Outskill

AI CATALYST PROGRAM

Product Marketing Management Program | DATE OF COMPLETION : 03-08-2026

This Certificate is Proudly Awarded to

Hanna Hrybouskaya

for **successfully completing the AI Catalyst Program,** a 24-week intensive designed to go deeper into AI skills and find paths to monetize them. Participants built and launched AI-powered products, acquired paying clients, and created revenue-generating systems using advanced tools and frameworks.

SKILLS DEMONSTRATED

- Client Acquisition & Sales
- Agentic Product Building
- Autonomous AI & Delivery Systems
- AI-Powered Marketing & Lead Generation
- Multi-Agent Workflows With AI
- Launch, Monetization & Growth Strategies

“True Catalysts don’t just use AI, they build with it, generate value, & scale with it.”

Vaibhav

Vaibhav Sisinty
Founder, Outskill

This certificate acknowledges your commitment, hard work, and the comprehensive skills you’ve developed throughout this intensive journey in the world of Artificial Intelligence.
