HP RACER SKUTEX

Premium Quality Oil for Modern 4-stroke Gearless Scooters

DESCRIPTION

HP RACER SKUTEX grade is a high quality Scooter Engine Oil designed to meet the demanding lubrication requirements of modern 4-stroke gearless scooters.

HP RACER SKUTEX grade is manufactured from the finest Group II base stocks and state of the art additive technology to meet the most stringent requirements of API SL and JASO MB specifications.

HP RACER SKUTEX grade provides superior protection for the engine of a scooter against wear and deposits. The special friction modifier in the formulation helps deriving better fuel efficiency from your scooter engine. Moreover, given that a scooter runs at a bit higher temperature than a motorcycle; the in-built superior thermal and oxidation resistance in the oil comes handy in delivering unmatched performance in your scooter at all the time, while ensuring high engine life.

APPLICATIONS

HP RACER SKUTEX grade is recommended for all new generation gearless 4-stroke scooters like Honda Activa, Piaggio Vespa LX 125, Hero Pleasure, Mahindra Rodeo RZ, Mahindra Duro DZ, Mahindra Gusto, Yamaha Ray and TVS Wego etc.

HP RACER SKUTEX grade is also recommended for the various models of scooters manufactured by other reputed manufacturers in the country.

FEATURES & BENEFITS

- High Engine Durability
- High Fuel Efficiency and Low Oil Consumption
- Lower Maintenance Cost
- Longer Oil Drain Interval

MEETS REQUIREMENTS OF

- API SL
- JASO MB

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

HP RACER SKUTEX	10W 30	10W 40
Kinematic Viscosity, @ 100 Deg.C, cSt	11.8	14.8
CCS Viscosity, @ -25 Deg.C, cP	6400	6500
Viscosity Index	130	145
Flash Point, COC, Deg.C	230	230
Pour Point, Deg.C	-30	-30
