Hello team,

The tour package was great. Ashish ji had organized the whole program well on time. Some hotels were light but overall package was good.

Yesterday

Hello Sir, Hope you enjoyed our hospitality, could you please share your honest or any useful suggestions inorder to enhance the experience of our guest in the future? This will be a big help for us. Thanks!

My overall experience was very nice. I really enjoyed the hospitality and transportation services. Just one thing, the cab for Dhow cruise was smelly and the driver was playing songs very loudly. So it was little bit annoying just for one day. Overall I am happy with your services and definitely recommend to others 🙏. Thank you
