RN College Hajipur Admissions

Raj Narain College offers both UG and PG courses. For admission in UG courses, candidates should have passed 10+2 with at least 45% aggregate marks and have to appear for university entrance examination conducted by Bihar University. For PG courses, the candidate must be a graduate from a UGC recognized university. The selection process is based on merit in qualifying examination and rank obtained in the entrance examination.

How to apply?

The process of application is online and offline for all the courses. The application procedure for online application is as given below:

- Candidates can fill the application form online through the college's official website.
- They have to click on the "Apply Online" link.
- Fill the form correctly and submit it online.
- The application fee can be paid through Net Banking or through Bank Challan.

For offline registration, the application form can also be obtained from the college admission office at the following address:

Raj Narain College, Vaishali District, Hajipur, Bihar 844101

BATCH : 2017

8.2

STUDENT SATISFACTION RATINGS

[I'm satisfied in the 2017-18 session. Hope the future will also be great.](#)

Admission -

I got induction into this college through the online strategy by methods for merit list. The confirmation totally relies on your higher auxiliary assessment marks. The qualification measures is half in every one of the subjects.

Placement -

7 /10

The placement are pretty good but not that impressive, concerned to the payment and the placement for my batch and as well as for my senior batch were pretty better compared to the earlier batch! Students gets placement purely on the merit based and mostly all the eligible students get placed.

STUDENT SATISFACTION RATINGS

[R.N College Review](#)

Admission -

Th criteria for admission at R N College is very simple. You just have to score above 50% in 10+2 from a recognised board. I scored 65% in CBSE. I filled the online application form and then got a call for the interview. Then i got selected

Placement -

6 /10

There is a placement cell that helps students get jobs however the placement facilities are average in our college. Not a lot of big companies come recruit. Students mostly go for M.Com so there are a very less number of students who sit for placements anyway.

Awesome college in my VAISHALI district. It provides peaceful environment to the students to learn easy in that environment. IT ALSO PROVIDE MANY OF THE COURSE regular course, distance course. It also provides you best sports facilities.

Placement -

8 /10

Excellent placement from our college in BCA and BBA PROGRAM. Our college provide you better placement to all the students studying here. It provides placement in MNC. All over India according to your knowledge and skill.

B.Sc (Hons)

6.7

STUDENT SATISFACTION RATINGS

Admission -

I filled the form online but the college provides offline media too for application form. Admission is done after securing qualified marks for the college entrance exam. Once you have qualified for the course you will be informed by the college administrative office.

Placement -

5 /10

The job opportunities of my college are above average. For science students, many good companies visit for campus recruitment. The college can perform much better when it comes to internship opportunities or job opportunities.

STUDENT SATISFACTION RATINGS

[My Journey at Raj Narain college](#)

Admission -

The admission process is very easy for B.Sc. Your 10+2 marks are the only criteria taken into consideration during application. You have to fill a form online with documents and if you get shortlisted you will be called for the interview.

Placement -

5 /10

The college has a lot of vocational courses that they provide to students. However, in terms of placement it is a little weak since there aren't a lot of opportunities. students mostly do masters so very less students want placement.
