Introduction

The International Anti Corruption Academy (IACA), located in Laxenburg, Vienna, Austria is the world's best institution for imparting capacity building training programmes for Mid and Senior level officers/executives in the Ministries/Departments and Autonomous Bodies under Central and State Governments. The IACA advances the goals of the United Nations Convention against Corruption, promotes the rule of law, and provides support and technical assistance for states, organizations, corporations, and other stakeholders.

The principal mission of IACA is to deliver and facilitate anti-corruption education and training for professionals and practitioners from all sectors. Their holistic curricula address a wide range of disciplines and cater to various regions of the world. Furthermore, they also advance an understanding of the cross-cutting and devastating nature of corruption and thus call for a broader contextualization.

PARI Training Institute has been conducting two extremely popular international courses for the government officers namely: Public Policy Management in Parliamentary Democracy and Public Health Policy Administration in Parliamentary Democracy. Now PARI has decided to organise a Joint International course titled Leadership Programme on Anti-Corruption and Good Governance in collaboration with IACA, Austria by proposing a week-long training programme in March 2024.
