

HP Racer Futur-X Skutex Pro SP

Super Premium Quality Synthetic Scooter Engine Oil
With Ester Technology

DESCRIPTION

HP RACER FUTUR-X SKUTEX PRO SP is a super-premium, new-generation synthetic scooter engine oil formulated using high-quality synthetic base oils and advanced additive chemistry to meet the lubrication requirements of modern 4-stroke scooters operating under severe stop-and-go urban conditions.

APPLICATIONS

HP RACER FUTUR-X SKUTEX PRO SP is designed for modern 4-stroke and high-performance scooters with CVT or dry clutch systems.

It is also recommended for use in scooters from OEMs such as Honda, Yamaha, Suzuki, TVS, Hero, and other manufacturers requiring API SP / JASO MB-compliant oils.

SPECIFICATION MEETS

- API SP
- JASO MB

FEATURES AND BENEFITS

- Ester technology provides strong oil film formation for improved wear protection.
- Better surface adhesion ensures protection during cold starts
- Enhanced thermal stability for reliable performance at high operating temperatures
- Excellent engine cleanliness with reduced sludge and deposits
- Unmatched engine protection, leading to longer engine life
- Low volatility helps reduce oil consumption
- Longer oil service life and improved fuel efficiency

PHYSIO-CHEMICAL PROPERTIES (TYPICAL)

RACER SKUTEX PRO SP	5W-30	10W-30
KV @ 100 °C, Cst	10.2	10.5
Viscosity Index	145	140
Flash Point, COC, °C, Min	234	230
Pour Point, °C, Max	-30	-30
CCS Viscosity, cp	5430 @-30°C	5830 @ -25°C
