

# UNIVERSITY COLLEGE OF SCIENCE, TECHNOLOGY & AGRICULTURE

## DEPARTMENT OF CHEMISTRY, UNIVERSITY OF CALCUTTA

Rashbehari Siksha Prangan, 92 Acharya Prafulla Chandra Road, Kolkata – 700009, WB, INDIA

Ref. No: CU/CH/QTN/ Liquid Nitrogen/2026-2027

Date: 19.06.2026

### QUOTATION NOTICE

Quotations are invited from authorized parties for the following item described below. Suppliers are hereby requested to submit their quotations (with 18% GST) including the current Trade License, Service Tax Registration Certificate, GST Certificate, PAN No., Copy of Registration Certificate with Statutory Authorities and other credentials within **15 days** from the publication of this notice in a sealed envelope addressed to “**The Head, Dept. of Chemistry, 92 APC Road, University of Calcutta, Kol-700009.**”

#### **Particulars:**

The following terms and conditions should be applied and should be mentioned in the quotation.

| Item                   | Particulars                                                                                                                                                                                                                                                                                                                               | Terms and conditions                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Approximate Quantity                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------|
| <b>Liquid Nitrogen</b> | Uninterrupted supply of liquid nitrogen (99.99% purity) in the containers provided by the Department of Chemistry for the maintenance of both 300 and 400 MHz spectrometers (empty containers should be filled up in front of the NMR laboratory) for the FY 2026-2027.<br><br>Minimum quantity: 50 litres (one container) in every week. | 1. Supply should be executed on a fixed date in every week without any fail for the FY 2026-2027.<br>2. In case of emergency vendor should refill liquid nitrogen in the NMR machine with no extra cost.<br>3. Vendor should support the department by providing liquid nitrogen dewars on loan when needed on temporary basis at free of cost.<br>4. In case of emergency vendor should deliver additional amount of liquid nitrogen on and above the weekly requirement in 24 hours from the time of request.<br><br>Place of delivery and picked up of empty containers: NMR laboratory, ground floor N R Sen building, Rashbehari Siksha Prangan, 92, Acharya Prafulla Chandra Road, Kolkata – 700009. | Rate contract for per litre inclusive of taxes and delivery to NMR laboratory. |
