 and OBE Framework in Commerce advocates for a holistic, flexible, and multidisciplinary approach to education. It underscores the need for experiential learning, critical thinking, and problem-solving skills. The OBE framework complements this by focusing on the outcomes of education, ensuring that students achieve specific competencies and skills by the end of their courses offered by Nergy Vidya.

Details of Program:

Faculty of Law, Kalinga University successfully organized the day 2 induction program 'First Step-2024' for its first-year Law students of BALLB and BBALLB on Wednesday, 14th August, 2024. The event was lively and engaging, aimed at warmly welcoming the new batch of students into the academic session and introducing them to the campus culture.

The day 2 program commenced with Lamp Lighting Ceremony initiated by Dean of Faculty of Law, Prof. (Dr.) Azim Khan B. Pathan followed by his welcome address. Master of ceremony was Ms. Damini Mahanand & Mr. Shreyansh Pandey, students of BALLB 5th Sem. The welcome address was followed by PPT presentation by Prof. (Dr.) Azim Khan B. Pathan, giving new students an insight on the departmental activities and achievements inclusive of introduction to Advisory Board, Honorary Professors, Professors of Practice, Adjunct Professor and Faculty members of the department.

The event progressed with an enthusiastic session by Dr. Abhijit Sharma COO, KIF, followed by Mrs. T. Gayatri's, Assistant Registrar, session on various rules and regulation of the institute. Ms. Swati Kohley, University student coordinator, briefed the students about role and responsibilities of university student coordinator.

Dr. Honey Gaur (Dy. COE) gave a presentation briefing students on different examination patterns conducted by the university in detail followed by an introductory session on NSS, NCC & YI facilities of the university by Lt. Vibha Chandrakar. Dr. D Kalidos Director of sports, motivated students to associate with the sports department of the university as he gave highlights of the achievements of the department. The last session before the lunch was taken by Dr. Mohhammed Nazir, Head of the Department of Library, providing a detailed insight on all the facilities made accessible online & offline for students.

Departmental fun activity 'Ball in the Bucket' was conducted by Mr. Daksh Nandy & Ms. Sanskriti Sahu, students of BALLB 3rd Sem.

Post lunch, a series of performances commenced which were prepared by the students showcasing their talents and efforts to engage with the newcomers of the department. The event came to a beautiful end and was concluded with a Vote of Thanks by Mrs. Saloni Tyagi Srivastava, HOD In-charge, Faculty of Law.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

“Guest Lecture on JobOpportunities in the UK”

Organized by

“Faculty of Commerce and Management”

On

14th August 2024

Title- "Guest Lecture on Job Opportunities in the UK"

Date: 14th August 2024

Time of event: 2:00 pm- 3:30 pm

Event Type: Offline

Venue: MBSF 15

IOM/Circular: No

Event Poster:

Details of Program:

The Faculty of Commerce and Management organized an insightful guest lecture on "Job Opportunities in the UK" on August 14, 2024. The event, held in the campus, saw enthusiastic participation from students. The guest speaker, Ms. Ambika Agarwal, Legal Consultant, KPMG, London, shared valuable insights into the employment landscape in the United Kingdom.

Ms. Agarwal began the session by providing an overview of the current job market in the UK. She highlighted key industries that are currently experiencing growth, including technology, healthcare, finance, and engineering. The speaker emphasized the UK's reputation for being a hub of innovation and a global leader in these sectors.

A significant portion of the lecture was dedicated to explaining the work visa requirements for international students and professionals. Ms. Agarwal detailed the different types of visas available, such as the Tier 2 (General) Visa, the Skilled Worker Visa, and the Graduate Route. She provided practical advice on how to navigate the visa application process and the importance of securing a job offer from a UK-based employer. She also shared effective job search strategies, including the use of online job portals, networking, and leveraging LinkedIn. She also discussed the importance of tailoring resumes and cover letters to meet UK standards and the value of building professional networks in the country.

Understanding the work culture in the UK was another key point covered in the lecture. Ms. Agarwal explained the significance of punctuality, communication styles, and the importance of teamwork in the UK workplace. Shee advised students to be adaptable and open to learning about cultural nuances that may differ from their home countries.

The speaker addressed potential challenges that international job seekers might face, such as competition, adjusting to a new environment, and dealing with visa constraints. However, she also highlighted the opportunities available, including career growth, exposure to global markets, and the chance to work in a diverse and inclusive environment.

The lecture concluded with an interactive Q&A session, where students had the opportunity to ask questions related to their specific fields of interest. Ms. Agarwal provided personalized advice, shared resources for further research, and encouraged students to stay proactive in their job search efforts.

The guest lecture on "Job Opportunities in the UK" was a highly informative and engaging event that provided students with a comprehensive understanding of the UK job market. Ms. Agarwal ‘s expertise and practical insights were greatly appreciated by the attendees, who left the session feeling better equipped to pursue their career aspirations in the UK.

Program Outcome: Post session the students had:

1. Increased Confidence in Pursuing International Careers
2. Improved Job Search Skills.
3. Enhanced Understanding of the UK Job Market

Kalinga University

Details of Program:

Kalinga University, Raipur, commemorated the 78th Independence Day with great enthusiasm and patriotic spirit on 15 August 2024 (Thursday). The celebration took place on the university campus, bringing together students, faculties and staff members to honour the nation's freedom and reflect on its journey over the past 78 years.

The event commenced at 9:00 AM with the hoisting of the National Flag by the Chief Guest Mr. Pramod Sahu, Raipur based International Rangoli Artist, Culturalist and Social Entrepreneur, in presence of Honorable Vice-Chancellor, Dr. R Shridhar, Respected Registrar Dr. Sandeep Gandhi, In-charge Dean of Students Welfare and NCC Officer Lt. Vibha Chandrakar, Director CCRC Mr. Pankaj Tiwari, Director of Sports Dr. D. Kalidoss, Chief Proctor Dr. A Vijayanand, Faculty of Arts & Humanities Dr. Rajshekhar, Faculty of Education Ms. Neetu Singh, Deputy DSW Mr. Sheikh Abdul Kadir, Assistant DSW Ms. Nikita Joshi, Assistant of Sports Ms. Anamika Shukla & Boys Girls hostel wardens Ms. Himandri Singh, Mr. Uttam Tarone, Mr. Rahul Mishra, Mr. Mahesh Safi and large numbers of hostel students. As a

powerful reminder of national identity and unity the entire members ensemble our national anthem which resonated the whole campus with pride and patriotism among the students and staff.

Afterwards, to start the cultural programs, our traditional lamp lighting ceremony was performed by respected dignitaries at the university auditorium as a time-honoured practice that signifies dispelling darkness through the light of knowledge.

Program Highlights:

1. ***Welcome Dance:*** The celebration commenced with a mesmerizing welcome dance performed by Ms. Ananta Kumari, a B.A. General 3rd semester student. Her performance set a lively and festive tone for the day's events, captivating the audience with her grace and energy.
2. ***Vice Chancellor's Speech:*** Vice Chancellor Dr. R. Shridhar delivered an enlightening speech on the historical context of India before the British arrival and their subsequent conquest of the nation. He provided a detailed account of the freedom struggle and the invaluable contributions of various freedom fighters, shedding light on the nation's journey towards independence.
3. ***Patriotic Song:*** The stage was then graced by Mr. Ankur Kunal, a B.Tech. BTCS 5th semester student, who performed a stirring patriotic song. His rendition resonated deeply with the audience, evoking feelings of national pride and unity.
4. ***Mr. Pramod Sahu's Address:*** Mr. Pramod Sahu addressed the gathering, emphasizing the importance of Independence Day. He urged students to actively contribute to the nation's development and highlighted the critical role of education in shaping the country's future. His speech reinforced the values of freedom, unity, and integrity, encouraging students to uphold these principles.
5. ***Dance Performance by Ms. Manshri Pillai:*** Ms. Manshri Pillai, a Student of MSc. Forensic Science 3rd semester, delivered a captivating dance performance. Her presentation was a testament to the rich cultural heritage and artistic talents of the university's student body.
6. ***Dr. Raghav Rao's Speech:*** Dr. Raghav Rao, Head of the Civil Department, provided a thoughtful speech that added depth to the day's discussions, reflecting on the importance of independence and the responsibilities it entails.
7. ***Dance Performance by Mr. Tomesh Khunte:*** Mr. Tomesh Khunte, a BTCS 7th semester student, presented an engaging dance performance, further enriching the event with his dynamic and expressive choreography.
8. ***Patriotic Poems by Dr. A. Rajshekhar:*** Dr. A. Rajshekhar recited a series of patriotic poems that stirred the emotions of the audience and heightened the sense of patriotism among the participants.

Conclusion and Vote of Thanks:

The event concluded with a vote of thanks delivered by In-charge DSW Lt. Vibha Chandrakar. She expressed heartfelt gratitude to all the participants and attendees, acknowledging their contributions in making the Independence Day celebration a memorable occasion.

Post-Event Activities: To wrap up the celebrations, snacks and sweets were distributed, which were enjoyed by all students, participants, and staff members. The refreshments provided a pleasant conclusion to the day's activities and celebration.

Commitment to National Pride: Kalinga University remains steadfast in its commitment to nurturing a sense of national pride and responsibility among its students. This Independence Day celebration was a testament to that dedication, highlighting the university's role in promoting patriotic values and civic engagement.

Program Outcome:

1. Greater involvement in civic activities and a stronger commitment to the nation's values and ideals.
2. A vibrant display of cultural traditions, customs, and symbols that reinforce the nation's heritage and diversity.

Reel Making Competition

organized by

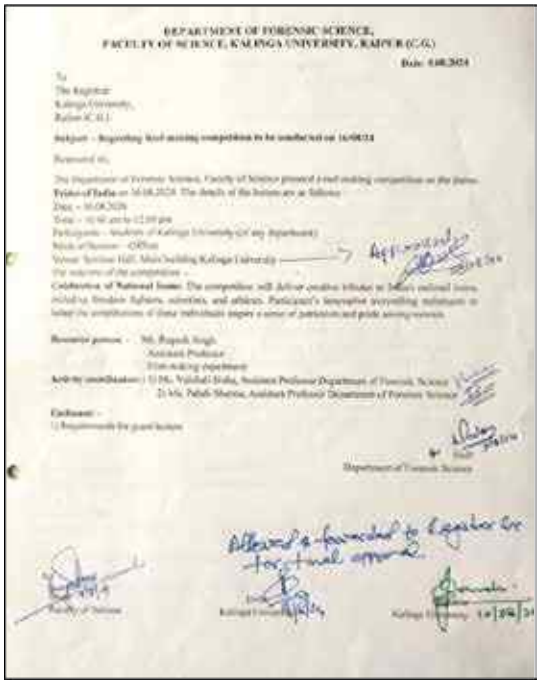
Department of Forensic Science,

Kalinga University

on

16th August 2024

Approval Letter:



DEPARTMENT OF FORENSIC SCIENCE,
FACULTY OF SCIENCE, KALINGA UNIVERSITY, RAIPUR (C.G.)

Date: 08.2024

To
The Registrar
Kalinga University,
Raipur (C.G.)

Subject – Regarding Reel making competition to be conducted on 16/08/24

Respected sir,

The Department of Forensic Science, Faculty of Science proposed a reel making competition on the theme **Prides of India** on 16.08.2024. The details of the lecture are as follows:

Date – 16.08.2024
Time – 10:00 am to 12:00 pm
Participants – Students of Kalinga University (of any department)
Mode of Session – Offline
Venue: Seminar Hall, Main building Kalinga University

Approved

The outcome of the competition –

Celebration of National Theme: The competition will foster positive tributes to India's national theme, including its freedom fighters, scientists, and athletes. Participants' innovative storytelling techniques to honor the contributions of these individuals inspire a sense of patriotism and pride among viewers.

Resource person – Mr. Rupesh Singh
Assistant Professor
Film making experience

Activity coordinator – 1) Ms. Vaishali Sinha, Assistant Professor Department of Forensic Science
2) Ms. Paheli Sharma, Assistant Professor Department of Forensic Science

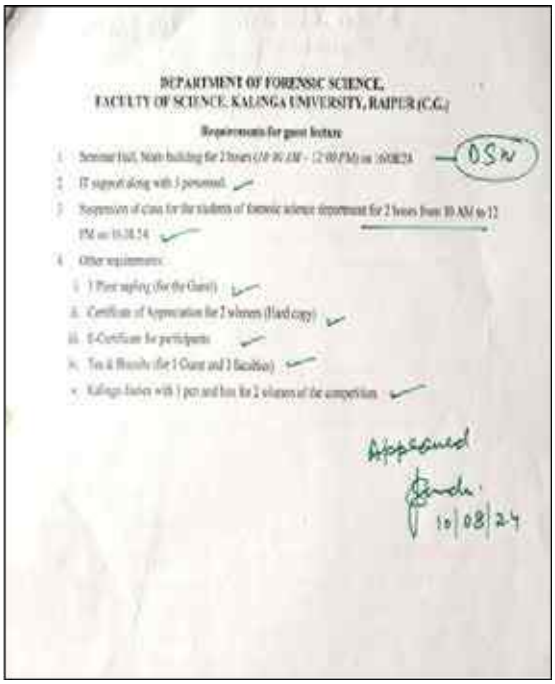
Enclosure –
1) Requirements for guest lecture

Head
Department of Forensic Science

Allowed & forwarded to Registrar Sir for final approval.

Faculty of Science

Kalinga University 16/08/24



DEPARTMENT OF FORENSIC SCIENCE,
FACULTY OF SCIENCE, KALINGA UNIVERSITY, RAIPUR (C.G.)

Requirements for guest lecture

1. Seminar Hall, Main building for 2 hours (10.00 AM – 12.00 PM) on 16.08.24 — OSD
2. IT support along with 3 personnel. ✓
3. Supervision of class for the students of forensic science department for 2 hours from 10 AM to 12 PM on 16.08.24 ✓
4. Other requirements
   i. 3 Flow napkin (for the Guest) ✓
   ii. Certificate of Appreciation for 2 winners (Hard copy) ✓
   iii. E-Certificate for participants ✓

Mode: Offline
Venue: Seminar hall, Kalinga University
Registration fees: 50/- per reel
Activity Coordinator: Ms. Vaishali Sinha, Ms. Paheli Sharma [Assistant Professor, Department of Forensic Science]

Event Poster:

The objective of the Program:

The objective of the reel-making competition, organized by the Department of Forensic Science on August 16, 2024, was to inspire creativity and innovation among students. It aimed to encourage participants to explore and showcase the rich cultural heritage, achievements, and diversity of India through the current generation way. The competition provided a platform for students to express their ideas through the medium of short videos, highlighting various aspects of India's pride. It also sought to foster a deeper understanding of the nation's history, values, and contributions to the world. By engaging in this activity, participants were motivated to connect with their roots and celebrate the essence of being Indian.

Profile of Resource person:

Resource Person: Judge of the Programme

Name: Mr. Rupesh Singh

Designation: Assistant Professor

Department: Film making

Organization: Kalinga University

Program Schedule: Program was scheduled at 10:00AM to 12:00 PM

Details of Program:
The event "Pride of India" reel-making competition started at 10:00 AM in seminar hall, main building. The moderation of the event was done by Ms. Paheli Sharma (Assistant Professor, Department of Forensic Science) and Ms. Aiyesha Noorie (BSFS V semester student). The competition featured a diverse array of creative reels celebrating India's rich heritage and achievements.

In total 14 reels were received from various department students. The judging duties were expertly handled by Mr. Rupesh Singh, who carefully evaluated each entry. The competition concluded with declaration of top 2 reel winners. The 1st position was given to Ms. Sangita Jana, a B.Sc. Forensic Science 2nd-year student for her outstanding reel. 2nd position was given to 2 reels as there was tie in marks given by judge. Ms. Sakshi Tiwari of BSFS V semester and Mr. Robert M Kamara of BCSAIMLCS was given 2nd rank in this competition. All 3 winners are awarded with Kalinga special diary box and certificates.

Ms. Neelam Ahirwar, Head in charge of Forensic Science department delivered the vote of thanks, expressing gratitude to all dignitaries, participants, the judge, and the audience for making the event a memorable success.

Program Outcome:

. ***Enhanced Creativity:*** Participants demonstrated innovative thinking and creativity in crafting engaging reels that highlighted India's pride.

Cultural Awareness: The competition fostered a deeper appreciation and understanding of India's rich cultural heritage and achievements.

Technical Skills: Students improved their video production and editing skills, crucial for creating impactful digital content.

Collaboration: The event encouraged teamwork and collaboration among participants, hosts, and organizers.

Public Speaking and Hosting Experience: Hosts gained valuable experience in public speaking and event management.

Analytical Skills: The judging process allowed participants to understand the importance of content analysis and presentation.

Recognition of Talent: The competition provided a platform for students to showcase their talents, with winners receiving recognition for their efforts.

Attendance sheet: Total students attended – 73

Title- "Raksha Bandhan Celebration 2024."

Date: 18-08-2024

Time of event: 10:00 AM -12:30 PM

Event Type: Offline

Venue: Kalinga University, Auditorium

IOM/Circular:

Event Poster:

Objective of Program:

To celebrate the bond of love, protection, and mutual responsibility

Profile of Resource person:

Resource Person 3:

BK Savita Didi (Sister from Bramhakumari Ashram)

BK Rashmi Didi (Sister from Bramhakumari Ashram)

BK Soumya Didi (Sister from Bramhakumari Ashram)

Details of Program:

In a heart-warming celebration of the festival of Rakshabandhan, Sisters from the Brahmakumari Ashram visited Kalinga University on Sunday, 18th August 2024 to tie Rakshasutra on the wrists of both National and International students, including girl students and staffs. The event, took place at the University Auditorium, was graced by the presence of Respected Registrar Sir, Dr. Sandeep Gandhi.

Sisters Savita Didi, Rashmi Didi, and Soumya Didi led the Rakshabandhan ceremony, tying the Rakshasutra on the hands of the students, symbolizing the bond of protection and love. The ceremony was not only a celebration of cultural tradition but also an opportunity to impart wisdom and positivity to the students. They performed Tilak, tied Rakhi and offered traditional sweets to the students and staff present during the event.

During the event, The Sisters gave an insightful presentation on the importance of positive thinking. They emphasized leading a life guided by holistic and positive thoughts, encouraging students to adopt these principles in their daily lives. The event culminated with the administration of an oath, where students pledged to embrace a positive and holistic approach to life.

Mr. Sajal, student of B. Com. Banking and Finance 3rd semester who served as the Master of Ceremony, welcome the Bramhakumari Sisters and spread light on significance of Rakshabandhan festival through two stories of Holy Ramayana and ensured the event flowed smoothly, adding to the joyous atmosphere of the festival. The celebration was well- received by the students, who participated with enthusiasm and enjoyed the cultural exchange and the spirit of Rakshabandhan.

Dr. Sandeep Gandhi, Registrar of Kalinga University, expressed his appreciation for the Sister's visit and the message they shared. He highlighted the importance of such events in fostering a sense of community and positivity among students.

The Rakshabandhan celebration at Kalinga University was a memorable occasion, leaving the students with a sense of unity, cultural enrichment, and a renewed commitment to positive thinking.

Members present on the occasion was Ms. Himandri Singh, Ms. Mitali Sarkar- Indus girls hostel wardens, Mr. Mahesh Safi, Mr. Uttam Tarone, Mr. Rahul Mishra, Mr. Rajesh Rawat boys hostel wardens, Mr. Vishal Singh , Mr. Sheikh Abdul Kadir, Deputy DSW, Director of Sports Dr. D Kalidoss, Ms. Sneha Mahto, and students.

Program Outcome:

3. Promoting cultural diversity and social harmony.
4. Developing a sense of togetherness.

Number of Participants: 134:

Invitation:

Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:

Details of Program:

Dean of Students' Welfare Department of Kalinga University successfully organized the induction program 'First Step-2024' for its first-year pharmacy students on Wednesday, 21 August 2024. The event was a vibrant and engaging affair, designed to welcome the new batch of students into the academic fold and familiarize them with the campus culture.

The program commenced with introduction and welcome of all dignitaries with a potted plant. Following the lighting ceremony of the traditional lamp, a captivating welcome dance was presented by Ms. Ananta Kumar B.A. General 3rd Semester student. Signifying the dawn of a new academic journey for the students. The cultural segment included an energetic dance performance by Tomesh Khunte student of BTCS 7th semester.

Welcome speech and introduction about Kalinga University was given by our Respected Registrar Dr. Sandeep Gandhi. A lively group dance that set the tone for the event was performed by Ms. Varshita Sahu, Alkeen Rizvi, Gunjan Bisen, Shubhngi Tiwari, Monishka Diwan and Shilpa Tirkey all students from B. Pharmacy 3rd semester. A quiz competition was organised based on Kalinga University by Ms. Alisha Yadav and Mr. Sajal. Winners were given prizes by Dr. Sandeep Prasad Tiwari, Dr. Ashok Kumar and Ms. Khushboo Gupta from Faculty of Pharmacy. Mr. Arup Halder, Training and Placement Officer gave a session on Career and Corporate Resources Centre (CCRC).

After lunch, Dr. Rahul Mishra, Dean of Academic Affairs gave an insightful presentation on student code of conduct and Academics. Following the session our very talented Leher the Band represented an energetic band performance by Mr. Ayush Gondale, Ms. Kanak Parmanandani, Mr. Parth Dubey, Mr. Anadi and other team members. A Paper Dress Making competition was organised and three winners were given prizes by Dr Ashok Kumar and Lt. Vibha Chandrakar.

The program concluded with a heartfelt vote of thanks proposed by Lt. Vibha Chandrakar, expressing gratitude to everyone who contributed to making the event a success. The Master of Ceremonies for the day was Ms. Alisha Yadav student of B.Com 3rd year and Mr. Sajal of B. Com. Banking and Finance 3rd semester, who ensured the event flowed smoothly and kept the audience engaged.

'First Step-2024' was a memorable start for the new students, setting a positive and enthusiastic tone for the academic year ahead. Students enjoyed the delicious snacks provided by the administration.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

Number of Students Participated: 77

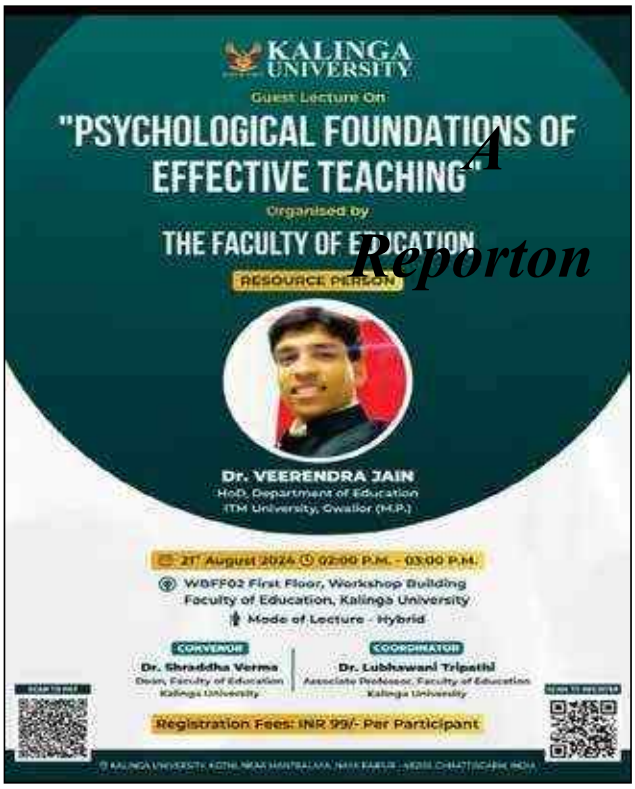
Event Poster:



Objective of Program:

1. ***Enhance Understanding of Educational Psychology***: To deepen students' knowledge and understanding of key concepts and theories in Educational Psychology, providing them with practical insights they can apply in their teaching practice.
2. ***Explore the Role of Educational Leaders***: To highlight the importance of leadership in educational settings, particularly focusing on how heads of departments and faculty can influence and shape the learning environment and academic success.
3. ***Inspire Future Educators***: To motivate and inspire B.Ed. students to pursue excellence in their teaching careers by sharing real-world experiences and strategies from an experienced educational leader, encouraging them to adopt innovative and effective teaching practices.

4. ***Program Schedule:***

Time	*Activity*
2:00 - 2:05 PM	Welcome Address by Dr. Lubhawani Tripathi
2:05 - 2:45 PM	Lecture by Dr. Veerendra Jain
2:45 - 2:55 PM	Q&A Session
2:55 - 3:00 PM	Vote of Thanks by Dr. Lubhawani Tripathi

Details of Program:

On the 21st of August 2024, the Faculty of Education at Kalinga University, Raipur, hosted an enlightening guest lecture on Educational Psychology, specifically organized for the B.Ed. students. The event was coordinated by Dr. Lubhawani Tripathi, Associate Professor at Kalinga University, who warmly welcomed all the attendees, including the distinguished faculty members and students. The session was honored by the presence of Dr. Shraddha Verma, Dean of Education, Dr. D. Kalidas, Sports Director, and the entire faculty of the Education Department, contributing to the event's significance. The guest lecture was delivered by the esteemed Dr. Veerendra Jain, Head of the Department at ITM University, Gwalior. Dr. Jain, a scholar with over 15 years of experience in Educational Psychology, shared his extensive knowledge on the practical applications of Educational Psychology in teaching. His lecture, held from 2:05 PM to 2:45 PM, offered valuable insights into how future educators can apply psychological principles to enhance student engagement and learning outcomes in their classrooms. Following the lecture, a brief yet engaging Q&A session took place from 2:45 PM to 2:55 PM, where students had the opportunity to interact directly with Dr. Jain. The session was highly interactive, with students posing thoughtful questions and Dr. Jain providing insightful responses, enriching the learning experience. The program concluded with a vote of thanks delivered by Dr. Lubhawani Tripathi at 2:55 PM. She expressed sincere gratitude to Dr. Veerendra Jain for his time and valuable contributions, and acknowledged the support and presence of Dr. Shraddha Verma, Dr. D. Kalidas, and all faculty members, whose collective efforts ensured the success of the event. The guest lecture proved to be an inspiring and educational experience for the students, equipping them with essential knowledge for their future teaching careers.

Founded by Gurudev Sri Sri Ravi Shankar, The Art of Living is an educational and humanitarian movement engaged in stress-management and service initiatives. The organization operates globally in over 156 countries, offering programs that aim to eliminate stress and foster a sense of well-being.

At the end of the session two minutes meditation was practiced by the participants with Gurudev Sri Sri Ravi Shankarji.

Program Outcome:

5. Students interacted and cleared their doubt.
6. Power of Meditation was revealed before youths.

Number of Participants: 59

“Workshop on Research Paper Writing”

Organized by

“Faculty ofCS & IT”

On

22/08/2024

Title- Workshop on Research Paper Writing

Date: 22/08/2024

Time of event: 01:00 PM-03:30 PM

Event Type: Offline

Venue: Seminar Hall, Main Building, Second Floor

IOM/Circular:

Invitation to the resource person: (If applicable) : Dr. R Udaya Kumar, Director, IPR

Objective of Program:

The objective of a program or workshop on research paper writing can be articulated in several ways, depending on the target audience and focus of the workshop. A general outline of objectives for such a program:

1. Understanding the Research Paper Structure
2. Developing Research Questions and Hypotheses
3. Conducting a Literature Review
4. Designing Research Methodology
5. Analyzing and Interpreting Data
6. Writing and Revising
7. Understanding Ethical Considerations

8. Preparing for Publication
9. Enhancing Presentation Skills
10. Networking and Collaboration

These objectives aim to provide a comprehensive foundation for participants to write high-quality research papers and navigate the academic publishing process successfully.

Program Schedule and Details of Program:

S. No.	***Time***	***Activity***	***Responsibilities***
1	01:30 PM – 01:40 PM	Welcome to Resource Person, HoD, Deputy COE	Ms Jasleen Kour, Student of BTCS3 (Welcome to Resourse person by Mr. O.P.Dewangan, Welome to HoD, Faculty of CS and IT by Ms. Ragini Kushwaha and Welcome to Deputy COE by Ms. Roohoo Khan
1	01:40 PM - 01:50 PM	Welcome Speech	Mr. O.P.Dewangan, Incharge HoD, Faculty of CS and IT
2	01:50 PM - 03:10 PM	About the Research Paper Writing	Dr. R Udaya Kumar, Director, IPR
3	03:10 PM – 03:15 PM	Vote of Thanks	Ms. Roohee Khan, Assistanr Professor, Faculty of CS and IT

Benefits and Outcomes:

A workshop on research paper writing can offer a range of benefits and outcomes for participants. Here are some key advantages and results they might experience:

Benefits

1. Enhanced Writing Skills
2. Structured Approach
3. Effective Research Design
4. Improved Data Analysis
5. Knowledge of Ethical Standards
6. Publication Readiness

7. Enhanced Presentation Skills
8. Networking Opportunities
9. Confidence Building
10. Feedback and Improvement

Outcomes

1. Completed Drafts or Manuscripts
2. Improved Research Proposals
3. Published Papers
4. Skill Development
5. Actionable Strategies
6. Resource Materials
7. Improved Academic Standing
8. Peer Collaboration

Overall, a well-designed workshop on research paper writing can significantly advance participants' research capabilities, improve their written work, and support their academic and professional growth.

DEAN OF STUDENTS' WELFARE
KALINGA UNIVERSITY
NAYA RAIPUR (C.G.) 492101

Details of Program:

Kalinga University marked a momentous occasion as it orchestrated the First Step 2024 Induction Program for the newly admitted students of the all Masters of technology & Masters of Science. The event held on, August 23, 2024, at the university's campus, exemplified Kalinga University's commitment to ushering its students into an enriching academic journey.

The day commenced with a warm and vibrant reception for the incoming students of the first semester of the all Masters students. The atmosphere resonated with the rhythmic beats of traditional Punjabi Dhol, which set the tone for the eventful day ahead.

Dr.C.P.Jawahar, Dean, Faculty of Technology made a presentation on the glimpse of the department under Faculty of Technology and Dr. R. Jaykumar Dean, Faculty of Science made a presentation on the glimpse of the department. Mrs. T. Gayatri , Ms. Swati Kohley, Lt. vibha Chandrakar, Dr. Mohammed Nasir, Dr. D.Kalidoss and Mr. Honey Gaur briefed the students about their respective departments. Dr. C. P. Jawahar, Dean of Technology and and Dr. R. Jaykumar Dean, Faculty of Science extended a gracious vote of thanks to all the participants and contributors who made the event possible. The entire program was smoothly hosted by Ms. Madhu Sahu , Ms. Lipsa Dash, Ms. Megha Chaturvedi and Mr Sandeep Roy. This event underscores Kalinga University's unwavering commitment to nurturing holistic development and academic excellence among its students.

Activity's by students

Program Outcome:

1. Help new students become acquainted with the physical layout of the campus, including important locations such as classrooms, libraries, administrative offices, and recreational facilities.
2. Provide an overview of the academic programs, majors, and courses available at the institution, as well as academic policies and requirements.

"From Idea to Impact:

Translating Innovation into Market Success"

Organized by

Faculty of Technology

in collaboration with

Institution's Innovation Council

on

23rd August 2024

Title: Seminar on "From Idea to Impact: Translating Innovation into Market Success**"**

Date: 23rd August 2024

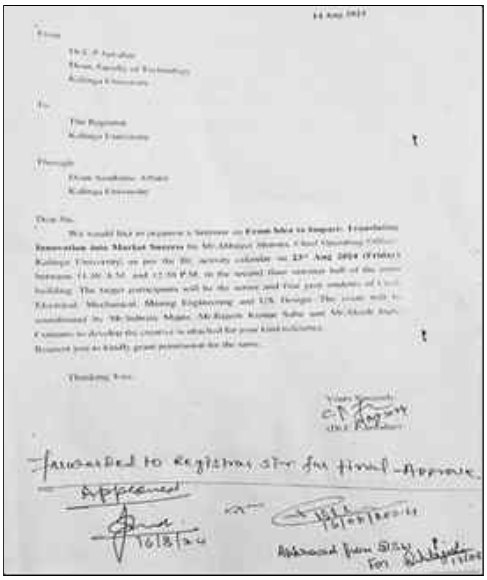
Time of event: 11:30 A.M. to 12:30 P.M.

Event Type: Offline

Venue: Kalinga University MBSF-01

Approval Letter:

Event Poster:



Objective of Program:

Enhance Understanding of Innovation Processes: The seminar aims to provide both senior and first-year students with a comprehensive understanding of how innovative ideas can be transformed into successful market products.

Encourage Entrepreneurial Mindset: The event seeks to inspire students to adopt an entrepreneurial mindset by showcasing the journey from conceptualizing an idea to its commercialization.

Exposure to Real-World Applications: Through interaction with industry experts, students will gain insights into the practical aspects of innovation, including challenges, strategies, and the importance of market readiness.

Bridge Academic Knowledge with Industry Practice: The program is designed to bridge the gap between academic knowledge and industry practices, helping students understand the relevance of their technical skills in the marketplace.

Foster Networking Opportunities: The seminar will provide students with an opportunity to network with professionals and peers, potentially leading to collaborations and mentorship in their future endeavors.

Promote Innovation and Incubation Support: By highlighting the role of incubation centers, the seminar aims to inform students about the resources available at Kalinga University to support their innovative projects and entrepreneurial initiatives.

Prepare for Future Career Opportunities: The seminar will equip students with the knowledge and skills necessary to succeed in their careers by understanding how to turn innovative ideas into viable business ventures.

Details of Program:

Organizer: Kalinga University, Raipur (C.G.)

Collaborators: Institution's Innovation Council

Resource Persons:

MR. Abhijeet Sharma
Chief Operating Officer
Incubation Kalinga University

Convenor
Dr. C. P. Jawahar

Event Coordinators:
1. Mr. Subrata Majee
   Assistant Professor, CE
2. Mr. Akash Ingle
   Assistant Professor, EE
3. Mr. Rajesh Kumar Sahu
   Assistant Professor, MIE

Program Outcome:

Understanding of Innovation Pathways: Participants will gain a clear understanding of the stages involved in taking an idea from concept to a marketable product, including the roles of research, development, and commercialization.

Enhanced Entrepreneurial Skills: Students will develop essential entrepreneurial skills, such as critical thinking, problem-solving, and the ability to identify and seize market opportunities.

Knowledge of Industry Practices: Attendees will acquire knowledge of industry best practices for innovation and learn how to apply these practices to real-world challenges.

Improved Networking and Collaboration: The program will enhance students' networking capabilities by connecting them with industry experts and peers, fostering potential collaborations for future projects.

Increased Awareness of Incubation Support: Students will become more aware of the incubation support systems available at Kalinga University, encouraging them to utilize these resources for their entrepreneurial endeavors.

Career Preparedness: By the end of the seminar, students will be better prepared for their future careers, with a deeper understanding of how to translate their technical and innovative ideas into successful business ventures.

Motivation to Innovate: The seminar will inspire students to pursue innovative projects with the confidence that they can turn their ideas into impactful solutions, contributing positively to the economy and society.

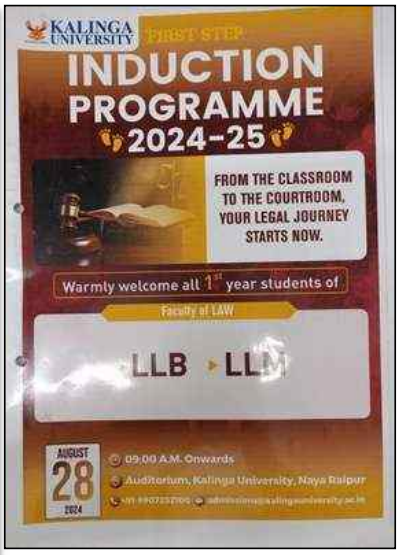
Invitation:

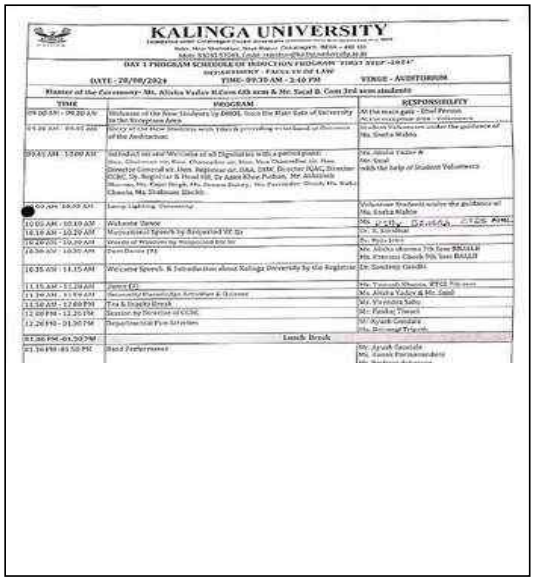
+



Objective of Program:

The objective of this event was to provide essential information regarding academics, examination, training & placement, foster a sense of belonging, and integrate the new students into the Kalinga University environment.

Program Schedule:



Details of Program:

Dean of Students' Welfare Department of Kalinga University successfully organized the induction program 'First Step-2024' for its first-year Law students on Wednesday, 28th August 2024. The event was a vibrant and engaging affair, designed to welcome the new batch of students into the academic fold and familiarize them with the campus culture.

The program commenced with introduction and welcome of all dignitaries with a potted plant. Following the lighting ceremony of the traditional lamp, a captivating welcome dance was presented by Ms. Dolly Behara. BCS AIML 3rd Semester student. Signifying the dawn of a new academic journey for the students.

Welcome speech and introduction about Kalinga University was given by our Respected Registrar Dr. Sandeep Gandhi Sir. A lively group dance that set the tone for the event was performed by Ms. Prerona Ghosh, Alisha Sharma students of BBALLB 7th sem. A quiz competition based on Kalinga University was conducted by Ms. Alisha Yadav and Mr. Sajal. Winners were given prizes by Mr. Ayush Gondale and Ms. Shivangi Tripathi, Faculty of Law. The cultural segment included an energetic dance performance by Mr. Tomesh Khunte student of BTCS 7th semester

Post lunch, Dr. Sunayana Shukla, Corporate and Mindfulness Trainer took a session on Career and Corporate Resources Centre (CCRC). After that, our very talented Leher the Band group members gave an energetic band performance. Team was comprised of Mr. Ayush Gondale, Ms. Kanak Parmanandani, Mr. Parth Dubey, Mr. Anadi and other team members. Dr. Rahul Mishra, Dean of Academic Affairs gave an insightful presentation on student code of conduct and Academics. A paper dress making competition was organised and three winners were given prizes by Mr. Ayush Gondale and Ms. Shivangi Tripathi.

The program concluded with a heartfelt vote of thanks proposed by Lt. Vibha Chandrakar, expressing gratitude to everyone who contributed to making the event a grand success. The Master of ceremony for the day was Ms. Alisha Yadav student of B.Com 3rd year and Mr. Sajal of B. Com. Banking and Finance 3rd semester, who ensured the event flowed smoothly and kept the audience engaged.

'First Step-2024' was a memorable start for the new students, setting a positive and enthusiastic tone for the academic year ahead. Students enjoyed the delicious snacks provided by the administration.

Program Outcome:

The event achieved its objectives of providing essential information, fostering a sense of community, and making the newcomers feel welcome and integrated into the university environment.

Subject Request for Pre-Visit Approval for B.Sc. Forensic Science Students from Kalinga University
Respected sir,

I hope this message finds you well. My name is Vaishali Sinha, and I am writing on behalf of the Department of Forensic Science at Kalinga University. We are currently exploring practical learning opportunities for our B.Sc. Forensic Science students, particularly in the area of accidental investigation.

We would like to request your permission to visit Ahuja Automobiles' workshop to provide our students with a better understanding of vehicle accident investigation processes. This visit would significantly enhance their practical knowledge by exposing them to real-world scenarios and the methods employed in investigating vehicular accidents.

We believe that the experience at your esteemed workshop would be invaluable for our students and would greatly contribute to their academic and professional growth.

Please let us know if we can arrange a suitable time for this visit. We are flexible with dates and will be happy to comply with any guidelines or protocols you may have in place.

Thank you for considering our request. We look forward to the possibility of collaborating with Ahuja Automobiles in the education of future forensic professionals.

Warm regards
Vaishali Sinha

Forensic science 5th semester that 1 day visit to Ahuja Automobiles, Raipur Chhattisgarh has been organized by Department of Forensic science on 28th August 2024 to have field exposure of accident investigation. All students wish to attend the same, give notes and submit consent form filled and signed by their parents as well as students to their class coordinator.

Objective of industrial visit:
1. Understanding Vehicle Dynamics: Learn about how vehicles behave during accidents, including factors like speed, braking, and the impact of collisions. This helps in reconstructing accident scenarios and understanding the forces involved.
2. Familiarization with Vehicle Safety Features: Study the design and function of safety features such as airbags, seat belts, crumple zones, and anti-lock braking systems (ABS). Understanding these features aids in assessing how they contribute to occupant safety and what might fail during an accident.
3. Accident investigation: To learn collection of evidences from accidental vehicles (Eg. Paint chips, body fluids like blood, glass fragments etc.)

The schedule has been attached below in the table for reference:

S.no.	Date	Day	Faculty accompanying in visit	Class	Departure time	Return time
1	28/08/24	Wednesday	Ms. Vaishali Sinha Ms. Paheli Sharma	BSFS V	9:00 AM	2:00 PM

Please note that all students have to submit a feedback report and prepare presentation individually on 03/09/24 in head of department examining about the experience during their visit.

Head of Department
Department of Forensic science

Dean, Faculty of Science
Kalinga University

Details of the visit

Programme: B.Sc. Forensic science
Semester: 5
Name of the company/industry: Ahuja Automobiles
Profile of the company: Ahuja automobile is an authorised dealer of heavy truck. They also deals with the accidental analysis and for that they had its separate workshop in Bhatagoan Raipur
Objective of industrial visit:

1. Understanding Vehicle Dynamics: Learn about how vehicles behave during accidents, including factors like speed, braking, and the impact of collisions. This helps in reconstructing accident scenarios and understanding the forces involved.
2. Familiarization with Vehicle Safety Features: Study the design and function of safety features such as airbags, seat belts, crumple zones, and anti-lock braking systems (ABS). Understanding these features aids in assessing how they contribute to occupant safety and what might fail during an accident

Details of the faculty member to accompany the students during visit:

1 Ms. Vaishali Sinha, Assistant Professor, Department of Forensic Science 2
Ms. Paheli Sharma, Assistant Professor, Department of Forensic Science

Proposed learning outcome from the visit:

1. Enhanced Understanding of Vehicle Dynamics
Outcome: Gain a comprehensive understanding of how vehicles behave under various driving and collision scenarios, enabling more accurate accident reconstructions.
2. In-depth Knowledge of Safety Features
Outcome: Develop a solid understanding of vehicle safety systems, their functions, and how they influence injury outcomes in accidents, improving the ability to assess their effectiveness and identify potential failures.

Mapping of learning outcomes of industry visit with courses taught: ***BSFS504B Accident Investigation***

Unit 1: Motor Vehicle Accidents
Accident scene, Sources of forensic information, Eyewitness accounts, Extent of vehicle damage, Visibility conditions, Photographs of accident site.
Unit 2: Surface Markings during RTA Cruses
Tire marks, skid marks, scuff marks etc; Maintenance of vehicles, abandoned vehicles, Importance of air bags, Railway accidents, Estimation of speed.
Unit 3: Accident Analysis
Pre-crash movement, Post-crash movement, Collision model, gauging driver's reaction, Occupants's kinematics, Types of injuries resulting from accident, Biomechanics of injuries, Hit and run investigations, Trace evidence at accident sites.

Financial details of the funds required for the visit: None

Value addition/Enhancement from the proposed visit:
Practical Exposure to Real-World Scenarios:

Gain hands-on experience with actual vehicles and accident investigation tools, bridging the gap between theoretical knowledge and practical application.

Enhanced Analytical Skills:

Develop the ability to critically analyze vehicle damage and safety features, leading to more accurate and informed accident reconstructions

Outcome based proposed questions to be answered during the visit:

Vehicle Dynamics and Collision Mechanics:

How do different collision types (e.g., frontal, side, rear) affect vehicle behavior and damage patterns?

What role does speed play in the severity of vehicle damage during an accident?

Safety Features and Their Effectiveness:

How do safety features like airbags and crumple zones function during an impact, and what are their limitations?

Creative:

Industrial visit Coordinators are:

1. Ms. Vaishali Sinha, Assistant Professor, Department of Forensic Science 2.

Ms. Paheli Sharma, Assistant Professor, Department of Forensic Science

Total no. of students attended: 32 Time of visit: 9:30 AM to 2:00 PM

Undertaking from student

Hard copy of consent letter is collected one day before the visit from all students signed by parents and students. 1 sample is attached

Consent Form for Industrial Visit

Student Details:

Name of Student: Shreya Sahu

Course & Year: BSc Forensic Science

Enrollment Number: 2207BSFS748 98

Contact Number: 9[illegible]39

Email Address: sahreyasahu8@gmail.com

Parental Consent and Undertaking:

I, Santosh Sahu, parent/guardian of Shreya Sahu, hereby give my consent for my ward to participate in the industrial visit organized by Department of Forensic Science, Kalinga University, Naya Raipur. I understand that:
The college will take all necessary precautions to ensure the safety and well-being of my ward during the visit. However, I will not hold the college or its staff responsible for any unforeseen incidents that may occur during the visit.
My ward is expected to adhere to all rules and regulations set by the college and the host organization during the visit. Any violation may result in disciplinary action.

Signature of Parent/Guardian: MSahu

Date: 26/08//2024

Student Undertaking:

I, Shreya Sahu, a student of Kalinga University at Department of Forensic Science, agree to participate in the industrial visit as per the schedule provided by the college. I undertake to:
Follow all instructions given by the college authorities and the host organization.
Behave in a manner that reflects well on the college and myself.
Take care of my personal belongings and respect the property of others.
Inform the college authorities immediately if I face any problems or require assistance during the visit.

Signature of Student: Shreya

Date: 26/08//2024

Highlights of the visit: -

During the visit to Ahuja Automobiles, the major highlights included:

1. Inspection of Damaged Vehicles: The group examined around 17 damaged vehicles, providing a practical learning experience on various types of accidental patterns commonly seen in road accidents.
2. Understanding Accident Patterns: Students gained insights into different accident scenarios, with a particular emphasis on frontal collisions, which were observed to be the most common type of road accident.
3. Exploration of Vehicle Parts: The visit provided an opportunity to learn about the various parts of cars and trucks, including key components that are often involved in accidents, such as brakes, steering systems, and safety features.
4. Insurance Aspects: Students were introduced to the insurance components of vehicle accidents, learning how different types of damage are assessed and processed by insurance companies.

This visit offered a comprehensive overview of accident investigation, focusing on the practical aspects of vehicle damage analysis, accident patterns, and the role of insurance in post-accident scenarios.

Visit in scene of accident crime for analysis the skid mark and direction of vehicle during accident

The visit was very informative as we have learned about the insurance claims and the forensic aspect of the accidents and how cases are investigated.. need more such visits to boost the practical knowledge in various fields

Forensics not only helps the agencies prosecute the wrongful but also helps them prevent wrongful convictions

It's good but it can improve more

The trip was very knowledgeable we got to learn a lot of new things.

It can be improve

Presentation by students

To know learning outcome from the visit a presentation was scheduled and invitation is send to DAA, IQAC department and Dean, Faculty of Science.

Report on

"Expert Lecture On Working mechanism of Usha Sewing Machine"

Organized by

"Department of Fashion Design"

On

28/08/2024

Title- "Working ***mechanism of Usha Sewing Machine"***

Date: 28/8/2024

Time of event: From 12:30AM to 3:00 PM

Event Type: Offline

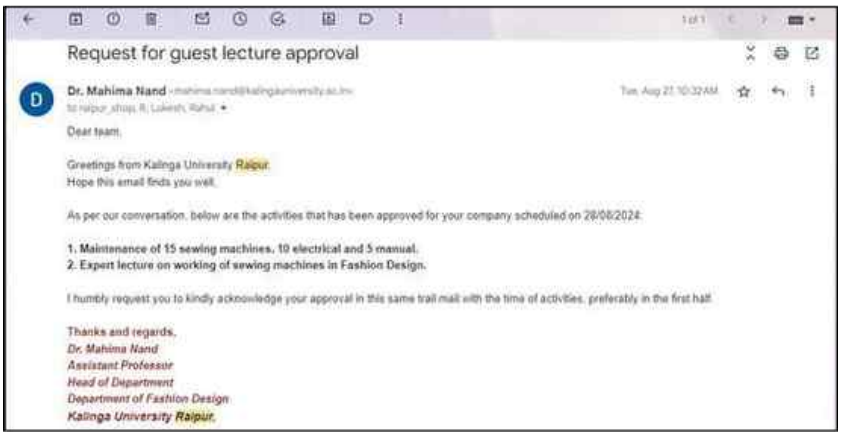
Venue: Department of Fashion Design, Porta Cabin, Kalinga University, Nava Raipur Atal Nagar, C.G

IOM/Circular:

Permission letter from the registrar's office and DAA office is attached at the end page of this report

Event Poster:

Invitation to the resource person:



Request for guest lecture approval

Dr. Mahima Nand

Dear team,

Greetings from Kalinga University Raipur.
Hope this email finds you well.

As per our conversation, below are the activities that has been approved for your company scheduled on 28/08/2024.

1. Maintenance of 15 sewing machines, 10 electrical and 5 manual.
2. Expert lecture on working of sewing machines in Fashion Design.

I humbly request you to kindly acknowledge your approval in this same trail mail with the time of activities, preferably in the first half.

Thanks and regards,
Dr. Mahima Nand
Assistant Professor
Head of Department
Department of Fashion Design
Kalinga University Raipur

The objective of the Program:

1. To understand mechanism and working of Usha sewing machines.
2. To encourage students to learn faults and repair techniques of sewing machines.

Profile of Resource person:

Resource Person 1: Name: Mrs Rani
Designation: Marketing Executive
Organization: Usha Raipur

Program Schedule:

1. Date of workshop : 28th August 2024
2. Department Name: Department of Fashion Design.
3. Name of Faculties:
   - Dr. Mahima Nand HoD
   - Dr Smita Premanand
   - Lt Vibha Chandrakar
   - Ms. Anjali Sharma
   - Ms Pooja Chandravanshi
4. No of Student: 18 Students

Details of Program:

1. Students is able to gain valuable experience in event management by actively participating in the planning and execution of a departmental event.
2. Students were given a positive and learning experience associated with sewing machinery working.

Program Outcome:

1. Participants enhances the teamwork and collaboration skills as students work together to plan, organize, and execute different aspects of event planning.

2. Through the expert lecture, Participants able to enhance educational opportunities through informative demo, presentations, or workshops that deepen students' .

Kalinga University, Raipur

Dear ma'am,

Subject: Request for Approval to Organize "Express It 2024" Elocution Competition

I am writing to inform you that the Department of Sociology is planning to organize an elocution competition titled "Express It 2024". The primary objective of this event is to enhance the speaking skills of students and provide them with a valuable platform to showcase their oratory abilities.

The event is scheduled to take place on Thursday, 29th August 2024. We are targeting participation from students both within Kalinga University and from other institutions. The attached document contains the brochure content, including the rules and procedures for registration, for your reference.

I kindly request your approval and support to proceed for the conduction of this competition.

Thank You
Yours Sincerely

Chatterjee
(Dr Esha Chatterjee)
Assistant Professor of Sociology, Faculty of Arts and Humanities
Kalinga University, Raipur

The event is already mentioned in the Activity planner, kindly approve the same and instruct the concerned for creative preparation accordingly.

Forwarded to Registrar Sir for final approval

Approved

29/7/24

Details of Program:

On 29th August 2024, the Department of Sociology, Faculty of Arts and Humanities at Kalinga University, Raipur, organized an Elocution competition titled ~~"Express It 2024~~." It was held in the University Auditorium 12 pm onwards.

Objective of the program:

The event was a platform where students showcased their oratory skills on topics that are in tune with contemporary issues. The program was aimed at enhancing their public speaking abilities and boosting their confidence.

Participants:

The event was hosted by Yamini Pal and Renuka Singh Thakur, both students of BAGEN 3rd Semester in Kalinga University Raipur.

A total of 21 students from various departments, including BA General, BAJMC, BALLB, and BBALLB, participated in the event. Each participant selected one of the following topics to speak on:

How Artificial Intelligence is Changing our Lives

Ways to Fight Climate Change

Online Learning vs. Classroom Learning

Impact of Social Media on Youth

The Impact of Films on Youth

Participants were given the choice to present in either English or Hindi, with a time limit of minimum 3 and maximum 5 minutes. Rethabile Pitsi, a student of BAGEN 3rd Sem monitored the time for each of the participants. They were judged based on ***content, delivery, clarity, confidence, and overall impact***.

Judges:

The event was judged by two faculties from Kalinga University:

Dr. A Rajshekhar, Professor, Department of Geography, Faculty of Arts and Humanities

Dr. Yogesh Vaishnaw, Assistant Professor, Department of BAJMC, Faculty of Arts and Humanities

Their expertise and insightful comments were invaluable to the event's success.

The judges awarded certificates of merit to the top three participants:

1st Position: Amrita Yadav (BALLB 1st Sem)

2nd Position: Pratha Patel (BAGEN 1st Sem)

3rd Position: Aadya Anushka Pani (BAJMC 3rd Sem)

Convenors and Organizing Committee:

The event was coordinated by:

Dr. Esha Chatterjee, Assistant Professor, Department of Sociology, Faculty of Arts and Humanities (Convenor)

Dr. Papri Mukhopadhyay, Assistant Professor, Department of English, Faculty of Arts and Humanities (Convenor)

The ***Organizing Head*** for the event was ***Dr. Shilpi Bhattacharya***, Professor and Dean, Faculty of Arts and Humanities. This event was made possible with her continued support, guidance and leadership.

The competition saw an enthusiastic turnout, with 57 students and 15 faculty members from the Faculty of Arts and Humanities in attendance. Certificates of participation were distributed to all participants, recognizing their efforts and contribution to the event.

The "Express It 2024" elocution competition was a success, leaving a lasting impact on both participants and the audience. The event not only provided a platform for students to showcase their public speaking skills but also encouraged them to think critically and express their ideas on issues that are relevant to society today.

Program Outcome:

Participants showed significant improvement in their public speaking abilities, gaining confidence in articulating their thoughts clearly and persuasively in front of an audience.

The event encouraged students to engage with contemporary topics such as Artificial Intelligence, Climate Change, and Social Media, leading to a deeper understanding and critical analysis of these issues.

The event successfully identified and recognized the oratory talent within the students, encouraging them to further develop their communication skills.

Details of Program:

The Marketing club "Marcadeo" of Faculty of Commerce and Management organized a "Business Plan Writing Competition" under IIC activity on August 30th, 2024. The event held in the campus saw participations from all the students. The resource person Mr.Abhijeet Sharma chief operating officer Kalinga Incubation foundation shared his valuable insights regarding how to draft a sustainable business plan through a detailed presentation titled "Business plan writing and Pitch presentation.

Mr. Abhijeet Sharma began the session by providing an overview of current business Scenario. He emphasized on the aspect of the opportunities which are there in the business for young Entrepreneur. He also highlighted that business plan is not only a document but it is outlines of the company's mission, vision, and objective.

A significant portion of the lecture concentrated on how to write a business plan.Mr Sharma stressed on the importance of a business plan for starups and existing business and role of a business plan in attracting investors and guiding business strategy. He focused on the aspect that a business plan consists of different parameters such an executive summary, market analysis, competititiors and business description. He also shared some of the insights regarding each and every parameter in detail through his presentation. He discussed the role of technology on maintaining the stack of items for company and the role of the intellectual property rights and role of the patents in technology validation process.

Understanding the business model, financial projections of the company and milestones and time lines were another key points covered in the lecture.Mr Sharma explained the significance of revenue model for a company which mainly concentrates on cost and profit analysis to assess the financial health of a business. He advised the students to design a business plan strategy in such a way that the unique value proposition and customer centric approach should be highlighted.

The speaker also addressed the potential challenges that the starup companies are facing in the business environment such as frequently struggle with securing sufficient funding to cover initial costs, operational expenses, and growth investments and limited access to capital can hinder their ability to scale and achieve financial stability. However he also highlighted the opportunities such as revenue diversification, market penetration, cost efficiency and optimization by using economics of scale.

The lecture concluded with an interactive Q&A session, where students had the opportunity to ask questions related to how to prepare a concrete business plan. Mr. Sharma provided personalized advice regarding the funding process for a business which is nascent stage. He shared his advice regarding the role of reviews, testimonial, feedback and advisory for good business plan, and encouraged students to keep improving the business plan because no plan is perfect.

The event "Business Plan Writing Competition "was highly interactive informative and engaging event that provided students with a comprehensive understanding on how to present a perfect business plan.
Mr. Sharma expertise
and practical insights of the business plan were greatly appreciated by the attendees, who have learned lot of insights about the business plan and left the session well equipped for the completion. More than 180 students attended the workshop and 27 teams participated in the business plan writing competition. Name of the winners

1st Position - Asha Yadav, Kunal Sonkar, Sneha Ranjan, Vishnupriya.
Idea – Sugarcane Waste Converted into Best One.

2nd Position – Salim Mallick, Rupali Thakur, Alisha Yadav and Shruti Singh.
Idea- Return Logistics.
Program Outcome: Post session the students had:

1. Students gained practical experience in developing and presenting a business plan
2. Students were able to apply theoretical knowledge to real world scenarios
3. The event encouraged the students to think creatively and innovatively exploring unique solutions to market needs.

N.A

Invitation to the resource person: NA

Objective of Program:

1. The event aimed to break the ice between first-year students and their seniors, fostering a sense of belonging.

Profile of Resource person (if applicable): NA

Program Schedule/Details of Program:

The total number of students was 60 of which 20 were seniors and 39 were freshers. Two faculty members were also present.

Firstly, the students have to gather at the university to reach the venue. The bus departed at 11'o clock from the university and reached at the venue at 11:45 am. After all the students reported to the venue. The event began with a welcome speech and introduction of the seniors and faculty to juniors.

Several activities were organized for the freshers to help them bond with their peers. The first game was musical squid in which the Couples had to dance until the music stopped, if they moved after the music stopped, they would be eliminated. Then all the students danced together. After all the dancing, a starter was served. After the starter our 2nd game started which was paper dancing, where couples had to dance on paper, and if anyone's foot was out of the paper then they were eliminated, after elimination paper was folded in half. Then the 3rd activity was speed saree, where girls had to make their partners (boys) wear saree as soon as possible.

After the activities, Mr. and Ms. Fresher were chosen and felicitated by our guest Ms. Kajal Singh, deputy director at the admission department of Kalinga University. Guest, faculty members, and Mr. and Ms. freshers cut the cake and danced together.

Then Mr. and Ms. Evening were chosen and felicitated by our faculty members Dr. Satvik Jain sir and Ms. Shivangi Makade. A group photo was clicked with guests, faculties, and Mr. and Ms. freshers and evening. Then lunch was served and the event was over by 4:30. As we were at the moment of concluding the freshers party, we had the arrangement of personalized gifts for our new batch. Then our bus departed by 5 o'clock in the evening and reached the university at 5:30.

Program Outcome: Break the ice between the seniors and freshers.

Workshop on

Electrical Wiring Methods and Safety Measurement's

Organized by

Faculty of Technology Department of Electrical Engineering

on

04-09-2024

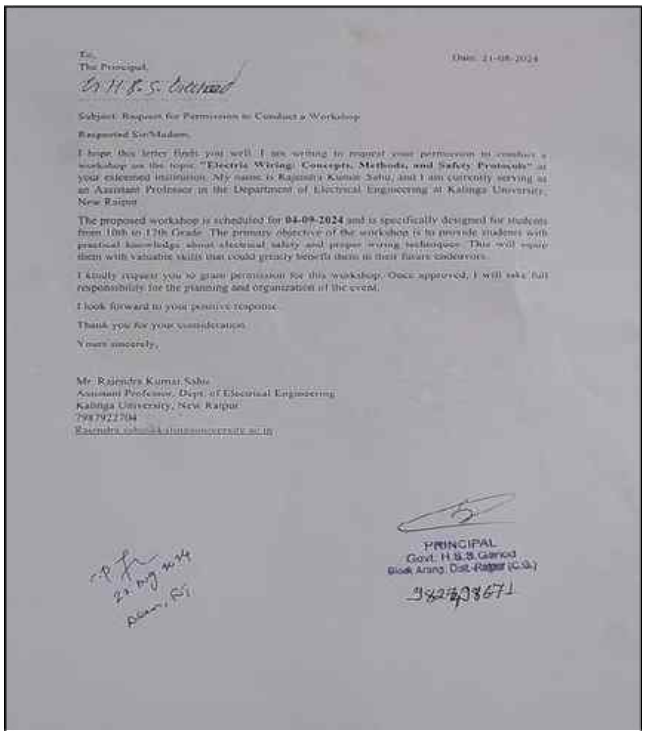
Title- "Electrical Wiring Methods and Safety Measurement's"

Approval Letter:

Date: 04-09-2024

Time of event: 10:00 AM to 12:30 PM

Venue: Government Higher Secondary School Ganoud.



To,
The Principal,
Govt. H.S.S. Gerwd

Date: 21-08-2024

Subject: Request for Permission to Conduct a Workshop

Respected Sir/Madam,

I hope this letter finds you well. I am writing to request your permission to conduct a workshop on the topic **"Electric Wiring: Concepts, Methods, and Safety Protocols"** at your esteemed institution. My name is Rajendra Kumar Sahu, and I am currently serving as an Assistant Professor in the Department of Electrical Engineering at Kalinga University, New Raipur.

The proposed workshop is scheduled for **04-09-2024** and is specifically designed for students from 10th to 12th Grade. The primary objective of the workshop is to provide students with practical knowledge about electrical safety and proper wiring techniques. This will equip them with valuable skills that could greatly benefit them in their future endeavors.

I kindly request you to grant permission for this workshop. Once approved, I will take full responsibility for the planning and organization of the event.

I look forward to your positive response.

Thank you for your consideration.

Yours sincerely,

Mr. Rajendra Kumar Sahu
Assistant Professor, Dept. of Electrical Engineering
Kalinga University, New Raipur

Dear Sir/Ma'am,

Greetings from Department of Electrical Engineering.

We are happy to inform you that Department of Electrical Engineering is organizing a Workshop on "Electrical Wiring Methods and Safety Measurement's"

Event Date and Time:

Date: 04-09-2024

Time: 10:00 AM to 12:30 PM

Venue: - Government Higher Secondary School Ganoud.

Resource Person: -

Mr. Rajendra Kumar Sahu Teaching Assistant

Department of Electrical Engineering, Kalinga University New, Raipur.

Event Organizer: -

Dr. Praveen Kumar Yadav
Assistant Professor & Mr. Ramesh Dhruw Department of Electrical Engineering, Kalinga University, Naya Raipur.

Event Poster:

Speaker: - Mr. Rajendra Kumar Teaching Assistant, Department of Electrical Engineering, Kalinga University New, Raipur.

The objective of Program:

To understand and apply the principles of electrical wiring methods, including the correct selection, installation, and maintenance of electrical systems, while adhering to safety standards and regulations. The course aims to ensure that learners can identify potential electrical hazards, implement safety measures, and comply with electrical codes to prevent accidents and ensure the safe operation of electrical installations.

Profile of Resource person (if applicable):

Resource Persons:
Mr. Rajendra Kumar
Teaching assistant of Electrical Engineering Kalinga University

Details of Program:

Department of Electrical Engineering, Kalinga University, New Raipur. (CG) had conducted an offline Workshop on "Electrical Wiring Methods and Safety Measurement's" at Government Higher Secondary School Ganoud, for the faculty members and students of 11 & 12. The resource persons Mr Rajendra Kumar, Teaching Assistant of Electrical Engineering Kalinga University, New, Raipur (C.G) to make aware the students and academics regarding latest updates on "Electrical Wiring Methods and Safety Measurement's "and a strong presence of enthusiastic ***82 students.***

CONCLUSION: - The session was very interactive and beneficial for the students and there was a fruitful question session after the lecture.

Program Outcome:

Fundamental Knowledge: Demonstrate a solid understanding of electrical wiring methods, including different types of wiring systems, materials, tools, and techniques used in residential, commercial, and industrial settings.

2. ***Safety Compliance:*** Apply industry-standard safety protocols and regulations (such as NEC, IEC, OSHA) in electrical wiring installations to ensure both personal and workplace safety.

3. ***Hazard Identification:*** Identify and assess potential electrical hazards, and implement preventive measures to mitigate risks associated with wiring, electrical components, and equipment.

4. ***Proper Installation:*** Exhibit proficiency in the proper installation, connection, and maintenance of electrical wiring systems, ensuring compliance with electrical codes and standards.

5. ***Troubleshooting Skills:*** Diagnose common electrical issues related to wiring systems and apply corrective actions to resolve these problems efficiently.

6. ***Use of Tools and Equipment:*** Safely and effectively use tools, instruments, and protective equipment required for electrical wiring tasks.

Number of Students participated: 82

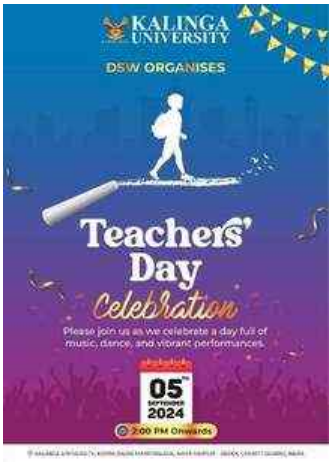
Event Poster: ***I nvitation***



Objective of Program:

The objective of the Teacher's Day celebration was to appreciate and honour the dedication, hard work, and contributions of teachers in shaping students' lives and society.
It aims to foster stronger teacher-student relationships, motivate educators, and promote a sense of community, while encouraging continuous learning and innovation in teaching practices.

Details of Program:

Kalinga University Naya Raipur celebrated Teachers' Day with great zeal at the University Auditorium on Thursday, 5th September 2024, in honour of the birth anniversary of Dr. Sarvepalli Radhakrishnan, an esteemed philosopher and former President of India. The event was graced by dignitaries who were welcomed with potted plants, followed by the ceremonial lamp lighting.

The welcome address was delivered by Dr. Sandeep Gandhi, Registrar of Kalinga University, who set the tone for a day filled with joyous celebrations. Respected Registrar sir also conducted a quiz competition based on the life of Dr. Sarvepalli Radhakrishnan, in which teachers enthusiastically participated. The winners of the quiz were awarded prizes, adding a competitive yet fun spirit to the occasion.

The celebrations saw teachers reciting beautiful poems in both English and Hindi, showcasing their literary talents. Engaging games like 'Passing the Parcel' with dare and a 'Gift Wrapping' competition with tied hands were played,

involving all the teachers and heads of departments, which brought a wave of laughter and enjoyment among the participants. In between as a refreshment tea & snacks box provided to all the participants.

Adding to the entertainment, teachers presented mesmerizing songs that captivated the audience, and everyone grooved to the beats of the Disc Jockey (DJ), making the event lively and memorable.

The auditorium was filled to capacity, and the event turned out to be a truly memorable experience for all the faculties and lab attendants of Kalinga University.

Program Outcome:

The event boosts their morale, reignites their passion for teaching, and encourages them to continue innovating in their profession. This celebration fosters a sense of pride, motivates teachers to keep striving for excellence, and strengthens their commitment to shaping future generations.

Speech and Essay Writing Competition

On Occasion of International Day of Clean Air for Blue Skies

Organized by

Green Club, Department of Zoology, Botany, and Microbiology

On

7th September 2024

Speech and Essay Writing Competition on International Day of Clean Air for Blue Skies 2024

Date: September 7, 2024

Venue: Auditorium, Kalinga University

Organizers: Green Club, Department of Zoology, Botany, and Microbiology

Sponsored by: Chhattisgarh Environment Conservation Board (CECB)

On September 7, 2024, Kalinga University proudly hosted the International Day of Clean Air for Blue Skies. The event aimed to raise awareness about air pollution and promote environmental sustainability, attracting 117 participants from various educational institutions in Raipur, including Hidayatullah National Law University, Shri Rawatpura Sarkar University, Amity University, and Kalinga University.

Program Objectives

1. ***Raise Awareness***: Educate participants about air pollution and its effects on health and the environment.
2. ***Encourage Engagement***: Foster active participation in discussions and competitions on environmental sustainability.
3. ***Promote Solutions***: Highlight technological advancements and strategies to mitigate air pollution.
4. ***Inspire Commitment***: Encourage participants to take the LiFE Mission pledge for sustainable practices.
5. ***Facilitate Networking***: Create a platform for collaboration and idea-sharing among students and professionals.

Inauguration

The event was inaugurated by ***Dr. R. Shridhar***, Vice Chancellor of Kalinga University, who emphasized the urgent need to enhance efforts in controlling air pollution. His address set a positive tone for the day's activities.

Keynote Speakers

Dr. Anita Savant, Senior Scientific Officer, CECB delivered an impactful talk focusing on air pollution in Chhattisgarh. She emphasized the significant challenges posed by air quality degradation, particularly due to mining activities in the region. She highlighted the detrimental effects of mining on air quality, noting that dust and emissions from these activities contribute to respiratory problems and other health issues in local communities. Dr. Savant also stressed the importance of individual actions in the fight against air pollution. She encouraged attendees to adopt small, daily practices that collectively contribute to cleaner air, such as using public transportation, reducing vehicle usage, supporting local green initiatives, and practicing energy conservation at home. Her talk served as a reminder that while systemic changes are essential, individual responsibility plays a crucial role in creating a healthier environment for future generations. Through awareness and small, actionable steps, everyone can contribute to the larger goal of improving air quality in Chhattisgarh and beyond.

Mr. R.K. Sharma, Superintendent Engineer, CECB, provided a broad overview of the technological interventions industries are implementing to combat air pollution. He highlighted several cutting-edge technologies that have been adopted to reduce emissions, such as advanced filtration systems, dust suppression methods, and real-time air quality monitoring tools. In his presentation, Mr. Sharma discussed future strategies aimed at further improving air quality. He emphasized the need for industries to embrace innovative practices and sustainable technologies, fostering a culture of continuous improvement. This includes investing in research and development to find new solutions tailored to local challenges. He encouraged the younger generation to actively participate in efforts to reduce air pollution by making conscious changes in their daily lives—such as using eco-friendly transportation options, minimizing waste, and promoting clean energy sources. Furthermore, he advocated for cultivating a scientific temper among youth, urging them to think critically and creatively in addressing environmental issues. By encouraging curiosity and innovation, Mr. Sharma believes the next generation can lead the way in developing solutions that will have a lasting impact on air quality and overall environmental health.

Competitions

The event featured a Speech and Essay Writing Competition, showcasing the talent and commitment of the participants. A total of 57 national and international students actively engaged in the competitions, presenting thought-provoking speeches and insightful essays on the theme of clean air and environmental sustainability.

Awards

Participants were recognized for their outstanding contributions, with cash prizes awarded as follows:

First Prize: Rs 2000
Second Prize: Rs 1500
Third Prize: Rs 1100
Three Consolation Prizes: Rs 500 each

In the Essay Writing Competition, Garima Agrawal from the Department of Journalism and Mass Communication, Kalinga University achieved 1st place, followed by Dipti Jain from Amity University in 2nd, and Amit Adarsh, Department of Zoology, Kalinga University, securing 3rd place. Asna Jabi from Department of Law, Kalinga University and Faizu Abba Ungogo from Department of Botany received consolation prizes, reflecting the broad spectrum of disciplines represented. In the Speech Competition, Aman Raj from Hidayatullah National Law University, Naya Raipur claimed the top position, with Masood Ahmed from Department of Law, Kalinga University and Shantanu Patel from HNLU claiming the 2nd and 3rd positions respectively. Consolation prizes were awarded to Jasmine Parveen from Shri Rawatpura Sarkar University and Koklo Z. Davis from Kalinga University, further underscoring the diverse contributions

from various institutions. Collectively, these competitions served to enrich the academic community through the sharing of varied perspectives and insights.

Total Participation – 117

The participation of students from various educational backgrounds was a standout feature of the event, enriching discussions with a wide array of perspectives. Many students shared heartfelt childhood memories of blue skies, evoking nostalgia, and a collective yearning for cleaner air. This emotional connection fueled their passionate calls for increased action against air pollution. Students from the journalism department highlighted the critical need for more robust dialogue surrounding climate change, stressing the importance of media engagement in raising public awareness and driving policy changes. Meanwhile, law students focused on various national and international legal frameworks designed to tackle the climate crisis, discussing how legislation can play a pivotal role in environmental protection. They also threw light on landmark Supreme Court verdicts related to air pollution, illustrating how judicial interventions have shaped policies and reinforced the need for stricter regulations. This diverse representation emphasized the multifaceted nature of the air quality issue and showcased a unified commitment among participants to advocate for cleaner air and a sustainable future.

Commitment to Action

All participants took the ***LiFE Mission pledge***, committing to environmental consciousness and sustainable practices. This pledge underscored their dedication to making efforts toward cleaner air and healthier skies.

Program Outcomes

1. ***Increased Awareness***: Participants developed a better understanding of air pollution and its impacts.
2. ***Active Engagement***: Enhanced student participation in environmental discussions and competitions.
3. ***Innovative Solutions***: Generation of creative ideas for reducing air pollution.
4. ***Commitment to Sustainability***: Many took the LiFE Mission pledge, committing to environmental actions.
5. ***Networking Opportunities***: Strengthened connections among students and environmental professionals for future collaboration.

Invitation of the Resourse Person (Sample)

KALINGA UNIVERSITY

Date: 24.08.2024

To,
Dr. Karishma Dhanmehar
Postdoctoral University of Lyon, France

Subject: Invitation to Deliver a Distinguished Lecture on **"The Power of Research in Elevating SME Competitiveness" on September 21st, 2024**

Dear Dr. Karishma Dhanmehar,

I hope this message finds you well.

As the Coordinator of the Faculty Development Program (FDP) at Kalinga University, it is my pleasure to extend an invitation to you to deliver a distinguished lecture on **"The Power of Research in Elevating SME Competitiveness"** on **September 21st, 2024**.

Your esteemed position as a Postdoctoral Researcher at the University of Lyon, France, and your extensive research experience position you as an ideal speaker for this session. We believe that your insights will greatly enhance the understanding of our participants and inspire innovative approaches to improving SME competitiveness through research.

We would be privileged to have you with us. Please let us know at your earliest convenience if you can accept this invitation.

Thank you for considering our request. We eagerly look forward to your positive response.

Dr. Lubhawani Tripathi <lubhawani.tripathi@kalingauniversity.ac.in> Tue, Aug 20, 12:18 PM
to dhanmeharishna, jagdishchandraharna

Respected Ma'am ,

I hope this message finds you well. I am writing to respectfully invite you to the upcoming Faculty Development Program (FDP) that we are organizing. The invitation letter and the detailed schedule for the FDP are attached with this message.

Your presence and participation in this program would be greatly appreciated.

Thank you very much for your consideration.

With warm regards,

Dr. Lubhawani Tripathi
Associate Professor, Faculty of Education

Objective of Program:

1. ***Enhance Global Perspectives:*** To broaden the understanding of faculty members by integrating international research insights, innovative practices, and emerging trends in higher education and SME development from global experts.

2. ***Foster***

Collaborative Learning: To create a platform for networking and collaboration between international and local academic professionals, promoting the exchange of ideas, knowledge, and best practices across various disciplines.

3. ***Empo***

wer Faculty for Research & Innovation: To equip faculty members with advanced skills and methodologies in research, teaching, and SME innovation, enabling them to contribute effectively to academic growth and the development of entrepreneurial ecosystems.

Profile of Resource person (Sample)

Profile: Dr. Karishma Dhanmeher

Dr. Karishma Dhanmeher is a Postdoctoral Researcher at the Institute of Physics of Two Infinities, University of Lyon, France. With an exceptional academic background, Dr. Dhanmeher holds a PhD in Experimental Nuclear Physics from the Institute of Nuclear Physics, Polish Academy of Sciences, Krakow, Poland (2023) and an MSc in Physics from the University of Mumbai (2015).

Dr. Dhanmeher's professional journey includes valuable roles such as a Scientific Assistant at the Homi Bhabha Center for Science Education, Mumbai, and a Science Educator at the Nehru Planetarium, Mumbai. Her diverse experience in both research and education highlights her expertise and makes her a key contributor to discussions on how research can elevate the competitiveness of small and medium enterprises (SMEs). Her deep insights and extensive research experience position her as an inspiring figure in academia, ready to share knowledge that bridges the gap between scientific innovation and practical applications for SME growth.

Resource Person/Judge: ***Day 1 - 09/09/2024***

Resource Person:

Name: Dr. Rajiv G. Vishvakarma

Designation: Pro Vice-Chancellor

Organization: Dr. APJ Abdul Kalam University, Indore (M.P.)

Day 2 - 10/09/2024

Resource Person:

Name: Ms. Mildred Accad

Designation: Faculty, Industrial Technology and Education

Organization: Sultan Kudarat State University, Philippines

Day 3 - 11/09/2024

Resource Person:

Name: Mr. Gaurav Goyal

Designation: Assistant Director

Organization: MSME DFO, Indore (M.P.)

Day 4 - 12/09/2024

Resource Person:

Name: Prof. (Dr.) Vaibhav Shrivastava

Designation: Pro Vice-Chancellor (Pro President)

Organization: Shri Khushal Das University, Hanumangarh, Rajasthan

Day 5 - 13/09/2024

Resource Person:

Name: Dr. Sachin Gupta

Designation: Assistant Professor; Assistant Coordinator

Organization: Mohanlal Sukhadia University, Udaipur, Rajasthan

Day 6 - 14/09/2024

Resource Person:

Name: Prof. Dr. Rajeev Chowdhury

Designation: Jt. Proctor and Dean, Students Welfare
Organization: SOS in Law, Raipur (C.G.)

Day 7 - 16/09/2024

Resource Person:

Name: Dr. (Prof.) C. D. Agashe
Designation: Director, Institute of Teachers Education
Organization: Pt. Ravishankar Shukla University (PRSU), Raipur (C.G.)

Day 8 - 17/09/2024

Resource Person:

Name: Dr. Sanjeev Patni
Designation: CEO, AIC Prestige & Director
Organization: Prestige Exponentia, Indore (M.P.)

Day 9 - 18/09/2024

Resource Person:

Name: Prof. C.S. Sharma
Designation: Professor
Organization: TBD

Day 10 - 19/09/2024

Resource Person:

Name: Dr. Kirti Prajapati
Designation: AssistanProessor
Organization: Department of B.Ed./M.Ed., MJP Rohilkhand University, Bareilly, Uttar Pradesh

Day 11 - 20/09/2024

Resource Person:

Name: Dr. Pramod Kumar Gupta

Designation: Assistant Professor, Teacher Education Department

Organization: Central University of Haryana, Mahendergarh, Haryana

Day 12 - 21/09/2024

Resource Person:

Name: Dr. Karishma Dhanmeher

Designation: Postdoctoral Researcher

Organization: University of Lyon, France

Day 13 - 23/09/2024

Resource Person:

Name: Dr. Krishna Kant Sharma

Designation: Dean, Faculty of Education

Organization: University of Kota, Rajasthan

Day 14 - 24/09/2024

Resource Person:

Name: Dr. Himanshu Sharma

Designation: Postdoctoral Researcher (Nuclear Physics)

Organization: University of Padova, Italy

Program Schedule:-

Date	Title	Resource Person	Designation
09/09/2024	Academic Synergy: Empowering SMEs through Research and Higher Education	Dr. Rajiv G. Vishvakarma	Pro Vice-Chancellor, Dr. APJ Abdul Kalam University, Indore

16/09/2024	Harnessing Educational Insights for SME Expansion	Dr. (Prof.) C. D. Agashe	Director, Institute of Teachers Education, PRSU, Raipur
17/09/2024	Academic Excellence in SME Transformation	Dr. Sanjeev Patni	CEO, AIC Prestige & Director, Prestige Exponentia, Indore
18/09/2024	Knowledge to Market: Academic Research Fueling SME Development	Prof. C.S. Sharma	Professor, Former Principle
19/09/2024	Cultivating Entrepreneurial Talent through Higher Education	Dr. Kirti Prajapati	Assistant Professor, MJP Rohilkhand University, Bareilly, Uttar Pradesh
20/09/2024	Academic Collaborations: Driving SME Innovation and Growth	Dr. Pramod Kumar Gupta	Assistant Professor, Teacher Education Department, Central University of Haryana
21/09/2024	The Power of Research in Elevating SME Competitiveness	Dr. Karishma Dhanmeher	Postdoctoral Researcher, University of Lyon, France
23/09/2024	Educational Frameworks for Sustainable SME Development	Dr. Krishna Kant Sharma	Dean, Faculty of Education, University of Kota, Rajasthan
24/09/2024	From Classroom to Boardroom: Higher Education's Role in SME Success	Dr. Himanshu Sharma	Postdoctoral Researcher, University of Padova, Italy

Details of Program: (9th September to 24th September)

Report on Faculty Development Program (FDP) - Day 1

Date: 9th September 2024
Topic: Academic Synergy: Empowering SMEs through Research and Higher Education
Resource Person: Dr. Rajiv G. Vishvakarma, Pro Vice-Chancellor, Dr. APJ Abdul Kalam University, Indore (M.P.)

Overview:

The ***first day*** of the ***International Faculty Development Program (FDP)***, held on ***9th September 2024***, was a resounding success, with ***Dr. Rajiv G. Vishvakarma***, Pro Vice-Chancellor of ***Dr. APJ Abdul Kalam University, Indore***, delivering an insightful session on ***"Academic Synergy: Empowering SMEs through Research and***

Higher Education." Attended by ***64 faculty members***, the session focused on the crucial role of academic research and higher education in driving innovation and growth for small and medium enterprises (SMEs). Dr. Vishvakarma introduced the concept of academic synergy, discussed research-driven strategies for SMEs, and highlighted how higher education institutions can contribute to entrepreneurial development and business success. The session was interactive, with participants actively engaging in discussions and sharing their experiences, making it a valuable and enriching start to the FDP.

Report on

“Workshop on Job Ready for BFSI”

On

10-09-2024

Title- "Workshop on Job Ready for BFSI"
Date: 10-09-2024
Time: 10.00 am to 01.00 pm
Event Type: Offline
Venue - Auditorium, Main Building, Kalinga University, Raipur C.G.
IOM/Circular: No

Event Poster: Yes

Invitation to the resource person:

Mr. Sajad Ahmed
Objective of Program:

1. To provide participants with a comprehensive overview of the BFSI sector, including its structure, key players, and current trends.
2. To equip participants with the necessary technical and soft skills required in BFSI roles.
3. To offer practical, hands-on training through case studies, simulations, or live projects that replicate real-world scenarios in the BFSI sector, enhancing participants' practical understanding and problem-solving skills.

Profile of Resource person:

Resource Person: 1

Name: Mr. Sajad Ahmed

Designation: BFSI expert from Team Arth Nirmiti

Organization: Arth Nirmiti

Program Schedule:

Title- "Workshop on Job Ready for BFSI"

Date: 10-09-2024

Time: 10.00 am to 01.00 pm

Event Type: Offline

Venue - Auditorium, Main Building, Kalinga University, Raipur C.G.

Details of Program:

"Bull"- Finance Club, Faculty of Commerce & Management, Kalinga University, offers students a platform to explore finance-related topics, network with industry professionals, and gain practical skills through workshops, competitions, and guest lectures. It aims to foster a strong community of finance enthusiasts eager to advance their knowledge and career prospects in the field. The ***Finance Club - Bull,*** successfully organized a workshop on ***"Job Ready for BFSI"*** in association with ***Arth Nirmiti*** on ***10th September 2024***. The workshop was attended by enthusiastic students from various departments, Club members and faculty members of the university. Their combined efforts made the event informative and engaging.

The event featured Mr. Sajad Ahmad, an expert from Arth Nirmiti, as the chief speaker, who shared valuable insights into the skills and competencies needed to excel in the Banking, Financial Services, and Insurance (BFSI) sector. Mr. Sajad Ahmad emphasized the growing demand for professionals in the BFSI sector and the importance of staying updated with the latest industry trends and technologies. He highlighted key skills such as financial analysis, risk management, digital literacy, and customer relationship management as crucial for success. The session also covered emerging areas like fintech, data analytics, and regulatory compliance, which are reshaping the landscape of the BFSI industry. Participants had the opportunity to engage in an interactive Q&A session, where Mr. Ahmad addressed their queries and provided practical advice on career growth in BFSI. The event concluded with a networking session, allowing attendees to connect with peers and industry professionals, further enhancing their learning experience. The workshop on ***"Job Ready for BFSI"*** stands as a testament to the commitment of the Finance Club - Bull in promoting awareness about the

BFSI Sector and equipping the participants with the tools necessary for sound Investment Planning, Portfolio Management and get ready themselves for Jobs in BFSI sector.

The event was conducted under the guidance of Dr. Deepti Patnaik, HoD (In-charge), Faculty of Commerce & Management, Kalinga University and effectively coordinated by Mr. Tushar Ranjan Barik and Mr. Rakshak Bharti, Assistant Professors & Faculty Coordinators of Finance Club- Bull. Early feedback from participants indicates a positive response to the workshop. The attendees expressed their gratitude for the valuable knowledge gained and the practical tips shared during the sessions. Buoyed by the success of this workshop, the Finance Club of Kalinga University plans to organize more such events in the future, focusing on different aspects of financial literacy to further enrich the academic and professional journeys of the participants. The workshop was a great success, empowering students with industry knowledge and enhancing their readiness for a career in the BFSI sector.

The workshop on BFSI is a testament to the commitment of the Finance Club in promoting financial awareness and equipping individuals with the tools necessary for sound financial management. The event was conducted under the guidance of Dr. Deepti Patnaik, HOD (in charge), Faculty of Commerce & Management, Kalinga University and coordinated by Mr. Tushar Ranjan Barik, Mr. Rakshak Bharti.

Program Outcome:

1. ***Enhanced Industry-Specific Skills and Knowledge***: Participants will demonstrate a comprehensive understanding of the BFSI sector, including key concepts related to banking, financial services, insurance, regulatory requirements, and emerging industry trends.
2. ***Improved Job Readiness and Employability***: Participants will develop job-ready competencies, including effective communication, problem-solving, and teamwork, along with the ability to apply industry-specific tools and techniques.

NIRAJ AGARWAL MOMORIAL INTER COLLEGIATE FOOTBALL CHAMPIONSHIP 2024

Date: ***12/09/2024 – 18/09/2024***
Event: ***Niraj Agarwal Memorial Inter Collegiate Football Championship 2024***
Organized by: ***Shera Krida Samiti Club***
Venue: Sapre Football Ground, Raipur
No. of participants: ***16***

The Kalinga University football team showcased exceptional talent and determination at the Niraj Agarwal Memorial Inter-Collegiate Football Championship, held from September 12th to 18th, organised by the Shera Krida Samiti club. The tournament featured a league cum knockout format, allowing teams to compete in a series of matches. Our players participated in three league matches, followed by two knockout matches against various universities and colleges. Throughout the tournament, the Kalinga University team demonstrated their dominance by consistently scoring goals and outplaying their opponents.

The players exhibited remarkable skills and teamwork on the field, earning praise from spectators and officials alike. Their hard work and dedication culminated in a well-deserved victory, as the team emerged as the champions of the tournament. This achievement not only highlights the talent within our university but also sets a benchmark for future competitions. Congratulations to the Kalinga University football team for their outstanding performance and for bringing home the championship trophy.

"Awareness session on Fundamental Right"

Organized by

Faculty of Law

In association with

Legal Aid Cell & OutLawed India

On

14th September 2024

Title- **"**Awareness session on Fundamental Right**"**

Date: 14th September 2024

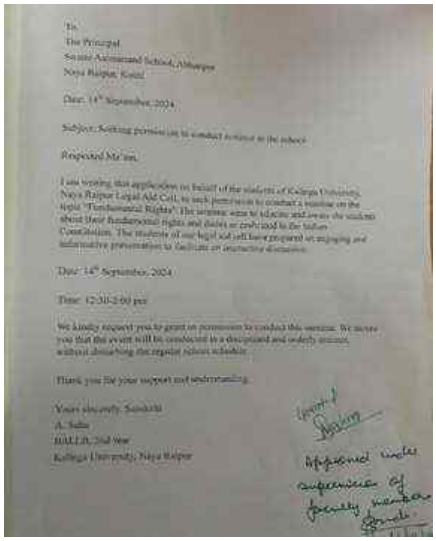
Time of event: 10:30AM-2:30PM

Event Type: Field Visit

Venue: 1. Govt. Higher Secondary School, Rakhi, Naya Raipur

2. Swami Atmanand School, Abhanpur

IOM/Circular:



To
The Principal
Swami Atmanand School, Abhanpur
Naya Raipur, Kotni

Date: 14th September, 2024

Subject: Seeking permission to conduct session in the school

Respected Ma'am,

I am writing this application on behalf of the students of Kalinga University, Naya Raipur Legal Aid Cell, to seek permission to conduct a session on the topic "Fundamental Rights". The purpose of the session is to educate and aware the students about their fundamental rights and duties as enshrined in the Indian Constitution. The students of our legal aid cell have prepared an engaging and informative presentation to facilitate an interactive discussion.

Date: 14th September, 2024

Time: 12:30-2:00 pm

We kindly request you to grant us permission to conduct this session. We assure you that the event will be conducted in a disciplined and orderly manner, without disturbing the regular school schedule.

Thank you for your support and understanding.

Yours sincerely, Sanskriti
A. Sahu
BALLB, 2nd year
Kalinga University, Naya Raipur

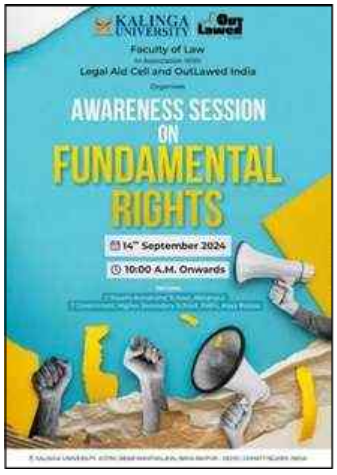
Event Poster:



Objective of Program:

1. ***Clarify Fundamental Rights:*** Educate students about their Fundamental Rights as defined by the Constitution.

2. ***Promote Gender Equality:*** Highlight rights and protections specifically related to gender equality.

3. ***Inform about Legal Protections:*** Provide information on legal resources and institutions available for protecting their rights.

4. ***Encourage Advocacy:*** Empower students to advocate for their own rights and those of others.

5. ***Create a Supportive Environment:*** Foster an environment where students feel safe to discuss and address rights-related issues.

Details of Program:

On 14th September 2024, the Faculty of Law at Kalinga University, in collaboration with the Legal Aid Cell and OutLawed India, organized an awareness session on Fundamental Rights for secondary and higher secondary students, focusing particularly on girl students. The event was held in two parts: at Govt. Higher Secondary School, Rakhi, Naya Raipur from 10:30 AM to 12:30 PM, and at Swami Atmanand School, Adhartal from 1:30 PM to 3:00 PM. The session

3rd Sem students, included a Q&A and role-playing scenarios. A group activity facilitated by Anuradha Sharma and Ankit Sahu involved discussing and presenting case studies on rights violations. Mr. Ranjan Kumar Ray provided the closing remarks, summarizing key points alongside Ms. Itishri Upadhyay.

At Swami Atmanand School, the program followed a similar structure. After a welcoming address, Mr. Ranjan Kumar Ray (In-Charge Legal Aid Cell) & Ms. Itishri Upadhyay again outlined the session's goals. Sanskriti A. Sahu delivered the keynote presentation, which was followed by an interactive session led by Tanishka and Vanshika. The group activity, guided by Anuradha Sharma and Ankit Sahu, engaged students in practical discussions on their rights. The session concluded with final remarks by Mr. Ranjan Kumar Ray and Ms. Itishri Upadhyay, reflecting on the session's impact.

Program Outcome:

1. Participants could:

- Understand Fundamental Rights: Gain a clear understanding of their Fundamental Rights, including the right to equality, education, and personal safety.

2. Participants were able to:

- Identify Rights Violations: Recognize and identify scenarios where their rights might be violated and understand the legal mechanisms available for protection.

3. Participants developed:

- Practical Skills: Engage in role-playing and interactive activities to apply their knowledge of rights in practical, real-life situations.

4. Participants learned:

- Advocacy and Support: Discover how to effectively advocate for their rights and seek support from legal aid services and institutions.

5. Participants achieved:

- Increased Confidence: Build confidence in their ability to address and discuss rights-related issues, contributing to a more informed and empowered student community.

Number of Students participated: 5 students of Kalinga University

Number of faculty participated: 02 faculties of Kalinga University

Title- Report on "NCC Selection Process Day"

Date: 17th September 2024

Time of event: 09:30 AM – 01:00 PM

Event Type: Offline

Venue: Auditorium & Sports Complex, Kalinga University

IOM/Circular:

KALINGA UNIVERSITY

Reference No.: KU/NCC/24-25/001 Date: 28/08/2024

NOTICE

Dear Students,

We would like to inform all first year Indian and Regular students from the NCC Department in Kalinga University has scheduled the NCC Selection Process Day for September 17th, 2024. This is a unique opportunity for those interested in joining the National Cadet Corps (NCC).

Selection Process Day Details:

Date: September 17th, 2024

Reporting Time: 9:00 AM Onwards

Venue: Auditorium, Kalinga

During the selection process, a qualified PI staff from 30(1) Girls BN will conduct assessments to determine your eligibility for NCC. With only 22 positions available, it's crucial that all interested students arrive promptly at the Auditorium for the selection.

Registration:

Please submit your names for approval by filling out the Google Form linked and QR mentioned below before the deadline on September 09th, 2024.

QR Code for Registration:

Google Form Link: https://forms.gle/YEEzxuUAmMMMN7Y7

Important Note: To join the WhatsApp group, the link to the group will be displayed after submitting the Google Form.

We look forward to your active participation on September 17th, 2024, as you take the first step towards becoming a part of the NCC.

Event Poster:

Objective of Program:

The objective of the NCC Selection Process Day was to carefully select 22 cadets from a group of 42 interested students for the 1st-year NCC batch. The selection was based on a set of well-defined criteria, including height, physical strength, eye vision, and general awareness. These criteria were designed to ensure that the chosen cadets meet the physical and mental standards required for participation in NCC activities. Beyond the selection itself, this process plays a crucial role in fostering leadership, discipline, and a sense of responsibility among the cadets. It also provides opportunities for their academic and personal growth, equipping them with the skills and values needed to make meaningful contributions to both their communities and the nation.

Program Schedule:

Date: 17th September 2024

Reporting Time: 9:30 AM

Venue: Auditorium, Kalinga University

Details of Program:

The NCC Selection Process was conducted to select 22 cadets for the first-year NCC batch from a group of 42 interested students at Kalinga University. In collaboration with PI Staff from the 8CG Girls Battalion, the process took place at the university auditorium. Students were evaluated on important criteria such as height, physical strength, eye vision, and general awareness to determine their eligibility for the NCC program. After careful assessment, 22 students successfully met the required standards and were selected, marking the beginning of their journey in the National Cadet Corps, where they will receive training in leadership, discipline, and responsibility.

Program Outcome:

1. Out of the 42 interested students, 22 cadets successfully secured a spot in the NCC's 1st-year batch, reflecting a competitive selection process.

2. The selected cadets now have the opportunity to take NCC as an elective subject in their academic curriculum, providing them with a valuable learning experience.

3. These cadets will receive specialized training to prepare for NCC camps and to earn the important B and C certificates, enhancing their journey in the NCC.

4. The cadets will be trained in drill and parade, giving them essential skills and knowledge for NCC activities and events.

5. Cadets will also be prepared to participate in Inter-Group Competitions (IGC) and the Republic Day Camp (RDC), both significant events in the NCC that will enrich their experience.

6. Number of Students participated: 23

7. Attendance Sheet:

Report on

Vishwakarma Puja.

Organized by

"Mechanical & Mining Engineering Department"

On

17.09.2024

Title-"Vishwakarma Puja***"***

Date: 17.09.2024

Time of event: 12:00AM Onwards

Event Type: Offline

Venue: Workshop ME Dept.

Objective of Program:

Vishwakarma Jayanti is a significant Hindu festival celebrated in honor of Lord Vishwakarma, who is considered the divine architect and craftsman. This festival is observed predominantly by people involved in various forms of craftsmanship, including artisans, engineers, architects, mechanics, and factory workers.

Mechanical Department celebrated September 17 as Vishwakarma Puja to pay obeisance to Lord Vishwakarma; regarded as the god of architecture and engineering. It was a resolution time for students and faculty to dedicate themselves to the cause of advancement of technology and gain divine inspiration for creating novel products.

Participant's Profile:

Faculties and lab staffs from Department of Mechanical, Mining, Electrical and students of the department of faculty of technology and other departments of Kalinga University

Description about the Program:

Every year on September 17, Vishwakarma puja is celebrated to mark the birth of Lord Vishwakarma, the architect. Lord Vishwakarma is the presiding idol of all architects. The Lord Vishwakarma is the official builder of all the God's palaces, and the designer of all celestial vehicles and weapons. Lord Vishwakarma is regarded as the God of architecture and engineering.

The Puja was performed within the workshop. The lab staffs and faculties decorated the place of workshop with flowers, colored stripes and balloons. Head of the Department of Mechanical Engineering Dr. V. C. Jha, faculty members, lab staffs and students of different department performed Puja with full devotion which was followed by the hawan aahuti, arti and Prasad distribution.

“INTRA INSTITUTIONAL START-UP COMPETITION & REWARD BEST START-UPS”

Organized by

“Infinity Club of faculty of Computer Science & Information Technology in Collaboration with IIC”

On

18/09/2024

Title- Intra institutional start-up competition & reward best start-ups

Date: 18/09/2024

Time of event: 11:00 AM-01:25 PM

Event Type: Offline

Venue: AI, ML and Robotics Lab, First Floor, MBFF-11, Kalinga University

IOM/Circular:

Objective of Program:

The objective of the ***Intra-Institutional Start-Up Competition & Reward Best Start-Ups*** program is to foster entrepreneurial spirit and innovation within an educational institution by:

Identifying and Nurturing Talent
Promoting Entrepreneurial Mindset
Providing Recognition
Building an Innovation Ecosystem
Supporting Early-Stage Start-Ups

This initiative is aimed at empowering aspiring entrepreneurs within the institution to transform their ideas into successful business ventures.

Program Schedule and Details of Program:

Welcoming of our chief guest and respected judge of the event Mr. Abhijeet Sharma, Chief Operating Officer, Kalinga University with potted plant on 11:00 AM.

A short speech was delivered by our anchor Ms. Ashu Nayak and all the rules of the competition was clearly announced by her.

Then main event was started from 11:15 AM onwards.

Program schedule is given in the below table.

Sl. No.	***Time***	***Team Leader***	***Problem Statement***	***Description***	***Score (50)***
1	11:15AM-11:30AM	Aditya Raj Panjiyara & Team (BTCS7)	Enhancement of Permanently Shadowed Regions (PSR) of Lunar Craters Captured by OHRC of Chandrayaan-2	They adopt RetinexFormer for lunar PSR imaging using Chandrayaan-2's DFSAR/OHRC data. They replaced illumination estimation with signal strength estimation. 35	
2	11:35AM-11:50AM	Shri Ram Dwivedi & Team (BTCSAIML3)	Real Time Zonal Occupancy Detection with automated energy management system	To address the issue of energy wastage in commercial and office spaces, they proposed an AI-driven solution that integrates real time zonal occupancy detection with automated energy management systems. 43	

3	11:55AM-12:10PM	Anshika Sahu & Team (BTCSAIML3)	Railway Barrier Defender	They proposed a solution to tackle the recent cases of derailment of railways due to the obstacles on the track. They came up with the idea by which the rail accidents can be prevented and loss of lives and resources of railways can be conserved.	37
4	12:15PM-12:30PM	Mahesh Kumar Shukla & Team (BTCS5)	Queuing models in OPDs/ availability of beds/ admission of patients and inventory management	They proposed a solution to implement an advanced queuing system that monitors patient flow in real-time, dynamically adjusting queues to minimize wait times and optimize wait times and optimize resource solution.	36
5	12:35PM-12:50PM	Robert M. Kamara & Team (BCSAIML3)	Empowering Farmers through Sustainable Agriculture	Their idea explored a groundbreaking initiative aimed at promoting sustainable agricultural practices and empowering small-scale farmers.	29
6	12:55PM-1:10PM	V. Sai Madhurai & Team (BTCSAIML3)	Solar Panel Leasing problem for high energy costs and Environmental on concerns	Their innovative idea was to lease the solar panels, based it will work or not, environment conditions and cost reduce.	31
7	1:15PM-1:30PM	Swaraj Kumar Behera & Team (BCSAIML3)	All your travel needs in one space	They proposed an innovative solution- Mytr Yatra which is a dynamic travel and tourism website designed to simplify and enhance the travel planning experience and also promotes vocal for local	37

After the completion of the competition, our chief guest come judge Mr. Abhijeet Sharma shared his opinion, feedback and guided the participants with his valuable suggestions.

The event was wrapped up with thanks giving note by our anchor.

Judegment By: Mr Abhijeet Sharma, Chief Operating Officer, Kalinga Incubation Foundation (KIF)

Winner: Shri Ram Dwivedi & Team (BTCSAIML3) ***No. of***

Participants: Total 7 teams (32 students) ***Benefits and***

Outcomes:

The Intra Institutional Start-up Competition & Reward Best Start-ups program is designed to foster innovation, entrepreneurship, and collaboration within an institution. Below are the potential benefits and outcomes of such a program:

Benefits

Encourages Entrepreneurship
Skill Development
Networking Opportunities
Access to Resources
Recognition and Motivation
Fosters a Culture of Innovation
Economic Impact

Outcomes

Start-up Formation
Increased Institutional Prestige
Stronger Institutional Support
Commercialization of Research
Cross-disciplinary Collaboration
Sustainable Entrepreneurship Ecosystem
Inspiration for Future Competitions

By rewarding the best start-ups, the competition encourages participants to strive for excellence, leading to tangible, long-term impacts on the institution and the wider community.

4. Details of the faculty member to accompany the students during visit / (Dr.Abhishek Agrawal & Dr. A Rajshekhar & Mrs. L. Jyoti Reddy)
5. Proposed Learning Outcomes from the Visit - The students experience to visiting historical sites will provide them with valuable insights in to the history and culture we are studying
6. Financial details of the Funds (if any) required for the visit / NA
7. Value addition/Enhancement from the proposed educational trip will be a valuable addition students learning experience.

Department of History & Geography

Place of Visit:- Sirpur, Chhattisgarh India Date:- 18th September 2024

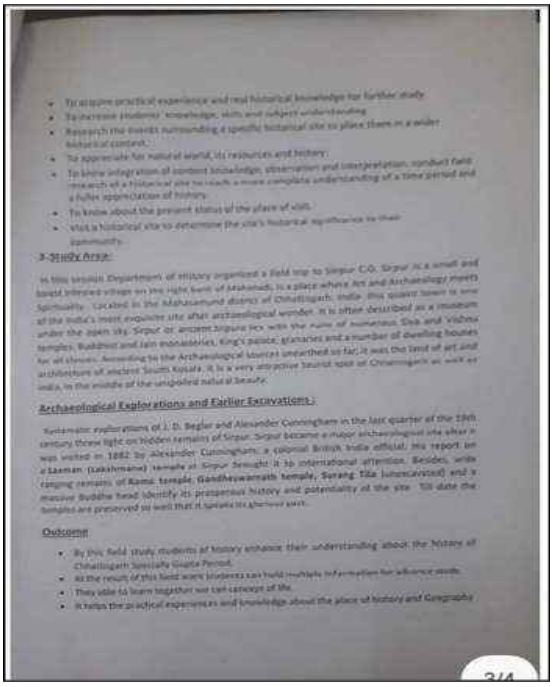
1. Introduction:

For students field study create opportunities for first-hand experience that encourage critical thinking, long -term retention, transfer potential, positive attitudes towards appreciation for nature and increased curiosity about the history which is lost or going to be lost. Keeping mind of this sense Department of History & Geography, Kalinga University, Naya Raipur C.G. has taken a programme for field study among the students of UG & PG students from the Academic Session 2024-25.

The Historical Site Visit provide an opportunity to apply previous knowledge, view real examples set in a worldly framework and opportunity to be involved, physically with real situation in the Archeology. All of this promises a deeper understanding of the subject being studied and an improved ability to recall the information and experiences, later, as needed. The field visit of B.A and MA program of Academic Session of 2024-25 was conducted by the Department of History & Geography Place of historical visit is Sirpur, Chhattisgarh India on 18th September 2024.

2. Objectives:

- Visiting a Historical Site provides students with an appreciation of the level of research conducted by social scientists as they examine a historical site.
- In lesson one, students work in groups to research the history of the site, the history of the people who lived there, the site's most important historical period, and how the site became historically important, and then to create a PowerPoint presentation about it.



- To acquire practical experience and real historical knowledge for further study.
- To increase students' knowledge, skills and subject understanding.
- Research the events surrounding a specific historical site to place them in a wider historical context.
- To appreciate the natural world, its resources and history.
- To know integration of content knowledge, observation and interpretation, conduct field research at a historical site to reach a more complete understanding of a time period and a fuller appreciation of history.
- To know about the present status of the place of visit.
- visit a historical site to determine the site's historical significance to their community.

2-Study Area:

In this session Department of History organized a field trip to Sirpur C.G. Sirpur is a small and forest infested village on the right bank of Mahanadi, is a place where Art and Archaeology meets Spirituality. Located in the Mahasamund district of Chhattisgarh, India, this quaint town is one of the India's most exquisite site after archaeological wonder. It is often described as a museum under the open sky. Sirpur or ancient Sripura lies with the ruins of numerous Shiv and Vishnu temples, Buddhist and Jain monasteries, King's palace, granaries and a number of dwelling houses for all classes. According to the Archaeological sources unearthed so far, it was the land of art and architecture of ancient South Kosala. It is a very attractive tourist spot in Chhattisgarh as well as India, in the middle of the unspoiled natural beauty.

Archaeological Explorations and Earlier Excavations :

Systematic explorations of J. D. Begler and Alexander Cunningham in the last quarter of the 19th century threw light on hidden remains of Sirpur. Sirpur became a major archaeological site after it was visited in 1882 by Alexander Cunningham, a colonial British India official. His report on it attracted international attention. Besides, while a **Laxman (Lakshmana) temple** at Sirpur brought it to international attention. Besides, while ranging remains of **Kama temple, Gandheswarnath temple, Surang Tila** (unexcavated) and a massive Buddha head identify its prosperous history and potentiality of the site. Till date the temples are preserved so well that it speaks its glorious past.

Outcome

- By this field study, students of history enhance their understanding about the history of Chhattisgarh specially Sharbha Period.
- As the result of this field work students can hold multiple information for advance study.
- They able to learn together we can campaign of life.
- It helps the practical experiences and knowledge about the place of history and Geography.

Post Visit Report:

Title: Student Presentation on an Industrial Visit at VISTAAR News Channel Raipur Chhattisgarh.

Date: 19th September, 2024

Time of Event: 12:25pm to 02:00pm

Event Type: Report Submission, PPT Presentation in offline Mode

Venue: WBFF 06, Kalinga University. ***IOM/Circular:***

Attached with this report

Event Poster: Not required

Objective of Program:

1. Understanding News Production and Broadcasting Process.
2. Exposure to Professional Roles and Responsibilities.
3. Networking and Professional Interaction.

Program Outcome:

The students enhanced their readiness for careers in journalism and mass communication. Additionally, they are established valuable industry connections and deepen their knowledge of real-world broadcasting operations.

Number of students presented their report:	***12***
Number of report submission:	***20***
Number of faculty attended the session:	***03***

2) Dean- Arts &Humanities
3) All Faculty Members Of A&H

Details of Program:

The Department of Journalism and Mass Communication recently conducted a student presentation session following an industrial visit. The purpose of this session was to assess the real outcomes of the visit, gauge students' learning, and identify improvements for upcoming visits, while allowing the faculty to evaluate the visit's impact on their understanding of industry practices. 12 students presented their reports during the scheduled presentation session. The remaining 08 students submitted their reports but were unable to present them on the scheduled date and time. The presentations covered various aspects of the students' experiences, including observations on media production workflows, the use of technology in journalism, and interactions with industry professionals. The session was conducted in the presence of the Dean of the faculty of arts and humanities and faculty members, ensuring a formal evaluation process. Students have submitted their power point presentation to the event coordinator.

"Workshop on Self-Defence Techniques"

Organized by

"NCC Department"

In collaboration with

"Sports Department"

On

19th September 2024

Title- Report on "Workshop on Self- Defence Techniques"

Date: 19th September 2024

Time of Workshop: 01:30 PM – 03:30 PM

Workshop Venue: Sports Complex, Kalinga University

Proposal Letter:

KALINGA UNIVERSITY

Established under Chhattisgarh Private Universities (Establishment and Operation) Act, 2005
Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492101
Mob: 93030 97043, Email – registrar@kalingauniversity.ac.in

Date: 21st August, 2024

To,
The Registrar
Kalinga University,
Naya Raipur, (C.G.)

Subject: Proposal to Organize a Self-Defense Workshop for Students.

Respected Sir,

I am writing on behalf of the NCC Department to propose a self-defense workshop for our students at Kalinga University. This workshop aims to impart essential self-defense skills to students, enhancing their confidence and ensuring their personal safety.

Workshop Details:

Instructor: Ms. Harsha Sahu
(International Karate Player, Black Belt, Honored with National Award in 2016, Self-Defense Expert)
Contact: 9827493935

Proposed Duration and Participation Fee:

We suggest offering two options for the workshop duration:

- **Option 1: 1-Day Workshop: ₹100 per student**
- **Option 2: 3-Day Workshop: ₹200 per student**

Ms. Harsha Sahu has graciously agreed to conduct the workshop at a nominal fee of ₹2,000 per day. To facilitate the workshop effectively, she will require the following equipment:

- A collar microphone
- Mattresses for safety during practical exercises

Benefits of the Workshop:

- Empower students with practical self-defense techniques
- Boost self-confidence and awareness among participants
- Provide a valuable learning experience that contributes to their overall personal development

We believe this workshop will be a meaningful addition to our university's extracurricular activities and will significantly benefit the student community. The nominal fee per student will help cover the instructor's fee and necessary equipment, ensuring the workshop is both accessible and effective.

I kindly request your approval to organize this workshop and seek your support in coordinating with the relevant departments to ensure its success.

Thank you for considering this proposal. I look forward to your favorable response.

Regards,

21/8/24
Dr. Neha Chandrakar
In charge, NCC Department
ANO, NCC Army Wing

DSW
Please plan one day workshop (2 hours)
Target = 50 students (Paid)
21/8/24

Event Poster:

Objective of Program:

The main objective of the Self-Defense Workshop was to teach participants important self-defense techniques to improve their personal safety and confidence. The workshop aimed to provide knowledge about basic self-defense skills, focusing on awareness and prevention. It also intended to promote physical fitness through hands-on training that developed strength and agility. By empowering participants, especially women, the workshop aimed to help them feel more confident in protecting themselves in difficult situations. Additionally, the workshop sought to raise awareness about the significance of self-defense within the university community, encouraging a proactive approach to personal safety. Lastly, it aimed to involve a diverse group of participants, fostering teamwork and building connections among attendees. Overall, the workshop aimed to create a safer environment and instill a sense of security among participants.

Program Schedule:

Date: 19th September 2024

Time of Workshop: 01:30 PM – 03:30 PM

Workshop Venue: Sports Complex, Kalinga University

Details of Program:

The Self-Defense Workshop was successfully conducted with a total of 70 students registered online, and 48 students actively participated in the event. Expert instruction was provided by Dr. D. Kalidoss and Ms. Neetu Singh from the Sports Department. They guided participants through various self-defense techniques, emphasizing practical applications and personal safety strategies. The workshop included demonstrations and hands-on training sessions, allowing students to practice in a supportive environment. The enthusiasm and engagement of the participants contributed to the workshop's success, creating an interactive atmosphere where students felt comfortable learning and asking questions. To conclude the event, refreshing rose water was served to all students, adding a delightful touch to the experience. Overall, the workshop effectively met its objectives while fostering a sense of community and empowerment among attendees.

Program Outcome:

1. Participants gained essential knowledge of self-defence techniques and personal safety strategies.
2. Improved physical fitness and coordination through practical training sessions.
3. Enhanced confidence among participants, particularly women, in their ability to protect themselves.
4. Increased awareness of the importance of self-defence and personal safety within the university community.
5. Fostered a sense of community and teamwork among attendees.
6. Actively participating students will receive certificates of participation, recognizing their commitment to personal safety and empowerment.

Number of Students registered online: 70

"One day Industrial Visit at Sarda Energy & Minerals Limited, Raipur".

Organized by

on

19.09.2024

Title- "One-Day Industrial Visit at Sarda Energy & Minerals Limited, Raipur"

Date: 19-09-2024

Time of event: 11.00 AM to 01.00 PM

Event Type: Offline

Venue: Sarda Energy & Minerals Limited, Industrial Growth Center, Siltara, Raipur. Chhattisgarh

Letter for Permission to Sarda Energy & Minerals Limited, Raipur.

Request for Permission for One-Day Industrial Visit on September 19, 2024

Dear Sir,

Greetings From the T&P Department, KORC Kalinga University !

We have pleasure in introducing Kalinga University, Naya Raipur and to inform that Kalinga University is established by the Government of Chhattisgarh as a Private University and it is notified in the Chhattisgarh State Gazette on March 25, 2011. This University is approved by the UGC, New Delhi under Sections 2(f) and 12(B) of the UGC Act of 1956 and is listed in the list of private universities maintained by the UGC on its web site (www.ugc.ac.in). It is also approved by AICTE, BCI, PCI, NCTE and MSC - DEB. It is pertinent to mention that we are the only university in Central India having UGC 12(B) approval and the 9th private University in the whole country to have this prestigious approval which is given primarily for research and Development. We offer a diverse range of programs in **Engineering, Management, Commerce, Law, General Sciences, Humanities, Journalism, Interior and Fashion Designing, Pharmacy, Education** and other programs.

Kalinga University is accredited by NAAC and it also has the distinction to become the only Private University in Chhattisgarh that features among 101-150 Top Universities in the Country in NIRF Rankings 2020, 2021 & 2024. Kalinga University has been placed in the rank band of 101-150 in the NIRF ranking 2022, 2023 & 2024.

As part of our curriculum, we believe it is essential for our students to gain practical insights into industry operations. Therefore, we seek your esteemed organization's permission to conduct a one-day industrial visit to **SEML** on **September 19, 2024.**

We propose to bring a group of approximately **99 individuals**, including faculty members and students from the Faculty of Technology. The students will include those from B.Tech in Mechanical and Electrical Engineering, as well as Diploma programs in Electrical, Mechanical, and Mining Engineering.

We request your kind approval for this visit, which will provide invaluable exposure and practical understanding of the operations at SEML. Your support will greatly contribute to our students' educational experience and professional development.

Thank you for considering our request. We look forward to your positive response and are happy to provide any additional information required.

Regards,

Training and Placement Officer,

Dear Sir,

Greetings from Sarda Energy & Minerals Limited !!

With reference to your request for One - Day Industrial Visit on 19th Sep 2024 has been confirmed from 11.00 AM to 01.00 PM

You may prepare the plan considering the below mentioned basic guidelines.

- Kindly share the list of students by 18th September 2024 to make necessary arrangement.
- All student must carry nose masks during the field visit
- Using camara and mobile camaras are restricted for students. (One designated person may capture the event photos)
- Minimum 2 facilitators from college to visit along with student to have administrative controls over students.

Looking forward for your conformation on the same.

Thanks & Regards,

Suresh CH

To

Registrar

Kalinga University

Atal Nagar, Naya Raipur (C.G.)

Subject: Request for One Day Industrial Visit Permission

Respected Sir

We are pleased to inform you that Electrical, Mechanical and Mining Engineering Department is scheduled an Industrial visit for the students of B.Tech, M. Tech and Diploma (All Semesters) for an industrial visit at **Sarda Energy & Minerals Limited, Industrial Growth Center, Siltara, Raipur, Chhattisgarh.**

The industrial visit will be on 19th of September 2024, from 11.00 AM to 01.00 PM. Approximately 60 students along with two faculty members (Dr. Shailesh M. Deshmukh (EE) and Mr. Gaurav Tamrakar (ME)) are going with students.

It is requested that please provide the necessary arrangements for the visit, such as transport facility on 19th of September 2024, from 9.00 AM to 03.00 PM.

We request you to grant permission for this industrial visit for the benefit of students and organization.

Thanking You Sir,

Forwarded to DHA for Kind Consideration

Mr. Shailesh Deshmukh
Assistant Professor,
Department of Electrical Engineering

Dr. Manoj Kumar Nigam
Professor & Head
Department of Electrical Engineering

Allowed & forwarded to Registrar Sir for final approval

Approved with transport facility

Objective of Program:

1. Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
2. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.
3. Industrial visit helps students to combine their theoretical knowledge of engineering operation with the practical knowledge of its actual functioning.
4. Industrial realities are opened to the students through industrial visits.
5. By way of interactions with the staff of the industry, students get more exposure towards the current work conditions of any industry.

Profile of Resource person (if applicable):

Resource Person 1: (If applicable)

Name: Suresh CH

Designation: Deputy Manager – HR (T&D)

Organization: Sarda Energy & Minerals Limited, Industrial Growth Center, Siltara, Raipur. Chhattisgarh

Resource Person 2: (If applicable)

Name: Parmanand Sen

Designation: Technician, Power plant.

Organization: Sarda Energy & Minerals Limited, Siltara, Raipur. Chhattisgarh

Program Schedule:

One – Day Industrial Visit on 19th Sep 2024 has been confirmed from 11.00 AM to 01.00 PM

Details of Program:

Kalinga University has been blending academic excellence with industrial knowledge. In this sequence the Department of Electrical and Mechanical Engineering took an initiative to organize a "One Day Industrial Visit" at ***Sarda Energy & Minerals Limited, Siltara, Raipur on 19th September 2024***, for the purpose of having a practical exposure of technical processes in the various units of the Plant. The visit was arranged for the Diploma, B. Tech and M. Tech students of all semester of Electrical and Mechanical Engineering department of Kalinga University, Naya Raipur (CG).

Sarda Energy & Minerals Limited (SEML), incorporated in 1973, is the flagship company of Sarda Group. SEML is one of the lowest cost producers of steel (Sponge Iron, Billets, Ferro Alloys, Mining, Power, Pellets, Iron Ore, Wire Rod Mill, Eco Bricks) and one of the largest manufacturers and exporters of Ferro alloys in India. Headquartered in Raipur, Chhattisgarh, the company merged Chhattisgarh Electricity Company Limited (CECL) with itself in 2007 with a vision to becoming a leading energy and minerals company.

Over the last three decades the company has continuously diversified its product portfolio to include many customized value added products. The company firmly believes in benchmark product quality, customer centric approach, people focus, ethical business practices and good corporate citizenship. Building on these values, SEML has become the supplier of choice for many domestic and international customers across more than 60 countries. SEML is listed on Bombay Stock Exchange (504614) and on National Stock Exchange of India Limited (SARDAEN).

Orientation Programmed is held for the students in the seminar hall for detailed instructions related to safety protocol during the plant visit. A total of ***58 students*** of electrical, Mechanical & Mining engineering visited the industrial setup of SEML, Raipur where they had a practical look on the various Electrical & Mechanical maintenance and operation of steel and iron ore manufacturing processes. Students were also visited captive power plant and leaned about the controlling and monitoring the power plant. This industrial visit provided them a closer look as to what industry is looking forward in an upcoming electrical engineering graduates.

Mr. Suresh CH, Deputy Manager – HR (T&D), Sarda Energy & Minerals Limited, Siltara, Raipur, took the initiative of organizing Industrial Visit for our students with the assistance of Mr. Parmanand Sen, Technician, Power plant.

The faculty in-charges for the Industrial Visit were ***Dr. Shailesh Deshmukh and Mr. Gaurav Tamrakar*** who coordinated the students safely by guiding them inside the industry and successfully conducted the industrial visit at Sarda Energy & Minerals Limited, Siltara, Raipur.

The Industrial visit organized by under the guidance of ***Mr. Pankaj Tiwari***, Director, and ***Mr. Arup Haldar***, Training and Placement Officer, Career & Corporate Resource Centre, Kalinga University, Naya Raipur.

The Industrial visit was organized under the supervision of ***Dr. Vinay Chandra Jha***, Professor & Head, Department of Mechanical Engineering and ***Dr. Manoj Kumar Nigam*** Professor & Head, Department of Electrical Engineering, Kalinga University, Raipur.

Registrar, Dr. Sandeep Gandhi, Dean of Academics Affairs, Dr. Rahul Mishra and the Management of Kalinga University, Raipur encouraged the students and the faculty members for conducting more similar industrial visits for the students and develop a healthy Industry Institute Collaboration.

Program Outcome:

1. It encourages innovative thinking and problem-solving by exposing them to real challenges faced by industries.
2. Helps students to understand the functioning of the industry
3. Provides an insight into the real working environment
4. Provides an opportunity to plan, organize and engage things
5. A good opportunity to interact with the experts
6. Helps to enhance their interpersonal skills
7. Learning Experience

Number of Students participated: 58

Number of faculty participated: 04

1. Dr. Shailesh Deshmukh, Assistant Professor, Electrical Engineering.
2. Mr. Gaurav Tamrakar, Assistant Professor, Mechanical Engineering.
3. Mr. Akash Ingale, Assistant Professor, Electrical Engineering.
4. Mr. Yogesh Kumar, Assistant Professor, Mining Engineering.

Event Poster:

Objective of Program:

The objective of Yuva Utsav 3.0 is to inspire and empower the youth of Chhattisgarh by fostering discussions on entrepreneurship, innovation, and skill development. The program aims to equip young individuals with the knowledge and tools to become job creators rather than job seekers, in alignment with India's vision of self-reliance and development by 2047. Through panel discussions, motivational speeches, and interactive sessions, it seeks to motivate the next generation to embrace new-age technologies and entrepreneurial opportunities.

Program Schedule:
Departure from University: 09:15 AM
Utsav: 10:00AM-5:00PM

Yuva

Details of Program:

1. ***Opening Remarks***

Speaker: Mr. Kavit Passary (Chair, Yi Raipur Chapter)

Details:
Mr. Passary introduced the Young Indians (Yi) initiative and the purpose of the program. He gave an inspiring overview of how the event aimed to foster youth engagement, skill development, and entrepreneurial spirit.

2. ***Cultural Performances***

Performers: Students from Kopalwani

Details: Students from Kopalwani performed cultural acts, showcasing local traditions and creativity.

3. ***Panel Session:*** Local Roots, Global Impact

Panelists:
Mr. Prashant Kesharwani (Managing Director, Audi Raipur)
Mr. Dhruv Goel (CEO, Big MINT)
Mr. Somesh Sharma (Co-Founder, Augtech Nextwealth)

Details: This session featured successful homegrown entrepreneurs who shared their journeys of building businesses that have expanded both nationally and internationally. They discussed their challenges, triumphs, and strategies, offering insight and inspiration to the youth.

4. Theme Address:

Speaker: Ms. Anuja Bhandari (Chair, Yi Raipur)

Details: Ms. Bhandari delivered a theme address, emphasizing the role of youth in shaping the future and how entrepreneurial spirit could help solve global and local challenges.

5. Inaugural Address by Chief Minister

Speaker: Chief Minister Shri Vishnu Deo Sai

Details:

Shri Vishnu Deo Sai gave the inaugural address, focusing on skill development and promoting entrepreneurship. He emphasized youth's pivotal role in building a self-reliant and developed India, aligning with Prime Minister Narendra Modi's vision. He discussed introducing technical subjects like robotics and AI, establishing five new CITs, and creating employment opportunities in Chhattisgarh. The state is also promoting entrepreneurship through the Chhattisgarh Udyam Kranti Yojana, with interest-free loans for youth. Nava Raipur is being developed as an IT hub, and there's a significant focus on the food processing industry. Additionally, he honored the heads of various institutes, recognizing their contributions.

6. Keynote Speaker

Speaker: Ms. Alina Alam (Founder & CEO, MITTI Cafe)

Details:

Ms. Alam delivered a motivational speech, highlighting her entrepreneurial journey, the challenges she faced, and her vision for MITTI Cafe. She emphasized inclusivity and determination in business.

7. Panel Discussion: From Followers to Fortunes

Panelists:

Mr. Jitendra Choudhary (Instagram Growth Coach)

Mr. Yogesh Agrawal (Founder, REVAMP Tribe)

Mr. Shashwat Amrev (Founder, AMREV X Academy)

Details:

This panel discussed how to leverage social media, particularly Instagram and LinkedIn, to grow personal brands or businesses. The panelists shared strategies for turning a digital presence into entrepreneurial success.

8. Student Awards & Oath Ceremony

Awards

Presented by: Raipur Commissioner

Details:

Awards were presented to recognize outstanding student and institutional achievements:

Best College for Road Safety: ITM

Best College for Health: AMITY

Best College for Accessibility: Anjaneya

Best College for Climate Change: Disha

Best College for Learning: Disha

Best College for Entrepreneurship: Disha

Best College for SIG: Amity

Best Reel: Karsh Verma (SSIPMT)

Best Poster: Afzal (RITEE)

Fastest 200 Registrations for Yuva Utsav: SSIPMT

Maximum Registrations for Yuva Utsav: Disha

Most Active EC of the Year: ITM

9. Entertainment Segment

Performance: Stand-up comedy by Mr. Vivek Samtani

Details:

The event concluded with a stand-up comedy performance by Mr. Vivek Samtani, providing entertainment and humor for the audience.

In addition, all students and guests were provided lunch at the venue. Yi made excellent arrangements for everyone, ensuring that all participants were well taken care of.

Program Outcome:

Yuva Utsav 3.0 was an impactful platform for engaging Chhattisgarh's youth in discussions on entrepreneurship, technology, and leadership, driving forward the vision of a self-reliant and developed India by 2047. The event

successfully combined knowledge-sharing sessions with entertainment, leaving participants inspired and motivated to contribute to India's growth journey.

The CII and Yi's initiative, along with the active participation of state leaders and industry experts, highlights the critical role of youth in shaping the future of the country.

The Dean

Arts and Humanities

Kalinga University, Raipur

Dear ma'am,

Subject: *Request for Approval to Organize EcoVision: Expressing En*
& Climate Change through Faces/ Henna/Posters" Competition

I am writing to inform you that the Department of Public administration is planning
organize a painting competition which include face painting, henna design and poste
making titled "EcoVision" Expressing Environment & Climate Change through Fac
Henna/Posters" Competition.

The primary objective of the competition is to foster environmental awareness and i
positive action on climate change through creative artistic expressions. By utilizing
mediums such as face art, henna designs, and posters, the competition aims to engag
participants in visual storytelling that highlights the importance of sustainability,
conservation, and the need for urgent global responses to protect our planet for futur
generations.

The event is scheduled to take place on Tuesday,17 September 2024. We are
participation from students both within Kalinga University and from other institut
attached document contains the brochure content, including the rules and proce
registration, for your reference.

I kindly request your approval and support to proceed for the conduction of this com

Thank You

Yours Sincerely

Event Poster:

Invitation to resource person:(If applicable)- NA Objective of

program:

1. ***Encourage Creativity and Artistic Expression***: Provide students with a platform to explore and showcase their creative talents through diverse forms of art such as face painting, henna designing, and poster making.
2. ***Promote Environmental Awareness***: Inspire participants to think critically about environmental issues and express their understanding of nature's beauty, as well as the importance of protecting and preserving our natural world.
3. ***Foster Healthy Competition and Collaboration:*** Create an opportunity for students from different institutions to engage in friendly competition, fostering collaboration, exchange of ideas, and peer learning.
4. ***Boost Personal Growth and Confidence***: Enhance students' self-expression, artistic confidence, and problem-solving skills by allowing them to convey complex messages about nature through visual art.
5. ***Encourage Community Engagement***: Raise awareness among the broader community about the importance of environmental protection and appreciation of nature through the artistic works produced during the event.

These competitions aim to blend art with advocacy, nurturing both talent and responsibility toward nature.

Details of the program :

As of initives taken by kalinga University to conduct Departmental activities the program was organised to bring out the artistic talent among the student by face, henna and poster making competition with title of Eco Vison: Expressing Environment & Climate Change on 20 september 2024 .he aim of this program is to cultivate a deeper connection between students and nature by harnessing the power of creative expression.

Enhanced Environmental Awareness: articipants and attendees will develop a greater understanding of the importance of nature and the need for its conservation, which will be reflected in their artistic expressions.

Improved Artistic Skills

Students will gain valuable experience in different art forms, such as face painting, henna designing, and poster making, thereby improving their creative and technical abilities.

Stronger Sense of Responsibility toward Nature: By engaging in themes related to the environment, participants will develop a deeper sense of responsibility toward nature and be more motivated to contribute to its preservation.

Recognition of Talent: Participants will have the opportunity to showcase their skills in a public forum, boosting their confidence and receiving recognition for their talents.

Number of students participated:14 and there partners:10(for face and henna) total 24 Number of registered

participate :16

Number of faculty participated: 11

Subject: - Regarding postponement of fingerprint workshop schedule on 13.09.24 to 20.09.24

Respected sir,

The Department of Forensic Science, Faculty of Science planned a fingerprint workshop event which was scheduled on 13.09.24. In this activity we want to have more interaction of students from other universities. For the same we require more time for registration process. Hence I request to allow us postponement of the event to 20.09.24. The details of the event are as follows; -

Title: **"Fingerprint Forensics: Hands-On Training in Latent Print Development"**
Date: - 20.09.2024
Time: - 10:00 am to 3:00 pm
Participants: - Students/research scholars from Kalinga as well as other universities
Mode of Session: - Offline
Venue: Main building 4th floor Room no. 19, Kalinga University
Registration fees: Student - 500/-
Research scholar - 700/-
Convener: Dr. B. Jayakumar
Dean, Faculty of Science
Resource person: - Ms. Neelam Ahirwar
Assistant Professor
Department of Forensic Science
Activity coordinator: - 1) Mr. Sumita Chakraborty, Assistant Professor Department of Forensic Science
2) Mr. Nirmal Shirkar, Assistant Professor Department of Forensic Science
Enclosure: -

Objectives of the Workshop:

 Understanding Fingerprint Fundamentals: Introduce participants to the basic principles of fingerprint analysis, including ridge patterns and classification systems.

 Latent Print Development Techniques: Provide hands-on training in various techniques for developing latent prints, such as powder dusting and chemical methods.

 Practical Application: Allow students to apply learned techniques on real-life scenarios, enhancing their investigative skills.

 Equipment Familiarization: Familiarize participants with the tools and technologies used in fingerprint forensics.

 Evidence Collection Procedures: Teach best practices for collecting and preserving fingerprint evidence at crime scenes.

 Analysis and Comparison: Train students on how to analyze and compare developed fingerprints with known prints.

 Understanding Legal Implications: Discuss the legal aspects of fingerprint evidence and its role in criminal investigations.

 Problem-Solving Skills: Encourage critical thinking and problem-solving through case studies and hands-on exercises.

 Collaboration and Teamwork: Foster teamwork by having participants work in groups to solve forensic challenges.

 Career Path Insights: Provide information about career opportunities in forensic science, particularly in fingerprint analysis and law enforcement.

Date: 20.09.2024

Registration link: https://docs.google.com/forms/d/1JwR2Ot6Wkfg3kQBqIYJQCCNwaDu1QPH5-E2-T1ZOegM/edit
Registration fees: 500/-
Resource Person: Ms. Neelam Ahirwar, Assistant Professor Department of Forensic Science
Convenor: Dr. R Jayakumar
Organising committee members:

1. Ms. Somita Chakraborty, Assistant Professor Department of Forensic Science
2. Mr. Savion Shakeer, Assistant Professor Department of Forensic Science

Event Poster:

The objective of the Program:

- ***Practical Skills***: The workshop gave hands-on practice in developing latent fingerprints, using techniques like powder dusting and chemicals. This helps students prepare for future forensic investigations.

- ***Fingerprint Basics***: Participants learned about fingerprint ridge patterns, classification, and individual characteristics, which are key for forensic science studies and careers.

- ***Legal and Ethical Understanding***: The program taught about the legal side of fingerprint evidence, its use in court, and the ethical responsibilities of forensic professionals.

- ***Teamwork***: Through group activities, students practiced teamwork, which is essential for working with law enforcement and others in real-life forensic cases.

Profile of Resource person:

Resource Person: Fingerprint Expert
Name: ***Ms. Neelam Ahirwar***
Designation: Assistant Professor, Department of Forensic Science
Organization: Kalinga University

Profile of resource person: Ms. Neelam Ahirwar is a fingerprint expert who is currently posted as Assistant Professor, I/n HOD in the Department of Forensic Science, Kalinga University, Raipur, C.G. India. She is a post graduate in Forensic Science with Forensic Dermatoglyphics as her major subject. She has completed training from State Forensic Science Laboratory which involves training in various division, handling of samples, analysis of evidences and working on sophisticated instruments like VSC, Stereo microscope, ESDA etc.

She is very active with research works and has participated in multiple National, International conferences and workshop related to her subject. She has published 1 patent in June 2023.Her areas of research include methods of latent impression development and recent advancements in fingerprinting techniques. In 4 years of her professional career, she has taught subjects like Questioned Document, Forensic Medicine and Toxicology, Crime and Society, Law, General Forensic Science, Instrumentation and many more to over 500 students and has guided 5 students in their dissertation work. Ms. Ahirwar has been an active member of organizing committee in various national conferences, guest lecture and hands on workshop of fingerprint. She has publication in scopus indexed and peer reviewed journals and chapter published in books of reputed publishing houses.

Program Schedule: Program was scheduled at 10:00 AM to 3:00 PM in offline mode
Details of Program:
Department of Forensic Science, faculty of science organized a Workshop titled “Fingerprint Forensics: Hands-on Training in Latent Print Development”. The Workshop was offline and it was organized in the presence of Dr. R. Jayakumar, Resource Person Ms. Neelam Ahirwar, Mr. M.D Alim, Ms. Vaishali Sinha, Ms. Paheli Sharma, Ms. Somita Chakraborty, Mr. Savion Shakeer and all participants. The workshop was executed and led successfully.

The event was part of the departmental activity of forensic science since its inception in 2022. The event provided invaluable insights into the world of fingerprint forensics. It was inspiring to see the passionate individuals eager to uncover the mysteries of fingerprints. The session started with welcome address delivered by Ms. Vaishali Sinha ,Assistant Professor, Department of forensic science .The workshop comprises of following Practical's which were demonstrated by Ms. Neelam Ahirwar and in the presence of 5 volunteers named Ms. Aiyesha Noorie, Ms. Sefali Verma, Ms. Khushi Verma ,Ms. Shweta Mishra, Mr. Arya Prabhat Tiwari. The Practical's were:

1. To perform plain and rolled fingerprints on ten digit card
2. To develop latent prints by using powder method
3. To develop latent prints by using chemical method

The Workshop was started at 10:00 AM and was successfully concluded by 3:00 pm. Vote of thanks was delivered by Ms. Neelam Ahirwar, Assistant Professor, and Department of forensic science. Certificates were distributed by Dr. R.Jayakumar sir and Ms. Neelam Ahirwar. Participants include Students from Kalinga University and SAGE University

Program Outcome:

- ***Cross-Institutional Participation***: The workshop attracted students from Kalinga University and SAGE University, encouraging networking and knowledge exchange among students from different institutions.

अन्तर–कार्यालयीन आदेश

Received on 20/09/24

दिनांक 21.09.2024 समय पूर्वाह्न 11:30 बजे श्री रावतपुरा सरकार यूनिवर्सिटी का वृक्षारोपण समारोह का आयोजन किया जा रहा है जिस हेतु कुलसचिव कलिंगा विश्वविद्यालय की आपकी ड्यूटी लगाई जाती है।

आपको दिनांक 21.09.2024 को श्री रावतपुरा सरकार यूनिवर्सिटी के वृक्षारोपण समारोह में उपस्थित होकर आवश्यक प्रतिवेदन प्रस्तुत करें।

20/09/2024

श्री दीपक गांधी
कुलसचिव

Event Poster:

Objective of Program:

The objective of attending the convocation ceremony at Rawatpura Sarkar University on behalf of Kalinga University is to represent and honor the collaboration or relationship between the two institutions. It provides an opportunity to acknowledge academic achievements, strengthen institutional ties, and support the shared goals of education and excellence. Additionally, it fosters goodwill, promotes networking, and encourages mutual recognition of academic accomplishments between the universities.

Details of Program:

1. The event began with an ***academic procession*** featuring faculty, dignitaries, and university administration, all dressed in academic regalia. Accompanying the procession were enchanting ***shlokas*** chanted by pandits, adding a traditional and spiritual atmosphere to the ceremony. This combination of academic formality and cultural richness set a profound tone for the celebration.
2. The attire for the event was traditional, featuring participants dressed in cultural garments, complemented by ***safas*** (turbans) as headgear.

3. ***Welcome and Address***: University officials deliver welcome speeches, highlighting the significance of the event.

4. The convocation ceremony had the honor of hosting the Governor of the state, Honorable Ramen Deka, as the Chief Guest. His presence added prestige to the event, and his speech likely provided inspiration and guidance to the graduates as they embarked on their future journeys. The involvement of such a distinguished personality emphasizes the significance of the ceremony for the students, faculty, and the institution.

5. At the convocation ceremony, the gold medalists were honoured by receiving their certificates from the Chief Guest, Honorable Governor Ramen Deka. This prestigious moment not only recognized their academic excellence but also made the occasion more memorable by having such an esteemed figure personally present the awards.

6. The convocation ceremony also featured Professor D.P. Singh, Chancellor of the Tata Institute of Social Sciences, Mumbai, and former Chairman of the UGC, as a distinguished guest.

7. An honorary degree was awarded to Dr. Surendra Dubey, Padma Shri' former secretary Official Language Commission, Chhattisgarh and Shri Prahlad Singh Tipanya, Padma Shri famous folk singer during the convocation to recognize the recipient's remarkable contributions in their field. This prestigious honour serves as an inspiration for the graduates, highlighting the importance of excellence and societal impact.

Number of KU Staff Attended- 02

1. Lt. Vibha Chandrakar, In-charge DSW
2. Mr. Aashish Rawat, Assistant Registrar

Program Outcome:

The program outcomes of attending the convocation ceremony at Rawatpura Sarkar University on behalf of Kalinga University include representing Kalinga University, fostering academic collaboration, recognizing excellence, building networks, enhancing leadership and communication skills, promoting institutional goodwill, understanding the process of the convocation ceremony, and strengthening ties between students and alumni of both universities.

Report on "WORLD PHARMACIST'S DAY" Organized by

"Faculty of Pharmacy,

Kalinga University"

On

25th SEPTEMBER 2024

Title- World Pharmacist's Day Celebration on theme- "Pharmacist Meeting Global Health Needs"

Date: 25.09.2024

Event Type: Offline

Venue: Pharmacy Building, Kalinga University

Event Poster

Objective of Program:

1. To recognize and honor pharmacists' vital role in healthcare systems worldwide.
2. It aims to raise awareness about the importance of pharmacists in promoting health, ensuring safe medication use, and improving patient outcomes.
3. Encourage students to engage with the theme and reflect on their future contributions to the healthcare system.
4. Foster creativity, knowledge, and teamwork through interactive and competitive activities

Events Schedule:

Sl. No	*Title*	*Time*
1	Rangoli Competition	1.15-2.15 PM
2	Quiz Competition	2.20-3.10 PM
3	Poster Presentation	3.15-3.40 PM

Details of program:

The event was organized to recognize pharmacists' contributions to healthcare and to spread awareness of their crucial role in meeting global health needs. The theme for this year's celebration was ***"Pharmacist: Meeting Global Health Needs."*** The day was marked with a series of engaging events, including a ***Quiz, Poster, and Rangoli competitions,*** which saw the enthusiastic participation of students. The Event was organized under the guidance of ***Dr. Sandip Prasad Tiwari (Principal)*** Faculty of Pharmacy. The event was coordinated by ***Dr. Indu Lata Kanwar, Ms. Rashmi Sinha, Mr. Naimish Nanda, Mr. Mritunjay Bhanja*** with an organizing committee including Mr. Pranjul Shrivastava, Mr. Ayushman Roy, Mr. Smruti Ranjan Dash, Ms. Khushboo Gupta, Dr. Rupali Bharti Sao, and Ms. Rashmi Pandey.

Event Highlights:

Quiz Competition: The Quiz competition was one of the key attractions of the celebration. Teams from various batches participated, showcasing their knowledge of pharmaceutical sciences, drug regulations, and current trends in global health. The quiz covered a wide range of topics such as:

- Pharmacy history and milestones.
- Pharmacology, drug interactions, and healthcare advancements.
- The role of pharmacists in global health crises.

The competition was conducted in multiple rounds, and the top three teams were awarded prizes.

2. Poster Competition: Students expressed their creativity and ideas through the Poster competition, based on the theme, ***"Pharmacist: Meeting Global Health Needs."*** The posters were evaluated on the basis of:

- ***Creativity and Space Division***
- ***Detailing***
- ***Visual appeal and presentation.***

Rangoli Competition: The Rangoli competition added a vibrant cultural touch to the celebration. Teams of students created beautiful rangolis inspired by the theme, incorporating symbols of healthcare, the pharmaceutical industry, and global unity. The participants showcased their artistic talents while conveying powerful messages about the importance of pharmacists in ensuring global health and well-being.

Program Outcome:

1. Through the various competitions and activities, students not only gained a deeper understanding of the theme but also celebrated the profession of pharmacy.
2. The event fostered a sense of pride in the role of pharmacists in meeting global health needs and emphasized their contribution toward building healthier communities worldwide.
3. The faculty and organizing committee expressed their gratitude to all the participants, guests, and sponsors for making the event memorable and meaningful.

Press Release: कलिंगा विश्वविद्यालय में फार्मासिस्ट दिवस मनाया गया

https://theruralpress.in/2024/09/28/pharmacist-day-celebrated-at-kalinga-university/

वैश्विक स्वास्थ्य में फार्मासिस्टों के योगदान को कलिंगा ने दिया सम्मान

रायपुर, 29 सितम्बर। कलिंगा विश्वविद्यालय ने बताया कि विश्व फार्मासिस्ट दिवस हर साल 25 सितंबर को मनाया जाता है, ताकि वैश्विक स्वास्थ्य में फार्मासिस्टों के महत्वपूर्ण योगदान को सम्मानित किया जा सके। यह वार्षिक कार्यक्रम विश्व स्वास्थ्य संगठन के साझेदार, अंतर्राष्ट्रीय फार्मास्युटिकल फेडरेशन (स्नद्धक) द्वारा आयोजित किया जाता है, जिसका उद्देश्य दुनिया भर में स्वस्थ समुदायों के निर्माण और स्वास्थ्य देखभाल प्रणालियों को समर्थन देने में फार्मासिस्टों की अपरिहार्य भूमिका को उजागर करना है।

विश्वविद्यालय ने बताया कि विश्व फार्मासिस्ट दिवस 2024 का विषय, 'फार्मासिस्ट= वैश्विक स्वास्थ्य आवश्यकताओं की पूर्ति', इस बात पर जोर देता है कि विशेष रूप से वंचित समुदायों में फार्मासिस्ट किस प्रकार विविध स्वास्थ्य चुनौतियों का समाधान करने में केन्द्रीय भूमिका निभाते हैं, जिसमें रोग की रोकथाम, रोगी देखभाल और दवा तक पहुंच शामिल है। विश्व फार्मासिस्ट दिवस 2024 के उपलक्ष्य में, कलिंगा विश्वविद्यालय, फार्मेसी संकाय ने 25 सितंबर 2024 को विश्व फार्मासिस्ट दिवस सफलतापूर्वक मनाया। यह कार्यक्रम स्वास्थ्य सेवा में फार्मासिस्टों के योगदान को मान्यता देने तथा वैश्विक स्वास्थ्य आवश्यकताओं को पूरा करने में उनकी महत्वपूर्ण भूमिका के बारे में जागरूकता फैलाने के लिए आयोजित किया गया था।

विश्वविद्यालय ने बताया कि इस अवसर पर कई आकर्षक कार्यक्रम आयोजित किए गए, जिनमें प्रश्नोत्तरी, पोस्टर और रंगोली प्रतियोगिताएं शामिल थीं, जिनमें विद्यार्थियों ने उत्साहपूर्वक भाग लिया। यह कार्यक्रम फार्मेसी संकाय के प्राचार्य डॉ. संदीप प्रसाद तिवारी के मार्गदर्शन में आयोजित किया गया था।

Rescheduling of Guest Lecture Date Inbox x

D

Dr. Shraddha Verma Mon, Sep 2, 11:30 AM

to Rahul, Vijayalaxmi, naresh.khunte, me

Respected Sir/Maam

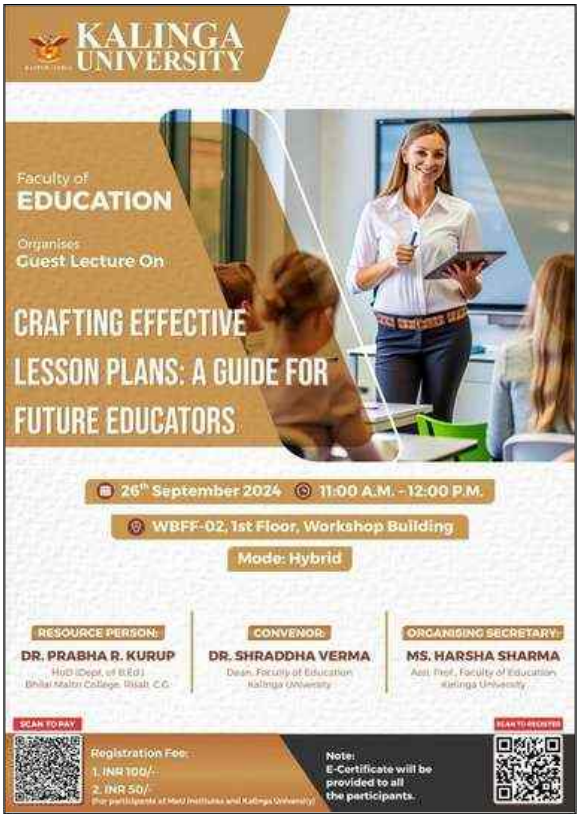
Good Morning

I am writing to inform you about a change in the schedule for the guest lecture initially planned for September 3, 2024. Due to unavoidable circumstances, we have had to reschedule the event. The new date for the guest lecture is September 26, 2024.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding in this matter.

Dr.Shraddha Verma
DEAN, Faculty of Education
Kalinga University
Naya Raipur(C.G)

Event Poster:



Objective of Program:

i. Understanding the Structure of a Lesson Plan: To introduce participants to the key components of an effective lesson plan, including objectives, instructional strategies, and assessment methods.

ii. Enhancing Lesson Plan Alignment: To equip participants with skills to align lesson objectives with curriculum standards and learning outcomes, ensuring coherence and relevance.

iii. Incorporating Differentiation in Lesson Plans: To explore methods to adapt lesson plans for diverse learners, including strategies for differentiation to meet individual student needs.

iv. Integrating Technology in Lesson Planning: To guide participants in effectively integrating technology and digital resources into lesson plans to enhance student engagement and learning outcomes.

Program Schedule:

Time	*Activity*
11:00 - 11:05 AM	Welcome Address by Ms. Harsha Sharma
11:05 - 12:00 PM	Lecture by Dr. Prabha R. Kurup
12:00 - 12:15 PM	Q&A Session
12:15 - 12:20 PM	Vote of Thanks by Ms. Harsha Sharma

Details of Program:

On the 26th of September 2024, the Faculty of Education at Kalinga University, Raipur, hosted an enlightening guest lecture on "Crafting Effective Lesson Plan: A Guide for Future Educators", specifically organized for the B.Ed. students. The event was coordinated by Ms. Harsha Sharma, Assistant Professor, who warmly welcomed all the participants, including the distinguished faculty members and students. The session was honored by the presence of Dr. Shraddha Verma, Dean of Education, Dr. D. Kalidos, Director of Sports, and the entire faculty members of the Department of Education, contributing to the event's significance. The guest lecture was delivered by the esteemed Dr. Prabha R. Kurup, Head of the Department at Maitri College, Risali, C. G. Dr. Kurup, with 20 years of enriching experience in education, holds multiple postgraduate degrees, including M. Com, M. Ed., and M. A. in both Sociology and History and has qualified NET in Education She has earned her Ph.D. from Pt. Ravi Shankar University, Raipur. Her academic achievements have been recognized with prestigious awards, such as the University Gold Medal as well as the Best Teacher Award, presented by former Chief Minister Shri Bhupesh Baghel. She has published nine research papers and guided three research scholars, two of whom have submitted their theses. She shared her extensive knowledge on the importance and crafting of Lesson Plans in teaching-learning process. Her lecture, held from 11:05 AM to 12:00 PM, offered valuable insights into how future educators can craft an effective lesson plan to enhance student engagement and learning outcomes in their classrooms. Following the lecture, a brief yet engaging Q&A session took place from 12:00 PM to 12:15 PM, where students had the opportunity to interact directly with Dr. Kurup. The session was highly interactive, with students posing thoughtful questions and Dr. Kurup providing insightful responses, enriching the learning experience. The program concluded with a vote of thanks delivered by Ms. Harsha Sharma at 12:15 PM. She expressed sincere gratitude to Dr. Prabha R. Kurup for her time and valuable contributions, and acknowledged the support and presence of Dr. Shraddha Verma, Dr. D. Kalidos, and all faculty members, whose collective efforts ensured the success of the event. The guest lecture proved to be an inspiring and educational experience for the students, equipping them with essential knowledge for their future teaching careers.

Program Outcome:

i.Enhanced Understanding of Lesson Planning: Participants successfully gained a clear understanding of the essential components of a lesson plan, including how to structure objectives, activities, and assessments effectively.

ii. Improved Alignment with Curriculum Standards: Participants demonstrated the ability to create lesson plans that were aligned with curriculum goals and learning outcomes, ensuring coherence and purpose in their teaching strategies.

iii. Effective Use of Differentiation: Participants effectively applied techniques for differentiating instruction, making lesson plans adaptable to diverse student needs and learning styles.

iv. Integration of Technology in Planning: Participants successfully incorporated technology and digital tools into their lesson plans, enhancing student engagement and fostering interactive learning environments.

Report on

"Workshop on Good and Service Tax"

Organized by

"Faculty of Commerce and Management"

On

28th September, 2024

Title- Workshop on "GST***"***

Date: 28th September, 2024

Time of event: 2:30 PM to 4:00 PM

Event Type: Online

Venue: Faculty of Commerce and Management

Event Poster:

Objective of Program:

1. To develop practical understanding of GST, providing insight into how GST impact economic activities
2. To encourage problem solving skills, that involve solving real-life GST-related problems, fostering their analytical and practical skills
3. To build financial literacy by enhancing students' understanding of taxation, compliance, and financial processes to help them develop essential skills for their careers in commerce and management.

Profile of Resource person:

Resource Person: 2

Name: Dr. Chandra Bhooshan Singh
Designation: Assistant Professor
Organization: Kalinga University, Naya Raipur

Name: Mr. Tushar Ranjan Barik
Designation: Assistant Professor
Organization: Kalinga University, Naya Raipur

Details of Program:

The Faculty of Commerce and Management organized an insightful and engaging workshop on "Goods and Services Tax (GST)" on September 28th, 2024. The event, conducted online, aimed to equip students with a foundational understanding of GST, its structure, applications, and its significant impact on businesses and the broader economy.

The program began with a welcome note which highlighted the importance of GST in today's rapidly evolving business environment and emphasized how understanding this crucial tax reform can empower future professionals in commerce and management.

The first session, led by Dr. Chandra Bhooshan Singh emphasized on the origin of GST in India, tracing its development as one of the most significant tax reforms aimed at unifying the country's fragmented tax system into a single, simplified framework.

Throughout his presentation, Dr. Singh shed light on the mechanics of GST, including the input tax credit mechanism, which has brought a paradigm shift in how taxes are calculated and paid by businesses. He also shared the positive impact of GST on reducing tax evasion and ensuring greater transparency, ultimately benefiting both consumers and enterprises. The professor made the session interactive by asking questions to students and presenting real-world examples that showed how GST makes trade easier across state borders, making India a single unified market.

The second session of the workshop was led by Mr. Tushar Ranjan Barik who focused on the practical aspects of GST implementation. He delved into topics such as GST registration, filing returns, and the common challenges that businesses face during compliance. With a wealth of practical experience in the field, Mr. Barik explained step-by- step processes for businesses, including how to file GST returns, calculate liabilities, and manage tax credits. He also discussed the common mistakes businesses make during GST compliance and how these can be avoided through best practices and proper planning.

The session was rich with real-life case studies that allowed the participants to connect theoretical concepts with practical scenarios. Mr. Barik's examples of businesses that successfully streamlined their tax processes post-GST implementation, highlighting the benefits of adopting a systematic approach to tax compliance made the session more interesting. He also pointed out some challenges, such as technical issues in the GSTIN portal and the evolving nature of GST rules, but reassured students that understanding these dynamics could provide them with an edge in the job market.

The session concluded with a sense of accomplishment among the students, who gained a clearer understanding of GST concepts, its practical implications, and how this knowledge could benefit them in their professional careers. The group photo served as a token of the collaborative spirit fostered during the event, celebrating a successful workshop where knowledge and insights flowed freely between experts and students.

Program Outcome: Post session the students had:

1. Students gained a comprehensive understanding of GST and its applications in the business world.
2. Participants developed practical problem-solving skills related to GST compliance.
3. The workshop enhanced the students' financial literacy in taxation.
4. Students were prepared for opportunities in taxation, finance, and accounting sectors.

“Capacity Building Program on Constitutional Values and Ethics inside the Classroom”

Organized by

“Faculty of Law”

On

28th September, 2024

Title- "Capacity Building Program on Constitutional Values and Ethics inside the Classroom"

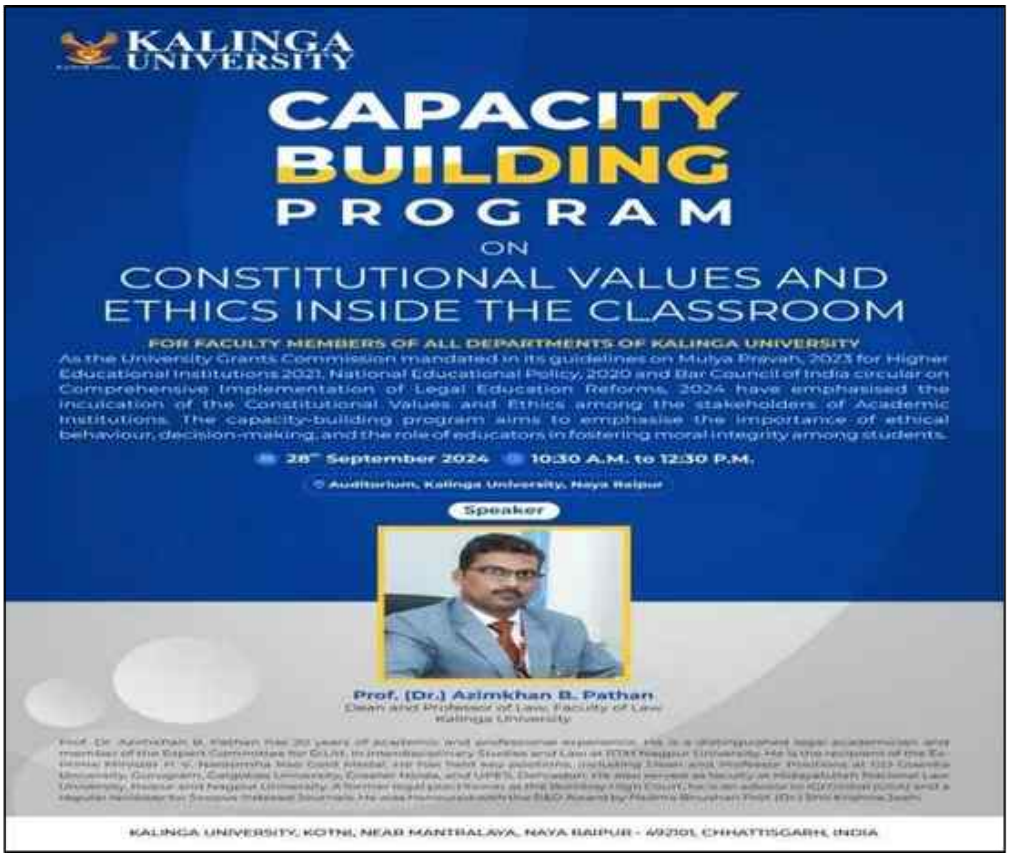
Date: 28th September, 2024

Time of event: 10:30 AM- 12:30 PM

Event Type: Offline Mode

Venue: Auditorium at Kalinga University.

Event Poster:



Objective of Program: As the University Grants Commission mandated in its guidelines on Mulya Pravah, 2023 for Higher Educational Institutions 2021, National Educational Policy, 2020 and Bar Council of India circular on comprehensive implementation of Legal Education Reforms, 2024 have emphasized the inculcation of the Constitutional Values and Ethics among the stakeholders of Academic Institutions.

The capacity building program aims to emphasize the importance of ethical behavior, decision making and the role of educators in fostering moral integrity among students.

Dignitaries:

Vice Chancellor, Kalinga University: Dr. R. Shridhar
Registrar, Kalinga University: Dr. Sandeep Gandhi

Dean of Academic Affairs, Kalinga University: Dr. Rahul Mishra
IQAC Director, Kalinga University: Dr. Vijayalaxmi Biradar

SPEAKER FOR THE SESSION

1. Prof. Dr. Azimkhan B. Pathan, Dean and Professor of Law, Faculty of Law at Kalinga University, Naya Raipur, C.G.

Details of Program:

Faculty of Law, Kalinga University, Naya Raipur organized "Capacity building Program on Constitutional Values and Ethics Inside the Classroom" for faculty members of Kalinga University. The session began by lighting of lamp ceremony by Hon'ble VC sir, Dr. R. Shridhar along with Dean, Faculty of Law, Dr. Azimkhan B. Pathan. This was followed by a welcome address by Hon'ble Dr. R. Shridhar and later the session was led by Prof. (Dr.) Azim Khan B. Pathan, Dean and Professor of Law at the Faculty of Law, Kalinga University.

The session focused on the mandates of the UGC (University Grants Commission) Mulya Pravah 2023 guidelines, National Education Policy (NEP) 2020, and the Bar Council of India's (BCI) Legal Education Reforms of 2024. These guidelines collectively emphasize the integration of constitutional values and ethics into higher education, encouraging faculty to serve as role models in instilling these values among students. Sir emphasized the importance of ethical behavior, decision-making, and moral integrity in educational leadership and highlighted the role of educators in being ethical role models for students, ensuring that classrooms serve as environments where justice, fairness, and respect for all are practiced. Furthermore, he also highlighted the importance of Fundamental Duties inside the classroom.

Key Themes Discussed:

 Ethical Behavior and Decision-Making in Education: Sir elaborated on the critical role of ethics in education. He spoke about how educators must model integrity, fairness, and ethical conduct in both their personal and professional interactions. He stressed that teachers shape the moral compass of their students, making it essential to lead by example in areas such as justice, equality, and respect.

□ The

Role of Fundamental Duties: One of the central themes of the session was the discussion on Fundamental Duties as outlined in Part IV-A of the Indian Constitution. He explained that these duties are not just the responsibility of citizens but also serve as guiding principles for educators. These duties, which include respecting the Constitution, promoting harmony, and upholding the dignity of women, should be integrated into the classroom environment. Also,

he showed a video on the screen which depicted the Right to Equality, upheld the sovereignty, unity and Integrity of India and was promoting harmony and common brotherhood among all.

The discussion followed by an interactive session in the following manner:

Quiz Session: Following the discussions, a quiz was organized to gauge the audience's understanding of the session. The quiz featured questions about constitutional values, the Fundamental Duties, and the significance of ethics in academic institutions. The active participation of the faculty members during this segment demonstrated their keen interest and deep engagement with the subject matter.

Question & Answer Session: The session concluded with a Q&A segment, allowing the audience to seek further clarification on the topics covered. Educators engaged in a dialogue with Prof. Dr. Azimkhan B. Pathan on how to effectively incorporate constitutional values in their teaching. Several questions revolved around practical strategies for embedding these values into diverse subject matters and how to address ethical dilemmas in educational settings.

Key Takeaways

Reinforcement of Constitutional Values in Education: The session reiterated that constitutional values such as equality, justice, and respect must form the foundation of all educational endeavours. Educators were reminded of their responsibility to act as custodians of these values, ensuring that they are reflected in their teaching methods and classroom interactions.

The Role of Fundamental Duties in Classroom Conduct: Prof. Dr. Azimkhan B. Pathan emphasized that Fundamental Duties are not just legal obligations but also moral and ethical guidelines for educators. By embedding these duties in everyday teaching, educators can in still a strong sense of civic responsibility and ethical awareness in their students.

Building an Inclusive and Ethical Classroom Environment: A strong focus was placed on creating a respectful and inclusive classroom, where diversity is celebrated and all students are given an equal opportunity to thrive. By teaching and embodying values like humanity, secularism, and respect, educators can foster a positive and constructive learning space.

Fostering Integrity and Moral Leadership: The session highlighted the importance of moral leadership among educators. Teachers are not just imparting knowledge but are also shaping the character of their students. Hence, they must demonstrate integrity, fairness, and ethical decision-making in their own lives.

"Career Path LectureSeries for Law Students-Building a Career in the Corporate Sector – Opportunities & Challenges"

Organized by "Faculty of Law"

On

28th September, 2024

Title – "Building a Career in the Corporate Sector – Opportunities & Challenges"

Date – 28th September, 2024

Time of event – 2:00 pm – 3:30 pm

Event type – Online mode

Venue – Online through Google meet

Objective of Program - This series is designed to equip you with the knowledge, skills and insights needed to navigate the competitive legal landscape successfully.

Profile of the resource persons –

Mr. Indrajit Mitra

Mr. Indrajit Mitra, Senior Associate, R.K. Dewan & Co. is a graduate of KIIT School of Law, Bhubaneswar, class of 2016. After graduation, he began his legal career as a legal counsel at the Hon'ble High Court of Odisha in Cuttack. In 2018, he joined R. K. Dewan & Co. as a Legal Associate, where he specializes in intellectual property matters, including trademarks, design, and copyright. Mr. Mitra is responsible for managing client queries, conducting filings, and overseeing legal proceedings related to intellectual property rights. His vast experience in IP law and litigation has made him a key figure in the field.

Mr. Deep Bhattacharya

Mr. Deep Bhattacharya, Legal Associate, R.K. Dewan & Co. is an alumnus of Symbiosis Law School, Pune, from the class of 2020. After enrolling with the West Bengal Bar, he has accumulated a Post-Qualification Experience of 4 years, focusing primarily on intellectual property law. His specialization lies in dispute resolution and commercial litigation, where he has handled various complex cases involving IP disputes. Mr. Bhattacharya's practice as an IP attorney reflects his commitment to upholding the legal rights of clients, with a strong focus on litigation and conflict resolution in the realm of intellectual property.

Details of the event –

On September 28, 2024, an insightful and interactive online session titled "Building a Career in the Corporate Sector: Opportunities and Challenges" was organized by our university.

The session featured two eminent speakers from the legal fraternity, Mr. Deep Bhattacharya and Mr. Indrajit Mitra, both of whom have made significant contributions to the corporate law sector. The session was moderated by Ms. Harleen Kaur, Assistant Professor of Law, Faculty of Law who set the tone for the event by introducing the speakers and outlining the objectives of the session.

1. Intr
oduction and Opening Remarks

The session commenced at 2:05 PM, following a brief introduction by Prof. (Dr.) Azimkhan B. Pathan, Dean, Faculty of Law and Ms. Harleen Kaur, Assistant Professor of Law, who provided a warm welcome to the attendees. She introduced the two resource persons, Mr. Deep Bhattacharya and Mr. Indrajit Mitra, both well-established legal professionals with a wealth of experience in corporate law. Ms. Kaur highlighted the importance of such sessions in helping students understand career paths in the corporate sector, particularly for those with a background in law or related fields.

2. Pres
entation by Mr. Deep Bhattacharya

At 2:07 PM, Mr. Deep Bhattacharya began his presentation, which focused on the legal aspects of corporate law, including key legislative frameworks that govern corporate operations in India. His presentation covered:

Trad
emark Act: Mr. Bhattacharya discussed the critical role of trademarks in corporate branding and intellectual property (IP) protection. He explained the process of registering trademarks and the legal implications of trademark infringement, shedding light on recent landmark cases.

Infor
mation Technology (IT) Act: In the context of increasing reliance on digital platforms, Mr. Bhattacharya elaborated on the IT Act's role in regulating e-commerce, cybersecurity, and data privacy. He emphasized how crucial this law is in ensuring secure online transactions and preventing data breaches.

- ***Dat***
a Protection Act: With data privacy becoming a critical concern in the corporate world, Mr. Bhattacharya explained the newly enacted Data Protection Act. He highlighted its implications for companies, particularly with regard to compliance and the penalties associated with data breaches.

Beyond discussing these legislative frameworks, Mr. Bhattacharya also offered valuable insights into the possible career avenues that law graduates can explore after completing their studies. He outlined potential roles in corporate law, intellectual property law, compliance, and data protection, encouraging students to explore diverse career paths that suit their interests and strengths.

3. Presentation by Mr. Indrajit Mitra

At approximately 2:38 PM, Mr. Indrajit Mitra took over the session. His presentation had a more holistic focus, touching on various aspects of corporate law but also delving into broader topics relevant to young professionals entering the corporate sector.

a. ***Work-Life Balance***: One of the key areas Mr. Mitra emphasized was the importance of maintaining a healthy work-life balance in the fast-paced corporate environment. He acknowledged that the legal profession can be demanding, with long hours and high levels of stress, but stressed the need for personal time and self-care.

b. ***Skills and Adaptability***: Mr. Mitra also spoke about the importance of continuous learning and adaptability in the corporate world. He encouraged attendees to keep upgrading their skills, particularly in technology, negotiation, and communication, to stay relevant in an ever-changing legal landscape.

c. ***Query Resolution***: Toward the end of his presentation, Mr. Mitra opened the floor to questions from attendees. He patiently addressed queries related to career progression, balancing multiple roles in a corporate job, and how to handle high-pressure situations in legal practice. His answers were both practical and motivational, leaving attendees with valuable takeaways.

4. Closing Remarks and Vote of Thanks

a. At 3:00 PM, Ms. Harleen Kaur, Assistant Professor of Law, brought the session to a close by delivering a vote of thanks. She expressed her gratitude to Mr. Bhattacharya and Mr. Mitra for sharing their knowledge and experiences. Ms. Kaur also thanked the attendees for their active participation and encouraged them to take advantage of the insights provided by the speakers to further their careers in the corporate sector.

b. The session concluded with a sense of accomplishment and inspiration, providing students with a deeper understanding of the opportunities and challenges they might face in building a career in the corporate world. The practical advice,

coupled with the in-depth discussion on relevant legal frameworks, ensured that participants left with actionable insights that will help them as they navigate their future careers.

Program outcome –

c. At the end of the workshop, students were able to understand what opportunities and prospects are there in the corporate sector.

d. Students were able to understand what skills are required for job opportunities in the corporate sector.

Students got a general understanding of the challenges of corporate sector and capacity building to overcome the same.

No. of attendees – 50

Total no. of registrations: 58

Glimpses of the event –

Mr. Deep Bhattacharya and Mr. Indrajit Mitra delivering the session.

“SPIC MACAYOrientation Program”

Organized by

“SPIC MACAY”

On

28-09-2024

Title- " SPIC MACAY Orientation Program"

Date: 28-09-2024

Time of event: 11:00 AM

Event Type: Online

Objective of Program:
To introduce SPIC MACAY and its mission of cultural preservation.
To inspire students to participate in and promote Indian classical music, dance, and other art forms.
To provide an overview of the events and workshops conducted by SPIC MACAY.

Details of Program:

Introduction: An orientation program for SPIC MACAY (Society for the Promotion of Indian Classical Music and Culture Amongst Youth) was organized on [date] at [venue]. SPIC MACAY is a voluntary movement that promotes Indian classical music, dance, and cultural heritage among the youth. The event aimed to familiarize students with the organization's goals, its role in preserving traditional art forms, and the opportunities available to engage with India's rich cultural heritage.

Objectives:

To introduce SPIC MACAY and its mission of cultural preservation.
To inspire students to participate in and promote Indian classical music, dance, and other art forms.
To provide an overview of the events and workshops conducted by SPIC MACAY.

Overview of the Program: The event began with an invocation ceremony, followed by a brief introduction to SPIC MACAY's history and purpose by [speaker's name], the chapter coordinator. The presentation highlighted the importance of preserving Indian culture and how SPIC MACAY aims to create awareness and appreciation for the various traditional art forms.

Key Speakers and Sessions:

1. ***Mr.*** Dinesh Chand, a senior member of SPIC MACAY, discussed the significance of Indian classical music and its relevance in modern times. He emphasized the holistic development of an individual through exposure to arts.
2. Mr Aurn Sahay,, a renowned artist associated with SPIC MACAY, shared her journey and experience in promoting traditional dance forms through the movement. She gave insight into the workshops and performances conducted by the organization nationwide.

Interactive Session: After the speeches, there was an interactive session where students asked questions regarding SPIC MACAY's events and how they could be involved. Several students showed enthusiasm and expressed their desire to attend workshops and performances.

Cultural Performance: The orientation program featured a short performance by [artist's name], a classical musician/dancer, who demonstrated the richness of Indian classical art. The performance captivated the audience and provided a glimpse of the kind of cultural events SPIC MACAY promotes.

Conclusion: The orientation program concluded with a call to action, encouraging students to become part of the SPIC MACAY movement and contribute to the preservation of India's cultural heritage. The event successfully instilled a sense of pride in traditional art forms and motivated students to explore and promote Indian culture.

Feedback and Participation: The attendees provided positive feedback, and many expressed their interest in joining SPIC MACAY's future events. Overall, the orientation was a success in raising awareness and inspiring youth participation in cultural activities.

Future Plans: The local SPIC MACAY chapter plans to organize workshops, heritage walks, and performances featuring prominent artists in the upcoming months to further engage students in the movement.

KALINGA UNIVERSITY

KU/DSW/09/2024/184 Date: 23.09.2024

NOTICE

We are thrilled to announce a special celebration of **Ratri before Navratri** on 29th September! Join us for an exciting evening filled with dance, music, and festive cheer at Magneto Mall, Raipur.

Event Details:

- Date: 29th September 2024 (Sunday)
- Time: 3:30 PM to 6:00 PM
- Venue: Magneto Mall, Raipur

As we embrace the spirit of Navratri, we encourage everyone to come dressed in garba attire. This is a wonderful opportunity to immerse ourselves in the vibrant culture and traditions associated with this festive season. We hope to create an enjoyable atmosphere where everyone can come together, celebrate, and make beautiful memories.

Interested students are requested to Register yourself on the below link:
https://forms.gle/LGqQ9yRYQ6LpbuN9A

Important Details:

- 150 coupons available only for hostellite students (first come first serve).
- Dress Code - Proper Garba Attire & University ID Card is Compulsory.
- Rental Attire Price: 300/- per person per day.
- Registration closes on September 26th, 2024, by 3:00 PM.
- After successful registration students must join the WhatsApp group (link will be displayed after form submission).

We look forward to seeing you all in your colourful garba attire!

Warm Regards,

Lt. Vibha Chandrakar

Dr. Satdeep Gasitis
Registrar
Kalinga University

Objective of Program:

The objective of celebrating Ratri before Navratri is to honour and invoke the divine feminine energy. It serves as a time for reflection, devotion, and preparation for the upcoming festival, fostering a sense of community, spiritual growth, and cultural connection among participants

Details of Program:

The event "Ratri Before Navratri" held on September 29, 2024, at Magneto Mall, Raipur, marked a vibrant celebration leading up to the auspicious festival of Navratri. This engaging event aimed to foster cultural appreciation and community spirit among students while providing a platform for showcasing traditional attire and dance.

The event witnessed enthusiastic participation from 137 students of Kalinga University, who embraced the festive spirit through colorful attire and energetic performances. The ambiance was filled with excitement as students gathered to celebrate with dance, music, and competition.

Activities and Competitions:

The highlight of the evening was the Garba dance competition, which encouraged participants to showcase their skills and creativity. The event featured several categories, and students competed fiercely for top honors.

Awards and Winners

The following prizes were awarded based on outstanding performances and creativity:

Best Male Dress-Up:

Mr.

Gurav Sharma - BA Film Making

Mr.

Mannu Kumar - B. Com B&F

Ms.

Best Female Dress-Up:

Khushboo Kumari - MCA

Mr.

Best Male Garba Player:

Mr.

Abhishek Choudhary – DICS

Suyash Ekka - BALLB

Special Prize:

Awarded for the most energetic performance during the first round of Garba - Ms. Swarna - BBA

Program Outcome:

"Ratri Before Navratri" successfully brought together students in a festive atmosphere, celebrating cultural heritage and promoting camaraderie. The active participation and enthusiastic performances highlighted the students' talent and spirit. This event not only served as a prelude to Navratri but also reinforced community bonds among students of Kalinga University.

The organizing committee extends heartfelt thanks to all participants, judges, and attendees for making this event a resounding success.

Dear All

Exciting Seminar Announcement!

Registration is Now Open!

Kalinga University, Naya Raipur, is hosting a one-day international seminar on "Exploration of Science in the New Era" on September 30, 2024, featuring experts from Physics, Chemistry, and Mathematics, promoting knowledge exchange and engagement.

Event Details:
Date: 30th September 2024, Time: 10:30 A.M. onwards,
Location: Kalinga University, Naya Raipur (Hybrid Mode)

Paper/Poster Presentation Fees: INR 299 Participation Only Fees: INR 199.

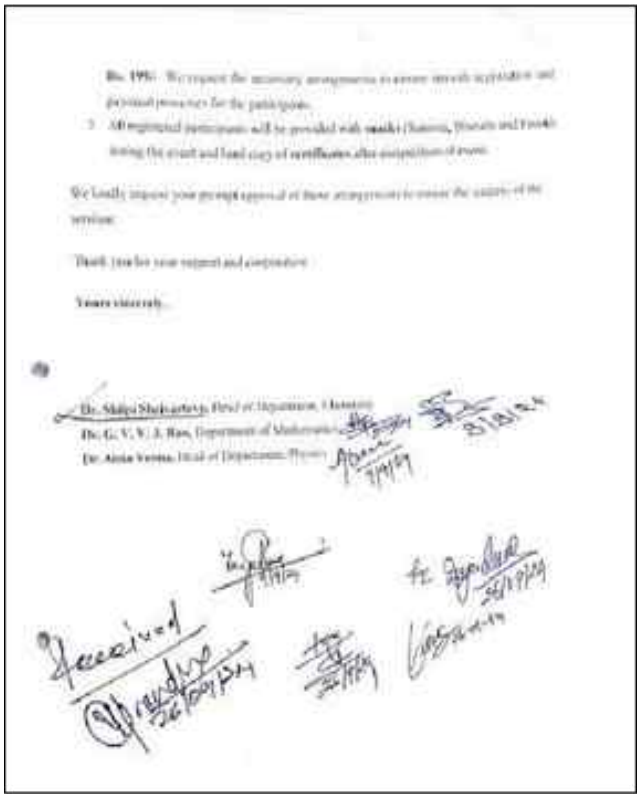
Register here: https://forms.gle/2DK8WQe6J1F6uY8t8

For more information, feel free to contact: +91-9826150937, +91-9839262728

Guest Profile:

Dr. Indrapal Karbhal Assistant Professor, School of Studies in Chemistry, Pt. Ravishankar Shukla University, Raipur, Chhattisgarh, 492010	
Dr. Govind Prasad Sahu Assistant Professor, Center for Basic Sciences Pt. Ravishankar Shukla University, Raipur, Chhattisgarh, 492010.	
Dr. D. Chandrasekhar Kakarla Adjunct Assistant Professor, Physics, National Sun Yat-sen University, Kaohsiung,	

Official approved letter:



Objectives of Program:

- Highlight the latest advancements in science and technology, particularly in fields like physics, chemistry, and mathematics.
- Connect researchers, academicians, and students to create partnerships and future collaborations.
- Present case studies, practical examples, and new methodologies in scientific research and its real-world applications.

Details of Program:

On September 30, 2024, Kalinga University, Naya Raipur, successfully hosted a one-day international seminar titled "Exploration of Science in the New Era." The event brought together experts and participants from diverse scientific fields, with a special focus on Physics, Chemistry, and Mathematics. This seminar was organized by the Faculty of Science, with the aim of promoting knowledge exchange, interdisciplinary engagement, and the advancement of scientific research in the modern era. The seminar kicked off at 10:30 A.M. with a welcome address by ***Dr. G.V.V.J. Rao*** H.o.D, Department of Mathematics, followed by an insightful motivational speech by ***Dr. R. Shridhar***, Vice Chancellor of ***Kalinga University*** that set the stage for the day's discussions. The event witnessed active participation from students, researchers, and academicians both in person and through online platforms, making it a truly hybrid experience.

Experts from Physics, Chemistry, and Mathematics presented their latest research, addressing contemporary challenges and opportunities in their respective fields. The discussions covered a broad range of topics, including emerging technologies, innovative methodologies, and their implications for scientific progress in the 21st century.

The speaker "***Dr. Indrapal Karbhal*** "began his talk by introducing the basics of supercapacitors and batteries, emphasizing their role as critical components in energy storage systems. He explained the fundamental differences between supercapacitors and traditional batteries in terms of energy density, power density, and cycle life, giving the audience a comprehensive understanding of each technology. Participants praised the talk for its technical depth and relevance to global efforts in energy sustainability. The discussion on real-world applications and the potential future of energy storage solutions sparked engaging conversations during the Question-Answerer session. This talk reinforced the importance of continuous innovation in energy storage technology and the role it plays in shaping a sustainable, energy-efficient future.

Next speaker was ***Dr. D. Chandrasekhar Kakarla***, from ***National Sun Yat-sen University, Kaohsiung***, his talk on ***"Multiferroics: Materials, Mechanism, and Applications"*** was both enlightening and forward-thinking. It showcased the exciting potential of multiferroic materials to transform various fields and underscored the importance of continued innovation in materials science to meet the technological challenges of tomorrow. His session provided deep insights into the cutting-edge field of multiferroics, highlighting its significance and the potential it holds for future technological advancements.

The speaker, ***Dr. Govind Prasad Sahu*** emphasized how mathematics and computational science have become intertwined, particularly in the modern age of big data and advanced algorithms. He discussed how mathematical models form the backbone of computational solutions applied in diverse fields, from engineering to environmental science and epidemiology. He concluded by discussing the future of mathematics and computational science in a rapidly evolving world. He addressed both the opportunities and the challenges that lie ahead, including the need for ethical considerations in computational research and the increasing demand for data-driven decision-making in global policy.

In this event the poster presentation was one of the important part in which the participants presented their ideas in both online and physical mode. Posters covered areas such as energy materials, computational modeling, and infectious disease dynamics, fostering knowledge exchange. The session provided an interactive platform for researchers to engage in meaningful discussions with attendees and experts. Outstanding posters were recognized for their contribution to advancing science. Overall, the session facilitated collaboration and highlighted emerging research trends.

The paper presentation session at the said seminar was a key highlight of the event, featuring insightful research from scholars across diverse fields. Researchers presented papers on advanced topics, including multiferroic materials, high-performance energy storage systems, infectious disease modelling, and computational science applications. Each presentation was followed by an interactive Question and Answer session, allowing attendees to engage directly with the presenters and gain a deeper understanding of their work. The papers were evaluated by a panel of experts, who provided valuable feedback and recognized exceptional contributions. This session fostered a vibrant atmosphere of knowledge sharing, sparking collaborative discussions and future research ideas.

Before ending of the event ***Dr. Shilpi Shrivastava***, (convenor of the event), expressed the gratitude to all the speakers, presenters, and participants for making the event a resounding success. The seminar ended with a hopeful outlook towards continued innovation and research in the new era of science.

Program Outcome:

9. Researchers may acquire new approaches, tools, or perspectives to apply in their own work.
10. Atten
dees, especially students, may find inspiration to pursue research or academic careers in science.
11. The
event serves as a platform for building academic collaborations.

Report onOne-Day

Guest Lecture on

High Rise Buildings, Issues and Concerns

organised

by

Department of Civil Engineering &

Avishkar Club

on

30 September 2024.

Title: Seminar One-Day Guest Lecture on "High Rise Buildings, Issues and Concerns "

Date: 30th September 2024

Time of event: 10:00 A.M. to 12:00 P.M.

Event Type: Offline

Venue: Kalinga University MBSF-01

Approval Letter:

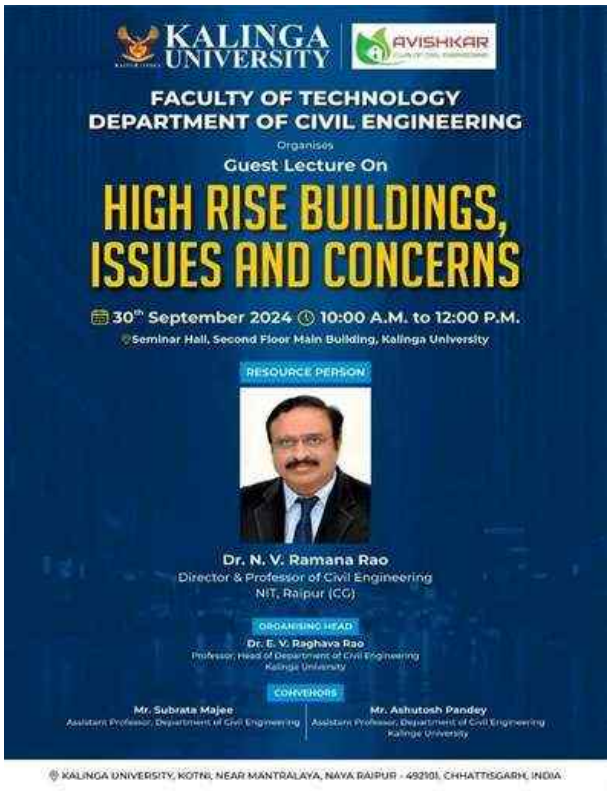
KALINGA UNIVERSITY

Faculty of Technology

Department of Civil Engineering

KALINGA UNIVERSITY

Event Poster:



Objective of the Program:

1. ***Enhance Knowledge on High-Rise Buildings***: Provide students and faculty with a deeper understanding of the design, construction, and management of high-rise buildings.
2. ***Highlight Key Issues and Concerns***: Focus on critical issues such as structural safety, sustainability, environmental impact, and building regulations related to high-rise buildings.
3. ***Bridge Theory and Practical Application***: Offer insights into the practical challenges and solutions encountered in the construction industry, bridging the gap between academic concepts and real-world applications.
4. ***Expose Students to Expert Knowledge***: Enable students to learn from Dr. N.V. Ramana Rao, a distinguished expert in Civil Engineering, ensuring they receive industry-relevant education.
5. ***Promote Sustainable Construction***: Emphasize the importance of sustainability in high-rise building projects, focusing on energy efficiency, materials, and green building practices.
6. ***Encourage Active Participation***: Engage students in a meaningful discussion on the future of high-rise buildings, encouraging questions and interactive participation.
7. ***Foster Professional Growth***: Equip students with the knowledge and insights needed to address future challenges in their professional careers within the construction industry.

Details of Program:

ORGANISER

Department of Civil Engineering & Avishkar Club

RESOURCE PERSON

Dr. N. V. Ramana Rao

Director & Professor of Civil Engineering NIT, Raipur (CG*)*

ORGANISING HEAD

Dr. E. V. Raghava Rao Professor,

Head of Department of Civil Engineering

CONVENORS

Mr. Subrata Majee

Assistant Professor, Department of Civil Engineering

Mr. Ashutosh Pandey

Assistant Professor, Department of Civil Engineering

Program Outcome:

1. ***Enhanced Understanding of High-Rise Construction***: Students and faculty will gain comprehensive knowledge about the design, construction, and maintenance of high-rise buildings.
2. ***Awareness of Key Challenges***: Participants will be aware of the critical issues and concerns, such as safety, structural stability, and sustainability, involved in high-rise buildings.
3. ***Improved Practical Knowledge***: Attendees will learn practical solutions for real-world problems encountered in high-rise building projects, directly from industry experts.
4. ***Sustainability Focus***: Increased awareness about sustainable construction practices, including energy-efficient building designs and materials.
5. ***Career Development***: The session will aid students in understanding current industry trends and preparing them for careers in civil engineering, with a focus on complex, large-scale structures.
6. ***Informed Decision-Making***: Participants will be better equipped to make informed decisions in the construction and management of high-rise buildings, utilizing the knowledge gained from expert insights.
7. ***Networking Opportunities***: The lecture will offer students and faculty a chance to connect with a renowned expert in the field, potentially opening doors for further learning and collaboration.

Guest Lecture

"Modeling and application of phase change based Energy storage systems"

Organized by

"Mechanical Engineering Department"

On

30.09.2024

Title- "Modeling and application of phase change based

Energy storage systems"

Date: 30.09.2024

Time of event: 2:00 PM-3:30PM

Event Type: offline

Venue: Seminar Hall

Objective of Program:

Reducing energy discrepancy: Phase change materials (PCMs) can help reduce the gap between energy supply and demand.

Improving energy distribution: PCMs can improve the reliability and performance of energy distribution networks.

Storing energy: PCMs can store large amounts of energy in small volumes.

Reducing energy usage: PCMs can reduce energy usage by storing heat gained from the sun and releasing it at night.

Increasing thermal comfort: PCMs can increase thermal comfort by smoothing out temperature fluctuations.

Reducing peak loads: PCMs can reduce or shift peak loads.

Improving energy efficiency: PCMs can improve energy efficiency in various applications.

Extending product shelf life: PCMs can extend product shelf life.

Reducing operational costs: PCMs can reduce operational costs.

Profile of Resource person:

Resource Person 1:

Name: Dr. Udayraj

Designation: Assistant Professor

Organization: I.I.I Bhilai

Details of Program:

Guest lecture started by Dr. V. C. Jha Head of the department of Mechanical and Mining Engineering. He welcomed the speaker and introduced about the faculty members of the Mechanical and Mining Engineering Department and all the students. The Resource person explained each and every steps of ***Modeling and application of phase change based Energy storage systems***.

Thermal energy can be stored as a change in the internal energy of certain materials as sensible heat, latent heat or both. The most commonly used method of thermal energy storage is the sensible heat method, although phase change materials (PCM), which effectively store and release latent heat energy, have been studied for more than 30 years. Latent heat storage can be more efficient than sensible heat storage because it requires a smaller temperature difference between the storage and releasing functions. Phase change materials are an important and underused option for developing new energy storage devices, which are as important as developing new sources of renewable energy. The use of phase change material in developing and constructing sustainable energy systems is crucial to the efficiency of these systems because of PCM's ability to harness heat and cooling energies in an effective and sustainable way.

He made focus on applications of PCMs the three applications of PCMs listed below (solar energy, buildings, and vehicles) are only a small portion of the many areas where they can be used (catering, telecom shelters, electronics, etc.). The applications of PCMs in these areas have been widely studied in order to minimize the greenhouse effect and to minimize the need for foreign gasoline

Program Outcome:

learning the general concept of Phase Change Materials (PCM)

understanding the applications of PCMs in sustainable energy

recognize the uses of PCM for heating and cooling systems

recognize the uses of PCM in buildings

recognize the uses of PCM in transportation

"Workshop on Investment Awareness"

Organized by

"Faculty of Commerce and Management"

On

30th September 2024

Title- "Workshop on Investment Awareness" Date: 30th September 2024

Time of event: 2:00 pm- 3:00 pm Event Type: Online

Venue: Virtual Mode

IOM/Circular: Mail (As per the instructions of Registrar Sir through DAA sir in the mail dated Sept 11)

Event Poster: Yes

Objectives of the Program:

The primary objectives of the workshop were to:

1. Enhance Financial Literacy: Provide participants with foundational knowledge about various investment vehicles and financial markets.
2. Promote Informed Decision-Making: Equip attendees with tools to assess their financial goals and risk tolerance effectively.
3. Encourage Strategic Planning: Emphasize the importance of creating a personalized investment plan tailored to individual financial situations.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Dr. Sarika Lohana
Designation: Senior Consultant
Organization: G Institution and Consultancy, Mumbai

Details of Program:

The "Workshop on Investment Awareness" took place on 30th September 2024, virtually. This event was organized to educate participants about the essential principles of investment, aiming to empower them to make informed financial decisions. The workshop was conducted by Dr. Sarika Lohana, a distinguished financial expert with extensive experience in investment strategies and financial planning. The session began with a warm introduction by the moderator, who highlighted the relevance of investment awareness in today's financial landscape. Dr. Lohana then outlined below topics:

- Understanding Different Investment Vehicles: A comprehensive overview of stocks, bonds, mutual funds, and real estate investments. Discussion on the benefits and risks associated with each investment type.
- Risk Assessment: Explanation of the concept of risk and how it varies across different investment options.
- Interactive tools and questionnaires to help participants assess their own risk tolerance.
- Current Market Trends: Insights into the prevailing economic conditions affecting investment choices.
- Analysis of recent market trends and forecasts.
- Financial Planning: The significance of setting short-term and long-term financial goals. Steps to create a robust investment strategy aligned with personal objectives.

Dr. Lohana's presentation was complemented by visual aids and infographics that simplified complex concepts, making them accessible to attendees of all backgrounds.

Program Outcome:

1. Attendees left with a better understanding of various investment options and strategies.
2. Participants expressed greater confidence in making informed investment decisions.
3. The virtual setting fostered connections among attendees, encouraging discussions and exchange of ideas.
4. Many participants reported feeling motivated to develop their financial plans and explore investment opportunities discussed during the session.

Number of Students participated*: *78 Number of faculty participated: 3

Title- "Guest Lecture on Startup Ideas"

Date: 01-10-2024

Time of event: 01:30PMto02:30PM

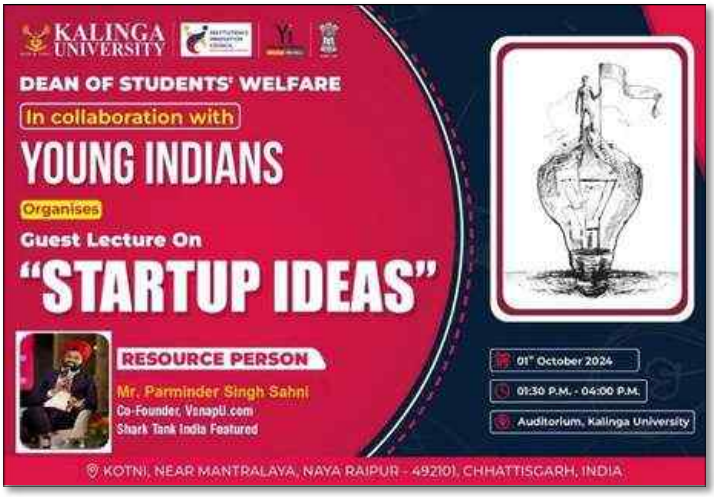
Event Type: Offline

Venue: Auditorium

IOM/Circular:

KALINGA UNIVERSITY

Event Poster:



Objective of Program:

The objective of this guest lecture is to inspire aspiring entrepreneurs by exploring innovative startup ideas and strategies. Attendees will gain insights into market trends, identify potential opportunities, and learn essential skills for transforming concepts into successful ventures, fostering a mindset geared toward creativity and problem-solving in the startup landscape

Details of Program:

Dean of Students' Welfare in collaboration with Young Indians organised a guest lecture on Startup Ideas at Kalinga University Auditorium. Keynote speaker was Mr. Parminder Singh Sahni, Co-founder of VsnapU.com and Shark Tank India Featured.

Mr. Parminder Singh Sahni was welcomed by Mr. Sheikh Abdul Kadir, Deputy Dean of Students' Welfare by presenting potted plant. He addressed the students of Bachelors of Business Administration, Pharmacy and Bachelor of Technology Computer Science departments.

He shared his inspiring journey before the students and shared startup ideas on how he converted his idea of photography and the journey of starting VsnapU.com. Mr Sahni also inspired the students to come up with new startup ideas and cleared their doubts.

Students interacted with the keynote speaker and appreciated the ideas shared to them during the guest lecture. Total of 170 plus students joined the session and got benefited. Master of the ceremony was Ms.

Alisha Yadav, student of MBA first semester. A memento was presented by Ms. Nikita Joshi, Assistant Dean of Students Welfare.

Program Outcome:

The guest lecture on startup ideas inspired attendees to think creatively and practically about entrepreneurship. Participants gained insights into market trends, effective pitching, and innovative solutions. Engaging discussions fostered networking opportunities, encouraging collaboration and idea-sharing, ultimately empowering aspiring entrepreneurs to pursue their ventures with confidence and clarity.

Subject: Proposal letter for organizing Guest Lecture on 3rd October 2024

Respected Sir,

We are writing to seek your approval for a guest lecture scheduled for 3rd October 2024 at 3:00 PM in the K.U. Auditorium. This session will focus on several essential topics related to pursuing higher education in the United States, specifically aimed at students in the last two years of their studies.

The lecture will cover the following key areas:

- Scope of Study and Unique Features of U.S. Education
- How to Best Select Universities
- Avenues to Finance U.S. Education
- Showcasing Student Voice and Strengths in the Application Process
- The Student Visa Process

While the session will primarily benefit Indian citizens and those interested in pursuing Master's and doctoral programs in the U.S., it will also be open to other students who may find the information helpful.

In addition, we request permission from the Dean of Academic Affairs sir (DAA) to relieve the students of any one class at 3 PM, allowing them to attend this important session.

We look forward to your favourable response and are eager to make this event a success with your guidance and support.

With Regards,

Dr. Vibha Chandolkar

Objective of Program:

To brief & provide more opportunities for higher studies in the U.S.

Details of Program:

Kalinga University, renowned for its commitment to global education, hosted a transformative guest lecture aimed at empowering students with the knowledge and tools necessary to pursue higher education in the United States with scholarships. The event, organized by the Dean of Students' Welfare, featured an informative session conducted by Dr. Deborah Rosario, representing the US Education India Foundation.

The event commenced with a warm welcome from Lt. Vibha Chandrakar, I/C Dean of Students' Welfare, who emphasized the university's dedication to supporting students in their educational pursuits. Her encouraging words set the tone for an engaging and enlightening evening.

Dr. Deborah Rosario, an expert in the field of International Education, led an insightful presentation from the speaker, who provided an overview of the culture and academic environment at their campus in the United States. She shared valuable information about the opportunities available for students wishing to pursue further studies in the US and briefed them about the application process, elucidated the various documents and write-ups required for successful applications, and introduced students to essential websites for researching scholarships and understanding the cost of living in different countries. Her expertise left attendees well-prepared and inspired to embark on their educational journeys in the US. Following this, the speaker's team took over to explain the detailed procedure for applying for a student visa, covering all the essential steps and requirements to help students better understand the process.

The session concluded with a vote of thanks delivered by Lt. Vibha Chandrakar, who expressed gratitude to the speaker and her team for their time and knowledge sharing. To wrap up the event, students were given visit cards, enabling them to connect further with the representatives for additional guidance.

Program Outcome:

1. Successfully completed the session and unlocked the doors to higher education in the United States.

INVITATION TO "KNOW YOUR ARMY" ON 05 - 06 OCTOBER 2024 AT GOVERNMENT NAGARJUNA PG SCIENCE COLLEGE GROUNDS

Dear Sir,

1. On behalf of Headquarters Chhattisgarh & Odisha Sub Area, I take this opportunity to extend invitation to you, the revered faculty and distinguished senior students, to witness and be part of the awe inspiring "Know Your Army Mela", a grand showcase of the might and valour of our Armed Forces.

2. The extraordinary event is scheduled on **5th October 2024 (09.00 am onwards till 04.00 pm) and 6th October 2024 (09.00 am onwards till 04.00 pm)** at the Government Nagarjuna PG Science College grounds, Raipur in collaboration and committed support of the state and district administration. A spectacular static display of Armoured tanks, advanced Air Defence Weapon Systems and cutting edge Military equipments, alongwith dynamic demonstration of "Daredevil Motor Cycle Display" and riveting "Horse Show" are the major highlights, besides the military band display, cultural shows & martial art dance programme.

3. This is an unprecedented opportunity for your students and faculty to not only witness the prowess of the Indian Army, but also engage directly with our heroic soldiers. The event also aims to inspire leadership and foster a deeper understanding of the sacrifices of the Military personnel.

4. **Kindly confirm your participation by 01 October 2024 as per the recommended number of attendees so that suitable arrangement for seating can be organised.**

(a)	Vice Chancellor	-	01
(b)	Director / Chairman	-	01
(c)	Principal / Dean	-	01
(d)	Faculty	-	05
(e)	Support Staff	-	02
(f)	Senior Students	-	30

5. Given the presence of very senior civil and military dignitaries and also the Honourable CM of Chhattisgarh State to grace the occasion, we also kindly request that high standards of turnout and discipline to be ensured by the institution which would uphold the decorum for an event of national importance.

With profound regards
Yours truly

Objective of Program:

The primary objectives of the event were to inspire youth to consider a career in the Indian Army, promoting opportunities for service and leadership. It aimed to instill a sense of nationalism and pride in the armed forces, fostering a deeper appreciation for the sacrifices made by military personnel. Additionally, the event sought to strengthen civil-military relations by enhancing understanding and collaboration between the military and civilian communities. It provided a platform to showcase advanced military equipment and capabilities, allowing attendees to gain insights into the Indian Army's operational readiness and technological advancements. The event also engaged the community by facilitating interactions with military personnel, fostering respect and cooperation, while offering cultural performances that highlighted the diversity and talent within both the armed forces and the community. Collectively, these objectives aimed to promote a positive image of the Indian Army and foster unity and pride among participants and attendees.

Program Schedule:

Date: 05th October 2024

Time of event: 09:00 AM-04:00 PM

Venue: Government Nagarjuna PG Science College Grounds, Raipur (C.G.)

Details of Program:

The university participated in an impressive event on 5th October 2024 at the Government Nagarjuna PG Science College grounds in Raipur, organized in collaboration with the state and district administration. This event showcased advanced military equipment, including armoured tanks and Air Defence Weapon Systems, alongside dynamic demonstrations such as the "Daredevil Motorcycle Display" and an exciting "Horse Show." On that day, 12 students, the Vice Chancellor, and two faculty members from Kalinga University attended the 'Know Your Army' Mela, which attracted over 8,000 spectators. The program featured thrilling performances by Daredevil Bike Riders, NCC cadets, and military bands, as well as impressive demonstrations by Ghatak Platoons and a flypast by an MI-17 V5 helicopter. The primary objectives were to inspire youth to join the Indian Army and strengthen civil-military relations, with the Chief Minister of Chhattisgarh in attendance, further enhancing its significance. Participants returned with a deeper appreciation for the Indian Army's vital role in national defense and a renewed sense of patriotism.

Program Outcome:

Attendees learned about advanced military technology and equipment used by the Indian Army.
The event inspired students to consider joining the Indian Army and serving the nation.
Participants developed a stronger sense of nationalism and pride in the country through military displays and performances.
Over 8,000 people attended, creating a connection between the university and the armed forces.
Students witnessed demonstrations of military skills, including Ghatak Platoon operations and bike stunts.
The Chief Minister of Chhattisgarh highlighted the importance of the event and encouraged future collaborations with the military.
Resources for military veterans were showcased, demonstrating the university's commitment to this community.
Participants left with a deeper understanding and appreciation of the Indian Army's role in protecting the nation.

A Hands-On Training Program on "Stock Market Trading"

Organized by

"Central Instrumentation Facility (CIF)"

And

Faculty of Commerce and Management

On

5th October, 2024

Title- A Hands-On Training Program on "Stock Market Trading".

Date: 5th October, 2024

Time of event: 10:00 AM to 4:00 PM

Event Type: Hybrid mode

Venue: CIF Lab, 3rd floor (Pharmacy building), Kalinga University

Event Poster:

Objective of Program:

1. To provide participants with hands-on training to understand the fundamentals of stock market trading, including technical analysis and trading strategies.
2. To empower students to make informed investment decisions through exposure to real-world scenarios and practical examples.
3. To facilitate interaction and networking opportunities between participants and a seasoned expert, enhancing practical knowledge and professional connections.

Profile of Resource person:
Resource Person: 1

Name: Mr. Jairaj Kumar Shau
Designation: Authorized Person,
Organization: Kotak Securities
Limited

Resource Person: 2

Name: Dr. Deepti

Patnaik

Designation: Head In-Charge of the Faculty of Commerce and Management

Organization: Kalinga University, Naya Raipur

Details of Program:

The Central Instrumentation Facility and Faculty of Commerce and Management at Kalinga University organized a hands-on training program on "Stock Market Trading" on 5th October 2024. The program took place at the CIF Lab, 3rd Floor (Pharmacy Building) at Kalinga University, and was conducted in a hybrid mode to cater to both offline and online participants. This format allowed for flexibility, attracting a diverse audience that included students, faculty members, and finance enthusiasts eager to learn more about the intricacies of stock market trading.

The event began with a welcome note, setting a positive and engaging tone for the workshop. The first session, led by Mr. Jairaj Kumar Sahu, covered foundational concepts of stock market trading. Mr. Sahu focused on key aspects like understanding stock exchanges, the role of brokers, how to choose stocks, and the fundamentals of buying and selling in the market. He emphasized technical analysis, demonstrating the use of various tools and charts to predict market trends and identify trading opportunities.

Mr. Sahu also addressed the importance of risk management in trading and shared practical examples from his extensive career to help participants understand how to navigate market volatility effectively. His hands- on approach encouraged participants to engage in simulated trading exercises, which helped them apply the theoretical knowledge they had gained in a practical setting.
Following the lunch break, the second session was conducted by Dr. Deepti Patnaik, focused on advanced topics related to stock price prediction and fundamental analysis. She shared insights from her own research, explaining different models used to predict stock prices and the role of market indicators in making informed investment decisions.

Dr. Patnaik also highlighted the importance of behavioral finance, discussing how investor psychology can impact market outcomes. This session not only enhanced participants' understanding of the theoretical frameworks behind stock market movements but also illustrated the practical implications of these concepts. The content was delivered in a highly engaging manner, supported by examples, case studies, and group discussions, which helped the participants to grasp complex ideas easily.

An interactive Q&A session followed Dr. Patnaik's presentation, where both Mr. Sahu and Dr. Patnaik answered questions from participants. This segment allowed attendees to clarify their doubts and delve deeper into specific areas of interest, such as day trading strategies, portfolio management, and the use of technology in trading. The interaction enriched the overall experience, making it more personalized and relevant to the participants' aspirations.

The program concluded with a vote of thanks, wherein appreciation was extended to the speakers, participants, and the organizing team for their efforts in making the workshop a success. The vote of thanks highlighted the valuable contributions of Mr. Jairaj Kumar Sahu and Dr. Deepti Patnaik in sharing their expertise and providing real-world insights into the stock market, which would undoubtedly help the participants in their journey towards becoming informed and confident investors.

Overall, the "Stock Market Trading" workshop was well-received, with enthusiastic participation and active engagement from all attendees. The diverse audience, ranging from students with little prior knowledge to professionals seeking to refine their skills, found the content both accessible and challenging, tailored to suit different levels of experience. Participants expressed satisfaction with the depth and relevance of the topics covered, and many indicated a desire to participate in future events focusing on more specialized areas of finance.

Program Outcome: Post session the students had:

1. Students developed a thorough understanding of stock market dynamics, including key concepts such as technical analysis and trading strategies.
2. Participants gained practical skills and knowledge to make informed investment decisions, empowering them to actively engage in trading with confidence.
3. The interaction with industry experts allowed students to network, learn from real-world experiences, and gain practical insight into stock trading.

"Intra-Departmental Debate Competition, 2024"

Organized by

Faculty of Law, Kalinga University

On

8th October, 2024

Date – 8th October, 2024 Mode – Offline

Venue – MBTF – 10,15,16,17 & Moot Court Hall

Learning outcomes for the students –

Enhanced Critical Thinking: Participants developed the ability to analyze different sides of an argument, improving their skills in reasoning and problem-solving.

Improved Public Speaking: The competition offered a platform for students to enhance their articulation, voice modulation, and overall confidence in public speaking.

Research and Argumentation: Students learned to gather evidence, structure their arguments logically, and present persuasive viewpoints based on thorough research.

Teamwork and Collaboration: Participants had the opportunity to collaborate with their teammates, fostering better coordination and understanding within a group dynamic.

Respect for Diverse Opinions: The debates encouraged students to listen to and engage with different perspectives, promoting a culture of respect and open- mindedness.

Time Management: Debating within set time limits helped students learn to present concise arguments and manage time effectively during presentations.

Constructive Feedback: Receiving feedback from judges allowed participants to identify their strengths and areas of improvement, aiding in personal and intellectual growth.

Brochure of the event

Details of the event –

The Intra Debate Competition 2024, organized by the Faculty of Law, Kalinga University, was an exciting and enriching event that attracted significant participation. A total of 18 teams registered for the competition, showcasing the enthusiasm and eagerness of the students to engage in intellectual

debate. The event officially began at 9:30 am with a detailed briefing conducted by Ms. Shivangi Tripathi, Assistant Professor, Faculty of Law. She carefully explained the rules, structure, and time limits of the debate rounds, ensuring that all participants and volunteers were well-informed about the procedures. This initial briefing helped set a clear framework for the competition and ensured smooth

conduct throughout the day.

Following the briefing, Prof. (Dr.) Azimkhan B. Pathan, Dean, Faculty of Law addressed the participants, offering motivational words and emphasizing the importance of debating skills in legal education. He encouraged the students to approach the competition with confidence and to use this platform to sharpen their critical thinking and communication abilities. His speech served as a source of inspiration for the participants, setting a positive tone for the competition. With his best wishes, the preliminary rounds officially began at 10:00 am.

All rounds in the competition were judged by the esteemed faculty members of the Faculty of Law, ensuring a fair and expert evaluation of each team's performance. Room numbers, opponents, and debate motions were all determined by a draw of lots, adding an element of surprise and ensuring an impartial and transparent process.

In the preliminary rounds, teams presented their arguments on a variety of current legal and social issues. Each team had the opportunity to deliver their opening statements, engage in rebuttals, and answer questions from the judges. The rounds tested not only the teams' preparation and research but also their ability to think quickly and respond effectively under pressure. The judges, who assessed the participants based on their reasoning, presentation, and rebuttal skills, were impressed by the high standard of debating on display. After the completion of these rounds, Mrs. Samriddhi Kesharwani, Assistant Professor, Faculty of Law

along with Ms. Shivangi Tripathi, compiled the scores from the judges and announced the results. The careful compilation of scores ensured fairness in the selection process, and the four teams with the highest scores advanced to the semi-final rounds.

The semi-finals, which began at 12:00 noon, lasted for an hour and featured intense debates between the top four teams. The teams presented compelling arguments and skillfully engaged in rebuttals, striving to outshine their opponents and secure a spot in the finals. The semi-final round was characterized by strong intellectual exchanges and thoughtful deliberations, keeping both the judges and the audience fully engaged. After careful evaluation of the teams' performances, the judges announced that Team Satyam & Archi and Team Nafsiya & Aluel had advanced to the final round. Before the final debate commenced, Mr. Aayush Gondale, Assistant Professor, Faculty of Law, addressed the participants and the audience, providing clear instructions about the rules, format, and timing for the final round.

The final round was an intense and thrilling exchange of ideas. Both teams demonstrated a deep understanding of the subject matter and used persuasive arguments to defend their positions. The debate involved sharp rebuttals and critical analysis, reflecting the teams' extensive preparation and commitment to excellence. The audience was captivated by the quality of the debate, and the judges allowed a short Q&A session afterward, where audience members could ask the debaters questions. This interactive segment provided a valuable learning opportunity for both participants and spectators, adding to the overall experience.

Following the final debate, Mrs. Samriddhi Kesharwani and Ms. Shivangi Tripathi once again compiled the scores from the judges to determine the winners. After careful consideration, the results were announced, Team Satyam & Archi were declared the winners of the Intra Debate Competition 2024 with an impressive score of 245 points, while Team Nafsiya & Aluel were named the runners-up, earning 201 points. Both teams were praised for their outstanding performances, and the winning and runner-up teams were presented with trophies to commemorate their achievements.

The event concluded on a high note, with participants, judges, and the audience all appreciating the level of talent and preparation that was showcased throughout the day. The competition provided participants with a platform to improve their public speaking, critical thinking, and legal argumentation skills, all of which are essential in the legal profession.

In conclusion, the Intra Debate Competition 2024 was a well-organized and enriching event that highlighted the debating talent within the Faculty of Law. The competition not only promoted a culture of debate and discourse but also provided students with a valuable opportunity to grow and learn in a competitive and intellectually stimulating environment. The success of the event is a testament to the dedication of the participants, the guidance of the faculty, and the seamless organization of the competition.

To,

The Registrar

Kalinga University,

Naya Raipur, (C.G.)

Subject: Request for Permission to Organize NCC Rank Ceremony

Respected Sir,

I, Lt. Vibha Chandrakar, ANO, NCC Army Wing, writing to formally request permission to organize the **NCC Rank Ceremony** on **10th October 2024** in the **Seminar Hall** of Kalinga University.

This ceremony holds great significance as it recognizes the dedication and achievements of our cadets who have excelled in various capacities and have shown exemplary leadership. It would be an honor to celebrate their efforts and motivate others to follow their path of discipline and service. We propose to hold it from **09:30 onwards** and assure compliance with university guidelines.

Thank you for your time and consideration.

Regards,

7/10/24

Event Poster:

Objective of Program:

The NCC Rank Ceremony 2024-25, held on 10th October 2024, was organized with the primary objective of recognizing the leadership and dedication of senior cadets while educating and inspiring 1st-year students. Beyond awarding ranks, the ceremony aimed to introduce new cadets to the significance of the NCC hierarchy, highlighting that ranks are earned through consistent discipline, teamwork, and leadership. By showcasing the achievements of senior cadets, the event demonstrated the responsibilities and trust that come with each rank, encouraging the 1st-year students to actively participate and strive for excellence throughout their NCC journey. The ceremony reinforced the core values of discipline, service, patriotism, and teamwork, motivating cadets to embrace these ideals as they work towards achieving ranks in the future, ultimately preparing them to become responsible leaders and role models within the organization.

Program Schedule:

Date: 10th October 2024

Time of event: 09:30 AM – 10:30 AM

Venue: Seminar Hall, Main Building, Kalinga University, Kotni, Naya Raipur (C.G.)

Details of Program:

The NCC Rank Ceremony 2024-25 took place on 10th October 2024, from 09:30 AM to 10:30 AM, in the Seminar Hall of the Main Building at Kalinga University. Out of 15 rank holders, 6 were present to receive

their ranks. These senior cadets took the opportunity to guide and motivate the 1st-year cadets, explaining the importance of the NCC hierarchy, along with the roles and responsibilities that come with holding a rank. The ranks were presented by Lt. Vibha Chandrakar, ANO, to boost the morale of the cadets and inspire them to take on leadership roles. The senior cadets highlighted the values of discipline, teamwork, and dedication, encouraging the new cadets to perform their best and work towards achieving ranks in the future.

Rank List of NCC Cadets:

Program Outcome:

Successfully recognized and honored the leadership and dedication of senior cadets.
Educated 1st-year cadets about the importance of NCC ranks and the responsibilities that come with them.
Fostered a deeper understanding of the NCC hierarchy among new cadets.
Created a motivating environment through interaction between senior rank holders and 1st-year cadets.
Inspired 1st-year cadets to actively participate in NCC activities and strive for future ranks.
Boosted morale and encouraged leadership development among the cadets.
Reinforced the core values of discipline, teamwork, and dedication within the NCC Army Wing.
Contributed to the growth and success of the organization by preparing cadets for future leadership roles.

Number of Students participated: 21

Objective of Program:

The objective of celebrating Garba night is to promote community bonding, preserve cultural traditions, and celebrate the festival of Navaratri with joy and enthusiasm. It's a time for people to come together, dance, and honor the divine feminine energy through traditional dance, music, and devotion.

Details of Program:

On the festive occasion of Navratri, Kalinga University hosted a vibrant Garba Night celebration on 11th October 2024, organized by the Dean of Students' Welfare. The event aimed to foster cultural engagement and community spirit among students, providing a platform for showcasing traditional dance and attire.

Event Highlights:

The celebration commenced with a traditional puja aarti, setting a reverent tone for the evening. Students, faculty, and guests gathered to partake in the spiritual aspect of Navratri, emphasizing the significance of the festival in Indian culture.

Following the puja, the organizing team announced a series of exciting competitions designed to encourage participation and celebrate the rich cultural heritage associated with Garba. The competitions included the winners are:

1. ***Best Garba Solo Dance (Male & Female)***

   Male- Mr. Mannu Kumar Mishra from Brahmaputra Boys Hostel
   Female- Ms. Srishti Naik from Indus Girls Hostel

2. ***Best Garba Group Dance***

   Ms. Vandana Gupta & Group from Indus Girls Hostel

3. ***Best Traditional & Ethnic Outfit (Male & Female)***

   Male – Mr. Sarvesh Bhardwaj from Brahmaputra Boys Hostel
   Female- Ms. Sonalika Montero from Indus Girls Hostel

Thesecompetitions not only heightened the festive spirit but also motivated students to showcase their talent andcreativity. The atmosphere was electric, filled with laughter, music, and vibrant dance as students donned theirtraditional attire and performed captivating Garba dance, over 200 students participated in the Garba Night,and afterwards from 07:30 pm onwards dinner was served in mess for all the students & staff members.

Program Outcome:

The outcome of celebrating Garba night includes fostering community spirit, preserving cultural heritage, promoting physical activity through dance, enhancing social interactions, and creating a sense of joy and unity among participants. It also encourages creativity, teamwork, and devotion to cultural traditions.

Objective of Program:

The objective of the Motivational Session by Mr. Gopinath Muthukad is to inspire and empower individuals by sharing insights on overcoming challenges, building resilience, and unlocking one's potential. Through his personal experiences and expertise as a magician and motivational speaker, Mr. Gopinath Muthukad aims to instill confidence, encourage positive thinking, and foster a mindset of self-belief and determination among the audience.

Details of Program:

Kalinga University felicitates Mr. Gopinath Muthukad, renowned Indian magician and motivational speaker from Kerala here on 15th October 2024. He was in state capital on 15th October 2024 as part of campaign to

spread awareness to change attitude toward persons with disabilities which started on 6 October, 2024 from Kanyakumari to Kashmir till 3 December 2024.

The program began with welcome of the Chief Guest Mr. Gopinath Muthukad, a motivational speaker, founder of Academy of Magical Sciences at Kerala, he has been honoured as a celebrity supporter by the UN agency UNICEF, for promoting child right activities in Kerala. He was felicitated with a Shawl and a potted plant. With lighting of a ceremonial lamp the motivational session began afterwards Registrar Dr. Sandeep Gandhi sir gave the welcome speech.

Mr. Gopinath Muthukad shared his journey with the students and showed some mesmerizing magic tricks. Students were amazed to see the magic show. Through video presentation, he shared his mission to make disabled persons capable on joining the mainstream. The efforts made by his team for the noble cause was visible through his efforts for which he was recognized by the state government of Kerala. He emphasised on the power of Words, Actions, Thoughts Collaboration and Humanity. He also gave the message to the students on human behaviour and asked to always be ready to grab the Opportunities, Outreach and Overcome the hurdles in life.

Mr. Gopinath Muthukad and the team were presented with mementoes by the university officials at the end of the programme. Large numbers of students were present during the event.

Program Outcome:

The Motivational Session by Mr. Gopinath Muthukad inspires participants to believe in themselves, overcome fears, and maintain a positive attitude. It empowers individuals with confidence, resilience, and practical life lessons, leaving them motivated and ready to face challenges with renewed determination.

Sub: Approval for ONLINE National Seminar organized by Dept. of Bioinformatics

Respected Sir,

This is to inform you that according to the activity planner, we the faculties of Dept. of Bioinformatics (Dr. Deeya Saha & Dr. Amresh Sharma) are planning to organize an Online national seminar entitled as "Biology by Bytes: From data to Discovery" on 15th October 2024. The seminar shall be jointly convened by both the faculties of the department i.e., Dr. Deeya Saha & Dr. Amresh Sharma. The seminar would continue for 2.5 hrs starting from 10.00 AM to 12.30 PM and there would be two speakers who would enrich us with their enlightening talks. The online platform for this seminar would be Zoom. You are hereby kindly requested to grant approval for the event. You are also requested to approve the honorarium for the two speakers as per university policies. We would also need some projections for successfully conducting the seminar.

We hereby enclose: a) Short cv of speakers b) Activity Planner

one projection to be issued from store.

As available in online mode.

Rs 1500×2 = 3000/-

Your kind cooperation and encouragement in this regard would be highly appreciated

Thanking you

Amresh Sharma
Dr. Amresh Sharma
Assistant Professor
Department of Bioinformatics
Kalinga University, Naya Raipur (C.G)

1. Honorarium - Rs 3000/- per person - to confirm
2. Preparation of invitation - Design/Leaflet may be created
3. Zoom platform (online) required - (IT Support - may be intimated)

Awaiting your kind approval

Forwarded to Registrar Sir for approval

Event Poster:

Objectives of the Webinar:

1. ***Educational Empowerment:*** The primary objective of this webinar was to enhance understanding among students of bioinformatics about trends in modern day in silico research.

2. ***Enhancing Analytical Skills:*** The talks aimed to improve analytical skills by evaluating various methodologies used to assess the discovery of potential biomarkers computationally.

3. ***Create awareness on computational research***: One of the talks (Talk by Dr. Anup Som) focused on the requirements of bioinformatics-based research in our Indian educational institutes. On that context the primary prerequisites for a computational lab starting from infrastructure to manpower was also discussed. These discussions will help students and faculties to acknowledge the importance of computational research.

4. ***Interdisciplinarity in Research***: Computational Biology or Bioinformatics is the interface between biology and computer science. In addition to this many mathematical, statistical, biophysical concepts are deployed to investigate and analyze this huge biological data. Hence, bioinformatics-based research and analyses are truly interdisciplinary. This webinar also gives us hint on the requirement of interdisciplinarity in modern day research.

5. ***Acknowledge Novelty and Innovation***: The talks given by our eminent speakers shed light into the novelty and innovation of existing computational methods and approaches to address biological problems

6. ***Career Opportunities and Impact:*** Finally, the lectures offered insights into career opportunities related to bioinformatics. It also highlighted how bioinformaticians play pivotal role in academia and industries to translate and analyze big biological data and generate meaningful hypotheses out of it.

Program Schedule:

Program was scheduled at 10:00 AM to 12:30 PM in online mode Details of Program:

Department of Bioinformatics, Faculty of Science organized a national webinar, titled "***Biology by Bytes: From Data to Discovery***". The webinar was online and it was conducted by ***Dr. Deeya Saha and Dr. Amresh Sharma***. Invited speaker were: ***Dr. Chittabrata Mal, Associate Professor, MAKAUT, West Bengal & Dr. Anup Som, Senior Assistant Professor, University of Allahabad, Prayagraj, UP***. The talk was executed and led successfully. The event was part of the departmental activity of Bioinformatics. Both the lectures aimed to empower attendees by providing insights into the latest research and methodologies. It enhanced analytical skills by exploring various computational research approaches and illustrated practical applications through real-world case studies. The session started with welcome address and speaker introduction delivered by Dr. Deeya Saha, Assistant Professor, Department of Bioinformatics. Overall moderation was done by Dr. Deeya Saha and Dr. Amresh Sharma, Assistant Professor, Department of Bioinformatics. The invited lectures started at 10:00 AM and was successfully concluded by 12:30 pm. Concluding remarks were discussed by Prof. R Jayakumar, Dean of science, Kalinga University, New Raipur. Participants included were student professionals and teaching faculties of Kalinga University and other academic institutes in and out of Chhattisgarh.

Program Outcome:

- ***Understanding Impact***: Participants comprehended how biomarker discovery could aid in facilitating discovery of modern-day therapeutics like diagnosis and prognosis of cancer
- ***Analytical Skills:*** They developed the ability to critically analyze research methodologies and evidence related to biomarker discovery
- ***Spreading awareness related to in silico research in biology***: Students perceived the value of bioinformatics and computational research in revolutionizing modern day research
- ***Practical Skills in Data Mining and Machine Learning:*** The program has covered techniques for mining biological data and applying machine learning algorithms to predict patterns and outcomes in biological research
- ***Ethical Considerations in Bioinformatics:*** Participants had gain awareness of the ethical challenges and issues related to data privacy, sharing, and the responsible use of bioinformatics in research and healthcare.
- ***Collaboration Across Disciplines***

  The program will emphasize the importance of interdisciplinary collaboration, enabling biologists, computer scientists, and data analysts to work together effectively.
- ***Future Trends in Bioinformatics and Big Data***

  Participants will explore the future directions of bioinformatics, especially the role of big data and artificial intelligence in advancing biological discovery.

Report

on

"Ms. Ekta Bahl, Partner, Samvad Mediator Visit to Kalinga University"

On

18th October; 2024

Friday

Date: 18th October; 2024

Mode: Offline

Location: Kalinga University

Attendees:
Ekta Bahl, Partner , Samvad Mediation
Dr (Prof) Azim khan B Phathan , Dean Faculty of Law
Surbhi Agrawal, Faculty of Law
Mr. Aayush Gondale, Faculty of Law
(Other Faculty Members in CT and Scheduled Classes)

Purpose of Visit: Ekta Bahl Ma'am visited Kalinga University primarily to meet with Dean sir and engage in a productive discussion about academic initiatives.

Discussion Overview:

Interdisciplinary Research Approach:
During her meeting, Ekta Bahl Ma'am emphasized the importance of adopting an interdisciplinary approach to research. She suggested that collaboration across different fields could foster innovative solutions and enrich the academic landscape at Kalinga University.

Focus on Lawyers on Meditation:

Bahl Ma'am highlighted the importance of mediation in the legal profession, particularly its benefits for lawyers. She discussed how integrating mediation techniques could enhance legal practice and promote a more holistic approach to conflict resolution.

Upcoming Conference and Endowment Lecture Series:

While the primary focus was on her meeting with the Dean, there was a brief discussion regarding the upcoming conference and the endowment lecture series. Bahl Ma'am expressed her willingness to contribute ideas and connect with potential speakers to elevate the quality of these events.

Support for Case-Based Study Development:

Bahl Ma'am offered her support in developing case-based study methodologies at the university. She proposed workshops for faculty members to enhance their teaching strategies, particularly in relation to legal education.

Conclusion: Ekta Bahl Ma'am's visit was marked by a constructive exchange of ideas. Her insights on interdisciplinary research and the focus on the role of meditation for lawyers were particularly noteworthy. Both she and Dean Sir look forward to future collaborations that can further enhance the academic offerings at Kalinga University.

Details of Program:

Program Title: Resin Art Workshop

Overview

Explore thecaptivatingworldofresinart!Thishands-on workshop will guide you through the process of creating stunningresinpieces,fromcoasterstowall art.

Duration

3-4 hours

Objectives

Understand the basics of epoxy resin and its properties.
Learn safe handling and mixing techniques.
Experiment with colors, textures, and embedding techniques.
Create a finished resin art piece to take home.

Materials Provided

Epoxy resin and hardener
Color pigments and dyes

Silicone molds
Tools (mixing cups, stir sticks, heat gun)
Safety gear (gloves, masks)

Agenda

1. Introduction (15 mins)

o Overview of resin art and examples of finished pieces.

2. Safety Briefing (10 mins)

o Importance of safety measures and proper ventilation.

3. Mixing Resin (20 mins)

o Demonstration on how to mix resin and hardener correctly.

4. Color and Design Techniques (30 mins)

Introduction to color mixing and pouring techniques.
Tips on embedding objects and creating textures.

5. Hands-On Creation (60 mins)

Participants create their own resin pieces using provided materials.

6. Curing and Cleanup (15 mins)

Explanation of curing process and proper cleanup methods.

7. Q&A and Wrap-Up (10 mins)

Address questions and share additional resources for future projects.

Who Should Attend

Beginners and enthusiasts interested in exploring resin art.

What to Bring

Apron or old clothes (resin can be messy).
Any small objects you wish to embed (optional).

Outcome

Participants will leave with a unique resin art piece and the knowledge to continue creating at home.

Program Outcome:

Cre ate a Finished Piece: Successfully design and produce a unique resin art piece to take home.

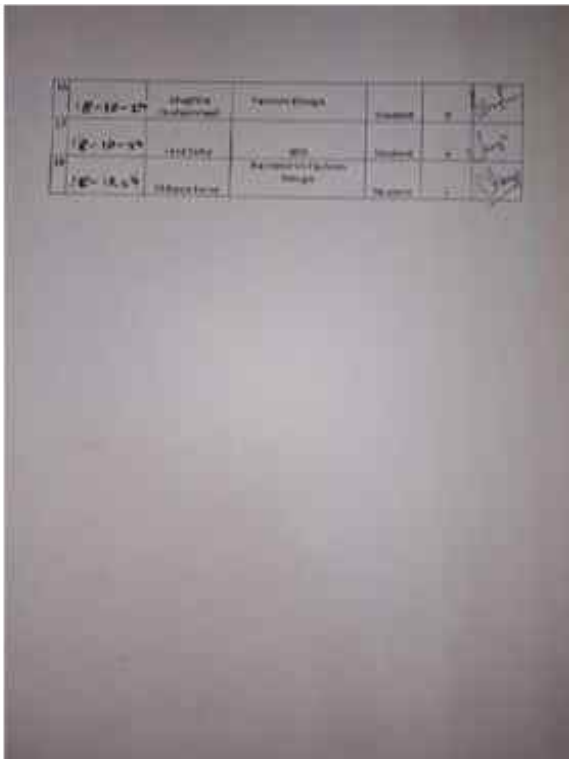
Understand Resin Properties: Gain knowledge of epoxy resin, including its mixing ratios, curing times, and safety precautions.

Master Techniques: Learn various techniques such as color mixing, pouring, and embedding objects, enabling creativity in future projects.

Apply Safety Measures: Recognize and implement safety practices for handling resin materials in a well-ventilated environment**.**

Inspiration for Future Projects: Leave with ideas and confidence to explore more complex resin art techniques and projects independently.

Community Engagement: Connect with fellow participants, sharing ideas and fostering a supportive creative environment.



Number of Students who participated:18

COLOSSUS INTERCOLLEGIATE/UNIVERSITY SPORTS FEST 2024

Date: ***18-10-2024 to 20-10-2024***
Event: ***COLOSSUS SPORTS EVENT 2024***
Organized by: ***HNLU***
Venue: ***HNLU, Raipur***
No. of participants: ***70***

The Kalinga University sports teams took part in the COLOSSUS-2024 sports festival, which was organized by Hidayatullah National Law University in Raipur from October 18–20, 2024. A total of 70 students participated in various sports, such as men's football, women's basketball, badminton, volleyball, kabaddi, and BGM. Teams from different colleges competed fiercely, showing off their skills. Notably, Kalinga University's football and basketball teams displayed exceptional skills and determination, securing first place in their respective events. Their outstanding performances earned them the winners' trophies, bringing pride and recognition to the university. This remarkable achievement underscores Kalinga University's commitment to excellence in sports and reflects the hard work, teamwork, and dedication of players. The success of the teams in COLOSSUS-2024 has not only enhanced the university's reputation in the field of sports but also motivated other students to pursue sports excellence.

19th October; 2024

[Virtually]

Date: 19th October; 2024

Mode:Online

Registration Fee: Nil

Venue: https://me-qr.com/vkidEUsl

Event Poster:

Objective of the Moot Court Competition:

- Educate participants about the legal aspects of IPR, including patents, trademarks, copyrights, and trade secrets.
- Provide practical insights on how to navigate the IPR landscape for businesses and entrepreneurs.
- Increase understanding of IPR and its importance in business and innovation.
- Update participants on recent changes in IPR laws and regulations at national levels

Program Schedule:

Date - 19th October

Day - Saturday

Time - 3pm to 4pm

Program Outcome:

- ***Enhanced Knowledge***: Participants will gain a deeper understanding of various IPR types and their significance.
- ***Practical Skills***: Attendees will develop practical skills in managing and protecting their intellectual property.
- ***Strategic Insights***: Participants will learn to formulate effective IPR strategies to support innovation and business growth.
- ***Improved Compliance***: Increased awareness of legal compliance and best practices in IPR management.
- ***Networking Connections***: Establishment of valuable connections among participants, industry experts, and legal advisors.

"Nukkad Natak and Door to Door Campaign"

Organized by

Faculty of Law

In association with

Legal Aid Cell

On 21st October 2024

Title- **"**Nukkad Naatak and Door to Door Campaign**"**

Date: 21st October 2024

Time of event: 10:00AM-1:00PM

Event Type: Field Visit

Venue: Village Kotni, Nava Raipur

Event Poster:

Nukkad Natak Objectives:

1. Raise Awareness: Educate the community about key social issues through engaging street performances.
2. Encourage Participation: Motivate villagers to actively participate in community initiatives and local governance.
3. Promote Behavioural Change: Advocate for positive behavioural changes related to girls and women rights and Right to Education.
4. Foster Community Bonding: Strengthen community ties by encouraging dialogue and collaboration among residents.
5. Gather Feedback: Use performances as a platform to solicit community opinions and suggestions regarding local challenges.

Door-to-Door Campaign Objectives:

1. Direct Engagement: Personally engage with households to discuss important issues and gather feedback on community needs.

2. Disseminate Information: Distribute educational materials on relevant topics to ensure awareness. 3.

Identify Local Leaders: Encourage community members to identify and support local leaders or volunteers who can spearhead initiatives.

4. Assess Community Needs: Conduct informal surveys to assess the needs and priorities of the villagers.

5. Encourage Involvement: Invite community members to participate in upcoming events or programs, fostering a sense of ownership and responsibility.

Details of the Program:

This report outlines the participation of 14 students in the Nukkad Natak and door-to-door campaign conducted in Kotni village. The initiative aimed to raise awareness about crucial social issues, promote community engagement, and gather feedback on local needs. The event took place on 21st October 2024, with a combination of performances and direct outreach.

Participants:

A total of 14 students from Faculty of Law, Kalinga University volunteered for the campaign. They were divided into two groups: one focusing on Nukkad Natak performances and the other conducting door-to-door outreach.

Activities Conducted

1. Nukkad Natak Performances

The Nukkad Natak group presented three performances. Each performance addressed different issues:

- Domestic Violence: Emphasized upon the issue of domestic violence in rural areas.

- Education for All: Highlighted the significance of education, particularly for girls.

- Eve Teasing: Focused on increasing cases of eve-teasing on a regular basis.

Audience Engagement:

- The performances were well-attended, with around 50 villagers participating.

- Interactive elements encouraged audience participation, allowing villagers to express their thoughts and share experiences.

2. ***Door-to-Door Campaign:***

The door-to-door campaign was carried out simultaneously with the performances. Key activities included:

-Distributing Informational Pamphlets: Informational Pamphlets were distributed among the villagers conveying them that legal aid is provided at Kalinga University, Nava Raipur every Saturday from 11:00 am to 1:00 pm.

-Conducting Surveys: Students gathered information about the community's needs and concerns.

-Encouraging Participation: Invited villagers to join upcoming legal aid meetings and initiatives conducted every Saturday at our campus.

Outcomes:

1. Increased Awareness: Villagers expressed greater awareness with respect to rights of girls and women in general.

2. Community Engagement: The performances sparked discussions among villagers about local challenges and potential solutions.

3. Feedback Collection: Valuable insights were gathered about the community's needs, which can guide future initiatives.

The Nukkad Natak and door-to-door campaign in Kotni village successfully achieved its objectives, fostering awareness and community engagement. The active participation of the 14 students played a crucial role in the campaign's success, and their efforts have laid the groundwork for ongoing community development initiatives. Moving forward, it is essential to build on the feedback collected to ensure sustained impact in Kotni village.

"Research Skills in Finding Law Through Advanced Version of Manupatra Training for Students and Faculties"

Organized by

"Faculty of Law"

On

23rd October, 2024

Title- "Seminar on Research Skills in Finding Law Through Advanced Version of Manupatra Training for Students and Faculties"

Date: 23rd October, 2024

Time of event: 12:00 pm- 1:30pm

Event Type: Offline Mode

Venue: Seminar Hall, Second Floor, Main Building, Kalinga University.

Event Poster:

Objective of Program: To equip students and faculty with advanced research skills for effective legal research using Manupatra. This seminar aims to enhance participants' proficiency in navigating, analyzing, and leveraging Manupatra's advanced tools and features, fostering deeper insights into legal databases and improving research efficiency in academic and professional contexts.

Profile of Resource person (if applicable): Mr. Ashok Singh, Senior Manager, Manupatra Information and Solutions Pvt Ltd.

Details of Program:

To get the students equipped with intricacies and techniques of legal research, a training session was conducted for law students to familiarize them with the Manupatra platform and its advanced version, an essential legal research tool in India. The session aimed to equip students with the skills needed to navigate and utilize Manupatra effectively for academic and professional purposes. Key areas covered

included accessing a wide range of legal resources such as case laws, statutes, commentaries, and legal journals.

During the session, the instructor demonstrated how to perform advanced searches, filter results, and interpret case judgments. Emphasis was placed on using Manupatra's powerful keyword search feature and understanding its citation services to trace case histories and precedents. Students learned to leverage tools like "Citation Check" and "Judgment Analytics," which allow users to understand the authority and relevance of cases.

Interactive exercises were incorporated, enabling students to practice researching case law and drafting brief case summaries. This hands-on approach encouraged students to develop research strategies tailored to complex legal questions. The training concluded with a Q&A session where students clarified their doubts. Feedback from attendees was positive, highlighting the practical benefits of the session. Overall, the training enhanced the students' research capabilities, preparing them to efficiently use Manupatra for legal studies and future practice.

Program Outcome:

By the end of this program, participants seems comfortable in accessing and navigating the platform and advanced version of the same for the legal research. Participants gained hands-on experience in using Manupatra's advanced features, enhancing their ability to conduct precise and efficient legal research. By

the end of the seminar, students and faculty were able to navigate complex legal databases, access relevant legal materials swiftly, and apply these skills in academic and professional research settings.

Number of Students Participated:

1. Participants- 117

Event Poster:

Objective of Program:

To unitedly celebrate India's biggest festival "Diwali Milan 2024" and encourage all Staff members to actively participate in traditional events.

Details of Program:

On the occasion of Diwali Festival Kalinga University Campus was decorated with colorful decorative lights, creating a cheerful and festive atmosphere. On 25th October 2024 (Friday) Dean of Students' Welfare organized the Diwali Milan Celebration 2024 at KU Auditorium.

The celebration began with a warm welcome for all attendees with traditional aarti & tilak, emphasizing the significance of Diwali as a time for togetherness and reflection. The program was carefully & specially designed to include traditional rituals, cultural performances, and a festive atmosphere.

Following the welcome, Honorable Dignitaries and Deans were honored with ***potted plants*** as tokens of appreciation. This gesture symbolized growth and prosperity, aligning with the essence of Diwali. The heartfelt appreciation expressed during this segment underscored the commitment of the Kalinga family to support one another. Afterwards, ***lamp lighting ceremony*** performed, where key figures within the university lit lamps to receive blessings for peace and prosperity.

Highlights of the Event:-

A highlight of the event was the series of ***cultural performances*** showcased by our dedicated teaching and non-teaching staff members. These performances included:

Traditional Bharatnatyam dance by Ms. Abhismita Roy, Faculty of Science
Entertaining Bollywood Masala by Ms. Naina Dhamecha & Ms. Tripti Siddu, Marketing Dept.
Mesmerizing & soothing musical performance by Mr. Harsh Khare Admin Dept., Mr. Ayush Gondale Faculty of Law, Mr. Thomas Raito Intern Digital Marketing.
Desi fusion with elegance by Ms. Sushmita CCRC Dept.

Energetic Bollywood Dance by Team City Office of Kalinga University.
Public energizing & engaging song sang by Mr. Manoj Nirmalkar from Accounts Dept.
Haryanvi style dance by Ms. Amolika Sharma from Student Coordinator Dept.
Special poetry performance by Dr. A. Raj Shekhar, Faculty of Arts & humanities
Bollywood 90s Tadka by Ms. Suman Chouhan Staff Nurse & Ms. Isha Yadav Intern Accounts Dept.
Captivating song performance by Mr. Debarghya Biswas Faculty of CS & IT.

All the performances were met with enthusiastic applause, showcasing the talents of the Kalinga family and enhancing the festive atmosphere.

The Diwali Milan 2024 program was inaugurated with the lighting In the midst of the cultural performances, the management distributed ***special Diwali gifts*** and the admin team ***distributed snacks*** packets to all attendees. This thoughtful gesture added to the festive spirit, allowing everyone to indulge in traditional treats and share in the joy of the celebration.

Masters of the ceremony were Ms. Vishakha Tiwari, faculty of Arts and Humanities and Ms. Parika Sharma, faculty of Commerce and Management.

The event concluded with a vote of thanks delivered by our esteemed Registrar, Dr. Sandeep Gandhi. He expressed gratitude to all attendees for their participation and acknowledged the efforts of those involved in organizing the celebration and also appreciated our talented anchors Ms. Vishakha Tiwari Faculty of Arts & Humanities & Ms. Parika Sharma Faculty of Commerce & Management. As a special surprise, he announced a 30-minute DJ dance, inviting everyone to let loose and celebrate together.

Program Outcome:

Diwali Milan 2024 became grand success with presence of more than 350 Staff members from Kalinga University.

Number of Participants: 378

Subject: Invitation to be a Resource Person for Online Certificate Course on Contract Drafting

To: lawbadri@gmail.com <lawbadri@gmail.com>

Cc: Dr. Azim Khan <prof.azimkhan@kalingauniversity.ac.in>

Respected Dr. Badrinath Srinivasan Sir,

I hope this message finds you well.

I am writing on behalf of the Faculty of Law, Kalinga University, Naya Raipur. We are excited to announce that we will be organizing a three-day online certificate course on Contract Drafting, scheduled for October 24th, 25th, and 26th, 2024 - Timing 6:30 P.M. - 8:00 P.M. (Evening).

We would be honored to have you as a resource person for this course. Your expertise and insights would greatly enrich the learning experience for our participants.

Could you kindly share your profile along with the structure of the sessions you would like to conduct during these three days. This will help us in effectively promoting the course.

Thank you for considering our invitation. Looking forward to hear back from you.

Regards

Meenakshi Rani Agarwal

Assistant Professor, Faculty of Law

Objective of Program:

Understand Contract Fundamentals: Grasp the key principles of contract law, including the elements of a legally binding contract and the importance of clear language.

Analyse Contract Structures: Learn to identify and analyse various types of contracts, understanding their components and the specific requirements of different contractual relationships.

Draft Clear and Effective Contracts: Develop practical skills in drafting clear, concise, and enforceable contracts that minimise ambiguity and protect the interests of all parties involved.

Incorporate Legal Terminology: Gain familiarity with legal terminology and concepts essential for effective communication in contracts.

Review and Revise Contracts: Acquire techniques for reviewing and revising existing contracts to enhance clarity and address potential issues.

Negotiate Contract Terms: Enhance negotiation skills to effectively advocate for favourable terms while maintaining positive relationships with counterparties.

Apply Best Practices: Learn industry best practices and ethical considerations in contract drafting and management.

Profile of Resource person:

Name: Dr. Badrinath Srinivasan

Designation: Ph.D. (Law), CIPP/E, MCIArb, FIII, Chief Manager (Legal)

Organization: Bharat Petroleum Corporation Limited, Bina, Madhya Pradesh, India

Program Schedule:

Day 1 - Session 1: Fundamentals of Contract Drafting

• Standard Form Contracts

• Competence, Stamp Duties, etc.

• Other Aspects

Session 2: Overview of Contract Drafting

• Standard Clauses in Contracts

• Drafting Exercises

Day 2 - Session 3: Drafting of Common Agreements I

• Guarantees- Bank Guarantees & Corporate Guarantees

• Non-Disclosure Agreements/ Confidentiality Agreements

• Agreement for Performance of Services

Day 3 - Session 4: Drafting of Common Agreements II

• Agreement for Performance of Goods

• Works Contracts- Construction Contracts

• Dispute Resolution Clauses

Details of Program:

Day 1:

Inaugural Session:

o Ms. Meenakshi Agarwal, Assistant Professor of Law, Kalinga University, along with Ms. Harleen Kaur, Assistant Professor of Law, Kalinga University welcomed all students, faculty members, and the esteemed resource person.

o Prof. Dr. Azimkhan B. Pathan, Dean, Faculty of Law, Kalinga University, extended a warm welcome to the resource person for the event, Dr. Badrinath Srinivasan, Chief Manager Legal, BPCL, Madhya Pradesh, India.

Session 1: Fundamentals of Contract Drafting:

- Dr. Badrinath Srinivasan began by explaining the key aspects of contract drafting, covering topics such as:
  - Standard Form Contracts
  - Competence and Stamp Duties
  - Other critical aspects of drafting contracts.
- The session also touched upon the significance of these concepts in practice, providing students with essential legal foundations.

Session 2: Overview of Contract Drafting:

o The resource person highlighted important standard clauses in contracts, providing practical insights through:

- Detailed discussions on frequently used clauses.
- Drafting exercises to enhance students' understanding and skills.

o Day 1 concluded with an interactive Q&A session where students engaged actively with the resource person.

Day 2:

Session 3: Drafting of Common Agreements I:

o Dr. Badrinath Srinivasan focused on drafting key legal agreements, elaborating on:

- Guarantees, including Bank Guarantees and Corporate Guarantees.

- Non-Disclosure Agreements (NDAs) and Confidentiality Agreements.
- Agreement for Performance of Services.

o The practical examples and legal nuances shared helped students gain deeper insight into real-world drafting challenges.

Day 3:

Session 4: Drafting of Common Agreements II:

o The resource person continued with the drafting of common agreements, covering:

- Agreement for Performance of Goods.
- Works Contracts, especially Construction Contracts.
- Key clauses related to Dispute Resolution.

o This session included discussions on the practical implementation of these agreements in various legal scenarios.

o The day concluded with a comprehensive Q&A session where participants clarified doubts.

o Prof. Dr. Azimkhan B. Pathan, Dean, Faculty of Law, Kalinga University, delivered the Vote of Thanks, expressing gratitude to Dr. Badrinath Srinivasan for his valuable insights and guidance.

Program Outcome:

Enhanced Understanding of Contract Drafting Fundamentals: Participants gained a thorough understanding of core concepts such as standard form contracts, stamp duties, and essential legal competencies involved in drafting contracts.
Practical Skills in Drafting Common Agreements: The course provided hands-on experience in drafting various common agreements, including guarantees, NDAs, and agreements for the performance of services and goods.
Insight into Standard Contract Clauses: Students became familiar with the standard clauses found in contracts, improving their ability to analyze and draft legally sound agreements.
Exposure to Real-World Legal Scenarios: Through interactive sessions, participants were exposed to practical legal challenges, enhancing their ability to apply theoretical knowledge to real-world contract drafting scenarios.
Improved Analytical and Problem-Solving Abilities: The course encouraged critical thinking and problem-solving through drafting exercises and Q&A sessions, allowing participants to tackle complex legal issues effectively.
Certification for Professional Advancement: By completing the course, participants received a certificate, providing them with a valuable credential to enhance their professional and academic careers in law.

Total Number of Participation: 92

Number of Students from Kalinga University: 28

Number of Students from Other Universities: 60

Number of Faculties of Kalinga University: 4

Total amount generated: Rs. 25420

“One Day National Seminar on Indigenous Children of CentralIndia” ICCI 2024

Organized by

XISA (Xavier Institute of Social Action)

On

9th November 2024.

Title- "Indigenous Children of Central India"
Date: 9th November,2024
Time of event: 9am-4:30pm
Event Type: Offline
Venue: Hotel Babylon Inn, Raipur ***Invitation Latter:*** NA
Event Poster: IOM/Circular:

Invitation to the resource person: (If applicable) – An ***invitation picture***

Objective of Program:

Details of Program:

India's indigenous population (Scheduled Tribes) constitutes 6.8% of the total demographic, according to the 2011 Census. In Central India, Madhya Pradesh and Chhattisgarh each host 46 indigenous communities. While some of these communities have achieved developmental parity, many continue to face socio-economic challenges such as poverty, illiteracy, and resistance to external influences. Despite numerous programs launched by government and non-governmental organizations to improve their quality of life, significant progress is still needed. These communities possess distinct lifestyles shaped by their geography, culture, and religion. Their unique socio-cultural attributes, while central to their identity, pose challenges for current

development strategies, necessitating customized approaches. Effective implementation of Sustainable Development Goals (SDGs) is crucial for achieving desired outcomes.

SDGs) is crucial for achieving desired outcomes.

Children are key indicators of community development, influenced by education, healthcare, recreation, and rights protection. An in-depth analysis of indigenous children's conditions is essential to redefining existing initiatives and forging new developmental paths. It is urgent to understand these children comprehensively, supporting their journey towards dignified lives where their humanity is respected and their aspirations are nurtured for holistic development. This seminar aims to explore these critical aspects, deepen understanding of indigenous children's developmental needs, and foster sustainable empowerment strategies. By bringing together experts, policymakers, and stakeholders, the seminar seeks to chart a path towards inclusive development that honours the unique heritage and potential of India's indigenous children. ***Program Schedule:*** 9th November, 2024, 9am-4:30pm

Details of Program

The Program was held on 9th November 24, by XISA in Babylon Inn hotel, Raipur. Two of the faculty members presented papers, Mr. Snehashish Sarkar and Ms. Jesika Minz. Along with the faculty a student of BAGEN-3 Himani Dhruv along presented a paper. It was a successful National seminar and it helped the student and the faculty to enhance and learn.

Number of Students participated: 1

Program Outcome:

Analyse the current developmental status of indigenous children in Central India. Evaluate the effectiveness of existing programmes and initiatives for children in central India. Propose innovative strategies for holistic child development within indigenous communities. Foster dialogue and collaboration among diverse stakeholders for sustainable change. Recognition: Participants will receive certificates, acknowledging their active engagement and contribution to the event, reinforcing the value of their involvement.

Long-term Impact: The knowledge and skills gained during the event will have a lasting impact on participants, empowering Indigenous groups and their communities.

Event Poster:

Objective of Program:

i. ***Understand Action Research:*** Grasp the concept of action research as a cyclical process of planning, acting, observing, and reflecting to improve practices.

ii. ***Identify Research Problems:*** Learn to pinpoint specific issues or challenges within a context that can be addressed through action research.

iii. ***Design Research Plans:*** Develop systematic approaches to investigate identified problems, including data collection methods and analysis techniques.

iv. ***Implement and Reflect:*** Gain practical experience in carrying out action research projects and critically evaluating the outcomes to inform future actions.

v. ***Communicate Findings:*** Develop effective communication skills to share research findings with relevant stakeholders and promote knowledge sharing and collaboration.

Program Schedule:

Time	*Activity*
11:00 - 11:05 AM	Welcome Address by Mr. Gulsan Kumar Behera
11:05 - 12:10 PM	Lecture by Lt. (Dr.) K.Nagamani
12:10 - 12:25 PM	Q&A Session
12:25 - 12:30 PM	Vote of Thanks by Mr. Gulsan Kumar Behera

Details of Program:

On the 11th of November 2024, the Faculty of Education at Kalinga University, Raipur, organized an enlightening guest lecture on “Action Research”, specifically organized for the B.Ed. students. The event was coordinated by Mr. Gulsan Kumar Behera, Assistant Professor, who warmly welcomed all the participants, including the distinguished faculty members and students. The session was honored by the presence of Dr. Shraddha Verma, Dean of Education, Dr. D. Kalidos, Director of Sports, and the entire faculty members of the Department of Education, contributing to the event's significance. The guest lecture was delivered by the esteemed Lt. (Dr.) K.Nagamani, Assistant Professor at Kalyan P. G.

College, Bhilai Nagar, C. G.. Dr. Nagamani, with 22 years of enriching experience in education, holds multiple postgraduate degrees, including M. Ed., and M.

A. in both Sociology and Hindi Literature and has qualified NET in Education. She has earned her Ph.D. from Pt. Ravi Shankar University, Raipur. She has published 72 research papers, 2 edited books and guided 09 research scholars. Dr. Nagamani has also led key research projects funded by UGC and ICSSR, focusing on self-confidence, emotional intelligence, and mental health among students. Her leadership extends beyond academia, serving as an NCC Officer and Mental Health Officer, appointed by the National Mental Health Programme, Chhattisgarh. She shared her extensive knowledge on the importance and the process involved in conducting an Action Research. Her lecture, held from 11:05 AM to 12:10 PM, offered valuable insights into how future educators can do action research to address the problems and obstacles in a school education system. Following the lecture, a brief yet engaging Q&A session took place from 12:10 PM to 12:25 PM, where students had the opportunity to interact directly with Dr. Nagamani. The session was highly interactive, with students posing thoughtful questions and Dr. Nagamani providing insightful responses, enriching the learning experience. The program concluded with a vote of thanks delivered by Mr. Gulsan Kumar Behera at 12:25 PM. He expressed sincere gratitude to Lt. (Dr.) K.Nagamani for her time and valuable contributions, and acknowledged the support and presence of Dr. Shraddha Verma, Dr. D. Kalidos, and all faculty members, whose collective efforts ensured the success of the event. The guest lecture proved to be an inspiring and educational experience for the students, equipping them with essential knowledge for their future teaching careers.

Program Outcome:

i. Participants gained a foundational understanding of the principles and purpose of action research. They explored the role of action research in improving practice and solving real- world issues. Through interactive discussions, they examined how reflective inquiry can lead to meaningful changes in educational and professional settings.

ii. Attendees explored various methodologies used in action research and discussed their practical applications. Different approaches, such as qualitative and quantitative methods, were reviewed to provide a comprehensive overview. Participants analyzed how these methods could be adapted to suit the needs of diverse contexts and challenges.

iii. Educators and practitioners identified key steps for conducting action research within their specific professional contexts. By breaking down the action research process into actionable steps, participants learned how to plan, implement, and assess their research projects. This step- by-step approach aimed to help them effectively address and analyze issues relevant to their work.

i. Participants reviewed examples of successful action research projects and reflected on their impact in real-world settings. Case studies and success stories were shared to illustrate the practical benefits of action research. Through reflection, participants considered how similar approaches could enhance their own professional practices and outcomes.

ii. Attendees developed strategies for designing and implementing their own action research projects to address challenges in their practice. Working in groups, they brainstormed and outlined actionable research ideas relevant to their unique challenges. This exercise aimed to empower participants with a clear plan to start their action research journey and contribute positively to their field.

iv. Educators and practitioners identified key steps for conducting action research within their specific professional contexts. By breaking down the action research process into actionable steps, participants learned how to plan, implement, and assess their research projects. This step- by-step approach aimed to help them effectively address and analyze issues relevant to their work.

v. Participants reviewed examples of successful action research projects and reflected on their impact in real-world settings. Case studies and success stories were shared to illustrate the practical benefits of action research. Through reflection, participants considered how similar approaches could enhance their own professional practices and outcomes.

vi. Attendees developed strategies for designing and implementing their own action research projects to address challenges in their practice. Poster Making Competition

Organized by

"Department of Microbiology & Botany"

On 11/11/2024

Title- "Poster Making Competition"

Date: 11/11/2024

Time of event: 10: 00 AM to 12:00 PM

Event Type: Offline

Venue: Auditorium, Main Building, Kalinga University

Circular:

Objective of Program:

To spread awareness regarding the innovations of science for peace and development. Promote understanding of the role of science in fostering peace and sustainable development.

Provide a platform for participants to creatively express scientific ideas and their impact on society. Inspire innovative ways to communicate complex scientific concepts visually.

Highlight the importance of science in addressing global challenges like climate change, health crises, and poverty. Encourage participants to think critically about the role of science in shaping a better future.

Program Schedule:
Date: 11/11/2024
Time: 10:00 am to 12:00 pm

Details of Program:

To celebrate World Science Day for Peace and Development, a dynamic ***Poster Making Competition*** was organized by department of Microbiology & Botany on 11th November 2024 at auditorium of Kalinga University, bringing together creativity and the spirit of science. The event aimed to raise awareness about the critical role of science in promoting peace, sustainable development, and solutions to global challenges. The theme encouraged participants to visually represent the relationship between science, humanity, and the planet. The event started at 10:00 am, all the participants were provided with A2 size sheets and time duration of 2 hours to express their innovative ideas through art. Participants were tasked with creating posters that conveyed compelling messages, focusing on topics technological advancements for peace and the importance of scientific collaboration.

Dr R. Jayakumar, Dean Sciences and Dr Shilpi Shrivastava, HoD, Chemistry were invited as respected judges for the competition. Participants were judged on creativity, relevance to the theme, clarity of the message, and artistic execution. The competition not only allowed participants to showcase their artistic skills but also encouraged them to delve deeper into scientific concepts and their impact on society. At 12: 00 pm, the event concluded with an exhibition of the best entries. Dr. R. Jayakumar, Dean Sciences addressed the students and announced the winners and presented trophies to 1st, 2nd and 3rd prize winners. Winners received certificates and trophies, and all the participants received the certificates for their efforts and inspire continued exploration of science's role in shaping a better world. By blending art and science, this competition successfully highlighted the importance of communicating scientific ideas in engaging and accessible ways. It inspired participants and viewers alike to recognize the power of science in fostering peace and development, leaving a lasting impression of creativity and innovation.

Awards

All participants were recognized for their outstanding contributions, awards are as follows:

First Prize: 1st winner trophy, Ms Shambhavi Maheshwari (M.Sc 1st Sem, Microbiology)
Second Prize: 2nd winner trophy, Ms Tanisha Mitra (B.Sc 5th Sem, Microbiology
Third Prize: 3rd winner trophy, Ms Sreetama Bhowmick (B.Sc 5th Sem, Microbiology)

Program Outcome:

The Poster Making Competition organized on World Science Day for Peace and Development had a profound impact:

Increased Awareness: The event effectively educated participants and audiences about the pivotal role of science in addressing global challenges such as climate change, renewable energy, and social equity. It highlighted how scientific advancements contribute to fostering peace and sustainable development.

Enhanced Creativity and Communication Skills: Participants explored creative ways to visualize complex scientific concepts, improving their ability to communicate ideas artistically. The use of art as a medium encouraged innovative thinking and storytelling to convey scientific messages.

Celebrated Scientific Achievements: The event showcased the role of science in improving the quality of life and addressing pressing global issues. It inspired participants to appreciate scientific advancements and their potential to create a peaceful and sustainable future.

Encouraged Critical Thinking: The themes encouraged participants to think critically about how science interacts with peace and development. This cultivated a deeper understanding of global issues and the role of science in addressing them.

"GUEST LECTURE ON RESEARCH METHODOLOGY"

Organized by

"Facultyof Law"

On

12-11-2024

Title- **"**Guest Lecture on Research Methodology"

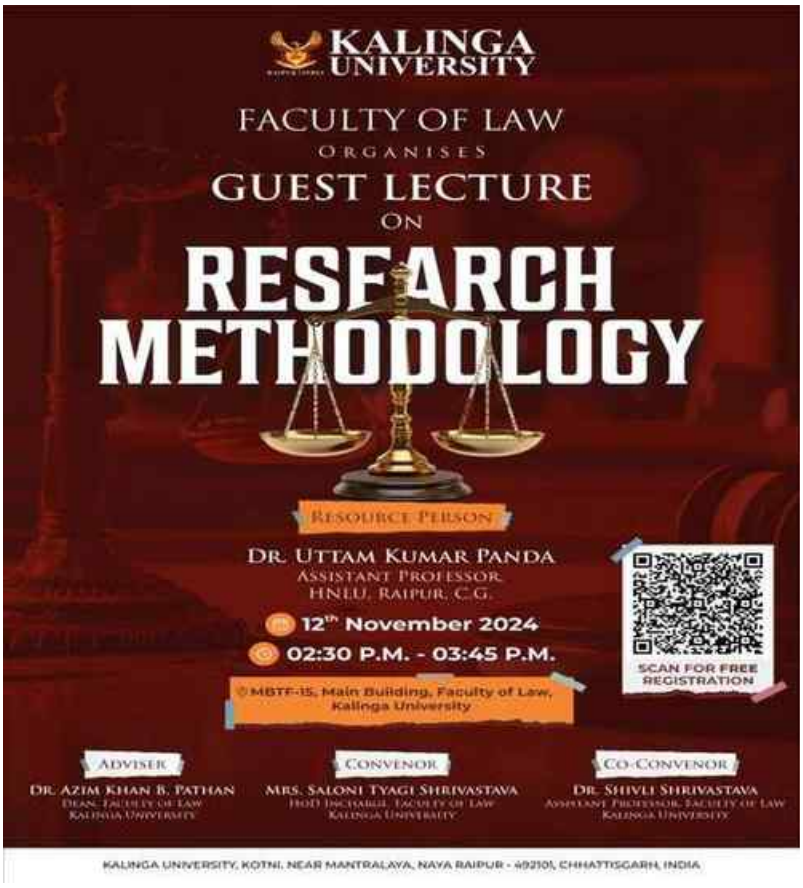
Date: 12-11-2024

Time of event: 02:30 PM- 03:45 PM

Event Type: Offline

Venue: MBTF 15, Kalinga University, Naya Raipur, Chhattisgarh

Event Poster:



Objective of Program:

Provide guidance on research mehtodology: The students understand the methods of research such as doctrinal, non-doctrinal, impirical, qualitative, etc.

Guidance on Preparation: The students understand the essential preparation to be done for doing the research on specific subject matter i.e. preparing research design, identifying research gaps and how to do review of literature.

Clarification of Skill Requirements: Highlight the skills and attributes needed to excel in research work, such as analytical thinking, legal reasoning, leadership, and communication skills, and how law students can develop these during their journey of research.

Data Sampling : The students learn the various methods of data collection and determination of sample size for empirical research.

Details of Program:

The session began with the invocation of Goddess Saraswati, the goddess of knowledge and wisdom. A brief ceremony took place, setting a positive and respectful tone for the event. Prof. (Dr.) Azimkhan B. Pathan, Dean, Faculty of Law delivered the formal welcome address, greeted the distinguished guests, faculty members, and students. He introduced the purpose of the event and provided an overview of the importance of research in the field of law. Further Dr. Uttam Kumar Panda, a well-known legal expert, delivered a detailed session on research methodology for under graduate and post graduate students.

He covered the following key points:

Introduction research: Understanding the necessity and kinds of research in the field of legal research.

Techniques of determination of sample size: The expert explained in detail the techniques of deciding the sample size and fixation of variables for the collection of data.

Preparation Strategy: Offered insights into the most effective study plans, time management, and resource materials for legal research.

Motivation and Guidance: Provided personalized advice to law students on identifying their strengths and aligning them with the research methods adapted by them.

This was then followed by an interactive session, with a Q&A at the end, allowing students to raise questions and clear their doubts regarding research.

Mrs. Saloni Tyagi Shrivastava, Head of the Department, Faculty of Law delivered the Vote of Thanks, expressing gratitude to the guest speakers, dignitaries, faculty members, and students for their participation. She also highlighted the importance of such career counseling sessions and encouraged students to stay motivated and focused in their preparation.

Program Outcome:

Enhanced Awareness of research and its aspects:- The students understood the various kinds research such as qualitative, quantitative, mixed research, empirical research, doctrinal research, etc.

Structured Preparation Strategies: The students understood the preparations such as how the review of literature has to be done, how to find out the research gaps, how to decide the type of research to be done on a specific topic, etc.

Increased Motivation and Focus: Through interaction with experienced professionals, students felt more motivated and focused on their goals. The session inspired them to pursue their chosen career with greater confidence and dedication.

Personalized Career Planning: By addressing individual queries and doubts, students left the session with a better understanding of how to align their personal strength in doing the research work.

Number of Students participated: 54 students of Faculty of Law, Kalinga University

Number of faculty participated: 15

Dr. Uttam Kumar Panda, guest speaker for the session addressing the students and sharing his views on research methodology.

on

12/11/2024

MASTER OF THE CEREMONY - MS. VISHAKA TIWARI, ASST. PROF., DEPT. OF ENGLISH

Details of Program:

1. We first welcomed the students and faculty members of Ahilya International School, Balodabazar, with a Tilak ceremony at the auditorium. Following this, we warmly greeted the Principal of Balodabazar, Mr. G.C. Das, by presenting him with a potted Plant. The event officially commenced with a traditional lamp-lighting ceremony and the rendition of Saraswati Vandana.

2. Next, a detailed session about Kalinga University was conducted by Mr. J.Vishal, who explained the growth and organizational structure of the university in an insightful manner, highlighting its journey and achievements.

3. This was followed by a career guidance session led by Dr. Sunayna Shukla, who interacted with the students, discussing how they can enhance their personalities and intellectual capabilities to prepare for their future careers.

4. To make the visit more engaging, the Faculty of Commerce and Management organized a fun-filled session for the students . There were also some exceptionally talented students who performed live songs, adding an artistic touch to the event. The fun session received high appreciation from both students and teachers.

5. Afterwards, as a token of respect from our university, Dr. Chandra Bhushan Singh and Dr. Nishtha Sharma presented a memento to the Principal, Mr. G.C. Das, on behalf of Kalinga University. Additionally, Diary with boxes were also given to the accompanying faculty members as a gesture of appreciation for their participation.

The event concluded with a heartfelt vote of thanks delivered by Ms. Vishakha Tiwari, Asst. Prof., Dept. of English who expressed gratitude to everyone for their presence and contribution to the success of the event.

After the vote of thanks, we provided the students and staff members with a guided campus tour, showcasing our facilities and answering any questions they had. During the tour, we also took some short interviews with the students, capturing their feedback and impressions of the campus.

The event was then concluded with a lunch where everyone had the opportunity to relax and enjoy the meal together.

Overall, the students and staff members expressed great satisfaction with our arrangements. To wrap up the event, Hon'ble Principal Sir took the stage and shared some motivating words about Kalinga University, inspiring the students to aim for success and excellence in their future endeavors.

Number of Students: 78
Number of Teachers: 10

Glimpses of the event:

Program Outcome:

1. Career Guidance: Students learned about career options and personal growth.

2. Engagement: Fun games and activities kept everyone involved and entertained.

3. Cultural Experience: Student performances added a creative and lively touch to the event.

4. University Awareness: Students got to know more about Kalinga University and the opportunities it offers.

Feedback:

The campus visit of Ahilya International School, Balodabazar, was a great success, with positive feedback from students, faculty, and the Principal. The career guidance session was insightful, helping students explore future opportunities, while the interactive games and cultural performances created an engaging and enjoyable atmosphere. The campus tour was appreciated, allowing students to learn about our facilities and programs. Overall, the event was well-organized, and everyone, including the Principal and staff, expressed satisfaction with the arrangements. The visit was a valuable experience, leaving students with a positive impression of Kalinga University.

"ONE-DAY INDUSTRIAL VISIT"

To

For

Pharmacy Students

Organized by

"Faculty of Pharmacy"

On

18-11-2024

Title- "One day Industrial visit to -PARLE-Ganesh Bakers Pvt. Ltd. Kachana for Pharmacy Students**"**

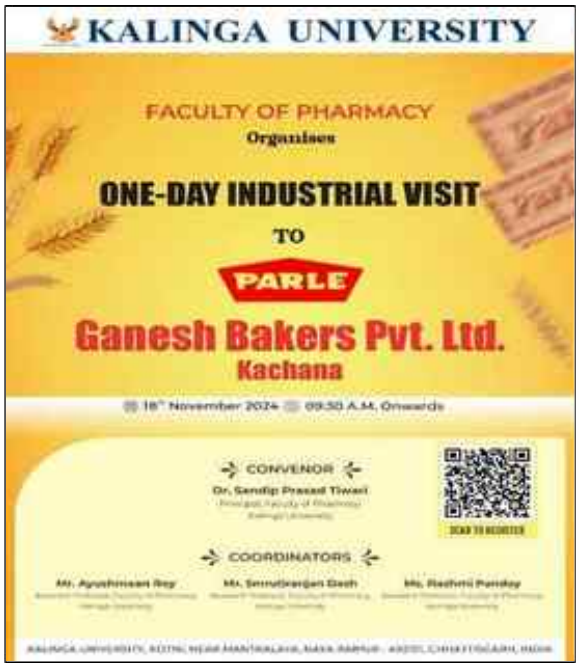
Date: 18-11-2024

Time of event: 09:30 AM to 03:40 PM

Event Type: Offline

Venue: Ganesh Bakers Pvt. Ltd. Kachana

IOM/Circular/Event poster:



Objective of Visit:

The objective of this event was are listed below:

Practical Exposure to Industry Practices: Industrial visits provide students with firsthand experience of the pharmaceutical industry's operations, including manufacturing, quality control, packaging, and distribution processes. This exposure helps students understand the real-world application of concepts taught in the classroom.

- ***Insight into Current Technologies and Innovations***: Students get to witness the latest advancements in pharmaceutical technology, automation, and research & development during these visits. It helps them stay updated on industry trends and the technologies shaping the future of the pharmaceutical field.
- ***Understanding Regulatory Standards***: Industrial visits allow students to observe how pharmaceutical companies comply with regulatory standards, including Good Manufacturing Practices (GMP) and Good Laboratory Practices (GLP). This enhances their understanding of the importance of safety, quality, and compliance in drug production.
- ***Career Exploration and Networking Opportunities***: Visiting pharmaceutical industries provides students with the opportunity to explore various career paths in the industry, such as

research, manufacturing, quality assurance, and regulatory affairs. Additionally, they can network with industry professionals, which can be beneficial for future internships or job placements.

Bridging the Gap Between Academia and Industry: Industrial visits provide a platform for students to interact with professionals who work in the field, ask questions, and gain insights that academic resources might not cover. This helps bridge the gap between theoretical knowledge and practical application, preparing students for their future careers in the pharmaceutical industry.

Details of Visit:

Faculty of Pharmacy Kalinga University successfully organized the One day Industrial visit to PARLE ' for pharmacy students on Monday, 18th November 2024. The main purpose for industrial visit was to provide exposure to the pharmacy students towards the operational side of the pharmaceutical industry and give them a deeper understanding of application of theoretical knowledge in a real-world setting. Through this visit, we aimed to observe the processes involved in the production, quality assurance, packaging, and distribution of pharmaceutical and nutraceutical products. Additionally, we sought to enhance our awareness about industry regulations, technological advancements, and the role of pharmaceutical professionals in ensuring the safety and efficacy of edibles and nutriments.

The visit was started with welcome of all the faculty members and students by the industry concerned members and program proceeded by presentation detailing about the company history and development Presented by Mr. Naveen Kumar Singh.On further briefed about the role responsibilities and members of Industry coordinator.

Post to this session students were allowed to visit the manufacturing units in view to the Raw materials checking, moulding, baking , cooling and final wrapping to dispatchment properly with the batch no. , mfg.date and expiry date as well.

The industrial visit to Parle manufacturing unit was a highly rewarding experience. It provided us with practical exposure to the pharmaceutical manufacturing process, quality control, regulatory compliance, and technological advancements. The visit deepened our understanding of the concepts we learn in the classroom are implemented in the real world, and it has undoubtedly contributed to our academic and professional growth.

Students were grateful for this opportunity and believe that such visits are essential for them to gain a well-rounded understanding of the industry.

The experience was undoubtedly worthful, educational, and enjoyable, and we look forward to more such visits in the future that will continue to shape our careers in the pharmaceutical field.

Students enjoyed the visit .

Program Outcome:

The event achieved its objectives of providing essential information are essential for them to gain a well-rounded understanding of the industry.

Sub: Necessary permission for Waste Optimization Professional Training

Respected Sir,
This is with reference to your inform you that the "Waste Optimization Training" will be starting from 18th Nov 2024. For smooth conduction of the the inaugural session and the training program the following items are required:

1. LED screen on 18.11.24 for inaugural session from 11 AM to 2 PM.
2. 20 temporary ID cards for student participants.
3. Certificates- 50 (participants+speakers).
4. Boarding & Lodging- 3 female student participants and 02 female participant will need hostel facility. 20 students will require university canteen food facility.
5. Honorarium, Guest House room and Transport facility for invited speaker as if and when required. TA/DA for the speakers as per the University rules. Tea and Snacks for the invited speakers from outside Kalinga University may be provided.
6. Transportation- Bus facility for field visits and On Job Training. Student participants commuting will need access to university buses plying to respective routes.
7. Smart AC Classroom with a sitting capacity of 20 students. E-Block building has been selected as other rooms will be engaged by exam department for End sem exam. A projector may be installed for smooth conduction of classes.
8. Camera person during training programme for proper documentation.
9. Auditorium for inaugural (18.11.2024, 10 AM onwards) and valedictory function (Date yet to be decided).
10. Tea/Coffee and Special Lunch for 15 people on 18/11/2024.
11. Faculty of Civil engineering department will be delivering lecture as per the schedule. So, they no exempted from class or other duties during their respective lecture sessions.
12. Faculty members of Zoology; Dr. Manoj Singh, Dr. Ajay Harit and Dr. Sohini Bhattacharyya will be actively involved in conducting the program (taking multiple lectures, coordinating lecture and practical sessions, managing students, etc.). Therefore, it is requested that they maybe exempted from End Sem Exam Invigilation duty.
13. Suspension of classes from 11 AM to 1:30 PM for Faculty of Science students on 18.11.24 (Monday) for attending the inaugural session.

Kindly provide the necessary permission and inputs if any on the same.
Thanking You.

Yours Sincerely

Sub: Permission request for conducting Valedictory Session for Waste Optimization Professional Training

Respected Sir,
This is with reference to your inform you that the "Waste Optimization Training" will be concluding on 25th Jan 2025. A valedictory session is scheduled on 27th Jan 2025 in the Auditorium for a proper closing of the program. The following items are required for the valedictory session.

1. LED screen from 11.30am to 1.30pm.
2. Certificates- 30 (participants+speakers).
3. Tea/Coffee and Special Lunch for 35 people.
4. 40 Snacks Boxes.
5. Suspension of classes from 11 AM to 1:30 PM for Department of Zoology, Faculty of Science for attending the inaugural session.
6. Other items:

S.No	Items	Qty.
1	Bastar Art Mementos	5
2	Potted Plant	5
3	Flex (6x4)	02
4	Aarti Thali	01
5	Tray	01
6	Saraswati Goddess Photo & Lamp, Oil, Candle	02
7	Flowers (2 Kg rose+2 Marigold garland)	01
8	Refreshment for Special guest (Dry fruits, Cookies & Tea/Coffee)	3Kg
9	Special Snacks for Student participants	15
10	Special Lunch for CECB Guest, Zoology Department Staff, Trainee Students	50
11	Paper Glass for drinking water	35
12	Water Bottle (250g)	100
13	Glass bottle of drinking water for guest	1
14	LED Screen for two hours	6
15	Photography by Mr. Yunus Khan	01
16	Rangoli Colours (white, black, light green, dark green, dark blue light blue, brown, red, purple, yellow, orange)	01 1Kg

Kindly provide the necessary permission and inputs if any on the same.
Thanking You,

Yours Sincerely

Subject: Invitation as Chief Guest for the Valedictory Session of Waste Optimization Professional Training Program

Respected Sir,

Greetings from Kalinga University!

We are delighted to inform you that the "Waste Optimization Professional Training" program, initiated on 18th November 2024, by Chhattisgarh Environment Conservation Board (CECB) in collaboration with Kalinga University, is approaching its successful conclusion. This training program has benefited 20 selected SC candidates, with advanced strategies and methodologies for waste management and optimization, aligning with the Vision of sustainable environmental conservation and objectives of Green Skill Development Program. During this 60-day training program, 320hrs of Theoretical and Practical sessions were conducted for the participants.

The valedictory session of this prestigious program is scheduled to take place on 27th January 2025 at Kalinga University Auditorium, from 11.30am to 01.00pm. This session aims to celebrate the achievements of the participants and highlight the outcomes of this transformative initiative.

As a respected leader and advocate in the field of environmental protection, it is our honor to invite you to grace the occasion as the Chief Guest. Your presence and insights would undoubtedly inspire the participants and emphasize the importance of collective efforts in waste management and environmental sustainability.

We look forward to the opportunity of hosting you at this significant event and are hopeful that you will accept our invitation. Kindly let us know your availability at your earliest convenience.

We sincerely hope that you will accept our invitation and make this event memorable with your esteemed presence.

Thank you for your time and consideration. We look forward to your positive response.

Warm regards,

Waste Optimization Training Program- 2024

Details of Program:

The Department of Zoology (Kalinga University) in collaboration with CECB launched a Green Skill Development Programme (GSDP) of 60 days training on Waste Optimization Professionals. This programme is organized on the line with the Hon'ble Prime Minister's Skill India Mission. The program was sponsored by the Ministry of Environment, Forest and Climate change (MoEF & CC), setting the stage for discussions on sustainable practices with a focus on waste management. The event, brought together experts, educators, and participants to tackle the escalating issue of waste generation.

The program commenced with a keynote address by the Chief Guest, Dr. Alok Kumar Sahu, Principal Director and Head of CIPET, Raipur, Chhattisgarh. He emphasized the alarming rise in plastic waste due to modern lifestyle trends, including single-use plastics, medical disposables, and changes in consumer behavior. Dr. Sahu presented a detailed analysis of the environmental impact and highlighted advanced waste management technologies such as pyrolysis and refining for mixed plastic waste. He also elaborated on the Bureau of Indian Standards (BIS) guidelines for recycled plastic products and the legal framework

governing plastic waste, encouraging adherence to the principles of Reduce, Reuse, Recycle, Recovery, and Landfill.

Prof. R. Sridhar (Vice-Chancellor, Kalinga University), served as the Guest of Honor, welcoming participants and stressing the need for such initiatives to foster sustainable practices and build capacity for environmental stewardship. He was also the main speaker in the valedictory session where he emphasized the outcomes of this professional workshop.

Mr. Amar Prakash Sawant, ENVIS coordinator & Public Relations Officer of CECB, Raipur spoke on behalf of the Ministry during the valedictory session. He emphasized how the different industrial visits equipped the participating students with an extra edge to obtain jobs in those areas of waste management. He encouraged the students to stay in touch for future professional opportunities and lauded the conduction team for efficiently completing the workshop.

Adding to the momentum, Dr. Sandeep Gandhi (Registrar, Kalinga University) expressed the university's unwavering support for sustainability-focused programs, reinforcing Kalinga University's commitment to addressing ecological concerns. He also, provided a comprehensive roadmap for waste optimization, advocating actionable strategies for minimizing environmental impact.

This 60-day program will equip participants with practical tools and knowledge to address waste management challenges, emphasizing innovative techniques and sustainable solutions. By initiating such impactful programs, Kalinga University continues to demonstrate its leadership in environmental education and its dedication to fostering a greener, more sustainable future.

Program Outcome:

1. Participants could gain hands on knowledge from industrial exposure to various plants related to dairy, waste water treatment, electrical waste treatment, etc.
2. Participants were able to interact with experts from CIPET and other industries and understand the mechanism of waste recycling.

Number of Students participated: Attendance sheet attached

1:30 pm	Keynote address	***Dr. Abdul Azeez E P PhD***
01:30- 1:45 pm	Q&A, Discussion	With students
01:50	Valedictory Session	

Program Outcome:

Improved academic writing and publishing skills among participants.
 Increased publication rates in reputed social science journals.
Enhanced understanding of ethical research and academic standards.

Participants Detail:

Number of Students participated online/offline: 42

Number of faculty participated online/offline: 37

Details of Program:

Department of Social Work conducted workshop on "Academic Writing and Publishing in Social Sciences" that envisioned to make research environment, exposure to qualitative and challenging work-life, the features and future of development of society.

Writing a research paper and publishing is an ideal way to organize thoughts, craft narratives or make arguments based on research, and share the new-found knowledge with the world. The faculty members and Students of the Faculty of Arts & Humanities are committed to supporting excellent research with a wide public impact.

The program start with

1. ***Welcome Address***
   The workshop commenced with welcome address by ***Dr. Shilpi Bhattacharya, Dean, Arts & Humanities, Kalinga University, Raipur.*** The speaker highlighted the importance of academic writing and publishing in advancing knowledge in social sciences.
2. ***Lighting of the Lamp***
   The ceremonial lighting of the lamp was conducted by ***(All the dignitaries),*** marking an auspicious start to the event.
3. ***Keynote Address by the Resource Person***
   The keynote address was delivered by the ***(Anchors),*** who emphasized the critical role of writing and publishing in fostering academic and professional growth. The resource person outlined best practices, current trends, and common challenges in academic publishing.
4. ***Welcoming the Resource Person with a Memento***
   As a token of appreciation, a memento was presented to the resource person by ***Dr. Manoj Mathew, Asst. Professor of Social Work, Kalinga University, Raipur (On Behalf of)*** acknowledging their valuable contribution to the workshop.
5. ***Session Conducted by the Resource Person***
   The resource person ***Dr Abdul Azeez. E.P, Asst. Professor of Social Work, VIT Vellore,*** conducted an engaging and informative session on ***Techniques and Strategies for Effective Academic Writing and Publishing***. Key topics included:
   - o Structuring academic papers.
   - o Choosing suitable journals.
   - o Avoiding plagiarism.
   - o Navigating the peer-review process.
6. ***Q & A Session-*** Participants actively engaged in the session, asking insightful questions and sharing their perspectives.
7. ***Vote of Thanks***
   The workshop concluded with a vote of thanks delivered by ***Ms. Sneha Jackson, Asst. Professor of Social Work, Kalinga University, Raipur,*** at 1:30 PM. Gratitude was expressed to the resource person, organizers, and participants for their enthusiastic involvement, making the event a success.

Respected Ma'am

Subject: Requested For Approval to Organize "Media Fest 2024" On 20-11-2024.

I Am Writing to Seek Your Kind Approval for Organizing A "Media Fest 2024" On 20-11-2024 By Journalism and Mass Communication Department. The Primary Objective of This Event Is to Provide Hands-On Training and Enhance the Skills of Participants in Modern Photography And Videography, Specifically Focusing On Drone Camera Operations.

For This Purpose, We Have Invited an Expert in Drone Photography and Videography to Conduct a Training Session. The Event Will Be Divided into Two Parts: no charges

1. **Modern Photography, Drone Camera Operation Workshop:** A Practical Session Where Participants Will Learn to Modern Photography and Operate Drone Cameras Under the Guidance of The Expert.
2. **Photography Competition:** Participants will be tasked with capturing compelling photographs that tell a story or evoke emotions. The competition aims to encourage creativity and visual storytelling through the art of photography.

The Invited Modern Photography and Drone Expert Abhinandan Tiwari, Co-Founder & Director, Reelon Air Pvt Ltd, Raipur Chhattisgarh Will Also Be[illegible] in The Judge for Photography Competition, Ensuring A Fair and Professional Evaluation.

We Are Targeting Participation from Students Both Within Kalinga University and From Other Institutions. The Attached Document Contains the Brochure Content, Including the Rules and Procedures for Registration, For Your Reference.

We Request Your Esteemed Approval for The Event, Which We Believe Will Be Highly Beneficial for All Attendees and Contribute to Their Professional Growth.

Thank You for Considering Our Proposal. We Look Forward to Your Positive Response.

Thank you
Yours sincerely
Department of Journalism and Mass communication

this event is already approved in the event planner. kindly print the department to conduct the same on the date mentioned. forward to DSW for approval.

Allowed & forwarded to Registrar Sir for approval.

Event Poster:

Objective of Program:

Provide hands-on experience in drone technology and photography.
Encourage creativity through storytelling and pattern photography.
Explore career opportunities in media and drone technology.

Program Schedule:

Time	Session	Distinguished Speakers
10:00 am	Inaugural session	***Host***
10:15 am	Lighting lamp	All Dignitaries
10:30 am 10:30-	Welcome Address	Dr. Shilpi Bhhattacharya
11:30 pm	Keynote address	***Mr. Abhinandan Tiwari***
11:30- 12:30 pm	Outdoor Drone workshop	With students
12:30 – 01:30 pm	Photography competition	
01:30 – 2:00 pm	Winner announcement	

Program Outcome:

The Media Fest successfully empowered students with practical knowledge and skills in drone technology and photography. Participants gained hands-on experience in operating drones and understanding their applications, legalities, and career prospects, guided by industry experts. The photography competition fostered creativity, with students showcasing their talent in storytelling and pattern photography. The event not only enhanced technical and creative skills but also inspired participants to explore emerging career opportunities in media and technology, marking it as a significant learning and networking experience.

Participants Detail:

Number of Students participated: 38
Number of faculty participated: 13

Details of Program:

Department of Journalism and mass communication, Kalinga University organized Media Fest 2024 on 20th November 2024. This competition was organized for Students, participants from Amity University Raipur also took part in it. All these winners were honored with trophies and certificates at a function held at the Seminar hall of Kalinga University. A total of 38 participants had sent their entries in drone workshop & photography competition. The judges of this photography competition were Mr. Abhinandan Tiwari (Founder of Reelon Air pvt. Ltd.). The convener of this program were Dr. Yogesh Vaishnaw, Dr. Sunil Tiger, Mrs. Tuhina Choubey, Mr. Khushwant Dangi.

The program starts with

1. ***Welcome Address***

Event Poster:

Objective of Program:

i. ***Enhance Knowledge and Learning***: To provide a platform for students to broaden their understanding across various domains, including current affairs, general knowledge, and subject-specific topics.

ii. ***Foster Healthy Competition***: To cultivate a spirit of healthy competition among participants, encouraging teamwork, strategy, and the pursuit of excellence.

iii. ***Promote Inter-Collegiate Interaction***: To facilitate interaction and networking among students from different colleges, fostering collaboration and mutual learning.

iv. ***Encourage Critical Thinking and Quick Decision-Making***: To develop participants' ability to think critically, solve problems, and make decisions under time constraints.

v. ***Boost Confidence and Presentation Skills***: To enhance participants' confidence in expressing themselves and performing under pressure, improving their overall communication and presentation abilities.

Program Schedule:

Time	*Activity*
9:30 - 9:50 AM	Welcome of Participants by Tilak and Chandan by Volunteer students from DSW and Dr. Saroj Nayyar
9:50 - 10:15 AM	Checking Registrations of the Teams by Dr. Lubhawani Tripathi
10:15 - 10:20 AM	Lamp Lightening by the guests, faculties and Maa Saraswati Vandana
10:20 - 10:23 AM	Welcome Address by Ms. Harsha Sharma and Mr. Gulsan Kumar Behera
10:23 - 10:35 AM	Welcome of the respected Judge of the event by Dean, Dr. Shraddha Verma by potted plants
10:35 - 10:40 AM	Inauguration of the Quiz Competition by explaining the rules of the 1st round: Elimination round by Mr. Gulsan Kumar Behera
10:40 - 12:30 PM	Elimination Round of the Quiz Competition, Anchoring by Ms. Harsha Sharma and Mr. Gulsan Kumar Behera, Scoring of the round by Dr. A. Vijayanand and Dr. Saroj Nayyar
12:30 - 12.50 PM	Refreshment Break
12. 50 - 1:00 PM	Announcement of Scores and Selected Teams for the 2nd Round by Dr. Saroj Nayyar
1:00 - 1:15 PM	Tie- Breaker round of the shortlisted teams for the 5th position in the 2nd round
1:15 - 1:20 PM	Explanation of rules of the 2nd round by Mr. Gulsan Kumar Behera
1:20 - 1:45 PM	2nd round of the Quiz competition: Anchoring by Mr. Gulsan Kumar Behera
1:45 - 1:50 PM	Announcement of Scores and Selected Teams for the 3rd Round by Dr. Saroj Nayyar
1:50 - 1:55 PM	Explanation of rules of the 2nd round by Mr. Gulsan Kumar Behera
1:55 - 2:15 PM	3rd round of the Quiz competition: Anchoring by Mr. Gulsan Kumar Behera
2:15 - 2:50 PM	Announcement of the winning and runners up Teams of the final Round by Dr. Saroj Nayyar, Prize and Certificate distribution to the winning team, runners up team and all the participants by Dr. Shraddha Verma, Dr. Lubhawani Tripathi and Dr. Saroj Nayaar, Photo Session

Time	*Activity*
2:50 - 3: 00 PM	Vote of Thanks by Dr. Lubhawani Tripathi

Details of Program:

On 20th November 2024, the Faculty of Education at Kalinga University, Naya Raipur, organized the Inter-College Quiz Competition: "Brain Brawl", which had participation from 42 students representing various colleges. The event began with a soulful Saraswati Vandana performed followed by lightening of lamp and anchored by Ms. Harsha Sharma. The rules of the competition were explained by Mr. Gulsan Kumar Behera, while the scoring was managed transparently by Dr. A. Vijayanand and Dr. Saroj Nayyar. After three engaging rounds, the Winning Team from Kalinga University, comprising Manrakhan Lal Tandon, Kusum Sinha, and Neha Patel, emerged victorious, followed by the 1st Runner-Up Team from CTE (Sangita, Aakash Vaishnav, and Shashibhushan Patel) and the 2nd Runner-Up Team (Lalit Kumar, Ajay Kumar Bhoi, and Rakesh Kumar). The event was graced by Dr. Shraddha Verma (Dean Education), who facilitated and encouraged participants, along with Dr. D. Kalidoss (Sports Director) and Dr. A. Vijay Anand (Judge and Special Guest). The program concluded with a Vote of Thanks delivered by Dr. Lubhawani Tripathi and the National Anthem, marking the successful completion of this intellectual and engaging competition.

Program Outcome:

i. Participants gained exposure to diverse topics, including current affairs, science, history, and culture. The quiz format encouraged them to explore new areas of knowledge and retain important information for future use.

ii. Students are engaged in a competitive yet collaborative environment, learning the importance of resilience and perseverance. They experienced the joy of fair play and learned to celebrate both victories and lessons from setbacks.

iii. The event provided an opportunity for students to interact with peers from different colleges, building lasting connections. These interactions created a platform for exchanging ideas, fostering unity, and enhancing cultural understanding.

iv. The time-bound nature of the quiz challenged participants to think quickly and efficiently under pressure. They developed strategies for analyzing questions, prioritizing answers, and solving problems collaboratively.

v. Presenting answers in front of an audience helped participants overcome stage fright and gain self-assurance. The experience enhanced their ability to articulate ideas clearly and confidently in public settings.

Subject: **Proposal for organizing a workshop on 21/11/2024**

Respected Sir,

The Department of Bioinformatics is planning to organize a lecture entitled as: **"Discovery of new therapeutics via computational biology"** followed by a workshop on **"Demonstration on AutoDock, Vina"** dated at **21/11/2024.** The details of the lecture cum workshop are as follows:

Details of the Demonstrator: **Dr. Akhilesh Maurya**
Researcher
Department of Bioscience and Bioengineering,
Indian Institute of Technology Bombay (IIT-Bombay),
Maharashtra

Honorarium as per norms Rs 1500

Date: 21/11/2024

Time:10.30 a.m to 12.30 p.m

Target audience: Students of Kalinga and any other institutions in India

Mode: Online

Registration fee: Rs. 200

Enclosure: Short CV of the demonstrator

Convenor: **Prof. R. Jayakumar, Dean of Science**

Organizing committee: **1. Dr. Amresh Kumar Sharma**
2. Dr. Deeya Saha

Event Poster:

Objectives of the Workshop:

1. Understanding Molecular Docking Fundamentals: Introduce participants to the principles of molecular docking and its role in drug discovery and structural bioinformatics.

2. Familiarizing with AutoDock Vina: Provide an overview of the AutoDock Vina software, its features, and its advantages in virtual screening and ligand-protein docking studies.

3. Hands-On Training in Docking Simulations: Guide participants through setting up and running docking simulations using AutoDock Vina, from preparing input files to interpreting results.

4. Preparation of Ligand and Protein Structures: Teach participants how to prepare ligand and protein structures using relevant tools (e.g., Open Babel, PyMOL) to ensure compatibility with AutoDock Vina.

5. Analyzing Docking Outputs: Demonstrate methods for analyzing and visualizing

docking results, including binding affinities, interaction patterns, and docking poses.

6. Customizing Parameters for Specific Research Needs: Explain how to tweak docking parameters to optimize performance for specific biological systems and research goals.

7. Problem-Solving and Best Practice: Discuss common challenges encountered during molecular docking and provide tips and best practices to ensure reliable and reproducible results.

8. Real-World Applications: Highlight case studies where AutoDock Vina has been successfully used, illustrating its applications in drug design, enzyme studies, and biomolecular interactions.

9. Enhancing Computational Skills: Improve participants' proficiency in using bioinformatics tools and command-line interfaces essential for molecular docking workflows.

10. Encouraging Collaboration and Networking: Foster interaction and collaboration among participants, promoting the exchange of ideas and experiences in computational drug discovery.

Program Schedule:

Program was scheduled at 10:30 AM to 12:30 PM in online mode

Details of Program:

Department of Bioinformatics, Faculty of Science organized a workshop, titled "Discovery of new therapeutics via computational biology" followed by a hands-on training session on AutoDock, Vina. The workshop was online and it was conducted by Dr. Deeya Saha and Dr. Amresh Sharma. Invited speaker/demonstrator was: Dr. Akhilesh Maurya, Post- doctoral Researcher, IIT-Bombay, Maharashtra. The talk and hands-on training session was executed and led successfully. The event was part of the departmental activity of Bioinformatics. The workshop aimed to empower attendees by providing insights into the latest research and methodologies. It enhanced analytical skills by exploring various computational research approaches and illustrated practical applications through real-world case studies. The session started with welcome address and speaker introduction delivered by Dr. Deeya Saha, Assistant Professor, Department of Bioinformatics. Overall moderation was done by Dr. Deeya Saha and Dr. Amresh Sharma, Assistant Professor, Department of Bioinformatics. The invited lectures started at 10:30 AM and was successfully concluded by 12:30 pm. Concluding remarks were discussed by Prof. R Jayakumar, Dean of science, Kalinga University, New Raipur. Participants included were student professionals and teaching faculties of Kalinga University and other academic institutes in and out of Chhattisgarh.

Program Outcome:

1. Proficient Use of Molecular Docking Tools: Participants will be able to independently perform molecular docking simulations using AutoDock Vina and related tools.

2. Enhanced Understanding of Docking Theory: Participants will gain a strong theoretical foundation in molecular docking principles and their applications in drug discovery and bioinformatics.

3. Skill in Ligand and Protein Preparation: Attendees will learn to prepare ligand and protein structures using appropriate preprocessing steps and software tools to ensure compatibility with AutoDock Vina.

4. Ability to Analyze and Interpret Docking Results: Participants will be proficient in analyzing docking outputs, identifying key interactions, and visualizing binding poses using molecular visualization software.

5. Competence in Parameter Optimization: Attendees will be able to customize docking parameters to optimize results for specific biological systems or research objectives.

6. Knowledge of Best Practices: Participants will understand best practices in molecular docking, including error avoidance, result validation, and reproducibility.

7. Application of Docking in Real-World Scenarios: Attendees will be prepared to apply AutoDock Vina in real-world bioinformatics and drug discovery projects, including virtual screening and structure-based design.
8.

Problem-Solving Skills in Computational Workflows: Participants will develop skills to troubleshoot common issues in docking simulations and computational workflows.

9. Improved Computational Proficiency: Participants will enhance their bioinformatics and computational biology skill sets, including the use of command-line tools and scripting for automation.

10. Inspiration for Advanced Research: Attendees will leave with the knowledge and inspiration to incorporate molecular docking into advanced research projects and collaborative studies.

Total Participants: 28

KALINGA UNIVERSITY

Feedback Analysis regarding

Workshop on "Discovery of New Therapeutics via Computational Biology"

Date: 21.11.2024

Organized by: Department of Bioinformatics, Faculty of Science

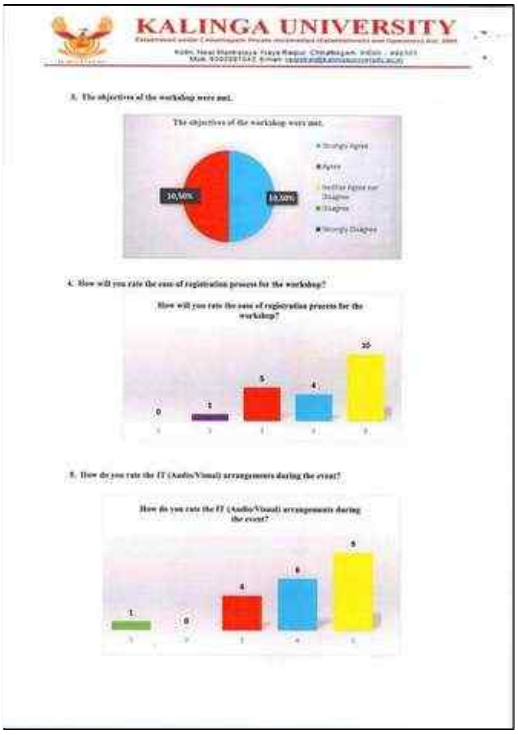
Venue: Auditorium, Kalinga University, Naya Raipur

Time: 10.30 am to 12.30 pm

- Total Registered Participants: 20
- Total No. of feedback received: Total – 20
- Date of collection of feedback – 21.11.2024
- Mode of the Program – Online
- Time: 10.30 am to 12.30 pm
- Registration Fee – 200.00
- Resource Person – 1. Dr. Akhilesh Maurya, Post Doctorate Researcher, IIT Bombay, Maharashtra.

1. The topics covered were relevant.

2. Was there any exercise given to participants to understand the topic(s) clearly?

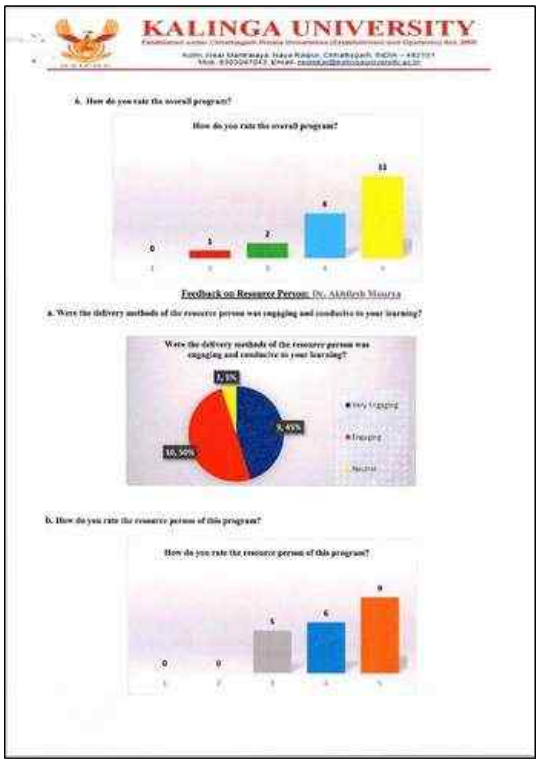


KALINGA UNIVERSITY

3. The objectives of the workshop were met.

4. How will you rate the ease of registration process for the workshop?

5. How do you rate the IT (Audio/Visual) arrangements during the event?



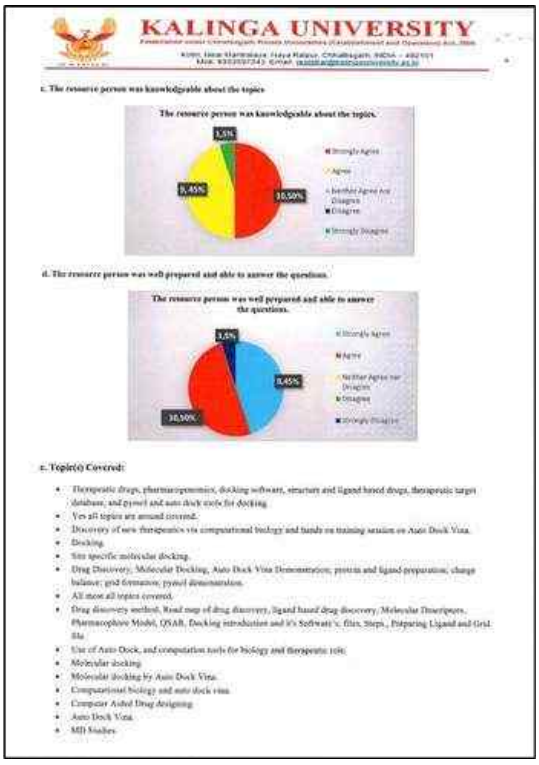
KALINGA UNIVERSITY

6. How do you rate the overall program?

Feedback on Resource Person: Dr. Akhilesh Maurya

a. Were the delivery methods of the resource person was engaging and conducive to your learning?

b. How do you rate the resource person of this program?



KALINGA UNIVERSITY

c. The resource person was knowledgeable about the topics

d. The resource person was well prepared and able to answer the questions.

e. Topic(s) Covered:

- Therapeutic drugs, pharmacogenomics, docking software, structure and ligand based drugs, therapeutic target database, and pymol and auto dock tools for docking.
- Yes all topics are around covered.
- Discovery of new therapeutics via computational biology and hands on training session on Auto Dock Vina.
- Docking.
- Site specific molecular docking.
- Drug Discovery, Molecular Docking, Auto Dock Vina Demonstration, protein and ligand preparation, charge balance, grid formation, pymol demonstration.
- All most all topics covered.
- Drug discovery method, Road map of drug discovery, ligand based drug discovery, Molecular Descripors, Pharmacophore Model, QSAR, Docking introduction and it's Software's, files, Steps., Preparing Ligand and Grid file
- Use of Auto Dock, and computation tools for biology and therapeutic role.
- Molecular docking
- Molecular docking by Auto Dock Vina.
- Computational biology and auto dock vina
- Computer Aided Drug designing
- Auto Dock Vina.
- MD Studies

Report on

"SCIENCE WORKING MODEL COMPETITION 3.0"

Organized by

"Marketing Team"

On

07-12-2024

Title- "Science Working Model Competition 3.0”

Date: 07-12-2024

Time of event: 10:00 AM - 04:00 PM

Venue: Horse Garden & Finger Garden, Kalinga University

Event Poster:

Objective of Program:

Celebrate Excellence in Science & Technology: Recognize and honor outstanding model preparation by school students of class 9th – 12th, and give them a platform to display their talent.

Promote Teaching Innovation: Encourage the faculties who have participated to teach the students using more innovative techniques.

Strengthen University-School Partnerships: Build stronger connections between Kalinga University and the educational community, fostering a collaborative environment for academic development. Majorly because these Schools are our feeding ground.

Branding of Kalinga University: Elevate the University's brand by associating it with the recognition of excellence in Education and community engagement.

External Jury Members:

Dr. Jagpal Bal, HoD, Dept. of Mechanical Engineering, Govt. Polytechnic College, Berla

Mr. Raja Mukherjee, Senior Science Faculty, NH Goel World School, Raipur

Internal Jury Members:

Dr. R. Jayakumar, Dean, Faculty of Science, Kalinga University

Dr. Sushma Dubey, HoD, Dept. of Biotechnology, Kalinga University

Dr. Shilpi Shrivastava, HoD, Dept. of Chemistry

Dr. Aloke Verma, HoD, Dept. of Physics, Kalinga University

Special Guest:

Mr. M.N. Singh, Science Educator, School Science Coordinator

Program Schedule:

ITINERARY FOR SCIENCE WORKING MODEL COMPETITION 3.0	
10:00 AM - 03:00 PM	
07TH DECEMBER 2024	
VENUE: HORSE GARDEN, FINGER GARDEN, KALINGA UNIVERSITY RAIPUR	
TIME	***PROGRAM***
10:00 AM	ARRIVALOFALL THEBUSES ATTHECAMPUS
10:00 AM	REGISTRATION & GUIDING SCHOOLS TO THE RESPECTIVE STALLS
10:30 AM	INAUGURATION (RIBBON CUTTING CEREMONY)
10:30 AM	START OF THE EVALUATION PROCESS
11:00 AM	ARRIVAL OF CLASS 12TH SCHOOL STUDENTS FOR STALL VISIT
11:30 AM	GATHER OF VISITOR STUDENTS AT AUDITORIUM FOR CAREER GUIDANCE SESSION
12:00 PM	GATHER OF FACULTIES AT AUDITORIUM FOR SESSION FROM CCRC
12:00 PM	DEPARTURE OF SCHOOL STUDENTS WHO HAVE COME FOR STALL VISIT
1:00 PM	HANDING OVER THE FINAL JUDGEMENT SHEET TO MARKETING DEPT.
1:30 PM	START OF THE CLOSING CEREMONY
1:30 PM	START OF PRIZE DISTRIBUTION
3:00 PM	DEPARTURE OF BUSES FROM CAMPUS
5:00 PM	PRESS NOTE OF THE EVENT

Details of Program:

Master of the Ceremony: Ms. Vishakha Tiwari, Asst. Prof., Dept. of English

The event commenced at 11:00 A.M. with a ribbon cutting ceremony which took place at the entrance of Horse Garden, the ribbon cutting was done by Hon'ble VC Sir and Sir also visited the stalls for a brief visit along with Hon'ble Registrar Sir and the jury members.

- Immediately after the ribbon cutting the evaluation process began, as we divided the jury members into 3 teams. The teams were headed by Dr. Jagpal, Dr. Jayakumar and Mr. Raja Mukherjee. 1st two jury teams were provided with 17 stalls each and the 3rd jury team was provided 16 stalls for evaluation respectively.

- During the evaluation process, Ms. Vishakha Tiwari ma'am conducted fun activities were in she organized quiz competitions based on Science & Technology, Current affairs, super hero movies etc. She also encouraged students to come forward and sing songs, raps and even perform dance numbers.

- As the students reached for visiting the stalls, we arranged them in order and made them visit all the stalls, then they were taken inside the campus and taken for a campus tour. Finally they were settled down at the auditorium and provided session on Career Guidance by Dr. A. Vijayanand Sir.

- Then, we gathered all the Faculty members who have come along with the students at the auditorium, around 80 faculties were there and CCRC hosted a session for them. Dr. Sunayana Shukla and Mr. Saurabh Bnawar interacted with the teachers, and gave them information about the CCRC and CTCD. We also distributed diary with boxes to the teachers.

- At 12 o clock we started distributing snack boxes to the students, we visited each stall and handed over the snack boxes to the respective faculty members.

Once the evaluation process finished, the scores were collected and winners were chosen by the Marketing dept.

The closing ceremony was held at the horse garden, were we set up the stage and did the prize distribution. The guests were also honored with mementos during the closing ceremony. Post completion, all the students and faculty members departed in our buses.

Number of Students: 800

Number of Faculties: 100

Glimpses of the event:

Feedback:

The help provided by all the supporting departments namely; Transport, Admin, DSW, Accounts and DAA was commendable everything was executed as per the plan.

All the students and faculty members found the event highly interesting and we contacted them for their valuable feedbacks, replies to which were highly positive.

All the participants showcased sportsmanship and accepted the results published by us and applauded the winners.

One negative feedback from the Marketing dept. is that although we gave the proposal for conducting the event as early as 2 months, still semester examinations were scheduled on the event day, which restricted us to play loud music, public engagement and proper campus tour. Also, when we finalized the event, we were informed that Anand Mela would also be conducted along with the science model and we also wanted this because it improves crowd engagement, but Anand Mela was later postponed due to some operational reasons.

Due to examination we received buses at 8.45 AM, which made it difficult to start the event at 10:00 AM, we could have started the event exactly at 10:00 AM if we could have received the buses at 08:00 AM. The host, Ms. Vishakha Tiwari ma'am did a great job, she also engaged the crowd spontaneously

No. of KALSEEs from the event: Nil
No. of admissions from the event: Nil

Total Expenses: INR 3,10,812/- (Detailed bifurcation attached)

Regards,
Mr. J. Vishal
Manager- Marketing

Subject: Celebration of Bhartiya Bhasha Utsav on 11.12.2023 by all Teacher Education Institutions (TEIs)- reg.

As we are all aware, Ministry of Education, Govt. of India launched 'a week long Bhartiya Bhasha Utsav' with an objective to promote and celebrate linguistic diversity of our country and to experience the feeling of oneness and pride in that diversity.

2. During the week long programme, activities are to be conducted at all bevels i.e., the schools, BRCs/CRCs/Panchayats, Districts (including at the DIETS), State and National level. The suggested list of activities to be conducted during the Utsav are as per theme is given below:

Day 1 – 4th December 2024 (Wednesday): "Harmony in Languages and Nature"
Day 2 – 5th December 2024 (Thursday): "Blending Languages and Technology: The power of Words in the Digital Age"
Day 3 – 6th December 2024 (Friday): "Language and Literature : The Intersection"
Day 4 – 7th December 2024 (Saturday): "Language Fair"

D.O. No. 1-6/2023-IS-8

22nd November, 2024

I am happy to inform you about the upcoming **Bharatiya Bhasha Utsav**, a week-long celebration by the Department of School Education and Literacy, Ministry of Education to commemorate the birth anniversary of the revered Mahakavi Subramnaia Bharati, on December 11, 2024. **This year's theme is "Unity through Languages"/ "भाषाओं के माध्यम से एकता".** This celebration serves as a tribute to Mahakavi Bharati and aims to promote and celebrate the linguistic diversity that is intrinsic to the cultural fabric of our nation.

2. National Education Policy (NEP) 2020 emphasises the importance of languages (Mother tongue based education and multilingualism) and a holistic approach to education that values and preserves the linguistic heritage of our country and fosters a sense of pride and appreciation for the multitude of languages that enrich our society.

3. In alignment to the NEP 2020 and this year's theme of the Bharatiya Bhasha Utsav, a series of cultural events, competitions, and educational activities could be planned from **04th to 11th December 2024**. Through these activities we propose to:

- Highlight the importance of language in preserving our cultural identity and promoting unity among our citizens.
- Foster a deeper appreciation for Indian languages and literature among students at school level.
- Encourage multilingualism, Indian Language medium of education and research
- Inspire and create a new generation of language enthusiasts

Event Poster:

Objective of Program:

1. ***To promote awareness of India's linguistic diversity and its role in fostering national unity and pride.***
2. ***To encourage the preservation and promotion of regional languages and dialects through creative and cultural activities.***
3. ***To highlight the intersection of language, technology, and literature in modern and traditional contexts.***
4. ***To provide a platform for students to express their linguistic and cultural identities through various mediums.***
5. ***To foster collaboration and appreciation among communities by showcasing the richness of regional languages and traditions.***

Program Schedule:

Day 1 (9th December, Monday): Harmony in Languages and Nature

Poster-making and essay-writing competitions showcasing the connection between languages and nature.
Blending Languages and Technology: The Power of Words in the Digital Age

Workshops on the role of technology in preserving languages and creating multilingual digital content.

Day 2 (10th December, Tuesday): Language and Literature: The Intersection

Poetry recitation and short story-telling sessions to explore regional literature.
Language Fair

A cultural exhibition displaying linguistic diversity through stalls, traditional scripts, and regional crafts.

Day 3(11th December, Wednesday): The Eloquence of Expression

Oratory and debate competitions in multiple languages.
Language and Community

Group activities such as regional songs, folk tales, and games to showcase community spirit through language.
Language-Culture and Us: A Regional Fiesta

Program Report: Bhartiya Bhasha Utsav (9th – 11th December 2024)

The Bhartiya Bhasha Utsav, celebrated from 9th to 11th December 2024, was organized as per the directive of the Ministry of Education, Government of India. The week-long celebration aimed to promote and celebrate the linguistic diversity of India and foster a sense of unity and pride in the

country's rich linguistic heritage. Convened by Dr. Shraddha Verma, Dean, Faculty of Education, and Ms. Harsha Sharma, Assistant Professor, with the support of Mr. Gulsan Kumar Behera, Assistant Professor and Class Coordinator, the event included a variety of engaging activities and was met with enthusiastic participation from students, faculty members, and staff.

The Utsav began with the theme "Harmony in Languages and Nature," featuring poster-making and essay-writing competitions where participants showcased the connection between languages and nature. workshops on "Blending Languages and Technology" highlighted the role of technology in preserving languages and creating multilingual digital content, focused on "Language and Literature: The Intersection," with poetry recitation and short storytelling sessions.

The "Language Fair" provided a cultural exhibition showcasing linguistic diversity through traditional scripts, regional crafts, and interactive stalls, the activities resumed with "The Eloquence of Expression," featuring oratory and debate competitions in multiple languages, encouraging multilingual communication skills among students. The penultimate day, celebrated "Language and Community" with group activities such as regional songs, folk tales, and traditional games, fostering community spirit. The Utsav concluded on 11th December with a grand cultural program titled "Language-Culture and Us: A Regional Fiesta," featuring vibrant performances of traditional dances, songs, and skits, highlighting the essence of language in cultural identity.

The Bhartiya Bhasha Utsav witnessed active participation of all B.Ed. trainees' and faculty members. The events fostered a deeper appreciation of India's linguistic heritage, emphasizing the importance of languages in cultural identity and unity. The initiative succeeded in raising awareness and enthusiasm for multilingualism, with positive feedback from all attendees.

The success of the Utsav is a testament to the collaborative efforts of the organizing committee, led by Dr. shraddha Verma, Ms. Harsha Sharma, and Mr. Gulsan Kumar Behera. We express our gratitude to the Ministry of Education for their guidance and to all participants for their enthusiastic involvement. Our institution remains committed to supporting such initiatives in the future to reinforce the values of unity in diversity.

Program Outcome:

1. ***Enhanced awareness among students and faculty about India's rich linguistic diversity and its significance in fostering cultural unity.***
2. ***Strengthened understanding of the role of technology in preserving languages and promoting multilingual digital content.***
3. ***Encouraged creative expression through activities such as poetry, storytelling, and debates in multiple languages.***

4. ***Fostered community spirit and cultural appreciation through group activities and cultural exhibitions.***
5. ***Provided a platform for students to explore and celebrate the connection between language, literature, and cultural identity.***

Objective of Program:

1. ***To educate the public about the importance of cleanliness in fostering a healthy and sustainable environment.***
2. ***To showcase the achievements and initiatives of the Chhattisgarh government in promoting cleanliness and good governance.***

3. ***To encourage community involvement in maintaining cleanliness as a shared responsibility.***
4. ***To empower NSS volunteers to act as ambassadors of cleanliness and good governance.***
5. ***To strengthen the connection between the public and government welfare schemes.***

Program Report: Street Play on "Clean Chhattisgarh – Good Governance of Government"

The NSS Unit of Kalinga University organized a street play on the theme "Clean Chhattisgarh – Good Governance of Government" to celebrate the completion of one year of government voting and to promote public awareness about cleanliness and the welfare schemes initiated by the Chhattisgarh government. The program aimed to highlight the impact of cleanliness as a pillar of good governance and to inspire active participation from the community.

Key Highlights

1. The street play received an overwhelming response from the audience, with community members actively participating and appreciating the efforts of the NSS volunteers.
2. The themes of Swachh Bharat Abhiyan, waste segregation, and sustainable cleanliness practices were effectively communicated through powerful dialogues and impactful performances.
3. Government schemes like "Mission Clean Chhattisgarh" and other welfare programs were prominently highlighted, emphasizing their benefits and successes.
4. The event showcased the creativity, leadership, and dedication of NSS volunteers in spreading awareness and mobilizing the community.

Acknowledgment

The NSS Unit of Kalinga University extends heartfelt gratitude to the Chhattisgarh government for their support and to the university administration for facilitating the event. Special thanks to the 37 NSS volunteers whose dedication and creativity made this program a grand success.

Program Outcome:

1. ***The program successfully educated the audience about the significance of cleanliness as a cornerstone of good governance.***
2. ***The street play inspired behavioral change among the community members, encouraging them to adopt clean and hygienic practices.***
3. ***It strengthened public awareness about the Chhattisgarh government's commitment to cleanliness and its role in promoting sustainable development.***
4. ***NSS volunteers gained valuable experience in teamwork, public speaking, and social engagement, reinforcing their role as agents of change.***

KALINGA UNIVERSITY

NOTICE

Objective of Program:

1. Provide an opportunity for relaxation, fun, and entertainment, helping participants recharge before the new academic year.
2. Enhance the overall well-being and morale of the university community by creating a positive and festive atmosphere.
3. Promote inclusivity and strengthen community bonds within the university through shared traditions and festivities.

Detailsof Program:

On 21stDecember 2024 Dean of Students' Welfare organized Christmas & New Year Party Celebration for hosteller students and staff members of Kalinga University. The Parking Area & Reception of Kalinga University was beautifully decorated with festive lights, cottons, gifts, Christmas tree & bonfire arrangements which makes the perfect atmosphere for Christmas & New Year Party.

The celebration commenced at 06:15 pm with the welcome of notable dignitaries, including Respected Registrar Dr. Sandeep Gandhi sir, Director of Marketing & Admissions Mr. Abhishek Sharma, International Marketing Head Ms. Parvinder Shesh, I/C DSW Lt. Vibha Chandrakar and Admin Manager/Chief Warden Mr. Manish Singh with all team members.

The Christmas-themed event started with a prayer led by our International Student Mr. Issac Gandaga student BBA and afterwards, Mr. Phinias Mukanzu student BTCE gave an introduction about Christmas & their importance.

The evening included Cultural Performances like,

1. A melodious song presented by Mr. Ankur Kunal BTCS 5th semester student to engage the audience.
2. An energetic group dance performed to boost the energy of audience by
   Mr. Mannu Kumar Mishra B.Com BF 5th semester
   Mr. Tomesh Khunte BTCS 7th semester
   Ms. Ayanna Singh BSFS 1st semester
   Ms. Rajshree Patil BSFS 1st semester
   Ms. Riya Kombe BSFS 1st semester
3. International Students Electrifying Band Performance by
   Mr. Reuben Hallowanger BCBF 5th semester
   Mr. Clerick C Conneh BCA 3rd semester
   Mr. Peter Alfredson Gorloryorn BSC BT 6th semester
   Mr. Cyrus B Kai BCS AIMLCS 1st semester
   Mr. Samuel P Zarwolo BTME 5th semester
   Mr. Joshua Dalis B.Pharma 4th semester
   Mr. D Melvin Artis BCS AIMLCS 1st semester
   Mr. Rusufus Kiddee Jensen Bio-Chem
   Mr. Alphonla N. Ellis BBALLB 1st semester

The highlight of the evening was cake cutting ceremony, followed by the chocolate distribution by Santa Claus, played by Mr. Anchal Shukla Asst. Admin and cake distribution. Bonfire lighted during the celebration added a traditional touch to the event.

The event was impeccably coordinated by the university's organizing team, led by I/C DSW Lt. Vibha Chandrakar with team and Admin Manager/Chief Warden Mr. Manish Singh with team. Ms. Glessy Aniyan from International Student Coordinator department played an important role serving as the master of ceremony.

All the assigned members were present and performed their duties with full dedication. The evening ended on a high note with students dancing in DJ, followed by a group photo and dinner served to all students and on duty staff members. The celebration was a perfect blend of tradition, culture, and festive spirit, reflecting the warmth and inclusivity of the Kalinga University community.

Program Outcome:

1. Strengthened relationships within students, staffs, and administrations.
2. Memorable Experience and Long-Lasting Impact.

"2nd Convocation 2024"

Organized by
ISBM University

On

24-12-2024

Title- 2nd Convocation 2024

Date: 24/12/2024

Time of event: 11:00 AM Onwards

Event Type: Offline

Venue: ISBM University

Event Poster:

Objective of Program:

The objective of this report is to summarize the key details and purpose of the 2nd Convocation Ceremony of ISBM University, held to celebrate the academic achievements of its graduating students for the year 2024.

Details of the event:

The convocation ceremony serves as a platform to honour the graduating students of ISBM University, acknowledging their dedication, hard work, and academic excellence. It also aims to motivate students to contribute meaningfully to society by embodying the university's values: Knowledge, Wisdom, and Humanity.

Highlights of the Event:

The convocation involved the ceremonial awarding of 18 PhD degrees to the students who have successfully completed their academic programs.

Gold Medals for Excellence:

7 gold medals will be awarded to top-performing students for their exceptional academic achievements.

Distinguished Guests:

1. ***Chairperson:***
   - Honourable Raman Deka Ji
     - Governor of Chhattisgarh and Chancellor of the University
2. ***Chief Guest:***
   - Honourable Shri Vishnu Dev Sai Ji
     - Chief Minister and Minister of Higher Education, Chhattisgarh
3. ***Keynote Speaker:***
   - Lieutenant General Dr. Ashok Jindal Ji
     - Executive Director and CEO, All India Institute of Medical Sciences (AIIMS), Raipur
4. ***Additional Mentions:***
   - Dr. Vinay M. Agrawal - Vice-Chancellor
   - Prof. (Dr.) Anand Mahalwar - Vice-Chancellor
   - Dr. Bharat Prasad Bhol - Registrar

Catering Arrangements (Negative Observations):

1. ***Overall Cleanliness:***
   - The catering arrangements lacked proper cleanliness and organization, leaving attendees disappointed.
2. ***Handling of Used Plates:***
   - There was inadequate management of used plates, resulting in a cluttered and unhygienic dining environment.
3. ***Hygiene Concerns:***
   - Several guests raised concerns about the poor hygienic standards observed during the service, which adversely impacted their overall experience.

Food Taste: The food quality was acceptable, with most attendees finding the taste satisfactory.

Car Parking Area Condition

The car parking area was not in optimal condition. It lacked proper organization, and the layout seemed inefficient, making it difficult for vehicles to park and maneuver. Additionally, the surface was uneven, which could cause inconvenience or damage to vehicles. Overall, the parking area did not meet expectations in terms of convenience and safety.

Lack of Communication for Transportation and Parking

There was no proper person available to communicate with regarding transportation or parking for personal vehicles. This created confusion for attendees, as there was no clear point of contact to assist with parking arrangements or provide guidance on transportation options. The lack of proper communication further added to the inconvenience and disorganization of the event.

Lack of Reception at the Gate

There was no designated person available at the gate to receive students, and guests were treated in the same manner as students. This led to confusion and a lack of proper acknowledgment for the guests. The absence of a dedicated reception point created an unorganized entry process and did not reflect the importance of welcoming distinguished visitors appropriately.

During the event, I met Ms. Shilpi Shrivastav from the Chemistry Department, along with ex-employees such as Ms. Mishra and Mr. R.K. Agarwal, who attended as members of the Academic Council and were also part of the procession line.

Program Outcome:

The 2nd Convocation of ISBM University reflects the institution's commitment to academic excellence and holistic development of its students. It is an occasion to recognize and reward the efforts of the graduating batch while inspiring them to embark on their professional journeys with confidence and responsibility.

Number of Attendees: 02

"CareerGuidance Seminar"

Organized by

"Team City office"

On

04-01-2025

Date: 04-01-2025

Time of event: 3:00 PM - 4:00 PM

Venue: Seminar Hall, SAGES Manedragarh

Event Poster: NA

Objective of Program:

1. Encourage students to keep learning by telling them about the benefits of education. Also, share information about government exams and the different choices they have for their studies. Explain how to join programs at Kalinga University.

2. Connect with 12th-grade students by giving those important details about the new programs at Kalinga University, like B.Tech CS with AIML, Bio-Technology, Film Making, Pharmacy, Management, and more. Help them understand the various educational options available.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Md. Taukir

Designation: Assistant Manager, Marketing

Organization: Kalinga University

Program Schedule: NA

Details of Program:

1. Mr. Taukir started the session by talking to the students, welcoming them warmly.

2. Then, he spoke to the students and shared interesting details about Kalinga University's programs. Talked about programs like B.Tech CS with AIML, Bio-Technology, Film Making, Pharmacy, Management, and more, giving the students valuable information about the different courses they can study.

3. At the end, he expressed gratitude and extended a vote of thanks to the students, teachers, and staff of SAGES Manedragarh for their active participation and engagement in the event.

Number of Students participated: 61

Number of faculty participated: 0

Program Outcome:

1. The seminar featured interactive demonstrations and hands-on activities, providing students with a firsthand experience of various aspects of the academic programs. This interactive approach not only made the information more tangible but also left a lasting impression on the participants.

2. Enlightening presentation not only covered the innovative programs at Kalinga University but also delved into specific areas such as Bio-Technology, B.Sc. CS, B.Tech courses, Pharmacy, and the latest offerings in new age programs. The detailed exploration of each program offered students a comprehensive understanding, enabling them to make informed decisions about their academic pursuits.

Purpose of the Event:

The main objective of the event was to welcome 12th-grade students to our campus and provide them with valuable information about the career guidance services offered by Kalinga University. During the event, we also provided important details about diverse career paths, including Film Making, Law Courses, B.tech AIML in collaboration with IBM, and introduced a variety of career programs to enrich students' awareness and comprehension.

Feedback:

1. The seminar offered advice for various career paths, Science, Pharmacy, Commerce, Management, IT, Law, and AIML. Participants departed with heightened awareness and enthusiasm for their forthcoming academic and professional journeys.

2. Mohammed Taukir counsel students about the latest courses and inform them about new-age programs.

3. Providing personalized counseling, I assist students in understanding the evolving job market and how new-age programs align with current industry demands. This empowers them to make informed decisions about their educational and career paths.

Total No. of Admissions from the Seminar: Nil

Expenses:

Train: INR 600/-

Brochures: INR 300/-

1 Diary with Box: INR 100/-

Total Expenses: INR 1000/-

Session-II	
01.15 - 03.15 Hrs	Dr. Arun Kumar Sharma, Librarian, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh, India
03.15 – 03.45 Hrs	Vote of Thanks By Dr. Deepa Biswas and Conclusion of the session

Details of Program:

The Research Department of ***Kalinga University, Naya Raipur***, successfully conducted a ***two-day workshop on SPSS and AI Tools for Research Writing*** on ***4th and 5th January 2025***, with over 145 PhD scholars participating. The workshop aimed to equip research scholars with essential skills in data analysis and research writing, fostering innovation and ethical research practices.

Session 1: Delivered by ***Dr. Rajeev Choudhary***, the session introduced the fundamentals and practical applications of SPSS, blending theoretical concepts with hands-on exercises.
Session 2: Conducted by ***Dr. Arun Kumar Sharma***, the session explored the role of AI tools in streamlining research writing and improving efficiency.

Day 2:

Session 1: Led by ***Dr. Rajeev Choudhary***, this session covered advanced SPSS tools and bibliographic techniques with practical exercises.
Session 4: Presented by ***Dr. Arun Kumar Sharma***, the session focused on plagiarism, its implications, detection tools, and strategies to avoid it.

The program was hosted by ***Dr. Deepa Biswas*** and concluded with a ***Valedictory Session***, where ***Dr. Harsha Patil***, In-Charge Dean of the Research Department, delivered a vote of thanks. The event ended with a group photograph and certificate distribution.

Program Outcome:

1. Participants gained a comprehensive understanding of SPSS and AI tools, enabling them to streamline their research writing and data analysis processes.
2. Participants learned to leverage AI tools for grammar checking, plagiarism detection, citation management, and content refinement, enhancing the quality of their research manuscripts.
3. Scholars learned advanced bibliographic management methods using SPSS and AI tools, improving the organization of references and citations in their work.
4. Participants gained insights into plagiarism detection and prevention, fostering a commitment to maintaining integrity in academic and professional writing.

“Seminar on Career Guidance”

Organized by

Team Campus

On– 08/01/2024

Date: 08-01-2024

Time of event: 10:30 AM

Event Type: Offline

Venue: INVENTURE PUBLIC SCHOOL

Event Poster: NA

Invitation to the resource person: (If applicable): NA

Objective of Program:

1. ***Goal Setting***: Assist individuals in setting realistic and achievable career goals based on their self-assessment and exploration.
2. ***Career Exploration***: Provide information about various career options, industries, and job roles to broaden students' perspectives and opportunities.
3. ***Career Planning Strategies -*** Assist participants in developing personalized career plans, setting short-term and long-term goals, and creating actionable steps to achieve them.
4. ***Decision-Making Support***: Guide students through the decision-making process, helping them their careers.

Profile of Resource person (if applicable): Mrs. Shilpi Shrivastava, HoD, Dept. of Chemistry ***Program Schedule: NA***

Details of Program:

Date – 08-01-2024

We conducted seminar on career Guidance at INVENTURE PUBLIC SCHOOL, Kurud.

Seminar was started by the introduction part where we described briefly about Kalinga University which was continued by our guest speaker Mrs. Shilpi Shrivastava who enlightened students regarding career Guidance and informed about different career opportunities in the field of science, arts and commerce.

It was informative and engaging session.

After that we enlightened them with some good career opportunities and courses in our university with the various kind of scholarships gave them brochures of our university and also informed about KALSEE Exam.

exciting possibilities in the fields of arts, commerce and science available for students at our university.

Afterward, I connected with students, offering advice on career paths, scholarships and highlighting the

Side by side we also distributed brochures of Kalinga University and collected data of students.

1. ***Awareness of Opportunities***: They become more aware of various career options, vocational training programs, and higher education opportunities, leading to a broader perspective on their future.

2. ***Transferable Skills Developments: -*** The seminar focuses on developing transferable skills such as critical thinking, communication, problem-solving, and adaptability, which are essential across various career domains. Students learn how to leverage these skills regardless of their academic background to enhance their employability.

These combined outcomes aim to provide a well-rounded and inclusive approach to career guidance, ensuring that students from science, arts, and commerce streams receive valuable insights and resources to navigate their unique career paths successfully.

Number of Students participated: 27

Number of faculty participated: 1

Glimpses of the event:

News Paper cutting (If available): NA

Purpose of The Event - The purpose of conducting a career guidance seminar for 12TH AND 11TH class is to empower them with comprehensive insights and tailored resources that facilitate informed decision-making and holistic development. By addressing the distinctive academic backgrounds of each stream, the seminar aims to broaden students' perspectives on potential career pathways, challenge stereotypes, and foster a deeper understanding of diverse industries. Through this initiative, students not only gain exposure to specific opportunities within their respective fields but also develop essential transferable skills, enabling them to navigate an ever-evolving job market with confidence. The overarching goal is to inspire a proactive approach to career planning, encouraging students to align their passions and strengths with viable professional trajectories, ultimately contributing to their long- term success and fulfillment.

Feedback –

They found the interactive activities, such as self-assessment exercises, to be very helpful. We encouraged them to reflect on their strengths and interests. They have also shown great interest for campus visit, we also talked about consultancy benefits with principal. Overall, the seminar exceeded their expectations. It not only provided practical information but also motivated them to actively pursue their career goals. They left feeling more confident and equipped to make informed decisions about their future.

Program Schedule: NA

Details of Program:

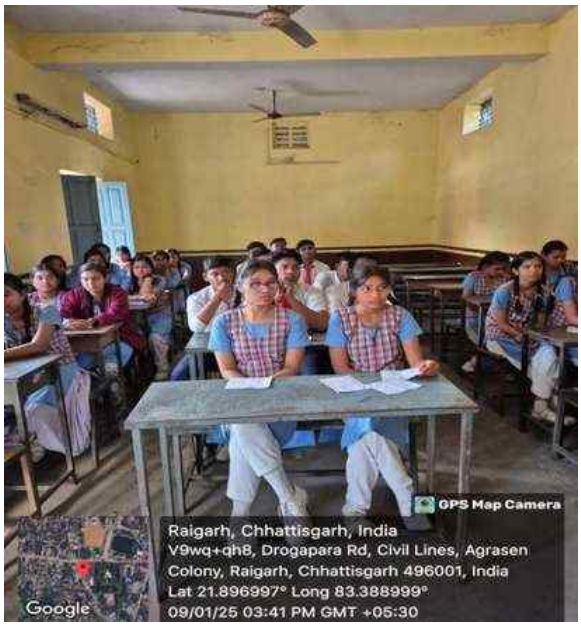
I commenced the session with a warm welcome to the students, introducing myself as a representative of Kalinga University. I outlined the session’s objective—to provide meaningful guidance and empower them to make well-informed career decisions.

Building on the introduction, I engaged the students by offering insightful perspectives on the diverse academic programs available at Kalinga University. I spotlighted a variety of courses, such as B.Tech in Computer Science with AIML, Biotechnology, Filmmaking, Pharmacy, Management, and others, equipping them with essential knowledge to explore their academic passions and career trajectories.

To conclude, I extended my heartfelt gratitude and delivered a formal vote of thanks to the students, teachers, and staff of Kirodimal Adarsh Higher Secondary School, Raigarh, for their active involvement and enthusiasm throughout the event.

.***Number of students participated: 31***

Number of faculty participated: 0



Program Outcome:

The seminar featured dynamic demonstrations and hands-on activities, allowing students to gain a practical and immersive understanding of various academic programs. This interactive format made the content more accessible and left a profound impression on the participants.

The insightful presentation shed light on Kalinga University's forward-thinking programs, offering a detailed exploration of disciplines such as Biotechnology, B.Sc. Computer Science, B.Tech, Pharmacy, and innovative offerings in emerging fields. This comprehensive overview provided students with the knowledge needed to make confident and informed choices about their academic and career goals.

Purpose of the Event:

The event was primarily organized to warmly welcome 12th-grade students and introduce them to the extensive career guidance services offered by Kalinga University. It served as an excellent platform to provide valuable insights into diverse career paths, including Filmmaking, Law, and the B.Tech AIML program in partnership with IBM. Furthermore, the event showcased a broad spectrum of academic programs, aiming to enhance students' understanding and inspire them to explore a wider range of future career opportunities.

4. The seminar offered advice for various career paths, Science, Pharmacy, Commerce, Management, IT, Law, and AIML. Participants departed with heightened awareness and enthusiasm for their forthcoming academic and professional journeys.

5. Gourav Singh Rajput counseled students about the latest courses and inform them about new-age programs.

how new-age programs align with current industry demands. This empowers them to make informed decisions about their educational and career paths.

"MBA Fair 2025"

Organized by
"Inspiring Education: Coaching Centre"

On

09-01-2025

Date: 09-01-2025

Time of event: 10:30 AM - 04:00 PM

Venue: Hotel Vivanta, Jamshedpur, Jharkhand

Event Poster: NA

Objective of Program:

1. The major objective of the program was to host an interactive session with few final year graduation students of Jamshedpur who are looking for MBA/PGDM in the upcoming academic cycle of 2025-26. This was achieved through a 20 minutes session with the students and encouraging them on how to prepare for MBA entrance exams, and the need to do MBA and its benefits for professional growth. By doing so our flagship entrance exam for MBA that is KAL-MAT was also promoted along with the PI round.
2. The seminar highlights MBA program which combine in-depth theoretical understanding with practical experience to prepare students for dynamic professional roles.

Profile of Resource person: Mr. J Vishal, Manager - Marketing

Program Schedule: NA

Details of Program:

1. The fair commenced at 10:30 AM with an opening address by the organizer. All students were warmly welcomed, and the agenda for the event was outlined.

2. After the welcome, students explored different University stalls to learn about MBA programs, along with their specializations. Following this Mr. J Vishal, Mr. Md. Taukir and Mr. Ratnesh Yadav conducted counseling sessions for the students, providing insights into our MBA program. We were provided counselling desks, and in depth counselling was provided to all the students and parents who visited our desk.

3. During the career session, we placed a significant focus on promoting our specializations, and the benefits of opting dual specialization in MBA. These programs were highlighted for their relevance to emerging industries and their potential to equip students with the skills needed for future career success.

4. In this event, we provided counseling to several students and successfully registered 75 students at our stall. We also distributed Kalinga University brochures to all the students and provided them with guidance on the various courses available across different streams.

5. After the end of the counselling session, Mr. J Vishal hosted a talk of 20 minutes where the major point of discussion were entrance examinations, benefits of pursuing MBA, benefits of migrating to New Raipur, New Education Policy, Incubation at Kalinga University, Placements at Kalinga University and benefits of applying early for KAL-MAT 2025-26.

Number of students participated: 120

Number of faculty participated: NA

Program Outcome :

1. Engaging Future Students: The University successfully connected with prospective students, sparking their interest and offering them meaningful insights into its academic programs.

2. Enhancing Institutional Presence:

By actively participating, the university greatly boosted its
presence and recognition among a diverse student demographic, ensuring it remained prominent among other options.

Purpose of The Event:

The event was designed to actively engage graduation students, inviting them to visit our campus and explore potential career paths through first experience. The focus was on showcasing key MBA program along with the specializations we offer. By highlighting these diverse fields, the event aimed to provide students with a comprehensive understanding of the career options available at Kalinga

pursuits.

Feedback:

1. The event successfully met its objective of offering comprehensive career guidance in MBA . Participants left with an increased awareness and enthusiasm for their future academic and professional pursuits.

2. Offering valuable insights and guidance during the event. His expertise and thoughtful approach greatly benefited the attendees, ensuring they received the best possible advice regarding their academic and career choices.

3. The crowd included such students who can easily afford the MBA fees structure of KU, and we have got 5 hot leads who will complete their KALMAT within next 3 days.

These activities aim to promote cultural exchange and personal development among participants.

10:00 AM Onwards: Continuation of thematic discussions and cultural programs.

Special Session:

Interaction between Prime Minister Narendra Modi and selected youth leaders.
Twenty exceptional young leaders will have the opportunity to present their innovative ideas on issues like women's empowerment and other key challenges.

Concluding Ceremony:

Summarization of discussions and presentations.
Recognition of outstanding contributions and performances.
Closing remarks and future action plans.

Program Report: - Viksit Bharat Young Leader Dialogue 2025 organized by the Ministry of Youth and Sports Affairs

The ***Viksit Bharat Young Leader Dialogue 2025***, organized by the ***Ministry of Youth Affairs and Sports***, was held on ***January 11-12, 2025***, at the prestigious ***Bharat Mandapam, New Delhi***. The event, a part of the ***National Youth Festival***, brought together over 10,000 young leaders, innovators, and change-makers from across India, aiming to empower youth and align their energy with the vision of a "Developed India" (Viksit Bharat). The festival's theme, ***"Vikas Bhi, Virasat Bhi"*** (Development and Heritage), celebrated India's rich cultural heritage while emphasizing the nation's developmental aspirations.

The inaugural session witnessed the presence of esteemed dignitaries, including the Honorable Prime Minister Narendra Modi, who interacted directly with selected youth leaders, inspiring them to take active roles in nation-building. The festival featured dynamic panel discussions on critical topics such as climate change, innovation, health, governance, and the future of work, providing a platform for youth to voice their ideas and solutions. Cultural performances, including folk dances and songs, showcased India's diverse traditions, while competitions in poetry, painting, and mobile photography encouraged creative expression.

A special highlight of the event was the ***Viksit Bharat Challenge***, a transparent and merit-based initiative that identified young talent, providing them with opportunities to present innovative ideas for India's progress. The closing ceremony included recognition of outstanding contributions and a call to action for continued youth engagement in leadership and social impact. The dialogue successfully embodied its mission to empower young minds, foster collaboration, and position youth as pivotal contributors to India's growth journey.

Program Outcome:

1. ***Youth Engagement and Leadership Development:*** Over 10,000 young participants gained a deeper understanding of their roles in shaping India’s future. The event equipped them with essential knowledge, skills, and platforms to take on leadership roles in governance, innovation, and social impact.
2. ***Policy Inputs and Innovation:*** Through thematic discussions on pressing issues like climate change, innovation, health, and governance, the event generated actionable insights and

and future youth programs.

3. ***Cultural Unity and Pride:*** The cultural showcases of India's rich heritage, including folk dances, songs, and traditional art forms, strengthened the sense of national pride and unity among the youth. This celebration of "Vikas Bhi, Virasat Bhi" emphasized the integration of heritage with progress.

4. ***Recognition of Young Innovators:*** The ***Viksit Bharat Challenge*** provided a transparent platform to recognize exceptional young leaders and innovators. Selected participants presented groundbreaking ideas directly to the Prime Minister, with many of these ideas earmarked for further exploration and implementation.

5. ***Inspiration and Mentorship:*** Interaction with Prime Minister Narendra Modi and other eminent leaders served as a powerful source of inspiration for participants. The youth left the event motivated to contribute to India's development through innovative solutions and active civic engagement.

18 and 19 January (Saturday and Sunday) - Dr. Badrinath Srinivasan

25 and 26 January (Saturday and Sunday) – Ms. Heena Parveen

1 and 2 February (Saturday and Sunday) - Dr. Dakshita Sangwan

Time: 06:30-08:30 PM

Details of Program:

The "Trainers' Training Certification Course on the Prevention of Sexual Harassment (POSH) Act, 2013" is a specialized online certification program designed to equip participants with the necessary knowledge and skills to address and prevent sexual harassment in the workplace, in line with the POSH Act, 2013. The course spans over one month, with sessions taking place every Saturday and Sunday from 06:30 PM to 08:30 PM, starting on January 11th, 2025, and concluding on February 2nd, 2025, via the Microsoft Teams platform.

This program aims to train individuals and organizations in creating safe and inclusive work environments by understanding and implementing the provisions of the POSH Act. The course covers critical aspects of sexual harassment prevention, including legal frameworks, employer accountability, internal complaint mechanisms, and communication strategies.

The objectives and key topics covered by the resource persons are as follows:

Mrs. Vinakshi Kadan Singh (Advocate, Supreme Court of India) addressed the ***Prevention of Sexual Harassment of Women at the Workplace***, focusing on the legal rights and responsibilities of both employees and employers, and outlining best practices for preventing harassment and promoting workplace equality.

Ms. Neetika Bajaj (Advocate, Delhi High Court) discussed ***Sexual Harassment and Its Forms***, highlighting

harassment effectively.

Dr. Badrinath Srinivasan (Chief Manager, Legal, Bharat Petroleum Corp. Ltd.) presented the ***Role and Functioning of the Internal Complaint Committee (ICC)*** on Day 1, offering insights into how the committee should operate to ensure a fair and efficient investigation process. On Day 2, he covered ***POSH: Legal Framework, Employer's Accountability, and Appeals***, explaining the statutory responsibilities of employers and how they can safeguard against harassment claims and manage appeals effectively.

Ms. Heena Parveen (Assistant Professor, School of Law, GD Goenka University) focused on ***Communication and Facilitation Skills*** on Day 1, providing participants with tools to facilitate sensitive discussions regarding harassment in the workplace. On Day 2, she taught ***Preventive Strategies and Designing a POSH Program***, equipping attendees with actionable strategies to prevent harassment and design comprehensive POSH programs tailored to their organizations.

Dr. Dakshita Sangwan (Assistant Professor, School of Law, GD Goenka University) covered ***Implementing POSH Initiatives and Policies in Organizations***, offering guidance on how to translate legal knowledge into actionable policies and programs that foster a harassment-free workplace environment.

This course has empowered participants to become effective trainers on POSH, capable of designing, implementing, and evaluating policies and strategies to prevent sexual harassment in the workplace. The sessions has been highly interactive, with a focus on practical skills, legal knowledge, and communication techniques to create a positive workplace culture.

Program Outcome:

1. ***Comprehensively Understand the POSH Act, 2013***

   Participants will gain a deep understanding of the Prevention of Sexual Harassment (POSH) Act, 2013, including its legal provisions, definitions, objectives, and scope. They will be able to explain the various sections of the Act, the roles of different stakeholders (employers, employees, and Internal Complaints Committees), and the legal obligations under the law.

Effectively Conduct Awareness Training

Participants will be equipped with the skills to design and deliver interactive, engaging training

1. sessions on sexual harassment awareness. They will learn how to present sensitive topics in a manner that encourages open discussions, promotes respect, and increases awareness among employees about their rights and responsibilities under the POSH Act.

Trainees will understand the process of setting up and maintaining a robust internal complaints mechanism, including the formation and functioning of the Internal Complaints Committee (ICC). They will be able to guide organizations on how to handle complaints confidentially, impartially, and in compliance with the law.

3. ***Develop and Promote Organizational Policies***

   Participants will acquire the knowledge to help organizations develop comprehensive POSH policies and preventive measures to avoid sexual harassment. They will be able to assist in creating a work environment that is inclusive, safe, and conducive to healthy, harassment-free interactions.

4. ***Foster a Positive and Respectful Workplace Culture***

   Graduates of the course will be capable of promoting a culture of respect, gender equality, and zero tolerance towards sexual harassment in the workplace. They will be able to train others on best practices for maintaining an ethical, inclusive, and harassment-free work environment while empowering employees to speak out and take action against inappropriate behavior.

Event: ***Tug of War (Men &Women) competition for hostel students***
Organized by: Department of Sports in association with DSW
No. of participants: 26

Department of Sports in association with DSW organized a Tug of War tournament for hostel students (Men and Women) on 18th January 2025, from 10:00 a.m. to 1:00 p.m., to provide students with an opportunity to showcase their talents and encourage holistic development through sports. The event witnessed enthusiastic participation, with a total of 26 students taking part, comprising 16 boys and 10 girls. Teams represented hostels including Pacific (Men), Brahmaputra (Men), Everest (Men), and Indus (Women). The tournament fostered a sense of teamwork, competitive spirit, and camaraderie among the participants, making it a memorable event for all involved.

Objective of Program:

1. Encourage the staff and students to contribute and help those in need.

2. Provide essential items such as clothes, shoes, and stationery to the less fortunate in your community.

3. Work together with the social organization Aashayein (आशाएं, उम्मीद की करण) to ensure a successful distribution.

4. Highlight the importance of giving back and supporting local social initiatives.

5. Involve staff and students in the entire process, from collection to distribution, enhancing a sense of fulfillment and responsibility.

6. Strengthen the bond between the campus community and local social organizations like ***Aashayein.***

Profile of Resource person: NA

Program Schedule and details:

Bhoomi Club organized a donation drive at our campus during the months of December and January, 2025. Staff and students generously donated clothes, shoes, and stationery items. Bhoomi Club distributed these items to the needy in our society on 25th January 2025 with the assistance of the social organization Aashayein (आशाएं, उम्मीद की करण).

Distribution Locations:

1. Neki Ki Kutiya, Abhanpur.
2. Aashayen Library, Hasda.
3. Ashiyana, Champaran.

Staff and Students Contribution: Our dedicated staff and enthusiastic students not only contributed items but also actively participated in the distribution process. They visited the specified locations and personally handed over the donations to the beneficiaries, ensuring that the items reached those in need.

Social Organization Involvement: Members of Ashayein, Social Organization guided and supported the students throughout the drive for the collection, packaging, and distribution.

Important Dates:

1. Collection: Till 15 January 2025
2. Listing and Packaging: Till 18 January 2025
3. Distribution and Visiting: 25 January 2025 (10:30am to 03:30pm)

Program Outcome:

The donation drive raised awareness about the importance of giving back and supporting local communities, inspiring others to contribute to similar initiatives.

The donated items provided much-needed relief and support to the less fortunate, positively impacting their lives and well-being.

The event helped build stronger relationships between the campus community and local social organizations, paving the way for future collaboration.

The donated items provided much-needed relief and support to the less fortunate, positively impacting their lives and well-being.

The donation drive was a resounding success. We have made a meaningful difference in the lives of those in need, and we look forward to continuing this tradition of giving and support.

INDOOR GAMES FOR HOSTEL STUDENTS 2024-25

Date: ***25-01-2025***
Time: ***10:00 to 4:00 PM***
Event: ***Indoor games for hostel students***
Organized by: Department of Sports in association with DSW
No. of participants: 39

On 25th January 2025, a series of indoor sports activities were organized for hostel boys and girls, featuring Chess, Carrom, Pool Table, and Table Tennis. A total of 39 students enthusiastically participated, showcasing their skills and engaging in healthy competition. The event provided an excellent platform for students to enhance their strategic thinking, precision, and sportsmanship while enjoying recreational activities. The competitions were well-received, fostering a spirit of camaraderie and active participation. Overall, the event was a great success, encouraging students to pursue indoor sports alongside their academic commitments.

“Republic Day Celebration”

Organized by

“Deans’ of StudentsWelfare”

On

26-01-2025

Date: 26th January 2025

Time of event: 08:00AMOnwards

Event Type: Offline

Venue: KalingaUniversityCampus

IOM/Circular:

Event Poster:

KALINGA UNIVERSITY

Objective of the program:

The objective of celebrating Republic Day is to honor the adoption of the Indian Constitution, promote national unity, celebrate democracy, and pay tribute to the freedom fighters. It also aims to instill patriotism and pride in the nation's achievements.

Details of the program:

On 26th January 2025 Kalinga University celebrated 76th Republic Day of India with full enthusiasm and patriotism. The event witnessed the presence of Chief Guest Padma Shri Shamshad Begam, Social Worker, Guest of Honor Col. N.C. Gupta (Retired) Sena Medal Awardee and our Dignitaries.

Patriotic Run with Tiranga

The event started with a patriotic ***Run with Tiranga*** in which hosteller students, NCC cadets & KU staff members took out Tiranga march from Kalinga campus to Kuhera square with speakers playing Patriotic songs. Students hold Tricolor on their hands and reached the square demonstrated spirit of freedom. Team was led by Dr. D Kalidoss Director of Sports, Dr. Sanjeev Kumar Yadav Sports Officer, Ms. Harsha Sharma NSS Program Officer & Ms. Neetu Singh Asst. Prof. Faculty of Education.

Flag Unfurling Ceremony

The celebration commenced with the unfurling ceremony of the Indian National flag by Padma Shri Shamshad Begam, Social Worker, Col. N.C. Gupta Sena Medal, Vice Chancellor Dr. R Shridhar and

national anthem filled the air as attendees, including dignitary, faculty members, NCC cadets and students of Kalinga University, stood in unity to pay homage to the tricolor.

Cultural Program

Afterwards all the members proceed to auditorium for cultural program. The program begin with welcome of guests and dignitaries with potted plant then lamp lighting ceremony took place.

Honourable Vice Chancellor Dr. R Shridhar Sir gave a welcome address and filled the audience with full of patriotism following this Respected Registrar Dr. Sandeep Gandhi sir spread light on the importance of Kumbh and Maha-Kumbh. Afterwards, our very talented students of B.Pharma 4th semester Ms. Purnima Chauhan and Ms. Shweta Mandra showcased mesmerizing patriotic welcome dance. Subsequently Mr. Abhishek Kumar Thakur student of MCA 2nd semester presented a melodious patriotic song to tribute our soldiers.

Group dance by Ms. Khushi Kumar Giri, Ms. Anjana, Ms. Simran Bharti, Ms. Anushka Tiwari and Ms. Palak Sahu boosts the energy of audience here after patriotic group dance was presented by the student of Ms. Nehal Santwani, Ms. Jyoti Singh, Ms. Misti and Ms. Shagun Shukla.

In between our Guest of Honor Col. NC Gupta Sena Medal shared his experience and informed that he survived a bullet hit during war and still the bullet is present in his healthy body which reminds him of duty performed for the country.

Chief Guest Padma Shree Shamshad Begam, Social Worker gave the speech. She inspired the audience by motivational words and explained the journey she started to fight social evil with the help of members from society. She also presented a heart touching motivational song which was highly appreciated by the audience.

In the end vote of thanks was proposed by Lt. Vibha Chandrakar I/C DSW. Staff members prominently present during the occasion were Dr A Vijayanand Chief Proctor, Dr. D Kalidoss Director of Sports, Mr. Sheikh Abdul Kadir Deputy DSW, Ms. Nikita Joshi Assistant DSW, Mr. Toshan Tarak Computer Operator DSW, Ayushi Kuchanwar NCC Assistant, Ms. Sneha Mahto Intern DSW, admin team, hostel wardens, volunteers and students. Samosa & sweet were distributed to all the participants.

Program Outcome:

The program outcomes of celebrating Republic Day include fostering national pride and unity, reinforcing the values of the Indian Constitution, promoting cultural diversity, educating citizens about India's history and democracy, honoring contributions to the nation, and inspiring continued progress and development. The celebration strengthens patriotism and a sense of responsibility among citizens

“One Week Faculty Development Programme on Digital Library & Repository Management”

Organized by

“Central Library,

Department of Library and Information Science, Faculty of Science with the Collaboration of IIIT-Naya Raipur”

On

27-01-2025 to01-02-2025

Date: 27-01-2025 to 01-02-2025

Time of event: 10:00 AM – 5:00 PM

Event Type: Hybrid (Online & Offline)

Venue: Seminar Hall & Board Room

IOM/Circular:

Approval: (KU/2024/IOM/LIB/145)

Event Poster:

Attached.

Invitation to the resource person: (If applicable)

Attached to the Mail Copy (Dr. Shailendra Kumar, Dr. Nabi Hasan, Dr. Akhtar Parvez, Dr. Mehtab Alam Ansari, Dr JK. Vijaykumar and Dr. Appasaheb Naikal).

Example:

Details of mail communication with the resource person have to be attached. Also attach acceptance mail (if available).

Objective of Program:

1. The topic cover on Library Automation
2. The topic cover on Digital Library.
3. Hands on Training on Digital Library Software (DSpace), and Library Automation Software (KOHA).
4. Presenting on innovative technologies used in libraries, including AI tools and robotic technology.
5. Providing an overview of various libraries and their architecture in automation, presented by resource persons.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Dr. Shailendra Kumar
Designation: Chairman MSD-5
Organization: Bureau of Indian Standard, New Delhi and Former Professor, DLIS, University of Delhi

Resource Person 2:

Name: Dr. Mehtab Alam Ansari
Designation: Professor
Organization: Dept. of Library and Information Science, Aligarh Muslim University, Aligarh

Name: Dr. Akhtar Parvez
Designation: University Librarian
Organization: Jamia Hamdard University, New Delhi

Event Poster:

Objective of Program:

12. To enhance creativity & develop critical thinking among students.
13. To promote innovative ideas through presentation.
14. To provide quality education which gives students the space to dream about their future & tools to make them come true as a result.

Details of Program:

Dean of Students' Welfare (DSW) successfully organised a Poster Presentation Competition under the Institution's Innovation Council (IIC) 7.0, at Seminar Hall on Wednesday, 29 January, 2025.

The competition was based on the theme of ***Road Safety Awareness and Golden Heritage of India & Development***. Total of 19 students registered and confirmed their slots for the competition and on the day of competition 11 students turned up with posters to take part in the event including one international students. All the posters were well displayed on the walls of Seminar Hall.

Dr. Manoj Singh , HoD, Faculty of Zoology/ Dr. Ajay Harit, Faculty of Zoology
Dr. Shinki K. Panday, Faculty of Commerce & Management

Judges interacted with students about the posters they prepared for the competition. Judgements were based on the points Creativity, Originality, Visual Impact, and Overall Presentation given by the student. Based on the performance and presentation of the students judgment sheets were prepared and after compiling the three winners were decided based on the marks received by them.

Winners are:

First position – Ms. Sangita Jana,BSFS 4th Semester
Second position – Mr. Masood Ahmed, LLM 4th Semester
Third position – Mr. Prakash Kumar, B. Pharma4th Semester
Ms. Aksha Ahmed, BID 2nd Semester

Winners were given certificates and gifts by the hands of Mr. SanjaySharma Sir AIG Traffic in presence of Lt. Vibha Chandrakar Dean of Students' Welfare & team comprised ofMr. Sheikh Abdul Kadir, Deputy Dean of Students Welfare, Ms. Nikita Joshi, Assistant Dean of Student's Welfare, Mr. Toshan Tarak Computer Operator DSW, Ms. Sneha Mahto Internee and students. All the participantsreceived certificates of participation, event concluded with group photograph

Program Outcome:

4. Participants learned the importance of visual presentation skills.
5. Participants were able to learn the techniques required to win a competition and be prepared with winning strategies for next similar events.

Number of Students Confirmed: 19

Number of Students Present: 11

Invitation to the Judges:– Judges were Dr Anita Samal Professor Political Science Arts and Humanities, Dr Manoj Singh Assistant Professor Zoology from Kalinga University.

Objectives of Program:

- ***Encourage Intellectual Engagement*** – Provide a platform for scholars to present and discuss their research in a stimulating academic environment.
- ***Foster Critical Thinking*** – Promote analytical and evaluative skills by encouraging participants to question, critique, and refine their ideas.
- ***Support Interdisciplinary Exploration*** – Facilitate discussions that bridge multiple disciplines within literary studies, humanities, and social sciences.
- ***Enhance Research Methodologies*** – Help scholars improve their research techniques, argumentation, and presentation skills.
- ***Promote Scholarly Exchange*** – Encourage networking and collaboration among students, researchers, and academicians from diverse backgrounds.
- ***Inspire Original Contributions*** – Motivate participants to produce innovative research that contributes to contemporary academic discourse.
- ***Cultivate Academic Excellence*** – Uphold high standards in research by emphasizing clarity, depth, and scholarly rigor.
- ***Prepare Scholars for Future Endeavours*** – Equip participants with the skills and confidence to pursue higher studies, publications, and professional academic opportunities.

Profile of Resource person (NA):

Program Schedule: 29thth January 2025, 10.00AM to 1.00 PM

Details of Program

The Literary Club of the Faculty of Arts and Humanities on 29th January 2025 successfully organized a research paper presentation competition, Mindscapes: A Research Odyssey. The event commenced at 10:00 AM in the auditorium and was conducted in a hybrid mode. The central theme of the competition was ***Digital Literature and the Future of Reading: E-Books, Audiobooks, and the Changing Landscape of Literary Consumption.***

The competition saw participation from esteemed institutions such as; St. Xavier's College, Kolkata (Autonomous); Banasthali Vidyapith, Rajasthan; Serampore College, Kolkata, and Kalinga University, Raipur among others. All participants actively engaged in presenting their research papers, offering valuable insights into various aspects of the theme.

Competition Structure

The competition was divided into two categories:

1. ***Group A:*** Undergraduate and Postgraduate students
2. ***Group B:*** Research Scholars

Each participant was allotted 5 to 10 minutes to present their research, followed by a Q&A session with the judges and audience. The presentations were evaluated on criteria including originality, clarity, research methodology, relevance, and overall presentation skills.

The competition concluded with an award ceremony where winners from both categories were announced:

- ***GroupA:***
  - ***First Prize:*** Sharanya Bose and Sudipta Hore Serampore College under Calcutta University]
  - ***Second Prize:*** [Alisha Jojo , Little Flower Guruvayur]
  - ***Third Prize:*** Gauravi Mishra and Kinjal Srivastava , Banasthali Vidyapeeth
- ***GroupB:***
  - ***First Prize:*** [Soumi Bandopadhyay, IIT Kharagpur]
  - ***Second Prize:*** [Swapnil Agarwal, Kalinga University]

Program Outcome:

⬜ ***Enhanced Research Skills*** – Participants will develop a stronger foundation in research methodologies, critical analysis, and academic writing.

⬜ ***Improved Presentation Abilities*** – Scholars will gain confidence and proficiency in articulating their research findings effectively in front of an academic audience.

⬜ ***Interdisciplinary Insights*** – Exposure to diverse perspectives will enable participants to approach literary and cultural studies from a broader, interdisciplinary viewpoint.

⬜ ***Constructive Peer Feedback*** – Engagement with peers and experts will help refine research arguments and improve overall academic output.

⬜ ***Networking and Collaboration*** – Scholars will establish professional connections, fostering potential collaborations for future research projects and publications.

⬜ ***Inspiration for Future Research*** – The exchange of ideas and discussions will stimulate new research questions and academic pursuits.

⬜ ***Publication Opportunities*** – Selected high-quality research papers may find avenues for publication in journals, conference proceedings, or edited volumes.

⬜ ***Academic and Career Advancement*** – Participation in the program will enhance credentials, preparing scholars for advanced studies, fellowships, and career opportunities in academia and research.

"Intellectual Property Rights (IPR) & Patent and Design Filling"

Organized by

Faculty ofPharmacy,

KalingaUniversity

In association withRajiv Gandhi National Institute of Intellectual Property Management(RGNIIPM)

On

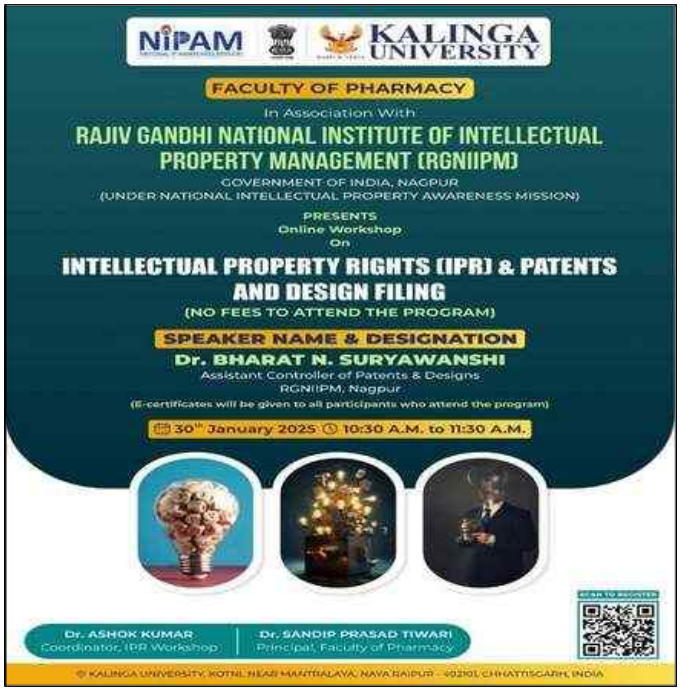
30th January 2025

Date: 30. 01. 2025

Event Type: Online

Venue: Faculty of Pharmacy, Kalinga University

Event Poster:



Objective of Program:

1. ***Protection of Creative Works***: The primary objective of IPR is to protect the creations of individuals or organizations, ensuring that their innovative ideas are safeguarded against unauthorized use or duplication. This includes inventions, designs, brands, and artistic works.

2. ***Encourage Innovation and Creativity***:IPR incentivizes individuals and organizations to invest time, effort, and resources into developing new products, technologies, and services by granting exclusive rights to the creators. The protection offered by IPR motivates further innovation.

3. ***Economic Growth and Competitiveness***: By granting exclusive rights, IPR helps businesses gain a competitive advantage, thus fostering economic growth. It provides creators with a means to generate revenue through licensing or selling their intellectual property.

Sl. No	*Title*	*Time*
1	Inaugration of programme	10:25 AM 10:30 AM
2	Welcome speech	10:30 AM – 10:35 AM
3	Expert talk	10:35 AM- 11:35 AM
4	Vote of thanks	11:35 AM- 11:40 AM

Details of the program:

In this session majorly highlighted Intellectual Property Rights (IPR) are legal protections granted to the creators or owners of intellectual properties. These rights allow creators to protect their inventions, designs, artistic works, symbols, or brand names from unauthorized use, ensuring that their intellectual property is not copied or used without permission. IPR is crucial in ensuring that creators, inventors, and businesses have exclusive rights to their work and can benefit from it. It also fosters creativity and innovation, while promoting economic development. This also focused on Patent Filing protecting inventions, and encouraging technological progress and commercialization. Design Filing safeguards the aesthetic appearance of products, helping businesses maintain competitiveness and promoting creativity in design. The Expert Talk was organized under the guidance of ***Dr. Ashok Kumar (Workshop Coordinator)*** and ***Dr. Sandip Prasad Tiwari (Principal)*** Faculty of Pharmacy. The event was coordinated by Mr. Pranjul Shrivastava (Assistant Professor), and Ms. Khushboo Gupta, with an organizing committee including, Dr. Sandeep Kumar Mishra, Dr. Santosh Prajapati, Mr. Smrutiranjan Dash (Assistant Professor), Dr. Rupali Bharti Sao (Assistant Professor), Dr. Indu Lata Kanwar, Mr. Ayushman Roy, Mr. Mrutunjaya Bhanja, Mr. Naimish Nanda, and Ms. Rashmi Sinha, Dr. Monika Vishwakarma. The Lecture was delivered by ***Dr. Bharat N. Suryawanshi.*** The event was attended by the students of M. Pharm, B. Pharm, Pharm.D, and D.Pharm. The speakers emphasized the critical role that young healthcare professionals can play in improving IPR rights and patent-filling design. Drawing from real-life case studies and personal experiences, the expert demonstrated how proactive reporting can prevent harmful drug reactions and save lives. The talk encouraged students to be agents of change, promoting a culture of safety and transparency in their future careers.

Program outcome:

Participants gained knowledge on Intellectual property rights and patent design. The program also promoted a culture of transparency and safety, encouraging continuous prioritization of patient well-being.

“Traffic Rules, Security and Driving Attitude”

Organized by

“Dean of Students’ Welfare and Chief Proctor”

on

30-01-2025

Date: 30th January 2025

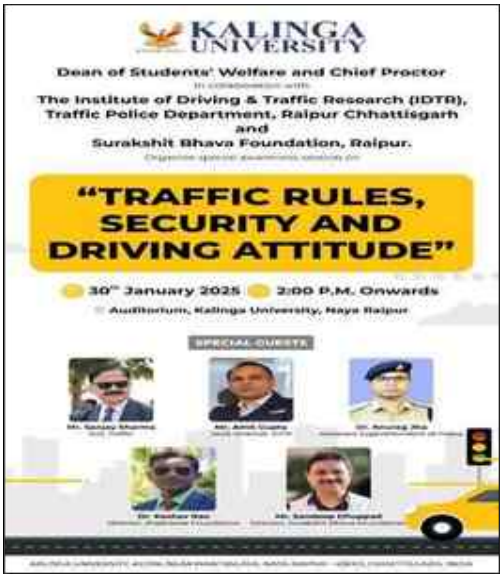
Time of event: 02:00 PM Onwards

Event Type: Offline

Venue: Auditorium, Kalinga University, Naya Raipur

IOM/Circular:

Event Poster:



Objective of Program:

The objective of the event was to create awareness among the students and participants on Road safety, traffic rules and driving attitude so that one may be able to think of the risks they are going to face while driving in unsafe manner.

Details of Program:

Dean of Students' Welfare and Chief Proctor of Kalinga University organised an awareness program on Traffic Rules, Security and Driving Attitude here on 30 January, 2025, Thursday.

Special guests were Mr. Sanjay Sharma, AIG Traffic, Dr. Anurag Jha, Assistant Superintendent of Police Traffic, Mr. Amit Gupta, Joint Director of The Institute of Driving and Traffic Research (IDTR), Dr. Keshav Rao, Director of Prashansa Foundation and Mr. Sandeep Dhuppad, Director of Surakshit Bhava Foundation.

The participants were students of different branches and were informed about the road safety tips by the guests. It was informed by the guests that maximum number of road accident cases occurs on long straight ways due to over speed riding of two and four wheelers. In many cases it was found that during mobile notification checking people commit accident on highways.

wheeler and use of seat belts during four wheelers driving. One should not lose focus from road while driving.

Winners of the poster making competition were awarded certificates by the hands of Mr. Sanjay Sharma. He appreciated the posters prepared by the students based on the theme of Road Safety.

Program Outcome:

It helped in better understanding of the Road safety and risks involved in fast unsafe driving on road. Benefits of wearing helmet, following traffic rules, obeying traffic signals and avoid taking phone calls during driving. The risks involved in shifting focus from road to the mobile screen was deeply felt by the participants.

Guest Lecture on "Role of Industrial Sector in Viksit Bharat"

Under Amartya Sen Chair

Organized by

"Faculty of Commerce and Management" On

31-01-2025

Date: 31-01-2025

Time of event: 2:30 PM to 03:30 PM

Event Type: Offline

Venue: MBSF-15, Kalinga University

Event Poster:

Resource Person:

Dr. Ravindra K. Brahme,
General Secretary of the Indian Economic
Association and Professor & Head,
School of Studies in Economics,
Pt. Ravishankar Shukla University, Raipur

The Faculty of Commerce and Management at Kalinga University, Raipur, successfully organized a Guest Lecture under the ***Amartya Sen Chair*** on ***"Role of Industrial Sector in Viksit Bharat"*** on ***31st January 2025***. The event aimed to provide students and participants with valuable insights into the significance of the industrial sector in India's vision for a developed nation.

The program commenced with a warm welcome and opening address, setting an engaging and academic tone for the lecture. ***Dr. Saket Jeswani, Dean of the Faculty of Commerce and Management***, welcomed the resource person by presenting a potted plant as a gesture of respect and appreciation. He also extended a warm welcome to students and faculty, emphasizing the relevance of the topic in alignment with ***Sustainable Development Goal 9 (Industry, Innovation, and Infrastructure).***

The resource person ***Dr. Ravindra K. Brahme*** shared his profound expertise on how the industrial sector serves as a cornerstone for economic growth and sustainability. Using real-world examples and data-driven insights, he elaborated on the role of innovation, infrastructure development, and industrial policies in fostering a ***"Viksit Bharat."*** His session also highlighted key challenges, opportunities, and strategies to leverage the industrial sector for long-term national development.

An interactive discussion followed the lecture, where students and faculty engaged actively with Dr. Brahme through thought-provoking questions and reflections on industrial advancements. This platform allowed participants to gain deeper insights and perspectives on the subject. The event was seamlessly anchored by ***Dr. Satvik Jain, Assistant Professor, Faculty of Commerce and Management***, while ***Dr. Chandra Bhooshan Singh, Chairperson of Amartya Sen***, coordinated the program, ensuring its smooth execution and alignment with academic and professional needs.

On concluding the session, ***Dr. Jeswani*** expressed his gratitude by presenting a memento to ***Dr. Brahme*** as a token of appreciation for the invaluable insights and contributions delivered by him. ***Dr. Shinki K. Pandey, Head, Faculty of Commerce and Management***, also extended her gratitude, encouraging students to apply the knowledge gained in their academic and professional journeys.

The lecture had a significant impact on students, offering them practical knowledge and academic perspectives on the industrial sector's role in shaping India's future. It fostered critical thinking and inspired participants to actively contribute to national development through innovation and industrial excellence.

This session reinforced ***Kalinga University's commitment to academic excellence*** by fostering knowledge-sharing platforms that bridge academia and industry. It highlighted the university's focus on ***holistic learning***, blending theoretical insights with practical applications for the comprehensive development of students. The session served as a source of inspiration, motivating students to actively engage in shaping India's industrial landscape as future leaders and innovators. Kalinga University looks forward to hosting similar academic initiatives, further nurturing the intellectual and professional growth of its students.

sector's impact on economic growth and sustainability.

- ***Practical Exposure*** – Improved awareness of industrial policies, advancements, and real-world applications.
- ***Critical Thinking & Engagement*** – Encouraged active discussion and exchange of ideas on India's industrial future.
- ***Empowered Contribution*** – Inspired participants to leverage industrial opportunities for national development.

ASMITA KHELO INDIA PENCAK SILAT WOMEN 'S LEAGUE (EAST ZONE)

Date: ***31-01-2024 to 02-02-2025***

Event: ***Asmita Khelo India Pencak Silat Women's League (East Zone)***

Organized by: ***Chhattisgarh Pencak silat Martial Arts Association with SAI***

Venue: ***B.R.Yadav Indoor Stadium Bahtarai, Bilaspur, Chhatisgargh.***

No. of participants: ***(2 from Kalinga University)***

The prestigious Asmita Khelo India Pencak Silat Women's League (East Zone) was held from 31st January 2024 to 2nd February 2025 at B.R. Yadav Indoor Stadium in Bahtarai, Bilaspur, Chhattisgarh. The event, organized under the Chhattisgarh Pencak silat Martial Arts Association with SAI, aimed to promote women's participation in the traditional martial art of Pencak Silat and provide a competitive platform for emerging athletes.

The tournament witnessed enthusiastic participation from athletes representing various institutions across the eastern region of India. It served as a significant opportunity for female martial artists to showcase their skills, discipline, and sportsmanship at a national level.

A remarkable achievement for our university was the outstanding performance of ***Palak Nag,*** a student of ***BSc (Zoology), 2nd Year,*** who secured a ***Bronze Medal*** and ***Saniya Parveen,*** a student of ***BCS (AMIL CS), 1st year,*** who secured a ***Bronze Medal*** in their respective categories. Her dedication, rigorous training, and determination led her to this commendable feat, making the university proud. Her success is a testament to the relentless hard work and support provided by her coaches, mentors, and university sports department.

On

01-02-2025

Title- "Pride of India 2025***"***

Date: 01-02-2025

Time of event: 08:00 AM to 11:00 AM.

Event Type: Offline

Venue: Chhattisgarh Mahatari Chowk, near multi-level parking to SubhashStadium,Raipur.

IOM/Circular: ***Event Poster:***

KALINGA UNIVERSITY

Objective of the program:

15. To develop sense of patriotism among students.
16. To make the students aware of National values.

Details of the program:

"Pride of India" (Rally) was an initiative by the Pujya Chhattisgarh Sindhi Panchayat (PCSP), in honour of our nation, India**.** This event was supported by Kalinga University, Naya Raipur and others.

Rally started from Collectorate garden near Chhattisgarh Mahatari Chowk and passed through All India Radio Station and reached at Subhash Stadium.
Students from different schools and Kalinga University carried a 2025 meters long tricolor over their head and marched on the road to the destination. Mr. Anil Jotsinghani took forward the event and facilitated students with certificates & gifts on answering questions. The Certificates were awarded to all participants by respected chief guests of the event. Students walked holding National flags of our country in the Rally and chanted "Bharat Mata Ki Jai" with patriotic songs played on sound system.

Following were the chief guest of the event were Mr. Mahesh Daryani, President of PCSP, Mr. Amit Chimnani, State Media Incharge of Bharatiya Janata Party, Mr. Balram Ahuja, General Secretary of PCSP and others.

Later the team visited Marine drive and took part in Mission 75 event organised by My FM 98.3 to make Raipur city three times safer. Radio Jockey (RJ) Aanchal and RJ Animesh spent 75 hours in a Jail

like structure and they administered oath to the citizens who visited the venue for using helmet while riding two wheelers, using seat belts while driving four wheelers and avoid use of mobile phones while driving to make journey safe for the citizens. Audio bites were recorded by the anchor RJ Nikki. Mr. Sanjay Sharma, AIG Traffic and students of different schools visited the venue and supported the cause.

Feedback from on-duty staff members & participating students:

A total of 139 online registrations were received but only 48 students were present on the event date and the maximum number of students were not reported and did not respond to staff members on 01.02.2025.

Participated students & staff members expressed their dissatisfaction with the lack of arrangements and delayed opening of the event.

No drinking water was served between 8:00 am to 11:00 am and at the end, the event concluded with snack box distribution to students which had only two bananas and a chip packet which quenched the thirst and because of that one of our BSFS 2nd semester student - Ms. Smriti Snehi felt dizziness & lightheadedness and later wards she became sick.

Overall participants felt that the event was meant & appropriate for school-level students, not for college/university level (no other university/college students participated in this event except our university and because of this our students felt uncomfortable).

As per our observation from this & previous events it is continuously seen that Mr. Anil Jotsinghani events are low-profile events as compared to the university level because mixed category participants are present and competing including 2-12-year-old children & Sindhi Samiti members, all are being judged under one category which is not fair. Due to this, our students felt disappointed and showed the least interest & also it is felt that the organizer only desired the crowd as an audience from our university for his success which was not beneficial for our students & university.

For the university level we should participate in some state & national level events/competitions to represent our university in bigger platforms.

Number of Faculty Participated: 10

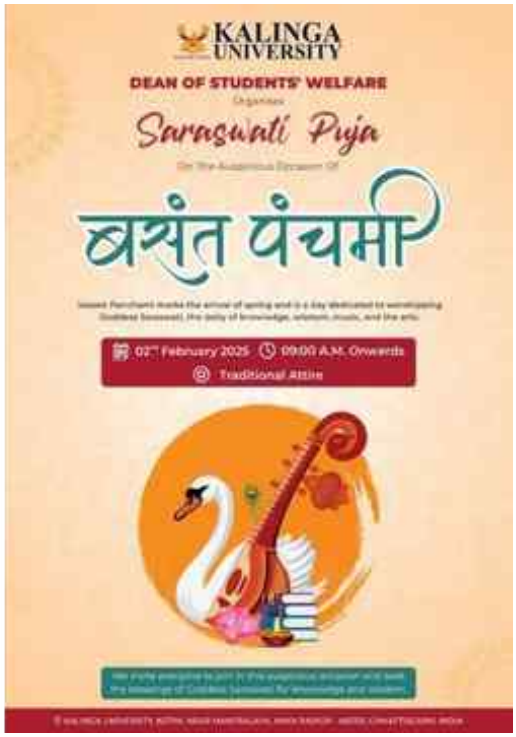
Invitation:



Objective of Program:

17. To promote cultural values.
18. To encourage students towards education & arts.

Details of Program:

SaraswatiPujawas celebrated onoccasionof Vasant Panchamiat09:00AMReceptionareaof Kalinga University, Raipuron 2nd February 2025. All the staff members and students of the University assembled at reception area for puja at 08:45 AM.

Goddess Saraswati Puja is a popular festival for students as per religious belief. It has an immense importance in the lives of those who are in Education Sector as Goddess Saraswati is worshipped as the Goddess of Knowledge. It is believed that by worshiping of Goddess Saraswati on this auspicious day offers the blessing of knowledge and prosperity. Idol of Goddess Saraswati was beautifully decorated with flowers and banana leaves. Puja & Havan was performed and sweets were offered. All the

suits.

The celebration was marked by the presence of Lt. Vibha Chandrakar In-charge Dean of Students Welfare & Ms. Saloni Sao Asst. Prof. Faculty of Pharmacy, girls' hostel warden, boys' hostel wardens & student volunteers. Students from hostels were present during the program. Traditional Tilak was decorated on the forehead of the students and holy threads were tied on their hands. Prayers were performed for the wellbeing of students and success in their educational journey.

Lt. Vibha Chandrakar, In-charge DSW wished that the arrival of spring brings happiness and prosperity in the lives of everyone. The festival marks the arrival of spring season and is celebrated with great fervour across the country. She wished that Goddess Saraswati bless everyone with knowledge, wisdom, happiness and prosperity.

All the Kalinga family members and students joined hands together, with great zeal to make the event a memorable one also evoking the blessing of the goddess of knowledge to have a successful academic and career growth. The event concluded by Prasad distribution. DSW and Admin team played crucial role in success of the program.

Program Outcome:

1. This festival emphasizes the value of lifelong learning & the pursuit of knowledge, inspiring devotees to work hard & persistently in their education and artistic endeavors.

Number of Attendees: Approx. 150

Report on

POSTER MAKING COMPETITION ON THE CONSTITUTION OF INDIA

Related to SDG No.(s) – 4, 10 & 16

Organized by

"FACULTYOF LAW"

In Association with

"PRO BONO CLUB AND LEGAL AID CELL, KALINGA UNIVERSITY"

On

Date: 07/02/2025

Date: 07/02/2025

Time of event: 12PM

Mode of event: Offline

Venue: Department of Law

Event Poster:

Details of Program: The Faculty of Law at Kalinga University hosted a Poster-Making Competitionon February 7, 2025, centered around the Constitution of India. This event, organized in collaboration with the Pro Bono Club and Legal Aid Cell, aimed to engage students in creatively expressing their understanding and interpretation of Constitutional principles. Open to all students of Kalinga University, the competition invited individual submissions. Participants prepared their posters in advance and adhered to standard A3 size dimensions, using any medium of their choice and a variety of colors, while ensuring clarity and alignment with the competition guidelines. Winners received a

certificates. The event served not only as an opportunity for students to demonstrate their artistic talents but also as a platform to deepen their knowledge and appreciation of India's democratic framework.

Objective of Program:

1. ***Promote Legal Awareness:*** Encourage participants to deepen their understanding of the Constitution of India through creative expression.
2. ***Foster Creativity:*** Provide an opportunity for students to express their artistic skills and interpretations of constitutional themes.
3. ***Encourage Participation:*** Engage students from Kalinga University by inviting individual participation, thereby eliminating team entries to focus on personal expression and effort.
4. ***Recognize Talent:*** Acknowledge and reward the creativity and hard work of participants through certificates and prizes for winners and participation certificates for all.
5. ***Create a Learning Platform:*** Facilitate a platform where students can demonstrate their knowledge and awareness of the Constitution of India, enhancing their legal education.

Program Outcome: The Poster Making Competition on the Constitution of India successfully achieved several key outcomes that were centered on both constitutional themes and artistic expression. Participants significantly enhanced their understanding of the Constitution, engaging deeply with its principles and values, which allowed them to articulate modern legal concepts through their creative works. The competition encouraged students to explore various aspects of the Constitution, fostering a sense of civic responsibility and awareness among participants.

Through the process of poster making, students developed essential skills in visual communication, enabling them to express complex ideas related to the Constitution in an artistic and thought-provoking manner. This activity not only promoted creativity but also helped participants convey messages about fundamental rights, duties, and the rule of law. The competition emphasized personal expression, which allowed students to reflect on their interpretations of the Constitution and its significance in contemporary society. Overall, the event contributed to a heightened awareness of constitutional issues while celebrating the power of creativity as a means of promoting legal literacy.

Invitation by the resource person:

NA

The objective of the Program:

1. To educate participants on different types of wax and wicks.
2. To demonstrate various candle-making techniques, including fragrance and color mixing.

4. To promote candle making as a potential small business opportunity.

Program Schedule:

1. Date of Event : 12th February 2025
2. Department Name: Department of Fashion Design.
3. Name of Faculties:
   - Dr. Mahima Nand HoD
   - Ms. Anjali Sharma, Asst Prof.
   - Ms Pooja Chandravanshi, Asst Prof.

Details of Program:

1. ***Comprehensive Learning Experience*** – Participants gained valuable insights into the history, materials, and techniques of candle making, deepening their appreciation for the craft.
2. ***Hands-On Skill Development*** – Through guided demonstrations, attendees successfully learned the step-by-step process of making candles, from selecting wax to perfecting wick placement.
3. ***Creative Exploration*** – The session encouraged artistic expression, allowing participants to experiment with colors, fragrances, and decorative elements to create unique, personalized candles.
4. ***Engaging and Interactive Atmosphere*** – The event fostered a lively and collaborative environment where attendees shared ideas, asked questions, and exchanged creative inspirations.
5. ***Future Potential*** – Many participants left inspired to continue candle making as a hobby, while others saw it as a possible entrepreneurial venture, highlighting the session's lasting impact

Program Outcome:

1 ***Hands-On Skill Development*** – Participants learned the complete candle-making process, including wax selection, melting, fragrance blending, colouring, and moulding techniques.

2 ***Creativity & Customization*** – Attendees experimented with various colors, scents, and decorative elements, enhancing their artistic skills and personalizing their candles.

3 ***Entrepreneurial Awareness*** – The workshop introduced the basics of starting a candle-making business, covering pricing, branding, and marketing strategies.

4 ***Sustainable Crafting Knowledge*** – Participants gained insight into eco-friendly materials like soy and beeswax, promoting responsible and sustainable crafting.

5 ***Engagement & Community Building*** – The interactive session fostered networking among craft enthusiasts, creating a supportive learning environment for future skill development

Event Poster:

Objective of Program:

The objective of attending event is to understand the party's economic priorities, policy direction, and financial plans for national growth, infrastructure, and welfare.

Details of Program:

We attended an informative and engaging event held at Babylon Capital, focused on the national budget. The program kicked off at 2:30 PM, where attendees gathered to gain insights into the budget's impact on the country's economic future.

The chief speaker for the event was Mr. Prashad Joshi, who shared in-depth analysis and insights on the fiscal strategy, highlighting the key policy priorities of the budget. He elaborated on how the budget is

development.

The event was also graced by the presence of Mr. Kiran Singh Dev, the President of the organization, who provided context on the broader implications of the budget. The Chief Guests, Mr. Arun Sahu and Mr. Brajmohan Agarwal, also spoke about the importance of the budget and its role in shaping the nation's economic landscape.

The discussions centered around the fiscal strategy and how the proposed budget would tackle critical issues such as infrastructure development, healthcare, education, and employment. The speakers discussed the priorities set by the government and the steps it aims to take to ensure national progress and prosperity.

At the conclusion of the event, attendees were invited to enjoy a Hi-tea, providing a great opportunity for networking and further discussion on the topics presented. The session ended with an enriching exchange of ideas, leaving participants with a clearer understanding of the budget's objectives and its potential impact on the nation's development.

Program Outcome:

It helped in better understanding of the party's budget proposals, their impact on the economy, and the steps taken to promote growth, welfare, and infrastructure development.

NCC "C" Certificate Exam

(Session: 2024-25)

Related to SDG No. (s): *4, 5 & 8*

Organized by

"NCC Army Wing"

In Association with

"NCC 8 CG Girls Battalion, Kota"

On

Date: 15th February & 16th February, 2025

Date:

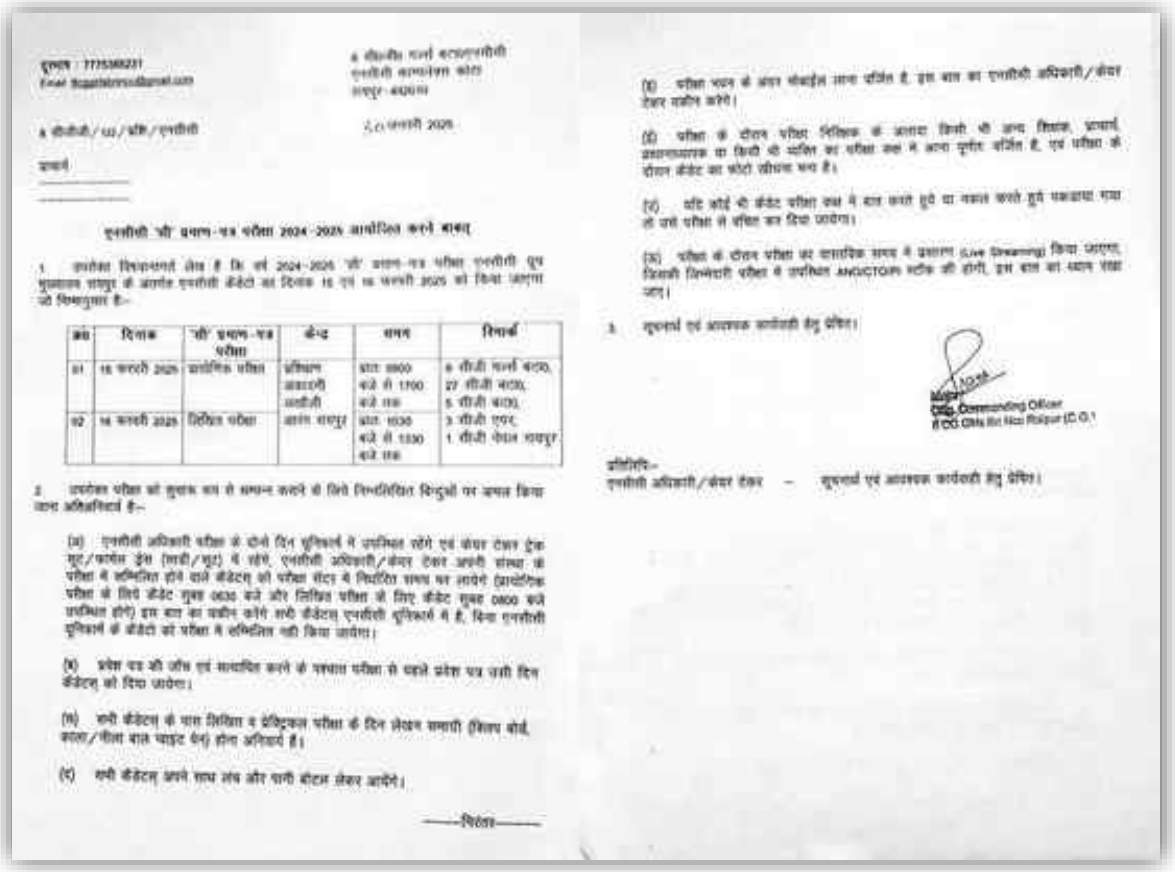
Practical Exam on 15th February 2025
Written Exam on 16th February 2025

Time of event:

Practical Exam- 08:00 AM to 05:00 PM
Written Exam- 10:30 AM to 01:30 PM

Mode of event: Offline

Venue: NCC Prashikshan Academy, Lakholi, Arang, Raipur (C.G.)
IOM/Circular:
Details of Program:



The C Certificate Examination, organized by the 8CG Girls Battalion, Kota, Raipur unit of NCC, was conducted on February 15th and 16th, 2024, at NCC Prashikshan Academy, Lakholi, Arang, Raipur (C.G.). A total of 18 cadets from Kalinga University actively participated in the examination.

The practical segment included rigorous assessments in various disciplines such as Drill, Weapon Training, Map Reading, Field Craft, Battle Craft, Communication, and Personality Development.

on their knowledge, leadership skills, physical fitness, and overall character.

The primary objective of the examination was to assess the cadets' preparedness for military service or their potential contributions to the community. To support them during this challenging process, Kalinga University provided refreshments on both examination days, reflecting its commitment to the well-being and encouragement of its NCC cadets.

Practical Examination Components:

Drill Proficiency
Weapon Training & Handling
Map Reading & Navigation
Field Craft & Battle Craft
Military Communication Techniques
Personality Development & Leadership Tasks

Objective of Program:

1. The "C" Certificate Examination aims to assess and formally recognize the competence, leadership skills, and proficiency of NCC cadets.
2. It is conducted after cadets complete the required training, coursework, and participation in training camps.
3. The examination evaluates cadets in areas such as leadership, military tactics, physical fitness, and community service.
4. Key assessment areas include:
   - Understanding of military theory and leadership principles
   - Application of practical leadership skills
   - Drill proficiency and discipline
   - Marksmanship and weapon handling
   - Physical endurance and overall fitness
5. The objective is to ensure cadets develop the necessary knowledge, skills, and values to become responsible leaders and active contributors to society.
6. Successful completion of the examination opens opportunities in the armed forces, public service, and corporate sectors.

Program Outcome:

Over the course of three years, cadets effectively applied their knowledge gained from camps, theory sessions, and practical training, demonstrating commendable discipline and skills. Through active participation in various activities, cadets developed greater confidence and enhanced their physical and mental strength.

Cadets who successfully clear the C Certificate exam will be eligible for several benefits, including:

1. Opportunities to serve as Civilian Gliding Instructors, Girl Cadet Instructors, or Whole Time Lady Officers.
2. Preference in State Services in select states.
3. Special consideration for security-related job roles in certain industries.
4. Exemption from the Common Entrance Exam for Agniveer General Duty and Agniveer TDN.

Educational Visit tothe High Court, Bilaspur(C.G.)

Related to SDG No.(s) and 16

Organized by

Faculty of Law, Kalinga University, Naya Raipur (C.G.)

On

21st February 2025

Chhattisgarh Date: 21st February 2025

Time of event: 9:00 A.M. to 6:00

P.M. Mode of event*: *Offline

Venue: High Court, Bilaspur (C.G.)

Details of Program:

The Faculty of Law organized an educational visit to the High Court, Bilaspur, on 21st February 2025, for law students to gain practical exposure to the functioning of the judicial system. The visit aimed to provide students with an opportunity to observe court proceedings, understand legal processes, and interact with legal professionals. This initiative was undertaken under the guidance and advice of the Dean, Faculty of Law, Prof. Dr. Azim Khan B. Pathan, and Head of the Department, Mrs. Saloni Tyagi Shrivastava. Accompanying the students on this visit were four faculty members: Ms. Harleen Kaur, Ms. Meenakshi Rani Agarwal, Mr. Savyasachi Pandey, and Mr. Soumyadeep Chakraborty. A total of 84 students participated in this educational tour.

The High Court of Chhattisgarh, located in Bilaspur, is the highest judicial authority in the state and plays a crucial role in the administration of justice. The High Court is known for its significant judicial pronouncements and commitment to upholding the Constitution and the rule of law. It consists of various benches, including civil, criminal, and constitutional benches, handling a wide range of cases.

A visit to the High Court is an essential part of legal education, as it helps bridge the gap between theoretical knowledge and practical application. Some key benefits include:

Practical Learning – Witnessing court proceedings enhances students' understanding of legal principles, case laws, and procedural aspects.
Career Guidance – Interacting with legal professionals gives students clarity on career opportunities in litigation, judiciary, and legal research.
Legal Research Skills – Exploring the High Court library strengthens students' ability to conduct legal research effectively.
Understanding Judicial Interpretation – Observing how judges interpret laws and precedents provides deeper insights into the functioning of the judiciary.

prepares students for future legal practice.

Objective of Program:

1. Practical Exposure to Court Proceedings – To help students understand the functioning of the judiciary, observe live court proceedings, and witness arguments, pleadings, and judicial decision-making in action.
2. Understanding Court Hierarchy and Procedures – To familiarize students with the structure of the judiciary, different types of courts, and the procedural aspects of litigation, including filing, hearings, and judgments.
3. Interaction with Legal Professionals – To provide students with an opportunity to interact with judges, lawyers, and court staff, gaining insights into legal practice, advocacy skills, and career opportunities in litigation.
4. Application of Theoretical Knowledge – To bridge the gap between theoretical learning and practical application by allowing students to see how legal principles and statutes are interpreted and applied in real cases.
5. A visit to the High Court Library helps students understand Legal Research Methods – Students learn how to navigate legal databases, case reporters, and reference materials to enhance their research skills.
6. A visit to the Judicial Academy introduces students to understand and explore the training and development programs introduced for judges and judicial officers.

Program Outcome:

The educational visit to the High Court, Bilaspur, organized by the Faculty of Law on 21st February 2025, was a highly enriching experience for the participating law students. The visit aimed to provide practical insights into the judicial system and enhance students' understanding of legal procedures. Below are the key programme outcomes:

1. Enhanced Understanding of Judicial Processes – Students gained first-hand experience of court proceedings, including case arguments, hearings, and judgments, strengthening their knowledge of procedural law.
2. Exposure to Courtroom Etiquette and Advocacy Skills – Observing senior advocates and judges in action helped students understand professional legal conduct, argument structuring, and courtroom decorum.
3. Practical Application of Legal Knowledge – The visit bridged the gap between theoretical studies and practical implementation, helping students connect legal principles with real-life cases.
4. Development of Legal Research Skills – The visit to the High Court Library introduced students to legal databases, case law research, and statutory interpretation, improving their research proficiency.
5. Interaction with Legal Professionals – Engaging with judges, lawyers, and court staff provided students with career insights, networking opportunities, and a deeper understanding of various legal professions.
6. Awareness of Court Hierarchy and Judicial Decision-Making – Students understood the role of the High Court within the Indian judicial system and how it interprets and applies laws.

consider careers in litigation, judiciary, and legal research by providing exposure to real-world legal practice.

Department of Economics, Faculty Arts and Humanities

In Association with

"Kalinga University" On

Date: 21st February, 2025

26 Date: 21ST February,2025

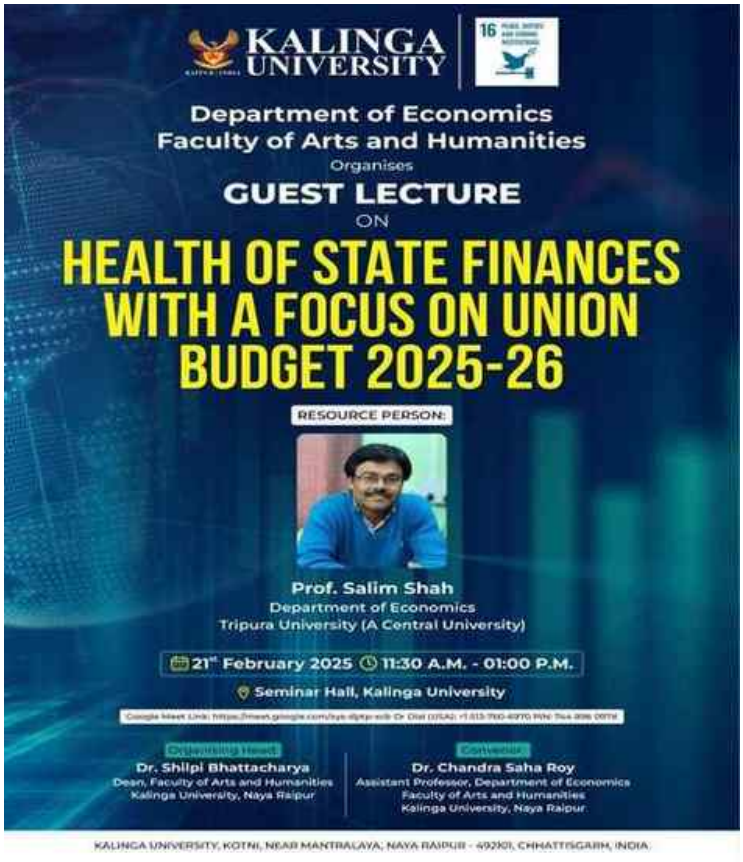
Time of event: 11:30-1:30pm

Mode of event:

Hybrid ***Venue:***

University Auditorium

Event Poster:



Details of Program: To shed light on these critical aspects, we are honored to have [Prof.Salim Shah], an expert in [Development Economics, Health Economics, Econometrics and Public Finance], such a prolific personality who will guide us through the key fiscal trends, challenges, and opportunities for states in the current budget framework. The program had 11 faculty members from Department of Arts and Humanities and students around 30 from BAGEN and Law sem-4.

Objective of Program: India's federal structure ensures that states play a crucial role in economic growth, welfare, and public service delivery. However, their financial health is shaped by various factors-own revenue generation, central transfers, fiscal deficits, and debt management. The Union Budget 2025-26 will significantly influence state finances through tax devolution, grants, and policy

To shed light on these critical aspects, we are honored to have [Prof.Salim Shah], an expert in [Development Economics, Health Economics, Econometrics and Public Finance], such a prolific personality who will guide us through the key fiscal trends, challenges, and opportunities for states in the current budget framework.

Program Schedule: 21st February,2025

Program Outcome: The Guest Lecture on ***"Health of State Finances with a Focus on Union Budget 2025- 26"***, delivered by ***Prof. Salim Shah, Department of Economics, Tripura University***, provided an in-depth analysis of the fiscal health of Indian states in the context of the Union Budget 2025-26. The session aimed to enhance participants' understanding of intergovernmental fiscal relations, revenue and expenditure trends, and the broader implications of budgetary allocations on economic growth and development.

Key Outcomes:

1. ***Enhanced Understanding of Fiscal Federalism:*** Participants gained insights into the fiscal architecture of India, including revenue devolution, grants, and the role of the Finance Commission in shaping state finances.
2. ***Analysis of Union Budget 2025-26:*** The session provided a detailed examination of the key provisions, priorities, and allocations of the Union Budget 2025-26, with a special focus on its implications for state finances.
3. ***Assessment of Revenue and Expenditure Trends:*** The lecture facilitated a comprehensive discussion on states' revenue generation capacities, expenditure patterns, and fiscal sustainability concerns.
4. ***Impact on Development and Public Services:*** Participants explored how budgetary decisions influence economic growth, infrastructure development, and social sector investments at the state level.
5. ***Policy and Research Perspectives:*** The session encouraged critical thinking on fiscal policies, debt management strategies, and state-level financial autonomy, fostering academic and professional discourse among students and faculty.
6. ***Application to Real-World Policy Making:*** Attendees, particularly students and researchers, gained practical knowledge applicable to policy analysis, governance studies, and economic research.

This lecture significantly contributed to academic enrichment and professional development by equipping participants with the analytical tools necessary to assess and engage with contemporary fiscal issues in India.

The Faculty of Commerce and Management at Kalinga University, Raipur, successfully organized an ***International Conference on Innovative Management Techniques for Sustainable Development (IMTSD- 2025)*** in association with Jose Maria College Foundation, Inc., Philippines, National Institute of Technology, Raipur, Brokenshire College Philippines, & Ministry of Housing and Urban Affairs, Government of India on ***21st & 22nd February 2025***. The event aimed to provide insights on the inventions and discovery of various sustainable development techniques used in the field of management.

The program commenced with a warm welcome and opening address, setting an engaging and academic tone for the conference. ***Dr. Saket Jeswani, Dean of the Faculty of Commerce and Management***, welcomed the chief guest ***Mr. Vinay S Bais*** by presenting a potted plant as a gesture of respect and appreciation. The guest of honor ***Prof. (Dr) AK Shrivastava*** was welcomed by ***Dr Shinki K Pandey HOD, Faculty of Commerce & Management*** followed by the welcome of other esteemed dignitaries of Kalinga University. The opening remarks were given by ***Dr Saket Jeswani*** (***Convenor, Dean of the Faculty of Commerce and Management)*** along with ***Dr Byju John (Director General, Kalinga University)*** and the partner institute Jose Maria College Foundation, Inc., Philippines, Brokenshire College Philippines addressed the crowd.

The resource person ***Dr Punya Prasanna Paltani*** shared his profound expertise on how sustainability can be achieved through various practices while achieving economic growth. Using real-world examples and data-driven insights, he elaborated on the role of innovation, infrastructure development, and industrial policies in fostering a ***'Green economy'.*** His session also highlighted key challenges, opportunities, and strategies to leverage the industrial sector for long-term national development.

An interactive discussion followed the lecture, where students and faculty engaged actively with the keynote speakers through thought-provoking questions and reflections on industrial advancements. This platform allowed participants to gain deeper insights and perspectives on the subject. The event was seamlessly anchored by ***Dr. Satvik Jain, Assistant Professor, Faculty of Commerce and Management***, and ***Ms. Alpana Sharma Assistant Professor, Faculty of Commerce and Management***.

A total of 319 presentations were scheduled across two days: 71 on Day 1 and 243 on Day 2. In hybrid mode, 146 participants presented their papers, with 25 presenters on Day 1 and 126 presenters on Day 2.

On the first day of the conference, various academicians, research scholars, and students presented their papers in hybrid mode to the session chairs allotted to them according to their tracks, such as HR, Marketing Finance, Operations Management, and General Management, under the guidance of moderators provided to them.

The second and last day of the conference was only for the participants who wanted to present in online mode, two time slots were made for the seamless operation of the event and 10 moderators were given the

welcomed and a valedictory address was given by the partner institute along side with the speech of Chief Guest and Guest of Honor. ***Dr Shinki K Pandey*** (***HOD, Faculty of Commerce & Management)*** finally concluded the event by presenting the Best Paper Presenter Award and ***Dr. Saket Jeswani, Dean of the Faculty of Commerce and Management*** gave the Vote of Thanks.

Program Outcome:

- ***Enhanced Understanding*** – Participants gain insights into the industrial sector's impact on economic growth and sustainability.
- ***Practical Exposure*** – Improved awareness of industrial policies, advancements, and real-world applications.
- ***Critical Thinking & Engagement*** – Encouraged active discussion and exchange of ideas on India's industrial future.
- ***Empowered Contribution*** – Inspired participants to leverage industrial opportunities for national development.

Glimpse of Event:

Press Release:

कलिंगा विवि ने सतत विकास के लिए अभिनव प्रबंधन तकनीकों पर अंतर्राष्ट्रीय सम्मेलन का आयोजन

रायपुर (विशेष परिवार)। कलिंगा विश्वविद्यालय के वाणिज्य और प्रबंधन संकाय ने 21 और 22 फरवरी, 2025 को विश्वविद्यालय परिसर में सतत विकास के लिए अभिनव प्रबंधन तकनीक (आईएमटीएसडी-2025) पर दो दिवसीय अंतर्राष्ट्रीय सम्मेलन का सिम्बियोसिस इंस्टीट्यूट ऑफ ओपन लर्निंग, सिम्बियोसिस इंटरनेशनल (डीम्ड यूनिवर्सिटी), पुणे, भारत सरकार, राष्ट्रीय प्रौद्योगिकी संस्थान, रायपुर, छत्तीसगढ़, जॉन मारिया कॉलेज फाउंडेशन, इंक., फिलीपींस और जोकलशागर कॉलेज, फिलीपींस के सहयोग से सफलतापूर्वक आयोजन किया।

इस सम्मेलन ने एक गतिशील मंच के रूप में कार्य किया, जहां शैक्षिक विद्वानों, उद्योग के नेताओं और नवोन्मेषकों ने सतत विकास लक्ष्यों (एसडीजी) को आगे बढ़ाने के लिए नवीन प्रबंधन दृष्टिकोणों पर चर्चा की।

इस सम्मेलन का आयोजन भक्त माता कर्मा सरकारी कॉलेज, वैशियर पंडित यूनिवर्सिटी, जमशेदपुर का इंस्टीट्यूट ऑफ बैंकर्स मैनेजमेंट, आईएमआई, एनआईटी, एनआईएसटी, संत क्लियेशिस गुरु रविदास सरकारी कॉलेज सरगांव, तरियुनि, आईएनएच न्यूज, जोस मारिया कॉलेज फाउंडेशन इंक., जोकलशागर कॉलेज, अलबार और शहरी मामलों के मंत्रालय, पं. पुंडरलाल शर्मा ओपन यूनिवर्सिटी और गुरु घासीदास विश्वविद्यालय, बिलासपुर के सहयोग से किया गया था।

इस कार्यक्रम को आईसीएफ एडुकेशन, रायपुर, मैनेजमेंट यूनिवर्सिटी ऑफ टेक्नोलॉजी एंड मैनेजमेंट, ओडिशा, चंगु काना खोकर, मुंबई, एमबीएक्स (कार्यक्रम के बाद), सीएजर, पेट पूजा, मोक टेस्ट, एपल इंडस्ट्रीज, बीवाई हरिपटल, ईज्ञान एंटरप्राइजेज, सम्बन्धि, एआ राइस इंडस्ट्रीज, समलाई और अतिथि चलित्रेखाग द्वारा प्रायोजित किया गया था।

इस कार्यक्रम का उद्घाटन कलिंगा विश्वविद्यालय के माननीय कुलपति प्रो. आचार्य जॉन के प्रेरक संबोधन से हुआ, जिसमें उन्होंने दीर्घकालिक स्थिरता लक्ष्यों को प्राप्त करने में शिक्षा और अनुसंधान की महत्वपूर्ण भूमिका पर प्रकाश डाला।

कलिंगा विश्वविद्यालय के कुलसचिव प्रो. संदीप गांधी ने स्वागत भाषण दिया और सतत व्यवहार को बढ़ावा देने के लिए शिक्षा जगत और उद्योग के बीच सहयोगात्मक प्रयासों के महत्व पर बल दिया। उन्होंने कहा, सतत विकास केवल तभी प्राप्त किया जा सकता है जब प्रभाव के निष्कर्षों को प्रभावी ढंग से व्यावहारिक दुनिया के अनुप्रयोगों में अनुवादित किया जाए। आईएमटीएसडी-2025 इस अंतर को दूर करने और हितधारकों के बीच अर्थपूर्ण संवाद को बढ़ावा देने में एक महत्वपूर्ण कदम रहा है।

डॉ. ए.के. श्रीवास्तव, डीन, एसओएस मैनेजमेंट, पं. रविशंकर शुक्ल विश्वविद्यालय, रायपुर ने मुख्य अतिथि के रूप में कार्यक्रम की शोभा बढ़ाई। उनके संबोधन में "सस्टेनेबल मैनेजमेंट के 5 पी- लोग, ग्रह, लाभ, साझेदारी और उद्देश्य की अवधारणा पर प्रकाश डाला गया। उन्होंने कहा, सस्टेनेबल मैनेजमेंट इन पांच स्तंभों पर आधारित है, जिससे यह सुनिश्चित होता है कि व्यवसाय न केवल लाभ कमाते हैं, बल्कि सकारात्मक सामाजिक प्रभाव भी पैदा करते हैं, पर्यावरणीय संसाधनों की रक्षा करते हैं, साझेदारी को बढ़ावा देते हैं और एक अच्छी जी स्थिरता के लिए स्पष्ट उद्देश्य के साथ काम करते हैं।

कार्यक्रम के मुख्य अतिथि श्री विजय पुरम, चेयर, ग्लोबल प्रमुख समाचार पत्रिका, छत्तीसगढ़, ने कहा, व्यवहारों को अपनाने और हितधारकों दोनों के लिए दीर्घकालिक मूल्य बनाने के लिए अपने संचालन को स्थिरता लक्ष्यों के साथ संरेखित करना चाहिए। आईएमटीएसडी-2025 में नवीन तरीकों के बारे में सहत्वपूर्ण जानकारी प्रदान की है जो इस संतुलन को प्राप्त करने में मदद करेगी।

Details of Program:

Agastya Muni is a revered sage in Indian history, widely credited with shaping the linguistic, literary, and cultural landscape of Tamil Nadu.

His contributions extend beyond mythology and religious beliefs, playing a crucial role in Tamil literature, Siddha medicine, and the spiritual traditions of the region.

In the context of a Viksit Bharat (Developed India), the exploration of Agastya's contributions offers insights into the preservation and propagation of indigenous knowledge systems.

literature, and the implications of his teachings in modern India.

- Agastya Muni is considered one of the Saptarishis, playing a crucial role in the Vedic era. Mythologically, he is believed to have been sent by Lord Shiva to South India to spread Vedic knowledge.
- Legends connect him to the rebalancing of the Earth's axis and the formulation of sacred hymns. Agastya appears in Rigveda, Ramayana, Mahabharata, and several Tamil literary works, signifying his widespread influence.
- AGASTYA'S ROLE IN BRIDGING NORTH AND SOUTH INDIAN CULTURES Agastya's journey

to South India represents the cultural and linguistic synthesis between Sanskrit and Tamil.

His integration of Dravidian and Aryan traditions fostered a holistic spiritual and intellectual environment. The sage's teachings acted as a foundation for the unification of philosophical and linguistic traditions across India.

Agattiyam is believed to be the first systematic grammar of the Tamil language, attributed to Agastya Muni. While the original text is lost, its principles are reflected in later Tamil grammatical texts like Tolkappiyam.

Agastya's grammatical formulations laid the foundation for Tamil linguistic structure, syntax, and phonetics.

Contributions to tamil linguistics and literary traditions Agastya established rules for poetic meter, grammar, and phonetic precision in Tamil.

His linguistic system influenced early Tamil Sangam poetry, setting a standard for future literary works. His teachings ensured Tamil's development as a classical language with a distinct linguistic identity.

Objective of Program:

1. To explore Agastya Muni’s contributions to Tamil literature, grammar, and linguistic traditions.
2. To highlight Agastya’s role in unifying North and South Indian cultures through language and philosophy.
3. To discuss the impact of Agastya’s teachings on Indian knowledge systems, including Siddha medicine and spiritual traditions.
4. To promote the significance of Tamil as a classical language and its literary heritage.
5. To preserve and propagate ancient Indian traditions in alignment with Viksit Bharat 2047.
6. To create awareness about Agastya’s influence on various Indian scriptures, including the 4 Rigveda, Ramayana, and Mahabharata.

and cultural synthesis.

8. To foster unity and harmony through India's rich linguistic and philosophical heritage.

9. To align ancient wisdom with modern development, showcasing how traditional knowledge can contribute to contemporary progress.

10. To instill pride and awareness in students, scholars, and the community about India's deep- rooted intellectual and spiritual legacy. This program aims to provide an in-depth understanding of Agastya Muni's role in shaping Indian civilization while emphasizing the importance of cultural unity.

Program Outcome:

1. Enhanced Awareness of Indian Traditions – Participants will gain deeper insights into Agastya Muni's role in shaping India's linguistic, cultural, and spiritual heritage.

2. Understanding of Tamil as a Classical Language – Appreciation of Tamil's rich literary traditions, grammar, and historical significance.

3. Preservation of Indigenous Knowledge – Encouraging the study and propagation of ancient Indian wisdom, including Siddha medicine and linguistic traditions.

4. Strengthening National Unity – Promoting cultural synthesis between North and South India in alignment with *Ek Bharat Shrestha Bharat.

1. Research & Academic Development – Inspiring scholars and students to explore further research on Agastya Muni's contributions to language and literature.

2. Application of Ancient Knowledge in Modern Times – Exploring how Agastya's teachings can be integrated into contemporary education, medicine, and cultural studies.
3. Promotion of Sangam Literature – Encouraging the study of classical Tamil texts and their role in shaping Indian literary history.

4. Alignment with Viksit Bharat 2047– Showcasing how ancient wisdom can contribute to India's future development and global cultural identity.

5. Encouraging Interdisciplinary Studies– Bridging literature, history, linguistics, medicine, and philosophy to create a holistic understanding of Indian heritage.

6. Inspiration for Future Generations – Instilling a sense of pride and responsibility in preserving and promoting India's linguistic and cultural traditions. This program aims to create a lasting impact by fostering academic interest, cultural unity, and national pride in India's ancient traditions.

SAMAR INTERCOLLEGIATE/UNIVERSITY SPORTS FEST 2025

Date: ***23-01-2025 to 26-01-2025***
Event: ***Samar Intercollegiate/University Sports Fest 2025***
Organized by: ***National Institute of Technology, Raipur***
Venue: ***NIT, Raipur***
No. of participants: 68

The Kalinga University sports teams participated in SAMAR-2025, a prestigious sports festival organized by the National Institute of Technology (NIT), Raipur, from January 23 to January 26, 2025. A total of 68 students competed in various sports, including men's football, basketball (men and women), and volleyball (men and women). Teams from various colleges showcased their talent and determination in a highly competitive environment. Notably, Kalinga University's ***Men's Basketball and Football teams*** demonstrated exceptional skills and resilience, ***securing first place in their respective events.*** Their outstanding performances earned them winner trophies, bringing pride and recognition to the university. This remarkable achievement highlights Kalinga University's commitment to sporting excellence and reflects the hard work, teamwork, and dedication of the players. The success at SAMAR-2025 has not only enhanced the university's reputation in sports but also inspired other students to strive for excellence in athletics.

Guest Lecture by Dr. Sumit Mitra

Related to SDG No.(s) 4, 8 & 9

Organized by

"Dean of Students' Welfare"

on

24/02/2025

Title- Guest Lecture by Dr. Sumit Mitra

Date: 24/02/2025

Time of event: 11:00AM Onwards

Mode of event: Offline

Venue: Auditorium

Objective of Program: To motivate students to develop leadership quality to make them future ready.

Details of Program:

Dr Sumit Mitra, CEO of Tesco Global Business Services and Tesco Bengaluru took an interactive session on developing 10X leadership qualities at Kalinga University auditorium on Monday, 24th February 2025. National and International students of Kalinga University took part in the interactive session.

In his address Dr Mitra stressed that hard work and constant efforts are required for success in every field. He gave a power-point presentation based on his research in the field of Nation Building and success. He opined that the aim behind the skill based education being imparted to the students at the university is to encourage the students to develop leadership qualities in them.

Dr Mitra emphasized on developing future based skills and continuous up-gradation of knowledge to enhance leadership qualities. He opined that by 2026 sixty percent jobs of Europe will not exist as the jobs will be taken over by robots with Artificial Intelligence. He informed that more and more number of people are now getting dependent on AI tools like ChatGPT. The human being should develop their skills to overcome the challenges of future and to defeat AI and Machine learning system. Medical surgeries will be done by robots which is already started in many countries. He emphasised that one should be curious and should continue learning new knowledge as the world is for learners. At any cost leadership qualities should be developed. When during crises customers loose purchasing power one should ensure how to serve the customers at minimum price. He placed the example of Covid period during which lockdown was observed and people managed to survive despite odd situation. It changed the food habits of people as they stayed home for whole time. The traditional art of leadership would be abolished and 10X leadership quality will be developed. People will think about how to enhance the leadership quality ten times.

Apart from education one should enhance their communicative skills and should be able to explain his condition or situation in 30 seconds to 1 minute. Knowledge, skills and attitude makes a man successful, he added. Dignitaries of Kalinga University, faculties and large numbers of students were present during the programme. Memento was presented at the end of the session by the dignitaries. Master of the ceremony was Lt. Vibha Chandrakar, In-charge Dean of Students' Welfare.

Program Outcome: Students were informed about the long term benefits of 10X leadership qualities in achieving success in every fields of life.

Standard Writing Competition

Topic: Indian Standard IS: 6541, "Hygienic Conditions for the Preparation and Supply of Foods/Meal in schools."

Related to SDG No.(s)

Organized by

"***Faculty of Technology***"

In Association with

Standard Club of Bureau of Indian Standard

On

Date: 24th February 2025

Title- **"**Standard Writing Competition on Indian Standard IS: 6541, "Hygienic Conditions for the Preparation and Supply of Foods/Meal in schools**"**

Date: 24th FEB 2025

Time of event: 2:00PM – 3:00PM

Mode of event: Offline

Venue: Main Building , Second Floor(MBSF-01)

Details of Program:

The Faculty of Technology, in association with the Standard Club of the Bureau of Indian Standards, organized a ***Standard Writing Competition*** on ***24th February 2025***. The event focused on ***Indian Standard IS: 6541***, which outlines guidelines for ensuring ***hygienic conditions in the preparation and supply of food/meals in schools***. The competition aimed to raise awareness about food safety standards and their role in maintaining student health and well-being.

The event was conducted in ***offline mode*** at ***Main Building, Second Floor (MBSF-01)*** from ***2:00 PM to 3:00 PM***. A total of ***30 participants registered***, out of which ***22 attended*** the event. Participants engaged in writing structured and analytical content, highlighting the significance of implementing hygiene standards in school meal programs.

The competition was aligned with the ***Sustainable Development Goals (SDGs)***, particularly those related to ***health, well-being, and quality education***. It provided a platform for students to explore the ***importance of Indian standards in food safety*** and to develop their technical writing skills. The event successfully encouraged discussions on best practices for food hygiene in schools, contributing to the broader mission of public health and safety.

Objective of Program:

To promote awareness by encouraging participants to understand the importance of Indian Standard IS
6541 in ensuring hygienic food preparation and supply in schools contributing to student health and well-
Being

To enhance technical writing skills by developing participants' ability to analyze interpret and effectively
communicate standardized guidelines related to food safety and hygiene in educational institutions.

To encourage implementation of best practices by inspiring students and professionals to advocate for and
adopt hygienic food handling practices in school meal programs aligning with national standards and
Sustainable Development Goal.

Program Outcome:

Participants will gain a clear understanding of IS 6541 and its importance in maintaining hygienic conditions for food preparation in schools.

The competition will encourage participants to apply hygiene guidelines in real-life school environments, promoting better food safety practices

Industrial tour

Organized by

Faculty ofPharmacy,

KalingaUniversity

From

26th Feb 2025 – 03rd March 2025

Title- Industrial tour

Date: 26. 02. 2025 – 03/03/2025

Event Type: Offline

Venue: Sorbax Pharmaceutical Badii (Himachal Pradesh)

Event Poster:

Objective of Program:

1. ***Practical Exposure:*** Gain hands-on experience with pharmaceutical manufacturing processes, quality control, and packaging.
2. ***Understanding GMP & Regulations:*** Learn about Good Manufacturing Practices (GMP), quality assurance protocols, and regulatory compliance standards.
3. ***Equipment & Technology Insight:*** Familiarize yourself with modern machinery, analytical instruments, and advanced technology used in drug production.
4. ***Production Process Knowledge:*** Understand different stages of drug formulation, from raw material handling to finished product packaging.
5. ***Quality Control & Testing:*** Observe quality control measures, laboratory testing, and analytical techniques for ensuring product safety and efficacy.

The industrial tour, organized for B.Pharm students aimed to provide practical exposure to pharmaceutical manufacturing processes, quality control, and industry operations. The journey spanned from Raipur to Delhi and then to Baddi, Himachal Pradesh, where students visited Sorbax Pharmaceuticals, a reputed company known for its high-quality formulations and adherence to global regulatory standards.The tour commenced in Raipur, where students boarded a train to Delhi. After exploring Delhi's historical landmarks and gaining insights into the capital's pharmaceutical hubs, the journey continued via road to Baddi, a prominent pharmaceutical manufacturing zone in Himachal Pradesh. Upon reaching Sorbax Pharmaceuticals, students were warmly welcomed by company representatives Mr.Aswani Thakur (Manager). The visit began with an introductory session outlining the company's history, product range, and manufacturing capabilities. The agenda included a guided tour of various departments, offering a comprehensive understanding of the drug production lifecycle.

Manufacturing Unit: Students observed the manufacturing process, including raw material handling, granulation, compression, coating, and packaging.
Quality Control (QC) & Quality Assurance (QA): Insights into analytical testing, stability studies, and documentation practices essential for regulatory compliance.
Research & Development (R&D): Exposure to formulation development, pilot-scale batches, and innovation strategies.
Warehouse & Supply Chain: Understanding inventory management, cold storage requirements, and logistics.

The industrial tour to Sorbax Pharmaceuticals was an enriching experience that bridged the gap between academic knowledge and industry practices. Students returned to Raipur with a deeper understanding of pharmaceutical operations, inspired to apply their learning in future professional pursuits.

Post-Industrial Visit: Excursion to Manali

After the insightful industrial visit to Sorbax Pharmaceuticals in Baddi, the group embarked on a leisure trip to Manali, a picturesque hill station nestled in the Kullu Valley of Himachal Pradesh. The journey from Baddi to Manali covered approximately 257 kilometers, taking around 8 hours by road. the group proceeded to ***Solang Valley***, famous for its summer and winter sports. Students participated in activities such as paragliding, enjoying the thrill of soaring above the valley while taking in panoramic views of the Himalayas. The excursion to Manali offered students a perfect blend of cultural enrichment, adventure, and relaxation, complementing the educational experience of the industrial visit. Such trips play a vital role in holistic development, providing practical industry insights alongside exposure to India's rich natural and cultural heritage.

Program outcome:

Practical knowledge of cGMP, GLP, and WHO-GMP standards.
Awareness of industrial safety protocols and environmental sustainability practices.
Real-world application of concepts learned in pharmacology, pharmaceutics, and industrial pharmacy.

The NCC "B" Certificate Exam Practice Session was conducted by the NCC 8 CG Girls Battalion to prepare cadets for the upcoming examination. The practice sessions were held on 24th, 25th, and 27th February 2025, with 25th February specifically allotted to Kalinga University. The session took place at the 8 CG Girls Battalion NCC, Raipur, focusing on improving cadet's practical skills, theoretical knowledge, and overall preparedness for the examination.

During the session, cadets underwent rigorous training in key areas under the guidance of PI instructors, ensuring they developed the required skills and confidence. The training covered:

Drill: Cadets practiced synchronized marching, saluting procedures, and drill commands, enhancing their discipline, coordination, and teamwork.

Weapon Training: Cadets were trained in handling, assembling, and dismantling rifles, along with understanding firing positions, aiming techniques, and safety precautions.

Map Reading: The session included navigation techniques, understanding topographical maps, setting and following compass bearings, and interpreting grid references.

Field Craft & Battle Craft: Cadets learned camouflage techniques, tactical movement, section formations, and survival strategies for operating effectively in field conditions.

Leadership & Personality Development: Special emphasis was placed on decision-making, teamwork, and confidence-building through interactive tasks and scenario-based problem-solving.

A mock test was conducted to simulate real examination conditions, assessing cadets on both written and practical components to evaluate their knowledge, discipline, and physical endurance. The training also included a doubt-clearing session, where cadets could interact with instructors to refine their understanding of crucial topics and address specific queries.

To support the cadets throughout the session, Kalinga University arranged refreshments and provided logistical assistance, ensuring they remained focused and energized. The session not only enhanced cadets' confidence and competence but also reinforced their discipline, leadership qualities, and teamwork. This initiative demonstrated Kalinga University's commitment to excellence in NCC training, ensuring cadets are well-equipped to succeed in their B Certificate Examination and future leadership roles.

Objective of Program:

1. The NCC "B" Certificate Exam Practice Session aims to prepare cadets for the NCC "B" Certificate Examination by strengthening their practical skills, theoretical knowledge, and overall confidence.
2. The session provides hands-on training and simulates real examination conditions, ensuring cadets are well-prepared for both written and practical assessments.
3. The training covers key areas such as Drill, Weapon Training, Map Reading, Field Craft, Battle Craft, and Communication Techniques, enhancing cadets' proficiency in NCC-related disciplines.

Drill proficiency and discipline
Weapon handling and safety measures
Navigation skills using map reading techniques
Military tactics and leadership principles
Physical endurance and teamwork

5. The objective is to instill discipline, leadership, and responsibility, preparing cadets for future roles in defense services and professional fields.
6. Successful completion of the NCC "B" Certificate Examination enhances cadets' eligibility for higher NCC certifications, scholarships, and career opportunities in defense, government, and corporate sectors.

Program Outcome:

Cadets effectively applied the knowledge and skills gained from NCC training, theory sessions, and practical exercises, demonstrating commendable discipline, teamwork, and leadership throughout the session.

The practice session significantly improved cadets' physical endurance, confidence, and mental resilience, preparing them for real-life challenges beyond the examination.

Cadets showcased greater proficiency in Drill, Weapon Handling, Map Reading, Field Craft, Battle Craft, and Communication Techniques, reinforcing their readiness for the NCC "B" Certificate Examination.

The mock test and interactive doubt-clearing sessions provided cadets with valuable insights into their strengths and areas for improvement, enhancing their overall preparation.

The structured training helped cadets develop a strategic approach to problem-solving, decision-making, and leadership, which are essential qualities for future defense and civilian roles.

Successful completion of the NCC "B" Certificate Examination will provide cadets with several benefits, including:

1. Eligibility to enroll for the NCC "C" Certificate Course, paving the way for advanced training and career opportunities.
2. Preference in defense services, paramilitary forces, and state government jobs, as per existing policies.
3. Opportunities for direct entry into security-related roles in corporate sectors and public service.
4. Special incentives in various recruitment schemes, including priority consideration for defense and law enforcement roles.
5. Additional marks in select competitive examinations, increasing their chances of securing prestigious positions.
6. Enhanced leadership and communication skills, enabling cadets to excel in both military and civilian career paths.

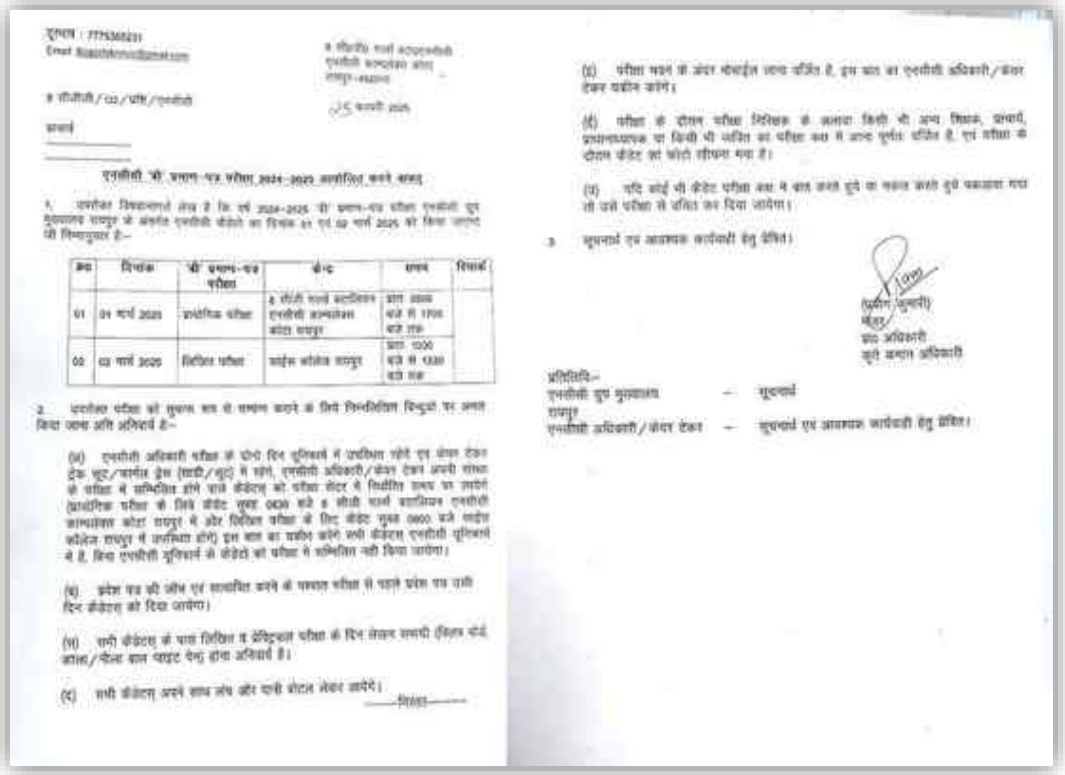
Mode of event: Offline

Venue:

Practical Exam: 8 CG Girls Battalion NCC, Kota, Raipur
Written Exam: Science College, Great Eastern Rd, Amanaka, Raipur

IOM/Circular:



Details of Program:

The B Certificate Examination, organized by the 8CG Girls Battalion, Kota, Raipur unit of NCC, was conducted on March 1st and 2nd, 2025. The practical examination took place on March 1st at 8 CG Girls Battalion NCC, Kota, Raipur, while the written examination was held on March 2nd at Science College, Great Eastern Rd, Amanaka, Raipur (C.G.).

A total of 13 cadets from Kalinga University actively participated in this examination, demonstrating their practical skills, theoretical knowledge, and leadership potential. The practical assessment included rigorous testing in multiple disciplines, such as Drill, Weapon Training, Map Reading, Field Craft, Battle Craft, Communication, and Personality Development. Additionally, cadets undertook a written examination and oral interview, where they were evaluated on their knowledge, leadership qualities, physical endurance, and overall character.

The primary objective of this examination was to assess the cadet's readiness for military service and their ability to apply the skills gained through NCC training in real-life situations. To support them during this challenging process, Kalinga University provided refreshments on both examination days, reinforcing its commitment to the welfare, motivation, and encouragement of its NCC cadets.

Practical Examination Components:

- Drill Proficiency
- Weapon Training & Handling
- Map Reading & Navigation
- Field Craft & Battle Craft
- Military Communication Techniques
- Personality Development & Leadership Tasks

Objective of Program:

1. The B Certificate Examination aims to assess and formally recognize the competence, leadership skills, and proficiency of NCC cadets.

2. It is conducted after cadets complete the required training, coursework, and participation in training camps.

3. The examination evaluates cadets in multiple areas, including:
   Understanding of military theory and leadership principles.
   Application of practical leadership skills in simulated military exercises.
   Drill proficiency and discipline, ensuring cadets meet the highest standards.
   Marksmanship and weapon handling, focusing on safety and precision.
   Physical endurance and overall fitness, critical for military preparedness.

4. The objective is to ensure cadets develop the necessary knowledge, skills, and values to become responsible leaders and active contributors to society.

5. Successful completion of the examination enhances career opportunities in the armed forces, public service, and corporate sectors.

6. Cadets who pass the B Certificate exam become eligible for the C Certificate Examination, which opens doors to advanced NCC certifications and professional opportunities.

Program Outcome:

Over the course of two years, cadets have successfully applied the knowledge and skills acquired through NCC training camps, theory sessions, and hands-on practical exercises, showcasing exceptional discipline, leadership qualities, and technical proficiency.

Through active engagement in drills, field exercises, and leadership activities, cadets have developed greater confidence while significantly enhancing their physical and mental resilience.

Their performance in drill, weapon handling, map reading, communication techniques, and field craft has demonstrated their readiness for higher responsibilities within NCC and beyond.

Cadets who successfully clear the B Certificate Examination will gain access to several career-enhancing opportunities, including:

1. Eligibility to appear for the NCC "C" Certificate Examination, which offers additional career advantages.
2. Bonus marks in recruitment processes for armed forces and paramilitary services.
3. Preferential treatment in government job applications in select states that recognize NCC certification.
4. Exemption from the Common Entrance Exam for Agniveer General Duty and Agniveer TDN.
5. An additional 10 marks for Agniveer CLK/SKT/TECH, increasing their chances in military selection.
6. Priority consideration for security-related job roles in police forces, defense services, and corporate security sectors.

This examination has not only assessed cadet's physical endurance, theoretical understanding, and practical expertise but has also instilled a sense of discipline, teamwork, and national service, preparing them for leadership roles in the military, government, and private sectors.

Client Counselling Competition, 2025

on

Contract Law

Related to SDG No. 04

Organized by
Facultyof Law

On

Date: 20/03/2025

Title- Client Counselling Competition on Contract Law

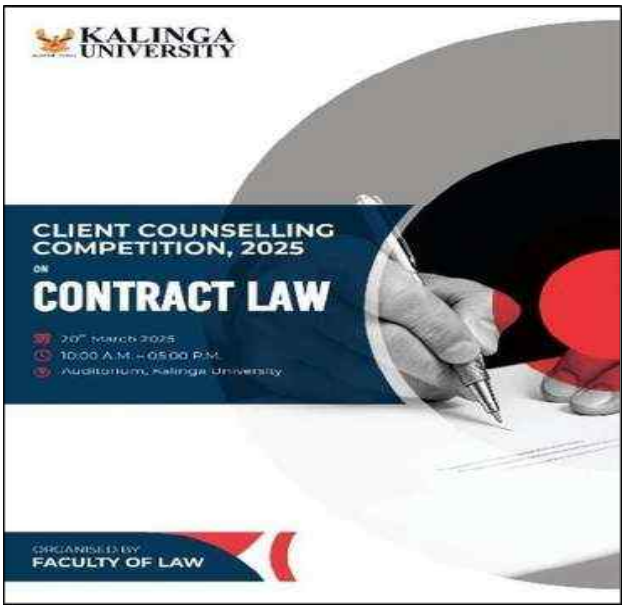
Date: 20th March, 2025

Time of event: 9:30 am – 4:30 pm

Mode of event: Offline

Venue: Kalinga University, Naya Raipur

Event Poster:



Details of Program: The Client Counselling Competition was organized to provide law students with an opportunity to develop and showcase their client counselling skills on the cases of Contract Law. The competition aimed to simulate real-life legal consultations, where participants were required to interact with clients, identify legal issues, and provide appropriate legal advice.

Objective of Program:

- To enhance students' ability to conduct effective client interviews and counselling.
- To develop analytical, problem-solving, and communication skills in a legal context.
- To familiarize students with ethical considerations in client counselling.
- To provide a platform for students to practice and receive feedback from experienced legal professionals

Program Outcome:

- Enhanced Client Communication Skills: Participants developed the ability to effectively interact with clients, understand their concerns, and establish professional relationships.
- Legal Analysis and Problem-Solving: Students improved their ability to assess client cases, identify relevant legal issues, and suggest viable legal solutions.
- Application of Legal Ethics: The competition reinforced the importance of professional responsibility, confidentiality, and ethical considerations in legal practice.
- Critical Thinking and Decision-Making: Participants learned to think on their feet and provide logical and well-reasoned legal advice.
- Teamwork and Collaboration: The event encouraged teamwork and cooperation, as participants worked in pairs or small groups to counsel clients effectively.

Number of Registered Participants: 38

Number of Attendees: 31

Groups: 13 Teams

Details of Program:

The program began with document verification by Lt. Vibha Chandrakar to ensure all candidates had the required paperwork. This was followed by interviews assessing leadership, communication, physical fitness, and NCC knowledge, conducted by the presiding officer and committee members.

Afterward, the committee reviewed the candidates' performance, considering both document verification and interview results. This discussion was crucial in making informed selections.

The program concluded with the announcement of selected candidates for the PRCN level, ensuring they met NCC's high standards.

On 27th March, 2025, Lt. Vibha Chandrakar reported to the NCC Group Headquarters to sign the hardcopy documents of the recommended candidates.

The program's main goal was to select the most qualified candidates for the PRCN level. The selection process ensured that the chosen candidates had strong leadership skills, good communication, physical fitness, and a thorough understanding of NCC activities. Selecting dedicated individuals is important to ensure that future ANOs can effectively train, mentor, and guide cadets. Through detailed interviews and assessments, the program aimed to uphold NCC's high standards and develop skilled and committed officers.

Program Outcome:

Out of the 21 candidates assessed, 19 were recommended for the PRCN level. The remaining 02 candidates were not recommended due to personal reasons that affected their eligibility for the course.

International Conference on "Emerging Perspectives and Future Trends in Pharmaceuticals and Allied Sciences for Global Health and Well-being"

Organized by

"Faculty of Pharmacy, Kalinga University"

On

25th–26th March 2025

and Allied Sciences for Global Health and Well-being"

Date: 25th -26th March 2025

Event Type: Hybrid Mode Conference

Venue: Kalinga University Auditorium

Event Poster:

ObjectiveofProgram:

1. To provide a global platform for academicians, researchers, and industry professionals to share knowledge on advancements in pharmaceutical and allied sciences.
2. To explore emerging trends, innovations, and challenges impacting global health and well-being.

sciences.

Details of the program

The International Conference on ***"Emerging Perspectives and Future Trends in Pharmaceuticals and Allied Sciences for Global Health and Well-being"*** was organized by the Faculty of Pharmacy, Kalinga University, Raipur on 25th–26th March 2025 in hybrid mode, sponsored by DST-SERB/ANRF, Government of India. Held under the guidance of Dr. Sandip Prasad Tiwari, Principal and Convener of the conference, along with Co- convener Dr. Ashok Kumar and the organizing committee, the event brought together leading experts and researchers. It was inaugurated by Hon'ble Finance Minister of Chhattisgarh, Mr. OP Choudhry, who announced key initiatives including a 200-acre Pharma Park and Medicity. Keynote sessions by national and international speakers covered AI in pharma, plant-based medicine, and emerging healthcare trends. The conference concluded with a valedictory session led by Dr. R. Shridhar (VC, Kalinga University) and Dr. Amber Vyas (State President, APTI), highlighting valuable knowledge exchange in pharmaceutical sciences.

Insightsfrom the Conf erence:

The ***two-day International Conference*** on ***"Emerging Perspectives and Future Trends in Pharmaceuticals and Allied Sciences for Global Health and Well-being"*** served as a ***significant academic and professional gathering***, creating a vibrant platform for ***scholars, researchers, industry experts***, and ***students*** to engage in meaningful discourse. Held in ***hybrid mode*** and ***sponsored by DST-SERB/ANRF, Government of India***, the event was a reflection of ***Kalinga University's commitment*** to promoting ***innovation, collaboration, and academic excellence*** in the field of ***pharmaceutical sciences***.

One of the most impactful moments of the conference was the ***inaugural address by the Hon'ble Finance Minister of Chhattisgarh, Mr. OP Choudhry***, who highlighted the state's progressive steps toward strengthening the ***healthcare and pharmaceutical sector***. His announcement of the ***200-acre Pharma Park and Medicity*** initiative underscored the government's support for ***infrastructure, research, and industry development***. This announcement set a tone of ***inspiration and opportunity***, encouraging stakeholders to align with ***national and regional growth priorities***.

Across the two days, the conference hosted a series of ***insightful keynote sessions*** from ***renowned national and international experts***. Topics ranged from the ***integration of artificial intelligence*** in pharmaceutical development, ***plant-based biomedical remedies***, ***advancements in ocular disease treatment***, to ***innovations in pharmaceutical manufacturing*** and ***clinical practices***. Speakers like ***Dr. Tapan Behl, Dr. Preeti Suresh, Dr. Arvind Boaz***, and others provided ***thought-provoking insights*** that bridged ***academic theory with industrial application***.

A highlight of the academic engagement was the ***enthusiastic participationofstudentsandyoung researchers*** in ***oralandposterpresentations***, both***onlineand offline***. ***20 students delivered online oral presentations***, ***10 students gave offline oral presentations***, and ***18 students participated through poster presentations***. These sessions not only fostered academic confidence but also encouraged peer learning and scientific exchange. Their contributions reflecteda stronggraspof ***current pharmaceutical issues*** anda commendable spirit of ***inquiry and innovation***. ***Constructive feedback*** from seniorresearchers and industry leaders further added value to these presentations, encouraging students to pursue research with greater ***clarity and confidence***.

domains such as ***biotechnology, clinical research, physiotherapy***, and ***healthcare management***. Such diversity enriched the discussions and facilitated a broader understanding of ***global health challenges***. It reinforced the importance of ***integrated approaches*** in developing effective healthcare solutions and highlighted the role of ***collaborative research*** in addressing ***public health concerns***.

Overall, the conference was a ***grand success*** in promoting ***academic interaction, research dissemination***, and ***policy-oriented dialogue***. It enabled participants to ***connect with peers, mentors, and industry leaders***, thereby opening up avenues for ***future collaborations, research projects***, and ***career growth***. The event concluded on an ***optimistic note***, with a strong message of unity in purpose—***to contribute meaningfully to the advancement of pharmaceutical sciences and global health***.

Program Outcome:

1. Participants gained ***comprehensive knowledge***on ***emergingpharmaceuticaltrends***, including***AIin drug development***, ***plant-based remedies***,and ***ocular therapeutics***,encouraging further***academic research*** and ***interdisciplinary exploration***.
2. The conference fostered ***networking opportunities*** among students, researchers, and industry leaders, paving the way for ***collaborative projects***, ***internships***, and ***research funding prospects***.
3. Attendees were motivated to align with ***national healthcare initiatives***, particularly the ***Pharma Park and Medicity*** vision, promoting ***policy-level awareness*** and institutional contribution to ***public health development***.
4. The platform significantly enhanced ***student engagement***, ***scientific communication skills***, and provided ***constructive feedback***, nurturing a generation of ***research-oriented professionals***.

INTER OFFICE MEMORANDUM

To	:	All Deans & Directors
From	:	Registrar
Subject	:	Regarding: Knowledge Sharing Session
No.	:	KU/2025/IOM/AG/143 Date : 26/03/2025
Copy to	:	• Hon'ble Chairman Sir – (for kind information) • Hon'ble Chancellor Sir – (for kind information) • Hon'ble Vice Chancellor Sir – (for kind information) • Dr. Lincy Roy, Deputy Registrar & Head-HR – (for kind information)

Please be informed that the university recently sponsored two staff members to attend workshops as per the details given below:

Name	Title of Workshop	Date	Venue
Dr. Vineeta Diwan	Development of Course Contents	20th to 22nd March 2025	Bharatiya Bhasha Samiti, New Delhi
Dr. Mohammad Nasir	Research Information Management System	19th to 21st March 2025	INFLIBNET Centre, Gandhinagar

As a follow-up, they will be sharing their knowledge and experiences with all Deans and Directors in a session scheduled as follows:

- Date: 28th March 2025 (Friday)
- Time: 4.00 PM to 4.30 PM
- Venue: Board Room 1

You are all requested to attend this knowledge-sharing session to benefit from their insights and experiences.

26/03/2025

Dr. Sandeep Gandhi

Registrar

Details of Program: Kalinga University sponsored two faculty members to attend specialized workshops focused on language course development and research information management. This session provided a platform for them to share their experiences, methodologies, and key takeaways with Deans and Directors to foster institutional learning.

1. Development of Course Contents – Dr. Vineeta Diwan

Three-Day Workshop on Development of Course Contents for Language Courses
Organized by: Bharatiya Bhasha Samiti (BBS)
Date & Venue: 20th-22nd March 2025, IIT Delhi Campus
Presented by: Dr. Vineeta Diwan, Assistant Professor in English, Kalinga University
Introduction

Bharatiya Bhasha Samiti (BBS), a high-powered committee under the Ministry of Education, Government of India, is tasked with promoting Indian languages in line with the National Education Policy (NEP) 2020. The committee works on revitalizing language teaching and research across institutions.

Content Development:

Designing content for Spoken English based on an expert-formulated syllabus.

Structuring content according to learners' age, cognitive ability, and expected outcomes.

Aligning content with NEP 2020 by emphasizing mother tongue-based teaching, multilingualism, and simplified language for non-English learners (especially rural and tribal students).

Incorporating Indian values, cultural aspects, and narratives from texts like Ramayana, Mahabharata, Geeta, and Jataka Tales.

Avoiding direct grammar teaching and focusing on conversational content.

Including interactive activities such as role plays, group discussions, storytelling, and guided speaking sessions.

The workshop aimed to develop relevant and engaging language course content rooted in Indian culture and NEP 2020 objectives, ensuring inclusivity for non-English learners

2. Research Information Management System – Dr. Mohammad Nasir

Introduction

The Research Information Management System (RIMS) helps universities and research institutions organize and manage research data. It improves research visibility, encourages collaboration, and ensures compliance with institutional and funding rules.

About INFLIBNET

established in 1991. It helps modernize university libraries and promotes academic research in India.

Key Services of INFLIBNET:

INFLIBNET Research Corner – A hub for research resources

Open Access Initiative – Free access to research papers

Vidwan – A database of experts and researchers

IRINS – A system for managing research information

Purpose and Benefits of RIMS

Purpose:

To keep research data well-organized

To increase the visibility of research work

To help institutions meet research standards and requirements

Benefits:

A single platform to store research information

Easy tracking of publications and research impact

Helps researchers and faculty connect and collaborate

Challenges in Managing Research Data

Scattered Data: Research information is stored in different places

Different Formats: No common way to record research details

Keeping Data Updated: Profiles and research details must be regularly updated

Researcher Participation: Faculty and researchers must actively use the system

Meeting Requirements: Institutions must follow national and international research guidelines

Tracking Impact: Research citations and influence must be monitored

Copyright Issues: Managing access and sharing of research papers

Data Security: Keeping research information safe from unauthorized access

Research Networking Platforms

Vidwan

A database of experts and researchers

Helps create professional profiles and build networks

IRINS (Integrated Research Information System)

A free online platform for managing research data

Connects with research databases like ORCID and Scopus

SheRNI (She Research Network in India)

A networking platform for women researchers.

Helps in mentorship, collaboration, and career growth.

Conclusion

RIMS is important for universities and research institutions as it helps in organizing, tracking, and showcasing research work. Platforms like Vidwan, IRINS, and SheRNI make research more accessible and collaborative. Institutions should use RIMS to improve their research management and global presence.

Objective of Program: The knowledge-sharing session aimed to disseminate insights and learnings gained by university-sponsored faculty members from their respective workshops. The session facilitated discussion on best practices, innovative approaches, and recommendations for academic enhancement within the institution.

Program Outcome: The session successfully facilitated the exchange of knowledge and best practices, encouraging academic leaders to adopt innovative teaching and research methodologies. Participants engaged in discussions on implementing these insights to enhance the university's curriculum and research infrastructure. The initiative reinforced Kalinga University's commitment to continuous academic development and excellence.

Title- TLM Exhibition by B.Ed. 1st Semester Students

Date: 07/04/2025

Time of event: 09:00 AM – 12:00 PM

Mode of event: Offline

Venue: WBFF02, WBFF03

Details of Program:

The Faculty of Education at Kalinga University organized a Teaching Learning Material (TLM) Exhibition for the B.Ed. 1st semester students. The event served as a platform for aspiring teachers to exhibit their creativity and innovation in designing educational tools that enhance classroom teaching and learning experiences.

The exhibition featured a diverse collection of models, charts, flashcards, educational toys, and interactive teaching aids, all thoughtfully crafted by student groups to suit different school subjects. These materials were designed with a focus on making learning more engaging, enjoyable, and effective for school children.

The event was graced by Dr. R. Jaya Kumar, Dean of the Faculty of Science, who served as the Chief Guest. Dr. Kumar appreciated the sincere efforts and creativity demonstrated by the students and encouraged them to continue developing such impactful teaching tools.

Faculty members, students from other departments, and invited guests actively participated by visiting the exhibition stalls and interacting with the exhibitors. The exhibition not only highlighted the talent and dedication of the B.Ed. students but also promoted a culture of hands-on learning and innovation in teacher education.

Objective of Program:

1. To encourage students to design and present innovative teaching aids.
2. To enhance pedagogical skills through practical implementation.
3. To promote creativity and hands-on learning among teacher trainees.
4. To relate theoretical concepts with classroom application.

Program Outcome:

1. Students gained experiential knowledge of instructional materials.
2. Developed confidence in presenting and explaining educational aids.
3. Improved collaborative and communication skills.
4. Promoted awareness on integrating SDG 4 – Quality Education into teaching practices.

Number of Registered Participants: 98

Number of Attendees: 98

Title- TLM Exhibition by B.Ed. 1st Semester Students

Date: 07/04/2025

Time of event: 09:00 AM – 12:00 PM

Mode of event: Offline

Venue: WBFF02,WBFF-03

Details of Program: The Teaching Learning Material (TLM) Exhibition was organized for the B.Ed. 1st semester students under the Faculty of Education at Kalinga University. The exhibition showcased innovative and creative TLMs designed by students for various school subjects. Each group presented their models, charts, flashcards, and interactive teaching aids aimed at enhancing classroom engagement. Faculty members, students, and invited guests visited the exhibition and interacted with the participants.

Objective of Program:

1. ***To encourage students to design and present innovative teaching aids.***
2. ***To enhance pedagogical skills through practical implementation.***
3. ***To promote creativity and hands-on learning among teacher trainees.***
4. ***To relate theoretical concepts with classroom application.***

Program Outcome:

1. Students gained experiential knowledge of instructional materials.
2. Developed confidence in presenting and explaining educational aids.
3. Improved collaborative and communication skills.
4. Promoted awareness on integrating SDG 4 – Quality Education into teaching practices.

Dr. Sandeep Gandhi
Registrar

Amity University Raipur held its prestigious III Convocation Ceremony on 09/04/2025, celebrating the academic excellence and achievements of its graduating students. The event was a grand culmination of years of dedication, perseverance, and scholarly pursuit by the students and faculty alike.

The convocation was graced by the esteemed presence of ***Hon'ble' Governor of Chhattisgarh***, Shri Ramen Deka ji who delivered the convocation address and inspired the graduating batch with words of wisdom and encouragement. Other dignitaries present included Vice Chancellor of Amity University Raipur, Registrar, and heads of various departments.

The ceremony commenced with the academic procession, followed by the lighting of the ceremonial lamp and invocation. The Vice Chancellor presented the ***Annual Report***, highlighting the university's achievements over the past year in academics, research, innovation, placements, and community service.

During the convocation, degrees were conferred upon students from various disciplines including Engineering, Management, Law, Journalism, Biotechnology, Commerce, and Humanities. A total of ***676*** students were awarded degrees, with ***10*** awarded Ph.D. degrees.

The university also recognized meritorious students with gold medals, silver medals, and special awards for academic excellence, research contributions, innovation, and leadership like Baljit Sashtri award, All-rounder students award, Ashok k Chauhan scholarship award.

In his address, the Chief Guest emphasized the importance of lifelong learning, ethical leadership, and societal contribution. He encouraged students to be torchbearers of change and innovation in a rapidly evolving global landscape.

The event concluded with the national anthem and a vote of thanks delivered by Registrar of amity university, followed by a celebratory gathering where students, parents, and faculty members shared moments of joy and reflection.

Highlights of the Convocation:

Total Graduates: 676
Gold Medallists: 1
Ph.D. Degrees Awarded: 10
Special Awards Presented: 7
Conferring of Honorius Causa Award to Dr. SN Swami

The convocation was a proud moment for the entire Amity fraternity, marking another milestone in the university's journey of academic excellence and holistic development.

Objective of Program:

The objective of this report is to summarize the key details and purpose of the Convocation Ceremony of Amity University Raipur, held to celebrate the academic achievements of its graduating students for the year 2024.

The Convocation Ceremony of Amity University Raipur reflects the institution's commitment to academic excellence and holistic development of its students. It is an occasion to recognize and reward the efforts of the graduating batch while inspiring them to embark on their professional journeys with confidence and responsibility.

"Mega Placement Drive"

Organized by

CCRC, Faculty of Education, Kalinga University in collaboration with Job's Wala

Related to SDG No: 4 & 8

On

11-04-2025

Title- "Mega Placement Drive"

Date: 11th April 2025

Time of event: 10:00 PM Onwards

Event Type: Offline/ online

Venue: Campus Auditorium

Event Poster:

Details of Program: The Mega Placement Drive was organized on 11th April 2025 by the Corporate Career Resource Centre (CCRC), Kalinga University, and the Faculty of Education, in collaboration with Job's Wala, a reputed placement partner. The event was conducted at the Auditorium, Kalinga University, starting from 09:30 AM onwards.

Representatives from multiple reputed schools participated in the drive to recruit eligible and passionate candidates for various teaching and academic roles. The drive was open to all B.Ed students seeking teaching jobs in reputed institutions. The event included in-person interviews, online interaction sessions, and preliminary screening of resumes and documents.

Objectives of Program:

I. To provide ***career opportunities*** to B.Ed. students by connecting them with potential employers from the school education sector.
II. To bridge the gap between academic training and employment by facilitating ***real-time recruitment*** interactions.
III. To build ***confidence*** among teacher trainees by exposing them to actual interview experiences.
IV. To strengthen the university's ***industry-academia linkage*** and increase placement prospects for future educators.

Program Outcome:

i. A total of ***18 students from the Faculty of Education*** participated (13 offline and 5 online).
ii. Several students were ***shortlisted*** for the next rounds of interviews by participating schools.
iii. Students gained ***valuable experience*** and insights into school recruitment processes, including expectations, job roles, and interview etiquette.
iv. The event enhanced student ***employability skills*** and promoted awareness of various career pathways in the education field.
v. The program received ***positive feedback*** from both the students and the recruiters, making it a successful and enriching initiative.

Number of Total students: 18
Offline-13, Online -5

MINDMELD 2025

(THE TRI-SCIENCE CHALLENGE)

Faculty ofSciences

Department of Physics, Chemistry and Mathematics

Date: 11April 2025

Title- "MINDMELD 2025 (THE TRI-SCIENCE CHALLENGE)"

Speaker: *NA*

Date: 11-04-2025

Time of event: 2:00pmto3:00pm

Event Type: Online

Venue: NA

Conveners:

Dr. Shilpi Shrivastava, HoD Chemistry

Dr. G. V. V. Jagannadha Rao, HoD Mathematics

Dr. Aloke Verma, HoD Physics

Organizing Secretaries:

Dr. Preeti Panday, Assistant Professor, Chemistry

Dr. G.D. Dwivedi, Assistant Professor, Physics

Mr. Satpal Panika, Assistant Professor, Mathematics

Objective of Program:

The main objective behind the event is

- To promote STEM knowledge among students.
- To provide a platform for academic competition and growth.

Details of Program:

MindMeld 2025 was an engaging interdisciplinary quiz competition organized by the Departments of Physics, Chemistry, and Mathematics under the Faculty of Science, Kalinga University. This unique online event aimed at testing students' intellect across three core sciences and aligning with five United Nations Sustainable Development Goals (SDGs) such as: Quality Education, Gender Equality, Innovation, Reduced Inequalities and Partnerships for the Goals

The event was open for all students from Kalinga University as well as for outsiders. Total 63 students got registration out of which 59 are verified and 51 participants were attempted the quiz. Rupee 100 was the amount for registration. In the quiz, questions were included from Physics, Chemistry and 1 Mathematics streams. Total 100 general questions were asked and participants did well as per their efforts.

Total number of students Registered = 63

Total Number of participants Verified = 59
Verified amount – Rupees 5900
Total Participants = 51

Prizes:

First Prize: ₹1000/-
Second Prize: ₹700/-
Third Prize: ₹500/-

E-Certificates were provided to all participants for appreciation and academic acknowledgment.

MindMeld 2025" was a remarkable success, integrating academic competition with social responsibility. By participating, students not only showcased their scientific prowess but also contributed to the vision of a more educated, inclusive, and innovative global society.

The winner names are as below:

First Position: ***Abhinav Prasad***, form BCAAIML -2nd Semester
Second Position: ***Alifa khan***, form M.Sc. [Chemistry]. -2nd Semester
Third Position: ***Cipra Sahu***, form BCAAIML -4th Semester

Outcome:

-
- The event saw enthusiastic engagement from students across various science disciplines. Participants demonstrated enhanced interest and knowledge in core science areas. The quiz provided aplatform for intellectual challenge and academic recognition.

About the Quiz

"MindMeld 2025: The Tri-Science Challenge" is an interdisciplinary online quiz competition designed to test your knowledge in Physics, Chemistry, and Mathematics. This event aligns with the United Nations Sustainable Development Goals (SDGs), promoting Quality Education (SDG 4), Gender Equality (SDG 5), Innovation (SDG 9), Reduced Inequalities (SDG 10), and Partnerships for the Goals (SDG 17).

Why Participate?

- **Test Your Knowledge:** Challenge yourself with questions from Physics, Chemistry, and Mathematics.
- **Win Exciting Prizes:** Compete for cash prizes and earn recognition.
- **E-Certificates for All:** Add a prestigious certificate to your academic portfolio.
- **Promote SDGs:** Be part of an event that supports global sustainability goals.
- **Inclusive and Accessible:** Affordable registration and online participation for all.

How to Register:

1. Click on the quiz link: https://forms.gle/1Uw6RINDJCBsu566
2. Pay the registration fees of INR 100/-
3. **Hurry! Registration closes on 5th April 2025.**
4. Join the quiz on **11th April 2025, at 02:00 P.M.**

Organising Team:

Convenors

Dr. Shilpi Shrivastava (HoD, Chemistry)
Dr. G. V. V. Jagannadha Rao (HoD, Mathematics)

Title- Artificial Intelligence (AI) and Cyber-security: Emerging Legal and Technical Issues

Date: 11, 12, 18, 19 April, 2025 (Every Friday and Saturday)

Time of event: 3:00 PM to 5:00 PM

Mode of event: Online

Venue: Online (Google Meet)

Event Poster:

Details of Program:

The ***Advanced Certification Course on Artificial Intelligence and Cyber-Security: Emerging Legal and Technical Issues*** is designed to equip participants with a comprehensive understanding of the evolving intersection between law, technology, and ethics. This program aims to educate professionals on the

foundational and advanced aspects of cyber law, including data protection, intellectual property rights, and the ethical implications of AI.

Participants gained the necessary skills to navigate and address complex legal and ethical challenges posed by AI technologies and cybersecurity threats. The course emphasized legal compliance, offering insights into regulatory frameworks and how organizations can align with them effectively. Additionally, the program fosters problem-solving abilities by engaging learners in real-world scenarios and case studies, preparing them to handle intricate issues in the digital space. Through this training, participants were empowered to promote ethical, secure, and responsible technology use.

By the end of the course, learners had a strong grasp of the legal landscape surrounding cyber and AI domains, be equipped to train others, and possess a practical toolkit for implementing compliance strategies and managing digital risks within their organizations.

Objective of Program:

1. ***Educate Participants:*** Understand key aspects of cyber law, including data protection, intellectual property, and AI ethics.
2. ***2. Empower Professionals:*** Gain skills to address legal and ethical challenges in AI and cybersecurity.
3. ***Promote Legal Compliance:*** Learn how to ensure organisations comply with cyber and AI regulations.
4. ***Enhance Problem-Solving Skills:*** Build expertise to analyse and resolve complex legal and ethical issues.
5. ***Foster Ethical Practices:*** Advocate for fair, secure, and responsible use of AI and digital technologies.

Program Outcome:

Understanding the Legal Landscape: Gain knowledge of how cyber law and AI regulations govern data privacy, cybersecurity, and ethical AI practices.

Equipped to Train Others: Develop the ability to educate and train individuals on cyber and AI compliance and best practices.

Expertise in Handling Complexities: Learn to address legal and ethical challenges in AI deployment and cybersecurity incidents effectively.

Comprehensive Toolkit: Access practicalresources to implement cyber law frameworks and AI compliance measures within organizations.

Number of Registered Participants: 65

Objective of Program:

1. Tocelebratethestatefoundationday of Arunachal Pradesh, Rajasthan and Odisha.
2. TocelebratetheUnityinDiversity of our Nation and to maintain and strengthen the fabric of traditionallyexistingemotionalbonds between the people of our country.
3. Toshowcasetherichheritageand culture, customs and traditions of either state to enable peopletounderstandandappreciate the diversity that is India, thus fostering a sense of common identit y.

Details of the event:

The Foundation Day Celebration of the states of Arunachal Pradesh, Rajasthan and Odisha was organised under the 'Ek Bharat Shrestha Bharat' program on 12th April 2025 at Durbar Hall of Raj Bhavan. Honorable Governor Shri Ramen Deka said on this occasion that a strong India will be built only when we understand, accept and respect each other's culture.

The program began at 6:00 pm in the presence of Honorable Governor Shri Ramen Deka sir and representatives of three states. Each representative showcased their unique cultural heritage through their welcoming speech. Three universities from Chhattisgarh actively participated, each represented one out of three states and presented its distinctive folk dances.

Kalinga University's talented students emerged as proud representatives of Odisha state, they showcased the captivating folk dance of Odisha under the guidance of Dean of Students' Welfare (DSW) team. Lt. Vibha Chandrakar, In-charge DSW and Mr. Sheikh Abdul Kadir, Deputy DSW were present during the event. The students represented traditional folk dance that not only reflected the rich cultural diversity of Odisha state but also left a lasting impression on the audience. Delegates of Utkal Samaj appreciated the students' performances and took pictures with the students of Kalinga University who presented energetic, captivating and foot- tapping folk dances.

The efforts of the performers did not go unnoticed, as the Honorable Governor Shri Ramen Deka Sir appreciated student's outstanding contributions. In recognition of their dedication and talent, the performers were honored with appreciation certificates, symbolizing the acknowledgement of their commitment to preserving and promoting the cultural heritage of Odisha. The program ended at 9:00 pm and afterwards, high tea were served to the participants and guests. Students enjoyed the event with enthusiasm.

Program Outcome:

1. Staff & performers got the exposure to visit Raj Bhawan and meet the Honorable Governor.
2. The program was an excellent platform for people from different states to come together, engage with one another, and share cultural experiences, furthering the goals of the Ek Bharat Shrestha Bharat initiative.

Online Quiz Competition

On the Constitution of India: Foundation, Right and Governance

Related to SDG No.(s)

Organized by

Faculty of Law, Kalinga University

In Association with

Pro Bono Club and Legal Aid Cell, Kalinga University

On

14th April 2025

Title- Constitution of India: Foundation, Right and Governance in association with Pro Bono Club and Legal Aid Cell, Kalinga University

Date: 14th April 2025

Time of event: 10:00 A.M.

Mode of event: Online

Details of Program:

The Faculty of Law, Kalinga University has organized an Online Quiz Competition on ***"Constitution of India: Foundations, Rights and Governance"*** on 14th April 2025. The primary objective of this competition was to enhance participants' understanding of the Indian Constitution, including its foundational principles, key provisions, historical background, and governance mechanisms.

The quiz was open to all law students and was conducted online, comprising 50 multiple choice questions (MCQs) to be answered within a 20-minute duration. Interested participants had to register by 10th April 2025, with a nominal registration fee of Rs. 50. To recognize excellence, the top performers was awarded cash prizes: Rs. 2000 for the Winner, Rs. 1000 for the Runner-Up, and Rs. 500 for the First Runner-Up. Additionally, all participants has received E-certificates. This initiative aims to foster legal awareness and promote a deeper appreciation for the Indian constitutional framework among students, encouraging informed and active citizenship.

Objectiveof Program:

This quizcompetition aims to promote constitutional literacy and strengthen democratic values among law students across the country. By fostering a deeper understanding of the Indian Constitution—its foundational principles, fundamental rights, and governance mechanisms—the competition directly contributes to the realization of the ***United Nations Sustainable Development Goals (SDGs)***.

Specifically, this initiative aligns with:

> ***SDG 4: Quality Education***, by providing an inclusive and engaging learning opportunity that enhances legal knowledge and civic awareness.
> ***SDG 16: Peace, Justice and Strong Institutions***, by encouraging awareness of legal rights, justice systems, and good governance, thereby empowering students to become informed, responsible, and active citizens.

Through this educational initiative, the Faculty of Law seeks to cultivate a legally aware student community that values constitutional governance, human rights, and the rule of law—core components of a just and sustainable society.

Program Outcome:

The Online Quiz Competition on the Constitution of India successfully contributed to the advancement of constitutional literacy and civic education among law students, aligning with the United Nations Sustainable Development Goals:

SDG 4: Quality Education
The competition provided a platform for inclusive, accessible, and engaging legal education. By encouraging students to explore the provisions, history, and values enshrined in the Constitution, the event promoted critical thinking and a deeper understanding of democratic institutions and the rule of law.
SDG 16: Peace, Justice and Strong Institutions
The initiative enhanced awareness of legal rights, justice systems, and governance principles, empowering students to act as responsible citizens and future legal professionals committed to justice and equity.

Other Key Outcomes:

Increased Constitutional Awareness: Participants gained valuable insights into the foundational values and structural framework of the Indian Constitution.
Encouragement of Legal Scholarship: The competition motivated students to engage in independent study and develop a habit of academic inquiry into constitutional and legal issues.
Promotion of Civic Responsibility: By focusing on rights and governance, the event inspired students to contribute positively to society through legal literacy and advocacy.
Recognition of Excellence: The distribution of E-certificates and cash prizes acknowledged academic merit and encouraged continued participation in legal and civic initiatives.
Strengthening of Legal Aid and Pro Bono Culture: Through collaboration with the Pro Bono Club and Legal Aid Cell, the event emphasized the importance of public legal education and access to justice.

Overall, the competition served as a meaningful step toward building a more informed, empowered, and constitutionally aware generation of law students, thereby supporting the broader vision of sustainable development and inclusive governance.

PRINCIPAL/ANO's/CTOs CONFERENCE

ACHO Officer
8 CG Girls Bn NCC, Raipur (C.G.)

Details of Program:

The conference, held on 23rd April 2025 at the NCC Complex, Kota, Raipur, brought together ANOs and CTOs from various institutions under the 8 CG Girls Battalion. The session began with information about the Direct Benefit Transfer (DBT) of ₹4400 for cadet uniforms. It was explained that cadet bank accounts must be Aadhaar-linked, zero balance accounts with State Bank of India (SBI), and must be valid for five years in order to receive this benefit.

Following this, officers received detailed guidance on the cadet enrollment process, which must be completed both physically and online through the National Integration Software (NIS). They were also instructed to ensure that cadet accounts are linked to DigiLocker for secure document management. The importance of submitting daily reports was emphasized.

requirement of 75 percent attendance, were thoroughly discussed as these are crucial for cadet participation in camps and for receiving Direct Benefit Transfer (DBT) benefits.

The conference also outlined key upcoming training camps, including the TSC Camp in Delhi (1st –12th September), the November IGC Camp, and the Military Attachment Camp in Jabalpur. Information was also provided about the 3rd AC travel allowance for cadets traveling to these camps, and the refreshment cost was set at ₹36 per day for packed food.

The conference concluded with a review of the administrative guidelines and reporting duties for upcoming firing practices at the Mana Firing Range. This ensures that both cadets and officers are well-prepared for the training and adhere to safety measures.

This conference was an important event to ensure that all officers were updated on the new guidelines and procedures for the year. It provided clarity on enrollment, training schedules, and the necessary documentation for cadets, which will help in the smooth running of the NCC activities.

Objective of Program:

The Annual Training Conference aimed to provide updates on cadet enrollment, training procedures, and documentation in line with DG NCC directives. The conference focused on Direct Benefit Transfer (DBT) for uniforms, requiring Aadhaar-linked, zero balance SBI accounts. It also covered the physical and online enrollment process using National Integration Software (NIS), DigiLocker, and the 75% attendance requirement for camp eligibility.

Key highlights included upcoming camps such as TSC Delhi, IGC, and Military Attachment Camp at Jabalpur, as well as updates on 3rd AC travel allowance and refreshment costs for cadets. Administrative guidelines for firing practices at Mana Firing Range were also shared to ensure readiness for the upcoming events.

Program Outcome:

The institution is now well-acquainted with the updated directives from DG NCC regarding cadet enrollment, documentation procedures, and benefit disbursement.

Steps have been initiated to systematically implement NIS registration, DigiLocker integration, and Aadhaar-linked bank account requirements.

The mandatory attendance requirement of 75 percent will be closely monitored to ensure cadet eligibility for DBT and participation in NCC camps.

Preparations for cadet involvement in national-level camps such as TSC, IGC, and the Military Attachment Camp are currently in progress.

The university’s NCC unit is now well-aligned with the battalion's planning, supporting effective execution of training, documentation, and reporting tasks.

Registrar

Received on 29/04/25

Details of Program:

Programme Highlights:

Inauguration Ceremony – Lighting of the lamp and welcome speech
Annual Report Presentation – By the Vice-Chancellor
Keynote Address – By the Chief Guest
Cultural Performances – Dance, music and fashion show by students
Prize Distribution – Awards for academic, sports, and cultural excellence and staff
Vote of Thanks –
National Anthem – Concluding the event with pride and unity

Hon'ble Governor of Chhattisgarh
& Chairman, Chhattisgarh Pt. Ravishankar Shukla University (CGPRSU)

The dinner was organized into three distinct sections: one for VVIPs, one for staff, and one for students, with the same menu served in all areas. The VVIPs' dinner was held in the admin block, the staff dined in the corridor, and the students were seated in the workshop area. No separate tents were arranged for the dinner, which made the overall arrangement appear less organized. Ceramic plates were used for the dishes, while paper bowls were provided for liquid-based dishes like curries and soups. The dinner began at 9 PM, but the lack of proper dining setups affected the overall ambiance.

As shown in the pictures below, there was no green room available for the students, who had to wait on the side of the stage after dressing. Additionally, no decorations were made for the event, with only tents, the stage, and lights set up. There was also no protocol officer available to assist the guests, and no refreshments or water were provided. These shortcomings, along with the lack of proper waiting arrangements, affected the overall experience and organization of the event. They presented the Chief Guest with a framed gold idol of Goddess Lakshmi.

Objective of Program:

The primary objective of the Annual Function at ***Anjaneya University*** is to:

1. ***Celebrate the academic, cultural, and extracurricular achievements*** of students and faculty over the academic year.
2. ***Encourage student participation*** in artistic and creative activities, fostering confidence, teamwork, and leadership.
3. ***Recognize and honor excellence*** in academics, sports, research, and community service through awards and accolades.
4. ***Strengthen the sense of community*** among students, faculty, and staff through collective celebration and interaction.
5. ***Provide a platform*** for students to showcase their talents, creativity, and cultural diversity.
6. ***Promote values of inclusivity, discipline, and innovation***, aligned with the university's vision and mission.

Program Outcome:

1. ***Student Development***: The event enhanced students' confidence, creativity, and teamwork through active participation in cultural and organizational activities.
2. ***Recognition and Motivation***: Academic and extracurricular achievers were honored, fostering a spirit of excellence and encouraging future participation.
3. ***Community Building***: The function strengthened unity among students, faculty, and staff, promoting institutional pride and cultural harmony.

Date 01/05/2025

Title- Participation in Gram Sabha (Labour Day) under Unnat Bharat Abhiyan

Date: 01/05/2025

Time of event: 011:00 AM – 2:00 PM

Mode of event: Offline

Venue: Gram Panchayt Rakhi, Naya Raipur

Details of Program:

The Gram Sabha was conducted to engage the village community in discussions focused on labor welfare, rural employment, and sustainable development. The program included awareness sessions, interactive discussions, and data collection to identify local needs and promote government schemes.

Objective:
To engage with the local community on Labour Day and conduct a Gram Sabha under the UBA 2.0 initiative, focusing on labor rights, employment opportunities, and rural development challenges.

Activities Conducted:

Awareness Talk: Students and faculty addressed villagers on the significance of Labour Day and workers' rights.
Interactive Session: A dialogue with community members on local employment issues, minimum wage awareness, and the importance of skill development. ***Suggestions & Solutions:*** The faculty guided the villagers on leveraging existing government schemes like MGNREGA, PMKVY, etc., for improving livelihoods. ***Awareness Rally:*** An awareness rally was organized to highlight the importance of labor rights and rural development, with students and faculty engaging villagers through slogans and informational placards. The rally aimed to spread awareness about government schemes, sustainable livelihood opportunities, and community welfare initiatives.

Outcome:

Strengthened relationship between university and village community.
Villagers expressed keen interest in future training and awareness programs.
Identified 3 key areas for follow-up: skill training, health awareness, and school infrastructure.

Conclusion:

The event successfully aligned with the spirit of Labour Day and UBA's mission to bring transformational change in rural India. It also provided experiential learning to students in rural engagement and development planning.

Dr. Sandeep Gandhi
Registrar, Kalinga University

Details of Program:

Masters of the Ceremony: Dr. Deepti Patnaik & Dr. Nishtha Sharma, Asst. Prof., Faculty of Commerce & Management

The event commenced at 10:40 A.M. with a warm and traditional welcome, as each teacher were greeted with a tilak ceremony and rose bud. Following this, the event officially began with the lighting of the ceremonial lamp and playing gurura Brahma Gurura Vishnu, symbolizing knowledge and the pursuit of learning.

- After the lamp lighting ceremony, Hon'ble Registrar Sir took the stage and hosted an engaging session introducing Kalinga University, sharing the University's mission, and interacting warmly with the attending Faculty members.
- Following the Registrar Sir's session, VC Sir took a session on the topic – ***"Advance Teaching Skills in the era of AI",*** the session gained positive feedbacks from the crowd.

- Dr. Sunanya Shukla Ma'am also led a knowledgeable session, discussing teaching careers and effective classroom interaction techniques. Her advice was well-received the teachers offered practical approaches to better engage with students in the classroom.

- Before the announcement of the event results, we presented an evaluation video showcasing the document review process of the teachers' achievements, conducted by Dr. Rahul Mishra, DAA & COE, and Dr. R. Udayakumar, Director - IPR. This video provided an overview of the entire evaluation process, ensuring transparency and demonstrating the thoroughness and fairness in selecting the winners.

- Following the evaluation video, all the participants were presented with participation certificates and diary with boxes on the stage, post which a detailed report was presented to Hon'ble Chancellor Sir for declaration of results.

- The main highlight of the event was the prize distribution ceremony. Around 70 teachers were awarded participation certifications and diary with boxes, and the top achievers were recognized with cash prizes, certificates, and mementos. There were a total of eight prizes, including 1st, 2nd, and 3rd places, along with five prizes with potential, making the ceremony a memorable and fulfilling experience.

- Ms. Rudrani Acharya concluded the event by expressing a heartfelt vote of thanks, acknowledging the contributions of everyone involved. Afterward, the teachers were taken on a tour of the campus, where they experienced the facilities and environment of Kalinga University first hand. Their positive reactions were captured, highlighting their appreciation for the campus.

- The event concluded with a lunch, offering a relaxed setting for everyone to connect and celebrate the success of the event.

Number of participants: 85

Glimpses of the event:

Feedback:

Positive feedbacks –

1. This was the first marketing event which included paid registration. In total, we received 90 registrations out of which 87 candidates paid the amount of registration of INR 500. Hence the total revenue generation of INR 43500/- could be achieved.

2. Ms. Akanksha Dubey, Research counsellor initially brought a lot of registrations of those candidates who are pursuing part time PhD at Kalinga University and simultaneously working at HEI.

3. Team Digital Marketing carried out a very productive campaign for the event, resulting in 50 paid registrations.

4. Logistics was proper. The printed collateral were received on time. Transportation was also on time.

was delivered on time. Audio Visual systems were proper and IT support was also good.

6. The sessions hosted by Registrar sir, VC sir and Dr. Sunayna was very informative. The teachers gave highly positive reviews on this.

7. DSW helped efficiently for the execution of the event.

8. Ms. Naina and Ms. Rudrani ensured proper calling and coordination in order to confirm the candidates visited the event.

9. Ms. Naina prepared a feedback message and ensured that the feedback message along with photographs were shared to all the participants timely.

10. The marketing team members deployed to the event delivered their tasks as decided.

11. Mrs. Deepti and Mrs. Nishtha did a good job in Anchoring and made interactive session with the participants. Ms. Rudrani delivered Vote of thanks very nicely.

12. The teacher's gave highly positive feedback of event and willing to attend Best HEI Teacher's award 2.0.

Negative feedbacks-

1. The event had low offline registrations, all the marketing teams were unable to achieve their assigned targets of registrations.

2. It became very difficult to convince the teachers for attending the event as majority of them wanted to attend the event only if they are the winners.

3. Practical exams were going on in many colleges, due to which some of the registered candidates could not attend the event.

4. Many teachers who were willing to come by bus, dropped out since the bus was non-AC.

5. There was a slight confusion during the prize distribution. This was because we had invited some visitors from different colleges of Raipur who were actually not participants but only the visitors. But during the prize distribution, suddenly they come up to the hosts and asked for participated certificate which created slight confusion.

6. Since the exams are going on, there were no student volunteers due to which we had to cancel the welcome dance and DSW faced difficulty in execution of the event.

7. A lot of faculty members reached late (as late as 11:30 AM), where as the event starting time was 10:00 AM. Hence there was a slight delay for the start of event.

8. A few faculties said that they won't be coming beforehand, but directly turned up for the event which created slight confusion because we have prepared the nameplates only for those have given confirmation of arrival.

9. Pre-Press release was not released and post press release which was drafted by Mr. Abdul Kadir is not released till date.

10. The chief guest couldn't attend the event. This is something we often encounter in our events, as we usually don't receive the name of the chief guest in advance. As a result,

same situation occurred this time as well.

Objective of Program:

1. To review and revise the existing syllabus in alignment with current academic standards.
2. To incorporate necessary modifications based on feedback from stakeholders and experts.
3. To ensure the curriculum reflects updated teaching-learning methodologies and outcome-based education.

Details of Program:

The 12th meeting of the Board of Studies of the Faculty of Education, Kalinga University, Raipur, was held on 14.05.2025 from 2:00 PM to 3:30 PM in offline mode at Board Room – 1, under the chairpersonship of Dr. Shraddha Verma, Dean, Faculty of Education. A total of nine members attended the meeting, including Dr. C.D. Agashe, Subject Expert, Director ITE, Pt. Ravishankar Shukla University, Raipur and Professor, School of Studies in Physical Education and Dr. Rahul Mishra, Dean, Academic Affairs, as special invitee. The Board reviewed and approved curriculum revisions for the B.Ed., M.A. Education, and B.P.Ed. programmes. The revised syllabi included BED-101 (Philosophical Perspective of Education), BED-202 (Curriculum and Knowledge), BED-402 (Assessment in Learning), and BED-403(A) (Computer Education). In BED-101, the list of educational thinkers was expanded to include contemporary Indian contributors such as Narendra Modi, A.P.J. Abdul Kalam, Ratan Tata, Sudha Murthy, and Azim Premji, and Western contributors like John Hattie and Barack Obama. The Board also recommended integrating aspects of the Indian Knowledge System (IKS) to enhance cultural and contextual relevance. The continued implementation of "Pedagogy of Commerce" in B.Ed. (Semester I and III) was noted and appreciated. Discussions also addressed student feedback, alignment with Programme Outcomes (POs), Programme Specific Outcomes (PSOs), Course Outcomes (COs), and upcoming Faculty Development Programmes (FDPs).

Program Outcome:

1. ***Apply educational theories and philosophical perspectives*** to develop effective, inclusive, and learner-centered teaching practices.
2. ***Utilize digital tools and interdisciplinary knowledge*** to address diverse classroom needs and align with the goals of NEP 2020.

Number of faculty Present: 09.

Event Poster:

Details of Program:

Department of Higher Education Government of Chhattisgarh in collaboration with Kalinga University successfully organised a workshop on Uploading Credit Data on the Academic Bank of Credit (ABC) & NAD Portal to enable students' mobility across Higher Education Institutions here on Wednesday, May 21, 2025. The event was witnessed by 43 institutions with more than 90 participants including Vice-Chancellors, Registrars, Controller of Examination (COE)/Deputy COE/Assistant COE/Assistant Registrars and Nodal Officers from Chhattisgarh.

Registration and Welcome Ceremony

The event began with offline registration at Reception Hall at 09:30 AM, where participants were provided registration kits and other materials. Afterwards participants were welcomed at the auditorium with traditional Aarti & Tilak. As per tradition, a lighting of the lamp ceremony was conducted, symbolizing the dispelling of ignorance and the illumination of knowledge. The ceremony was conducted by the chief guest, along with the esteemed participants, marking the formal commencement of the workshop.

Dr. R. Shridhar, the Vice Chancellor of Kalinga University, delivered the inaugural speech. He expressed his support for digital innovations in the education sector and highlighted the importance of adopting modern technological tools for academic record management. His

NAD and ABC portals in shaping the future of education.

Following the Vice Chancellor's speech, the ***special guest, Dr. G. A. Ghanshyam***, Joint Director of the Department of Higher Education, delivered an overview of the workshop. He provided context about the increasing role of digital systems in higher education and emphasized the government's vision for integrating digital academic records. Dr. Ghanshyam also discussed the need for educational institutions to adopt the NAD and ABC portals to ensure the secure and efficient storage of students' academic credits.

Mrs. Neera Chopra, Under Secretary, University Grants Commission (UGC), then addressed the gathering. Mrs. Chopra elaborated on the UGC's role in facilitating the implementation of these portals across universities and colleges in India. She acknowledged the efforts of Kalinga University in embracing this initiative and encouraged participants to actively engage in the session.

Technical Session by Mr. Rohit Singh Ms. Poonam Singh

The core of the workshop was the ***Technical Session***, conducted by ***Mr. Rohit Singh***, State Coordinator of Chhattisgarh. Mr. Singh provided participants with a detailed, step-by-step guide to uploading students' credit data on the NAD and ABC portals. He covered topics such as:

The process of student data integration with the portals.
Key technical requirements for smooth functioning.
Best practices for ensuring data accuracy and security.

His session was highly interactive, and his hands-on approach helped participants understand the technical aspects of using the portals.

Ms. Poonam Singh, Assistant Manager and Technical Support Specialist for the DigiLocker-NAD and ABC initiatives, was also present during the workshop. Ms. Singh assisted in the technical session and provided expert guidance on troubleshooting common issues related to the portals. She shared valuable insights on how to maximize the efficiency of the DigiLocker-NAD system, explaining how students, institutions, and the government can benefit from the centralized academic data system.

Interactive Q&A Session

Following the technical session, an ***interactive Q&A session*** was held where participants raised specific questions regarding the portal's functionalities, troubleshooting, and implementation challenges. Doubts of participants with dual specialization and other cases were discussed. Many important suggestions were noted by the officials related to modifications and options to be added in the portal. Mr. Rohit Singh and Ms. Poonam Singh patiently addressed these queries, ensuring that the participants had a clear understanding of how to use the systems effectively.

mementos. The presentation of mementos was a gesture of respect and recognition for their valuable input and support throughout the event.

The formal portion of the workshop concluded with a ***Vote of Thanks*** presented by ***Dr. Sandeep Gandhi***, Registrar of Kalinga University. Dr. Gandhi expressed his gratitude to the distinguished guests, speakers, and all participants. He emphasized the importance of embracing digital transformation in higher education and encouraged the attendees to take full advantage of the knowledge gained from the workshop.

To conclude the workshop on a cordial note, a ***special lunch*** was hosted for all participants. The lunch provided an excellent opportunity for networking and informal discussions among the participants. It allowed everyone to reflect on the day's learnings and share thoughts on the implementation of the NAD and ABC portals.

Special one to one meeting with 10 Degree Awarding Institutes took place at Board Room II by the guests after lunch session.

At the end, certificates of participation were distributed to all the participants at registration desk. Master of the ceremony was Dr. Nishtha Sharma, Assistant Professor, Faculty of Commerce and Management. Whole event was well coordinated by the team of Dean of Students' Welfare and the team of Admin department.

Objective of Program:

The primary objective of the One-Day Workshop on Uploading Students' Credit Data on NAD & ABC Portals was to provide participants with the knowledge and skills necessary to efficiently manage and upload academic credit data onto the National Academic Depository (NAD) and Academic Bank of Credits (ABC) portals.

Program Outcome:

- Enhanced Understanding of NAD & ABC Portals:
- Practical Knowledge of Data Uploading Processes:
- Increased Technical Proficiency:
- Government Insights and Support: The remarks and presentations by Dr. G. A. Ghanshyam and Mrs. Neera Chopra highlighted the government's vision for a digitized educational ecosystem and the importance of the NAD and ABC systems in ensuring the secure storage and transfer of academic credits. This insight reinforced the necessity for educational institutions to adopt these digital solutions.
- Networking and Collaboration: The workshop fostered networking among participants, allowing them to exchange experiences and insights. This interaction

benefiting from the portals.

Hon'ble CM Shri Vishnu Deo Sai – Highlighted the dark chapter of 1975 and shared emotional memories of his grandfather's imprisonment during the Emergency.

Dr. Raman Singh, Speaker – Termed the Emergency a "democratic tragedy" where over 1 lakh people were jailed.

Shri Baldev Bhai Sharma, Journalist & Former VC – Declared 25th June as a "World Memorial Day for Democracy" and highlighted media suppression.

Democracy fighters (Loktantra Sainanis) and their families were felicitated with certificates and honorarium ranging from ₹10,000 to ₹25,000. A special exhibition depicted the Emergency period through documents, visuals, and testimonies.

The program concluded with messages to the youth on the importance of constitutional values, freedom of speech, and civic responsibility.

Program Outcome:

Participants gained historical and political awareness about the Emergency and its impact on Indian democracy.

Students experienced civic learning through visual exhibitions and inspiring speeches.

Strengthened commitment among youth to uphold constitutional values and democratic principles.

Event Poster:

Details of Program:

Faculty of Arts and humanities organized a two-day national conference on the theme 'Viksit Bharat @2047: Progress and Development'. Invited research papers on these 09 sub theme- economic development and prosperity, gender equality, social inclusion, internal security, conservation of culture and biodiversity, governance and institutional reforms, digital prosperity, India's role in world peace.

Total 24 technical sessions were conducted for the presentation of these research papers, and total 48 subject experts joined conference as chairperson and co-chairperson. At the same time these technical sessions continued at 04 different places of our university. And total 31 faculty members and around 50 students were involved to run these sessions smoothly.

Proceeding book was launched in the inaugural session. Organizer published here 38 research papers and 45 abstracts which they got earlier. Remaining papers will be published soon. The best thing about this conference is, all guests were present in the sessions. In the inaugural session chief guest Shri Alok Dev, Additional Director of Jansampark Chhattisgarh, and our guest of honor Dr. Arvind Anil Baz, Retired IFS, Dr. GA Ghanshyam Iyenner, Joint Director of Higher Education, Dr. P.R. Swaroop, Director General of CIDC, & Dr. Ravindra Brahme, General Secretary of the Indian Economic Association & chief guest of valedictory session Shri Mahadev Kavre, Commissioner, Raipur- Vice Chancellor, KTUJM were present.

Objective of Program:

The objective of the conference is to present a possible solution to the obstacles coming in the progress of the public welfare policies and the implementation of policies. Other key objectives were; to promote academic discourse, to highlight key development challenges, India's global role, encourage interdisciplinary research, contribute to policy and institutional reforms.

Program Outcome:

The Two-Day National Conference on 'Viksit Bharat @2047: Progress and Development' successfully facilitated the presentation of 420 research papers, with 50 offline and 370 online, across 24 technical sessions chaired by 48 subject experts. The conference provided a valuable platform for interdisciplinary discussions on economic growth, social inclusion, governance, digital prosperity, and India's role in global peace. A proceedings book was launched, publishing 38 research papers and 45 abstracts, with remaining papers to be published soon. The event saw active participation of dignitaries and experts, enhancing academic collaboration and policy-oriented discussions. Overall, the conference contributed to knowledge sharing, policy recommendations, and research advancements aligned with India's vision for Viksit Bharat 2047.

World Water Day Celebration

Related to SDG No.(6)

Organized by

"Department of Zoology, Kalinga University"

In Association with

"Microbiologists Society, India: Student Unit, Kalinga University"

On

Date: 25.03.25

Title- World water day celebration

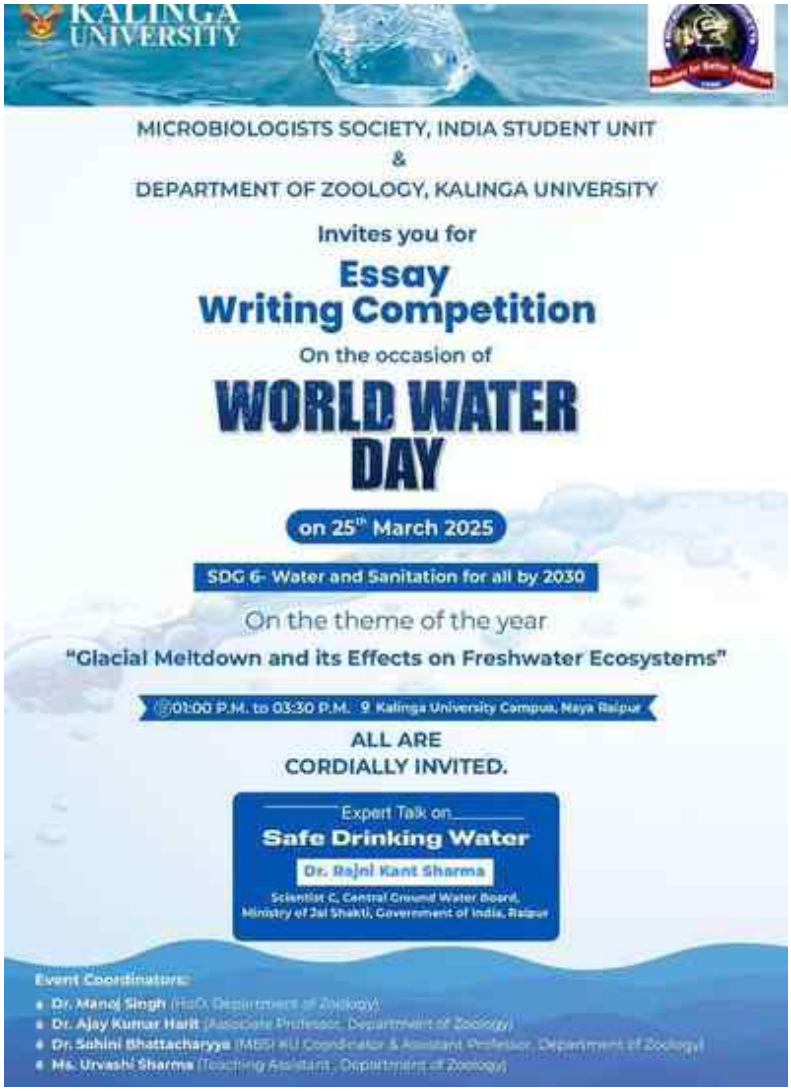
Date: 25.03.25

Time of event: 1:00PM – 4: 00 PM

Mode of event: offline

Venue: MBSF 16 & CIF

Event Poster:



Details of Program:

Although World Water Day is celebrated on March 22 every year, we decided to celebrate on 25th March due to student attendance and availability of guest speaker. This year's theme for World Water Day was Glacier Preservation," emphasizing the vital role of glaciers in maintaining global freshwater supplies and the urgent need for their protection in the face of climate change. Freshwater ecosystems are the only source of potable water and receive their supplies through glacier meltdown. If we do not conserve and restore surface and ground water efficiently then water crisis will be a major challenge for the upcoming generation. Based on these ideas we had two separate events 1) essay writing competition and 2) expert talk by Dr. Rajni kant Sharma, Scientist C , Central Ground Water Board, Ministry of Jal Shakti, Government of India ,Raipur. 32 participants from Zoology, Biotechnology attended both the events. The expert enriched our knowledge on the topic of "water foot printing" where he explained

goes untracked. The event was in collaboration with Microbiologists, Students Unit (MBSI) at Kalinga university and the Department of Zoology. The expenses were managed from the fund generated during student registration for MBSI membership. Winners of the Essay writing competition were presented with certificates. Also during the event drinking buttermilk as a beneficial probiotic was emphasized.

Objective of Program:

To create awareness about water conservation among students
To facilitate students, express their thoughts through writing
To understand sustainable development goals (SDGs) and help in accomplishing the same

Program Outcome:

Students were able to express their thoughts in writing regarding the pressing issue of water conservation
Students were able to listen from an expert about "water foot printing"
General awareness about water conservation and mitigation strategies was achieved

Number of Registered Participants: 32

Number of Attendees: 32 +10 faculty & staff

Although World Water Day is celebrated on March 22 every year. This year's theme for World Water Day was Glacier Preservation," emphasizing the vital role of glaciers in maintaining global freshwater supplies and the urgent need for their protection in the face of climate change. Freshwater ecosystems are the only source of potable water and receive their supplies through glacier meltdown. If we do not conserve and restore surface and ground water efficiently, then water crisis will be a major challenge for the upcoming generation. Therefore, keeping this in mind, a student awareness program was organized in collaboration between the Department of Zoology, Kalinga University and The Central Groundwater Board, Ministry of Jal Shakti, Raipur, Chhattisgarh. The program aimed at making the students understand the ways in which groundwater survey and quality analysis is done, current status of groundwater levels in Chhattisgarh and the need to conserve groundwater. Senior Scientists from the Ministry of Jal Shakti like Dr. Rajni Kant Sharma, Dr. Priyanka Sonbarse, Dr. Anita delivered lectures on how their department monitors the available groundwater resource and what we as responsible

competitions where the winners were awarded prizes. Almost 100 students from various departments like Zoology, Botany, Biotechnology, BBA attended the event and participated enthusiastically.

Objective of Program:

To create awareness about groundwater conservation among students

To facilitate students, express their thoughts through slogan writing and extempore

To understand sustainable development goals (SDGs) and help in accomplishing the same

Program Outcome:

Students were able to express their thoughts on water conservation through slogan writing

Related to SDG No.(s)

Organized by

"Faculty of CS and IT"

In Association with

"IPR"

On

Date: 27th-28th, March, 2025

Date: 27th-128th March, 2025

Time of event: 09:00 AM & 05:00 PM

Mode of event: Hybrid

Venue: Auditorium & MBFF-20

Event Poster:

The International Conference on Emerging Technologies for Sustainable Innovation, Management, and Development (ICETSIMD 2025) is a two-day event scheduled from 27th-28th March, 2025. Organized by Faculty of Computer Scine and Information Technology with IPR Cell, the conference aims to provide a platform for researchers, academicians, practitioners, engineers, research scholars, and students to share knowledge and advancements in emerging technologies. The event will feature presentations, discussions, and networking opportunities focused on sustainable innovation, management, and development.

Objective of Program:

The objective of the International Conference on Emerging Technologies for Sustainable Innovation, Management, and Development is to bring together scholars, researchers, practitioners, and industry experts to discuss and present innovative solutions, strategies, and technologies that drive sustainable development. The conference aims to explore how emerging technologies can contribute to solving global challenges in areas such as environmental sustainability, energy efficiency, economic development, and social progress.

Key objectives typically include:

1. Fostering Knowledge Exchange: To provide a platform for sharing the latest research, trends, and advancements in sustainable technologies and their application in management and development.
2. Promoting Collaboration: Encouraging collaboration among academic institutions, research organizations, governments, and industries to accelerate the adoption of sustainable technologies.
3. Innovative Solutions for Sustainability: Exploring emerging technologies such as AI, IoT, renewable energy, and other cutting-edge innovations that can support sustainable practices in various sectors.
4. Capacity Building: Equipping participants with the necessary tools, skills, and knowledge to implement and manage emerging technologies for sustainable innovation.
5. Networking Opportunities: Facilitating connections between individuals and organizations with shared interests in sustainable development to encourage long-term partnerships and collaborations.

This conference serves as a key platform for advancing research, policy discussions, and the development of technologies that will contribute to a more sustainable future.

The ***Program Outcome*** of the ***International Conference on Emerging Technologies for Sustainable Innovation, Management, and Development*** are as follows:

Program Outcome	***Description***
Advancement of Knowledge	Participants gain in-depth understanding of emerging technologies and their role in achieving sustainability.
Collaborative Research and Partnerships	New research collaborations and partnerships between academia, industry, government, and NGOs are fostered.
Innovative Solutions and Best Practices	Successful case studies and practical applications of emerging technologies for sustainable development are highlighted.
Policy Recommendations	Development of frameworks and policy recommendations for integrating emerging technologies into sustainability agendas.
Capacity Building	Attendees are equipped with the knowledge and tools to implement sustainable technology in their organizations.
Knowledge Dissemination	Research papers, reports, and materials are shared globally to extend the conference's impact.
Raising Awareness	Increased awareness on the importance of technology-driven solutions for sustainability.
Enhanced Technological Adoption	Encouragement of faster adoption of emerging technologies in various regions, especially in developing areas.
Building a Global Network	Creation of a global network of professionals and thought leaders focused on sustainable innovation.

Number of Registered Participants: 314 Number of Attendees: 97

कलिंगा विश्वविद्यालय में दो दिवसीय अंतर्राष्ट्रीय सम्मेलन का हुआ आयोजन

रायपुर (विशेष परिचायक)। कलिंगा विश्वविद्यालय के कंप्यूटर विज्ञान और सूचना प्रौद्योगिकी संकाय और आईसीआर सेल ने 27 और 28 मार्च, 2025 को 'सतत नवाचार प्रबंधन और विकास के लिए उभरती प्रौद्योगिकी' विषय पर दो दिवसीय अंतर्राष्ट्रीय सम्मेलन का आयोजन किया।

'सतत नवाचार प्रबंधन और विकास के लिए उभरती प्रौद्योगिकी'

भव्य उद्घाटन समारोह का शुभारम्भ ज्ञान और आध्यात्म के प्रतीक पारंपरिक दीप प्रज्वलन समारोह के साथ हुआ, जिसमें मुख्य अतिथि अमरपुर के अनुविभागीय अधिकारी (राजस्व) श्री दीपक सिंह, कुलपति डॉ आर शेखर, प्रतिकुलपति डॉ बापजू जोस, आईसीआर सेल के निदेशक डॉ आर उदय कुमार और सम्मेलन के अध्यक्ष डॉ ओ पी देवांगन की उपस्थिति में हुआ। श्री दीपक सिंह ने अपने संबोधन में इस बात पर प्रकाश डाला कि वर्तमान समय में नए डाटा स्रोतों और नई तकनीकों को अपनाना आवश्यक है और इन्हें मौजूदा प्रौद्योगिकियों का प्रभावी ढंग से उपयोग करने के लिए छात्रों को ज्ञान और कौशल से सशक्त बनाकर नवाचार को प्रोत्साहित करना चाहिए।

सम्मेलन के मुख्य वक्ता डीकिन विश्वविद्यालय, ऑस्ट्रेलिया के वरिष्ठ प्रोफेसर, डॉ. सबन ए. गोरजी, नाजियाबी सबजैस वेस्ट यूनिवर्सिटी, किलोपोस के एसोसिएट प्रोफेसर, डॉ. एलिन एस. गोंजालेस, कार्मलगेकट राजपट विश्वविद्यालय, साईलैंड के एसोसिएट प्रोफेसर और डॉ. खलिम्बा - उपाध्यक्ष, कार्मलगेकट राजपट विश्वविद्यालय, साईलैंड थे।

दो दिवसीय सम्मेलन में विभिन्न तकनीकी सत्रों का आयोजन किया गया, जिसमें गुरुघासीदास रायपुर के कंप्यूटर विज्ञान विभाग के प्रोफेसर डॉ. प्रदीप सिंह, जोगी विज्ञान विश्वविद्यालय, सरगुजा के कंप्यूटर विज्ञान विभाग के प्रोफेसर डॉ. गोपाल कृष्ण राठौर, बीआईएमईआर, चेन्नई के स्कूल ऑफ मैनेजमेंट के डीन डॉ. एस. प्रवीण कुमार और साईलाम इंजीनियरिंग कॉलेज के प्रोफेसर डॉ. पी. वेंकटेश को प्रमुख उपस्थिति रहे। इन तकनीकी सत्रों में भारत और विदेश के प्रख्यात विशेषज्ञों, प्रोफेसरों और प्रौद्योगिकी विशेषज्ञों ने डाइनिक सम्मान से भाग लिया। उस सम्मेलन में लगभग 1200 शोधार्थियों ने अपना पंजीकरण कराया, जिसमें 310 शोध पत्रों का चयन किया गया। विभिन्न तकनीकी सत्रों में 300 शोध पत्र प्रस्तुत किये गये। ये सभी शोध पत्र अंतर्राष्ट्रीय स्तर पर प्रतिष्ठित शोध पत्रिका टेलर एंड फ्रांसिस और अन्य स्कोपस पत्रिकाओं में प्रकाशित किए जाएंगे। शोध छात्रों ने सम्मेलन को शोध के अनुसार अपने शोध प्रस्तुतीकरण और विचार साझा किए।

कार्यक्रम का संचालन कंप्यूटर साइंस विभाग के विद्यार्थियों की रितिका तिवारी, श्री रघुवीर नायक, सुश्री ईशा देवांगन, सुश्री प्रीति पांडे, सुश्री ऋद्धि सिंह, सुश्री तनिजला चक्र, सुश्री जयंतिका कौर, श्री सुश्री श्रीवास्तव ने बखूबी किया। तकनीकी सत्रों का संचालन विभाग के सहायक प्राध्यापक श्री कमलेश कुमार पांडेय और श्री मोती रंजन साहो ने किया। दो दिवसीय कार्यक्रम का समापन सम्मेलन के अध्यक्ष डॉ. ओ.पी. देवांगन द्वारा धन्यवाद प्रस्ताव के साथ हुआ, जिसमें उन्होंने सभी वक्ताओं, प्रतिभागियों और आयोजकों को उनके अमूल्य योगदान के लिए आभार व्यक्त किया। कार्यक्रम को सफल बनाने में सहयोग के लिए विश्वविद्यालय प्रबंधन को विशेष सराहना दी गई।

कंप्यूटर विज्ञान और सूचना प्रौद्योगिकी के संकाय सदस्य- डॉ. अनुज सिंघा, डॉ. आशीष अमरवंश अकरीती, सुश्री भावना सक्सेना, श्री देवनारायण चिकराम, सुश्री रंजनुसरा भोई, श्री पवनेश पांडे, सुश्री अर्चना तिवारी, सुश्री अंजलि गोस्वामी, सुश्री शालिनी कुलश्रेष्ठ, श्री अंजलि कश्यपी, सुश्री प्रेरणा दुबे, श्री आशु नायक, सुश्री आकांक्षा सोनी, सुश्री रूपी ठाकुर सहित सभी के सहयोग से कार्यक्रम में मौजूद थे, कलिंगा विश्वविद्यालय भविष्य की प्रतिभाओं को पोषित करने के लिए समर्पित है तथा शिक्षा में उत्कृष्टता को अपनी विरासत को जारी रखने के लिए तत्पर है।

कलिंगा विश्वविद्यालय में 'सतत नवाचार प्रबंधन और विकास के लिए उभरती प्रौद्योगिकी' पर दो दिवसीय अंतर्राष्ट्रीय सम्मेलन

रायपुर प्रतिदिन राजधानी

कलिंगा विश्वविद्यालय के कंप्यूटर विज्ञान और सूचना प्रौद्योगिकी संकाय और आईसीआर सेल ने 27 और 28 मार्च, 2025 को 'सतत नवाचार प्रबंधन और विकास के लिए उभरती प्रौद्योगिकी' विषय पर दो दिवसीय अंतर्राष्ट्रीय सम्मेलन का आयोजन किया।

भव्य उद्घाटन समारोह का शुभारम्भ ज्ञान और आध्यात्म के प्रतीक पारंपरिक दीप प्रज्वलन समारोह के साथ हुआ, जिसमें मुख्य अतिथि अमरपुर के अनुविभागीय अधिकारी (राजस्व) श्री दीपक सिंह, कुलपति डॉ आर शेखर, प्रतिकुलपति डॉ बापजू जोस, आईसीआर सेल के निदेशक डॉ आर उदय कुमार और सम्मेलन के अध्यक्ष डॉ ओ पी देवांगन की उपस्थिति में हुआ। श्री दीपक सिंह ने अपने संबोधन में इस बात पर प्रकाश डाला कि वर्तमान समय में नए डाटा स्रोतों और नई तकनीकों को अपनाना आवश्यक है और इन्हें मौजूदा प्रौद्योगिकियों का प्रभावी ढंग से उपयोग करने के लिए छात्रों को ज्ञान और कौशल से सशक्त बनाकर नवाचार को प्रोत्साहित करना चाहिए।

सम्मेलन के मुख्य वक्ता डीकिन विश्वविद्यालय, ऑस्ट्रेलिया के वरिष्ठ प्रोफेसर, डॉ. सबन ए. गोरजी, नाजियाबी सबजैस वेस्ट यूनिवर्सिटी, किलोपोस के एसोसिएट प्रोफेसर, डॉ. एलिन एस. गोंजालेस, कार्मलगेकट राजपट विश्वविद्यालय, साईलैंड के एसोसिएट प्रोफेसर और डॉ. खलिम्बा - उपाध्यक्ष, कार्मलगेकट राजपट विश्वविद्यालय, साईलैंड थे।

दो दिवसीय सम्मेलन में विभिन्न तकनीकी सत्रों का आयोजन किया गया, जिसमें गुरुघासीदास रायपुर के कंप्यूटर विज्ञान विभाग के प्रोफेसर डॉ. प्रदीप सिंह, जोगी विज्ञान विश्वविद्यालय, सरगुजा के कंप्यूटर विज्ञान विभाग के प्रोफेसर डॉ. गोपाल कृष्ण राठौर, बीआईएमईआर, चेन्नई के स्कूल ऑफ मैनेजमेंट के डीन डॉ. एस. प्रवीण कुमार और साईलाम इंजीनियरिंग कॉलेज के प्रोफेसर डॉ. पी. वेंकटेश को प्रमुख उपस्थिति रहे। इन तकनीकी सत्रों में भारत और विदेश के प्रख्यात विशेषज्ञों, प्रोफेसरों और प्रौद्योगिकी विशेषज्ञों ने डाइनिक सम्मान से भाग लिया। उस सम्मेलन में लगभग 1200 शोधार्थियों ने अपना पंजीकरण कराया, जिसमें 310 शोध पत्रों का चयन किया गया। विभिन्न तकनीकी सत्रों में 300 शोध पत्र प्रस्तुत किये गये। ये सभी शोध पत्र अंतर्राष्ट्रीय स्तर पर प्रतिष्ठित शोध पत्रिका टेलर एंड फ्रांसिस और अन्य स्कोपस पत्रिकाओं में प्रकाशित किए जाएंगे। शोध छात्रों ने सम्मेलन को शोध के अनुसार अपने शोध प्रस्तुतीकरण और विचार साझा किए।

कार्यक्रम का संचालन कंप्यूटर साइंस विभाग के विद्यार्थियों की रितिका तिवारी, श्री रघुवीर नायक, सुश्री ईशा देवांगन, सुश्री प्रीति पांडे, सुश्री ऋद्धि सिंह, सुश्री तनिजला चक्र, सुश्री जयंतिका कौर, श्री सुश्री श्रीवास्तव ने बखूबी किया। तकनीकी सत्रों का संचालन विभाग के सहायक प्राध्यापक श्री कमलेश कुमार पांडेय और श्री मोती रंजन साहो ने किया। दो दिवसीय कार्यक्रम का समापन सम्मेलन के अध्यक्ष डॉ. ओ.पी. देवांगन द्वारा धन्यवाद प्रस्ताव के साथ हुआ, जिसमें उन्होंने सभी वक्ताओं, प्रतिभागियों और आयोजकों को उनके अमूल्य योगदान के लिए आभार व्यक्त किया। कार्यक्रम को सफल बनाने में सहयोग के लिए विश्वविद्यालय प्रबंधन को विशेष सराहना दी गई।

कंप्यूटर विज्ञान और सूचना प्रौद्योगिकी के संकाय सदस्य- डॉ. अनुज सिंघा, डॉ. आशीष अमरवंश अकरीती, सुश्री भावना सक्सेना, श्री देवनारायण चिकराम, सुश्री रंजनुसरा भोई, श्री पवनेश पांडे, सुश्री अर्चना तिवारी, सुश्री अंजलि गोस्वामी, सुश्री शालिनी कुलश्रेष्ठ, श्री अंजलि कश्यपी, सुश्री प्रेरणा दुबे, श्री आशु नायक, सुश्री आकांक्षा सोनी, सुश्री रूपी ठाकुर सहित सभी के सहयोग से कार्यक्रम में मौजूद थे, कलिंगा विश्वविद्यालय भविष्य की प्रतिभाओं को पोषित करने के लिए समर्पित है तथा शिक्षा में उत्कृष्टता को अपनी विरासत को जारी रखने के लिए तत्पर है।

Live ModelExhibition on "RainwaterHarvesting"

Related to SDG No. (s): 6

Organized by:

"NCC Department (Army Wing)"

On

Date: 10th April, 2025

Date: 10th April, 2025

Time of event: 01:00 PM Onwards

Mode of event: Offline

Venue: Seminar Hall, 2nd Floor, Main Building, Kalinga University, Naya Raipur (C.G.)

Event Poster:

Details of Program:

The event, titled Live Model Exhibition on "Rainwater Harvesting", was originally scheduled for 10th March 2025 but, due to unforeseen circumstances, was postponed and successfully conducted on 10th April 2025 by the NCC Department. The exhibition featured live working models creatively designed and presented by 7 enthusiastic students. The primary aim of the event was to spread awareness

harvesting in today's environmentally sensitive world.

The session commenced with an introductory briefing by the organizing team, highlighting the critical role rainwater harvesting plays in combating water scarcity and promoting ecological conservation. The participating students showcased a variety of innovative models, each demonstrating unique techniques and practical designs for the efficient collection, filtration, and storage of rainwater.

The exhibition witnessed the active participation of 40 students and 5 teaching and non-teaching staff members. The attendees engaged enthusiastically with the presenters, asking insightful questions and discussing potential applications of the models in real-world scenarios. The event fostered an environment of knowledge sharing, promoted analytical thinking, and instilled a strong sense of environmental responsibility among all participants.

Objective of Program:

The primary objective of the Live Model Exhibition on "Rainwater Harvesting" was to promote awareness and understanding of sustainable water conservation practices, particularly the significance of rainwater harvesting in addressing modern environmental challenges. The program aimed to encourage students to think critically and creatively about ecological issues and to apply scientific principles to real-world problems.

Through hands-on model preparation and presentation, the program sought to develop student's research, innovation, and teamwork skills, while also nurturing a sense of social responsibility toward environmental preservation. Additionally, the exhibition provided a platform for interactive learning, enabling students and staff to discuss the importance of water resource management and explore practical methods to implement rainwater harvesting at both institutional and household levels.

Program Outcome:

• A total of 7 students actively participated by designing and presenting live working models, showcasing innovative techniques and practical applications of rainwater harvesting systems.

• The event witnessed an encouraging turnout, with 40 students and 5 teaching and non-teaching staff members attending the exhibition, fostering an environment of collaborative learning and curiosity.

• The participating students enhanced their technical, communication, and presentation skills by explaining their models and addressing questions posed by the audience.

• The exhibition successfully created awareness about the pressing need for water conservation and highlighted the role of rainwater harvesting in sustainable development.

• The event inspired both students and faculty members to consider adopting rainwater harvesting practices within the university campus and their residential communities.

• The program encouraged peer-to-peer learning, with students exchanging ideas on model improvements, design feasibility, and practical implementation.

and sustainable living practices.

Number of Participants: 07

Number of Attendees: 40 students and 5 teaching and non-teaching staff members

International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions (Vision Viksit Bharat 2047

SDG No. (s)- 7

Organized by

"Department Of Electrical Engineering"

In Association with

"Indian Council of Social Science Research (ICSSR)"

On

Date: 27th & 28th February 2025

Title- International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions (Vision Viksit Bharat 2047)

Date: 27th & 28th February 2025

Time of event: International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions (Vision Viksit Bharat 2047

Mode of event: Hybrid

Venue: Seminar Hall, Kalinga University, Naya Raipur

Event Poster:

Details of Program:

Title of Program: International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions (Vision Viksit Bharat 2047)

Sponsored by: Indian Council of Social Science Research (ICSSR), New Delhi

Duration: 2 Days

Location: Seminar Hall, Kalinga University, Naya Raipur

Date: 27 & 28 February- 2025

Objective of Program:

The ***International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions (Vision Viksit Bharat 2047)*** aims to address critical energy access issues in India's rural and tribal regions. The conference brings together a wide spectrum of stakeholders to discuss and explore innovative solutions for clean, sustainable, and affordable energy in these underserved regions. The overarching objective is to contribute to India's goal of becoming a ***Viksit Bharat (Developed India) by 2047*** through the widespread adoption of renewable energy technologies.

Key objectives of the program include:

1. ***Innovation in Clean Energy Technologies***:

   To present and discuss innovative renewable energy solutions such as ***solar power***, ***wind energy***, ***biomass***, and ***Microgrids*** specifically designed for rural and tribal regions.

   To explore the latest technological advancements that offer scalable and sustainable energy solutions to energy-deficient areas.

2. ***Empowering Rural and Tribal Communities***:

- To demonstrate how clean and affordable energy access can transform the lives of rural and tribal populations, improving education, healthcare, and economic opportunities.
- To discuss community-based energy solutions, ensuring that local populations are involved in energy system design, implementation, and maintenance.

3. ***Policy and Regulatory Frameworks***:

To provide recommendations for effective policies, regulations, and financing mechanisms that will encourage the growth of renewable energy infrastructure in rural and tribal areas.

To explore models of public-private partnerships that can facilitate the delivery of clean energy to remote regions.

4. ***Aligning with SDG 7 (Affordable and Clean Energy)***:

To contribute to the achievement of ***Sustainable Development Goal (SDG) 7***, which focuses on ensuring access to affordable, reliable, sustainable, and modern energy for all

To align energy solutions with the broader national development strategies under the ***Vision Viksit Bharat 2047***.

5. ***Rural and Tribal Development Through Energy***:

To highlight how the adoption of clean energy can serve as a catalyst for rural development by supporting local industries, enhancing agricultural productivity, and creating new employment opportunities.

To promote ***gender equality*** by emphasizing how clean energy access can empower women, especially in tribal and rural communities, by reducing their dependency on traditional energy sources.

Program Outcome:

The International Conference on Innovation in Clean and Sustainable Energy Technologies for Tribal and Rural Regions aims to deliver several key outcomes:

1. ***Knowledge Transfer and Awareness***:

   Participants will gain in-depth insights into the ***latest clean energy technologies*** that can be implemented in rural and tribal areas. They will understand the ***technical feasibility***, ***economic viability***, and ***social impact*** of these technologies.

2. ***Collaborative Partnerships***:

   One of the key outcomes of the program will be the establishment of ***collaborative partnerships*** between various stakeholders, such as government agencies, academic institutions, research organizations, NGOs, and private sector players.

   These collaborations will help in ***joint research***, ***technology development***, and ***implementation of energy solutions*** tailored to the needs of rural and tribal communities.

3. ***Actionable Recommendations for Policy and Practice***:

   The conference will produce actionable ***policy recommendations*** that will help guide the government and other relevant bodies in shaping policies that support renewable energy development in rural and tribal regions.

   Key topics will include energy ***financing models***, ***incentives for adoption of clean energy***, and ***supporting the integration of renewable energy into national energy grids***.

4. ***Social and Economic Empowerment***:

   The conference will highlight how clean energy can serve as an ***enabler of socio-***

economic development. Participants will understand the direct correlation between ***energy access and improved livelihoods***, as well as its impact on ***education, health***, and ***gender equality*** in tribal and rural regions.

This will result in the creation of ***local jobs***, skill-building opportunities, and new sources of income for rural populations.

5. ***Promotion of Community-Based Energy Models***:

The conference will emphasize the importance of ***community-based energy systems***, where local populations are not just end-users but also active participants in the energy ecosystem. This will involve ***participatory approaches*** to the design, implementation, and management of energy solutions.

6. ***Strategies for Scaling Up***:

Practical, ***scalable solutions*** will be identified, including the integration of ***microgrids***, ***solar-powered irrigation systems***, and ***biogas plants*** that can be rolled out in rural areas.

The conference will discuss ***technology scalability***, ***cost-effectiveness***, and the role of ***international funding bodies*** to enable large-scale deployment of renewable energy technologies in remote regions.

7. ***Building a Network for Future Collaboration***:

Participants will leave the conference with new connections and ideas for future projects, establishing a ***network of experts, practitioners***, and ***policymakers*** dedicated to advancing energy solutions for rural and tribal regions.

8. ***Long-Term Vision of Viksit Bharat 2047***:

A significant outcome will be the formulation of a ***long-term roadmap*** for energy

access that will help India realize its vision of becoming a ***developed nation by 2047***. This roadmap will outline steps for sustainable development through energy access, innovation, and technology deployment in rural and tribal regions.

“Mechanisation andAdvancement on Mining.”
Related toSDG No.(s)

Organized by

“Mechanical & Mining Engineering Department”

On
21.03.2025

Title- "Mechanisation and Advancement on Mining"

Date: 21.03.2025

Time of event: 10:00 AM-12:00PM

Event Type: offline

Venue: MBFF 03

Event Poster: NA Details of Program:

All the students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from the Department of Mechanical and Mining Engineering along with the Head of the Department attended the event.

The session was initiated by the Head of the Department, who emphasized the significance of mechanization and advancements in mining. The role of mechanization in modern mining practices was discussed in depth, highlighting its impact on efficiency, safety, and sustainability.

The resource person, ***Dr. Imran Athar Beg***, elaborated on industry insights, the latest trends, and cutting-edge technologies in mining. He explained how mechanization can transform traditional mining methods by improving productivity, reducing risks, and ensuring sustainability. The discussion also covered the importance of continuous learning and adaptation to new technologies for aspiring engineers.

Dr. Beg outlined various methodologies used in mechanized mining and shared case studies to illustrate practical applications. He also stressed the need for students to develop critical thinking skills and an innovative mindset to contribute effectively to the industry.

Objective of the Program:

The event aimed to provide students with insights into mechanization in mining, its benefits, and how it aligns with sustainable development goals. The key objectives were:

- Understanding the role of mechanization in improving mining efficiency.
- Learning about modern tools and technologies used in mining operations.
- Gaining knowledge of industry trends and future prospects.
- Encouraging students to engage in innovative research and development.
- Promoting sustainable and responsible mining practices.

Program Outcome:

- Enhanced understanding of mechanization and its applications in mining.
- Development of analytical and problem-solving skills related to mining technologies.
- Exposure to real-world industry challenges and solutions.
- Strengthened ability to integrate technology and sustainability in mining operations.
- Improved career awareness and networking opportunities in the mining sector.

This guest lecture provided a valuable learning experience, inspiring students to explore advancements in the field of mining engineering and contribute to the industry's future.

Subject: Request for Permission to Conduct One-Day Guest Lecture on "Recent Trends in Power Distribution System" on 24th March 2025

Respected Sir,

I am writing to seek your kind permission to conduct a one-day guest lecture on the topic *"Recent Trends in Power Distribution System"* on **24th March 2025**. This lecture aims to provide students with valuable insights into the latest advancements in the power distribution sector, focusing on emerging technologies, grid modernization, smart grids, and sustainable practices.

The guest lecture will be delivered by Mr. Ravindra Singh (Assistant Engineer, CSPDCL), an expert in this field, who will share knowledge and experiences related to the current challenges and opportunities within the power distribution landscape.

Kindly grant the necessary permission to conduct this session. I look forward to your approval and support in facilitating this enriching learning experience for our students.

Venue: MBH 6, Kalinga University, Naya Raipur
Time: 10:00 AM to 12:00 PM
Date: 24 March 2025

We kindly request the following arrangements for the event:

1. Audio-Visual Equipment: Please provide the necessary audio-visual equipment, including a projector and microphone.
2. 25 certificates based on the number of participants.
3. Poted plant ,Fruit(Tea(No.02) & Memento for Guest speaker

Thank you for considering our request.

Sincerely,

Event Poster:

Details of the Program:

The Department of Electrical Engineering at Kalinga University organized a guest lecture on the topic "Recent Trends in Power Distribution Systems". The event aimed to educate faculty members and students about advancements in electrical power distribution, particularly in the context of sustainable and clean energy solutions.

The lecture was conducted under the Sustainable Development Goal (SDG) 07: Affordable and Clean Energy, aligning with the global mission to promote reliable and efficient energy systems.

Objective of the Program:

The guest lecture is aimed to provide an in-depth understanding of the latest developments and challenges in modern power distribution networks. With the increasing demand for reliable and efficient electricity distribution, the session focused on emerging trends such as smart grids, automation, and digitalization in power systems. It highlighted how advanced metering infrastructure (AMI), , enabling real-time monitoring, predictive maintenance, and improved grid stability. Another key aspect of the lecture was the integration of renewable energy sources like solar and wind power into existing distribution systems, addressing the technical and regulatory challenges associated with this transition. The role of sustainable energy solutions and government policies promoting clean energy was also discussed, emphasizing the need for future-ready power networks. The lecture also encouraged active participation, enabling attendees to engage in discussions on industry challenges, career opportunities, and the future of power distribution technology.

Program Outcome:

The guest lecture on "Recent Trends in Power Distribution Systems" covered a wide range of topics relevant to modern electrical engineering advancements. Some of the key highlights of the session are:

1. Introduction to Power Distribution Systems

Overview of traditional power distribution networks and their limitations.

Importance of efficient distribution in minimizing transmission losses and ensuring reliability.

Evolution from conventional grids to modern, smart distribution networks.

2. Emerging Trends in Power Distribution

Smart Grid Technology: Self-healing capabilities, real-time monitoring, and automation.

AI and IoT Integration: Use of artificial intelligence and Internet of Things (IoT) for predictive maintenance, load forecasting, and system optimization.

Digitalization and Automation: Automated fault detection and restoration to improve power reliability.

3. Renewable Energy Integration

Challenges in incorporating solar, wind, and other renewable energy sources into the grid.

Government policies and incentives promoting clean energy adoption.

Role of microgrids and decentralized energy generation.

4. Advanced Metering Infrastructure (AMI)

Title- "Career Prospects of AI&ML"

Date: 10-07-2024

Time of event: 10:00 AM - 03:00 PM

Venue: Auditorium, Kalinga University, Naya Raipur, Chhattisgarh

Event Poster:

Objective of Program:

To effectively gather class 12th science stream students, passout of 2024 from Raipur at our campus and provide them awareness about the various Career Prospects of AI&ML.

Make students and coaching institute owners aware of the various AI and ML-based programs offered by Kalinga University, such as B.Sc in AI & ML, M.Sc in AI & ML, and B.Tech CS in AI & ML in collaboration with IBM.

Conduct a campus tour for the participants to create awareness about the major USPs of Kalinga University, such as the library, moot court, CIF, computer labs, sports complex, and labs of the Center of Excellences.

Provide Class 12th students with an opportunity to attend an in-depth, skillful session led by Dr. Udaya Kumar Sir, the esteemed Dean of IT and Director of the IPR Cell. This session will serve as a testament to the expertise and experience of our distinguished faculty members, showcasing the high-quality education and mentorship they can expect at our institution.

Profile of Resource person (if applicable):

Name: DR. R. Udaya Kumar
Designation: Director IPR Cell & Dean of IT
Organization: Kalinga University
Name: DR. Pradeep Singh
Designation: HoD, Dept. Of CSE, NIT Raipur

Organization: NIT, Raipur
Name: Mr. Omprakash Dewangan
Designation: HoD, Dept. of CS
Organization: Kalinga University

Program Schedule: NA

Details of Program:

The seminar began at 10:00 A.M. with a warm welcome for the students and guests, including a traditional tilak and lamp lighting ceremony Mr. Omprakash Dewangan sir welcomed our guests with potted plants.

The event featured two esteemed resource persons: Dr. Pradeep Singh, HOD of CSE Department at NIT Raipur, and Dr. Udaya Kumar, Director of the IPR Cell, Kalinga University.

Dr. Pradeep Singh delivered a comprehensive session on AI and ML, exploring both traditional AI and generative AI and their practical applications. While his session was intellectually stimulating, faced Challenges. The use of highly technical terminology made it difficult for students to engage actively. Consequently, the session lacked interaction, with students refraining from asking questions, resulting in a predominantly one-sided discourse.

Dr. Udaya Kumar's session was exceptionally interactive and captivating. His articulate explanations and friendly demeanor not only encouraged active participation from students but also fostered a comfortable environment for learning. He adeptly tackled questions, delving into topics such as AI's advanced capabilities in identifying online frauds, including the detection of fake photos and videos. The session not only sparked insightful queries from students but also garnered enthusiastic praise for Dr. Udaya Kumar's effective teaching style and depth of knowledge in the field of AI.

After Dr. Udaya Kumar's session, Mr. Omprakash Dewangan's technical demonstration with drones proved to be another standout moment of the event. Students enthusiastically embraced the hands-on experience, which significantly enhanced their understanding with practical applications.

After all these informative sessions, the IT department of our university organized fun games for the students, creating a lively atmosphere where everyone had a great time. Students eagerly participated, and the faculty members were also highly interactive, leaving a positive impact on all attendees.

After these enjoyable sessions, we provided snacks to our students and guests, which were delicious and well-received. The students gave positive feedback about the refreshments, expressing satisfaction with the quality and variety offered.

Finally, we conducted a campus tour for the students, showcasing facilities such as the library, moot court, Center of Excellence labs, and computer labs. Students were captivated by our infrastructure and provided positive feedback about the tour.

Program Outcome:

a. ***Educational Impact:*** The Program Effectively educated Class 12th science stream students from Raipur about AI & ML career prospects, informed students and coaching institute owners about Kalinga University's AI & ML programs.

b. ***Engagement and Experience:*** The program showcased Kalinga University's campus facilities through an engaging tour, featuring highlights such as thelibrary, moot court, Center of Excellence labs, and computer labs. This tour provided participants witha firsthand view of the university's infrastructure.

Additionally, sessions led by Dr. Bidyadhar Singh and Dr. Vidyaya Kumar offered deep insights into AI & ML, complemented by interactive activities and demonstrations. These interactive elements created a dynamic learning environmentthat underscored Kalinga University's dedication to excellence in technology education, leaving a lastingimpression on all participants.

Numberof participants: 65
Numberof faculties participated: 04

Glimpse of event:

Feedback:

Participants, including Class 12th science stream students and coaching institute owners from Raipur, appreciated the insightful sessions on AI & ML career prospects.
The campus tour highlighting facilities like the library, moot court, Center of Excellence labs, and computer labs was well-received, enhancing attendees' understanding and showcasing Kalinga University's commitment to technology education excellence.

Name: Ms. Mariyam Ahmed

Designation: Assistant Professor

Organization: Kalinga University, Naya Raipur

Program Schedule:

10:00am – 10:10am – Welcome note

10:10am – 10:40am – Session by Ms. Mariyam

10:40am – 11:20am – Session by Dr Satvik Jain

11:20am – 11:50am – Session by Dr A. Srikanth followed by a Q&A session.

11:50am – 12:00pm – Vote of thanks and Attendance and group Photographs

Details of Program:

The Faculty of Commerce and Management organized a session on "AI Leadership- The Future of Management" on September 13th, 2024. The event held in the campus saw participations from all the students of the Faculty of Commerce and Management. The resource person Ms. Mariyam Ahmed shared her valuable insights regarding the uses of AI. Ms. Mariyam Ahmed began the session by providing information about the recent developments in Artificial Intelligence. She emphasized on the aspect of the opportunities which are available for the future prospects of AI. She also highlighted that not only that AI is an integral part of our day-to-day life but also how it makes our life better.

A significant portion of the lecture concentrated on how to put AI to a better use. Ms. Ahmed stressed on the importance of AI for a developing nation like India and role of AI in various dimensions of life. The next session focused on the aspect that how AI can help us take better decisions. Dr. Satvik Jain also shared the insights regarding each and every

aspect of AI in detail through his presentation. He discussed the role of technology on maintaining the stack of items for company, the role of the intellectual property rights and role of the patents in technology validation process.

Understanding AI model were another key point covered in the lecture. Dr. Satvik explained the significance of AI integration which mainly concentrates on cost of operation of organizations. The speaker also addressed the potential challenges that we are facing in the business environment such as frequently struggle with adaptability, costly implementation, potential human job loss, and lack of emotion and creativity. However, he also highlighted the opportunities such as streamlining, saving time, eliminating biases, and automating repetitive tasks.

The lecture concluded with an interactive Q&A session and presentation by Dr. A. Srikanth, where students had the opportunity to ask questions related to how to future proof their career. Dr. Srikanth provided personalized advice regarding future prospects of AI and how build a career that is AI supportive. He shared his advice regarding incorporating AI in education, that it helps generate a personalized learning path for each student, taking into account their prior knowledge, interests, and goals. It ensures enhanced learning outcomes for every participant.

The event "AI Leadership- The Future of Management" was highly interactive, informative and engaging event that provided students with an understanding on how Artificial intelligence (AI) is already present in our lives and is expected to become even more prevalent in the future. Dr. Srikanth's expertise and practical insight about Artificial Intelligence were greatly appreciated by the attendees.

Program Outcome: Post session the students had:

4. Students gained insight into the uses of AI
5. Students were able to think applications of AI
6. The event encouraged the students to think creatively

"A CAREER COUNSELLING SESSION ON UNION PUBLIC SERVICE COMMISSION AND JUDICIARY"

Organized by

"Facultyof Law"

On

17-09-2024

Title- **"**A Career Counselling Session on UPSC and Judiciary"

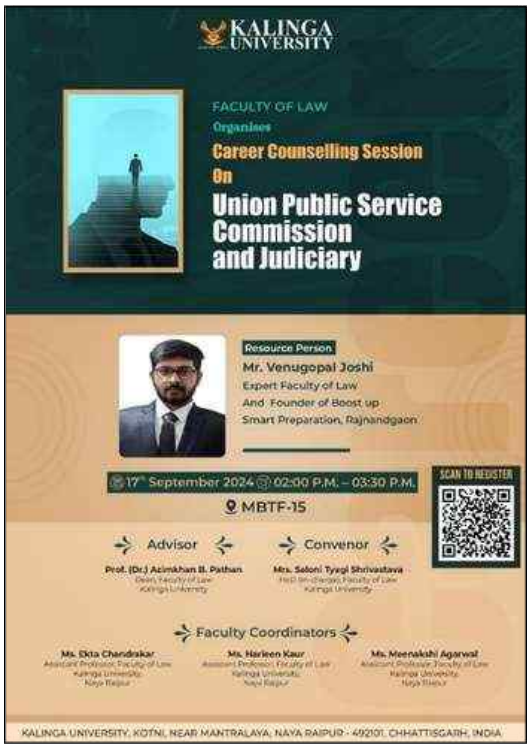
Date: 17-09-2024

Time of event: 02:00 PM- 03:30 PM

Event Type: Offline

Venue: MBTF 15, Kalinga University, Naya Raipur, Chhattisgarh

Event Poster:



Objective of Program:

Awareness of Career Opportunities: Provide an overview of the diverse career paths available in civil services (UPSC) and the judiciary, specifically for law graduates, including the roles, responsibilities, and impact of these professions.

Guidance on Eligibility and Preparation: Explain the eligibility criteria, required qualifications, and the structure of competitive exams for both UPSC and judicial services. Offer insights into effective preparation strategies, study materials, and timelines for success.

Clarification of Skill Requirements: Highlight the skills and attributes needed to excel in civil services and the judiciary, such as analytical thinking, legal reasoning, leadership, and communication skills, and how law students can develop these during their academic journey.

Personalized Career Path Planning: Assist students in assessing their strengths, interests, and long-term career goals, helping them make informed decisions about whether to pursue civil services, judiciary roles, or alternative legal careers, based on their personal aspirations.

- ***Profile of Resource person***

Resource Person:

Name: Mr. Venugopal Joshi

Designation: Expert, Faculty of Law

1.	*02: 05 PM – 2:10 PM*	*Welcome Address*	*Welcome Address by Prof. (Dr) Azimkhan B. Pathan, Professor and Dean, Faculty of Law, Kalinga University, New Raipur, Chhattisgarh.*	Main Building, Foor No. 3, Room No. 15, Kalinga University, Naya Raipur, Chhattisgarh
2.	*02:10 PM – 02:15 PM*	*Address*	*By Dr. R. Shridhar, Vice Chancellor, Kalinga University, New Raipur, Chhattisgarh*	
3.	*02:15 PM- 3:25 PM*	*Address*	*Address by Mr. Venugopal Joshi, an expert faculty of law and founder of Boost Up Smart Preparation*	
3.	*03:25 PM – 3:30 PM*	*Vote of Thanks*	*Mrs. Saloni Tyagi Shrivastava HOD Incharge, Faculty of Law Kalinga University*	

Details of Program:

The session began with the invocation of Goddess Saraswati, the goddess of knowledge and wisdom. A brief ceremony took place, setting a positive and respectful tone for the event. Prof. (Dr.) Azimkhan B. Pathan, Dean, Faculty of Law delivered the formal welcome address, greeted the distinguished guests, faculty members, and students. He introduced the purpose of the event and provided an overview of the importance of career guidance in the field of law, especially in prestigious services like UPSC and the judiciary. Further Dr. R. Shridhar, Vice Chancellor of the university addressed the gathering, shared his insights on the role of law students in shaping the future of the nation through careers in the judiciary and civil services. His speech focussed on the value of legal education and its relevance to administrative and judicial roles in the country. Further Mr. Venugopal Joshi, a well-known expert in legal studies and competitive exam preparation, delivered a detailed session on career opportunities for law graduates in the UPSC (Union Public Service Commission) and the Judiciary.
He covered the following key points:

Introduction to UPSC and Judicial Services: Understanding the structure, roles, and opportunities in these two prestigious career paths.

Eligibility and Exam Structure: Discussed the eligibility criteria, exam formats (Prelims, Mains, and Interviews), and selection processes for UPSC and Judiciary exams.

Preparation Strategy: Offered insights into the most effective study plans, time management, and resource materials for cracking these exams.

Career Prospects: Highlighted the career growth, responsibilities, and long-term benefits of serving in the judiciary or administrative services.

Motivation and Guidance: Provided personalized advice to law students on identifying their strengths and aligning them with the right career path.

This was then followed by an interactive session, with a Q&A at the end, allowing students to raise questions and clear their doubts about UPSC and Judiciary preparation.

Mrs. Saloni Tyagi Shrivastava, Head of the Department, Faculty of Law delivered the Vote of Thanks, expressing gratitude to the guest speakers, dignitaries, faculty members, and students for their participation. She also highlighted the importance of such career counseling sessions and encouraged students to stay motivated and focused in their preparation.

Program Outcome:

Enhanced Awareness of Career Paths: Students gained a clearer understanding of the opportunities available in the UPSC and Judiciary, including the roles, responsibilities, and career growth prospects in these fields. This will help them make informed decisions about their future career choices.

Structured Preparation Strategies: The session provided students with detailed guidance on how to effectively prepare for competitive exams like the Civil Services Examination (UPSC) and Judicial Services Examination. They learnt about the exam structure, syllabus, and recommended study materials.

Increased Motivation and Focus: Through interaction with experienced professionals, students felt more motivated and focused on their goals. The session inspired them to pursue their chosen career paths with greater confidence and dedication.

Personalized Career Planning: By addressing individual queries and doubts, students left the session with a better understanding of how to align their personal strengths and interests with the right career path, whether it's civil services, the judiciary, or other legal professions.

Number of Students participated: 100 students of Faculty of Law, Kalinga University

Number of faculty participated: 20

Report on

One Day Industrial Visit

to

"Ganesh Bakers Pvt. Ltd. (A manufacturing unit of Parle Foods Pvt. Ltd.)"

Organized by

Department of Biotechnology, Kalinga University, Naya Raipur

On

21st September 2024

Title: One day industrial visit to "Ganesh Bakers Pvt. Ltd.",Raipur

Date: 21/09/2024

Time: 9.30AM to 3.00 PM

Event Type: Offline

Attended by: Biotechnology and Bioinformatics students, faculty members

Objective of the program:

1. To observe and learn about the various stages of biscuit production, from raw material sourcing to packaging.
2. To gain insights into the machinery, automation, and technological innovations used in large scale food manufacturing.
3. To understand the quality control measures and food safety standards followed in the production process.
4. To observe the safety protocol and regulations followed in the food industry to ensure employee and product safety.
5. To understand the various roles and career paths available in the food manufacturing industry for students.

Program schedule: Program was scheduled on 21st September 2024 from 9.30AM to 3.00 PM

Details of program:

[Raipur, 21/09/2024] The industrial visit to Ganesh Bakers Pvt. Ltd. Was organized for students of Department of Biotechnology and Department of Bioinformatics to bridge the gap between theoretical knowledge and practical exposure. The visit provided an excellent opportunity for students to understand the process involved in the biscuit manufacturing industry and the role of modern technology in large scale production.

Details of the visit:

Date: 21st September 2024

Participants: BSCBT I, III, V and MBT I, III students

BBI I, III, V students

No. of students: 110

Faculties: Dr. Sushma Dubey (HOD, Dept. of Biotechnology)

Dr. Suchitra Panigrahi (Asst. Prof. in Biotechnology)

Ms. Megha Chaturvedi (Asst. Prof. in Biotechnology)

Mr. Sangram Keshari Samal (Asst. Prof. in Biotechnology)

Mr. Amaresh Sharma (Asst. Prof. in Bioinformatics)

Nonteaching staff: Mr. Roshan Verma

Industry representative: Mr. Naveen Singh, Parle Coordinator, Ganesh Bakers Pvt. Ltd., Raipur

Address of the industry: Saddu (Amaseoni), Raipur, State-Chhatisgarh (496235)

Company overview: Ganesh Bakers manufacturing unit which was visited by students is a dedicated manufacturing unit for Parle-G, the most widely consumed glucose biscuit in the world. Parle-G has established itself as a trusted brand, with a rich history of more than 80 years. The factory operates using state-of-the-art machinery and follow stringent quality and hygiene protocols to ensure that each batch of biscuits meets global standard. The company has continuously evolved, adapting advanced technology to cater the evergrowing demand while maintaining its legacy of quality and taste.

Activities during the visit:

Commencement of industrial visit from university campus: All the participant students and faculty members gathered at university premises for embark on an Industrial visit to Ganesha bakers Pvt. Ltd. An attendance sheet was circulated among students to ensure their participation and accurate recordkeeping. Each students required to report the faculty coordinators and sign the attendance mark. Before departure students were given brief on safety protocols for both the journey and the visit to the factory. This included

on on behaviour during the factory visit.

Instructi

guidelines to be followed inside the manufacturing unit.

Safety

Once all verifications were completed, the group departed from the university approximately at 9.45 AM from university campus with hosteller students and some nearby day scholar students. One university bus was also organized for day scholar students from university city office, marine drive, Raipur. All the buses (04) gathered near city office and a quick briefing and verification was done, after which all the buses departed to the industry and reached the industry approximately 11.00 AM.

The industrial visit began with a welcome session conducted by the company's representative, who briefed the students about the history and growth of Parle-G biscuit. A presentation was given with an animated video, highlighting the history and current position of parle industry along with manufacturing processes of different products like biscuits, cookies, chocolates, candies and cakes. After briefing the tour to manufacturing unit started. The tour was divided into 3 groups and groupwise students visit several sections, each focused on different aspects of the biscuit manufacturing process. They are:

Raw

material handling: The visit started at the raw material storage section, where the key ingredients like wheat flour, sugar, milk, edible oil etc were stored. Students were shown how raw materials are sourced, stored and inspected to ensure they meet the required quality standards before entering production.

Mixing

and dough preparation: The students were guided through the mixing section, where the ingredients are combined in large automated mixers to form the biscuit dough. Detailed explanations were provided on ratios and formulation required for parle-G biscuit.

 Baking Section: In the baking unit, students observed the highly automated process where the dough is moulded, shaped, and sent through large conveyor ovens. The precision of the baking time and temperature control ensures the consistency of each biscuit.

Cooling and Quality Inspection: After baking, the biscuits move through a cooling section. Quality inspectors check the biscuits for texture, color, and weight, ensuring they meet the strict specifications set by the company. The quality control team elaborated on their sampling techniques and testing methods to maintain the consistent taste and quality of Parle-G biscuits.

Packaging Section: The final part of the tour involved observing the packaging section, where the biscuits are packed using automated machinery into various packaging sizes. Packaging is critical to maintaining product freshness and extending shelf life, and the students learned how Parle-G uses packaging technology to ensure product integrity during distribution.

After completion of the visit the industry representative interacted with students and clarify doubts of the students and provided valuable about the industry, career opportunities for Biotechnology students etc. After brief discussion, freshly baked Parle-G biscuits with some candies are distributed among students, followed by a photography session was done where group photo of students in front of the industry has been taken and after that students boarded the designated busses at 3.00 PM . The bus departed from Ganesh Bakers Pvt. Ltd. at 3.15 PM and the group returned to the university campus safely by 4.00 PM.

Learning Outcomes

The visit to Ganesh Bakers Pvt. Ltd. provided the students with valuable insights into largescale biscuit manufacturing. Key learnings included:

The significance of automation and modern technology in producing biscuits at an industrial scale.

Understanding the rigorous quality control measures in place to maintain product consistency.

Insights into the supply chain management of a highdemand product, from raw material sourcing to distribution.

Exposure to industrial safety standards and hygiene protocols, especially critical in the food industry.

A deeper appreciation for sustainability practices and ecofriendly initiatives in food production.

INDUSTRIAL VISIT REPORT

- Report on One-Day Industrial Visit to Ganesh Backers Pvt. Ltd. (Biscuit Production Unit of Parle Products Pvt. Ltd.)

Date of Visit: 21st September 2024

Location: Saddu, Raipur, Chhattisgarh

Organized by: B.Sc. Biotechnology, Kalinga University, Atal Nagar, Nava Raipur

INTRODUCTION:

- The industrial visit to Ganesh Backers Pvt. Ltd., the biscuit production unit of Parle Products Pvt. Ltd., located in Saddu, Raipur, Chhattisgarh, was organized on 21st September 2024. The primary purpose of this visit was to provide students with a practical understanding of how biotechnology principles are applied in the food industry, particularly in large-scale biscuit production. Parle Products Pvt. Ltd. is a major player in the food sector, known for its wide range of confectionery and biscuit products. This visit aimed to bridge the gap between theoretical knowledge and real-world industrial applications, enhancing the academic learning of the students.

It was manufactured in 1929 and the founder of parle g was - Mohanlal Dayal Chauhan

OBJECTIVES OF THE VISIT:

- The primary learning goals of this visit included:

Understanding the industrial-scale production processes involved in food manufacturing, specifically biscuits.

Gaining insights into quality control measures and food safety regulations followed by the industry.

Observing the integration of biotechnological techniques in the food production sector, which is directly relevant to the students' academic curriculum.

Enhancing professional development by interacting with industry professionals and understanding career opportunities in the food technology and biotechnology sectors.This visit provided a comprehensive learning opportunity, complementing the students' theoretical knowledge with practical insights into the food manufacturing process.

DETAILS OF THE VISIT:

- *Date*: 21st September 2024

- *Duration*: 10:00 AM to 2:00 PM

- *Attendees*: A total of 110 students and 5 faculty members from B.Sc. Biotechnology, Kalinga University.

During the visit, the students were greeted by industry personnel, who guided them through different departments of the biscuit production unit. They interacted with the quality control team, production managers, and other key personnel responsible for overseeing various stages of biscuit manufacturing, from raw material selection to packaging.

OVERVIEW OF THE COMPANY:

- Ganesh Backers Pvt. Ltd., a production unit of Parle Products Pvt. Ltd., plays a significant role in the biscuit manufacturing industry. Parle, founded in 1929, is one of India's largest and most

trusted food brands. The company produces a wide variety of products, including biscuits, snacks, and confectionery. Parle-G, the company's flagship biscuit brand, is one of the bestselling products globally.The Raipur production unit is a state-of-the-art facility that implements cutting-edge technology for efficient production and quality assurance. The plant is equipped with automated machinery that ensures the consistent quality and mass production of biscuits, which are then distributed across the country.

NAME OF THE CONTACT PERSON IN THE INDUSTRY:
Mr.Naveen Singh

Parle co- ordinator
Ganesh Bakers pvt.Ltd., Raipur

ACTIVITIES DURING THE VISIT:
Students were taken on a guided tour of the biscuit production facility, where they observed several critical processes, including: -
Dough Preparation: Automated machines mixing the ingredients for biscuit dough. –
Molding and Baking: High-tech machinery that shapes and bakes the dough at controlled temperatures. –
Packaging: Advanced packaging systems ensuring hygiene and quality during the packaging process.
Duration of packing: 45-50 min.

In addition to observing the production line,students attended a demonstration on the quality control processes, which include testing for ingredient purity, nutritional value, and ensuring compliance with food safety standards. Also (ccp) critical control point is there which detect the metal during packaging. Although students did not participate in hands-on activities, they were able to closely observe the operations and ask questions

LEARNING OUTCOMES:
Key takeaways from the visit include: - An understanding of the large-scale production techniques used in the biscuit manufacturing industry. - Knowledge of the stringent quality control measures in place to ensure product safety and consistency. - Insights into the technological advancements in food manufacturing, such as automation and process optimization. - A greater appreciation for how biotechnological principles, such as fermentation and enzyme applications, are applied in food production. This visit enriched the students' academic knowledge and gave them practical exposure to the food production industry, highlighting the relevance of their biotechnology studies to the food sector.

FEEDBACK FROM STUDENTS: The students found the visit highly informative and engaging. Many expressed their appreciation for the opportunity to witness s firsthand the processes they had learned about in their coursework. Some noted that the visit gave them a clearer perspective on potential career paths in the food and biotechnology industries. The industry personnel were commended for their thorough explanations and willingness to answer students' questions.

CONCLUSION: The industrial visit to Ganesh Backers Pvt. Ltd. was a valuable educational experience for the students of B.Sc. Biotechnology. It offered a practical glimpse into the operations of a major biscuit production unit, allowing students to connect their academic learning with real-world industrial practices. The visit has not only enhanced their understanding of food manufacturing processes but also opened their minds to various career opportunities within the biotechnology field.

ACKNOWLEDGMENT: We extend our sincere gratitude to the management of Ganesh Backers Pvt. Ltd. for their hospitality and for organizing a well-structured and informative visit. Special thanks to the faculty of Kalinga University for coordinating this successful event.

Regards

Report on

"An Industrial Visit to Parle G Plant in Raipur"

Organized by

"Faculty of Commerce and Management"

On

4th October 2024

Title- "An Industrial Visit to Parle G Plant in Raipur"

Date: 4th October 2024

Time of event: 10:00 AM to 3:00 PM

Event Type: Offline

Venue: Parle G, Ganesh

Objectives of the Program:

1. ***Understanding the Manufacturing Process***: To gain first-hand knowledge of the biscuit production process, from raw material procurement to packaging, and observe how modern technology and automation are integrated into the workflow.
2. ***Learning About Quality Control***: To understand the quality control measures and safety standards implemented by Parle-G to ensure product consistency and maintain high-quality standards in food production.
3. ***Exploring Supply Chain and Logistics***: To get insights into the supply chain management, distribution strategies, and how the plant ensures timely delivery of products to different regions.
4. ***Exposure to Industrial Work Environment***: To provide students with real-world experience of an industrial setting, allowing them to observe organizational culture, workforce management, and

operational efficiency in a large-scale food production unit.

5. ***Sustainability and Innovation Practices***: To learn about Parle-G's sustainability initiatives, including waste management, resource optimization, and the implementation of innovative practices that contribute to the company's long-term goals.

Details of the Visit: -

On ***4th October 2024***, students and faculty members participated in an ***industrial visit*** to the ***Parle G, Ganesh Bakers Pvt. Ltd.*** in Raipur, as part of an educational initiative to expose students to real-world manufacturing environments. The visit was designed to provide an insightful
experience into the workings of a large-scale production facility. The program aimed at giving participants a comprehensive understanding of the biscuit manufacturing process, quality control, and supply chain management, along with observing Parle's sustainability practices.

Key Highlights of the Visit:

1. ***Introduction to Parle-G's Heritage***- The event began with a detailed presentation on ***Parle-G's history*** and its growth from a small bakery to one of the largest biscuit manufacturers in the world. The presentation gave insights into the company's vision, core values, and its prominent role in India's biscuit industry.

2. ***Guided Tour of the Manufacturing Plant***- The students were taken on a ***guided tour*** of the plant, where they observed the various stages of biscuit production—from the mixing of ingredients to baking, cooling, and packaging. This part of the visit allowed participants to witness the integration of modern automation systems with traditional baking techniques.

3. ***Learning about Quality Control*** a significant portion of the visit focused on the ***quality control mechanisms*** used by Parle. The plant's quality assurance team explained how raw materials are tested, and monitored, and the strict protocols followed to maintain the ***consistent quality*** of Parle-G biscuits. This was an eye-opener for students about the importance of food safety and hygiene in a food production unit.

4. ***Discussion on Supply Chain and Distribution***- The visit included a session on ***Parle's supply chain and logistics*** strategies, highlighting how the company manages to distribute its products across India and beyond. The efficient packaging, storage, and timely transportation of finished goods were also discussed, giving students insights into the logistics side of manufacturing.

5. ***Q&A and Interaction with Experts***- The event concluded with an interactive ***Q&A session***, where students had the opportunity to ask questions to the plant managers and technical staff. The discussion revolved around career opportunities in the FMCG industry, technological advancements in manufacturing, and how students can apply classroom knowledge to real-world scenarios.

The industrial visit to ***Parle G, Ganesh Bakers Pvt. Ltd.*** was a valuable learning experience for the participants. It not only broadened their understanding of manufacturing processes but also gave them exposure to operational challenges and sustainability practices within a large FMCG company.

Program Outcome:

1. ***Enhanced Practical Understanding of Manufacturing Processes***- Participants gained in-depth knowledge of the ***biscuit production process***, from raw material handling to packaging, which helped them bridge the gap between theoretical learning and practical industrial applications.
2. ***Insight into Quality Control and Food Safety Protocols***- Students developed a strong understanding of the ***quality assurance systems*** used by Parle-G, learning about the rigorous standards that ensure product consistency and food safety within the food manufacturing sector.
3. ***Understanding of Supply Chain and Logistics Operations***- The visit provided valuable insights into the ***supply chain management*** and ***distribution strategies*** employed by a large FMCG company.
4. ***Awareness of Sustainability and Innovation in Manufacturing***- Participants learned about ***sustainable practices*** and innovative resource optimization strategies implemented at the plant, gaining awareness of the importance of environmental responsibility in large-scale industrial operations.

(श्याम कुमार साहू) 01.10.24
उप सचिव
छत्तीसगढ़ मानव अधिकार आयोग,
रायपुर (छ.ग.)

Introduction:

On the 4th of October 2024, sixteen students from the Faculty of Law, Kalinga University, Naya Raipur, had the opportunity to visit the Chhattisgarh Human Rights Commission (CHRC), Raipur. The visit was organized as part of their ongoing Industrial Visit activities aimed at providing them with first-hand exposure to the functioning of key legal institutions and to enhance their understanding of human rights protection mechanisms in India.

Departure from University:

The students departed from the university premises at 10:30 a.m. in the university bus. Accompanied by faculty members, they were briefed on the objectives of the visit and were encouraged to engage actively during the session by Prof. (Dr.) Azimkhan B. Pathan, Dean, Faculty of Law of Kalinga University.

Arrival and Welcome at CHRC:

The group arrived at the CHRC headquarters in Raipur around 11:25 a.m. The officials of the CHRC extended a warm welcome and ensured a smooth transition into the main session. The students were briefed by Mr. Giridhari Nayak, Acting Chairman of CHRC, then by Ms. Namrata Norge, Civil Judge (Sn. Div.) cum Law Officer of the CHRC and also by Mr. Maish Mishra, Joint Director, CHRC. The students were ushered into the conference hall where the lecture and presentation were to take place.

The Lecture:

The main lecture session commenced at 11:30 a.m. and lasted for an hour. It was conducted by Ms. Namrata Norge and Mr. Giridhari Nayak from the Commission, who shared insights on the functioning, powers, and responsibilities of the CHRC. Key points discussed during the lecture included:

i. ***Overview of Human Rights***: A detailed explanation of what constitutes human rights, focusing on the universal nature of these rights and their constitutional safeguards in India.

ii. ***Role and Functioning of CHRC***: The officials elaborated on the mandate of the Commission, including its role in addressing human rights violations, the investigation process, and the measures taken to prevent such violations.

iii. ***Powers of the Commission***: The powers vested in the Commission under the Protection of Human Rights Act, 1993, were explained, including its authority to conduct inquiries and make recommendations to the government.

iv. ***Notable Cases Handled by CHRC***: The officials shared a few landmark cases in which the CHRC played a critical role in ensuring justice for victims of human rights violations.

PowerPoint Presentation:

A PowerPoint presentation accompanied the lecture, which illustrated the history, structure, and objectives of the CHRC. The presentation highlighted:

I. The important provisions of the Human Rights Laws & practice.

II. The organizational hierarchy of the CHRC.

III. Statistical data on cases handled by the Commission over the past few years.

IV. Success stories where the CHRC's intervention led to significant outcomes in safeguarding human rights.

Question and Answer Session:

Following the lecture, a 20-minute interactive Q&A session was held. The students actively participated, asking pertinent questions about the functioning of the Commission, the challenges faced in handling human rights violations, and the scope of the Commission's work. Some key questions raised included:

a. The process of filing a complaint with the Commission.

b. The Commission's role in handling cases related to custodial violence.

c. How the CHRC collaborates with other state and national human rights bodies.

The officials patiently addressed each question, providing detailed answers and encouraging the students to consider careers in human rights law.

Conclusion of the Session:

The session concluded at 12:30 p.m., with the CHRC officials encouraging the students to remain vigilant about human rights issues and contribute to building a more just society. The students expressed their gratitude for the informative and insightful session, gaining a clearer understanding of the importance of protecting human rights and the mechanisms in place for redressal.

Return to University:

After the session, the students boarded the university bus and departed from the CHRC premises at around 12:45 p.m. They returned to the Kalinga University campus at approximately 1:30 p.m., bringing with them a wealth of knowledge and an enriched perspective on human rights law.

Feedback from Students:

Several students commented on the informative nature of the visit, appreciating the opportunity to interact directly with officials working in the field of human rights. They noted that the session enhanced their practical understanding of how legal bodies like the CHRC operate and how law students and future legal professionals can contribute to upholding human rights.

Conclusion:

The visit to the Chhattisgarh Human Rights Commission was a highly successful academic excursion, providing the students with valuable insights into the practical aspects of human rights law. It fostered a greater appreciation for the role of such commissions in ensuring justice and protecting the vulnerable sections of society, while also motivating the students to further explore careers in the field of human rights law.

Number of Students participated: 16

Number of faculty accompanied: 01

Glimpses of the event:

Photo Gallery:

Students pose for a photograph with Prof. (Dr.) Azimkhan Pathan, Dean(Law) of the Faculty of Law, Kalinga University, while proceeding for the CHRC visit.

Students with the Acting Chairman of the CHRC discussing the important human rights topics.

Participants & resource persons observing the Power Point Presentation on the current Human Rights issues and noting down the details.

Students pose for a photograph with the CHRC officials at the end of the session.

Report on

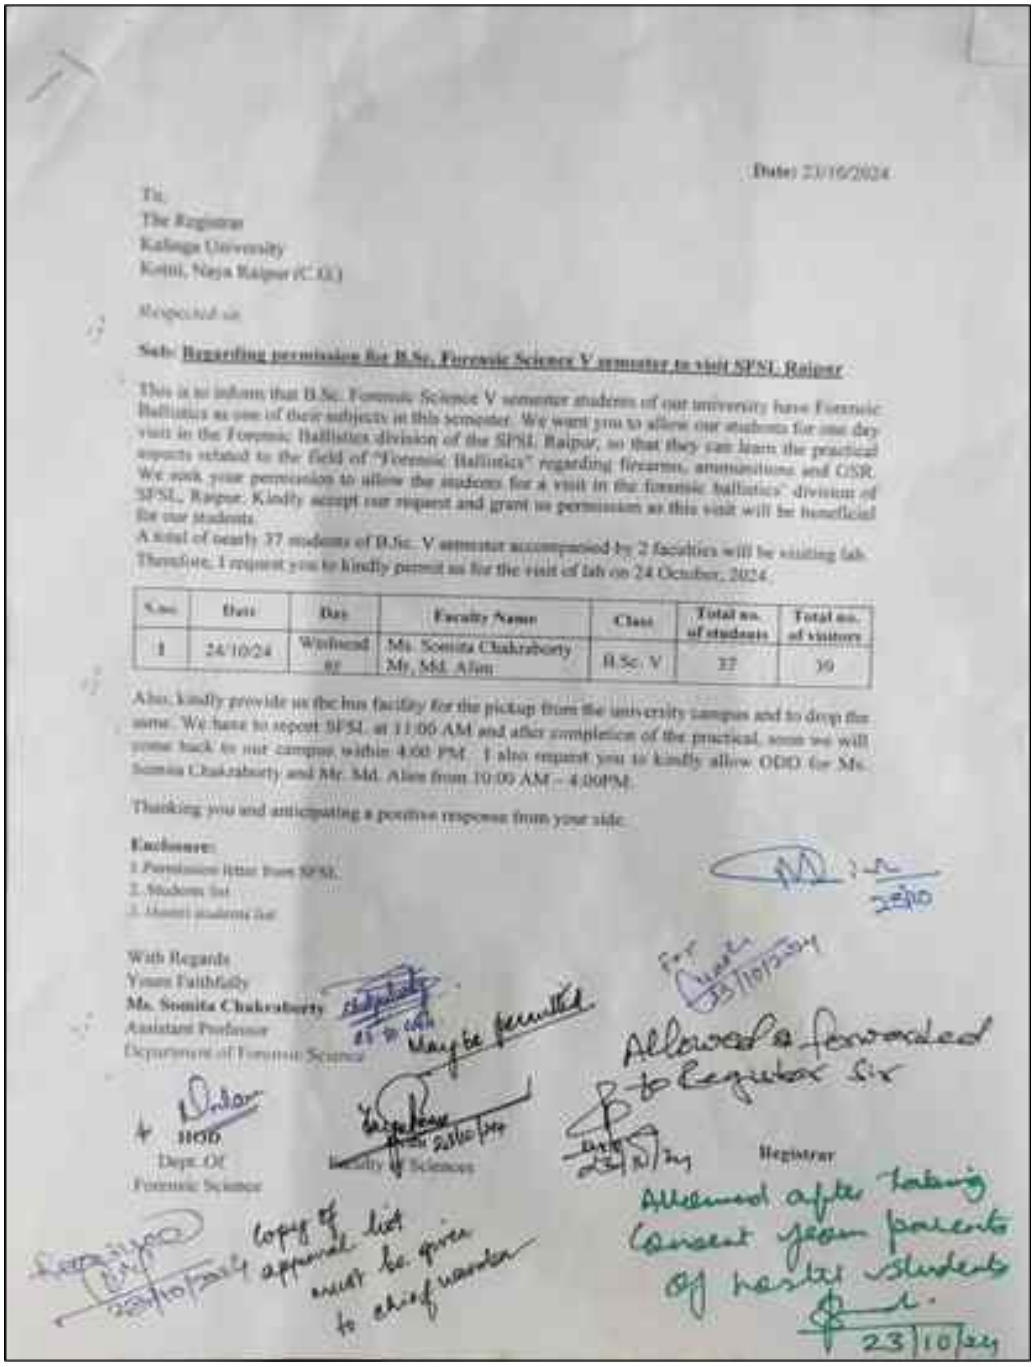
1-Day Industrial Visit to SFSL Raipur, Chhattisgarh

Organized by

Department of Forensic Science, Kalinga University

Pre-visit Phase

ApprovalLetter:



Date: 23/10/2024

To,
The Registrar
Kalinga University
Kotni, Naya Raipur (C.G.)

Respected sir,

Sub: Regarding permission for B.Sc. Forensic Science V semester to visit SFSL Raipur

This is to inform that B.Sc. Forensic Science V semester students of our university have Forensic Ballistics as one of their subjects in this semester. We want you to allow our students for one day visit to the Forensic Ballistics division of the SFSL Raipur, so that they can learn the practical aspects related to the field of "Forensic Ballistics" regarding firearms, ammunitions and GSR. We seek your permission to allow the students for a visit to the forensic ballistics' division of SFSL, Raipur. Kindly accept our request and grant us permission as this visit will be beneficial for our students.
A total of nearly 37 students of B.Sc. V semester accompanied by 2 faculties will be visiting lab. Therefore, I request you to kindly permit us for the visit of lab on 24 October, 2024.

S.no	Date	Day	Faculty Name	Class	Total no. of students	Total no. of visitors
1	24/10/24	Weekend	Ms. Somita Chakraborty Mr. Md. Alim	B.Sc. V	37	39

Also, kindly provide us the bus facility for the pickup from the university campus and to drop the same. We have to report SFSL at 11:00 AM and after completion of the practical, soon we will come back to our campus within 4:00 PM. I also request you to kindly allow ODD for Ms. Somita Chakraborty and Mr. Md. Alim from 10:00 AM – 4:00PM.

Thanking you and anticipating a positive response from your side.

Enclosure:
1. Permission letter from SFSL
2. Students list
3. Absent students list

With Regards
Yours Faithfully

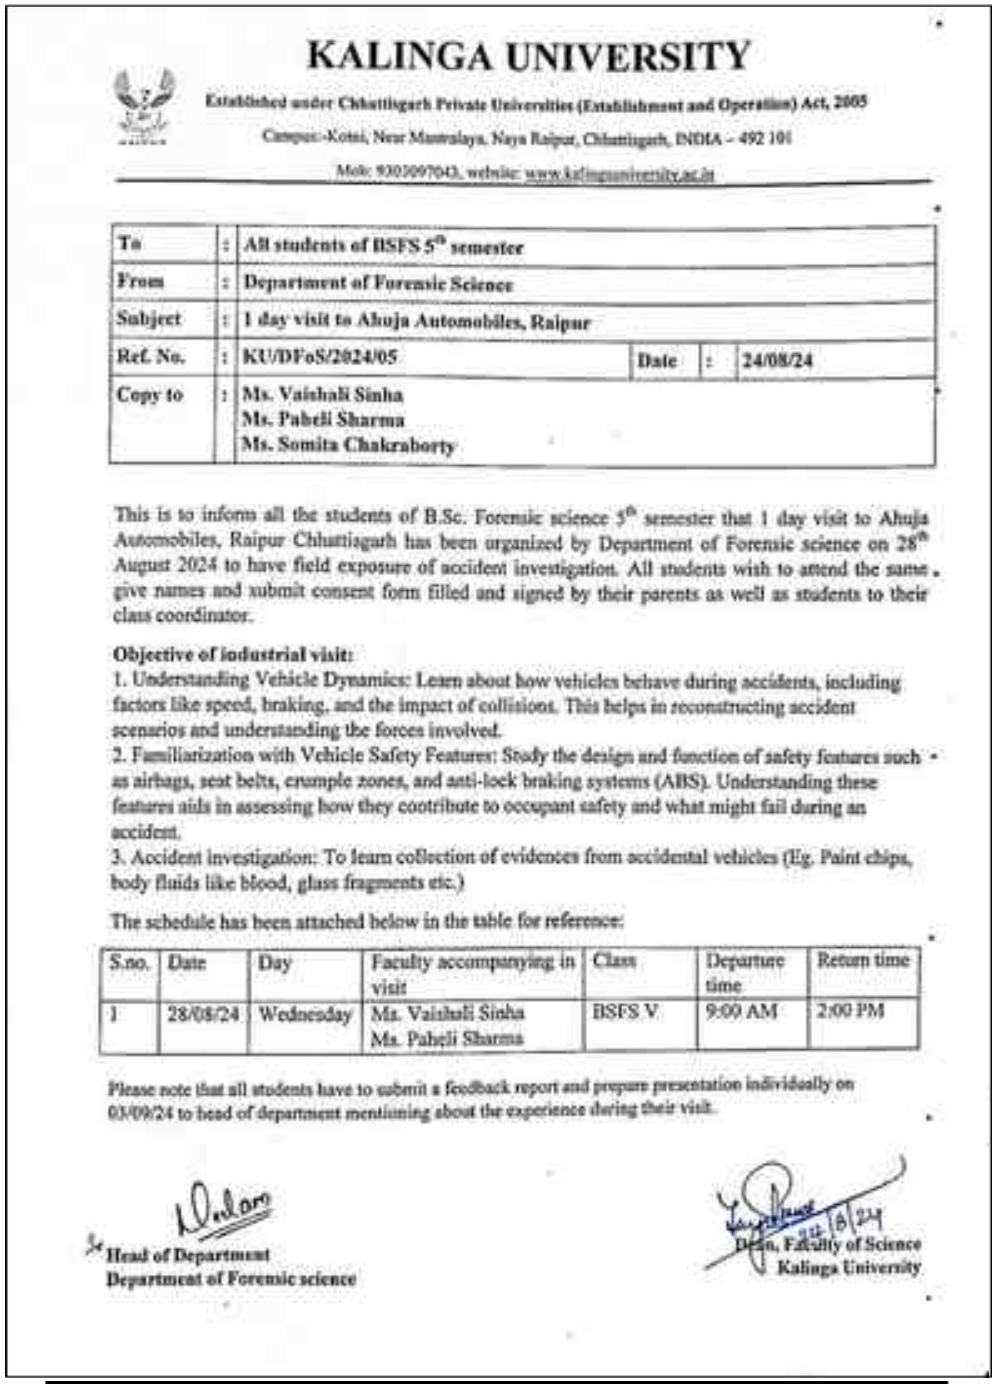
IOM for the visit



KALINGA UNIVERSITY

Established under Chhattisgarh Private Universities (Establishment and Operation) Act, 2005

Campus:-Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492 101

Mob: 9303097043, website: www.kalinguniversity.ac.in

To	:	All students of BSFS 5th semester			
From	:	Department of Forensic Science			
Subject	:	1 day visit to Ahuja Automobiles, Raipur			
Ref. No.	:	KU/DFoS/2024/05	Date	:	24/08/24
Copy to	:	Ms. Vaishali Sinha Ms. Paheli Sharma Ms. Somita Chakraborty			

This is to inform all the students of B.Sc. Forensic science 5th semester that 1 day visit to Ahuja Automobiles, Raipur Chhattisgarh has been organized by Department of Forensic science on 28th August 2024 to have field exposure of accident investigation. All students wish to attend the same, give names and submit consent form filled and signed by their parents as well as students to their class coordinator.

Objective of industrial visit:

1. Understanding Vehicle Dynamics: Learn about how vehicles behave during accidents, including factors like speed, braking, and the impact of collisions. This helps in reconstructing accident scenarios and understanding the forces involved.
2. Familiarization with Vehicle Safety Features: Study the design and function of safety features such as airbags, seat belts, crumple zones, and anti-lock braking systems (ABS). Understanding these features aids in assessing how they contribute to occupant safety and what might fail during an accident.
3. Accident investigation: To learn collection of evidences from accidental vehicles (Eg. Paint chips, body fluids like blood, glass fragments etc.)

The schedule has been attached below in the table for reference:

S.no.	Date	Day	Faculty accompanying in visit	Class	Departure time	Return time
1	28/08/24	Wednesday	Ms. Vaishali Sinha Ms. Paheli Sharma	BSFS V	9:00 AM	2:00 PM

Please note that all students have to submit a feedback report and prepare presentation individually on 03/09/24 to head of department mentioning about the experience during their visit.

Head of Department
Department of Forensic science

Dean, Faculty of Science
Kalinga University

Details ofthe visit

Programme: B.Sc. Forensic science
Semester: 5
Name of the organization: State Forensic Science Laboratory (SFSL), Raipur

Profile of the company: SFSL Raipur is a government authorized forensic science laboratory situated behind Pujari Park, Tikrapara, Raipur (C.G.). It consists of various divisions like- Forensic Ballistics, Forensic Physics, Forensic Chemistry, Forensic Toxicology, Forensic Biology, DNA and Polygraphy divisions. They deal with the analysis of various evidences which are recovered from the crime scene and help in the court of law for the purpose of administration of justice.

Objective of SFSL visit:

1. ***Exposure of different firearms:*** To learn about the action mechanism of different types of firearms including their loading, unloading, ejection and extraction before and after firing. This could help to identify type of firearm involved during crime scene reconstruction.
2. ***Understanding concept of ammunition***: To study about different parts of ammunition and different types of bullets on the basis of constructional features and uses. Understanding these features will help them to identify the bullet by observing the injury pattern of entry wound.
3. ***Determination of range:*** To determine the distance between shooter and the target where entry hole was present, also helps to identify any possible phenomenon which may occur during the flight of projectile.

Details of the faculty member to accompany the students during visit:

3 ***Ms. Somita Chakraborty***, Assistant Professor, Department of Forensic Science
4 ***Mr. Md. Alim,*** Assistant Professor, Department of Forensic Science

Proposed learning outcome from the visit:

1. Enhanced Understanding of Action Mechanism of Firearms
Outcome: Gain a comprehensive understanding of how firearms have different mechanisms for firing and various ammunitions used, which help to recreate crime scene reconstruction.

2. In-depth Knowledge of Ballistics
Outcome: Develop a solid understanding of firearms, their parts and functions, and the comparison between evidence bullet and test bullet in order to identify the source of origin and the injuries inflicted by them.

Mapping of learning outcomes of industry visit with courses taught: ***BSFS501 Forensic Ballistics***

Unit 1: Introduction to Firearm
History and development of firearms. Classification of firearms. Weapon types and their operation. Firing mechanisms of different firearms.

Unit 2: Internal/External/Terminal Ballistic
Internal ballistics – Definition, ignition of propellants, shape and size of propellants, manner of burning, and various factors affecting the internal ballistics: lock time, ignition time, barrel time, erosion, corrosion and gas cutting. External Ballistics –Measurements of trajectory parameters, introduction to automated system of trajectory computation and automated management of ballistic data. Terminal Ballistics – Effect of projectile on hitting the target: function of bullet shape, striking velocity, striking angle and nature of target, tumbling of bullets Ricochet and its effects, stopping power.

Unit 3: Ammunition
Types of ammunition. Constructional features and characteristics of different types of cartridges and bullets. Primers and priming compounds. Projectiles, Head stamp markings on ammunitions. Different types of marks

produced during firing process on cartridge – firing pin marks, breech face marks, chamber marks, extractor and ejector marks.

Unit 4: Firearm Evidence

Matching of bullets and cartridge cases in regular firearms. Identification of bullets, pellets and wads fired from improvised, country made firearms. Automated method of bullet and cartridge case comparison. Determination of range of fire and time of fire. Mechanisms of formation of gunshot residues. Methods of analysis of gunshot residues from shooting hands and targets, with special reference to clothings. Identification and nature of firearms injuries. Reconstruction with respect to accident, suicide, murder and self defence.

Financial details of the funds required for the visit: None

Value addition/Enhancement from the proposed visit:

Practical Exposure to Real-World Scenarios:

Gain hands-on experience with actual firearms and ammunition, bridging the gap between theoretical knowledge and practical application.

Enhanced Analytical Skills:

Develop the ability to critically analyze range determination by identifying features around entry hole., leading to more accurate and informed crime scene reconstruction.

Outcome based proposed questions to be answered during the visit:

Firearm mechanisms and constructional features of bullets:

How do the various action mechanism affect the firing of different firearms?

How constructional features of bullets play a significant role and the purpose for which they are used?

Comparison of evidence bullet and test bullet done via either comparison microscope and Integrated Ballistic Identification System (IBIS).

Industrial visit Coordinators are:

1. ***Ms. Somita Chakraborty***, Assistant Professor, Department of Forensic Science
2. ***Mr. Md. Alim,*** Assistant Professor, Department of Forensic Science

Total no. of students attended: 32 ***Timing of visit:*** 10:00 AM to 4:00 PM

Undertaking from student

Hard copy of consent letter is collected one day before the visit from all students signed by parents and students. 1 sample is attached

Consent Form for Industrial Visit

Student Details:

Name of Student: Shreya Sahu

Course & Year: BSC Forensic Science

Enrollment Number: 2207BSFS7118 38

Contact Number: 9340991139

Email Address: sshreyasahu8@gmail.com

Parental Consent and Undertaking:

I, Santosh Sahu, parent/guardian of Shreya Sahu, hereby give my consent for my ward to participate in the industrial visit organized by Department of Forensic Science, Kalinga University, Naya Raipur. I understand that:
The college will take all necessary precautions to ensure the safety and well-being of my ward during the visit. However, I will not hold the college or its staff responsible for any unforeseen incidents that may occur during the visit.
My ward is expected to adhere to all rules and regulations set by the college and the host organization during the visit. Any violation may result in disciplinary action.

Signature of Parent/Guardian: M Sahu

Date: 26/08/2024

Student Undertaking:

I, Shreya Sahu, a student of Kalinga University at Department of Forensic Science, agree to participate in the industrial visit as per the schedule provided by the college. I undertake to:
Follow all instructions given by the college authorities and the host organization.
Behave in a manner that reflects well on the college and myself.
Take care of my personal belongings and respect the property of others.
Inform the college authorities immediately if I face any problems or require assistance during the visit.

Signature of Student:

Date: 26/08/2024

For Office Use Only:

Received by: Neelam Ahirwar HOD

Date: 27/08/24

Highlights of the visit: -

During the visit to SFSL Raipur, the major highlights included:

1. Identification of various firearms: The group examined various firearms on the basis of rifled, bore, pistol and country made (katta) firearms.
2. Understanding various marks produced during firing: Students gained insights into different marks on the cartridge case (extractor, ejector, chamber, breech and firing pin marks) and bullet (lands and grooves, striation marks, twist etc.).
3. Exploration of Firearm Parts: The visit provided an opportunity to learn about the various parts of firearms, including trigger, barrel, extractor, ejector, firing pin etc.
4. Comparison Aspects: Students were introduced to the comparison of bullets i.e., test and evidence with the help of comparison microscope and IBIS database.
5. Performance of test fire: This visit offered a comprehensive overview of live firing, focusing on the practical aspects including for the bullet comparison. For the comparison, use of bullet recovery box and the clothe for understanding the distribution of GSR.

Notice

Subject: Industrial Visit to Sarda Dairy & Food Products Ltd. (Vachan) on 24th October 2024

This is to inform all students of **B.Sc. (PCM), B. Sc. (Biochemistry), M.Sc. (Biochemistry), M. Sc. (Chemistry), M. Sc. (Mathematics),** and **M. Sc. (Physics)** that an industrial visit has been organized to ***Sarda Dairy & Food Products Ltd., Kharora, Raipur, Chhattisgarh, on 24th October 2024***. The purpose of this visit is to provide students with practical exposure to the industrial processes, helping them bridge the gap between theoretical knowledge and real-world applications. The visit is mandatory for all registered students, and attendance is compulsory. Students must report to the university at least one hour prior to the departure time.

Accompanying faculty members for the visit include ***Mr. Satpal Panika* (Dept. of Mathematics), *Dr. Gopeshwar Dhar Dwivedi* (Dept. of Physics), *Ms. Priyanka Gupta* (Dept. of Chemistry), *and Ms. Jharna Maiti* (Dept. of Biochemistry)**. Transportation will be arranged by the university, and safety measures will be strictly enforced, including a safety briefing and the use of mandatory safety gear.

After the visit, students are required to either submit a report detailing their observations and learning outcomes or participate in a quiz to assess their understanding. A Certificate of Participation will be awarded upon successful completion of these activities. This visit is designed to enhance students' knowledge of industrial operations and provide valuable insight into dairy processing and related technologies. For any further queries, students may contact their respective faculty members.

Dr. Shilpi Shrivastava.

Faculty of Sciences

Industrial Visit Proposal

(B.Sc. (PCM), B. Sc. (Biochemistry), M. Sc. (Biochemistry) M. Sc. (Chemistry), M. Sc. (Mathematics), M. Sc. (Physics) Students)

1. **Purpose of the Visit:** The industrial visit aims to bridge the gap between theoretical learning and practical application by providing students with firsthand experience in an industrial environment, enhancing their understanding of industry standards and operations.

2. **Details of the Visit:**
- **Department:** Physics, Chemistry, Mathematics and Biochemistry
- **Industry:** Sarda Dairy & Food Products Ltd. (Vachan)
- **Location:** Kharora, Siwara, Chhattisgarh
- **Proposed Date:** 24th October 2024
- **Duration:** 1 Day
- **Participants:** 102 [50 Approx. and 4 Faculty]
- **Accompanying Faculty:**
  1. Mr. Satpal Panika (Dept. of Mathematics)
  2. Dr. Gopeshwar Dhar Dwivedi (Dept. of Physics)
  3. Ms. Priyanka Gupta (Dept. of Chemistry)
  4. Ms. Jhansi Malik, (Dept. of Biochemistry)

3. **Approval Procedure:** Approval from the departmental heads and university administration (Dean, Faculty of Science, DAA and Registrar) is required, along with industry consent from Sarda Dairy & Food Products Ltd.

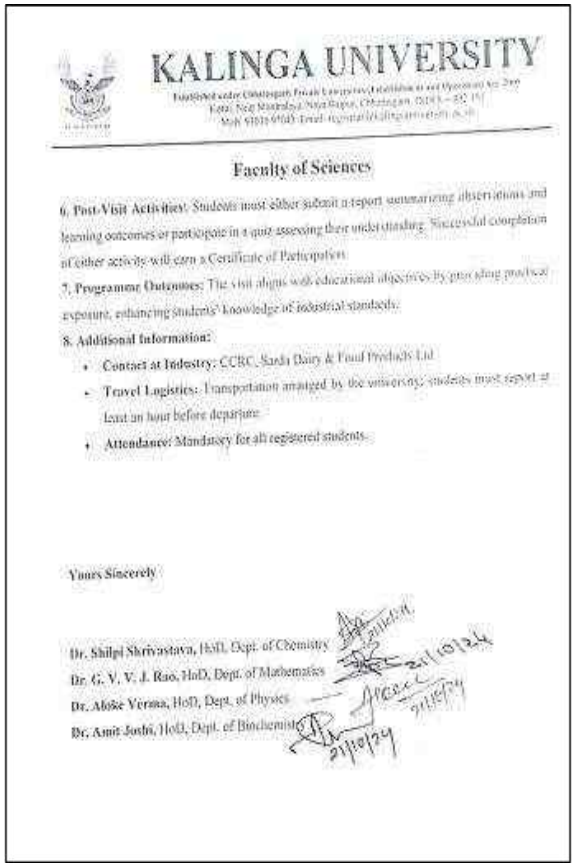
4. **Safety Measures:** A safety briefing will be conducted, emergency contact details shared, and appropriate safety gear will be mandatory.

5. **Learning Objectives and Expected Outcomes:** Students will gain insights into dairy processing operations, exposure to real-world applications, and opportunities for interaction with industry experts.

Forwarded to Registrar Sir for Approval

Approved with Transport

Page 1 of 3



KALINGA UNIVERSITY

Faculty of Sciences

6. **Post-Visit Activities:** Students must either submit a report summarizing observations and learning outcomes or participate in a quiz assessing their understanding. Successful completion of either activity will earn a Certificate of Participation.

7. **Programme Outcomes:** The visit aligns with educational objectives by providing practical exposure, enhancing students' knowledge of industrial standards.

8. **Additional Information:**
- **Contact at Industry:** CCRC, Sarda Dairy & Food Products Ltd.
- **Travel Logistics:** Transportation arranged by the university; students must report at least an hour before departure.
- **Attendance:** Mandatory for all registered students.

Yours Sincerely

Dr. Shilpi Shrivastava, HoD, Dept. of Chemistry

Dr. G. V. V. J. Rao, HoD, Dept. of Mathematics

Dr. Alokе Verma, HoD, Dept. of Physics

Dr. Amit Joshi, HoD, Dept. of Biochemistry

Objectives of Program:

1. To provide students with practical exposure to the operations of a dairy and food processing industry. ***2.*** To learn about the technological and scientific principles applied in dairy processing.

Details of Program:

The visit began with a warm welcome at about 11:30 am by the management team at Sarda Dairy & Food Product Ltd. The students and faculty members were briefed about the company's history, mission, and commitment to quality in dairy and food production. After this interaction students were taken some milk product drink at the canteen of the company. 36 students and four faculty members are grouped into two parts, each group has 20 people. They visited the processing and production units in parallel way. A comprehensive presentation was given by an industrial expert, detailing the dairy processing operations at the plant. The students were guided through various sections like as Milk Pasteurization Unit, Paneer Production Section, Yogurt and Flavored Milk Section, Quality Control Lab and packaging section, etc.

An interactive Question & Answer session allowed students to ask questions about industry practices, technological advancements in food processing, and career opportunities in the dairy industry. Experts discussed real-world applications of scientific and mathematical principles in maintaining production efficiency and quality.

The visit concluded at about 1:45 pm with closing remarks from the facility's management, thanking the students and faculty members for their participation. Feedback from the students was welcomed, and they expressed appreciation for the insights gained. At about 2: 00 pm university bus started to move back to the University. Students enjoyed the visit, definitely got benefit from this visit.

Program Outcome:

1. Students gained insights into the industrial processes of dairy production, including milk collection, pasteurization, and packaging.
2. Enhanced understanding of the applications of physics, chemistry, and mathematics in real-world industrial settings, especially in quality control and production efficiency.

Workshop on

Entrepreneurship & Innovation as a Career Opportunity

Organized by

"Faculty of Technology"

On

14.11.2024

Title- "Entrepreneurship & Innovation as a Career Opportunity"

Date: 14.11.2024

Time of event: 10:00 AM-12:00PM

Event Type: offline

Venue: Seminar Hall

Objective of Program:

Understand Key Concepts: Gain a thorough understanding of entrepreneurship and innovation as distinct yet complementary fields that drive business creation and growth.

Explore Viable Career Paths: Identify the diverse career opportunities within entrepreneurship and innovation, from starting a business to roles in corporate innovation and venture capital.

Develop Essential Skills: Build the skills necessary for entrepreneurial success, including creative problem-solving, resilience, financial literacy, and adaptability.

Cultivate an Entrepreneurial Mind-set: Foster a proactive, risk-tolerant approach to business challenges, emphasizing innovation, resilience, and agility.

Recognize Market Opportunities: Learn to analyse and identify unmet needs in various industries, guiding business ideas and innovative solutions.

Assess Risk and Reward: Understand the challenges and rewards of entrepreneurship, including the financial, emotional, and social impacts of pursuing innovative ventures.

Embrace Societal Impact: Recognize the role of entrepreneurship and innovation in driving economic development, creating jobs, and addressing social issues.

Inspire Lifelong Learning: Encourage ongoing personal and professional growth to keep pace with industry changes, emerging technologies, and evolving customer demands.

Profile of Resource Person:

Name: Mr. Agranshu Dwivedi

Designation: CEO (Incubation Cell)

Organization: CSVTU, Bhilai

Details of Program:

Workshop started by Dr. V. C. Jha, Dean In-charge Faculty of Technology. He welcomed the speaker and introduced about the faculty members of the faculty of Technology and all the students. The Resource person explained each and every steps of ***Entrepreneurship & Innovation as a Career Opportunity***.
Entrepreneurship and innovation represent dynamic and fulfilling career opportunities, allowing individuals to forge their own paths, create value, and make a tangible impact on society. A career in this field involves identifying market gaps, developing creative solutions, and bringing new products, services, or business models to life. Entrepreneurs and innovators are essential for driving economic growth, creating job opportunities, and advancing technology and social welfare.

Choosing a career in entrepreneurship and innovation provides the freedom to experiment, learn, and apply various skills—such as leadership, financial acumen, strategic thinking, and adaptability. This path isn't limited to starting a business; individuals can also work in innovation roles within established companies, manage start-ups, join venture capital firms, or even consult in fields like tech, healthcare, and social enterprise.

However, the journey requires resilience, a willingness to take calculated risks, and a mind-set focused on problem-solving. Entrepreneurship can be challenging and unpredictable, but for those with a passion for bringing ideas to fruition and a drive to make a difference, it offers unmatched personal growth and career satisfaction.

Program Outcome:

Enhanced Entrepreneurial Skillset: Graduates will possess practical skills in business planning, financial management, marketing, and leadership, enabling them to confidently start and manage their own ventures or lead innovation within organizations.

Innovation-Driven Mind-set: Participants will develop a mind-set geared toward innovation and creative problem-solving, allowing them to adapt quickly to changes and foster a culture of continuous improvement.

Risk Management and Resilience: Graduates will acquire tools for assessing risk and building resilience, preparing them for the uncertainties and challenges inherent in entrepreneurship.

Strong Networking and Collaboration Skills: Graduates will be able to build and leverage a professional network of mentors, investors, and peers, understanding the importance of collaboration in driving successful ventures.

Social and Ethical Awareness: Participants will gain an understanding of the societal impact of entrepreneurship, fostering a commitment to ethical decision-making and social responsibility in their ventures.

Number of students participated: 81

Number of faculty participated: 18

REF.NO. KU/ /DOS/ 2024-25/REPORT/15

22-11-2024

ORIANA INTERCOLLEGIATE/UNIVERSITY SPORTS FEST 2024

Date: ***14-11-2024 to 17-11-2024***
Event: ***Oriana Intercollegiate/University Sports Fest 2024***
Organized by: ***AIIMS***
Venue: ***AIIMS, Raipur***
No. of participants: ***80***

The Kalinga University sports teams took part in the ORIANA-2024 sports festival, which was organized by the All India Institute of Medical Science (AIIMS) Raipur from November 14th –17th , 2024. A total of 80 students participated in various sports, such as men's football, women's basketball, badminton, volleyball, kabaddi, futsal and weightlifting. Teams from different colleges competed fiercely, showing off their skills. Notably, Kalinga University's futsal team displayed exceptional skills and determination, securing second place in their respective events. Their outstanding performances earned them the first runner-up' trophies, bringing pride and recognition to the university. This remarkable achievement underscores Kalinga University's commitment to excellence in sports and reflects the hard work, teamwork, and dedication of players. The success of the teams in ORIANA-2024 has not only enhanced the university's reputation in the field of sports but also motivated other students to pursue sports excellence.

Report on

“IndustrialVisit”

Organizedby

Facultyof CS& IT
KalingaUniversity, NayaRaipurC.G.

On

20th Nov 2024.

Title- "Industrial Visit"

Date: 20/11/2204

Venue: Yasham Software Services Pvt Ltd, Sector 22, Naya Raipur (C.G.)

Name of the Faculty: Mr. Kamlesh Kumar Yadav and Ms. Ashu Nayak

No of Students: 36

Approval Letter:

Regarding Visit the Students for Computer Science and Information Technology to Your Company

Requested Sir,

This is for your kind information

Objectives of Program:

The primary objective of visiting the software development company for computer science student was to gain real-world insights into the software development process, industry practices, and the working environment of professionals in the field.

. Understanding Real-world Applications of Concepts

Learn how theoretical knowledge from coursework is applied in solving real-world problems.
Observe the use of modern technologies, tools, and frameworks in software development.

2. Exposure to the Software Development Life Cycle (SDLC)

Understand different stages of SDLC: requirement gathering, design, development, testing, deployment, and maintenance.

Familiarize with methodologies like Agile, Scrum, or DevOps.

3. Exploring Team Dynamics

Observe how developers, designers, testers, and managers collaborate to deliver projects.
Gain insights into the importance of teamwork, communication, and cross-functional roles.

4. Learning About Industry Trends

Understand current trends such as cloud computing, AI/ML, blockchain, and mobile app development.
Discover the adoption of open-source tools, automation, and software best practices.

5. Career Guidance

Interact with professionals to learn about career paths, required skills, and growth opportunities.
Seek advice on internships, certifications, and areas of specialization.

6. Understanding Company Culture and Work Environment

Observe workplace dynamics, office setups, and the balance of creativity and productivity.
Learn about the company's approach to problem-solving, innovation, and employee engagement.

7. Networking Opportunities

Build connections with industry professionals.
Establish contacts that could lead to mentorship, internships, or job opportunities.

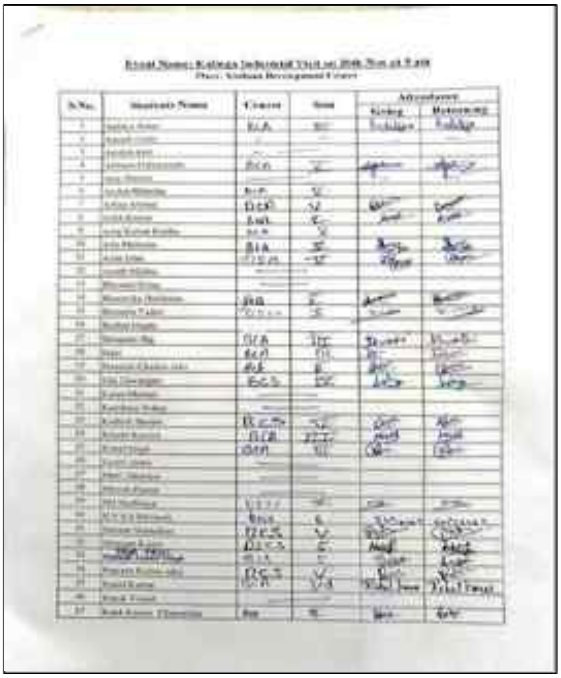
8. Motivation and Inspiration

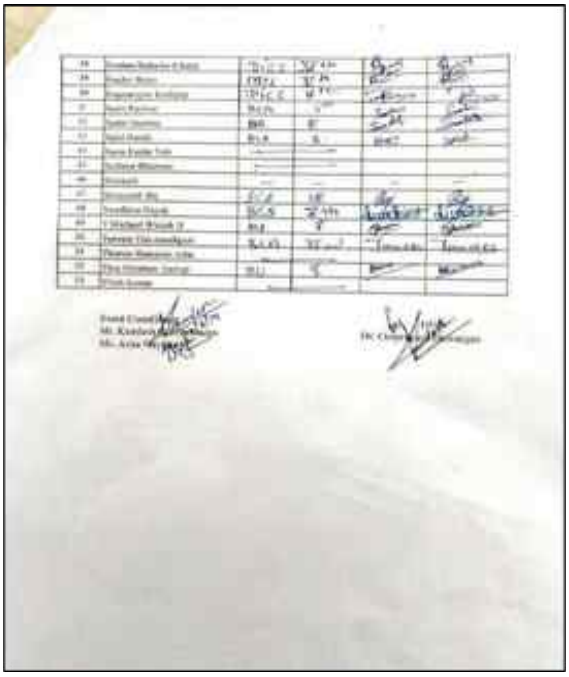
Witnessing real-world applications of computer science can inspire students to pursue their goals with more focus.
Exposure to successful projects and their impact on society can reinforce the importance of their field.

Outcomes:

By the end of the visit, students should have a clearer understanding of the software industry, enhanced enthusiasm for their studies, and a better idea of how to prepare for a career in technology.

Attendance of the Students:





Glimpses of Visit:

Making the Best Education, Career and Life Choices in 2024

Excursion cum Industrial Visit

To

"Shree Dhanwantari Herbals"

Organized by

Department of Biotechnology, Kalinga University,

Naya Raipur

On

28/12/2024-8/01/2025

Date: 28/12/2024-8/01/2025 (SDH Visit -31/12/2024)

Time: 9.30AM to 3.00 PM

Event Type: Offline

Attended by: Biotechnology department students and faculty members

Objective of the program:

The ***objective of an excursion cum industrial visit to Shree Dhanwantri Herbals*** is to provide students and professionals with ***practical exposure*** to Ayurvedic medicine manufacturing, research, and business operations and ***Nature Excursion*** is to provide participants with an immersive experience in natural environments, fostering a deeper understanding and appreciation of nature. Promote Environmental Awareness with importance of protecting natural habitats of herbs and flora. It aims to.

1. ***To learn Sample collection techniques from natural habitats & Understanding Ayurvedic Formulations*** – Learn how collect and maintain sample from natural habitats & traditional Ayurvedic principles are integrated with modern technology.
2. ***Observing Manufacturing Processes*** – Gain insights into the production of herbal medicines, including raw material selection, processing, and packaging.
3. ***Exploring Quality Control Measures*** – Understand the importance of ***ISO 9001:2015 and GMP certifications*** in ensuring product safety and efficacy.
4. ***Learning About Research & Development*** – Discover how the company innovates new formulations and improves existing products.
5. ***Understanding Business & Distribution*** – Get insights into the supply chain, marketing strategies, and distribution network of Ayurvedic products.
6. ***Exploring Sustainability & Ethical Practices*** – Learn about eco-friendly production methods and ethical sourcing of herbal ingredients.
7. ***Regulatory Compliance*** – Understand the legal and regulatory aspects of Ayurvedic medicine manufacturing.

Program schedule: Program was scheduled from 28/12/2020-8/1/2025(SDH visit date 31 December 2024 from 9.30AM to 3.00 PM)

Details of program:

[Amritsar, Punjab] The industrial visit to Shree Dhanwantari Herbals was organized for students of Department of Biotechnology to bridge the gap between theoretical knowledge and practical exposure. The visit provided an excellent opportunity for students to understand the natural habitats of herbs & the process involved in manufacturing herbal and Ayurvedic products, blending traditional formulations with modern science and the role of modern technology in large scale production alongwith site seen of nature, religious places with fun learning environment.

Details of the visit:

Date: 28/12/2020-8/1/2025

Participants: BSCBT II, IV, VI and MBT II, IV students, Ph.D. scholar, Biotechnology, BZBC II & IV semester

No. of students: 74

Mr. Sangram Keshari Samal (Asst. Prof. in Biotechnology)

Industry representative: Mr. Rajendra Shrimal, SDH, Amritsar, Punjab

Address of the industry: Nag Kalan, Majitha Road, Amritsar, Punjab (143601)

Company overview: Shree Dhanwantri Herbals was founded in ***1952*** by ***Late Vaidya Din Dyal Singh Ji*** in ***Amritsar, Punjab***. The company has been a pioneer in Ayurvedic medicine, blending traditional formulations with modern science to create effective herbal remedies. Over the years, it has expanded its operations, establishing state-of-the-art manufacturing units and research facilities. The company offers a wide range of Ayurvedic products, including ***digestive aids, respiratory treatments, diabetes care, skincare solutions, and stress relief supplements***. It manufactures over ***350 formulations*** and has a network of ***400+ professionals and 2000+ distributors***. Shree Dhanwantri Herbals is also a supplier to ***Central Government Institutions, Hospitals, and State Health Organizations***. Their commitment to quality is reflected in their ***ISO 9001:2015 and GMP certifications***, ensuring that their products meet high standards of purity and efficacy.

Activities during the visit:

Commencement of industrial visit from university campus: All the participant students and faculty members gathered in Amritsar, as the students were on the study tour Infront of the pre-arranged buses. An attendance sheet was circulated among students to ensure their participation and accurate recordkeeping from Raipur to Raipur (28/12/2024-8/1/2025). Each students required to report the faculty coordinators and sign the attendance mark. Before departure students were given brief on safety protocols for both the journey and the visit to the factory. This included

Instruction on behaviour during the factory visit.
Safety guidelines to be followed inside the manufacturing unit.

Once all verifications were completed, the group departed from the hotel approximately at 9.30 AM and reached the industry approximately 10.30 AM.

The industrial visit began with a welcome session conducted by the company's representative, who briefed the students about the history and growth of SDH. A presentation was given with an animated video, highlighting the history and current position of the industry along with manufacturing processes of different products like remedies for digestion, respiratory health, diabetes management, and skincare. After briefing the tour to manufacturing unit started. The tour was divided into 3 groups and groupwise students visited several sections, each focused on different aspects of the manufacturing process of 'Pet Safa', one of the famous remedy for poor digestion. They are:

1. ***Selection of Herbs*** – Carefully chosen natural ingredients based on Ayurvedic principles.
2. ***Cleaning & Drying*** – Herbs are cleaned to remove impurities and dried under controlled conditions.
3. ***Grinding & Extraction*** – Ingredients are ground into fine powder or extracted for active compounds.
4. ***Formulation & Mixing*** – Precise blending of herbal extracts to maintain efficacy.
5. ***Quality Testing*** – Ensuring purity, potency, and safety through rigorous testing.

After completion of the visit the industry representative interacted with students and clarify doubts of the students and provided valuable about the industry, career opportunities for Biotechnology students etc. After brief discussion, a quick snack break, followed by a photography session was done where group photo of students in front of the industry has been taken and after that student boarded the designated busses at 2.00 PM. The bus departed from SDH at 2.30 PM and the group returned to the hotel by 3.30 PM.after that they continue their excursion journey for golden temple, Manali, Manikaran etc and journey is over on the date of 8/1/2025 at Raipur.

Learning Outcomes

An Excursion cum ***industrial visit to Shree Dhanwantri Herbals*** can provide valuable insights into Nature, Ayurvedic medicine manufacturing, research, and business operations.

1. ***Understanding Ayurvedic Formulations*** – Learn how traditional Ayurvedic principles are integrated with modern science to create herbal medicines.
2. ***Manufacturing Process*** – Observe the step-by-step production of herbal products, including raw material selection, processing, and packaging.
3. ***Quality Control & Certifications*** – Gain knowledge about ***ISO 9001:2015 and GMP certifications***, ensuring product safety and efficacy.
4. ***Research & Development*** – Explore how the company invests in ***R&D*** to innovate new formulations and improve existing products.
5. ***Business & Distribution*** – Understand the supply chain, marketing strategies, and distribution network of Ayurvedic products.
6. ***Sustainability & Ethical Practices*** – Learn about eco-friendly production methods and ethical sourcing of herbal ingredients.
7. ***Regulatory Compliance*** – Get insights into the legal and regulatory aspects of Ayurvedic medicine manufacturing.

The objective of the Program:

1. To provide students with a practical insight into the traditional handloom weaving processes, materials, and techniques.

2. To enhance students' appreciation for the craftsmanship and cultural significance of handloom textiles and their role in preserving local traditions.
3. To familiarize students with potential career paths within the handloom and textile sectors, including entrepreneurship, design collaboration, and artisan partnerships.

Program Schedule:

4. Date of Industrial Visit: 21th March 2025
5. Department Name: Fashion Design.
6. Name of Faculties:
   - Dr. Mahima Nand HoD
   - Ms. Pooja Chandravanshi
   - Ms. Anjali Sharma
   - Dr. SmitaPremaNand
   - Mr. Abhishek Singh
7. No of Student: 17 Students

Details of Program:

1. Students will gain hands-on knowledge of various handloom weaving techniques, materials, and tools used in the process, allowing them to appreciate the craftsmanship involved in textile production.

2. The visit will help students understand the significance of sustainable fashion, ethical production methods, and the socio-economic impact of supporting local artisans and weavers.

3. The visit will provide students with insights into potential career paths in the handloom and textile industry, encouraging them to explore opportunities in artisan collaboration, entrepreneurship, and heritage preservation.

Program Outcome:

1. Students will observe and learn about various traditional handloom weaving methods, from setting up the loom to creating intricate fabric patterns and textures.
2. Through the expert lecture, They will gain an understanding of different fibers, yarns, and dyes used in handloom production, as well as the importance of selecting sustainable and eco-friendly materials.

Invitation as Resource Person – Workshop on "Raising Capital and Managing Finance for Startups" External Inbox ×

Rakshak Bharti Thu, Apr 3, 2:31 PM (4 days ago)

to Anuj, Saket, shiniki.pandey, me, komal.sahu

Respected Anuj Batra Sir,

Greetings from Kalinga University, Raipur!

The Faculty of Commerce and Management at Kalinga University is pleased to invite you as a **Resource Person** for a workshop on **"Raising Capital and Managing Finance for Startups."** The session aims to provide valuable insights into funding options, financial planning, and strategic financial management for startups.

Workshop Details:
Date: 08-04-25
Venue: Online(Google Meet)
Time: 02.30 PM-03.30 PM

Your expertise in venture capital, financial management, startup funding would be immensely beneficial for students, entrepreneurs, and faculty members attending the workshop. We would be honoured to have you share your insights and experiences.

Kindly confirm your availability at your earliest convenience. We look forward to your positive response and an engaging session.

For any further details, please feel free to contact us at 9399564405.

Looking forward to your esteemed presence.

Best regards

--
Rakshak Bharti
Assistant Professor
Faculty of Commerce and Management
Kalinga University
Raipur, CG

Objective of Program:

1. To equip participants with in-depth knowledge of startup funding mechanisms to confidently navigate the capital-raising process in the entrepreneurial ecosystem.

2. To develop and strengthen the entrepreneurial mindset and practical skills of participants, fostering innovation, strategic thinking, and effective investor communication to support the successful launch and growth of their ventures.

Profile of Resource person:

Resource Person:

Mr. Anuj Batra

Chief Business Strategist

Abbstrat Partners

"Bull" – Finance Club, Faculty of Commerce & Management, Kalinga University, continues its commitment to fostering financial literacy and entrepreneurial growth among students. On 8th April 2025, the club successfully organized a ***Workshop on "Raising Capital for Startups"***, providing a

practical and insightful platform for aspiring entrepreneurs and finance enthusiasts of Kalinga University.

The workshop aimed to educate students about various funding sources available for startups, guide them in crafting compelling investor pitches, offer insights into investor expectations and due diligence processes, develop skills in negotiating investment deals, and create opportunities to network with industry experts. The event attracted a highly engaged audience of students from multiple departments, particularly those interested in finance, business, and entrepreneurship.

The session was enriched by the presence of Mr. Anuj Batra, who served as the keynote speaker. He shared his extensive knowledge and experience in the startup funding ecosystem, covering critical aspects such as venture capital, crowdfunding, financial planning, and investor relations. His approachable style and practical examples made complex concepts easy to grasp, especially for beginners.

The event also featured an interactive Q&A segment, where students eagerly participated, seeking advice and clarifying doubts about funding challenges, pitch strategies, and growth planning. The workshop was conducted under the guidance of Dr. Shinki K. Pandey, HoD, Faculty of Commerce & Management, and was efficiently coordinated by Ms. Shivangi Makade and Mr. Rakshak Bharti, Assistant Professors & Faculty Coordinators of Finance Club – Bull.

The participants expressed their appreciation for the insightful session and practical tips shared during the workshop. Encouraged by the enthusiastic response, the Finance Club plans to host more such events in the future, with a focus on various dimensions of financial education and startup development. The workshop stands as a strong reflection of the Finance Club's mission to build financial acumen and empower students to take confident steps towards their entrepreneurial and professional goals.

Program Outcome:

Enhanced Industry-Specific Skills and Knowledge: Participants gained a comprehensive understanding of startup funding, with a strong foundation in key areas such as venture capital, angel investing, crowdfunding, financial planning, and investor relations. This knowledge equips them to better navigate the complexities of raising capital in today's entrepreneurial ecosystem.

Strengthened Entrepreneurial Mindset and Practical Skills: The workshop empowered participants with a strong entrepreneurial outlook, encouraging innovation, resilience, and strategic decision- making. Attendees learned how to approach investors, structure funding deals, and effectively communicate their startup vision—key competencies for launching and scaling successful ventures.

Resource Person:

Mr. Amitabh Saxena
CEO, Anexas Europe
(A Lean and Six Sigma Master Black Belt
with 34 Years of Experience)

Details of the Programs:

The Faculty of Commerce and Management at Kalinga University, Raipur, successfully organized an online seminar on “Six Sigma” on 17th April 2025. The event aimed to equip students and participants with practical insights into process improvement, quality management, and performance excellence. Six Sigma is a data-driven methodology that empowers organizations to identify inefficiencies, reduce defects, and ensure near-perfect quality in operations. The seminar also aligned with key United Nations Sustainable Development Goals: SDG 8 (Decent Work and Economic Growth), SDG 9 (Industry, Innovation and Infrastructure), and SDG 12 (Responsible Consumption and Production).

The program commenced with a warm welcome and opening address, setting a professional and engaging tone for the session. Dr Nishtha Sharma, Assistant Professor, Faculty of Commerce and Management extended her greetings to all participants and introduced the esteemed resource person. The session was led by Mr. Amitabh Saxena, CEO of Anexas Europe, a globally recognized Lean and Six Sigma Master Black Belt with 23 years of experience. Mr. Saxena shared valuable knowledge on Six Sigma frameworks such as DMAIC (Define, Measure, Analyze, Improve, Control), focusing on real-world applications across industries to achieve strategic goals and operational excellence.

An interactive discussion followed the presentation, where students and faculty members participated actively, asking insightful questions and sharing reflections on how quality improvement initiatives could be applied in various domains. Mr. Saxena’s approach highlighted the importance of data analysis, customer focus, and continuous improvement as key pillars of organizational success. The session helped participants understand how Six Sigma can serve as a catalyst for innovation and sustainable development, especially in a rapidly evolving business landscape.

The event was efficiently anchored by Dr. Nishtha Sharma, Assistant Professor, Faculty of Commerce and Management, while Dr. Jyotsna Dwivedi and Mr. Shubham Singh Chandel, Assistant Professors, served as coordinators, ensuring the program’s smooth execution and relevance to academic and professional development. The online format enabled broad participation, fostering a dynamic and inclusive learning environment.

In the closing remarks, Dr. Nishtha Sharma expressed heartfelt appreciation to Mr. Amitabh Saxena for delivering a thought-provoking and impactful session. Dr. Shinki K. Pandey, Head of the Faculty of Commerce and Management, also conveyed her gratitude, encouraging students to leverage the knowledge acquired for their career advancement and academic pursuits.
The seminar left a lasting impact on attendees, providing them with practical tools and strategic frameworks to enhance decision-making and contribute meaningfully to quality-focused cultures in organizations. It reinforced Kalinga University’s dedication to fostering industry-oriented education through expert-led initiatives and experiential learning platforms.

This session stands as a testimony to the university's commitment to bridging the gap between academia and industry, encouraging students to evolve as future leaders and change-makers. The university remains steadfast in organizing such knowledge-enhancing programs to support the holistic growth of its students.

Program Outcome:

Understanding of Six Sigma Principles and Methodology: Participants gained a foundational understanding of Six Sigma and its application in quality management and process improvement. The seminar enabled students to comprehend the DMAIC framework and its role in systematic problem-solving and performance optimization.

Awareness of Global Standards and Sustainable Practices: The session effectively aligned with the Sustainable Development Goals, particularly SDG 8, 9, and 12, encouraging participants to incorporate sustainable, efficient, innovative approaches in their future workplaces. It fostered a sense of responsibility towards building quality-driven and eco-conscious organizations.

Industry-Oriented Skill Development: Through real-world examples and interactive discussions, students acquired practical knowledge of Six Sigma tools and techniques used in diverse industries. The seminar inspired a proactive mindset toward achieving operational excellence and enhancing customer satisfaction.

Motivation for Professional Certification and Continuous Learning: The session sparked interest among participants to pursue advanced Six Sigma certifications and further explore career pathways in quality assurance, lean management, and strategic improvement roles. It reinforced the importance of lifelong learning and adaptability in today's competitive global environment.

Details of Program:

Kalinga University organized the International Conference on Emerging Technologies for Sustainable Development (ICETSD-2025) on 17th and 18th April 2025, under the leadership of the Faculty of Technology. The event was held in collaboration with Government Engineering College Raipur, Guru Ghasidas Vishwavidyalaya Bilaspur, Visvesvaraya Group of Institutions Gautam Buddha Nagar, UltraTech Cement, and the Center for Energy and Environmental Sustainability. Over 550 academicians, researchers, and industry experts have registered, and a total of 64 research papers were presented across seven technical tracks. The inaugural session was graced by eminent dignitaries including Dr. Rajiv Kumar (Chairman), Dr. Sandeep Arora (Chancellor), Dr. R. Sridhar (Vice Chancellor), Dr. Byju John (Director General), Dr. Sandeep Gandhi (Registrar), and Dr. Rahul Mishra (Dean Academic Affairs). Chief Guest Dr. S.P. Pandey emphasized the importance of sustainable development, and keynote addresses were delivered by experts like Dr. Sharad Chandra Srivastava, Dr. Ajay Tripathi, Dr. Brijesh Patel, Mr. Suman Kumar Gupta, and Dr. Bogireddy Chandra, covering advancements such as Industry 5.0, renewable energy, technological standards, and innovations in global logistics.

The seven technical sessions focused on crucial areas including sustainable agriculture and food security, global health innovation, water management and sanitation, transformative energy technologies, resilient development, technology-driven governance and justice, and educational technologies for sustainable learning. Convenors Dr. V.C. Jha, Dr. Manoj Kumar Nigam, and Dr. Swapnil Jain highlighted that the conference aims to publish a compilation of all research papers to further academic knowledge. A team of 25 professors and 30 students worked diligently to manage the event, ensuring its smooth execution. Several organizations such as the Naya Raipur Development Authority, Bureau of Indian Standards Raipur, Good Hope Blood Center Raipur, and other academic and industrial partners actively contributed to the success of the conference, showcasing a strong academia-industry collaboration.

The valedictory session was led by Dr. N.V. Ramana Rao, Director of NIT Raipur, who congratulated the convenors, coordinators, and organizing committee for the outstanding execution of the conference. He emphasized the importance of the conference themes in addressing global sustainable development challenges and praised the quality of research work presented. Dr. Rao also distributed Best Paper Awards to the winners from each of the seven tracks, encouraging further innovation and academic excellence. The conference firmly established Kalinga University's commitment to driving sustainable development initiatives through academic research, technological advancement, and collaborative efforts.

Objective of Program:

To foster the exchange of cutting-edge research ideas, innovations, and solutions among academicians, researchers, and industry experts to advance sustainable development across sectors such as agriculture, energy, health, water management, and education.

To build strong partnerships between academic institutions, research organizations, and industries to encourage the practical application of emerging technologies and align academic research with real-world needs.

To facilitate the dissemination of knowledge, standards, and best practices in sustainable technologies, empowering participants to develop strategies and policies that address global environmental and societal challenges.

Program Outcome:

Promotion of Research and Knowledge Sharing:
The conference facilitated the presentation and discussion of 305 research papers, enhancing interdisciplinary collaboration among academicians, researchers, and industry experts, and encouraging the development of innovative solutions for sustainable development.

Strengthening Academia-Industry Partnerships:
Through active participation and collaboration with leading organizations and institutions, the event strengthened academic and industry linkages, fostering the practical application of emerging technologies to address real-world sustainability challenges.

Recognition and Capacity Building:
The program empowered students and young researchers through active engagement and recognized outstanding contributions with Best Paper Awards, inspiring participants to contribute towards sustainable technological advancements and future policy developments.

Number of Registered Participants: 743

Number of Attendees: 600

Speaker Details and Highlights

Prof. (Dr.) Unnat P. Pandit

Likely Themes of Prof. (Dr.) Unnat P. Pandit's Address

Prof. (Dr.) Unnat P. Pandit, the Controller General of Patents, Designs, and Trademarks (CGPDTM) at the Government of India, delivered a keynote address during the inauguration of the Intellectual Property (IP) Utsav and the celebration of World Creativity and Innovation Day. The event was organized by the All India Council for Technical Education (AICTE) to promote awareness and understanding of Intellectual Property Rights (IPR) among students, researchers, and faculty members across technical institutions in India.

1. ***Promotion of Intellectual Property (IP***): Prof. Pandit is likely to highlight the significance of Intellectual Property in driving innovation and entrepreneurship, particularly in the context of academic and technical institutions. He might emphasize the role of patents, trademarks, and copyrights in encouraging creativity and safeguarding the interests of inventors and creators.

2. ***World Creativity and Innovation Day:*** Celebrating World Creativity and Innovation Day, Prof. Pandit may discuss the importance of creativity in technological advancements, scientific research, and the arts. He would possibly call on students, researchers, and innovators to harness their creative potential and protect their innovations through proper IP mechanisms.

3. ***The Growing IP Landscape in India:*** Given the growing focus on innovation in India, Prof. Pandit might highlight the increasing number of patent filings, with India becoming a significant player in the global IP ecosystem. The address could include statistics or success stories of innovation from Indian institutions and startups.

and development (R&D), and encouraging intellectual property generation. He could discuss the role of AICTE and other institutions in educating and guiding innovators in navigating the IP process.

5. ***Vision for 'Viksit Bharat' (Developed India):*** Prof. Pandit may align the IP Utsav with India's vision of becoming a 'Viksit Bharat' by 2047, emphasizing the contribution of IP in achieving this goal. He would stress the need for cross-collaboration between academia, industry, and government to create an innovation-driven economy.

Dr. Sacha Wunsch-Vincent

Address by Dr. Sacha Wunsch-Vincent

In today's fast-paced world, the boundaries of ***innovation*** are continually being pushed. From breakthrough technologies in biotechnology and AI to creative expressions in art, design, and entertainment, intellectual property is the bedrock upon which so much of modern society stands. It ensures that the fruits of human ingenuity and effort are protected, incentivized, and shared for the benefit of all.

1. The Role of IP in Fostering Innovation: Intellectual property, at its core, is about safeguarding ***creativity***, ensuring that inventors, artists, and innovators have the rights and protection they need to develop their ideas to their fullest potential. The ***patent system***, for example, encourages inventors to share their novel ideas with the world in exchange for the exclusive rights to benefit from them for a limited time. Similarly, ***copyright*** protects the creative works that inspire and enrich culture, while ***trademarks*** ensure that the brands and identities we associate with quality and reliability are safeguarded.

But beyond the legal protection, IP also plays a crucial role in promoting collaboration. It

2. World Creativity and Innovation Day: A Global Celebration: As we observe ***World Creativity and Innovation Day***, we are reminded that creativity knows no boundaries. It is something that transcends national, cultural, and disciplinary divides. Whether it is a new medical discovery, a groundbreaking piece of software, or a unique design, the contributions of individuals and communities around the globe form the foundation for a better, more sustainable future.

In this context, the celebration of IP Utsav is particularly important. It serves not only as a recognition of the immense value that intellectual property brings to innovation and society, but also as an opportunity to encourage further engagement with IP systems worldwide. Today, we celebrate the inventors, the creators, and the visionaries who dare to dream, to explore new ideas, and to contribute to making the world a better place.

3. The Indian Context: Here in India, the role of intellectual property is becoming increasingly significant. As the nation continues to grow as a hub of technological and creative innovation, it is essential that our IP framework evolves to meet the needs of our innovators while also promoting access to knowledge and fostering global collaboration. India's rich cultural heritage, combined with its growing technological landscape, presents immense opportunities for the protection and commercialization of new ideas. We must ensure that the IP system is accessible, efficient, and capable of supporting the next generation of innovators, whether they are in technology, medicine, or the arts.

4. Looking Ahead: The theme of this year's ***IP Utsav*** and ***World Creativity and Innovation Day*** encourages us to think about how we can ***create an inclusive and fair IP ecosystem***. As we look to the future, we must ask ourselves: How can we make IP more accessible to those who need it most? How can we ensure that the benefits of innovation are shared equitably? How can we strike the right balance between protecting the rights of creators and ensuring that knowledge and progress are accessible for all? As we continue to explore and answer these questions, let us remember that ***creativity*** and ***innovation*** are the engines of our future, and intellectual property is one of the tools that will help us unlock the full potential of those engines.

Dr. Dr. Abhay Jere, Vice Chairman, AICTE

On ***April 21, 2025***, during the ***IP Utsav*** and the celebration of ***World Creativity and Innovation Day***, ***Dr. Abhay Jere***, Vice Chairman of the All India Council for Technical Education (AICTE) and Chief Innovation Officer at the Ministry of Education, delivered a significant address aligning with the objectives of the ***National Education Policy (NEP) 2020***. His insights underscored the transformative role of innovation and entrepreneurship in shaping India's educational landscape.

Key Highlights from Dr. Abhay Jere's Address

and creativity. This approach aims to cultivate a generation capable of addressing real-world challenges effectively.

2. Promotion of Innovation and Entrepreneurship:

Dr. Jere discussed various initiatives under the Ministry of Education's Innovation Cell (MIC) that align with the NEP's vision of fostering innovation and entrepreneurship:

Smart India Hackathon (SIH): An open innovation model encouraging students to solve real-world problems.
Institution's Innovation Councils (IICs): Establishing innovation ecosystems across higher education institutions.
National Innovation and Start-up Policy (NISP): Providing guidelines to support student and faculty startups.
Innovation Ambassadors Program: Training faculty to mentor and guide students in innovation.
The Innovation, Design, and Entrepreneurship (IDE) Bootcamp: It is a flagship initiative by the Ministry of Education's Innovation Cell (MIC) and the All India Council for Technical Education (AICTE). Launched in 2023, this program aims to equip students, faculty, and early-stage startups with essential skills in innovation, design thinking, and entrepreneurship. The IDE Bootcamp is a ***5-day residential training program*** that provides immersive, hands-on learning experiences. Participants engage in modules covering:

1. ***Design Thinking for Entrepreneurs***
2. ***Human-Centered Opportunity Discovery***
3. ***Design Considerations for Products and Services***
4. ***Building Sustainable Business Models & Digital Presence for Startups***
5. ***Grants and Funding Opportunities & Pitching Ideas to Investors***

Dr. Jere emphasized that the NEP envisions a shift towards a more holistic and interdisciplinary education system. He reiterated the importance of fostering a culture of innovation to achieve the goal of a 'Viksit Bharat' (Developed India) by 2047. His address called for collaborative efforts between academia, industry, and government to create an ecosystem conducive to innovation and entrepreneurship.

Dr. Jere's address on April 21, 2025, reinforced the commitment to realizing the NEP's objectives, particularly in nurturing innovation and entrepreneurship within India's educational framework.

Prof. T. G. Sitharam, Chairman, AICTE

As the Chairman of the All India Council for Technical Education (AICTE), it gives me immense pride to witness the growing recognition of the importance of intellectual property in nurturing and protecting the innovations that are the cornerstone of progress. At AICTE, we are deeply

committed to empowering India's educational institutions to foster an environment of innovation, creativity, and entrepreneurship.

1. ***The Power of Innovation and IP:*** Innovation is the engine of growth in every society, and intellectual property is the fuel that keeps that engine running. From patents that safeguard new inventions to copyrights that protect creative works, from trademarks that establish brand identities to design protections that preserve the aesthetics of new products— IP plays a pivotal role in ensuring that innovators are recognized, rewarded, and incentivized to continue their work. It is important to remember that intellectual property is not just a legal tool; it is a mechanism for encouraging innovation, facilitating research, and advancing technology. When creators and inventors know that their ideas are protected, they are more likely to share them, to improve upon them, and to bring them to market where they can have a real impact on society.

2. ***AICTE's Commitment to Innovation and IP Awareness:*** At AICTE, we understand the importance of preparing the next generation of innovators. Our vision is to provide a platform for students, faculty, and researchers across the country to engage with intellectual property in meaningful ways. Whether it is through integrating IP education into technical curricula or encouraging entrepreneurship and startup incubation programs, AICTE is dedicated to nurturing an ecosystem that supports innovation. One of our key priorities is to enhance IP literacy among students. We aim to equip our students with the knowledge they need to understand the value of intellectual property, both for their own creations and for the works they will interact with in their careers. As future engineers, scientists, artists, and entrepreneurs, they will be the driving force behind India's next wave of innovations. Our job is to ensure they have the tools and understanding to protect and commercialize their ideas effectively.

3. ***World Creativity and Innovation Day: A Global Celebration:*** Today, as we celebrate World Creativity and Innovation Day, we are reminded of the vast potential of human ingenuity. This day serves as a global recognition of the importance of creativity and innovation in addressing the complex challenges of our time. Whether it's improving healthcare, developing sustainable technologies, or revolutionizing communication, innovation is at the heart of progress. Here in India, we are fortunate to have a growing number of young, talented minds who are eager to contribute to the global innovation ecosystem. As a country, we have a rich history of innovation— whether in the fields of science, technology, or the arts. The future of India's growth is inextricably linked to its ability to innovate, protect its intellectual assets, and share its solutions with the world.

4.

The Role of IP Utsav: The IP Utsav is a unique initiative that brings together innovators, educators, entrepreneurs, and IP professionals to exchange ideas, share knowledge, and celebrate the rich potential of intellectual property. This platform encourages dialogue between academia, industry, and policymakers, fostering a spirit of collaboration that is vital to solving the problems of today and tomorrow. I am excited to see the various workshops, discussions, and competitions that will take place over the course of this event. These activities will not only highlight the importance of intellectual property but will also inspire and empower individuals to engage with the IP system, ensuring that India's innovations are protected and celebrated.

Fostering a Culture of Innovation in India: As India continues to evolve as a global hub for innovation and entrepreneurship, it is essential that we build a robust and inclusive IP ecosystem. This means ensuring that creators from all walks of life—from the research labs of our top institutions to the rural villages of our country—have the opportunity to protect and benefit from their ideas. By strengthening IP education, creating opportunities for innovation, and fostering a culture of collaboration, we can ensure that India is a leader in the global knowledge economy. The Indian government and AICTE are fully committed to this vision. We are working with universities, research institutions, and industry partners to create policies and infrastructure that support innovation. From startup accelerators to incubators, from patent facilitation centers to collaborative research networks, we are investing in the future of our innovators.

2:00 P.M. – 2:10 P.M.	Vote of Thanks		Ms. Rudrani Acharya
2:10 P.M. – 2:40 P.M.	Campus Visit		Marketing department
2:40 P.M. – 3:30 P.M.	Lunch		Admin
3:30 P.M.	Departure		Admin

FEEDBACK

POSITIVE FEEDBACK:

1. We had good number of registrations for the event, around 155 students from good reputed institutes like MAAC College, Disha College, NIT Raipur, Paragati College, Rungta College, CSIT College, Archies Academy, Study Point Coaching center etc. and around 11 faculties from these institutes also joined for the event.

2. All the arrangements made by the admin team including transport, Lunch and refreshments etc. were delivered on time.

majority of the crowd was female, her session would have motivated a lot of girls to take up MBA.

4. The session hosted by CCRC Dept. was very nice, especially the exercise/activity hosted by Mr. Saurabh Banwar Sir was very impressive.

5. Ms. Shreya Sharma was good as the Master of Ceremony.

NEGATIVE FEEDBACK:

1. Out of the 3 speakers Ms. Yogita Rawat spoke very well, but Mr. Srinu and Mr. Gaurav were average speakers.

2. The total crowd of 155 students consisted few students of class 12th as well (around 15) and a class 10th student who came in along with a faculty.

3. We had to include Mr. Srinu K. as the Key Note Speaker in the very last moment (just before the start of the event), which resulted in disturbance of schedule.

4. Due to the inclusion of Mr. Srinu's and VC Sir's session, we had to abort the business quiz round which could have been more engaging for the crowd.

5. The feedback of Mr. Srinu was average, he spoke well but the content consisted more over a branding of KU and NASSCOM.

6. Almost every speaker started the session by asking how many of you are interested to do MBA, please note that the event consisted of Raw students who had to be dragged towards MBA after the event got finished, Registrar Sir's session was purposely included in the end so that the students could not sense any kind of branding/marketing in the beginning itself, but all the speakers stated this question which in turn made the students realize that we wanted admissions indeed.

Total No. of KALSEEs from the Event: 4

Total No. of Admissions from the Event: Nil

EXPERT TALK

ON

"BREAKING BARRIER: CREATIVE RESEARCH STRATEGIES"

Organized by

"Faculty of Pharmacy,

Kalinga University"

On

2nd SEPTEMBER 2024

Title- "Breaking barriers: creative research strategies"

Date: 02.09.2024

Event Type: Offline

Venue: Auditorium, Kalinga University

Event Poster:

Objective of Program:

1. To explore innovative and unconventional approaches to research that challenge traditional methods, fostering creativity and interdisciplinary collaboration.
2. Attendees gained insights into overcoming common research obstacles, leveraging diverse perspectives, and applying creative problem-solving techniques to generate impactful and groundbreaking results.
3. The session aims to inspire researchers especially UG graduates and PG scholars to break down their barriers and come out with productive results by utilizing the natural resources for their research works.

Program Schedule:

Sl. No	***Title***	***Time***
1	Inaugration of programme	11.00 AM
2	Welcome speech	11:10 AM – 11:20 AM
3	Expert talk	11:30 AM- 1:30 PM

4	Vote of thanks	1:30 PM- 1:40 PM

Details of the program:

In a world that is rapidly evolving, where challenges are becoming increasingly complex and interconnected, the need for creative research approaches has never been more critical. In this expert talk, we have explored how breaking barriers in research can lead to groundbreaking discoveries, foster interdisciplinary collaboration, and ultimately, push the boundaries of what we know and can achieve. Breaking these barriers requires a shift in mindset - a willingness to challenge the status quo, to embrace uncertainty, and to explore unconventional paths. Creative research strategies empower us to do just that, enabling us to think outside the box, leverage diverse perspectives, and approach problems from new angles. The Expert Talk was organized under the guidance of ***Dr. Sandip Prasad Tiwari (Principal)*** Faculty of Pharmacy. The event was coordinated by Ms. Rashmi Pandey (Assistant Professor) and Ms. Khushboo Gupta (Assistant Professor) with an organizing committee including Dr. Ashok Kumar, Mr. Pranjul Shrivastava, Mr. Ayushman Roy, Mr. Mrutunjaya Bhanja, Mr. Naimish Nanda, Mr. Smruti Ranjan Dash, Dr. Rupali Bharti Sao, and Ms. Rashmi sinha. The Lecture was held by ***Dr. Debarshi Kar Mahapatra. (Associate Professor and Head of Pharmaceutical Chemistry, Shri Rawatpura Sarkar Institute of Pharmacy Kumari dist-durg, Chattisgarh).*** The event was attended by the students of M. Pharm, B. Pharm, Pharm.D, and D.Pharm.

In this Expert talk ***Dr. Debarshi Kar Mahapatra*** inspires undergraduate and postgraduate students to break the barriers and produce productive results by utilizing the minimal facilities available at the lab scale and incorporating natural phytoconstituents in their research works. By utilizing the natural drug, we can target several receptors and the pathway to outbreak our barrier in the field of research.

Program outcome:

1. Participants got innovative ideas to utilize the natural components in their research work.
2. Got the awareness that undergraduate students can also contribute to great research works.

“Department of Interior Design”

On

12/11/2024 and 13/11/2024

Title- "Ceramic Texture and Paper Crete Artworks***"***

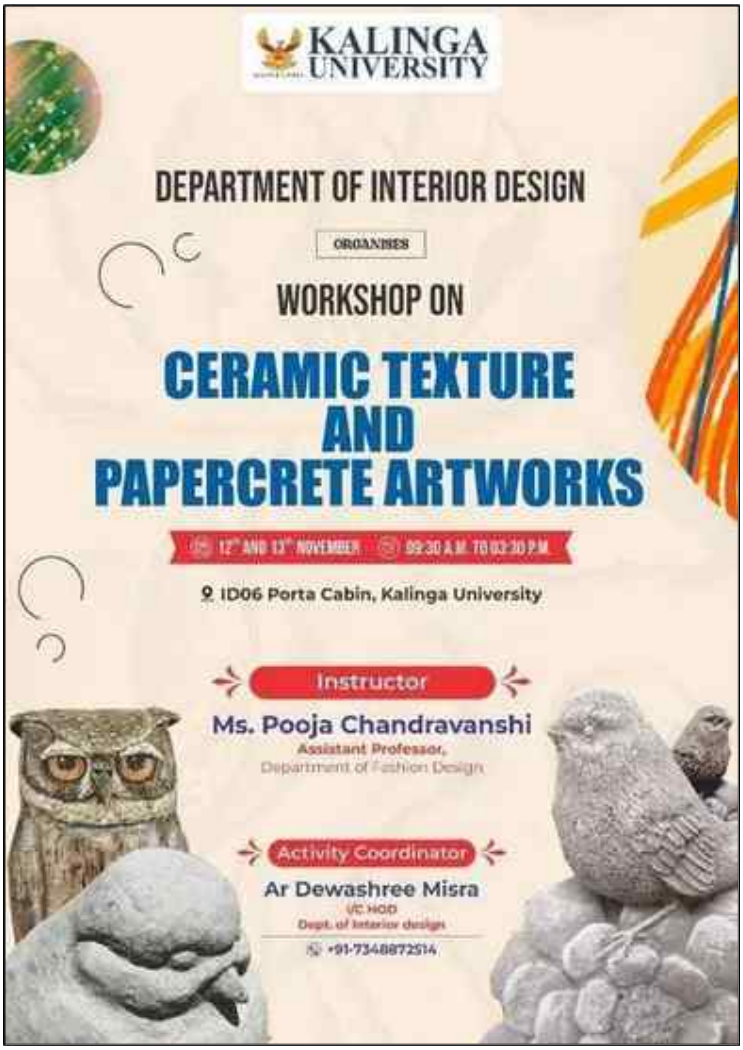
Date: 12-11-2024 and 13-11-2024

Time of event: From 9:30 AM to 3:30 PM

Event Type: Offline

Venue: DepartmentofInteriorDesign,ID06,PortaCabin, Kalinga University, Nava Raipur Atal Nagar, C.G

Event Poster:



The objective of the Program:

To equip students with foundational skills and techniques in material manipulation, including mixing, preparing the dough, texturing, and finishing, across mediums such as, ceramics, china clay, brown clay and white cement.

Profile of Resource person (if applicable):

Resource Person: Name: Ms Pooja Chandravanshi

Designation: Assistant Professor, FD Dept
Organization: Kalinga University, Kotni,
Raipur (C.G.)

Program Schedule:

1. Date of workshop: 12-11-2024 and 13-11-2024
2. Department Name: Department of Interior Design
3. Name of Faculties: i) Ar. Dewashree Misra, i/c HOD
   ii) Ar. Preeti Mishra, Asst Prof.
   iii) Ar. Reeti Choudhary, Asst Prof.
4. No of Student with Sem: 1rd Semester 12 Students
   3rd Semester 0 Students 5th Semester 4 Students
   Total: 16 Students

Details of Program:

1. Students were trained in the use of basic and advanced tools for working with ceramics and papercrete, including methods for safely handling and preparing materials like clay, China clay, brown clay, and white cement.
2. Students were taught essential techniques such as mixing, preparing clay and papercrete dough, texturing, shaping, and finishing to create robust and aesthetically unique surfaces.
3. Students were guided from concept development through final product creation, focusing on factors like structural stability, texture, color, and surface finishing to produce visually striking works.

Program Outcome:

Students acquired practical skills in mixing, shaping, and texturing ceramics and papercrete, which provided a solid foundation in handling various materials and creating textured surfaces with artistic and structural integrity.

Number of Students who participated: 16

Number of faculty participated: 03

To,

The Registrar
Kalinga University, Raipur

Through: Dean Academic Affairs

Subject: Regarding Conducting Guest Lecture in Online Mode

Respected Sir,

As per mentioned in SOP, which is issued by DAA Office, The Faculty of CS and IT is going to conduct the Guest Lecture on **"Information and Communication Technology for Effective Learning"** in Online Mode. The details are here:

Name of Guest	Dr. J P [redacted] Patra
Designation	Associate Professor
Department	Computer Science and Engineering
Institute Name	CSVTU, Bhilai
Date	21/11/24
Time	11:30 AM – 12:30 PM

So, kindly grant the permission for the same and provide the following things:

1. Formal invitation letter in the university letter head
2. Certificate
3. Remuneration as per guest designation
4. Allow to attend the students as well as faculty members of CS and IT during the above mentioned time.

Approved & forwarded to Registrar Sir for final approval

16/11/24

Thanks & Regards

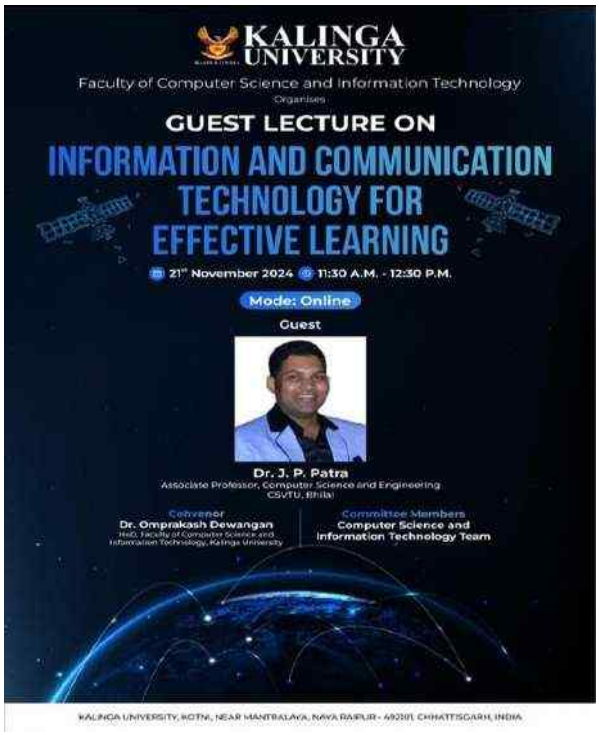
Event Poster:



Invitation to the resource person: (If applicable) – An invitation was sent through the phone.

Objectives:

The objective of the guest lecture on "Information and Communication Technology (ICT) for Effective Learning" can be outlined as follows:

1. ***Introduce ICT in Education :*** To familiarize students as well as faculties with the role and significance of ICT in enhancing the learning process.
2. ***Enhance Digital Literacy :*** To build awareness about various digital tools and platforms that support effective learning and knowledge sharing.
3. ***Promote Interactive Learning:*** To demonstrate how ICT enables interactive, engaging, and collaborative learning experiences.
4. ***Foster Critical Thinking:*** To encourage the development of critical thinking and problem-solving skills using ICT tools.
5. ***Highlight Accessibility and Flexibility:*** To emphasize how ICT facilitates access to diverse educational resources anytime and anywhere, enabling personalized and flexible learning.

6. ***Prepare for Future Trends:*** To discuss emerging ICT trends in education, such as AI, AR/VR, gamification, and their implications for the future of learning.
7. ***Address Challenges and Opportunities:*** To identify challenges related to the use of ICT in learning and discuss strategies to overcome them while leveraging its opportunities effectively.
8. ***Inspire Lifelong Learning:*** To motivate students to use ICT as a tool for continuous learning, personal development, and staying updated with the latest advancements in their fields of interest.

Program Schedule: 21st Nov 2024, 11:30am to 12:30pm

Details of Program

The webinar titled "***Information and Communication Technology for Effective Learning***" was organized to explore how digital tools and resources can enhance the teaching and learning process. It aims to provide educators and learners with insights into leveraging ICT to improve engagement, collaboration, and accessibility in educational settings. The session focuses on practical strategies for integrating technology into curriculum design, addressing challenges such as digital literacy, and fostering innovative approaches to education. By the end of the webinar, participants are expected to gain a deeper understanding of how ICT can transform traditional learning environments into dynamic, interactive and inclusive spaces.

The Webinar was featured with speaker ***Dr. J P Patra***. Speaker shared his experiences and conducted online Quiz game explaining how learning can be done with fun.

Program Outcome:

The program outcomes of a guest lecture on "Information and Communication Technology (ICT) for Effective Learning" could be summarized as follows:

1. ***Understanding ICT in Education:*** Students will gain a clear understanding of the role and impact of ICT in modern education and its potential to transform learning experiences.
2. ***Improved Digital Competence:*** Students will acquire knowledge about various ICT tools, platforms, and applications that can be integrated into their learning processes.
3. ***Enhanced Learning Strategies:*** Students will learn innovative and effective strategies for leveraging ICT to enhance comprehension, retention, and application of knowledge.
4. ***Collaboration and Engagement Skills:*** Students will develop an appreciation for the collaborative opportunities provided by ICT, including tools for group work, discussions, and peer learning.

5. ***Critical Thinking and Problem-Solving:*** The program will inspire students to use ICT to analyze information critically, solve problems, and approach tasks creatively.
6. ***Awareness of Emerging Technologies:*** Students will become familiar with new trends in ICT, such as AI, AR/VR, and gamification, and their implications for the future of learning.
7. ***Personalized and Lifelong Learning:*** Students will understand how ICT supports self-paced, personalized learning and fosters a habit of continuous, lifelong education.
8. ***Preparedness for Future Careers:*** Students will recognize how ICT skills are essential for career readiness in a technology-driven world and their relevance across various industries.
9. ***Confidence in ICT Integration:*** Students will feel more confident about integrating ICT into their academic and professional pursuits effectively and efficiently.

Mr. Prakhar Agarwal: Founder of go-tofriend.

Details of Program:

Kalinga University, Naya Raipur hosted the fourth edition of its annual innovation challenge, Ideathon ***4.0***, on ***November 22nd –23rd, 2024***. This highly anticipated event provided a dynamic platform for young innovators to present entrepreneurial ideas and business plans aimed at addressing pressing market challenges. The competition drew participants from leading institutions across India and abroad, underscoring the event's prestige and impact.
The event commenced with a traditional lamp-lighting ceremony, symbolizing the dispelling of ignorance and the ushering in of knowledge and enlightenment. This auspicious ritual was performed by esteemed dignitaries from Kalinga University, including the Vice-Chancellor and senior faculty members, along with the panel of expert judges. Following this, a warm welcome address was delivered by the Vice-Chancellor, who emphasized the university's commitment to fostering innovation, creativity, and entrepreneurship among young minds.

The sessions were held in hybrid mode and the winning team was awarded INR 25,000, with runners-up receiving prizes of INR 15,000, INR 10,000, and INR 5,000. Notably, outstanding proposals received incubation opportunities through the university.

The event concluded with a heartfelt vote of thanks by Dr. Deepti Patnaik, Convenor of Ideathon 4.0, representing the organizing team. In this address, she expressed gratitude to all the participants for their enthusiastic involvement and to the expert panelists for sharing their invaluable insights and guidance throughout the event. Special appreciation was extended to the university's leadership for their unwavering support and to the organizing team for their meticulous planning and execution, ensuring the event's success.

Participation and Institutions represented

The event saw participation from a diverse range of national and international institutions, reflecting its global appeal. Prestigious participants included: Universitas Islam Indonesia and the University of British Columbia, IIT Hyderabad, Master Union School of Business (Haryana), IIEBM Pune, ICFAI, Amity University, CVR Hyderabad, and NISM Mumbai, K.K. Modi University and Shri Davara University.

Participants were grouped into teams of up to five members, each required to submit a detailed business plan.

Evaluation Process:

Thecompetitionfollowed a two-phase evaluation process:

1. ***Preliminary Screening***: Business plans were meticulously reviewed, with only the most promising entries advancing to the finals.
2. ***Final Showcase***: Finalists presented their proposals to an expert panel in a hybrid session, combining in-person and virtual participation for inclusivity.

Awards and Recognition

Thecompetition awardedcash prizes to the top-performing teams, alongside incubation opportunities for exceptional proposals.

- ***Winner***: Team SDU from Shri Davara University
  - Prize: INR 25,000
  - Recognized for their innovative and practical business solution addressing a significant market challenge.
- ***First Runners-Up***:
  - ***Team Revibe***, Christ University, Bangalore.
  - ***Team Spawn Right***, Master Union School of Business, Haryana.
  - Shared Prize: INR 15,000.
- ***Second Runners-Up***:
  - ***Team Surbhi Incense***, ITM University.
  - ***Team PicaPool***, IIT Hyderabad.
  - Shared Prize: INR 10,000.
- ***Third Runner-Up***:
  - ***Team Brain Box***, Universitas Islam Indonesia.
  - Prize: INR 5,000.

Highlights and Impact

- ***Encouraging Innovation***: The event showcased creative and entrepreneurial talent, encouraging participants to develop practical solutions for real-world problems.
- ***Fostering Collaboration***: By engaging participants from national and international academic institutions, Ideathon 4.0 highlighted the value of cross-cultural collaboration.
- ***Support for Startups***: Angel investor showed interest in investing in two teams Team Waylo and Team Custom Engine.

Ideathon 4.0 was a resounding success, reinforcing Kalinga University's position as a hub for innovation and entrepreneurship. The event bridged the gap between academia and industry, inspiring participants to think critically and creatively about market challenges.

Program Outcome:

- ***Fostering Entrepreneurship***: Promoting a culture of innovation and entrepreneurship within the University
- ***Community Engagement***: Building connections with local businesses, investors, and mentors.

- ***Brand Recognition***: Enhancing the University's reputation as a supporter of entrepreneurial growth.
- ***Talent Identification***: Identifying high-potential individuals or ideas that could lead to partnerships or further investment.

Number of Students participated: ***48 teams***

Number of faculty participated: 20

“CODING COMPETITION”

Organized by “Infinity Club of Faculty of Computer Science & Information Technology”

On

24/01/2025

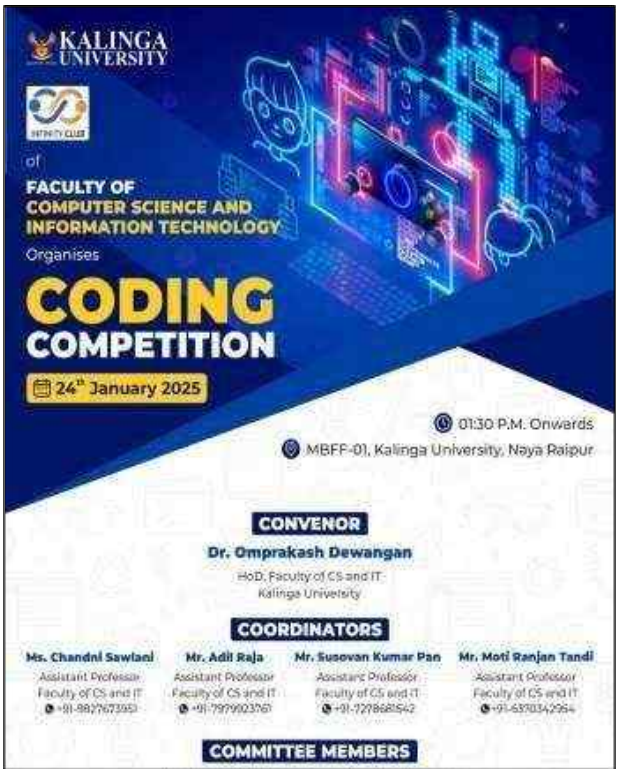
Date: 24/01/2025

Time of event: 1:30 PM-03:30 PM

Event Type: Offline

Venue: MBFF-01, MBFF-20 (Computer Lab.)

IOM/Circular:



Program's Objectives

1. ***Encourage Problem-Solving Skills:*** To foster logical thinking and analytical abilities among participants.
2. ***Enhance Team Collaboration:*** To provide a platform for students to collaborate and solve complex challenges together.
3. ***Expose Students to Real-World Challenges:*** To simulate real-world software development and debugging scenarios.
4. ***Promote Competitive Programming Culture:*** To inspire students to engage in competitive coding regularly and improve their skills.
5. ***Identify and Nurture Talent:*** To discover students with exceptional coding skills and guide them toward further growth.
6. ***Strengthen Programming Fundamentals:*** To test and reinforce basic and advanced

Program Schedule and Details of Program:

Time	*Activity*	*Description*
1:30 PM	*Reporting Time*	All registered participants must report at the venue or online meeting platform. Attendance will be taken, and participants will be welcomed.
1:35 PM	*Briefing of the Coding Competition*	The event organizers provide a detailed briefing about the competition rules, guidelines, scoring criteria, and technical instructions.
1:45 PM	*Link Distribution*	The HackerRank competition link will be sent to all registered participants via email. Participants are instructed to log in by 1:55 PM.
1:55 PM	*Final Preparations*	Participants complete logging into HackerRank. Organizers resolve any last-minute technical issues or queries.
2:00 PM	*Coding Competition Begins*	The official one-hour coding challenge starts on the HackerRank platform. Participants solve programming problems within the given time limit.
3:00 PM	*Coding Competition Ends*	The platform automatically closes submissions, and participants' results are recorded.
3:05 PM	*Feedback Form Distribution*	A feedback form is distributed (online or offline) to gather participants' thoughts and suggestions about the competition.
3:15 PM	*Feedback Collection and Closing Remarks*	Participants submit their completed feedback forms. Event organizers deliver closing remarks, thank participants, and announce the results date.

No. of Participants: Total 67 teams (67 students) – Attached List

No. of Faculty members involved: Total 17- Attached List

Key Points

1. ***Platform:*** HackerRank (link sent via email at 1:45 PM).
2. ***Duration:*** One-hour coding competition (2:00 PM to 3:00 PM).
3. ***Feedback:*** 10-minute feedback collection process after the competition.
4. ***Time Management:*** Strict adherence to the schedule to ensure smooth execution.

Judegment By: Hacker Rank plathform leaderboard (Auto system generate result basedontime)

Winner Prize and Certificate:

1st : SHIVAM KHADANGA (BTCS-4 Th SEM.)- Cash Prize 551/ with certificate

2nd : SOURABH SAO (MCA- 2 nd SEM.)- Cash Prize 351/ with certificate

3rd : HARSH RAWANI (MCA- 2 nd SEM.)- Cash Prize 251/ with certificate

UNIVERSITY

Infinity Club of the Faculty of
Computer Science & Information Technology

CODING COMPETITION

CERTIFICATE

OF ACHIEVEMENT

With great pride, we award this Certificate of Best Participant to

Mr.. HARSH RAWANI

of **MCA- 2nd SEM.** for securing the 1st position in the **"Coding Competition"** held by the Infinity Club, Faculty of Computer Science and Information Technology, Naya Raipur, on **24th January 2025.**

This award is not only a reflection of your coding talent but also a contribution to the **Sustainable Development Goals (SDGs)**, as it aligns with **SDG 4, SDG 8, SDG 9, SDG 10 & SDG 17.**

Dr. Omprakash Dewangan — HoD, Faculty of CS & IT
Dr. Sandeep Gandhi — Registrar
Dr. R. Shridhar — Vice-Chancellor

Kalinga University, Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh - 492101

Participation Certificate

KALINGA UNIVERSITY

Infinity Club of the Faculty of

CODING COMPETITION

CERTIFICATE

OF PARTICIPATION

This Certificate of Participation is awarded to

Mr./Ms. _____ of _____ in recognition of their active involvement in the **"Coding Competition"** organized by the Infinity Club, Faculty of Computer Science and Information Technology, Naya Raipur, on 24th January 2025.

This award is not only a reflection of your coding talent but also a contribution to the **Sustainable Development Goals (SDGs), as it aligns with SDG 4, SDG 8, SDG 9, SDG 10 & SDG 17.**

Dr. Omprakash Dewangan — HoD, Faculty of CS & IT
Dr. Sandeep Gandhi — Registrar
Dr. R. Shridhar — Vice-Chancellor

Kalinga University, Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh - 492101

Benefits and Outcomes:

Benefits

Encourages Analytical Thinking: Participants develop logical reasoning and problem-solving skills while tackling real-world coding challenges.

Improves Technical Skills: Competitions test knowledge of algorithms, data structures, and programming fundamentals, helping students refine their technical expertise.

Boosts Competitive Spirit: Encourages healthy competition among students, fostering motivation and a desire to perform better.

Prepares for Industry Standards: Exposure to platforms like HackerRank familiarizes students with tools used in professional coding challenges and hiring tests.

Enhances Career Opportunities: Students can showcase their performance in competitions as an achievement in their resumes, increasing their employability.

Fosters Team Collaboration: If conducted in teams, it helps participants learn collaboration and communication skills essential for real-world projects.

Identifies and Nurtures Talent: Exceptional performers can be identified, mentored, and guided toward national or global competitions.

Promotes Creative Problem-Solving: Participants explore innovative ways to solve problems, promoting creativity and out-of-the-box thinking.

Builds Confidence: Overcoming coding challenges in a competitive setting boosts students' confidence in their programming abilities.

Encourages Networking: Coding competitions provide a platform for students to interact with peers, mentors, and organizers, fostering professional connections.

Outcomes

These focus on the long-term impact of the competition, emphasizing what participants can achieve and how it aligns with their goals.

1. ***Future Prospects:*** Highlight how the skills and experience gained will benefit participants in their academic and professional endeavors.
2. ***Career Impact:*** Showcase the potential impact of participating on students' future careers, such as increased employability or recognition by recruiters.
3. ***What You'll Walk Away With:*** Provide a clear list of the knowledge, skills, and achievements participants will have by the end of the event.
4. ***Learning Milestones:*** Outline the incremental learning achievements participants can expect, such as understanding advanced algorithms or debugging techniques.

ranking on HackerRank, or solving real-world problems efficiently.

6. ***Results and Beyond:*** Reflect on both immediate results, like competition scores, and long-term implications, like preparing for national-level hackathons.
7. ***Shaping Your Path:*** Illustrate how the competition acts as a stepping stone toward participants' aspirations in tech and coding.
8. ***Post-Event Opportunities:*** Emphasize follow-up opportunities, such as mentorship programs, further coding challenges, or connections with industry professionals.
9. ***Skillset Enhancement:*** Focus on the technical and professional skill improvements participants will notice after the event.
10. ***Roadmap to Success:*** Frame the competition as part of a larger journey, showing how it aligns with participants' long-term goals in technology and innovation.

Applicable Sustainable Development Goals (SDGs):

- ***SDG 4: Quality Education***
  - ***How It Applies:*** Your event promotes quality education by fostering technical and problem- solving skills in participants. It creates a learning environment that encourages innovation and enhances employability, bridging the gap between academic learning and industry needs.
- ***SDG 8: Decent Work and Economic Growth***
  - ***How It Applies:*** By training students in coding, a highly employable skill, you are preparing them for the future workforce. Competitions like this encourage creativity and equip participants with the tools needed for productive employment in technology-driven economies.
- ***SDG 9: Industry, Innovation, and Infrastructure***
  - ***How It Applies:*** Your competition promotes innovation by challenging participants to solve real-world problems through technology. This aligns with building resilient infrastructure and fostering innovation in industries.
- ***SDG 10: Reduced Inequalities***
  - ***How It Applies:*** By providing an equal opportunity for all students to participate, regardless of their background, your event works toward reducing inequalities in accessing quality education and skill-building platforms.
- ***SDG 17: Partnerships for the Goals***
  - ***How It Applies:***If yourcompetitioninvolves collaborationwithorganizations(e.g.,Hacker Rank or sponsors), itexemplifiespartnerships thatpromotesustainabledevelopmentand collective learning.

To

The Registrar

Kalinga University

Naya Raipur (C.G.)

Date: 20.01.2025

Subject: Proposal letter for conducting an event **"Kawach - Awareness of Self-Defence"**

Respected Sir,

We are writing to seek your kind approval to conduct an event **Kawach** in awareness of self-defence through which we create awareness among youth of our University & Society. As the organizer Mr. Anil Jetsinghani wants to conduct on 25.01.2025 and submitted the proposal letter but on 25th January (Saturday) there is already an ongoing prescheduled sports event in which students and sports dept. will be engaged.

So for the success of this event we required maximum participation of students hence we are proposing to conduct the event on 24th January 2025, and also request our Respected DAA Dr. Rahul Mishra Sir to kindly relieve students for the same.

Event Details:

- **Date**: 24th January 2025 (Friday)
- **Time**: 01:30 PM to 03:30 PM
- **Venue**: KU Auditorium
- **Event Name**: "Kawach - Awareness of Self-Defence"

We are looking forward to your kind approval and positive response.

Event Poster:

Objective of Program:

9. The primary aim of the ***"KAWACH: An Awareness Program on Self Defence"*** is to educate individuals, particularly female students and vulnerable groups, on the importance of self-defence and equip them with practical skills to protect themselves in potentially dangerous situations.
10. To foster a culture of self-reliance and resilience, encouraging individuals to act decisively in the face of danger.
11. To raise awareness about personal safety, enhance self-confidence, and empower participants to handle threatening situations effectively

Details of Program:

On 24th January 2025, the ***Dean of Students' Welfare***, in collaboration with ***Mr. Anil Jotsinghani*** and ***Pujya Chhattisgarh Sindhi Panchayat***, organized an enlightening and empowering awareness program on self-defence titled ***"KAWACH"***. The event aimed to raise awareness about personal safety and equip the participants, especially young women and vulnerable individuals, with practical self- defence skills. A total of 70 enthusiastic students from Kalinga University actively participated in this program, which was both educational and practical in nature.

Key Highlights of the Program:

1. ***Opening Address:*** The session commenced with a warm welcome by Mr. Anil Jotsinghani, who emphasized the importance of self-defence in today's world. He further highlighted the goal of the program, which was to educate students on how they can protect themselves in risky or dangerous situations.
2. ***Collaboration & Support:*** The program was conducted with the support and guidance of ***Mr. Anil Jotsinghani*** and ***Pujya Chhattisgarh Sindhi Panchayat***, who extended their valuable

to bringing this awareness program to life.

3. ***Demonstration by NCC Students:*** One of the most engaging parts of the program was the self-defence demonstration by Kalinga University's NCC students. The students showcased a series of practical techniques such as how to break free from a wrist grab, defend against an attacker from behind, and protect oneself from a chokehold. The demonstration was both informative and interactive, with participants encouraged to practice these techniques.

4. ***Expert Session with Ms. Harsha Sahu:*** The program featured an expert session by Ms. Harsha Sahu, a renowned self-defence expert, who conducted practical workshops. She taught simple, yet highly effective self-defence techniques, focusing on easy-to-remember moves that can be applied in real-life situations. Her teaching style was hands-on, and she encouraged students to participate actively, ensuring that they understood and could perform the techniques with confidence.

5. ***Exciting Prize Distribution & Recognition to Students & University:*** Following the demonstration and workshop, a question-and-answer session was held in which students who were given correct answers & demonstrated were awarded the title of ***"KAWACH QUEEN"*** with certificates and medals. In the end, a lucky draw was also played, and some students won gift hampers. As a token of appreciation from Pujya Chhattisgarh Sindhi Panchayat a memento was presented to Kalinga University.

S.No.	***Students' Name***	***Course Semester***	***Winning Title***
1	Ms. Harshita Verma Ms.	BSC FS 1st sem	Kawach Queen
2	Jeenat Nahid Khan Ms.	BSC BT 1st sem	Quiz Winner
3	Nafsiya Binth Firos Ms.	BBA LLB 1st sem	Active Volunteer
4	Raksha Chandrakar Ms.	BSC BT3rd sem	Kawach Queen
5	Riya Fulmali	BSC FS 1st sem	Kawach Queen + Lucky Draw
6	Ms. Saniya Parveen	BCSAIML CS 1st sem	Active Volunteer
7	Ms. Angel Beck	B.ED 1st sem	Kawach Queen
8	Ms. Neha Patel	B.ED 4th sem	Quiz Winner + Lucky Draw

Program Outcome:

9. Through interactive sessions and demonstrations, participants will learn basic self-defence techniques, focusing on easy-to-remember and effective methods for self-protection.
10. Individuals will develop a sense of confidence and empowerment, helping them to stay calm and act swiftly during high-pressure situations.
11. Participants will be better equipped to recognize potentially dangerous situations, avoid risk, and take preventive measures to reduce vulnerability.

Number of Attendees: 70

Guest Lecture

on

Recent Advances in Marine Sciences: Seaweeds as a Millennium Resource for Sustainable Applications

Organized by

Department of Botany and Microbiology

On

24th January 2025

for Sustainable Applications."

Date: 24th January 2025

Venue: Online / Seminar Hall

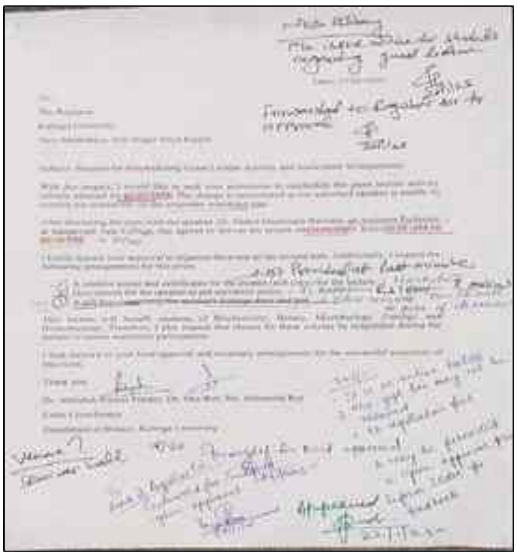
Organizers: Department of Botany and Microbiology

Objective:

Guest Lecture was organized to provide students of the Botany, Microbiology, Zoology, Forensic, Biochemistry, Bioinformatics departments with an aim to provide an in-depth understanding of the immense potential of seaweeds in various industries and their role in fostering sustainability. The session covered the classification of algae, their economic and medicinal significance, and the commercial applications of seaweed-derived products. Additionally, the lecture shed light on modern techniques for harvesting and cultivating algae, ensuring optimal utilization while maintaining ecological balance.

A significant focus was placed on the conservation of marine habitats, emphasizing the need for responsible practices to safeguard the ocean's biodiversity for future generations. By exploring innovative research and technological advancements in marine sciences, the lecture aimed to inspire sustainable approaches to utilizing seaweeds, promoting environmental stewardship while unlocking new economic opportunities.

Permission Letter –



Invitation Letter-

The online lecture provided valuable insights into the classification of algae, their economic and medicinal significance, and their diverse commercial applications. The lecture also highlighted sustainable cultivation and harvesting techniques, emphasizing the need for marine conservation to ensure long-term ecological balance. Additionally, the session introduced recent advancements in marine sciences, showcasing innovative research and future opportunities in the field of seaweed- based sustainable applications.

1. ***Understanding Algae Classification*** – Gained insights into the different types of algae and their characteristics.
2. ***Economic & Medicinal Significance*** – Learned about the economic value of seaweeds and their applications in medicine and industry.
3. ***Commercial Applications*** – Explored the various products derived from seaweeds and their role in different sectors.
4. ***Cultivation & Harvesting Techniques*** – Acquired knowledge of sustainable methods for growing and harvesting seaweeds.
5. ***Environmental Conservation*** – Recognized the importance of protecting marine habitats for long- term sustainability.
6. ***Innovative Research & Sustainability*** – Understood recent advancements in marine sciences and their impact on sustainable development.
7. ***Future Opportunities*** – Identified potential career and research opportunities in the field of marine sciences and seaweed applications.

NOTICE

Date: 23/01/2025

Subject: Guest Lecture on Recent Advances in Marine Sciences

The Department of Botany & Microbiology is pleased to announce a guest lecture on the topic: **"Recent Advances in Marine Sciences: Seaweeds as a Millennium Resource for Sustainable Applications"**

Guest Speaker:
Dr. Mukul Machhindra Barwant
Dean of Research and Development,
Assistant Professor, Department of Botany,
Sanjivani Rural Education Society (SRES),
Sanjivani Arts, Commerce and Science College, Kopargaon, Ahilyanagar, Maharashtra.

Date: 24/01/2025
Time: 10:30am -12:30pm
Venue: Online

Google Meet Link - https://meet.google.com/ryp-tezy-hgn

All faculty, students, and staff of the Department of Zoology, Microbiology, Biochemistry, Bioinformatics and Forensic Science are cordially invited to attend this enriching session.

We look forward to your active participation!

Dr. Dipa Biswas
Head, Department of Botany

Dr. R Jayakumar
Dean, Faculty of Science

Participants of the online lecture:

Total Students attended the online lecture: 110 Total Faculties and Lab staff attended the visit: 08 Time duration: 10:30 am to 12:30 pm

एजीएम संकल्प संस्कार – 2025

मीडिया के नए आयाम और समाज

एवं

सम्मान / एवार्ड समारोह

14-16 फरवरी 2025

14 फरवरी 2025 – शुभारंभ एवं सम्मान / एवार्ड समारोह

समय – शाम 6.00 से 9.00 बजे, स्थान – होटल सिंकदिनी, टाटीबंध, रायपुर

मुख्य अतिथि – पद्मश्री डा भारती बंधु, सुप्रसिद्ध भजन गायक

अध्यक्षता – श्री आसिफ इकबाल, वरिष्ठ पत्रकार

विशिष्ट अतिथि – श्री अनिल पुसदकर, वरिष्ठ पत्रकार एवं पूर्व अध्यक्ष, प्रेस क्लब-रायपुर

मुख्य वक्ता (Key Note Address) – श्री चंद्रशेखर, चेयरमैन, आईएमएमपी, लखनऊ

स्वागत संबोधन – डा साहिद अली, डिप्टी चेयरमैन, आईएमएमपी

आभार वक्तव्य – डा चेतन भट्ट, डिप्टी चेयरमैन, आईएमएमपी

रात्रि भोजन - 9.00 - 10.00 बजे

15 फरवरी 2025 – तकनीकी सत्र एवं आईएमएमपी साधारण सभा की बैठक

समय – प्रातः 10.00 से शाम 6.00 बजे, स्थान – होटल सिंकदिनी, टाटीबंध, रायपुर

प्रथम तकनीकी सत्र - प्रातः 10.00 – 11.30 बजे, विषय – पत्रकारिता की गौरवशाली परंपरा एवं समाज

अध्यक्षता – श्री शाहनवाज कादरी

वक्तागण – श्री कौशल मिश्रा

- डा. चेतन भट्ट

- सुश्री रश्मि पांडेय

संचालन - सुश्री निमिषा सिंह

चाय - 11.30 – 11.45

द्वितीय तकनीकी सत्र – पूर्वाह्न 11.45 – 1.15 बजे, विषय – मीडिया शिक्षण, शोध एवं प्रोफेशन

अध्यक्षता - डॉ. महेन्द्र कुमार पांडे

वक्तागण - श्री बी. एम. भिरगे

- डॉ. योगेश वैष्णव

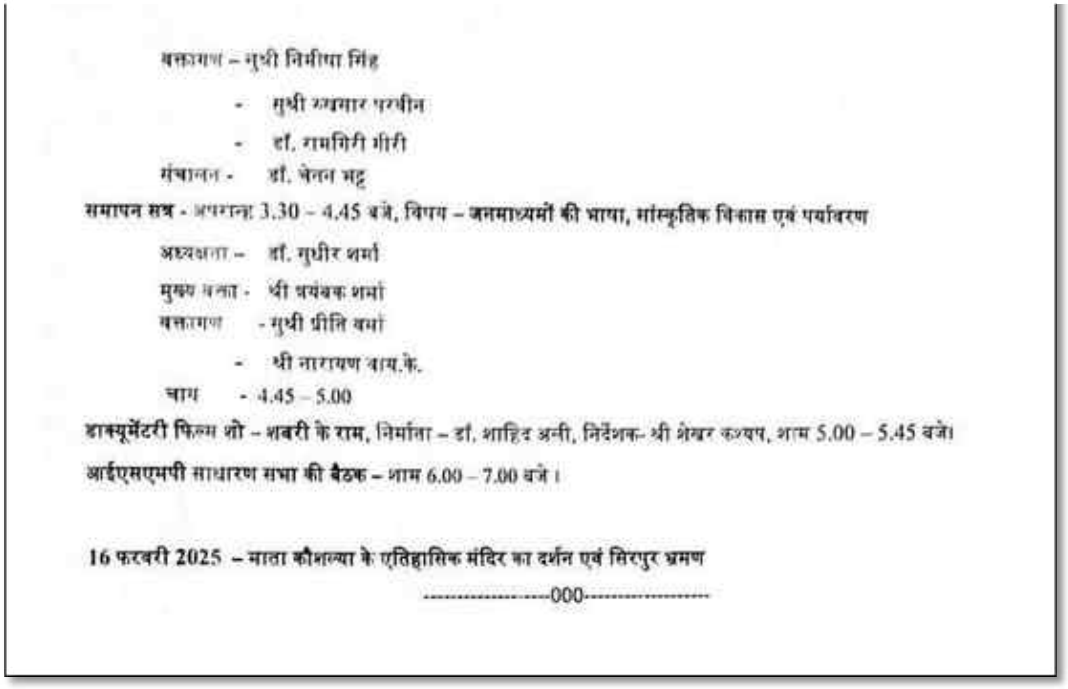
- डॉ. प्रदीप कुमार वर्मा

संचालन – श्री ताहवर बोरकर

भोजन - 1.15 – 2.00

तृतीय तकनीकी सत्र - अपराह्न 2.00 – 3.30 बजे, विषय – डिजीटल एवं सोशल मीडिया का दौर – अवसर एवं चुनौतियां

अध्यक्षता - श्री अखिलेश चंद्र शुक्ला



वक्तागण – सुश्री निमीषा सिंह

- सुश्री ज्योत्सना परवीन
- डॉ. रामगिरी गोरी

संचालन - डॉ. चेतन भट्ट

समापन सत्र - अपरान्ह 3.30 – 4.45 बजे, विषय – **जनमाध्यमों की भाषा, सांस्कृतिक विकास एवं पर्यावरण**

अध्यक्षता – डॉ. सुधीर शर्मा

मुख्य वक्ता - श्री अर्यवक शर्मा

वक्तागण - सुश्री प्रीति वर्मा

- श्री नारायण वाय.के.

चाय - 4.45 – 5.00

डाक्यूमेंटरी फिल्म शो – शबरी के राम, निर्माता – डॉ. शाहिद अली, निर्देशक- श्री शेखर कश्यप, शाम 5.00 – 5.45 बजे।

आईएसएमपी साधारण सभा की बैठक – शाम 6.00 – 7.00 बजे।

16 फरवरी 2025 – माता कौशल्या के एतिहासिक मंदिर का दर्शन एवं सिरपुर भ्रमण

----------000----------

Young India students actively participated in the conference through research paper presentations, panel discussions, and innovative media projects. They contributed to discussions on new media's role in societal transformation and digital sustainability. A staff coordinator guided them throughout the event, ensuring smooth collaboration, and all participating students received participation certificates.

Objective of Program:

1. To analyze how emerging digital platforms, social media, and AI-driven communication tools influence society, culture, and student engagement in the modern era.
2. To provide a platform for students to present their research, projects, and case studies on new media trends, ethical concerns, and future possibilities.
3. To acknowledge and award outstanding student contributions in areas like digital journalism, content creation, social media influence, and innovative storytelling.
4. To enhance the collaboration between students, academicians, and industry professionals, enhancing career opportunities and skill development in new media fields.
5. To discuss the ethical use of digital platforms, combating misinformation, and encouraging responsible journalism and digital activism among students.

- A faculty member served as a session speaker, sharing expertise on media education and was honored for excellence in the field, enhancing institutional recognition.
- The event facilitated meaningful interactions between students, faculty, and industry experts, fostering future collaborations and career opportunities.
- The conference provided a platform for students to develop research, presentation, and critical thinking skills, strengthening their academic and professional journey in media studies.
- Students actively presented their research papers, projects, and gaining valuable experience in academic and professional discussions.
- All participating students received certificates, acknowledging their contributions and encouraging further exploration in the field of new media.

“Field/ Exposure Visit to AICTE Idea Lab, SSIPMT Raipur”

Related toSDG No.(s)

Organized by

“Faculty of Technology”

On

25.02.2025

Time of event: 10:00 AM-01:00PM
Event Type: On-Site
Venue: SSIPMT, Raipur
Event
Poster: NA
Details of
Program:
Details of the Program:

The ***Field/Exposure Visit to the AICTE Idea Lab, SSIPMT Raipur***, is designed to provide students with hands-on exposure to cutting-edge technologies, innovative practices, and state-of-the-art facilities. This visit aims to bridge the gap between theoretical knowledge and practical application, fostering creativity, innovation, and problem-solving skills among participants.

Visit Objectives:

1. ***Exposure to Advanced Technologies:***
    - To provide students with hands-on experience and understanding of advanced technologies such as 3D printing, 3D scanning, CNC laser cutting, CNC wood routing, PCB designing, and sublimation printing.
2. ***Understanding Practical Applications:***
    - To demonstrate how these technologies are applied in real-world scenarios, particularly in manufacturing, automotive, electronics, and creative industries.
3. ***Skill Development:***
    - To enhance students' technical skills and familiarity with tools like 3D printers, 3D scanners, CNC machines, and PCB designing setups.
4. ***Inspiration for Innovation:***
    - To inspire students to explore innovative ideas and projects by showcasing the capabilities of modern tools and equipment.
5. ***Alignment with Academic Curriculum:***
    - To bridge the gap between theoretical knowledge and practical application, aligning with the academic curriculum and industry requirements.

Expected Outcomes:

1. ***3D Printing:***
    - ***Understanding:*** Students will gain a clear understanding of the 3D printing process, including the use of CAD software, material compatibility (PLA and ABS), and the precision involved in creating objects layer by layer.
    - ***Outcome:*** Ability to conceptualize and create 3D models for prototyping and manufacturing applications.
2. ***3D Scanning:***
    - ***Understanding:*** Students will learn how 3D scanners capture objects with high accuracy (up to 0.1 mm) and process models using advanced methods like automatic fill and repair, noise removal, and substrate recognition.
    - ***Outcome:*** Proficiency in creating digital replicas of physical objects for design, analysis, and reverse engineering.
3. ***CNC Laser Cutter:***
    - ***Understanding:*** Students will observe how CNC laser cutters use high-powered lasers

- o ***Outcome:*** Ability to design and produce intricate shapes and custom designs for industrial and creative applications.

4. ***CNC Wood Router:***
   - o ***Understanding:*** Students will explore the capabilities of CNC wood routers in producing items like furniture, decorative panels, and musical instruments with high precision and speed.
   - o ***Outcome:*** Skills in designing and manufacturing wooden products using CNC routing technology.
5. ***PCB Designing Set-up:***
   - o ***Understanding:*** Students will learn the PCB design process, including component placement, routing, etching, drilling, and soldering.
   - o ***Outcome:*** Ability to design and fabricate custom circuit boards for electronic projects and prototypes.
6. ***Sublimation Printing Set-up:***
   - o ***Understanding:*** Students will understand the sublimation printing process, which involves transferring images onto materials like mugs, bottles, T-shirts, and tiles using heat and specialized inks.
   - o ***Outcome:*** Skills in creating customized products for creative and commercial purposes.
7. ***Mechanical Hand Tools:***
   - o ***Understanding:*** Students will gain familiarity with essential mechanical hand tools used in prototyping, assembly, and fabrication.
   - o ***Outcome:*** Improved hands-on skills and confidence in using tools for practical applications.

Overall Outcomes:

Enhanced Technical Knowledge: Students will gain a deeper understanding of advanced technologies and their applications in various industries.

Hands-On Experience: Practical exposure to tools and equipment will improve students' technical skills and confidence.

Innovation and Creativity: The visit will inspire students to think creatively and explore innovative projects using the technologies demonstrated.

Career Readiness: The experience will prepare students for industry demands by aligning their skills with real-world applications.

Collaboration and Networking: The visit will foster collaboration between students and faculty, as well as strengthen ties with SSIPMT Raipur.

“Model MakingCompetition ”

Related to SDG No.(s)

Organized by

“Civil Engineering”

In Association with

“Avishkar Club”

On

27.02.2025

Title- "Model Making Competition"

Date: 27.02.2025

Time of event: 10:00 AM-12:25PM

Event Type: Offline

Venue: MBSF-19

Event Poster: NA

Details of Program:

Model making Competition was started by Speech of Dr. V. C. Jha Sir , Dean In-charge Faculty of Technology. He visited and judged the model of all the groups and appreciated their work and model innovation.

The ***Model Making Competition*** was an event where teams were tasked with designing and creating models based on a given theme. The competition typically involves participants showcasing their creativity, technical skills, and problem-solving abilities through the construction of physical or working models.

Objective of Program:

The objective of a model-making competition is to inspire creativity, innovation, and technical skills through the construction of models based on a specific theme or challenge. The objectives typically includes :

1. ***Encouraging Creativity:***
   To push participants to think outside the box and develop original and imaginative designs.
2. ***Promoting Technical Skill Development:***
   To enhance participants' ability to work with various materials and tools, improving their technical proficiency in model construction.
3. ***Fostering Problem-Solving:***
   To challenge participants to overcome design and construction challenges, fostering critical thinking and innovation in practical applications.
4. ***Enhancing Design and Engineering Understanding:***
   To provide hands-on experience in understanding design principles, structure, scale, and functionality, often linking to real-world concepts like architecture or product design.
5. ***Building Presentation Skills:***
   To provide an opportunity for participants to present and explain their models, refining their communication abilities in the process.
6. ***Encouraging Collaboration (for team competitions):***
   To promote teamwork and cooperation, especially in group-based challenges, where participants work together to achieve a common goal.
7. ***Exploring Real-World Issues (for thematic competitions):***
   To create models that may address real-world challenges or represent specific themes such as

sustainability, technology, or social issues, encouraging participants to think critically about the world around them.

8. ***Fostering Professional and Academic Growth:***
   To offer students and professionals a platform to showcase their skills, gain recognition, and potentially open doors for future career or educational opportunities.

Program Outcome:

The program outcomes of a model-making competition can include a variety of tangible and intangible results that benefit participants, organizers, and the broader community. Some of the outcomes are as follows:

1. Enhanced Creative and Innovative Thinking:

- Participants develop and demonstrate their ability to think creatively and come up with original solutions to challenges presented by the competition theme. This fosters innovation and out-of-the-box thinking, which is essential in many academic and professional fields.

2. Improved Technical and Practical Skills:

- Through the process of constructing their models, participants gain hands-on experience with a variety of materials, tools, and construction techniques. This helps to strengthen their technical expertise in areas such as design, engineering, and craftsmanship.

3. Increased Problem-Solving Abilities:

- Participants face design and construction challenges that require critical thinking, troubleshooting, and problem-solving. This outcome contributes to their ability to address complex problems in other areas of life or work.

4. Developed Communication and Presentation Skills:

- The competition often requires participants to explain their models, discuss the design process, and defend their choices to judges or audiences. This helps develop their ability to communicate complex ideas clearly and confidently.

5. Strengthened Teamwork and Collaboration:

- In team-based competitions, participants learn to collaborate, delegate tasks, and work toward a shared goal. This outcome fosters important interpersonal and teamwork skills that are valuable in both academic and professional settings.

6. Exposure to Real-World Applications and Design Concepts:

Many model-making competitions focus on real-world issues or ideas (e.g., sustainable design, futuristic cities, engineering innovations). Participants can apply theoretical knowledge to practical,

- real-life contexts, deepening their understanding of how models can represent or solve real-world problems.

7. Recognition of Talent and Achievement:

- Successful participants gain recognition for their creativity and hard work, which can serve as a confidence booster. It may also lead to opportunities for future competitions, academic scholarships, or professional networking.

8. Increased Knowledge of Sustainability and Eco-Friendly Design:

If the competition focuses on sustainability, participants learn to incorporate eco-friendly materials or design solutions that reduce environmental impact. This promotes awareness and action toward more sustainable practices.

Details of

Program:

Guest Lecture Event was started by introducing & presenting potted plant & memento to our guest speaker Dr S Arunachalam ,Founder , TCET College , Vandavasi by HOD Civil Engg. Dr EVR Rao. The guest speaker has given lecture on Structural Systems for Energy Efficiency which covered several important topics related to designing and building structures that maximize energy conservation, reduce waste, and promote sustainability.

Objective of Program:

The objective of a guest lecture in ***Structural Systems for Energy Efficiency*** is to provide students with a comprehensive understanding of how structural design and engineering can contribute to the energy efficiency of buildings and infrastructure. Specifically, the goals of such a guest lecture include:

1. ***Understanding Sustainable Design Principles***: To educate participants on the role of structural systems in reducing energy consumption, minimizing environmental impact, and enhancing sustainability in the built environment.
2. ***Exploring Energy-Efficient Materials and Technologies***: To introduce various materials, technologies, and innovative construction methods that contribute to energy-efficient building designs, such as passive solar design, green roofs, insulation techniques, and energy-efficient windows.
3. ***Integrating Structural and Energy Design***: To demonstrate how structural systems can be integrated with energy-efficient features, such as optimizing the building envelope, improving thermal performance, and reducing heat loss or gain.
4. ***Optimizing Building Performance***: To discuss how the design of structural systems—such as foundations, frames, walls, and roofs—can influence a building's overall energy performance, helping to reduce operational costs and carbon footprints over time.
5. ***Addressing Climate and Environmental Impact***: To emphasize how energy-efficient structural systems can help reduce the environmental impact of buildings by lowering greenhouse gas emissions and promoting renewable energy sources.

6. ***Case Studies and Real-World Applications***: To provide practical examples and case studies of successful energy-efficient structural systems in practice, highlighting best practices and lessons learned from existing projects.
7. ***Encouraging Innovation***: To inspire attendees to think creatively and develop new solutions for
8. improving energy efficiency in structural design, leveraging cutting-edge research, materials, and technologies.
9. ***Understanding Regulatory Frameworks and Standards***: To familiarize the audience with energy efficiency regulations, standards, and certifications (e.g., LEED, BREEAM) that guide the design and construction of energy-efficient buildings.

Program Outcome:

The ***Program Outcomes*** of a guest lecture on ***Structural Systems for Energy Efficiency*** focus on the skills, knowledge, and understanding that participants are expected to gain after attending the session. These outcomes ensure that the students can apply the concepts learned in their academic, professional, or practical settings. Here are some program outcomes:

1. ***Enhanced Knowledge of Energy-Efficient Structural Design***: Participants will have a deeper understanding of how structural systems can be optimized to improve energy efficiency, including techniques, technologies, and materials that reduce energy consumption in buildings.
2. ***Awareness of Sustainable Building Practices***: Attendees will gain awareness of sustainable design principles and how structural engineering plays a crucial role in creating environmentally friendly and energy-efficient buildings that reduce their carbon footprint. ***Application of Energy-***
3. ***Efficient Materials and Techniques***: Students and professionals will be able to identify and apply energy-efficient materials, construction techniques, and technologies, such as insulation, passive solar design, and renewable energy integration, in the design of structural systems.
Integration of Structural and Energy Systems: Participants will learn how to integrate energy-
4. efficient strategies into the structural design, understanding the relationship between structural systems and building performance, and ensuring that the two work together to reduce energy demand.
Understanding of Climate-Responsive Design: Attendees will gain insights into designing
5. structures that respond to the local climate and environmental conditions, optimizing energy efficiency by considering factors such as orientation, natural ventilation, and thermal mass.
Critical Thinking in Structural Energy Efficiency: Participants will develop critical thinking
6. skills in assessing the energy efficiency of existing buildings and identifying potential areas for improvement in structural design to enhance energy conservation.
Knowledge of Regulatory Standards and Certification Systems: Attendees will understand the
7. various building codes, energy efficiency regulations, and certification systems (e.g., LEED, BREEAM) that promote energy-efficient building design and construction practices. ***Exposure to Real-World Case Studies***: By examining real-world examples and case studies,
participants will gain a practical understanding of successful energy-efficient structural design1s,
8.

learning from existing projects to inform their own future work.

9. ***Interdisciplinary Collaboration Skills***: The lecture will emphasize the importance of collaboration between structural engineers, architects, energy experts, and other professionals to create integrated, energy-efficient building designs.
10. ***Inspiration for Innovation in Structural Design***: The lecture will inspire creativity and innovation in designing energy-efficient buildings, encouraging attendees to think beyond traditional methods and explore new approaches to energy conservation in structural systems.

“One day certification Program on Robotics”

Related to SDG No.(s)

Organized by

“Faculty of Technology”

On

27.03.2025

Date: 27.03.2025

Time of event: 10:00 AM-04:00PM

Event Type: Offline

Venue: MBSF-01

Event Poster: NA

Details of Program:

The Program was started by Dr. Manoj kumar Nigam, Acting Dean In-charge Faculty of Technology. He welcomed the Guest by giving him Potted Plant. The Resource person Mr. Rahul Baghel explained each and every steps of Robotics design and also explained about the basic understanding of the fascinating world of robotics.

Objective of Program:

A program on robotics is designed to introduce participants to the fundamentals of robotics, help them develop technical skills, and provide an understanding of the applications and impact of robotics in various industries. Below are the objectives for such a program:

1. To Provide Fundamental Knowledge of Robotics:

Understanding Core Concepts: Participants will learn about the basic components of robots, including sensors, actuators, end effectors, and control systems.
Introduction to Types of Robots: The program aims to give an overview of different types of robots, such as industrial robots, service robots, humanoid robots, mobile robots, and autonomous robots.
Understanding Robot Design and Architecture: An in-depth understanding of how robots are structured and how they function through mechanical, electrical, and software components.

2. To Introduce Robotic Programming and Control Systems:

Programming Basics: The program typically covers the basics of robotics programming languages such as ***Python***, ***C++***, or other robot-specific languages.
Hands-on Practice: Participants will likely engage in programming robots for simple tasks such as movement control, sensor integration, and decision-making processes.
Control Algorithms: An understanding of the algorithms that control the behavior of robots, including path planning, object detection, and task execution.

3. ***To Develop Practical Skills in Building and Operating Robots:***

Hands-On Learning: Participants will get practical experience in building and assembling robots using robotic kits or real-world robots.
Experimenting with Sensors and Actuators: Learners will use sensors (e.g., ultrasonic, infrared, cameras) and actuators (e.g., motors, servos) to understand how robots interact with their environment.

troubleshoot robotic systems and correct programming or mechanical issues.

4. To Enhance Problem-Solving and Critical Thinking Skills:

Autonomous Decision Making: By learning how robots make decisions based on their environment (using sensors and AI algorithms), participants improve their analytical and problem-solving abilities.

Real-World Applications: The program will aim to apply robotic solutions to real-world problems, from industrial automation to healthcare, requiring participants to think critically about problem-solving using robotics.

5. To Expose Participants to Advanced Technologies in Robotics:

Artificial Intelligence (AI) and Machine Learning: Introducing participants to the role of AI in robotics, such as how robots can learn and adapt from their surroundings through machine learning algorithms.
Robotic Simulation Software: Exposure to simulation software (e.g., ***ROS***, ***Gazebo***, or ***VEX Robotics***) that allows testing and programming of robots in virtual environments before real-world application.
Emerging Robotics Technologies: The program may cover the latest trends such as ***soft robotics***, ***autonomous vehicles***, ***drone technologies***, and ***human-robot interaction***.

6. To Explore Robotics Applications Across Different Industries:

Industrial Robotics: Understanding the role of robots in manufacturing, such as in assembly lines, material handling, and quality control.
Healthcare Robotics: Exposure to robotic technologies used in surgery, rehabilitation, and care assistance.
Robotics in Agriculture, Space, and Military: Exploring how robotics is used in agriculture for planting/harvesting, in space for exploration missions (rovers, satellites), and in the military for surveillance or bomb disposal.
Autonomous Vehicles: A look at how robotics is applied in autonomous cars, drones, and other mobile robots for real-time navigation and task execution.

7. To Foster Innovation and Creativity in Robotics Design:

Creative Problem Solving: Encourage participants to innovate by designing and creating custom robotic solutions to meet specific challenges.
Collaborative Learning: Many robotics programs involve teamwork and collaboration, promoting creativity and idea-sharing in developing new robotic applications or systems.

8. To Prepare Participants for Careers in Robotics:

Skill Development for Employment: The program prepares participants for careers in robotics engineering, automation, AI, and related fields by equipping them with both practical a1nd theoretical knowledge.

experts, attend guest lectures, and access resources to help with future job opportunities in robotics.

Program Outcome:

The ***program outcomes*** (POs) of a robotics program describe the skills, knowledge, and competencies participants are expected to gain by the end of the course. These outcomes highlight the concrete benefits of completing the program and provide a clear understanding of how participants will apply their learning in real-world scenarios. Below are typical program outcomes for a Robotics Program:

1. Fundamental Understanding of Robotics Concepts:

Knowledge of Robotics Basics: Participants will have a solid understanding of the fundamental concepts in robotics, including types of robots, components (sensors, actuators, controllers), and the basic principles that govern robot behavior and operation.
Awareness of Robotics Applications: Learners will understand the various applications of robotics in industries like manufacturing, healthcare, agriculture, military, and space exploration, recognizing the impact of robotics in each sector.

. Ability to Build and Operate Robots:

Practical Skills in Robot Construction: Participants will acquire hands-on experience in assembling and constructing robots, understanding the mechanical and electrical design processes.
Proficiency in Operating Robots: Learners will be able to operate and test robotic systems, managing basic operations such as movement, object manipulation, and task execution.

3. Programming and Control of Robots:

Programming Skills: Participants will gain the ability to program robots using common languages such as ***Python***, ***C++***, or specialized languages (e.g., Blockly, ROS). They will also be able to apply algorithms to control robot behavior.
Understanding of Control Systems: Participants will develop an understanding of robot control systems, including how to integrate sensors and actuators for feedback-driven behavior, path planning, and decision-making.

4. Problem-Solving and Analytical Thinking:

Critical Thinking and Problem-Solving: Learners will develop problem-solving skills and analytical thinking, enabling them to troubleshoot robotic systems, diagnose faults, and optimize performance.
Application of Algorithms for Task Execution: Participants will be able to use algorithms for real-time decision-making, path planning, and sensor integration to help robots autonomously perform tasks.

5. Exposure to Advanced Robotics Technologies:

role of AI and machine learning in robotics, learning how robots can adapt, make decisions, and improve over time using intelligent algorithms.

- ***Familiarity with Robotics Simulation Software***: Learners will be able to use robotics simulation software (e.g., ***Gazebo***, ***VEX Robotics***, ***ROS***) for designing, testing, and debugging robots in virtual environments before physical implementation.

5. Industry-Specific Robotics Knowledge:

Understanding Robotics in Industry: Participants will acquire an understanding of how robotics is integrated into industries such as ***manufacturing automation***, ***healthcare robots***, ***agricultural robotics***, ***autonomous vehicles***, and ***military applications***.
Awareness of Current Trends and Emerging Technologies: Learners will be informed about the latest developments in robotics, such as ***collaborative robots (cobots)***, ***soft robotics***, ***autonomous drones***, and ***robotic systems in the Internet of Things (IoT)***.

7. Hands-On Experience and Proficiency in Design and Execution:

Experience in Design and Prototyping: Learners will be able to design and prototype simple robotic systems, utilizing materials, sensors, and actuators for specific applications.
Competence in Testing and Troubleshooting: Participants will develop skills in debugging, testing, and troubleshooting robots, ensuring their correct functionality and performance.

8. Collaboration and Communication Skills:

Teamwork and Collaboration: The program encourages collaborative learning, allowing participants to work in teams on group projects. This fosters teamwork skills and the ability to share knowledge and ideas with others.
Communication Skills: Participants will develop the ability to effectively communicate their ideas, present robotic projects, and explain complex robotics concepts to both technical and non-technical audiences.

9. Ethical and Societal Impacts of Robotics:

Ethical Considerations in Robotics: Learners will understand the ethical challenges associated with robotics, including issues related to privacy, safety, job displacement, and the role of robots in human society.
Societal Impact of Robotics: Participants will appreciate the transformative effect of robotics on society and industry, understanding how the technology will evolve and impact future generations.

10.

- ***Preparedness for Careers in Robotics***: By the end of the program, participants will 1be prepared to pursue a career in robotics engineering, automation, AI, or related fields, with the foundational knowledge and hands-on experience needed to succeed.

learning, inspiring participants to stay up-to-date with evolving robotic technologies and pursue further education or specialized certifications in the field.

Venue: Google Meet

Event Poster:

The Seminar on ***"Innovation for Impact: Institutional Business Plan Contest & YUKTI Repository Recognition"*** is an important platform for academic institutions, innovators, and administrators to understand the evolving landscape of innovation and entrepreneurship in higher education. It provides valuable insights into how institutions can strategically plan and implement innovation-driven initiatives through the Institutional Business Plan (IBP) Contest, thereby enhancing their contribution to socio-economic development. Additionally, the session emphasizes the significance of the YUKTI Repository as a national platform to showcase and recognize impactful innovations, startups, and entrepreneurial activities. Joining this webinar is an opportunity to stay informed about government initiatives, gain recognition for institutional efforts, network with like-minded peers, and learn best practices for building a sustainable innovation ecosystem within campuses. It is a step forward in aligning institutional goals with national innovation priorities and making a real-world impact through education and research.

Objective of Program:

To promote and recognize innovation-driven initiatives in higher educational institutions by:

1. ***Encouraging Institutions to Develop Strategic Business Plans***
   - Foster institutional innovation ecosystems through the ***Institutional Business Plan (IBP) Contest***.
   - Help institutions align their innovation strategies with measurable outcomes and societal impact.

2. ***Recognizing Outstanding Contributions to the YUKTI Repository***
   - Highlight and reward institutions contributing high-quality innovations, startups, and entrepreneurial activities to the ***YUKTI (Young India Combating COVID with Knowledge, Technology and Innovation)*** platform.
   - Encourage active participation and data contribution to the national innovation database.

3. ***Fostering a Culture of Innovation & Entrepreneurship***
   - Engage academic leaders, innovators, and administrators in ***dialogue and knowledge sharing***.
   - Inspire institutions to ***scale up innovation-led growth and community-oriented impact***.

- Inform participants about ***funding opportunities, recognitions, and national innovation frameworks***.
- Build capacity for ***institutional planning, resource mobilization, and impact assessment***.

Program Outcome:

Increased ***institutional awareness and engagement*** in innovation and entrepreneurship activities.

Submission of ***high-quality Institutional Business Plans (IBPs)*** that align with national innovation priorities.

Enhanced ***contributions to the YUKTI Repository***, leading to better visibility and support for institutional innovations.

Recognition of best-performing institutions, promoting ***healthy competition and benchmarking***.

Strengthened ***networking and collaboration*** among academia, government bodies, and innovation ecosystem stakeholders.

Venue: Microsoft Teams Event Poster:

Details of Program:

The guest lecture titled ***"Unlocking Innovations: Exploring Patents, Designs, and Intellectual Property Rights"*** offered an insightful overview of the critical role intellectual property (IP) plays in fostering innovation and protecting creative efforts. The speaker, an expert in IP law and innovation management, highlighted the different forms of IP— patents, industrial designs, trademarks, and copyrights—with a special focus on patents and designs.

Key topics included the process of filing patents, criteria for patentability, the strategic importance of protecting innovative ideas, and real-world examples of successful IP commercialization. The session also emphasized how start-ups, researchers, and entrepreneurs can leverage IP to gain competitive advantage, encourage investment, and drive economic growth.

Participants gained practical knowledge on navigating the IP landscape, common challenges, and resources available for IP support and awareness. The lecture concluded with an interactive Q&A, fostering active engagement and discussion on the future of innovation and the role of IP rights in shaping it.

Objective of Program:

Objectives of Programs on Patents, Designs, and Intellectual Property Rights (IPR):

1. ***Raise Awareness:*** To educate students, researchers, and innovators about the importance and relevance of Intellectual Property Rights in protecting creative and innovative work.
2. ***Encourage Innovation:*** To foster a culture of innovation by informing participants how IP can safeguard and reward inventive ideas and designs.
3. ***Understand IP Types and Processes:*** To provide clear understanding of various types of IP (patents, designs, copyrights, trademarks) and the procedures for registration and protection.
4. ***Promote Research Commercialization:*** To help researchers and start-ups understand how to convert their research and ideas into marketable products through IP protection.
5. ***Support Legal and Ethical Use:*** To highlight the legal framework surrounding IP and promote ethical practices in using and sharing intellectual property.
6. ***Boost Entrepreneurship:*** To equip aspiring entrepreneurs with the knowledge to use IP as a strategic business tool for growth and investment.
7. ***Encourage Academic Contributions:*** To inspire faculty and students to contribute to the academic and industrial IP landscape by filing patents and publishing innovations.
8. ***Enhance Career Readiness:*** To prepare participants for careers in R&D, innovation management, technology transfer, and IP law.

Program Outcome:

Participants gained ***basic knowledge of patents, designs, and their role in innovation***.

Learned the process and requirements for ***patent and design registration***.

The program ***encouraged creative thinking*** and highlighted the significance of ***safeguarding original ideas through proper legal channels***.

Participants learned ***how to apply IP concepts in real-world scenarios***, especially in ***research, start-ups, and product development.***

Increased motivation among students, researchers, and faculty to ***develop and protect their inventions and creative works.***

Attendees gained insights into the ***legal implications of IP violations and the ethical use of intellectual property***.

The session equipped participants with the foundational knowledge required for careers or further study in

IP law, innovation management, and entrepreneurship.

- Participants were introduced to ***national and international IP support systems***, encouraging active engagement with innovation and protection platforms.

Number of Registered Participants: 560 Number of Attendees: 342

Groups: NA

Details of the Program:

The ***Workshop on Prototype/Process Design and Development***, held on ***15th April 2025*** from ***10:00 AM to 12:00 PM*** at ***MBSF01, Seminar Hall, Kalinga University, New Raipur***, aimed to provide participants with a comprehensive understanding of the principles and practices involved in prototype creation and process design. Conducted in ***offline mode***, the workshop featured expert sessions by distinguished resourse persons—***Dr. V.C. Jha***, ***Dr. E.V. Raghava Rao***, and ***Dr. Praveen Yadaw***

Objective of the Program:

The objective of the Workshop on Prototype/Process Design and Development is to equip participants with essential knowledge and skills to transform innovative ideas into tangible, functional prototypes and efficient processes. The program aims to introduce the fundamentals of design thinking, problem-solving, and interdisciplinary collaboration by drawing insights from mechanical, civil, and electrical engineering domains. It emphasizes the importance of understanding user needs, technical feasibility, material selection, and iterative development in the process of designing effective solutions. Through expert-led sessions and practical examples, the workshop encourages participants to explore creative approaches to engineering challenges and promotes a hands-on mindset for innovation. The goal is to build the capability of students and early-career professionals to design, model, and optimize systems or products that are not only technically sound but also sustainable and user-friendly. Overall, the program fosters a culture of innovation and prepares participants for real-world applications in engineering and technology development.

Program Outcome:

By the end of the Workshop on Prototype/Process Design and Development, participants will have a clear understanding of the complete lifecycle of prototype creation and process design. They will be able to identify real-world problems, apply design thinking methodologies, and develop practical engineering solutions using interdisciplinary knowledge. Participants will gain foundational skills in conceptualizing, modeling, and refining prototypes with attention to usability, sustainability, and technical feasibility. The workshop will also enhance their ability to collaborate across domains such as mechanical, civil, and electrical/electronic engineering, encouraging teamwork and integrated problem-solving. Moreover, attendees will become familiar with basic tools and techniques used in prototyping and process mapping. The outcome is to build a mindset geared toward innovation, critical thinking, and continuous improvement, enabling participants to contribute effectively to product development, infrastructure projects, or service optimization in both academic and professional settings.

Program Highlights:

The Workshop on Prototype/Process Design and Development offered a comprehensive and interdisciplinary learning experience. In thesession taken by Dr. Praveen Yadav, participants were introduced to the powerful MATLAB software for system modeling, simulation, and control systems design. They learned how to create and optimize electrical prototypes through dynamic simulations, with a focus on feedback loops, system stability, and performance improvement. Dr. E. V. Raghava Rao delved into the fundamentals of hydraulics, emphasizing fluid dynamics and the application of hydraulic principles in infrastructure projects like bridges, dams, and drainage systems. Participants also explored the importance of basic measurement units critical for accurate data collection and analysis in civil projects, with a focus on precision in surveying and construction. In the session taken by Dr. V. C Jha , attendees gained an in-depth understanding of thermal systems and heat transfer mechanisms, learning how to optimize energy efficiency in mechanical systems such as engines and renewable energy solutions. The workshop emphasized hands-on, cross- disciplinary learning, encouraging participants to work in teams combining electrical, civil, and mechanical engineering expertise to design and develop integrated prototypes. Experts from each field provided insights and engaged participants in problem-solving exercises, enhancing the overall learning experience. Interactive Q&A sessions allowed for in-depth discussions on real-world applications, offering personalized guidance and clarifying technical concepts. Overall, the workshop successfully fostered collaboration and innovation, equipping participants with the skills to approach engineering challenges from multiple perspectives.

Number of Registered Participants: 01
Number of Attendees: 41 (28 students +13 faculty)

Title-

“IP Utsav”

(Patent to Product- Srujanta Se Samruddhi)

On

Date: 26th, April, 2025 (Day 6)

Date: 26th, April, 2025 (Day 6)

Time of event: 11:30 AM & 01:00 PM

Mode of event: Online (https://www.youtube.com/live/uBcJ5kVHf48)

Event Poster:

Learning Objectives:

To trace the journey from patent filing to product development and market entry.

To highlight the role of innovation, entrepreneurship, and ecosystem support in commercializing patents.

To inspire innovators by showcasing success stories of patent-led startups and technologies under the “Srujanta Se Samruddhi” (Creativity to Prosperity) theme.

Speaker Details and Highlights

Dr. Dara Ajay

Head - Technology Transfer Office Intellectual Property Management Cell IIT Madras

Address by Dr. Dara Ajay

Dr. Dara Ajay, Head of the Technology Transfer Office at ***IIT Madras***, was the keynote speaker for the closing session of the event. His talk focused on the central theme, ***"From Patent to Product: Prosperity Through Creativity."***

Key Highlights of Dr. Ajay's Address:

Innovation to Impact:

Dr. Ajay emphasized that the journey from patent to product is not just about securing intellectual property but turning ideas into impactful, market-ready solutions.

The Role of Institutions:

He highlighted the importance of universities and research institutions in managing intellectual property effectively and creating an ecosystem that supports innovation and entrepreneurship.

Tech Transfer & Commercialization:

Drawing from his extensive experience, Dr. Ajay shared insights on patent drafting, technology transfer mechanisms, and commercializing research outputs.

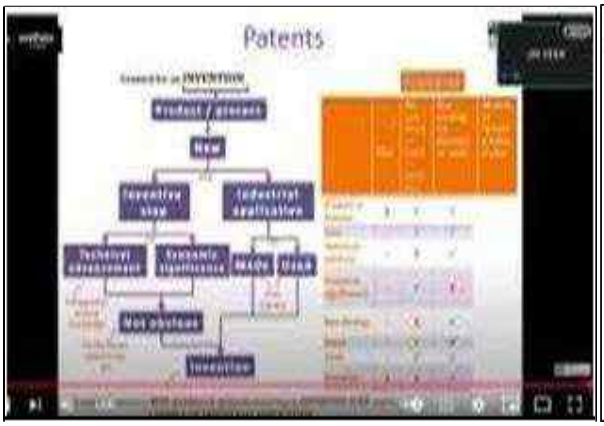
Message to Young Innovators:

He encouraged young researchers and student innovators to actively engage in IP creation and use it as a tool to drive societal and economic development.

Purpose of the Event:

To create awareness about the ***importance of patenting***.
To promote the ***commercialization of innovation***.
To guide students and researchers on the practical aspects of ***intellectual property management***.

Dr. Dara Ajay's speech was seen as deeply insightful and inspiring, particularly for emerging innovators aiming to transform their research into real-world applications.



Mr. Jai Veer

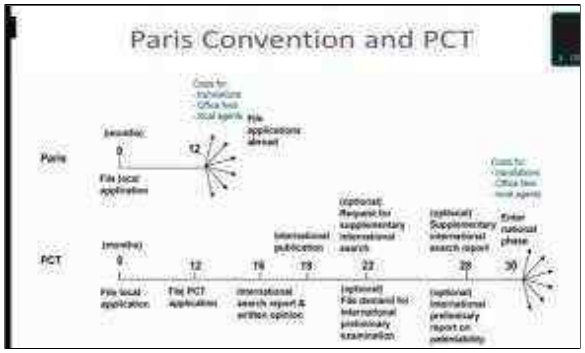
Assistant Controller of Patents & Designs, DPIIT, Ministry of Commerce and Industry

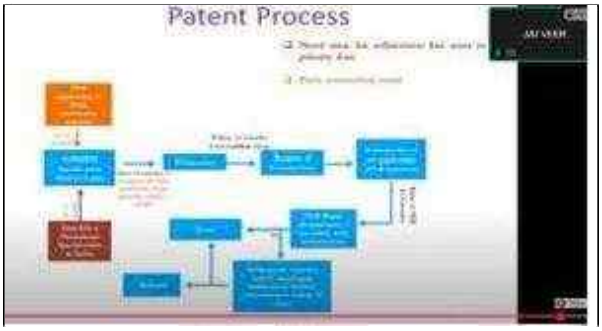
Address by Dr. Dara Ajay

"Patent to Product – Srujanta Se Samruddhi" is a thematic initiative under the ***Rashtriya Boudhik Sampada Mahotsav (RBSM)***, also known as the ***National Intellectual Property Festival***, organized by the ***Department for Promotion of Industry and Internal Trade (DPIIT)*** and the ***Department of Scientific and Industrial Research (DSIR)***, Government of India. The festival aims to promote awareness about the

trademarks, geographical indications, designs, semiconductor layout designs, and plant varieties across the country. It includes nationwide programs targeting stakeholders including institutes, industry, MSMEs, artisans, academia, researchers, and students

.The theme "Patent to Product – Srujanta Se Samruddhi" emphasizes the journey of transforming innovative ideas into marketable products, highlighting the importance of patenting in the commercialization process. This initiative aligns with the government's efforts to foster innovation and entrepreneurship, encouraging the protection of intellectual property and its utilization for economic growth.





Dr. Elangovan's address on the KAPILA (Kalam Program for IP Literacy and Awareness)

About KAPILA

KAPILA is an initiative by the Ministry of Education's Innovation Cell (MIC) aimed at fostering a culture of Intellectual Property (IP) awareness and protection among students and faculty in Higher Education Institutions (HEIs) across India. The program focuses on educating stakeholders about the importance of IP, the processes involved in filing patents, and the benefits of safeguarding innovations.

Objectives of KAPILA

IP Awareness: To create awareness regarding the need for IP filing, the mechanisms, and methodologies involved in filing IP in India and globally
Recognition and Facilitation: To recognize, facilitate, and felicitate intellectual property, innovations, and best practices in HEIs.
Establishing IP Ecosystem: To establish a robust IP filing ecosystem in a large number of educational institutions, thereby creating a culture of systematically protecting new ideas, research, and innovations with national and global relevance.
Integration with Innovation Initiatives: To lay the foundation for institutions' participation in various Ministry of Education's Innovation and Entrepreneurship initiatives such as Innovation and Entrepreneurship Cells (IIC), Hackathons, National Innovation and Startup Policy (NISP), National Innovation Contest, and YUKTI 2.0.
Strengthening Regional Connections: To strengthen the connection of institutions located in the Himalayan/North Eastern region and Aspirational Districts with the national innovation and entrepreneurial ecosystem enablers.

"The India Rural Colloquy C.G.- Transforming Rural India (TRI)& IIM Raipur"

Organized by

"Arts & Humanities"

On

01-08-2024

Title- ""The India Rural Colloquy C.G.- Transforming Rural India (TRI) & IIM Raipur"

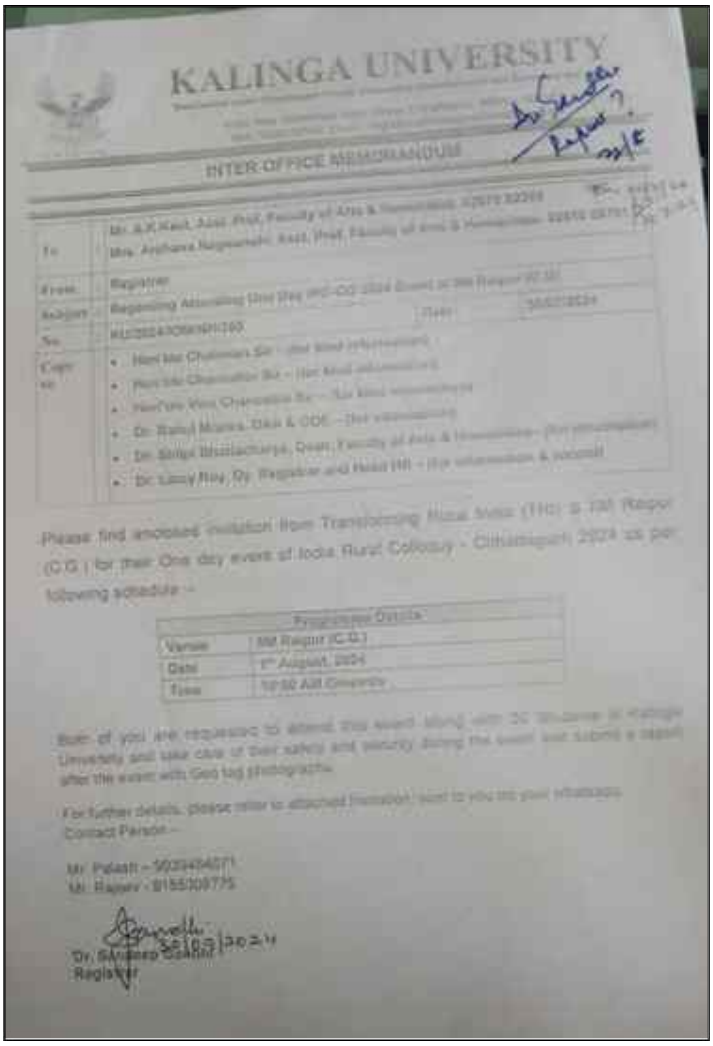
Date: 1st August 2024

Time of event: 10:00 am to 4:00 pm

Event Type: Offline

Venue: IIM Naya Raipur C.G.

IOM/Circular: attached with this report



KALINGA UNIVERSITY

INTER OFFICE MEMORANDUM

Please find enclosed invitation from Transforming Rural India (TRI) at IIM Raipur (C.G.) for their One day event of India Rural Colloquy - Chhattisgarh 2024 as per following schedule :-

Registration Details	
Venue	IIM Raipur (C.G.)
Date	1st August, 2024
Time	10:00 AM Onwards

Both of you are requested to attend this event along with 22 students of Kalinga University and take care of their safety and security during the event and submit a report after the event with Geo tag photographs.

For further details, please refer to attached invitation sent to you on your whatsapp.

Contact Person :-

Mr. Palash – 9039454071
Mr. Rajeev - 8155309775

Dr. Sandeep Gaikwad
Registrar

Objective of Program:

1. Encouraging every student to take part in the colloquy.
2. To understand and learn about the solutions and mechanism for ensuring inclusive development and social welfare and benefits of rural Chhattisgarh from this colloquy.

To become of this day, department of social work has participated along with the 2 facilities of social work (Mr.A.K. Kaull, and Ms Archana Nagwanshi) and 22 students from Kalinga University.

Details of Program:

The event, "Rural Transformation for Viksit: Fuelling the Rural Economy with Climate Smart Green Growth," focused on the critical intersection of rural development and sustainable, climate-smart practices. It aimed to explore strategies for invigorating the rural economy while aligning with green growth principles, particularly in the face of climate change.

The India Rural Colloquy - Chhattisgarh 2024 (IRC-CG 2024) took place on August 1st, 2024, in Raipur, organized by the Transforming Rural India (TRI) Foundation, with academic partnership of Indian Institute of Management-Raipur (IIM-R). This year's colloquy focused on the theme of Rural Transformation for a Viksit Chhattisgarh, with special focus on building future-ready and climate-resilient rural communities and localities in Chhattisgarh ready for green growth.

1. Climate Smart Agriculture:

Speakers emphasized the importance of integrating climate-smart agricultural practices in rural areas. These include the adoption of sustainable farming techniques, water conservation, and crop diversification to enhance resilience against climate variability.

2. Renewable Energy Solutions:

The potential of renewable energy, particularly solar and wind power, was highlighted as a means to provide affordable, sustainable energy to rural communities. This approach not only reduces carbon footprints but also creates local job opportunities.

3. Green Infrastructure:

The discussion also covered the development of green infrastructure in rural areas, such as eco-friendly transportation systems, sustainable housing, and waste management practices. These initiatives are vital for reducing environmental impact and promoting long-term sustainability.

4. Economic Empowerment through Green Growth:

The event underscored the need for economic policies that support rural entrepreneurs in adopting green technologies. Incentives, training programs, and access to finance were identified as crucial components to drive rural economic transformation.

5. Community Engagement and Education:

A recurring theme was the importance of community involvement in green initiatives. Educating rural populations about the benefits of climate-smart practices and involving them in decision-making processes ensures the sustainability and success of these initiatives.

Program Schedule:

S.No.	Session	Time
Inaugural Session: Importance of Rural Economic Development/Green Economy Development in Viksit-Bharat Viksit CG Vision-Address by dignitaries		10am to 11.15 am
1	Advancing Good Governance and Whole-of-Government Approach for Viksit Chhattisgarh	11.30 am to 12.30 pm
2	Climate Action for Viksit Chhattisgarh: Locality Compacts Advocating Technology-Based Water Security and Landscape Restoration	12.45 pm to 2 pm
Lunch		2-3 pm
3	Green Economy Mission: Need of the Hour? Fuelling the Rural Economy with Environmental Resilience & role of markets for alternative financing of the Green Economy	3 pm to 04.15 pm
3.1	GreenBiz-A Micro-Entreprenuership Design Sprint for Students (Proposed to be conducted by IIM-R with its students. May send invites of participation to other Institutes)	3 pm to 4 pm
4	One Health: Future-Proofing the health of People, Animals, and Ecosystem for building resilience against poverty and climate change	4.15 pm to 5.15 pm
Concluding Session: Awards for GreenBiz and Vote of Thanks		5.15 pm to 6 pm

Program Outcome:

1. Enhanced Awareness and Knowledge

2. Learnt how to strengthened Policy Advocacy.

Number of Students participated: 22

Number of faculty participated: 02

"Tribal Global Conclave 2025"

Organized by

"Adi tribal Foundation"

From

10th to 12th January 2025

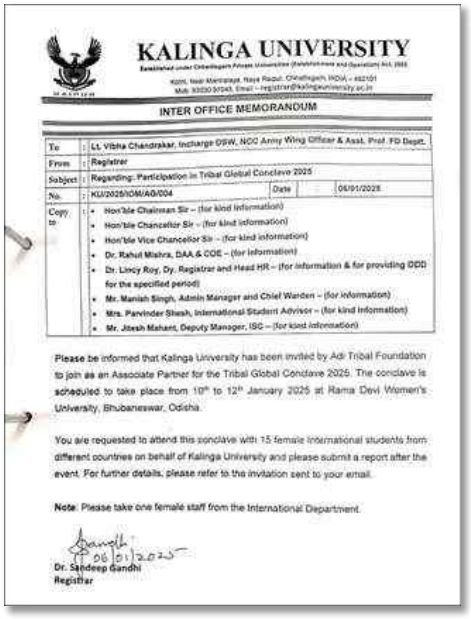
Date: 10th to 12th January 2025

Time of event: 3:00 PM to 10:00 AM

Event Type: Offline

Venue: Bhubaneswar, Odisha

IOM/Circular:



KALINGA UNIVERSITY

INTER OFFICE MEMORANDUM

To	:	Lt. Vibha Chandrakar, Incharge DSW, NCC Army Wing Officer & Asst. Prof. FD Dept.
From	:	Registrar
Subject	:	Regarding: Participation in Tribal Global Conclave 2025
No.	:	KU/2025/IOM/AG/004 Date : 06/01/2025
Copy to	:	• Hon'ble Chairman Sir – (for kind information) • Hon'ble Chancellor Sir – (for kind information) • Hon'ble Vice Chancellor Sir – (for kind information) • Dr. Rahul Mishra, DAA & COE – (for information) • Dr. Lincy Roy, Dy. Registrar and Head HR – (for information & for providing OOD for the specified period) • Mr. Manish Singh, Admin Manager and Chief Warden – (for information) • Mrs. Parvinder Sheoh, International Student Advisor – (for kind information) • Mr. Jitesh Mahant, Deputy Manager, ISC – (for kind information)

Please be informed that Kalinga University has been invited by Adi Tribal Foundation to join as an Associate Partner for the Tribal Global Conclave 2025. The conclave is scheduled to take place from 10th to 12th January 2025 at Rama Devi Women's University, Bhubaneswar, Odisha.

You are requested to attend this conclave with 15 female international students from different countries on behalf of Kalinga University and please submit a report after the event. For further details, please refer to the invitation sent to your email.

Note: Please take one female staff from the International Department.

06/01/2025

Dr. Sandeep Gandhi
Registrar

Objective of Program:

1. EmpowerTribalWomen:Provide a platform to celebrate and promote the contributions, talents, and achievementsoftribalwomen globally.
2. PreserveTribalHeritage:Showcase the rich cultural traditions, arts, and practices of tribal communities worldwide.
3. Foster GlobalUnity:Facilitate cultural exchange and understanding among diverse tribal communitiesacrosstheglobe.
4. Encourage TalentRecognition: Recognize and reward individuals for their talents and efforts in preserving andpromotingtribal identity.
5. Promote TourismandDevelopment: Highlight the role of tribal culture in tourism, food, sports, and economicdevelopment.
6. Build GlobalNetworks:Connect policymakers, tribal leaders, and cultural ambassadors to discuss strategiesforsustainable tribal development.

The Tribal Globe Fest, held from 10th to 12th January 2025 in Bhubaneswar, was a dynamic celebration of tribal culture and an empowering event for tribal women. This vibrant festival provided an excellent platform for showcasing the rich cultural heritage of tribal communities worldwide. Along with Ms. Glessy Aniyan ISC Coordinator, I had the privilege of accompanying 13 international students to this prestigious event, where they actively participated in various segments, demonstrating their talents and respect for tribal traditions. Their exceptional performances were recognized, earning them accolades in multiple categories.

Awards and Achievements

1. Best Photogenic: Kalumbu Liksi
2. Miss Radiant Beauty: Salome Julius
3. Best Talent: Safiya Biki
4. Miss Timeless Beauty: Uetuuonga Kandjii
5. Best Tribal Presentation: Tiphotonkhe Masuku
6. Jury's Choice: Gikundiro Liliane Abijuru
7. Miss Style Icon: Aluel Mijack
8. Miss Fit and Popular: Merry Peter Temba
9. Miss Tribal Queen: Aluel Mijack
10. Miss Tribal Queen Universe: Tendai Gwatipedza

Event Highlights

The Tribal Globe Fest was a powerful event, with participation from 50-100 countries and over 60 global communities. Key highlights of the festival included:

Global Tribal Dance
Tribal Costume and Tribal Sports
Tribal Stalls
Themes that emphasized cultural preservation, food, sports, and tourism.
Tribal Queen Global Program and Jana Jatiya Gaurav Samman 2025.

The event was a celebration of global tribal heritage, allowing participants to interact, share knowledge, and showcase their cultures.

Visit to Puri Beaches and Jagannath Temple

On 13th January 2025, we had the opportunity to visit the famous Puri Beaches and the historic Jagannath Temple. The students enjoyed a relaxing day at the beaches, experiencing the serene beauty of Odisha's coastline. I had the privilege of visiting the Jagannath Temple, a significant religious site. The students, on the other hand, continued their exploration of the vibrant cultural and natural surroundings of Puri.

Invitation to Tribal Global Conclave 2025

Following our success at the Tribal Globe Fest, Kalinga University was invited by the Adi Tribal Foundation (ATF) to join as an Associate Partner for the Tribal Global Conclave 2025, to be held at Rama Devi Women's University, Bhubaneswar, Odisha, from 10th to 12th January 2025.

promoting tribal heritage and cross-cultural dialogue on a global stage. Highlights include:

Participation from international delegates, Members of Parliament, Ministers, policymakers, researchers, entrepreneurs, and tribal leaders.

The Tribal Queen Global Program, which provides a platform for students to showcase their cultural heritage and interact with global delegates.

Logistical and Hospitality Arrangements

The Adi Tribal Foundation requested the following support for this collaboration:

1. Facilitation of international student participation in the Tribal Queen Global Program on 12th January 2025.
2. Logistical arrangements for students traveling from Raipur to Bhubaneswar.
3. Sharing of Kalinga University's high-resolution logo for promotional materials.

The hospitality arrangements were fully managed by the organizers, ensuring that students were accommodated and provided with meals during their stay at Rama Devi Women's University.

Impact of Participation

Our participation in both the Tribal Globe Fest and the upcoming Tribal Global Conclave 2025 has brought immense pride to Kalinga University. The students' achievements highlighted their talent, and their involvement underscored the importance of cultural preservation and the appreciation of tribal heritage. This collaboration presents a unique opportunity for Kalinga University to contribute to the global conversation on tribal empowerment and cultural preservation while fostering meaningful international student engagement.

Program Outcome:

The Tribal Globe Fest in Bhubaneswar proved to be an extraordinary platform for celebrating and empowering tribal communities while fostering global cultural exchange. The active participation of international students from Kalinga University not only showcased their talents and respect for tribal traditions but also brought pride and recognition through their outstanding achievements in various categories.

The event emphasized the importance of preserving tribal heritage and promoting unity among diverse communities worldwide. Furthermore, the invitation extended to Kalinga University to join as an Associate Partner for the upcoming Tribal Global Conclave 2025 reaffirms the university's significant role in fostering cultural preservation and empowerment.

By participating in such events, we continue to strengthen our commitment to promoting inclusivity, diversity, and global collaboration, making a meaningful contribution to the celebration and preservation of tribal culture.

You are requested to accompany the Students of Kalinga University and take care of their safety and security during the tour & submit a report along with Geo Tag pictures, after coming back.

30/05/25

Dr. Sandeep Gandhi
Registrar

OBJECTIVE OF THE PROGRAM:

1. ***To Enhance Cultural Awareness***

   To familiarize B.Ed. students with the rich tribal heritage, customs, and traditions of Chhattisgarh through firsthand observation and exploration.
2. ***To Integrate Theory with Practical Experience***
   To connect classroom learning with real-life examples of tribal culture, education, and community living as emphasized in the curriculum of Social Science and Multicultural Education.
3. ***To Develop Observation and Documentation Skills***
   To provide students the opportunity to observe, document, and critically analyze exhibits related to tribal life, artifacts, art, and history.
4. ***To Foster Appreciation for Indigenous Knowledge Systems***
   To encourage respect for the traditional knowledge, ecological wisdom, and lifestyle practices of tribal communities.
5. ***To Promote Inclusive Education Values***
   To understand the socio-cultural diversity of learners and reflect on the importance of inclusive and equitable education for tribal populations.
6. ***To Encourage Experiential and Reflective Learning***
   To promote active learning through field-based experiences, reflective discussions, and group interactions.
7. ***To Inspire Educational Innovation and Contextual Learning***
   To explore how tribal themes, folklore, and materials can be incorporated into teaching strategies and curriculum design.
8. ***To Strengthen Collaborative and Social Skills***To provide a platform for team-based learning, peer interactions, and mutual understanding among B.Ed. students.
9.

DETAILS OF PROGRAM:

An ***educational tour*** was organized for the students of ***B.Ed. 2nd Semester*** to the ***Tribal Museum, Naya Raipur, Chhattisgarh*** on ***30 May2024***. The purpose of the visit was to provide experiential learning and cultural exposure related to tribal life, traditions, and education—an integral part of their B.Ed. curriculum.

The tour was coordinated by ***Dr. Saroj Nayyar (Programme Coordinator)*** along with ***Dr. Sanjeev Yadav (Male Faculty)***. A total of ***19 students*** participated in the visit. Necessary permissions were taken in advance from the ***Dean Academic Affair (DAA)*** and the ***Registrar*** of the University.

The group departed from the university campus at ***12:30 PM*** and reached the Tribal Museum, Naya Raipur, where students engaged with various exhibits showcasing tribal artifacts, lifestyle, and cultural elements. The visit enabled them to observe and reflect upon the diversity and richness of tribal communities in Chhattisgarh. The group safely returned to the university by ***3:30 PM***.

MEETING WITH SECRETARY

Madam Gayatri Netam the secretaryofthe Tribal Museum

PROGRAM OUTCOMES:

Gained firsthand exposure to the rich tribal heritage of Chhattisgarh.
Enhanced understanding of cultural diversity and inclusive education.
Developed appreciation for indigenous knowledge systems and traditions.
Strengthened skills of observation, documentation, and reflection.
Encouraged integration of experiential learning into teaching practices.
Promoted sensitivity towards marginalized and tribal communities.
Fostered teamwork, collaboration, and active participation among students.

Organized by the

Department of Zoology and Green Club of Kalinga University

in Collaboration with

Chhattisgarh Environment Conservation Board

on

13.09.24

Title- " World Ozone Day"

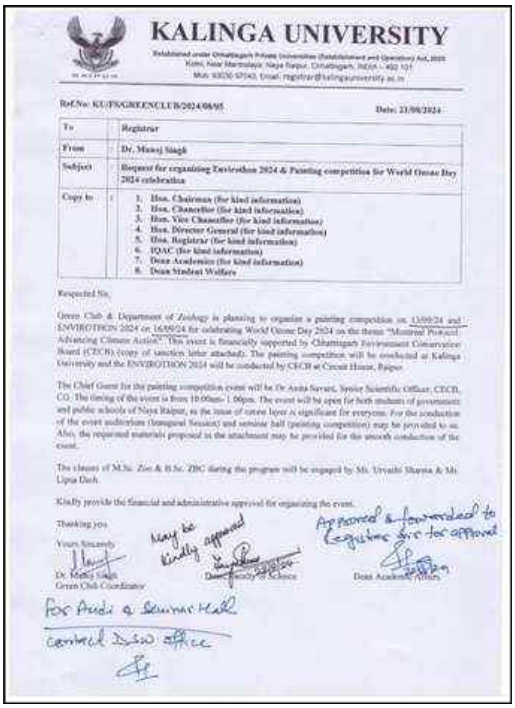
Date: 13-09-2024

Time of event: 10:00 AM onwards

Event Type: Offline

Venue: Kalinga University Campus

IOM/Circular:



KALINGA UNIVERSITY

Ref.No: KU/TS/GREENCLUB/2024/09/05 Date: 13/09/2024

To	Registrar
From	Dr. Manoj Singh
Subject	Request for organizing Envirothon 2024 & Painting competition for World Ozone Day 2024 celebration
Copy to	1. Hon. Chairman (for kind information) 2. Hon. Chancellor (for kind information) 3. Hon. Vice Chancellor (for kind information) 4. Hon. Director General (for kind information) 5. Hon. Registrar (for kind information) 6. IQAC (for kind information) 7. Dean Academics (for kind information) 8. Dean Student Welfare

Respected Sir,

Green Club & Department of Zoology is planning to organize a painting competition on 13/09/24 and ENVIROTHON 2024 on 16/09/24 for celebrating World Ozone Day 2024 on the theme "Montreal Protocol: Advancing Climate Action". This event is financially supported by Chhattisgarh Environment Conservation Board (CECB) (copy of sanction letter attached). The painting competition will be conducted at Kalinga University and the ENVIROTHON 2024 will be conducted by CECB at Circuit House, Raipur.

The Chief Guest for the painting competition event will be Dr Anita Sarvari, Senior Scientific Officer, CECB, CG. The timing of the event is from 10:00am- 1.00pm. The event will be open for both students of government and public schools of Naya Raipur, as the issue of ozone layer is significant for everyone. For the conduction of the event auditorium (transport Session) and seminar hall (painting competition) may be provided to us. Also, the requested materials proposed in the attachment may be provided for the smooth conduction of the event.

The classes of M.Sc. Zoo & B.Sc. ZBC during the program will be engaged by Ms. Urvashi Sharma & Ms. Lipsa Dash.

Kindly provide the financial and administrative approval for organizing the event.

Thanking you

Yours Sincerely

Dr. Manoj Singh
Green Club Coordinator

Event Poster:

Invitation to the resource person: (NA)

Objective of Program:

Create awareness about ozone layer.

Encourage students to show their creativity through paintings in environmental related issues.

Help students improve their knowledge regarding the causes of ozone depletion and ways of prevention.

Profile of Resource person (if applicable):

Resource Person 1:

Name: Shri Amar Prakash Savant

Designation: Public relation officer and coordinator

Organization: CECB, Chhattisgarh

Resource Person 2:

Name: Dr Anita Savant

Designation: Senior Scientific Officer

Organization: CECB, Chhattisgarh

Benefits to the person (if applicable):

will obtain a chance to understand the current status and policies related to environment.

Program Schedule:

Program was startedfrom 10 A.M.

First painting competition was concluded by 12:30 PM which was followed by snacks distribution.

Guest lecture : Dr. Anita Savant (12:45-1:15 PM).

Award distribution (1:15-1:30 PM) which was followed by group photo.

Details of Program:

On 13th September 2024, World Ozone Day was celebrated on the premises of Kalinga University through a painting competition and a guest lecture. The event was conducted collaboratively by Green Club and the Department of Zoology, Kalinga University, Naya Raipur along with CECB, Chhattisgarh. Moreover, the entire event was sponsored by CECB, Chhattisgarh and the chief guest was Shri Amar Prakash Savant, Public relation officer and Coordinator, Chhattisgarh Environment Conservation Board. The main attraction of the event was the painting competition for school children where students from classes VI to X enthusiastically participated in making illustrations to depict their thoughts about causes of ozone depletion and ways to mitigate the same. 140 participants including students and faculty members from the 09 different schools, namely -Bharatmata Senior Secondary School,Rakhi, Sector -26, Cristel House School, Sector25, Naya Raipur, Govt. Higher Senior Secondary School, Palaud & Parsada, Govt. School Rakhi, Mahatama Vidyapeeth School, Palaud, Govt. Higher Secondary School, Uparwara, Jawahar Navodaya Vidyalaya, Airport Rd, near SBI ATM, Mana, Kendriya Vidyalaya, Sector 25, Rakhi and Government Girls School, Palaud, Naya Raipur had participated. Additionally, students from the Department of Zoology, Kalinga University also actively participated and volunteered in the event. Along with prizes for 1st, 2nd and 3rd position, 4 consolation prizes were also awarded. After the painting competition there was a brainstorming guest lecture by Dr. Anita Savant, senior scientific officer, CECB, Chhattisgarh. Dr. Savant spoke about the main causes of ozone depletion and the current state of our ozone layer. She encouraged students to actively practice the measures of environment conservation in their daily lives too. Dr. R. Jayakumar, Dean, Faculty of Science was also present during the event and shared a few words regarding environment conservation. All participants, winners and committee members were provided certificates. The coordinators for the event were Dr. Manoj Singh (Green Club Coordinator and HoD, Department of Zoology), Dr. Ajay Kumar Harit (Green Club Co-coordinator and associate professor, Department of Zoology) and Dr. Sohini Bhattacharyya (Assistant professor, Department of Zoology).

Program Outcome:

7.
nts could understand and present their views on conserving environment and ozone layer.
Participa

8.
nts were able to creatively present their thoughts.
Participa

Number of Students participated: ~158 (school students+ school faculties+ Kalinga University student and faculty)

Faculty members and non-teaching staff: mentioned above

"TREE PLANTATION DRIVE"

Organized by

"NSS UNIT OF KALINGA UNIVERSITY"

On

DATE: 20-7-2024

Title- Tree Plantation Drive

Date: 20/7/2024

Time of event: 11:30AM

Event Type: Offline IOM/NA

Event Poster: -

Objective of Program: We must increase green cover, improve air quality, and protect wildlife habitats to combat climate change. Raising awareness about the importance of trees and encouraging community involvement is crucial. These efforts also enhance public spaces, improve public health, and create job opportunities, contributing to climate-resilient communities.

Details of Program: National Service Scheme (NSS) unit of Kalinga University in collaboration with Unnat Bharat Abhiyan, Green Army and Lions Club Raipur Friends organised a Tree Plantation Drive at Sports Complex ground of Kalinga University, Naya Raipur on Saturday morning.

Large numbers of saplings were planted by the dignitaries during the plantation drive the aim of the drive was to make the environment green. Prominent personalities present on the occasion were Dr. Sandeep Gandhi, Registrar of Kalinga University, Dr Smita Premanand, NSS Program Officer Kalinga University, Dr. D Kalidoss Director of Sports Kalinga University. Dr. Sanjeev Yadav, Sports Officer, Mr. Avneet Singh , President of Lions Club Raipur Friends, lions Hardeep Singh, Mr. Mohan Varlyani, former president and found member of Green Army, Ms. Hardeep Kaun, former president Green wing, Dr. Purshottam Chandrakar, Founder member green army, Dr Ratri Lahri, NSS program officer of Gurukul College, Mr. Balram Nagpure, Mr. Vinod Shesh and others were present

during the drive.

Over 200 saplings were planted during the drive. Dr. Smita Premanand expressed gratitude to the participants present of the noble cause.

It is worth mentioning that Kalinga University, located in Naya Raipur, Chhattisgarh, is a premier institution dedicated to excellence in education, research, and innovation. Committed to fostering academic growth and community engagement, Kalinga University offers a diverse range of programs and extracurricular activities aimed at holistic student development.

Program Outcome: The Tree Plantation Drive successfully promoted environmental conservation, community involvement, and educational enrichment, aligning with Kalinga University's mission of fostering academic growth and community engagement.

"JUDEX 2.0 - Surana & Surana National Human Rights Moot Court Competition, 2024"

On

26 - 27 July, 2024 (Virtual Rounds)

17th August, 2024 (Campus Rounds)

Date: 26 & 27 July, 2024 and 17 August, 2024

Mode: Hybrid Event

Venue: Seminar Hall, Kalinga University

Event Poster:

Invitation to the resource person:

Objective of the Moot Court Competition:

- ***Legal Skills Development***: To enhance participants' legal research, writing, and oral advocacy skills.
- ***Understanding of Law:*** To deepen participants' understanding of legal principles, procedures, and precedents.
- ***Application of Law:*** To provide an opportunity for participants to apply legal knowledge in simulated court settings.
- ***Critical Thinking***: To promote critical thinking, analytical reasoning, and problem-solving abilities in a legal context.
- ***Advocacy Skills:*** To develop effective advocacy skills, including the ability to present arguments persuasively.

Program Schedule:

Day 1 (26th July, 2024) : Orientation

Registration of participants

Inaugural function

Intimation of moot rules

Day 2 (27th July, 2024): Preliminary Rounds & Quarter finals

Preliminary Rounds (1 and 2)

Results of preliminary rounds

Quarter final rounds

Results of quarter final rounds

Draw of lots for Semi Final round

Day 3 (17th August, 2024): Semi-Finals & Final rounds and valedictory functions

Semi-Final Rounds

Final round

Valedictory Function

Program Outcome:

The completion of Surana & Surana National Human Rights Moot Court Competition yielded a multitude of valuable outcomes for participants. The competition served as an invaluable learning experience for all participants. It provided a platform for them to not only apply theoretical legal knowledge but also to develop critical thinking and problem-solving abilities under the pressure of a courtroom setting. The growth witnessed in legal research, persuasive communication, and procedural understanding was notable and promising for the future legal careers of these students

Throughout the competition, participants conducted themselves with a high degree of professionalism and decorum. Respectful interactions with opponents, judges, and organizers were evident, reflecting a genuine commitment to the ethics of legal practice. This atmosphere of mutual respect and sportsmanship significantly contributed to the overall success of the event

The moot court competition stands as a testament to the dedication, talent, and potential of our law students. It not only served as a platform for showcasing their abilities but also contributed significantly to their professional development. We extend our heartfelt gratitude to all participants, judges, sponsors, and organizers for their invaluable contributions to this enriching experience.

The judges for the Final Round of the Competition were Advocate Vedant Bhelonde, Practicing Advocate, Bilaspur High Court of Chhattisgarh; Advocate Lukesh Mishra, Senior Advocate, Bilaspur High Court of Chhattisgarh and Advocate Praglabh Sharma, Associate of Pransh Law Associates.

The School of Excellence in Law, affiliated with The Tamilnadu Dr. Ambedkar Law University, emerged victorious in the prestigious National Moot Court Competition, showcasing their exceptional legal acumen and advocacy skills. The competition, which drew participation from top law schools across the country, was fiercely contested, with KIIT School of Law securing the runners-up position. This achievement highlights the dedication and proficiency of the students and faculty at both institutions, further solidifying their reputations as leading centers for legal education in India.

Number of Students participated: 60

Offline Mode: 12

Guests of the Inaugural Function

Justice Umesh Chandra Dhyani

Mr. Justice U.C. Dhyani served in various judicial positions in the State of U.P. After creation of State of Uttarakhand, he served as Judicial, Legislative and Parliamentary Affairs Secretary, Government of Uttarakhand and Legal Advisor to His Excellency, the Governor of Uttarakhand. He also worked as District Judge, Udham Singh Nagar; District Judge, Nainital; and District Judge, Dehradun. Served as Registrar General before being elevated as Judge of Hon'ble High Court of Uttarakhand on 13.09.2011.

Guest of the valedictory Function

Justice TP Sharma

Former judge, High Court of Chhattisgarh, Bilaspur, Appointed as Pramukh Lokayukta Chhattisgarh on 27.08.2018. Also Chairman, Tadmetla Morpalli Timmapuram Dornapal. Incidence Judicial Inquiry Commission.

Field Visit to

Mohrenga Forest Trail

(Indira PriyadarshiniNature Safari)

Organized by

Department of Botany

On

1st October 2024

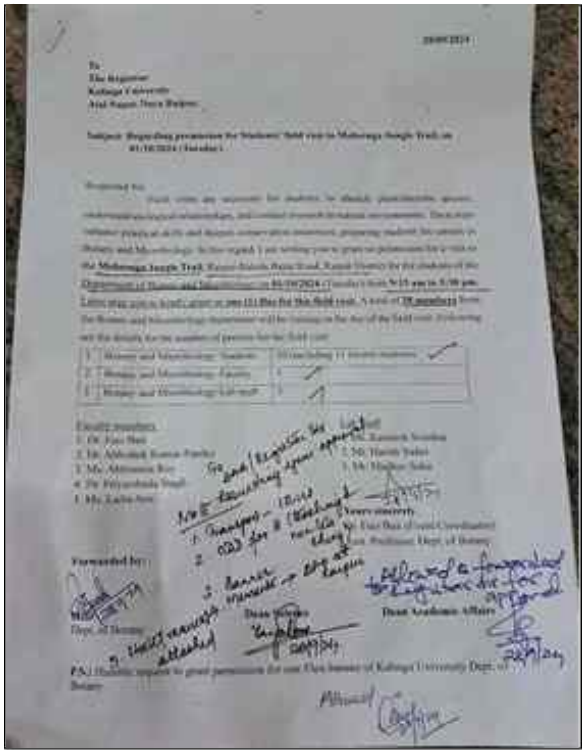
Field Visit to Mohrenga Forest Trail (Indira Priyadarshini Nature Safari), Raipur district.

Date: October 1st 2024
Venue: Mohrenga Forest Trail,
Organizers: Department of Botany and Microbiology

Objective:

The field trip was organized to provide students of the Botany and Microbiology Departments with hands-on experience in assessing forest vegetation, learning field botany sampling methods, and identifying flora using taxonomic keys. Microbiology students also had the opportunity to collect and study mycological and bacteriological samples from the forest environment.

Permission Letter –

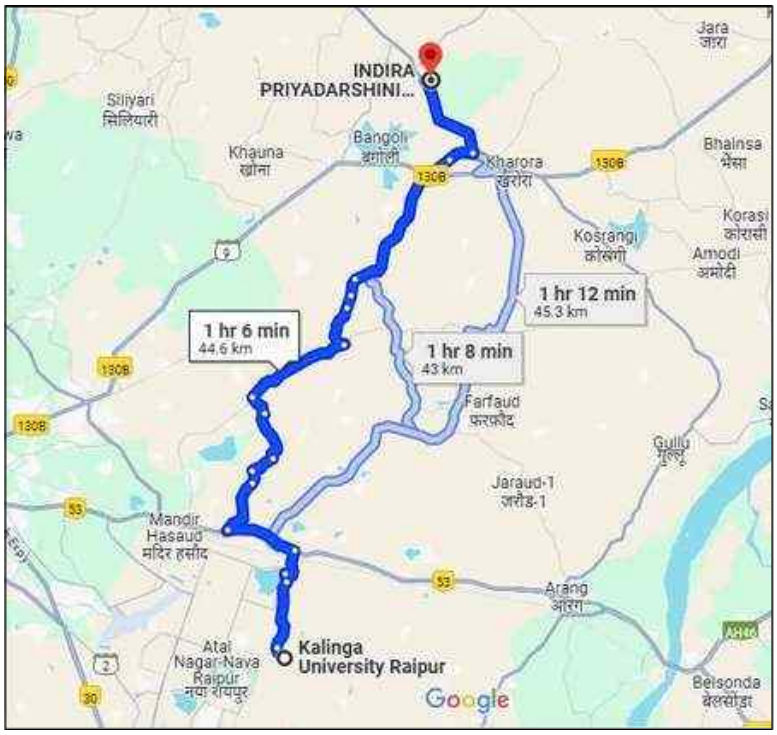


कार्यालय वनमण्डलाधिकारी रायपुर वनमण्डल, रायपुर (छत्तीसगढ़)

Study Area:

Spanning 555 hectares, the Indira Priyadarshini Nature Safari, located in Mohrenga, Chhattisgarh, is rich in biodiversity, featuring around 40 species of animals and birds, as well as diverse flora, including bamboo and medicinal plants. For Botany and Microbiology students, this site offers invaluable opportunities for field studies. The variety of plant species allows for the exploration of local and medicinal flora, while the rich ecosystem provides insight into natural microbial habitats essential for understanding plant-microbe interactions. A guided nature walk at this safari would enhance students' learning by giving them direct exposure to plant biology, conservation strategies, and ecosystem dynamics, fostering a deeper understanding of biodiversity and sustainable practices.

The Mohrenga Forest Trail, aimed to serve as an excellent natural site for students to study forest biodiversity, assess vegetation, and explore ecological relationships. The visit was part of the practical curriculum aimed at improving students' understanding of environmental science, taxonomy, and microbiology through field-based learning.



Details of the activities undertaken:

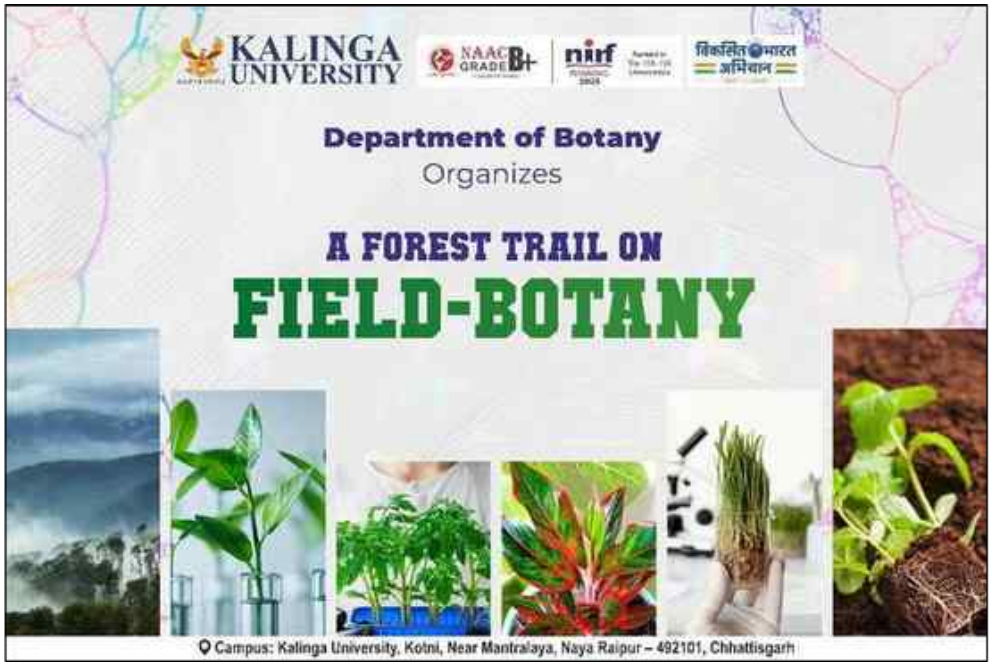
1. Assessment of Forest Vegetation:
   - o Students from the Department of Botany conducted an in-depth study of the forest vegetation. This involved:
     - Identifying various plant species using field guides and taxonomic keys.
     - Understanding plant community structures, canopy layers, and dominant species within the forest ecosystem.
     - Recording data on tree height, girth, and canopy spread, while noting understory plants and ground flora.
2. Sampling Methods in Field Botany:
   - o Several sampling techniques were introduced to the students, including:
   - o Quadrat sampling for assessing species density and frequency.
     - Transect walks for evaluating plant distribution across different terrain.
3. Study of Identification Keys:
   - o Hands-on training was provided on the use of keys for species identification.
   - o Students identified key plant species, noting distinguishing features such as leaf arrangement, venation, and flower morphology.
4. Mycological and Bacteriological Studies:
   - o Microbiology students collected fungal and bacterial samples from the forest floor, decaying logs, and soil.

Programme Outcomes

The visit to the Indira Priyadarshini Nature Safari proved to be a highly educational and enriching experience for Botany and Microbiology students and attained the intended outcomes which were:-

1. ***Enhanced Understanding of Biodiversity***: Students gained insights into the diverse flora and fauna present in the region, deepening their understanding of local ecosystems and species interactions.
2. ***Practical Exposure to Conservation Efforts***: By observing the safari's conservation practices, students learned about the importance of protecting natural habitats and species, aligning theoretical knowledge with real-world applications.
3. ***Study of Medicinal Plants and Ecosystems***: The presence of a variety of medicinal plants provided an excellent opportunity for botany students to explore their uses, while microbiology students observed microbial interactions within natural ecosystems, enhancing their practical knowledge of environmental microbiology.
4. ***Interactive Learning Experience***: The visit encouraged hands-on learning through nature walks, biodiversity hall exhibits, and guided observations, offering a more engaging and memorable educational experience than classroom-based learning.

Creatives:



Participants of the visit:

Total Students attended the visit: 32

Total Faculties and Lab staff attended the visit: 08

Time duration: 9:30 am to 4:30 pm

Undertaking from the students

Hard copy / WhatsApp message (as applicable) from parents of consent letter was collected before the visit from all students signed by parents and students. Few consents attached.

Field Visit to

Mohrenga Forest Trail

(Indira Priyadarshini Nature Safari)

Raipur- Baloda Bazar Road, Raipur

Organized by

Department of Microbiology, Kalinga University

On

1st October 2024

Field Visit to Mohrenga Forest Trail (Indira Priyadarshini Nature Safari), Raipur district.

Date: October 1st 2024

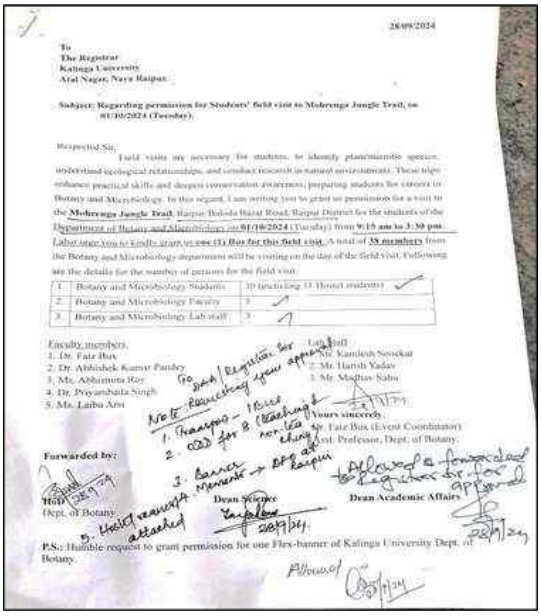
Venue: Mohrenga Forest Trail,

Organizers: Department of Botany and Microbiology

Objective:

The field trip was organized to provide students of the Botany and Microbiology Departments with hands- on experience in assessing microflora of forest vegetation, studying microbial interactions in nature and students also had the opportunity to collect and study mycological and bacteriological samples from the forest environment.

Approval Letter:



28/09/2024

To
The Registrar
Kalinga University
Atal Nagar, Naya Raipur

Subject: Regarding permission for Students' field visit to Mohrenga Jungle Trail, on 01/10/2024 (Tuesday).

Respected Sir,

Field visits are necessary for students, to identify plant/animal species, understand ecological relationships, and conduct research in natural environments. These trips enhance practical skills and deepen conservation awareness, preparing students for careers in Botany and Microbiology. In this regard, I am writing you to grant us permission for a visit to the **Mohrenga Jungle Trail**, Raipur Baloda Bazar Road, Raipur District for the students of the Department of Botany and Microbiology on **01/10/2024** (Tuesday) from 9:15 am to 3:30 pm. Later hope you to kindly grant us **one (1) Bus for this field visit**. A total of **38 members** from the Botany and Microbiology department will be visiting on the day of the field visit. Following are the details for the number of persons for the field visit:

1.	Botany and Microbiology Students	30 (including 11 Hostel students)
2.	Botany and Microbiology Faculty	3
3.	Botany and Microbiology Lab staff	3

Faculty members:
1. Dr. Faiz Bux
2. Dr. Abhishek Kumar Pandey
3. Ms. Abhimita Roy
4. Dr. Priyambada Singh
5. Ms. Laiba Arsi

Lab Staff
1. Mr. Kamlesh Sonekar
2. Mr. Harish Yadav
3. Mr. Madhav Sahu

Yours sincerely,
(Dr. Faiz Bux (Event Coordinator)
Asst. Professor, Dept. of Botany

Forwarded by:

Head
Dept. of Botany

Dean Science

Dean Academic Affairs

P.S.: Humble request to grant permission for one Flex-banner of Kalinga University Dept. of Botany.

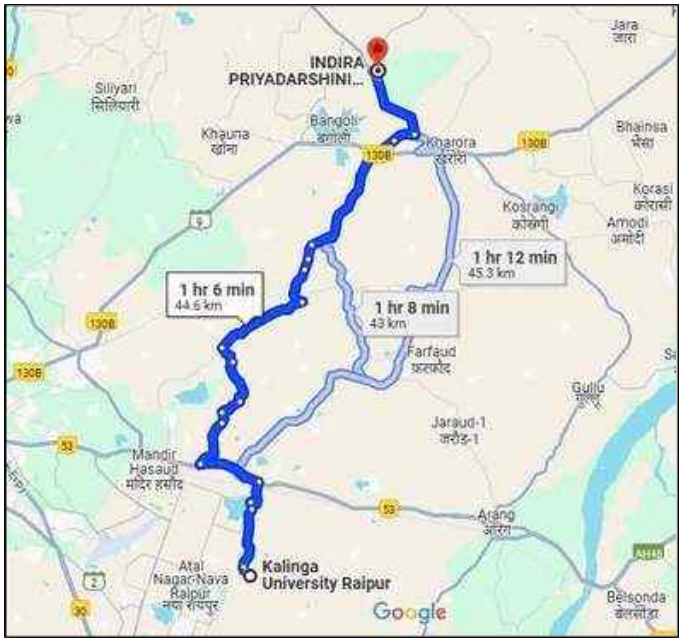
Details of the visit

Name of the Forest area: Indira Priyadarshini Nature Safari, Mohrenga Forest Raipur- Baloda Bazar Road, Raipur**.**

Mohrenga jungle trail is being developed at an accelerated pace in Mohrenga village near Baloda bazar Road, nearly 40 kms away from capital city Raipur. Chhattisgarh Forest Department has developed it of viewing of nature's aesthetic beauty, observe biodiversity and experience the healing touch of nature in this nature safari. Spanning 555 hectares, the ***Indira Priyadarshini Nature Safari***, located in Mohrenga, Chhattisgarh, is rich in biodiversity, featuring around 40 species of animals and birds, as well as diverse flora, including bamboo and medicinal plants. For Botany and Microbiology students, this site offers invaluable opportunities for field studies. The variety of plant species allows for the exploration of local and medicinal flora, while the rich ecosystem provides insight into natural microbial habitats essential for understanding plant-microbe interactions. A guided nature walk at this safari would enhance students' learning by giving them direct exposure to plant biology, conservation strategies, and ecosystem dynamics, fostering a deeper understanding of biodiversity and sustainable practices.

The Mohrenga Forest Trail, aimed to serve as an excellent natural site for students to study forest biodiversity, assess vegetation, and explore ecological relationships. The visit was part of the practical curriculum aimed at improving students' understanding of environmental science, taxonomy, and microbiology through field-based learning.



Details of the activities undertaken:

1. ***Assessment of Forest Vegetation***:

Students from the Department of Microbiology studied forest microbiome. This involved:

- Studying the interaction between plants and microorganisms (symbiotic relationships).
- Importance of forest litter (fallen leaves, branches) as a nutrient source for microbes.
- Microbial communities and microbial diversities in forest ecosystem.

2. Sampling Methods in Field Microbiology:

Hands-on training was provided for collection od various samples from forest ecosystem.

- ***Soil sampling:*** Clearing surface debris (like leaves or twigs) without disturbing the underlying soil and collecting the soil samples and rhizosphere soils, Labelling each sample with location, depth, and other relevant information.
- ***Litter sampling:*** Collecting samples of various leaf litter, bark, or decaying wood.
- ***Air sampling:*** Exposing open agar plates in different forest zones for 15 minutes.

3. Handling, maintenance and preservation of samples:

- Hands-on training was provided for handling, maintenance and preservation of collected samples.
- Samples were stored in sterile bags and containers for further isolation purpose.

4. Mycological and Bacteriological Studies:

The collected samples were further used for isolation and studying microflora for mycological and bacteriological studies.

Program outcome of field visit:

The visit to the Indira Priyadarshini Nature Safari proved to be a highly educational and enriching experience for Botany and Microbiology students and attained the intended outcomes which were: -
1. Understanding Ecosystem Interactions: Students gained the knowledge about the relationships between forest vegetation, soil, and microbial communities. Identified symbiotic relationships (e.g., mycorrhizae, endophytes) between plants and microorganisms.
2. Field Sampling Techniques: Students learned collection of microbiological samples from various forest environments (soil, leaf litter, water, plants), Properly label, store, and transport collected samples for laboratory analysis.
3. Application of Ecological Principles: Students understood the ecological and microbiological principles to assess the health and biodiversity of the forest ecosystem. The relationships between microbial diversity and forest health (e.g., impact of forest degradation, deforestation, or pollution on microbial communities. Understood the ecological roles of microorganisms in soil fertility, carbon sequestration, and nitrogen cycling.
4. Awareness of Environmental Conservation: Students gained knowledge about the importance of conserving microbial diversity and forest ecosystems. ecological roles microorganisms play in maintaining forest health and sustainability.
5. Collaboration and Teamwork: Students developed collaborative skills through group work during field and laboratory activities. Worked effectively in teams to collect and process samples, analyze data, and present findings.

Reg: Request for organizing a Nature Camp for celebrating "Wildlife Week 2024"

Respected Sir,
On behalf of the Green Club and Department of Zoology, Kalinga University, Naya Raipur, we are writing to express our enthusiasm and support for the upcoming Wildlife Week 2024, which is scheduled to take place from 01st to 07th Oct 2024. Wildlife Week is a time when people from all walks of life come together to reflect upon the importance of preserving and safeguarding our natural world. We propose to organize a Nature Camp for celebrating **Wildlife Week 2024** from 05th to 06th Oct 2024. During this 2-day event, the students of M.Sc. Zoology and B.Sc. ZBC will be engaged in a range of activities that not only raise awareness but also promote concrete actions for the conservation of wildlife and their habitats. Two Workshops on "Bird Identification & Roles Ecosystem Engineers in Forest" are planned during this event.
The program will create awareness among the young participants regarding the importance of Wildlife. We are planning for a gathering of 45 university students for this camp. The approximate budget of the camp is Rs 50000/-. Boarding and Lodging Facility at the camp site will be provided by the Forest Department. Travelling expenses from University to Camp Site (Keshkal Forest Division) will be borne by the participants.
Kindly grant us the transport facility for the same and ODD for the following staff members:

1. Dr. Manoj Singh
2. Dr. Ajay Kumar Harit
3. Dr. Sohini Bhattacharyya
4. Ms. Lipsa Dash
5. Ms. Urvashi Sharma
6. Ms. Chaitramayye Pradhan
7. Mr. Hemant Sen

Note:
1. Transport facility requested for 45+ students and staff - one bus.
2. ODD may be kindly sanctioned for the faculty
3. May be kindly permitted & approved

Thanking you

Yours faithfully

E-mail: registrar@kalingauniversity.ac.in
Website: www.kalingauniversity.ac.in

Objective of Program:

Create awareness about human nature and its conservation.
Encourage students to understand resources of the forest, like plants, medical herbs, etc..
Help students improve their biodiversity assessment skills.
Students will obtain a chance to stay close to nature.

Program Schedule:

KESHKAL FOREST DIVISION

WILDLIFE WEEK 2024 SCHEDULE

Day 1st (05-10-2024)

Time	Activity	Venue
8:00AM- 1:00 PM	Departure from Kalinga University	
1:00 PM – 2:00 PM	Lunch	Tatamari Ecotourism Center
2:00 PM – 3:30 PM	Ecological Survey	Lingdhara Waterfall
3:30 PM – 5:30 PM	Cleaning Drive	Shiva Temple
5:30 PM – 6:30 PM	Departure from Shiva Temple	Tatamari Ecotourism Center
6:30 PM – 7:00 PM	Evening Snacks	Tatamari Ecotourism Center
7:00 PM – 7:30 PM	Evening Walk Around Tatamari Ecotourism Center	Tatamari Ecotourism Center
7:30 PM – 9:00 PM	Dinner	Tatamari Ecotourism Center

Day 2nd (06-10-2024)

Time	Activity	Venue
5:30AM- 8:00 AM	Sunrise Point, Bird Walk and Nature Trail	Tatamari Ecotourism Center
8:00AM- 9:00 AM	Breakfast	Tatamari Ecotourism Center
9:00AM- 10:00 AM	Plantation Drive	Tatamari Ecotourism Center
10:00AM- 11:00 AM	Students getting Ready	Tatamari Ecotourism Center
11:00AM- 12:00 PM	Interaction with Forest Officials	Tatamari Ecotourism Center
12:00 PM- 12:15 PM	Certificate Distribution	Tatamari Ecotourism Center
12:15 PM- 01:30 PM	Lunch	Tatamari Ecotourism Center
1:30 PM – 5:00 PM	Departure from Tatamari	

Program Outcome:

1. Participants could closely interact with nature and learn about sustainable living.
2. Participants were able to interact with DFO, SDO and higher officials to know more about the challenges and mitigation currently undertaken to preserve our green habitats.

Number of Students participated:

29 Faculty members and non-

teaching staff: 5 Gathering during

valedictory session: 34

Details of Program:

The Nature Camp at Keshkal Forest Division, Chhattisgarh, was organized for B.Sc. ZBC & M.Sc. Zoology students of Kalinga University, aimed to provide a practical learning experience in wildlife conservation, biodiversity, and environmental stewardship. Spanning from 05th to 06th October 2024, the camp was attended by 29 students and 5 faculty members from the Department of Zoology. This report outlines the activities undertaken during the camp, focusing on the ecological significance of Keshkal Forest and the student-led cleaning drive.

Keshkal Forest Division is renowned for its rich biodiversity and is part of the larger Chhattisgarh forest ecosystem. The region features a variety of flora and fauna, including several endemic and threatened species. The forest is home to diverse habitats, such as deciduous forests, grasslands, and riverine ecosystems, making it an ideal location for ecological studies.

During the camp, students engaged in various activities that included guided nature walks, bird watching, and wildlife observation. Experts led discussions on local biodiversity, conservation issues, and the ecological roles of different species. Students recorded their observations, which contributed to a better understanding of the region's ecological dynamics.

Activities Conducted

Experts sessions were conducted by faculty members and local conservation experts. Topics included:

1. ***Biodiversity Assessment***: Students learned how to identify key species and assess their populations.
2. ***Ecological Monitoring***: Techniques for monitoring wildlife and understanding ecosystem health were discussed.
3. ***Conservation Strategies***: The importance of sustainable practices and community involvement in conservation efforts was emphasized.

Nature Walks and Observations

Guided nature walks allowed students to experience the forest firsthand. They observed various species of birds, mammals, and insects, while also noting the different plant communities. Field guides were used to help with identification, fostering a deeper appreciation for the local ecosystem.

Cleaning Drive Activity

Recognizing the importance of maintaining a clean environment, the students organized a cleaning drive around Gobrahin Shiva Mandir, Keshkal. The initiative aimed to raise awareness about pollution and its impact on wildlife.

Planning and Execution: Students divided into teams to cover different sections of the area. They gathered litter, including plastic waste, food wrappers, and other non- biodegradable materials.
Impact: Over 35 kg of waste was collected during the drive. This not only beautified the temple area but also highlighted the importance of responsible waste management to the local community.

Reflection and Learning

After the cleaning drive, students gathered for a reflection session. They discussed the impact of litter on wildlife and shared personal experiences about the camp. Many expressed a newfound commitment to environmental conservation and the importance of community engagement in addressing ecological issues.

The Nature Camp at Keshkal Forest Division provided B.Sc. ZBC & M.Sc. Zoology students with invaluable insights into the complexities of ecosystems and the pressing need for conservation efforts. The cleaning drive served as a practical demonstration of stewardship, reinforcing the idea that everyone has a
role to play in protecting the environment. This experience not only enriched students' academic knowledge but also inspired them to become active advocates for wildlife conservation in their communities.

As a result of the camp, students returned with enhanced skills in ecological observation, teamwork, and a profound appreciation for the natural world, preparing them for future endeavors in zoology and environmental science.

Recommendations for Future Camps:

1. ***Incorporate Local Community Engagement***: Collaborate with local conservation groups to foster a stronger connection between students and the community.
2. ***Expand Research Opportunities***: Include more hands-on research projects that allow students to contribute data to ongoing conservation efforts.
3. ***Promote Awareness Campaigns***: Develop programs that educate the local population about the importance of preserving their natural resources.

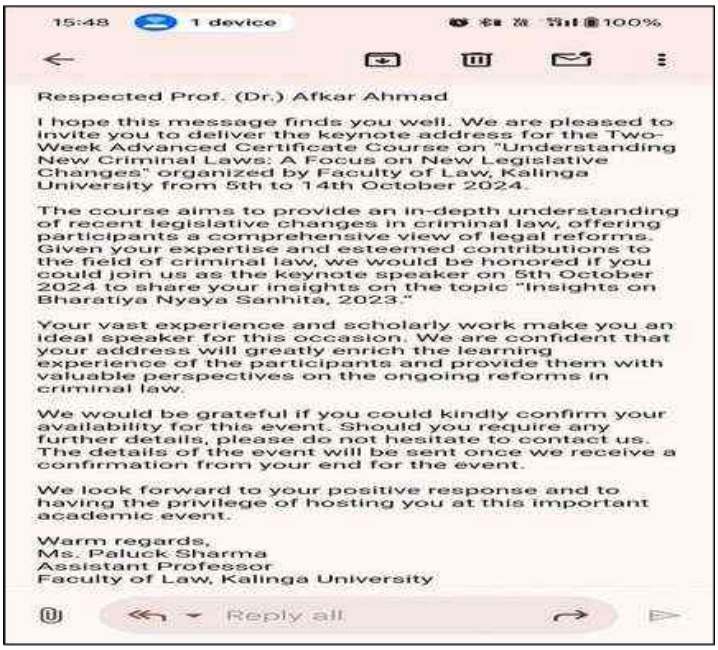
Invitation to the resource person:



15:48 1 device 100%

Respected Prof. (Dr.) Afkar Ahmad

I hope this message finds you well. We are pleased to invite you to deliver the keynote address for the Two-Week Advanced Certificate Course on "Understanding New Criminal Laws: A Focus on New Legislative Changes" organized by Faculty of Law, Kalinga University from 5th to 14th October 2024.

The course aims to provide an in-depth understanding of recent legislative changes in criminal law, offering participants a comprehensive view of legal reforms. Given your expertise and esteemed contributions to the field of criminal law, we would be honored if you could join us as the keynote speaker on 5th October 2024 to share your insights on the topic "Insights on Bharatiya Nyaya Sanhita, 2023."

Your vast experience and scholarly work make you an ideal speaker for this occasion. We are confident that your address will greatly enrich the learning experience of the participants and provide them with valuable perspectives on the ongoing reforms in criminal law.

We would be grateful if you could kindly confirm your availability for this event. Should you require any further details, please do not hesitate to contact us. The details of the event will be sent once we receive a confirmation from your end for the event.

We look forward to your positive response and to having the privilege of hosting you at this important academic event.

Warm regards,
Ms. Paluck Sharma
Assistant Professor
Faculty of Law, Kalinga University

Reply all

Objective of the Moot Court Competition:

- Toprovide participants with a comprehensive overview of recent legislative changes in criminal law, including theBharatiya Nagrik Sanhita (BNS), 2023, and the Bharatiya Sakshya Adhiniyam (BSA), 2023.
- Tocritically evaluate the rationale behind the legislative changes and assess their potential impact on crime prevention, law enforcement, and the justice delivery system.
- Toexamine the implications of new criminal laws on human rights, focusing on issues related to victims' rights, the rights of the accused, and ethical considerations in legal practice.
- Tofoster networking opportunities among participants, facilitating collaboration and discussion on best practices and strategies for adapting to legislative changes in criminal law.

Program Schedule:

Day 1 (5th October, 2024) : Orientation

Inaugural function

Session - Insights on Bharatiya Nyaya Sanhita, 2023 by Prof. (Dr.) Afkar Ahmed

Day 2 (6th October, 2024)

Session - Insights on Bharatiya Nagarik Suraksha Sanhita, 2023 by Mr. Kauser Husain

Day 3 (13th October, 2024)

Session - Insights on Bharatiya Sakshya Adhiniyam, 2023 by Prof. (Dr.) Sarfaraz Ahmed Khan

Day 4 (14th October, 2024)

Session - Insights on Comparative Analysis on New Criminal Laws by Prof. (Dr.) Upma Gautam

Program Outcome:

- ***Enhanced Knowledge of Criminal Law***:
- Participants will have a comprehensive understanding of recent legislative changes in criminal law, including the Bharatiya Nagrik Sanhita (BNS), 2023, and the Bharatiya Sakshya Adhiniyam (BSA), 2023.
- ***Critical Analytical Skills***:
  Participants will develop the ability to critically analyze and evaluate the implications of new criminal laws on the legal system, identifying strengths and weaknesses in the legislative framework.
- ***Comparative Legal Analysis***:
  Participants will be able to conduct comparative analyses of new criminal laws against existing laws such as the Indian Penal Code (IPC) and the Code of Criminal Procedure (CrPC), understanding the changes in definitions, section numbers, and penalties.
- ***Practical Application of Knowledge***:
  Participants will gain practical skills in applying new criminal laws to real-world scenarios, enhancing their problem-solving abilities and legal reasoning.
- ***Understanding of Human Rights Implications***:

Participants will understand the implications of new criminal laws on human rights, particularly regarding victims' rights and the rights of the accused, fostering ethical legal practices.

- ***Awareness of Emerging Trends***:
  Participants will be able to identify and discuss emerging trends and challenges in criminal law, preparing them to navigate a changing legal landscape effectively.
- ***Interdisciplinary Approach***:
  Participants will appreciate the interdisciplinary nature of criminal law, integrating perspectives from criminology, sociology, and psychology to understand the broader social implications of legislative changes.
- ***Development of Advocacy Skills***:
  Participants will enhance their advocacy and communication skills, equipping them to represent clients effectively and engage in legal discussions with peers.
- ***Networking and Collaboration***:
  Participants will establish professional networks, fostering collaboration among peers and creating opportunities for ongoing discussions about best practices in adapting to new criminal laws.
- ***Research Competency***:
  Participants will gain proficiency in legal research methods and tools, enabling them to stay informed about ongoing developments in criminal law and related fields.
- ***Certification and Credibility***:
  Upon successful completion of the course, participants will receive a certificate, enhancing their professional credentials and demonstrating their commitment to continuing legal education.
- ***Lifelong Learning Orientation***:
  Participants will be encouraged to adopt a lifelong learning mind set, recognizing the importance of staying updated with legislative changes and evolving legal practices.

Resource Persons of the Two Week Advanced Certificate Course on 'Understanding New Criminal Laws:

A Focus on New Legislative Changes'

1. Prof. (Dr.) Upma Gautam

Currently serving as a Professor at Guru Gobind Singh Indraprastha University, she has been an integral part of the institution since September, 2020. Her journey in academia is both extensive and inspiring, having held key positions across various esteemed institutions. In her recent tenure as an Associate Professor at the same university, from January to September 2024, Dr. Gautam demonstrated exceptional leadership and dedication. Prior to this, she contributed immensely as an Assistant Professor for over 19 years, shaping young minds and making a lasting impact in the academic community. Additionally, Dr. Gautam expanded her expertise into forensic sciences, where she served as a Professor at the National Forensic Sciences University, Delhi Campus, from August 2023 to February 2024.

2. Prof. (Dr.) Sarfaraz Ahmed Khan

An Associate Professor at the West Bengal National University of Juridical Sciences (WBNUJS) and the former Director of Symbiosis Law School, Hyderabad. With nearly two decades of experience as a law educator and researcher, he has held prominent academic positions. He previously taught at WBNUJS, where he also served as the Acting Registrar for almost two years, before joining Maharashtra National Law University, Mumbai as an Associate Professor. Dr. Khan has been the recipient of several prestigious scholarships, including the British Chevening Scholarship, which allowed him to complete a second LL.M at the University of Essex in 2004-2005. He was also awarded the Hong Kong UGC Scholarship for his Ph.D. at the City University of Hong Kong, and the Michigan Grotius Research Fellowship to

conduct research at Michigan Law School from March to May 2013. Additionally, in 2007, he was honored with the International Visitors Leadership Programme Fellowship from the U.S. Department of State for his work on anti-human trafficking.

3. ***Prof. (Dr.) Afkar Ahmad***

He is a professor at IILM University, Gurugram, with extensive experience in academia. He joined IILM in August 2024, after serving as an Associate Professor at GD Goenka University for nearly three years. He also held positions at UPES, Dehradun, and the National University of Study and Research in Law, Jharkhand. His career spans over 15 years, including his role as a Lecturer at Law College Dhanbad. Based in New Delhi, Dr. Ahmad is well-respected in legal education with a strong academic background and Numerous contributions to the field.

4. ***Mr. Kauser Husain***

Adv. Kauser Husain is a seasoned legal professional with a robust career spanning several years across various prestigious legal institutions. Currently serving as Panel Counsel at the Competition Commission of India, sir has been actively practicing as an Advocate at the Supreme Court of India since 2018. They bring extensive experience from working alongside some of the most renowned Senior Advocates, including Mr. Sidharth Luthra and Mr. Arun Kathpalia. With a strong foundation in Commercial and Corporate Laws, supported by an LLM from NALSAR University, Hyderabad, and a B.A.LL.B. From Aligarh Muslim University, Sir's expertise is well-recognized in both corporate and litigation spheres. Their dynamic legal journey reflects a commitment to upholding justice and advancing legal practice at the highest levels.

Kalinga University

Event Poster:

Objectives of the Drive:

Environmental Awareness: To educate students on the importance of tree plantation and its impact on reducing carbon footprints.

Community Involvement: To foster a sense of responsibility among students towards environmental conservation.

Beautification of Campus: To enhance the visual appeal and ecological balance of the university campus.

Details of the Program:

Introduction:

As part of the NSS initiative "Ek Ped Maan Ke Naam," a plantation drive was conducted on the 12th and 13th of October 2024 in the university campus. This activity was aimed at promoting environmental awareness and contributing to a greener and healthier campus.

Participants:

A total of 45 hostel students participated enthusiastically in the plantation drive, under the able guidance of NSS Program Officer Ms. Harsha Sharma. The activity was also supported by the university administration department and coordinated with Lt. Vibha Chandrakar, the In-charge Dean of Student Welfare (DSW) and Sports Director Dr. D Kalidoss.

Details of the Activity:

Trees Planted: 130 saplings were successfully planted across the campus.

Species: The selected species included native varieties known for their environmental benefits and compatibility with the local ecosystem.

Location: Specific areas within the university campus were chosen for plantation to enhance the greenery and improve air quality in the vicinity.
Assistance: The administrative department provided the necessary tools, saplings, and other resources for the smooth conduct of the event.
Program Outcome:
The plantation drive concluded successfully with the students gaining valuable insights into environmental stewardship. The saplings planted will contribute to the sustainability of the university campus, and this activity serves as a step forward in the NSS's commitment to environmental conservation.

Details of Program:

Introduction: The Pro Bono Club of Kalinga University's Faculty of Law organized a special session focusing on the "Initiatives of Government for Access to Justice in India." The program aimed to enlighten students on the various government initiatives designed to improve access to justice, particularly for marginalized and vulnerable sections of society.

Attendance and Participation: The session was attended by a 41 law students, faculty members, and other stakeholders who have a keen interest in understanding the legal frameworks and policies that enhance access to justice in India.

Program Highlights:

1. ***Saraswati Vandana:***

   o The program began with a traditional Saraswati Vandana, invoking the blessings of the goddess of knowledge and wisdom, setting a solemn and respectful tone for the session.

2. ***Welcome Address:***

   o Prof. (Dr.) Azimkhan B. Pathan, Dean of the Faculty of Law, delivered the welcome address. He expressed gratitude to the resource persons and emphasized the importance of understanding the legal mechanisms available for ensuring justice for all. He also highlighted the role of law students in contributing to the justice system through pro bono work.

3. ***Keynote Address by Dr. Sneha Sharma:***

   o The highlight of the program was the keynote address by Dr. Sneha Sharma, Program Manager, Access to Justice, Department of Justice, Ministry of Law and Justice, Government of India. She provided a comprehensive overview of various government initiatives aimed at enhancing access to justice, such as legal aid services, Lok Adalats, and the Pro Bono Legal Assistance program.

   o Dr. Sharma also discussed the challenges faced in implementing these initiatives and the role of legal professionals in overcoming these obstacles. Her address was insightful and provided students with a deeper understanding of how government policies translate into actionable justice for citizens.

4. ***Vote of Thanks:***

   o The session concluded with a vote of thanks delivered by Mrs. Saloni Tyagi Shrivastava, HOD Incharge, Faculty of Law. She expressed her gratitude to the esteemed speakers, participants, and organizers for making the event a success. She also encouraged students to take inspiration from the session and engage actively in pro bono work.

Program Outcome:

1. Students gained valuable insights into the functioning of the legal system and the various avenues available for citizens to seek justice.
2. The session underscored the importance of legal professionals in society and motivated students to contribute to the cause of justice through their future careers.
3. The interactive nature of the session allowed students to ask questions and engage with the speakers, further enriching their learning experience.

Number of Students participated: 41

Number of faculty participated: 16

अनुलग्नक 2024

Objectives of Program:

1. Legal Awareness: To enhance students' understanding of the judicial process and the functioning of Lok Adalats, promoting awareness about alternative dispute resolution mechanisms.

2. Practical Exposure: To provide students with firsthand experience of court proceedings, enabling them to observe real-life legal processes and the resolution of cases.

. Engagement with Legal Professionals: To facilitate interaction between students and legal practitioners, judges, and mediators, fostering networking opportunities and mentorship.

4. Promotion of Legal Aid: To emphasize the importance of legal aid and access to justice, encouraging students to appreciate and participate in pro bono initiatives.

5. Critical Reflection: To inspire critical thinking about the effectiveness of the Lok Adalat system in addressing case backlogs and its role in promoting a more efficient legal framework.

Details of Program:

The "Visit to National Lok Adalat: 2024," organized by the Faculty of Law in collaboration with the Legal Aid Cell, was held on September 21, 2024, at the District and Sessions Court in Raipur. This field visit aimed to immerse students in the practical aspects of the legal system, enhance their understanding of alternative dispute resolution, and promote the values of legal aid and access to justice.

With eager participants, the event kicked off at 10:00 AM with a registration session where students were welcomed by the faculty coordinators, Mr. Ranjan Kumar Ray, Assistant Professor and Legal Aid Cell In-Charge, and Mr. Soumyadeep Chakrabarti, Assistant Professor in the Faculty of Law at Kalinga University. The coordinators emphasized the significance of Lok Adalats in the Indian legal framework, explaining how they function to resolve disputes amicably and reduce the burden on traditional courts. It was followed by a photo session with Prof. Dr. Azimkhan B. Pathan, Dean, Faculty of Law, Kalinga University, Naya Raipur. The group proceeded towards the University Bus and proceeded towards the District & Session Court, Raipur where many day boarders joined us directly at the Court premises.

Following the introduction, students observed live proceedings at the Lok Adalat. This firsthand experience was invaluable, as it allowed them to witness the dynamics of legal discussions, negotiations, and resolutions in real-time. The proceedings highlighted the collaborative nature of Lok Adalats, where parties are encouraged to reach mutual agreements with the assistance of judicial officers. This observation deepened students' appreciation for alternative dispute resolution methods, emphasizing the importance of mediation and conciliation in achieving justice.

A pivotal part of the visit was the interaction session with esteemed judicial officers, including JMFC Anup Tigga, JMFC Radheshyam Dhruw, and Civil Judge Sr. Division & Special Magistrate (C.B.I.) Bhupesh Kumar Basant. The officers shared their insights on the functioning of Lok Adalats, discussing the types of cases typically resolved and the effectiveness of this system in alleviating case backlogs. They also addressed the challenges faced in the judicial process, such as the need for increased public awareness and the importance of legal aid services in ensuring that marginalized communities have access to justice.

During the lunch break, students engaged in informal discussions, reflecting on their observations and forming connections with one another. This camaraderie enhanced the overall learning experience, as they shared perspectives on the role of legal professionals in society and the ethical dimensions of legal practice.

In the afternoon, a group discussion and Q&A session provided a platform for students to voice their thoughts and ask questions. This interactive component encouraged critical thinking, allowing participants to explore topics such as the

potential for reform in the legal system and the impact of Lok Adalats on community justice. The coordinators facilitated this discussion, guiding students to articulate their viewpoints and consider various facets of the legal landscape.

The program concluded with feedback and reflections, where students articulated their key takeaways from the visit. Many expressed newfound insights into the efficiency of Lok Adalats and the importance of legal aid in fostering a just society. The coordinators wrapped up the event by summarizing the day's discussions and encouraging students to actively participate in legal aid initiatives, reinforcing the value of giving back to the community.

Overall, the "Visit to National Lok Adalat: 2024" was a comprehensive educational experience that bridged theoretical knowledge with practical application. By fostering a deeper understanding of the legal system, promoting the principles of mediation and conciliation, and emphasizing the need for accessible legal support, this visit empowered students to become proactive participants in the pursuit of justice.

This visit to the National Lok Adalat was possible due to the support and blessings of the management of the Kalinga University, Hon'ble Chancellor Sir, Hon'ble Chairman Sir, Hon'ble Vice Chancellor Sir, Registrar Sir and the Dean Academic Affairs Sir of Kalinga University, Naya Raipur.

Program Outcome:

1. Enhanced Understanding of Legal Processes: Participants gained valuable insights into the functioning of Lok Adalats, observing live proceedings and understanding how disputes are resolved outside the traditional court system.

2. Awareness of Alternative Dispute Resolution: Students recognized the importance of mediation and conciliation as effective tools for conflict resolution, highlighting the role of Lok Adalats in alleviating case backlogs in the judiciary.

Interaction with Legal Professionals: Engaging with judicial officers provided students with firsthand perspectives on the legal profession, fostering networking opportunities and inspiring future career paths in law.

4. Promotion of Legal Aid Values: The visit emphasized the significance of legal aid and access to justice, encouraging students to appreciate and participate in pro bono work and community legal support initiatives.

5. Critical Reflection and Engagement: The program facilitated critical discussions among students about the challenges and opportunities within the legal system, encouraging them to reflect on their role in promoting justice and ethical legal practices.

Number of Students participated: 16

Number of faculty accompanied: 02

Glimpses of the event:

Students participated in the lamp lighting & inaugural ceremony of National Lok Adalat at the District & Sessions Court, Raipur.

Students with the Chairman at one of the court rooms at National Lok Adalat at the District & Sessions Court, Raipur.

Students observing and noting about the ongoing session at National Lok Adalat at the District & Sessions Court, Raipur.

Students enjoying a 'Langar' (free lunch) organised in the Court premises.

Objective of Program:

The objective of celebrating Constitution Day at Kalinga University, Chhattisgarh was to honor and pay tribute to the adoption of the Indian Constitution on November 26, 1949, which came into effect on January 26, 1950. The program aimed to:

1. Create Awareness: Educate students, faculty, and attendees about the significance of the Constitution and its pivotal role in ensuring justice, liberty, equality, and fraternity in the country.
2. Promote Constitutional Values: Foster a deeper understanding and respect for the constitutional values enshrined in the Preamble, Fundamental Rights, and Duties.
3. Encourage Civic Responsibility: Inspire participants to become responsible citizens by upholding the principles of democracy, secularism, and equality.

4. Celebrate Legal Heritage: Acknowledge the contributions of the framers of the Constitution and reflect on the document's role in shaping India's socio-political fabric.

This event also aimed to reinforce the importance of adherence to the Constitution for the holistic development of society and the nation.

Details of Program:

> Constitution is not a mere lawyer's document, it is a vehicle of Life, and its spirit is always the spirit of Age."
>
> — B.R. Ambedkar

The existence and successful survival of democracy in such diverse conditions is the most celebrated fact about our country and constitution is its backbone. The Government of India declared 26th November as Constitution Day (also known as Samvidhan Divas) on 19th November 2015 through a gazette notification. This declaration was made to commemorate the adoption of the Indian Constitution on 26th November 1949 and to honor the contributions of Dr. B.R. Ambedkar, the Father of the Indian Constitution, and the other members of the Constituent Assembly.

The Constitution Day celebration at Kalinga University began with a serene and respectful Saraswati Vandana at 11:00 AM, setting the tone for the event by invoking wisdom and guidance. This was followed by a warm Welcome Address by Mrs. Saloni Tyagi Shrivastava, Head of the Department, who expressed her gratitude to the dignitaries, faculty members, and students for their participation.

At 11:10 AM, Dr. Sandeep Gandhi, Registrar of Kalinga University, addressed the gathering, emphasizing the relevance of the Constitution in fostering a democratic and just society. His words were followed by a thoughtful address from Dr. R. Shridhar, Vice Chancellor of Kalinga University, who reflected on the university's role in promoting constitutional literacy and awareness.

The session continued with a keynote speech by Dr. Deepak Kumar Srivastava, Associate Professor at Hidayatullah National Law University, who provided an insightful analysis of contemporary issues in constitutional law, including topics like the right to privacy and its evolving jurisprudence. Subsequently, Prof. (Dr.) Aruna Palta, Former Vice Chancellor of Hemchand Yadav University, captivated the audience with her discussion on key facts about the Constitution. She highlighted the visionary efforts of the Constitution makers and their role in shaping India's legal and governance framework, inspiring students to appreciate their legacy.

At 11:50 AM, the program shifted to the solemn Oath of the Preamble, led by Dr. Deepak Kumar Srivastava, wherein all attendees reaffirmed their commitment to the constitutional values of justice, liberty, equality, and fraternity.

The celebration concluded with a heartfelt Vote of Thanks delivered by Ms. Harleen Kaur, Faculty of Law, who expressed her gratitude to the dignitaries, organizers, and participants for making the event a resounding success. The Constitution Day celebration was also joined by NSS students of the Kalinga University. Thus, the Constitution Day celebration not only honored the spirit of the Constitution but also provided a platform for meaningful discourse on its contemporary relevance and enduring principles.

Program Outcome:

Recognize and remembered the impact of national leaders in creating and influencing Constitution Day.

Reiterated and reoriented the faculties towards the values and principles expressed in the Indian Constitution.

Encouraged all faculties to play their rightful role in strengthening the Indian Democracy.

Reaffirmed our faith in our people and our Constitution by celebrating this event.

Students and faculty members gained a comprehensive understanding of the Indian Constitution, its history, significance, and guiding principles.

The Constitution Day celebration bridged the gap between theoretical knowledge and practical application of constitutional law.

Number of Students participated: 142

Number of faculty participated: 17

Glimpse of event:

Dr. R. Shridhar, Vice Chancellor, warmly welcoming Dr. Deepak Kumar Srivastava with a potted plant as a token of respect and appreciation.

Prof. (Dr.) Aruna Palta, the Chief Guest, addressing the gathering with her insightful remarks.

Students and faculty members collectively took the oath of the Preamble during the event, reaffirming their commitment to the Constitution's principles.

Ambedkar, the Father of the Indian Constitution, and the other members of the Constituent Assembly.

The Constitution Day celebration at Kalinga University began with a serene and respectful Saraswati Vandana at 11:00 AM, setting the tone for the event by invoking wisdom and guidance. This was followed by a warm Welcome Address by Mrs. Saloni Tyagi Shrivastava, Head of the Department, who expressed her gratitude to the dignitaries, faculty members, and students for their participation.

At 11:10 AM, Dr. Sandeep Gandhi, Registrar of Kalinga University, addressed the gathering, emphasizing the relevance of the Constitution in fostering a democratic and just society. His words were followed by a thoughtful address from Dr. R. Shridhar, Vice Chancellor of Kalinga University, who reflected on the university's role in promoting constitutional literacy and awareness.

The session continued with a keynote speech by Dr. Deepak Kumar Srivastava, Associate Professor at Hidayatullah National Law University, who provided an insightful analysis of contemporary issues in constitutional law, including topics like the right to privacy and its evolving jurisprudence. Subsequently,

Prof. (Dr.) Aruna Palta, Former Vice Chancellor of Hemchand Yadav University, captivated the audience with her discussion on key facts about the Constitution. She highlighted the visionary efforts of the Constitution makers and their role in shaping India's legal and governance framework, inspiring students to appreciate their legacy.

At 11:50 AM, the program shifted to the solemn Oath of the Preamble, led by Dr. Deepak Kumar Srivastava, wherein all attendees reaffirmed their commitment to the constitutional values of justice, liberty, equality, and fraternity.

The celebration concluded with a heartfelt Vote of Thanks delivered by Ms. Harleen Kaur, Faculty of Law, who expressed her gratitude to the dignitaries, organizers, and participants for making the event a resounding success. The Constitution Day celebration was also joined by NSS students of the Kalinga University. Thus, the Constitution Day celebration not only honored the spirit of the Constitution but also provided a platform for meaningful discourse on its contemporary relevance and enduring principles.

Program Outcome:

Recognize and remembered the impact of national leaders in creating and influencing Constitution Day.

Reiterated and reoriented the faculties towards the values and principles expressed in the Indian Constitution.

Encouraged all faculties to play their rightful role in strengthening the Indian Democracy.

Reaffirmed our faith in our people and our Constitution by celebrating this event.

Students and faculty members gained a comprehensive understanding of the Indian Constitution, its history, significance, and guiding principles.

The Constitution Day celebration bridged the gap between theoretical knowledge and practical application of constitutional law.

Number of Students participated: 142

Number of faculty participated: 17

Glimpse of event:

Prof. (Dr.) Aruna Palta, the Chief Guest, addressing the gathering with her insightful remarks.

Dr. R. Shridhar, Vice Chancellor, warmly welcoming Dr. Deepak Kumar Srivastava with a potted plant as a token of respect and appreciation.

Students and faculty members collectively took the oath of the Preamble during the event, reaffirming their commitment to the Constitution's principles.

Date: 28th February and 1st March, 2025

Title- Two-Days Global Conference on Recent Trends in Law, Arbitration, Mediation, Economy & Society

Date: 28th February – 1st March, 2025

Time of event: 09:00 AM to 5:00 PM

Mode of event: Hybrid

Venue: Auditorium and Seminar Hall

Event Poster:

Details of Program:

The Grand Inaugural Ceremony of the conference commenced with the traditional Lamp Lighting Ceremony by all the dignitaries, symbolizing knowledge and enlightenment. The event featured distinguished speakers who shared valuable insights on legal frameworks, sustainable development, and global dispute resolution mechanisms.

Prof. Dr. Azimkhan B. Pathan, Dean, Faculty of Law delivered the Welcome Address, setting the tone for the event with his insightful remarks. He emphasized the significance of legal discourse in addressing contemporary global challenges and underscored the role of legal education in shaping future policymakers

and legal professionals. He also highlighted the need for interdisciplinary collaboration in law to foster innovation and drive impactful change in governance and society.

Dr. R. Shridhar, Vice-Chancellor of Kalinga University, discussed the role of legal frameworks in societal development and emphasized the transformative power of law in governance. Dr. Sandeep Gandhi, Registrar of Kalinga University, highlighted the intersection of law and sustainable development goals, stressing the need for legal mechanisms to promote equitable growth.

The Keynote Address was delivered by Hon'ble Justice Saleem Marsoof, Former Judge of the Supreme Court of Sri Lanka, who provided an in-depth analysis of global dispute resolution mechanisms. He focused on the significance of arbitration and alternative dispute resolution (ADR) in resolving legal conflicts effectively. Following this, expert sessions delved into contemporary legal challenges and advancements. Adv. K. Riju Raj S. Jamwal, JRD Partners, Advocate, Supreme Court of India explored the impact of artificial intelligence on the legal profession, addressing ethical concerns and technological advancements in law. Ms. Kavita Bhatia, AUTONOMY Resolution Centre, Founder Certified Mediator MCPC and APCAM Accredited Arbitrator emphasized the growing relevance of mediation and ADR in legal practice, while Mr. Nitin Bhansali discussed judicial challenges and the crucial role of Lok Adalats in ensuring accessible justice.

The event also featured engaging panel discussions on the topic "The Role of Law and Mediation in Shaping Economic Growth and Social Justice in the 21st Century" which covered key topics such as the role of law and mediation in economic growth and social justice, as well as cross-border disputes, human rights, and international arbitration. The panelists included esteemed experts such as Adv. K. Riju Raj S. Jamwal, JRD Partners, Advocate, Supreme Court of India who explored the impact of artificial intelligence on the legal profession, addressing ethical concerns and technological advancements in law, Prof. Jelis Subhan, Head of the Department, School of Law, ITM University, Raipur who discussed the need to bridge legal education with practical implementation, and Dr. Anukriti Mishra, Ph.D. Coordinator and Assistant Professor, Amity Law School, Amity University, Chhattisgarh who provided insights into humanitarian law and international treaties. Dr. Anindhya Tiwari, Assistant Professor, Hidayatullah National Law University, Naya Raipur, Chhattisgarh addressed India's evolving role in global economic policies, while Dr. Amitesh Deshmukh Assistant Professor, Hidayatullah National Law University, Naya Raipur, Chhattisgarhspoke on corporate insolvency and financial regulations. Additionally, Ms. Sayjal Deshpande, Associate, Numen Law

Offices, New Delhi shared best practices in ADR from a corporate litigation perspective, enriching the discussions.

As the event drew to a close, a Vote of Thanks was delivered by Mrs. Saloni Tyagi Shrivastava, HOD Incharge, Faculty of Law, Kalinga University, Naya Raipur, Chhattisgarh who expressed gratitude to the speakers, participants, and sponsors for their contributions. Special recognition was given to the university leadership for their unwavering support in making the event a success. The second day of the event continued with engaging technical sessions, research paper presentations, and interactive discussions, fostering collaboration among legal professionals, scholars, and policymakers.

The Valedictory Ceremony on 1st March, 2025 was graced by the presence of esteemed guests who shared their insights and experiences. Ms. Kavita Bhatia, Founder of AUTONOMY Resolution Centre, a Certified Mediator (MCPC), and an APCAM Accredited Arbitrator, contributed significantly to the discussions on dispute resolution. Ms. Sayjal Deshpande, Associate at Numen Law Offices, New Delhi, delivered a special address, adding her perspectives to the forum. The Chief Guest Address was delivered by Adv. Sameet Gambhir, In-House Counsel, Senior Vice-President, and Group Head Legal at Uflex Ltd., who shared his expertise in corporate legal affairs. Additionally, Mr. Nitin Namdev, Director of Chanakya Academy, provided valuable insights into legal education. Their presence enriched the valedictory session, making it a memorable and enlightening event.
The ceremony concluded with the distribution of certificates to all participants, panelists, resource persons, organizing committee members, and volunteers, acknowledging their contributions to the success of the event.

Program Objectives:

1. Enhancing Legal Knowledge – To provide an in-depth understanding of recent developments in law, arbitration, mediation, economy, and society.
2. Interdisciplinary Learning – To bring together experts, scholars, and practitioners from various domains to foster interdisciplinary discussions.
3. Promoting Research and Innovation – To encourage the submission and presentation of scholarly papers that contribute original research in legal and economic fields.

4. Strengthening Professional Skills – To equip participants with practical insights into contemporary legal, economic, and societal challenges.
5. Encouraging Alternative Dispute Resolution (ADR) – To explore emerging trends in arbitration and mediation for effective conflict resolution.
6. Fostering Global Collaboration – To provide a platform for international dialogue and cooperation among academia, industry, and legal professionals.
7. Addressing Societal Issues – To discuss key social justice concerns such as human rights, gender equality, and sustainable development.
8. Networking and Knowledge Exchange – To facilitate interaction between students, researchers, legal professionals, and industry experts.

Program Outcomes:

1. Enhanced Legal and Economic Understanding – Participants gained updated knowledge on emerging legal, arbitration, and economic trends.
2. Research Publication Opportunities – Selected papers were published in reputed UGC Care Group - 2 or Scopus-indexed journals or an edited book with ISBN.
3. Skill Development in ADR – Participants developed a deeper understanding of arbitration, mediation, and conciliation techniques.
4. Professional Growth and Networking – Attendees established connections with experts from academia, law firms, and industry.
5. Policy and Legal Framework Insights – The conference provided a critical examination of landmark judgments and policy reforms.
6. Multidisciplinary Problem-Solving – Participants explored interdisciplinary solutions to contemporary social, legal, and economic issues.
7. Recognition for Excellence – Certificates of participation and merit awards were given for the best research presentations.
8. Global Perspective on Legal and Economic Challenges – The conference facilitated discussions on international economic relations, trade laws, and sustainable development strategies.

Number of Registered Participants: 303
Number of Attendees including online and offline: 184

News Paper Coverage:

कलिंगा विश्वविद्यालय द्वारा आयोजित 'कानून, मध्यस्थता, अर्थव्यवस्था और समाज में हाल के रुझानों पर दो दिवसीय वैश्विक सम्मेलन' सम्पन्न

पायनियर संवाददाता ◄ रायपुर
www.dailypioneer.com

कलिंगा विश्वविद्यालय, नया रायपुर में 28 फरवरी और 01 मार्च 2025 को आयोजित वैश्विक सम्मेलन 2025 एक ऐतिहासिक कार्यक्रम था, जिसमें कानून, मध्यस्थता, अर्थव्यवस्था और समाज में उभरते रुझानों पर चर्चा करने के लिए कानूनी विशेषज्ञ, नीति निर्माता और शिक्षाविद एक साथ आए। विश्वविद्यालय के विधि संकाय द्वारा कई प्रतिष्ठित संस्थानों के सहयोग से आयोजित इस सम्मेलन ने बौद्धिक विचार-विमर्श के लिए एक जीवंत मंच के रूप में कार्य किया। भव्य उद्घाटन समारोह की शुरुआत एक पारंपरिक दीप प्रज्ज्वलन समारोह से हुई। इस समारोह में प्रतिष्ठित वक्ताओं ने कानूनी ढाँचों, सतत विकास और वैश्विक विवाद समाधान तंत्रों पर महत्वपूर्ण चर्चाएं की। इन चर्चाओं ने दो दिनों तक विचारोत्तेजक वातावरण बनाए रखा। कलिंगा विश्वविद्यालय के विधि संकाय के अधिष्ठाता प्रो. (डॉ.) अजीमखान बी. पठान ने स्वागत भाषण में सम्मेलन के महत्व पर प्रकाश डाला तथा कानूनी क्षेत्र में अकादमिक संवाद और व्यावसायिक विकास को बढ़ावा देने में इसकी भूमिका पर जोर दिया। कलिंगा विश्वविद्यालय के कुलपति डॉ. आर. श्रीधर ने सामाजिक विकास में कानूनी ढांचे की महत्वपूर्ण भूमिका पर विस्तार से प्रकाश डाला तथा शासन में कानून की परिवर्तनकारी शक्ति पर जोर दिया। कलिंगा विश्वविद्यालय के कुलसचिव डॉ. संदीप गाधी ने कानून और सतत विकास लक्ष्यों के बीच संबंध पर प्रकाश डाला तथा समान विकास को बढ़ावा देने के लिए कानूनी तंत्र की आवश्यकता पर बल दिया। श्रीलंका के सर्वोच्च न्यायालय के पूर्व न्यायाधीश माननीय न्यायमूर्ति सलीम मार्सूफ के मुख्य भाषण में वैश्विक विवाद समाधान तंत्र का गहन विश्लेषण किया गया, जिसमें विशेष रूप से मध्यस्थता और वैकल्पिक विवाद समाधान (एडीआर) पर ध्यान केंद्रित किया गया।

Objective of Program:

The objective of visiting Mata Kaushalya Mandir is to seek blessings and divine grace from Mata Kaushalya, for spiritual growth, peace, and prosperity. Students visit the temple to express gratitude, offer prayers, and seek guidance in life.

Details of Program:

As Navratri Festival is started from 3rd October 2024 and our hosteller students showed willingness for going on a devotional visit at Mata Kaushlya Mandir. So the university arranged a devotional visit for hosteller students on 5th October 2024. In this visit 186 students plus 10 faculty members of Kalinga University embarked on a devotional tour to the revered Mata Kaushalya Mandir located in Chandkhuri, Raipur Chhattisgarh. The students gathered at the campus main gate at 9:00 AM and settled in the allotted buses with their faculty in charge. Six buses were provided by the University to ensure a safe and comfortable trip for students. All the buses departed at around 10:00 am from the campus and reached the venue at 10:45 am.

Mata Kaushalya mandir is a Hindu temple, dedicated to Mata Kaushalya, mother of Lord Ram. It is the only temple in the world dedicated to Mata Kaushalya which is located at Chandkhuri village around 27km away from Raipur in Chhattisgarh.

The visit to Mata Kaushalya Mandir was an enriching experience for the students. They returned to campus by 1:00 PM, filled with new insights and a greater appreciation for their cultural roots. The tour not only strengthened their knowledge but also fostered a sense of community and devotional experience among the students.

Program Outcome:

The outcome of visiting Mata Kaushalya Mandir is receiving spiritual solace, inner peace, and blessings for health, happiness, and prosperity. Students often experience a sense of divine protection, guidance, and strengthened faith in their life's journey

INTER OFFICE MEMORANDUM

To	:	• Lt. Vibha Chandrakar, Incharge DSW, NCC Army Wing Officer & Asst. Prof. FD Deptt. • Mr. Sheikh Abdul Kadir, Deputy DSW • Ms. Nikita Joshi, Asst. DSW
From	:	Registrar
Subject	:	Regarding Foundation Day Programme at Raj Bhavan.
No.	:	KU/2025/IOM/AG/007 Date : 06/01/2025
Copy to	:	• Hon'ble Chairman Sir – (for kind information) • Hon'ble Chancellor Sir – (for kind information) • Hon'ble Vice Chancellor Sir – (for kind information) • Dr. Rahul Mishra, DAA & COE – (for information) • Dr. Lincy Roy, Dy. Registrar and Head HR – (for providing ODD) • Dr. D.M. Sahu, Transport Incharge – (for necessary arrangments)

We have received an invitation from Raj Bhavan regarding organizing the foundation day of 4 states in the Durbar Hall of Chhattisgarh Raj Bhavan as per the following schedule:-

Programme Details	
Venue	Durbar Hall of Chhattisgarh Raj Bhavan Raipur (C.G.)
Date	7th January, 2025 (Tuesday)
Time	09:00 AM Onwards

They have allotted the responsibility of presenting a traditional dance of Uttarakhand in this event to our University. Please prepare 4 to 8 students for this event and extra 20 to 30 students as audience.

All three of you are requested to attend the event on behalf of Kalinga University, accompanied by the students. After the event, the DSW is required to submit a report.

06/01/25

Dr. Sandeep Gandhi
Registrar

1. To celebrate the state foundation day of Jammu and Kashmir, Jharkhand, Karnataka, Tamil Nadu, Laddakh, Uttrakhand and Delhi.
2. To celebrate the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our country.
3. To showcase the rich heritage and culture, customs and traditions of either state to enable people to understand and appreciate the diversity that is India, thus fostering a sense of common identity.

Details of the event:

The Foundation Day of Jammu and Kashmir, Jharkhand, Karnataka, Tamil Nadu, Laddakh, Uttrakhand and Delhi was organised under the 'Ek Bharat Shreshth Bharat program on 7th January 2025 at Durbar Hall of RajBhavan.' The program started at 11:30 pm in the presence of Honourable Governor Sir and seven state representatives. Each representative showcased their unique cultural heritage through their welcoming speech. Several universities from Chhattisgarh actively participated, each represented one out of seven states and presented its distinctive folk dances. During the event Karnataka state representative Dr. Sheela Shridhar Ma'am (wife of Hon'ble Vice Chancellor Sir) was honoured by the Hon'ble Governor of Chhattisgarh. This recognition not only celebrates her achievements but also brings pride to the entire Kalinga University.

Kalinga University's talented students emerged as proud representatives of Uttrakhand state and showcased the captivating folk dance of Uttrakhand under the guidance of Dean of Students' Welfare team comprised of Lt. Vibha Chandrakar, In-charge DSW, Mr. Sheikh Abdul Kadir, Deputy DSW and Ms. Nikita Joshi, Assistant DSW. The students represented traditional folk dance that not only reflected the rich cultural diversity of Uttrakhand state but also left a lasting impression on the audience. Guests from Uttrakhand appreciated our students' performances and took photos. From our university 10 International students & 19 Indian students attended & witnessed this cultural program and enjoyed it.

The efforts of the performers did not go unnoticed, as the Honourable Governor Shri Ramen Deka Sir appreciated their outstanding contributions. In recognition of their dedication and talent, the performers were honoured with appreciation certificates, symbolizing the acknowledgement of their commitment to preserving and promoting the cultural heritage of Uttrakhand. The program ended at 01:30 pm and afterwards, lunch arrangements were prepared for all members.

Program Outcome:

1. Staff & performers got the exposure to visit Raj Bhawan and meet the Honorable Governor.
2. The program was an excellent platform for people from different states to come together, engage with one another, and share cultural experiences, furthering the goals of the Ek Bharat Shrestha Bharat initiative.

Number of Guests: Approx. 400

"MBA Conclave 2025"

Organized by

"Career Mantra"

On

13-01-2025

Date: 13-01-2025

Time of event: 10:00 AM - 04:00 PM

Venue: Hotel Solitaire, Jaistambh Chowk, Raipur

Managed by: Ms. Diksha Pardhi, Ms. Naina Dhamecha, & Mr. Yogendra Karsh

Event Poster:

Objective of Program:

Promoting our MBA program: To enlighten Kalinga University's MBA program, showcasing specialization such as, Healthcare and Hospital Management, Marketing, Human Resources, Digital marketing and E-commerce, Logistics and Supply Chain Management. Also, newly added specialization i.e. NGO management, Hotel and Hospitality Management, Information Technology.

Helping students with their doubt in MBA program : Students were curious to know about career opportunities in the field of MBA, and what facilities our university offer to students . ***Strengthen University Partnerships***: Build stronger connections between Kalinga University and the educational community, fostering a collaborative environment for academic development.

Branding of Kalinga University: Elevate the University's brand by associating it with the recognition of excellence in Education and community engagement.

The event was organized by Career Mantra with the name ***Udaan MBA Conclave 2k25.*** The event commenced at 10:00 A.M. with welcoming of all the Universities at Hotel Solitaire.

The event aims for awareness of MBA program among the undergraduate students all over the country. Several universities of Chhattisgarh, Gujrat, Andhra Pradesh, Karnataka, Madhya Pradesh and Maharashtra have participated in this event.

Other than Kalinga University many universities were present like Amity University, Ganpat University, IIBS Bangalore, Apollo University, Dr. D. Y. Patil B-School, ISME Bangalore, SRM University, GNIOT Institute of Management Studies, Global Business School and Research Center Pune, Pimpri Chinchwad University, Pune, Doon Business School Dehradun, Avantika University Ujjain, S-VYASA University Bangalore, JAGSoM, Aditya Institute of Management and Research Mumbai,.
Around 50 students were present in the event and 32 students visited our stall for counselling.
The students were from Chirmiri, Bastar, Shahdol, ITM University Raipur and PTRSU.

In the counselling we explained them about specialization such as Healthcare and Hospital Management, Marketing Management, Human Resource Management, also, newly added specializations i.e. NGO Management, Hotel and Hospitality Management and Information Technology. Also, we given them a brief about Internation Trip to Dubai

Total Number of Students: 50
Total Number of Faculties: Nil

Glimpses of the event:

Feedback:

At the fair, we successfully highlighted Kalinga University's MBA Program, showcasing specializations such as digital marketing & e-commerce, international business, and logistics and supply chain management. We actively counseled all the students who visited our stalls, providing comprehensive information about these distinct specializations to ensure that each participant gained insights into the diverse opportunities offered by our university.

We are optimistic that this event will lead to conversions and are looking forward to hearing positive news in the future.

Carrer Mantra provided an attendance sheet to the students, in which our University's name was not present which was lacking point from the Organizing committee.

Total No. of KALSEEs from the event: Nil

Total No. of admissions from the event: Nil

Expenses:

Participation Cost: INR 20,000 (not paid yet)

Brochures: INR 250/-

Transportation (local Conveyance): INR 250/-

Total Expense: INR 20,500/-

OBJECTIVE OF THE PROGRAM:

1. ***To Explore Innovative Educational Practices***
   Facilitate discussions on innovative teaching-learning strategies that align with the National Education Policy (NEP) 2020, focusing on their implementation in Chhattisgarh and beyond.
2. ***To Promote Multidisciplinary Approaches***
   Highlight the importance of multidisciplinary and holistic education as envisioned by NEP 2020, fostering collaboration among educators, researchers, and policymakers.
3. ***To Address Regional Educational Challenges***
   Identify region-specific challenges in implementing NEP 2020 and propose actionable strategies

environment.

4. **To Encourage Research and Policy Dialogues**
   Provide a platform for researchers and academicians to present studies and insights on the impact of NEP 2020, fostering evidence-based policy discussions and decision-making.
5. **To Strengthen Teacher Education and Training**
   Emphasize the role of teacher training and capacity building in achieving the objectives of NEP 2020, with a focus on innovative pedagogical methods and technology integration.

PROFILE OF RESOURCE PERSON (SAMPLE)

Vikash Bhardwaj, currently serving as Assistant Professor and Placement Coordinator in the Electrical Engineering Department at Dewan VS Institute of Engineering & Technology, Meerut, has a strong academic and professional background. He is pursuing a Ph.D. in Electrical Engineering, holds an M.Tech in Power Electronics and Drives, and a B.Tech in Electrical Engineering. With extensive teaching and research experience, he has worked as a Teaching Associate at DIT University and as Head of the Electrical Engineering Department at Radha Govind Engineering College, Meerut. His projects include distributed generation using PV systems and wind turbines, DC motor control via fuzzy logic, and energy audits.

He is proficient in MATLAB, SIMULINK, Multisim, and PCB design, with expertise in areas like AI, ML, IIoT, SCADA, power quality, and control systems. He has published papers in IEEE conferences and journals on IoT security, blockchain, and federated learning for smart cities, and holds patents for AI-driven healthcare systems and IoT-enhanced financial services.

Vikash has received several awards, including the Best Energy Audit Research Award from UCOST, Best Supervisor Award, and Best Placement Coordinator Award. He has organized and participated in numerous national and international conferences, workshops, and summits, including delivering training on MATLAB and Multisim. He actively contributes to academic and research initiatives as Director of the EDUMATRIX Foundation and State Advisor for Schoolie Education. His leadership in organizing events like the National Youth Summit and cultural fests underscores his commitment to holistic education and professional development.

- Dr. Vinky Sharma, Professor, Director Dewan Institute of Management, Meerut
- Dr. Nitin K Mandavgade, Professor, Symboisis, Nagpur
- Dr. Usha Kiran Agrawal, Professor, Principal, Govt. ChanduLal Chandrakar College, Dhamdha

DETAILS OF PROGRAM:

Two-Day International Conference on "Innovative Education Strategies under the NEP 2020 Framework: Chhattisgarh and Beyond" Successfully Concluded at Kalinga University

The Faculty of Education, Kalinga University, recently organized a prestigious two-day international conference on **"Innovative Education Strategies under the NEP 2020 Framework: Chhattisgarh and Beyond"**. The event brought together esteemed educators, policymakers, researchers, and

(NEP) 2020.

Sustainable Development Goal 4 – Quality Education

Innovative Education Strategies under the NEP 2020 Framework: Chhattisgarh and Beyond aligns with **Sustainable Development Goal 4 – Quality Education**, emphasizing inclusive, equitable, and lifelong learning opportunities. The **National Education Policy (NEP) 2020** fosters **experiential learning, skill-based education, digital integration, and multidisciplinary approaches** to enhance educational outcomes. In **Chhattisgarh**, initiatives like **NEP-aligned teacher training, digital classrooms, and vocational education** are transforming learning landscapes, ensuring accessibility and excellence. Beyond state boundaries, these strategies promote **holistic development, critical thinking, and global competencies**, shaping a future-ready education system in India.

Inaugural Ceremony

The conference commenced with the traditional **lighting of the lamp** and a soulful rendition of **Saraswati Vandana**, setting a reverent and inspiring tone for the proceedings.

Organizing Committee

The conference was convened by **Dr. Shradha Verma**, with **Dr. Saroj Nayyar** serving as the **Co-Convener**. Faculty members from the **Departments of Education and Physical Education** formed the organizing committee, working tirelessly to ensure the event's success.

Distinguished Guests

The event was graced by the presence of:

- **Chairman** Dr. Rajiv Kumar
- **Chancellor** Dr. Sandeep Arora
- **Vice-Chancellor** Dr. R. Shridhar
- **Director General** Dr. Byju John
- **Registrar** Dr. Sandeep Gandhi
- All Deans of the Kalinga University actively participated in the discussions.

Keynote Address and Expert Sessions

Day 1 Highlights

The keynote address was delivered by **Mr. R. Prasanna**, Secretary of Higher Education, Government of Chhattisgarh. Renowned experts shared their insights on innovative education strategies:

- **Prof. Anurag Shrivastava, Lincoln University, Malysia**
- **Prof. Rajeev Chaudhary, PRSU, Raipur**
- **Prof. Nitin K. Mandavgde, Symboisis, Nagpur**

Day 2 Highlights

The second day featured engaging sessions by:

- **Prof. Vikas Bhardwaj**, Dewan V/S College of Science and Technology, Meerut
- **Prof. Usha Kiran Agrawal**, Principal, Government Chandulal Chandrakar College, Dhamdha
- **Dr. Sandeep Gandhi**, Registrar, Kalinga University, Raipur

Participation and Presentations

The conference witnessed an overwhelming response with:

- **185 registrations**
- **75 research papers** presented in **online and offline** modes

Conclusion

The conference served as a platform for intellectual exchange and collaboration, aligning with the vision of NEP 2020 to transform education. The successful event highlighted Kalinga University's commitment to fostering innovation and excellence in education.

In this event students of education department, all faculties – Mrs. Harsha Sharma, faculties of Physical Education, Dr. D. Kalidoss, Dr. Sanjeev Kumar Yadav, Ms. Neetu Singh, Miss Anamika, and Mr. Pritam Kumar, have performed their duties with great dedication.

.

PROGRAM OUTCOMES:

1. **Enhanced Collaboration and Networking**: The conference facilitated connections among educators, researchers, and policymakers, fostering collaborations that align with NEP 2020's goals of multidisciplinary and holistic education.
2. **Knowledge Sharing and Innovation**: Participants exchanged innovative ideas and best practices, leading to actionable insights for implementing NEP 2020 reforms effectively in educational institutions.
3. **Strategic Action Plans**: Deliberations during the conference resulted in the development of strategic action plans to integrate NEP 2020 principles into curriculum design, teaching methodologies, and assessment strategies.
4. **Increased Institutional Visibility**: The event reinforced Kalinga University's reputation as a leader in education by showcasing its commitment to innovation, excellence, and the transformative goals of NEP 2020.
5. **Capacity Building**: The conference equipped educators and stakeholders with the knowledge and tools to drive educational reforms, ensuring alignment with NEP 2020's emphasis on critical thinking, creativity, and lifelong learning.

VALEDICTORY FUNCTION

The valedictory function of the international conference was a grand culmination of the event, graced by the esteemed presence of Dr. Aruna Palta, former Vice-Chancellor of Hemchand Yadav University, Durg, Chhattisgarh as the Chief Guest. The ceremony featured the distribution of certificates to all participants who presented their research papers during the conference, acknowledging their significant contributions to the academic discourse. The session was concluded by Dr. Shradhha Verma, the Convener and Dean of the Faculty of Education, who emphasized the importance of such scholarly engagements. The vote of thanks was delivered by the Co-Convener, Dr. Saroj Nayyar, who expressed gratitude to the dignitaries, participants, and organizers for their efforts and support. The function ended on a patriotic note with the rendition of the National Anthem, marking a dignified and inspiring conclusion to the event.

Event: **Samar Intercollegiate/University Sports Fest 2025**
Organized by: **National Institute of Technology, Raipur**
Venue: **NIT, Raipur**
No. of participants: 68

The Kalinga University sports teams participated in SAMAR-2025, a prestigious sports festival organized by the National Institute of Technology (NIT), Raipur, from January 23 to January 26, 2025. A total of 68 students competed in various sports, including men's football, basketball (men and women), and volleyball (men and women). Teams from various colleges showcased their talent and determination in a highly competitive environment. Notably, Kalinga University's **Men's Basketball and Football teams** demonstrated exceptional skills and resilience, **securing first place in their respective events.** Their outstanding performances earned them winner trophies, bringing pride and recognition to the university. This remarkable achievement highlights Kalinga University's commitment to sporting excellence and reflects the hard work, teamwork, and dedication of the players. The success at SAMAR-2025 has not only enhanced the university's reputation in sports but also inspired other students to strive for excellence in athletics.

Dr. Sandeep Gandhi
Registrar

Event Poster: NA

Invitation to the resource person: NA

Objective of Program:

1. To assess the Constitution's transformative impact on India's legal, social, political, and economic evolution.

2. To examine the dynamic relationship between constitutional principles and contemporary challenges in governance, human rights, and technological innovation.

secularism, and inclusivity.

4. To draw comparisons between the Indian Constitution and global frameworks, fostering dialogue on common challenges and shared solutions.

5. To promote interdisciplinary research and discussions encompassing law, political science, economics, sociology, and technology.

6. To envision reforms and innovations that ensure the Constitution remains a living, adaptive document, resonating with the aspirations of future generations.

This conference seeks to create a platform for critical engagement with the Constitution's journey over the past seven decades while shaping the discourse on its role in the 21st century for the students of faculty of law.

Profile of Resource person: NA

Program Schedule and details:

The inaugural ceremony of Constitution@75: Evolving Text, Context & Transformations – Rights, Governance & Technology in Focus was held on 25th January 2025 at the University Auditorium, HNLU. The event commenced at 9:30 AM with the felicitation of the dignitaries with floral bouquets, followed by a welcome address by Dr. Deepak Kumar Srivastava, Registrar (I/c), HNLU. Mr. Abhinav K. Shukla, Organising Co-secretary, presented the report of the Constitutional@75: HNLU Series at 9:40 AM. Prof. V.C. Vivekanandan, Vice-Chancellor, HNLU, delivered the opening remarks at 9:50 AM. The keynote address was delivered online by the Guest of Honour, Prof. (Dr.) V. Vijay Kumar, Former Vice-Chancellor of NLIU Bhopal, at 10:00 AM, followed by the inaugural address by the Chief Guest, Prof. (Dr.) Ranbir Singh, Pro-Chancellor of IILM University and Distinguished Jurist Professor at HNLU, at 10:25 AM. The ceremony concluded with the presentation of mementos to the dignitaries at 10:40 AM. The inaugural session, which saw active participation from students of the Faculty of Law, ended at 12:30 PM with a delightful high-tea session for all attendees.

Program Outcome:

- Students gained comprehensive insights into the transformative journey of the Indian Constitution over the past 75 years.
- They explored how the Constitution has adapted to changing societal needs and governance challenges.

honed their ability to critically analyze constitutional issues.

- The conference provided a platform for students to connect with students of other universities, Faculty members of HNLU, experts, and peers from diverse backgrounds.
- These interactions fostered collaborative learning and potential mentorship opportunities.
- Students were inspired by the discussions and presentations to pursue further research and advocacy in constitutional law and related fields.
- They left the conference with a renewed sense of purpose and direction in their academic and professional journeys.

Overall, the conference was a significant opportunity for students to grow academically, professionally, and personally, equipping them with the knowledge and skills to contribute meaningfully to the discourse on constitutional law and governance.

Number of Students participated: 27
