The scheme of ABC-ID has been implemented with an objective of digitally archiving the academic records of students in order to ensure hassle free credit transfer and verification of academic records required for higher studies and employment.

In this regard the following method have been designed, while in the first the colleges can advise their students to create ABC-ID and submit those to the colleges and they can subsequently upload the same in bulk in the concerned data sheets that will be provided by The Department of Controller of Examinations.

The process of ABC-ID creation has to be completed by 24.04.2025 failing which the students will get deprived of its benefits.

ABC-ID is linked only to the non-biometric data of ADHAR so it is extremely easy and convenient to create it.

The following method should be followed for capturing the ABC-ID:

University will send the student data for the students taking admission in the session 2022-23 and 2023-24 in Excel format keeping the ABC-ID field blank through e-mail from the account cucoem2013.pg@gmail.com. The Colleges shall download the file and input the ABC-ID of the respective students and send back the updated file to the same mail id, i.e. cucoem2013.pg@gmail.com.
