INTERANTIONAL DRUG ABUSE DAY

Creating awareness on Drug Abuse

Drug Abuse day 27.06.2017

Department of Pharmacology, Forensic Medicine & Medical Education Unit

Venue:- 200 Lecture Hall Time:- 1 pm – 4 pm

Chennai Medical College Hospital & Research Centre,

Irungalur, Trichy- 621 105.

INVITATION

CHENNAI MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

(A Unit of SRM Group of Educational Institutions)
Irungalur, Tiruchirappalli - 621 105.

DEPARTMENT OF PHARMACOLOGY & FORENSIC MEDICINE
along with Medical Education Unit

Solicit your esteemed presence for the Symposium on

"Drug Abuse"

(A global threat)

[Creating awareness on International Drug Abuse Day]

On 27th June 2017 at 1.00 pm
Venue: - 200 Seated Lecture Hall (Hospital Block)

****

Inaugural function will be presided by
Dr.Sukumaran Annamalai M.D, D.H.H.M.,
Dean
Chennai Medical College Hospital & Research Centre

Felicitation by
Dr.S.Asokan M.S.,
Director Health Science
Chennai Medical College Hospital & Research Centre

****

PROGRAMME SCHEDULE

Inauguration:

1.00 – 1.10pm : Tamizh Thai Vazhthu.

Welcome Address : **Dr.K.Vasanthira**, M.D.,
Professor & HOD, Department of Pharmacology

Presidential Address : **Dr. Sukumaran Annamalai M.D, D.H.H.M.,** Dean

Felicitation : **Dr.S.Asokan M.S.,** Director Health Science &
Dr.P.Anusuya, M.D., Medical Superintendent

Scientific Session:

1.10-1.35pm : **"Current Scenario of drug abuse"**
Dr.Gurudatta S. Pawar, M.D., Vice Principal,
Professor & HOD, Forensic Medicine.

1.40-2.05pm : **"Substances used as drug abuse"**
Dr.T.Nivethitha, M.D., Assistant Professor of Pharmacology.

2.10 -2.35pm : **"Management of substance use disorder"**
Dr.S.Sivaraman, M.D., Associate Professor of Psychiatry

2.40-3.05pm : **"Medico legal aspects of drug abuse"**
Dr.Ashutosh B. Potdar, M.D.,
Associate Professor of Forensic Medicine

3.10-3.15pm : **Valedictory Function**

3.15-3.20pm : **Dr.K.Kanagasanthosh, MD.,** Organizing Secretary,
(Vote of Thanks) Assistant Professor of Pharmacology

3.20pm : **National Anthem**

SYMPOSIUM ON DRUG ABUSE

Minutes

The symposium on "Drug Abuse" was held on 27.06.2017 at 1.00 pm in the 200 Lecture Hall. Around 50 participants attended the programme.

The meeting was presided over by the Dean Dr. Sukumaran Annamalai M.D.,D.H.H.M.,

The inaugural function started with the "Tamizh thaai vazhthu".

The welcome address and introduction of the speakers was done by Dr.K.Vasanthira, Professor and Head of the Department Pharmacology. The presidential address was delivered by Dr. Sukumaran Annamalai, M.D,D.H.H.M., followed by felicitation from the Vice Principal Dr.Gurudutta Pawar M.D.

The programme proceeded on to the scientific session. The first speaker was from the department of Forensic Medicine, Dr.Gurudutta Pawar M.D., HOD of Forensic Medicine. He gave an overview on the "Current scenario of drug abuse"

This was followed by an elaboration on the "Substances used as drug abuse" by Dr.T.Nivethitha, MD., Assistant Professor of Pharmacology.

The next session was on the "Management of substance use disorder", which was dealt in detail by Dr.S.Sivaraman, MD., Associate Professor of Psychiatry.

The final session of the day was on "Medico legal aspects of drug abuse" which was discussed by Dr.Ashutosh B. Potdar, MD., Associate Professor of Forensic Medicine.

The programme proceeded on to the valedictory function. As a token of gratitude, the department of Pharmacology felicitated the speakers of the day with memorable mementos.

Before concluding the session, on behalf of the entire organizing committee, Dr.K.Kanagasanthosh M.D., Assistant Professor of Pharmacology, expressed his heartfelt thanks to everyone, who had made the event a grand success.

The programme concluded with the national anthem.

REPORT FOR HANDS ON TRAININIG PROGRAMME FOR SURGEY DEAPARTMENT FACULTIES BY RADIOLOGY DEPARTMENT(2018)

Department of General Surgery Conducted Hands on Training Programme for Surgery Department faculties by Radiology Department on 03.04.2018, at Radiology Department , Ground Floor, ds. Trichy SRM Medical College, from 2.00 P.M On wards. In the Programme there was a Lecture on roll of USG in Acute Abdominal Conditions for about 30 minutes and there was Hands on training in USG and FAST Demo. Around 11 faculties department of general Surgery & 6 faculties from Department of Radiology Participated in the Programme .

Professor & HOD

Dr. P. KARTHICK,M.S.,
Regn. No. 76094
Professor & HOD
Dept. of General Surgery

Invitation

The Department of Biochemistry and Medical Education Unit
Trichy SRM Medical College Hospital & Research Centre
Irungalur, Tiruchirappalli – 621105.

[Affiliated to The Tamil Nadu Dr. M.G.R. Medical University, Chennai]

12:45 AM	GUEST LECTURE	DR. R. VINAYAGAMOORTHI, M.SC., PH.D., Assistant Professor, Dept. of Biochemistry, Indira Gandhi Medical College & Research Institute, Puducherry.
VOTE OF THANKS		DR. MOONISHAA.T.M, MD. Assistant Professor, Dept. of Biochemistry.

GUEST LECTURE REPORT

External guest lecture speaker : Dr.R.Vinayagamoorthi M.Sc .,Ph.D.,

Asst. Professor, department of biochemistry, Indira Gandhi Medical College & Research institute, Puducherry

Topic : "Experimental Analysis in cell signaling pathways "

DATE : 11.05.2018
VENUE : PG Seminar Hall, Dept. Of Biochemistry.
TIME : 11:30 AM Onwards

The Department of Biochemistry has the credit of organizing Various academic programmes in the field of Biochemistry and its related specialties for enhancing the quality of PG teaching and training. In pursuit of academic excellence and to enlighten the faculty and Postgraduate of all specialty, we arranged the above guest lecture by an eminent speaker who has credible research experience in the field of experimental analysis of cell signaling pathways.

Dr .R.Vinayagamoorthi had published many research papers in the above area in various national & international journals.

The Programme was conducted at the department of Biochemistry PG seminar hall. It started at 12.40 p.m. Faculty & PG from various department including department of Biochemistry attended the guest lecture.

Dr .P.Anusuya M.D., medical superintendent presided and inaugurated the session.

Dr .Kalavathy Ponniraivan M.D., Prof & HOD welcomed the gathering and introduced the speaker . she was all in praise for Dr.Vinayamoothi with whom she was associated for the past decade. she appreciated his knowledge and commitment towards fundamental research in the area of cell signaling pathways. She thanked him for accepting her invitation to offer the Guest lecture though offered within a short notice.

After due felicitations Dr.R.Vinayagamoorthi delivered the guest lecture .He gave an impressive yet simple presentation of the vexing and complex topic which

deals with animal experimental analysis of cell signaling pathways. He outlined the easy approach to the research work assuring the audience that anyone who has interest and commitment can undertake such work.

He also gave some useful tips to procure the materials and infrastructure for doing research even in a government setup.

He clarified doubts raised by the audience with utmost clarity to the entire satisfaction of the participants.

The programme came to a conclusion with Dr.T.M.Moonishaa , Asst.Prof of Biochemistry offering vote of thanks.

- Starvation - refeeding cycles impairs antioxidant defense and increases the risk for atherogenesis. *International conference on free-radicals in health and disease*, 2005.
- Potential mechanism of insulin sensitivity by PPARα and PPARγ agonist. S.K.Sharma, R.Vinayagamoorthi, G.Cynthia and R.Charabarthi. *Pharmacophore*, 2004.
- Immuno deficiency disorders. *Society of biological chemist of India*. Pondicherry chapter, 2001.
- Nitric oxide in health and disease. *Society of biological chemist of India*. Pondicherry chapter, 2000.

TECHNICAL SKILLS

- Cell Culture: Expertised in handling of rat L6 myotubes, 3T3L1 adipocytes, HepG2 and HEK cell lines for various metabolic studies like radio labeled glucose uptake, quantification of enzyme activities, biosynthesis of cholesterol, triglycerides and glycogen using ^{14}C – labelled precursors.

- Animal Handling: Experienced in handling genetic animal models like ob/ob and db/db mice and Zuker fa/fa rats. Familiar with experimentally induced diabetic animal models like STZ, high fat and fructose induced diabetic rats.

- Well versed in signal transduction studies using western blotting and immunoprecipitation.

- Expertised in primer designing, DNA and RNA extraction, cDNA synthesis and quantification of gene expression by RT-PCR analysis.

TRAININGS AND CONFERENCES:

	14.08.2007		Person	
12.	11.02.2005 To 13.02.2005	World congress on "Prevention of Diabetes and its Complication".	Poster Presentation	Diabetes Research Centre,Chennai.
13.	10.01.2005 To 12.01.2005	International Conference on "Antioxidants and Free Radical in Health – Nutrition"	Paper Presentation	St. John's Academy of Health Sciences Bangalore.

Prof Dr.Kalavathy Ponniraivan delivering the welcome address

Title : "DO'S & DONT'S IN COSMETOLOGY"

Speaker -

Dr. N. BALASUBRAMANIAN, MD., DD.,DEPUTY DIRECTOR

Professor & HOD, Department of Dermatology, Trichy SRM Medical College Hospital & Research Centre.

The meeting started with the welcome address offered by Dr.Kalavathy Ponniraivan. Prof & HOD Biochemistry she outline the objective of organizing such a guest lecture keeping in view the emerging application of Nanotechnology in the field of medicine. She gave a basic understanding of Nano chemicals, their properties functions and also cautioned about toxic effects of nanoparticles. She made a special reference to various Nano materials used in cosmetics. She welcomed all the participants and students assembled.

The Dr. P.ANUSUYA, M.D.,Medical Superintendent appreciate the gesture of the department of the biochemistry for choosing a practically relevant topic for guest lecture as all of us are using Nano materials in one form or another.

The next session was the enlightening lecture by Dr. N. BALASUBRAMANIAN, MD., DD., with powerful colorful real time pictures to show the various cosmetics used by,not only girls and adult females but also by men. He gave impressive details about their chemical composition and side effects, both acute and long term including the risk of cancer.

There was an interaction where audience asked their doubts regarding the use of cosmetics and speaker clarified.

The session came to an end with vote of thanks offered by Dr. M. Rasheed khan Asst. professor of Biochemistry.

GUEST LECTURE (EXTERNAL)

TOPIC : "Role of Clinical Biochemistry in Emergency Medicine"

GUEST SPEAKER : Dr.Sanjeev Pratap , M.B.B.S, FAEM(CMC) FRCEM(UK) Date and **TIME** : 23rd March, 2018 at 2-3PM

VENUE : B.C.Roy Conference Hall (2nd Floor, Hospital Block)

The Department of Biochemistry offers clinical Biochemistry Laboratory Services at the hospital to cater the needs of patients attending OPD and also admitted to various wards in the hospital. The 24 hrs Emergency services perform vital life saving investigations. With the objective of creating awareness among PGs, JRs and faculty regarding the role of Biochemistry Lab in an emergency setup the department organized a guest lecture on the above topic

Dr.Sanjeev Pratap, an emergency physician , who had quality training at CMC Vellore and also at the international level in U.K, accepted over invite and delivered the guest lecture on the role of Clinical Biochemistry in Emergency Medicine

The Programme was inaugurated by Dr.P.Anusuya M.D., Medical Superintendent who appreciated the efforts of department of Biochemistry in organizing such useful programme for the benefit of the CRRIs , PGs and junior faculties. She emphasized the clinical significance of Biochemical investigation and requested the audience to attend and get benefited by such programmes.

Dr .Kalavathy Ponniraivan Prof & HOD offered the welcome address and also introduced the speaker

Dr.Sanjeev Pratap gave an outline of basic concepts of Clinical Biochemistry Services and offered an excellent presentation of practice of emergency Medicine at the bed side. He gave clinical case scenario for various emergency situation and the decision making by the consultant to choose and interpret the Laboratory reports.

The Session was quite interesting and interactive and the audience participated by answering the questions & problems posted by the speaker .

The Programme came to an end with vote of thanks proposed by Dr.R.Thamarai Associate Professor of Biochemistry.

Introduction

I graduated from Christian Medical College, Vellore in 2005 following which I worked in a rural mission hospital for 2 years. I then trained in Emergency Medicine and completed the Fellowship in Accident & Emergency (FAEM) from CMC, Vellore in 2010. I went to the UK for further training and obtained the Fellowship of Royal College of Emergency Medicine (FRCEM) in 2016. During this time, I sub-specialised in Pre-Hospital Care and Critical Care transfers. I currently work as Consultant in Emergency Medicine at Kauvery Specialty Hospital, Cantonment, Trichy.

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE (CMCH&RC) – SRM Group

[Affiliated to The Tamilnadu Dr. M.G.R. Medical University, Chennai],

Irungalur, Tiruchirapalli

Report about IV National Workshop on Research Methodology (WoRM 2018)

MARCH 22 – 24, 2018

Organized by
Institutional Research Board and Medical Education Unit

Sponsored and Supported by
Indian Council of medical Research (ICMR) & Science and Engineering Research Board (SERB)

Contents

Chapter No.	Contents	Page No.
1.0.	**About the Workshop**	1-13
2.0.	**Application copy to Funding Agencies**	
2.1.	Indian Council of Medical Research (ICMR)	14-25
2.2.	Council of Scientific and Industrial Research (CSIR)	26-41
2.3.	Science and Engineering Research Board (SERB)	42-67
2.4.	Indian National Science Academy (INSA)	68-80
2.5.	Tamilnadu State Council for Science & Technology	81-88
3.0.	**Reply from Funding agencies**	
3.1.	ICMR	89-96
3.2.	CSIR	97
3.2.	SERB	98-99
4.0.	**Budget and Expenses**	
4.1.	Budget plan	100
4.2.	Fund generation	100
4.3.	Expense statement	100-102
4.4.	Statement of income and expenses	102
5.0.	**CME credit points from The Tamilnadu Dr. MGR Medical University, Chennai**	
5.1.	Application form	103-118
5.2.	CME credit points reply	119

6.0.	**CME credit hours from Tamilnadu Medical Council, Chennai**	
6.1.	Application form	120-131
6.2.	CME credit hours reply	132
7.0.	**List of Speakers**	
7.1.	Speakers details	133-136
7.2.	Letters to Speakers (Models)	137-139
8.0.	**List of Committees**	
8.1.	Governing committee	140
8.2.	Internal committee	141-143
9.0.	**Copy of the Call Letter**	144-145
10.0.	**List of Institutions invited for Registration**	146-148
11.0.	**Selection Process**	
11.1.	Overall Registration details	149-155
11.2.	Application Scrutinizing process	156-160
11.3.	Final Selection list	161-164
11.3.1.	Male verses Female Delegates	165
11.3.2.	Selected delegates vs overall registration details	166
11.3.3.	State wise registration and Delegates	167
11.3.4.	Institution wise registration and Delegates	167
11.3.5.	Discipline wise registration and Delegates	168
11.3.6.	Designation wise Delegates	169
11.3.7.	Authentication of Delegates	170-176
11.3.8.	Contact details of Delegates for Emergencies	177-180
11.3.9.	List of Institutions participated	181
12.0.	**Letters to Selected delegates (Model)**	182-184
13.0.	**Consents from the delegates**	185-199
14.0.	**Copy of the Invitation**	200-201
15.0.	**Receipt of workshop kit and Application processing fees receipt**	202-207
16.0.	**Inauguration**	
16.1.	Agenda	208
16.2.	Comments	209
16.3.	Photograph proof	210-211
16.4.	Attendance	212-217
17.0.	Mentor – Mentee system	218-222
18.0.	**Details of Sessions**	
18.1.	**Complete Programme Schedule**	223-225
18.2.	**Technical sessions of Day 1**	
18.2.1.	Ice breaking session	226
18.2.2.	Session 1: Keynote Address-Dr. G. Govindaraj-Why Research?	227
18.2.3.	Session 2: Lead Speaker: Dr. S. Elango - Epidemiological Research	228

18.2.4.	Session 3: Lead Speaker: Dr. K. Hemalatha – Study Design and types of study	229
18.2.5.	Session 4: Moderators: Dr. S. Elango and Dr. K. Hemalatha,– Training on Epidemiological Research and Study design	230
18.2.6.	Session 5: Lead Speaker: Dr. Gurudatta S. Pawar – Human Ethical issues	231
18.2.7.	Session 6: Lead Speaker: Dr. T. S. Gugapriya – Theory on Literature Collection	232
18.2.8.	Session 7: Moderators: Dr. T.S. Gugapriya, Mr. M. Ismail, Dr. R. Thamarai, Dr. A. Sundhararajan, Dr. K. Kanagasanthosh, Dr. A. Anupriya and Dr. K. Ilavenil – Hands on training on How to collect Literature	233
18.3.	**Technical sessions of Day 2**	
18.3.1.	Review and Feedback of day 1 activities and exercises by Dr. S. Elango, Dr. K. Hemalatha and Mr. M. Ismail	234
18.3.2.	Session 8: Lead Speaker: Dr. H. Geetha – Integrated Research	235-236
18.3.3.	Session 9: Lead Speaker: Dr. V. Raghuram – Sampling size and determination	236
18.3.4.	Session 10: Lead Speaker: Dr. V. Raghuram and Dr. S. Shankar - Hands on training on Sampling size	236
18.3.5.	Session 11: Lead Speaker: Dr. K. Ilavenil – Questionnaire survey – an overview and Hand on training	237
18.3.6.	Session 12: Lead Speaker: Dr. R. Muthukrishnan – An overview of Statistics - SPSS	238
18.3.6.	Session 13: Moderators: Dr. R. Muthukrishnan, Mr. S. Pandi and Mr. M. Ismail - Training on Data management using SPSS	239
18.3.6.	Session 14: Lead Speaker: Dr. M.A. Akbarsha – Preparation of research protocol and fund raising	240
18.3.9.	Session 15: Moderators: Dr. M.A. Akbarsha, Dr. A. Anupriya and Dr. L. Manivannan - Hands on training on how to prepare research protocol for fund raising	241
18.4.	**Technical sessions of Day 3**	
18.4.1.	Review and Feedback of day 2 activities and exercises by Mr. M. Ismail and Dr. S. Shankar	242
18.4.2.	Session 16: Lead Speaker: Dr. S. Sivaraman – Workplace Stress in Research	243-244
18.4.3.	Session 17: Lead Speaker: Dr. N. Prabhusaran – Research Paper presentations	245
18.4.4.	Session 18: Lead Speaker: Mr. M. Ismail – Plagiarism	246
18.4.5.	Session 19: Lead Speaker: Dr. R.T. Narendhirakannan – Art of Drafting Research Articles	247

19.4.6.	Session 20: Moderators: Dr. R.T. Narendhirakannan, Dr. K. Hemalatha, Dr. G. Bala Maddileti, Dr. A. Anupriya, Dr. A. Sundhararajan, - Training on Preparation of Research Articles	248
19.4.7.	Session 21: Lead Speaker: Dr. P. Thirumalaikolundu Subramanian – Project report preparation with special reference to dissertations and thesis	248
19.0.	**Poster presentations**	
19.1.	List of Posters	249-251
19.2.	Poster judgment (Judge wise and consolidated)	252-254
20.0.	**Conclusionary session**	
20.1.	Agenda	255
20.2.	Comments	256
20.3.	Best poster Award distribution	256
20.4.	My Best Mentee Award	257-258
20.5.	Best Activity Performer Award	259-261
20.6.	Innovative Thinker Award of WoRM 2018	262
20.7.	Best Participant Award of WoRM 2018	262
20.8.	Photograph proof	263
21.0.	**Attendance details of all three days (Delegates)**	264-270
22.0.	**Analysis of pre and post evaluation**	271-278
23.0.	**Certificates**	
23.1.	Copy of the workshop certificate (Delegate)	279
23.2.	Copy of the workshop certificate (Guest Speaker)	280
23.3.	Copy of the workshop certificate (Organizer)	281
23.4.	Copy of the certificate (My Best Mentee Award)	282
23.5.	Copy of the certificate (Best Activity Performer)	283
23.6.	Copy of the certificate (Innovative Thinker Award)	284
23.7.	Copy of the certificate (Best Participant Award)	285
24.0.	**Visitors' comments**	
24.1.	Chairpersons & Speakers	286-287
24.2.	Participants (Feedback)	288-291
25.0.	**Receipt of workshop manual, Travel Allowances and Attendance Certificate**	291-297
26.0.	**Some glimpses of delegates**	298-303
27.0.	**Future plan**	304
Annexure 1	Details of Meetings (Internal)	
Annexure 2	Other internal communication letters	

Chapter 1: About the Workshop

The **Institutional Research Board and Medical Education Unit** of **Trichy SRM Medical College Hospital and Research Centre,** Tiruchirapalli, Tamilnadu conducted a three day IV National Workshop on "Research Methodology" from March 22 to 24, 2018 at the **Conference Hall** of Medical Education Unit (III floor, College Block) of the institution. The initial step was taken in the month of November 2017 by applying for financial support to **Indian Council of Medical Research** (ICMR), **Council of Scientific and Industrial Research** (CSIR), **Tamilnadu State Council for Science and Technology** (TNSCST) and **Science and Engineering Research Board** (DST-SERB). Finally, **Indian Council of Medical Research** (ICMR) and **Science and Engineering Research Board** (DST-SERB) approved our request and fund partially for organizing this workshop.

The theme of the workshop was *"Update in Research Methodology"* and the topics selected were ***Epidemiological research, ethical issues of both human and animal utilization for research, literature collection and reviews, sampling size and determination, types of studies, ill effects of plagiarism, questionnaire survey and analysis, drafting research articles, statistical methods, preparation of protocol for fund raising, integrated research, stress in research environment and project report preparation.***

The major successes of the workshop are

1. Trained participants on research methods, study design & research proposal preparation.
2. Trained for proper literature collection
3. Trained them about the ethical clearance (both human and animal) (constructing ethical committee, its functions, selection of projects, comments and certification.
4. Defined clearly about the ill effects of plagiarism.
5. Trained the participants on various research grant opportunities
6. Trained them for case study data collection and drafting.
7. Trained them for art of drafting research papers for publication.
8. Strengthened the participants in the disease-control programme by collaboration between academic / Research institutions and Industry
9. Trained the statistical methods used in medical and biological research.
10. Provided the detailed information regarding the project report preparation.

CREDIT POINTS

The Tamilnadu Dr. MGR Medical University, Chennai has accredited and awarded a Continuous Medical Education (CME) credit of **30 points** under category III to this workshop.

CREDIT HOURS

Tamilnadu Medical Council, Chennai has accredited and awarded a Continuous Medical Education (CME) credit of **6 hours** under category III to this workshop.

STATUS OF WORKSHOP

We organized the first National Workshop on "Research Methodology" from September 29th, 30th to October 1st 2015 sponsored by ICMR with 45 selected delegates, second workshop on Research Methodology from February 14th – 16th 2017 with 54 registered participants, third workshop on Research Methodology from 14th to 16th September 2017 sponsored by ICMR with 40 selected delegates and fourth workshop on Research methodology from March 22nd – 24th 2018 sponsored by ICMR and SERB with selected 45 delegates. The Institution continuously seeks to achieve the goal by educating research professionals, sharing recent knowledge, advanced methodology and advocating the highest quality in research.

Most of the institutions are lacking to train about the research methodology to their post graduates and research scholars. Thus they are struggling to carry our research activities. This workshop involved with lead lectures, presentations, problem solving sessions, hands on training and group participation.

The workshop was designed to give structured attention to the process of formulating a research question and setting up a research design. It was designed to enhance the research culture among post graduates and research scholars; and structured so as to facilitate the participants get oriented to both research methodology and statistical methods.

ABOUT THE FINANCIAL SUPPORT

This workshop was sponsored and supported by

1. *Indian Council of Medical Research (ICMR)*
2. *Science and Engineering Research Board (SERB)*
3. *Trichy SRM Medical College Hospital and Research Centre*
4. *Other research related companies and industries*

STATUS OF THE APPLICATION, SCRUTINIZATION AND DELEGATE SELECTION

After sending the call letters to all parts of the country, we received 69 applications from Tamilnadu (37), Puducherry (7), Andhra Pradesh (7), Kerala (2), Karnataka (1), Maharashtra (3),

New Delhi (7), Uttarakhand (3), Jharkant (1) and Bihar (1). A team of faculty members from various pre and para clinical departments were requested and appointed as scrutinizing members. Detailed and unbiased regulations were made and finalized. Based on the regulations, the selection committee members selected forty five (45) [42 external and 3 internal] eligible applications for participation.

STATUS OF DELEGATES AND PRESENTATIONS

Finally, a total of **45 delegates** registered and participated in this workshop. The registrants include teaching faculty members, research scholars, postgraduates from all medical and biological disciplines, corporate from various parts of country and faculty from host institutions etc. For all the delegates, the workshop kit comprising of a compliment bag, 9 different confectionary materials, 9 different stationery materials and manual book were given. The state wise delegates were depicted below

Andhrapradesh - 5	New Delhi - 2
Karnataka - 1	Puducherry - 3
Kerala - 2	Tamilnadu - 28
Maharashtra - 3	Uttarakhand - 1

A total of fifteen (15) lead lectures, eight (8) hands on training, seven (7) major activities, five (5) presentations by the delegates after the activities were completed. A separate poster display session was done by selected delegates and the same was evaluated by a gallery of 6 judges.

Before starting the programme, all the delegates were evaluated by giving pre evaluation form which is duly prepared and standardized by the organizing team. The filled forms were exclusively evaluated for understanding the knowledge, attitude and performances of the delegates, accordingly the further technical sessions may move.

INAUGURAL FUNCTION

The master of ceremony (MOC) of the traditional inaugural programme was carried out by ***Dr. N. Prabhusaran***, Organizing Secretary of the Workshop. Before inauguration, the ice breaking session was conducted in order to familiarize the delegates each other and to get involved in various forthcoming activities.

Icebreaking session

Ice breaking session can be an effective way of starting a training session or workshops. As interactive and often fun sessions run before the main proceedings, they help people get to

know each other. The secret of a successful icebreaking session is to keep it simple: design the session with specific objectives in mind and make sure that the session is appropriate and comfortable. The facilitators of this session are ***Dr. TS. Gugapriya***, Professor, Anatomy and ***Dr. E. Kamala***, Assistant Professor, Anatomy.

Inauguration

The traditional inaugural function was conducted on **22nd March 2018 at 9.30am** with Tamil thaivazhthu (Praising Tamil Goddess) followed by welcome address deliberated by ***Dr. P. Thirumalaikolundusubramanian***, Head, Institutional Research Board and Professor of Medicine. The Indian culture of lamping five faced lamp was done.

Dr. Anusuya**,** Medical Superintendent and Professor of Obstetrics and Gynecology presided the workshop and ***Dr. Gurudatta S. Pawar***, Vice Principal, Coordinator, Medical Education Unit and Professor and Head of Forensic Medicine and Toxicology felicitated. ***Dr. G. Govindaraj***, Managing Director and Surgical oncologist, Harshamitra Superspeciality Cancer Hospital and Research Institute, Tiruchirapalli inaugurated the workshop by delivering inaugural address.

A book of manual (Workshop manual) was released by the respectful Medical Superintendent ***Dr. P. Anusuya*** and the first copy was received by the Guest of Honor ***Dr. G. Govindaraj***, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli. Finally, vote of thanks was delivered by ***Mr. M. Ismail*****,** Research Coordinator of Institutional Research Board, TSRMCH&RC.

INAUGURAL ADDRESS

Dr. G. Govindaraj, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli in his inaugural address highlighted the importance of clinical research by collaborating with all streams of biology. He described the evolutionary path of understanding the research methods and also described the role of statistics in medical research. The theoretical knowledge of research modules and its application towards laboratory and further implementing to the field or bedside for public benefit was the success of doing any research.

SCIENTIFIC SESSIONS ON (FIRST DAY) 22nd March 2018

The MOC of the technical sessions of Day 1 was taken over by ***Dr. K. Kanagasanthosh***, Assistant Professor of Pharmacology.

Session 1: Keynote Address on Why Research?

The session one of the workshop was initiated as Keynote address delivered by ***Dr. G. Govindaraj***, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli on the topic of Why Research?. He highlighted the two major reasons for performing research – internal drive (interest on research) and mechanism developed through teachers, friends and environment. He described the term research in his own style as "Research is the systematic collection, analysis and interpretation of data to answer a certain set of questions or to solve a problem. He also explained in a detailed manner about the various research types and its advantages and disadvantages. His talk was highly admired by the participants and induced self motivation in pursuing research.

Session 2: Epidemiological Research

The second session on "Epidemiological Research" was presented and described by ***Dr. S. Elango***, Professor and Head, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He emphasized that Epidemiology is the basic science of disease prevention and plays major role in the development and evaluation of public policy as well as in social and legal arenas. His thoughts on epidemiological research described as a major role of epidemiology is to provide a clue to changes that take place over time in the health problems presenting the community.

Further He defined the important use of epidemiologic evidence is to identify subgroups in the population who are at risk for disease. Why should the researcher identify such high-risk groups? First, if one can identify these high-risk groups, then direct preventive efforts, such as screening programs for early disease detection, to populations who are most likely to benefit from any interventions that are developed for the disease. Second, if one identifies such groups, it may be able to identify the specific factors or characteristics that put them at high risk and then try to modify those factors. During the discussion about prevention, she distinguished among primary, secondary and tertiary prevention. His deliberations on incidence and prevalence rate were highly appreciated and accepted as need based in this current scenario.

Session 3: Study Design and Study types

The session was deliberated by ***Dr. K. Hemalatha,*** Associate Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of differentiating qualitative and quantitative research. Her presentations on in depth interviews, focus group discussion, ecological studies, case reports, case studies, case series, cross sectional study, cohort study, case control study, non randomized trial and randomized control trials. She also explained the importance of doing meta analysis that is referred as highest clinical relevance than the *in vitro* research. She represented the role of various studies and its public domain importance and applicality.

Session 4: Training on Epidemiological research and Study design

The effective and need based session in this workshop is "Training on Epidemiological research and Study Design" was conducted by ***Dr. S. Elango***, Professor and Head, Department of Community Medicine and ***Dr. K. Hemalatha***, Associate Professor, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. Their deliberations overviewed with methods of doing epidemiology, tools applied, steps necessarily followed for epidemiological survey. They also described and provided hands on training to the participants in four major quantification descritpors.

1. **Numbers:** Use of actual number of events - e.g. 100 cases of TB in community A
2. **Ratios:** Quantifies the magnitude of one occurrence X, in relation to another event Y as X/Y - e.g. Ratio of TB cases in community A to B is 1:10
3. **Proportions:** Proportions: a ratio in which the numerator is included in the denominator - e.g. proportion of TB cases in community A is 10%
4. **Rates:** a proportion with time element. It measure the occurrence of an event overtime

The delegates were grouped in to two categories according to their field of concern and handed over to the respective faculty experts for train them for Epidemiological Research and Study design.

Session 5: Human Ethical issues

The informative and updated information about Human Ethical issues was deliberated by ***Dr. Gurudatta S. Pawar***, Professor and Head of Forensic Medicine and Toxicology, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He highlighted the integrated role of philosophers, lawyers, policy makers, scientists and clinicians in conducting

the biomedical research involving human participants without any ethical and legal issues. He described in detail about the construction of the human ethical committee in the institutions and also highlighted the individual's responsibilities in approving the research on human subjects.

He orderly described the receipt of proposals, processing, presentations, critical commenting, criteria for acceptance/ revision/ rejection of the proposals and certification. He also described the importance of consent form (in English and vernacular language), model questionnaire for survey study. The need of case study proforma also defined.

Session 6: Literature collection and management

This session was deliberated by ***Dr. T.S. Gugapriya***, Professor of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of empirical research in the health sciences can be qualitative or quantitative in nature. Generally, health science research deals with information of a quantitative nature, and this manual deals exclusively with this type of research. For the most part, this involves the identification of the population of interest, the characteristics (variables) of the individuals (units) in the population, and the study of the variability of these characteristics among the individuals in the population. Thus the quantification in empirical research is achieved by three related numerical procedures: (a) measurement of variables; (b) estimation of population parameters (parameters of the probability distribution that captures the variability of observations in the population); and (c) statistical testing of hypotheses, or estimating the extent to which 'chance' alone may account for the variation among the individuals or groups under observation.

Session 7: Hands on training on "How to collect Literature"

All the registered delegates were grouped in to nine categories according to their field of concern and handed over to the respective faculty experts for train them to collect literature.

Broad exercises in various topics related to literature collection and review were given to the delegates as post workshop activity. The day 1 was completed with distribution of two activities as post day 1 workshop activity.

1. Correct and resubmit the Epidemiological descriptions
2. Literature collection and reviewing

At the end of the primary evaluation of the day 1, all the delegates were taken to local visit at Tiruchirapalli. The places visited were Thirupattur Sri Brahmapureeshwarar temple and Samayapuram Sri Muthumariammana temple.

SCIENTIFIC SESSIONS ON (SECOND DAY) 23rd March 2018

The MoC of the technical sessions of Day 2 was taken over by ***Dr. A. Anupriya***, Assistant Professor of Microbiology.

Review and Feedback of day 1 activities and exercises

The group-wise review of the day 1 activity was conducted by ***Dr. S. Elango*****,** Professor and Head of Community Medicine and ***Dr. K. Hemalatha***, Associate Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the Epidemiological research. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding literature collection was reviewed and analyzed by ***Mr. M. Ismail***. Further, the tips of collecting the literature in a smarter and quick way were discussed. All the exercises submitted by the delegates were documented.

Session 8: Integrated Research

The session on Integrated Research was done by ***Dr. H. Geetha***, Professor of Biochemistry, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of understanding the complex interaction within and among multi and inter disciplinary sciences; propose a model that represents reciprocal knowledge being increasingly complex in defining and provides in depth learning from qualified category.

Session 9: Sample size techniques and determination

Dr. V. Raghuram, Professor of Community Medicine and ***Dr. S. Shankar***, Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli were the Guest speaker of this session. Their descriptions on probability and non probability samples were well analyzed. The variance in probability methods including random sampling, systemic sampling, cluster sampling and stratified sampling; the observations in the variance of judgment sampling, convenience sampling and quotes sampling were also highlighted. They defined the identification of sampling errors occurred during data collection as a result of drawing a portion of population as a sample rather than the whole population. Their presentations with detailed descriptions, mathematical formulae and modulations and identification of significance levels are awesome.

The hands on training on Sample size determination were conducted by ***Dr. V. Raghuram*** and ***Dr. S. Shankar*** with the detailed description of the algorithm to model and predict a classifier's performance contains three steps including learning curve creation, model fitting and sample size prediction.

Session 10: Questionnaire survey – an overview

The technical session on Questionnaire survey was initiated by ***Dr. K. Ilavenil***, Tutor in Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She defined that the questionnaires are usually paper-and-pencil instruments that the respondent completes. Interviews are completed by the interviewer based on the respondent says. Sometimes, it's hard to tell the difference between a questionnaire and an interview. For instance, some people think that questionnaires always ask short closed-ended questions while interviews always ask broad open-ended ones. But mostly the questionnaires are with open-ended questions (although they do tend to be shorter than in interviews) and there will often be a series of closed-ended questions asked in an interview. She also highlighted the advantages (practical, collection of huge information, less affect to reliability, easy to analyze and may create new theories) and disadvantages (lacks validity, no way to predict the truth information and deceptive understanding) of questionnaires. Further the delegates were divided into three groups and trained for the preparation of questionnaires under the guideships of Dr. K. Ilavanil, Mr. M. Ismail and Dr. K. Hemalatha.

Session 11: An overview of Statistics - SPSS

This session was lead by ***Dr. R. Muthukrishnan***, Associate Professor of Statistics, Bharathiar University, Coimbatore. He categorized the statistical tests into two namely descriptive and parametric. Non parametric statistical tests are also described for ordinal variables. He described different types of statistical tests including test of relationship, test of group differences, test for repeated measures and test for odds/risks. Other common statistical tests he defined are Pearson R correlation, Linear/ Multiple regression, Independent t test, ANOVA and Dependent t test.

Session 12: Training on Data management using SPSS

After the detailed theoretical description about the Application of Statistics by ***Dr. R. Muthukrishnan***, delegates were grouped into three groups and encourage them to perform statistics using SPSS trial package by providing already analyzed data.

Group	No. of delegates	Expert
I	15	**Mr. M. Ismail,** Research Coordinator, Trichy SRM MCH&RC, Trichy
II	15	**Dr. R. Muthukrishnan**, Associate Professor of Statistics, Bharathiar University
III	15	**Mr. S. Pandi,** Assistant Professor of Statistics, Trichy SRM MCH&RC, Trichy

Session 13: Preparation of research protocol for fund raising

The highlighted and imperative session on preparation of research protocol for fund raising was deliberated by ***Dr. M.A. Akbarsha***, Emeritus Scientist and Research Coordinator, National College, Tiruchirapalli. He described the eligibility criteria of applying documents and proforma to funding agencies. His deliberations on action plans for the elaboration of a strategic plan for research and fund raising were highly admired by the delegates. His presentations on sources of funds, determine the priorities and selection process, concept development and execution, writing skills, budget and schedule, getting feedback and revision process. He also listed out various funding agencies available in India and other countries with their thrust areas of research. His deliberations on preparation of the simplified budget with sub divisions make the participants comfortable and feasible.

Further, the delegates were divided into four groups under each mentor for an exercise related to fund raising with detailed budget preparation was given to all participants and the answers were evaluated, compared, reviewed, analyzed and documented on the same day.

Detailed exercises in various topics related to Sample size determination and budget preparation for fund raising were given to the delegates as post workshop activity in the end of the day 2.

Due to extension of Statistics session, the day programme was extended upto 9.00pm on day 2 (23.03.2018).

SCIENTIFIC SESSIONS ON (THIRD DAY) 24th March 2018

The MoC of the technical sessions of Day 3 was taken over by ***Dr. G. Bala Maddeliti,*** Associate Professor of Forensic Medicine and Toxicology.

Review and Feedback of day 2 activities and exercises

The group-wise review of the day 2 activity was conducted by ***Dr. S. Shankar*****,** Assistant Professor of Community Medicine, Chennai Medical College Hospital and Research Centre, Tiruchirapalli regarding the Sampling size and its determination. The small group discussion was

carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding budget for fund raising was reviewed and analyzed by ***Mr. M. Ismail***. Further, the tips of smart budget preparation were discussed. All the exercises submitted by the delegates were evaluated and documented.

Session 14: Workplace Stress in Research

The twelfth session was described and presented by ***Dr. S. Sivaraman,*** Associate Professor of Psychiatry, Trichy SRM MCH&RC. He demonstrated the importance of continuous assessment of risks to health, the provision of appropriate information and training on health issues and the availability of health promoting organizational support practices and structures. A healthy work environment is one in which staff have made health and health promotion a priority and part of their working lives. Pressure at the workplace is unavoidable due to the demands of the contemporary work environment. Pressure perceived as acceptable by an individual, may even keep workers alert, motivated, able to work and learn, depending on the available resources and personal characteristics. However, when that pressure becomes excessive or otherwise unmanageable it leads to stress. Stress can damage an employees' health and the business performance.

His deliberations further described the work-related stress can be caused by poor work organization (the way we design jobs and work systems, and the way we manage them), by poor work design (for example, lack of control over work processes), poor management, unsatisfactory working conditions, and lack of support from colleagues and supervisors.

The technical sessions was continued after group photo session and yoga practice for 30 minutes to get relax from the routine workshop assignments.

Session 15: Research Paper presentations

The twelfth session was described and presented by ***Dr. N. Prabhusaran,*** Associate Professor of Microbiology and Research, CMCH&RC about effective research paper presentations. He described an oral research presentation is meant to showcase the research findings and the effective oral presentations should communicate the importance of your research, clearly state finding and the analysis of those findings and prompt others in the academic community to ask questions and give the valuable feedback that could further, and strengthen the research. He also highlighted the role of font size, color, background, number of

words and lines in the slide, pictures, graphs, tables and references. His deliberation on the understanding of importance of the nature and mood of the audience, presentor's body language, confidence in presentation, boldness to face interactions and comments, and attractive templates attract the audience to follow in their future presentations.

Session 16: Plagiarism and its ill effects

The twelfth session was described and presented by ***Mr. M. Ismail,*** Research Coordinator and Professor of Research, CMCH&RC about different dimensional aspects including plagiarism and its ill effects. He described how serious the problem is? Types of plagiarism, what made the scholars to do plagiary, etc. His demonstration about the rationale of academic integrity makes the audience not to do plagiarism in future. He defined various cases registered towards the plagiarism in India and nearby countries. His explanation regarding the quoting, paraphrasing and summarizing makes the participants very clear about the citation, referencing and acknowledgements. He highlighted the mistakes made by the research guides for their improper evaluation of the write-ups and sometimes the guides are also motivating the scholars to do copy and paste. The history of the scientific writings and its modern method of observations made the participants more comfortable in criticizing the published articles that are much useful as the literature of review.

Session 17: Art of Drafting research article

The day 2 technical sessions was initiated by ***Dr. R.T. Narendhirakannan***, Assistant Professor of Biotechnology, Karunya Institute of Science and Technology (Deemed to be University), Coimbatore on "Art of drafting research article". He highlighted the differences good and bad articles. His description on identification of descriptive and non descriptive data for publication was highly commendable. He also described various steps involved in preparing a manuscript including, abstract, key words, introduction, materials and methods, results, discussion, conclusion, acknowledgement and references. His definition and examples on structured and non-structured are highly useful for the beginners and researchers to prepare and modify manuscripts respectively.

He also described in detail about the structure of rough drafts, corrections, multi eye observations and final draft preparation. The importance of detecting the level of plagiarism and its corrections also defined well in this session thereby the delegates collected need based informations.

Session 18: Project report preparation

The project report preparation was the final and conclusionary presentation in the three day workshop. The expert was ***Dr. P. Thirumalaikolundusubramanian***, Professor of Medicine and Head, IRB, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He highlighted the importance of project report by which the data in organized, systematic and attractive manner was expected. The report provides factual base for formulating policies and strategies related to the discipline. He described in detail about various types of reports including technical report, popular reports, interim reports and summary report. He also defined the importance of systematic references and further study recommendations.

VALEDICTORY PROGRAMME

The valedictory programme was started by 04.30pm on 24th March 2018. **Dr. S. Vinayagam**, Director (Health Sciences and Dean) and **Dr. P. Anusuya,** Medical Superintendent of Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli were the valedictory chief for delivering valedictory address and prize distribution for the best posters. A total of 44 posters were displayed in the workshop. All the registered delegates displayed the posters in the title given to them by the organizers. The posters were evaluated by 6 different and independent judges thereby top 5 posters were selected for best poster award. Among the sex major hands on training session, two best delegates were selected awarded as "Best activity performer". Additionally one delegate named ***Mr. Alok Ranjan***, Ph.D Research Scholar of Chemical Engineering, Indian Institute of Technology - Roorkee, Uttarakhand was awarded as "Innovative Thinker of WoRM 2018" and ***Dr. C, Anuradha***, Associate Professor of Psychiatric Nursing, Apollo College of Nursing, Chennai was awarded as "Best Participant of WoRM 2018".

Among the 45 registered delegates, two volunteers gave open feedback and asked the organizers to provide more exercises and one of the delegate Ms. C. Anuradha appreciated the organizers for organizing one of the best workshops she attended in her lifetime.

The valedictory programme came to the end by 05.15pm on 24th March 2018. The three day workshop came to a close with vote of thanks proposed by ***Dr. N. Prabhusaran***, the Organizing Secretary, WoRM 2018. All the delegates were distributed with workshop manual, travel allowances (TA) and attendance certificate.

The Proper Channel

Respected Sir,

Subject: Chennai Medical College Hospital & Research Centre, Tiruchirapalli, Tamilnadu – Institutional Research Board and Medical Education Unit - Plan to organize IV National Workshop on Research Methodology (WoRM-2018) on 22nd to 24th February 2018 – requesting for financial support – Forwarding proposal - reg.

The Institutional Research Board and Medical Education Unit, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli have proposed to organize IV National Workshop on Research Methodology (WoRM – 2018) on 22nd to 24th February 2018. Only with the sponsorship of ICMR, New Delhi, we were able to conduct First and Third National workshops on Research Methodology at national level on 29th September to 1st October 2015 (Ref: 7/398/15-Seminars (HRD) dated 26.08.2015) and 14th to 16th September 2017 (Ref: 7/128/17-Seminars (HRD) dated 28.04.2017) respectively. In continuation of that, the application for grant of financial assistance for organizing IV workshop has been prepared and enclosed for the smooth conduct of the workshop under the sponsorship of ICMR.

The application for grant along with names of tentative speakers, topics and proposed budget and other necessary documents are enclosed for your kind and favorable consideration.

Thanking you

Yours faithfully,

INDIAN COUNCIL OF MEDICAL RESEARCH

V. Ramalingawami Bhawan, Ansari Nagar, Post Box Bo. 4911
New Delhi - 110029

Application for grant of financial assistance for organizing Seminars/Symposia/Conferences/ Workshops

To be filled in by the Organizing Secretary and counter signed by the Executive Authority of the parent organization. All applications for grant of financial assistance should be furnished, completed in all respect with all details in the prescribed proforma (in ten copies) at least two months before the date of commencement of the Seminar/ Symposium/ Conference/Workshop.

1.	**Title of Seminar/Symposium/ Conference/Workshop.**	**: IV National Workshop on Research Methodology**
2.	**Name of Scientific Association/Body/ Society/Institution seeking financial assistance.**	**: Chennai Medical College Hospital and Research Centre (SRM Group) Irungalur, Tiruchirapalli – 621 105**
3.	**Name, designation and address of Organizing Secretary with Pin Code including telephone/Mobile/ Fax/e-mail address.**	**: Dr. N. Prabhusaran** Research Faculty, Institutional Research Board, Organizing Secretary-WoRM 2018 Research Centre (SRM Group) Irungalur, Tiruchirapalli – 621 105 Telephone No.: 0431 – 3058691 Mobile: 09842780322 Email: leptoprabhu@gmail.com
4.	**Date (s) and place of organizing Seminar/ Symposium/Conference/Workshop.**	**: 22nd – 24th February, 2018**
5.	**Grant requested for from ICMR**	**: Rs. 2,00,000/- (Rupees Two Lakhs only)**
6. (a)	**Detailed Programme i.e. name of speakers and their topics/titles of papers/lectures etc. (date & time wise) along with list of participants may be submitted. Indicate confirmed speakers. (National & International)**	**: Enclosed (Annexure 1)**
(b)	**In what way is the Seminar/ Symposium/Conference/Workshop expected to contribute to the existing knowledge in the field?**	**: Enclosed (Annexure 2)**

(c)	**Has any Association/Chapter received any grant from ICMR during the last two years for organizing Seminar/Symposium? If so, give details year-wise and quote the ICMR letter No. and date, in tabular form under the following heads**	**: Yes (Annexure 3)**
(d)	**What is the total expenditure anticipated? Please give details under various heads.**	**: Enclosed (Annexure 4)**
6.	**Details of grant requested/received from other agencies like DST, DBT, CSIR, UGC, INSA, NAMS and ICAR for the proposed Seminar/ Symposium/Conference/Workshop**	**: Not Applicable**
8. (a)	**Name of the authority who will be responsible for submitting the audited statement of accounts/ Utilization Certificate.**	**: Dr. N. Prabhusaran** **Organizing Secretary** **IV National Workshop on Research Methodology** (WoRM 2018) **Institutional Research Board,** **Chennai Medical College Hospital and Research Centre (SRM Group)** **Irungalur, Tiruchirapalli – 621 105** **Telephone No.: 0431 – 3058691** **Mobile: 09842780322** **Email: leptoprabhu@gmail.com**
(b)	**The Organizing Secretary would have to submit a brief summary of Scientific activity & copy of proceedings report within a period of six months.**	**: Yes, Accepted**

(c) Please indicate whether you are willing to accept up to two nominees of the Council for participation in the Seminar/Symposium/ Conference/Workshop without any registration charges : Yes, Accepted

(d) Name of the authority in whose favour payment of grant is to be released. : Chennai Medical College Hospital and Research Centre payable at Trichy

9. Check list:
(i) 10 copies of application
(ii) 10 copies of detailed programme i.e. name of Speakers and their topics/titles of papers/lectures etc. (date, time-wise).
(iii) 10 copies of list of participants (Annexure 5).

10. It may please be noted that incomplete application will not be considered and no correspondence will be entertained.

Signature of Organizing Secretary with Rubber Stamp 24/11/2017

Signature of Head of the Institution with Rubber Stamp

Programme Schedule

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.02.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am	**Inauguration By Dr. G. Govindaraj**		
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. P. Dhanapal	Professor and Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Trichy
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature"	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
		Mr. M. Ismail	Research Coordinator, IRB CMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Associate Professor of Microbiology and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy
		Dr. R. Freethi	Assistant Professor of Biochemistry, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Malaikottai Uchchipullaiyar temple, Sri Renganathar temple and Samayapuram Maariamman temple.		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.02.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. B. Rock Britto) and Literature collection (Dr. M. Rajajeyakuamr)]		
10.01 – 10.30am	Sampling size and determination	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
		Dr. B. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.02.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Ismail) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. B. Venkatachalapathy	Dean-Research, SRM Group of Institutions, Trichy and Ramapuram campus
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. Sanjay Basak	Scientist D, National Institute of Nutrition (ICMR), Hyderabad
12.01 – 12.45pm	Plagiarism	Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. M. Rajajeya Kumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Annexure 2

Expected to contribute to the existing knowledge in the field

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods and design and on preparing proposals for research.
2. To update participants on various research grant opportunities and potential funding sources; and
3. To strengthen collaboration between academic/research institutions and disease-control programmes in conducting various research.
4. To prepare the research project to different funding agencies
5. To prepare the research papers for publications
6. To train the statistical methods used in medical research.

Annexure 3

Previous grant from ICMR during the last two years for organizing Seminar/Symposium

S. No.	Name of the Association	Year	Amount	Letter No. & Date	Purpose	Name of the Seminar/ Symposium	Whether UC & report submitted
1	Department of Microbiology, Chennai Medical College Hospital and Research Centre (CMCH&RC), Trichy	2013	40,000/-	7/215/13-Seminars (HRD) & 27.06.2013	Partial symposium grant	National Symposium on Emerging and Re-emerging Viral infections (August 30th and 31st 2013)	Yes, Submitted
2	Department of Anatomy, CMCH&RC, Trichy	2013	40,000/	7/282/13-Seminars (HRD) & 29.07.2013	Partial CME grant	CME on Expanding frontiers in Anatomy and workshop on Plastination (6th & 7th Sept 2013)	Yes, Submitted

APPLICATION PROFORMA FOR SUPPORT TO SYMPOSIUM/ SEMINAR/ CONFERENCE /**WORKSHOP**

1. Name of the Society/Academic Institution/Organization under whose auspices the Symposium/Seminar/ Conference/Workshop etc. is proposed to be organized. A copy of each of the following may be enclosed in case of a Society- Registration Certificate; Memorandum of Association; Bylaws; Audited statement of accounts of the previous year:

Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur, Tiruchirapalli – 621 105, Tamilnadu

(b) Whether the Institution/Body is a Govt. Organization / Non–Government Organization/ University (Central / State / Deemed) / State Govt College / Private College / Autonomous Body / Research Institute / Professional Body/ Registered Society/ Private Industry / Public Sector Undertaking/ Other Pl Specify

Private Medical College

2. (a) Title / Name of the Symposium/Seminar/Conference/**Workshop** etc :

IV National Workshop on Research Methodology

(b) Major discipline in which it falls: (Pl tick mark √ : Chemical Science / Earth Science / Engineering / Life Science / Mathematical Science / Medical Science / Physical Science / Multi-discipline)

Medical Sciences

(c) Venue of the Symposium/Seminar/Conference/**Workshop** etc :

Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur, Tiruchirapalli – 621 105, Tamilnadu

(d) Period of the Symposium/Seminar/Conference/**Workshop** etc:

From 22.02.2018 to 24.02.2018 (3 days)

(e) Complete Address of contact person for all Communication:

Dr. N. Prabhusaran
Research Faculty of Microbiology
Institutional Research Board
Chennai Medical College Hospital and
Research Centre (SRM Group)
Irungalur, Tiruchirapalli – 621 105

Mobile: 09842780322
Email: leptoprabhu@gmail.com

(f) When was a Symposium /Seminar/Conference/**Workshop** etc. on the same topic organized last: **Yes, but not under the sponsorship of CSIR**
Three workshops organized (1) 29th Sept. to 1st Oct 2015; (2) 2nd to 4th Feb 2017) and (3) 14th to 16th Sept. 2017

3. List of various Technical Sessions attached: **Yes (Annexure 1)**

4. (a) Indicate briefly within 20 lines the relevance and scientific / technological importance of organizing the Symposium/Seminar/Conference/Workshop etc. in the context of the present day national needs: **Enclosed (Annexure 2)**

(b) Specify the last Symposium/Seminar/Conference/Workshop etc. organized by the Scientific Society/Academic Institution, what were its recommendations and what follow-up steps have been taken by the Society/Academic Institution /Organization (including involvement of the Scientist of CSIR Laboratories) in implementing the recommendations and also reason out with appropriate justification why the CSIR should support the present Symposium/Seminar/Conference/Workshop etc:

Not Applicable

5. (a) Pl indicate which of the CSIR Lab is working in the same area of Conference / Seminar/ Workshop etc.: **Not Applicable**

(b) Have you approached any of the CSIR Laboratories for co-sponsorship or for participation in the Symposium/ Seminar/ Conference/Workshop etc If so, provide the details of names of such laboratories/Institutes along with details of the different technical sessions: **Yes, Dr. M. Sathish, Scientist from Central Electrochemical Research Institute (CECRI), Karaikudi, Tamilnadu was approached for participation as resource person; He also gave the consent.**

(c) Names of the CSIR Scientists who will be participating: **Dr. M. Sathish, Scientist, Central Electrochemical Research Institute (CECRI), Karaikudi, Tamilnadu**

6. Indicate if the Scientific Society is organizing the Symposium/ Seminar/ Conference/ Workshop etc in collaboration with any Government Department, University Department, Registered Society, or Autonomous Body.(If yes, these may be named):

Not Applicable

7. Also, attach an attested copy of the willingness letter from the Institute/ Agency, which has extended facility for holding Symposium / Seminar / Conference / Workshop etc:

Enclosed (Annexure 3)

8. (a) Indicate how many total delegates are expected to participate indicating the number of national, foreign delegates, research students etc.

Total Delegates	: **75**
National Delegates	: 35
Foreign Delegates	: -
Research Students (host)	: 10
Any Others (Organizers, Guests)	: 30

(b) Indicate also the names of principal speaker(s) delivering keynote addresses of various technical sessions

Enclosed (Annexure 1)

9. How many delegates would read papers: **All delegates will be displayed posters in various aspects of research methods and statistics**

10. How many delegates are being offered TA/DA: **All outstation delegates**

11. (a) Will the proceedings be published : **Yes**
If yes, I) who is responsible: **Dr. N. Prabhusaran**
ii) How many copies are expected to be published: **100 no(s)**

(b) Will the proceedings be priced: **No**

12. Total anticipated expenditure under the following heads:

(a) TA/DA	: Rs.	40,000/-
(b) Pre-Conference printing (announcements, abstracts etc.)	: Rs.	20,000/-
(c) Stationery including symposium kit	: Rs.	30,000/-
(d) Secretarial Assistance	: Rs.	50,000/-
(e) Publication of proceedings:		
(i) No. of pages	: 150	
(ii) No. of copies to be printed	: 100	
(iii) Estimated expenditure	: Rs.	30,000/-
(f) Boarding and Lodging of delegates	: Rs.	30,000/-
(g) **TOTAL of above (a) to (f)**	: Rs.	2,00,000/-

13. Total anticipated income out of the following:

(a) Registration fee of the delegates : No registration fees
(b) Sale of proceedings to be published : Nil
(c) Any other income / grant from your institute / Other Organization : Rs. 50,000/-

(d) **TOTAL of above (a) to (c) : Rs. 50,000/-**

14. (a) Grant requested from CSIR : **Rs. 1,00,000/-**
(b) Specific item/items of expenditure for which the grant is requested from CSIR (From 12a to 12f above) : **12b, 12d and 12f**
(c) We agree to allow three nominees of CSIR for participation without any registration charges. : **Yes, Agreed**

15. Details of other R&D Organizations / Other agencies who have been approached for sponsoring the proposed activity:

S. No.	Name of the Agency	R&D organizations	Grant Requested	Grant received	Grant expected	Items for which the grant is requested
1	ICMR	No	2,00,000/-	-	25,000/-	Workshop kits

16. (a) Did the organizers receive any grant from CSIR in the past (From 1st Apr 2001 onward)
If yes, please indicate : **Yes 3 grants received**

S. No.	Programme	Date(s)	Fund released	References
1	National Symposium on Emerging and Re-emerging Viral infections	30th & 31st Aug. 2013	Rs. 1,00,000/-	SYM/ 8104/ 13-HRD dt. 17.07.2013
2	CME on Haematopathology	10th Sept. 2013	Rs. 50,000/-	SYM/ 8259/ 13-HRD dt. 27.08.2013
3	CME on Pharmaceutical Waste management	30th Oct. 2014	Rs. 50,000/-	SYM/ 8259/ 14-HRD dt. 24.09.2014

(b) Copy of the Audited Utilization Certificate of the last grant received from CSIR may please be enclosed. The request for the grant would be considered only if audited Utilization Certificate of the all previous grants has been sent and the copy of the last grant is enclosed herewith. : **Enclosed**

17. Mention the name and address of the authority who will be responsible for submitting the Audited **utilization certificate** for the present grant, if sanctioned:

Dr. N. Prabhusaran
Research Faculty of Microbiology
Institutional Research Board
Chennai Medical College Hospital and
Research Centre (SRM Group)
Irungalur, Tiruchirapalli – 621 105
Telephone No.: 0431 – 3058691
Mobile: 09842780322
Email: leptoprabhu@gmail.com

18. PI tick mark the name of the authority to whom the NEFT payment is to be made: Director/Registrar/Dean / Medical Superintendent/ Principal/Finance Officer / any authority designated by your Organization / Institute, kindly specify

To the institute

Chennai Medical College Hospital and Research Centre
payable at **Trichy**

SUMMARY
(TO BE FILLED BY ORGANIZER)

1. **Name** of the Society/Academic Institution/Organization under whose auspices the Symposium/Seminar/ Conference/**Workshop** etc. is proposed to be organized:

Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur, Tiruchirapalli – 621 105, Tamilnadu

2. Title / Name of the Symposium/Seminar/Conference/**Workshop** etc :

IV National Workshop on Research Methodology

3. Major discipline in which it falls: (PI tick mark √ : Chemical Science / Earth Science / Engineering / Life Science / Mathematical Science / Medical Science / Physical Science / Multi-discipline):

Medical Sciences

4. Period of the Symposium/Seminar/Conference/**Workshop** etc:

From 22.02.2018 to 24.02.2018

5. PI indicate which of the CSIR Lab is working in the same area of Conference / Seminar/ Workshop etc.

Not Applicable

6. Total delegates are expected to participate: 45 + 30

7. Total anticipated expenditure: Rs. 2,00,000/-

8. Total anticipated income: Rs. 50,000/-

9. Grant requested from CSIR: Rs. 1,00,000/-

10. Details of enclosures: Not Applicable

Annexure 1 - List of various Technical Sessions

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.02.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am	**Inauguration By Dr. G. Govindaraj**		
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. P. Dhanapal	Professor and Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Trichy
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature"	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
		Mr. M. Ismail	Research Coordinator, IRB CMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Associate Professor of Microbiology and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy
		Dr. R. Freethi	Assistant Professor of Biochemistry, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Malaikottai Uchchipullaiyar temple, Sri Renganathar temple and Samayapuram Maariamman temple.		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.02.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. B. Rock Britto) and Literature collection (Dr. M. Rajajeyakuamr)]		
10.01 – 10.30am	Sampling size and determination	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
		Dr. B. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.02.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Ismail) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. B. Venkatachalapathy	Dean-Research, SRM Group of Institutions, Trichy and Ramapuram campus
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. Sanjay Basak	Scientist D, National Institute of Nutrition (ICMR), Hyderabad
12.01 – 12.45pm	Plagiarism	Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. M. Rajajeya Kumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Annexure 2
Relevance and scientific / technological importance of organizing the Symposium

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods and design and on preparing proposals for research.
2. To update participants on various research grant opportunities and potential funding sources; and
3. To strengthen collaboration between academic/research institutions and disease-control programmes in conducting various research.
4. To prepare the research project to different funding agencies
5. To prepare the research papers for publications
6. To train the statistical methods used in medical research.

IV National Workshop on Research Methodology

Reference No : 282018000038

Saved By : Nagarajan Prabhusaran

Saved Date : 05-Jan-2018

Proposal

Reference No : 282018000038

Proposal Details

Name of Conference	IV National Workshop on Research Methodology
Scheme :	Seminar/Symposia
Broad Area :	Life Sciences

Event :	Workshop	**Geographical Coverage :**	National
Date From :	22 March, 2018	**To :**	24 March, 2018 (3 days)
Venue :	Conference Hall, Medical Education Unit, III Floor, College Block, Chennai Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli, Tamilnadu, India		
Website of the event			
Name of Convener	Nagarajan Prabhusaran	**Email ID :**	researchcmchrc@gmail.com
Date of Birth :	27-Sep-1978	**Contact No :**	+919842780322
Category :	GEN	**Gender :**	Male
Nationality :	Indian	**Is differently abled :**	No
Designation :	Associate Professor	**Department :**	Microbiology
PI Address :	Chennai medical college hospital and research centre (srm group), tiruchirapalli, , tiruchirapalli		
State :	Tamil nadu	**Pin Code :**	621105
Name and Address of Organising Institution/Society :	Chennai Medical College Hospital & Research Centre, Trichy, Irungalur, mannachanallur taluk, trichy , Tiruchirappalli, Tamil nadu-621105		

Objective :

•To train participants on research methods, study design and preparation of proposals for research.

•To prepare the research project to different funding agencies
•To prepare the research papers for publications
•To train the statistical methods used in medical research.
•To motivate the participants on various research grant opportunities and train them for preparing academic research reports
•To strengthen the disease-control programme by collaboration between academic / Research institutions and Industry

Keywords : Research Methodology Workshop National CMCH&RC Tiruchirapalli

Brief information of last three events organised by your department :

Dates	Title	Main Sponsor	Number of Delegates	Number of Resource persons
29th Sept to 1st Oct 2015	I National Workshop on Research Methodology	ICMR, New Delhi	45	18
12th to 14th February 2017	II National Workshop on Research Methodology	-	54	17
14th to 16th September 2017	III National Workshop on Research Methodology	ICMR, New Delhi	39	18

Is this Seminar/Symposia held annualy? : Y

Chennai Medical College Hospital and Research Centre (SRM Group), Tiruchirapalli, Tamilnadu, India

IV National Workshop on Research Methodology
[22nd to 24th March 2018]

Other Technical Details
(Financial Assistance to Seminar/ Symposia/ Workshop)

Name of the Event: IV National Workshop on Research Methodology (22 - 24, March 2018)

1. Broad details of estimated expenditure (in Rupees)

a)	TA/ DA for young Scientists (Indian)	:	30,000/-
b)	TA/ DA for senior Scientists (Indian)	:	30,000/-
c)	Pre workshop printing	:	20,000/-
d)	Publication of proceedings	:	30,000/-
e)	Stationery	:	40,000/-
f)	Secretarial Assistance (Lunch, refreshments)	:	60,000/-
g)	Local Hospitality	:	30,000/-
h)	Miscellaneous	:	10,000/-
	Total		2,50,000/-

2. Financial assistance required from SERB for the proposed event

a)	Domestic travel for young and senior Scientists (Indian only)	:	30,000/-
b)	Contingencies (Stationery, working tea Lunch, audio-visuals etc)	:	1,00,000/-
c)	Pre-workshop printing	:	20,000/-
	Total	:	1,50,000/-

3. Details of income

A. Revenue

a)	Registration fees	:	No registration fees
b)	Advertisement	:	20,000/-
c)	Sponsorships	:	20,000/-

B. Contribution by Organizing Institute : 20,000/-

C. Support from other funding agencies

S. No.	Agency	Amount requested	Amount committed	Amount received
1	Indian Council of Medical Research (ICMR), New Delhi	40,000/-	Not yet replied	
Total (C)		40,000/-		
Grand Total		1,00,000/-	60,000/-	60,000/-

4. Details of previous grant received by Convener from SERB in past : Nil

5. Details of previous grant received by organizing Institute from SERB in past: Nil

6. **Details of participants in the event**

A. Foreign Delegates : Nil

B. Indian Delegates

(a) Young Scientists (Delegates) : 45

(b) Senior Scientists (Resource person) : 20

7. List of participants (Confirmed) **:** Registration not yet started

****

Annexure 1 : Objectives of the Event

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is

limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence-based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods, study design and preparation of proposals for research.
2. To prepare the research project to different funding agencies
3. To prepare the research papers for publications
4. To train the statistical methods used in medical research.
5. To motivate the participants on various research grant opportunities and train them for preparing academic research reports
6. To strengthen the disease-control programme by collaboration between academic / Research institutions and Industry

****

Annexure 2 : Target groups of participants

1. Postgraduates of the various disciplines of medicine (preclinical, paraclinical and clinical departments).
2. Research scholars pertaining research in medical and health sciences including all pre clinical, para clinical, clinical and other basic and advanced medical sciences.
3. Faculty members pursuing research in medical, biomedical and allied health sciences.

****

Annexure 1 – Annual workshops organized

Dates	Title	Main Sponsor	Number of Delegates	Number of Resource persons	Recommendations	Feedback
29th Sept to 1st Oct 2015	I National Workshop on Research Methodology	ICMR, New Delhi	45	18	Need more hands on training	Good
12th to 14th February 2017	II National Workshop on Research Methodology	-	54	17	Inclusion of more time for statistics	V. Good
14th to 16th September 2017	III National Workshop on Research Methodology	ICMR, New Delhi	39	18	Required more hands on activity and materials	V. Good

Annexure 3 - Formulate specific programme of action
Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.03.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am	**Inauguration By Dr. G. Govindaraj**		
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director & Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. P. Dhanapal	Professor and Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Trichy
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature"	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
		Mr. M. Ismail	Research Coordinator, IRB CMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Associate Professor of Microbiology and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy
		Dr. R. Freethi	Assistant Professor of Biochemistry, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Temples and shopping		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.03.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. B. Rock Britto) and Literature collection (Dr. M. Rajajeyakumar)]		
10.01 – 10.30am	Sampling size and determination	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
		Dr. B. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.03.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Ismail) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. B. Venkatachalapathy	Dean-Research, SRM Group of Institutions, Trichy and Ramapuram campus
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. Sanjay Basak	Scientist D, National Institute of Nutrition (ICMR), Hyderabad
12.01 – 12.45pm	Plagiarism	Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. M. Rajajeya Kumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Budget Details

Broad Details of Estimated Expenditure :

SNo.	Budget Description	Total Expenditure (in Rs.)	Funding Required from SERB (in Rs.)
1	Domestic Travel (Young and Senior Scientists)	30000	30000
2	Contingencies	100000	100000
3	Pre-conference printing	20000	20000
Grand Total (in Rs.)		150000	150000

RTGS Details :

Comments : null

Name of Account Holder : Chennai Medical College Hospital and Research Centre

Email ID : pkk792002@gmail.com

Designation : Dean

Account Number : 117109000093219

Bank Name : City Union Bank

Branch Name and Address : Cantonment Branch Tiruchirapalli 1

IFSC Code : CIUB0000153

Any other relevant matter : Not Available

Suitability of the proposed work in the major national initiatives of the Government :

SNo.	Program Name
1	Make in India
2	Digital India
3	Innovate India

Theme of Proposed Work :

SNo.	Theme Name
1	Health
2	Research

Resume of Dr. Prabhusaran Nagarajan

M.Sc., M.Phil., Ph.D., BMBS., MBA., FSAB, FISCA, FANTA., (D.Sc.)

Dr. N. Prabhusaran

1.0. Personal Data

Name of the Applicant	:	**Dr. Prabhusaran N., Ph.D.,**
Father's Name	:	Shri. K.A. Nagarajan
Mother's Name	:	Smt. N. Lalitha
Date of Birth & Age	:	27.09.1978 & 39
Marital Status	:	Single
Nationality	:	Indian
Religion	:	Hindu
Community	:	OC (Brahmin)
Place of Birth	:	Pudukkottai, Tamil Nadu
Mother Tongue	:	Tamil
Languages known	:	Tamil, English & Hindi
Address for Communication	:	1275, Lalith Mahal, Kamban Nagar, Rajagopalapuram, Pudukkottai – 622 003 Tamil Nadu
Contact Number	:	Resi: +91-4322 – 260824; +91-9842780322 Off.: +91-431-3058691
Email	:	leptoprabhu@gmail.com
Educational Qualification	:	M.Sc., M.Phil., BMBS., Ph.D., MBA.,
Specialization	:	Medical Microbiology, Immunology and Immunotechnology, Microbial Nanotechnology and Infection Control practices

2.0. Education and Training

Doctor of Science	**:**	**D.Sc. in Microbiology** at The TN. Dr. MGR Medical University, Chennai (Thesis submitted on 21st Dec 2017) **Thesis:** Molecular Epidemiology of *Leptospira* from humans and animals and application of bionanoparticles in Experimental models
Doctorate	**:**	Doctorate in Philosophy in ***Microbiology (Faculty of Medicine)*** (2006-2009), Rajah Muthiah Medical College, Annamalai University, Chidambaram Under the guidance of **Dr. D. Joseph Pushpa Innocent** **Thesis:** Isolation and serovar identification of human leptospirosis and a comparative study of herbal drugs and fungal nanoparticles with standard antibiotics as antileptospirals
Master of Philosophy:		Secured First class in Master of Philosophy in **Biotechnology** (2002 – 2004), Bharathidasan University, Tiruchirapalli Under the guidance of **Dr. S. Alagumanian** **Dissertation:** Isolation of leptospires and *in vitro* evaluation of *Eclipta alba* against *Leptospira interrogans*
Post Graduation	**:**	Secured First class in Master of Science in **Applied Microbiology** (1998 – 2001), Periyar University, Salem Under the guidance of **Dr. K. Natarajaseenivasan** **Project:** Human Leptospirosis in Erode, South India: Serology, Isolation and Characterization of the isolates by RAPD Fingerprinting
Graduation	**:**	Secured First class in Bachelor of Science in **Microbiology** (1995 – 1998), Bharathidasan University, Tiruchirapalli
BMBS	**:**	Secure First class in **Bachelor in Biochemical system of Medicine** (1997 – 2002), Indian Board of Alternative Medicine, Kolkotta **Project:** Biochemical evaluation of leptospiral serum
MBA	**:**	Secure A Grade in Master of Business Administration in **Health care and Hospital Management** (2009 – 2011), Anna University, Coimbatore **Project:** Study on immunological markers of major bacterial and viral infections among normal, high risk and unclassified categories of human flow in hospitals

3.0. Academic Appointments

Full time faculty (16 years)

2012 onwards (5 years 5 months)	**:**	**Research Associate Professor**, Department of Microbiology, Chennai Medical College Hospital and Research Centre, (SRM Group) Irungalur, Tiruchirapalli (August 2012 onwards)
2011 - 2012 (10 months)	**:**	**Scientist cum Associate Professor** (Medical Microbiology), Centre for Research and Development, PRIST University, Thanjavur – 613 403 (July 2011 to April 2012)
2010 – 2011 (7 months)	**:**	**Associate Professor and Research Coordinator**, Doctors' College of Nursing, Pudukkottai – 622 203 (December 2010 to June 2011)
2005 – 2010 (5 yrs & 6 months)	**:**	**Senior Lecturer, Assistant Professor & Associate Professor,** Department of Microbiology, Dr. N.G.P. College of Arts and Science, Coimbatore – 641 048 (June 2005 to November 2010)
2004 – 2005 (10 months)	**:**	**Senior Lecturer,** Department of Microbiology, Hindusthan College of Arts & Science, Kelambakkam, Chennai– 603103 (June 2004 to March 2005)
2001 – 2004 (2 yrs & 10 months)	:	**Lecturer**, Department of Microbiology, Marudupandiyar College, Thanjavur (August 2001 to May 2004)

Part time faculty

Since 2012	:	Part time faculty in Microbiology, MAM College of Nursing, Tiruchirapalli (September 2013- Till now)
Since 2011	**:**	Part time faculty in Microbiology and Nutrition, Doctors' College of Nursing, Pudukkottai.
2006 – 2010	**:**	Part time faculty in Microbiology and Human Genetics, KMCH College of Nursing, Coimbatore.

Chennai Medical College Hospital and Research Centre (SRM Group), Tiruchirapalli, Tamilnadu, India

IV National Workshop on Research Methodology [22nd to 24th March 2018]

List of Key-note Speakers/ Resource persons

S.No.	Name and Designation	Research/ Expertise Area	Affiliated Department and Institute	Email ID	Contact number (Office & Mobile)	Status of Availability
1	Dr. G. Govindaraj	Medical and Surgical Oncology	Director & Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli, Tamilnadu	harshamitracancer @gmail.com	9444014312	Confirmed
2	Dr. P. Ganesh Kumar	Social and Preventive Medicine	Scientist C, National Institute of Epidemiology, Indian Council of Medical Research Chennai, Tamilnadu	ganeshkumar@ nie.gov.in	9840640483	Confirmed
3	Dr. K. Hemalatha	Social and Preventive Medicine	Associate Professor of Community Medicine, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilandu	drkhemalatha@ gmail.com	9865841473	Confirmed
4	Dr. S. Elango	Social and Preventive Medicine	Professor and Head of Community Medicine, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	selango52@ gmail.com	9443449115	Confirmed
5	Dr. P. Dhanapal	Microbiology	Prof & Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Tiruchirapalli, Tamilnadu	sankaradhana @gmail.com	9443142236	Confirmed

6	Dr. M. Anbarasi	Physiology	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College, Perambalur, Tamilnadu	anbarasi.physio @gmail.com	9490542244	Confirmed
7	Mr. M. Ismail	Entomology	Research Coordinator and Professor of Entomology, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	ismailmdu1952@ gmail.com	8526897355	Confirmed
8	Dr. N. Prabhusaran	Microbiology	Associate Professor of Microbiology and Research, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	leptoprabhu @gmail.com	9842780322	Confirmed
9	Dr. A. Sundhararajan	Biochemistry	Assistant Professor of Biochemistry and Research, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	sundhararajana@ gmail.com	9787126320	Confirmed
10	Dr. A. Anupriya	Microbiology	Assistant Professor of Microbiology, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	priyamanivelan@ gmail.com	9445972712	Confirmed
11	Dr. R. Freethi	Biochemistry	Assistant Professor of Biochemistry, Chennai Medical College Hospital and Research Centre, Tiruchirapalli, Tamilnadu	freethiantony7@ gmail.com	9443171731	Confirmed

12	Dr. P. Philip Samuel	Medical Entomology	Scientist C, Centre for Research in Medical Entomology, Indian Council of Medical Research, Madurai, Tamilnadu	crmephilipsamuel@ icmr.org.in	0452-2525131	Confirmed

Certificate from the Convener

Event Name: **IV National Workshop on Research Methodology (22nd to 24th March 2018)**

1. The same proposal for organize workshop titled "IV National Workshop on Research Methodology" has not been submitted elsewhere for financial support.
2. I agree, I will submit the audited statement of Income and Expenditure, Utilization certificate and brief report within three months after the completion of the event.
3. I agree to display the SERB logo on all materials being used for the event.
4. I declare I have already submitted all financial papers (UC and SE) for previous grant received (not applicable).
5. I agree to abide by the terms and conditions of ERB grant

Name and Signature of the Convener:

N Prabhu 5/1/18.

(Dr. N PRABHAKARAN)

Date: 05.01.2018

Place: Trichy, Tamilnadu

Participants are limited to 45

IV National Workshop on "Research Methodology" (WoRM– 2018) - March 22 – 24, 2018

Registration Form

Name (Prof./Dr./Mr./Ms.) ……

Sex: Male / Female Qualification: ……..

Department: ……..

Designation: ……

Address: ……
……...
……...

Phone: …… Fax: ……..
Mobile: …….. Email: ……..

*Enclosures required:
Annexure 1: Complete biodata

Annexure 2: Research interest

Annexure 3: A write up on the usefulness of your participation
Annexure 4: Recent passport size photograph

**Details of Application processing Fees:
Amount (Rs.): 300/-
DD No.: ……. Date……..
Bank: ……Branch:
(Demand draft from any nationalized bank drawn in favor of Chennai Medical College Hospital and Research Centre, payable at Tiruchirapalli)
Accommodation required: Yes/ No
I, _____ abide to the regulations of the workshop and institution.

Signature of the Applicant

Place:
Date:

Signature of the Forwarding Authority
(Attestation from their Head of the / Department/ Institution/ Research Guide with seal)

[Photocopy of this format may be used]

***All these informations are mandatory for selection; if anything is not available, the application summarily gets rejected**

Organizing Committee

Chief Patron
Dr. T.R. Paarivendhar,
Founder Chancellor, SRM Institute of Science and Technology (Deemed to be University)

Patron
Dr. R. Shivakumar, Chairman, SRM – Trichy and Ramapuram campus, SRM Institutions

Advisors (Admn.)
Dr. S. Vinayagam, Dean
Dr. P. Anusuya, Medical Superintendent
Dr. Gurudatta S. Pawar, Vice Principal

Organizing Chairperson/ Convener
Dr. P. Thirumalaikolundusubramanian, Head, Institutional Research Board and Professor of Medicine

Organizing Executive
Mr. M. Ismail, Research Coordinator

Organizing Secretary
Dr. N. Prabhusaran, Research Faculty

Jt. Organizing Secretary
Dr. A. Sundhararajan, Research Faculty

Organizing Members
Dr. R. Thamarai, Asso. Prof. of Biochemistry
Dr. G. Bala Maddileti, Asso. Prof. of Forensic Medicine & Toxicology
Dr. A. Anupriya, Asst. Prof. of Microbiology
Dr. K. Kanagasanthosh, Asst. Prof. of Pharmacology
Dr. L. Manivannan, Physical Director
Dr. D. Rock Britto, Asst. Prof. of Community Medicine
Mr. R.A. Suresh Balaji, Tutor in Physiology
Dr. K. Ilavenil, Tutor in Anatomy

Announce the

IV NATIONAL WORKSHOP
on
"RESEARCH METHODOLOGY"
(WoRM - 2018)
22nd to 24th March 2018

Workshop Information & Call for Registration

Organized by

Institutional Research Board and Medical Education Unit
Chennai Medical College Hospital and Research Centre (SRM Group)
(Affiliated to The Tamilnadu Dr. M.G.R. Medical University*, Chennai), Irungalur – 621 105, Tiruchirapalli, Tamilnadu, India
[*University credit points and TNMC credit hours are awarded]

Dear Colleagues and Friends,

Greetings from Chennai Medical College Hospital and Research Centre (SRM Group), Tiruchirapalli!

We are delighted to organize the Fourth National Workshop on **"Research Methodology"** scheduled from 22nd to 24th March 2018. The institution seeks to educate and train research professionals and share recent knowledge on research so as to advance in research.

The workshop has been designed to provide structured programmes for formulating research questions and setting up research designs. Participation in the workshop is expected to enhance the research culture among post graduates and research scholars, as well as orient them towards research methodology and statistical methods which they are looking forward.

This workshop includes 10 lead lectures, 4 problem solving sessions, 6 hands on trainings, 5 group discussion and 3 presentations by the participants,

Areas of Focus

- Understanding the principles of research
- Reviewing published research papers
- Formulating precise research questions
- Writing a research proposal pertaining to guidelines of various funding agencies
- Carrying out research projects
- Managing data & interpretation by statistics
- Writing research articles
- Training to paper presentations in conferences

Who can attend?

Medical and Allied Health professionals; Postgraduate students and faculty from medical institutions, non medical professionals, research scholars and faculty engaged in research activities.

Participants are limited to 45

How to apply?

Dated: the15th October, 2015

NOTIFICATION

S.O. In exercise of the powers conferred by sub-section (2) of the section 11 of the Indian Medical Council Act, 1956(102 of 1956), the Central Government, after consulting the Medical Council of India, hereby makes the following further amendments in the First Schedule to the said Act.

In the said First Schedule after "The Tamilnadu Dr. M.G.R. Medical University, Chennai" and under the heading 'Recognised Medical Qualification' [Hereinafter referred to as column (2)], after the last entry and entry relating thereto under the heading 'Abbreviation for Registration'[hereinafter referred to as column (3)], the following shall be inserted, namely:-

(2)	(3)
"Bachelor of Medicine and Bachelor of Surgery"	M.B.B.S. (This shall be a recognised medical qualification when granted by The Tamilnadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Chennai Medical College Hospital & Research Centre, Irunagar, Trichy with annual intake of 150 MBBS students on or after February, 2014.)

CHENNAI MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE
In.No : 2453
23 OCT 2015
SRM GROUP

Note to all: 1. The recognition so granted to an undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
2. The procedure for 'Renewal' of recognition shall be same as applicable for the award for recognition.
3. Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned undergraduate Course.

MEDICAL COUNCIL OF INDIA

MCI-No.34(41)(RG-9) /2015-Med./ Dated:

The Secretary,
Govt. of India,
Ministry of Health & FW,
Nirman Bhavan,
New Delhi.

Sub:- Recognition/Approval of Chennai Medical College Hospital & Research Centre, Irungalur, Trichy for the award of MBBS degree (150 seats) granted by the Tamilnadu Dr. M.G.R Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

Sir,

I am directed to inform you that an assessment to verify the compliance submitted by the authorities of Chennai Medical College Hospital & Research Centre, Irungalur, Trichy on the deficiencies pointed out in the compliance verification assessment report(06th Aug., 2015) with regard to recognition /approval of the college for the award of MBBS degree (150 seats) granted by the Tamilnadu Dr. M.G.R Medical University, Chennai u/s 11(2) of the IMC Act, 1956 was carried out by the Council Assessors on 11th Sept., 2015. The compliance verification assessment report(11th Sept., 2015) along with the previous compliance verification assessment reports (6th Aug., 15 and 30th April, 2015) was considered by the Executive Committee and subsequently by the General Body of this Council at its meeting held on 1st October, 2015. The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee of the Council considered the compliance verification assessment report(11th Sept., 2015) along with the previous compliance verification assessment reports (6th Aug., 15 and 30th April, 2015) and decided to recommend recognition/approval of Chennai Medical College Hospital & Research Centre, Irungalur, Trichy for the award of MBBS degree (150 seats) granted by the Tamilnadu Dr. M.G.R Medical University, Chennai and decided to recommend to the Central Government for approval u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...
(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute."

In view of above, you are, therefore, requested to issue necessary notification at the earliest recognizing Chennai Medical College Hospital & Research Centre, Irungalur, Trichy for the award of MBBS degree when granted on or after Feb., 2014 by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

A copy of the assessment report is enclosed herewith.

Yours faithfully,

(S. Savitha)
Asstt. Secretary

   (iii) University or College (Private Medical College)
   (iv) Registered Society or Association

   Scientific organization with full address

   Chennai Medical College Hospital and Research Centre (SRM Group)
   Trichy-Chennai National Highways (NH-45), Irungalur Post,
   Manchanallur Taluk, Tiruchirapalli – 621 105, Tamilnadu, India

(b) If it is organized by a Society or Association, is it being held along with the Annual General body meeting of the society/ Association? **Not Applicable**

(c) Budget and major source(s) of income/ funding for the said conference: **Enclosed (Annexure 6)**

5. Name of the Organizing Secretary with whom correspondence may be made together with his/ her address, Telephone No., Fax., Email of any:

Dr. N. Prabhusaran
Research Faculty, Institutional Research Board (IRB)
Chennai Medical College Hospital and Research Centre (SRM Group)
Trichy-Chennai National Highways (NH-45)
Irungalur Post, Manchanallur Taluk
Tiruchirapalli – 621 105, Tamilnadu, India
Telephone: 431- 3058691; Fax: 0431-3058877
Mobile: 9842780322; Email: leptoprabhu@gmail.com

6. Participation expected:

(i) Please furnish the list (Name, Address and proposed title of the talk) of proposed

(a) Participants
Foreigner: **Not Applicable**
Indian: **Enclosed (Annexure 4)**

(b) How expenditure on international travel and local hospitality are proposed to be met? **Not Applicable**

(ii) National

Number of participants to whom TA/ DA are proposed to be offered
11 external invited speakers; 13 internal speakers and selected outside delegates on merits

7. Details of grants requested/ received from other agencies for the proposed meeting

Name of the Agency	Grant requested	Grant received (if any)	Purpose for which grant was asked for
ICMR, New Delhi	40,000/-	-	Stationery and Workshop kits

8. **Details of proposed expenditure**

(i)	Printing of papers and proceedings [Call letters, Invitation, Feedback, Certificates, Souvenir/ Workshop manual, handouts/ Activity materials]	:	75,000/-
(ii)	TA/ DA for participants specially for the Young Scientist	:	50,000/-
(iii)	Secretarial Assistance [Stationery, communication charges, incentives for secretarial staff, printing accessories]	:	25,000/-
(iv)	Incidental expenses [Kits for participants; transport charges, local hospitality, display materials, press and media, lunch and refreshments]	:	1,00,000/-
(v)	Printing of Abstracts	:	-
		Total: Rs.	**2,50,000/-**

9. (a) Indicate the specific purpose/ activity for which the grant is requested from the Indian National Science Academy: **Printing of papers and proceedings and secretarial assistance**
   (b) Amount of Assistance required from INSA: **Rs. 1,00,000/- (Rupees One lakh only)**

10. Whether organization/ Institution agree to maintain proper separate account of the grant, if sanctioned by the Academy? **Yes**

11. Whether applied for assistance previously? If so, with that result: **Not Applicable**

12. Details of the financial assistance already received from the Academy, if any, and the purpose for which it was received (within a period of 3 years)

Amount of grant	Purpose (in brief)	Total expenditure incurred	Amount of grant utilized/ unspent if any	Whether utilization certificate has been sent to the Academy
Not Applicable				

Endorsement by the Head of the Organizing Institute/ Society with seal of Office

Hospital & Research Centre
Irungalur, Trichy-621 105.

Signature of the Organizing Secretary
Place: Trichy, Tamilnadu.
Date: 22.11.2017

Annexure 1

Background of the Workshop

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence based policies and programmes.

Annexure 2

Title of the Workshop and other details

Title of the Workshop	:	IV National Workshop on "Research Methodology"
Date(s)	:	22 to 24, February 2018
Day(s)	:	Thursday, Friday and Saturday
Venue	:	Conference Hall Medical Education Unit Chennai Medical College Hospital and Research Centre (SRM Group)
Organizing Secretary	:	Dr. N. Prabhusaran Research Faculty Institutional Research Board (IRB)
Address	:	Chennai Medical College Hospital and Research Centre (SRM Group) Trichy-Chennai National Highways (NH-45) Irungalur Post, Manchanallur Taluk Tiruchirapalli – 621 105, Tamilnadu, India
Contact details	:	Telephone: 431- 3058691; Fax: 0431-3058877 Mobile: 9842780322 Email: leptoprabhu@gmail.com

Annexure 3

Objectives of the workshop

1. To train participants on research methods and design and on preparing proposals for research.
2. To update participants on various research grant opportunities and potential funding sources; and
3. To strengthen collaboration between academic/research institutions and disease- control programmes in conducting various research.
4. To prepare the research project to different funding agencies
5. To prepare the research papers for publications
6. To train the statistical methods used in medical research.

Annexure 4 - Full programme of the Workshop

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.02.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am	**Inauguration By Dr. G. Govindaraj**		
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. P. Dhanapal	Professor and Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Trichy
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature"	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
		Mr. M. Ismail	Research Coordinator, IRB CMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Associate Professor of Microbiology and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy
		Dr. R. Freethi	Assistant Professor of Biochemistry, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Malaikottai Uchchipullaiyar temple, Sri Renganathar temple and Samayapuram Maariamman temple.		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.02.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. B. Rock Britto) and Literature collection (Dr. M. Rajajeyakuamr)]		
10.01 – 10.30am	Sampling size and determination	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
		Dr. B. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.02.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Ismail) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. B. Venkatachalapathy	Dean-Research, SRM Group of Institutions, Trichy and Ramapuram campus
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. Sanjay Basak	Scientist D, National Institute of Nutrition (ICMR), Hyderabad
12.01 – 12.45pm	Plagiarism	Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. M. Rajajeya Kumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Annexure 5
Proposed Workshop topic been held during the last three years

S. No.	Name of the Workshop	Date(s)	Participants	Funding sources
1	First National Workshop on Research Methodology (WoRM' 2015)	29th September to 1st October 2015 (3 days)	Total of 45 delegates participated	ICMR and other local sponsors
2	Second National Workshop on Research Methodology (WoRM' 2017A)	2nd to 4th February 2017 (3 days)	Total of 52delegates participated	Nil (Budget managed through registration fees)
3	Third National Workshop on Research Methodology (WoRM' 2017B)	14th to 16th September 2017 (3 days)	Total of 39 delegates participates	ICMR and other local sponsors

Details of participants (discipline wise) in First National workshop on Research Methodology (29th September to 1st October 2015)

S.No.	Department	Internal	External	Total
1	Anatomy	1	-	1
2	Biochemistry	4	5	9
3	Biotechnology	-	4	4
4	Community Medicine	2	4	6
5	Microbiology	3	9	12
6	Pathology	1	-	1
7	Pharmacology	2	8	10
8	Physiology	2	-	2
	Total	**15**	**30**	**45**

Details of participants (discipline wise) in Second National workshop on Research Methodology (2nd to 4th February 2017)

S.No.	Department	Internal	External	Total
1	Anatomy	4	2	6
2	Biochemistry	4	7	10
3	Community Medicine	1	-	1
4	Dentistry	1	-	1
5	Engineering	-	1	1
6	ENT	-	2	2
7	Microbiology	3	2	5
8	Ophthalmology	-	3	3
9	Pediatrics	-	4	4
10	Pharmacology	2	-	2
11	Physiology	1	1	2
12	Radiology	3	-	3
13	Research	-	3	3
14	Surgery	-	8	8
	Total	**19**	**33**	**52**

Details of participants (discipline wise) in Third National workshop on Research Methodology (14th to 16th September 2017)

S.No.	Department	Internal	External	Total
1	Biochemistry	1	2	3
2	Biotechnology	-	9	9
3	Community Medicine	-	1	1
4	Dermatology, Venereology & Leprology (DVL)	-	2	2
5	Engineering	-	1	1
6	ENT	1	-	1
7	Forensic Medicine	1	-	1
8	Microbiology	3	2	5
9	Medical Lab Technology	-	1	1
10	Medicine	-	1	1

12	Obstetrics and Gynecology	-	1	1
13	Pathology	3	-	3
14	Pharmacology	1	2	3
15	Physiology	-	2	2
16	Physiotherapy	-	2	2
17	Zoology	-	1	1
	Total	**10**	**29**	**39**

Annexure 6

Proposed Budget for the Workshop

S.No.	Item expendables	Amount in Rs.	Total
Printing of papers and proceedings [75,000/-]			
1	Call letter	5,000/-	5,000/-
2	Invitation	5,000/-	10,000/-
3	Feedback	2,000/-	12,000/-
4	Certificates	3,000/-	15,000/-
5	Workshop manual	35,000/-	50,000/-
6	Hand outs	10,000/-	60,000/-
7	Activity materials	10,000/-	70,000/-
8	Activity models	5,000/-	75,000/-
TA and DA for young scientist, delegates and Guest speakers			
9	TA and DA for invited Guests (both internal and external)	30,000/-	1,05,000/-
10	TA and DA for selected outside delegates on merits	20,000/-	1,25,000/-
Secretarial Assistance			
11	Stationery	5,000/-	1,30,000/-
12	Communication charges	5,000/-	1,35,000/-
13	Incentives for secretarial staff	5,000/-	1,40,000/-
14	Printing accessories	10,000/-	1,50,000/-
Incidental charges			
15	Workshop kits	30,000/-	1,80,000/-
16	Transport charges (local)	5,000/-	1,85,000/-
17	Local hospitality	5,000/-	1,90,000/-
18	Display materials	3,000/-	1,93,000/-
19	Press and media	2,000/-	1,95,000/-
20	Lunch and Refreshments	55,000/-	**2,50,000/-**

Through

The Proper Channel

Respected Sir,

Subject: Chennai Medical College Hospital & Research Centre, Tiruchirapalli, Tamilnadu — Plan to organize a three day IV National Workshop on Research Methodology on 22nd to 24th February 2018 – requesting for financial support – Forwarding proposal - regarding.

The Institutional Research Board and Medical Education Unit, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli have proposed to organize a three day IV National Workshop on Research Methodology from 22nd to 24th February 2018. The application proforma support to Workshop have been prepared and enclosed. The institution would like to conduct the National Workshop under the sponsorship of TNSCST.

The application proforma along with name of tentative speakers, topics and proposed budget and other necessary documents are enclosed for your kind perusal.

Thanking you

Yours faithfully,

27/11/2017

(Dr. N. Prabhusaran)

Annexure 1 - Details about the Speakers

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.02.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am	**Inauguration By Dr. G. Govindaraj**		
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. P. Dhanapal	Professor and Head of Microbiology, Govt. K.A.P. Viswanatham Medical College, Trichy
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature"	Dr. M. Sathish	Scientist, Central Electrochemcial and Research Institute **(CSIR),** Karaikudi, Tamilnadu.
		Mr. M. Ismail	Research Coordinator, IRB CMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Associate Professor of Microbiology and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy
		Dr. R. Freethi	Assistant Professor of Biochemistry, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Malaikottai Uchchipullaiyar temple, Sri Renganathar temple and Samayapuram Maariamman temple.		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.02.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. B. Rock Britto) and Literature collection (Dr. M. Rajajeyakuamr)]		
10.01 – 10.30am	Sampling size and determination	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. P. Philip Samuel	Scientist C, Centre for Research in Medical Entomology (ICMR), Madurai
		Dr. B. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. Vijayaragahavan	Professor and Head of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. K. Nataraja Seenivasan	Professor of Microbiology, Bharathidasan University, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.02.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Ismail) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. B. Venkatachalapathy	Dean-Research, SRM Group of Institutions, Trichy and Ramapuram campus
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. Sanjay Basak	Scientist D, National Institute of Nutrition (ICMR), Hyderabad
12.01 – 12.45pm	Plagiarism	Dr. M. Rajajeyakumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. D. Dhanasekaran	Assistant Professor of Microbiology, Bharathidasan University, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. M. Rajajeya Kumar	Assistant Professor of Physiology, CMCH&RC, Trichy.
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**

4	Workshop hand material (manual)	15,000/-	1,30,000/-
5	Hospitality for Guests and Delegates	20,000/-	1,50,000/-
6	TA & DA for Guests and Delegates	40,000/-	1,90,000/-
7	Miscellaneous	10,000/-	2,00,000/-
	Total	**2,00,000/-**	**2,00,000/-**

Rupees Two Lakhs only

Annexure 3 - Social relevance, beneficiaries, Employment potential, improvement of production or quality, etc

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods and design and on preparing proposals for research.
2. To update participants on various research grant opportunities and potential funding sources; and
3. To strengthen collaboration between academic/research institutions and disease-control programmes in conducting various research.
4. To prepare the research project to different funding agencies
5. To prepare the research papers for publications
6. To train the statistical methods used in medical research.

Subject: - Grant of financial assistance for organizing 4th National Workshop on Research Methodology scheduled to be held on 22-24 Feb. 2018 at Tiruchirapalli (TN).

Sir/Madam,

Please refer to your letter dated 24th Nov. 2017 on the subject cited above.

The Director General of the Council is pleased to sanction the partial grant of ₹ 50,000/- (Rupees fifty thousand only) to meet part of the expenditure for organizing the above cited Seminar/ Symposium / Conference scheduled to be held on 22-24 Feb. 2018 at Tiruchirapalli (TN).

Please send the enclosed formal Bill and Bank detail duly filled in for ₹ 50,000/- for arranging payment immediately (in hard copy) indicating the name of authority in whose favour granted amount to be transferred.

After the Seminar/Symposium/Conference is over, a Utilization Certificate, Audit Report, Expenditure Statement ,Proceedings report in book, Souvenir/Abstract /summary report and CD may be sent to this office within three months under quoting ICMR Sanction letter number.

The unspent balance, if any, from the sanctioned amount of ₹ 50,000/- should be refunded to the Council.

This issues with the approval of the Competent Authority of ICMR.

Yours faithfully,

(Sarvjit Singh)
Consultant
for Director General

Respected Sir,

Subject: IV National Workshop on Research Methodology - Chennai Medical College Hospital & Research Centre, Tiruchirapalli, Tamilnadu — Acknowledge of grant in aid – requesting for change of dates – requested - reg.

Reference: 1. No.7/1051/17-seminars (HRD) dated 16.01.2018 from Section Officer (Sarvajit Singh) for Director General, New Delhi
2. Financial request letter submitted for the office of the Dean, CMCH&RC dated 23.11.2017

We thank the Director General, Indian Council Medical Research (ICMR) for according the financial approval for the conduct of IV National Workshop on Research Methodology as per the above cited first letter.

Due to technical constraints and University Examinations, we are compelled to reschedule the workshop dates for the month of March (22nd to 24th) 2018 instead of 22nd to 24th February 2018 as stated in the above said second letter.

I am herewith enclosing the following documents as in the above said first letter.

1. Pre Receipted ICMR Formal Bill – 2 copies
2. Bank Details – 2 copies
3. Photocopies of cancelled cheque – 2 copies
4. Undertaking – 1 copy

Thanking you

Yours faithfully,

Assistance to Professional Bodies and Seminar Symposia

File Number: SSY/2018/000025

Dated: 22-Feb-2018

Subject: Application titled "IV National Workshop on Research Methodology"

Dear Dr. Nagarajan Prabhusaran,

It is to inform you that your proposal seeking for financial assistance under "Assistance to Professional Bodies & Seminar / Symposia Scheme" has been considered and recommended for the same. We are now agreed to provide **Rs 1,00,000/-** as **partial grant-in-aid** to the recommended application.

Kindly note that, no separate communication by post would be sent to you in this regard.

With kind regards,

(Dr. Ramesh Vijayan)

Sir,
Greetings from Chennai Medical College Hospital and Research Centre, Tiruchirapalli, India!!!!
We profusely thank the SERB for considering our request and according financial sanction towards the conduct of IV National Workshop on Research Methodology (March 22nd to 24th 2018).
Kindly permit us to use your name and logo in workshop materials, certificates and banners.
We look forward to your kind letter of permission and proof of amount transferred to our account through RTGS.

Thank you very much

Yours faithfully,
Prabhusaran Nagarajan

From

Dr. N. Prabhusaran
Organizing Secretary, IV National Workshop on Research Methodology,
Institutional Research Board,
Chennai Medical College Hospital and Research Centre (CMCH&RC),
Irungalur – 621 105,
Tiruchirapalli, Tamilnadu.

To

The Dean of Students
The Centre of CME Accreditation
The Tamilnadu Dr. MGR Medical University
Guindy, Chennai – 600 032

Through Proper channel,

Respected Sir/ Madam,

Subject: **Submission of proposal for CME Credit points – Requesting – Reg.**

The Institutional Research Board and Medical Education Unit, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli are organizing IV National Workshop on "Research Methodology" on March 22nd to 24th 2p018. For that, we applied profroma with DD of Rs. 1,000/- for accreditation of the educational activity from The TN Dr. MGR Medical University, Chennai. Kindly accept our request and do the needful.

Thanking you

Yours faithfully,

NPrabhu 17/2/2018

(Dr. N. Prabhusaran)

Checklist for application for CME accreditation

Particulars marked* is mandatory – without which the application will NOT be processed

S.No.	Name of the document	Attached (Pl. tick if attached)
1	Covering letter	✓
2	Attach organizational chart and staff reporting relationship for the applied CME activity	✓
3	Original of the invite or circular prepared for the CME	✓
4	Area of the speciality and primary beneficiaries mentioned	✓
5	Aim and Objectives of the CME	✓
6	Synopsis of each presentation	-
7	CV of speakers	✓
8	Scientific session in the given format	✓
9	Program Evaluation form (model/ template)	✓
10	Certificate to the participants	✓

Signature of the Organizing Secretary

Name : Dr. N. Prabhusaran

Date : 17.02.2018

Seal :

Application format for CME Accreditation

Section A: Administrative Details

Note: Particulars marked * is mandatory, without which applications will NOT be processed

1.	Title of the activity	:	Fourth National Workshop on Research Methodology (WoRM 2018)
2.	Scheduled Dates	:	22nd to 24th March 2018
3.	Duration in hours of the Educational sessions	:	Enclosed (Annexure 1)
4.	Venue	:	Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur – 621 105, Tiruchirapalli, Tamilnadu
5.	CME Provider	:	Chennai Medical College Hospital and Research Centre, Tiruchirapalli
6.	Type of the organizing Institution	:	Academic Institution
7.	Contact Details of the CME provider	:	Dr. N. Prabhusaran, Associate Professor of Research & Microbiology Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur – 621 105, Tiruchirapalli, Tamilnadu Telephone Number: 0431-3058691 Email: leptoprabhu@gmail.com Fax: 0431-3058877 Mobile: 9842780322
8.	Organizational Chart for The CME	:	Enclosed (Annexure 2)
9.	Co-coordinator of the CME	:	Dr. A. Sundhararajan Asst. Prof. of Research & Biochemistry Chennai Medical College Hospital and Research Centre (SRM Group), Irungalur – 621 105, Tiruchirapalli, Tamilnadu Telephone Number: 0431-3058691 Email: sundhararajana@gmail.com Fax: 0431-3058691 Mobile: 9787126320

10. Previous Educational activity or activities accredited by University : Yes Enclosed (Annexure 3)

11. Commercial support for the Educational activity : Nil

Format for Scientific Session (CME)

Date: 22.03.2018 to 24.03.2018

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.03.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am: Inauguration Welcome Address : **Dr. P. Thirumalaikolundusubramanian,** Head, IRB Lighting Kuthivilakku Presidential Address : **Dr. S. Vinayagam,** Director (H.S) and Dean, CMCH&RC Felicitation : **Dr. N. Balasubramanian,** Deputy Director **Dr. P. Anusuya,** Medical Superintendent **Dr. Gurudatta S. Pawar,** Vice Principal Release of Workshop Manual Inaugural Address : **Dr. G. Govindaraj,** Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Trichy Vote of Thanks : **Mr. M. Ismail**, Research Coordinator			
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director & Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. Gurudatta S. Pawar	Professor and Head of Forensic Medicine and Toxicology, CMCH&RC, Tiruchirapalli
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature" [Batchwise – 7 batches]	Dr. M. Anbarasi	Associate Professor, Department of Physiology, DSMCH, Perambalur
		Mr. M. Ismail	Res. Coordinator, IRB CMCH&RC, Trichy.
		Dr. R. Thamarai	Asso Prof of Biochemistry, CMCH&RC
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Anupriya	Asst Prof of Microbiology, CMCH&RC
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.03.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. S. Elango) and Literature collection (Mr. M. Ismail)]		
10.01 – 10.30am	Sampling size and determination	Dr. D. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. D. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
		Dr. S. Sankar	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. M. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. M. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.03.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Pandi) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. H. Geetha	Professor of Biochemistry, CMCH&RC, Tiruchirapalli
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
12.01 – 12.45pm	Plagiarism	Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. G. Bala Madelleti	Associate Professor of Forensic Medicine, CMCH&RC, Trichy
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Annexure 1 - Duration in hours of the Educational sessions

TIME	SESSION
Day 1: 22.03.2018	
08.00 – 09.00 am	***Registration***
09.01 – 09.30 am	***Icebreaking session***
09.31 – 10.00 am	***Inauguration***
10.01 – 10.30am	Session **I** – Why Research & How to choose a research topic
10.31 – 11.00am	***Tea break***
11.01 – 11.30am	Session **II** – Epidemiological Research – an overview
11.31am – 12.00noon	Session **III** - Study Design and Types of Study
12.01 – 01.30pm	Session **IV** – Training on Epidemiological Research
01.31 – 2.15pm	***Lunch Break***
02.16 – 02.45pm	Session **V** – Human Ethical issues
03.16 – 04.00pm	Session **VI** – Theory on Literature Collection
04.01 – 04.15pm	***Tea Break***
04.16 – 05.30pm	Session **VII** – Hands on training on How to collect literature?
Day 2: 23.03.2018	
08.30 – 09.30am	***Review & Feedback of previous day observations - Group wise***
09.31 – 10.00am	Session **VIII** – Sampling size and determination
10.01 – 10.30am	***Tea Break***
10.31 – 11.30am	Session **IX** – Activity related to Sampling size
11.30am – 12.00noon	Session **X** – Questionnaire Research
12.01 – 12.30pm	Session **XI** – Preparation of Questionnaire and its review
12.31 – 01.15pm	***Lunch Break***
01.16 – 04.15pm	Session **XII** – Hands on Training on SPSS
04.16 – 04.30pm	***Tea Break***
04.31 – 05.30pm	Session **XIII** – Research Protocol preparation and Fund raising
Day 3: 24.03.2018	
08.30 – 09.30am	***Review & Feedback of previous day observations-Group wise***
09.31 – 10.00am	Session **XIV** – Integrated Research
10.01 – 10.30am	***Tea Break***
10.31am – 12.00pm	Session **XV** – Research paper presentations
12.01 – 12.30pm	Session **XVI** – Plagiarism
12.31 – 01.15pm	Session **XVII** – An overview of Art of Drafting Research Articles
01.16 – 02.00pm	***Lunch Break***
02.01 – 03.30pm	Session **XVIII** – Hands on training on drafting research articles
03.31 – 04.00pm	Session **XIX** – Project Report Preparation
04.01 – 04.30pm	Conclusionary Remarks, Vote of Thanks and Certificate Distribution

IV National Workshop on Research Methodology (22nd to 24th March 2018)

Governing Committee

Chief Patron

***Dr. T.R. Paarivendhar*,**
Founder Chancellor, SRM University

Patron

Dr. R. Shivakumar,
Chairman, SRM – Trichy & Ramapuram campus

Advisory Board (Admn.)

***Dr. Sukumaran Annamalai*,** Dean
Dr. P. Anusuya , Medical Superintendent
Dr. Gurudatta S. Pawar, Vice Principal

Advisor (Academic)

Dr. P. Thirumalaikolundusubramanian
Professor and Head, IRB
Professor of Medicine

Workshop Chairperson/ Convener

Dr. P. Thirumalaikolundusubramanian
Professor and Head, IRB
Professor of Medicine

Editorial Executive

Mr. M. Ismail
Professor of Research and Medical Entomologist

Organizing Secretary

Dr. N. Prabhusaran,
Associate Professor of Research & Microbiology

Dr. A. Sundhararajan
Assistant Professor of Research & Biochemistry

Organizing Members

Dr. R. Thamarai, Associate Professor of Biochemistry
Dr. G. Bala Madeliti, Associate Professor of Forensic Medicine
Dr. K. Hemalatha, Associate Professor of Community Medicine
Dr. A. Anupriya, Assistant Professor of Microbiology
Dr. K. Kanagasanthosh, Assistant Professor of Pharmacology
Dr. L. Manivannan, Physical Director
Dr. K. Ilavenil, Tutor in Anatomy

Annexure 3 – Previous Education activity or activities accredited by University

S. No.	Programme	Date(s)	Organizing Dept.	Credit point and category
1	Third State Conference of IADVL – Tamilnadu branch	13th and 14th October 2012	Dermatology and MEU	20 under category II
2	Lecture workshop on Need of Understanding the Neglected tropical diseases	26th and 27th Nov 2012	Microbiology and Health Science Research (HSR)	20 under category III
3	Awareness programme on Antimicrobial Resistance – a global threat	16th March 2013	Microbiology	5 under category III
4	Lecture workshop on Neuropsychiatry diseases	4th and 5th April 2013	Biochemistry, HSR, Medical Education Unit (MEU)	15 under category II
5	CME on diabetes update	21st June 2013	Biochemistry, HSR, MEU	10 under category II
6	Academic Carnival on Shock	13th and 14th August 2013	Forensic Medicine, Microbiology, Pathology and Pharmacology	10 under category II
7	National Symposium on Emerging and Re-emerging viral infections	30th and 31st August 2013	Microbiology, HSR, MEU	15 under category II
8	CME on Expanding Frontiers in Anatomy and Workshop on Plastination	6th and 7th September2013	Anatomy, HSR and MEU	20 under category II
9	CME on Hemato Pathology	10th September 2013	Pathology, Health Science Research and MEU	10 under category II
10	CME on Operation Theatre Sterilization and Disinfection	29th March 2014	Microbiology	5 under category II
11	CME on Heat Shock proteins and Antimicrobial Resistance	4th July 2014	Microbiology	5 under category II
12	CME on HIV Care	22nd July 2014	Skin and STD	10 under category II
13	CME on Ocular Pathology	14th August 2014	Pathology	10 under category II
14	CME on Somatoform Disorder	17th September 2014	Psychiatry, HSR and MEU	10 under category II
15	CME on Voice disorder	18th September 2014	ENT, HSR and MEU	10 under category II
16	CME on Sepsis – a global killer	26th September 2014	Microbiology, HSR and MEU	10 under category II
17	CME on Cardiac illness	10th September 2014	Medicine, HSR and MEU	10 under category II
18	CME on Basics in Dermatology	17th September 2014	Skin and STD, HSR and MEU	10 under category II

19	CME on Pharmaceutical Waste Management	30th October	Pharmacology, HSR & MEU	10 under category II
20	Workshop on Research Methodology	29th September to 1st Oct.	Research Cell and MEU	30 under category III
21	CME on Cancer update	19th November 2015	Biochemistry, Research cell and MEU	5 under category II
22	CME on OSPE	6th January 2016	Medical Education Unit	10 under category II
23	CME on Polio the way forward	16th February 2016	Community Medicine and MEU	10 under category II
24	CME capsules on Managing Trauma	21st to 24th March 2016	Anatomy, Research Cell and MEU	15 under category II
25	CME on Visual Neurophysiology	31st March 2016	Physiology, Ophthalmology, Research Cell and MEU	10 under category II
26	CME on Spectrum of Ultrasonographic Anatomy – a diagnostic and therapeutic approach	2nd April 2016	Anatomy, Research Cell and MEU	10 under category II
27	CME on Diabetes – a global emergency	7th April 2016	Community Medicine, Medicine and MEU	10 under category II
28	CME on Spine	23rd April 2016	Orthopedics and MEU	10 under category II
29	Medicine Update 2016	24th June 2016	Medicine and MEU	10 under category II
30	CME on CKD	19th July 2016	Biochemistry, Nephrology & MEU	10 under category II
31	CME on RACE	10th November 2016	Radiology, Anatomy & MEU	20 under category II
32	Second Workshop on Research Methodology	2nd to 4th February 2017	Institutional Research Board and MEU	30 under category III
33	CME on Biology of Ageing and Care of the Elderly	17th March 2017	Biochemistry and MEU	10 under category II
34	CME and Workshop on Quality Assurance in Clinical Lab Services	31st March 2017	Biochemistry and MEU	10 under category III
35	CME and Workshop on Nerve conduction	15th and 16th June 2017	Physiology and MEU	20 under category II
36	CME on Medical Update	17th August 2017	Medicine and MEU	10 Category II
37	CME on Biochemical Evaluation of Bone and Bone disorders	24th August 2017	Biochemistry and MEU	10 Category II
38	CME on Dermatophytoses – challenges ahead	5th September 2017	Dermatology and Microbiology	5 category II
39	III National Workshop on Research Methodology	14th – 16th September 2017	Institutional Research Board and MEU	30 Category III
			Total credit points received	**490**

Annexure 4 – Aim and Objectives

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence-based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods, study design and preparation of proposals for research.
2. To prepare the research project to different funding agencies
3. To prepare the research papers for publications
4. To train the statistical methods used in medical research.
5. To motivate the participants on various research grant opportunities and train them for preparing academic research reports
6. To strengthen the disease-control programme by collaboration between academic / Research institutions and Industry

Annexure 5 - CME Evaluation Form

Name of the Course : IV National Workshop on Research Methodology

Location of Course : Chennai Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli

Date (s) of the Course : 22nd to 24th March 2018

Please circle the number which most closely represents your view on each of the following

1. The presentations met the program objectives

   Poor Normal Average Good Very Good Excellent Outstanding

2. The quality of the speakers

   Poor Normal Average Good Very Good Excellent Outstanding

3. Effectiveness of the written handouts/ materials

   Poor Normal Average Good Very Good Excellent Outstanding

4. Practical value of the subject matter to me

   Poor Normal Average Good Very Good Excellent Outstanding

5. Value of the program in a public health setting

   Poor Normal Average Good Very Good Excellent Outstanding

6. Information presented at course will help me improve

   ---

7. The material presented will be incorporated in my practice in the following way

   ---

   ---

8. My overall impression of the program

   Poor Normal Average Good Very Good Excellent Outstanding

9. I have the following recommendations for improvement of the program

   ---

Sir/ Madam,

Subject: **Submission of proposal for CME Credit hours – Requesting – Reg.**

The Institutional Research Board and Medical Education Unit, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli has proposed to organize three day IV National Workshop on "Research Methodology" from 22nd to 24th March 2018. In this regard, we herewith enclosed a filled in profroma for accreditation (credit hours) of the educational activity from Tamilnadu Medical Council, Chennai. Kindly accept our request and do the needful.

Thanking you

Yours sincerely,

Encl.: 1. CME credit hours Application with necessary Annexures

DETAILS OF THE CME'S BEING CONDUCTED:

a) For the past how many years: 3 years.

b) Approximately how many in a year (send copies of the invitations for the last twelve months) Two per year.

c) Are the subjects aimed for General Practitioners or Specialists: Undergraduates, Postgraduates, Residents, Faculty members of Streams Pursuing/guiding Research.

d) Average attendance in each meeting: 115

e) Average duration of scientific discussion in each meeting: 8 hours per day.

f) Usual venue of the meetings: Conference Hall, Medical Education Unit, 5th Floor, College Block, CMCHRC, Trichy

DECLARATIONS:

1. We shall abide by the rules and regulations laid down by the MCI/TNMC and maintain a complete register of the proceedings of all the meetings, for future reference.

2. We will send a copy of every CME to be conducted by our organization , to the TNMC , in advance and have no objection for surprise verification of the meetings by a doctor, authorized by the Tamil Nadu Medical Council.

3. We shall issue attendance certificates to all the participants, in the prescribed format and maintain counterfoils for the same , for a period of seven years.

4. After each CME program, we shall send the list of the doctors participated to the Tamil Nadu Medical Council within 7 days under Registered post.

5. We shall keep the Tamil Nadu Medical Council informed immediately, whenever there is a change in the office bearers of our organization/Institution.

6. The information given above is true to the best of our knowledge.

7. Institutions / Organisations/Associations conducting C.M.E. Programmes may have banquet, Alcoholic beverages should not be served in the meeting venue. If any complaint receives the accreditation for the Institutions / Organisations /Associations will be cancelled.

We request you to register our Medical Organization / Institution, authorizing to conduct period CME Programmes and issue attendance certificates to the participating doctors, for purposes of re-registration.

Date: 22.03.2018 to 24.03.2018

Day One Programmes

Time	Topic	Speaker	Local/ External
Day 1: 22.03.2018			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 09.30 am	Ice breaking session	Dr. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am: Inauguration Welcome Address : **Dr. P. Thirumalaikolundusubramanian,** Head, IRB Lighting Kuthivilakku Presidential Address : **Dr. S. Vinayagam,** Director (H.S) and Dean, CMCH&RC Felicitation : **Dr. N. Balasubramanian,** Deputy Director **Dr. P. Anusuya,** Medical Superintendent **Dr. Gurudatta S. Pawar,** Vice Principal Release of Workshop Manual Inaugural Address : **Dr. G. Govindaraj,** Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Trichy Vote of Thanks : **Mr. M. Ismail**, Research Coordinator			
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Director & Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. P. Ganesh Kumar	Scientist C, National Institute of Epidemiology **(ICMR),** Chennai
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. P. Ganesh Kumar, Scientist C, National Institute of Epidemiology **(ICMR),** Chennai Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. Gurudatta S. Pawar	Professor and Head of Forensic Medicine and Toxicology, CMCH&RC, Tiruchirapalli
3.16 – 4.00pm	Theory on Literature collection	Dr. M. Anbarasi	Associate Professor, Department of Physiology, Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur
4.00- 4.15pm	**Tea Break**		
04.15- 5.30pm	Hands on Activity "How to collect literature" [Batchwise – 7 batches]	Dr. M. Anbarasi	Associate Professor, Department of Physiology, DSMCH, Perambalur
		Mr. M. Ismail	Res. Coordinator, IRB CMCH&RC, Trichy.
		Dr. R. Thamarai	Asso Prof of Biochemistry, CMCH&RC
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Anupriya	Asst Prof of Microbiology, CMCH&RC
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.03.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 10.00am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. S. Elango) and Literature collection (Mr. M. Ismail)]		
10.01 – 10.30am	Sampling size and determination	Dr. D. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
10.31 – 11.00am	**Tea Break**		
10.01 – 11.00am	Activity related to Sampling size	Dr. D. Rock Britto	Assistant Professor of Community Medicine, CMCH&RC, Trichy
		Dr. S. Sankar	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.01 – 11.30am	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
11.31am – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Assistant Professor of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
		Mr. Pandi	Biostatistician, Department of Community Medicine, Madurai Medical College, Madurai
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol and fund raising	Dr. M. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. M. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
7.00pm onwards	**Cultural Events and Dinner**		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.03.2018			
08.00 – 08.30am	**Breakfast**		
08.30 – 09.30am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. M. Pandi) and Research protocol preparations (Dr. A. Anupriya)]		
09.31 – 10.30am	Integrated Research	Dr. H. Geetha	Professor of Biochemistry, CMCH&RC, Tiruchirapalli
10.31 – 11.00am	**Tea Break**		
11.01am – 12.00noon	Research paper presentations	Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
12.01 – 12.45pm	Plagiarism	Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
12.45 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
02.15 – 3.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. G. Bala Madelleti	Associate Professor of Forensic Medicine, CMCH&RC, Trichy
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
3.30 – 4.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

About the Workshop on Research Methodology

Research methodologies in general have an impact on the validity and generalizability of a study, which in turn, play a vital role in knowledge development of scientific activities. Despite research output, programmatic gaps exist in the prevention and control of infectious diseases of poverty requiring operational research. Such gaps include insufficient service coverage, vulnerable and marginalized group not accessing adequate diagnosis and care, slow adaptation and adoption of available technology, lack of innovation in health care delivery and under utilization of research outputs. The quantity as well as the quality of operational studies on these diseases is still insufficient in the Indian continent. One of the challenges is the weak capacity among researchers especially in the developing countries, in designing and conducting operational research which addresses programmatic gaps.

Insufficient training opportunities in research methods and design among researchers, and disease control programme staff members have prevented them from developing competitive research proposals. Despite existing opportunities, many of them have been less successful in accessing these. Furthermore, collaboration between the academic and research institutes, and disease control programmes is weak. The number of operational research projects which effectively involve both disease control programmes and academic and/or research institutes is limited. Strengthening collaborations is crucial to effectively link research and programmes for evidence-based policies and programmes.

The objectives of the workshop are

1. To train participants on research methods, study design and preparation of proposals for research.
2. To prepare the research project to different funding agencies
3. To prepare the research papers for publications
4. To train the statistical methods used in medical research.
5. To motivate the participants on various research grant opportunities and train them for preparing academic research reports
6. To strengthen the disease-control programme by collaboration between academic / Research institutions and Industry

Announce the
ICMR Sponsored
IV - NATIONAL WORKSHOP
on
"RESEARCH METHODOLOGY"
(WoRM - 2018)
22nd to 24th March 2018

Workshop Information & Registration

Organized by

Institutional Research Board and Medical Education Unit
Chennai Medical College Hospital and Research Centre
(Affiliated to The Tamilnadu Dr. M.G.R. Medical University*, Chennai), Irungalur – 621 105, Tiruchirapalli, Tamilnadu, India

[*University credit points and TNMC credit hours are awaited]

Dear Colleagues and Friends,

Greetings from Chennai Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli!

We are delighted to organize the Fourth National Workshop on **"Research Methodology"** scheduled from 22nd to 24th March 2018. The institution seeks to educate and train those interested in research and share recent knowledge on research so as to advance in research.

The workshop has been designed to provide structured programmes for formulating research questions and setting up research designs. Participation in the workshop is expected to enhance the research culture among post graduates and research scholars, as well as orient them towards research methodology and statistical methods which they are looking forward.

This workshop includes 8 lead lectures, 5 problem solving sessions, 7 hands on trainings, 5 group discussion and 3 presentations by the participants.

Areas of Focus

- Understanding the basic principles of research
- Reviewing published research papers
- Formulating precise research questions
- Writing a research proposal pertaining to guidelines of various funding agencies
- Carrying out research projects
- Processing data and statistical analysis
- Writing research articles
- Training to present papers and posters

Who can attend?

Medical and Allied Health professionals; Postgraduate students and faculty from medical institutions, non medical professionals, research scholars and faculty engaged in research activities.

Participants are limited to 45

How to apply?

Individual applicant is requested to complete the registration form along with necessary three annexures*, and other enclosures as mentioned in the Registration form, and submit these to Organizing Secretary on or before 10th March 2018.

- The payment of the application processing fees does not confirm the selection of participation to the workshop.
- Incomplete applications will be rejected.
- The application received after the last date will not be considered.
- The results of the selection will be intimated through email & mobile on 12th March 2018.
- The application processing fees will be refunded for the candidates who are not selected.
- The application processing fees will not be refunded if the selected candidates could not participate in the workshop.
- The selected candidates are expected to adhere to the rules and regulations of the workshop scrupulously.
- Exchange of participant is not permitted.

Privileges to participants

Selected participants are entitled for

- Free registration and Workshop kit
- TA [by producing the proof (only II class non A/C train/ bus fare or its equivalent)].
- 3 days breakfast and Refreshments
- Lunch, dinner and Free local visit
- Free Accommodation

Conditions

- Full time participation is compulsory for administrative and academic purposes
- Laptop and pen drive are mandatory
- Kids are not allowed
- Mobile phones are not permitted inside the workshop venue
- Selected participants have to display a poster on a title related to Research Methodology assigned to him/ her.

Places of interest

Tiruchirapalli, Tamilnadu is well known for its historical and cultural heritage. The best places to be visited are UchchiPillayar temple (Rockfort/ Malaikottai); Srirangam Ranganathaswami temple (Boologa Vaigundam/ Asia's second biggest temple); Thiruvanaikka Akilandeshwari Amman temple (Panchabootha Sthalam – water and sakthipeeta Sthalam); Samayapuram Mariamman temple; Uthamar Kovil; Kallanai (Cholas' historical monument), Natharsha mosque, Lourdu Mary church, Butterfly garden etc.

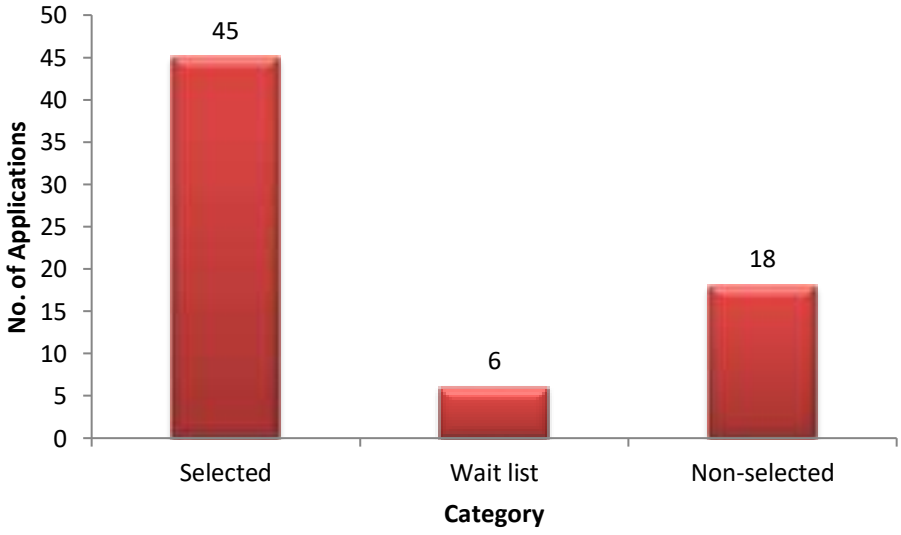
11.2. Application Scrutinizing process

Among the 69 total registrations, 45 applications were selected with the help and guidance of panel of 8 experts including

1. Dr. K. Hemalatha, Associate Professor of Community Medicine
2. Dr. G. Bala Maddileti, Associate Professor of Forensic Medicine and Toxicology
3. Dr. A. Gnanavelraja, Associate Professor of Anatomy
4. Dr. A. Anupriya, Assistant Professor of Microbiology
5. Dr. K. Kanagasanthosh, Assistant Professor of Pharmacology
6. Dr. K. Ilavenil, Tutor in Anatomy
7. Dr. L. Manivannan, Head of Physical Education and Yoga
8. Mr. M. Ismail, Research Coordinator

The details of the selection process and its final list are attached. All the above listed experts are requested to mark their comments as "Recommended/ Not Recommended" only. Based on the number of experts recommended, the delegates were selected and final list were prepared. A list of wait list applicants was also prepared. Finally three categories of applicants were prepared.

1. Selected
2. Wait list
3. Not selected



Chapter 12.2. Application Scrutiny details.

42	**WoRM – 2018/163**	**Mr. Kiptoo Geoffry**, Ph.D Research Scholar, Department of Biochemistry Kuvempu University, Shivamoga, Karnataka

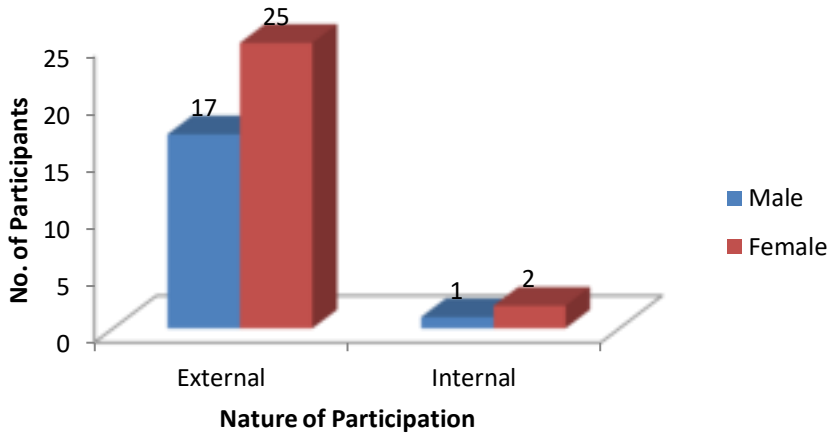
Chapter 12.3.2: Final Selected Delegates' list (internal)

S. No.	Ref. No.	Name of the Delegate, Designation and Address
1	**WoRM -2018/201**	**Ms. S. Kokila**, Demonstrator, Department of Microbiology, Chennai Medical College and Research Centre, Tiruchirapalli
2	**WoRM -2018/202**	**Dr. P.R. Revathi**, Assistant Professor, Department of Dentistry, Chennai Medical College and Research Centre, Tiruchirapalli
3	**WoRM -2018/203**	**Dr. C. Jegan Kumar**, Assistant Professor, Department of Dentistry, Chennai Medical College and Research Centre, Tiruchirapalli

11.3. Selected Delegates' details

11.3.1. Male verses Female Representation

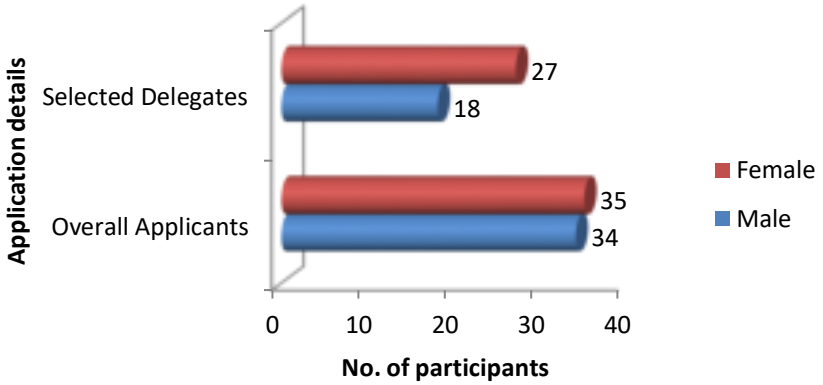
Finally, after unanimous scrutinization, among 69 applications, 45 were selected and informed to the concerned individuals and their institution through email and phone call. The final selection details are as follows,



Further, out 45 initially selected applicants, 11 were declined their participation due to health, internal official issues, examinations and inspections. In order to strengthen the exact number of delegates, we invited the wait list candidates to participate, few of them accepted happily and the remaining were selected from non-selected postgraduates. As a final, a total of 45 delegates participated successfully.

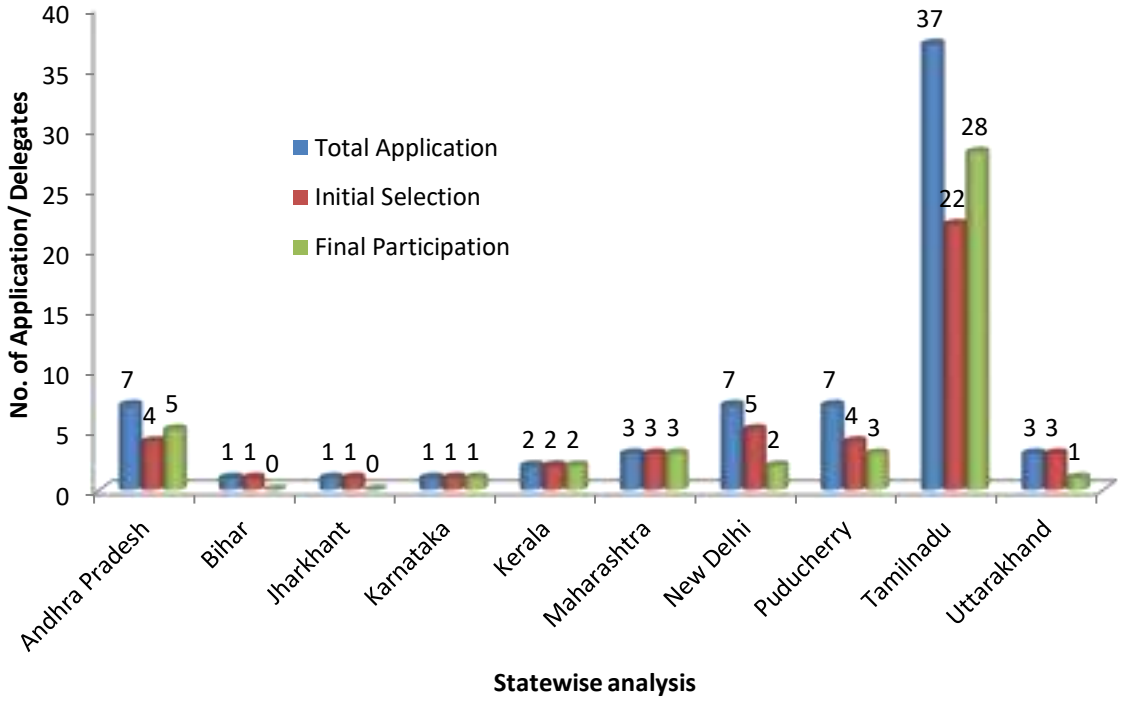
11.3.2. Selected Delegates verses overall registration details

A total of 69 applications received, out of them 45 were selected by using standard guidelines and regulations designed by the organizing committee.



11.3.3. State wise registration, selection and participation details

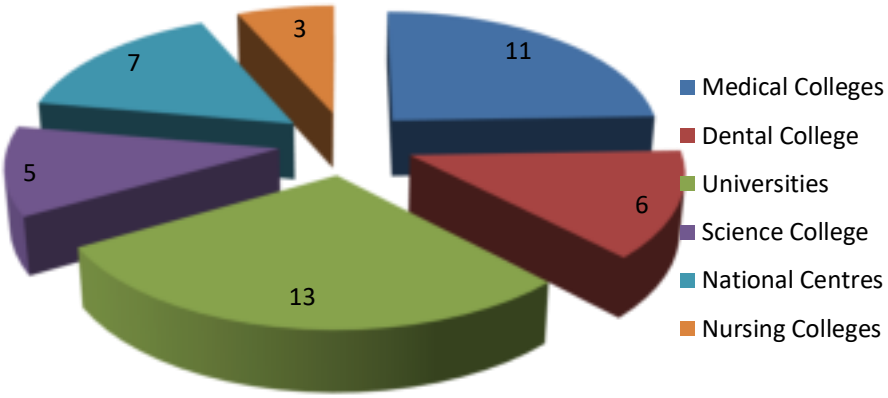
Out of 69 total registrations, 37 were registered from Tamilnadu followed by Puducherry (7), Maharshtra (3), Andhrapradesh (7), Karnataka (1), Kerala (2), New Delhi (7), Uttarakhand (3); Jharkant (1) and Bihar (1). Among Tamilnadu registrants, 22 were initially selected and further 28 were participated.



11.3.4. Institution wise registration, selection and participation details

Institutions	Registered	Selected	Participated
Medical Colleges	20	8	11
Dental College	6	2	6
Universities	19	17	13
Science College	5	4	5
National Centres	14	12	7
Nursing Colleges	4	2	3
Agriculture Institution	1	-	-
Total	**69**	**45**	**45**

Final list of participants



11.3.5. Discipline wise registration and participation

Discipline	Registered	Selected	Participated
Anatomy	2	1	1
Anesthesia	1	1	1
Biochemistry	7	6	7
Bioinformatics	1	1	-
Biotechnology	5	4	5
Botany and Agriculture	2	-	-
Chemistry	1	-	-
Chemical Engineering	1	1	1
Clinical Research	1	1	-
Dentistry	5	2	2
Environmental Science	5	5	2
General Medicine	1	1	1
Genetics	2	2	2
Laboratory Medicine	4	3	-
Life Sciences	1	1	1
Marine Sciences	2	1	2
Microbiology	5	3	4
MBBS (UG)	2	1	1
Neurology	1	-	-
Nursing	4	2	3
Pathology	1	-	-
Pharmacology	3	2	1
Physiology	3	3	3
Radiology	5	-	5
Zoology	4	4	3
Total	**69**	**45**	**45**

11.3.6. Designation wise participation

Designation	Total Applications	Initial Selected list	Final Participants
Undergraduates	12	1	1
Postgraduates	5	1	5
Research Scholars	25	20	15
Research Officers	7	6	3
Lecturers/ Tutors	9	6	8
Assistant Professors	13	9	10
Associate Professors	4	2	2
Professors	4	1	1
Total	**69**	**45**	**45**

Final Participants details

Dr. N. Prabhusaran
Organizing Secretary
IV National Workshop on Research Methodology

Tiruchirapalli, Tamilnadu
12.03.2018

To

Ms. Aruna A. Jawade
Scientific Officer
Department of Biochemistry
National Institute of Miner's Health
Nagpur

Reference: WoRM – 2018 – 140

Madam,

The Institutional Research Board and Medical Education Unit of Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli, Tamilnadu are pleased to inform that you have been selected to participate as a ***"Delegate"*** in the IV National Workshop on Research Methodology (WoRM-2018) to be held from 22nd to 24th March 2018. This activity based participatory workshop is sponsored and supported by the Institution (CMCH&RC), Indian Council of Medical Research (ICMR) and Science and Engineering Research Board (SERB), New Delhi. You are expected to adhere the instructions given below for the successful conduct of the workshop.

General

1. The workshop venue is the Conference Hall of Medical Education Unit located in the III Floor of College block.
2. The workshop venue will be kept opened from 7.00am on 22.03.2018 and the registration will commence at 8am on 22.03.2018.
3. Late comers will not be entertained for the workshop as the sessions are cumulative and it will be very difficult to understand if someone joins late.
4. The workshop will commence as per the time schedule (programme schedule enclosed) and may likely be extended upto 7pm if needed.

5. Breakfast, working lunch, dinner, snacks and tea (vegetarian only) will be provided on the workshop days.
6. Certificate, attendance certificate and workshop manual will be given only to the delegates who attend all the sessions on the last day of the workshop.
7. Please bring necessary medicines and a copy of medical record (if any) with you.
8. It will be good if you come and settle down before the night of 21st March. Your accommodation will be available from 6pm of 21st March 2018; you are informed to contact Dr. L. Manivannan (9994483277) for accommodation.
9. Small group of delegates will be allotted to a mentor from the organizing team; and the details of the mentors will be informed at the time of registration. Mentor will assist, monitor and guide his/her mentees throughout the workshop days. Each mentor will select one from his/her group as **"My best mentee"** who will be honored appropriately.
10. Various awards will be given to the participants such as five best poster awards, 12 best activity performer awards, Innovative Thinker - WoRM 2018 and Best participant award - WoRM 2018.

Workshop related

1. Delegates are informed to submit a bonafide certificate duly signed by their respective Head of the Department and Head of the Institution during registration. A copy of Aadhar card may kindly be enclosed along with the bonafide certificate. Delegates are requested to keep their institutional identity card during their visit to CMCH&RC.
2. All the internal faculty members and postgraduate students of CMCH&RC who have registered as "Delegates" are informed to submit a copy of the permission letter duly signed by their respective Head of the Department and Head of the Institution during registration.
3. Attendance is mandatory for every session for all the participants.
4. Delegates are requested to bring their laptop (with all accessories) and pen drive; which are essential for hands on training of SPSS and other activities.
5. Delegates are informed to complete the assignments given to them on each day which will be assessed, graded and entered in the final certificate.
6. Active participation, interaction and involvement of the delegates will greatly be appreciated and will be monitored by the mentors assigned to them.
7. Sessions' review and evaluation will be discussed on the morning of every day.
8. ***Use of mobile phone in the workshop venue is strictly prohibited***.

9. The kids and other accompanying person will not be allowed inside the workshop venue.
10. You have been allotted a research topic entitled ***"Preparation of research protocol"*** with a request to prepare a poster in the size of 4ft X 3ft (Breadth X Length) and display the same in the slot allotted at the workshop venue on the first day itself. This poster will be kept displayed till the end of the workshop. The poster shall be innovative, self explanatory and reach the audience effectively. The best five posters will be awarded.
11. Delegates are asked to fill up the following consent form, sign, scan and send it by email to the Organizing Secretary (researchcmchrc@gmail.com) on or before 14th March by 5.00pm. Your participation will be confirmed only on the receipt of your consent; or otherwise the seat will be allotted to other suitable waiting list candidate.
12. For your return journey, you are requested to book tickets only after 9pm on the third of the workshop (24th March 2018) so as to avoid disturbances of your activities.

Dr. N. Prabhusaran

CHENNAI MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

Irungalur, Tiruchirapalli- 621 105

Institutional Research Board & Medical Education Unit

Cordially invite you for the Inaugural function of

IV National Workshop on Research Methodology (WoRM 2018)

(Sponsored by ICMR and SERB, New Delhi)

[22nd to 24th March 2018]

Date and Time: 22nd March 2018 at 9.30 AM

Venue: Conference Hall, Medical Education Unit, College Block

Dr. G. Govindaraj, M.S., M.Ch.,

Managing Director and Surgical Oncologist,
Harshamitra Super Speciality Cancer Centre and Research Institute,
Tiruchirapalli, Tamilnadu
has kindly consented to grace the occasion as the ***Chief Guest***
and Inaugurate the Workshop

Dr. S. Vinayagam, M.D., D.M.R.D.,

Director (HS) and Dean, CMCH&RC

will preside

Dr. P. Anusuya, M.D.,
Medical Superintendent

Dr. Gurudatta S. Pawar, M.D.,
Vice Principal

Dr. N. Balasubramanian, M.D.,
Deputy Director
will felicitate

30 credit points awarded by The Tamilnadu Dr. M.G.R. Medical University &
6 credit hours by Tamilnadu Medical Council

Programme overleaf

Programme Schedule

TIME	SESSION
Day 1: 22.03.2018	
08.00 – 09.00 am	***Registration***
09.01 – 09.30 am	***Icebreaking session***
09.31 – 10.00 am	***Inauguration***
10.01 – 10.30am	Session **I** – Keynote Address: Why Research?
10.31 – 11.00am	***Tea break***
11.01 – 11.30am	Session **II** – Epidemiological Research – an overview
11.31am – 12.00noon	Session **III** - Study Design and Types of Study
12.01 – 01.30pm	Session **IV** – Training on Epidemiological Research
01.31 – 2.15pm	***Lunch Break***
02.16 – 02.45pm	Session **V** – Human Ethical issues
03.16 – 04.00pm	Session **VI** – Theory on Literature Collection
04.01 – 04.15pm	***Tea Break***
04.16 – 05.30pm	Session **VII** – Hands on training on How to collect literature?
Day 2: 23.03.2018	
08.30 – 09.30am	***Review & Feedback of previous day observations - Group wise***
09.31 – 10.00am	Session **VIII** – Sampe size and determination
10.01 – 10.30am	***Tea Break***
10.31 – 11.30am	Session **IX** – Activity related to Sampe size
11.30am – 12.00noon	Session **X** – Questionnaire Study – an overview
12.01 – 12.30pm	Session **XI** – Preparation of Questionnaire and its review
12.31 – 01.15pm	***Lunch Break***
01.16 – 04.15pm	Session **XII** – Hands on Training on SPSS
04.16 – 04.30pm	***Tea Break***
04.31 – 05.30pm	Session **XIII** – Research Protocol preparation and Fund raising
Day 3: 24.03.2018	
08.00 – 08.30am	***Review & Feedback of previous day observations-Group wise***
08.30 – 09.30am	Session **XIV** – Workplace stress in Research
09.31 – 10.00am	Session **XV** – Integrated Research
10.01 – 10.30am	***Tea Break***
10.31am – 12.00pm	Session **XVI** – Research paper presentations
12.01 – 12.30pm	Session **XVII** – Plagiarism
12.31 – 01.15pm	Session **XVIII** – Art of Drafting Research Articles - an overview
01.16 – 02.00pm	***Lunch Break***
02.01 – 03.30pm	Session **XIX** – Hands on training on drafting research articles
03.31 – 04.00pm	Session **XX** – Project Report Preparation
04.01 – 04.30pm	Conclusionary Remarks, Vote of Thanks, Awards and Certificate Distribution

Inauguration Agenda

Date: 22nd March 2018 **Time:** 9.30 am

Venue: Conference Hall, Medical Education Unit, College Block, 3rd Floor

Thamizh Thai Vaazhthu

Welcome Address	:	**Dr. P. Thirumalaikolundusubramanian, MD.,** Head, Institutional Research Board & Professor of Medicine, CMCH&RC
Lighting the Kuthuvilakku		
Presidential Address	:	**Dr. P. Anusuya, MD., DGO.,** Medical Superintendent, CMCH&RC
Felicitations	:	**Dr. Gurudatta S. Pawar, MD.,** Vice Principal. CMCH&RC
Releasing Workshop manual	:	By **P. Anusuya,** Medical Superintendent & the first copy will be received by **Dr. G. Govindaraj,** Guest of Honor
Inaugural Address	:	**Dr. G. Govindaraj, MS., MCh.,** Managing Director & Surgical Oncologist Harshamitra Cancer Research Institute Tiruchirapalli

Certificate distribution to ICMR-STS Candidates

Vote of Thanks	:	**Mr. M. Ismail.,** Organizing Executive, WoRM 2018

****

16.2. Comments

The master of ceremony (MOC) of the traditional inaugural programme was carried out by Dr. N. Prabhusaran, Organizing Secretary of the Workshop.

INAUGURATION

The traditional inaugural function was conducted on **22nd March 2018 at 9.30am** with Tamil thaivazhthu (Praising Tamil Goddess) followed by welcome address deliberated by **Dr. P. Thirumalaikolundusubramanian**, Head, Institutional Research Board and Professor of Medicine. The Indian culture of lamping five faced lamp was done.

Dr. Anusuya, Medical Superintendent and Professor of Obstetrics and Gynecology presided the workshop and **Gurudatta S. Pawar**, Vice Principal, Coordinator, Medical Education Unit and Professor and Head of Forensic Medicine and Toxicology felicitated. **Dr. G. Govindaraj**, Managing Director and Surgical oncologist, Harshamitra Superspeciality Cancer Hospital and Research Institute, Tiruchirapalli inaugurated the workshop by delivering inaugural address.

RELEASE OF WORKSHOP MANUAL

A book of manual (Workshop manual) was released by the respectful Medical Superintendent **Dr. P. Anusuya** and the first copy was received by the Guest of Honor **Dr. G. Govindaraj**, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli.

INAUGURAL ADDRESS

Dr. G. Govindaraj, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli in his inaugural address highlighted the importance of clinical research by collaborating with all streams of biology. He described the evolutionary path of understanding the research methods and also described the role of statistics in medical research. The theoretical knowledge of research modules and its application towards laboratory and further implementing to the field or bedside for public benefit was the success of doing any research.

Finally, vote of thanks was delivered by **Mr. M. Ismail,** Research Coordinator of Institutional Research Board, TSRMCH&RC.

16.3. Photograph Proof

Welcome Address by the Head IRB, Dr. P. Thirumalaikolundusubramanian

Lighting Kuthuvilakku by the Guest of honor Dr. G. Govindaraj

Lighting Kuthuvilakku by the Delegate Ms. Aruna A. Jawade

Releasing of Workshop Manual by the Medical Superintendent

Presidential Address by the Medical Superintendent

Felicitation by the Vice Principal

Vote of thanks by Mr. M. Ismail

Inaugural Address by Dr. G. Govindaraj

Trichy SRM Medical College Hospital and Research Centre
Tiruchirapalli, Tamilnadu, India

IV National Workshop on Research Methodology
[Sponsored by Indian Council of Medical Research (ICMR) and Science and Engineering Research Board (SERB), New Delhi]

22nd to 24th, March 2018

Attendance for Inauguration ceremony

S. No.	Name	Affiliation	Signature
1	Dr P. Thiruvuyal	DD (IDE) & M.S.	
2	Dr S Ponta	VI HOD Fmt	
3	Dr G. Govindaraj	Surgical oncologist	
4	Dr D. Suresh	Dean, occupational Therapy SRM	
5	Dr A. Kumar	Trichy SRM Med. Coll	
6	Dr H Gathi	Biochemistry Prof	
7	DR Malini Kumaran	Professor of Pharmacology	22/3/18
8	Dr Jayashree G Pabbas	Prof of Pathology	
9	Dr Nagal. L.	Prof of Physiology	
10	Dr. M. Muthu	Assoc Prof Physiology	
11	Kiptoo Geoffrey	Research Scholar	
12	Mr. Shrikant S. Khairnar	Research Fellow & Rand D	

S. No.	Name	Affiliation	Signature
13	E. J. H GANESH	FAHS, Chettinad Academy of Research & Education, OMR, CHENNAI	E. J. H
14	A. V. SIVAKUMAR	NARAYANA MEDICAL COLLEGE, NELLORE, ANDHRA PRADESH	A. V
15	SK KAREEM	Narayana Medical College, Nellore, A.P.	Sk. Kareem
16	A. Sivanirkha Worm 2018-132	Narayana Medical collex Nellore, A.P	A.L. 23/8/18
17	Dr. Siva Ranganathan Green	Mahatma Gandhi Medical College and Research Institute Pondicherry.	
18	P. DEEPAK	Ph.D. Research Scholar, Dept. of Biotechnology, Periyar University, Salem-11	P Deepak
19	K. DURAIRAJ	Ph.D. Research scholar, Dept. of Environmental Scien Periyar Universit, Salem, TN,	K. Durai
20	DR. B Sekar	Professor & HOD. Dept of Oral Pathology VMS Dental College Salem-636308	
21	DR. K. INDRA PRIYADHARSHINI	Senior lecturer Dept of oral pathology VMS Dental College, SALEM-636308	
22	Dr. Y. Lakshmi Divya	Assistant Professor, Dept. of Physiology, DR BSMSRF, Chinnawaltair	Y. L. Divya
23	Dr NAGESWARA RAO. G.	Assistant-prof / Anatomy Dr BSMSRF Chinnawaltair.	G. Nageswara
24	Alok Ranjan	Research Scholar, Dept. of Chemical Eng. IIT Roorkee, UK, India	Alok Ranjan

S. No.	Name	Affiliation	Signature
25	Mohd Younis	Doctoral Fellow Dept. of Human Genetics Bharathiar University Cbe.	03/19
26	KALESHKUMAR.K	Research Scholar, Dept. of Marine Science Bharathidasan University-24	
27	Mamatchi Melila	CV Raman Visiting Fellow Dept. of Marine Science Bharathidasan University	
28	Jegan kumar	Assistant professor. Trichy SRM Medical college	
29	Revathi P.R	Assistant Professor, Trichy SRM medical College	
30	DR. JAMAVELU D	ASSISTANT PROFESSOR CMC, VELLORE	
31	Kanagathara N.	Research Associate Sri Lakshmi Narayana Institute of Medical Sciences	
32	Dr. Nithya. G.J	Post graduate (II yr) Sree balaji dental college and hospital	G.J. Nithya
33	Dr. G.A. Victoria Devi	Post Graduate (II yr) Sree Balaji Dental College And Hospital	G.A. Victoria Devi
34	Dr. M. Jemima Judith	Post graduate (I yr) Sree Balaji Dental College & hospital	Jemima Judith
35	Dr. R. B. L...	Post G... Sree Lalaji D.E.I college	
36	R. Ruthi	4th yr MBBS	

S. No.	Name	Affiliation	Signature
37	A. kaviyarasan	III year MBBS	
38	M. Kleeneethi	CRRI	
39	V. SARAYU	CRRI	23/3/18
40	A. DEEPIKA	CRRI	23/3/18
41	S GIRIDHARAN	FINAL YR MBBS	
42	S. Rupesh Kumar Sinha	Final yr MBBS	
43	HA PRASANT	FINAL YR MBBS	
44	Ms. GIBU IGNATIUS	Asst. PROFESSOR, DEPT. OF Zoology Holy Cross College, Trichy	
45	Dr. A. Avila Jersley	Assistant professor in Zoology, Holycross college, Trichy.	
46	Dr. A. J. Bhergin Lourdu Mary	Assistant professor of zoology, Holy Cross College, Trichy	
47	Ms Anusha. T P	Research scholar, dept of life sciences, University of calicut, Kerala	
48	Ms APARNA MENON A	RESEARCH SCHOLAR (BIOCHEMISTRY), DEPT. OF LIFESCIENCES, UNIVERSITY OF CALICUT, KERALA	

S. No.	Name	Affiliation	Signature
49	Sonalika	ICMR-SRF, Malaria Parasite Bank ICMR-NIMR, Delhi	
50	APARNA TIWARI	CSIR-IRF, ICMR-NIMR, NEW DELHI	
51	S. Kokila	Demonstrator. Dept of Microbiology Trichy SRMMC	
52	Dr. M.V. VIDYA	ASSISTANT PROFESSOR ANAESTHESIA PIMS PUDUCHERRY	
53	V. Amutha	Ph.D Research scholar Periyar University, Salem-11	
54	K. Lavanya.	Ph.D Research Scholar, Periyar University Salem-11	
55	S. Aiswarya	Ph.D Research Scholar Department of Biotechnology Periyar University	
56	S. Priya	Lecturer, Apollo College of Nursing Chennai	
57	K. Saraswathy	Lecturer, Apollo College of Nursing, Chennai	
58	N. Himalini	II MBBS Student, Sri Ramachandra Medical College & Research Inst., Chennai	
59	Aaditi S. Khagar	Research student National Institute of Miners Health Nagpur	
60	Aruna A. Jawade	Scientific officer National Institute of Miner's Health, Nagpur-27	

S. No.	Name	Affiliation	Signature
61	Dr.M.Keerthiga	Assit.Professor, Dept of Botany, Nehru memorial college,Trichy	M.Keerthiga
62	Dr.D.Sheela	Tutor, Dept of Pharmacology Saveetha Medical College	D.
63	Mrs.C.ANURADHA	ASSOCIATE PROFESSOR, APOLLO COLLEGE OF NURSING, CHENNAI-95	22/3/18
64	Dr.N.Prabhuram	Organizing Secretary of NORM 2018	22/3/18
65	M.Pramela	Research scholar (organizing team) NORM 2018	
66	M.Ismail.	Research coordinator	
67	Dr.A.Sumathabalam	Trichy SRM Medical College Hospital	
68	Dr.K.Kanganath	Organizing Member Asst prof of Pharmacology	
69	Dr.K.HEMALATHA	Asso. Prof Community Medicine TSRMMCRC	
70	[illegible]	Proj Head. IRB	22/3/18
71	Dr.Vavenil.K.	Tutor, Anatomy.	22/3/18
72	S.Pandi	Asst prof of Statistics	

Chapter 17.0. Mentor – Mentee system

A new system "Mentor – Mentee system" was introduced first time in the workshops in India. So far, there are some few workshops and training programmes conducted in relation with "How to do effective mentoring for research and academics?, but not concentrating on imparting mentoring system in any short term courses and workshops. Effective mentoring is widely regarded as a key factor in assisting the participants (delegates) to establish productive involvement and role play in various activities. The selected 45 delegates were divided into 9 groups with 5 members each and asked them to get guidance from their respective mentors. The following are the details of mentor – mentee system adopted in the IV National Workshop on Research Methodology.

In the future workshops, the organizing team should explore how the alignment process can be designed to allow for sufficient flexibility in individual mentoring relationships, so as to optimize the effectiveness of mentoring in specific contexts for the achievement of workshop's goals and objectives.

Mentor Dr. N. Prabhusaran

Ms. Himalini

Ms. Lavanya

Mr. Sivakrishna

Dr. Nageshwara Rao

Dr. Indra

Mentor Dr. A. Sundhararajan

Ms. Aiswarya

Dr. Nithya

Dr. Jeyavelu

Ms. Anusha

Dr. Jegankumar

Mentor Dr. R. Thamarai

Ms. Saraswathi

Ms. Cybil

Mr. Md. Younis

Ms. Aparna

Ms. Kokila

Mentor Dr. K. Hemalatha

Mr. Deepak

Mr. Ganesh

Ms. A. Jawade

Dr. Bhorgin

Ms. Sonalika

Mentor Dr. G. Bala Maddileti

Dr. Sheela

Dr. Bharath

Mr. Kareem

Ms. Aaditi

Dr. Vidya

Mentor Dr. A. Anupriya

Mr. Durairaj

Mr. Kaleshkumar

Dr. Lakshmi

Dr. Avila

Mr. Kiptoo

Mentor Dr. K. Kanagasanthosh

Ms. Anuradha

Mr. Sivakumar

Ms. Amutha

Mr. Alok Ranjan

Dr. Revathi

Mentor Dr. K. Ilavanil

Dr. Jemima

Dr. Siva Ranganathan

Dr. Keerthiga

Ms. Kanagathara

Dr. Sekar

Mentor Dr. L. Manivannan

Dr. Victoria

Ms. Aparna

Mr. Shrikant

18.0. Details of the Sessions

18.1. Complete Programme Schedule

Day One Programmes

Time	Topic	Speaker	Affiliation
Day 1: 22.03.2018			
08.00 – 09.00am	**Breakfast and Registration**		
09.01 – 09.30 am	Ice breaking session	Dr. TS. Gugapriya and Dr. E. Kamala	Department of Anatomy, Chennai Medical College Hospital and Research Centre (CMCH&RC), Tiruchirapalli.
09.31 – 10.00 am: Inauguration			
10.01 – 10.30 am	Keynote Address on "Why Research?"	Dr. G. Govindaraj	Managing Director and Surgical Oncologist, Harshamitra Cancer Research Institute, Tiruchirapalli.
10.31- 11.00am	**Tea Break**		
11.01 - 11.30 am	Epidemiological Research	Dr. S. Elango	Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli
11.31am – 12.00noon	Study design and types of study	Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Tiruchirapalli.
12.01 - 1.30pm	Training on Epidemiological Research Dr. S. Elango, Professor and Head of Community Medicine, CMCH&RC, Tiruchirapalli. Dr. K. Hemalatha, Associate Professor - Community Medicine, CMCH&RC, Tiruchirapalli.		
01.31 – 02.15pm	**Lunch Break**		
2.16- 3.15pm	Ethical Issues in Research	Dr. Gurudatta S. Pawar	Professor and Head of Forensic Medicine and Toxicology, CMCH&RC, Tiruchirapalli
3.16 – 4.00pm	Theory on Literature collection	Dr. T.S. Gugapriya	Professor of Anatomy, CMCH&RC, Tiruchirapalli.
04.15- 5.30pm	Hands on Activity "How to collect literature" [Batchwise – 7 batches]	Dr. T.S. Gugapriya	Professor of Anatomy, CMCH&RC, Tiruchirapalli.
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Tiruchirapalli
		Dr. R. Thamarai	Associate Professor of Biochemistry, CMCH&RC, Tiruchirapalli
		Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology, CMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Assistant Professor of Biochemistry and Research, CMCH&RC, Tiruchirapalli
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Tiruchirapalli
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy
5.30pm	Tiruchirapalli local visit to Thirupattur Brahmapureeshwarar Temple and Samayapuram Maariamman Temple.		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 23.03.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 09.15am	Review and evaluation of previous day activities (Batchwise) [Epidemiological Research (Dr. K. Hemalatha) and Literature collection (Mr. M. Ismail)]		
09.16 – 09.45am	Integrated Research	Dr. H. Geetha	Professor of Biochemistry, CMCH&RC, Tiruchirapalli
09.46 – 10.30am	Sample size and determination	Dr. V. Raghuram	Professor of Community Medicine, CMCH&RC, Trichy
10.31 – 11.00am	**Tea Break**		
11.01 – 11.30am	Activity related to Sample size	Dr. V. Raghuram	Professor of Community Medicine, CMCH&RC, Trichy
		Dr. S. Shankar	Assistant Professor of Community Medicine, CMCH&RC, Trichy
11.31am – 12.00noon	Questionnaire Research	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
12.01 – 12.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. K. Ilavenil	Faculty of Anatomy, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy
12.31 – 01.30pm	An overview of Statistics	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
01.31 – 02.00pm	**Lunch Break**		
02.01 – 05.00pm	Hands on "Biostatistics – SPSS" (Batch wise) (3 batches)	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
		Mr. S. Pandi	Assistant Professor of Statistics, Department of Community Medicine, CMCH&RC, Trichy
		Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
05.01 – 05.30pm	**Tea Break**		
05.31 – 06.00pm	Preparation of Research protocol & fund raising	Dr. M.A. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
06.01 – 6.30pm	Activity related to research protocol preparation (Batchwise) (3 batches)	Dr. M.A. Akbarsha	Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli
		Dr. L. Manivannan	Physical Director, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
6.30pm	Tiruchirapalli local visit to Thirvanaika Akilaadeshwari temple		

Day Three Programmes

Time	Topic	Speaker	Affiliation
Day 3: 24.03.2018			
08.00 – 08.30am	**Breakfast**		
08.31 – 09.15am	Review and evaluation of previous day activities (Batchwise) [Biostatistics (Mr. S. Pandi) and Research protocol preparations (Dr. A. Anupriya)]		
09.16 – 10.15am	Workplace Stress in Research	Dr. S. Sivaraman	Associate Professor of Psychiatry, CMCH&RC, Trichy.
10.15 – 10.30am	Group Photo		
10.30 – 11.00am	Yoga		
11.00 – 11.30am	**Tea Break**		
11.31am – 12.15pm	Research paper presentations	Dr. N. Prabhusaran	Associate Professor of Research and Microbiology, CMCH&RC, Trichy.
12.16 – 01.00pm	Plagiarism	Mr. M. Ismail	Professor of Research and Medical Entomologist, CMCH&RC, Trichy.
01.01 – 01.30pm	**Lunch Break**		
01.31 – 02.15pm	Art of Drafting Research Articles	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
02.15 – 03.30pm	Hands on "Preparation of research article" (Batch wise) (6 batches)	Dr. RT. Narendhirakannan	DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore
		Dr. K. Ilavenil	Tutor in Anatomy, CMCH&RC, Trichy.
		Dr. K. Hemalatha	Associate Professor of Community Medicine, CMCH&RC, Trichy.
		Dr. A. Sundhararajan	Assistant Professor of Research and Biochemistry, CMCH&RC, Trichy.
		Dr. G. Bala Madelleti	Associate Professor of Forensic Medicine, CMCH&RC, Trichy
		Dr. A. Anupriya	Assistant Professor of Microbiology, CMCH&RC, Trichy.
03.30 – 04.00pm	Project report preparations	Dr. P. Thirumalai Kolundu Subramanian	Professor of Medicine, Head, IRB, CMCH&RC, Trichy
04.00 – 04.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

18.2. Technical sessions of Day 1

18.2.1. Icebreaking session

Ice breaking session can be an effective way of starting a training session or workshops. As interactive and often fun sessions run before the main proceedings, they help people get to know each other. By getting to know each other, getting to know the facilitators and learning about the objectives of the event, people can become more engaged in the proceedings and so contribute more effectively towards a successful outcome. The secret of a successful icebreaking session is to keep it simple: design the session with specific objectives in mind and make sure that the session is appropriate and comfortable. The facilitators of this session are **Dr. Gugapriya**, Professor, Anatomy and **Dr. Kamala**, Assistant Professor, Anatomy.

SCIENTIFIC SESSIONS ON (FIRST DAY) 22nd March 2018

The MOC of the technical sessions of Day 1 was taken over by Dr. N. Prabhusaran, Organizing Secretary of WoRM 2018.

19.2.2. Session 1: Keynote Address on Why Research?

Lead Speaker

Dr. G. Govindaraj,
Managing Director and Surgical Oncologist,
Harshamitra Superspeciality Hospital and Research Institute,
Tiruchirapalli

The session one of the workshop was initiated as Keynote address delivered by Dr. G. Govindaraj, Managing Director and Surgical Oncologist, Harshamitra Superspeciality Hospital and Research Institute, Tiruchirapalli on the topic of Why Research?. He highlighted the two major reasons for performing research – internal drive (interest on research) and mechanism developed through teachers, friends and environment. He described the term research in his own style as "Research is the systematic collection, analysis and interpretation of data to answer a certain set of questions or to solve a problem. He also explained in a detailed manner about the various research types and its advantages and disadvantages. His talk was highly admired by the participants and induced self motivation in pursuing research.

19.2.3. Session 2: Epidemiological Research

Lead Speaker

Dr. S. Elango,
Professor and Head, Department of Community Medicine,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

The second session on "Epidemiological Research" was presented and described by *Dr. S. Elango*, Professor and Head, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He emphasized that Epidemiology is the basic science of disease prevention and plays major role in the development and evaluation of public policy as well as in social and legal arenas. His thoughts on epidemiological research described as a major role of epidemiology is to provide a clue to changes that take place over time in the health problems presenting the community.

Session 2: Epidemiological Research

Further He defined the important use of epidemiologic evidence is to identify subgroups in the population who are at risk for disease. Why should the researcher identify such high-risk groups? First, if one can identify these high-risk groups, then direct preventive efforts, such as screening programs for early disease detection, to populations who are most likely to benefit from any interventions that are developed for the disease. Second, if one identifies such groups, it may be able to identify the specific factors or characteristics that put them at high risk and then try to modify those factors. During the discussion about prevention, she distinguished among primary, secondary and tertiary prevention. His deliberations on incidence and prevalence rate were highly appreciated and accepted as need based in this current scenario.

19.2.4. Session 3: Study Design and Study types

Lead Speaker

Dr. K. Hemalatha,
Associate Professor of Community Medicine,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

The session was deliberated by ***Dr. K. Hemalatha,*** Associate Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of differentiating qualitative and quantitative research. Her presentations on in depth interviews, focus group discussion, ecological studies, case reports, case studies, case series, cross sectional study, cohort study, case control study, non randomized trial and randomized control trials. She also explained the importance of doing meta analysis that is referred as highest clinical relevance than the *in vitro* research. She represented the role of various studies and its public domain importance and applicality.

Session 3: Study design and its types

19.2.5. Session 4: Training on Epidemiological research and Study design

Moderators

Dr. S. Elango,
Professor and Head of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli

Dr. K. Hemalatha,
Associate Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli

The effective and need based session in this workshop is "Training on Epidemiological research and Study Design" was conducted by ***Dr. S. Elango***, Professor and Head, Department of Community Medicine and ***Dr. K. Hemalatha***, Associate Professor, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. Their deliberations overviewed with methods of doing epidemiology, tools applied, steps necessarily followed for epidemiological survey. They also described and provided hands on training to the participants in four major quantification descritpors.

1. **Numbers:** Use of actual number of events - e.g. 100 cases of TB in community A
2. **Ratios:** Quantifies the magnitude of one occurrence X, in relation to another event Y as X/Y - e.g. Ratio of TB cases in community A to B is 1:10
3. **Proportions:** Proportions: a ratio in which the numerator is included in the denominator - e.g. proportion of TB cases in community A is 10%
4. **Rates:** a proportion with time element. It measure the occurrence of an event overtime

The delegates were grouped in to two categories according to their field of concern and handed over to the respective faculty experts for train them for Epidemiological Research and Study design.

18.2.6. Session 5: Human Ethical issues

Lead Speaker

Dr. Gurudatta S. Pawar,
Professor and Head of Forensic Medicine and Toxicology,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

The informative and updated information about Human Ethical issues was deliberated by ***Dr. Gurudatta S. Pawar***, Professor and Head of Forensic Medicine and Toxicology, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He highlighted the integrated role of philosophers, lawyers, policy makers, scientists and clinicians in conducting the biomedical research involving human participants without any ethical and legal issues. He described in detail about the construction of the human ethical committee in the institutions and also highlighted the individual's responsibilities in approving the research on human subjects.

Session 5: Discussion on Human Ethics

He orderly described the receipt of proposals, processing, presentations, critical commenting, criteria for acceptance/ revision/ rejection of the proposals and certification. He also described the importance of consent form (in English and vernacular language), model questionnaire for survey study. The need of case study proforma also defined.

18.2.7. Session 6: Literature collection and management

Lead Speaker

Dr. T.S. Gugapriya,
Professor of Anatomy,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

This session was deliberated by ***Dr. T.S. Gugapriya***, Professor of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of empirical research in the health sciences can be qualitative or quantitative in nature. Generally, health science research deals with information of a quantitative nature, and this manual deals exclusively with this type of research. For the most part, this involves the identification of the population of interest, the characteristics (variables) of the individuals (units) in the population, and the study of the variability of these characteristics among the individuals in the population. Thus the quantification in empirical research is achieved by three related numerical procedures: (a) measurement of variables; (b) estimation of population parameters (parameters of the probability distribution that captures the variability of observations in the population); and (c) statistical testing of hypotheses, or estimating the extent to which 'chance' alone may account for the variation among the individuals or groups under observation.

18.2.8. Session 7: Hands on training on "How to collect Literature"

Moderators

Dr. T.S. Gugapriya, Professor, Department of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli
Mr. M. Ismail, Research Coordinator, TSRMMCH&RC, Tiruchirapalli
Dr. R. Thamarai, Associate Professor of Biochemistry, TSRMMCH&RC, Tiruchirapalli
Dr. K. Kanagasanthosh, Assistant Professor of Pharmacology, TSRMMCH&RC, Tiruchirapalli
Dr. A. Sundhararajan, Assistant Professor of Biochemistry and Research, TSRMMCH&RC, Tiruchirapalli
Dr. A. Anupriya, Assistant Professor of Microbiology, TSRMMCH&RC, Tiruchirapalli
Dr. K. Ilavenil, Tutor in Anatomy, TSRMMCH&RC, Tiruchirapalli

All the registered delegates were grouped in to nine categories according to their field of concern and handed over to the respective faculty experts for train them to collect literature.

Broad exercises in various topics related to literature collection and review were given to the delegates as post workshop activity. The day 1 was completed with distribution of two activities as post day 1 workshop activity.

1. Correct and resubmit the Epidemiological descriptions
2. Literature collection and reviewing

At the end of the primary evaluation of the day 1, all the delegates were taken to local visit at Tiruchirapalli. The places visited were Thirupattur Sri Brahmapureeshwarar temple and Samayapuram Sri Muthumariammana temple.

SCIENTIFIC SESSIONS ON (SECOND DAY) 23rd March 2018

The MoC of the technical sessions of Day 2 was taken over by Dr. K. Kanagasanthosh, Assistant Professor of Pharmacology.

18.3.1. Review and Feedback of day 1 activities and exercises

Moderators

For Epidemiological Research

Dr. S. Elango, Professor and Head of Community Medicine, TSRMMCH&RC, Tiruchirapalli

Dr. K. Hemalatha, Associate Professor of Community Medicine, TSRMMCH&RC, Tiruchirapalli

For Literature Collection

Mr. M. Ismail, Research Coordinator, TSRMMCH&RC, Tiruchirapalli

The group-wise review of the day 1 activity was conducted by Dr. S. Elango, Professor and Head of Community Medicine and Dr. K. Hemalatha, Associate Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the Epidemiological research. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding literature collection was reviewed and analyzed by Mr. M. Ismail. Further, the tips of collecting the literature in a smarter and quick way were discussed. All the exercises submitted by the delegates were documented. The assignments related to the day activities were collected, evaluated by the concern mentors and finally feedback about their performance and tips for improvements were suggested. All the submitted assignments were filed appropriately.

Review of the Day 1 activities and Exercises

18.3.2. Session 8: Integrated Research

Lead Speaker

Dr. H. Geetha,
Professor of Biochemistry,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

The session on Integrated Research was done by ***Dr. H. Geetha***, Professor of Biochemistry, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the importance of understanding the complex interaction within and among multi and inter disciplinary sciences; propose a model that represents reciprocal knowledge being increasingly complex in defining and provides in depth learning from qualified category.

18.3.3. Session 9: Sample size techniques and determination

Lead Speaker

Dr. V. Raghuram
Professor of Community Medicine,
Trichy SRM Medical College Hospital and Research Centre,
Tiruchirapalli

Dr. V. Raghuram, Professor of Community Medicine and ***Dr. S. Shankar***, Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli were the Guest speaker of this session. Their descriptions on probability and non probability samples were well analyzed. The variance in probability methods including random sampling, systemic sampling, cluster sampling and stratified sampling; the observations in the variance of judgment sampling, convenience sampling and quotes sampling were also highlighted. They defined the identification of sampling errors occurred during data collection as a result of

drawing a portion of population as a sample rather than the whole population. Their presentations with detailed descriptions, mathematical formulae and modulations and identification of significance levels are awesome.

18.3.4. Session 10: Hands on training on Sample size techniques and determination

Moderators

Dr. V. Raghuram
Professor of Community Medicine,
Trichy SRM Medical College Hospital and
Research Centre, Tiruchirapalli

Dr. S. Shankar
Assistant Professor of Community Medicine
Trichy SRM Medical College Hospital and
Research Centre, Tiruchirapalli

The hands on training on Sample size determination were conducted by Dr. V. Raghuram and Dr. S. Shankar with the detailed description of the algorithm to model and predict a classifier's performance contains three steps including learning curve creation, model fitting and sample size prediction.

Session 9 & 10: Sample Size determination – theory & training

18.3.5. Session 11: Questionnaire survey – an overview

Lead Speaker & Trainer

Dr. K. Ilavenil
Tutor, Department of Anatomy
TSRMMCH&RC, Trichy

Moderators

Mr. M. Ismail, Research Coordinator, TSRMMCH&RC
Dr. K. Hemalatha, Associate Professor of Community Medicine, TSRMMCH&RC

The technical session on Questionnaire survey was initiated by ***Dr. K. Ilavenil***, Tutor in Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She defined that the questionnaires are usually paper-and-pencil instruments that the respondent completes. Interviews are completed by the interviewer based on the respondent says. Sometimes, it's hard to tell the difference between a questionnaire and an interview. For instance, some people think that questionnaires always ask short closed-ended questions while interviews always ask broad open-ended ones. But mostly the questionnaires are with open-ended questions (although they do tend to be shorter than in interviews) and there will often be a series of closed-ended questions asked in an interview. She also highlighted the advantages (practical, collection of huge information, less affect to reliability, easy to analyze and may create new theories) and disadvantages (lacks validity, no way to predict the truth information and deceptive understanding) of questionnaires. Further the delegates were divided into three groups and trained for the preparation of questionnaires under the guideships of **Dr. K. Ilavanil, Mr. M. Ismail** and **Dr. K. Hemalatha.**

Session 11: Theory & Hands-on training on Questionnaire survey

18.3.6. Session 12: An overview of Statistics – SPSS

Lead Speaker

Dr. R. Muthukrishnan,
Associate Professor of Statistics,
Bharathiar University, Coimbatore

This session was lead by ***Dr. R. Muthukrishnan***, Associate Professor of Statistics, Bharathiar University, Coimbatore. He categorized the statistical tests into two namely descriptive and parametric. Non parametric statistical tests are also described for ordinal variables. He described different types of statistical tests including test of relationship, test of group differences, test for repeated measures and test for odds/risks. Other common statistical tests he defined are Pearson R correlation, Linear/ Multiple regression, Independent t test, ANOVA and Dependent t test.

He also highlighted that many health science research investigators, particularly junior investigators new to the field, are often uncertain about which software programs to adopt. Attempts have been made by some authorities to evaluate the relative merits and limitations of the various software programs. However, the choice of a particular software package for a particular health related study generally will be dependent on the study's specific computational needs, the investigators' skills and experience, and their judgment about the suitability of a particular software application for a specific analysis. Thus this workshop and particularly this session provide researchers with information about the specific statistical software packages that are most frequently used in the basic, intermediate and advanced level of health science research.

18.3.7. Session 13: Training on Data management using SPSS

After the detailed theoretical description about the Application of Statistics by Dr. R. Muthukrishnan, delegates were grouped into three groups and encourage them to perform statistics using SPSS trial package by providing already analyzed data. All the delegates had their own data to apply in the SPSS; then only they can understand the concept easily and also future interpretations.

Group	No. of delegates	Expert
I	15	**Mr. M. Ismail,** Research Coordinator, Trichy SRM MCH&RC, Trichy
II	15	**Dr. R. Muthukrishnan**, Associate Professor of Statistics, Bharathiar University
III	15	**Mr. S. Pandi,** Assistant Professor of Statistics, Trichy SRM MCH&RC, Trichy

Session 13: Hands on training on Statistics (SPSS)

18.3.8. Session 14: Preparation of research protocol for fund raising

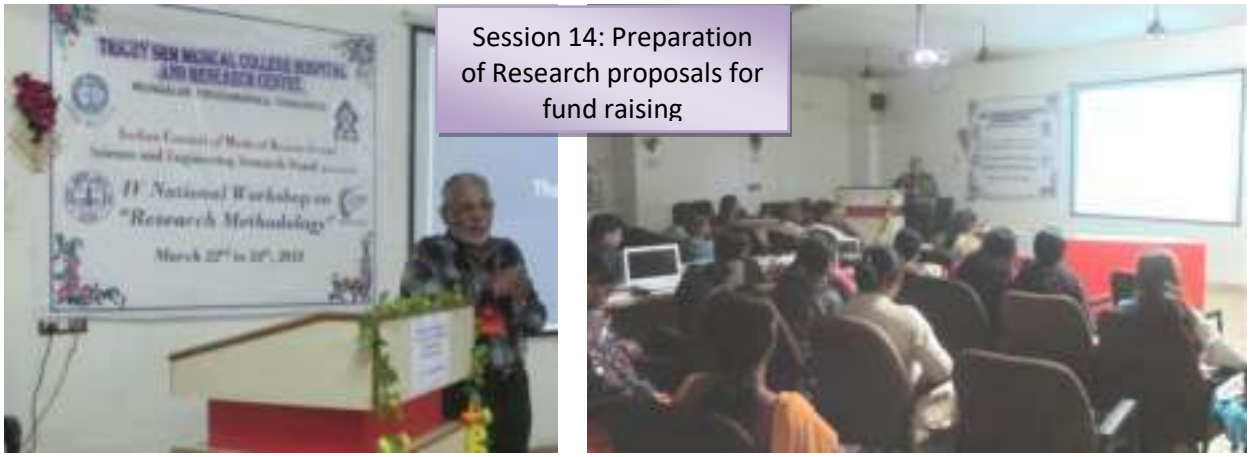
Lead Speaker

Dr. M.A. Akbarsha,
Emeritus Scientist and Research Coordinator,
National College, Tiruchirapalli

The highlighted and imperative session on preparation of research protocol for fund raising was deliberated by ***Dr. M.A. Akbarsha***, Emeritus Scientist and Research Coordinator, National College, Tiruchirapalli. He described the eligibility criteria of applying documents and proforma to funding agencies. His deliberations on action plans for the elaboration of a strategic plan for research and fund raising were highly admired by the delegates.

His presentations on sources of funds, determine the priorities and selection process, concept development and execution, writing skills, budget and schedule, getting feedback and revision process. He also listed out various funding agencies available in India and other countries with their thrust areas of research. His deliberations on preparation of the simplified budget with sub divisions make the participants comfortable and feasible.

Further, the delegates were divided into four groups under each mentor for an exercise related to fund raising with detailed budget preparation was given to all participants and the answers were evaluated, compared, reviewed, analyzed and documented on the same day.



18.3.9. Session 15: Hands on training on How to prepare Research protocol for Fund raising?

Moderators

Dr. M.A. Akbarsha
Emeritus Scientist and Research Coordinator,
National College, Tiruchirapalli

Dr. A. Anupriya
Assistant Professor of Microbiology
TSRMMCH&RC, Tiruchirapalli

Dr. L. Manivannan
Head, Physical Education and Yoga
TSRMMCH&RC, Tiruchirapalli

The complete details about How to prepare research protocol for funding agencies were explained step by step. The delegates were allowed to clarify their doubts then and there for the immediate preparation of budget in various heads. The entire delegates were divided into three groups thereby they were allowed to interact with their respective moderators for the preparation of research protocol and detailed budget.

In order to analyze their understanding capability, the three groups were further sub divided into three subgroups for the preparation of budget in a template manner. The topics for the budget preparation were provided groupwise.

Active involvement of Delegates in activities

Detailed exercises in various topics related to Sample size determination and budget preparation for fund raising were given to the delegates as post workshop activity in the end of the day 2. Due to extension of Statistics session, the day programme was extended upto 9.00pm on day 2 (23.03.2018).

SCIENTIFIC SESSIONS ON (THIRD DAY) 24th March 2018

The MoC of the technical sessions of Day 3 was taken over by Dr. G. Bala Maddileti, Associate Professor of Forensic Medicine and Toxicology.

18.4.1. Review and Feedback of day 2 activities and exercises

The group-wise review of the day 2 activity was conducted by **Dr. S. Shankar,** Assistant Professor of Community Medicine, Chennai Medical College Hospital and Research Centre, Tiruchirapalli regarding the Sampling size and its determination. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding budget for fund raising was reviewed and analyzed by **Mr. M. Ismail**. Further, the tips of smart budget preparation were discussed. All the exercises submitted by the delegates were evaluated and documented.

18.4.2. Session 16: Workplace Stress in Research

Lead Speaker

Dr. S. Sivaraman,
Associate Professor of Psychiatry,
Trichy SRM MCH&RC, Tiruchirapalli

The twelfth session was described and presented by ***Dr. S. Sivaraman,*** Associate Professor of Psychiatry, Trichy SRM MCH&RC, Tiruchirapalli. He demonstrated the importance of continuous assessment of risks to health, the provision of appropriate information and training on health issues and the availability of health promoting organizational support practices and structures. A healthy work environment is one in which staff have made health and health promotion a priority and part of their working lives. Pressure at the workplace is unavoidable due to the demands of the contemporary work environment. Pressure perceived as acceptable by an individual, may even keep workers alert, motivated, able to work and learn, depending on the available resources and personal characteristics. However, when that pressure becomes excessive or otherwise unmanageable it leads to stress. Stress can damage an employees' health and the business performance.

His deliberations further described the work-related stress can be caused by poor work organization (the way we design jobs and work systems, and the way we manage them), by poor work design (for example, lack of control over work processes), poor management, unsatisfactory working conditions, and lack of support from colleagues and supervisors.

The technical sessions was continued after group photo session and yoga practice for 30 minutes to get relax from the routine workshop assignments.

Group Photo with Administrator, Advisors, Organizing Team and Delegates

Yoga Session for relaxation

18.4.3. Session 17: Research Paper presentations

Lead Speaker

Dr. N. Prabhusaran,
Associate Professor of Microbiology and Research,
Trichy SRM MCH&RC, Tiruchirapalli

The twelfth session was described and presented by ***Dr. N. Prabhusaran,*** Associate Professor of Microbiology and Research, Trichy SRMMCH&RC about effective research paper presentations. He described an oral research presentation is meant to showcase the research findings and the effective oral presentations should communicate the importance of your research, clearly state finding and the analysis of those findings and prompt others in the academic community to ask questions and give the valuable feedback that could further, and strengthen the research.

He also highlighted the role of font size, color, background, number of words and lines in the slide, pictures, graphs, tables and references. His deliberation on the understanding of importance of the nature and mood of the audience, presentor's body language, confidence in presentation, boldness to face interactions and comments, and attractive templates attract the audience to follow in their future presentations.

Session 17: Research paper presentation

18.4.4. Session 18: Plagiarism and its ill effects

Lead Speaker

Mr. M. Ismail
Research Coordinator
Trichy SRM MCH&RC, Tiruchirapalli

The twelfth session was described and presented by ***Mr. M. Ismail,*** Research Coordinator and Professor of Research, Trichy SRMMHC&RC about different dimensional aspects including plagiarism and its ill effects. He described how serious the problem is? Types of plagiarism, what made the scholars to do plagiary, etc. His demonstration about the rationale of academic integrity makes the audience not to do plagiarism in future. He defined various cases registered towards the plagiarism in India and nearby countries.

His explanation regarding the quoting, paraphrasing and summarizing makes the participants very clear about the citation, referencing and acknowledgements. He highlighted the mistakes made by the research guides for their improper evaluation of the write-ups and sometimes the guides are also motivating the scholars to do copy and paste. The history of the scientific writings and its modern method of observations made the participants more comfortable in criticizing the published articles that are much useful as the literature of review.

18.4.5. Session 19: Art of Drafting research article

Lead Speaker

Dr. R.T. Narendhirakannan,
Assistant Professor of Biotechnology,
Karunya Institute of Science and Technology (Deemed to be University),
Coimbatore

The day 2 technical sessions was initiated by ***Dr. R.T. Narendhirakannan***, Assistant Professor of Biotechnology, Karunya Institute of Science and Technology (Deemed to be University), Coimbatore on "Art of drafting research article". He highlighted the differences good and bad articles. His description on identification of descriptive and non descriptive data for publication was highly commendable.

He also described various steps involved in preparing a manuscript including, abstract, key words, introduction, materials and methods, results, discussion, conclusion, acknowledgement and references. His definition and examples on structured and non-structured are highly useful for the beginners and researchers to prepare and modify manuscripts respectively.

He also described in detail about the structure of rough drafts, corrections, multi eye observations and final draft preparation. The importance of detecting the level of plagiarism and its corrections also defined well in this session thereby the delegates collected need based informations.

Session 19: Hands on training on Drafting Research Articles

18.4.6. Session 20: Art of Drafting research article

Lead Speaker

Dr. R.T. Narendhirakannan,
Assistant Professor of Biotechnology,
Karunya Institute of Science and Technology
(Deemed to be University), Coimbatore

Moderators

Dr. K. Hemalatha, *Asso Prof of Comm. Medicine*
Dr. G. Bala Maddileti, *Asso. Prof. of FMT*
Dr. A. Anupriya, *Asst. Prof. of Microbiology*
Dr. A. Sundhararajan, *Asst. Prof. of Research*

He highlighted the differences good and bad articles. His description on identification of descriptive and non descriptive data for publication was highly commendable. He also described various steps involved in preparing a manuscript including, abstract, key words, introduction, materials and methods, results, discussion, conclusion, acknowledgement and references. His definition and examples on structured and non-structured are highly useful for the beginners and researchers to prepare and modify manuscripts respectively. He also described in detail about the structure of rough drafts, corrections, multi eye observations and final draft preparation. The importance of detecting the level of plagiarism and its corrections also defined well in this session thereby the delegates collected need based informations.

18.4.7. Session 21: Project report preparation

The project report preparation was the final and conclusionary presentation in the three day workshop. The expert was ***Dr. P. Thirumalaikolundusubramanian***, Professor of Medicine and Head, IRB, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He highlighted the importance of project report by which the data in organized, systematic and attractive manner was expected. The report provides factual base for formulating policies and strategies related to the discipline. He described in detail about various types of reports including technical report, popular reports, interim reports and summary report. He also defined the importance of systematic references and further study recommendations.

Session 18: Project Report Preparation

ICMR and SERB sponsored IV National Workshop on Research Methodology [22 – 24, March 2018]

List of Posters

Poster No.	Name of the Delegate	Poster title
WoRM-2018/101	Ms. K. Saraswathi	Statistical interference using randomization tests
WoRM-2018/102	Ms. S. Priya	Research – Passion verses Pressure
WoRM-2018/103	Mrs. C. Anuradha	Self interest and ideology in Research
WoRM-2018/108	Ms. N. Himalini	Gender inequality in Research
WoRM-2018/109	Dr. Sheela	Steps of Research Design
WoRM-2018/110	Mr. A.V. Siva Kumar	Types of Epidemiological Research
WoRM-2018/112	Dr. Siva Ranganathan Green	Code of ethics in human research
WoRM-2018/113	Dr. M. Keerthiga	Standing on the shoulders of giants – Literature review
WoRM-2018/115	Ms. D. Aiswarya	Legislation of Animal testing in Research in India
WoRM-2018/116	Ms. V. Amutha	Think probabilities not possibilities in Research
WoRM-2018/117	Mr. P. Deepak	Alternative for animal experimentation
WoRM-2018/118	Mr. K. Durairaj	Approach of sample size determination
WoRM-2018/120	Ms. K. Lavanya	Designing of good questionnaire for research
WoRM-2018/122	Ms. N. Kanagathara	Sampling errors
WoRM-2018/131	Mr. SK. Kareem	Informed consent and its usefulness
WoRM-2018/132	Mr. A. Sivakrishna	Hypothesis testing
WoRM-2018/136	Ms. A. Aparna Menon	Data distribution
WoRM-2018/138	Dr. Mamatchi Melila	Whether Guides are mandatory for Research?
WoRM-2018/139	Mr. K. Kaleshkumar	Normal distribution
WoRM-2018/140	Ms. Aruna Jawade	Preparation of research protocol
WoRM-2018/141	Mr. Shrikant Sanjayrao Khairnar	Funding agencies and its research priorities

WoRM-2018/142	Ms. Aaditi S. Khagar	Data analysis – students' T test
WoRM-2018/143	Dr. G. Nageswara Rao	Reference writing and various styles
WoRM-2018/144	Dr. Y. Lakshmi Divya	Funding sources in Indian Research
WoRM-2018/145	Mr. Ganesh EJH	Guide verses Research Student relationship
WoRM-2018/147	Mr. Alok Ranjan	Data analysis – Chi square
WoRM-2018/148	Dr. B. Sekar	Observational studies verses Clinical trials
WoRM-2018/149	Dr. K. Indra Priyadharshini	How to design an effective Research poster?
WoRM-2018/150	Dr. A.J. Bhorgin Lourdu Mary	Plagiarism and criminalization
WoRM-2018/151	Dr. A. Avila Jerley	Tips for writing good review paper
WoRM-2018/152	Ms. Cybil Ignatius	Data analysis – correlation and regression
WoRM-2018/153	Ms. T. P. Anusha	Commonly used statistical methods for normal & skewed distribution
WoRM-2018/154	Dr. S.J. Nithya	Statistical softwares and its descriptions
WoRM-2018/155	Mr. Mohd Younis	Stress and depression in Research environment
WoRM-2018/156	Dr. M. Jemima Judith	Types of Scientific Evidence
WoRM-2018/157	Dr. G.A. Victoria Devi	Survival analysis in Statistics
WoRM-2018/158	Dr. R. Bharath	Sample randomization
WoRM-2018/159	Ms. Aparna Tiwari	Preparation of case study
WoRM-2018/160	Ms. Sonalika Kar	Construction of Bioethics cell
WoRM-2018/161	Dr. M. V. Vidya	Usefulness of Retrospective study
WoRM-2018/161	Dr. D. Jayavelu	Meta analysis
WoRM-2018/163	Mr. Kiptoo Geoffry	Challenges in conducting research
WoRM-2018/201	Ms. S. Kokila	Integrated Research
WoRM-2018/202	Dr. P.R. Revathi	Problems in conducting quality research today 2018
WoRM-2018/203	Dr. C. Jegan Kumar	Inter-disciplinary research

VALEDICTORY FUNCTION OF IV NATIONAL WORKSHOP ON RESEARCH METHODOLOGY [22ND TO 24TH MARCH 2018]

ORGANIZED BY

Institutional Research Board (IRB) & Medical Education Unit (MEU), Chennai Medical College Hospital and Research Centre (CMCH&RC), Irungalur, Tiruchirapalli

SPONSORED BY

Indian Council of Medical Research (ICMR) and Science and Engineering Research Board, New Delhi

---

Valediction Agenda

Date: 24th March 2018 **Time:** 4.15 pm

Venue: Conference Hall, Medical Education Unit, College Block, 3rd Floor

Welcome Address	:	**Dr. A. Sundhararajan, Ph.D.,** Jt. Organizing Secretary, WoRM 2018
About the Workshop	:	**Dr. A. Anupriya, MD.,** Assistant Professor, Microbiology Organizing Member, WoRM 2018
Awards announcement	:	**Dr. K. Kanagasanthosh, MD.,** Organizing Member, WoRM 2018
Award Distribution by	:	**Dr. S. Vinayagam, MD.,** Director and Dean **Dr. P. Anusuya, MD.,** Medical Superintendent
Valedictory Address	:	**Dr. S. Vinayagam, MD.,** Director and Dean, CMCH&RC
Feedback from the Delegates		
Vote of Thanks	:	Dr. **N. Prabhusaran, Ph.D.,** Organizing Secretary, WoRM 2018

****

20.2. Comments on Valedictory programme

The valedictory programme was started by 04.30pm on 24th March 2018. **Dr. S. Vinayagam**, Director (Health Sciences and Dean) and **Dr. P. Anusuya,** Medical Superintendent of Trichy SRM MCH&RC were the valedictory chief for delivering valedictory address and prize distribution for the best posters. A total of 44 posters were displayed in the workshop. All the registered delegates displayed the posters in the title given to them by the organizers. The posters were evaluated by 6 different and independent judges thereby top 5 posters were selected for best poster award.

Among the 45 registered delegates, two volunteers gave open feedback and asked the organizers to provide more exercises and one of the delegate Ms. C. Anuradha appreciated the organizers for organizing one of the best workshops she attended in her lifetime.

20.3. Best Poster Award distribution

Ms. Himalini, Sri Ramachandra Medical College, Chennai

Dr. Indra Priyadharshini, Vinayaka Missions Dental College, Salem

Mr. Aruna A. Jawade, National Institute Miners' Health, Nagpur

Dr. Nageswara Rao, Dr. Pinnamaneni Siddhartha Medical College, Andhra Pradesh

Ms. Sonalika Kar, National Institute of Malaria Research (ICMR), New Delhi

20.4. My Best Mentee Awards

Mentor	Best Mentee	Photograph
Dr. N. Prabhusaran Organizing Secretary WoRM 2018, Associate Professor of Research and Microbiology	**Ms. K. Lavanya** Research Scholar, Periyar University, Salem	
Dr. A. Sundhararajan Jt. Organizing Secretary WoRM 2018, Assistant Professor of Research and Biochemistry	**Ms. T.P. Anusha** Research Scholar, University of Calicut, Kerala

Dr. K. Kanagasanthosh Organizing Member WoRM 2018, Assistant Professor of Pharmacology	**Mrs. V. Amutha** Research Scholar, Periyar University, Salem	
Dr. K. Ilavenil Organizing Member WoRM 2018, Tutor in Anatomy	**Dr. Siva Renganathan Green** Associate Professor of Medicine, Mahatma Gandhi Medical College, Puducherry	
Dr. L. Manivannan Organizing Member WoRM 2018, Head of Physical Education and Yoga	**Ms. S. Priya,** Lecture, Apollo College of Nursing, Chennai	

20.5. Best Activity Performer Awards

A. Best Activity Performer Awards (Epidemiology session)

Mr. A.V. Sivakumar, Narayana Medical College, Andhra Pradesh

Ms. C. Anuradha
Apollo College of Nursing, Chennai

B. Best Activity Performer Awards (Literature collection session)

Mr. Alok Ranjan, Indian Institute of Technology, Roorkee

Dr. R. Bharath
Shree Balaji Dental College, Chennai

C. Best Activity Performer Awards (Questionnaire study session)

Ms. R. Priya
Apollo College of Nursing, Chennai

Dr. D. Sheela
Saveetha Medical College, Chennai

D. Best Activity Performer Awards (Statistics session)

Ms. Aparna Tiwari, National Institute of Malaria Research, Delhi

Dr. Mamatchi Melila, Bharathidasan University, Tiruchirapalli

E. Best Activity Performer Awards (Fund Raising session)

Ms. Aruna A. Jawade, National Institute of Miners' Health, Nagpur

Mr. Kiptoo Geoffry
Kuvempu University, Karnataka

F. Best Activity Performer Awards (Drafting Research Article session)

Ms. Sonalika Kar, National Institute of Malaria Research, Delhi

Mr. P. Deepak
Periyar University, Salem

Special Awards

20.6. Innovative Thinker of WoRM 2018

Mr. Alok Ranjan, Indian Institute of Technology, Roorkee, Uttarakhand

20.7. Best Participant of WoRM 2018

Ms. C. Anuradha, Apollo College of Nursing, Chennai

20.8. Blessing words from Institutional personalities

Blessing words by Med. Supt. Dr. P. Anusuya

Valedictory Address by the Dean Dr. S. Vinayagam

The valedictory programme came to the end by 05.15pm on 24th March 2018. The three day workshop came to a close with vote of thanks proposed by **Dr. N. Prabhusaran**, the Organizing Secretary, WoRM 2018. All the delegates were distributed with their workshop manual, travel allowances (TA) and attendance certificate.

24.0. Visitors Comments (Feed Back)

24.1. Resource persons

Name of the Chairperson	Comments
Dr. G. Govindaraj Managing Director and Surgical Oncologist, Harshamitra Cancer Research Institue, Tiruchirapalli	Neat and spacious atmosphere, good space for learners, vibrant organizers, fantastic heterogeneous delegates, proud to be a part of WoRM 2018
Dr. S. Elango Professor and Head of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Thanks for inviting me and allotting me an interesting topic and in my own field of interest; a decent and well educated audience; I personally learnt a lot from the educated and well behaved delegates
Dr. Gurudatta S. Pawar Professor and Head of Forensic Medicine and Toxicology, Chennai Medical College Hospital and Research Centre, Tiruchirapalli	Wide circulation, best and unbiased selection, excellent topic; very well organized; wide spread participants; commendable
Dr. T.S Gugapriya Professor of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Good effort; best wishes for success; Certain improvement are needed in scheduling the classes and grouping of delegates; Overall nicely planned.
Dr. H. Geetha Professor of Biochemistry, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Good ambience for learning, most respectful organizers, well educated and decent delegates; I am blissful to present and train the delegates in this workshop
Dr. V. Raghuram Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Good initiatives and nice scheduled improvements; suggest the organizers to concentrate much on providing smart classes for the delegates, congratulations for the systematic approach
Dr. S. Shankar Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Good effort; best wishes for success; Certain improvement are needed in scheduling the classes; Overall nicely planned.
Dr. R. Muthukrishnan Associate Professor of Statistics, Bharathiar University, Coimbatore	Nice workshop; topics are good; Some changes may be done in future in the ordering of topics; wonderfully organized; Selection of the participants are really good, Nice, Calm and aesthetic delegates and Well enthusiastic organizers; Keep it up!!!
Mr. S. Pandi Assistant Professor of Statistics, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	I had the new experience for interaction with various types of faculties and students as delegates/ statistical basic concepts were lack among the participants; but they are very eager to learn and have more involvement in statistical analysis; hence this type of workshop should be mandatory in future.

Dr. M.A. Akbarsha Emeritus Scientist and Coordinator, Research, National College, Tiruchirapalli	Wonderfully organized; Apply to all PGs and Ph.Ds to write their proposals to various funding agencies; As a senior teacher I am ready to help any scholars for correcting their proposals for easy and earliest receipt of funds
Dr. S. Sivaraman Associate Professor of Psychiatry, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli	Vibrant organizers, well mannered delegates, overall nicely and orderly panned workshop; best wishes
Dr. T.S Narendhirakannan DST Young Scientist, INSA Visiting Scientist and Assistant Professor of Biosciences and Technology, Karunya University, Coimbatore	Good step towards research oriented curriculum; I had the nice experience to interact with heterogeneous group of participants through preparation of manuscripts and usage of updated guidelines and procedures to step forward. The efforts taken by the organizers would be appreciated.

IV National Workshop on Research Methodology

(Sponsored by ICMR and SERB, New Delhi)

22 – 24, March 2018

(Institutional Research Board & Medical Education Unit)

Feedback form - Anonymous

Dear Delegates!!

Kindly fill up the feedback form in order to improve the quality and outcome of future CME and workshop to achieve the expected goal. Please donot write your name or ID anywhere.

Please tick appropriately.

Section A: About Call letter and Invitation

How much informative was the invitation?	✓ Very informative	Informative	Less informative	Others
When did you receive the invitation	Well in advance	✓ On time	Late	Others
What is your opinion about the workshop application process	Tedious	✓ Appropriate	Easy	Others
Did you completely read the call letter and understand the details given	✓ Yes	Partly read	Read, but didn't understand fully	No

Section B: How would you rate the Workshop in terms of the following?

Parameter	Excellent	Very Good	Good	Fair	Poor
Reachability to the venue			✓		
Registration arrangements	✓				
Venue Ambience	✓				
Accommodation				✓	
Food and Hospitality		✓			
Local visits arrangements		✓			
Cultural events					✓
Audio –visual aids			✓		
Acoustics			✓		
Workshop hand-outs and materials	✓				

Section C: Rate the following in the scale of

1 – Excellent; 2 – Very Good; 3 – Good; 4 – Satisfactory; 5 – Need to improve

Parameters	1	2	3	4	5
About the lecture topics					
Organization of the programme	✓				
Topics relevance to the theme of workshop		✓			
Information presented to you are		✓			
About the Speakers					
Nature of the information delivered		✓			
Speakers presentations		✓			
Understandability of the materials presented		✓			
About the Hands on workshop					
Time allotted for hands on training			✓		
Encouragement of participation and interactions	✓				

Section D: Opinion

Question	Opinion		
	Yes	No	No Comments
Do you have the confidence to prepare projects on research as per the prescribed format?	✓		
Have you gained confidence to prepare research reports?	✓		
Can you publish a research paper on your own after the training?	✓		

What did you like most about this training?

The Training programmes are good, well planned and well organized. Study tours, Epidemiology, Participation / Interaction

What aspects of the training could be improved?

May be the workshop can be extended to 4 days and one day for local visit and cultural programs, hangout essay DS - practical good. Give.

Overall the workshop is

a. Excellent ✓ b. Very Good c. Good d. Satisfactory e. Need improvement

In your opinion, was this workshop?

☐ a. Introductory ☐ b. Intermediate ☑ c. Advanced

Any other remarks – pls specify

NO - remarks at all, ~~and~~ please extend to 5 days and one day for local visit, cultural programs and to cover the different departmental

Sir,

Herewith I have attached the Invitation of Guest Lecture on **"Post Prandial Glucose Control & Approach of Intensification of Insulin Therapy"** organizing by the department of General Medicine.

Date: 12.07.2018
Venue: B.C.Roy hall
Time: 2.00pm to 3.30pm.

PFA.

INVITATION

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE ,TRICHY

Department of Medicine & MEU

Invite you for the

Guest Lecture on

"Post Prandial Glucose Control & Approach of Intensification of Insulin Therapy"

By

Dr.M.Shanmugavel M.D

Consultant Diabetologist & Managing Director, Trichy Diabetes Centre, Trichy

On Thursday, the 12th July, 2018 from 2.00Pm to 3.30 Pm

At B.C ROY Hall – Hospital Block

Will be Presided by

Dr.S.Vinayagam, MD., DMRD.,

Director (H.S)

&

Dr.A.Jesudoss M.S (ENT)

Dean

Will be Felicitated by,

DR. N. Balasubramanian, M.D, D.D.,
Deputy Director,

Dr.P.Anusuya, M.D
Deputy Director (IQAC)

Dr.S.Revwathy M.D
Medical Superintendent,

Dr.Gurudatta S. Pawar M.D
Vice Principal & MEU Coordinator

For Circulation
10/7/18

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE

Respected Sir,

As a part of Faculty Development Programme for the Academic year 2018-2019. I kindly request you to permit to conduct Faculty Development Programme Series Live Surgery by Dr. S. Tamilselvan MS,$MRCS_{ED}$,FRCS(UK), FRCS(I).FRCS(Eng).FACS,Phd., Consultant Endocrine Surgeon, Royal Free Hospital, London.

Proposed Date & Time: **26-09-18**

Proposed Programme Schedule:

Topic: A case of 13 years Old girl with locally advanced Papillary Thyroid Carcinoma Planned for Total Thyroidectomy with CCND & Bilateral MRND.

Venue: **OT -IV**

Thanking You

DEPARTMENT OF GENERAL SURGERY

REPORT FOR LIVE SURGERY WORKSHOP BY ENDOCRINE SURGEON FOR SURGERY DEPARTMENT FACULTIES (2018)

Department of General Surgery Conducted Live Surgery Workshop By Dr. S. Tamilselvan M.S,MRCS(ED),FRCS,(U.K),FRCS(I),FRCS(ENG),FACS,Phd, Consultant Endocrine Surgeon , Royal free Hospital, London, on 26.09.2018, at B.C. Roy Hall 2nd Floor, Trichy SRM Medical College, from 9.00 A.M On wards. In the Programme there was a Live Surgery Demo – Total Thyroidectomy with CCND & Bilateral MRND. Around 14 faculties from department of general Surgery Participated in the Programme.

Department of Pathology

The department of Pathology Trichy SRM Medical College Hospital & Research Centre conducted a CME on **Recent trends in Diagnostic Pathology – Slide Seminar 2018"**

Programme details

Topic: **Recent trends in Diagnostic Pathology – Slide Seminar 2018"**

Date: 30th August 2018

Venue: Lecture Hall II, College Block

Participants:100

REPORT

The CME was a collaborative effort between the KCIAPM, Department of Pathology &Trichy SRM Medical College, Hospital& Research Centre. Since the KCIAPM had taken up the mantle of conducting the scientific sessions there was an array of visiting luminaries from Davangere, Bengaluru and nearby colleges in Karnataka. Dr.P.Shashikala, the President of KCIAPM started the scientific sessions auspiciously by lighting the lamp. The first copy of the souvenir was released by the Deputy Director (Campus), who was also the chairperson for the first session. The discussion of cases & slides in Dermatopathology by Dr.P.Shashikala was exemplary and exhaustive.

Dr.K.V.Santhosh from R.V Metropolis Bangalore, the Treasurer of KCIAPM shared his expertise in Gastrointestinal biopsy. The mucosal biopsies were dealt with meticulously and the approach and care needed the description and diagnosis of the common problems elucidated.

Professor Dr. T.M.Subbarao, the Hematology resource person for the CME dealt with a series of case studies in hematology unraveling the mystery that Hematopathology is, making it seem very simple.

Dr. S.R. Raja Parthiban from MVJ College, Bangalore explained another difficult terrain of pathology with ease and expertise – Bone & Soft tissue pathology. The hard calcified tissues became soft and mellow descriptions and the diagnosis seemed to jump out from the images by themselves.

PROFESSOR AND HEAD
Department of Pathology
Trichy SRM M. C. H. & R. C.
Irungalur, Tiruchirappalli-621 105

Dr.S.Vijay Shankar from AIIMS, Bellur walked through an unusual and newer topic with youthful energy and passion. The use of technology and social media in Medical education were highlighted.

The arrangements for transport, accommodation and other amenities including food, tea, snacks etc were excellent and meticulously executed. The infrastructure and other associated paraphernalia necessary for such events were generously and promptly provided by the management and institutional administration.

The feedback obtained reflected the high standards of the program. The organizing team is grateful for the opportunity and bows their heads in gratitude to all the good souls who made this happen.

Dear Friends and Colleagues,

In the voyage of academic pursuit as we sail through the sea of knowledge, assimilating the pearls of wisdom from the doyens in the field and enriching ourselves becomes very important. Keeping this in mind, we offer an academic feast in **"Recent trends in Diagnostic Pathology – Slide Seminar 2018"** for Postgraduates and Pathology practitioners. Eminent speakers from Karnataka Chapter of IAPM will highlight on various aspects of pathology.

Do attend and enrich yourselves.

Institutional Research Board

Brief report of V National Workshop on Research Methodology (V WoRM 2018)

SUMMARY OF THE PROGRAMME

The **Institutional Research Board** (IRB) and **Medical Education Unit** (MEU) of **Trichy SRM Medical College Hospital and Research Centre,** Tiruchirapalli, Tamilnadu conducted a four day V National Workshop on "Research Methodology" from September 26 – 29, 2018 at the **Conference Hall** of Medical Education Unit (III floor, College Block) of the institution. The initial step was taken in the month of May 2018 after getting concurrence from the Dean and the Management and then applied for financial support from **Indian Council of Medical Research** (ICMR), **Council of Scientific and Industrial Research** (CSIR), **Defence Research Developmental Organization** (DRDO), **Indian National Science Academy** (INSA) and **Indian Council for Philosophical Research** (ICPR). Based on the proposal and the schedules of workshop, no funding agencies come forward to support this workshop. Further, it was decided to conduct the workshop with previous workshop balance amount, application processing fees and local sponsors. Forty five (45) individuals belonging to various disciplines from all over the country were participated as residential delegates for this workshop. The workshop activities were carried out successfully and thereby achieved the objectives as per the feedback received from Delegates as well as internal and external faculty not affiliated to IRB**.**

THEME OF THE WORKSHOP

The theme of the workshop was *"Update in Research Methodology"* and the topics selected were ***Study Design and Types of study, ethical issues in research, literature collection and reviews, sampling size and determination, research paper presentations, ill effects of plagiarism, questionnaire survey and analysis, drafting research articles, statistical methods, preparation of protocol for fund raising, integrated research, stress in research environment and project report preparation.***

The major successes of the workshop are

1. Trained participants on research methods, study design & research proposal preparation.
2. Trained for proper literature collection
3. Trained them about the ethical clearance (constructing ethical committee, its functions, selection of projects, comments and certification.
4. Defined clearly about the ill effects of plagiarism.

5. Trained for the effective research paper presentations
6. Trained the participants on various research grant opportunities
7. Trained them for case study data collection and drafting.
8. Trained them for art of drafting research papers for publication.
9. Strengthened the participants in the disease-control programme by collaboration between academic / Research institutions and Industry
10. Trained the statistical methods used in medical and biological research.
11. Provided the detailed information regarding the project report preparation.

CREDIT POINTS and CREDIT HOURS

This workshop was accredited and awarded a Continuous Medical Education (CME) credit of **30 points** under category III by the Tamilnadu Dr. MGR Medical University, Chennai and **6 hours** under category III by Tamilnadu Medical Council, Chennai.

STATUS OF WORKSHOP

We organized the first National Workshop on "Research Methodology" from September 29th, 30th to October 1st 2015 sponsored by ICMR with 45 selected delegates, second workshop on Research Methodology from February 14th – 16th 2017 with 54 registered participants, third workshop on Research Methodology from 14th to 16th September 2017 sponsored by ICMR with 40 selected delegates, fourth workshop on Research methodology from March 22nd – 24th 2018 sponsored by ICMR and SERB with selected 45 delegates and fifth workshop on Research Methodology from September 26th – 29th 2018. The Institution continuously seeks to achieve the goal by educating research professionals, sharing recent knowledge, advanced methodology and advocating the highest quality in research.

Most of the institutions are lacking to train about the research methodology to their post graduates and research scholars. Thus they are struggling to carry our research activities. This workshop involved with lead lectures, presentations, problem solving sessions, hands on training and group participation.

The workshop was designed to give structured attention to the process of formulating a research question and setting up a research design. It was designed to enhance the research culture among post graduates and research scholars; and structured so as to facilitate the participants get oriented to both research methodology and statistical methods.

STATUS OF THE APPLICATION, SCRUTINIZATION AND DELEGATE SELECTION

After sending the call letters to all parts of the country, we received 65 applications from Tamilnadu (37), Puducherry (9), Andhra Pradesh (9), Karnataka (3), West Bengal (3), Maharashtra (1), New Delhi (1), Haryana (1) and Telengana (1). A team of organizing committee members were requested and appointed as scrutinizing members. Detailed and unbiased regulations were made and finalized. Based on the regulations, the selection committee members selected forty five (45) [36 external and 9 internal] eligible applications for participation.

STATUS OF DELEGATES AND PRESENTATIONS

Finally, a total of **44 delegates** registered and participated in this workshop. The registrants include teaching faculty members, research scholars, postgraduates from all medical and biological disciplines, corporate from various parts of country and faculty from host institutions etc. For all the delegates, the workshop kit comprising of a compliment bag, stationery materials, writing pad and manual book were given. The state wise delegates were depicted below

Andhrapradesh - 5	New Delhi - 1
Karnataka - 2	Puducherry - 7
West Bengal - 2	Tamilnadu - 27

A total of fifteen (15) lead lectures, eight (8) hands on training, seven (7) major activities, five (5) presentations by the delegates after the activities were completed. A separate poster display session was done by selected delegates and the same was evaluated by a gallery of 6 judges.

Before starting the programme, all the delegates were evaluated by giving pre evaluation form which is duly prepared and standardized by the organizing team. The filled forms were exclusively evaluated for understanding the knowledge, attitude and performances of the delegates, accordingly the further technical sessions may move.

INAUGURAL FUNCTION

The master of ceremony (MOC) of the traditional inaugural programme was carried out by **Dr. N. Prabhusaran**, Organizing Secretary of the Workshop. Before inauguration, the ice breaking session was conducted in order to familiarize the delegates each other and to get involved in various forthcoming activities.

Icebreaking session

Ice breaking session can be an effective way of starting a training session or workshops. As interactive and often fun sessions run before the main proceedings, they help people get to know each other. The secret of a successful icebreaking session is to keep it simple: design the session with specific objectives in mind and make sure that the session is appropriate and comfortable. The facilitators of this session are **Dr. A. Anupriya**, Assistant Professor, Microbiology and **Dr. K. Ilavenil**, Assistant Professor, Anatomy.

Enthusiastic Experts

Joyful Delegates

Friendly interactions among delegates during icebreaking session

Inauguration

The traditional inaugural function was conducted on **26th September 2018 at 10.00am** with Tamil thaivazhthu (Praising Tamil Goddess) followed by welcome address deliberated by **Dr. P. Thirumalaikolundusubramanian**, Head, Institutional Research Board and Professor of Medicine. The Indian culture of lamping five faced lamp was lighted.

Dr. A. Jesudoss, Dean and Professor of ENT presided the workshop**, Dr. S. Vinayagam,** Director (Health Sciences) and Professor & Head of Radiology delivered keynote address and **Dr. N. Balasubramanian,** Deputy Director and Professor & Head of Dermatology inaugurate the workshop**.**

Vice Principal Dr. P. TKS

Dean Dr. A. Jesudoss

Director Dr. S. Vinayagam

DD Dr. S. Balasubramanian

Lighting Kuthuvilakku by Institutional Authorities

Joint hands for lighting kuthuvillaku by registered delegates

A book of manual (Workshop manual) was released by the respectful Dean **Dr. A. Jesudoss** and the first copy was received by the registered delegate **Dr. Y. Lavanya**, Associate Professor of Physiology, Dr. Pinnananeni Siddhartha Institute of Medical Sciences and Research Foundation, Andhrapradesh.

Releasing workshop manual by the Dean and the first copy was received by Dr. Y. Lavanya (Registered Delegate)

The nineteen (19) students who are completed the projects and certified ICMR – STS projects were honored by the Dean with certificates.

[Honoring ICMR-STS projects students by the Dean]

Dr. Anusuya, Deputy Director (IQAC) and Professor of Obstetrics and Gynecology, **Dr. S. Revwathy,** Medical Superintendent and Professor of Obstetrics and Gynecology and **Dr. P. Karthik**, Additional Medical Superintendent and Professor & Head of Surgery felicitated. Finally, vote of thanks was delivered by **Dr. M. Muhil,** Coordinator, Medical Education Unit and Associate Professor of Physiology, TSRMCH&RC.

SCIENTIFIC SESSIONS ON (FIRST DAY) 26th September 2018

Session 1: Keynote Address on Why Research?

The session one of the workshop was initiated as Keynote address delivered by **Dr. P. Thirumalai Kolundusubramanian**, Professor of Medicine, Head – IRB, Vice Principal and Organizing Chairperson of V WoRM 2018, TSRMMCH&RC Trichy on the topic of Why Research?. He highlighted the two major reasons for performing research – internal drive (interest on research) and mechanism developed through teachers, friends and environment. He described the term research in his own style as "Research is the systematic collection, analysis and interpretation of data to answer a certain set of questions or to solve a problem. He also explained in a detailed manner about the various research types and its advantages and disadvantages. His talk was highly admired by the participants and induced self motivation in pursuing research.

****

Session 2: Study Design and study types

The second session on "Study Design and study types" was presented and described by ***Dr. Deodatt M. Suryawanshi***, Associate Professor, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Trichy.

He emphasized that Epidemiology is the basic science of disease prevention and plays major role in the development and evaluation of public policy as well as in social and legal arenas. His thoughts on epidemiological research described as a major role of epidemiology is to provide a clue to changes that take place over time in the health problems presenting the community.

Further He defined the important use of epidemiologic evidence is to identify subgroups in the population who are at risk for disease. Why should the researcher identify such high-risk groups? First, if one can identify these high-risk groups, then direct preventive efforts, such as screening programs for early disease detection, to populations who are most likely to benefit from any interventions that are developed for the disease. Second, if one identifies such groups, it may be able to identify the specific factors or characteristics that put them at high risk and then try to modify those factors. During the discussion about prevention, she distinguished among primary, secondary and tertiary prevention. His deliberations on incidence and prevalence rate were highly appreciated and accepted as need based in this current scenario.

****

Session 3: Randomized Controlled Trials

The session was deliberated by ***Dr. R. Balaji,*** Associate Professor of Community Medicine, SRM Medical College Hospital and Research Centre, Kattankulathur. He highlighted the importance of differentiating qualitative and quantitative research. His presentations on in depth interviews, focus group discussion, ecological studies, case reports, case studies, case series, cross sectional study, cohort study, case control study, non randomized trial and randomized control trials. He also explained the importance of doing meta analysis that is referred as highest clinical relevance than the *in vitro* research. He represented the role of various studies and its public domain importance and applicality.

****

Session 4: Hands of Training on Study design, types of study

The effective and need based session in this workshop is "Training on Epidemiological research and Study Design" was conducted by ***Dr. R. Balaji***, Associate Professor, Department of Community Medicine, SRM Medical College Hospital and Research Centre, Kattankulathur, ***Dr. Deodatt M. Suryawanshi***, Associate Professor, Department of Community Medicine, ***Dr. K. Hemalatha***, Associate Professor, Department of Community Medicine and ***Dr. S. Shankar***, Assistant Professor, Department of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. Their deliberations overviewed with methods of doing epidemiology, tools applied, steps necessarily followed for epidemiological survey. They also described and provided hands on training to the participants in four major quantification descritpors.

1. **Numbers:** Use of actual number of events - e.g. 100 cases of TB in community A
2. **Ratios:** Quantifies the magnitude of one occurrence X, in relation to another event Y as X/Y - e.g. Ratio of TB cases in community A to B is 1:10
3. **Proportions:** Proportions: a ratio in which the numerator is included in the denominator - e.g. proportion of TB cases in community A is 10%

4. **Rates:** a proportion with time element. It measure the occurrence of an event overtime

The delegates were grouped in to two categories according to their field of concern and handed over to the respective faculty experts for train them for Epidemiological Research and Study design.

****

Session 5: Literature collection and management

This session was deliberated by ***Dr. M. Anbarasi***, Associate Professor of Physiology, Dhanalaskhmi Srinivasan Medical College and Hospital, Perambalur. She highlighted the importance of empirical research in the health sciences can be qualitative or quantitative in nature. Generally, health science research deals with information of a quantitative nature, and this manual deals exclusively with this type of research. For the most part, this involves the identification of the population of interest, the characteristics (variables) of the individuals (units) in the population, and the study of the variability of these characteristics among the individuals in the population. Thus the quantification in empirical research is achieved by three related numerical procedures: (a) measurement of variables; (b) estimation of population parameters (parameters of the probability distribution that captures the variability of observations in the population); and (c) statistical testing of hypotheses, or estimating the extent to which 'chance' alone may account for the variation among the individuals or groups under observation.

****

Session 6: Hands on training on "How to collect Literature"

All the registered delegates were grouped in to nine categories according to their field of concern and handed over to the respective faculty experts for train them to collect literature.

****

Broad exercises in various topics related to literature collection and review were given to the delegates as post workshop activity. The day 1 was completed with distribution of two activities as post day 1 workshop activity.

1. Evaluate and describe the types of study of the given data
2. Literature collection and reviewing

At the end of the primary evaluation of the day 1, all the delegates were taken to local visit at Tiruchirapalli. The place visited was Thiruvanaika Akilandeeswari temple.

SCIENTIFIC SESSIONS ON (SECOND DAY) 27th September 2018

Before the initiation of the second day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Review and Feedback of day 1 activities and exercises

The group-wise review of the day 1 activity was conducted by **Dr. S. Elango,** Professor and Head of Community Medicine, **Dr. Deodatt M. Suryawanshi**, Associate Professor of Community Medicine and **Dr. S. Shankar**, Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the study design and types of study. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding literature collection was reviewed and analyzed by **Dr. A. Sundhararajan**. Further, the tips of collecting the literature in a smarter and quick way were discussed. All the exercises submitted by the delegates were documented.

****

Session 7: Human Ethical issues

The informative and updated information about Human Ethical issues was deliberated by ***Dr. E. Kamala***, Assistant Professor of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the integrated role of philosophers, lawyers, policy makers, scientists and clinicians in conducting the biomedical research involving human participants without any ethical and legal issues. She described in detail about the construction of the human ethical committee in the institutions and also highlighted the individual's responsibilities in approving the research on human subjects.

She orderly described the receipt of proposals, processing, presentations, critical commenting, criteria for acceptance/ revision/ rejection of the proposals and certification. She also described the importance of consent form (in English and vernacular language), model questionnaire for survey study. The need of case study proforma also defined. The hands on training given to the delegates related to human ethics are well planned and executed.

Session 8: Sample size techniques and determination

Dr. D. Rock Britto, Assistant Professor of Community Medicine and ***Dr. M. Tamilarasan***, Assistant Professor of Community Medicine, Dhanalaskshmi Srinivasan Medical College and Hospital, Perambalur were the Guest speakers and trainers of this session. Their descriptions on probability and non probability samples were well analyzed. The variance in probability methods including random sampling, systemic sampling, cluster sampling and stratified sampling; the observations in the variance of judgment sampling, convenience sampling and quotes sampling were also highlighted. They defined the identification of sampling errors occurred during data collection as a result of drawing a portion of population as a sample rather than the whole population. Their presentations with detailed descriptions, mathematical formulae and modulations and identification of significance levels are awesome.

The hands on training on Sample size determination were conducted by ***Dr. D. Rock Britto*** and ***Dr. M. Tamilarasan*** with the detailed description of the algorithm to model and predict a classifier's performance contains three steps including learning curve creation, model fitting and sample size prediction.

Session 9: An overview of Statistics – SPSS (phase 1)

This session was lead by ***Dr. R. Muthukrishnan***, Associate Professor of Statistics, Bharathiar University, Coimbatore. He categorized the statistical tests into two namely descriptive and parametric. Non parametric statistical tests are also described for ordinal variables. He described different types of statistical tests including test of relationship, test of group differences, test for repeated measures and test for odds/risks. Other common statistical tests he defined are Pearson R correlation, Linear/ Multiple regression, Independent t test, ANOVA and Dependent t test.

****

Session 10: Training on Data management using SPSS

After the detailed theoretical description about the Application of Statistics by ***Dr. R. Muthukrishnan*** and ***Mr. M. Pandi***, delegates were grouped into three groups and encourage them to perform statistics using SPSS trial package by providing already analyzed data.

Detailed exercises in various topics related to Sample size determination and Statistics were given to the delegates as post workshop activity in the end of the day 2.

****

SCIENTIFIC SESSIONS ON (THIRD DAY) 24th March 2018

Before the initiation of the third day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Review and Feedback of day 2 activities and exercises

The group-wise review of the day 2 activity was conducted by **Dr. S. Shankar,** Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the Sampling size and its determination. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

****

Session 11: An overview of Statistics – SPSS (phase 2)

The phase 2 session and activities related to statistics was continued and the experts are ***Dr. R. Muthukrishnan***, Associate Professor, Department of Statistics, Bharathiar University, Coimbatore and ***Mr. M. Ismail***, Research Coordinator and Professor of Medical Entomology. The theory cum hands on training was given all delegates and individual attention was seek for the delegates.

Session 12: Questionnaire survey – an overview

The technical session on Questionnaire survey was initiated by ***Dr. K. Ilavenil***, Tutor in Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She defined that the questionnaires are usually paper-and-pencil instruments that the respondent completes. Interviews are completed by the interviewer based on the respondent says. Sometimes, it's hard to tell the difference between a questionnaire and an interview. For instance, some people think that questionnaires always ask short closed-ended questions while interviews always ask broad open-ended ones. But mostly the questionnaires are with open-ended questions (although they do tend to be shorter than in interviews) and there will often be a series of closed-ended questions asked in an interview.

She also highlighted the advantages (practical, collection of huge information, less affect to reliability, easy to analyze and may create new theories) and disadvantages (lacks validity, no way to predict the truth information and deceptive understanding) of questionnaires. Further the delegates were divided into three groups and trained for the preparation of questionnaires under the guideships of **Dr. K. Ilavanil, Mr. M. Ismail** and **Dr. K. Hemalatha**.

Session 13: Research Paper presentations

The twelfth session was described and presented by ***Dr. N. Prabhusaran,*** Associate Professor of Microbiology and Research, TSRMMCH&RC about effective research paper presentations. He described an oral research presentation is meant to showcase the research findings and the effective oral presentations should communicate the importance of your research, clearly state finding and the analysis of those findings and prompt others in the academic community to ask questions and give the valuable feedback that could further, and strengthen the research. He also highlighted the role of font size, color, background, number of words and lines in the slide, pictures, graphs, tables and references. His deliberation on the understanding of importance of the nature and mood of the audience, presentor's body language, confidence in presentation, boldness to face interactions and comments, and attractive templates attract the audience to follow in their future presentations.

****

Session 14: Plagiarism and its ill effects

The twelfth session was described and presented by ***Mr. M. Ismail,*** Research Coordinator and Professor of Research, TSRMMCH&RC about different dimensional aspects including plagiarism and its ill effects. He described how serious the problem is? Types of plagiarism, what made the scholars to do plagiary, etc. His demonstration about the rationale of academic integrity makes the audience not to do plagiarism in future. He defined various cases registered towards the plagiarism in India and nearby countries. His explanation regarding the quoting, paraphrasing and summarizing makes the participants very clear about the citation, referencing and acknowledgements. He highlighted the mistakes made by the research guides for their improper evaluation of the write-ups and sometimes the guides are also motivating the

scholars to do copy and paste. The history of the scientific writings and its modern method of observations made the participants more comfortable in criticizing the published articles that are much useful as the literature of review.

****

Session 15: Preparation of research protocol for fund raising

The highlighted and imperative session on preparation of research protocol for fund raising was deliberated by ***Dr. A. Sundhararajan***, Assistant Professor of Biochemistry and Research, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He described the eligibility criteria of applying documents and proforma to funding agencies. His deliberations on action plans for the elaboration of a strategic plan for research and fund raising were highly admired by the delegates. His presentations on sources of funds, determine the priorities and selection process, concept development and execution, writing skills, budget and schedule, getting feedback and revision process. He also listed out various funding agencies available in India and other countries with their thrust areas of research. His deliberations on preparation of the simplified budget with sub divisions make the participants comfortable and feasible.

Further, the delegates were divided into four groups under each mentor for an exercise related to fund raising with detailed budget preparation was given to all participants and the answers were evaluated, compared, reviewed, analyzed and documented on the same day.

****

SCIENTIFIC SESSIONS ON (FOURTH DAY) 29th SEPTEMBER 2018

Before the initiation of the fourth day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Review and Feedback of day 3 activities and exercises

The group-wise review of the day 3 activity was conducted by **Dr. A. Sundhararajan,** Assistant Professor of Biochemistry and Research, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the Fund raising and **Mr. M. Ismail** discussed about Plagiarism. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

****

Session 16: Art of Drafting research article

The day 2 technical sessions was initiated by ***Dr. T.S. Gugapriya***, Additional Professor of Anatomy, All India Institute of Medical Sciences (AIIMS), Nagpur on "Art of drafting research article". She highlighted the differences good and bad articles. Her description on identification of descriptive and non descriptive data for publication was highly commendable. She also described various steps involved in preparing a manuscript including, abstract, key words, introduction, materials and methods, results, discussion, conclusion, acknowledgement and references. Her definition and examples on structured and non-structured are highly useful for the beginners and researchers to prepare and modify manuscripts respectively.

She also described in detail about the structure of rough drafts, corrections, multi eye observations and final draft preparation. The importance of detecting the level of plagiarism and its corrections also defined well in this session thereby the delegates collected need based informations.

Session 17: Project report preparation

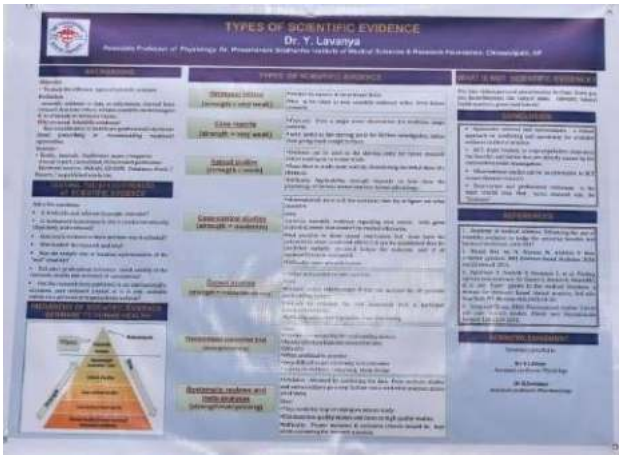
The project report preparation was the final and conclusionary presentation in the three day workshop. The expert was ***Dr. Santham Sweet Rose***, Professor and Principal, SRM Trichy Nursing College, Tiruchirapalli. She highlighted the importance of project report by which the data in organized, systematic and attractive manner was expected. The report provides factual base for formulating policies and strategies related to the discipline. She described in detail about various types of reports including technical report,

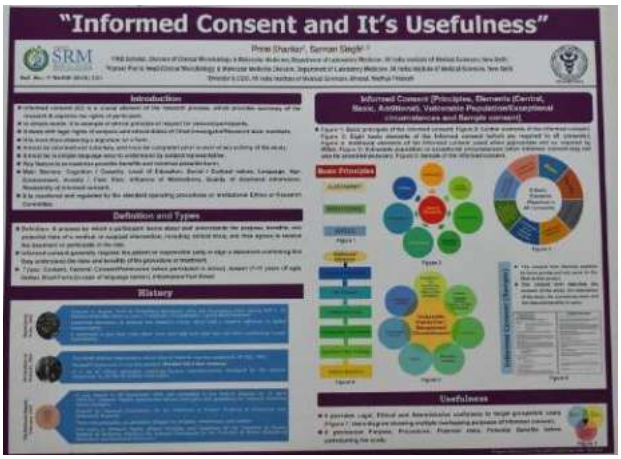
popular reports, interim reports and summary report. She also defined the importance of systematic references and further study recommendations.

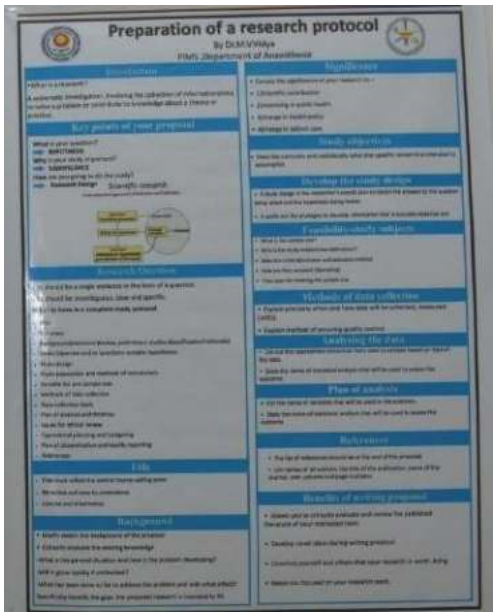
****

POSTER PRESENTATION

All the registered delegates are asked to prepare posters in the topic given and are displayed in the workshop venue. Out of them 43 delegates displayed their posters. The posters were evaluated by 6 different and independent judges thereby top 5 posters were selected for best poster award.







****

VALEDICTORY PROGRAMME

The valedictory programme was started by 01.30pm on 29th September 2018. **Dr. A. Jesudoss**, Dean was the valedictory chief for delivering valedictory address and prize distribution for the best posters and other activities. Among the 45 registered delegates, four volunteers gave open feedback.

Welcome Address by Dr. A. Sundhararajan *Honoring Dr. A. Anupriya (Special Invitee)*

Valedictory Address by the Dean Dr. A. Jesudoss *Honoring the organizing team*

HIV IN PREGNANCY

JULY 31TH 2018

DEPARTMENT OF OBSTETRICS AND GYNAECOLOGY

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE
SRM NAGAR, TRICHY – 621 105.

D/No: 25/OG/2018

Date: 15-07-2018

From

Dr.Kalamani,MD,DGO
Head of the department-Obstetrics and Gynaecology,
Trichy SRM Medical College Hospital & Research Centre,
Irungalur, Trichy.

To

The Dean,
Trichy SRM Medical College Hospital & Research Centre,
Irungalur, Trichy.

Respected Sir,

Sub: HIV in Pregnancy on 31/7/2018
Ref: HIV in Pregnancy on 31/7/2018
Our Department of Obstetrics and Gynaecology has proposed an integrated teaching on HIV in Pregnancy as per the norms in our hospital campus on 31-07-2018 as per the Programme schedule enclosed. I request you to grant permission and to rent appropriate assistance for the successful conduct of the Programme.

Thanking you,

Yours sincerely

10/7/18

(for HoD)

PROFESSOR & HOD
Dept. of Obstetrics & Gynaecology
Trichy SRM M.C.H. & R.C.
Irungalur, Trichy-621 105.

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

Department of Obstetrics and Gynaecology - TSRM

Invites you for the inauguration of

"HIV IN PREGNANCY"

Venue: Dr.B.C.Roy Hall,
Date: 31.07.2018 Time: 12.00 Noon – 1.00 PM

Dr.R.Shivakumar MD., Ph.D.,
Chairman, SRM Group of Institutions
(Ramapuram & Trichy Campuses)

Will preside over the function along with the administrators

Organizing Secretary

Dr.Prof. Kalamani, MD,DGO
HOD, Department of Obstetrics & Gynaecology
TSRMMCH&RC

Programme Schedule

Welcome address **Dr.Banumathy,**
Senior resident,Department of Obstetrics & gynaecology
TSRMMCH&RC

Special address **Dr.N.Balasubramanian**
Deputy Director,Trichy SRM Campus

Dr.Prof. Sugumaran Annamalai
Dean,
TSRMMCH&RC

Felicitation by administrators

Vote of Thanks **Dr.Suchitra, M.S,OG**
Assistant professor, Department of Obstetrics & gynaecology,
TSRMMCH&RC

All faculties, Postgraduates, Undergraduates and CRRIs are welcomed.

THE DEPARTMENT OF OBSTETRICS AND GYNAECOLOGY HAS SUCCESSFULLY CONDUCTED
INTEGRATED TEACHING ON HIV IN PREGNANCY- 2018 AND DETAILED LIST OF THE EVENTS ARE ENCLOSED.
WELCOME ADDRESS: DR.S.BANUMATHY
INAUGURAL ADDRESS:DR.S.SUGUMARAN ANNAMALAI

Important points that were discussed

- Risk factors for contracting HIV in pregnancy or before pregnancy
- HAART during pregnancy
- Prevention of parent to child transmission
- Management during labour and post partum
- management of the neonate

VOTE OF THANKS:DR.SUCHITRA

INVITATION

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

Irungalur, Tiruchirappalli - 621 105.

Department of Pharmacology, IRB & Medical Education Unit

Solicit your esteemed presence for the Guest Lecture on

"Platelets at the interface between thrombosis and haemostasis"

by

Dr. Sakthivel Vaiyapuri, Ph.D.,
Institute of Cardiovascular & Metabolic Research
University of Reading, UK

On 23rd July 2018 at 1.30 – 4.00 pm

Venue: - Dr. B.C Roy Hall, Hospital Block, 2nd Floor

Dr. S. Vinayagam, MD., DMRD., *Director(H&S),*
Will Inaugurate

Dr. A. Jesudoss M.S., D.L.O., *Dean,*
Will Preside

Dr. N. Balasubramanian, M.D., *Deputy Director*,
Dr. S. Revwathy, M.D., *Medical Superintendent*,
Dr. P. Anusuya, M.D., *Deputy Director (IQAC)*

Will felicitate

****

All are welcome for the academic feast

Programme overleaf

PROGRAMME SCHEDULE

Inauguration (1.30 – 2.00pm)

Tamizh Thaai Vazhthu

Welcome Address	:	**Dr. K. Vasanthira**, M.D., Professor & Head, Department of Pharmacology
Felicitation	:	**Dr. N. Balasubramanian,** M.D., Deputy Director **Dr. S. Revwathy,** M.D., Medical Superintendent **Dr. P. Anushya,** M.D., Deputy Director (IQAC)
Presidential Address	:	**Dr. A. Jesudoss,** M.S., D.L.O., Dean,
Inaugural Address	:	**Dr. S. Vinayagam,** MD., DMRD., Director (H&S)

Scientific Session (2.00-3.30pm)

Guest Speaker (2.00 – 3.15pm)	**:**	**Dr. Sakthivel Vaiyapuri,** Ph.D., Associate Professor of Pharmacology, Institute of Cardiovascular & Metabolic Research Hopkins building, University of Reading, Whiteknights, United Kingdom
Topic	**:**	***Platelets at the interface between thrombosis and haemeostasis***
3.15-3.30 pm	**:**	**Forum Interaction**
Vote of Thanks	:	**Dr. K. Kanagasanthosh,** MD., DNB., Organizing Secretary Assistant Professor of Pharmacology

National Anthem

REPORT ON Guest Lecture Series by Dr. Sakthivel Vaiyapuri

Organized by

Institutional Research Board, Department of Pharmacology, and Medical Education Unit

Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli

23.07.2018

Guest Lecture Series 1: Platelets at the interface between thrombosis and haemostasis

Report on Guest Lecture on "Platelets at the interface between thrombosis and haemostasis"

Background

Thrombosis, inflammation and cancer are interrelated; whereas the circulating blood platelets are one of the commonest cellular elements to process each other. Although the relevances of platelets in the pathophysiology of thrombosis are well established, their contributions to inflammatory pathways that lead to cancer are less defined and appear to be complex and multifaceted. Indeed, the paradigms of hemostasis and thrombosis, where a temporal sequence of events starts with an unactivated platelet recognizing a surface or being stimulated by an agonist and leads to an activated platelet, have dynamic implications for platelet phenotype including structural morphology, cellular makeup and its temporal functions. Similar changes are likely to have dramatic consequences for the platelet's influence on both inflammation and cancer, and this highlights the likely complexity of platelet involvement in each disease process.

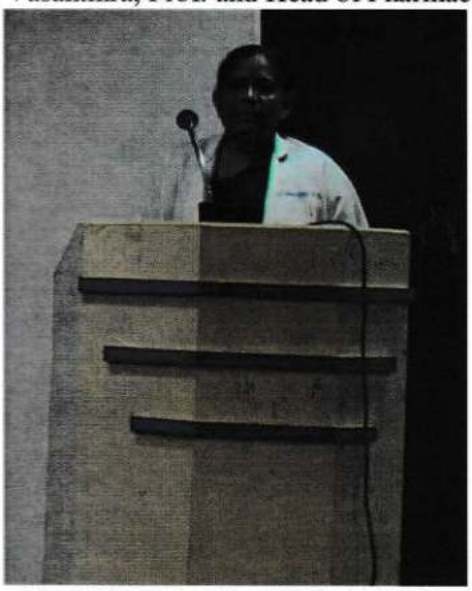
Though the primarily recognization of the cells have its own roles in hemostasis and thrombosis, the platelet has been increasingly recognized as a multipurpose cell. Indeed, circulating platelets have the ability to influence a wide range of seemingly unrelated pathological and physiological modifications and alterations. Recent researches highlighted the notable observations that link platelets to inflammation, reinforcing the platelet's origin from a lower vertebrate cell type with both hemostatic and immunologic roles. The relevance of platelets in cancer biology by focusing on the hallmarks of cancer and the ways platelets can influence multistep development of tumors. Apart from that, the involvement of patelets in the interplay between hemostasis, thrombosis, inflammation and cancer is likely complex, and not much extremely explored. The existence of animal models of platelet dysfunction and currently used antiplatelet therapies provide a framework for understanding mechanistic insights into a wide range of pathophysiologic complications in the patients.

In order to create awareness among complexity of the issue and to understand the inter-country research works on platelets, the Institutional Research Board and Department of Pharmacology, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli took initiative to address.

VENUE & TIME

The programme was held at Dr. B.C. Roy Hall, Second Floor, Hospital Block, from 1.30 to 3.30pm on 23.07.2018.

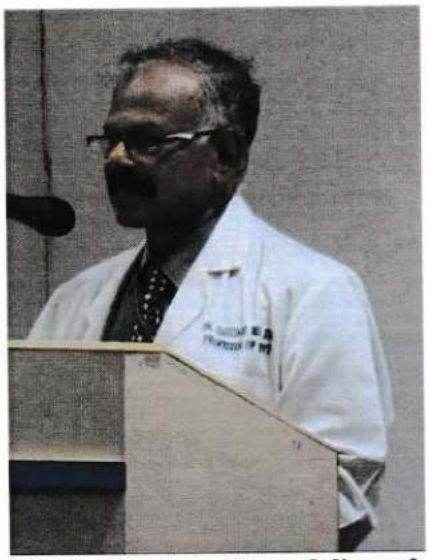
From Left to Right: Dr. S. Revwathy, Medical Superintendent; Dr. Sakthivel Vaiyapuri, Guest Speaker; Dr. S. Vinayagam, Director (Health Sciences); Dr. A. Jesudoss, Dean; Dr. K. Vasanthira, Prof. and Head of Pharmacology and Dr. P. Anusuya, Deputy Director-IQAC



Dr. K. Vasanthira Prof. & Head, Pharmacology welcomed the gathering

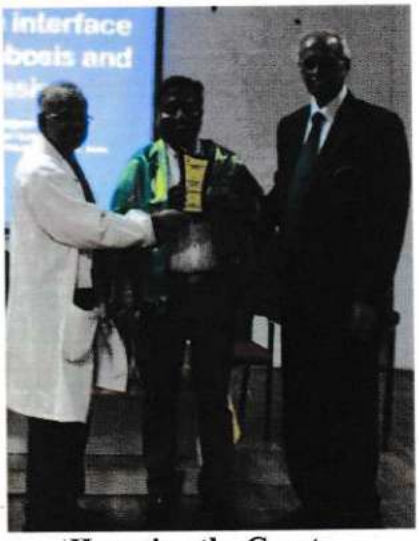
Dr. S. Revwathy, Med. Suptd. Felicitated

Dr. P. Anusuya, DD (IQAC)
Felicitated



Dr. A. Jesudoss, Dean delivered
Presidential Address

Dr. S. Vinayagam, Director (HS)
delivered Inaugural Address



Honoring the Guest

Gallery of Dignitaries and Audience

INAUGURAL FUNCTION

Dr. K. Vasanthira, Professor and Head of Pharmacology welcomed the gathering. She also introduced the speaker, Dr. Sakthivel Vaiyapuri, Associate Professor, Institute of Cardiovascular and Metabolic Research, University of Reeding, UK.

The Director - Health Sciences, Dr. S. Vinayagam, inaugurated, Dr. A. Jesudoss, Dean presided, Dr. S. Revwathy, Medical Superintendent and Dr. P. Anusuya, Deputy Director-IQAC felicitated the programme.

STATUS OF PARTICIPANTS

A total of 220 participants included clinical, pre, para clinical teaching faculty, postgraduates and nursing staff participated.

TECHNICAL DELIBERATIONS

The deliberations by Dr. Sakthivel Vaiyapuri was highly interested and thought provoking. He initiated his presentation with the basic platelet formation and function. He described that platelets and leukocytes share a common ancestral cell, the thrombocyte, facilitating both hemostatic and immune roles in lower vertebrates, such as fish and birds. Therefore, it comes as no surprise that platelets so frequently pervade immunologic functions. Although not strictly appointed within the inflammatory pathway, the platelet can be viewed as an extension of the cellular immune system. Recent evidence places the platelet in the middle of diverse inflammatory processes that influence normal leukocyte biology and inflammatory signals.

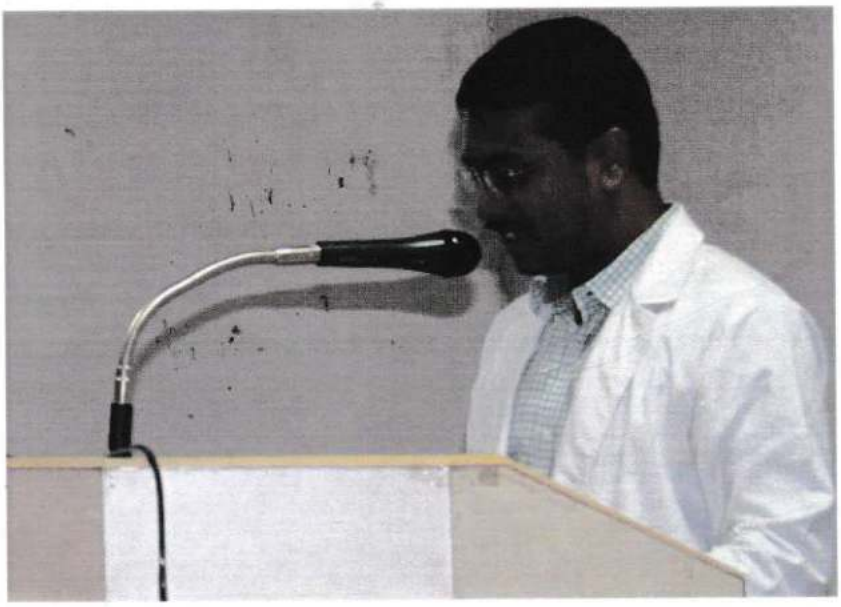
Dr. Sakthivel defined the emerging evidence of platelets in the development of cardiovascular disease. Chronic inflammation is a primary factor in events leading to atherosclerosis. It has been documented that platelets adhere to von Willebrand factor (VWF) bound to endothelial cells, and this interaction elicits tethering and rolling of leukocytes on the endothelial surface. Thus, platelets not only bring leukocytes to a site where inflammation potentially leads to atherosclerosis but also contain stores of proinflammatory mediators, such as thromboxanes and CD40 ligand. Proteins of the complement system have a reciprocal relationship with platelets: platelets activate the complement system, and proteins of the complement system activate platelets. In experimental models, hyperlipidemia induces platelet recruitment to the endothelial layer, and crucial molecular players are VWF, glycoprotein Ib-IX, and P-selectin, although the role of glycoprotein Ib-IX is not without some controversy

The technical session was followed by an open discussion in which the speakers thereby the doubts raised by the participants were clarified.

Honoring Dr. Sakthivel Vaiyapuri

Vote of Thanks

Dr. K. Kanagasanthosh, Assistant Professor of Pharmacology and Organizing Secretary of this programme proposed a vote of thanks.



The programme ended with National Anthem at 3.45pm.

Professor & HOD
21.07.18

Dr.P. Karthick,M.S.,
Professor & Head
Department of General Surgery
Trichy SRM Medical College Hospital & Research Centre
Irungalur, Trichy - 621105.

INVITATION

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE
IRUNGALUR TRICHY-621 105

MEDICAL EDUCATION UNIT

CORDIALLY INVITES YOU FOR THE INAUGURATION OF THE

CURRICULUM IMPLEMENTATION SUPPORT PROGRAMME WORKSHOP

UNDER THE SUPERVISION OF MCI NODAL CENTRE FOR

MEDICAL EDUCATION TECHNOLOGIES

SRI RAMACHANDRA MEDICAL COLLEGE AND RESEARCH INSTITUTE

CHENNAI

DATE : 11.06.2019 TO 13.06.2019

VENUE : MEDICAL EDUCATION UNIT I,
CONFERENCE HALL, 3RD FLOOR,
COLLEGE BLOCK

6 Credit hours by Tamilnadu Medical Council

Trichy SRM Medical College
Hospital & Research Centre
Irungalur, Trichy-621 105

MEDICAL EDUCATION UNIT

PROGRAMME SCHEDULE

Inauguration

Date: 11.06-2019 (Tuesday) Venue: MEU Conference Hall

Time: 09.00am - 09.30pm

Ukanick Thai Vaalthu and Lamp Lighting

Welcome Address:	Dr. M.Muhil, M.D.,Ph.D. MEU Coordinator & Asso. Prof of Physiology, TSRMMCH&RC
Presidential Address:	Dr. A. Jesudoss, MA., DLO., Dean, TSRMMCH&RC
Inaugural Address:	Dr. N. Balasubramanian, V.D., DD., Deputy Director (Campus), TSRMMCH&RC
Keynote Address:	Dr.S.Raghupathy, M.B.A., Executive Director (Campus), TSRMMCH&RC
Felicitation:	Dr. S. Revvathy,MD., Medical Superintendent, TSRMMCH&RC
Special Address:	Dr. K.Dilara, MD., MCI Observer, SVMC, Chennai
Vote of Thanks :	Dr. P. Thirumalaikolundusubramanian,MD., Vice Principal, TSRMMCH&RC

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE
IRUNGALUR, TRICHY 621 105

Program schedule for Curriculum Implementation Support Program (CISP)

Date: 11.06.2019 to 13.06.2019

Day 1

Time	Session	Objectives	Duration	Resource Faculty
9:00-9:30	Registration, inauguration, ice breaking	Ice breaking and introduction of participants and faculty	30 min	Dr.M.Vijayakumar
9:30-10:30	Competency based medical education (CBME)	Definition of competency. Difference between competency, objectives & outcomes (with examples), introduction to CBME, salient differences from conventional model	60 min	Dr M.Muhil
10:30-11.00	Tea			
11:00-11:30	IMG: Goals, roles &Competencies	How to link national health goals to competencies and objectives	30 min	Dr.Umapathy Sreubian
11:30-12:30	Deriving objectives from competencies	Demonstrate linking of competency with domains of learning using the competency sheet	60 min	Dr.A.Anupriya
12.30 13.00	Linking competency objectives to Teaching Learning Methods (TLM)	Hands-on experience - group work, small groups work with faculty, emphasis on proper alignment, discuss relevant TL methods	90 min	Dr.M.Vijayakumar
13:00	Lunch			
13:45-14:30	Proposed changes in Graduate Medical Education Regulations (GMER) 2019	Time frame, training methods, integration, assessment, new additions like Foundation Course, formative feedback	45 min	Dr.Umapathy Sreubian
14:30-14:45	Tea			
14:45 15.15	Electives	Concept of electives	90 min	Dr Dhivya Sethuraman
15:15-16:00	Foundation Course	Concept, components, timeframe & examples	45 min	Dr.M.Muhil
16:00-17.00	ASTCOM module	Purpose, mission and objectives & booklet review	60 min	Dr A.Anupriya

Day 2

Time	Session	Objectives	Duration	Resource faculty
9:00-11.00	Early Clinical Exposure (ECE)	Concept, framework & group activity	120 min	Dr M Muthu
11.00-11.15	Tea			
11.15-13.00	Integration	Concept framework (using examples from competency table)	105 min	Dr A Anupriya
13.00	Lunch			
14.00	Aligning & integrating competencies	Designing time tube	60 min	Dr.Dhivya Sethuraman
15.00	Tea			
15.15-17.00	Skills training	Competency acquisition, Skills lab: group activity	105 min	Dr M.Vijayakumar

Day 3

Time	Session	Objectives	Duration	Resource Faculty
9.00-10.00	Assessment in CBME	Principles as relevant to CBME, Assessment toolbox	60 min	Dr.Dhivya Sethuraman
10.00-11.00	Aligning assessment to competency objectives &TLM	Group activity	60 min	Dr.M.Vijayakumar
11.00	Tea			
11.15-12.45	Learning Resource Materials	Strategy discussion	90 min	Dr.Umapathy Sankhian
11.45-12.45	Curriculum governance	Presentation & discussion	60 min	Dr M.Muthu
12.45	Lunch			
13.45-14.45	The road ahead	Training and faculty development	60 min	Dr.Umapathy Soubiaa
14.45	Tea			
15.00-16.00	Feedback from participants	Programme evaluation and feedback on implementation	60 min	Dr M.Muthu
16.00-16.30	Open house			
16.30-17.00	Valedictory

Report On Curriculum Implementation Support Programme Workshop
11th to 13th June 2019

The workshop on Curriculum Implementation Support Program was inaugurated in Medical Education Unit Conference Hall on 11th June 2019 at 8.30am. After registration, the Program commenced with Tamizhthai Vazhthu. It was followed by lighting the Kuthuvilakku by the dignitaries MCI observer from Nodal center, Dean, Deputy Director (Campus), Executive Director, Medical Superintendent, Vice Principal and Coordinator MEU.

Dr.M.Muthil, Coordinator MEU welcomed the dignitaries and participants. Dr.A.Ilavarasan, Dean gave the Presidential address, followed by the delivery of Inaugural Address, Keynote Address, felicitation by Dr.S.Balasubramanian, Deputy Director (Campus) Dr.S.Raghavendra, Executive Director, and Dr.S. Ravendra respectively. Prof. Dr.K.Dikra, MCI Observer from Nodal center SRMC, Pune, Chennai delivered Special Address to the participants and asked them to be interactive and enthusiastic throughout the sessions. Dr.P.Thirumalaikolundhubaramanian, Vice Principal delivered the vote of thanks.

Day 1 (11.06.2019)

09-9.30am:- All Participants were divided into 4 groups. The sessions started with the introductory ice breaking followed by lecture on Group Dynamics by Dr.M.Vijayakumar, Associate Professor of ENT.

9:30-10:30am:- Dr.M.Muthil, Associate Professor of Physiology and Coordinator, MEU elaborated the importance of "Competency based medical education (CBME)" as envisioned by MCI.

10.30-11.00am:-Tea break

11:00-11:30am:- Next session was handled by Dr.Umapathy Sambiam, Associate Professor of Anatomy, who explained the IMG: Goals, roles and competencies between 11:30-12:30pm. Dr.A.Anupriya, Associate Professor of Microbiology delivered a talk on "Deriving objectives from competencies". These were followed by group activities among the participants. Prof. Dr.K.Dikra, MCI Observer moderated this session and cleared the doubts raised by the participants.

At 12.30pm:- Dr.M.Vijayakumar, Associate Professor of ENT gave clear picture on "Linking competency objectives to Teaching Learning Methods (TLM)" to the participants.

13:00-13.45pm: - Lunch break

13:45-14.30pm:- Dr.Umapathy Sambiam, Associate Professor of Anatomy elaborated on "Proposed changes in Graduate Medical Education Regulations (GMER) 2019" in his session.

14:30-14:45pm:- Tea break

14:45-15:15pm:- Dr.Dhivya Sethuraman, Associate Professor of Obstetrics and Gynecology explained on the importance of scheduling of Electives in the MBBS Curriculum.

15:15-16:00pm:- Dr.M.Muthil, Coordinator, MEU briefed the details of "Foundation Course" and discussed on the duration, components and importance of foundation course for MBBS students.

16:00-17:00pm:- Dr.A.Anupriya, Associate Professor of Microbiology discussed the contents and necessities of "ATTOM module".

Day 2 (12.06.2019)

9:00-09.10am:- A brief review on the activities of previous day was discussed before proceeding for the regular session.

9:10-11.00am:- Dr.M.Muthil, Coordinator, MEU explained on the conduct of "Early Clinical Exposure (ECE)" with examples which was followed by group activity

11.15-13.00pm:- Dr.A.Anupriya, Associate Professor of Microbiology described the details on "Integration" through her vivid talk with examples.

13.00-14.00pm:- Lunch break

14.00- 15.00pm:- Dr.Dhivya Sethuraman, Associate Professor of Obstetrics and Gynecology Delivered a talk on "Aligning & integrating competencies". It was followed by group activities by the participants.

15:00-15.15pm:- Tea break

15.15-17.00pm:- Dr.M.Vijayakumar, Associate Professor of ENT gave lecture on "Skills training"

Day 3 (13.06.2019)

9:00-09.10am:- A brief review on the activities of previous day was discussed before proceeding for the regular session.

9.10-11.00am:- The first session commenced with a talk on "Assessment in CBME" by Dr.Dhivya Sethuraman, Associate Professor of Obstetrics and Gynecology., which was followed by a lecture on "Aligning assessment to competency objectives & TLM" by Dr.M.Vijayakumar at 10.00am.

11.00-11.15am:- Tea break

11.15-11.45am:- Dr.Umapathy Senthil, Associate Professor of Anatomy elaborated on "Learning Resource Materials"

11:45-12:45pm:- The new process of implementation of CBME Curriculum and Organogram of CBME was interacted by Dr.M.Muhil, Coordinator, MEU under the caption "Curriculum Governance" which was followed by an interaction and moderation by MCI observer Dr.K.Dilan.

12:45-13:45pm:- Lunch break

13:45-14:45pm:- In the session "Road ahead", Dr.Uthayaraj Sembian, Associate Professor of Anatomy discussed clearly on future plan and the role of each participant in their department for the implementation of newer competency based curriculum.

14:45-15.00pm:- Tea Break

15.00-16.00pm: - Dr.M.Muhil, Coordinator MEU interacted with participants and obtained the feedback on implementation of CBSP and programme evaluation.

16:00-16.30pm:-Open house

16.30-17.00pm:- The program ended in the evening with a Valedictory function and issuance of certificates to all the successful participants by Dean. In appreciation of the contributions made, all the Resource Persons were given a certificate by Dr. K.Dilan, the MCI observer from the nodal center (SRMC). Participants expressed that the entire 3 days were very informative and useful to them.

Over all 12 Professors, 10 Associate Professors, 7 Assistant Professors belonging to different departments were trained in this Curriculum Implementation Support Programme workshops.

The program was concluded with vote of thanks by Dr.Uthayaraj Sembian, Curriculum Committee member at 17.00pm.

Report for the Demonstration in online teaching methodologies

Conducted on 09.06.2020

A demonstration of various online teaching methodologies was conducted by the Medical Education Unit on 09.06.2020 at the Dr.B.C. Roy Hall from 11 AM to 12 Noon.

The Vice principal welcomed the meeting and stressed on the importance of online teaching and the techniques involved during this COVID era.

Dr.A. Anupriya, Associate Professor, Microbiology, started the demonstration of the online techniques with the introduction of Google classrooms. She demonstrated online the various steps involved in constructing a google classroom. She then showed the different uses of google classrooms and how it can be used to conduct assignments and assessments. She also explained how google forms are to be composed and the various forms of questions that can be asked.

This was followed by the demonstration of google meet by Dr.E. Kamala, Associate Professor, Anatomy. She informed that a G suite mail ID has been created for all the Heads of the department and that can be used to conduct the google meet. Account is in G suite. 250 students can be catered to at the same time. She then went on to explain how a google meet can be scheduled using the google calendar and how the google link can be sent through Google classrooms. She then showed how the google meet is to be conducted. Dr. E. Kamala also exhibited the various google chrome add on extensions used to make the job of taking attendance, viewing all the students in one single screen and emoticons for interactions with students. The different procedures to share the recorded meet so that it can be downloaded was also shown.

Next demonstration was by Dr.S.Priya Ranjhavi, Associate Professor, Pathology. She demonstrated how to download the zoom app for both windows and Mac operating systems. She displayed the step by step procedure of scheduling and conducting a zoom meet using a video. She also showed how to use the chat and raise hand option to have an interactive class discussion with the students. Dr.P.Karthick, Professor and Head, General Surgery and Additional Medical Superintendent shared his experience of conducting Zoom classes for students.

The session was ended with the Dean's address where he explained the need of online classes and documentation for the cross reference by the MCI or the Tamil Nadu Dr.M.G.R. Medical University at any point of Time.

Sixth National Workshop on Research Methodology

20th to 23rd March, 2019

Workshop Information & Registration

Organized by

Institutional Research Board and Medical Education Unit
Trichy SRM Medical College Hospital and Research Centre
(Affiliated to The Tamilnadu Dr. M.G.R. Medical University, Chennai), Irungalur – 621 105, Tiruchirapalli, Tamilnadu, India

[*University credit points and TNMC credit hours are awaited]

Dear Colleagues and Friends,

Greetings from Trichy SRM Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli! We have successfully conducted five national workshops on Research Methodology

We are delighted to organize the Sixth National Workshop on **"Research Methodology"** from 20th to 23rd March 2019. This institution has dedicated to teach and train those interested in research and assist them to gain recent knowledge on research and advance in research.

The workshop provides structured programmes for formulating research questions and setting up research designs. Participation in the workshop is expected to enhance the research culture among post graduates and research scholars, as well as orient them towards research methodology and statistical methods.

This workshop includes 8 lead lectures, 5 problem solving sessions, 7 hands on trainings, 5 group discussions and 3 presentations for the participants apart from individual poster presentation.

Areas of Focus

- Understanding the basic principles of research
- Reviewing published research papers
- Formulating precise research questions
- Writing a research proposal pertaining to guidelines of various funding agencies
- Carrying out research projects
- Processing data and statistical analysis
- Writing research articles for publications
- Training to present papers and posters

Who can attend?

Medical and Allied Health professionals; Postgraduate students and faculty from medical institutions, non medical professionals, research scholars and faculty engaged in research activities.

Participants are limited to 45

How to apply?

Individual applicant is requested to complete the registration form along with necessary four annexures*, and other enclosures as mentioned in the Registration form, and submit the hard copy to the Organizing Secretary on or before 20th February 2019 by 5.00pm.

- The payment of the application processing fees does not confirm the selection for participation.
- Incomplete applications will be rejected.
- The application received after the last date will not be considered.
- The results of the selection will be intimated through email & mobile on 25th February 2019.
- **The application processing fees will not be refunded.**

Privileges of participants

Selected participants are entitled for

- Free registration and Workshop kit
- TA (as per the institutional policy)
- 4 days Breakfast and Refreshments
- Lunch, Dinner and Free local visit
- Free Accommodation
- The application processing fee will be refunded to the overall Best participant and Innovative thinker Awardees
- Best poster awardees are eligible to claim their poster preparation expenses after production of vouchers

Conditions

- Full time participation is compulsory
- Laptop and pen drive are mandatory
- The selected candidates are informed to adhere to the rules and regulations of the workshop scrupulously.
- Exchange of participant is not permitted.
- Kids are not allowed
- Mobile phones are not permitted inside the workshop venue
- Selected participants have to display a poster on a title related to Research Methodology assigned to him/ her.
- Only candidate attended all days and sessions will be given attendance and certificate.

Places of interest

Tiruchirapalli, Tamilnadu is well known for its historical and cultural heritage. The best places to be visited are UchchiPillayar temple (Rockfort/ Malaikottai); Srirangam Ranganathaswami temple (Boologa Vaigundam/ Asia's second biggest temple); Thiruvanaikka Akilandeshwari Amman temple (Panchabootha Sthalam – water and sakthipeeta Sthalam); Samayapuram Mariamman temple; Uthamar Kovil; Kallanai (Cholas' historical monument), Natharsha mosque, Lourdu Mary church, Butterfly garden etc.,

ADDRESS FOR CORRESPONDENCE

Dr. N. Prabhusaran

Organizing Secretary

VI - National Workshop on **"Research Methodology"**

Institutional Research Board, Trichy SRM Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli – 621 105, Tamilnadu, India

Phone: 0431 – 2258691/2258817

Mobile: 09842780322/ 09787126320

Email: researchcmchrc@gmail.com

[*University credit points and TNMC credit hours are awaited]

Trichy SRM Medical College Hospital and Research Centre

Irungalur, Tiruchirapalli- 621 105, Tamilnadu

Institutional Research Board
& Medical Education Unit

Cordially invite you for the Inaugural function of

VI National Workshop on Research Methodology (VI WoRM 2019)
(20th to 23rd, March 2019)

[Sponsored by Council of Scientific and Industrial Research (CSIR), New Delhi]

Date and Time: 20th March 2019 at 10.00 AM
Venue: Conference Hall, Medical Education Unit, College Block

Dr. A. Jesudoss, M.S., D.L.O.,
Dean *will preside*

Dr. S. Raghupathy, Ph.D.,
Executive Director (Campus) *will inaugurate*

Dr. N. Balasubramanian, M.D.,
Deputy Director (Campus) will deliver Keynote Address

Dr. S. Revwathy, M.D.,
Medical Superintendent

Dr. P. Karthik, M.S.,
Additional Medical Superintendent

will felicitate

30 credit points awarded by The Tamilnadu Dr. M.G.R. Medical University &
6 credit hours by Tamilnadu Medical Council

Programme overleaf

VI National Workshop on Research Methodology (VI WoRM 2019)
[20th to 23rd March 2019]

Inaugural Agenda

Date: 20th March 2019 **Time:** 10.01 – 10.45am
Venue: Conference Hall, Medical Education Unit, 3rd Floor, College Block

Thamizh Thai Vaazhthu

Welcome Address	:	Dr. P. Thirumalaikolundusubramanian Head, Institutional Research Board and Organizing Chairperson, VI WoRM 2019
Lighting the Kuthuvilakku		
Presidential Address	:	Dr. A. Jesudoss, Dean
Inaugural Address	:	Dr. S. Raghupathy, Executive Director (Campus)
Keynote Address	:	Dr. N. Balasubramanian, Deputy Director (Campus)
Releasing Workshop manual	:	Dr. A. Jesudoss, Dean and the first CD copy will be received by Dr. Sitanshu Sekhar Kar, Additional Professor of Preventive and Social Medicine, Jawaharlal Institute of Postgraduate Medical Education and Research (Invited Resource Person), Puducherry
Felicitations	:	Dr. S. Revwathy, Medical Superintendent Dr. P. Karthik, Additional Med. Supdt.
Vote of Thanks	:	Dr. A. Sundhararajan, Jt. Org. Secretary, VI WoRM' 19

INAUGURAL FUNCTION OF
CSIR SPONSORED VI NATIONAL WORKSHOP ON
RESEARCH METHODOLOGY [20 – 23, MARCH 2019]

ORGANIZED BY

Institutional Research Board (IRB) & Medical Education Unit (MEU), Trichy SRM Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli

---

Inauguration Agenda

Date: 20th March 2019 **Time:** 10.00 am

Venue: Conference Hall, Medical Education Unit, College Block, 3rd Floor

Thamizh Thai Vaazhthu

Welcome Address	:	**Dr. P. Thirumalaikolundusubramanian** Head, Institutional Research Board, Professor of Medicine and Vice Principal, TSRMMCH&RC
Lighting the Kuthuvilakku		
Presidential Address	:	**Dr. A. Jesudoss,** Dean
Inaugural Address	:	**Dr. S. Raghupathy, Executive** Director (Campus)
Keynote Address	:	**Dr. N. Balasubramanian,** Deputy Director (Campus)
Releasing Workshop manual	:	By **Dr. A. Jesudoss,** Dean & the first CD copy will be received by **Dr. Sitanshu Sekhar Kar,** Additional Professor of Preventive and Social Medicine, Jawaharlal Institute of Postgraduate Medical Education and Research (Invited Resource Person), Puducherry
Felicitations	:	**Dr. S. Revwathy,** Medical Superintendent **Dr. P. Karthik,** Additional Medical Superintendent
Vote of Thanks	:	**Dr. A. Sundhararajan,** Jt. Org. Secretary, VI WoRM 2019

****

VALEDICTORY FUNCTION OF
CSIR SPONSORED VI NATIONAL WORKSHOP ON
RESEARCH METHODOLOGY [20 – 23, MARCH 2019]

ORGANIZED BY

Institutional Research Board (IRB) & Medical Education Unit (MEU), Trichy SRM Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli

VI WoRM 2019 (20 – 23, March 2019) – Sponsored by CSIR, New Delhi
Programme Schedule

Time	Topic	Speaker	Local/ External
Day 1: 20.03.2019			
08.00 – 09.00 am	**Breakfast, Registration and Pre evaluation**		
09.01 – 10.00 am	Ice breaking session	Dr. A. Anupriya & Dr. R. Saraswathy	Faculty of Microbiology, Trichy SRM Medical College Hospital and Research Centre (TSRMMCH&RC), Tiruchirapalli.
10.01 – 10.45 am - Inauguration (Executive Director, Deputy Director (Campus), Deputy Director (IQAC), Dean, Medical Superintendent, Additional Medical Superintendent and Vice Principal)			
10.46 – 11.15 am	Keynote Address on "Why Research?"	Dr. S. Raghupathy	Executive Director, SRM Institutions, Trichy campus
11.16- 11.45am	**Tea Break**		
11.46am - 12.45 pm	Study design	Dr. Sitanshu Sekhar Kar	Additional Professor of Preventive and Social Medicine, JIPMER, Puducherry
12.46 – 01.45pm	Collection of data and selection of sample	Dr. Ram Chandra Goyal	Professor and Head of Community Medicine, TSRMMCH&RC, Tiruchirapalli.
01.46 – 02.30pm	**Lunch Break**		
02.31 - 4.00pm	**Training on Study design and Selection of sample** Dr. Ram Chandra Goyal, Professor and Head of Community Medicine, TSRMMCH&RC, Tiruchirapalli. Dr. Sitanshu Sekhar Kar, Additional Professor of Preventive and Social Medicine, JIPMER, Puducherry Dr. Deodatt M. Suryawanshi, Asso. Prof. of Community Medicine, TSRMMCH&RC, Trichy Mr. M. Ismail, Research Coordinator, TSRMMCH&RC, Trichy		
04.01- 04.45pm	Theory on Literature Collection	Dr. M. Sathish	Scientist, Central Electrochemical Research Institute (CECRI), Karaikudi, Tamilnadu
04.46- 05.00pm	**Tea Break**		
05.00- 06.00pm	Hands on Activity "Literature Collection"	Dr. M. Sathish	Scientist, Central Electrochemical Research Institute (CECRI), Karaikudi
		Dr. N. Prabhusaran	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Dr. L. Manivannan	Head of Physical Education and Yoga, TSRMMCH&RC, Tiruchirapalli
		Dr. G. Bala Maddileti	Associate Professor of Forensic Medicine, TSRMMCH&RC, Trichy
		Dr. Umapathy Sembian	Associate Professor of Anatomy, TSRMMCH&RC, Tiruchirapalli
		Dr. R. Suganya	Assistant Professor of Pathology, TSRMMCH&RC, Tiruchirapalli
		Mr. B. Sasikumar	Chief Librarian, TSRMMCH&RC, Trichy
06.30 – 09.00pm	Tiruchirapalli local visit to Thiruvanaika Akiladeshwari Temple		
09.01pm	Dinner		

Day Two programmes

Time	Topic	Speaker	Affiliation
Day 2: 21.03.2019			
08.00 – 08.30am	**Yoga**		
08.30 – 09.00am	**Breakfast**		
09.01 – 10.00am	Recap of previous day activities (Batchwise) [Epidemiological Research (Dr. Deodatt M. Suryawanshi) and Literature collection (Dr. G. Bala Maddileti)]		
10.01 – 11.00am	Ethical issues in Research	Dr. E. Kamala	Associate Professor of Anatomy, TSRMMCH&RC, Tiruchirapalli
11.01 – 11.30am	**Tea Break**		
11.31am – 12.30pm	Sampling size and determination	Dr. K. Hemalatha	Associate Professor of Community Medicine, TSRMMCH&RC, Tiruchirapalli
12.31 – 01.30pm	Activity related to Sampling size	Dr. K. Hemalatha	Associate Professor of Community Medicine, TSRMMCH&RC, Tiruchirapalli
		Dr. S. Shankar	Assistant Professor of Community Medicine, TSRMMCH&RC, Tiruchirapalli
01.31 – 02.15pm	**Lunch Break**		
02.16 – 03.15pm	An overview of Statistics	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
03.16 – 04.15pm	Univariate and multivariate techniques	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
04.16 – 04.45pm	**Tea Break**		
04.46 – 08.00pm	Hands on training on SPSS - statistics	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
		Mr. S. Pandi	Assistant Professor of Statistics, TSRMMCH&RC, Tiruchirapalli
		Mr. M. Ismail	Research Faculty, TSRMMCH&RC, Tiruchirapalli
09.01pm onwards	Dinner		

Day Three programmes

Time	Topic	Speaker	Affiliation
Day 3: 22.03.2019			
05.00 – 07.30am	**Srirangam Ranganathar Dharshan**		
08.00 – 08.30am	**Yoga**		
08.30 – 09.00am	**Breakfast**		
09.01 – 11.00am	Data Analysis Using SPSS (Batchwise) (4 batches)	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
		Mr. M. Ismail	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Mr. S. Pandi	Assistant Professor of Statistics, TSRMMCH&RC, Tiruchirapalli
11.01 – 11.20am	**Group Photo Session**		
11.21 – 11.40am	**Tea Break**		
11.41am – 12.30pm	Continuation of Data Analysis Using SPSS	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
12.31 – 02.00pm	Essentials of R language and its applications	Dr. R. Muthukrishnan	Professor of Statistics, Bharathiar University, Coimbatore
02.01 – 02.45pm	**Lunch Break**		
02.46 – 03.45pm	Questionnaire Research	Dr. T.S. Gugapriya	Additional Professor, All India Institute of Medical Sciences, Nagpur, Maharashtra
03.46 – 04.30pm	Preparation of Questionnaire and its review (Batch wise) (3 batches)	Dr. T.S. Gugapriya	Additional Professor, All India Institute of Medical Sciences, Nagpur, Maharashtra
		Mr. M. Ismail	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Dr. S. Shankar	Assistant Professor of Community Medicine, TSRMMCH&RC, Tiruchirapalli
04.30 – 05.00pm	**Tea Break**		
05.01 – 05.45pm	Fund raising for Research	Dr. N. Prabhusaran	Research Faculty, TSRMMCH&RC, Tiruchirapalli.
05.46 – 07.00pm	Activity related to Fund raising for Research (Batchwise) (3 batches)	Dr. N. Prabhusaran	Research Faculty, TSRMMCH&RC, Tiruchirapalli.
		Dr. L. Manivannan	Head, Physical Education and Yoga, TSRMMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Research Faculty, TSRMMCH&RC, Tiruchirapalli.
		Dr. N. Prabhusaran	Research Faculty, TSRMMCH&RC, Tiruchirapalli.
07.30 – 09.30pm	Tiruchirapalli local visit to Thirupattur Brahmapureeshwarar temple and Samayapuram Maariamman temple.		
09.30pm onwards	**Dinner**		

Day Four Programmes

Time	Topic	Speaker	Affiliation
Day 4: 23.03.2019			
08.00 – 08.30am	**Yoga**		
08.30 – 09.00am	**Breakfast**		
09.01 – 10.01am	Recap of previous day activities (Batchwise) [Biostatistics] (Mr. M. Ismail and Mr. S. Pandi) and Dr. L. Manivannan (Fund raising)		
10.01 – 10.30am	Research paper presentations	Dr. L. Manivannan	Head of Physical Education and Yoga, TSRMMCH&RC, Tiruchirapalli
10.31 – 11.00am	Plagiarism	Dr. A. Anupriya	Assistant Professor of Microbiology, TSRMMCH&RC, Tiruchirapalli
11.00 – 11.30am	**Tea Break**		
11.31am – 12.30pm	Art of Drafting Research Articles	Dr. Lagishetty Radhakrishna	Reader in Pharmacology, Vivekanandha Dental College, Tiruchengode, Namakkal
12.31 – 02.00pm	Hands on "Drafting Research Article" (Batch wise) (6 batches)	Dr. Lagishetty Radhakrishna	Reader in Pharmacology, Vivekanandha Dental College, Tiruchengode, Namakkal
		Dr. K. Ilavenil	Reader in Anatomy, Sri Ramakrishna Dental College and Hospital, Coimbatore
		Dr. N. Prabhusaran	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Dr. A. Sundhararajan	Research Faculty, TSRMMCH&RC, Tiruchirapalli
		Dr. R. Saraswathi	Associate Professor of Microbiology, TSRMMCH&RC, Tiruchirapalli
		Dr. G. Bala Maddileti	Associate Professor of Forensic Medicine and Toxicology, TSRMMCH&RC, Trichy
		Dr. Umapathy Sembian	Associate Professor of Anatomy, TSRMMCH&RC, Tiruchirapalli
02.01 – 02.45pm	**Lunch Break**		
02.46 – 03.45pm	Project report preparations	Dr. K. Ilavenil	Reader in Anatomy, Sri Ramakrishna Dental College and Hospital, Coimbatore
4.00 – 4.30pm	**Conclusionary Remarks, Vote of Thanks and Certificate distribution**		

Trichy SRM Medical College Hospital and Research Centre, Irungalur, Tiruchirapalli

Institutional Research Board

Brief report of VI National Workshop on Research Methodology (VI WoRM 2019)

SUMMARY OF THE PROGRAMME

The **Institutional Research Board** (IRB) and **Medical Education Unit** (MEU) of **Trichy SRM Medical College Hospital and Research Centre,** Tiruchirapalli, Tamilnadu conducted a four day VI National Workshop on "Research Methodology" from March 20 – 23, 2019 at the **Conference Hall** of Medical Education Unit (III floor, College Block) of the institution. The initial step was taken in the month of October 2018 after getting concurrence from the Dean and the Management and then applied for financial support from **Council of Scientific and Industrial Research** (CSIR), **Defence Research Developmental Organization** (DRDO), **Indian National Science Academy** (INSA), **Science and Engineering Research Board** (SERB), **Indian Council for Philosophical Research** (ICPR) and **Tamilnadu State Council for Science and Technology** (TNSCST). Based on the proposal and the schedules of workshop, CSIR approved our proposal and sanctioned the partial financial assistance for the successful conduct of this workshop. Further, it was decided to conduct the workshop with application processing fees and local sponsors. Forty one (41) individuals belonging to various disciplines from all over the country were participated as residential delegates for this workshop. The workshop activities were carried out successfully and thereby achieved the objectives as per the feedback received from Delegates as well as internal and external faculty who are not affiliated to IRB**.**

THEME OF THE WORKSHOP

The theme of the workshop was *"Update in Research Methodology"* and the topics selected were ***Study Design and Types of study, ethical issues in research, literature collection and reviews, sampling size and determination, research paper presentations, ill effects of plagiarism, questionnaire survey and analysis, drafting research articles, statistical methods, preparation of protocol for fund raising and project report preparation.***

The major successes of the workshop are

1. Trained participants on research methods, study design & research proposal preparation.
2. Trained for proper literature collection
3. Trained them about the ethical clearance (constructing ethical committee, its functions, selection of projects, comments and certification.

4. Defined clearly about the ill effects of plagiarism.
5. Trained for the effective research paper presentations
6. Trained the participants on various research grant opportunities
7. Trained them for case study data collection and drafting.
8. Trained them for art of drafting research papers for publication.
9. Strengthened the participants in the disease-control programme by collaboration between academic / Research institutions and Industry
10. Trained the statistical methods used in medical and biological research.
11. Provided the detailed information regarding the project report preparation.

CREDIT POINTS and CREDIT HOURS

This workshop was accredited and awarded a Continuous Medical Education (CME) credit of **30 points** under category III by the Tamilnadu Dr. MGR Medical University, Chennai and **9 hours** under category III by Tamilnadu Medical Council, Chennai.

STATUS OF WORKSHOP

We organized the first National Workshop on "Research Methodology" from September 29th, 30th to October 1st 2015 sponsored by ICMR with 45 selected delegates, second workshop on Research Methodology from February 14th – 16th, 2017 with 54 registered participants, third workshop on Research Methodology from 14th - 16th, September 2017 sponsored by ICMR with 40 selected delegates, fourth workshop on Research methodology from March 22nd – 24th, 2018 sponsored by ICMR and SERB with selected 45 delegates, fifth workshop on Research Methodology from September 26th – 29th, 2018 with selected 44 delegates and sixth workshop on Research Methodology from March 20th – 23rd, 2019 sponsored by CSIR with selected 41 delegates. The Institution continuously seeks to achieve the goal by educating research professionals, sharing recent knowledge, advanced methodology and advocating the highest quality in research.

Most of the institutions are lacking to train about the research methodology to their post graduates and research scholars. Thus they are struggling to carry our research activities. This workshop involved with lead lectures, presentations, problem solving sessions, hands on training and group participation.

The workshop was designed to give structured attention to the process of formulating a research question and setting up a research design. It was designed to enhance the research

culture among post graduates and research scholars; and structured so as to facilitate the participants get oriented to both research methodology and statistical methods.

STATUS OF THE APPLICATION, SCRUTINIZATION AND DELEGATE SELECTION

After sending the call letters to all parts of the country, we received 68 applications from Tamilnadu (48), Puducherry (1), Andhra Pradesh (8), Karnataka (2), West Bengal (1), Maharashtra (2), Odisha (2), Andaman & Nicobar Islands (1), UK (1) and Telengana (2). A team of organizing committee members were requested and appointed as scrutinizing members. Detailed and unbiased regulations were made and finalized. Based on the regulations, the selection committee members selected forty five (45) [all external applicants] eligible applications for participation.

STATUS OF DELEGATES AND PRESENTATIONS

Finally, a total of **41 delegates** registered and participated in this workshop. The registrants include teaching faculty members, research scholars, postgraduates from all medical and biological disciplines, corporate from various parts of country and faculty from host institutions etc. For all the delegates, the workshop kit comprising of a compliment bag, stationery materials, writing pad and manual book were given. The state wise delegates were depicted below

Andhrapradesh - 6	Puducherry - 1
Karnataka - 1	Tamilnadu - 28
Maharashtra - 2	Telengana - 2
Odisha - 1	

A total of fifteen (15) lead lectures, eight (8) hands on training, seven (7) major activities, five (5) presentations by the delegates after the activities were completed. A separate poster display session was done by selected delegates and the same was evaluated by a gallery of 6 judges.

Before starting the programme, all the delegates were evaluated by giving pre evaluation form which is duly prepared and standardized by the organizing team. The filled forms were exclusively evaluated for understanding the knowledge, attitude and performances of the delegates, accordingly the further technical sessions may move.

INAUGURAL FUNCTION

The master of ceremony (MOC) of the traditional inaugural programme was carried out by **Dr. N. Prabhusaran**, Organizing Secretary of the Workshop. Before inauguration, the ice breaking session was conducted in order to familiarize the delegates each other and to get involved in various forthcoming activities.

Icebreaking session

Ice breaking session can be an effective way of starting a training session or workshops. As interactive and often fun sessions run before the main proceedings, they help people get to know each other. The secret of a successful icebreaking session is to keep it simple: design the session with specific objectives in mind and make sure that the session is appropriate and comfortable. The facilitators of this session are **Dr. A. Anupriya**, Associate Professor, Microbiology and **Dr. R. Saraswathi**, Associate Professor, Microbiology.

Enthusiastic Experts

Joyful Delegates

Friendly interactions among delegates during icebreaking session

Inauguration

The traditional inaugural function was conducted on **20th March 2019 at 10.00am** with Tamil thaivazhthu (Praising Tamil Goddess) followed by welcome address deliberated by **Dr. P. Thirumalaikolundusubramanian**, Head, Institutional Research Board and Professor of Medicine. The Indian culture of lamping five faced lamp was lighted.

Dr. A. Jesudoss, Dean and Professor of ENT presided the workshop**, Dr. S. Raghupathy,** Executive Director (Trichy SRM Campus) delivered inaugural address and **Dr. N. Balasubramanian,** Deputy Director (Trichy SRM Campus) and Professor & Head of Dermatology delivered keynote address**.**

Vice Principal Dr. P. TKS

Dean Dr. A. Jesudoss

Exe. Dir. Dr. S. Raghupathy

DD Dr. S. Balasubramanian

Lighting Kuthuvilakku by Institutional Authorities

Joint hands for lighting kuthuvillaku by registered delegates

A book of manual (Workshop manual) was released by the respectful Dean **Dr. A. Jesudoss** and the first copy was received by the registered delegate **Dr. Sitanshu Sekhar Kar**, Additional Professor of Preventive and Social Medicine, Jawaharlal Institute of Postgraduate Medical Education and Research, Puducherry.

Releasing workshop manual by the Dean and the first copy was received by Dr. Sitanshu Sekhar Kar (Invited Speaker)

Dr. S. Revwathy, Medical Superintendent and Professor of Obstetrics and Gynecology and **Dr. Malik Raj**, Professor and Principal, SRM TRP Engineering College, **Dr. Elango**, Professor and Principal, SRM College of Arts and Science, **Dr. Santham Sweet Rose**, Professor and Principal, SRM College of Nursing and **Mr. Swaminathan**, Professor and Principal, SRM Institute of Hotel Management felicitated. Finally, vote of thanks was delivered by **Dr. A. Sundhararajan,** Joint Organizing Secretary.

Dr. S. Revwathy
Medical Superintendent

Dr. Malik Raj
Principal, SRM TRP Engineering College

Dr. Elango
Principal, SRM College of Arts & Science

Dr. Santham Sweet Rose
Principal, SRM College of Nursing

Mr. Swaminathan
Principal, SRM Inst. of Hotel Management

Dr. A. Sundhararajan
Joint Organizing Secretary

****

SCIENTIFIC SESSIONS ON (FIRST DAY) 20th March 2019

Session 1: Keynote Address on Why Research?

The session one of the workshop was initiated as Keynote address delivered by **Dr. S. Raghupathy**, Executive Director, SRM Institutions, Trichy campus on the topic of Why Research?. He highlighted the two major reasons for performing research – internal drive (interest on research) and mechanism developed through teachers, friends and environment. He described the term research in his own style as "Research is the systematic collection, analysis and interpretation of data to answer a certain set of questions or to solve a problem. He also explained in a detailed manner about the various research types and its advantages and disadvantages. His talk was highly admired by the participants and induced self motivation in pursuing research.

****

Session 2: Study Design and types of study

The second session on "Study Design and types of study" was presented and described by ***Dr. Sitanshu Sekhar Kar***, Additional Professor, Department of Preventive and Social Medicine, Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Puducherry.

He emphasized that need of understanding the types of study design and detailed description about the advantages and limitations of selected study designs. He also narrated observation, association and causation in details with suitable examples and cases with special reference to epidemiological approaches. His thoughts on epidemiological research described as a major role of epidemiology is to provide a clue to changes that take place over time in the health problems presenting the community. He defined the qualitative and quantitative designs with appropriate definitions, classifications and case analysis. His description on the algorithm for classification of types of clinical research was much useful and need based for the young researchers.

Further He defined the important use of epidemiologic evidence is to identify subgroups in the population who are at risk for disease. Why should the researcher identify such high-risk groups? First, if one can identify these high-risk groups, then direct preventive efforts, such as screening programs for early disease detection, to populations who are most likely to benefit from any interventions that are developed for the disease. Second, if one identifies such groups, it may be able to identify the specific factors or characteristics that put them at high risk and then try to modify those factors. During the discussion about prevention, she distinguished among primary, secondary and tertiary prevention. His deliberations on incidence and prevalence rate were highly appreciated and accepted as need based in this current scenario.

****

Session 3: Collection of data and selection of sample

The session was deliberated by ***Dr. Ramchandra Goyal,*** Professor and Head of Community Medicine, Trichy SRM Medical College Hospital and Research Centre,

Tiruchirapalli. He highlighted the importance of defining and differentiating the population and samples. His presentations on merits of samples were highly useful and need of the hour. The pictorial descriptions on choice between primary and secondary data provide a clear cut idea for the participants for selecting the suitable cases and collecting the appropriate data for their research question. The tabulated description of the tools and algorithms presented by him were very much useful. The need of in depth interviews, focus group discussion, ecological studies, case reports, case studies, case series, cross sectional study, cohort study, case control study, non randomized trial and randomized control trials were also analyzed and presented. He also explained the importance of doing meta analysis that is referred as highest clinical relevance than the *in vitro* research. He represented the role of various studies and its public domain importance and applicality. Finally the assessment of quality control of the data is the highlight of his presentation.

****

Session 4: Hands of Training on Study design, types of study and Collection of data

The effective and need based session in this workshop is "Training on Epidemiological research and Study Design" was conducted by ***Dr. Ramchandra Goyal,*** Professor and Head of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli, ***Dr. Sitanshu Sekhar Kar***, Additional Professor, Department of Preventive and Social Medicine, Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Puducherry, ***Dr. Deodatt M. Suryawanshi***, Associate Professor, Department of Community Medicine ***and Mr. M. Ismail***, Research Coordinator, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. Their deliberations overviewed with methods of doing epidemiology, tools applied, steps necessarily followed for epidemiological survey along

with study designs, collection of data and selection of samples. They also described and provided hands on training to the participants in four major quantification descritpors.

1. **Numbers:** Use of actual number of events - e.g. 100 cases of TB in community A
2. **Ratios:** Quantifies the magnitude of one occurrence X, in relation to another event Y as X/Y - e.g. Ratio of TB cases in community A to B is 1:10
3. **Proportions:** Proportions: a ratio in which the numerator is included in the denominator - e.g. proportion of TB cases in community A is 10%
4. **Rates:** a proportion with time element. It measure the occurrence of an event overtime

The delegates were grouped in to two categories according to their field of concern and handed over to the respective faculty experts for train them for Study design (types of study) and Collection of data and Selection of samples for research.

****

Session 5: Literature collection and management

This session was deliberated by ***Dr. M. Sathish,*** Scientist, Central Electrochemical Research Institute (CECRI), An Institution of CSIR, Karaikudi. He highlighted the importance of identifying and analyzing the literature sources like primary sources including reports, proceedings, unpublished manuscript and government publications; secondary sources including journals, books, newspapers and tertiary sources including indexes, databases, catalogues, citations etc. His descriptions regarding the importance of citing the references reach the delegates. The other descriptions like inappropriate referencing, misleading citation and misspellings are considered as the eye opening for various situations.

The detailed analysis and presentation related to How to read a research paper was very much useful. The method of literature search using various search engines via internet provided a

valuable quest for the delegates and participants. The pictorial presentation about the process of literature search and inclusion and exclusion criteria related to effective research paper was the backbone of his presentation. The importance of analyzing H index, impact factor and indexing highlighted his presentation.

****

Session 6: Hands on training on "How to collect Literature"

All the registered delegates were grouped in to nine categories according to their field of concern and handed over to the respective faculty experts for train them to collect literature.

****

Broad exercises in various topics related to literature collection and review were given to the delegates as post workshop activity. The day 1 was completed with distribution of two activities as post day 1 workshop activity.

1. Evaluate and describe the types of study of the given data
2. Literature collection and reviewing

At the end of the primary evaluation of the day 1, all the delegates were taken to local visit at Tiruchirapalli. The place visited was Thiruvanaika Akilandeeswari temple followed by the Dinner at hotel N2N Archanas.

SCIENTIFIC SESSIONS ON (SECOND DAY) 21st March 2019

Before the initiation of the second day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Review and Feedback of day 1 activities and exercises

The group-wise review of the day 1 activity was conducted by **Dr. Deodatt M. Suryawanshi**, Associate Professor of Community Medicine and **Dr. S. Shankar**, Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli regarding the study design and types of study. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

The review and analysis of the exercises given to the delegates regarding literature collection was reviewed and analyzed by **Dr. G. Bala Madeleti**. Further, the tips of collecting the literature in a smarter and quick way were discussed. All the exercises submitted by the delegates were documented.

****

Session 7: Human Ethical issues

The informative and updated information about Human Ethical issues was deliberated by ***Dr. E. Kamala***, Assistant Professor of Anatomy, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. She highlighted the integrated role of philosophers, lawyers, policy makers, scientists and clinicians in conducting the

biomedical research involving human participants without any ethical and legal issues. She described in detail about the construction of the human ethical committee in the institutions and also highlighted the individual's responsibilities in approving the research on human subjects.

She orderly described the receipt of proposals, processing, presentations, critical commenting, criteria for acceptance/ revision/ rejection of the proposals and certification. She also described the importance of consent form (in English and vernacular language), model questionnaire for survey study. The need of case study proforma also defined. The hands on training given to the delegates related to human ethics are well planned and executed.

[Group task regarding Ethical issues in Human Research]

Session 8: Sample size techniques and determination

Dr. K. Hemalatha, Associate Professor of Community Medicine and ***Dr. S. Shankar***, Assistant Professor of Community Medicine, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli were the Resource persons and trainers of this session. Their descriptions on probability and non probability samples were well analyzed. The variance in probability methods including random sampling, systemic sampling, cluster sampling and stratified sampling; the observations in the variance of judgment sampling, convenience sampling and quotes sampling were also highlighted. They defined the identification of sampling

errors occurred during data collection as a result of drawing a portion of population as a sample rather than the whole population. Their presentations with detailed descriptions, mathematical formulae and modulations and identification of significance levels are awesome.

The hands on training on Sample size determination were conducted by ***Dr. K. Hemalatha*** and ***Dr. S. Shankar*** with the detailed description of the algorithm to model and predict a classifier's performance contains three steps including learning curve creation, model fitting and sample size prediction.

Session 9: An overview of Statistics – SPSS (phase 1)

This session was lead by ***Dr. R. Muthukrishnan***, Professor of Statistics, Bharathiar University, Coimbatore. He categorized the statistical tests into two namely descriptive and parametric. Non parametric statistical tests are also described for ordinal variables. He described different types of statistical tests including test of relationship, test of group differences, test for repeated measures and test for odds/risks. Other common statistical tests he defined are Pearson R correlation, Linear/ Multiple regression, Independent t test, ANOVA and Dependent t test.

Session 10: Training on Data management using SPSS

After the detailed theoretical description about the Application of Statistics by ***Dr. R. Muthukrishnan, Mr. M. Ismail*** and ***Mr. S. Pandi***, delegates were grouped into three groups and encourage them to perform statistics using SPSS trial package by providing already analyzed data.

Detailed exercises in various topics related to Sample size determination and Statistics were given to the delegates as post workshop activity in the end of the day 2.

****

SCIENTIFIC SESSIONS ON (THIRD DAY) 22nd March 2019

Before the initiation of the third day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Session 11: An overview of Statistics – SPSS (phase 2)

The phase 2 session and activities related to statistics was continued and the experts are ***Dr. R. Muthukrishnan***, Associate Professor, Department of Statistics, Bharathiar University, Coimbatore and ***Mr. M. Ismail*** and ***Mr. S. Pandi***, Senior Statisticians. The theory cum hands on training was given all delegates and individual attention was sought for the delegates.

Session 12: Questionnaire survey – an overview

The technical session on Questionnaire survey was initiated by ***Dr. T.S Gugapriya***, Additional Professor of Anatomy, All India Institute of Medical Sciences (AIIMS), Nagpur, Maharashtra. She defined that the questionnaires are usually paper-and-pencil instruments that the respondent completes. Interviews are completed by the interviewer based on the respondent says. Sometimes, it's hard to tell the difference between a questionnaire and an interview. For instance, some people think that questionnaires always ask short closed-ended questions while interviews always ask broad open-ended ones. But mostly the questionnaires are with open-

ended questions (although they do tend to be shorter than in interviews) and there will often be a series of closed-ended questions asked in an interview.

She also highlighted the advantages (practical, collection of huge information, less affect to reliability, easy to analyze and may create new theories) and disadvantages (lacks validity, no way to predict the truth information and deceptive understanding) of questionnaires. Further the delegates were divided into three groups and trained for the preparation of questionnaires under the guideships of **Dr. TS. Gugapriya, Mr. M. Ismail** and **Dr. S. Shankar**.

Further, the delegates were divided into four groups under each mentor for an exercise related to fund raising with detailed budget preparation was given to all participants and the answers were evaluated, compared, reviewed, analyzed and documented on the same day.

SCIENTIFIC SESSIONS ON (FOURTH DAY) 23rd March 2019

Before the initiation of the fourth day sessions, a thirty minutes yoga practice was given to all delegates followed by breakfast.

Review and Feedback of day 3 activities and exercises

The group-wise review of the day 3 activities was conducted by **Mr. M. Ismail** and **Mr. S. Pandi** regarding Statistics, and **Dr. S. Shankar** regarding Questionnaire Research discussed about Plagiarism. The small group discussion was carried out by which the information disseminated among the groups were identified, doubts were clarified and added points were discussed.

Session 13: Preparation of research protocol for fund raising

The highlighted and imperative session on preparation of research protocol for fund raising was deliberated by ***Dr. N. Prabhusaran***, Associate Professor of Microbiology and Research, Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli. He described the eligibility criteria of applying documents and proforma to funding agencies. His deliberations on action plans for the elaboration of a strategic plan for research and fund raising were highly admired by the delegates. His presentations on sources of funds, determine the priorities and selection process, concept development and execution, writing skills, budget and schedule, getting feedback and revision process. He also listed out various funding agencies available in India and other countries with their thrust areas of research. His deliberations on preparation of the simplified budget with sub divisions make the participants comfortable and feasible.

Session 14: Research Paper presentations

The fourteenth session was described and presented by ***Dr. L. Manivannan,*** Head, Department of Physical Education and Yoga, TSRMMCH&RC about effective research paper presentations. He described an oral research presentation is meant to showcase the research findings and the effective oral presentations should communicate the importance of your

research, clearly state finding and the analysis of those findings and prompt others in the academic community to ask questions and give the valuable feedback that could further, and strengthen the research. He also highlighted the role of font size, color, background, number of words and lines in the slide, pictures, graphs, tables and references. His deliberation on the understanding of importance of the nature and mood of the audience, presentor's body language, confidence in presentation, boldness to face interactions and comments, and attractive templates attract the audience to follow in their future presentations.

****

Session 15: Plagiarism and its ill effects

The fifteenth session was described and presented by ***Dr. A. Anupriya,*** Assistant Professor of Microbiology, TSRMMCH&RC about different dimensional aspects including plagiarism and its ill effects. She described how serious the problem is? Types of plagiarism, what made the scholars to do plagiary, etc. Her demonstration about the rationale of academic integrity makes the audience not to do plagiarism in future. She defined various cases registered towards the plagiarism in India and nearby countries. Her explanation regarding the quoting, paraphrasing and summarizing makes the participants very clear about the citation, referencing and acknowledgements. She highlighted the mistakes made by the research guides for their improper evaluation of the write-ups and sometimes the guides are also motivating the scholars to do copy and paste. The history of the scientific writings and its modern method of

observations made the participants more comfortable in criticizing the published articles that are much useful as the literature of review.

****

Session 16: Art of Drafting research article

The sixteenth session was initiated by ***Dr. L. Radhakrishna***, Associate Professor of Physiology, Vivekanandha Dental College and Hospital, Tiruchengode, Erode on "Art of drafting research article". He highlighted the differences good and bad articles. His description on identification of descriptive and non descriptive data for publication was highly commendable. He also described various steps involved in preparing a manuscript including, abstract, key words, introduction, materials and methods, results, discussion, conclusion, acknowledgement and references. His definition and examples on structured and non-structured are highly useful for the beginners and researchers to prepare and modify manuscripts respectively.

He also described in detail about the structure of rough drafts, corrections, multi eye observations and final draft preparation. The importance of detecting the level of plagiarism and its corrections also defined well in this session thereby the delegates collected need based informations.

Session 17: Project report preparation

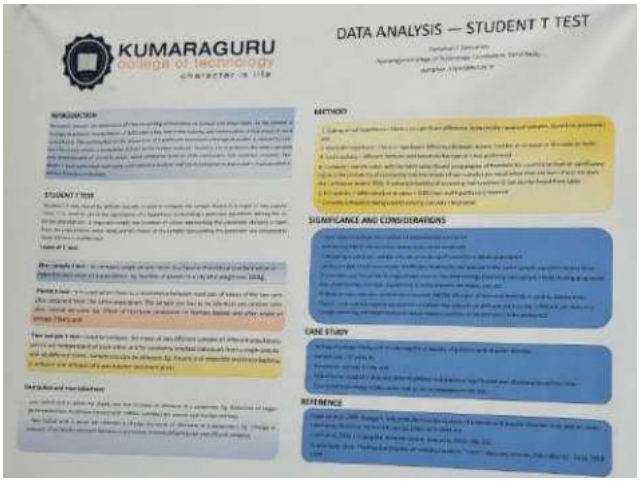
The project report preparation was the final and conclusionary presentation in the three day workshop. The expert was ***Dr. Santham Sweet Rose***, Professor and Principal, SRM Trichy Nursing College, Tiruchirapalli. She highlighted the importance of project report by which the data in organized, systematic and attractive manner was expected. The report provides factual base for formulating policies and strategies related to the discipline. She described in

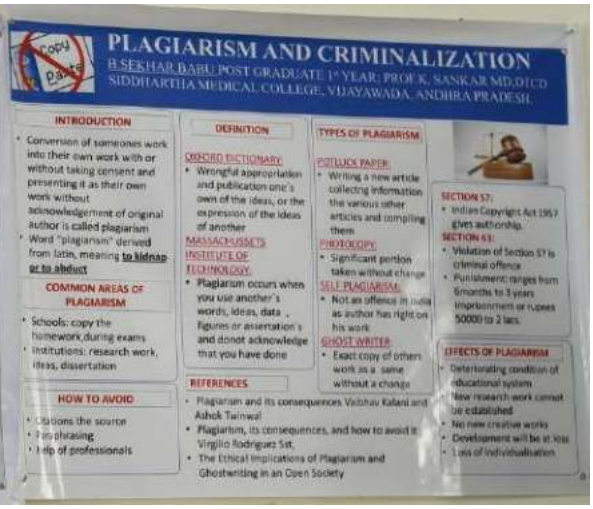
detail about various types of reports including technical report, popular reports, interim reports and summary report. She also defined the importance of systematic references and further study recommendations.

****

POSTER PRESENTATION

All the registered delegates are asked to prepare posters in the topic given and are displayed in the workshop venue. Out of them 41 delegates displayed their posters. The posters were evaluated by 6 different and independent judges thereby top 5 posters were selected for best poster award.





****

VALEDICTORY PROGRAMME

The valedictory programme was started by 03.30pm on 23rd March 2019. **Dr. A. Jesudoss**, Dean was the valedictory chief for delivering valedictory address and prize distribution for the best posters and other activities. Among the 41 registered delegates, four volunteers gave open feedback.

Welcome Address by Mr. M. Ismail

Special Address by Dr. P. Thirumalaikolundusubramanian

Valedictory Address by the Dean Dr. A. Jesudoss

Honoring the organizing team

Dr. G. Bala Maddeliti

Dr. R. Saraswathi

Dr. K. Hemalatha

Dr. L. Manivannan

SYMPOSIUM ON LEPROSY

Organization 30 th January 2019 at BC Roy auditorium of Trichy SRM Medical college hospital and research centre , hospital block . The program was organised by the department of DVL under the guidance of Professor & HOD prof.Dr.N.Balasubramanian MD.DD. The program started with a rally. The rally was initiated by Deputy director , Dean , Medical superindendent , Deputy medical superindendent , Vice principal , RMO and senior faculties from clinical speciality , superspeciality , non-clinical departments , paramedical and nursing department , second year MBBS and nursing students participated in the rally . Program was inaugurated with Thamizh thaai vazhthu , welcome address . seminar was conducted by the First clinical students , 25 faculties and the program was concluded with National anthem .

REPORT OF CME on

"MANAGEMENT OF DIABETES IN SPECIAL SITUATIONS"

on

20th November 2018

Organized by

DEPARTMENT OF GENERAL MEDICINE

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE,

IRUNGALUR, TRICHY

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE, TRICHY

DEPARTMENT OF MEDICINE

CME ON MANAGEMENT OF DIABETES IN SPECIAL SITUATIONS

REPORT

INTRODUCTION:

On view of the importance of updating knowledge about the diabetes– A CME on "Diabetes update"was conducted on 20.11.2018 by the Department of Medicine and Medical Education Unit.

The CME was organised in commemoration of World Diabetes Day.The theme for this year 2018 was Diabetes and Family.

The objective of this CME was to sensitize the various category of audience about the importance of screening diabetes in whole family, to educate the family members about the effects of diabetes and how to monitor and screen for complications on regular visit.This CME mainly focussed on management of diabetes in special situations like liver failure, renal failure, religious fasting, pregnancy and in critically ill patients.

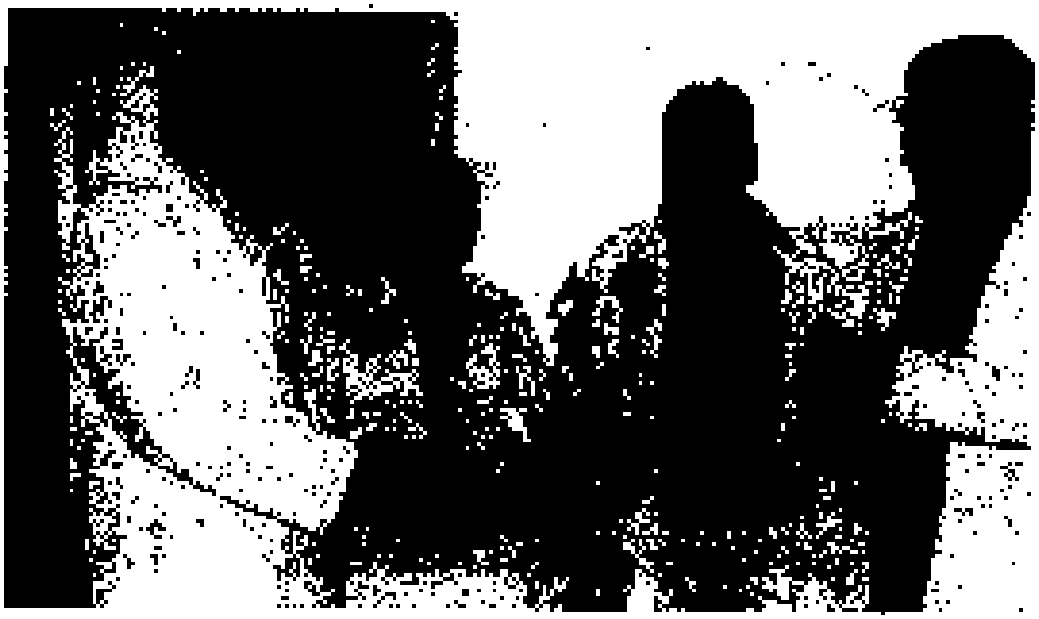
DOCUMENTATION:

Registration: 8.30-9.15 AM

Inauguration:

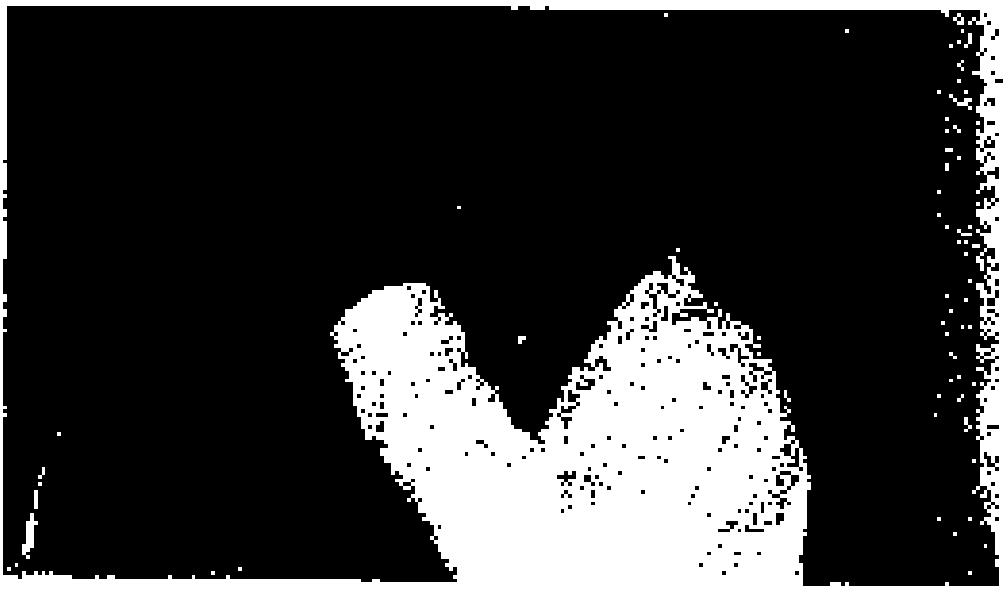
Programme started at 9.00 AM

Inauguration started with Tamil anthem and Physician Prayer at 9.05AM.



Lightening the Kuthuvizhaku at 9.10am byDr.Balasubramanian,Dr.Jesudoss, Dr.P.Gnanasekaran,Dr.C.Ashokkumar,Dr.Revvathyand Dr.Thirumalaikozhundhu

Welcome address was given by Dr.P.Gnanasekaran HOD Department of ICCU at 9.15am. He honoured the Dean, Deputy Director, Medical Superintendent, Vice Principal & all the Speakers.



Dr.Jesudasan – He enlightened the importance of updating knowledge about the most emerging topic diabetes to improve our standard of patient care.

Dr.N.Balasubramanian M.D – He stressed the importance of screening diabetes in a very early period so that we can prevent the most dreadful complications like coronary artery disease and stroke.

Dr.Revvathy and Dr.Thirumakkolundhu felicitated the function.

Dr.Parimaladevi delivered the vote of thanks.

Topic: Management of Diabetes during religious fasting

Dr.K.Sivakumar M.D

Associate Professor

Department of Medicine

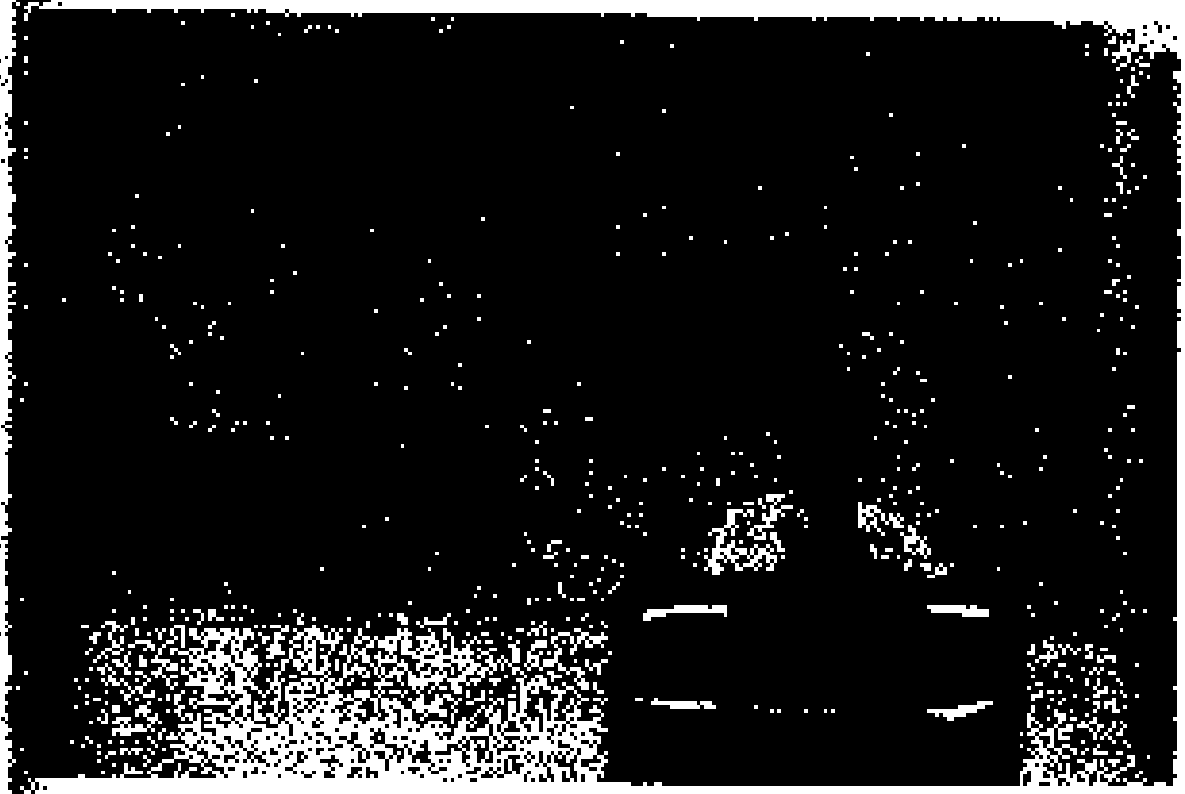
Trichy SRM Medical College,Hospital&Research Centre

He clearly mentioned the key risks associated with fasting for patients with diabetes like hypoglycaemia, hyperglycaemia, DKA and dehydration,thrombosis.

He stated that in Epidar study fasting during Ramadan increases the risk of severe hypoglycaemia and hyperglycaemia in patients with T2DM.

He gave Diabetes & Ramadan practical guidelines made by IDF in collaboration with diabetes and Ramadan International Alliance to optimise the care delivered to patients with DM.

He stressed that implementation of guidelines requires effective communication with and education of all those involved, including patients, HCPs, religious leaders and the wider community.



enlightened us the various categories and recommendation of patients with
ients who fast during Ramadan

egory 1: Very high risk, Must not fast; Category 2: High risk, should not fast

egory 3: Moderate/low risk

made us aware about the meal plan during Ramadan.

highlighted that all patients should break fast if blood glucose <70mg/dl,
mg/dl and symptoms of hypoglycaemia, hyperglycaemia, dehydration or
e illness.

enlightened us the dose adjustments of oral antidiabetic drugs like
formin, sulfonylureas,gliptins,SGLT2 inhibitors. He told that DPP4
bitors do not require treatment modifications during Ramadan.

pointed out that switching from sulfonyl urea to SGLT2 inhibitors in the
ng month of Ramadan is associated with a reduction in hypoglycaemia.

also gave clear lecture on short acting,long acting & premix Insulin dose
stments during Ramadan.

recommended timings to check blood glucose levels during Ramadan
ing.

also talked about fasting during pregnancy and various risks associated
ing pregnancy due to fasting. Low birth weight was 1.5times were likely in
men who were in first trimester when they fasted. Decreased placental
ght was observed in women who were in second & third trimester when they
ed.

stressed that patient on sulfonyl urea/Insulin should be strongly advised
inst fasting due to higher risk of hypoglycaemia.

concluded his talk with carry home message that fasting carries a risk, pre
madan medical assessment, education, motivation are very important and
quent monitoring of glycemia significantly reduced major risks associated
h fasting during Ramadan.

Topic: Glycemic management in critical care

Dr. Vivek Sundaram M.D,DNB

He started his presentation with mentioning the challenges in blood glucose control in critically ill patients like stress hyperglycemia, food intake in variable NPO status, medications such as steroids and fluid balance edema.

One blood glucose >200mg/dl result 6 times increase in nosocomial infections.

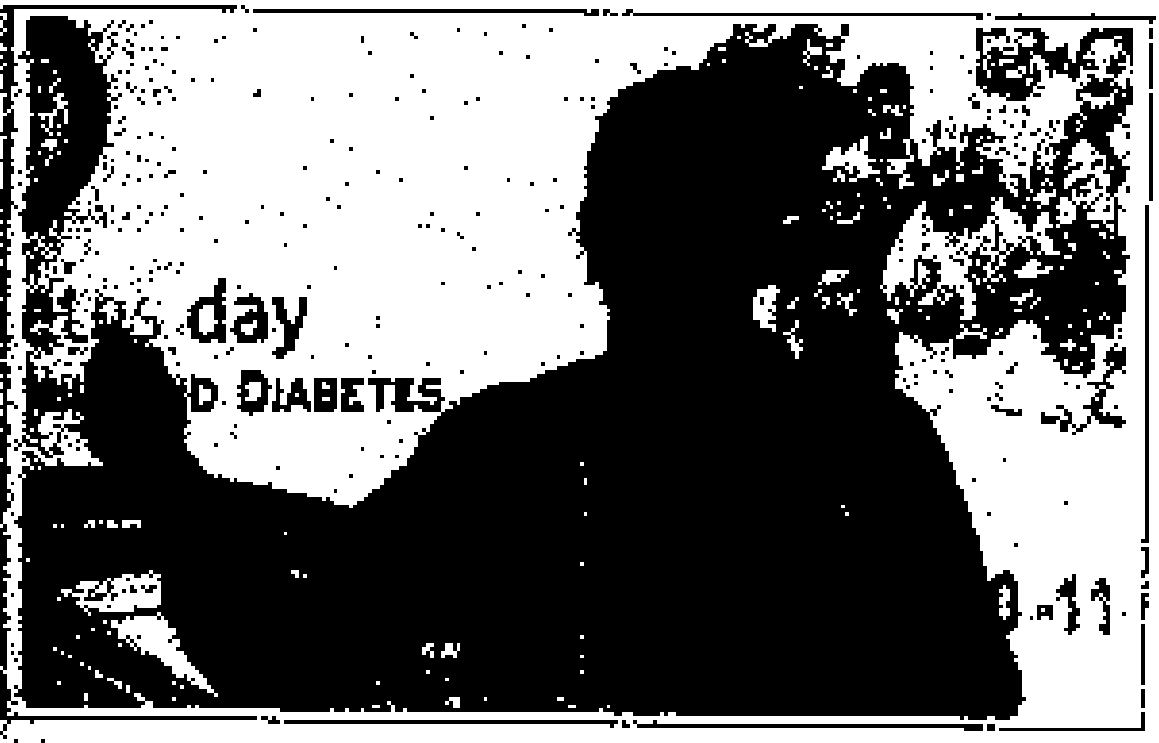
He highlighted that benefit of tight glycemic control increases morbidity among ICU adults.

He told that Insulin is the only most powerful agent to control diabetes through continuous IV infusion.

He stressed a blood glucose over 200mg/dl in hospitalized patients increases morbidity and mortality.

He introduced Power of 9 which comprises move naturally, eat wisely and belong for a healthy life.

He concluded his talk with stating that in 21st century neglecting blood glucose >200 will be a mortal sin.



TOPIC:PERI OPERATIVE MANAGEMENT OF DIABETES

- Hyperglycaemia has long been recognised to have detrimental effects on post operative outcomes in patients undergoing surgery
- Fasting, volume depletion, abrupt discontinuation of medications & steroid therapy etc contribute to metabolic decompensation
- Diabetes Insulin-Glucose infusion in Acute MI (DIGAMI) improves outcome in patients
- Furnary et al – all examined the effects of hyperglycaemia on outcome of cardiac surgery patients
- Proper preoperative assessment is important
- Intra-operative insulin management goals
  - Control blood sugar within a target range
  - Suggested range 140 - 180
  - Avoid hypoglycaemia
- Approach
  - Patients managed by diet alone :
    - Major surgery: No specific measures required
    - Major surgery: IV infusion with dextrose if BG> 200 g/dl
  - Patients treated with OADS :
    - Metformin to be withheld 1-2 days before surgery.
    - If BG > 200 mg/dl – SC doses of regular-rapid acting insulin.
    - Major surgery- IV insulin infusion with glucose.
    - Most OAD's can be restarted once patients starts eating.
  - Patient's taking insulin:
    - Minor surgery:
      - Long acting insulin discontinued 1-2 days before elective surgery.
      - Hourly BG monitoring.
      - IV insulin \ Glucose \ potassium corrected before surgery.
    - Major surgery.
      - Admitted 2-3 before surgery.
      - Electrolyte abnormalities corrected.
      - Regular short-acting insulin according to target BG.

- Glucose-Insulin-Potassium IV therapy – helps to maintain BS between 120-200 mg, minimise risk of hypoglycaemia helps in case of post-operative vomiting.

- When on steroids
  1. Insulin dosage should be increased 3-4 times their usual dose when already on insulin.
  2. Insulin tapered as steroids are tapered.

- Following coronary artery bypass graft surgeries, IV insulin reduced the rate of mortality & deep sternum wound infection.

- For post-operative cases, sliding sale insulin regimen is used though it has a lot of limitations.

- Peri-operative management of diabetes requires communication and co-ordination amongst patients, out patient provides and surgical and anaesthetic staffs.

- Diligent pre-operative assessment, frequent operative and post-operative monitoring and implementation of safe and effective insulin strategies to optimise surgical outcomes.

TOPIC: GESTATIONAL DIABETES MELLITUS

FINITION:

GDM is defined as any degree of glucose tolerance that has onset on first recognition during pregnancy

CIDENCE:

GDM computes 7% of all pregnancy

TERNAL MORBIDITY:

Increased pre-eclampsia, caesarean delivery and length of maternal hospitalisation are most complicated by GDM.

NATAL MORBIDITY & MORTALITY:

Infants of mother with GDM are at increased risk of

- ✓ Perinatal mortality
- ✓ Neonatal hyperglycaemia
- ✓ Shoulder dystocia
- ✓ Childhood obesity
- ✓ Macrosomia

Most anomalies occur at 5 to 12 weeks of gestation (in babies of mother with preexisting diabetes)

TERIA TO DEFINE GDM:

UK NICE guidelines (2008)

2hr, 75g oral glucose tolerance test

Fasting > 7 mmol/l (126 mg/ dl)

2 hr > 7.8 mmol/l (140 mg/ dl)

PSG

O Criteria

EATMENT FOR GDM:

Standard treatment

- ✓ diet therapy alone

- ✓ Consider metformin or glibenclamide as 1st line treatment (NICE recommended)
- ✓ Progressing to an intensive insulin regimen if needed

- Choice of treatment is influenced by stage of pregnancy, severity of hyperglycaemia, increasing fetal abnormalities
- If FPG conc on OGTT > 120 mg/dl – patient starts on insulin immediately
- Target blood sugar levels:
  - ✓ Fasting: 80 – 90 mg/dl
  - ✓ 2 hr post meal: 110 - 120 mg/dl
- Highly purified human insulin/ Rapid acting insulin analogue like aspart&lispro are safe and effective.

ATTENTION ON:

- A study comparing insulin aspart& regular insulin use and maternal and perinatal outcome in GDM with a conclusion that human aspart would be a better choice when compared to regular insulin with better control of hyperglycaemia thereby reducing perinatal morbidity and mortality.

INTRA-PARTUM DIABETIC MANAGEMENT:

- In contrast to pre GDM patients, GDM patients do not require insulin once labor begins
- If labour is to be induced, right dose of insulin given, no ....

PLASMA GLUCOSE – IV FLUIDS WITH INSULIN:

1. 60 - 90 mg/dl - DNS @ 100 ml/hr
2. 90 - 120 mg/dl – NS @ 100 ml/hr
3. 120 – 140 mg/dl – NS with 4U regular insulin @ 100ml/hr
4. 140 – 180 mg/dl – NS with 6U regular insulin @ 100ml/hr
5. > 180 – NS with 8U regular insulin @ 100 ml/hr

FOLLOW UP OF GDM:

- ✓ GDM women require follow up and GTT repeat after 6 weeks
- ✓ GDM recurrence was approximately 50% of subsequent pregnancies
- ✓ Future risk of developing DM for .... Diabetic is two fold, if he becomes overweight

MANAGEMENT OF MOTHER AFTER DELIVERY:

1. TIDM
   a. Immediate reduction in insulin supplements, need for more frequent glucose monitoring

2. GDM
    a. Stop glucose lowering therapy
    b. Encourage breastfeed
    c. Revise ,education ….
    d. Follow up with in 6 weeks, if then non-diabetic advice for preventive life style measures, annual check up for diabetes and advice risk of GDM with future pregnancy

PRE-GESTATIONAL DIABETES:

- Prevalence of T2DM in pregnancy is uncommon

COMPLICATIONS FOR MOTHER:

- Increased risk for micro or macro-vascular deterioration in women with pre-existing cardiovascular disease

COMPLICATIONS FOR BABY:

- Risk of congenital malformations
- Large for gestational age
- Increased risk of T2DM in latter life

DIABETIC MOTHER: (PRE-GESTATIONAL DIABETES)

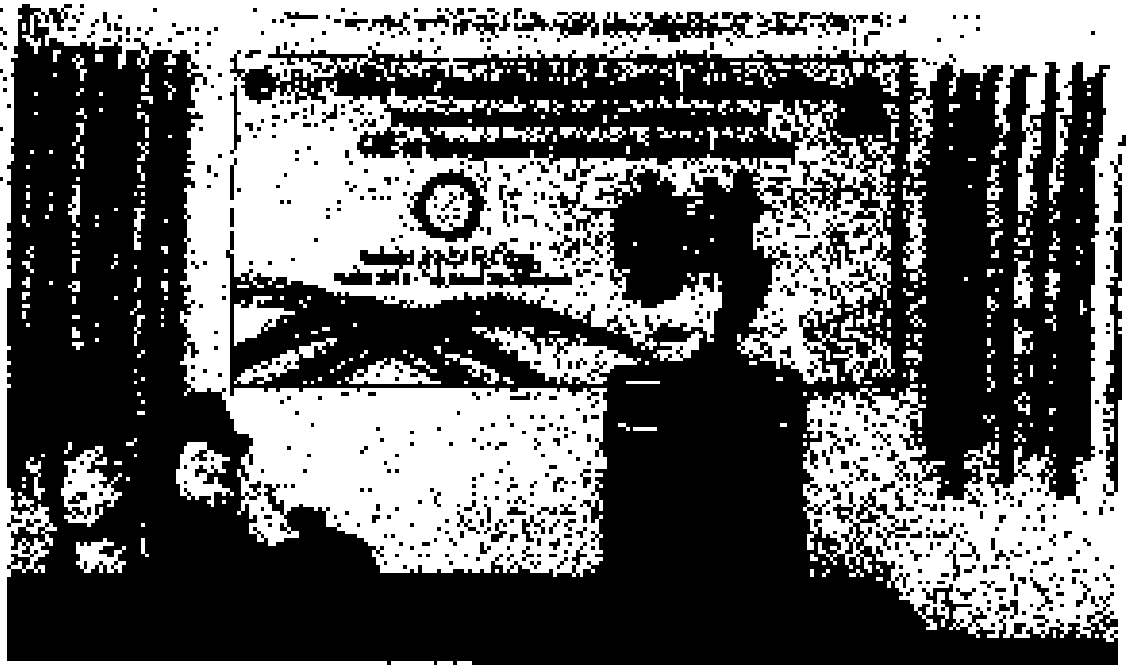
INSULIN MANAGEMENT DURING PREGNANCY:

- ✓ Multiple daily injection is recommended in women with pre-gestational diabetes
    - Short or short or rapid acting insulin (aspart, lispro) prior to meals
    - Intermediate acting insulin or long acting insulin analogue before bedtime
- ✓ Patients who are following insulin determine one glycemia should be trained to NPT insulin twice or thrice day, preferably before pregnancy
- ✓ Glycemic trait in pregnancy was with T1DM / T2DM
    - FBS: 60 – 99 mg/dl
    - 1hr PP: 100 – 129 mg/dl
    - HbaIC :<6%
- ✓ GDM
    - FBS: <95 mg/dl
    - 1hr PP : ;140 mg/dl
    - 2hr PP: 120 mg/dl

DIET

- ✓ 3 meals / day with snacks between meals

[illegible]SE
30 min/day of moderate exercise



TOPIC: The family and Diabetes

SHEELA

A talk was to focus on the current year's theme for World Diabetic day i.e. the family and Diabetes".

Over 425 million people are currently living with diabetes, most of them Type 2 Diabetics. Type 2 Diabetes is mostly preventable by regular physical activity, a healthy and balanced diet and the promotion of healthy living environment. Diabetes has a huge impact on each family, as it causes emotional stress, communication stress and meal time changes.

ositive family history is seen in 10% patients with type 1 DM, this increases 80% in type 2 Diabetics, though the obesity gene is not yet identified. **The ionship between family history and risk of diabetes in the proband ves the complex interplay between genes, shared environment, shared vior, and epigenetic effects.** Hojbjerre et al examined the effects of 10 bed rest on energy metabolism and mRNA expression of lipases in aneous abdominal (SCAAT) and femoral (SCFAT) adipose tissue from y young adults with or without family history of type 2 diabetes. Basal ls in SCFAT decreased with bed rest, irrespective of family history. The of this year is to raise awareness of the impact that diabetes has on the ly, to support network of those affected and to promote the role of the ly in the management, care, prevention and education of diabetes.

pic: Management of hyperglycemia in renal failure and liver order patients

M.SHANMUGAVELU M.D

hman, Trichy Diabetes Centre

ity

told Nephropathy affects 40% of patients with diabetes and it is a leading se of ESRD,

clearly explained the natural history of Diabetic kidney disease with relation GFR, albuminuria and complications. He also stressed that diabetes and comitant DKD accelerates cardiovascular disease.

detail he explained the pathogenesis of diabetic nephropathy and role of ney in the metabolism of Insulin. He enlightened us the dose adjustments of ous oral antidiabetic drugs and Insulin in renal failure patients.

old management of diabetes in CLD is challenging because liver is the
r site of metabolism of most antidiabetic drugs. He explained the
tionship between diabetes and liver disease and also pathogenesis of
togenic diabetes.

enumerated tools to measure long term glycemic control in patients with
D.

enlightened us the dose adjustments of oral anti diabetic drugs and Insulin in
D patients.

CME programme ended with National Anthem.

CME -WORLD PSORIASIS DAY 2019 - 29TH OCTOBER 2019

S.NO	Name of program	Department	Date, Year	Participants
1.	CME World psoriasis day	Dermatology	29/10/2019	80 Faculty and UG students

World psoriasis day was observed in Trichy SRM Medical College on October29th, 2019, under the leadership of the honorable chairman. The program was organized by Professor HOD, Deputy Director, Prof. Dr.N.Balasubramanian, Dean Dr.Yesudoss, Medical superintendent Dr. Thirumalai Kolundhu Subramanian, Executive Director, AMS Dr. P.Karthick and other members of DVL department along with the IMA branch, Irungalur.

Our students of the institution, Deputy director , Dean, MS, HODs of clinical and nonclinical department, faculty and patients participated in the program.

The programme started at around 1pm.The world psoriasis day main agenda being the theme"CONNECTED" discussed.

The Inaugral function was presided by Executive director,Dean,DeputyDirector, MS,AMS,IMA Office bearers.

Welcome address was delivered by Prof.Dr. S.Krishnan

Presidential address by Dean Dr.Jesudoss

Felicitated by MS Professor, Dr. Thirumalai Kolundhu Subramanian

Scientific session presided by Deputy Director Dr. N. Balasubramanian with a talk on "Psychosocial impact of Psoriasis"

The students addressed the following topics:

1. Introduction and etiopathogenesis of Psoriasis
2. Clinical features and types of psoriasis
3. Management aspects of Psoriasis

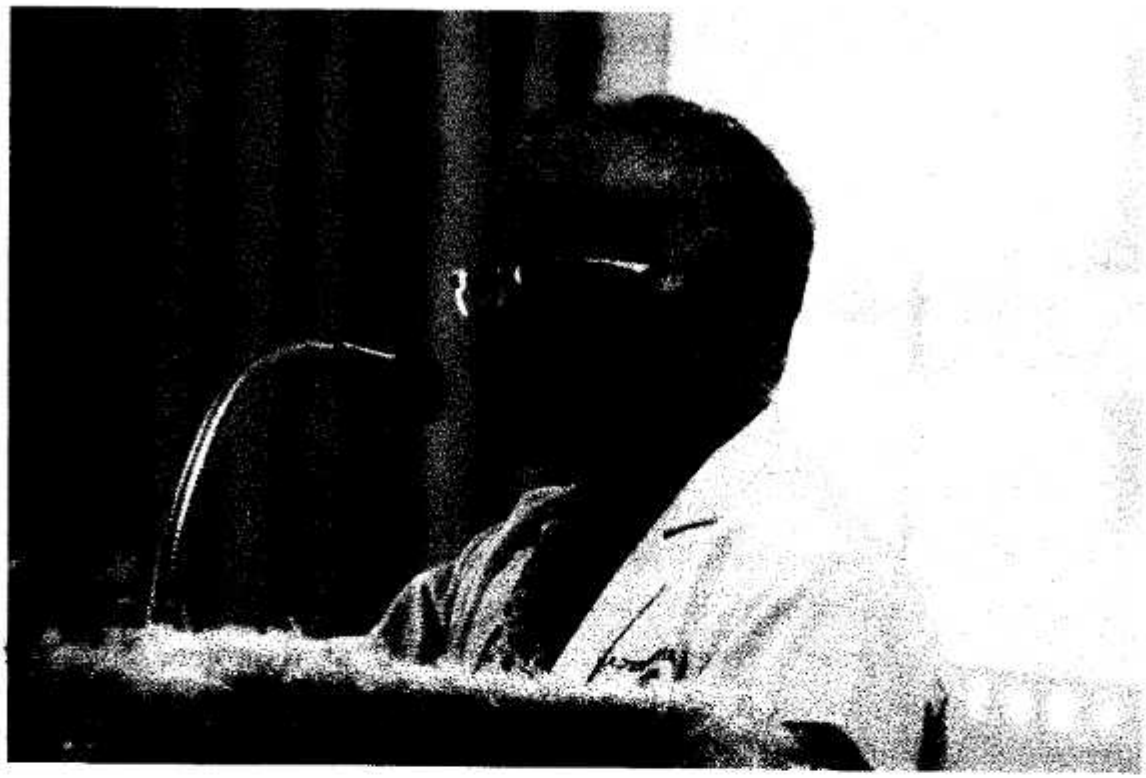
World stroke day – Guest lecture

World stroke day was celebrated on behalf of the Department of Medicine on October 30th 2019. The session started with the Tamilthaivazhthu. Welcome address was delivered by the Head of the Department of Medicine,Prof. K. Shivakumar. As he welcomed all the delegates, he stressed the importance of the magnitude of the disease and the essence of understanding the role of interventions in stroke. The Deputy Director presided over the function, congratulated the Department of Medicine for raising on the occasion and encouraged future programmes. The Executive director felicitated the gathering and stressed the importance of sharing knowledge with people from other centres. The Medical Superintendent Prof.ThirumalaiKozhundhuSubramananian felicitated the gathering and wished the program a grand success. Prof.Ramu, HOD of Neurology and Prof. Mohammed Ameen, HOD of Radiology also felicitated the gathering and chaired the scientific session which was on "Interventions in Acute Stroke" by Dr. John Robert, Interventional Radiologist.



Scientific session:

The speaker emphasized the importance of stroke by overviewing the pathophysiology of ischemic stroke. The entire stroke treatment corners around the ischemic penumbra. The imaging in hyperacute stroke is recommended less than 6 hours of the onset of stroke, the salient CT findings being hyperdense artery, obscuration of the lentiform nucleus and insular ribbon sign. MRI sequences recommended in acute stroke are Diffusion Weighted Images and MR Angiogram. This anyways has to be tailored according to the institution's policy. Among the interventional techniques available, mechanical thrombectomy was discussed in detail, opted best if the time of onset is less than 6 hours, NIHSS score >6 and ASPECTS score >6 and failure to recover after IV thrombolysis. Case scenarios were discussed in this regard. Controversies on whom to choose is based on the NNT(number needed to treat) which is 2.7 for interventions in acute stroke. The DAWN trial published in the NEJM was quoted for the time limit. Major complications are intracranial haemorrhage, arterial dissection or perforation and device rupture.

There was an interactive session with lot of querries both from the floor and the chair. The vote of thanks was proposed by Dr.SheelaSamini, Asst.Professor, Dept. of Medicine with a reminder on the theme for the year "Cut stroke in half". The session ended with the National Anthem.

WORLD AIDS DAY Date: 02.12.19

Event Report

S.NO	Name of program	Department	Date, Year	Participants
1.	World AIDS day	Dermatology	02.12.19	90 Faculty and UG students

World AIDS Day on 1 December brings together people from around the world to raise awareness about HIV/AIDS and demonstrate international solidarity in the face of the epidemic. It has become one of the most widely recognized international health days and a key opportunity to raise awareness, commemorate those who have died, and celebrate victories such as increased access to treatment and prevention services. It was first observed more than 30 years ago, progress to prevent and treat HIV. HIV medicines are available to help people with HIV live long, healthy lives and prevent HIV transmission.

SRM TRICHY CAMPUS observed WORLD'S AIDS DAY on 30th November 2019. A number of activities were organized not only to mark significance of maintaining good health but also for causes & prevention of AIDS. The people were made aware and educated to handle the situation if someone in the family suffers from the disease.

ROCK OTOPHONY '19 - AN ENT EXTRAVAGANZA.

"An investment in knowledge pays the best interest" - Benjamin Franklin. Bustling of papers, registration forms being filled frantically with a constant inflow of delegates was the scenario on the morning of December 14 and 15,2019.

It was with immense pleasure that TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE hosted the ROCK OTOPHONY '19. Being the brainchild of The Associotion of Otolaryngologists of India, Trichy. They pulled off this herculean task with panache,in association with TSRMMCH,under the expert guidance of our honourable chairman Dr.R.Shivakumar.

Being a two day workshop, it's main focus was on ontology and laryngology surgery.Our dean, Professor Dr.A.Jesudoss,being the co-organizing chairman, exhibited superlative leadership skills in co-ordinating the guests and the delegates, leading to a near perfect event.

On 14th December, the delegates witnessed live demonstrations of Stapedotomy and facial nerve decompression surgery by the eminent Dr.Vijayendra H, who graced the occasion as the chief guest and imparted his sound knowledge to the audience gathered.

This was followed by a live demo of revision mastoidectomy by Dr.Sangeetha,a skilled surgeon, trained under our chief guest and trans canal facial nerve decompression by Dr Vinay Vijayendra.

After an enriching day, the delegates were treated to a grand dinner by the organisers,at HOTEL BREEZE RESIDENCY,Trichy.

Day two (15th December) was yet another fulfilling day with our guest faculty ,Dr.Jeyakumar Menon, demonstrating live surgeries on cordotomy and microlaryngeal surgery. He also demonstrated Type 1 thyroplasty on a cadaver. That wasn't the end of it all. Video laryngoscopy for our SRM hospital inpatients were also done with a live demonstration.

Not everyday do we witness such meticulously planned and executed educational workshops,which surpassed everyone's expectations.

Having conducted the event without any hiccups, a big thanks is in order for everyone involved in this accomplishment. Dr.Jawahar, the Organizing secretary, left no stones unturned in his vote of thanks, expressing his heartfelt gratitude for the workshop's successful completion, particularly to Dr.A.Venugopal, Organizing Chairman and Dr.S.Gnanatilakan, Organizing treasurer.

Be it the advisors, scientific committee, coordination committee, food, accommodation and entertainment committee, transport and stall coordinators, each and every individual worked seamlessly together as one team and achieved triumph.

As the institution takes giant leaps in terms of spearheading events, a bright future lies ahead, full of opportunities for growth and beyond.

www.viswanathanhospital.com

Dear friends,

The Association of Otolaryngologists of India, Trichy branch along with Trichy SRM Medical College Hospital and Research Centre are proud and pleased to invite you to an one of a kind live surgical extravaganza **" ROCK OTOPHONY" 19**. This unique live surgical workshop spread over 2 days brings together 2 legends and foremost proponents of their craft, preeminent **Otologist Dr. H. Vijayendra and the premier Laryngologist Dr. Jayakumar R.Menon** on a single platform. This live surgical workshop will cover a smorgasbord of unique surgeries and offer a ringside view of all the exclusive cutting edge concepts and surgical techniques in the fields of otology and laryngology. A sprawling venue with topnotch facilities culminating in a cultural celebration and gala dinner with banquet will make it an experience to remember.

LOCATION :

Trichy is the cradle of Tamil Culture with a host of cultural attractions like the Sri Renganathaswamy Temple, Rockfort Temple, Lourdes Church and Kallanai Dam which will stir your senses and fire your imagination.

Dr. H. Vijayandra, **M.S., D.L.O.,**

Dr.H.Vijayendra, a name synonymous with otology is an otologic surgeon, non pareil. A legendary figure, his body of work and contributions in the field of otology is prodigious. His commitment to surgical excellence and dedication to his passion for otology has made him the preeminent otologist of our times. His surgical workshops have a huge following worldwide & he has a wide body of publications both national & international.

Dr. Jayakumar R. Menon, **M.S., D.L.O., D.N.B., (ENT), FRCS.,**

Dr.Jayakumar R.Menon premier laryngologist has the singular achievement of single handedly putting the field of laryngology in centre stage. A defining figure, his commitment to his chosen specialty has made him a legendary personality and the last word in laryngology and swallowing disorders. His work in the field of professional voice care, swallowing disorders and vocal cord disease is acknowledged both nationally and internationally.

Circular

Faculty development Programmes are Organized to enhance the quality of teaching training/ learning and assessment/evaluation (TT/LAIE). As a part of quality enhancement, an educational technology Programme has been organized by our Medical Education Unit.

Venue	: Dr.APJ Abdul Kalam Hall
Time	: 2.00pm and 3.00pm
Date	: 07.01.2020
Speakers	: Prof. Rajeev Sukumaran
	Senior Advisor & Head i/c
	Dr.Christhu Raj, Asstistant Professor
	SRM Centre for Applied Research in Education
Title: e-lab, eCircuit, eSkill, eLock, eVerify	

Hence, all the Professors, Associate Professors, Assistant Professors and Tutors as well as Senior & Junior Residents belonging to various departments of the college and Hospital are invited to attend the Programme in order to enhance knowledge and skills on e-learning technology without detrimental to their regular academic activities and patient care services.

Ref No:53 /TSRMMCH/E-1(MEU)/2020 Date:28.01.2020

Report on Guest lecture on "Exploring Global Medical Education" on 21.01.2020

The Medical Education Unit of Trichy SRM Medical College Hospital and Research Centre, Irungalur, Trichy had organised a guest lecture for the teaching faculty titled "Exploring global Medical Education". The lecture was conducted at Dr. B.C.Roy Hall on 21.01.2020 between 10.00AM to 12.00 Noon.

The program started with Thamizh Thai vazhthu. Dr.E. Kamala, MEU Coordinator and Associate Professor, Anatomy welcomed the gathering. This was followed by the presidential address delivered by our honourable chairman Dr.R.Shivakumar. He stressed on the importance of Medical education unit in the medical arena and how the teaching faculty of medical college are different from the teaching faculty of any other institution. This was followed by the Inaugural Address by our beloved Dean Dr.A.Jesudoss who stressed on the need of the lecture at this juncture of change in climate of the medical education.

The international speakers were then felicitated by the Chairman, executive director and Director of medical sciences with a shawl, bouquet, memento and certificate.

The educational session started with the oration of Dr.Mohan Kumar, Associate Dean, Primary Health Education, England. He delivered an interactive and engaging talk on "change management". The acronym for change that he had developed was well received by the participants. He gave real life examples in which change management is the key to any process that happens and change itself is a process and not an event. The principles used in change management is the same that need to be applied for the change in the medical curriculum as well. The presenter concluded by saying that the changes in the field of medical education has already happened and the faculty should lead the millennials into a futuristic medical field.

The next speaker was an eminent personality from the National institute of epidemiology, Dr.Yuvaraj Jayaraman, Scientist "E", ICMR, Chennai. He spoke on the roles and responsibilities of medical faculty in research. He educated the audience how to apply for the array of funds available for research. Also, how to educate the students to submit a proposal for research and also the procedure for choosing a worthwhile research question. Dr.Yuvaraj unveiled the importance of medical records and the data that is waiting to be exposed using various narrations from his own life. He concluded his talk saying that all doctors especially all medical teachers are researchers and they should have a sound applicative knowledge on research.

The program was brought to an end with national anthem

Dean

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

(A Unit of SRM Group of Educational Institutions)

Irungalur, Tiruchirappalli-621 105

DEPARTMENT OF DERMATOLOGY, VENEREOLOGY & LEPROLOGY

Symposium on leprosy 2020. (EM on Early Diagnosis & Treatment for Elimination of Leprosy)

World Leprosy Day is observed on the last Sunday of January every year. It provides an opportunity for enhanced efforts and renewed commitment for elimination/eradication of the debilitating disease at the earliest. It focuses on the target of zero cases of leprosy-related disabilities in children. Early detection is prime focus to achieve this target, along with strengthening interventions to prevent leprosy transmission. Leprosy is also known as Hansen's disease.

This day is celebrated on 30th January in India and a grand celebration was organized at Trichy SRM Medical college hospital and research center by the department of Dermatology, venereology and leprosy and Medical education unit.

The celebration started with a procession inside the campus by the 1st Year MBBS students, 2nd year B.Sc (Allied health course) students, interns, faculty of medical college, nursing and allied health science. The procession was led by Dr.N.Balasubramanian, Deputy director, Professor & Head of department, Dermatology, and the National vice president of *Indian Association of Dermatologists, Venereologists and Leprologists* (*IADVL*), along with Professor Dr.Krishnan, Additional medical superintendent Dr.P.Karthick, Dr.E.Kamala, MEU Coordinator, Dr.Rajalakshmi, Associate professor, Dermatology and Dr.Poongothai, ARMO.

The students had prepared slogans on the theme of national leprosy day and procession went through the whole length of the hospital so as to educate the patients and their by standers. The procession finally reached the lecture hall where an educative scientific session was conducted.

The program started with Thamil Thaai Vazhuthu. Dr.E.Kamala, MEU Coordinator, welcomed the gathering. Dr.N.Balasubramanian, Deputy Director, Professor & Head of department, Dermatology delivered a lecture on the etiology and pathogenesis of the disease and also the prevalence of the disease. Professor Dr.Krishnan, continued on the history of the Leprosy and tutored the students on the classification of the disease. Following this, Dr.Rajalakshmi, Associate professor, Dermatology delivered a lecture on the diagnosis and treatment of Hansen's disease. Dr.Rajalakshmi, Associate professor, Dermatology also delivered the vote of thanks.

The program was concluded with national anthem.

DEPARTMENT OF GENERAL MEDICINE

GUEST LECTURE ON CARDIAC REMODELLING

REPORT

Guest lecture organised by Department of General medicine, TSRMCH on cardiac remodelling and management of heart failure as an academic event on 18.03.2020 at 2 pm to 3.30 pm as an academic event.

The program was inaugurated by DR.N.BALASUBRAMANIAN M.D, DEPUTY DIRECTOR

Dr.M.CHENNIAPPAN M.D.,D.M Consultant cardiologist delivered his lecture on above mentioned topic.

He explained the pathology of remodelling process after an injury to cardiac muscle, and its adverse outcomes.

He enlighten the use of ACE Inhibitors and beta blockers for remodelling secondary prevention and there uses in different clinical situations.

He also highlighted the advance technique on management of heart failure like intra-aortic balloon pumping.

Followed by question and answer session from audience was addressed by speaker

Program ended with vote of thanks

Report for the Demonstration in online teaching methodologies

Conducted on 09.06.2020

A demonstration of various online teaching methodologies was conducted by the Medical Education Unit on 09.06.2020 at the Dr.B.C. Roy Hall from 11 AM to 12 Noon.

The Vice principal welcomed the meeting and stressed on the importance of online teaching and the techniques involved during this COVID era.

Dr.A. Anupriya, Associate Professor, Microbiology, started the demonstration of the online techniques with the introduction of Google classrooms. She demonstrated online the various steps involved in constructing a google classroom. She then showed the different uses of google classrooms and how it can be used to conduct assignments and assessments. She also explained how google forms are to be composed and the various forms of questions that can be asked.

This was followed by the demonstration of google meet by Dr.E. Kamala, Associate Professor, Anatomy. She informed that a G suite mail ID has been created for all the Heads of the department and that can be used to conduct the google meet. As it is in G suite, 250 students can be catered to at the same time. She then went on to explain how a google meet can be scheduled using the google calendar and how the google link can be sent through Google classrooms. She then showed how the google meet is to be conducted. Dr. E. Kamala also exhibited the various google chrome add on extensions used to make the job of taking attendance, viewing all the students in one single screen and emoticons for interactions with students. The different procedures to share the recorded meet so that it can be downloaded was also shown.

Next demonstration was by Dr.S.Priya Banthavi, Associate Professor, Pathology. She demonstrated how to download the zoom app for both windows and Mac operating systems. She displayed the step by step procedure of scheduling and conducting a zoom meet using a video. She also showed how to use the chat and raise hand options to have an interactive class discussion with the students. Dr.P.Karthick, Professor and Head, General Surgery and Additional Medical Superintendent shared his experience of conducting Zoom classes for students.

The session was ended with the Dean's address where he explained the need of online classes and documentation for the cross reference by the MCI or the Tamil Nadu Dr.M.G.R Medical University at any point of Time.

Report of the online Curriculum implementation support program – II

The Curriculum Implementation Support Program was conducted online on 4th and 5th September 2020, by the Medical Education Unit of Trichy SRM Medical College Hospital and Research Centre. The online platform used was Google meet through the G suite domain of the college

The resource person (list enclosed) for the program was trained by the online CISP II program conducted by the regional centre on 3rd and 4th July 2020.

The participants (list enclosed) were selected in such a way that preclinical faculty were 4, paraclinical faculty were 11 and the rest of the 15 participants were from the clinical departments.

Two trial runs were conducted before the program with the observer from SRMC. One with the members of Medical Education Unit and Curriculum Committee members. The next one was conducted with the participants, where the observers detailed the outline of the program for the participants.

The participants were divided in to 4 groups and each group was allotted facilitators who were the resource people. It was ensured that each group had representatives from each phase of MBBS curriculum. Then WhatsApp group was started for each group where in the participants were sensitised regarding the proceeding of the program and the activities to b

Day 1 – 04.09.2020

The online Curriculum Implementation Support Program was started on 4th September 2020, with an Inauguration session. Dr.P.Karthick, the Dean, Dr.N.Balasubramanian, Deputy Director, Dr.A.Uma, the Vice Principal congratulated the Medical Education Unit for having organised the program and directed the participants to make the best use of the program. An online pre-test questionnaire was distributed during this session and the answers were documented.

The day started with the session on introduction of CISP by Dr. E. Kamala, Associate professor, Anatomy and MEU Coordinator. She gave a brief outline of the importance of the program and an outline of the proceeding for the next two days.

This was followed by icebreaking session conducted by Dr.A.Anupriya, Associate professor, Microbiology and Curriculum Committee member. One member from each group introduced the members of the group and the facilitators. They discussed their observations on the group dynamics that had happened in the group with the aid of the way members had reacted to the few questions that had already been posted in the groups.

The next session on competency based Medical Education was also done by Dr.A.Anupriya. She discussed the Definition of competency, Difference between competency, objectives & outcomes with examples. Then she gave a small activity for the participants using a list of goals, role, competencies and objectives and asked the participants to identify and post in the chat box. Then she introduced the CBME curriculum and its salient difference from the traditional curriculum. The session ended with a small activity where one representative of each group presented one competency from the list of IHD and COPD competency given, representing each domain of teaching and learning.

This was followed by a session on IMG: Goals, roles & Competencies conducted by Dr.G.Bala Maddileti, Professor, Forensic Medicine. He demonstrated to the participants how to use the UG Curriculum books published by MCI and how to link national health needs to competencies and objectives. Then he made one faculty from each group to link their chosen competency to the national and institutional goals.

Following a small tea break, Dr.S.Priya Banthavi, Associate Professor, Pathology gave a small introduction on how to deriving objectives from competencies. She also demonstrated how to link the competency with domains of learning. Following her example, the groups made an attempt to derive objectives for the chosen competency, one for each domain and presented to the other groups. The other

group members were asked to critique on the objectives derived. All the faculty members participated actively in these discussions.

Dr.K.Hemalatha, Associate Professor, Community Medicine demonstrated how to choose appropriate Teaching Learning Methods (TLM) for the competency objectives chosen. A hands-on workshop was conducted, and the groups were asked to present their chosen teaching learning methods for their competency and discussion ensued.

After a brief lunch break, Dr. S.Priya Banthavi discussed on Graduate Medical Education Regulations (GMER) 2019. She stressed on how to read the document and Time frame, training methods, Integration, Assessment, New additions like Foundation Course, Formative feedback etc.

Dr.G.Bala Maddileti introduced to the participants the Concept of electives following which the groups has a group activity on how to develop curriculum for the electives and presented. Many views and arena of electives were discussed.

Then Dr.E.Kamala discoursed on the Foundation Course & Early Clinical Exposure. She briefly spoke on the Concept, components, timeframe with examples. The Phase I faculty deliberated their experience in organising and conducting foundation course and Early clinical exposure

As the last session of Day 1, Dr K.Hemalatha with a small group activity demonstrated the Purpose, mission and objectives and AETCOM booklet review. The groups presented on the TLM that can be used for various module in the AETCOM booklet.

Day 2 – 05.09.2020

The second day begun with the repertoire of each group giving a gist of the happenings of the previous day. Then Dr.E. Kamala, gave an account of the feedback given by the participants on Day 1.

The first session of Day 2 was a deliberation on Student Doctor- Clinical Teaching by Dr.K.Sivakumar, Professor and Head of General Medicine. He gave an overview of the Concept and framework on Student doctor. Then he elicited a discussion on the necessity, feasibility and steps involved in implementation of this concept of CBME.

Following this an elaborate demonstration was done on the concept and framework of Alignment and Integration by Dr.A.Anupriya. She made the groups work on a teaching schedule for a weeks' time exhibiting the various aspects of alignment and integration on which the other participants were asked for opinion. By the end of the session, every faculty had a hands-on experience on building an aligned teaching schedule.

The next topic was dealt by Dr. E. Kamala on Competency acquisition in Skills lab. She discussed the different types of skills that can be taught and acquired using various techniques. Augmenting this session, the groups were asked to present a skill as part of their chosen competency that can be taught and achieved in a skills lab setting.

After a brief lunch, the deliberation on the Principles as relevant to CBME, assessment methods Include Logbook and e-portfolio and Assessment in CBME was done by Dr.K.Sivakumar. He also invited debate among the participants on the various assessment modalities being used by them in the traditional method and how that can be improvised to assess the CBME curriculum.

After this Dr.S.Priya Banthavi engaged the participants in a group activity on Aligning assessment to competency objectives & TLM. All the groups exhibited a professional level of capacity in this activity, ensuring that the two-day program has created a change in the faculty members.

The last session of the day was on curricular governance by Dr.E.Kamala. She sensitised the faculty on the hierarchy that the MCI has created in each Medical Teaching institution and listed out the composition and activities of the college council, Curriculum Committee, Alignment and Integration Committee (AITO) and Sub committees. This topic invited a vibrant discussion among the participants on the execution of the guidelines provided by the MCI.

The day was brought to a conclusion with feedback from the participants, resource person and Dr.K.Sowmya, Professor, Biochemistry, SRMC who was the MCI appointed observer of the program.

Program schedule for of Revised Basic Course Workshop

Date: 08.04.2021 to 10.04.2021

Day 1				
Day Time	**Session**	**Objectives**	**Duration**	**Faculty**
9:00	Introduction: ice breaking and Group Dynamics	Understand and apply concepts of group dynamics and team based functioning in teaching and learning	60 minutes	Dr. S. Priya Banthavi Dr.A.Anupriya
10:00	System's Approach, Principles of adult learning, Learning process	a. Use principles of adult learning in the teaching learning process b. Use the system's approach for instructional design	75 minutes	Dr.E.Kamala
11.15	Tea break			
:30	Goals, roles and Competencies: CBME*	a. define goals, roles and competencies and explain the relationship between each other b. elaborate the principles of competency based learning	45 minutes	Dr.K.Sivakumar
12:15	The IMG – Goals, roles and Competencies	a. be sensitised to the goals, roles and global competencies as developed by the Medical Council of India	15 minutes	Dr.K.Sivakumar
12:30	Learning domains and progression of learning	a. classify and define learning domains b. demonstrate a basic understanding of hierarchy of knowledge progression	30 minutes	Dr. S. Priya Banthavi
13:00	Lunch		45 minutes	
:45	Objectives - Writing objectives - Developing objectives from competencies, linking learning and assessment with competencies*	a. differentiate competencies from objectives b. develop objectives from different competencies c. explain the relationship between objectives, learning and assessment	60 minutes	Dr.Nachal Annamalai
14:45	Workshop on writing objectives*	a. develop objectives from competencies and specify the domain and the skill level	60 minutes	Dr.Nachal Annamalai
15.45	Tea Break			
16:00	Introduction to assessment	a. elaborate the principles and types of assessment b. explain the utility of assessment	45 minutes	Dr.A.Anupriya
16:45	Closing			

*- use AETCOM Module and Revised UG Curriculum for this session

Day 2				
9:00	Choosing a teaching method for objectives and competencies – Workshop	choose the appropriate teaching method for various objectives and competencies	90 minutes	Dr.K.Sivakumar
10.30	Tea Break			
10:45	Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media	a. use the principles of interactive learning in a large group b. use the principles of interactive learning in a small group c. choose appropriate media for a given learning session	105 minutes	Dr.M.Vijayakumar Dr. S. Priya Banthavi Dr.E.Kamala
12:30	Writing a lesson plan	develop a lesson plan appropriate to the objectives and teaching learning method	45 minutes	Dr.S.Sivaraman
13:15	Lunch		45 minutes	
14:00	Assessment planning*and quality assurance, Writing the correct essay question, short answer question and MCQ	a. write an appropriate essay question b. write an appropriate short answer question c. write an appropriate MCQ	120 minutes	Dr.A.Anupriya
16:00	Tea break		15 minutes	
16:15	Internal assessment and Formative assessment	develop a plan for internal assessment and formative assessment	40 minutes	Dr.M.Vijayakumar

* use AETCOM module and Revised UG Curriculumfor this session

Day 3				
9:00	Discussion on AETCOM Module: Reflection and Narrative	a. demonstrate the ability to use the AETCOM module for Basic Course in MET to be held b. demonstrate the ability to write reflection & narrative on AETCOM Module c. demonstrate readiness to launch AETCOM module in own college	60 minutes	Dr.E.Kamala
10:00	Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment	choose the right assessment method for a given objective/ competency and learning method	60 minutes	Dr. S. Priya Banthavi Dr.A.Anupriya
11.00	Tea Break		15 minutes	
11:15	Effective clinical and practical skill teaching	a. teach skills effectively b. teaching skills at the workplace c. use a skills lab effectively	60 minutes	Dr.P.Karthick
12:15	Assessment of clinical and practical skills	a. assess skills effectively b. assess skills at the workplace c. use a skills lab to assess competency in skills d. design a skills assessment station	60 minutes	Dr.M.Vijayakumar
13:15	Lunch		30 minutes	
13:45	Assessment of clinical skills (cont.)		60 minutes	Dr.M.Vijayakumar
14:45	Improving SDL through technology	a. promote self directed learning (SDL) in students b. use technology to improve self directed learning	30 minutes	Dr.K.Sivakumar
15:15	Tea Break			
15:30	Feedback	provide effective feedback to students	30 minutes	Dr.S.Sivaraman
16:00	Educational networking for growth	a. understand avenues for growth in education b. create networks in education	45 minutes	Dr.Nachal Annamalai
16:45	Closing

Report on Revised Basic Course Workshop with Attitude, Ethics and Communication

The Revised Basic Course Workshop with training in attitude, ethics and communication was conducted from 8th to 10th April 2021, under the NMC appointed observership of Dr.K.Sowmya, Professor of Biochemistry, Sri Ramachandra Medical College & research Institute, at Conference Hall, MEU, College block, Trichy SRM Medical College Hospital and Research Center.

Day 1:

The program started with an inaugural function and Dr.E.Kamala, MEU Coordinator welcomed the gathering. Dr.S.Revwathy, the Dean of TSRMMCH delivered the presidential address. The Inaugural address was delivered by Dr.N.Balasubramanian, Deputy Director, Trichy Campus. Special address was given by the Director of Medical Sciences, Dr.S.Ramesh Babu. The gathering was felicitated by Dr.D.Baba, Associate Dean -PG, Dr.K.Sowmya, NMC Observer then addressed the participants and briefed them the activities of the forthcoming days. Vote of thanks was delivered by Dr.S.Priya Banthavi, Professor of Pathology.

1. **Ice Breaking and Group dynamics**

The workshop started with the topic on ice breaking and group dynamics. The session was conducted by Dr.S.Priya Banthavi and Dr.A.Anupriya. They made the faculty introduce the next person and brought in the concept of group dynamics by making the faculty do the space walk. The session was ended when the groups were asked to identify the answers to the riddles.

2. **Systems approach, learning styles and andragogy**

The session was conducted by Dr.E.Kamala. She introduced the principles behind group dynamic and enlightened the faculty about ADDIE model of systems approach.

She then defined the various types of learner's and made the faculty identify to which category they belong. Introducing the adult learning principles, she made the faculty do a group activity and find out the various features of adult learning.

3. **Goal roles and competencies & The IMG – Goals, roles and competencies**

Dr.K.Sivakumar delivered this session to the participants. He defined the goals, roles and competencies and explain the relationship between each other with appropriate examples. He also elaborated the principles of competency-based learning. With the help of the UG curriculum books he demonstrated the usage of the UG curriculum book. A group activity to sort out a list of goals, roles and competencies was also done.

4. **Learning domains and progression of learning**

Dr.S.Priya Banthavi conducted this topic of the program. She defined and classified the learning domains using various examples and activities. She also demonstrated the ways to understand the hierarchy of knowledge progression.

5. **Objectives – Writing objectives – Developing objectives from competencies, linking learning and assessment with competencies & Workshop on writing objectives**

This post lunch session was handles by Dr.Nachal Annamalai. She demonstrated the difference between competencies from objectives. She also showed the participants the way to develop objectives for a different type of competencies. Dr.Nachal Annamalai then explained the relationship between objectives, learning and assessment. Using the demonstrations, the participants then were made to build objectives for the competencies based on Jaundice and Anemia

6. **Introduction to assessment**

After a short tea break the session on introduction to assessment was conducted by Dr.A.Anupriya. She elaborated on the principles and types of assessment. She also explained the Utility of assessment in CBME.

The day ended with collection of feedback for the first day of the program

Day 2

The first session of the day was repertoire session. One participant from each group gave the gist of the happenings of the previous day. Dr.E.Kamala summarized the feedback given by the participants and gave rectifications of the same

1. **Choosing teaching method for objectives and competencies – Workshop**

The first session of the day was hands on training for the participants. They were asked to choose an ideal teaching learning method to educate the students for the objectives that was built the previous day and construct lesson plan for the same. This workshop was led by Dr.K.Sivakumar.

2. **Interactive and innovative teaching methods**

a. Large group teaching: Dr.M.Vijayakumar in this session demonstrated the ways to use principles of interactive learning in a large group. He also demonstrated various types in which interactive teaching can be done for a large group of students.

b. Small group teaching: Dr.S.Priya Banthavi employed many small group teaching methods like Jigsaw, Fish bowl technique and buzz group and demonstrated the ways to employ interactive learning in a small group.

c. Appropriate use of media: Dr.E.Kamala made the groups do a SWOC analysis of the various available media. She gave guidelines regarding the ways to choose appropriate media for a given learning session.

3. **Writing a lesson plan**

The session was conducted by Dr.S.Sivaraman. He demonstrated the technique to develop a lesson plan appropriate to the objectives and teaching learning method chosen. He also made each group develop a lesson plan for the teaching method chosen in the workshop earlier in the day.

4. **Assessment planning and quality assurance, writing the correct essay question, short answer question and MCQ.**

After a brief lunch break, the post lunch session was dealt by Dr.A.Anupriya. She showed the participants the methods to choose and construct structured essay questions and structured short answer questions. She described the various parts of MCQ and made the participants evaluate and build an MCQ.

5. **Internal assessment and formative assessment**

The last session of the day was conducted by Dr.M.Vijaykumar. He informed the participants regarding the differences between internal and formative assessment and stressed on the importance of both in CBME curriculum. He also showed the way the develop a plan for internal assessment and formative assessment.

Day 3:

The day begun with repertoire report of the previous day and analysis of feedback by Dr.S.Priya Banthavi

1. **Discussion on AETCOM Module: Reflection and narrative:**

The first session of the day was dealt by Dr.E.Kamala. She demonstrated the ways the AETCOM module book needs to be used by the faculty. She made the groups demonstrate their planning and execution of various topics in the book for 4 different phase. She discoursed the way a reflection needs to be written. By the end of the session, the participants accepted and were ready to launch AETCOM module in the college

2. **Matching assessment to competency, objectives and learning to choosing the right assessment.**

The right assessment method for given objective/competency and learning method. One faculty form each group delivered the discussions that happened in the group and the other groups commented on this.

3. **Effective clinical and practical skill teaching**

Dr.P.Karthick delivered this topic. He spoke on how the clinical skills can be taught effectively using conventional, innovative and generic methods, skills lab, virtual reality etc. He also demonstrated the as skills can be taught in a workplace setup. Finally, he took the participants to skills lab and showed the use of skills lab.

4. **Assessment of clinical and practical skills**

Dr.M.Vijayakumar in this session demonstrated the ways to conduct assessment of the practical and clinical skills, both in teaching an workplace set up. He also made the participants create assessment plans for various domains using skills lab and the methods to design skills assessment station.

5. **Improving SDL through technology**

Dr.K.Sivakumar in this session discussed the various methods to promote self-directed learning in students. He also showed how technology can be used to improve self-directed learning.

6. **Feedback.**

Dr.S.Sivaraman in this session discussed and demonstrated the various techniques employed in providing and receiving effective feedback to and from students respectively.

7. **Education networking for growth**

The last session of the workshop was conducted by Dr.Nachal Annamalai. He made the participants understand the different avenues for the ways in which a faculty can develop their growth in education. She also described the procedures to create and maintain networks in education.

The program was brought to an end with the Dean and Deputy Director awarded the participants, resource person and the observer with certificate.

Report on Demonstration of Microsoft Teams (online)

The entire Medical Education is shifting towards e-platform and with the pandemic in place the medical faculty required training in all possible online platforms. With this idea, the Medical Education Unit, Trichy SRM Medical College organized an online Demonstration of the usage of Microsoft teams for conducting online classes.

The Programme was conducted on 26th March 2021 between 9AM and 10:30 AM. The Programme was conducted on Google Meet Platform where in Mr. Senthil, Head of Syscoms, SRM Institute of Science and Technology Ramapuram Campus and Dr.Gayathri, Professor, were connected from SRM Institute of Science and Technology Ramapuram Campus.

The Program started with Dr.E. Kamala, the MEU Coordinator introducing to the Participants Mr.Senthil and Dr.Gayathri. The Participants were the Professors and Heads of the departments of Preclinical, Para Clinical and Clinical departments. The Associate Professors, Assistant Professors, Senior Residents, Junior Residents, Tutors and Data Entry Operators of the Preclinical, Para and Clinical departments also took part in the meeting.

Dr.Gayathri explained the steps to use Microsoft teams to the audience. She demonstrated how to schedule Microsoft team meeting, how to conduct a meeting, the various tools available in Microsoft teams meeting which will help the faculty to record the attendance of the students, the assessment, the video recording, the transcript of the video.

The participants interacted with the speakers regarding the number of participants per meet and how long the duration can be kept. Dr.Gayathri answered the questions asked and cleared all doubts. With this the program was brought to an end, with the promise of a second program as and when the need arises.

Report of four days Skill Lab Training Programme

A four day skill lab training program was conducted by the Essilor Company as a part of the educational service.

The following Core Committee members attended:

S.No	Name	Department	Department
1	Dr.R.Ravichandar	Associate Professor and Coordinator	Anesthesiology Skill Lab
2	Dr.S.Vinoth Kumar	Professor	General Surgery
3	Dr.A.Zahir Hussain	Associate Professor	General Surgery
4	Dr.T.Kamala	Associate Professor and Coordinator	Anatomy MSU
5	Dr.M.Praveen Kumar	Assistant Professor	General Medicine
6	Mr.G.Vivekanandhan	Senior Biomedical Engineer	Bio Medical
7	Mr.A.Balasubramanian	Staff Nurse	SICU
8	Ms.Dhivya	Staff Nurse	Casualty

In addition, few Non Core Committee members also attended the program partially with respect to their respective departments.

S.No	Name	Designation	Department
1	Dr.D.Sundari	Assistant Professor	Anaesthesiology
2	Dr.R.Sowmiyan	Assistant Professor	General Medicine
3	Dr.D.Saminathan	Professor and Head	Paediatrics
4	Dr. A.Agneeswaran	Assistant Professor	Psychiatry
5	Dr.S Cyril James	Assistant Professor	Orthopedics
6	Dr Vandana	Senior Resident	OG
7	Dr R.Selvameenakshi	Professor and Head	
8	Dr.K.Abdulhaleem	Assistant Professor	
9	Dr.M Kamalakshmi	Senior Resident	
10	Dr.J.Swathya	Senior Resident	

Name of faculty who gave training: Mrs. Pricey Fernando

Summary of the 4 day programme:

Day 3 (06.11.2014)	Emergency Medicine Centre
9:00 AM – 1:00 PM (4 Hrs)	General Medicine 1. Crash Kelly 2. Spinal Immobilization 3. Table Airway QCPR – Adult. 4. Multi venous IV arm 5. Injection Trainer 6. Buttock Injection trainer 7. Catheterization and enema Trainer 8. Trauma life support 9. LAM I
1:30 PM – 4:00 PM (2.5 Hrs)	General Surgery 10. SCP - KIT Complete 11. Advance breast examination trainer Pediatrics 12. New Born Anne 13. Little Junior 14. Little Baby
4:00 PM- 4:30 PM (30 minutes)	Self practice by faculties using manikins Feedback and Closing

Day 4 (07.11.2014)	Emergency Medicine Centre
9:00 AM - 1:00 PM (4 Hrs)	Obstetrics and Gynecology 15. Advanced Gynaecological mode 16. Advanced Female Pelvic Trainer (New) 17. Urine Collection 18. Prompt Flex Standard 19. Maxie Birthie 20. Prompt Fetal & Cervical dilation and effacement 21. Episiotomy trainer
1:30 PM -4:00 PM (2.5 Hrs)	Sim Pad System using it for OSCE Sim Pad Plus ❑ Learning Application Software • Manual Mode Theme • Automatic Mode • Physiologist Patient Cases • Pre Programmed Scenarios • Debriefing Tools and Software ❑ Considerations ❑ Practice with Your System
4:00PM - 4:30 PM (30 minutes)	Self- practice by faculties using manikins Feed back and Closing

9.30 -1:00 PM (3.5 Hrs)	☐ Welcome and Introduction **SIM MAN 3G** ☐ Understanding System Components ☐ Simulator System Startup ☐ Simulator System Features (Break 15 Mins)
2.00 – 4.30 PM (2.5 Hrs)	☐ Simulator System Shut Down ☐ Essential Patient Monitor ☐ Learning Application Software • Manual Mode Tutorial • Automatic Mode • Physiological Patient Cases • Pre-Programmed Scenarios • Debriefing Tools and Software ☐ Considerations ☐ Practice with Your System (Break 15 Mins)
9.30 -1:00 PM (2.5 Hrs)	☐ Introduction to LLEAP ☐ Understanding Essential Simulation Terms ☐ Starting Simulation with LLEAP ☐ Manual Mode Operations ☐ Automatic Mode – Pre-programmed Scenarios ☐ Automatic Mode - Physiological Patient Cases (Break 15 Mins)
2.00 – 4.30 PM (2.5 Hrs)	☐ Teaching with LLEAP ☐ Session Viewer/ Sim View Module ☐ Using SimManwich LLEAP ☐ Considerations (Break 15 Mins)

The Educational course has recommended a weekly online meeting of the core committee members for improvement. It has been proposed that the core committee members shall meet every Wednesday at skill lab for one hour (11 AM to 12 PM) for the same.

It has also been proposed for now future that once new committee members have to be trained in house by the core committee members for better performance.

It has also been proposed to include one faculty from OBG department (Dr. Vandana) and one faculty from paediatric Department (Dr. A. Aparnaswaran) as core committee members

DEPARTMENT OF ANATOMY & MEU

A BRIEFREPORT ON VIRTUAL CME CONDUCTED ON 09.10.2021

A virtual CME entitled "Remembering Anatomy: Memory's secrets revealed" was conducted by Department of Anatomy and Medical Education Unit of Trichy SRM Medical College Hospital and Research Centre on 09.10.2021.

Four hundred and sixtyfour delegates participated in the virtual CME.

The inaugural function started at 9 am.

Dr. S.D. Nalinakumari, Professor & HOD of Anatomy welcomed the dignitaries, speakers, chairpersons and delegates.

Dr. S. Revwathy, Dean gave the presidential address.

Inaugural address was given by the Executive Director Dr. S. Raghupathy.

Keynote address was done by the Deputy Director Dr. N. Balasubramanian.

Dr. S. Ramesh Babu, Director - Medical Sciences delivered the special address.

Felicitation was done by Dr. R. Vijayakumaran, Medical Superintendent.

Dr. Kamala, Associate Professor &Coordinator - MEU proposed vote of thanks.

This was followed by lectures.

Dr. S.D. Nalinakumari, Professor & HOD of Anatomy gave a talk on "Exploring the topography of Memory". She explained the anatomy and detailed histology of Hippocampus and other structures related to memory.

Dr. Anbarasi, Professor, Dept. of Physiology, Chettinad Hospital & Research Institute, Kelambakkam explained the "Functional Path of Memory".

Dr. Kavitha, Consultant Neurologist, Velammal Medical College Hospital, Madurai delivered a lecture on "Problems along the pathway of memory – A neurologist purview".

This was followed by E- poster presentations. There were seven breakout rooms. Each group had 8 to 9 presentations and was chaired by two eminent Anatomists from prestigious institutions like AIIMS and JIPMER. Atotal of fifty nine e - posters were presented.

In the afternoon session, Dr. Guru T Arun, Specialist Radiologist, Hamad Medical Corporation and Clinical faculty, College of Medicine, Qatar University spoke on “Black and White of Memory – A Radiologist perspective”.

Dr. T.S. Gugapriya, Additional Professor of Anatomy, AIIMS, Nagpur delivered a lecture on “Nuances of remembering Anatomy for first year medical undergraduates”. It was an interactive session with first year MBBS students and faculties.

The CME was concluded with vote of thanks by Dr. M. Sivakumar, Professor of Anatomy.

Program schedule for of Revised Basic Course Workshop

Date: 06.10.2021 to 08.10.2021

Day 1				
Day Time	**Session**	**Objectives**	**Duration**	**Faculty**
9:00	Introduction: ice breaking and Group Dynamics	Understand and apply concepts of group dynamics and team based functioning in teaching and learning	60 minutes	Dr.A.Anupriya Dr.E.Kamala
10:00	System's Approach, Principles of adult learning, Learning process	a. Use principles of adult learning in the teaching learning process b. Use the system's approach for instructional design	75 minutes	Dr. S. Priya Banthavi
11.15	Tea break			
11:30	Goals, roles and Competencies: CBME*	a. define goals, roles and competencies and explain the relationship between each other b. elaborate the principles of competency based learning	45 minutes	Dr.K.Kanagasanthosh
12:15	The IMG – Goals, roles and Competencies	a. be sensitised to the goals, roles and global competencies as developed by the Medical Council of India	15 minutes	Dr.S.Revwathy
12:30	Learning domains and progression of learning	a. classify and define learning domains b. demonstrate a basic understanding of hierarchy of knowledge progression	30 minutes	Dr. S. Priya Banthavi
13:00	Lunch		45 minutes	
13:45	Objectives - Writing objectives - Developing objectives from competencies, linking learning and assessment with competencies*	a. differentiate competencies from objectives b. develop objectives from different competencies c. explain the relationship between objectives, learning and assessment	60 minutes	Dr.K.Sivakumar
14:45	Workshop on writing objectives*	a. develop objectives from competencies and specify the domain and the skill level	60 minutes	Dr.K.Sivakumar
15.45	Tea Break			
16:00	Introduction to assessment	a. elaborate the principles and types of assessment b. explain the utility of assessment	45 minutes	Dr.Nachal Annamalai
16:45	Closing			

*- use AETCOM Module and Revised UG Curriculum for this session

Day 3				
9:00	Discussion on AETCOM Module: Reflection and Narrative	a. demonstrate the ability to use the AETCOM module for Basic Course in MET to be held b. demonstrate the ability to write reflection & narrative on AETCOM Module c. demonstrate readiness to launch AETCOM module in own college	60 minutes	Dr.E.Kamala
10:00	Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment	choose the right assessment method for a given objective/ competency and learning method	60 minutes	Dr.K.Hemalatha
11.00	Tea Break		15 minutes	
11:15	Effective clinical and practical skill teaching	a. teach skills effectively b. teaching skills at the workplace c. use a skills lab effectively	60 minutes	Dr.M.Vijayakumar
12:15	Assessment of clinical and practical skills	a. assess skills effectively b. assess skills at the workplace c. use a skills lab to assess competency in skills d. design a skills assessment station	60 minutes	Dr. R.Kirubahar
13:15	Lunch		30 minutes	
13:45	Assessment of clinical skills (cont.)		60 minutes	Dr.M.Vijayakumar
14:45	Improving SDL through technology	a. promote self directed learning (SDL) in students b. use technology to improve self directed learning	30 minutes	Dr.R.Thamarai
15:15	Tea Break			
15:30	Feedback	provide effective feedback to students	30 minutes	Dr.V.Raghuram
16:00	Educational networking for growth	a. understand avenues for growth in education b. create networks in education	45 minutes	Dr.M.Prabha Thangaraj
16:45	Closing

Report on Revised Basic Course Workshop with Attitude, Ethics and Communication

The Revised Basic Course Workshop with training in attitude, ethics and communication was conducted from 06th to 08th October 2021, under the NMC appointed observership of Dr.T.Sivakami, Professor of Anatomy, Thanjavur Medical College, at Conference Hall, MEU, College block, Trichy SRM Medical College Hospital and Research Center.

Day 1:

The program started with an inaugural function and Dr.E.Kamala, Associate Professor, Anatomy and MEU Coordinator welcomed the gathering. Dr.S.Revwathy, the Dean of TSRMMCH delivered the Presidential address. The Inaugural address was delivered by Dr.S.Raghupathy, Executive Director, Trichy Campus. The Keynote address was delivered by Dr.N.Balasubramanian, Deputy Director, Trichy Campus. Special address was given by the Director of Medical Sciences, Dr.S.Ramesh Babu. The gathering was felicitated by Dr.D.Baba, Associate Dean -PG, Dr.R.Vijayakumaran, Medical Superintendent and Dr.P.Karthick, Additional Medical Superintendent. Dr.T.Sivakami, observer, NMC then addressed the participants and briefed them the activities of the forthcoming days. Vote of thanks was delivered by Dr.S.Priya Banthavi, Professor of Pathology.

1. Ice Breaking and Group dynamics

The workshop started with the topic on ice breaking and group dynamics. The session was conducted by Dr.E.Kamala and Dr.A.Anupriya. They made the faculty introduce the next person and brought in the concept of group dynamics by making the faculty do the space walk. The session was ended when the groups were asked to identify the answers to the riddles.

2. **Systems approach, learning styles and andragogy**

The session was conducted by Dr.S.Priya Banthavi. She introduced the principles behind group dynamic and enlightened the faculty about ADDIE model of systems approach. She then defined the various types of learner's and made the faculty identify to which category they belong. Introducing the adult learning principles, she made the faculty do a group activity and find out the various features of adult learning.

3. **Goal roles and competencies & The IMG – Goals, roles and competencies**

Dr.K.Kanagasanthosh delivered this session to the participants. He defined the goals, roles and competencies and explain the relationship between each other with appropriate examples. Dr.S.Revwathy elaborated the principles of competency-based learning. With the help of the UG curriculum books she demonstrated the usage of the UG curriculum book. A group activity to sort out a list of goals, roles and competencies was also done.

4. **Learning domains and progression of learning**

Dr.S.Priya Banthavi conducted this topic of the program. She defined and classified the learning domains using various examples and activities. She also demonstrated the ways to understand the hierarchy of knowledge progression.

5. **Objectives – Writing objectives – Developing objectives from competencies, linking learning and assessment with competencies & Workshop on writing objectives**

This post lunch session was handles by Dr.K.Sivakumar. He demonstrated the difference between competencies from objectives. He also showed the participants the way to develop objectives for a different type of competencies. Dr.K.Sivakumar then explained the relationship between objectives, learning and assessment. Using the demonstrations, the participants then were made to build objectives for the competencies based on Jaundice and Anemia.

6. **Introduction to assessment**

After a short tea break the session on introduction to assessment was conducted by Dr.Nachal Annamalai. She elaborated on the principles and types of assessment. She also explained the Utility of assessment in CBME.

The day ended with collection of feedback for the first day of the program

Day 2:

The first session of the day was repertoire session. One participant from each group gave the gist of the happenings of the previous day. Dr.E.Kamala summarized the feedback given by the participants and gave rectifications of the same

1. **Choosing teaching method for objectives and competencies – Workshop**

The first session of the day was hands on training for the participants. They were asked to choose an ideal teaching learning method to educate the students for the objectives that was built the previous day and construct lesson plan for the same. This workshop was led by Dr.E.Kamala.

2. **Interactive and innovative teaching methods**

a. Large group teaching: Dr.M.Vijayakumar in this session demonstrated the ways to use principles of interactive learning in a large group. He also demonstrated various types in which interactive teaching can be done for a large group of students.

b. Small group teaching: Dr.S.Priya Banthavi employed many small group teaching methods like Jigsaw, Fish bowl technique and buzz group and demonstrated the ways to employ interactive learning in a small group.

c. Appropriate use of media: Dr.R.Suganya made the groups do a SWOC analysis of the various available media. She gave guidelines regarding the ways to choose appropriate media for a given learning session.

3. **Writing a lesson plan**

The session was conducted by Dr.S.Sivaraman. He demonstrated the technique to develop a lesson plan appropriate to the objectives and teaching learning method chosen. He also made each group develop a lesson plan for the teaching method chosen in the workshop earlier in the day.

4. **Assessment planning and quality assurance, writing the correct essay question, short answer question and MCQ.**

After a brief lunch break, the post lunch session was dealt by Dr.R.Suganya. She showed the participants the methods to choose and construct structured essay questions and structured short answer questions. Dr.A.Anupriya described the various parts of MCQ and made the participants evaluate and build an MCQ.

5. **Internal assessment and formative assessment**

The last session of the day was conducted by Dr.K.Hemalatha. She informed the participants regarding the differences between internal and formative assessment and stressed on the importance of both in CBME curriculum. She also showed the way the develop a plan for internal assessment and formative assessment.

Day 3:

The day begun with repertoire report of the previous day and analysis of feedback by Dr.E.Kamala

1. **Discussion on AETCOM Module: Reflection and narrative:**

The first session of the day was dealt by Dr.E.Kamala. She demonstrated the ways the AETCOM module book needs to be used by the faculty. She made the groups demonstrate their planning and execution of various topics in the book for 4.different phase. She discoursed the way a reflection needs to be written. By the end of the session, the participants accepted and were ready to launch AETCOM module in the college

2. **Matching assessment to competency, objectives and learning to choosing the right assessment.**

The right assessment method for given objective/competency and learning method. One faculty form each group delivered the discussions that happened in the group and the other groups commented on this.

3. **Effective clinical and practical skill teaching**

Dr.M.Vijayakumar delivered this topic. He spoke on how the clinical skills can be taught effectively using conventional, innovative and generic methods, skills lab, virtual reality etc. He also demonstrated skills can be taught in a workplace setup. Finally, he took the participants to skills lab and showed the use of skills lab.

4. **Assessment of clinical and practical skills**

Dr.R.Kirubahar and Dr.M.Vijayakumar in this session demonstrated the ways to conduct assessment of the practical and clinical skills, both in teaching an workplace set up. He also made the participants create assessment plans for various domains using skills lab and the methods to design skills assessment station.

5. **Improving SDL through technology**

Dr.R.Thamarai in this session discussed the various methods to promote self-directed learning in students. She also showed how technology can be used to improve self-directed learning.

6. **Feedback.**

Dr.V.Raghuram in this session discussed and demonstrated the various techniques employed in providing and receiving effective feedback to and from students respectively.

7. **Education networking for growth**

The last session of the workshop was conducted by Dr.M.Prabha Thangaraj. She made the participants understand the different avenues for the ways in which a faculty can develop their growth in education. She also described the procedures to create and maintain networks in education.

The program was brought to an end with the Dean awarded the participants, resource person and the observer with certificate.

Revised Basic Course Workshop

Date: 06.10.2021 to 08.10.2021

Name of the Program
Revised Basic Course workshop
Type of the Program
Workshop
Conducted by
MEU Team, Trichy SRM Medical College hospital and Research Centre
Date
06/10/2021 to 08/10/2021
Venue
MEU Conference hall
Target Audience
Faculties from clinical and Non clinical departments
Number of participants attended
28
Program Observer
Dr. T. Sivakami, Professor of Anatomy from Tanjavur Medical College, Tanjavur
Credit points/ hours
Activities conducted in the Program

Scientific session:

Day 1

- Introduction: ice breaking and Group Dynamics
- System's Approach, Principles of adult learning, Learning process
- Goals, roles and Competencies: CBME*
- The IMG – Goals, roles and Competencies
- Learning domains and progression of learning
- Objectives - Writing objectives - Developing objectives from competencies, linking learning and

FEEDBACK REPORT

assessment with competencies*

- Workshop on writing objectives*
- Introduction to assessment

Day 2

- Choosing a teaching method for objectives and competencies – Workshop
- Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media
- Writing a lesson plan
- Assessment planning*and quality assurance, Writing the correct essay question, short answer question and MCQ
- Internal assessment and Formative assessment

Day 3

- Discussion on AETCOM Module: Reflection and Narrative
- Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment
- Effective clinical and practical skill teaching
- Assessment of clinical and practical skills
- Assessment of clinical skills (cont.)
- Improving SDL through technology
- Feedback
- Educational networking for growth

Feedback analysis/ interpretation

Feedback forms for the Revised Basic Course Workshop were shared with the participants and the analysis of feedback was done through a conventional manual content analysis approach.

Day wise feedback:

Day 1 (6/10/2021)

Excellent presentation with content, Clear idea of assessment, vibrant speakers, Group activities, interactive approach, informative contents, friendly approach of resource persons, innovative tasks, clarity of contents, enthusiasm of resource persons, explanation with examples, group work, efforts for making the participants understand, thought provocative, good explanation, asking doubts, Re-emphasizing, simple explanations, innovative methods **were considered as good** by the participants about the sessions.

Adequate time for group activities, avoiding overlapping contents, sticking to time, more time for interaction, giving more importance to practical examples, more interest provoking, avoiding complex terminologies **were considered by participants for betterment of sessions.**

Day 2 (7/10/2021)

Informative with excellent contents, energetic resource persons, specific tasks, engaging activities, more illustrations, covering the essentials, more planned contents, use of exit tickets, fish bowl technique usage, practical examples, addressing grey areas, active resource persons **were considered as good** by the participants about the sessions.

Avoiding gender specific examples, more set induction, more explanation on problem solving exercise, avoiding fast forward of slides, avoiding lengthy discussions, little more fun, prior information before group activities to avoid confusion, **were considered by participants for betterment of sessions.**

Day 3 (8/10/2021)

Good explanation on AETCOM, participative tasks, more emphasize on contents, in depth explanation of contents, quality of slides, specific clarifications, clear explanation of basics of CBME, creating interest among

FEEDBACK REPORT

participants, more satisfactory presentations, elaborative examples **were considered as good** by the participants about the sessions.

More time for tasks, applicability in present situation, giving materials specific to sessions well ahead, Covering ethics in detail, avoiding fast closure **were considered by participants for betterment of sessions.**

Summary

Overall the entire workshop went on as per the planned schedule and no hassles were reported. Lots of questions were raised by the participants and the speakers efficiently addressed those questions. Almost all the participants were satisfied with the sessions covered in the workshop. Moreover majority of them have told that there was adequate time for discussion. Participants were satisfied about excellent technical arrangements of the workshop. The overall strengths of this workshop were resource persons, MEU team, content of the sessions, and use of interactive & innovative methods. Participants also gave individual suggestions in terms of allotting more time for group activities for the betterment of sessions.

PANEL DISCUSSION ON PSYCHOCUTANEOUS DISORDERS

DATE: 23/8/2021 2 PM

VENUE: Dr BC Roy Hall

Chairperson : Dr.N.Balasubramanian , Professor and HOD,Department of Dermatology

Moderator: Dr. S.Sivaraman, Professor and HOD,Department of Psychiatry

Panelists: Dr. G.Prabhakaran, Professor, Department of Psychiatry

Dr.K.Ronald Roy, Assisstant Professor, Department of Psychiatry

Dr.Sivakumar, Professor and HOD,Department of General medicine

Dr. Kamala, Co-Ordinator, Medical education unit

Dr. R.S. Seethalakshmi, Senior Resident, Department of Dermatology

Dr. K.Akila, Senior Resident, Department of Dermatology

The interdepartmental panel discussion provides an opportunity for enhanced efforts and renewed commitment towards undergraduate and postgraduate education. Hence such an event was initiated for the benefit of the students on behalf of the department of dermatology by Professor and HOD Dr.N.Balasubramanian. The idea was well planned by Professor Dr.Sivaraman., HOD,Department of Psychiatry. The Professor and HOD of Medicine Dr. Sivakumar was invited over to share his thoughts as panelist. The show was monitored by MEU Co-ordinator Dr.Kamala who also shared her inputs regarding betterment.

The session was chaired by Dr.N. Balasubramanian and moderated by Dr. Sivaraman who systematically laid his views and questions to the panelists. In the panel Dr.R.S.Seethalakshmi and Dr. K.Akila presented the clinical data and experience of their dermatology department which was then opened for discussion by other panel members.

Similarly Dr.Ronald Roy and Professor, Dr.Prabhakaran discussed the psychiatric presentations in their experience. The Chairperson ended each topic with his clinical expertise. The moderator ended the session with a thought provoking research point of view.

It was an open panel discussion wherein the students actively participated and clarified their queries directly to the speakers. Totally 85 students – Post graduate and undergraduate attended the session and got benefitted from a live interactive session.

Program schedule for of Revised Basic Course Workshop

Date: 10.08.2021 to 12.08.2021

Day 1				
Day Time	**Session**	**Objectives**	**Duration**	**Faculty**
9:00	Introduction: ice breaking and Group Dynamics	Understand and apply concepts of group dynamics and team based functioning in teaching and learning	60 minutes	Dr. S. Priya Banthavi Dr.A.Anupriya
10:00	System's Approach, Principles of adult learning, Learning process	a. Use principles of adult learning in the teaching learning process b. Use the system's approach for instructional design	75 minutes	Dr. S. Priya Banthavi
11.15	Tea break			
11:30	Goals, roles and Competencies: CBME*	a. define goals, roles and competencies and explain the relationship between each other b. elaborate the principles of competency based learning	45 minutes	Dr.S.Sivaraman
12:15	The IMG – Goals, roles and Competencies	a. be sensitised to the goals, roles and global competencies as developed by the Medical Council of India	15 minutes	Dr.S.Revwathy
12:30	Learning domains and progression of learning	a. classify and define learning domains b. demonstrate a basic understanding of hierarchy of knowledge progression	30 minutes	Dr.V.Raghuram
13:00	Lunch		45 minutes	
13:45	Objectives - Writing objectives - Developing objectives from competencies, linking learning and assessment with competencies*	a. differentiate competencies from objectives b. develop objectives from different competencies c. explain the relationship between objectives, learning and assessment	60 minutes	Dr.K.Sivakumar
14:45	Workshop on writing objectives*	a. develop objectives from competencies and specify the domain and the skill level	60 minutes	Dr.K.Sivakumar
15.45	Tea Break			
16:00	Introduction to assessment	a. elaborate the principles and types of assessment b. explain the utility of assessment	45 minutes	Dr.M.Vijayakumar
16:45	Closing			

*- use AETCOM Module and Revised UG Curriculum for this session

Day 2				
9:00	Choosing a teaching method for objectives and competencies – Workshop	choose the appropriate teaching method for various objectives and competencies	90 minutes	Dr.Nachal Annamalai
10.30	Tea Break			
10:45	Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media	a. use the principles of interactive learning in a large group b. use the principles of interactive learning in a small group c. choose appropriate media for a given learning session	105 minutes	Dr.Veena J.S Dr. S. Priya Banthavi Dr.R.Suganya
12:30	Writing a lesson plan	develop a lesson plan appropriate to the objectives and teaching learning method	45 minutes	Dr.A.Anupriya
13:15	Lunch		45 minutes	
14:00	Assessment planning*and quality assurance, Writing the correct essay question, short answer question and MCQ	a. write an appropriate essay question b. write an appropriate short answer question c. write an appropriate MCQ	120 minutes	Dr.R.Suganya Dr.A.Anupriya
16:00	Tea break		15 minutes	
16:15	Internal assessment and Formative assessment	develop a plan for internal assessment and formative assessment	40 minutes	Dr. A.Velayutharaj

* use AETCOM module and Revised UG Curriculumfor this session

Day 3				
9:00	Discussion on AETCOM Module: Reflection and Narrative	a. demonstrate the ability to use the AETCOM module for Basic Course in MET to be held b. demonstrate the ability to write reflection & narrative on AETCOM Module. c. demonstrate readiness to launch AETCOM module in own college	60 minutes	Dr.A.Anupriya
10:00	Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment	choose the right assessment method for a given objective/ competency and learning method	60 minutes	Dr.K.Sivakumar
11.00	Tea Break		15 minutes	
11:15	Effective clinical and practical skill teaching	a. teach skills effectively b. teaching skills at the workplace c. use a skills lab effectively	60 minutes	Dr.P.Karthick
12:15	Assessment of clinical and practical skills	a. assess skills effectively b. assess skills at the workplace c. use a skills lab to assess competency in skills d. design a skills assessment station	60 minutes	Dr. R.Kirubahar Dr.M.Vijayakumar
13:15	Lunch		30 minutes	
13:45	Assessment of clinical skills (cont.)		60 minutes	Dr. R.Kirubahar
14:45	Improving SDL through technology	a. promote self directed learning (SDL) in students b. use technology to improve self directed learning	30 minutes	Dr.R.Thamarai
15:15	Tea Break			
15:30	Feedback	provide effective feedback to students	30 minutes	Dr.S.Revwathy
16:00	Educational networking for growth	a. understand avenues for growth in education b. create networks in education	45 minutes	Dr.M.Prabha Thangaraj
16:45	Closing

Report on Revised Basic Course Workshop with Attitude, Ethics and Communication

The Revised Basic Course Workshop with training in attitude, ethics and communication was conducted from 10th to 12th August 2021, under the NMC appointed observership of Dr.R.Padmavathi, Professor of Physiology, Sri Ramachandra Medical College & Research Institute, at Conference Hall, MEU, College block, Trichy SRM Medical College Hospital and Research Center.

Day 1:

The program started with an inaugural function and Dr.S.Priya Banthavi, Professor, Pathology and MEU member welcomed the gathering. Dr.S.Revwathy, the Dean of TSRMMCH delivered the Presidential address. The Inaugural address was delivered by Dr.S.Raghupathy, Executive Director, Trichy Campus. The Keynote address was delivered by Dr.N.Balasubramanian, Deputy Director, Trichy Campus. Special address was given by the Director of Medical Sciences, Dr.S.Ramesh Babu. The gathering was felicitated by Dr.D.Baba, Associate Dean –PG and Dr.R.Vijayakumaran, Medical Superintendent. Dr.R.Padmavathi, observer, NMC then addressed the participants and briefed them the activities of the forthcoming days. Vote of thanks was delivered by Dr.A.Anupriya, Associate Professor of Microbiology.

1. Ice Breaking and Group dynamics

The workshop started with the topic on ice breaking and group dynamics. The session was conducted by Dr.S.Priya Banthavi and Dr.A.Anupriya. They made the faculty introduce the next person and brought in the concept of group dynamics by making the faculty do the space walk. The session was ended when the groups were asked to identify the answers to the riddles.

2. **Systems approach, learning styles and andragogy**

The session was conducted by Dr.S.Priya Banthavi. She introduced the principles behind group dynamic and enlightened the faculty about ADDIE model of systems approach. She then defined the various types of learner's and made the faculty identify to which category they belong. Introducing the adult learning principles, she made the faculty do a group activity and find out the various features of adult learning.

3. **Goal roles and competencies & The IMG – Goals, roles and competencies**

Dr.S.Sivaraman delivered this session to the participants. He defined the goals, roles and competencies and explain the relationship between each other with appropriate examples. Dr.S.Revwathy elaborated the principles of competency-based learning. With the help of the UG curriculum books she demonstrated the usage of the UG curriculum book. A group activity to sort out a list of goals, roles and competencies was also done.

4. **Learning domains and progression of learning**

Dr.V.Raghuram conducted this topic of the program. He defined and classified the learning domains using various examples and activities. He also demonstrated the ways to understand the hierarchy of knowledge progression.

5. **Objectives – Writing objectives – Developing objectives from competencies, linking learning and assessment with competencies & Workshop on writing objectives**

This post lunch session was handles by Dr.K.Sivakumar. He demonstrated the difference between competencies from objectives. He also showed the participants the way to develop objectives for a different type of competencies. Dr.K.Sivakumar then explained the relationship between objectives, learning and assessment. Using the demonstrations, the participants then were made to build objectives for the competencies based on Jaundice and Anemia.

6. **Introduction to assessment**

After a short tea break the session on introduction to assessment was conducted by Dr.M.Vijayakumar. He elaborated on the principles and types of assessment. He also explained the Utility of assessment in CBME.

The day ended with collection of feedback for the first day of the program

Day 2:

The first session of the day was repertoire session. One participant from each group gave the gist of the happenings of the previous day. Dr.S.Priya Banthavi summarized the feedback given by the participants and gave rectifications of the same

1. **Choosing teaching method for objectives and competencies – Workshop**

The first session of the day was hands on training for the participants. They were asked to choose an ideal teaching learning method to educate the students for the objectives that was built the previous day and construct lesson plan for the same. This workshop was led by Dr.Nachal Annamalai.

2. **Interactive and innovative teaching methods**

a. Large group teaching: Dr.J.S.Veena in this session demonstrated the ways to use principles of interactive learning in a large group. She also demonstrated various types in which interactive teaching can be done for a large group of students.

b. Small group teaching: Dr.S.Priya Banthavi employed many small group teaching methods like Jigsaw, Fish bowl technique and buzz group and demonstrated the ways to employ interactive learning in a small group.

c. Appropriate use of media: Dr.R.Suganya made the groups do a SWOC analysis of the various available media. She gave guidelines regarding the ways to choose appropriate media for a given learning session.

3. **Writing a lesson plan**

The session was conducted by Dr.A.Anupriya. She demonstrated the technique to develop a lesson plan appropriate to the objectives and teaching learning method chosen. She also made each group develop a lesson plan for the teaching method chosen in the workshop earlier in the day.

4. **Assessment planning and quality assurance, writing the correct essay question, short answer question and MCQ.**

After a brief lunch break, the post lunch session was dealt by Dr.R.Suganya. She showed the participants the methods to choose and construct structured essay questions and structured short answer questions. Dr.A.Anupriya described the various parts of MCQ and made the participants evaluate and build an MCQ.

5. **Internal assessment and formative assessment**

The last session of the day was conducted by Dr.A.Velayutharaj. He informed the participants regarding the differences between internal and formative assessment and

stressed on the importance of both in CBME curriculum. He also showed the way the develop a plan for internal assessment and formative assessment.

Day 3:

The day begun with repertoire report of the previous day and analysis of feedback by Dr.S.Priya Banthavi

1. **Discussion on AETCOM Module: Reflection and narrative:**

The first session of the day was dealt by Dr.A.Anupriya. She demonstrated the ways the AETCOM module book needs to be used by the faculty. She made the groups demonstrate their planning and execution of various topics in the book for 4 different phase. She discoursed the way a reflection needs to be written. By the end of the session, the participants accepted and were ready to launch AETCOM module in the college

2. **Matching assessment to competency, objectives and learning to choosing the right assessment.**

The right assessment method for given objective/competency and learning method. One faculty form each group delivered the discussions that happened in the group and the other groups commented on this.

3. **Effective clinical and practical skill teaching**

Dr.P.Karthick delivered this topic. He spoke on how the clinical skills can be taught effectively using conventional, innovative and generic methods, skills lab, virtual reality etc. He also demonstrated skills can be taught in a workplace setup. Finally, he took the participants to skills lab and showed the use of skills lab.

4. **Assessment of clinical and practical skills**

Dr.M.Vijayakuamr and Dr.R.Kirubahar in this session demonstrated the ways to conduct assessment of the practical and clinical skills, both in teaching an workplace set up. He also made the participants create assessment plans for various domains using skills lab and the methods to design skills assessment station.

5. **Improving SDL through technology**

Dr.R.Thamarai in this session discussed the various methods to promote self-directed learning in students. She also showed how technology can be used to improve self-directed learning.

6. **Feedback.**

Dr.S.Revwathy in this session discussed and demonstrated the various techniques employed in providing and receiving effective feedback to and from students respectively.

7. **Education networking for growth**

The last session of the workshop was conducted by Dr.M.Prabha Thangaraj. She made the participants understand the different avenues for the ways in which a faculty can develop their growth in education. She also described the procedures to create and maintain networks in education.

The program was brought to an end with the Dean awarded the participants, resource person and the observer with certificate.

ACTIVITY : SEMINAR ON CLINICAL APPROACH TO AIDS MANAGEMENT

DATE: 2/12/2021 2- 4 PM

VENUE: Dr BC Roy Hall

CHAIRPERSON : Dr.N.Balasubramanian , Professor and HOD, Department of Dermatology

SPEAKER & CHIEF GUEST: Dr.Vasuki M.D[S.T.D].,D.G.O Professor and HOD, Department of Dermatovenereology, K.A.P.V Government Medical College, Trichy

TOPIC: Clinical approach to AIDS and management

DIGNITORIES: Dr.N.Balasubramanian ,Professor&HOD, Department of Dermatology

Dr.P.Karthick, Additional Medical Superintendent,Trichy SRMCH&RC

Dr.K.Kanagasanthosh, Secretary, IMA SRM Irungalur

Dr. Kamala, Co-Ordinator, Medical education unit

Dr.Santham Sweet Rose, Principal, SRM Trichy college of Nursing

PARTICIPANTS: 32 faculties of various Department Doctor's in Trichy SRM campus attended the session including Trichy SRM Medical College Hospital and Research Centre, AHS Courses, SRM Trichy College of Nursing.

PROGRAMME DETAILS:

Every year, on 1 December, World AIDS Day is observed. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

Forty years since the first AIDS case was reported, HIV still threatens the world. Today, the world is off track from delivering on the shared commitment to end AIDS by 2030 not because of a lack of knowledge or tools to beat AIDS, but because of structural inequalities that obstruct proven solutions to HIV prevention and treatment.

Department of Dermatology,Venereology and Leprology on concordance with the medical education unit conducted events to commemorate the World AIDS day.Of which on stage and off stage events were planned as follows:

On the 2nd December 2021, afternoon 2-4pm events took place in Dr.B.C.Roy hall. The program started with Thamil Thaai Vazhuthu.Dr. Dr.M.Bandhala Rajan, Assistant Professor, Dept of DVL, welcomed the gathering.The chief guest was honoured and felicitated with a momento by the Additional Medical Superintendent, Dr.P.Karthick who then addressed the gathering. SRM IMA Irungalur Secretary- Dr.K.Kanagasanthosh, Medical education unit Co-Ordinator- Dr. Kamala and Dr.Santham Sweet Rose, SRM Trichy college of Nursing felicitated the speakers.

The scientific session started with the chairperson Dr.N.Balasubramanian ,(Professor&HOD, Department of Dermatology) speech. Sir introduced the speaker and gave a brief talk on approach to AIDS.

The chief guest & speaker Dr.Vasuki M.D[S.T.D].,D.G.O Professor and HOD, Department of Dermatovenereology, K.A.P.V Government Medical College, Trichy then gave an enlightening speech on Clinical approach to AIDS and management. The session was very informative for all the students who attended.

As a mark of respect to show our combined effort to end AIDS we had planned and executed multiple activities for Trichy SRM campus on behalf of Department of Dermatology, Venereology and Leprology Department, Trichy SRM medical college and Reseach center.

S.no	DATE	EVENT	COLLEGE	TOPIC
1)	29/11/21	Quiz	MBBS	HIV
2)	30/11/21	Speech competition	Nursing college	"Ending the inequalities"

3)	26/11/21	Essay competition	Arts and science college	"எய்ட்ஸ்ஒழிப்பில் மாணவர்களின் பங்கு"

Above events were conducted as per schedule and winners selected for 2 prizes in each category who were awarded on the **WORLD AIDS DAY** event on 2/12/2021 by the dignitaries. The winners of the speech competition, Ms Aslin Benisha and Ms Keerthana, students of the SRM Trichy college of Nursing gave their winning speech on stage which was enthusiastic and was highly appreciated by the gathering.

Dr.R.S.Seethalakshmi, Senior Resident, Dept of DVL thanked the gathering.

The meeting was followed by high tea.

Meeting ended with National Anthem.

"DIABETES MANAGEMENT UPDATE CME "– REPORT

CONDUCTED IN COMMEMORATION OF 'WORLD DIABETES DAY' 2021

INTRODUCTION:

On view of the importance of updating knowledge in Diabetes – A CME on Management of Diabetes Update was conducted on 18th November 2021 by the Department of Medicine and Medical Education Unit. Institutional permission was obtained. The purpose of this programme is to update the knowledge on recent breakthrough in the management of Diabetes. Faculties of various department, Postgraduates and Final MBBS Part II Undergraduates participated in the programme. Reputed speakers in the field of Diabetes and General Physicians were invited to deliver the lecture on different aspects of Diabetes management.

DOCUMENTATION:

Registration: 8.30-9.00 AM

Inauguration:

Programme started at 9.00AM

Inauguration started with Tamil anthem and Physician Prayer at 9.00AM.

Lightening the Kuthuvizhaku at 9.00am by Dr.N.Balasubramanian, Dr.S.Revwathy, Dr.S.Ramesh Babu,Dr.K.Sivakumar,Dr.S.Vivek Sundaram,.

Welcome address was given by Dr.K.Sivakumar HOD Department of Medicine. He welcomed all the dignitaries and students for the programme. He extended his thanks to all the guest speakers. He introduced the theme of world diabetes day 2021-access to diabetes care to all. He told the importance of observing world diabetes day and conducting of this programme on diabetes management.

Dr.Revwathy, Dean – She enlightened the importance of updating diabetes knowledge to improve our standard of patient care and congratulate the department of General Medicine for conducting the programme.

Dr.N.Balsubramanian, Deputy Director – He emphasized the need of updating the knowledge in management of diabetes as it is highly prevalent in our countrary and this CME will help us to know some new development in the field of Diabetes.

Dr.Ramesh Babu, told the audience the reason for choosing for observing World Diabetes Day on November 14th every year and explained this year theme of ‘’access to diabetes care to all”’.

Inauguration was followed by prize distribution by the Dean, Deputy Director and Director of Medical Science to the winners of Cardiac Quiz conducted by the department of General Medicine.

Students who made short film on Diabetes awareness were honoured by cash prize of Rs.1000 by HOD General Medicine.

Inauguration ended by 9.20am.

SCIENTIFIC SESSION:

Started by 9.20 am.

DR. VIVEK SUNDARAM

Sir started his speech by enlightning the need of newer therapy in diabetic care.

He emphasized about the newer class of drug SODIUM DEPENDENT GLUCOSE TRANSPORTER 2 INHIBITOR. He explained this group of drug used as adjuvant therapy to have better glycemic control. This class of drug decrease HbA1C level by 0.6 to0.12%. it also helps in reduce blood pressure by 4 to 5 mmhg and reduce weight by 3 to 4kg,. He also asked physicians to use this class of drug in caution with patients on diuretics. He also pointed out that patient more prone for lactic acidosis, urinary tract infections. Use of this agent should be consider as adjuvant therapy for better glycemic control and dyslipidemia.

Dr.N.S.Prasad M.D,Diploma Diab.:

Sulfonylureas are insulin secretogogues that acts directly on beta cells of Langerhans of pancreas.Insulin released in two phases ,first phase is immediate and second phase is after10minutes.,second generation is more potent,notably glibenclamide,(=glyburide),gliclazide,glipizide and glimepiride.They can be additive to insulin therapy by decreasing SC insulin dose required,by stimulating endogenous insulin.It lowers Fasting plasma glucose by 36mg/dl to 72mg/gl equating to HBA1C of 1-2%.Due to

anabolic effects it cause weight gain of 1-4 kg.Micronised formulation of glibenclamide(glyburide) increases rate of absorption ,longer acting (ER) formulation of glipizide and Modified release (MR)of Gliclazide helps in once daily dosing.30mg of MR Gliclazide gives similar efficacy to 80mg of unmodified Gliclazide. And reduces risk of hypoglycemia.Sulfonyureas should be avoided in myocardial infarction as it interferes with ischemic preconditioning and increases vascular contractility causing increased cardiac mortality.Gliclazide is safer in CKD stage 1,2,3 (eGFR>30) in terms of hypoglycemia.

Dr.V.Ravindranath:

He emphasised the New generation insulin analogue offer flexibility and reduce the daily burden of diabetic care. He explained the advantage of Ultralong acting insulin that it reduces the number of injections and also reduces the risk of hypoglycaemia by releasing insulin in a steady manner without peak.

Ultra short acting insulin offer glycemic control around meal time.

Sir Listed about short acting insulin aspart and lispro with duration of action 2 to 4 hrs.

Ultralong acting are degludec and detemir with duration of action up to 24 to 48 hrs.

Dr.M.Shanmugavelu:

The GLP-1 RA s are based on the pleiotropic effects of the native gut hormones GLP-1 ,the target a broad spectrum of the multipacked pathophysiology of tye 2DM.In 2005 ,the GLP-1 RA were introduced into clinical practice and since they have been part of joint position statement on treatment of type 2 DM by the European association for the study of diabetes and the American Diabetes Association . It improve glucose homeostasis with low risk of hypoglycemia combines with a nobody weight loss with beneficial effects by reducing cardiovascular events.The first strategy is based on the naturally occurring from the saliva of lizard Heloderma suspectum.Short acting agent (<24hrs) Exenatide,Lixisenatide,Liraglutide.Long acting agents.(>24 hrs) Dulaglutide,Albiglutide,Exenatidel of fatty liver. He pointed out that more pipe line drugs are on phase 3 trial to come to the clinical practice in near future with very good effects on

preventing the progression of fatty liver and its ill effects. He clearly explained the action of various drugs in relation to the pathogenesis of fatty liver.

After Lunch, Diabetes Quiz was conducted by Dr.Prabhaharan, Assistant Professor. Twenty questions were asked. Every students are allowed to participate in the quiz. Prize money of rupees fifty was awarde to the students who gave correct responses to the questions asked.

The day was complete. A sense of gratification filled the hall. Dr.N.Nallathambi Registrar proposed the vote of thanks. An event to remember and cherish.

The Educational fest ended with the National Anthem.

SCIENTIFIC SESSION:

Started by 9.20 am.

DR. VIVEK SUNDARAM

Sir started his speech by enlightning the need of newer therapy in diabetic care.

He emphasized about the newer class of drug SODIUM DEPENDENT GLUCOSE TRANSPORTER 2 INHIBITOR. He explained this group of drug used as adjuvant therapy to have better glycemic control. This class of drug decrease HbA1C level by 0.6 to0.12%. it also helps in reduce blood pressure by 4 to 5 mmhg and reduce weight by 3 to 4kg,. He also asked physicians to use this class of drug in caution with patients on diuretics. He also pointed out that patient more prone for lactic acidosis, urinary tract infections. Use of this agent should be consider as adjuvant therapy for better glycemic control and dyslipidemia.

Dr.N.S.Prasad M.D,Diploma Diab.:

Sulfonylureas are insulin secretogogues that acts directly on beta cells of Langerhans of pancreas.Insulin released in two phases ,first phase is immediate and second phase is after10minutes.,second generation is more potent,notably glibenclamide,(=glyburide),gliclazide,glipizide and glimepiride.They can be additive to insulin therapy by decreasing SC insulin dose required,by stimulating endogenous insulin.It lowers Fasting plasma glucose by 36mg/dl to 72mg/gl equating to HBA1C of 1-2%.Due to

anabolic effects it cause weight gain of 1-4 kg.Micronised formulation of glibenclamide(glyburide) increases rate of absorption ,longer acting (ER) formulation of glipizide and Modified release (MR)of Gliclazide helps in once daily dosing.30mg of MR Gliclazide gives similar efficacy to 80mg of unmodified Gliclazide. And reduces risk of hypoglycemia.Sulfonyureas should be avoided in myocardial infarction as it interferes with ischemic preconditioning and increases vascular contractility causing increased cardiac mortality.Gliclazide is safer in CKD stage 1,2,3 (eGFR>30) in terms of hypoglycemia.

Dr.V.Ravindranath:

He emphasised the New generation insulin analogue offer flexibility and reduce the daily burden of diabetic care. He explained the advantage of Ultralong acting insulin that it reduces the number of injections and also reduces the risk of hypoglycaemia by releasing insulin in a steady manner without peak.

Ultra short acting insulin offer glycemic control around meal time.

Sir Listed about short acting insulin aspart and lispro with duration of action 2 to 4 hrs.

Ultralong acting are degludec and detemir with duration of action up to 24 to 48 hrs.

Dr.M.Shanmugavelu:

The GLP-1 RA s are based on the pleiotropic effects of the native gut hormones GLP-1 ,the target a broad spectrum of the multipacked pathophysiology of tye 2DM.In 2005 ,the GLP-1 RA were introduced into clinical practice and since they have been part of joint position statement on treatment of type 2 DM by the European association for the study of diabetes and the American Diabetes Association . It improve glucose homeostasis with low risk of hypoglycemia combines with a nobody weight loss with beneficial effects by reducing cardiovascular events.The first strategy is based on the naturally occurring from the saliva of lizard Heloderma suspectum.Short acting agent (<24hrs) Exenatide,Lixisenatide,Liraglutide.Long acting agents.(>24 hrs) Dulaglutide,Albiglutide,Exenatidel of fatty liver. He pointed out that more pipe line drugs are on phase 3 trial to come to the clinical practice in near future with very good effects on

preventing the progression of fatty liver and its ill effects. He clearly explained the action of various drugs in relation to the pathogenesis of fatty liver.

After Lunch, Diabetes Quiz was conducted by Dr.Prabhaharan, Assistant Professor. Twenty questions were asked. Every students are allowed to participate in the quiz. Prize money of rupees fifty was awarde to the students who gave correct responses to the questions asked.

The day was complete. A sense of gratification filled the hall. Dr.N.Nallathambi Registrar proposed the vote of thanks. An event to remember and cherish.

The Educational fest ended with the National Anthem.

WORLD COPD DAY 2021 SEMINAR REPORT

The Integrated seminar in COPD updates held on 17.11.2021 at 2pm in the Dr. B.C.Roy hall, 2nd Floor, hospital block. Around 150 participant attended the programme.

The meeting was presided by our chairman Dr. R.Shiva Kumar MD, PhD, Dr. V.Sendhil MD (consultant Interventional pulmonologist, ABC Hospital, Trichy), Dr.PH.Santhosh Kumar MD., Professor & HOD, Respiratory Medicine conducted the proceeding.

The welcome address was done by Dr.PH.Santhosh Kumar, MD, Professor & HOD, Respiratory Medicine, The special address was delivered by Dean Dr. S.Revathy, MD, DGO, DNB.

The scientific session started by 2.00pm. 1st speaker from the department of Respiratory Medicine, Assistant Professor Dr. R.Raj Thilak deserved a speech as overview of COPD.

The session 2 was by Dr. V.Senthil MD., Consultant Interventional Pulmonologist, ABC Hospital, Trichy who highlighted the pharmacotherapy & Recent updates in medical management of COPD followed by which the final topic of agenda was delivered by Dr. R.Velraj MD, Associate Professor, about New pharmacological & Surgical Management of COPD.

As a token of Gratitude the department of Respiratory Medicine facilitated the speaker of the day with memorable momentums.

The Integrated seminar program came to a close with vote of thanks presented by Dr. P.Sowmya, MBBS, PG, department of Respiratory Medicine.

REPORT ON THE PROGRAMME

REPORT ON GUEST LECTURE ON "MALABSORPTION SYNDROME"

DATE: 22.07.2022 (Friday) 02.00-04.00PM

A Guest lecture was arranged for I MBBS & Final year part II students. Dr.B.Maniya was the guest speaker. He is a Senior Medical Gastroenterologist,Consultant in Maruti Hospital, Trichy. He spoke on "Malabsorption Syndrome"

The welcome address was given by Dr.M.Praveena,Assistant Professor of Physiology.

Professor & HOD Dr.Nachal Annamalai addressed the gathering and introduced the speaker Dr.B.Maniya.

The session was taken by **Dr.B.Maniya. MD. DM,MRCP,** Senior Medical Gastroenterologist on "Malabsorption Syndrome" .
It was a Commendable speech and he explained in detail about the topic which was interesting and kept the students attentive. He explained the causes,clinical features,investigation & management of Malabsorption Syndrome.The lecture was was very clear,basic and informative.It was a live interactive session between faculty & the guest speaker.

He clarified all the doubts in a understandable manner. Students paid attention till the end of the lecture and understood the essence of the topic covered.

A token of appreciation in the form of momento for Guest speaker was given by **Dr.D.H.Rajentra Professor of Physiology to Dr. B.Maniya.**

Feedback forms collected from the students. The analysis of the feedback given by all the students reported that the teaching session was of a good quality & organised well.

The session was concluded by Dr.M.Praveena, Assistant Professor of Physiology by delivering the vote of thanks.

CME ON CLEANSERS AND CHEMICAL PEELS

DATE: 13/5/2022.

VENUE: Dr.B.C.Roy hall.

DIGNITORIES ATTENDED:

Dr.S.Revwathy,Dean,TSRMMCH AND RC.

Dr.N.Balasubramanian, Professor&HOD, Department of Dermatology, Deputy Director,Trichy SRM campus, President SRM IMA Irungalur

Dr.Kanagasanthosh, Associate Professor, Department of Pharmacology, TSRMMCH&RC, Secretary , SRM IMA Irungalur branch

Dr.R.Vijayakumaran, Medical Superintendent, TSRMMCH&RC

Dr.S.Krishnan, Professor, Department of Dermatology, TSRMMCH&RC

Dr.Ganapathy Sundar, Consultant dermatologist, Trichy

PROGRAMME DETAILS:

Department of Dermatology,Venereology and Leprology along with the SRM IMA Irungalur branch and medical education unit conducted the CME on cleanser and chemical peels.

On the 13th May 2022 2:00pm registration was open for the CME that took place in Dr.B.C.Roy hall.

The programme commenced with IMA and Physician prayer.

Presided by Dr. R.Shivakumar MD., PhD., Chairman, SRM Group of Institutions (Trichy & Ramapuram Campus

Inaugral address by Dr.K.Akila, Assistant professoer, Department of Dermatology, TSRMMCH&RC

Keynote address by Dr.N.Balasubramanian, Professor&HOD, Department of Dermatology, Deputy Director,Trichy SRM campus

Chief address by Dr.S.Revwathy,Dean,TSRMMCH AND RC.

Special guest address by Dr.Ganapathy Sundar, Consultant dermatologist, Trichy

Feliciation by Dr.R.Vijayakumaran, Medical Superintendent, TSRMMCH&RC

And Dr.S.Krishnan, Professor, and Department of Dermatology

The scientific session happened as follows

Session 1

Topic – Sebum and acne

Chairperson - Dr.S.Krishnan
Speaker - Dr. Bandhala Rajan M, MD, DNB (DVL)

Session 2

Topic - Skin cleansers

Chairperson - Dr.S.Krishnan
Speaker - Dr. K. Akila, MD (DVL)

Session 3

Topic - Chemical peels in acne

Chairperson - Dr.S.Krishnan
Speaker- Dr. R. Jansy, MD (DVL)

It was a lively session wherein postgraduates and junior residents were actively involved. It was very informative and interactive
The sessions was very interactive and informative for the dermatologists and post graduate students also updated the knowledge of the faculty and postgraduates of various departments of the institution.

Dr.R.S.Seethalakshmi, Senior Resident, Dept of DVL thanked the gathering.

Meeting started wit h Lunch

PARTICIPANTS WHO ATTENDED: A total of 41 doctors of our institution attended the session registration was made of them.

FEED BACK AND ANALYSIS REPORT

Faculty and students who attended the conference were asked for their feedback.

They were overwhelmed with the lectures and how simplified each concept was made by the respective speakers. They requested for more such events in the future.

GUEST LECTURE – REPORT

"APPROACH TO KIDNEY DISEASE – PRIMARY CARE PHYSICIAN PERSPECTIVE

CONDUCTED IN COMMEMORATION OF 'WORLD KIDNEY DAY' 2022

INTRODUCTION:

On view of the importance of updating knowledge in approach to kidney disease – A guest lecture on approach to kidney disease-primary care physician perspective Update was conducted on 29 March 2022 by the Department of Medicine and Medical Education Unit. Institutional permission was obtained. The purpose of this programme is to update the knowledge on recent breakthrough in the management of kidney disease. Faculties of various department, Postgraduates and Final MBBS Part II Undergraduates participated in the programme. Reputed speakers in the field of Nephrology and General Physicians were invited to deliver the lecture .

DOCUMENTATION:

Registration: 1.30 -2.00 PM

Inauguration:

Programme started at 2.00 PM

Inauguration started with Tamil anthem and Physician Prayer at 2.00PM.

Lightening the Kuthuvizhaku by Dr.N.Balasubramanian, Dr.S.Revwathy,

Dr.T. Rajarajan M.D DM ,Dr.K.Sivakumar .

Welcome address was given by Dr.K.Sivakumar HOD Department of Medicine. He welcomed all the dignitaries and students for the programme. He extended his thanks to all the guest speakers. He told the importance of observing world kidney day and conducting of this programme on approach to kidney disease.

Dr.Revwathy, Dean – She enlightened the importance of updating kidney disease knowledge to improve our standard of patient care and congratulate the department of General Medicine for conducting the programme.

Dr.N. Balasubramanian HOD of dermatology address the gathering .He congradulate the Dept of general medicine for organising the programme and advised the students and post graduate to utilize this opportunity to learn basics approach in kidney disease.

Followed by Introduction of chief guest by Dr .R. Niranjana devi postgraduate and momento was given to chief guest by Dr. K.Sivakumar HOD of general medicine

SCIENTIFIC SESSION:

Started by 2.20 PM.

Dr .T. Rajarajan Nephrologist:

Sir started his speech by enlightning the need of approach to kidney disease .

He emphasized about objectives of talk to understand various renal compartments, to introduce clinical syndromes and approch of each clinical syndromes .

He discussed elobrately about various renal compartments (vascular, glomerular , Interstitial , Tubular)

Lectured about microvascular and macrovascular causes of renal disease , Renal syndromes like acute kidney injury , chronic kidney injury and glomerular syndromes .

He discussed elobrately about various etiology, classifications , clinical features , investigations and management of each syndromes . Discussed about the indication and when to iniciate dialysis in chronic kidney disease

He lectured about significane of proteinuria and quantitative measurement of proteinuria and discussed about microscopic and macroscopic hematuria with slide images .

He discussed about medical management of hyperkalemia , metabolic acidosis , pulmonary edema and other complications of chronic kidney disease.

The day was complete. A sense of gratification filled the hall. Dr.N.Nallathambi Registrar proposed the vote of thanks. An event to remember and cherish.

The Educational fest ended with the National Anthem.

Department of Dermatology,Venereology and Leprology along with the medical education unit conducted the CME on Basics in dermatology which was a state level event. Due accreditation was obtained from The Tamilnadu MGR medical university who had awarded 10 credit points under category 3 and Tamilnadu NMC who awarded 2 credit hours to the attendees.

On the 23rd March 2021, 8:30 am registration was open for the CME that took place in Dr.B.C.Roy hall.

The programme commenced with Tamizh Thai Vaazhthu and the ceremony was inaugurated by the following dignitaries.

Presided by Dr. R.Shivakumar MD., PhD., Chairman, SRM Group of Institutions (Trichy & Ramapuram Campus)

Keynote address by Dr.N.Malmurugan, Dean Engineering & Technology Director, SRM Trichy Campus

Inaugural address by Dr.S.Revwathy,Dean,TSRMMCH AND RC.

Chief guest address by Dr.Dinesh Kumar Devaraj, Honarary Secretary General, Indian Association of Dermatologists,Venereologists and Leprologists

Feliciation by Dr.N.Balasubramanian, Professor&HOD, Department of Dermatology, Deputy Director,Trichy SRM campus

And Dr.R.Vijayakumaran, Medical Superintendent, TSRMMCH&RC

Welcome address by Dr.S.Krishnan, Professor, Department of Dermatology

To commemorate the 70th birthday and superannuation of beloved Professor Dr.N.Balasubramaninan, Dr.K.Akila on behalf of sir made announcements regarding the proposed events every year planned to be conducted on February 23rd.It was as follows:

1. To acknowledge the treasured/reputed dermatologists in our field; in the name of Prof.Dr.N.Balasubramanian every year on February23rd an endowment lecture will be conducted. One eminent dermatologist from our state will give the lecture. SOP's has to be created as per the rules of the institution in this regard.
2. For the MBBS final year students Dermatology gold medal examinations will be conducted by the end of every December. The medal and certificates will be awarded on February 23rd of every year.
3. Postgraduate dermatology quiz programs will be conducted for the post graduates of the Tamilnadu state. The final round of this will be conducted on February 23rd of every year and awarded.

As per the vision of our HOD the department of Dermatology will conduct the above with the help of the hospital management.

Dr. Deepak, Retina surgeon felicitated his father Dr. N.Balasubramanian on the superannuation, 70th birthday on the special occasion.

The scientific session happened as follows

Session 1

Topic - Approach to a child presenting to the dermatology OPD

Chairperson - Dr.S.Krishnan
Speaker - Dr.N.Balasubramanian

Session 2

Topic - Interpretation of VDRL (case based scenarios)

Chairperson - Dr.A.Balasubramani
Speaker - Dr.S.Vasuki

Tea break

Session 3

Topic - Hansen's disease – a diagnostic dilemma

Chairperson - Dr.Ganapathy Sundar

Speaker- Dr.S.Narmadha

Session 4
Topic - LASER treatment in acne management and tough to treat pigmentation;

Snippets- Dermatology in general medicine

Chairperson - Dr.M.Bandhala Rajan

Speaker - Dr.A.V.Kaleeswaran

Session 5

Topic - Basics of LASER and light based devices and its indications

Chairperson - Dr.K.Akila

Speaker - Dr.Avitus John Raakesh Prasad

Session 6

Question and answer session with experts - All Faculties

Lunch break

The sessions was very interactive and informative for the dermatologists and post graduate students of various institutions of Tamilnadu. It also updated the knowledge of the faculty and postgraduates of various departments of the institution.

Dr.R.S.Seethalakshmi, Senior Resident, Dept of DVL thanked the gathering.

Meeting ended with National Anthem.

PARTICIPANTS WHO ATTENDED: A total of 95 doctors of various institutions in tamilnadu and multiple specialties of our institution attended the session registration was made of them and CME accreditation certificates were duly distributed.

FEED BACK AND ANALYSIS REPORT

Faculty and students who attended the conference were asked for their feedback.

They were overwhelmed with the lectures and how simplified each concept was made by the respective speakers. They requested for more such events in the future. Professor and HOD, Dr. N.Balasubramanian proposed a workshop to be conducted in near future in LASER by the eminent speakers.

Details for Poster Presentation(Post Graduates)

Abstract no longer than 250 words. It should be structured as

- Title, Introduction, Aim, Methodology, Results, Conclusion Keywords.
- Title of abstract should in Times New Roman fonts size of 14 and bold, Author Name with initials, designation & name of the institution. Name of the presenting author should be undelined
- Text should be in Times New Roman with font size of 12 and 1.5 line spacing and justified.
- Abstract reporting on research must include results.

A soft copy of the abstract (pdf format) must be sent to cmephysiology2022@gmail.com

The acceptance of the poster will be decided by the scientific team and will be intimated email.

Last date for submission of abstracts - Date : 15.08.2022

Requirements for Final Poster

- **Hard copy of printed Poster Size : 4' x 3'**
- **Font: Times New Roman not less than size 28.**
- Abstract presentation title no longer than 15 words or 100 characters.

It should include

Title of the article, Name of each contributor with institutional affiliation, Name, Official address, Mobile No. & Email-id of the corresponding author, Name of the presenting author should be Underlined.

REPORT ON THE CME PROGRAMME

REPORT ON CME ON "APPROACH TO RESPIRATORY FAILURE''

DATE: 26.08.2022 (Friday) 09.00AM - 03.30PM

A CME programme was conducted on topic "APPROACH TO RESPIRATORY FAILURE.'' The CME session started with welcome address by Dr. Nachal Annamalai, Professor and HOD of Dept. of Physiology. She addressed the gathering. Dr.S.Revathy, Dean, Deputy Director, Medical superintendent, Associate Dean, Vice Principal, Dr. Nachal Annamalai inaugurated the CME programme by lighting the lamp. After the prayer song, inaugural speeches were given by the dignitaries. It was followed by Tamil Thai Vazhthu.

The first scientific session started by Dr. D.H.Rajendra, Professor of Physiology gave a lecture on' Mechanics of respiration'. The second scientific session was by Dr. Nachal Annamalai Professor & HOD of Physiology on compliance and surfactant. The third scientific session was by Dr. Hariharan, Senior resident in Pulmonology, about lung function tests. Dr.Nachal Annamalai Professor & HOD of Physiology honoured the speaker with a memento. It was followed by a tea break. This was followed by postgraduate poster presentations. The judges were Dr. D.H.Rajendra, Dr.M. Muhil, Dr. Zahir Hussain and Dr.Rajkumar, Professor and HOD of Physiology, Dhanalakshmi medical college. The poster evaluation results were announced by Dr.Rajkumar.

The winners were 1) Dr.S.Jayashanthi ,Final year,post graduate,Dept. of Paediatrics (Trichy SRM)
2) Dr.V.Harirama, Final year,post graduate,Dept. of Physiology (Tirunelveli medical college) & Dr. A. Ajay Venkat,Final year,post graduate,Dept. of Ophthalmology (Trichy SRM)
A memento was presented by Dr. D.H.Rajendra to Dr.Rajkumar and it was followed by lunch break.

Post lunch scientific session started at 2pm by the guest speaker Dr. V. Sendhil, Chest Physician, ABC Hospital and Trichy gave a talk on 'Approach to respiratory failure'. It was a commendable and enlightening talk. Dr. Muhil, Professor of Physiology honoured the speaker with a memento. The session was followed by a tea break.

After that the session started with the valedictory function. The winners of the postgraduate poster presentations were rewarded with exciting cash prizes and certificates by Dr. Nachal Annamalai, Professor & HOD of Physiology. The session was concluded by Dr.M. Praveena, Assistant Professor of Physiology delivering the vote of thanks. The CME programme concluded by national anthem.

The CME had a total of 138 registrations.

Feedback forms collected and analysis was done.

Ref.No: 86/PHYSIOLOGY/TSRMMC/2022

To
The Dean,
Trichy SRM Medical College Hospital & Research Centre,
Irungalur, Trichy- 621105.

Respected Madam,

Sub: Request for Financial Assistance for Physiology CME on 26.08.22- reg.

We are conducting a CME on "Approach to Respiratory Failure" on 26.08.22 (Friday) at B.C.Roy Hall, Hospital Block, TSRMMCH & RC. I kindly request you to assist us financially for conducting the CME smoothly.

S.No.	Particulars	Amount (Rs.)
1.	Invitation & Brochure	Rs. 1000/-
2.	Flex (Banner) (2) - Size: 6'x4' & 15'x10'	Rs. 2500/-
3.	Guest Memento (3)	Rs. 3000/-
4.	Stationery (File+Pen+Note pad)	Rs. 4000/-
5.	Refreshments	
	i) Morning Tea & Snacks	Rs. 4000 /-
	ii) Lunch (Veg) - (250 members * Rs.120 per plate)	Rs. 30,000/-
	iii) Evening Tea & snacks	Rs. 4000 /-
	Total	Rs.48,500/-

Thank you,

Yours sincerely,

Dr.Nachal Annamalai

CREDIT POINTS APPROVAL FROM THE TAMILNADU DR.MGR UNIVERSITY

Dean of Students TNMGRMU Aug 24, 2022, 5:21 PM (12 days ago)

to hod.physiology@mc.srmtrichy.edu.in, me

CEP Topic of the Activity : APPROACH TO RESPIRATORY FAILURE

Department : Physiology, Trichy SRM Medical College Hospital and Research Centre, Trichirappalli

Date : 26.08.2022

Credit Points : 05 Points

Category : II

A copy of the participants CEP Certificate has to be

submitted (After incorporating the Credit points / Category) to

University without fail.

with regards

Dr. R. Sudha, MD.

REPORT ON CME ON "APPROACH TO RESPIRATORY FAILURE"

DATE: 26.08.2022 (Friday) 09.00AM - 03.30PM

A CME programme was conducted on topic "APPROACH TO RESPIRATORY FAILURE." The CME session started with welcome address by Dr. Nachal Annamalai, Professor and HOD of Dept. of Physiology. She addressed the gathering. Dr.S.Revathy, Dean, Deputy Director, Medical superintendent, Associate Dean, Vice Principal. Dr. Nachal Annamalai inaugurated the CME programme by lighting the lamp. After the prayer song, inaugural speeches were given by the dignitaries. It was followed by Tamil Thai Vazhthu.

The first scientific session started by Dr. D.H.Rajendra, Professor of Physiology gave a lecture on' Mechanics of respiration'. The second scientific session was by Dr. Nachal Annamalai Professor & HOD of Physiology on compliance and surfactant. The third scientific session was by Dr. Hariharan, Senior resident in Pulmonology, about lung function tests. Dr.Nachal Annamalai Professor & HOD of Physiology honoured the speaker with a memento. It was followed by a tea break. This was followed by postgraduate poster presentations. The judges were Dr. D.H.Rajendra, Dr.M. Muhil, Dr. Zahir Hussain and Dr.Rajkumar, Professor and HOD of Physiology, Dhanalakshmi medical college. The poster evaluation results were announced by Dr.Rajkumar.

The winners were 1) Dr.S.Jayashanthi ,Final year,post graduate,Dept. of Paediatrics (Trichy SRM)
2) Dr.V.Harirama, Final year,post graduate,Dept. of Physiology (Tirunelveli medical college) & Dr. A. Ajay Venkat,Final year,post graduate,Dept. of Ophthalmology (Trichy SRM)
A memento was presented by Dr. D.H.Rajendra to Dr.Rajkumar and it was followed by lunch break.

Post lunch scientific session started at 2pm by the guest speaker Dr. V. Sendhil, Chest Physician, ABC Hospital and Trichy gave a talk on 'Approach to respiratory failure'. It was a commendable and enlightening talk. Dr. Muhil, Professor of Physiology honoured the speaker with a memento. The session was followed by a tea break.

After that the session started with the valedictory function. The winners of the postgraduate poster presentations were rewarded with exciting cash prizes and certificates by Dr. Nachal Annamalai, Professor & HOD of Physiology. The session was concluded by Dr.M. Praveena, Assistant Professor of Physiology delivering the vote of thanks. The CME programme concluded by national anthem.

The CME had a total of 138 registrations.

Feedback forms collected and analysis was done.

DEPARTMENT OF MICROBIOLOGY
REPORT ON CME ON " UPDATE ON HEPATITIS"

Overview:

The Department of Microbiology,Trichy SRM Medical College Hospital and Research Centre,Trichy organised CME on Commemoration of " world Hepatitis Day – 2022'' on 'UPDATE ON HEPATITIS" on 10.08.2022 between2 .00 pm to 4,00 pm
Venue- the programme was arranged in Dr.APJ HALL

The resource person included:

1. Dr.R.Saraswathi, Professor, Dept of Microbiology
2. Dr.S. Kumaragurubaran, MD, DM(Hepatology)
3. Dr.P.Chitra Rajalakshmi, Professor & HOD, Dept of Microbiology
4. Dr.K.Sivakumar,Professor & HOD, Dept of General Medicine
5. Dr.K.ZahirHussain, Professor, Dept of General Surgery

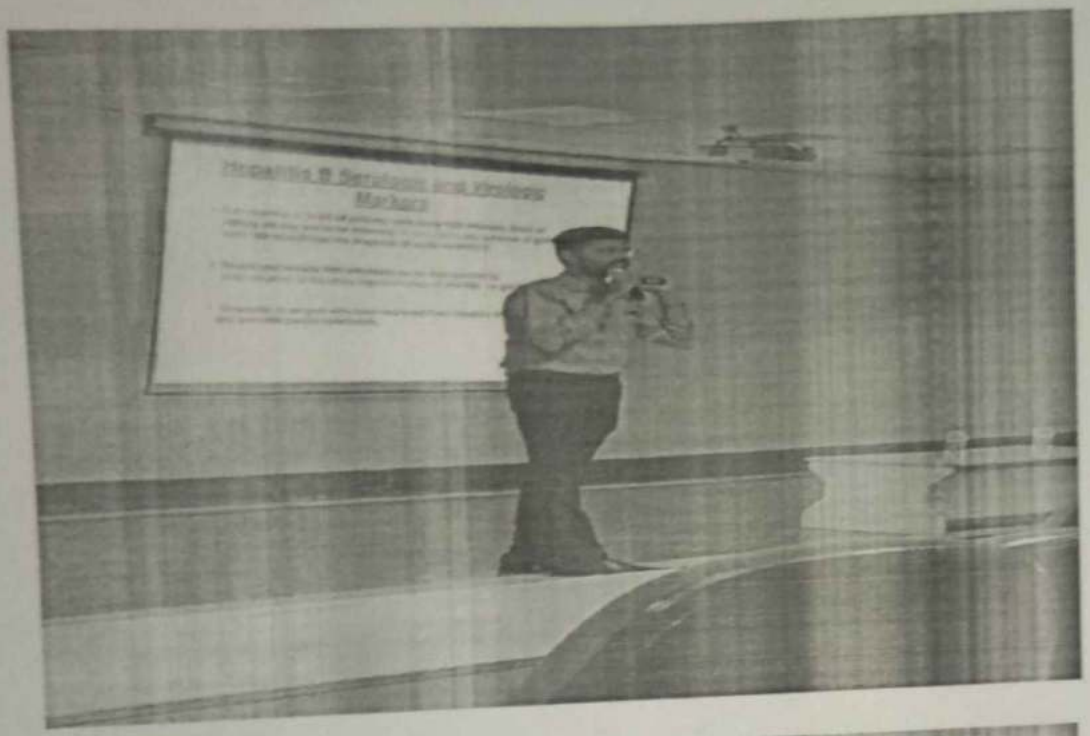
Faculty members attended:

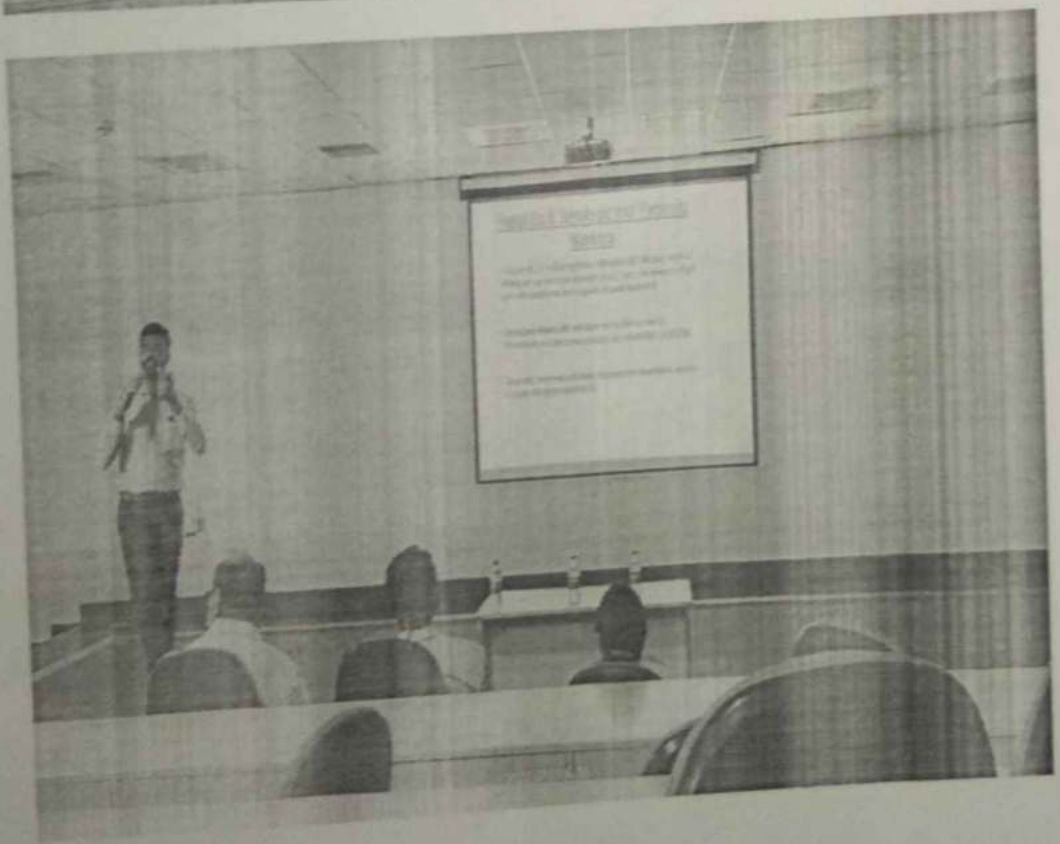
Dr. A.Anupriya, Professor, Dept of Microbiology
Dr.J.Lalithambigai, Assistant Prof, Dept of Microbiology
Dr. Diego Edwin, Assistant Prof, Dept of Microbiology
Dr.R.Dineshraj, Assistant Prof, Dept of Microbiology
Dr.Anitha.K, Assistant Prof, Dept of Microbiology
Dr.Karthika Mohan, Tutor, Dept of Microbiology
Mr. Vallab Ganesh Baradwaj , Tutor, Dept of Microbiology
Dr.Vijayadharani. T, Tutor, Dept of Microbiology
Dr.GerlineRenilda Rose, Tutor, Dept of Microbiology

Student Participants: 300 students(II year and Final year)
welcome address was given byDr.R.Saraswathi, Professor in the Department of Microbiology

Session III: Latest trends in management of Viral hepatitis

The third session on : Latest trends in management of Viral Hepatitis was presented by Dr.S. Kumaragurubaran, MD, DM(Hepatology). He elaborated on the modern treatment practices employed in the management of hepatitis.



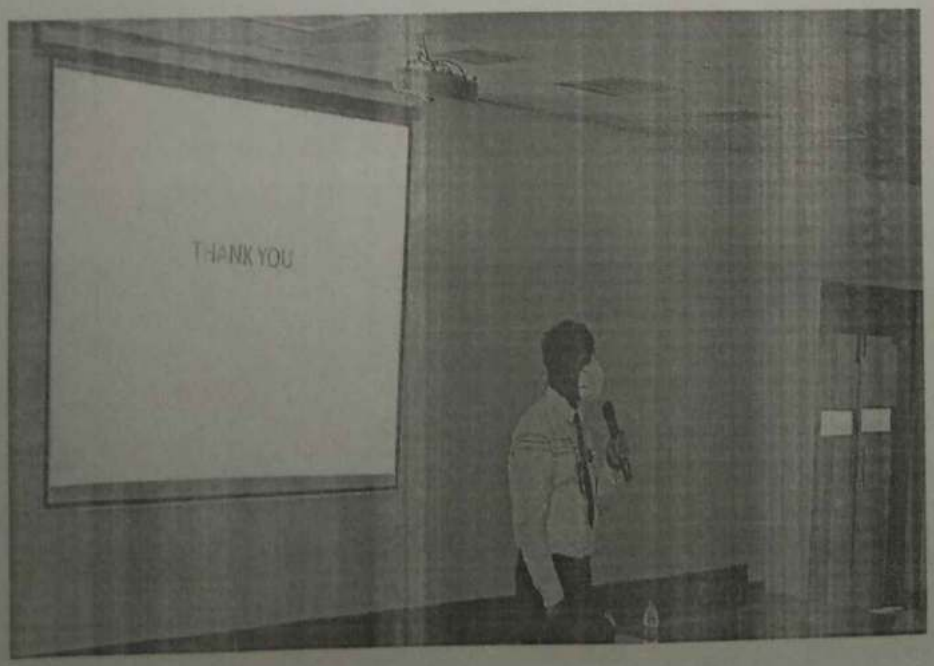


Session I:Global Pandemic- Silent Transmission of blood borne Hepatitis

The first session on Global pandemic- silent transmission of blood borne hepatitis was presented by **Dr.R.Saraswathi**, Professor in the Department of Microbiology. She elaborated about the epidemiology and transmission of blood borne Hepatitis. She explained in detail about the cause of the Hepatitis pandemic.

Session II:Medical Management of Blood Borne Hepatitis

The second session on Medical management of blood borne hepatitis was presented by Dr.K.Sivakumar,Professor & HOD, Dept of General Medicine. He discussed about the clinical presentation and medical management of hepatitis.



Session IV:Surgical interventions of viral hepatitis

The fourth session on Surgical interventions of viral hepatitis was taken by Dr.K.ZahirHussain. He gave an informative lecture on surgical management of viral hepatitis and the complications of surgical interventions.

Feedbacks were from the students through Google forms

3. Write any 2 Differences & 2 similarities between HBV & HCV

56 responses

Hbv is dna virus hcv is rna virus.both has lipid covering.

HBV is DNA virus and HCV is RNA virus
Both transmit through sexual transmission

Hbv - dna virus
Hcv - rna virus

Both are sexual transfusion

HBV is DNA virus and HCV is RNA virus
Botha are sexually transmitted

HBV is dna virus and HCV is rna virus

Hbv
They are DNA virus.
Hcv
They are RNA virus

Hbv is dna virus...hcv is ena virus

HBV is Dna Virus and HCV is Rna virus
Both are sexually transmitted

Hbv is a DNA virus hcv is a ena virus

Hbv is dna virus and hcv is RNA virus

Hbv is DNA virus and hcv is RNA virus

Hbv is dna virus....hcv is rna virus

HBV-DNA Virus HCV-RNA virus..HBV and HCV are transmitted sexually.bith affects liver

HBV is a DNA virus, HCV is a RNA virus
Similarities is both are transmitted sexually.

HBV is a DNA virus. HCV is a RNA virus

HBV is DNA virus and HCV is a RNA virus

HBV is a dna virus, HCV is a RNA virus

Both hepatitis B and C infections can cause short- and long-term effects. However, hepatitis C is more likely to turn into a chronic condition than hepatitis B. A person can transmit hepatitis B through bodily fluids, while the transmission of hepatitis C usually only occurs through blood to blood contact

Hbv is DNS Virus... Hcv is RNA virus

Similarity
1)blood borne disease
2) affects liver
Differences
1) Hepatitis B vaccine is available and not for hepatitis C
2) hepatitis b is blood and body fluids borne whereas hepatitis C is only blood borne

Hbv is DNA virus ... Hcv is RNA virus

Difference:
1. HBV-Hepadnaviridae family
HCV- Flaviviridae family
2. HBV- dsDNA
HCV- ssRNA
Similarities:
1. Both is transmitted by blood transfusion, serial transmission, vertical transmission.
2.disease progress to chronic hepatitis, cirrhosis, hepatocellular carcinoma

Hbv is a dna virus , hcv is rna virus

Hbv is DNA virus , HCV is RNA virus

HBV - DNA virus , HCV-RNA virus

HBV is a DNA virus .HCV is a RNA virus

HBV DNA virus and HCV RNA Virus

Hep B - transmitted through blood Nd body fluid
Hep C- transmitted through blood

HBV is a DNA virus and HCV is a RNA virus
Both are transmitted by blood route

HBV is transmitted through blood and body fluids, HCV is transmitted through blood only.HBV cause liver related deaths than HCV.
Similarities:Both cause chronic liver disease and Both have a risk of parenterally transmitted infections.

Hbv-DNA virus,parenteral transmission
HCV-RNA virus,transmission through contaminated food and water

Similarities
1 blood brone ddisease
2 affected liver
Difference
1 vaccine available for HBV not for HCV
2 HBV transmitted through blood and body fluids
HCV transmitted through blood

Parenteral transmission, cause HCC

HBV is dna virus HCV is RNA virus

Hbv dna virus..hbc rna virus
Similarities..both are sexually transmitted

hbv sexually transmitted not curable
hcv parenteral transmission curable

HBV is Dna virus... HCV is rna virus

Dna

Hbv dna virus hcv rna virus

hepatitis C is more likely to turn into a chronic condition than hepatitis B. A person can transmit hepatitis B through bodily fluids, while the transmission of hepatitis C usually only occurs through blood-to-blood contact.
Both hepatitis B and C are blood-borne pathogens ,both can lead to severe lung disease.

Differences - HBV is a DNA virus whereas HCV is a RNA virus. HBV is difficult to cure as compared to HCV. Similarities-Both are blood borne pathogens. Both can lead to severe liver disease.

Transmission of HBV is through bodily fluids, Hepatitis C is usually occurs through blood to blood contact.

Difference
1.HBV-DNA viruses
2.HCV -RNA VIRUSES
SIMILARITIES
BOTH ARE SEXUALLY TRANSMITTED

Differences :1.HBV is DNA HCV is RNA Similarities: 1.Both are viral infections affecting liver

DIFFERENCE : HBV is DNA virus and HCV is RNA virus
SIMILARITY: Both are viral infections affecting liver

Both are viral and causes inflammation in liver.Hep B not curable whereas hep C curable.Hepatitis B DNA virus Hepatitis C RNA virus

Both are viral and HBV is not curable, dna virus and HCV is curable, rna virus

Both are blood borne ,can lead to HCC
Help B transmitted through body fluids not help C , Hep B dna virus ,Hep C ena virus

Similarities:
Both are blood borne
Both can cause hepatocellular carcinoma

Differences:
Hepatitis B virus transmitted via body fluids but not Hep. C virus.
Hep. B is DNA virus but, Hepatitis C is RNA virus.

Difference:
Hbv: hepadna viridae family, dsdna
Hcv:flaviviridae family, ssrna
Similarities: both are transmitted by blood transfusion, serila transmission, vertical transmission.
Disease progress to chronic hepatitis , cirrhosis, hepatocellular carcinoma

Differences
1.HBV- hepadnaviridae family
HCV-flaviviridae family
2.HBV-ds DNA
HCV-ssRNA
Similarities
Both transmit through blood transfusions, vertical mode and serial transmission
2.disease progress into chronic hepatitis, hepatic chirosis, hepatocellura carcinoma

Difference- Hepatitis B from blood and body fluids, Hepatitis C by only blood
Similarities- both blood born pathogen, affect liver

3. what was good about this session?

53 responses

Interaction

It was a clear cut session

Interesting

Valuable knowledge

Interactive one

The topic was very cleary taken

Nice interaction

Teacher and student interaction

Quiz part was interactive

Quizzes

The way of teaching is good

The overall explanation was good

The lecturer clearly explained about hepatitis in a very attractive way!!it was a very good session

Concept understanding

Getting knowledge about Hepatitis

Very good explanation for clinical scenario

Very interesting

Everything was good

Quiz conducted at the end

Got ideas of hepatitis

Interactive

Good lecture

So interactive...and games were fun

The way of explaining

Presentation was good

Presentation was good

the topic was made clear and understanding

Everything

Learned new

Clearity of explaination

Interactions, quiz event

Method of teaching

Interaction and a lot of clinical knowledge was acquired.

Good

The topic was very clearly explained

Explanation about blood borne hepatitis is very brief and clear

We have learnt in detail about hepatitis viruses..

Elaborate explanation

The teaching method made it easy to understand

We are able to correlate clinical things with microbiology

Knowing more clinically oriented

The session is not too long

It was useful

Everything

It was a very new experience for us. The way the sir presented was excellent.

Totally new and inspiring

Teaching method

It was easy to understand and fun to learn

4. How could this session be improved?

53 responses

Nil

Nothing

More interaction

Projector is less

Can be improved with some more interactive sessions

With better air system (sweat)

by conducting quizs

Nothing..

Animated videos

No more improvement is needed

Session was nice

Give snacks

It is better as it is

The session was already good

The session was best in it's own way...may be adding of some videos would have made the session even more interesting

-

None

Often such programs can be conducted

Already it was good

Pictures

More interactive

By making it more interactive and quizz

Hepatitis C could have been explained

Hepatitis C could have been explained

visual aids may be included

.

More videos

Videos could be added

Video related teaching

Food can be provided

Overall good

With more interaction

No idea

The screen at the back benches can be switched on

No suggestions

The session is already best.

Session in morning will be much better

It was very sufficient

If vedio lectures are included, this could be more better

By using some clinical features as pictures

Nothing

It could be more interactive

The session was beyond any required improvement

Add Practical session ..do each one of u

The screen could have been a bit bigger . Certain terms were not visible from back

5.Any other topics/suggestions for Guest Lecture

53 responses

HIV

No

Nil

.

Hiv

AIDS

Malaria

Shock

Repeatetive sessions are suggestivw

Again can be implemented

Tuberculosis

We want more classes like this

Other all

other types of carcinoma Or any outbreak viruses

Medical life

-

None

Peptic ulcer

Diabetes

Covid

Heart related diseases

Nothing

Nothing

hiv, diabetes,cancer, immunity

Diabetes, CKD

Drugs for various disease

Covid 19

Overall good

TB or HIV

Pneumonia, Tuberculosis, Meningitis, Encephalitis.

Tuberculosis, cirrhosis, gastritis pancreatitis, appendicitis, ulcers

Mycobacterium

Cancer

Cardiovascular disorders

Oncology

How to clear pg exam

Necrotising fasciitis

Cancer

"Blood Banking and the need for Leucodepletion"

Guest Lecture By

Dr. Uma Maheswari, MBBS, DCP
Clinical Pathologist,
Blood Bank Medical Officer,
Doctors Diagnostic Centre, Trichy.

Venue: BC Roy Hall 2nd Floor, Hospital Block

Date: Saturday, July 30th, 2022 Time: 09:30 AM to 12:00 PM

Topic: Blood banking and the need for Leucodepletion

Guest speaker: Dr.K.UmaMaheshwari, MBBS,DCP

Clinical pathologist, Blood bank medical officer

Doctors diagnostic centre, Trichy.

Date: 30.07.2022

Time 9.30 am to 10.30 am – workshop at blood bank, Hospital block

11.00 am to 12.00 noon – Guest lectures at lecture hall II, college block.

Attendees:

1. Dr.Revwathy, The Dean
2. Dr.Vijayakumaran, The Medical Superintendent
3. Dr.R.Pramila, Professor &HOD i/c
4. Dr.S.Priya Banthavi, Professor

Report of four days Skill Lab Training Programme

A four day skill lab training program was conducted by the Essilor Company as a part of the educational service.

The following Core Committee members attended:

S.No	Name	Department	Department
1	Dr.R.Ravichandar	Associate Professor and Coordinator	Anesthesiology Skill Lab
2	Dr.S.Vinoth Kumar	Professor	General Surgery
3	Dr.A.Zahir Hussain	Associate Professor	General Surgery
4	Dr.T.Kamala	Associate Professor and Coordinator	Anatomy MSU
5	Dr.M.Praveen Kumar	Assistant Professor	General Medicine
6	Mr.G.Vivekanandhan	Senior Biomedical Engineer	Bio Medical
7	Mr.A.Balasubramanian	Staff Nurse	SICU
8	Ms.Dhivya	Staff Nurse	Casualty

In addition, few Non Core Committee members also attended the program partially with respect to their respective departments.

S.No	Name	Designation	Department
1	Dr.D.Sundari	Assistant Professor	Anaesthesiology
2	Dr.R.Sowmiyan	Assistant Professor	General Medicine
3	Dr.D.Saminathan	Professor and Head	Paediatrics
4	Dr. A.Agneeswaran	Assistant Professor	Psychiatry
5	Dr.S Cyril James	Assistant Professor	Orthopedics
6	Dr Vandana	Senior Resident	OG
7	Dr R.Selvameenakshi	Professor and Head	
8	Dr.K.Abdulhaleem	Assistant Professor	
9	Dr.M Kamalakshmi	Senior Resident	
10	Dr.J.Swathya	Senior Resident	

Name of faculty who gave training: Mrs. Pricey Fernando

Summary of the 4 day programme:

Day 3 (06.11.2014)	Emergency Medicine Centre
9:00 AM – 1:00 PM (4 Hrs)	General Medicine 1. Crash Kelly 2. Spinal Immobilization 3. Table Airway QCPR – Adult. 4. Multi venous IV arm 5. Injection Trainer 6. Buttock Injection trainer 7. Catheterization and enema Trainer 8. Trauma life support 9. LAM I
1:30 PM – 4:00 PM (2.5 Hrs)	General Surgery 10. SCP - KIT Complete 11. Advance breast examination trainer Pediatrics 12. New Born Anne 13. Little Junior 14. Little Baby
4:00 PM- 4:30 PM (30 minutes)	Self practice by faculties using manikins Feedback and Closing

Day 4 (07.11.2014)	Emergency Medicine Centre
9:00 AM - 1:00 PM (4 Hrs)	Obstetrics and Gynecology 15. Advanced Gynaecological mode 16. Advanced Female Pelvic Trainer (New) 17. Urine Collection 18. Prompt Flex Standard 19. Maxie Birthie 20. Prompt Fetal & Cervical dilation and effacement 21. Episiotomy trainer
1:30 PM -4:00 PM (2.5 Hrs)	Sim Pad System using it for OSCE Sim Pad Plus ❑ Learning Application Software • Manual Mode Theme • Automatic Mode • Physiologist Patient Cases • Pre Programmed Scenarios • Debriefing Tools and Software ❑ Considerations ❑ Practice with Your System
4:00PM - 4:30 PM (30 minutes)	Self- practice by faculties using manikins Feed back and Closing

9.30 -1:00 PM (3.5 Hrs)	☐ Welcome and Introduction **SIM MAN 3G** ☐ Understanding System Components ☐ Simulator System Startup ☐ Simulator System Features (Break 15 Mins)
2.00 – 4.30 PM (2.5 Hrs)	☐ Simulator System Shut Down ☐ Essential Patient Monitor ☐ Learning Application Software • Manual Mode Tutorial • Automatic Mode • Physiological Patient Cases • Pre-Programmed Scenarios • Debriefing Tools and Software ☐ Considerations ☐ Practice with Your System (Break 15 Mins)
9.30 -1:00 PM (2.5 Hrs)	☐ Introduction to LLEAP ☐ Understanding Essential Simulation Terms ☐ Starting Simulation with LLEAP ☐ Manual Mode Operations ☐ Automatic Mode – Pre-programmed Scenarios ☐ Automatic Mode - Physiological Patient Cases (Break 15 Mins)
2.00 – 4.30 PM (2.5 Hrs)	☐ Teaching with LLEAP ☐ Session Viewer/ Sim View Module ☐ Using SimManwich LLEAP ☐ Considerations (Break 15 Mins)

The Educational course has recommended a weekly online meeting of the core committee members for improvement. It has been proposed that the core committee members shall meet every Wednesday at skill lab for one hour (11 AM to 12 PM) for the same.

It has also been proposed for now future that once new committee members have to be trained in house by the core committee members for better performance.

It has also been proposed to include one faculty from OBG department (Dr. Vandana) and one faculty from paediatric Department (Dr. A. Aparnaswaran) as core committee members

DEPARTMENT OF ANATOMY & MEU

A BRIEFREPORT ON VIRTUAL CME CONDUCTED ON 09.10.2021

A virtual CME entitled "Remembering Anatomy: Memory's secrets revealed" was conducted by Department of Anatomy and Medical Education Unit of Trichy SRM Medical College Hospital and Research Centre on 09.10.2021.

Four hundred and sixtyfour delegates participated in the virtual CME.

The inaugural function started at 9 am.

Dr. S.D. Nalinakumari, Professor & HOD of Anatomy welcomed the dignitaries, speakers, chairpersons and delegates.

Dr. S. Revwathy, Dean gave the presidential address.

Inaugural address was given by the Executive Director Dr. S. Raghupathy.

Keynote address was done by the Deputy Director Dr. N. Balasubramanian.

Dr. S. Ramesh Babu, Director - Medical Sciences delivered the special address.

Felicitation was done by Dr. R. Vijayakumaran, Medical Superintendent.

Dr. Kamala, Associate Professor &Coordinator - MEU proposed vote of thanks.

This was followed by lectures.

Dr. S.D. Nalinakumari, Professor & HOD of Anatomy gave a talk on "Exploring the topography of Memory". She explained the anatomy and detailed histology of Hippocampus and other structures related to memory.

Dr. Anbarasi, Professor, Dept. of Physiology, Chettinad Hospital & Research Institute, Kelambakkam explained the "Functional Path of Memory".

Dr. Kavitha, Consultant Neurologist, Velammal Medical College Hospital, Madurai delivered a lecture on "Problems along the pathway of memory – A neurologist purview".

This was followed by E- poster presentations. There were seven breakout rooms. Each group had 8 to 9 presentations and was chaired by two eminent Anatomists from prestigious institutions like AIIMS and JIPMER. Atotal of fifty nine e - posters were presented.

In the afternoon session, Dr. Guru T Arun, Specialist Radiologist, Hamad Medical Corporation and Clinical faculty, College of Medicine, Qatar University spoke on “Black and White of Memory – A Radiologist perspective”.

Dr. T.S. Gugapriya, Additional Professor of Anatomy, AIIMS, Nagpur delivered a lecture on “Nuances of remembering Anatomy for first year medical undergraduates”. It was an interactive session with first year MBBS students and faculties.

The CME was concluded with vote of thanks by Dr. M. Sivakumar, Professor of Anatomy.

Report on Revised Basic Course Workshop with Attitude, Ethics and Communication

The Revised Basic Course Workshop with training in attitude, ethics and communication was conducted from 06th to 08th October 2021, under the NMC appointed observership of Dr.T.Sivakami, Professor of Anatomy, Thanjavur Medical College, at Conference Hall, MEU, College block, Trichy SRM Medical College Hospital and Research Center.

Day 1:

The program started with an inaugural function and Dr.E.Kamala, Associate Professor, Anatomy and MEU Coordinator welcomed the gathering. Dr.S.Revwathy, the Dean of TSRMMCH delivered the Presidential address. The Inaugural address was delivered by Dr.S.Raghupathy, Executive Director, Trichy Campus. The Keynote address was delivered by Dr.N.Balasubramanian, Deputy Director, Trichy Campus. Special address was given by the Director of Medical Sciences, Dr.S.Ramesh Babu. The gathering was felicitated by Dr.D.Baba, Associate Dean -PG, Dr.R.Vijayakumaran, Medical Superintendent and Dr.P.Karthick, Additional Medical Superintendent. Dr.T.Sivakami, observer, NMC then addressed the participants and briefed them the activities of the forthcoming days. Vote of thanks was delivered by Dr.S.Priya Banthavi, Professor of Pathology.

1. Ice Breaking and Group dynamics

The workshop started with the topic on ice breaking and group dynamics. The session was conducted by Dr.E.Kamala and Dr.A.Anupriya. They made the faculty introduce the next person and brought in the concept of group dynamics by making the faculty do the space walk. The session was ended when the groups were asked to identify the answers to the riddles.

2. **Systems approach, learning styles and andragogy**

The session was conducted by Dr.S.Priya Banthavi. She introduced the principles behind group dynamic and enlightened the faculty about ADDIE model of systems approach. She then defined the various types of learner's and made the faculty identify to which category they belong. Introducing the adult learning principles, she made the faculty do a group activity and find out the various features of adult learning.

3. **Goal roles and competencies & The IMG – Goals, roles and competencies**

Dr.K.Kanagasanthosh delivered this session to the participants. He defined the goals, roles and competencies and explain the relationship between each other with appropriate examples. Dr.S.Revwathy elaborated the principles of competency-based learning. With the help of the UG curriculum books she demonstrated the usage of the UG curriculum book. A group activity to sort out a list of goals, roles and competencies was also done.

4. **Learning domains and progression of learning**

Dr.S.Priya Banthavi conducted this topic of the program. She defined and classified the learning domains using various examples and activities. She also demonstrated the ways to understand the hierarchy of knowledge progression.

5. **Objectives – Writing objectives – Developing objectives from competencies, linking learning and assessment with competencies & Workshop on writing objectives**

This post lunch session was handles by Dr.K.Sivakumar. He demonstrated the difference between competencies from objectives. He also showed the participants the way to develop objectives for a different type of competencies. Dr.K.Sivakumar then explained the relationship between objectives, learning and assessment. Using the demonstrations, the participants then were made to build objectives for the competencies based on Jaundice and Anemia.

6. **Introduction to assessment**

After a short tea break the session on introduction to assessment was conducted by Dr.Nachal Annamalai. She elaborated on the principles and types of assessment. She also explained the Utility of assessment in CBME.

The day ended with collection of feedback for the first day of the program

Day 2:

The first session of the day was repertoire session. One participant from each group gave the gist of the happenings of the previous day. Dr.E.Kamala summarized the feedback given by the participants and gave rectifications of the same

1. **Choosing teaching method for objectives and competencies – Workshop**

The first session of the day was hands on training for the participants. They were asked to choose an ideal teaching learning method to educate the students for the objectives that was built the previous day and construct lesson plan for the same. This workshop was led by Dr.E.Kamala.

2. **Interactive and innovative teaching methods**

a. Large group teaching: Dr.M.Vijayakumar in this session demonstrated the ways to use principles of interactive learning in a large group. He also demonstrated various types in which interactive teaching can be done for a large group of students.

b. Small group teaching: Dr.S.Priya Banthavi employed many small group teaching methods like Jigsaw, Fish bowl technique and buzz group and demonstrated the ways to employ interactive learning in a small group.

c. Appropriate use of media: Dr.R.Suganya made the groups do a SWOC analysis of the various available media. She gave guidelines regarding the ways to choose appropriate media for a given learning session.

3. **Writing a lesson plan**

The session was conducted by Dr.S.Sivaraman. He demonstrated the technique to develop a lesson plan appropriate to the objectives and teaching learning method chosen. He also made each group develop a lesson plan for the teaching method chosen in the workshop earlier in the day.

4. **Assessment planning and quality assurance, writing the correct essay question, short answer question and MCQ.**

After a brief lunch break, the post lunch session was dealt by Dr.R.Suganya. She showed the participants the methods to choose and construct structured essay questions and structured short answer questions. Dr.A.Anupriya described the various parts of MCQ and made the participants evaluate and build an MCQ.

5. **Internal assessment and formative assessment**

The last session of the day was conducted by Dr.K.Hemalatha. She informed the participants regarding the differences between internal and formative assessment and stressed on the importance of both in CBME curriculum. She also showed the way the develop a plan for internal assessment and formative assessment.

Day 3:

The day begun with repertoire report of the previous day and analysis of feedback by Dr.E.Kamala

1. **Discussion on AETCOM Module: Reflection and narrative:**

The first session of the day was dealt by Dr.E.Kamala. She demonstrated the ways the AETCOM module book needs to be used by the faculty. She made the groups demonstrate their planning and execution of various topics in the book for 4.different phase. She discoursed the way a reflection needs to be written. By the end of the session, the participants accepted and were ready to launch AETCOM module in the college

2. **Matching assessment to competency, objectives and learning to choosing the right assessment.**

The right assessment method for given objective/competency and learning method. One faculty form each group delivered the discussions that happened in the group and the other groups commented on this.

3. **Effective clinical and practical skill teaching**

Dr.M.Vijayakumar delivered this topic. He spoke on how the clinical skills can be taught effectively using conventional, innovative and generic methods, skills lab, virtual reality etc. He also demonstrated skills can be taught in a workplace setup. Finally, he took the participants to skills lab and showed the use of skills lab.

4. **Assessment of clinical and practical skills**

Dr.R.Kirubahar and Dr.M.Vijayakumar in this session demonstrated the ways to conduct assessment of the practical and clinical skills, both in teaching an workplace set up. He also made the participants create assessment plans for various domains using skills lab and the methods to design skills assessment station.

5. **Improving SDL through technology**

Dr.R.Thamarai in this session discussed the various methods to promote self-directed learning in students. She also showed how technology can be used to improve self-directed learning.

6. **Feedback.**

Dr.V.Raghuram in this session discussed and demonstrated the various techniques employed in providing and receiving effective feedback to and from students respectively.

7. **Education networking for growth**

The last session of the workshop was conducted by Dr.M.Prabha Thangaraj. She made the participants understand the different avenues for the ways in which a faculty can develop their growth in education. She also described the procedures to create and maintain networks in education.

The program was brought to an end with the Dean awarded the participants, resource person and the observer with certificate.

Scientific session:

Day 1

- Introduction: ice breaking and Group Dynamics
- System's Approach, Principles of adult learning, Learning process
- Goals, roles and Competencies: CBME*
- The IMG – Goals, roles and Competencies
- Learning domains and progression of learning
- Objectives - Writing objectives - Developing objectives from competencies, linking learning and

FEEDBACK REPORT

assessment with competencies*

- Workshop on writing objectives*
- Introduction to assessment

Day 2

- Choosing a teaching method for objectives and competencies – Workshop
- Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media
- Writing a lesson plan
- Assessment planning*and quality assurance, Writing the correct essay question, short answer question and MCQ
- Internal assessment and Formative assessment

Day 3

- Discussion on AETCOM Module: Reflection and Narrative
- Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment
- Effective clinical and practical skill teaching
- Assessment of clinical and practical skills
- Assessment of clinical skills (cont.)
- Improving SDL through technology
- Feedback
- Educational networking for growth

Feedback analysis/ interpretation

Feedback forms for the Revised Basic Course Workshop were shared with the participants and the analysis of feedback was done through a conventional manual content analysis approach.

Day wise feedback:

Day 1 (6/10/2021)

Excellent presentation with content, Clear idea of assessment, vibrant speakers, Group activities, interactive approach, informative contents, friendly approach of resource persons, innovative tasks, clarity of contents, enthusiasm of resource persons, explanation with examples, group work, efforts for making the participants understand, thought provocative, good explanation, asking doubts, Re-emphasizing, simple explanations, innovative methods **were considered as good** by the participants about the sessions.

Adequate time for group activities, avoiding overlapping contents, sticking to time, more time for interaction, giving more importance to practical examples, more interest provoking, avoiding complex terminologies **were considered by participants for betterment of sessions.**

Day 2 (7/10/2021)

Informative with excellent contents, energetic resource persons, specific tasks, engaging activities, more illustrations, covering the essentials, more planned contents, use of exit tickets, fish bowl technique usage, practical examples, addressing grey areas, active resource persons **were considered as good** by the participants about the sessions.

Avoiding gender specific examples, more set induction, more explanation on problem solving exercise, avoiding fast forward of slides, avoiding lengthy discussions, little more fun, prior information before group activities to avoid confusion, **were considered by participants for betterment of sessions.**

Day 3 (8/10/2021)

Good explanation on AETCOM, participative tasks, more emphasize on contents, in depth explanation of contents, quality of slides, specific clarifications, clear explanation of basics of CBME, creating interest among

FEEDBACK REPORT

participants, more satisfactory presentations, elaborative examples **were considered as good** by the participants about the sessions.

More time for tasks, applicability in present situation, giving materials specific to sessions well ahead, Covering ethics in detail, avoiding fast closure **were considered by participants for betterment of sessions.**

Summary

Overall the entire workshop went on as per the planned schedule and no hassles were reported. Lots of questions were raised by the participants and the speakers efficiently addressed those questions. Almost all the participants were satisfied with the sessions covered in the workshop. Moreover majority of them have told that there was adequate time for discussion. Participants were satisfied about excellent technical arrangements of the workshop. The overall strengths of this workshop were resource persons, MEU team, content of the sessions, and use of interactive & innovative methods. Participants also gave individual suggestions in terms of allotting more time for group activities for the betterment of sessions.

PANEL DISCUSSION ON PSYCHOCUTANEOUS DISORDERS

DATE: 23/8/2021 2 PM

VENUE: Dr BC Roy Hall

Chairperson : Dr.N.Balasubramanian , Professor and HOD,Department of Dermatology

Moderator: Dr. S.Sivaraman, Professor and HOD,Department of Psychiatry

Panelists: Dr. G.Prabhakaran, Professor, Department of Psychiatry

Dr.K.Ronald Roy, Assisstant Professor, Department of Psychiatry

Dr.Sivakumar, Professor and HOD,Department of General medicine

Dr. Kamala, Co-Ordinator, Medical education unit

Dr. R.S. Seethalakshmi, Senior Resident, Department of Dermatology

Dr. K.Akila, Senior Resident, Department of Dermatology

The interdepartmental panel discussion provides an opportunity for enhanced efforts and renewed commitment towards undergraduate and postgraduate education. Hence such an event was initiated for the benefit of the students on behalf of the department of dermatology by Professor and HOD Dr.N.Balasubramanian. The idea was well planned by Professor Dr.Sivaraman., HOD,Department of Psychiatry. The Professor and HOD of Medicine Dr. Sivakumar was invited over to share his thoughts as panelist. The show was monitored by MEU Co-ordinator Dr.Kamala who also shared her inputs regarding betterment.

The session was chaired by Dr.N. Balasubramanian and moderated by Dr. Sivaraman who systematically laid his views and questions to the panelists. In the panel Dr.R.S.Seethalakshmi and Dr. K.Akila presented the clinical data and experience of their dermatology department which was then opened for discussion by other panel members.

Similarly Dr.Ronald Roy and Professor, Dr.Prabhakaran discussed the psychiatric presentations in their experience. The Chairperson ended each topic with his clinical expertise. The moderator ended the session with a thought provoking research point of view.

It was an open panel discussion wherein the students actively participated and clarified their queries directly to the speakers. Totally 85 students – Post graduate and undergraduate attended the session and got benefitted from a live interactive session.

Report on Revised Basic Course Workshop with Attitude, Ethics and Communication

The Revised Basic Course Workshop with training in attitude, ethics and communication was conducted from 10th to 12th August 2021, under the NMC appointed observership of Dr.R.Padmavathi, Professor of Physiology, Sri Ramachandra Medical College & Research Institute, at Conference Hall, MEU, College block, Trichy SRM Medical College Hospital and Research Center.

Day 1:

The program started with an inaugural function and Dr.S.Priya Banthavi, Professor, Pathology and MEU member welcomed the gathering. Dr.S.Revwathy, the Dean of TSRMMCH delivered the Presidential address. The Inaugural address was delivered by Dr.S.Raghupathy, Executive Director, Trichy Campus. The Keynote address was delivered by Dr.N.Balasubramanian, Deputy Director, Trichy Campus. Special address was given by the Director of Medical Sciences, Dr.S.Ramesh Babu. The gathering was felicitated by Dr.D.Baba, Associate Dean –PG and Dr.R.Vijayakumaran, Medical Superintendent. Dr.R.Padmavathi, observer, NMC then addressed the participants and briefed them the activities of the forthcoming days. Vote of thanks was delivered by Dr.A.Anupriya, Associate Professor of Microbiology.

1. Ice Breaking and Group dynamics

The workshop started with the topic on ice breaking and group dynamics. The session was conducted by Dr.S.Priya Banthavi and Dr.A.Anupriya. They made the faculty introduce the next person and brought in the concept of group dynamics by making the faculty do the space walk. The session was ended when the groups were asked to identify the answers to the riddles.

2. **Systems approach, learning styles and andragogy**

The session was conducted by Dr.S.Priya Banthavi. She introduced the principles behind group dynamic and enlightened the faculty about ADDIE model of systems approach. She then defined the various types of learner's and made the faculty identify to which category they belong. Introducing the adult learning principles, she made the faculty do a group activity and find out the various features of adult learning.

3. **Goal roles and competencies & The IMG – Goals, roles and competencies**

Dr.S.Sivaraman delivered this session to the participants. He defined the goals, roles and competencies and explain the relationship between each other with appropriate examples. Dr.S.Revwathy elaborated the principles of competency-based learning. With the help of the UG curriculum books she demonstrated the usage of the UG curriculum book. A group activity to sort out a list of goals, roles and competencies was also done.

4. **Learning domains and progression of learning**

Dr.V.Raghuram conducted this topic of the program. He defined and classified the learning domains using various examples and activities. He also demonstrated the ways to understand the hierarchy of knowledge progression.

5. **Objectives – Writing objectives – Developing objectives from competencies, linking learning and assessment with competencies & Workshop on writing objectives**

This post lunch session was handles by Dr.K.Sivakumar. He demonstrated the difference between competencies from objectives. He also showed the participants the way to develop objectives for a different type of competencies. Dr.K.Sivakumar then explained the relationship between objectives, learning and assessment. Using the demonstrations, the participants then were made to build objectives for the competencies based on Jaundice and Anemia.

6. **Introduction to assessment**

After a short tea break the session on introduction to assessment was conducted by Dr.M.Vijayakumar. He elaborated on the principles and types of assessment. He also explained the Utility of assessment in CBME.

The day ended with collection of feedback for the first day of the program

Day 2:

The first session of the day was repertoire session. One participant from each group gave the gist of the happenings of the previous day. Dr.S.Priya Banthavi summarized the feedback given by the participants and gave rectifications of the same

1. **Choosing teaching method for objectives and competencies – Workshop**

The first session of the day was hands on training for the participants. They were asked to choose an ideal teaching learning method to educate the students for the objectives that was built the previous day and construct lesson plan for the same. This workshop was led by Dr.Nachal Annamalai.

2. **Interactive and innovative teaching methods**

a. Large group teaching: Dr.J.S.Veena in this session demonstrated the ways to use principles of interactive learning in a large group. She also demonstrated various types in which interactive teaching can be done for a large group of students.

b. Small group teaching: Dr.S.Priya Banthavi employed many small group teaching methods like Jigsaw, Fish bowl technique and buzz group and demonstrated the ways to employ interactive learning in a small group.

c. Appropriate use of media: Dr.R.Suganya made the groups do a SWOC analysis of the various available media. She gave guidelines regarding the ways to choose appropriate media for a given learning session.

3. **Writing a lesson plan**

The session was conducted by Dr.A.Anupriya. She demonstrated the technique to develop a lesson plan appropriate to the objectives and teaching learning method chosen. She also made each group develop a lesson plan for the teaching method chosen in the workshop earlier in the day.

4. **Assessment planning and quality assurance, writing the correct essay question, short answer question and MCQ.**

After a brief lunch break, the post lunch session was dealt by Dr.R.Suganya. She showed the participants the methods to choose and construct structured essay questions and structured short answer questions. Dr.A.Anupriya described the various parts of MCQ and made the participants evaluate and build an MCQ.

5. **Internal assessment and formative assessment**

The last session of the day was conducted by Dr.A.Velayutharaj. He informed the participants regarding the differences between internal and formative assessment and

stressed on the importance of both in CBME curriculum. He also showed the way the develop a plan for internal assessment and formative assessment.

Day 3:

The day begun with repertoire report of the previous day and analysis of feedback by Dr.S.Priya Banthavi

1. **Discussion on AETCOM Module: Reflection and narrative:**

The first session of the day was dealt by Dr.A.Anupriya. She demonstrated the ways the AETCOM module book needs to be used by the faculty. She made the groups demonstrate their planning and execution of various topics in the book for 4 different phase. She discoursed the way a reflection needs to be written. By the end of the session, the participants accepted and were ready to launch AETCOM module in the college

2. **Matching assessment to competency, objectives and learning to choosing the right assessment.**

The right assessment method for given objective/competency and learning method. One faculty form each group delivered the discussions that happened in the group and the other groups commented on this.

3. **Effective clinical and practical skill teaching**

Dr.P.Karthick delivered this topic. He spoke on how the clinical skills can be taught effectively using conventional, innovative and generic methods, skills lab, virtual reality etc. He also demonstrated skills can be taught in a workplace setup. Finally, he took the participants to skills lab and showed the use of skills lab.

4. **Assessment of clinical and practical skills**

Dr.M.Vijayakuamr and Dr.R.Kirubahar in this session demonstrated the ways to conduct assessment of the practical and clinical skills, both in teaching an workplace set up. He also made the participants create assessment plans for various domains using skills lab and the methods to design skills assessment station.

5. **Improving SDL through technology**

Dr.R.Thamarai in this session discussed the various methods to promote self-directed learning in students. She also showed how technology can be used to improve self-directed learning.

6. **Feedback.**

Dr.S.Revwathy in this session discussed and demonstrated the various techniques employed in providing and receiving effective feedback to and from students respectively.

7. **Education networking for growth**

The last session of the workshop was conducted by Dr.M.Prabha Thangaraj. She made the participants understand the different avenues for the ways in which a faculty can develop their growth in education. She also described the procedures to create and maintain networks in education.

The program was brought to an end with the Dean awarded the participants, resource person and the observer with certificate.

ACTIVITY : SEMINAR ON CLINICAL APPROACH TO AIDS MANAGEMENT

DATE: 2/12/2021 2- 4 PM

VENUE: Dr BC Roy Hall

CHAIRPERSON : Dr.N.Balasubramanian , Professor and HOD, Department of Dermatology

SPEAKER & CHIEF GUEST: Dr.Vasuki M.D[S.T.D].,D.G.O Professor and HOD, Department of Dermatovenereology, K.A.P.V Government Medical College, Trichy

TOPIC: Clinical approach to AIDS and management

DIGNITORIES: Dr.N.Balasubramanian ,Professor&HOD, Department of Dermatology

Dr.P.Karthick, Additional Medical Superintendent,Trichy SRMCH&RC

Dr.K.Kanagasanthosh, Secretary, IMA SRM Irungalur

Dr. Kamala, Co-Ordinator, Medical education unit

Dr.Santham Sweet Rose, Principal, SRM Trichy college of Nursing

PARTICIPANTS: 32 faculties of various Department Doctor's in Trichy SRM campus attended the session including Trichy SRM Medical College Hospital and Research Centre, AHS Courses, SRM Trichy College of Nursing.

PROGRAMME DETAILS:

Every year, on 1 December, World AIDS Day is observed. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

Forty years since the first AIDS case was reported, HIV still threatens the world. Today, the world is off track from delivering on the shared commitment to end AIDS by 2030 not because of a lack of knowledge or tools to beat AIDS, but because of structural inequalities that obstruct proven solutions to HIV prevention and treatment.

Department of Dermatology,Venereology and Leprology on concordance with the medical education unit conducted events to commemorate the World AIDS day.Of which on stage and off stage events were planned as follows:

On the 2nd December 2021, afternoon 2-4pm events took place in Dr.B.C.Roy hall. The program started with Thamil Thaai Vazhuthu.Dr. Dr.M.Bandhala Rajan, Assistant Professor, Dept of DVL, welcomed the gathering.The chief guest was honoured and felicitated with a momento by the Additional Medical Superintendent, Dr.P.Karthick who then addressed the gathering. SRM IMA Irungalur Secretary- Dr.K.Kanagasanthosh, Medical education unit Co-Ordinator- Dr. Kamala and Dr.Santham Sweet Rose, SRM Trichy college of Nursing felicitated the speakers.

The scientific session started with the chairperson Dr.N.Balasubramanian ,(Professor&HOD, Department of Dermatology) speech. Sir introduced the speaker and gave a brief talk on approach to AIDS.

The chief guest & speaker Dr.Vasuki M.D[S.T.D].,D.G.O Professor and HOD, Department of Dermatovenereology, K.A.P.V Government Medical College, Trichy then gave an enlightening speech on Clinical approach to AIDS and management. The session was very informative for all the students who attended.

As a mark of respect to show our combined effort to end AIDS we had planned and executed multiple activities for Trichy SRM campus on behalf of Department of Dermatology, Venereology and Leprology Department, Trichy SRM medical college and Reseach center.

S.no	DATE	EVENT	COLLEGE	TOPIC
1)	29/11/21	Quiz	MBBS	HIV
2)	30/11/21	Speech competition	Nursing college	"Ending the inequalities"

3)	26/11/21	Essay competition	Arts and science college	"எய்ட்ஸ்ஒழிப்பில் மாணவர்களின் பங்கு"

Above events were conducted as per schedule and winners selected for 2 prizes in each category who were awarded on the **WORLD AIDS DAY** event on 2/12/2021 by the dignitaries. The winners of the speech competition, Ms Aslin Benisha and Ms Keerthana, students of the SRM Trichy college of Nursing gave their winning speech on stage which was enthusiastic and was highly appreciated by the gathering.

Dr.R.S.Seethalakshmi, Senior Resident, Dept of DVL thanked the gathering.

The meeting was followed by high tea.

Meeting ended with National Anthem.

"DIABETES MANAGEMENT UPDATE CME "– REPORT

CONDUCTED IN COMMEMORATION OF 'WORLD DIABETES DAY' 2021

INTRODUCTION:

On view of the importance of updating knowledge in Diabetes – A CME on Management of Diabetes Update was conducted on 18th November 2021 by the Department of Medicine and Medical Education Unit. Institutional permission was obtained. The purpose of this programme is to update the knowledge on recent breakthrough in the management of Diabetes. Faculties of various department, Postgraduates and Final MBBS Part II Undergraduates participated in the programme. Reputed speakers in the field of Diabetes and General Physicians were invited to deliver the lecture on different aspects of Diabetes management.

DOCUMENTATION:

Registration: 8.30-9.00 AM

Inauguration:

Programme started at 9.00AM

Inauguration started with Tamil anthem and Physician Prayer at 9.00AM.

Lightening the Kuthuvizhaku at 9.00am by Dr.N.Balasubramanian, Dr.S.Revwathy, Dr.S.Ramesh Babu,Dr.K.Sivakumar,Dr.S.Vivek Sundaram,.

Welcome address was given by Dr.K.Sivakumar HOD Department of Medicine. He welcomed all the dignitaries and students for the programme. He extended his thanks to all the guest speakers. He introduced the theme of world diabetes day 2021-access to diabetes care to all. He told the importance of observing world diabetes day and conducting of this programme on diabetes management.

Dr.Revwathy, Dean – She enlightened the importance of updating diabetes knowledge to improve our standard of patient care and congratulate the department of General Medicine for conducting the programme.

Dr.N.Balsubramanian, Deputy Director – He emphasized the need of updating the knowledge in management of diabetes as it is highly prevalent in our countrary and this CME will help us to know some new development in the field of Diabetes.

Dr.Ramesh Babu, told the audience the reason for choosing for observing World Diabetes Day on November 14th every year and explained this year theme of ‘’access to diabetes care to all”’.

Inauguration was followed by prize distribution by the Dean, Deputy Director and Director of Medical Science to the winners of Cardiac Quiz conducted by the department of General Medicine.

Students who made short film on Diabetes awareness were honoured by cash prize of Rs.1000 by HOD General Medicine.

Inauguration ended by 9.20am.

SCIENTIFIC SESSION:

Started by 9.20 am.

DR. VIVEK SUNDARAM

Sir started his speech by enlightning the need of newer therapy in diabetic care.

He emphasized about the newer class of drug SODIUM DEPENDENT GLUCOSE TRANSPORTER 2 INHIBITOR. He explained this group of drug used as adjuvant therapy to have better glycemic control. This class of drug decrease HbA1C level by 0.6 to0.12%. it also helps in reduce blood pressure by 4 to 5 mmhg and reduce weight by 3 to 4kg,. He also asked physicians to use this class of drug in caution with patients on diuretics. He also pointed out that patient more prone for lactic acidosis, urinary tract infections. Use of this agent should be consider as adjuvant therapy for better glycemic control and dyslipidemia.

Dr.N.S.Prasad M.D,Diploma Diab.:

Sulfonylureas are insulin secretogogues that acts directly on beta cells of Langerhans of pancreas.Insulin released in two phases ,first phase is immediate and second phase is after10minutes.,second generation is more potent,notably glibenclamide,(=glyburide),gliclazide,glipizide and glimepiride.They can be additive to insulin therapy by decreasing SC insulin dose required,by stimulating endogenous insulin.It lowers Fasting plasma glucose by 36mg/dl to 72mg/gl equating to HBA1C of 1-2%.Due to

anabolic effects it cause weight gain of 1-4 kg.Micronised formulation of glibenclamide(glyburide) increases rate of absorption ,longer acting (ER) formulation of glipizide and Modified release (MR)of Gliclazide helps in once daily dosing.30mg of MR Gliclazide gives similar efficacy to 80mg of unmodified Gliclazide. And reduces risk of hypoglycemia.Sulfonyureas should be avoided in myocardial infarction as it interferes with ischemic preconditioning and increases vascular contractility causing increased cardiac mortality.Gliclazide is safer in CKD stage 1,2,3 (eGFR>30) in terms of hypoglycemia.

Dr.V.Ravindranath:

He emphasised the New generation insulin analogue offer flexibility and reduce the daily burden of diabetic care. He explained the advantage of Ultralong acting insulin that it reduces the number of injections and also reduces the risk of hypoglycaemia by releasing insulin in a steady manner without peak.

Ultra short acting insulin offer glycemic control around meal time.

Sir Listed about short acting insulin aspart and lispro with duration of action 2 to 4 hrs.

Ultralong acting are degludec and detemir with duration of action up to 24 to 48 hrs.

Dr.M.Shanmugavelu:

The GLP-1 RA s are based on the pleiotropic effects of the native gut hormones GLP-1 ,the target a broad spectrum of the multipacked pathophysiology of tye 2DM.In 2005 ,the GLP-1 RA were introduced into clinical practice and since they have been part of joint position statement on treatment of type 2 DM by the European association for the study of diabetes and the American Diabetes Association . It improve glucose homeostasis with low risk of hypoglycemia combines with a nobody weight loss with beneficial effects by reducing cardiovascular events.The first strategy is based on the naturally occurring from the saliva of lizard Heloderma suspectum.Short acting agent (<24hrs) Exenatide,Lixisenatide,Liraglutide.Long acting agents.(>24 hrs) Dulaglutide,Albiglutide,Exenatidel of fatty liver. He pointed out that more pipe line drugs are on phase 3 trial to come to the clinical practice in near future with very good effects on

preventing the progression of fatty liver and its ill effects. He clearly explained the action of various drugs in relation to the pathogenesis of fatty liver.

After Lunch, Diabetes Quiz was conducted by Dr.Prabhaharan, Assistant Professor. Twenty questions were asked. Every students are allowed to participate in the quiz. Prize money of rupees fifty was awarde to the students who gave correct responses to the questions asked.

The day was complete. A sense of gratification filled the hall. Dr.N.Nallathambi Registrar proposed the vote of thanks. An event to remember and cherish.

The Educational fest ended with the National Anthem.

And Dr.R.Vijayakumaran, Medical Superintendent, TSRMMCH&RC

Welcome address by Dr.S.Krishnan, Professor, Department of Dermatology

To commemorate the 70th birthday and superannuation of beloved Professor Dr.N.Balasubramaninan, Dr.K.Akila on behalf of sir made announcements regarding the proposed events every year planned to be conducted on February 23rd.It was as follows:

1. To acknowledge the treasured/reputed dermatologists in our field; in the name of Prof.Dr.N.Balasubramanian every year on February23rd an endowment lecture will be conducted. One eminent dermatologist from our state will give the lecture. SOP's has to be created as per the rules of the institution in this regard.
2. For the MBBS final year students Dermatology gold medal examinations will be conducted by the end of every December. The medal and certificates will be awarded on February 23rd of every year.
3. Postgraduate dermatology quiz programs will be conducted for the post graduates of the Tamilnadu state. The final round of this will be conducted on February 23rd of every year and awarded.

As per the vision of our HOD the department of Dermatology will conduct the above with the help of the hospital management.

Dr. Deepak, Retina surgeon felicitated his father Dr. N.Balasubramanian on the superannuation, 70th birthday on the special occasion.

The scientific session happened as follows

Session 1

Topic - Approach to a child presenting to the dermatology OPD

Chairperson - Dr.S.Krishnan
Speaker - Dr.N.Balasubramanian

Session 2

Topic - Interpretation of VDRL (case based scenarios)

Chairperson - Dr.A.Balasubramani
Speaker - Dr.S.Vasuki

Tea break

Session 3

Topic - Hansen's disease – a diagnostic dilemma

Chairperson - Dr.Ganapathy Sundar

Speaker- Dr.S.Narmadha

Session 4
Topic - LASER treatment in acne management and tough to treat pigmentation;

Snippets- Dermatology in general medicine

Chairperson - Dr.M.Bandhala Rajan

Speaker - Dr.A.V.Kaleeswaran

Session 5

Topic - Basics of LASER and light based devices and its indications

Chairperson - Dr.K.Akila

Speaker - Dr.Avitus John Raakesh Prasad

Session 6

Question and answer session with experts - All Faculties

Lunch break

The sessions was very interactive and informative for the dermatologists and post graduate students of various institutions of Tamilnadu. It also updated the knowledge of the faculty and postgraduates of various departments of the institution.

Dr.R.S.Seethalakshmi, Senior Resident, Dept of DVL thanked the gathering.

Meeting ended with National Anthem.

PARTICIPANTS WHO ATTENDED: A total of 95 doctors of various institutions in tamilnadu and multiple specialties of our institution attended the session registration was made of them and CME accreditation certificates were duly distributed.

FEED BACK AND ANALYSIS REPORT

Faculty and students who attended the conference were asked for their feedback.

They were overwhelmed with the lectures and how simplified each concept was made by the respective speakers. They requested for more such events in the future. Professor and HOD, Dr. N.Balasubramanian proposed a workshop to be conducted in near future in LASER by the eminent speakers.

Request for concurence

Fri, Jul 22, 2022 at 11:44 AM

Physiology SRM Trichy <hod.physiology@mc.srmtrichy.edu.in>
To: presidentaptn07@gmail.com

Dear madam
We would like to inform you that dept of physiology is going to conduct a CME on Approach to respiratory failure on the 26th of August
We wish to conduct it under the banner APTN. I request your concurence for the same.
Thank you
Prof & HOD Physiology

Mon, Jul 25, 2022 at 3:42 PM

PRESIDENT APTN <presidentaptn07@gmail.com>
To: Physiology SRM Trichy <hod.physiology@mc.srmtrichy.edu.in>

Dear Madam
I concur for the conduct of the CME 'Approach to respiratory failure ' on 26th August under the APT banner.All the best.
with regards
Dilara

Dr. N. Ramana

26.7.22

MP

CME INVITATION

TRICHY SRM MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE

SRM Nagar, Trichy - Chennai Highways, Irungalur, Trichy - 621 105.

Department of Physiology & Medical Education Unit

(Under Association of Physiologists of Tamil Nadu)

Presents

CME

on

"APPROACH TO RESPIRATORY FAILURE"

Venue: B. C. Roy Hall, 2nd Floor, Hospital Block.

Date: 26.08.2022 (Friday) Time: 09:00 AM Onwards

Dr. R. Shivakumar M.D., Ph.D.,
Chairman, SRM Group of Institutions,
(Ramapuram & Trichy Campuses)

will preside over the function along with the Administrators

Inaugural Address By

Dr. Revwathy. S
Dean,
TSRMMCH&RC.

Organizing Chairman

Dr. Nachal Annamalai
HOD & Professor, Department of Physiology,
TSRMMCH&RC.

Programme Schedule

Thamizh Thai Vazhthu & Lighting of Lamp

Welcome Address 09:00 - 09:05 am	Dr. Nachal Annamalai Professor & HOD, Department of Physiology.
Inaugural Address 09:05 - 09:15 am	Dr. Revwathy. S Dean, TSRMMCH&RC.
09:15 - 09:30 am	Felicitation along with the Administrators

Time	Scientific Schedule	Speaker
09:30 - 10:00 am	Session: 1 Mechanics of Respiration	Dr. Rajendra. D.H Professor,Dept of Physiology, TSRMMCH&RC.
10:00 - 10:30 am	Session: 2 Compliance & Surfactant	Dr. Nachal Annamalai Professor& HOD, Dept of Physiology, TSRMMCH&RC.
10:30 - 11:00 am	Tea Break	
11:00 - 12:00 pm	Session: 3 Pulmonary Function Tests	Dr. Hariharan. S Senior Resident, Dept of Respiratory Medicine, TSRMMCH&RC.
12:00 - 01:00 pm	Session: 4 - Poster Presentation for Post graduates Judges Dr. Rajendra. D.H, Professor,Dept of Physiology, TSRMMCH&RC. Dr. Muhil. M, Professor,Dept of Physiology, TSRMMCH&RC.	
01:00 - 02:00 pm	Lunch	
02:00 - 03:00 pm	Session: 5 Approach to Respiratory Failure	Dr. Sendhil. V Chest Physician, ABC Hospital.
03:00 - 03:15 pm	Tea Break	
03:15 - 03:30 pm	Valedictory Function	
03:30 pm	Vote of Thanks	Dr. Praveena. M Assistant Professor, Dept. of Physiology, TSRMMCH&RC.

CME BROCHURE

PROGRAMME SCHEDULE

08:30 - 09:00 am Registration	09:00 - 9:30 am Inaugural Address	Dr. Revwathy. S Dean, TSRMMCH&RC.

Time	Scientific Schedule	Speaker
09:30 - 10:00 am	Session: 1 Mechanics of Respiration	Dr. Rajendra. D.H Professor,Dept of Physiology, TSRMMCH&RC.
10:00 - 10:30 am	Session: 2 Compliance & Surfactant	Dr. Nachal Annamalai Professor& HOD, Dept of Physiology, TSRMMCH&RC.
10:30 - 11:00 am	Tea Break	
11:00 - 12:00 pm	Session: 3 Pulmonary Function Test	Dr. Hariharan. S Senior Resident, Dept of Respiratory Medicine, TSRMMCH&RC.
12:00 - 01:00 pm	Session: 4 - Poster Presentation for Post graduates Judges Dr. Rajendra. D.H, Professor,Dept of Physiology, TSRMMCH&RC. Dr. Muhil. M, Professor,Dept of Physiology, TSRMMCH&RC.	
01:00 - 02:00 pm	Lunch	
02:00 - 03:00 pm	Session: 5 Approach to Respiratory Failure	Dr. Sendhil. V Chest Physician, ABC Hospital.
03:00 - 03:15 pm	Tea Break	
03:15 - 03:30 pm	Valedictory Function	
03:30 pm	Vote of Thanks	Dr. Praveena. M Assistant Professor, Dept. of Physiology, TSRMMCH&RC.

ASSOCIATION OF PHYSIOLOGISTS TAMIL NADU

Department of Physiology & Medical Education Unit

(Under Association of Physiologists of Tamil Nadu)

Friday 26th August 2022
From 09:00 AM Onwards

CME on "APPROACH TO RESPIRATORY FAILURE"

Venue: B.C. Roy Hall, 2nd Floor, Hospital Block

Applied for The Tamil Nadu Dr.MGR Medical University credit points

Details for Poster Presentation(Post Graduates)

Abstract no longer than 250 words. It should be structured as

- Title, Introduction, Aim, Methodology, Results, Conclusion Keywords.
- Title of abstract should in Times New Roman fonts size of 14 and bold, Author Name with initials, designation & name of the institution. Name of the presenting author should be undelined
- Text should be in Times New Roman with font size of 12 and 1.5 line spacing and justified.
- Abstract reporting on research must include results.

A soft copy of the abstract (pdf format) must be sent to cmephysiology2022@gmail.com

The acceptance of the poster will be decided by the scientific team and will be intimated email.

Last date for submission of abstracts - Date : 15.08.2022

Requirements for Final Poster

- **Hard copy of printed Poster Size : 4' x 3'**
- **Font: Times New Roman not less than size 28.**
- Abstract presentation title no longer than 15 words or 100 characters.

It should include

Title of the article, Name of each contributor with institutional affiliation, Name, Official address, Mobile No. & Email-id of the corresponding author, Name of the presenting author should be Underlined.

Scan QR For Registration

https://forms.gle/rjwrJ5Y4DuRXRJ9w9

CME - ₹ - 100

The registration fees include CME materials, Lunch, Tea & Snacks for the day.

Mode of Payment : Netbanking

ACCOUNT NO.: 500101011678756
IFS Code : CIUB0000153
Beneficiary : Nachal Annamalai
Bank name: CITY UNION BANK, IRUNGALUR- BRANCH

*Registration confirmation will be intimated by email.

CME on "APPROACH TO RESPIRATORY FAILURE"

Chief Patron:

Dr. R. Shivakumar,
Chairman, SRM Group of Institutions (Trichy and Ramapuram Campuses)
Mr. S. Niranjan,
Co-Chairman, SRM Group of Institutions (Trichy and Ramapuram Campuses)
Prof. Dr. N. Sethuraman,
Chief Director (Trichy and Ramapuram Campuses)

Organizing Chairperson:

Dr. S. Revwathy, Dean, TSRMMCH & RC

Advisory Committee:

Dr. N. Balasubramanian, Deputy Director, (Trichy Campus)
Dr. R. Vijayakumaran, Medical Superintendent, TSRMMCH & RC
Dr. Ramachandra Goyal, Vice Principal, TSRMMCH & RC
Dr. D. Baba, Associate Dean - PG, TSRMMCH & RC

Organizing Committee
Department of Physiology

Organizing Chairman
Dr. Nachal Annamalai

REPORT ON THE CME PROGRAMME

REPORT ON CME ON "APPROACH TO RESPIRATORY FAILURE''

DATE: 26.08.2022 (Friday) 09.00AM - 03.30PM

A CME programme was conducted on topic "APPROACH TO RESPIRATORY FAILURE.'' The CME session started with welcome address by Dr. Nachal Annamalai, Professor and HOD of Dept. of Physiology. She addressed the gathering. Dr.S.Revathy, Dean, Deputy Director, Medical superintendent, Associate Dean, Vice Principal, Dr. Nachal Annamalai inaugurated the CME programme by lighting the lamp. After the prayer song, inaugural speeches were given by the dignitaries. It was followed by Tamil Thai Vazhthu.

The first scientific session started by Dr. D.H.Rajendra, Professor of Physiology gave a lecture on' Mechanics of respiration'. The second scientific session was by Dr. Nachal Annamalai Professor & HOD of Physiology on compliance and surfactant. The third scientific session was by Dr. Hariharan, Senior resident in Pulmonology, about lung function tests. Dr.Nachal Annamalai Professor & HOD of Physiology honoured the speaker with a memento. It was followed by a tea break. This was followed by postgraduate poster presentations. The judges were Dr. D.H.Rajendra, Dr.M. Muhil, Dr. Zahir Hussain and Dr.Rajkumar, Professor and HOD of Physiology, Dhanalakshmi medical college. The poster evaluation results were announced by Dr.Rajkumar.

The winners were 1) Dr.S.Jayashanthi ,Final year,post graduate,Dept. of Paediatrics (Trichy SRM)
2) Dr.V.Harirama, Final year,post graduate,Dept. of Physiology (Tirunelveli medical college) & Dr. A. Ajay Venkat,Final year,post graduate,Dept. of Ophthalmology (Trichy SRM)
A memento was presented by Dr. D.H.Rajendra to Dr.Rajkumar and it was followed by lunch break.

Post lunch scientific session started at 2pm by the guest speaker Dr. V. Sendhil, Chest Physician, ABC Hospital and Trichy gave a talk on 'Approach to respiratory failure'. It was a commendable and enlightening talk. Dr. Muhil, Professor of Physiology honoured the speaker with a memento. The session was followed by a tea break.

After that the session started with the valedictory function. The winners of the postgraduate poster presentations were rewarded with exciting cash prizes and certificates by Dr. Nachal Annamalai, Professor & HOD of Physiology. The session was concluded by Dr.M. Praveena, Assistant Professor of Physiology delivering the vote of thanks. The CME programme concluded by national anthem.

The CME had a total of 138 registrations.

Feedback forms collected and analysis was done.

18	IV National Workshop on Research Methodology	22nd – 24th March 2018	Institutional Research Board and MEU	30 Category III
19	III National Workshop on Research Methodology	14th – 16th September 2017	Institutional Research Board and MEU	30 Category III
20	CME on Dermatophytoses – challenges ahead	5th September 2017	Dermatology and Microbiology	5 category II
21	CME on Biochemical Evaluation of Bone and Bone disorders	24th August 2017	Biochemistry and MEU	10 Category II
22	CME on Medical Update	17th August 2017	Medicine and MEU	10 Category II
23	CME and Workshop on Nerve conduction	15th and 16th June 2017	Physiology and MEU	20 under category II
24	CME and Workshop on Quality Assurance in Clinical Lab Services	31st March 2017	Biochemistry and MEU	10 under category III
25	CME on Biology of Ageing & care of Elderly	17th March 2017	Biochemistry & MEU	10 under category II
26	Second Workshop on Research Methodology	2nd to 4th February 2017	Institutional Research Board and MEU	30 under category III
27	CME on RACE	10th Nov. 2016	Radiology, Anatomy & MEU	20 under category II
28	CME on CKD	19th July 2016	Biochemistry, Nephrology & MEU	10 under category II
29	Medicine Update 2016	24th June 2016	Medicine and MEU	10 under category II
30	CME on Spine	23rd April 2016	Orthopaedics an MEU	10 under category II
31	CME on Diabetes – a global emergency	7th April 2016	Community Medicine, Medicine and MEU	10 under category II
32	CME on Spectrum of Ultrasonographic Anatomy – a diagnostic and therapeutic approach	2nd April 2016	Anatomy, Research Cell and MEU	10 under category II
33	CME on Visual Neurophysiology	31st March 2016	Physiology, Ophthalmology & MEU	10 under category II
34	CME capsules on Managing Trauma	21st to 24th March 2016	Anatomy, Research Cell and MEU	15 under category II
35	CME on Polio the way forward	16th Feb. 2016	Community Medicine and MEU	10 under category II
36	CME on OSPE	6th January 2016	Medical Education Unit	10 under category II

37	CME on Cancer update	19th Nov 2015	Biochemistry and MEU	5 under category II
38	Workshop on Research Methodology	29th Sept to 1st Oct.	Research Cell and MEU	30 under category III
39	CME on Pharmaceutical Waste Management	30th Oct 2014	Pharmacology, HSR & MEU	10 under category II
40	CME on Basics in Dermatology	17th Sept. 2014	Skin and STD, HSR and MEU	10 under category II
41	CME on Cardiac illness	10th Sept 2014	Medicine, HSR and MEU	10 under category II
42	CME on Sepsis – a global killer	26th Sept 2014	Microbiology, HSR and MEU	10 under category II
43	CME on Voice disorder	18th Sept 2014	ENT, HSR and MEU	10 under category II
44	CME on Somatoform Disorder	17th Sept 2014	Psychiatry, HSR and MEU	10 under category II
45	CME on Ocular Pathology	14th August 2014	Pathology	10 under category II
46	CME on HIV Care	22nd July 2014	Skin and STD	10 under category II
47	CME on Heat Shock proteins and Antimicrobial Resistance	4th July 2014	Microbiology	5 under category II
48	CME on Operation Theatre Sterilization and Disinfection	29th March 2014	Microbiology	5 under category II
49	CME on Hemato Pathology	10th September 2013	Pathology, Health Science Research and MEU	10 under category II
50	CME on Expanding Frontiers in Anatomy and Workshop on Plastination	6th and 7th September2013	Anatomy, HSR and MEU	20 under category II
51	National Symposium on Emerging and Re-emerging viral infections	30th and 31st August 2013	Microbiology, HSR, MEU	15 under category II
52	Academic Carnival on Shock	13th and 14th August 2013	Forensic Medicine, Microbiology, Pathology and Pharmacology	10 under category II
53	CME on diabetes update	21st June 2013	Biochemistry, HSR, MEU	10 under category II
54	Lecture workshop on Neuropsychiatry diseases	4th and 5th April 2013	Biochemistry, HSR, Medical Education Unit (MEU)	15 under category II
55	Awareness programme on Antimicrobial Resistance – a global threat	16th March 2013	Microbiology	5 under category III

56	Lecture workshop on Need of Understanding the Neglected tropical diseases	26th and 27th Nov 2012	Microbiology and Health Science Research (HSR)	20 under category III
57	Third State Conference of IADVL – Tamilnadu branch	13th and 14th Oct 2012	Dermatology and MEU	20 under category II

CEP Topic of the Activity : CME ON "UPDATE OF HEPATITIS"

Department : Microbiology

Date : 10.08.2022

Credit Points : 05 Points

Category : III

A copy of the participants CEP Certificate has to be

submitted (After incorporating the Credit points / Category) to

University without fail.

with regards

Dr. R. Sudha, MD.

Dean of Students

DEPARTMENT OF MICROBIOLOGY
REPORT ON CME ON " UPDATE ON HEPATITIS"

Overview:

The Department of Microbiology,Trichy SRM Medical College Hospital and Research Centre,Trichy organised CME on Commemoration of " world Hepatitis Day – 2022'' on 'UPDATE ON HEPATITIS" on 10.08.2022 between2 .00 pm to 4,00 pm
Venue- the programme was arranged in Dr.APJ HALL

The resource person included:

1. Dr.R.Saraswathi, Professor, Dept of Microbiology
2. Dr.S. Kumaragurubaran, MD, DM(Hepatology)
3. Dr.P.Chitra Rajalakshmi, Professor & HOD, Dept of Microbiology
4. Dr.K.Sivakumar,Professor & HOD, Dept of General Medicine
5. Dr.K.ZahirHussain, Professor, Dept of General Surgery

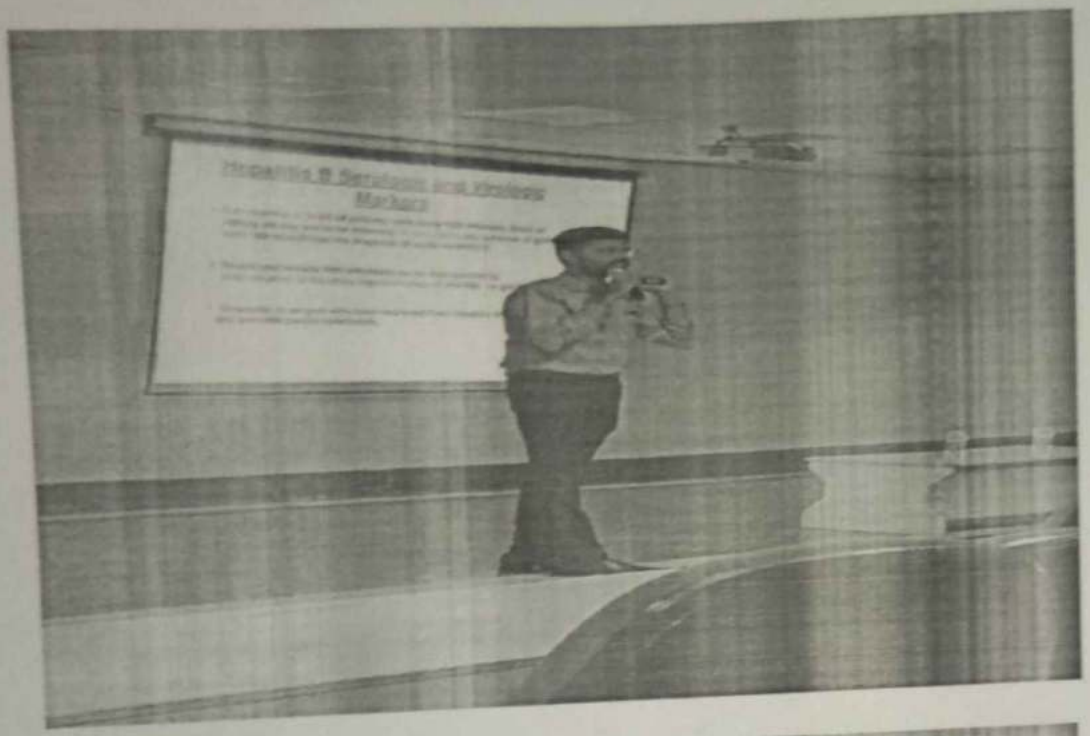
Faculty members attended:

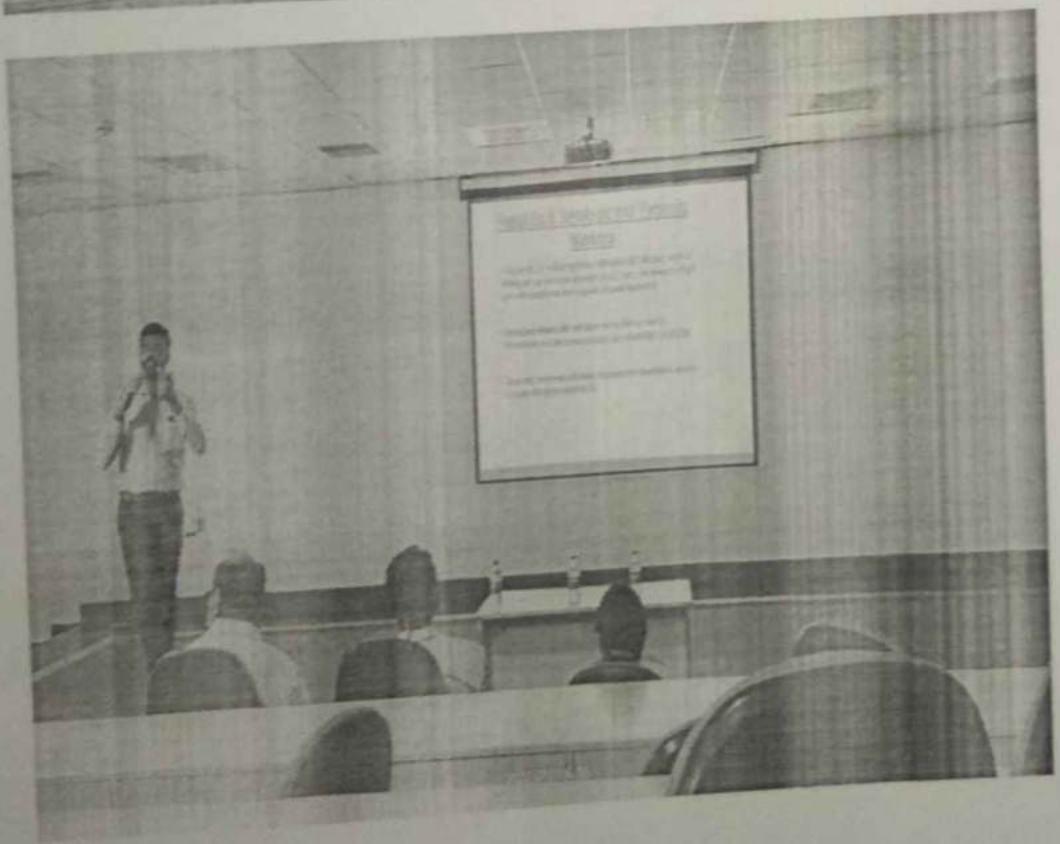
Dr. A.Anupriya, Professor, Dept of Microbiology
Dr.J.Lalithambigai, Assistant Prof, Dept of Microbiology
Dr. Diego Edwin, Assistant Prof, Dept of Microbiology
Dr.R.Dineshraj, Assistant Prof, Dept of Microbiology
Dr.Anitha.K, Assistant Prof, Dept of Microbiology
Dr.Karthika Mohan, Tutor, Dept of Microbiology
Mr. Vallab Ganesh Baradwaj , Tutor, Dept of Microbiology
Dr.Vijayadharani. T, Tutor, Dept of Microbiology
Dr.GerlineRenilda Rose, Tutor, Dept of Microbiology

Student Participants: 300 students(II year and Final year)
welcome address was given byDr.R.Saraswathi, Professor in the Department of Microbiology

Session III: Latest trends in management of Viral hepatitis

The third session on : Latest trends in management of Viral Hepatitis was presented by Dr.S. Kumaragurubaran, MD, DM(Hepatology). He elaborated on the modern treatment practices employed in the management of hepatitis.



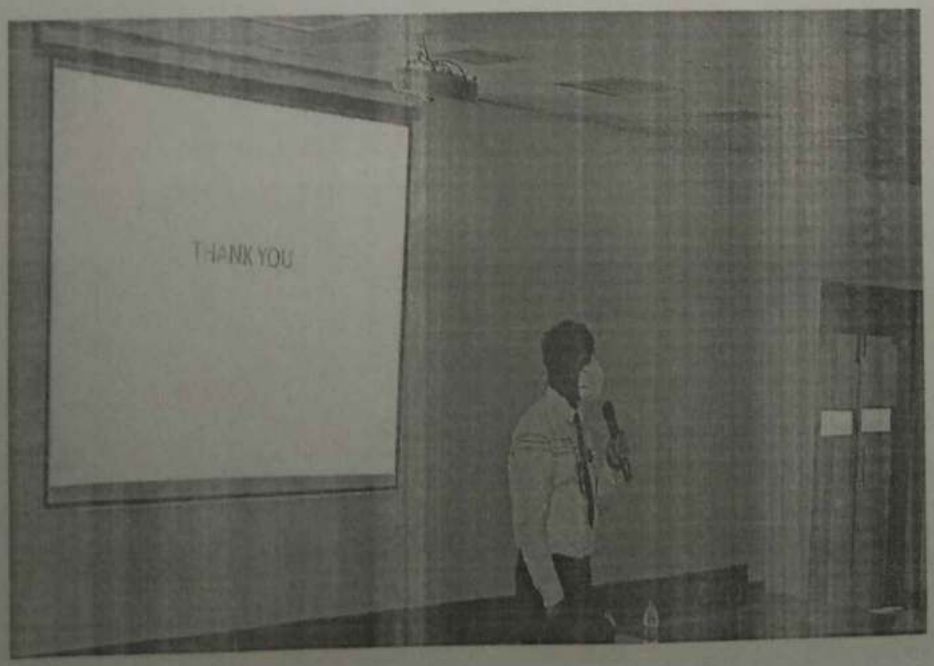


Session I:Global Pandemic- Silent Transmission of blood borne Hepatitis

The first session on Global pandemic- silent transmission of blood borne hepatitis was presented by **Dr.R.Saraswathi**, Professor in the Department of Microbiology. She elaborated about the epidemiology and transmission of blood borne Hepatitis. She explained in detail about the cause of the Hepatitis pandemic.

Session II:Medical Management of Blood Borne Hepatitis

The second session on Medical management of blood borne hepatitis was presented by Dr.K.Sivakumar,Professor & HOD, Dept of General Medicine. He discussed about the clinical presentation and medical management of hepatitis.



Session IV:Surgical interventions of viral hepatitis

The fourth session on Surgical interventions of viral hepatitis was taken by Dr.K.ZahirHussain. He gave an informative lecture on surgical management of viral hepatitis and the complications of surgical interventions.

Feedbacks were from the students through Google forms

3. Write any 2 Differences & 2 similarities between HBV & HCV

56 responses

Hbv is dna virus hcv is rna virus.both has lipid covering.

HBV is DNA virus and HCV is RNA virus
Both transmit through sexual transmission

Hbv - dna virus
Hcv - rna virus

Both are sexual transfusion

HBV is DNA virus and HCV is RNA virus
Botha are sexually transmitted

HBV is dna virus and HCV is rna virus

Hbv
They are DNA virus.
Hcv
They are RNA virus

Hbv is dna virus...hcv is ena virus

HBV is Dna Virus and HCV is Rna virus
Both are sexually transmitted

Hbv is a DNA virus hcv is a ena virus

Hbv is dna virus and hcv is RNA virus

Hbv is DNA virus and hcv is RNA virus

Hbv is dna virus....hcv is rna virus

HBV-DNA Virus HCV-RNA virus..HBV and HCV are transmitted sexually.bith affects liver

HBV is a DNA virus, HCV is a RNA virus
Similarities is both are transmitted sexually.

HBV is a DNA virus. HCV is a RNA virus

HBV is DNA virus and HCV is a RNA virus

HBV is a dna virus, HCV is a RNA virus

Both hepatitis B and C infections can cause short- and long-term effects. However, hepatitis C is more likely to turn into a chronic condition than hepatitis B. A person can transmit hepatitis B through bodily fluids, while the transmission of hepatitis C usually only occurs through blood to blood contact

Hbv is DNS Virus... Hcv is RNA virus

Similarity
1)blood borne disease
2) affects liver
Differences
1) Hepatitis B vaccine is available and not for hepatitis C
2) hepatitis b is blood and body fluids borne whereas hepatitis C is only blood borne

Hbv is DNA virus ... Hcv is RNA virus

Difference:
1. HBV-Hepadnaviridae family
HCV- Flaviviridae family
2. HBV- dsDNA
HCV- ssRNA
Similarities:
1. Both is transmitted by blood transfusion, serial transmission, vertical transmission.
2.disease progress to chronic hepatitis, cirrhosis, hepatocellular carcinoma

Hbv is a dna virus , hcv is rna virus

Hbv is DNA virus , HCV is RNA virus

HBV - DNA virus , HCV-RNA virus

HBV is a DNA virus .HCV is a RNA virus

HBV DNA virus and HCV RNA Virus

Hep B - transmitted through blood Nd body fluid
Hep C- transmitted through blood

HBV is a DNA virus and HCV is a RNA virus
Both are transmitted by blood route

HBV is transmitted through blood and body fluids, HCV is transmitted through blood only.HBV cause liver related deaths than HCV.
Similarities:Both cause chronic liver disease and Both have a risk of parenterally transmitted infections.

Hbv-DNA virus,parenteral transmission
HCV-RNA virus,transmission through contaminated food and water

Similarities
1 blood brone ddisease
2 affected liver
Difference
1 vaccine available for HBV not for HCV
2 HBV transmitted through blood and body fluids
HCV transmitted through blood

Parenteral transmission, cause HCC

HBV is dna virus HCV is RNA virus

Hbv dna virus..hbc rna virus
Similarities..both are sexually transmitted

hbv sexually transmitted not curable
hcv parenteral transmission curable

HBV is Dna virus... HCV is rna virus

Dna

Hbv dna virus hcv rna virus

hepatitis C is more likely to turn into a chronic condition than hepatitis B. A person can transmit hepatitis B through bodily fluids, while the transmission of hepatitis C usually only occurs through blood-to-blood contact.
Both hepatitis B and C are blood-borne pathogens ,both can lead to severe lung disease.

Differences - HBV is a DNA virus whereas HCV is a RNA virus. HBV is difficult to cure as compared to HCV. Similarities-Both are blood borne pathogens. Both can lead to severe liver disease.

Transmission of HBV is through bodily fluids, Hepatitis C is usually occurs through blood to blood contact.

Difference
1.HBV-DNA viruses
2.HCV -RNA VIRUSES
SIMILARITIES
BOTH ARE SEXUALLY TRANSMITTED

Differences :1.HBV is DNA HCV is RNA Similarities: 1.Both are viral infections affecting liver

DIFFERENCE : HBV is DNA virus and HCV is RNA virus
SIMILARITY: Both are viral infections affecting liver

Both are viral and causes inflammation in liver.Hep B not curable whereas hep C curable.Hepatitis B DNA virus Hepatitis C RNA virus

Both are viral and HBV is not curable, dna virus and HCV is curable, rna virus

Both are blood borne ,can lead to HCC
Help B transmitted through body fluids not help C , Hep B dna virus ,Hep C ena virus

Similarities:
Both are blood borne
Both can cause hepatocellular carcinoma

Differences:
Hepatitis B virus transmitted via body fluids but not Hep. C virus.
Hep. B is DNA virus but, Hepatitis C is RNA virus.

Difference:
Hbv: hepadna viridae family, dsdna
Hcv:flaviviridae family, ssrna
Similarities: both are transmitted by blood transfusion, serila transmission, vertical transmission.
Disease progress to chronic hepatitis , cirrhosis, hepatocellular carcinoma

Differences
1.HBV- hepadnaviridae family
HCV-flaviviridae family
2.HBV-ds DNA
HCV-ssRNA
Similarities
Both transmit through blood transfusions, vertical mode and serial transmission
2.disease progress into chronic hepatitis, hepatic chirosis, hepatocellura carcinoma

Difference- Hepatitis B from blood and body fluids, Hepatitis C by only blood
Similarities- both blood born pathogen, affect liver

4. What is the theme for World Hepatitis Day 2022

3. what was good about this session?

53 responses

Interaction

It was a clear cut session

Interesting

Valuable knowledge

Interactive one

The topic was very cleary taken

Nice interaction

Teacher and student interaction

Quiz part was interactive

Quizzes

The way of teaching is good

The overall explanation was good

The lecturer clearly explained about hepatitis in a very attractive way!!it was a very good session

Concept understanding

Getting knowledge about Hepatitis

Very good explanation for clinical scenario

Very interesting

Everything was good

Quiz conducted at the end

Got ideas of hepatitis

Interactive

Good lecture

So interactive...and games were fun

The way of explaining

Presentation was good

Presentation was good

the topic was made clear and understanding

Everything

Learned new

Clearity of explaination

Interactions, quiz event

Method of teaching

Interaction and a lot of clinical knowledge was acquired.

Good

The topic was very clearly explained

Explanation about blood borne hepatitis is very brief and clear

We have learnt in detail about hepatitis viruses..

Elaborate explanation

The teaching method made it easy to understand

We are able to correlate clinical things with microbiology

Knowing more clinically oriented

The session is not too long

It was useful

Everything

It was a very new experience for us. The way the sir presented was excellent.

Totally new and inspiring

Teaching method

It was easy to understand and fun to learn

4. How could this session be improved?

53 responses

Nil

Nothing

More interaction

Projector is less

Can be improved with some more interactive sessions

With better air system (sweat)

by conducting quizs

Nothing..

Animated videos

No more improvement is needed

Session was nice

Give snacks

It is better as it is

The session was already good

The session was best in it's own way...may be adding of some videos would have made the session even more interesting

-

None

Often such programs can be conducted

Already it was good

Pictures

More interactive

By making it more interactive and quizz

Hepatitis C could have been explained

Hepatitis C could have been explained

visual aids may be included

.

More videos

Videos could be added

Video related teaching

Food can be provided

Overall good

With more interaction

No idea

The screen at the back benches can be switched on

No suggestions

The session is already best.

Session in morning will be much better

It was very sufficient

If vedio lectures are included, this could be more better

By using some clinical features as pictures

Nothing

It could be more interactive

The session was beyond any required improvement

Add Practical session ..do each one of u

The screen could have been a bit bigger . Certain terms were not visible from back

5.Any other topics/suggestions for Guest Lecture

53 responses

HIV

No

Nil

.

Hiv

AIDS

Malaria

Shock

Repeatetive sessions are suggestivw

Again can be implemented

Tuberculosis

We want more classes like this

Other all

other types of carcinoma Or any outbreak viruses

Medical life

-

None

Peptic ulcer

Diabetes

Covid

Heart related diseases

Nothing

Nothing

hiv, diabetes,cancer, immunity

Diabetes, CKD

Drugs for various disease

Covid 19

Overall good

TB or HIV

Pneumonia, Tuberculosis, Meningitis, Encephalitis.

Tuberculosis, cirrhosis, gastritis pancreatitis, appendicitis, ulcers

Mycobacterium

Cancer

Cardiovascular disorders

Oncology

How to clear pg exam

Necrotising fasciitis

Cancer

6. Overall feedback of this session

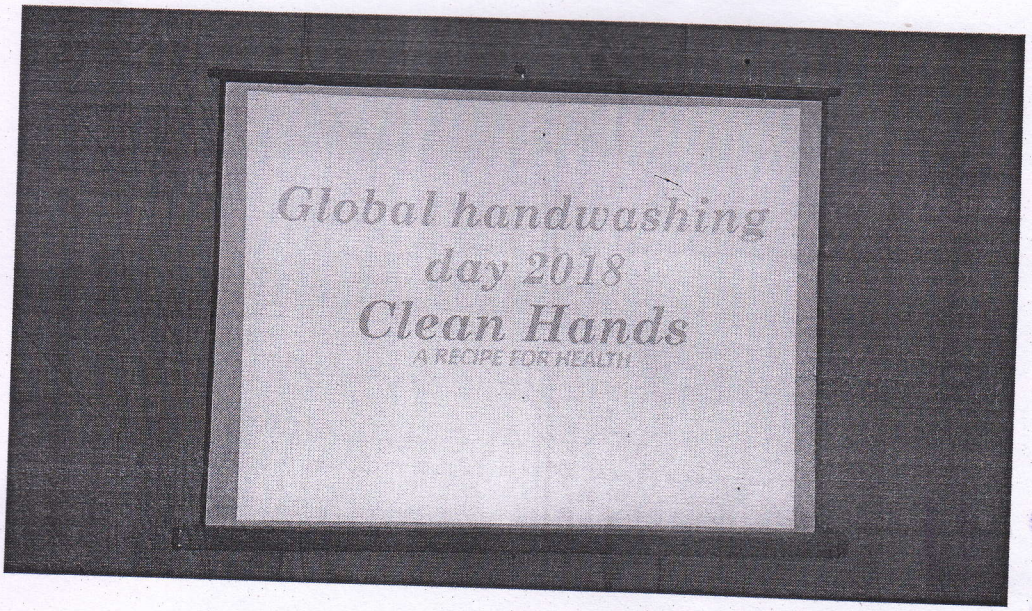
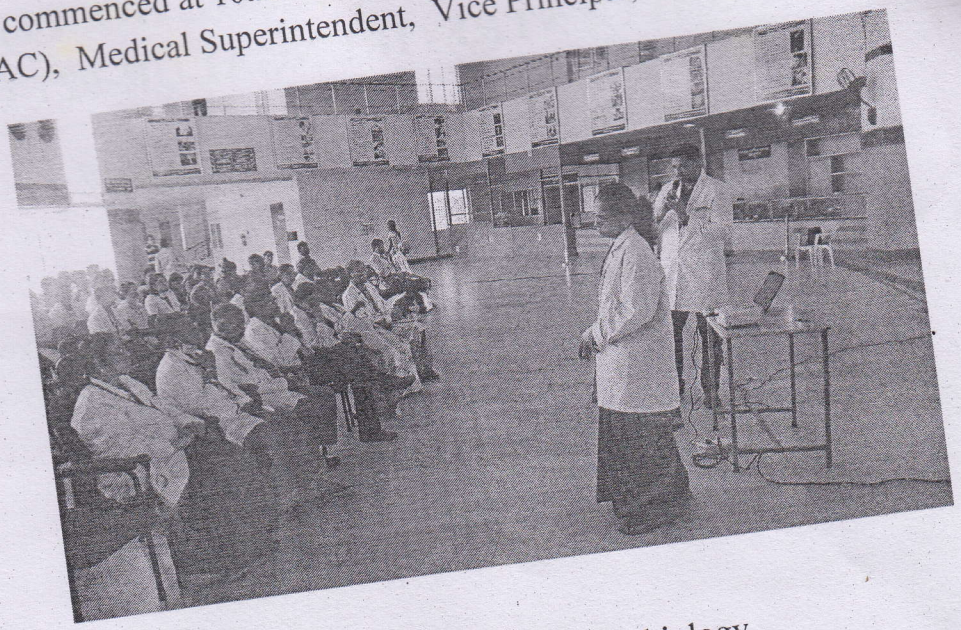
Write Up On Observation of Global Hand Washing Day held on 15.10.2018

The Global Hand Washing Day was observed on 15.10.2018, organized by Dept of Microbiology and HAICC at Hospital Lobby(Near Vinayagar statue) between 10am and 11am.



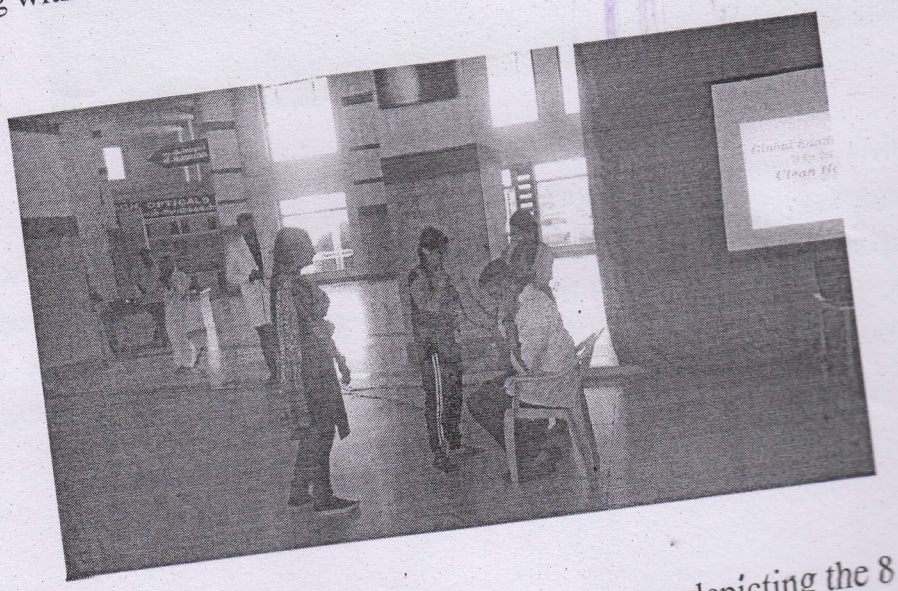
Permission from Dean was previously obtained Staging a skit titled "Hand washing-A recipe for health"which is the theme for 2018 global handwashing day as fixed by the WHO. A photo story contest on the theme (Hand Hygiene in Health care & Clean Hands- a recipe for Health) byMBBS Students of our institution was also held. The rulesfor photo story contest was displayed in all student notice boards earlier.

The program commenced at 10am in the presence of Deputy Director (Campus
Director (IQAC), Medical Superintendent, Vice Principal, Students, Nursing St

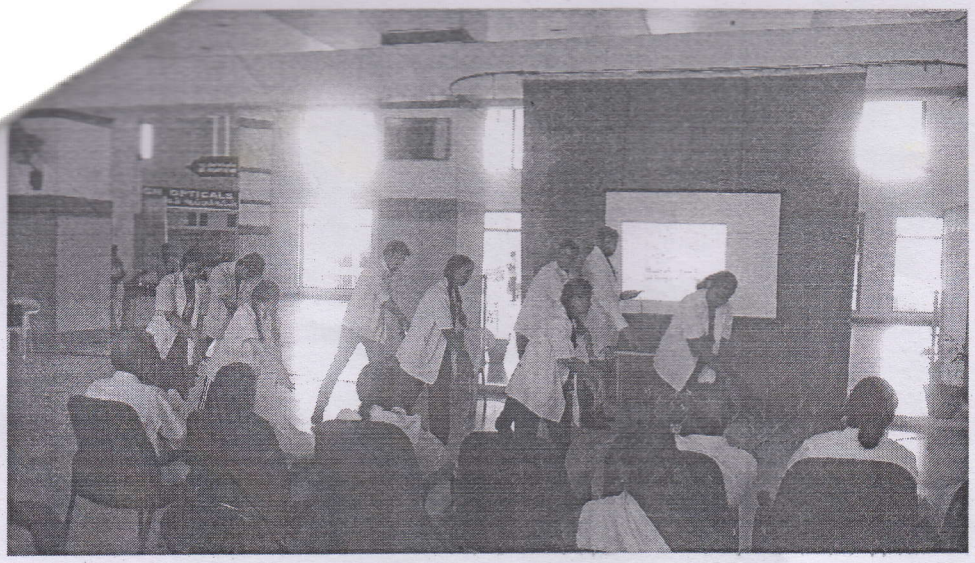


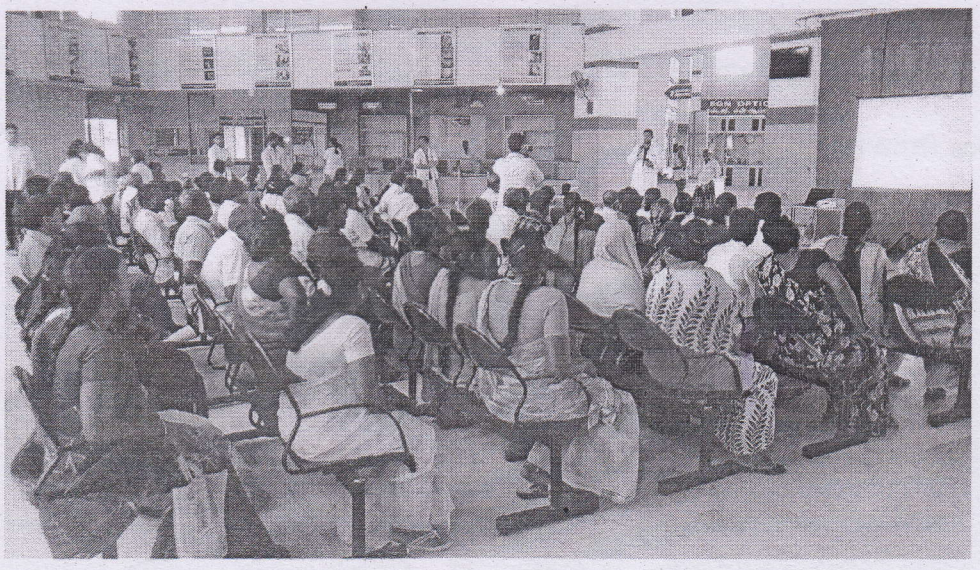
public following welcome address by HOD of Microbiology.

Dr.Diego Edwin, the Organizing Secretary explained about the theme & importance of Hand Washing with soap & water in the prevention of transmission of communicable diseases.



This was followed by a skit on Hand Hygiene and a [illegible] depicting the 8 stepsof Hand Hygieneby II MBBS students.Both of them were well appreciated by thespectators.





There were 2 entries for Photo story contest Ram Mukesh 2nd yr MBBS student and Harshavardhan 1st year MBBS student.Both the photostories were displayed played for the onlookers. Cash prize was awarded to the winners.

The programme came to an end with vote of thanks by HOD of Microbiology.

Glimpses from the program.

திருச்சி SRM மருத்துவமனையிலிருந்து வந்த மருத்துவர் மற்றும் செவிலியர் கை கழுவுவது பற்றி சொன்னார்கள் எப்படி கை கழுவ வேண்டும் என செய்து காண்பித்தார்கள். நன்றாக புரிந்தது.

Rsm மருத்துவமனைக்கு வந்தபோது கைகுலுக்கி தினம் கொண்டாடப்பட்டது. அப்போது கை குலுக்கி முறை மற்றும் அதன் பயன்கள் பற்றியும் தெரிவாக தெரிந்து கொண்டேன்.

திருச்சி SRM மருத்துவமனைக்கு வந்த கைகுலுக்கி தினம் சிறப்பாக இருந்தது. அப்போது கை கழுவும் முறை மற்றும் அதன் பயன்கள் பற்றியும் தெளிவாக தெரிந்து கொண்டேன்.

Report on Re-orientation training on Biomedical Waste management -2019

Organized by

Department of Microbiology and Community Medicine

Trichy SRM Medical College Hospital and Research Centre, Tiruchirapalli

16.10.2019 & 17.10.2019

Report on "Re-orientation training on Biomedical Waste Management (BMWM) -2019"

Background

The healthcare centers while providing services generate waste which may be dangerous to health. The waste generated in hospital has potential to transmit infections and other hazards to health care worker and nearby community, if not managed effectively. Adequate awareness amongst the hospital staff and practices regarding the biomedical waste management is crucial to prevent these hazards.

As per the mandate of the BMWM rules -2016, the Department of Microbiology has planned to conduct reorientation programme on Biomedical Waste Management for all the health care personnel of Urban health training centre (Samayapuram) and Rural health training centre (Sangenthi) including Medical officers, CRRIs, Staff nurses, laboratory technicians and house keeping staff for 2 days ie., on 16.10.2019 and 17.10.2019.

Details of attendance in each category

Date & Time	Venue	Participants	Total nos
16.10.19, 2 -4 pm	Samayapuram - UHTC, Conference hall	Medical officers (2 nos.), Junior residents (2 nos.),Staff nurses (3 nos), FNA (3 nos), Lab technician (1 no), Pharmacist (1 no), OA (1no), Housekeeping staff (2 nos), Health Inspector (2 nos), MSW (1no), Manager (1 no)	19
17.10.19 10 to 1pm	Sangenthi-RHTC, Conference hall	Medical officers (1 no.), CRRI (7 nos.),Staff nurses (2 nos), FNA (3 nos), Lab technician (1 no), Pharmacist (1 no), OA (1no), Housekeeping staff (2 nos), MSW (1no), Manager (1 no)	20
Total HCP			39

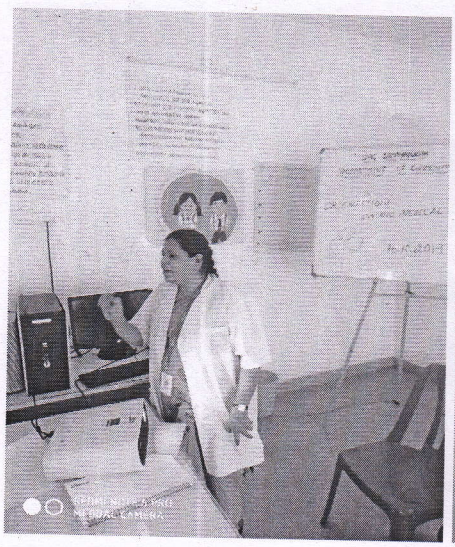
TECHNICAL DELIBERATIONS

Dr.G.Vazhavandal, Associate Professor of Microbiology and Biomedical Waste Management (BMWM) officer i/c delivered lecture on various aspects of BMWM using power point presentation and demonstrations.

The speaker highlighted on what is biomedical waste, why should we know about this?, What are the objectives of BMWM rules 2016?, quantity of BMW generated in Indian hospitals, sources of BMW, infections transmitted by poor compliance of BMWM and its mode of transmission , color coding and different categories of Biomedical waste, how to segregate BMW, importance of segregating BMW at the point of generation, specifications for the common storage area, managing liquid waste and effluent treatment plant, various treatment options available for final disposal at Common Treatment Facility, Sengipatti. She highlighted the importance of treating labwaste, documentation, types of registers and avoiding needle stick injury.

She also mentioned that there is no need for twin bin and also emphasized the disposal method of blood bag after transfusion reaction as per the new amended BMWM rules-2016.She also elaborated the importance of labeling and bar coding of BMW bags, development of website and updating the daily/ monthly data of BMW, bio-hazard logo, method of transportation of BMW, procedure for authorization, accident reporting and annual reporting, and legal implications for the non compliance of BMWM rules 2016.

Mrs.Valantin Jhansi Rani, Infection control nurse demonstrated the management of needle stick injury, blood spill and mercury spill & method of removal of Personal Protective Equipments.



Dr.G.Vazhavandal, addressing Staff of UHTC (Samayapuram) on 16.10.2019 - Biomedical Waste management Re-orientation training

Circular

Sub: Training on usage of Fire Extinguisher and quenching Fire-reg.

The faculty and staff of various departments working in this hospital and college have to be trained in procedures involved in quenching fire. Moreover these type of training has became a part of the quality enhancement activity. The NABH authorities expect every employee shall have clear ideas and skills to quench fire. With regard to this, it is proposed to have a training programme on handling fire extinguisher and quenching fire.

The Administrative officer of the hospital has been entrusted to organize a training programme on handling fire extinguisher and quenching fire for all categories of employees working in the hospital and college in batches between 02.00pm and 03.00pm every day commencing from 07.08.19 in consultation with Dean, Medical Superintendent and Nursing Superintendent as given below.

Venue: Behind hospital 'B' Block (New Dental – Open Air Space)

Date	Time	Categories	
07.08.19	02.00pm and 2.30pm	Faculty and Residents	36
08.08.19	02.00pm and 2.30pm	Staff Nurses (all categories), FNA,MNA and ANM	130
09.08.19	02.00pm and 2.30pm	Lab Technicians, Other Technicians	42
13.08.19	02.00pm and 2.30pm	Office Staff	125
14.08.19	02.00pm and 2.30pm	College faculty and Staffs	81

414

Signature shall be obtained from the participants in the attendance sheet for each category for office purposes. In view of the necessity, all the categories of employees are asked to participate on the date specified and complete the drill before 14th Aug 2019.A copy of the records shall be submitted to the Dean for the purpose of accreditation agencies such as NABH, NAAC – IQAC etc.,

Dean

Department of Pharmacology

Minutes of the Adverse Drug Reaction Training Programme

ADR Monitoring Centre (AMC) for pharmacovigilance Program of India (PvPI) under the Department of Pharmacology, TSRMMCH&RC organized the Adverse Drug Reaction Training Programme for Staff Nurses. The programs conducted under PvPI are monitored by Indian Pharmacopoeia Commission, MoHFW, Government of India, Ghaziabad.

The ADR Training Programme was organized from 25.11.2020 to 30.12.2020 every Wednesday at Dr.B.C.Roy Hall (Hospital Block) from 1-2 pm.

The Program was organized in the following scheme:

The initiation of the program was presided over by the Dean Dr.N.Balasubramanian and felicitated by Medical Superintendent Dr.R.Vijayakumaran. Welcome address was delivered by Dr.K.Vasanthira Professor & HOD, Department of Pharmacology. The trainer involved in the program was Dr.K.Kanagasanthosh, Assistant Professor.

The following salient points were discussed during the Training Programme:

- Definitions in Pharmacovigilance
- Current emphasis on ADR Monitoring.
- Pharmacovigilance Program of India
- What, When and how to report ADR
- Organizational problems & solutions

As part of the program, training on recognition of ADR and filing up HCP reporting form version 1.3 were discussed. At the end of the program, vote of thanks was delivered by the ADR Monitoring Centre, Secretary Dr.K.Kanagasanthosh.

Department of Pharmacology

ADR Monitoring Centre for Pharmacovigilance Program of India (PvPI)

Department of Pharmacology

Minutes of the Adverse Drug Reaction Training Programme

ADR Monitoring Centre (AMC) for pharmacovigilance Program of India (PvPI) under the Department of Pharmacology, TSRMMCH&RC organized the Adverse Drug Reaction Training Programme for Staff Nurses. The programs conducted under PvPI are monitored by Indian Pharmacopoeia Commission, MoHFW, Government of India, Ghaziabad.

The ADR Training Programme was organized from 23.06.2020 to 28.07.2020 every Tuesday, Thursday & Wednesday at Dr.B.C.Roy Hall (Hospital Block) from 12-1 pm & 2-3 pm.

The Program was organized in the following scheme:

The initiation of the program was presided over by the Dean Dr.N.Balasubramanian and felicitated by Medical Superintendent Dr.R.Vijayakumaran. Welcome address was delivered by Dr.K.Vasanthira Professor & HOD, Department of Pharmacology. The trainer involved in the program was Dr.K.Kanagasanthosh, Assistant Professor.

The following salient points were discussed during the Training Programme:

- Definitions in Pharmacovigilance
- Current emphasis on ADR Monitoring.
- Pharmacovigilance Program of India
- What, When and how to report ADR
- Organizational problems & solutions

As part of the program, training on recognition of ADR and filing up HCP reporting form version 1.3 were discussed. At the end of the program, vote of thanks was delivered by the ADR Monitoring Centre, Secretary Dr.K.Kanagasanthosh.

ADR Monitoring Centre for Pharmacovigilance Program of India (PvPI)

Department of Pharmacology

Minutes of the Orientation Program

ADR Monitoring Centre (AMC) for Pharrmacovigilance Program of India (PvPI) under the Department of Pharmacology, TSRMMCH&RC organized the Pharmacovigilance Orientation Program for Staff nurses and Pharmacists. The programs conducted under PvPI are monitored by Indian Pharmacopoeia Commission, MoHFW, Government of India, Ghaziabad.

As per circular Ref.No.536/TSRMMCH&RC/ME-1/2021 dated 02 August 2021, the orientation program was organized from 4th August 2021 to 8th September 2021 every Wednesday at Dr.B.C. Roy Hall (Hospital Block) from 1:00 pm to 2:00 pm.

The program was organized in the following scheme:

The initiation of the program was presided over by the Dean Dr.S.Revwathy and felicitated by Medical Superintendent Dr.R.Vijayakumaran. Welcome address was delivered by Dr.S.Vijayarangan, Professor & HoD, Department of Pharmacology. The trainers involved in the program were Dr.S.Vijayaranagan, Dr.K.Kanagasanthosh, Dr.Nivethitha.T, Dr.Kamalasundar.T and Dr.Uma Mageshwari.

The following salient points were discussed during the orientation program:

1. Definitions in Pharmacovigilance
2. Current emphasis on ADR Monitoring
3. Pharmacovigilance Program of India
4. What, when and how to report ADR
5. Organisational problems & solutions

As part of the program, training on recognition of ADR and filling up HCP reporting form version 1.4 were discussed. At the end of the program, vote of thanks was delivered by the ADR Monitoring Centre Coordinator Dr.Kanagasanthosh.

MINUTES OF THE MEETING

ADR Monitoring Centre for Pharmacovigilance Program of India (PvPI) under the Department of Pharmacology organized the "National Pharmacovigilance week Celebration" - A Step towards Patient Safety from 17th September to 23rd September. It's been monitored by Indian Pharmacopoeia Commission, MoHFW, Government of India, Ghaziabad.

On 21st September 2021 at Dr.B.C Roy Hall (Hospital Block) from 4.00-5.00PM the event was organized.

Welcome Address delivered by Dr.S.Vijayaragan, Professor and HOD, Department of Pharmacology.

Dean of the institute, Dr.S.Revwathy, Presided over the function and gave speech on Pharmacovigilance Week Celebration. She further mentioned about the ADR should be Monitor by the Physician and Staff Nurses, which should be report to pharmacology department. She also gladly informed that our Trichy SRM Medical college hospital and Research Centre have got an Authority on monitoring the ADR and informing to National Pharmacovigilance Centre at Ghaziabad.

The event was felicitated by Deputy Director Dr.N.Balasubramanian. He addressed about the frequent adverse Drug reaction occurring in the Dermatology Department in the OP and IP Patients, which should be vigil enough to inform and prevent the reaction.

Director of Medical Sciences (Trichy Campus), Dr.S.Ramesh Babu, talked about the ADR occurring in the Patients should be notified to the Pharmacology Department and also gave a speech about Prescription written by the Physician should be always in the Capital Letter and in Generic Name and not in Brand Name.

Medical Superintendent Dr.R.Vijayakumaran and Additional Medical Superintendent Dr.P.Karthic, congratulated the organizing committee and wished them a grand success in near future of the Pharmacovigilance Program being conducted by the Department of Pharmacology.

Dr. S. Vijayakumar

Professor and Head
Dept. of Pharmacology
Trichy SRM M. C. H. & R. C.
...ur-Po., Trichy-621 105

Coordinator of Pharmacovigilance Dr.K.Kanagasanthosh, Associate Professor, Department of Pharmacology, revealed the theme of the Celebration of National Pharmacovigilance Week. He further discussed about the salient features to be implemented in the community. The following points were identified,

1. Awareness of pharmacovigilance to all health workers,
2. Sensitization programe to health care workers
3. Quiz, slogan contest, Drawing contest and photography contest for students and health care workers,
4. Innovative approach for patient safety to be identified.

As part of the Celebration the Department Of Pharmacology conducted **competition to 2nd Year MBBS Students on 20th September afternoon 2 to 5pm**. The following contest was held:

1. Quiz contest,
2. Sloan Contest,
3. Drawing Contest,
4. Photograph Contest among the Second Year MBBS Students.

The Best of the three groups was selected for the prizes and Medals.

On the Day of valedictory Program, distinguished Delegates appreciated the participants and the winners. Medals and certificate were distributed to the individual Students who participated in the contest.

At the end of the programme Pharmacovigilance Notifier Dr.K.Uma Mageshwari, Assistant Professor, Department of Pharmacology gave the Vote of Thanks.

Report Format for Workshops/CME/Training Programmes Funded By PvPI

(Applicable to All RTC/AMC Coordinators)

- Title of the Workshop/Training/ Events/Programme: **Encouraging ADR Reporting with High Risk Medication**
- Type of the Training (Please √) 1- CME [ ] 2- ALT [√]
- Name of the organization: **Trichy SRM Medical College Hospital & Research Centre**
- Name of the RTC/AMC: **Department of Pharmacology, Trichy SRM Medical College Hospital & Research Centre**
- Name of Pharmacovigilance Associates (if any): **Dr.Kamalasundar.T**
- Duration and mode of Workshop/Training/Events: **Seminar/1 hour each**
- Venue of the workshop: **Dr.B.C.Roy Hall**
- Total Number of Participants attended (Please provide the designation wise breakup of Participants i.e.): Doctors, pharmacist, nurses, Students, Industry professionals and Consumers **(in Table Format).**

S. No.	Designation	Numbers
1	Doctors	20
2	Nurses	56
3	Pharmacists	7

- Details of speaker: **Dr.Kamalasundar.T**
- Brief outline of the Agenda: **To encourage ADR Reporting by patients treated with High Risk Medication**
- Model Certificate and course content (soft copy if any)
- Outcome of the training **(250 words)**
    - Pharmacovigilance Program is a continuous and dynamic process which will provide real evidence of safety of drugs in Indian population.
    - Healthcare professionals including Doctors, Nurses and Pharmacists who contribute for patient safety knew about the importance of ADR reporting to improve drug safety.
    - Since the methods to reduce medications errors is complex without knowing about the High Risk Medication, the HCP were oriented towards do and don't with drugs in addition to ADR reporting.

- These are drugs that bear a heightened risk of causing significant patient harm when they are used in error. Adverse drug events may be rare but clearly devastating to patients with these drugs. Hence ADR reporting was highlighted during these sessions in the patients in whom these drugs were used.

- HCP became ware about the processes involve in reporting reactions since a simple adverse event notification form in google form format was released.

- The HCP were shown the safety stickers used in the hospital while storing these drugs in cabinets and discussed about the risk factors involved with these drugs: Poorly written medication orders, Incorrect dilution procedure, Wrong infusion rate, Confusion in the routes and strength of the preparation, Look alike or sound alike product and similar packaging.

- HCP became aware about the safeguards in using these drugs: Stopping use of dangerous abbreviations such as "U", Use a leading zero before a decimal place, Removal of high concentrated electrolytes from all nursing trays for regular drugs, Review the hospital formulary for sound-alike and look-alike medications, Use of "tall man" lettering for sound-alikes & look-alikes, Careful review of product arrangement on shelves to avoid similar packaged or sound-alike medications being side by side, Use flow-control pumps for continuous intravenous (I.V) infusions, Use of visible coloured warning labels.

- Feedbacks/Suggestions received from Participants/Speaker (if Any)
  Hands on Workshops in future can be conducted at the level of hospital.
