

INDEPENDENCE DAY ACTIVITY

Dear Students,

This year we would be completing 75 years of Independence, on to celebrate this Arena Animation has come up with an interesting activity for its students.

Students need to create the Indian Flag with whatever elements you have in your house, it could be origami, clothes, food items, plants/flowers, paint etc. and share with us a picture of the same. The most unique representative of the Indian Flag will be recognised.

We also plan to create a collage/video of all the entries we receive to showcase our student work in public.

So be ready to showcase the creative side of your patriotism.

Regards
