Subject: Launch of 'Mobile App' for the Agent Partners

Earlier in April, 2018 the Company had launched its Digital Corporate Platform for corporates to manage their foreign exchange requirements for business travel and in June, 2018 the Company had launched its Digital Agent Platform, a comprehensive solution for agent partners for providing foreign exchange services.

In line with the Company's focus to be an asset light Forex Tech Company, it is our pleasure to announce the launch of 'WSFX Smart Agent' mobile app, for the Company's agent partners. The agent platform along with Smart Agent app will provide a comprehensive digital solution for agent partners to manage their forex referral business in an efficient and seamless manner. Through the app agent can refer leads, track order status, monitor his commissions, take pricing decisions etc.

At WSFx we bring trust, transparency and convenience in the foreign exchange dealing and at the same time building a scalable digital business model. We are making rapid progress in the transformational journey of the Company, with the objective of enhancing value creation for all stakeholders.

Thanking You,
For Wall Street Finance Limited
