

F. No. HQ-2004/5/2025-ERM

Staff Selection Commission

\*\*\*\*\*

**NOTICE**

**Subject: Advisory against Malpractices in Computer Based Examinations (CBE).**

**Ref: Notice of even no. dated 10.09.2025**

The Combined Graduate Level Examination 2025 has started on 12<sup>th</sup> September, 2025 and will continue till 26<sup>th</sup> September, 2025. The exam is being conducted at various centres across the country. During the exam, various security features have been deployed that capture developments happening at each and every candidate terminal in every centre.

2. Vide advisory issued on 10.09.2025 (Ref. above) it has been mentioned *inter-alia* that-

*“...during the course of any exam whenever any such malpractice is detected by technological solutions, it is possible that the candidate’s exam may not be interrupted by the invigilators, in order to ensure that such activities do not disturb the other sincere candidates taking the exams honestly. But, subsequently in respect of candidates indulging in such malpractices, based on electronic evidence, their scores will not be processed and action will be taken to debar them through laid down process.”*

3. Through the digital security solutions deployed by the Commission, it has been noticed that remote takeover/system hacking attempts are being made on certain candidates’ nodes at some of the centres. Such activities are under close monitoring of the Commission and it is reiterated that after the completion of the examination process, based on the evidences and digital footprints, candidates involved in such malpractices will be debarred and necessary criminal proceedings may also be initiated against all involved in the act, including the centres which facilitated such malpractices.

**4. All candidates are once again advised not to indulge in any malpractice. The Commission is committed to ensuring fair and transparent examinations.**
