

SUMMER IN DUBAI

WHY DUBAI THIS SUMMER?

While most people consider Dubai to be a great destination for the winter months there is absolutely no reason to shy away from the wonderland in summers.

Despite the soaring temperatures, one can chalk an amazing trip and make the most of their time and money in Dubai.

On one side, the temperature soars in the summers but on the other, there is a drop in hotel prices. Even the most luxurious hotels in Dubai such as the iconic Atlantis the Palm or an extravagant Jumeirah Zabeel Saray offer you a chance to live the dream on a much smaller budget.
