CHAIRMAN'S STATEMENT

Ladies and Gentlemen,

It gives me great pleasure to welcome you all to the 27th Annual General Meeting of your Company.

The world economy has experienced subdued growth for another year in 2013, unable to meet even the modest projections many institutional forecasters made earlier, including the World Economic Situation and Prospects (WESP) 2013. World Gross Product (WGP) is estimated to have grown by 2.1 per cent in 2013, lower than the baseline forecast of 2.4 per cent published in WESP 2013, but still better than the alternative pessimistic scenario presented in that report.

Underperformance in the world economy was observed across almost all regions and major economic groups. Most developed economies continued struggling in an uphill battle against the lingering effects of the financial crisis, grappling in particular with the challenges of taking appropriate fiscal and monetary policy actions. A number of emerging economies, which had already experienced a notable slowdown in the past two years, encountered new headwinds during 2013 on both international and domestic fronts.

Some signs of improvements have shown up more recently: the euro area has finally come out of a protracted recession, with gross domestic product (GDP) for the region as a whole returning to growth; a few large emerging economies, including China, seem to have backstopped a further slowdown and are poised to strengthen. Premised on a set of assumptions, WGP is forecast to grow at a pace of 3.0 and 3.3 per cent for 2014 and 2015, respectively. Again, this baseline forecast is made in the context of a number of uncertainties and risks emanating from possible policy missteps and factors beyond the economic domain. Despite the notable differentials in the growth rates among different groups of countries, cyclical movements in growth remain synchronized while the average growth of middle-income countries continues to be the highest, growth for the least developed countries (LDCs) is expected to strengthen in 2014-2015.

The World has become a much more interconnected place over the course of the past few years. Among other things, the Internet, and the presence of truly global media, has meant that more and more isolated parts of the world are coming together. This has led to a truly integrated world economy, with more and more parts of the globe coming together in mutually beneficial arrangements.

Unfortunately, this also means that a slowdown in one part of the world has an impact on any economy associated with it. This is what has happened to the Indian Economy as well. Besides the troubled Eurozone, the economies of all major G8 nations have taken a hit. Even industrial production in China has slowed down, something that hasn't happened in the last decade, at least.

It is not all doom and gloom, however. The essentials of the economy are still sound, with growth being projected at 4.6 percent for fiscal year 2013-14, and should pick up to 5.4 percent in 2014-15. This is still higher than most countries of the world, and let us not forget that the base upon which this growth rate is calculated, keeps on increasing as well. Stronger global growth, improving export competitiveness, a favorable monsoon, and a confidence boost from recent policy actions should deliver a modest growth rebound. However, fiscal restraint and a tighter monetary stance will act as headwinds, slowing the recovery. The current account deficit should narrow in fiscal year 2014-15 to about 3.3 percent of GDP, supported by rebounding exports, higher remittances, rapidly-shrinking gold imports, weakening domestic demand, and broadly stable oil prices.

The principal risk facing India in the current fiscal is the inward spillover from global financial market volatility. Protracted economic and financial volatility (triggered by exit of advanced economies' exit from unconventional monetary policies), a lengthy Euro area growth slowdown, and higher oil prices are the main external risks. Slow progress on structural reforms, high inflation, failure to ease supply constraints, and resorting to expansionary fiscal policy are key domestic downside risks. On the upside, going beyond announced reforms or faster-than-envisaged legislative progress would lead to higher growth and reduce economic vulnerability.

Your Company had achieved milestone in both Money Changing and Money Transfer business by achieving all time high in Company's history in terms of business volume on daily basis. I am confident that we will continue to achieve further milestones in the coming year. Your Company is not only a growing entity; it is, in fact, hungry for more. Your Company believes in the Spirit of Ceaseless Improvement, and this is reflected in every aspect of our work. Your Company does not believe in having ever done enough. We do not believe in benchmarking our performance with anyone else's, because the day a company sets targets in comparison with others, it loses that spark of motivation that keeps it on its toes. Your Company will never let that happen.

Your Company has direct focus on money-transfer business as one of the leading agent of Western Union, global market leaders in money remittances. Despite growing competition and pressure on revenue in Money Transfer business, Company did sufficiently well in this segment. The Company handled 16.63 lacs transactions with a total remittance volume of Rs 3,785 cr.

Despite stiff competitive challenges coupled with change in market dynamics, business pattern and high volatility in the currency movements, the organization has been able to keep with the committed growth numbers in forex business. We continue with our strategy to focus on building the retail business. Our strategy has been to acquire and to retain the professionals and corporate executives through corporate tie-ups, leisure travelers through travel agents and students through education consultants and other sources. During the year your Company restarted the business of currency exports in a calibrated manner. Your Company also obtained the approval from RBI for importing currency. The Company has already started import of currency.

Taking into consideration the emerging opportunities in the Domestic Money Transfer business, your Company is now actively exploring opportunities of entering this business. Domestic Money Transfer remains a huge untapped market for the organized sector. Lack of last mile connectivity through the banking channels provides your Company a unique opportunity to synergistically extend its bouquet of services. We believe that this opportunity can provide significant boost to the profitable growth momentum of your Company.

I am very much obliged to inform that your Company is also in the process of starting operations in Insurance business in its wholly owned Subsidiary Company under the name 'S Global Insurance Advisory Limited'.

As always the Board has committed itself to ensure the highest levels of ethical standards, professional integrity, corporate governance and regulatory compliance which will ensure that your Company remains result driven and a professionally managed company in the financial services sector.

Your Company takes its responsibility to the Society very seriously. We realize that the Corporation needs to go hand in hand with civil society, in order to contribute to the overall development of the nation. Also, any responsible company would ensure that its social responsibility is kept to the bare minimum, in order to secure the future for the upcoming generation of people. To this end, Your Company has set up a dedicated CSR Committee, which enables the Company to have a focused approach to this aspect of operations.

The Financials of your Company for 2013-14 are encouraging. Your Company was able to earn more profit in this financial year 2013-14 as compared to previous year due to Company's strong focus and dedicated team work. I would like to draw your attention here to the famous words of wisdom from Lord Gautam Buddha "What you are is what you have been. What you'll be is what you do now."

A truly successful Company will need to keep re-inventing and so as a smartly driven organization, change is recognized early in the business environment and responded proactively strengthening our competitive advantage. In short, we remained focused and determined.

Success in any field is rarely an individual effort. Even in the most private successes, every person is supported, even in a small way, by a veritable army of well-wishers and other stakeholders. Your Company is truly grateful for the support it has received from its Board of Directors, Shareholders, investors and valued clients for keeping faith in us, year after year.

We look forward to the continued support of all our stakeholders in this journey with the same spirit. I would like to assure my shareholders that I shall, with my capable team members, strive best to take our Company to the position it deserves.

Before I conclude, I would also like to express my sincere and heartfelt thanks to Promoters, Regulators, customers, employees, Board of Directors and other stakeholders for their whole hearted support, guidance and commitment to this Company. I must also place on record my sincere appreciation for your unstinted support to the Company in all its endeavors. Your Company has never doubted its potential, or its ability to sustain its growth story. We constantly demand the best from ourselves, and it is this desire to achieve that motivates us day in and day out.

DIRECTORS' REPORT

To,

The Members of Wall Street Finance Limited,

Your Directors present the 27th Annual Report of your Company along with the Audited Financial Statements of Account for the year ended 31st March 2014.

OVERVIEW:

Global economy is showing signs of gradual recovery over the last few quarters. Taking cue from this recovery of the developed economies, the emerging markets are also once again on the path of slow and steady growth.

Indian Economy has also shown signs of improvement. India's GDP marginally improved from 4.5% in 2012-13 to 4.7% in 2013-14 due to high growth in Agriculture and Allied Sectors. Inflation has also shown signs of decline. Fiscal deficit however continues to remain a concern.

Extreme volatility in the domestic currency throughout the year affected the money changing business. The sharp depreciation in the rupee affected overseas travel inspite of these volatility and adversities, your directors are happy to inform you that the Company had revealed better results in the financial year 2013-2014. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

“Do not judge each day by harvest you reap but by seeds you plant”

GLOBAL ECONOMIC ENVIRONMENT

Global economy is showing signs of gradual recovery over the last few quarters. Taking cue from this recovery of the developed economies, the emerging markets are also once again on the path of slow and steady growth.

Foreign exchange markets experienced two distinctive events during 2013: the early part of the year was highlighted by a dramatic depreciation of the Japanese yen, and in May-June, a number of emerging and developing countries saw the sharp devaluation of their currencies. Outlook for 2014-2015, suggests major uncertainties and volatility in foreign exchange markets will still be associated with the currencies of emerging economies.

Currencies in many developing countries and economies in transition have depreciated vis-à-vis the United States dollar and other major currencies in 2013. Currencies in a number of emerging economies depreciated by the largest amount in May-June 2013, particularly in Brazil, India, Indonesia, South Africa and Turkey, at the same time that capital inflows to these economies declined. In contrast, the renminbi of China continued to appreciate gradually against the United States dollar and other major currencies.

Many large developing countries, including Brazil, China, India and the Russian Federation, saw a significant deceleration in GDP growth in the past two years, due to a combination of challenging external conditions and domestic impediments. Growth in these economies is expected to strengthen in some cases, such as Brazil and India, and to stabilize in others, such as China.

TRENDS IN ECONOMIC GROWTH IN INDIA

India's growth has slowed significantly, reflecting global developments and domestic supply constraints, while inflation remains stubbornly high. Led by falling infrastructure and corporate investment, the slowdown has impacted other sectors of the economy as well. The financial position of banks and corporates has deteriorated. The combination of persistently-high inflation, sizeable current account and fiscal deficits intensified the global liquidity tightening-induced balance of payment pressures experienced during the summer, resulted in significant portfolio debt outflows, and pressures on currency, equity and bond markets. Along with improving external conditions, positive policy steps taken by the authorities have improved market sentiment. The current account deficit, after reaching a record high in FY2012-13, is narrowing fast, and capital inflows have picked up. While recent policy initiatives have reduced vulnerabilities, the policy space remains strictly circumscribed because of high deficits and debt, and elevated inflation.

Growth was projected at 4.6 percent for fiscal year 2013-14 against the actual 4.7 percent, and should pick up to 5.4 percent in 2014-15 at factor cost. Stronger global growth, improving export competitiveness, a favorable monsoon, and a confidence boost from recent policy actions should deliver a modest growth rebound. However, fiscal restraint and a tighter monetary stance will act as headwinds, slowing the recovery. CPI inflation is expected to remain near double-digits well into next year, driven by high food inflation that feeds quickly into wages and core inflation; entrenched inflation expectations; the pass through from a weaker rupee; and ongoing energy price increases. WPI inflation is forecast to remain above the Reserve Bank of India's comfort zone, given that supply constraints will ease only gradually. The current account deficit should narrow in fiscal year 2014-15 to about 3.3 percent of GDP, supported by rebounding exports, higher remittances, rapidly-shrinking gold imports, weakening domestic demand, and broadly stable oil prices.

OVERVIEW OF COMPANY'S OPERATIONS

The Company is a Non Banking Finance Company (NBFC Category B), licensed by the Reserve Bank of India (RBI). We are also an Authorized Dealer – Category II and also licensed to operate the Money Transfer Service Scheme (MTSS) by the RBI. Thus the Company's operations are subject to strict regulatory surveillance.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

The Company undertakes the business of Money Remittance (Inward) as a Principal Agent of Western Union Financial Services Incorporation. The Outward Remittance services are provided by the Company for the specific purposes prescribed by the Reserve Bank of India.

During the financial year the company has earned profit inspite of challenging macroeconomic conditions. The Company continued with its strategy to focus and grow the Foreign Exchange and AD-II business by aggressive acquisition of customers and by penetrating deeper into the markets. The company also exported niche currencies to take advantage of demand and supply situations. All these lead to a strong growth in the Forex business. The company continued its focus on the Inward Money Transfer business by working closely with existing sub-agents and also by appointing new sub-agents. The Company is also exploring the possibility of introducing new products which may maximize revenue from the existing customer / distributors base. The strategy is to focus on Money Transfer, Retail Forex and Outward Remittance activities and increasing the sub-agent footprints which should improve the performance of the Company.

MONEY TRANSFER AS PRINCIPAL AGENT OF WESTERN UNION (WUMTS)

India continues to be the world's largest recipient of remittances. The remittances grew from US\$ 69 billion in 2012 to US \$ 71 billion in 2013. Remittances to India are expected to grow 8 percent year-on-year to reach about USD 77 billion in 2014. Remittance volumes to developing countries, as a whole, are projected to continue growing strongly over the medium term, averaging an annual growth rate of 9 percent to reach \$540 billion in 2016.

An upward revision of flows to India is primarily due to weakening of rupee in the first half of Year. However decrease in the number of blue-collar migrants to other countries has affected the overall growth in our segment of remittance industry. There is also a shift in remittance pattern with increased payout per transaction.

Our company has direct focus on money transfer business as one of the leading agent of Western Union, global market leaders in money remittances. The company continued its focus to build efficiency in existing business. With growing competition and pressure on revenue, the Company did sufficiently well in this segment.

ZONE WISE PERFORMANCE OF MTSS BUSINESS:

South continued as major contributor of the total MTSS turnover followed by North, West and East respectively.

Almost 1100 new sub-agents were appointed during the year under consideration. With a view to have more hygiene, compliant and productive sub-agent network almost 1800 non performing sub-agents were deleted.

The outlook for this segment remains cautiously positive in short to medium terms due to global macroeconomic challenges which are leading to low migration eroding certain diasporas. The cash to cash segment is also getting affected due to emergence of new technological changes which are competing with our products.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

While all of these challenges have gained some prominence with passing of time, your company remains committed to explore the growth potential existing in the inward remittance business with an aggressive footprint plan & focused partner retention measures.

FOREIGN EXCHANGE BUSINESS

The Company has been operative for about 26 years and has gained a formidable market status in a highly competitive market where about more than 800 players vie for a sizeable market share in an industry pegged at US\$27.4 billion transactions.

Financial Year 2013 - 14 for the company has been a year of growth in the foreign exchange business wherein the focus was on acquisition of customers aggressively. We continued trading of currencies in wholesale market to meet the retail requirements. We restarted the export of bank notes with only select currencies & segments resulting in stronger yield.

Despite stiff competitive challenges coupled with change in market dynamics, business pattern and high volatility in the currency movements the organization has been able to keep with the committed growth numbers. We continue with our strategy to focus on building the retail business. Our strategy has been to partner professionals and corporate executives through corporate tie-ups, leisure travelers through travel agents and students through education consultants and other sources.

ZONE WISE PERFORMANCE OF FOREX BUSINESS:

The distribution of business is more equitable in Forex with West Zone contributing 33% of the overall forex turnover followed by North Zone at 25%, East Zone at 23% and further followed by South Zone with 19%.

The efforts put in to build up Retail business through substantial customer acquisition helped the business to grow. The company also focused on retailing of Forex Pre-paid cards. The company has forged strong alliances with market leaders and preferred names like Axis Bank, American Express Bank and HDFC Bank for pre-paid card product.

Outward Remittance - A brief Overview in 2013-14

During the year an outward remittance accounted for about 14% of the total Forex business of the Company's turnover. Your Company is acknowledged as a significant player in AD-II segment and has trained and experienced staff to provide quality service to its customers. Besides student & immigration remittances, the Company is focusing on other categories to enlarge its customer portfolio. We have also emerged as one of the key players in the tour remittance market.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

ZONEWISE PERFORMANCE OF OUTWARD REMITTANCE BUSINESS:

North Zone contributes to a large portion of the business to almost 70% of the country's total. North Zone is followed by West Zone and South Zone.

INTERNAL CONTROL SYSTEM

Your Company has been successful in setting required internal control systems, the adequacy of which has been reported by the Auditors in their report as required under the companies (Auditors Report) Order, 2003.

The Company's financial, operational, legal and accounting control systems are being upgraded as an ongoing process as per requirement. Each of these departments is functioning independently and reviews are done periodically by the Management and are improved upon wherever felt necessary.

Internal Audit is a part of the Internal Control system of the Company. All the Control systems are subjected to the Internal Audit by the Independent firms of Chartered Accountants appointed by the Company. Besides the Internal Audit, the system of Concurrent Audit, as required under the RBI regulations, is also in place. Your Company always strives to be fully compliant by observing stricter compliance mechanism. A qualified and Independent Audit Committee of the Board comprising majority of Independent Directors of the Company reviews the Internal Audit Reports and the adequacy of Internal Controls.

In order to further strengthen the internal control measures and to streamline the key processes, the Company is going in for an Enterprise wide Real Time Transaction System and expected to go-live shortly.

FINANCIAL AND SEGMENTWISE PERFORMANCE

The discussion on the financial performance of the Company is covered in the Directors' Report. However, segment wise performance is not reported as during the year under review, the financials and allied services segment has ceased to be reportable business segment within the criteria defined under Accounting Standard 17.

EMPLOYEE RELATIONS

Your company has taken various initiatives during the year to attract industry talent. The relations with employees remained cordial during the year under review. The Company has undertaken various initiatives for recognizing employees for their contribution. The company has also started imparting trainings on KYC / AML guidelines and Operations training to up-skill the employees. The number of people employed by the Company as on 31st March 2014 was 261.

CAUTIONERY STATEMENT

Statements forming part of the Management Discussion and Analysis covered in this report may be forward looking within the meaning of applicable securities laws and regulations. However, actual results may differ materially from those expressed in the statement due to various factors including changes in government regulations, exchange rates, tax laws, economic and political developments etc.

INDEPENDENT AUDITORS' REPORT

To

THE MEMBERS OF WALL STREET FINANCE LIMITED

Report on the Financial Statement

We have audited the accompanying financial statements of **WALL STREET FINANCE LIMITED ("the Company")**, which comprise the Balance Sheet as at 31st March 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2014;
- b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flow of the Company for the year ended on that date.

INDEPENDENT AUDITORS' REPORT (Contd.)

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ('the Order') issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
 - e) on the basis of written representations received from the Directors as on 31st March 2014, and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2014, from being appointed as a director in terms of Clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

1. NATURE OF OPERATIONS

Wall Street Finance Limited ("the Company") is a premier financial services company with forex and money remittance as its core activities. The Company engages in the buying and selling of foreign currencies, travellers' cheques and various forex-related services. The Reserve Bank of India (RBI) has granted license to operate as an Authorised Dealer Category-II apart from holding a NBFC license as a Non-Deposit accepting financial company. The Company is also the principal agent of Western Union Financial Services - the world's largest money transfer company.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation of Financial Statements

These financial statements are prepared under the historical cost convention on an accrual basis, to comply, in all material aspects, with all the applicable accounting principles in India, the applicable accounting standards notified u/s 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956 and guidelines issued by the RBI as applicable to Non-Banking Financial Companies.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

The financial statements are presented in Indian rupees and rounded off to nearest lacs, unless otherwise stated.

b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c) Fixed Assets, Depreciation and Amortisation

- I. Fixed Assets are stated at cost of acquisition including incidental expenses. All costs directly attributable to bringing the asset to the working condition for its intended use including financing costs are also capitalized.
- II. Depreciation is provided on Straight Line Method at the rates prescribed under Schedule XIV to the Companies Act, 1956. In respect of Computer Software, the cost is amortized over a period of three years from the date of first use, as this is the economic useful life as estimated by the management.
- III. Asset costing 5,000 or less have been depreciated over a period of one year.

d) Inventories

Inventories are valued at lower of Weighted Average Cost and Net Realisable Value as on the last day of Financial Year.

e) Revenue Recognition

- I. Income from money changing business is arrived at after deducting cost of sales from sales and related income.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

- II. Income from money transfer services is accounted on completion of transaction with the end customer.
- III. Income from consultancy and commission is recognised on completion of relevant activity based on agreed terms of the contract.
- IV. Receipts in respect of assignment of debts are accounted as per the terms of the agreement.
- V. Loss on insurance claim is recognized on settlement of claim or earlier if the claim is not considered recoverable by the management.
- VI. Dividend is recognized when the right to receive dividend is established and known.
- VII. Interest, as and when applicable, on refunds from statutory authorities, is recognised when such interest becomes determinable, based on completed proceedings. Other interest income is recognised using time-proportion method, based on interest rates implicit in the transaction.
- VIII. Recovery proceeds realized from debts written off as bad debts are accounted as income in the year of receipt.
- IX. Profit / Loss on sale of fixed assets and investments are recognised on completion of transactions.
- X. Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of service tax.

f) Foreign Currency Translation

- i. **Initial Recognition:** Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency as on the date of the transaction.
- ii. **Conversion:** Foreign currency monetary items are reported using the closing rate. Non-monetary items, if any, which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate as on the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- iii. **Exchange Differences:** Exchange differences arising on the settlement of monetary items or on reporting monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments.

Non-current investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Current investments are classified into - (a) quoted and (b) unquoted. Current quoted investments are valued at lower of cost or market value.

Valuation norms for current unquoted investments are followed as under:

- I. Equity shares (at lower of cost or breakup value or fair value)

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

- II. Re 1/- for the entire block of holding if the balance sheet of the investee company is not available for the last two years
- III. Preference shares at lower of cost or face value
- IV. Government securities at carrying cost

h) Retirement and Other Employee Benefits (AS 15)

- i. **Provident Fund and ESIC:** Company's contribution paid / payable during the year to Provident Fund, and ESIC are recognized in Statement of Profit and Loss.
- ii. **Gratuity:** The Company has made an arrangement with Max New York Life Insurance Co. Ltd. to administer its Gratuity scheme. The Company's liability is determined on the basis of actuarial valuation using Projected Unit Credit Method as at balance sheet date. Actuarial Gains / Losses are recognised immediately in the statement of Profit and Loss in the year in which they arise.
- iii. **Leave Encashment:** Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method as at the reporting date. Actuarial gains / losses are immediately taken to the Statement of Profit and Loss Account and are not deferred.

i) Income Taxes

Tax expense for the year, comprising current tax and deferred tax is considered while determining the net profit or loss for the year. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date. Deferred tax assets are not recognized unless, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax is reviewed at each balance sheet date.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account.

j) Provisions and Contingencies

A provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

k) Prudential Norms

The Company continues to be registered as a Non-Banking Financial Company (NBFC) classified as a Loan Company and is therefore required to follow the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 for its NBFC activities.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

Non-performing assets are provided for as per management estimates, subject to the minimum provision as per Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 in case of money transfer activities. Provision on standard assets is made as per the notification DNBS.PD.CC.No.2007/03.02.2002/2010-11 issued by Reserve Bank of India.

l) Extraordinary Items

Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events / transaction is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

m) Operating Lease

Some of the lease agreements for hiring the premises are in fact in the nature of leave and license not falling under operating lease classification. Any subsequent renewal / new agreements shall be entered on leave and license basis.

n) Impairment of Assets

At each balance sheet date, the Company assesses whether there is any indication that any asset may be impaired. If any such indication exists, the carrying value of such assets is reduced to its estimated recoverable amount and the amount of such impairment loss is charged to the Statement of Profit and Loss. If, at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

INDEPENDENT AUDITORS' REPORT

To
THE BOARD OF DIRECTORS OF WALL STREET FINANCE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of WALL STREET FINANCE LIMITED ("the Company"), and its subsidiary (collectively referred to as "the group") which comprise the Consolidated Balance Sheet as at 31st March 2014, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March 2014;
- b) in the case of the Consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
- c) in the case of the Consolidated Cash Flow Statement, of the cash flow of the Group for the year ended on that date.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

1. NATURE OF OPERATIONS

Wall Street Finance Limited ("the Company") is a premier financial services company with forex and money remittance as its core activities. The Company engages in the buying and selling of foreign currencies, travellers' cheques and various forex-related services. The Reserve Bank of India (RBI) has granted license to operate as an Authorised Dealer Category-II apart from holding a NBFC license as a Non-Deposit accepting financial company. The Company is also the principal agent of Western Union Financial Services - the world's largest money transfer company.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Principles of Consolidation

The Consolidated Financial Statement related to Wall Street Finance Limited ("the Company"), its subsidiaries including partnership firm and its associates (collectively referred to as "Group"). The consolidated financial statements have been prepared on the following basis:-

- i) The financial statement of company and its subsidiaries including partnership firm have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra - group transactions resulting in unrealized profit or losses.
- ii) The consolidated financial statement have been prepared using uniform accounting policies for transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's stand alone financial statements.
- iii) The financial statement of the Company and its subsidiary have been combined on the basis of equity method, whereby the investment is initially recorded at cost, identifying any goodwill/ capital reserve arising at the time of acquisition. The carrying amount of the investment is adjusted thereafter for post aquisition changes in the company's share of net assets of the subsidiary. Unrealised profit and losses resulting from transactions between the Company and the subsidiary are eliminated to the extent of the Company's share in the subsidiary. Unrealised losses are not eliminated if and to the extent the cost of transferred asset cannot be recovered. The Consolidated statement of profit and loss reflects the Company's share of operations of the subsidiary.

b) Basis of Preparation of Financial Statements

These financial statements are prepared under the historical cost convention on an accrual basis, to comply, in all material aspects, with all the applicable accounting principles in India, the applicable accounting standards notified u/s 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956 and guidelines issued by the RBI as applicable to Non-Banking Financial Companies.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

The financial statements are presented in Indian rupees and rounded off to nearest Lacs, unless otherwise stated.

c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

d) Fixed Assets, Depreciation and Amortisation

- I. Fixed Assets are stated at cost of acquisition including incidental expenses. All costs directly attributable to bringing the asset to the working condition for its intended use including financing costs are also capitalized.
- II. Depreciation is provided on Straight Line Method at the rates prescribed under Schedule XIV to the Companies Act, 1956. In respect of Computer Software, the cost is amortized over a period of three years from the date of first use, as this is the economic useful life as estimated by the management.
- III. Asset costing 5,000 or less have been depreciated over a period of one year.

e) Inventories

Inventories are valued at lower of Weighted Average Cost and Net Realisable Value as on the last day of Financial Year.

f) Revenue Recognition

- I. Income from money changing business is arrived at after deducting cost of sales from sales and related income.
- II. Income from money transfer services is accounted on completion of transaction with the end customer.
- III. Income from consultancy and commission is recognised on completion of relevant activity based on agreed terms of the contract.
- IV. Receipts in respect of assignment of debts are accounted as per the terms of the agreement.
- V. Loss on insurance claim is recognized on settlement of claim or earlier if the claim is not considered recoverable by the management.
- VI. Dividend is recognized when the right to receive dividend is established and known.
- VII. Interest, as and when applicable, on refunds from statutory authorities, is recognised when such interest becomes determinable, based on completed proceedings. Other interest income is recognised using time-proportion method, based on interest rates implicit in the transaction.
- VIII. Recovery proceeds realized from debts written off as bad debts are accounted as income in the year of receipt.
- IX. Profit / Loss on sale of fixed assets and investments are recognised on completion of transactions.
- X. Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of service tax.

g) Foreign Currency Translation

- i. **Initial recognition:** Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency as on the date of the transaction.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

- ii. **Conversion:** Foreign currency monetary items are reported using the closing rate. Non-monetary items, if any, which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate as on the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- iii. **Exchange Differences:** Exchange differences arising on the settlement of monetary items or on reporting monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments.

Non-current investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Current investments are classified into - (a) quoted and (b) unquoted. Current quoted investments are valued at lower of cost or market value.

Valuation norms for current unquoted investments are followed as under:

- I. Equity shares (at lower of cost or breakup value or fair value)
- II. Re 1/- for the entire block of holding if the balance sheet of the investee company is not available for the last two years
- III. Preference shares at lower of cost or face value
- IV. Government securities at carrying cost

i) Retirement and Other Employee Benefits (AS 15)

- i. **Provident Fund and ESIC:** Company's contribution paid / payable during the year to Provident Fund, and ESIC are recognized in Statement of Profit and Loss.
- ii. **Gratuity:** The Company has made an arrangement with Max New York Life Insurance Co. Ltd. to administer its Gratuity scheme. The Company's liability is determined on the basis of actuarial valuation using Projected Unit Credit Method as at balance sheet date. Actuarial Gains / Losses are recognised immediately in the statement of Profit and Loss in the year in which they arise.
- iii. **Leave Encashment:** Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method as at the reporting date. Actuarial gains / losses are immediately taken to the Statement of Profit and Loss Account and are not deferred.

j) Income Taxes

Tax expense for the year, comprising current tax and deferred tax is considered while determining the net profit or loss for the year. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2014

one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date. Deferred tax assets are not recognized unless, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax is reviewed at each balance sheet date.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account.

k) Provisions and Contingencies

A provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

l) Prudential Norms

The Company continues to be registered as a Non-Banking Financial Company (NBFC) classified as a Loan Company and is therefore required to follow the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 for its NBFC activities.

Non-performing assets are provided for as per management estimates, subject to the minimum provision as per Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 in case of money transfer activities. Provision on standard assets is made as per the notification DNBS.PD.CC.No.2007/03.02.2002/2010-11 issued by Reserve Bank of India.

m) Extraordinary Items

Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events / transaction is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

n) Operating Lease

Some of the lease agreements for hiring the premises are in fact in the nature of leave and license not falling under operating lease classification. Any subsequent renewal / new agreements shall be entered on leave and license basis.

o) Impairment of Assets

At each balance sheet date, the Company assesses whether there is any indication that any asset may be impaired. If any such indication exists, the carrying value of such assets is reduced to its estimated recoverable amount and the amount of such impairment loss is charged to the Statement of Profit and Loss. If, at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

A Member desiring to exercise vote by Assent/Dissent should complete this Form (no other form or photocopy thereof is permitted) and send it to the Scrutinizer, Mr. Dinesh Deora, Practicing Company Secretary and send the same at their cost to reach the Scrutinizer at the Registered Office of the Company on or before the close of working hours i.e. 6:00 P.M. on 25th September 2014. All Forms received after this date will be strictly treated as if the reply from such Member has not been received.
2. This Form should be completed and signed by the Shareholder (as per the specimen signature registered with the Company / Depository Participants). In case of joint holding, this Form should be completed and signed by the first named Shareholder and in his absence, by the next named Shareholder.
3. In respect of shares held by corporate and institutional shareholders (companies, trusts, societies, etc.), the completed Assent / Dissent Form should be accompanied by a certified copy of the relevant Board Resolution / appropriate authorization, with the specimen signature(s) of the authorized signatory(ies) duly attested.
4. The consent must be accorded by recording the assent in the column 'FOR' or dissent in the column 'AGAINST' by placing a tick mark (✓) in the appropriate column in the Form. The assent or dissent received in any other form shall not be considered valid.
5. Members are requested to fill the Form in indelible ink and avoid filling it by using erasable writing medium(s) like pencil.
6. There will be one Assent/Dissent Form for every folio/Client ID irrespective of the number of joint holders.
7. A Member may request for a duplicate Assent/Dissent Form, if so required, and the same duly completed should reach the Scrutinizer not later than the date specified under instruction No.1 above.
8. Members are requested not to send any other paper along with the Assent/Dissent Form. They are also requested not to write anything in the Assent/Dissent form except giving their assent or dissent and putting their signature. If any such other paper is sent the same will be destroyed by the Scrutinizer.
9. The Scrutinizer's decision on the validity of the Assent/Dissent Form will be final and binding.
10. Incomplete, unsigned or incorrectly ticked Assent/Dissent Forms will be rejected.
