## Guidelines and Regulations for Consultancy Services (Research)

Sub: CMCH&RC - Medical Education and Research – Application of Mr. A. Ganesh Kumar, M.Sc. – Research topic on “**Identification of Mutation pattern in ERG11 gene from fluconazole resistant *Candida albicans***” under consultancy services- – IRB – guidelines and regulations issued – reg.

Ref.: 1. Request letter from Mr. A. Ganesh Kumar – dated 31.03.2017 forwarded by the Dean, CMCH&RC, Irungalur (Letter No. 1753 dt. 04.04.2017).  
2. Acceptance by the Dean – dated 13.04.2017.

\*\*\*\*\*

Mr. A. Ganesh Kumar, Research Scholar, Department of Marine Sciences, Bharathidasan University, Tiruchirapalli-24 has evinced interest to work on “**Identification of Mutation pattern in ERG11 gene from fluconazole resistant *Candida albicans***”. He has been informed that he has to follow the guidelines and regulations issued by the institution and has to adhere to the modifications made by the institution timely.

- This Institution shall give a platform to work at his own cost.
- This Institution shall provide guideship and enable him to work further but will not be given any stipend for his work.
- This Institution has no objection for him doing Ph.D on the proposed work with or without modifications, if he fulfills the norms of the university.
- He has to get an approval from Institutional Ethics Committee (IEC), if he proposes to collect data or any materials from patients. Also, he has to apply to Institutional Animal Ethics committee (IAEC) for approval, if he decides to proceed with any animal experiments.
- This institution shall treat him as a part time research scholar during his work period and he has to follow the institutional regulations including dress code.

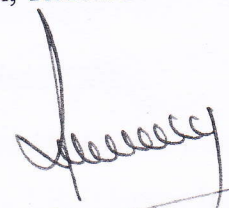

- f. The institution shall maintain his attendance in the attendance register kept at Research wing.
- g. He has to abide to the rules and regulations of the institution with regard to attendance, leave, maintenance of log book for research scholars, etc.,
- h. He cannot claim any employment in this institution as a matter of right under the existing regulations.
- i. He has been informed that he has to maintain all his correspondences through proper channel and Head of Institution, the Dean.
- j. If he intends to apply for patents for his work, it has to be done as per the norms of the trust/ management of the institution at the time of submitting his application for patent through the Dean as collaborative work.
- k. He shall include the faculty who is/are involved in the work in his publications, as he is getting guidance and technical support from them, data from the institution and support for interpretation or revision of data.
- l. If he intends to use the transport facilities of the institution or/ and planning to stay in the quarters, he has to submit a separate requisition letter to the Dean, CMCH&RC and must be willing to abide to the rules and regulations prescribed for that.
- m. His mode of travel to this institution is at his own risk and if any untoward incidents happen, he cannot claim any compensation from this institution. Hence he has been asked to get an accident insurance policy at his own cost at the time of initiating his project work and continue to maintain the policy alive throughout his period of part time research scholar in this institution.
- n. He has been informed to pay Rs. 3,000/- as one time consultancy fee.
- o. Mr. A. Ganesh Kumar has been asked to report to Mr. M. Ismail, Research Coordinator cum Research faculty who will be maintaining the administrative and academic aspects.

Dr. Sashikala, SR of OBG will be clinical guide for sample collection and clinical interpretations, Dr. N. Prabhusaran, Associate Professor of Research and Microbiology, has to supervise and guide on microbiological aspects and Dr. A. Sundhararajan, Assistant Professor of Research and Biochemistry will guide him for Biochemical aspects for Mr. A. Ganesh Kumar's work on **"Identification of Mutation pattern in ERG11 gene from fluconazole resistant *Candida albicans*"**.

Dated:

.04.2020

To,

The Registrar  
Bharathidasan University,  
Tiruchirappalli-620024, Tamilnadu

Subject: Grant-in-aid Scheme of the Department of Health Research for 'Inter-Sectoral Convergence & Coordination for Promotion and Guidance on Health Research-approval to the research project entitled "Effects of Air pollutants on Respiratory health of Traffic Police personnel of Major Cities of Tamil Nadu - An Observational Study" under Dr. Thamaraiselvi Kaliannan, Bharathidasan University, Tiruchirappalli, Tamilnadu.

Dear Sir,

I am directed to convey the approval of Competent Authority for the sanction of Rs.32,25,888/- (Rupees thirty two lakh twenty five thousand eight hundred eighty eight only) as 1<sup>st</sup> year grants in r/o the above project and release of an amount of Rs.16,12,944/- (Rupees sixteen lakh twelve thousand nine hundred forty four only) as 1<sup>st</sup> installment of 1<sup>st</sup> year grants for the above project.

2. The approved total duration of the research scheme is 3 years. (**Date of Start: 01.08.2020**)

3. The project is covered under the component 'Research studies with emphasis on public health' of the aforesaid Scheme.

4. The payment of grant-in-aid will be further subject to the Rule 228 to 245 of provisions of GFR-2017/DFPR-1978/Receipt and payment Rules 1983(as amended from time to time) and Following terms and conditions:

a) The grants of the project will be released in favour of 'Registrar, Bharathidasan University, Tiruchirappalli'.

b) The funds will be released in installment biannually. The first installment of 1<sup>st</sup> Year budget as sanctioned is being released along with this approval letter. It would include the entire grant for purchase of equipment, and recurring grant for six months.

c) The Host Institute would be required to submit the periodical/annual progress report, the final completion report and the audited Utilization Certificate annually etc. as per provisions of the scheme guidelines.

d) The 2<sup>nd</sup> installment of the year would be released based on the submission of the Utilization Certificate (UC) along with the item-wise Statement of Expenditure (SOE),

for at least 70% of the previously released grant, duly certified by the designated Accounts Officer of the Host Institute and the Principle Investigator.

e) Step to procure the approved equipment should be initiated immediately (to avoid escalation of cost) following the prescribed norms of the host institution.

f) The salary of staff appointed on the project should be paid as indicated in the budget statement attached. An undertaking would be furnished by the host institution that the staff will be engaged for the project purely on contractual basis and would have no claim to a permanent employment with DHR. No alteration in the staff approved can be made by the institute/research Organization without the permission of DHR.

g) The Institute shall not dispose of or encumber or utilize the assets acquired wholly or substantially out of the Government grant for purpose other than those for which the grant has been sanctioned without prior sanction of the Government.

h) The Institute shall maintain a separate account for funds received and expenditure incurred under the said scheme.

i) If the grant or nay part thereof is not utilized for the purpose for which it is sanctioned, it shall be refunded to the Government of DHR immediately.

j) The institute should maintain a register in Form GFR-22 of the payment and semi-permanent assets acquired wholly or mainly out of Government grants and a copy there of furnished to DHR.

k) The register of assets maintained by the institute shall be made available for scrutiny by the Audit.

l) A utilization certificate in the proforma prescribed (**GFR 12-A**) and the audited statement of accounts should be furnished to the DHR soon after the accounts of the Institute of the year 2019-20 are audited to enable the Government to satisfy themselves that the amount has been utilized for the purpose for which it was sanctioned. These documents should be sent to the DHR immediately after the closure of the current financial year and in any case not later than the end of third month of the next financial year (format enclosed).

m) The accounts of the grantee institution shall be open to inspection by the sanctioning authority and audit both by the CAG of Indian under the provision of CAG (DPC) Act, 1971 and internal audit wing of the O/o CCA of the Ministry, whenever the institution of organization is called upon to do so.

n) Grantee/institution receiving the grant shall furnish Achievement-cum performance report (final) two months' prior of the scheduled period of the project.

o) Utilization of Travel Grant, Contingency Grant, etc would be as per the Guidelines of the Scheme, which are available on the website of DHR ([www.dhr.gov.in](http://www.dhr.gov.in), [www.dhrschemes.in/DHR](http://www.dhrschemes.in/DHR)).

p) Any change in sanctioned budget/salary component/staff of any component of

the approved project will not be entertained.

**5. Other Terms & Conditions of the Grant:**

- i. The payment of the grant-in-aid will be made by the Electronic transfer/Demand Draft/Cheque and the receipt of the same shall be duly acknowledged by the Institute.
- ii. After completion of the project/activity the ownership of the physical and intellectual assets created or acquired out of the funds granted shall vest with the Department of Health Research and decision on the assets acquired shall be taken by the Department.
- iii. Expenditure should on no account exceed the budget sanctioned for the project. Re-appropriation of savings to meet excess expenditure under various sub heads shall not be made without the approval of the DHR. No expenditure shall be incurred on items not sanctioned under the scheme.
- iv. Extension beyond the approved duration would not be entertained. If interesting/important leads emerge that need to be followed-up, a separate proposal may be submitted. Only in exceptional cases, where a valid justification exists, and recommended by the Technical Evaluation Committee and Project Approval Committee and extension can be considered to complete the project.
- v. The Host Institute would be required to submit an annual progress report and also give audited statement of expenditure by the Auditor of the research Organization/Institute etc. However, the first progress report should be submitted at least three months prior to the completion of the annual report.
- vi. At the completion of the project, the final report should be sent in the prescribed format (10 copies). The report should be submitted not later than three months from the date of completion of the project. Failure to submit the Annual/Final report in time may lead to termination of the project without any notice.
- vii. For any clarification, please contact: Dr. Babban Jee, Scientist-C, Room No. 217, Department of Health Research, IRCS Building, Red Cross Road, New Delhi-110001, email: dhrpmul@gmail.com, Tel No. 011-23736216.

The receipt of the letter may kindly be acknowledged.

To

The Dean,  
Trichy SRM medical,  
College hospital and Research Centre,  
Trichy - 621105

Subject: Sanction of budget allotment for the ICMR Scheme entitled, "**Development of ICT based early warning Covid-19 surveillance model for the city of Trichy Tamilnadu**" submitted by Dr. Deodatt Madhav Suryawanshi, Associate Professor, Department of Community Medicine Trichy SRM Medical college, Trichy - 621105

Dear Sir,

The Director General of the Council sanctions the above mentioned research scheme initially for a period of One Year from **25.02.2022** subject to extension upto the total duration specified in para (3) below.

The Director General of ICMR also sanctions the budget allotment of **Rs. 22,81,540/- (Rupees Twenty Two lakh Eighty One Thousand Five Hundred and Forty only)** as detailed in the attached statement for period ending on **24.02.2023**.

The grant in aid will be given subject to the following conditions:-

- 1<sup>st</sup> Installment Rs. 20,53,386/-**  
**2<sup>nd</sup> Installment Rs. 2,28,154/- ( 2<sup>nd</sup> installment will be released only on receipt of final SOE/Audited statement final report)**

1. The payment of the grant will be made in two installments to the Head of the Institute. The first Installment of the grant will be paid generally as soon as report regarding the commencement of the project and appointment of the staff is received by the ICMR. The demand for payment of the subsequent installment of the grant should be placed with the ICMR in prescribed format attached.
2. The staff appointed on the project should be paid as indicated in the budget statement attached.

3. The approved duration of the research scheme is **One Year** The annual extension will be given after review of the work done on the research scheme during the previous years.
4. Ten copies of the annual progress report of work done be submitted to the ICMR every year after completion of ten months of the project. Failure to submit the report in time may lead to termination of the project.
5. The Institute will maintain a separate saving account of the receipts and expenditure incurred on the research scheme and will furnish a utilization certificate and an audited statement of the accounts pertaining to the grant.
6. The other terms & condition are uploaded on ICMR website. Kindly check.
7. The receipt of the letter may please be acknowledged.
8. The grant may be utilized after following provision as laid down in GFR-2017 and TA rules.
9. A separate saving account may be opened for crediting grant of the project so that separate record of expenditure could be maintained.

Yours faithfully,

Ref. No.041 /TSRMMCH/ME-1/2022

Date: 19.01.2022

Guidelines and Regulations for Consultancy Services (Research)

Sub:TSRMMCH&RC - Medical Education and Research – Application of Ms. Veena G. Nair–  
Research topic on **“Development of vaginal probiotics for Urinary tract infections”**  
under consultancy services- – IRB –guidelines and regulations issued – reg.

- Ref.:1. Request letter from Ms. Veena G. Nair – dated 27.12.2021 forwarded by the  
Dean, TSRMMCH&RC, Irungalur06.01.2022 for management approval.  
2. Management approval on 07.01.2022(Ref. No. 0038 dt. 10.01.2022)

\*\*\*\*\*

Ms. Veena G. Nair, Research Scholar, Biofilm Biology Laboratory, SASTRA Deemed to be University, Thanajvir – 613 401 has evinced interest to work on **“Development of vaginal probiotics for Urinary tract infections”**. She has been informed that she has to follow the guidelines and regulations issued by the institution and has to adhere to the modifications made by the institution timely.

- a. This Institution shall give a platform to work at her own cost.
- b. This Institution shall provide guideship and enable her to work further but will not be given any stipend for her work.
- c. This Institution has no objection for her doing Ph.D on the proposed work with or without modifications, if she fulfills the norms of the university.
- d. She has to get an approval from Institutional Ethics Committee (IEC), if she proposes to collect data or any materials from patients of this institution. Also,she has to apply to Institutional Animal Ethics committee (IAEC) for approval, if she decides to proceed with any animal experiments.
- e. This institution shall treat heras a part time research scholar during her work period and she has to follow the institutional regulations including dress code.
- f. The institution shall maintain her attendance in the attendance register kept at Research wing.
- g. She has to abide to the rules and regulations of the institution with regard to attendance, leave,maintenance of log book for research scholars, etc.,
- h. She cannot claim any employment in this institution as a matter of right under the existing regulations.

- i. She has been informed that she has to maintain all her correspondences through proper channel and Head of Institution, the Dean.
- j. If she intends to apply for patents for her work, it has to be done as per the norms of the trust/ management of this institution at the time of submitting her application for patent through the Dean as collaborative work.
- k. She shall include the faculty who is/are involved in the work in her publications, as she is getting guidance and technical support from them and data from this institution and support for interpretation or revision of data.
- l. If she intends to use the transport facilities of the institution or/ and planning to stay in the quarters, she has to submit a separate requisition letter to the Dean, TSRMMCH&RC and must be willing to abide to the rules and regulations prescribed for that.
- m. Her mode of travel to this institution is at her own risk and if any untoward incidents happen, she cannot claim any compensation from this institution. Hence she has been asked to get an accident insurance policy at her own cost at the time of initiating her project work and continue to maintain the policy alive throughout her period of part time research scholar in this institution.
- n. She has been informed to pay Rs. 3,000/- as one time consultancy fee.
- o. Ms. Veena G. Nair has been asked to report to Dr. N. Prabhusaran, Research Faculty, Institutional Research Board who will be maintaining the administrative and academic aspects.

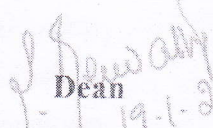

Dr. DivyaNarbavi, Assistant Professor of Obstetrics and Gynecology will be clinical guide for sample collection and clinical interpretations, Dr. A. Anupriya, Associate Professor of Microbiology and Dr. N. Prabhusaran, Research Faculty of Research and Microbiology have to supervise and guide on microbiological aspects for Ms. Veena G. Nair's work on "**Development of vaginal probiotics for Urinary tract infections**".

**Ref.No.558 /TSRMMCH/ME-1/2022**

## **Guidelines and Regulations for Consultancy Services (Research)**

**Sub:** TSRMMCH&RC - Medical Education and Research – Application of Ms. R. Kavi Bharathi – Research topic on “**Development of a diagnostic strategy for urinary tract infection caused by UPEC biofilm**” under consultancy services- – IRB –guidelines and regulations issued – reg.

**Ref.:**1. Request letter from Ms. R. Kavi Bharathi – Ref. No. 1541 dated 16.05.2022 forwarded by the Dean, TSRMMCH&RC, Irungalur dated 16.05.2022

2. Note submitted to the Dean and the same was approved on 18.05.2022

\*\*\*\*\*

Ms. R. Kavi Bharathi, Research Scholar, Biofilm Biology Laboratory, SASTRA Deemed to be University, Thanjavur – 613 401 has evinced interest to work on “**Development of diagnostic strategy for Urinary tract infection caused by UPEC biofilm**”. She has been informed that she has to follow the guidelines and regulations issued by the institution and has to adhere to the modifications made by the institution timely.

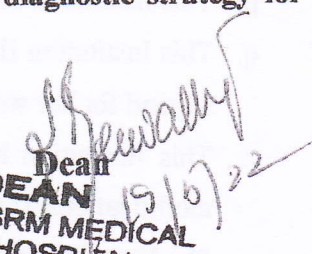

- p. This Institution shall give a platform to work at her own cost.
- q. This Institution shall provide guideship and enable her to work further but will not be given any stipend for her work.
- r. This Institution has no objection for her doing Ph.D on the proposed work with or without modifications, if she fulfills the norms of the university.
- s. She has to get an approval from Institutional Ethics Committee (IEC), if she proposes to collect data or any materials from patients of this institution. Also, she has to apply to Institutional Animal Ethics committee (IAEC) for approval, if she decides to proceed with any animal experiments.
- t. This institution shall treat her as a part time, research scholar during her work period and she has to follow the institutional regulations including dress code.
- u. The institution shall maintain her attendance in the attendance register kept at Research wing.
- v. She has to abide to the rules and regulations of the institution with regard to attendance, leave, maintenance of log book for research scholars, etc.,

- w. She cannot claim any employment in this institution as a matter of right under the existing regulations.
- x. She has been informed that she has to maintain all her correspondences through proper channel and Head of Institution, the Dean.
- y. If she intends to apply for patents for her work, it has to be done as per the norms of the trust/ management of this institution at the time of submitting her application for patent through the Dean as collaborative work.
- z. She shall include the faculty who is/are involved in the work in her publications, as she is getting guidance and technical support from them and data from this institution and support for interpretation or revision of data.
- aa. If she intends to use the transport facilities of the institution or/ and planning to stay in the quarters, she has to submit a separate requisition letter to the Dean, TSRMMCH&RC and must be willing to abide to the rules and regulations prescribed for that.
- bb. Her mode of travel to this institution is at her own risk and if any untoward incidents happen, she cannot claim any compensation from this institution. Hence she has been asked to get an accident insurance policy at her own cost at the time of initiating her project work and continue to maintain the policy alive throughout her period of part time research scholar in this institution.
- cc. She has been informed to pay Rs. 3,000/- as one time consultancy fee.

dd. Ms. R. Kavi Bharathi has been asked to report to Dr. N. Prabhusaran, Research Faculty, Institutional Research Board who will be maintaining the administrative and academic aspects.

Dr. S. Banumathi, Assistant Professor of Obstetrics and Gynecology will be clinical guide for sample collection and clinical interpretations, Dr. Chitra Rajalakshmi, Professor of Microbiology and Dr. N. Prabhusaran, Research Faculty of Research and Microbiology have to supervise and guide on microbiological aspects for Ms. Kavi Bharathi's work on "Development of diagnostic strategy for urinary tract infection caused by UPEC biofilm".

## **Postgraduate Training Programme-IVCZ Hosur**

We Dr G.Sripriya and Dr Karthikeyan Post graduates attended a training programme at Institute of vector Control and Zoonoses, for 3 days from 24.3.2021 to 26.3.2021. During the training period, we were trained about the various vector control measures, laboratory investigations, field trips to catch wild rodents and rodent dissection in the laboratory was done. Hands-on training was given on mosquito catching and also itch mite live catching and a demonstration was done.

On the first day, the orientation programme about the institute and various activities that were carried out in the institute was explained. The first ended with the lecture classes by the faculties in the institute.

On the second day, the vector laboratory was visited. In the lab, the various stages of the mosquitoes were demonstrated through laboratory slides. The RTPCR laboratory for dengue was also visited and live demonstration of the process of RTPCR was explained.

On the third day, we went on a field trip, to a nearby area namely soolagiri to catch the wild rodents. Then we demonstrated the dissection of the wild rodents and packing of the organ specimens of the wild rodents were demonstrated. Then the training programme ended with hand on the training of the fogging activities.
