STATEMENTS OF OBJECTS AND REASONS

I

Act 12 of 1964.- The Laws relating to land and land revenue administration of Mysore, Bombay, Hyderabad and Coorg area have been codified in the respective Land Revenue Codes or Acts. but, in the Madras Are, the administration of land and land revenue is being carried on under the Board's Standing Orders and in accordance with about 23 enactments dealing with particular aspects of land and land revenue. Even through basically there are no material differences in principle among the several laws in the different areas of the State, it is desirable and administratively convenient to have a uniform law governing land and land revenue administration for the State of Mysore. Hence this Bill.

(Published in the Kanataka Gazette (Extraordinary) Part IV-2A dated 9th August, 1962. p. 594.)

II

Amending Act 9 of 1965.—It is considered that in respect of dry lands, rain-fed wet lands and rain-fed garden lands, standard rate of land revenue for land of one hundred per cent classification value in that class should be four per cent of the value of the average yield of such land. It is also considered that in respect of plantations, the standard rate should be one per cent of the value of the average yield of lands of that class of one hundred per cent classification value.

In so far as the irrigated wet lands and irrigated garden lands are concerned, it is considered that for the purposes of land revenue, they should be treated as though they are dry lands and the land revenue applicable to the lands of that classification

value of dry land of that class in that locality should be levied and that water rate may be levied separately under the provisions of the Mysore Irrigation (Levy of Betterment Contribution and Water Rate) Act, 1957.

It was originally intended that the new rates of assessment should be brought into force from the year 1965-66. On account of the fact that the consideration of the Settlement Reports has taken more time than was anticipated, it is proposed to make necessary amendments so as to enable Government to levy land revenue according to resettlement even if the new rates are actually introduced in the course of the revenue year. Hence the Bill.

Opportunity has been taken to make certain other amendments of a minor nature.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 18th April, 1965, as No. 90, p. 6.)

III

Amending Act 2 of 1966.—According to section 49 of the Mysore Land Revenue act, 1964, the Tribunal is the Appellate Authority in respect of any order passed by a Deputy Commissioner. To appellate power has been conferred on the Divisional Commissioner. But in respect of proceedings commenced to concluded under the Acts repealed by the Land Revenue Act, appeals from the orders of the Deputy Commissioner, have to be entertained and dealt with by the Divisional Commissioners. It is considered desirable to entrust the appellate functions in respect of orders made under the repealed Acts also to the Mysore Revenue Appellate Tribunal. Hence this Bill.

The entrustment of the said appellate functions will not involve any additional expenditure to the State.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 22nd January, 1966, as No. 9, p. 4.)

IV

Amending Act 7 of 1969.—It is considered necessary to take power to direct revision settlement in zones where the standard rates fixed by the recent revision settlement require modification. It is also considered necessary to make provision specifying the authority to determine the assessment on individual holdings and to provide an opportunity to the holders to prefer objections and also to provide a machinery for the consideration and decision of these objections.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 31st March, 1969, as No. 193, p. 6.)

V

Amending Act 5 of 1970.—At present appeals in land grant cases also lie to the Mysore Revenue Appellate Tribunal. Having regard to the nature of these cases it is appropriate that appeals should lie to the Divisional Commissioners and powers of revision should vest in Government.

In the case of unauthorised occupation of Government lands the existing provisions of section 94 provide no alternative to eviction. This works out as a great hardship in some cases where the parties have made considerable investment in

good faith. It is, therefore, proposed to insert a new section 94A to enable regularisation of such unauthorised occupation in deserving cases on conditions appropriate to the circumstances of each case. Hence this Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A dated 16th January, 1970, as No. 24, p. 7.)

VI

Amending Act 33 of 1975.—Under the Karnataka Land Revenue Act, 1964 as amended in 1970, the Government of Karnataka is the highest appellate and revisional authority in respect of land grant cases. The work at Government level on this account has shown increase and it has not been possible to dispose of this work at an adequate rate and consequently pendency of cases has been high.

The highest appellate authority in revenue matters in general is the K.R.A.T. Bangalore. The work of the Tribunal which was very heavy some three to four years back has since come down with the disposal of the bulk of the appeals under Inam Abolition Acts and removal, by order of the High Court, the second appellate power of the Tribunal under the Motor Vehicles Act.

Government thought it expedient in the public interest to transfer the appellate and revisional powers in respect of Land Grant Cases also to the Karnataka Revenue Appellate Tribunal.

Hence the Karnataka Land Revenue (Amendment) Ordinance, 1975 was issued.

This Bill seeks to replace the said Ordinance.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 26th July, 1975, as No. 2041, p. 7.)

VII

Amending Act 22 of 1976.—Under Section 49 of the Karnataka Land Revenue Act, an appeal against an order passed by a Revenue Officer subordinate to the Assistant Commissioner whether or not invested with the powers of the Assistant Commissioner or the Deputy Commissioner, lies to the Assistant Commissioner. Certain powers of the Deputy Commissioner have been delegated to the Tahsildars under Section 197. The Karnataka Revenue Appellate Tribunal has in some case held that an appeals lies to the Tribunal only against the orders of the Tahsildar passed under such delegated power. It was intended that in such cases also the appeals should lie to the Assistant Commissioner.

Under Section 94A unauthorised occupation of Government lands were to be regularised. It was felt that wrong doers need not be conferred with such right and that these Government lands should be utilised for distribution among *bona fide* landless persons.

Therefore the Karnataka Land Revenue (Second Amendment) Ordinance, 1975 was issued amending Section 49A and omitting section 94A.

This Bill is to replace the said Ordinance.

(Obtained from File No. LAW 16 LGN 76).

VIII

Amending Act 23 of 1976.— The question of reconstituting Districts and Taluks in the State wherever necessary is under the consideration of Government. A one-man Commission has gone into the question in detail after hearing representations

and looking into suggestions from many quarters. According to section 6 of the Karnataka Land Revenue Act, enabling Government to abolish, create or alter jurisdiction requires to be notified for hearing objections. As the changes under consideration have been proceeded by elaborate enquiries, it was decided to amend section 6 of the Land Revenue Act, enabling Government to abolish, create or alter the limits of any district, taluk, circle or village in cases where Government consider it not necessary. Hence the Bill.

(Obtained from LA Bill No. 19 of 1979. File No. LAW 16 LGN 76.)

IX

Amending Act 42 of 1981.—Section 69 of the Karnataka Land Revenue Act, 1964 (Karnataka Act 12 of 1964) governs the disposal of lands belonging to the State Government. The officers specified therein are the persons competent to make the disposals. The present scheme of disposal envisages a consultative committee constituted by the State Government under rule 24 of the Karnataka Land Grant Rules. It consists of official and non-official members and the recommendations thereof shall ordinarily be accepted by the competent authority. It has been found that the committee have not proved effective as they are only consultative in nature.

It is, proposed to provide for statutory committees consisting of official and non-official members and entrust the disposal of revenue lands in taluks and urban areas to such committees. Section 69 is hence proposed to be amended. Provision for revision of the decision of the committee has been made by suitably amending section 56.

The present procedure for conversion of land for non-agricultural purposes which involves previous permission of the Deputy Commissioner is found to be dilatory. In order to avoid harassment to those who intend to use agricultural lands for other purposes, this procedure is intended to be dropped. Sub-section (2) to (6) of section 95 of the Act are consequently omitted. Certain consequential and incidental amendments have also been made: Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 3rd February, 1981, as No. 97, p. 6.)

X

Amending Act 23 of 1982.—At present a person desiring to obtain an extract of the Record of Rights of his land is put to much hardship as a lot of delay occurs in the preparation and supply of the said extract. To avoid this, it is considered necessary to provide for supplying him with a Patta Book containing the relevant particulars relating to his land. Provision is also made it presume the entries therein to be true unless the contrary is proved, so that loans and advances can be secured easily with the aid of the book. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 12th June, 1982, as No. 483, p. 4.)

XI

Amending Act 20 of 1983.— In view of the special conditions prevailing in the Districts of Dakshina Kannada it was considered necessary to provide for a simple procedure for the conversation of dry (punja) lands in that district. Persons registered as occupants under the Karnataka Land Reforms Act and grantees of surplus land under that Act are however not brought within the scope of the said provision.

Certain consequential amendments have also been made. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 12th August, 1983, as No. 717, p. 4.)

XII

Amending Act 23 of 1984.—Urbanisation, particularly in Karnataka, is taking place at a very rapid pace. The rate of growth of population of Bangalore during the decade 1971-81 was 76.17 per cent, the highest for any City in India. At the present place, it is estimated that the population of Bangalore would reach a staggering figure of 70 lakhs by 2001 A. D.

Though at a relatively lower pace compared to Bangalore, other Cities and Towns also in Karnataka are growing fast.

Such rapid urbanisation, unless adequately supported by requisite infrastructural facilities, may pose a great environmental hazard. Similarly, these urban areas run a great risk of becoming a "Concrete Jungle", unless their growth is properly regulated with suitable provision for adequately stretches of Green Belts. Most modern cities today are laying great store by such provisions for Green Belts.

With a view to ensuring that the urban population in Karnataka is adequately served by infrastructural facilities and does not unnecessarily run the risk of environmental hazards, it is considered essential to have carefully laid out Green Belts around such Cities/Towns. The first step to protect such a green belt is to regulate conversion of the agricultural land in such track to non-agricultural use. It is, therefore, proposed to amend the provisions of Section 95 of Karnataka Land Revenue Act, 1964, providing for the prohibition of conversion of agricultural land to non-agricultural uses within the Green Belts around Cities/Towns, as may be notified from time to time. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 9th February, 1984, as No. 112, p. 3.)

XIII

Amending Act 10 of 1985.—Holdings of rainfed dry land not exceeding two hectares and equivalent extent of rainfed wet land were exempted from the payment of land revenue in G.O. No. RD 215 SST 77, dated 5th October 1977 and this was enhanced to four hectares in G.O. No. RD 215 SST 77, dated 18th October 1980. There is however no provision in the Land Revenue Act, 1964 to grant exemptions of such nature.

In the past, there have been many instances of unauthorised diversion of agricultural land to non-agricultural use in contravention of the regulatory provisions of the Karnataka Land Revenue Act, 1964. Attempts to prevent them by resorting to the power of demolition etc., have not yielded useful results and were often not practical.

It is considered necessary, in these circumstances, to assume power to grant exemption by notification, so as to regularise the exemption already granted, and to provide for the regularisation of certain conversions which conform to building laws and prescribed rules etc., by compounding the diversion on payment of the prescribed amount. Power is also intended to be taken to levy the amount of conversion fine or compounding amount at different rates depending on the areas

or the purposes of the conversion and contravention by suitably amending the Land Revenue Act, 1964. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 20th March 1985, as No. 150, p. 4.)

XIV

Amending Act 20 of 1986.—Many representations are being received from Agriculturists that when it became necessary for them to lay a pipeline or watercourse for irrigating their lands through the lands of their neighbours, the latter are obstructing them. At present there is no law which allows them to so lay a pipeline or watercourse. Therefore, they are facing much hardship and the implementation of irrigation schemes has slackened. In order to overcome this situation, it is proposed to amend the Karnataka Land Revenue Act to empower the Tahsildar to grant permission to the land holders to lay pipeline through their neighbour's lands, subject to conditions and restrictions.

A similar provision exists in the State of Maharashtra. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 29th January, 1986, as No. 58, p. 6.)

XV

Amending Act 2 of 1991.—The Government has decided to regularise the unauthorised occupation of Government land subject to certain conditions and restrictions and on payment of regularisation charges. Section 94 of the Karnataka Land Revenue Act, 1954 is intended to be amended and Section 94-A is proposed to be introduced to provide for the following:—

- (1) making unauthorised occupation of Government land punishable;
- (2) regularisation of unauthorised occupation of Government land prior to 1-1-1989;
- (3) the maximum extent of unauthorised holding proposed to be regularised to be 2 hectares of 'D' class land or equivalent thereto;
- (4) where such land lies within the limits of a City or a City Municipality, the extent to be regularised shall be such as may be prescribed subject to the maximum extent of 2 hectares;
- (5) the regularisation charges shall be 500 times the assessment of the land;
- (6) the Scheduled Castes and Scheduled Tribes shall pay only 1/20 of the amounts; and,
- (7) plantation lands, garden lands and forest lands shall be excluded from regularisation.

Section 95 is also proposed to be amended to ensure that the permission of the Deputy Commissioner shall be obtained for use of agricultural land for non-agricultural purposes notwithstanding anything contained in any law for the time being in force. This amendment is proposed to resolve the ambiguity which has arisen on account of certain judicial pronouncements.

A few incidental and consequential amendments are also made.

Hence the Bill.

Amending Act 15 of 2007.- Section 94 of the Karnataka Land Revenue Act confers power on the Deputy Commissioners to remove unauthorised occupation in Government land, but still there are widespread encroachments of Government lands particularly in and around urban areas

like Bangalore, Mysore, Mangalore, Belgaum, Hubli-Dharwad, Gulbarga and other cities. It has come to the knowledge of the Government that such land Grabbers are indulging in real estate business and thereby defrauding the innocent public. Therefore it is considered necessary that the further encroachment of the Government land in the urban areas has to be checked and such land Grabbers to be punished severely.

To prevent the officers in colluding with such land grabbers, the officers knowing such activities, but not initiating action against the culprits, officers abetting encroachments, officers creating bogus document and forging revenue records are made culpable and liable for prosecution.

Keeping the above facts in view, it was proposed to bring an amendment to the Karnataka Land Revenue Act, 1964 by inserting a new chapter called "Offences and Penalties".

The cases of Jamma, Bane lands in Coorg District or encroached government lands regularized or pending for regularization before the committee constituted under sections 94A, 94B and 94C of the Act and cases which are regularized by the government by formulating a special scheme in this behalf are excluded from the purview of the offence.

Since the matter was urgent and the Karnataka Legislature was not in session, the Karnataka Land Revenue (Amendment) Ordinance, 2006 (Karnataka Ordinance No. 3 of 2006) was promulgated to achieve the above object.

This Bill seeks to replace the said Ordinance.

Provided further that when the land revenue is recovered under this section from any person who is not primarily liable for the same, such person shall be allowed credit for any payment which he may have duly made to the person who is primarily liable, and shall be entitled to credit, for the amount recovered from him in account with the person who is primarily liable.

158. Claim of State Government to have precedence over all others.—(1) The claim of the State Government to any moneys recoverable under the provisions of this Chapter shall have precedence over any other debt, demand or claim whatsoever whether in respect of mortgage, judgment, decree, execution or attachment, or otherwise howsoever, against any land or the holder thereof.

(3) Any period elapsing between the first day of the revenue year and any date prescribed under sub-section (1) for the payment of land revenue shall be deemed to be a period of grace and shall not affect the provisions of sub-section (1).

160. Arrear of land revenue and defaulter.—(1) Any instalment of land revenue or part thereof which is not paid on the date prescribed for payment under section 159 shall become an arrear of land revenue and the person responsible for the payment shall become a defaulter.

(2) A statement of account, certified by the Deputy Commissioner or by the Assistant Commissioner shall, for the purpose of this Chapter be conclusive evidence of the existence of the arrear of land revenue, of its amount and of the person who is the defaulter:

Provided that nothing in this sub-section shall prejudice the rights of such person to make payment under protest and to question the correctness of the accounts in separate proceedings before the Deputy Commissioner or the Assistant Commissioner, as the case may be.

161. Process for recovery of arrears.—An arrear of land revenue may after serving a written notice of demand on the defaulter under section 162 be recovered by any one or more of the following processes, namely:—

(2) When any occupancy or alienated holding is declared forfeited under sub-section (1), the ¹[Tahsildar]¹ may, before such occupancy or alienated holding is sold or otherwise disposed of, cancel the declaration of forfeiture, if the defaulter or any person interested in the occupancy or alienated holding pays the entire arrears of land revenue due and all expenses incurred so far in the recovery proceedings as may be fixed by the ¹[Tahsildar.]¹

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

165. Attachment and sale of immoveable property.—When the ¹[Tahsildar]¹ is of opinion that the processes referred to in clauses (a) and (b) of section 161 are inexpedient or insufficient for the recovery of an arrear, he may, in addition to or instead of any of these processes, cause any immoveable property of the defaulter to be attached and sold.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

168. Procedure in effecting sale of immoveable property.—(1) Before effecting the sale of any land or other immoveable property under the provisions of this Chapter, the Deputy Commissioner or other officer empowered in this behalf, shall issue such notices and proclamations, in such form and in such manner and containing such particulars as may be prescribed, and cause such notices and proclamations to be published in such manner as may be prescribed.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

(2) When a property is so purchased, the '[Tahsildar]¹' may adjust such portion of the value as is necessary to cover the amount due to Government together with the cost of the sale and the defaulter shall be entitled on application to obtain payment of balance, if any, of such value.

(3) Subject to the general or special orders of the State Government, the property so purchased may be disposed of by the '[Tahsildar]¹' as he deems fit.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

172. Sale of perishables.—Nothing in section 169 applies to the sale of perishable articles. Such articles shall be sold by auction with the least possible delay and such sale shall be finally concluded by the officer conducting the sale, subject to such orders as may from time to time be made by the Deputy Commissioner either generally or specially in this behalf.

173. Sale not to be excessive.—The property to be sold moveable or immoveable, under the provisions of this Chapter, shall, as far as may be

practicable, be proportionate to the amount of the arrear of land revenue to be recovered and the expenses of attachment and sale.

174. Deposit by purchaser of immoveable property.—In all cases of sale of immoveable property, the party declared to be the purchaser shall be required to deposit immediately twenty-five per cent of the amount of his bid, and the balance within fifteen days from the date of the sale.

175. Failure to make deposit.—(1) In default of the payment of the deposit referred to in section 174, the property shall be put up for re-sale forthwith and the expenses incurred in connection with the first sale shall be borne by the defaulting bidder.

(2) In default of payment of the balance of the bid amount within the period prescribed in section 174, the deposit, after defraying therefrom expenses of the sale, shall be forfeited to the State Government and the property shall be re-sold; such re-sale shall be made after issue of a fresh notice in the manner prescribed under this Chapter for the original sale.

(3) Any deficiency of price which may happen on a resale by reason of the purchaser's default and all expenses attending such resale shall be recoverable from the defaulting purchaser in the same manner as an arrear of land revenue.

176. Setting aside sale.—(1) Where immovable property has been sold under this Chapter, the defaulter, or any person owning such property or holding an interest therein, may at any time within ninety days of the date of sale apply in the prescribed manner to the Deputy Commissioner to have the sale set aside,—

(a) on the ground of some material irregularity or mistake or fraud resulting in loss or injury to him, or

(b) on his depositing in the Deputy Commissioner's office the amount of the arrear specified in the proclamation of sale, the cost of the sale and for payment to the purchaser, a sum equal to five per centum of the purchase money.

(2) On an application made under clause (a) of sub-section (1), the Deputy Commissioner shall, if he is satisfied after a summary enquiry that there has been some material irregularity, mistake or fraud in publishing or conducting the sale, set aside the sale and direct a fresh sale:

Provided that no sale shall be set aside on the ground of any irregularity or mistake, unless it is proved that the applicant has sustained loss or injury as a result of such irregularity or mistake.

(3) On an application with the required deposit being made under clause (b) of sub-section (1) within the period specified therein, the Deputy Commissioner shall make an order setting aside the sale:

Provided that if more persons than one have made deposits and applied under this section, the application of the first depositor or in case all the depositors agree to the application of any other depositor being accepted, the application of such depositor, shall be accepted.

177. Confirmation of sale.—If, on the expiration of ninety days from the date of sale of any immoveable property, no application has been made for

setting aside the sale or if any such application has been made and rejected, the Deputy Commissioner shall make an order confirming the sale:

Provided that for reasons to be recorded, the Deputy Commissioner may set aside the sale subject to such conditions as he may deem proper, notwithstanding that no application therefor has been made, or on grounds other than those alleged in any application which has been made and rejected.

178. Refunds.—(1) The Deputy Commissioner shall order the refund and payment to the purchases, of,—

- (a) the amounts deposited by him under section 174, and

if the sale of any immoveable property is not confirmed or is set aside.

(2) The Deputy Commissioner shall order the refund and payment of all the moneys deposited under clause (b) of sub-section (1) of section 176 to the person, who made the deposit, if the sale is confirmed:

Provided that the Deputy Commissioner may set off the whole or any part of any such moneys against any arrear of land revenue or any other arrear recoverable as an arrear of land revenue, which may be outstanding against the person, who made the deposit.

179. Certificate of purchase.—When a sale held under this Chapter is confirmed, the ¹[Tahsildar]¹ shall put the person declared to be the purchaser in possession of the property and shall cause his name to be entered in the land records and shall grant him a certificate in the prescribed form to the effect that he has purchased the property specified therein and such certificate shall be deemed to be a valid transfer of such property.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

180. Removal of obstruction.—(1) Where a purchaser of immoveable property, to whom a certificate is granted under section 179, is resisted or obstructed by any person, in obtaining possession of the property, such purchaser may apply to the Civil Court having jurisdiction over the property, for removal of such resistance or obstruction and such Court shall investigate the matter as if the property were purchased by the applicant at a sale held in execution of a decree of such Court under the Code of Civil Procedure, 1908.

(2) The provision of the Code of Civil Procedure, 1908, shall apply *mutatis mutandis* to the investigation and the order made thereafter by the Court, under sub-section (1).

181. Application of proceeds of sale.—The proceeds of the sale of any property under this Chapter shall be applied in defraying the expenses of the sale, which shall be determined in the prescribed manner and the balance shall be applied to the payment of the arrears on account of which the sale was held and the surplus, if any, shall be paid to the person whose property has been sold.

182. Liability of certified purchaser.—The person who has purchased any land and to whom a certificate of purchase has been granted shall not

be liable for the land revenue in respect of the land for any period prior to the date of the sale.

183. Recovery by attachment of the defaulter's village and taking it under management.—If the holding, in respect of which an arrear is due, consists of an entire village or of a share of a village, and the adoption of any of the other processes specified in section 161 is deemed inexpedient, the Deputy Commissioner may, with the previous sanction of the State Government, cause such village or share of a village to be attached and taken under the management of himself or any agent whom he appoints for that purpose.

184. Lands of such village to revert to Government free of encumbrances.—(1) The lands of any village or shares of a village attached under section 183 shall revert to the State Government unaffected by the acts of the superior holder or of any of the sharers, or by any charges or liabilities subsisting against such superior holder or sharers as are interested therein, so far as the arrears of land revenue due are concerned, but without any prejudice in other respects to the rights of any tenant or any other person.

(2) The Deputy Commissioner or his agent appointed under section 183, shall be entitled to manage the lands attached by letting them out at rates not exceeding the rates prescribed under any law for the time being in force which he may deem reasonable and by granting unoccupied lands on lease and to receive all rents and profits accruing therefrom to the exclusion of the superior holder or any of the sharers thereof, until the Deputy Commissioner restores the management thereof to the said superior holder.

(3) The Deputy Commissioner or his agent appointed under section 183 shall, during such management, be entitled to recover under the provisions of this Chapter, all such rents or profits accruing in or after the revenue year in which such attachment was effected, provided that proceedings for such recovery are taken within six years from the end of the revenue year for which such rent or profit became due.

185. Application of surplus profits.—All surplus profits of the lands attached under section 183, beyond the cost of such attachment and management, including the payment of the current revenue and the cost of the introduction of a revenue survey, which the Deputy Commissioner is hereby empowered to introduce, shall be applied in defraying the said arrear.

186. Restoration of village so attached.—(1) The village or share of a village attached under section 183 shall be released from attachment and the management thereof shall be restored to the superior holder, on the said superior holder making an application to the Deputy Commissioner for that purpose at any time within twelve years from the first of July next after the attachment,—

(a) if at the time that such application is made, it shall appear that the arrear has been liquidated; or

(b) if the said superior holder shall be willing to pay the balance, if any, still due by him, and pays such balance within such period as the Deputy Commissioner may specify in this behalf.

(2) The Deputy Commissioner shall make over to the superior holder the surplus receipts, if any, which have accrued in the year in which his application for restoration of the village or share of a village is made, after defraying all arrears and costs, but such surplus receipts, if any, of previous years shall be at the disposal of the State Government.

187. Village, etc., to vest permanently in the State Government if not redeemed within twelve years.—If no application be made for the restoration of a village or share of a village attached under section 183 within the aforesaid period of twelve years, or if after such application has been made, the superior holder fails to pay the balance, if any, still due by him within the period specified by the Deputy Commissioner in this behalf, the said village or share of a village shall thenceforward vest in the State Government, free from all encumbrances created by the superior holder or any of the sharers or any of his or their predecessors in title or in any wise subsisting as against such superior holder or any of the shares, but without prejudice to the rights of the persons in actual possession of the land.

188. Precautionary measures in certain cases.—(1) When the crop of any land or any portion of the same is sold, mortgaged or otherwise disposed of, whether by private agreement or by order of a Civil Court or other public authority, the ¹[Tahsildar]¹ may, if he thinks it necessary, prevent its being removed from the land until the demand for the current year in respect of the said land is paid, whether the date fixed for the payment of the same has arrived or not. But in no case shall a crop or any portion of the crop, which has been sold, mortgaged or otherwise disposed of, be detained on account of more than the demands of the year in which the detention is made.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

(2) In order to secure the payment of the land revenue by enforcement of the lien of the State Government on the crop, the ¹[Tahsildar]¹ may,—

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

(b) direct that no such crop shall be removed from the land on which it has been reaped or from any place in which it may have been deposited without the written permission of himself or of some other officer as aforesaid;

(c) cause watchmen to be placed over any such crop to prevent the reaping or removal of the same, and recover the cost incurred thereby as an arrear of land revenue due in respect of the land to which such crop belongs.

(3) Any person who disobeys or abets the disobedience of, any order passed under sub-section (2), after the same has been duly published or a

notice thereof has been served upon him, shall be liable, after a summary enquiry by the ¹[Tahsildar]¹, to a fine not exceeding double the amount of the land revenue due on such land.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

(4) The ¹[Tahsildar]¹ shall not defer the reaping of the crop, nor prolong its deposit unduly, so as to damage the produce. If within two months after the crop has been deposited, the land revenue due has not been paid, the ¹[Tahsildar]¹ shall either release the crop and proceed to realise the revenue in any other manner authorised by this Chapter or take such portion thereof, as he may deem fit, for sale under the provisions of this Chapter, applicable to sales of movable property in realisation of the revenue due and of all legal costs and release the rest.

1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

189. 1. Substituted by Act 5 of 1970 w.e.f. 23.10.1969.

(a) all rents, royalties, water rates, ceases, fees, charges, premia, penalties and fines due to the State Government, for use or occupation of land or water or any product of land;

(b) all moneys due to the State Government under any grant, lease or contract, which provides that they shall be recoverable as arrears of land revenue;

(c) all sums declared by this Act or any other law for the time being in force to be recoverable as an arrear of land revenue.

191. Recovery of moneys from surety.—Every person who may have become a surety by or under any of the provisions of this Act or under any other enactment or any grant, lease or contract whereunder the sum secured is recoverable from the principal as an arrear of land revenue, shall, on failure to pay the amount or any portion thereof, which he may have become liable to pay under terms of his security bond, be liable to be proceeded against, under the provisions of this Chapter in the same manner as for an arrear of land revenue;

192. Recovery of arrears due in any one district by Deputy Commissioner of another district.—(1) When an arrear of land revenue or other public demand recoverable as an arrear of land revenue under section 190 is due in one district, but is to be recovered by sale of defaulter's

property in any other district, the Deputy Commissioner of the district in which such arrear of demand became due shall send a statement of account certified under sub-section (2) of section 160 to the Deputy Commissioner of the district, within which the recovery is to be made.

(2) On receipt of such certified statement it shall be lawful for the Deputy Commissioner of one district to proceed to recover the demand of the Deputy Commissioner of another district under the provisions of this Chapter, as if the demand arose in his own district.
