

UNIVERSITY OF CALCUTTA NANOCENTRE

Winter School

Nanoscience and Nanotechnology: Fundamentals, Characterization and Recent Trends

This winter school will cover the fundamental understandings of nanomaterials, their characterization and considerations on using these materials in various applications. The topics will be on Physical, Chemical, Biological and Engineering aspects, emphasizing the multidisciplinary nature.

Minimum Qualification:

B. Sc./B. Tech. in any relevant disciplines of Science and Technology, candidates continuing their Bachelors program are also eligible to apply

Important Dates:

Application ends: Dec 19, 2025

Acceptance: Dec 26, 2025

Registration starts: Dec 26, 2025

Registration ends: Dec 31, 2025

Registration Fees:

INR 3,000/- Only

Coordinator: Dr. Prasun Mukherjee, CRNN

Committee: All the associated faculty members at CRNN

JAN | 05-17 | 2026

Application for attending

Nanoscience and Nanotechnology: Fundamentals, Characterization and Recent Trends

JANUARY 05-17, 2026

Name of the applicant	:	
Department/ Institution with address	:	
Present position	:	
Date of birth	:	
Gender	:	
Email ID	:	
Contact no.(s)	:	
Current area of research	:	
Out station candidate *	:	Yes / No
Other relevant information (Optional)	:	

Signature:

Date:

* Out station candidate should arrange their own accommodation.

* Please sign the filled in form and send a scanned copy of the same to crnn@caluniv.ac.in before 19th December, 2025. Each applicant is advised to attach a signed and scanned copy of a letter of reference from his/her Ph.D./Thesis supervisor or institutional head.
