# WHO WE ARE

**Established 2018 | Countries 6 | Teams Impacted 100+**

CP Sports is a football-focused sports management company specialising in grassroots development, elite youth tournaments, international exposure programs, CSR initiatives and football infrastructure development.

*Arichandhan*  
CP – Founder & Director

## Our Roots **VEERAN FOOTBALL LEAGUE**

The Veeran Football League began with one goal to create a strong platform for young football talent. We proudly completed three successful seasons:

- ▶ **Veeran Youth League Season 1 – July 2024**
- ▶ **Season 2 – July 2025**
- ▶ **Veeran Junior – Sept 2025**
- ▶ **Veeran Winter Cup - Dec 2025**

Each league celebrated our players with medals, jerseys, certificates, and ended with a grand ceremony where winners and runners-up were honored with trophies.

Now, with strong foundations and growing passion, we are ready for our next chapter: The upcoming Veeran Summer Cup.

**THESE ARE OUR ROOTS. THIS IS VEERAN FOOTBALL.**
