

LUBRICANTS

POWER TO PERFORM

HP MULTIPURPOSE GREASE 000

DESCRIPTION

HP MULTIPURPOSE GREASE 000 is semifluid grease recommended for shuttle less looms, rail flange lubricator and printing press

PERFORMANCE BENEFITS

- Enough fluidity required for the operation
- Good thermal stability
- High degree of resistance to oxidation
- Protection against rusting & corrosion

PHYSICO-CHEMICAL PROPERTIES

Appearance	Smooth & Uniform
Consistency of the grease, @25°C with 75 g load	35 – 45
Dropping Point, °C, Min	120
Free Alkalinity , as Na (OH) % wt	0.01 – 0.1
