

Course Completion Certificate *Robin Mathew*

Azim Premji
Foundation

has successfully completed the

COVID Suraksha Course

An online, non-credited short course for community volunteers, conducted by the
Distance Education Department of Christian Medical College, Vellore
in collaboration with Azim Premji Foundation.

This short course covers a range of topics to help the community volunteer acquire
basic knowledge and skills related to COVID-19 with an emphasis on :

- Prevention and health education.
- Care of those who are advised home quarantine and home isolation.
- Psychosocial aspects of the pandemic.
