

HP RACER GEN6

SUPER PREMIUM QUALITY MOTORCYCLE ENGINE OIL

DESCRIPTION

HP RACER GEN6 grades are super premium quality motorcycle engine oils made to cater to the highly demanding lubrication requirements of modern 4-Stroke geared bikes. They are manufactured from finest quality paraffinic base stocks and state of the art additive technology and meet stringent requirements of API SN and JASO MA 2 specifications.

HP RACER GEN6 grades provide superior protection for engine, clutch and gears of a motor cycle which helps you to derive the best performance from your bike all the time, while ensuring high engine durability.

APPLICATIONS

HP RACER GEN6 grades are recommended for new BS VI compliant geared 4-stroke bikes manufactured by most of the reputed manufacturers like Hero Motors, Bajaj, Yamaha, Honda, Suzuki, TVS, Royal Enfield, etc. They are also recommended for use in previous engine models as well.

HP RACER GEN6 grades are available in 10W-30 & 20W-40 Viscometrics.
