Mumbai, October 2025: GlobalPay today announced Xplorer, India's **India's First Pay-Per-Use Metal Prepaid Global Card** at Day 2 of the Global Fintech Fest (GFF) 2025. WSFx Global Pay Limited is an RBI Authorized Dealer Category II foreign exchange house and a BSE-listed entity with 30+ years of leadership in compliant, innovative forex solutions. With Xplorer, users enjoy flexible access to premium travel benefits, streamlined multi-currency management, and complete fee transparency delivering a seamless and rewarding travel and payment experience

Zero-Fee Freedom in Forex

Xplorer eliminates legacy friction and hidden costs: free transfers across 12 multi-currency wallets, zero cross-currency conversion charges, zero ATM withdrawal fees, and no load/reload, and no cash-out. Customers spend what they see, turning forex from an expensive necessity into a seamless utility.

Pay-Per-Use Privileges

Beyond forex, Xplorer's Pay-Per-Use model puts customers in control of what they pay for and when. Access global airport lounges, airport transit hotels, visa assistance at doorstep, global SIM, and instant travel insurance only when needed. For indulgence, opt into golf club access, airport spas, curated F&B privileges, and valet services on demand. No tiers, no lock-ins, just flexible privileges that travel with you. Dilip Modi, Chairman, GlobalPay, said, "Xplorer reimagines how Indians experience freedom in travel and payments. By pairing our RBI AD-II license, BSE-listed governance, and three decades of trust with a prepaid, zero-fee and pay-per-use design, we are putting transparency, flexibility, and control into our customers' hands."

Speaking on the launch, Srikrishna Narasimhan, Whole-Time Director & CEO, WSFx GlobalPay, added, *"We are building an ecosystem, not just a card. Zero-fee forex removes hidden costs, while pay-per-use privileges ensure customers pay only for what they value. Launching at GFF reflects our commitment to innovation, compliance, and customer-centricity."*

Activation is simple through the GlobalPay app: activate card, upload documents, load forex via UPI/net banking, and complete instant video KYC.
