- ii) The intending bidder must attach the photo-copies of all the relevant documents such as Valid Trade License, GST & Pan and credential for satisfactory completion of similar nature of job amounting to 75 % of the estimated value in a single tender in the last three financial years in Government, or Government Undertaking or any State Aided University on line as Non-Statutory documents. Only completion certificate of the work will be considered as Credential of works. Original documents may be asked for verification of technical checking on the date of tender opening. Failing to produce original documents, the tender will be rejected.
- iii) The bidder must have a registered office at Kolkata and adjoining district in West Bengal

5. Inspection of Scrap materials: All the bidders are requested to inspect the scrap materials lying at the Department of Botany from 28.11.2022 to 30.11.2022 between 11:30 AM to 03:00 PM in presence of the caretaker Ballygunge Science College or the authority of the Department of Botany. The bidder must bid the auction amount after inspection of the scrap materials. No negotiation of the bid amount will be accepted after financial evaluation.

6. Termination of contract: The work order will be treated as cancelled if the work could not be completed within stipulated time of completion and EMD amount will be forfeited except force majeure clause.

7. Force majeure clause: In case of force majeure clause, extension of time may be allowed subjected to the approval of the competent authority.

8. The earnest money deposited by H1 will be refunded only after satisfactory completion of work certificate is furnished by the officer(s) in charge.

9. The intending bidders must provide every detail as desired above including his name, address and Mobile no. and office land line no. if available, clearly in the space provided for the same –online. Incomplete information may lead to rejection.

10. Auction materials to be collected from mentioned addresses at the purchaser's own arrangement (viz. Vehicles and manpower for loading). No expenses in any form towards disposal will be borne by the office.

8. Road challan for disposal will be provided by the **Department of Botany**, as mentioned above. However, all other permits/permissions required for transportation and disposal will have to be arranged by the purchaser. Disposal of the dismantled materials/goods have to be relevant traffic rules of the area. All such type of incidental costs have to be considered by the bidders while quoting their bid/offer.

9. The successful bidder at his own cost has to adopt all safety/preventive/precautionary measures following relevant rule of the Government for safe disposal of all vehicles & machineries. Permission from appropriate authority if needed for such process has to be procured from the end of the bidder at his own cost failing which the earnest money of the bidder will be forfeited.

10. In general, the highest bid will be accepted. However, the bid inviting authority shall not be bound to accept the highest bid and can go for subsequent calls if the highest bid in the opinion of the undersigned does not appear to be satisfactory, the undersigned reserves the right to hold fresh bids and so on . The bid inviting authority will issue lifting order to the successful bidder whose rates stand highest for the entire lot of unserviceable the disposal items as mentioned in table on page no 04 .

11. Bids placed by the agency (H-1) will be accepted as per terms and condition laid down vide Govt. of West Bengal, Finance department order No. 4068-F(Y) dt. 25.05.2015.

12. If the disposal items as mentioned in table on page no 05 is required to be dismantled for removal, all precautionary measures will be taken by the auctioneer so that no damage to any Government property or personnel takes places. Under no circumstances, dismantling measure which can cause a fire hazard will be permitted. Any damage or loss of Government /public/private property or life during the dismantling/disposal process will be the sole responsibility of the successful bidder and the successful bidder has to replenish the cost of such damage at his own cost as per estimate prepared by this office, failing which the earnest money of the bidder will be forfeited.

13. The dates and times published on line are final and no request for any change will be entertained under any circumstances. Moreover, no objection in any form shall be entertained after completion of no line security of documents.

15. After the final acceptance of the bids, successful bidder shall have to execute an agreement provided by the Office of the Department of Botany, C.U., under Terms & conditions as specified in the Notice immediately after the 'AUCTION END DATE' i.e. 15.12.2022.

16. Bid validity period : 90(Ninety) days from the date of opening of the on line bid.

17. Time of Completion of the work: 07 (Seven) days from the issue date of work order for lifting. All auctioned materials have to be removed from the site within 7 (seven) days from the date of issuance of lifting orders, failing which the earnest money will be forfeited without issuing any further notice and the lifting order will be cancelled.

18. A work completion certificate indicating, "The works have been completed in all respects and the area has been cleared properly and no damage to any Government property has occurred during such process" must be obtained from the Department of Botany and produced before the Department of Botany, for release of the earnest money by the successful bidder and which will be refunded without any interest irrespective of time required for completion of work.

19. Permission will be given to any application to participate in one auction only. Any individual possessing more than one firm/agency by the same proprietorship can participate in one auction only.

20. It shall be deemed that all bidders have thoroughly read and under understood the terms and conditions of sale before bidding. It will also be deemed that all the bidders have inspected the properties prior to auction and have satisfied themselves with the full particulars of the same. No objection or claim of any nature whatever shall be entertained at the conclusion of the auction. The on line bids to be submitted accordingly.
21. From the date of issuance of the lifting order by the Department of Botany for removing the property sold to the purchaser to the last day of removal of the property by the purchaser, the property at the site will remain at the sole responsibility and entire risk of the purchaser. If required the bidder will position security guards to address any untoward incident. No complaints regarding or loss of any sort will be accepted by the undersigned.
22. The purchaser shall assume all liability for, and keep the Department of Botany saved harmless and indemnified against all actions or suits, claims, costs, damages, charges and expenses arising out of or in connection with the fulfillment of the terms and condition of the sale, whether such actions, suits, or claims are brought by members of public or workmen employed, provided, however, that he will not have to indemnify the Department of Botany from any action that may be brought by a claimant and who may question the legal right of Govt. to dispose of the property.
23. Failure on the part of any bidder to observe and abide by any or all the above noted terms & conditions will disqualify himself to become eligible bidder and his earnest money or part thereof as necessary may stand forfeited to the Government.
24. The auction inviting authority reserves the right to accept or reject any or all of the bids without assigning any reason thereof.
25. All legal issues if any arising out of the above auction will be limited to Kolkata Jurisdiction only.
