(b) **Resignation.** For an SSC officer to separate from service before completion of 05 years contractual obligation, he/she has to apply for resigning his/her Commission. However, it may be noted that resignation has many disadvantages. A candidate who resigns his Commission loses all his service benefits as well as the ex-serviceman status which allows him/her to avail age relaxation in applying for Central/State Government service. Candidates are, therefore, advised in their own interest not to resign their Commission.

Reserve Liability
