India's Best University Survey, 2022

CU has been placed 6th amongst all the universities in India

Glad to share that in the India's Best Universities Survey 2022 released by India Today in its August 15, 2022 issue, the University of Calcutta has been placed 6th amongst all the universities in India. It should be mentioned that this makes the University of Calcutta the highest ranked amongst all the state-aided universities in India. Notably, CU has ranked 2nd in category of 'Offering the highest number of PhDs in the past 3 years' among all the Government Universities in India. Additionally, it has ranked 2nd in the category of the 'Highest number of patents granted in the past 3 years', too, among all the Government Universities in the country. The University of Calcutta has also secured 3rd highest score in the area of 'Career Progression and Placement' among all Indian Government Universities.
