No anti-dumping duty on PTFE resin from India, China: USITC

5 November 2018, (International News)

The US International Trade Commission has ruled against putting anti-dumping duty on the imports of a synthetic fluoropolymer, a key ingredient in non-stick coating for pans and other cookware, from India and China.

USITC

The United States International Trade Commission is an independent, bipartisan, quasi-judicial, federal agency of the United States that provides trade expertise to both the legislative and executive branches.

The agency determines the impact of imports on U.S. industries and directs actions against unfair trade practices, such as subsidies, dumping, patent, trademark, and copyright infringement.

State to sanction Rs. 42 cr. to BBMP for immediate cleaning of SWDs

5 November 2018, (National News)

• The State government told the High Court of Karnataka that it had been decided to sanction Rs.42 crore to the Bruhat Bengaluru Mahanagara Palike (BBMP) for immediate cleaning of Storm-water Drains (SWD).

• A submission in this regard was made before a Division Bench comprising Chief Justice Dinesh Maheshwari and Justice S.Sujatha during the hearing on the Public Interest Litigation (PIL) petitions, related to potholes, SWDs, and illegal hoardings, through which the court is monitoring the actions of the BBMP and Bangalore Water Supply and Sewerage Board to address various issues.

• The Bench suggested that it was advisable to clean the SWDs once now as it would take some time for the BBMP to finalise the process for regular maintenance system.
