HP ATF DEX II

Super Premium Quality Diesel Engine Oil

DESCRIPTION

HP ATF DEX II is a premium quality red coloured automatic transmission fluid having low static friction properties.

APPLICATIONS

Recommended for use in automatic transmissions & power steering units of automobiles and other LCV'S requiring Dexron II fluids.

MEETS REQUIREMENTS OF

Meets specification 6137 M – Dexron II of General Motors, USA.

FEATURES & BENEFITS

- Better oxidation stability
- Low temperature viscosity
- Longer life
- Seal compatibility

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

Kinematic Viscosity, @ 100°C, cSt	5.5
Flash Point, (COC), °C	200
Colour, Visual	Red
Viscosity Index	187
