#### Indian BPO market to hit \$8.8 bn by 2025 amid liberalised regime

As India reopens, the enterprise spending on business process outsourcing (BPO) services in India is set to grow at a compound annual growth rate (CAGR) of 5.8 per cent to reach \$8.8 billion by 2025, driven by huge push for outsourcing knowledge-based and vertical-specific processes, a new report showed on Wednesday. According to GlobalData, a leading data and analytics company, the BPO market in India is now supported by the country's efforts to liberalise regulatory guidelines for the BPO industry in recent times to ward off competition from countries like the Philippines, Malaysia, Mexico, and Canada.

#### Govt to amend rules, allow 20% foreign investment in LIC IPO: Report

India is considering a proposal for foreign investors to own as much as 20% in Life Insurance Corporation, according to a person with knowledge of the matter, which would enable them to participate in the nation's biggest initial public offering. Under discussion is a plan to amend FDI rules so that investors can pick up the stake without the government's approval under the so-called automatic route, the person said, asking not to be identified as the deliberations are private. Government officials are due to meet and discuss the proposal as early as Wednesday afternoon in New Delhi, the person said.

#### Coal shortage in India leads to soaring costs for steel producers

A coal shortage in India has led to soaring costs for steel producers as they compete with other industrial consumers for supply. Mills are paying more than four times the normal costs for procuring coal from e-auctions and from mines, according to V.R. Sharma, managing director at Jindal Steel & Power Ltd. Still, there has been no impact on production at most primary steel producers yet as they have adequate supplies and are unlikely to curtail output, he said. India, which relies on coal for about 70% of electricity generation, is grappling with a shortage after a jump in demand, a squeeze on domestic mine output and surging prices of seaborne supply.
