

‘Success is not a big step in the future, Success is a small step taken right now’

In the very first years of its foundation Sarvajanic University has successfully coordinated and conducted a series of activities and development programs. The Annual Report purports to be a compendium of all such activities.

Dear Sir/Madam

It is a matter of pride that **Sarvajanic University** has successfully completed **two years**. Various administrative and academic processes have been streamlined. Needless to say the requisite Committees, Boards, Councils, Faculties have been working diligently and tirelessly to that aim.

The University has accomplished much in such a short time. **I thank profusely** the various institutes’ Principals, members of the various Committees, Boards, Deans, Pro deans, Faculty members, administrative staff of the constituent colleges for all their hard work and team spirit. So much could not have been achieved in so little time without team spirit, goodwill and determination.

I have pleasure in presenting to you a **compendium** of all activities undertaken by the University by way of The **Annual Report 2022-23**. I hope you will continue your support, cooperation and sincere efforts towards the progress of the University.

I acknowledge and thank the following persons towards compilation, creative inputs and successful publication of the Report - Prof. Vahhbiz Engineer, Prof. Palke Patel, Prof. Sanaeya Variava, Prof. Parinaz Bharucha, Mr. Ashish Desai, Mrs. Vaishali Anand.

My special thanks to Shri. Bharat V Shah - President-SU and CA.Rajesh Desai – Immediate Past President - SU for their continuous support and guidance towards achieving the aims and objectives of Sarvajanic University.

Yours sincerely
Prof. Persi Engineer
Provost

Message from the President

If you are walking down the right path and you are willing to keep walking, eventually you will make progress. - Barack Obama

Shri Bharat V. Shah

President - (Dec 2023 onwards)

SARVAJANIK UNIVERSITY

Chairman – Sarvajanic Education Society

It is such an honour to be the Chairman of Sarvajanic Education Society (SES) and President of Sarvajanic University (SU). Sarvajanic Education Society is one of the largest philanthropic and benevolent education trust with a legacy of more than 111 years and has taken huge strides towards modernizing its education by expanding newer avenues of development. To continue to embark on this journey towards an enlightened society, SES established Sarvajanic University (SU) in 2021. The University, with an 'Integrated, Inclusive & Innovative' approach believes that education is a catalyst for positive change. Since taking office as Chairman, SES & President, SU, I have come to realise that thousands of people — faculty, students, staff, alumni, and a host of others are the real reason behind astounding performance and innumerable honours. They are the ones who exemplify the dedication to excellence that maintains this university's high calibre of performance. Faculties carry out the research that contributes to solving some of the most pressing issues facing our society. They produce art that inspires, unites, and encourages us to reflect more deeply on the world around us. They contribute a variety of perspectives and life experiences to our campus community. Additionally, they use entrepreneurship, mentoring, humility, and charity to support and magnify the university's innovative efforts.

Sarvajanic University is growing and thriving, and its people are the reason. What an incredible privilege it is to be a part of this vibrant community dedicated to excellence. Our employees are the foundation of all we do, and we are dedicated to going above and beyond to give them the finest possible, inclusive work environment so they may reach their greatest potential.

Despite challenging moments, the university has had an incredible year of achievement. I look forward to the future and all that we will accomplish together.

Message from the Provost

“There's no use talking about the problem unless you talk about the solution”.
-Betty Williams

Prof. Persi Engineer

Provost - SARVAJANIK UNIVERSITY

It is often said that **if you are overwhelmed by the size of a problem, break it down into smaller pieces**. Especially those that we think of as daunting, overwhelming, and incredibly hard – they can only be accomplished by taking on small parts at a time. It gives me great pleasure to present the report encapsulating the journey of **Sarvajani University**. In its present avatar, as we rebuild, revive, and repurpose Sarvajani University, we see it as a symbol of resurgence. **The overriding objective of Sarvajani University today is to serve as a ‘bridge and foundation’ in linking India with the world through the knowledge route.** The University is working to recreate this emerging vision using the wisdom and knowledge systems.

T. S. Eliot had mourned the death of knowledge and wisdom: **“Where is the life we have lost in living? Where is the wisdom we have lost in knowledge? Where is the knowledge we have lost in information?”** Sarvajani University works to resurrect the wisdom and understanding that aid in reviving the art of living. In order to encourage and promote excellence in education and research collaborations and to create future entrepreneurs and thought leaders, the university is concentrating on developing significant international ties.

The academic year 2022-23 at Sarvajani University brought out a multitude of emotions and the vibrancy of the campus has been therapeutic. **This year saw us reach new milestones in terms of increasing reputation and recognition. This reflects our purposeful nature and a deliberate strategy to reimagine the classroom and what a university must stand for.**

I am happy to note that the university has been in the forefront in the implementation of NEP 2020. Which conforms to the Indian vision of education, for holistic development of the students. Teaching of transdisciplinary open elective and liberal and life skill courses include Glory of Indian Culture, Indian Knowledge Systems, Ethics, Human Values, Life Skills, Organic Living, Personality Development, Soft Skills, Yogic Practices, etc., will ensure all-round development of the students. The constituent colleges also offer multidisciplinary courses which can be opted by students of entirely different disciplines.

The University is now poised for a deeper engagement with challenges of the society, and its foundation as a 21st century institution has been firmed up.

Message from the Immediate Past President

“Every beginner possesses a great potential to be an expert in his or her chosen field.”

- Lailah Gifty Akita

Think Great: Be Great!

CA Shri Rajesh S. Desai

President - (Aug 2022 to Dec 2023)

SARVAJANIK UNIVERSITY

Immediate Past Chairman – Sarvajani Education Society

The seeds that are sown today will endure, blossom, and provide fruit for several generations. I am reminded of the quote by R.L. Stevenson, "Don't judge each day by the harvest you reap but by the seeds that you plant." Looking back, I would also say that I could have worked on my main priority, which is creating the Sarvajani Education Society's signature culture of excellence in both administration and academics. As President of the University, I am happy to report that the University has been steadily moving forward to develop the culture of excellence.

An academic institute is where wise, knowledgeable people offer their intellectual hospitality, 'vidyādān' (gift of knowledge), offering their wealth of learning to seekers; this is also the fundamental ethos of Sarvajani Education Society – a 112-year-old philanthropic and democratic society which is a beacon of wisdom and knowledge. It has now embarked on a journey to set up Sarvajani University which charts the course of new knowledge system for the 21st Century.

Learning at Sarvajani Education Society and Sarvajani University is a transformational experience that blends academic development with in-depth practical knowledge and personality development through a variety of co-curricular activities. The University was founded with the goal of fostering excellence in every student through an accomplished faculty and top-notch facilities on the campus, which is in a green and secure location.

Through innovation, entrepreneurship, and social responsibility, I have no doubt that the University will continue to thrive in academic endeavours and produce even more gratifying and outstanding results in the years to come. I send my best wishes to all university stakeholders. The university is committed towards achieving the excellence in all the facet of the development by organizing various academic events, sports and cultural events, and curricular and extracurricular activities. The University has taken a great initiative in the field of higher education and actively participated in implementing National Education Policy, 2020. I wish more success and brilliance to reach greater heights in the days ahead.

The journey of realizing our collective potential

“Without a plan, even the most brilliant can get lost. You need to have goals, create milestones, and have a strategy in place to set yourself up for success.” ~ Yogi Berra

Living is like riding a roller coaster; there are surprises at every corner which makes life beautiful. Sarvajanic University has experienced exciting, thrilling, stressful, anxious, tense, terrifying, and triumphant times in the past two years as we have begun to take responsible steps towards the future and get ready for the difficulties of the outside world.

The establishment of Sarvajanic University (SU) by Sarvajanic Education Society (SES) in 2021 has been credited with substantial academic accomplishments and contributions to the city's advancement of higher education. The philosophy of Sarvajanic Education Society to respond to the need for accessible, high-quality education has laid a strong foundation for Sarvajanic University on the idea to access higher education as a fundamental right. Since its inception, the University has continued a growth trajectory that is steady and continuous. The infrastructure, departments, new courses, and programs offered by the constituent colleges have grown tremendously.

As a forward-thinking, innovative institution, Sarvajanic University is making every effort to develop significant, long-term opportunities for the communities it serves. The First Year saw the implementation of a strategic plan. We were successful in developing a plan, with special emphasis on placing industry at the centre of each campus. Every campus has strategic industrial collaborators through MoUs which benefits the faculty, staff, and research activity at the University. We strongly possess an Integrated, Inclusive, and Innovative approach to guide, educate and mentor the youth.

Although we made significant progress in several areas, there is still work to be done. As an academic institute that exists for the benefit and advancement of society, nothing we do is in isolation. With a wide variety of rock-hard partners on all levels—locally, nationally, and internationally—can we realize our full potential. The cooperation between Sarvajanic University and its partners is broad-based, strategic, focused, and is producing much better results for the community, staff, and students.

The University and its constituent Colleges showcases a wide range of academic and extracurricular activities. The research projects, research publications, participation in international seminars, workshops, and unique accomplishments, including prizes and honours, illustrate the vibrant intellectual climate on the university campus. Sarvajanic University aims to be a catalyst for positive change for the individuals and the communities it serves. With Ideas to Impact, which outlines our ambition and shared values, we aspire to be recognised as the most progressive university.

As we respond to local and global challenges, we work to increase our value and relevance. Our goal is to become a more adaptable, forward-looking, and effective institution that will prosper in a world full of uncertainty by being acutely aware of the requirements of our local area and by utilizing our areas of expertise in teaching and research.

The University sustains itself through its academic glory and the practices of dissemination within a larger global research community. The number and quality of publications reflect the efforts of the University in progressing towards high academic quality through research and yet, at the same time, balancing it with societal welfare.

- 13/08/2023 સુરત શહેર ઝોન કક્ષા યુવા મહોત્સવ 2023 દ્વારા આયોજીત ગ્રુપ સોંગ, સુગમ સંગીત, ભજન અને લગ્નગીત સ્પર્ધામાં આપણી કોલેજના સંગીત વિભાગના વિદ્યાર્થીઓએ ભાગ લઈ તમામ સ્પર્ધામાં પ્રથમ ક્રમ અને પ્રાપ્ત કર્યો હતો.

2. Glimpses of Activities

(II) BRCM College of Business Administration (BRCM)

B.R.C.M. College of Business Administration was established in 1998 by Sarvajani Education Society. It is one of the first colleges to initiate BBA program in South Gujarat region. It has earned good reputation in a short span of time due to its unique learning environment, high performance and discipline. The mission of the programs is to develop socially sensitive, resilient, ethical youth with entrepreneurial spirit and global perspective. It has nurtured leaders who are in the forefront of varied sector of society, viz. business, industry, sports, art, judiciary, civil services and academics. Managing Director Tejas Kotak and Master Artisan Hemant Dudhariya taught them different techniques of construction using Earth.
- 20th to 22nd Feb 2023 - International week was organised by Sarvajank University at IDPT-SCET with an intention to create Opportunities for Networking and Collaboration amongst Universities/Institutions at National as well as International level. Guests from Universities of Colombia and UPCT-Spain as well as Universities around India joined the program.
- 17th Feb 2023 – Bhoomi Poojan of the new IDPT-SCET Building was held. The Chief Guest was Hon'ble Home Minister, Harsh Sanghavi, President of the Function was Hon'ble C.R. Patil and special blessings were bestowed by Shri P.P Swamiji. The function was graced by all eminent members of Sarvajank Education Society and Sarvajank University along with staff of Institute of Design, Planning and Technology.

- 1st April 2023 - Expert Lectures were delivered by Er. Dharam Bhagat, Ar. Dinesh Suthar & Ar. Niki Panchani on various topics of Housing Design and Structure which gave deeper insights to the students and enriched the design process. This joint workshop charted the way forward for the design process of Housing studio.

3. Academic Achievements

- 'INDIA TODAY' magazine RANKED IDPT - SCET_ARCHITECTURE as 7th amongst Topmost Emerging Architecture colleges set up in or after 2000 & 17th in overall ranking amongst all Architecture colleges of India.
- Prof Bhavna Vimawala was appointed faculty to participate as a Faculty Resource member in the Workshop for Earthquake Resistant Design Practices for UG Students of Architecture conducted by NICEE (National Information Center of Earthquake Engineering) from 22nd July to 29th July 2023 at Indian Institute of Technology -IIT, Kanpur
- Prof Bhavna Vimawala was invited to attend 3 days Training of Trainers (ToT) Workshop on Architecture Design Studio for Development of Resource Material on Earthquake Engineering, Project organized by National Disaster Management Authority & Indian Institute of Technology, Bombay, Department of Civil Engineering at GGSIPU, New Delhi from 17th to 19th January 2023
- Prof Bhavna Vimawala published a Chapter -2 titled "Urban Morphology in Relation to the Waterfront and its Integration with the Cities: Understanding the Indian Notion" in the published book: Handbook of Waterfront Cities and Urbanism -1st Edition Edited by Mohammed Mahbubur Rahman, ISBN 978-1-032-06751-3, Publication July 2022 by Routledge New York NY 10158 Imprint Taylor & Francis.
- Prof Nehal Desai was appointed faculty to participate as a Faculty Resource member in the Workshop for Earthquake Resistant Design Practices for UG Students of Architecture conducted by NICEE (National Information Center of Earthquake Engineering) of Indian Institute of Technology -IIT, Kanpur held in the period 22nd July to 29th July, 2023.
- Dr. Jasmine Kaur was awarded Gold Medal for 19th International Online Art Exhibition and Competition 2023 (10th - 20th July 23) by Manikarnika Art Gallery.
- Dr. Jasmine Kaur was awarded 26th Rank in Hashtag Kalakar's Art Competition in 2022
- Dr. Jasmine Kaur's work was selected for 3rd International Online Art Exhibition and Competition 2023 (16th July- 15th Aug, 23) by Motile Art Gallery.
- Dr. Jasmine Kaur's work titled "Panch Ganesha" was selected for display in the 16th All India Traditional Art Exhibition 2023, organized by AIFACS, New Delhi.
- Prof. Vishal Mashruwala was one of the Jurors in the jury panel at IDAC at INTELLIGENCE SERIES 2022 Surat- a pan India conference held on 5th August 2022 designed to engage the most brilliant minds within the fraternity of Infrastructure, Architecture and Engineering at Hotel TGB, Dumus road, Surat
- Prof. Vishal Mashruwala is elected as Executive Committee member of IIA Gujarat Chapter for the term 2023-2025.
- Prof. Hardik Gandhi was invited to UPCT, Spain to attend International Week under Erasmus+ mobility from 24th - 28th July 2023. The purpose of his visit was to expand the horizon of opportunities for students and teachers of our university. As part of the internationalization activities, he initiated communication for "Dual Degree programs" with UPCT, Spain during their visit to our university in February, 2023. he conducted various meetings with Business and

Management, Telecommunication and Ph.D. departments of UPCT which has brought possibilities of collaborations for our students and teachers.

- Prof. Palke Patel was one creative contributor in Preparing and Publishing the 'Student Induction Manual' for Students of Sarvajani University, 2022 – 2023.
- Prof. Vahhbiz Engineer, Prof. Palke Patel, was the creative contributors in the book titled 'A lumniscence' – a compendium of Alumni work from 2000 to 2020 batches. (Students of Faculty of Architecture SCET). Book Launch Ceremony held on 14th Feb 2023 at SCET Amphi in Annual Academic Festival 'EUPHORIA' 2023
- Prof. Vahhbiz Engineer, Prof. Palke Patel, Prof. Sanaeya Variava were the creative contributors in Preparing and Publishing the 'Annual Report of Sarvajani University' – 2021-2022
- Prof. Rajarshi Smart work was selected in "Finext International Exhibition Of Mini Artworks - Indore, Madhya Pradesh, India 2022
- Prof. Rajarshi Smart work was selected in 63rd National Art Exhibition, Lalitkala Acedemy, New Delhi, India 2023
- Prof. Rajarshi Smart work was selected in "ABIR SE KABIR TAK" - On Abir Space.Com, Ahmedabad 2023 (Curated National Exhibition Online with 18 Printmakers Of India)
- Prof. Rajarshi Smart work was Selected in 63rd State Art Exhibition, Gujarat Lalitkala Academy, Ahmedabad 2023
- Prof. Rajarshi Smart work was Selected in "Bengaluru Print Exchange Internationale (Bpei) - 2022" By Lavaru Art Centre, Bangalore, India 2022
- Prof. Rajarshi Smart work was selected "An Indian Residency" at University of Salford, Manchester, UK 2022
- Prof. Naishadh Jani participated in International symposium: Cities- a Tale of Morphosis by School of Architecture & Planning, Woxsen University.
- Prof. Naishadh Jani work was selected for International solo exhibition grant by Gujarat State Lalit Kala Akadamy, Gujarat.
- Prof. Chintan Shah was invited as a 'Chief Guest' for the occasion of Graduation Day by the Dept. of Architecture, KLS Gogte Institute of Technology, Belgaum, and Karnataka on 20th Oct, 2022.

4. Students Achievements

- Faculty of Architecture SCET won various trophies at 65th ANNUAL NASA CONVENTION hosted by Lovely Professional University, Punjab from 9th to 12th JUNE 2023. Students won following awards:
 - 1) Annual NASA Design Competition - Second Position
 - 2) Louis – I – Kahn Trophy - Second Position
 - 3) Landscape Trophy- First Position
 - 4) GRIHA Trophy - Second Position
 - 5) G-Sen Trophy- First Position
- 5 students from B.Arch IV, Faculty of Architecture SCET got selected for Workshop on Earthquake Resistant Practices for Students of Architecture at IIT Kanpur - July 22-29, 2023. Two of our students Nimit Makwana and Yashasvi Bhavsar won the 2nd and 3rd position respectively, in the design assignment given in the workshop.
- Ms. Bansari Patel, B.Arch. V Sem. IX of IDPT-SCET has been awarded the "Ethos BRIDGE SCHOLARSHIP 22", a programme that encourages students of Architecture to follow their

dreams without encumbrances. The scholarship is funded by architects and planners, for budding professionals of the future, and the winner is awarded Rs. 15,000/-as part of the scholarship.

- INTACH Award 2022 for Excellence in Documentation of Unprotected Heritage was awarded to IDPT-SCET for the following categories. 1) Award of Excellence Name of Entry: Avimukta-Documentation of Unprotected Heritage of Varanasi. Participant batch: B.Arch-III. 2) Award of Merit to the Entry: Documentation of Bagore ki Haveli, Udaipur. Participant batch: B.Arch-II.
- The Council of Architecture (COA) has decided to institute awards for excellence in documentation of architectural heritage in India. The COA Heritage Award has been instituted with an objective to encourage interest and talent of students for understanding, documentation of heritage buildings and to develop and promote sensitivity and awareness towards India's architectural heritage amongst students of architecture across the country. Assessment for the final jury was organised in Hyderabad on 31st March 2023. Faculty of Architecture, IDPT-SCET participated and won the following prizes. 1) National Winner for category Arts and Crafts Related to Buildings. Project Title: Ostra - Unveiling the Oasis of Damao. Participant batches: B.Arch-III, B.Arch-II. 2) National Winner for category Architectural Heritage. Project Title: Monumenting the dead - A Case of Dutch Cemetery of Surat. Participant batches: B.Arch-III, B.Arch-II.
- 17th March 2023 - Four papers of IDPT-SCET Post-graduate students were selected for presentation in The International Conference on Inclusive and Resilient Cities for Safe and Sustainable Future - 2022. This was a one day conference organised by the School and Planning Department, Sushant University, Gurugram, Haryana. The students were guided by In-charge principal Prof. Bhavna Vimawala. Details of participants and published articles in e-book are as below;
 1. Integrating Land Use and Transportation Planning in Surat City: Methods and Advantages - By Shreya Agarwal, Rahul Katariya
 2. Understanding Urban Flood Resilience: A Case of Surat- By Shreya Agarwal, Manali Beladiya, Nikul Viras
 3. Environment and Climate Resilience: A Case of Surat- By Aesha Shah, Azmi Wadia
 4. Building Community Health and Livability in Existing Urban Fabric: Case Study of Udhna, Surat - By Ar. Kelshi Patel, Ar. Kejal Dotia
- 24th NOSPLAN convention was hosted by Lovely Professional University, Punjab from 15th to 18th February 2023. Various Urban Planning colleges in India participated. NOSPLAN organizes an annual convention to encourage innovation and debate about current Urban Planning practices by organizing various academic competitions and research activities. Post-Graduation student of IDPT-SCET participated for the first time and won following prizes:
 - 1) Nootan: In-situ slum redevelopment - First Winner
 - 2) Naksh: Image of the city (Painting)-First Winner
 - 3) Dar Badar: Secure Site Plan of an Institutional Area - 1st Runner up
 - 4) Swacch City: Solid Waste Management Plan of Aligarh Municipal Corp. - 2nd Runner up
 - 5) Anusandhaan: Settle the stubble (Research Article) - 2nd Runner up
 - 6) Overall Planning Trophy: - 2nd Runners up

5. Research Achievements

- Prof Bhavna Vimawala published a Chapter -14 titled “Capacity building of Indian cities ion urban climate change resilience” in the book: Sustainable Habitat Planning And Geography, edited by K. Surjit Singh; Institute For Spatial Planning And Environmental Research (ISPER), ISBN: 978-81-927014-4-8 , Haryana in 2023.
- Prof. Nehal Desai & Vasawala, S. (2022). Presented a paper on Comparative study of modified construction stage analysis and construction stage analysis for RC buildings, Proceedings of International Structural Engineering and Construction (Vol. 9, Issue 1). ISEC Press. [https://doi.org/10.14455/10.14455/isec.2022.9\(1\).str-61](https://doi.org/10.14455/10.14455/isec.2022.9(1).str-61)
- Prof. Nehal Desai & Vasawala, S. (2022). Presented a paper on Influence of timespans on construction sequence analysis of RC buildings. Proceedings of International Structural Engineering and Construction (Vol. 9, Issue 1). ISEC Press. [https://doi.org/10.14455/10.14455/isec.2022.9\(1\).str-71](https://doi.org/10.14455/10.14455/isec.2022.9(1).str-71)
- Prof. Nehal Desai & Vasawala, S. (2022). Presented a paper on Comparative study of responses and steel consumption in RC moment frame using construction sequence and linear static analysis methods. In Advancement in Structural & Geotechnical Engineering (ASGE'22).
- Prof. Nehal Desai & Vasawala, S. (2022). Published a paper on Influence of time period and derivation of critical storey limit for RC frame buildings using construction sequence method of analysis. The International Journal of Research on Engineering Structures and Materials. <http://dx.doi.org/10.17515/resm2022.414st0309>
- Prof. Nehal Desai & Vasawala, S. (2022). Published a paper on Sensitivity Indices of RC beams considering Construction Sequence Analysis for RC High-rise Building", International Journal of Research on Engineering Structures and Materials.

(V) Sarvajnik College of Engineering & Technology (SCET)

This institute was established in June 1995 and is presently one of the constituent institutes of Sarvajnik University. Sarvajnik University was established in the academic year 2021-2022.

Accreditation status received from NBA, New Delhi

The institute has achieved a notable milestone by attaining accreditation status for various key disciplines. Specifically, its programs in Electrical Engineering, Electronics & Communication Engineering, Instrumentation & Control Engineering, Computer Engineering, and Civil Engineering have all been granted accreditation for distinct timeframes.

The accreditation spans from the academic years 2022–2023 to 2024–2025 for the first three disciplines, showcasing a commitment to consistent quality and educational excellence. Moreover, the institute's Computer Engineering program has secured accreditation from the academic year 2023–2024 to 2025–2026, underlining its dedication to maintaining high standards and adapting to evolving technological trends. Similarly, the Civil Engineering program has also secured accreditation for the same period, demonstrating the institute's endeavor to ensure that its educational offerings align with industry standards and expectations.

These commendable achievements have been officially recognized by the National Board of Accreditation, New Delhi. This accreditation not only validates the institute's rigorous academic processes and infrastructure but also highlights its ongoing efforts to provide students with a comprehensive and competitive education in these critical engineering disciplines.

Gujarat State Institutional Ratings Framework (GSIRF)

On February 28, 2023, the Executive Committee of the Knowledge Consortium of Gujarat, under the aegis of the Department of Education, Government of Gujarat, bestowed the esteemed 'Star Institution' accolade upon us in the 'Engineering' category. This prestigious rating, conferred based on a meticulous evaluation of comprehensive performance metrics outlined in the Gujarat State Institutional Ratings Framework (GSIRF), comes at the recommendation of the reputable Indian Centre for Academic Rankings and Excellence (ICARE). This recognition stands as a testament to our unwavering commitment to excellence in education.

1. Cultural and Sports Activities organised

- The Ksihtij Techno festival is an annual event that showcases the technical prowess and creativity of students at the institute. It is one of the most anticipated events of the year, and students from all departments eagerly participate in the various events organized under the Abhivyakti, Abhishaar, and Avishkaar categories.
- Some of the popular events at the Ksihtij Techno festival include Chemclave, Nirmaan, Updates, Urja, Symposium, COIN, Converse, Momentum, Vivacity, and Samanvyay. The Ksihtij Techno festival is a platform for students to learn new skills, test their knowledge, and compete against their peers. It is also an opportunity for students to network with industry professionals and explore potential career opportunities. The Ksihtij–2022 Techno festival was held on 30th and 1st October at the institute campus. It was a huge success, with thousands of students participating in the various events. The Ksihtij Techno festival is a valuable experience for all students of the institute. It helps them to develop their technical skills, creativity, and problem-solving abilities. It also provides them

with an opportunity to network with industry professionals and explore potential career opportunities.

- A classical music concert by Pt. Jayteerth Mevudi was organized in association with SPIC MACAY on February 10th, 2023.
- Students and staff learned about Warli art and created their own Warli art pieces in a workshop on March 4th, 2023.
- Exuberance is an annual event that provides students with the opportunity to organize, manage, and learn managerial skills, as well as showcase their talents in extracurricular activities, specifically art and literature. With a large team of students and multiple competitions, Exuberance is a platform for students to enhance their intellectual skills and creativity. The event was held on April 5th and 6th, 2023
- The Dance Club of SCET organized a dance workshop on April 20, 2023, providing students with an opportunity to learn new dance moves, express themselves through movement, and have fun.
- Soft skill development cell had organized an event, Model United Nations (MUN) on 21-Apr-23. MUN is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real world issues with the policies and perspective of their assigned country
- A blood donation campaign was arranged on April 25th, 2023.
- Verve-2023 is the annual cultural fest of the Sarvajani College of Engineering & Technology, Surat. It is a three-day extravaganza of performances and competitions, where students showcase their talents in dance, drama, singing, and other art forms.
- Verve is a highly anticipated event for students. It is a platform for students to express themselves creatively and to compete against their peers in a friendly environment. The festival also provides an opportunity for students to network with each other and to learn from experienced professionals. The Verve–2023 Techno was held on 27th to 30th April, 2023 at the institute campus.

2. Workshops and events organised

- The Faculty Members have exhibited interest and input their efforts towards the development of consultancy-related activities. The institute has achieved remarkable success in consultancy endeavors. The consultancy projects undertaken during this period encompass a wide spectrum of services, including Structural Proof Checking, Structural Condition Assessment, Structural Testing such as Vibration Amplitude Tests and Cube Tests, Planning and Design of R.C.C. Pavement, Third-Party Inspection for Various Types of Civil Projects (TPI), Energy Audit Consultancy Works, Third-Party Inspection for Various Types of Mechanical and Electrical Works (TPI), Development of Training Modules for esteemed organizations like L&T, Executive Textile Programs, Regular Environmental Audit Works allocated by the Gujarat Pollution Control Board (GPCB), and Technical Adequacy Certification. In the F.Y.: 2022-23, the institute, has secured consultancy projects with consultancy fees totaling an impressive Rs. 1,12,51,542/–.
- SPORTS: Gold Medal and Runner Up Achievements in University- National Level Sports
- Mr. Desai Hrlshi, studying Mechanical Engineering, led Sarvajani University's Cricket team to Runner Up at the West Zone tournament held at PDU Shekhawati University, Sikar. These achievements shine as testaments to their remarkable sporting prowess on the national stage.

3. Academic/Faculty Achievements

- Dr. Maulin Joshi, a renowned academician and researcher, has made significant contributions to technical education in India. He has co-authored an English book on consumer electronics for

AICTE, translated a book on signals and systems into Gujarati, and mentored other institutions in achieving NBA accreditation. He has also been invited as a member of the Board of Studies at UKA Tarsadia University

- Dr. Jitendra Ajmeri was invited to give expert lectures on apparel quality control, modern weaving technologies, and as editorial chair person for the International Journal of Textile and Fashion Technology. He is also a member of the editorial board of the Journal of Textile and Clothing Science (JTCS).
- Dr. Krishma Desai has published a chapter on interactive smart textile fabrics in the book "Functional and Technical Textiles" and has a patent on a fabric quality monitoring device.
- Dr. P.A. Khatwani is a prolific researcher in the field of textile technology. He has published chapters on smart textile fabrics, geotextiles, and textiles for packaging applications in reputed journals. He has also filed three patents for innovative textile-based products, including a room air purification device, textile fibers reinforced paver block, and fabric quality monitoring device.
- Dr. Pariza Kamboj is a highly accomplished data science expert and educator. She has delivered expert talks at prestigious conferences and institutions, published a book chapter, and received several awards for her work. She is also a member of several advisory committees and has served as an external auditor for NBA.
- Dr. Mayuri Mehta is a highly accomplished expert in the field of computer engineering and artificial intelligence. She serves as an Expert Member on the Board of Studies (BoS) for the Computer Engineering Department at Birla Vishvakarma Mahavidyalaya and the Faculty of Engineering and Technology at Vidhyadeep University. Dr. Mehta is also an External Member of the Research Advisory Committee at QIS College of Engineering and Technology in Andhra Pradesh. She has made significant contributions to the academic world, having authored two books, "Recent Advances in Data and Algorithms for e-Government" and "Explainable AI: Foundations, Methodologies, and Applications," both published by Springer. Her research has received recognition and funding, including support from the Student Startup and Innovation Policy of the Government of Gujarat. Dr. Mehta has been invited to share her expertise at various national and international events, where she has delivered talks and keynote speeches on topics ranging from data science to AI in healthcare. Her extensive knowledge and contributions continue to shape the field of computer engineering and artificial intelligence.
- Dr. Dipali Kasat is a highly accomplished academician and researcher with a strong track record of promoting innovation and entrepreneurship. She has played a key role in securing a grant of Rs. 1.6 crore from Gujarat Knowledge Society (GKS) for startup and innovation promotion at SU under the SSIP scheme. She has also been instrumental in organizing workshops and events to help students and faculty develop their innovative ideas. Dr. Kasat is also a member of several academic boards and is an expert reviewer for Ph.D theses. She is a role model for aspiring entrepreneurs and innovators.
- Dr. Shama Mulla has published a book on probability and statistics for undergraduates and topped the NPTEL Online Certification exam on Introduction to methods of Applied Mathematics.
- Dr. Mehali Mehta was recognized by the Surat Municipal Corporation for her contributions to waste management through the Surati Segregathon challenge. She also gave a talk on the basics of industrial wastewater treatment at RNGPIT in Bardoli.
- Prof. Himanshu Padhya presented a paper on the Braess Paradox and transportation behavior analysis in the context of Surat urban area at the Virtual National Conference on Sustainability in

Civil Engineering (SCE–22). He also led the team that achieved NABL accreditation for the Chemical and TIFAC CORE Laboratory.

- Dr. Ashish Desai has made significant contributions to the development of Gujarati-language technical terminology. He has worked as an expert translator and advisor for the preparation of comprehensive glossaries of engineering and chemistry terminology. His work has helped to make technical education more accessible to students in Gujarat and beyond.
- Dr. Pankaj Gohil is a highly accomplished academician and researcher with a strong interest in computer graphics and hydro-machines. He has delivered expert lectures on these topics at various institutions, including IIT Roorkee. He has also patented a system for desalination of seawater using cavitation.
- Dr. Vaishali Umrigar is a highly accomplished researcher in the field of chemical engineering. She has published papers on the optimization of microwave-assisted esterification reactions, the removal of toxic metals from wastewater, and other topics. Her work has helped to advance the development of more efficient and environmentally friendly chemical processes. Dr. Vaishali Umrigar has received a minor research project grant on carbon capture and utilization, and organized a national level conference on advanced research techniques in chemical engineering.
- Dr. Mayank Dalal provided valuable feedback as a reviewer of the translated book "Chemistry-I (with Lab Manual)" of 1st year Undergraduate program in Gujarati. His expertise and insights helped to ensure that the book is accurate, comprehensive, and accessible to students.

4. Students Achievements

- The achievements of the teaching faculty are a testament to their unwavering dedication to education and their relentless pursuit of academic excellence. These educators, armed with their profound knowledge and innovative teaching methods, play a pivotal role in shaping the minds of the students. By fostering a nurturing and intellectually stimulating learning environment, they inspire and empower their students to realize their full potential.
- Moreover, the students themselves contribute significantly to the institute's success and reputation. Their accomplishments, whether in academics, sports, arts, or extracurricular activities, add feathers to the cap of the institute, highlighting the effectiveness of the institute's holistic approach to education. As future leaders and influencers, these students become ambassadors of the institute, showcasing its academic prowess and nurturing spirit to the world. Their success reflects the dedication of the faculty and the institute's commitment to nurturing talent and promoting an all-round development of its students.
- In conclusion, the combined achievements of the teaching faculty and students serve as a shining beacon of the institute's commitment to academic excellence and holistic education. Their success not only enhances the institute's reputation but also contributes to the larger goal of preparing future generations to make a positive difference in the world.

Name of Department	Name of student	Class in year (in 2022_23)	Month /period / date	Level of achievement	Type of achievement	Details of achievement

Computer Engineering	Suhel Kapadia	CO III I	July 2022	National	Individual	A GDSC Lead for the 2022-2023 year
Computer Engineering	Ibrahim Ghasia	CO III I	2022-23	National	Individual	Google Developer Student Club (SCET), Blockchain Expert
Computer Engineering	Keyur Kakadiya	CO IV I	2022-23	National	Individual	SSIP GRANT FOR BUILDER-HUNT IN IDEAPITCH EVENT
Computer Engineering	Meet Savaj	CO IV I	2022-23	National	Individual	SSIP GRANT FOR BUILDER-HUNT IN IDEAPITCH EVENT
Computer Engineering	Meet Savaj	CO IV I	2022-23	National	Individual	App Development Workshop conducted at GAJERA SCHOOL, UTRAN and G.D GOENKA SCHOOL
Computer Engineering	Tanushree Doctor	CO III II	2022	State	Group	2nd Prize in state level Drama Competition at Sparsh - SVNIT.
MCA	Rikesh Jadav	MCA II	December 2022	National	Individual	Secured 1st position in Poster Presentation Event at SCI-TECHNOVATION-22, A national level annual technical symposium organized by UPL University
Civil Engineering Department	Sood Ireendeep	BEIV civil	2023	Rank in GTU	Individual	Top 10 rank and stood 2nd in GTU.

5. Research Achievements

- Research work is crucial for technical institutes as it drives progress, innovation, and societal development. It empowers students and faculty to explore complex challenges, find solutions, and contribute to scientific advancements. Emphasizing research fosters curiosity, collaboration, and transformative breakthroughs, shaping industries and the scientific community.
- During the year, the college organized a total of 11 research talks under the R&D Talk Series program. Additionally, five of the departments published prestigious research papers. The college was also awarded grants from SSIP, IEE, and AICTE for various projects. Students organized about 17 programs under the auspices of various departmental clubs.
- Students and faculty members from various departments have filed about 15 patents, and a few of these patents have already been granted by the patent office.

International Accolades:

- MoU signed between Sarvajanik University and Laurentian University, Canada to promote internationalization and globalization in education by student and faculty exchange programmes.
- The students of Sarvajanik College of Engineering and Technology, Sarvajanik University visited several universities in Germany and France to explore global education practices, research and higher study opportunities, new cultures and perspectives, abroad career opportunities and also to enhance their network. Students also visited Porsche museum in Germany. Visit to Porsche museum was a wonderful experience, especially for the students of Mechanical and Automobile Engineering. Students explored a lot of upcoming opportunities in automobile sector. This visit educated students beyond the books and enhanced their confidence.
- The students of Sarvajanik College of Engineering and Technology, Sarvajanik University visited James Cook University in Singapore, and Multimedia University, Monash University (**ranked #42 in**

QS World University Rankings) & Nottingham University (in the Top 100 in the QS World University Rankings) in Malaysia. Students feel enriched and enlightened after visiting such renowned universities and they got exposure to higher study & internship opportunities and global education practices as well.

6. Glimpses of Activities

(VI) Sarvajanik College of Law (SCL)

Sarvajanik College of Law has been leading the path of legal education since 2015 with main objective of imparting legal education to desire students. The aim is to create lawyers who inspire to uphold values and eternal principles of dharma i.e. justice, liberty and equality. We make every effort towards our aim of maintaining standard of excellence in providing legal education. The institution uses a holistic approach to legal studies with dynamic curriculum taught by leading practitioners.

Bachelor of Law (L.L.B)

1. Cultural and Sports Activities organised

- Independence Day Celebration on August 15th, 2022: All the teaching faculty, staff, and students enthusiastically participated in an Independence Day celebration held in the college campus, Students sang patriotic songs to commemorate the occasion and to show their patriotism.
- The College celebrated Republic Day with the students and all faculties of the college on January 26th, 2023 at 8:30 a.m. The day was celebrated by aplomb and the chief guest unfurled the flag. The N.C.C. cadets saluted the National Flag. Students sang the National Anthem followed by inspiring patriotic songs which were sung in chorus. Tri-colours fluttered proudly on the college building and sweets were distributed among the students and faculties present.

2. Workshops and Events organised

- Visit to Surat City Police Control Room on December 28th, 2022: The College organised a visit to the Surat City Police Control Room on December 28th, 2022, at 11:30 a.m. for final year LL.B. students as part of their clinical legal education. Approximately 30 students along with teaching faculty were part of this visit. To understand and explain the functioning of the Control Room, ACP Ishvar Parmar provided unparalleled assistance.
- Visit to Lajpore Central Jail on February 22th, 2023: The College organised a visit to the Lajpore Central Jail on February 22nd, 2023 at 11 a.m. for final year LL.B. Students. A total of approximately 55 students along with teaching faculty were part of this visit. Various areas of the jail were visited by the students from library, legal aid clinic, media room and classrooms.
- Visit to Regional Forensic Science Laboratory on March 4, 2023: Final year students of Sarvajanik College of Law were taken to the Regional Forensic Science Laboratory (FSL) on March 4th, 2023 at 11 a.m. as part of their clinical legal education.
- The students were shown the functioning of various departments such as toxicology, chemistry, physics, Data analysis and DNA testing department. The students highly benefitted from this visit as the officials at the FSL were forthcoming with all information. Approximately 60 students were present for this visit along with the teaching faculty.
- “Alternative Dispute Resolution – National and International Scenario” was organized on August, 23rd 2022, at 2:00 p.m. Shri Kamlesh Patel, Senior Advocate, Chairman of Working Committee of Sarvajanik College of Law and Former Dean, Faculty of Law, VNSGU, Surat was invited as a Chief-guest. Dr. Hardik Parikh, Assistant Professor, Faculty of Law, GNLU, and Gandhinagar were the Resource Person to the webinar.
- All India Bar Examination Training Program held on January 24th, 2023 to better equip the students for the upcoming All India Bar Examination-17, the college in collaboration with the Surat District

Bar Association organised a training programme on January 24th, 2023. The chief guest for the programme was Advocate, Shri Kamlesh Patel, Chairman, and Working Committee, Sarvajnik College of Law and former Dean, Faculty of Law, VNSGU. The co-conveners for the programme were Dr. Bhadresh Dalal, In-charge Principal and Advocate Parshottam Rana, President, Surat District Bar Association. Eminent lawyers of Surat were also part of the programme to share their knowledge and expertise. Also present were Advocate Bhadraben Joshi, President, Surat City Bar Association, senior advocate, Kanu Sir and various other dignitaries of the Surat District Bar Association.

- Dr. Bhadresh Dalal commenced the session which covered all the aspects of how to systematically and smartly prepare for the AIBE examination. The chief guest, Advocate Shri. Kamlesh Patel enthralled the students on the subject of Civil Procedure Code. Renowned advocate, Shri Manish Desai shared various strategies to effectively study for the examination.
- The programme was well received by the students and feedback forms were duly completed by all the participants. Approximately 140 students attended the programme.

- Dr. Bhavin Bhatt Completed Diploma in Sanskrit Language Studies from Somnath Sanskrit University.
- Dr. Toral Desai Completed FDP on Academic Research Writing.
- Dr. Deepesh Bhatt completed one week faculty development programme on research prospects and progress in biological science.
- Dr. Nareshkumar Butani Completed one week FDP on Advances in Biological, Biochemical, Biomedical and Bioenergy.
- Dr. Nareshkumar Butani Participated in National Workshop on in silico approaches for genomics, transcriptomics and Proteomics.
- Dr. Priti Patel Exemplary Reviewer Award by IEEE PuneCon 2022.
- Dr. Minal Vansia Participated in UGC-HRDC Refresher Course in Physics 21-6-22 to 4-7-22.
- Dr. Minal Vansia Participated in UGC sponsored "Webinar on NEP-2020: Changing Role of Teachers".
- Dr. Pratik Patel Completed Post Diploma in Industrial Safety.
- Dr. Helina Patel Completed UGC-HRDC Sponsored Refresher Course in Life Science.
- Dr. Helina Patel Completed one week FDP on Research Prospects and Progress in Biological Science.
- Dr. Smita Rajani Completed Refresher Course in "Environmental Science".
- Dr. Darshan Marjadi Completed Inter Disciplinary Refresher Course on ITC.
- Dr. Darshan Marjadi Completed FDP on “How to create your own MOOCs?”
- Dr. Namrata Jain Completed three week Online Technology based Entrepreneurship Program, DST, Ministry of Science & Technology.
- Dr. Namrata Jain Awarded A+ on completion of IPWI Forests 2022 Global Course Study Program by UN & IARF.
- Dr. Namrata Jain Completed Post Graduate Diploma in Environmental Management, Bundelkhand University, Jhansi (U.P.).
- Ms. Nidhi Vaniyawala Completed UGC-HRDC Sponsored Refresher Course in ICT.
- Dr Manisha N Shah completed WHO - Online Health Emergency Training Program on Introduction to Go. Data –Field data collection, chains of transmission and contact follow-up.
- Dr Manisha N Shah completed WHO - Online Health Emergency Training Program on Infection Prevention and Control (IPC) in the context of COVID-19.

- Dr Manisha N Shah completed Refresher Course On: Managing Online Classes & Co-creating MOOCs 16.0.
- Shweta Bhatia completed Winter School on Cybersecurity and Blockchain 2023, by IEEE-march 22-23.

4. Students Achivments

- Kalyani Sanxena of M.Sc. Sem-4 Organic Chemistry Selected only student from Gujarat for World University Games (Swimming) in China.
- Kalyani Sanxena of M.Sc. Sem-4 Organic Chemistry Won 3 Silver Medal and 1 Bronze Medal in all India Inter University Aquatic Championship 2022-23, organized by Kalinga University, Bhuvneshwar, Orrisa.
- Patel Aditya student of B.Sc. IT Sem-1 Div-1 Won Bronze Medal in All India Inter Zonal Karate Senior Championship at New Delhi.
- Joshi Vinit student of B.Sc. IT Selected in Surat District Cricket team.

5. Research Achievement

- Dr. Hemangi Desai was Awarded Best Paper 2022 - AWARD OF EXCELLENCE - Most Reader's Article for the Research Publication (Jimmy Patel and Dr. Hemangi Desai) Title: Removal of Phenol by Liquid-Liquid Extraction from Pharmaceutical Wastewater, Published in Materials Today: Proceedings, ISSN: 2214-7853, Publication: Elsevier Ltd. Science Direct, 57(6) 2396-2399, 2022. The journal is indexed in **Scopus (Elsevier)** and the **CPCI, Clarivate**, (Impact Score:2.3), For the Contribution and Honourable Achievement in Innovative Research, 1st Edition of International Research Excellence Best Paper Awards.
- Dr. Hemangi Desai guided Mr. Dipak Dhobi for successful accomplishment of Ph. D. Degree in Chemistry (VNSGU).
- Dipak Dhobi and Dr. Hemangi Desai Published Research Article: Pectin-chitosan hydrogel synthesis and its dye adsorption application in International Journal of Creative Research Thoughts, (UGC No: 49023), ISSN: 2320-2882, Impact Factor: 7.97, Vol-10, Issue (6), f443-f457, June 2022.
- Dr. Pankaj Gohil , Dr. Hemangi Desai, Amit Kumar, Rupesh Kumar- Published One Review Article - Current Status and Advancement in Thermal and Membrane-Based Hybrid Seawater Desalination Technologies, Water, Vol-15, Issue (12), 2274, June 2023, MDPI, I.F. - 3.53, Indexed in SCOPUS, WoS, SCIE, Elsevier Database.
- Ph.D. Student - Payal Gamit Guided by Dr. Hemangi Desai- presented paper in Conference-ARTCHEM2022, Title: Recent advancement in bio-polymers: A literature review - will be Published in ESPR special Issue and Chemical weekly.
- Dr. Hemangi Desai Guided 3 Students of M.Sc. (Org. Chem) for Dissertation (PG-SU).
- Dr. Hemangi Desai provided services as a Resource Person for Ph.D. Coursework (Chemistry), Faculty of Science, Sarvajani University.
- Dr. Bhavin Bhatt Resource Person - N-BT-CBC, at C. G. Bhakta Institute of Biotechnology, Uka Tarsadia University.
- Dr. Bhavin Bhatt Resource Person - GSBTM sponsored intensive "Crash Workshop" organized by UG-CBC, Government Science College, Vankal.
- Dr. Bhavin Bhatt Resource Speaker - Ph. D. Course Work, Faculty of Science, Sarvajani University.

- Dr. Bhavin Bhatt Research Publication - Sangeeta, Kumar, R. V., Yadav, B. K., Bhatt, B. S., Krishna, R., Krishnan, N., Karkute, S. G., Kumar, S., Singh, B., & Singh, A. K. (2023). Diverse begomovirus-betasatellite complexes cause tomato leaf curl disease in the western India. *Virus research*, 328, 199079.
- Dr. Bhavin Bhatt Book Publication - Viralkumar V. Surati, Bhavin Bhatt, Naresh Butani, Hiral R. Patel, and Achuit K. Singh (2023). *Antibiotics and Plant-Derived Antimicrobials as an Alternative Source to Control Infections. Modern Biotechnology in Healthcare Advances and Applications*, Apple Academic Press.
- Dr. Priti Patel Resource Speaker - Ph. D. Course Work in Computer Science, Faculty of Science, Sarvajani University.
- Dr. Priti Patel Research Paper Reviewer- 2022 IEEE Pune Section International Conference.
- Dr. Toral Desai Resource Speaker - Ph. D. Course Work, Faculty of Science, Sarvajani University.
- Dr. Deepesh Bhatt Resource Speaker - Ph. D. Course Work, Faculty of Science, Sarvajani University.

6. Collaboration / Industry / Consultancy / Patent: Industrial Visit & Training

- Department of Biotechnology had organized industrial visit :
 - Savli Biotechnology Incubator, Savli, Vadodara- M.Sc. Biotechnology Students
 - Apothecon Pharmaceutical, Anand- M.Sc. Biotechnology Students
 - Zydus Lifesciences Limited- B.Sc. Final Year Students
 - Zentiva Pharmaceutical Ltd- B.Sc. Final Year Students
- Department of Chemistry had organized industrial visit to Atul Industries, Valsad.
- Department of Chemistry had organized 1 Week Training Program for M.Sc. Organic Chemistry students at Pollucon Laboratory, Surat.
- Ms. Nidhi Vaniyawala - MoU with Casepoint LLP for Internships and Placements.

7. Training & Placements/Campus Interview

- Dr. Hemangi Desai conducted the sessions on Anubandham Portal for Job Seeker about how to get registered to choose right kind of job by following six step procedures: For M.Sc. Organic Chemistry Students on 14th September, 2022 & T.Y. (Env. Sci.) Students on 15th September, 2022.
- Dr. Hemangi Desai made necessary arrangements for Campus Interviews organized for M.Sc. Organic Chemistry(9 Students)
 - By Lilaba Analytical Laboratory Date: 18th April, 2023, Day: Tuesday for the post of Chemist.
 - By Sahajanand Medical Technologies Ltd. Date: 25th March, 2023, Day: Saturday for the post of Trainee Officer @ QC Department.
- **Placement Details: M.Sc. Organic Chemistry (First Batch SU – 2021-23)**
 1. Ritika Rathod - QC Assistant in Cytech Coatings Pvt. Ltd
 2. Divya Patil – Chemist in Lilaba Analytical Laboratory
 3. Lakhani Priyank Ghanshyambhai - Aumgen BioScience, Sachin-GIDC
 4. Pradhan Udit Narayan - Aumgen BioScience, Sachin-GIDC
 5. Vora Ketan – Teacher in Hansmukti Vidyabhavan
- **Placement Details: M.Sc. Biotechnology (First Batch SU – 2021-23)**
 1. Ms. Drashti Safri - S. N. Gene Lab, Surat
 2. Mr. Bhavik Patel - S.N. Gene Lab, Surat
 3. Ms. Mansi Patel - S.N. Gene Lab, Surat
 4. Ms. Palak Vasoya - S.N. Gene Lab, Surat
 5. Mr. Akash Patel - Higher Studies- GPSC/UPSC
 6. Ms. Anamika Singh - Higher Studies- Regulatory Affairs

7. Ms. Maitri Patel - Science Teacher, Leo School, Surat
- **Placement Details: M.Sc. Environmental Science (First Batch SU – 2021-23)**
 1. Ms Aanchal Yadav - Teacher in Fountain Head School
 2. Ms Saloni Mehta - S.N Hirpara Pollution Consultants & Engineers Pvt. Ltd.
 3. Ms Varnika Patel - S.N Hirpara Pollution Consultants & Engineers Pvt. Ltd.
 4. Ms Khushi Gaudani - S.N Hirpara Pollution Consultants & Engineers Pvt. Ltd.
 5. Ms Habiba Kanuga - S.N Hirpara Pollution Consultants & Engineers Pvt. Ltd.
 6. Mr Yash Suhaguya - S.N Hirpara Pollution Consultants & Engineers Pvt. Ltd.
 - **Placement Details: PGDMLT (First Batch SU – 2022-23)**
 1. Patel Riya Kiranbhai - Samarth Lab, Surat
 2. Patel Vandana Sunilkumar -Shree Sardar Smarak Hospital, Pathology Laboratory
 3. Kankotiya Princy ghanshyam bhai - CDC hospital, Surat
 4. Acharya Vidhi Pradeepbhai - Dr. Path lab & diagnostic centre, katargam, Surat.
 5. Yadav dhruvi Rameshbhai - Aakash clinical laboratory, Amroli
 6. Patel Poojakumari Mukeshkumar - Maharth Pathology Laboratory. Galaxy circle, Pal.
 7. Shukla Moni Rajeshkumar - Nilkanth laboratory ,Rughnathpura,Surat
 8. Pathan Sadafbanu Firozkhan - Rahat Clinical Laboratory, Surat
 9. Dhorajiya Nirali Kiritbhai - Sahaj Path lab, Surat
 - 10.Vaghasiya Jensi Kiranbhai - Pratham laboratory , Katargam, Surat
 - 11.Ribadiya Krushna Pareshbhai - Life Care Pathology Laboratory, Surat
 - 12.More Karan Rameshbhai - Shri Ramkrishna Institute Of Computer Science
 - 13.Sohaliya Janki Jitubhai - Radhi Diagnostic Laboratory, Nana Varachha, Surat
 - 14.Radadiya Hitexa Rasikbhai - Fides Regulatory 405,Meriton plaza ,Yogi chock Surat
 - 15.Pipaliya Happy Bhaveshbhai - Self Care Laboratory Signpor Char Rasta Vadrod ,Surat
 - 16.Diyora Jensi Rameshbhai - Healthcare Refference Laboratory Katargam, Surat
 - 17.Patel Jigna Bharatbhai-Dr.Pathology Laboratory, Akshar Children Hospital, Katargam.
 - 18.Patel Priyanshi Vikasbhai - Accutest Laboratory, Green Aristo, Surat
 - 19.MANIYA DHARMIK BHARATBHAI - Carewell Laboratory, Surat.
 - **Placement Details: M.Sc. Medical laboratory Technology (First Batch SU – 2021-23)**
 1. Patel Prachiben Dineshbhai - Pathocare Clinical Laboratory. Surat.
 2. Shaikh Farhat naaz. Javed alam - Saad Clinical Lab
 3. Shaikh Rukhsar mohmmad Arif - Teaching, AED Dawoodje English Medium School
 4. Patil Harsha Avinash - Nirmal Hospital,Surat
 5. Lad Dhwanika Nilesh Bhai - Gurukrupa Pathology Laboratory
 6. Patel Bhoomi Sureshkumar - Satva hospital, Surat,
 7. Patel Ruchi Bharatbhai - Pooja Laboratory & Surgical Pathology Center, Navsari,
 8. Chaube Vaishnavi Tarunbhai - Unipath laboratory
 - **Placement Details: M.Sc. Microbiology (First Batch SU – 2021-23)**
 1. Shaikh Amrin H - Shraddha laboratory
 2. TANK RUSHITA BHARAT KUMAR - PMB laboratory
 3. Padhiyar Rinkalben Amarsangbhai - Surat Raktdan Kendra and Research Centre, Surat.
 4. Patel Jigneshakumari Kalidas - Dolphin Life Science , Dhamdod ,Surat
 5. Upadhyay Sweety Mukeshkumar - Neuberg Abha Laboratory
 6. Patel Vrunda - Health Care Reference Laboratory, Surat
 7. Bej Suraj Kailashbhai - Cadila Pharmaceutical Limited

- 11 volunteers had participated in Group discussion on Climate Change under the celebration of Azadi ka Amrut Mahotsav on 27th Sept, 2022.
- Inter college Elocution competition was organized on Climate Change under the celebration of Azadi ka Amrut Mahotsav on 30th September, 2022.
- 4 Students had participated in Special child friendly city, Surat was organized by SMC, Mukbadhir Vikas Trust, child friendly smart city knowledge centre – Network partners on 30th September, 2022.
- Student’s Day was celebrated by taking pledge for voting organized by Campus Ambassador under the theme of Avasar Lokshahino on 15th October, 2022.
- Mr. Janmejaysinh Mahipal Atodariya has participated in the NSS Pre Republic Day parade camp held at Sardar Patel University, Vallabh Vidhyanagar, and Dist. Anand from 20th to 29th November, 2022. SRKI Family heartily congratulates him.
- Dr. Minal Vansia and Dr. Sangita Sanadhya had participated in State level Camp on “Road Safety” organized by Higher Education Commission NSS Cell and Gujarat Road Safety Authority, Gandhinagar on 9th January, 2023.
- NSS@SRKI has organized Poster Competition on Traffic Awareness and Road Safety on 4th February’23. Total 59 students had participated in this event. Dr. Niket Shastri (NSS coordinator of Sarvajainik University) and Prof. Shripal Shah (Faculty of Computer Science, SRKI) were invited as judges. Dr. Chaulami Desai (I/C Principal, SRKI) had encouraged all participants by showing her interest and by delivering her motivational speech regarding Road Safety to youngsters.
- Blood Donation Camp in collaboration with Surat Raktdaan Kendra was organized on 25th Feb, 2023. Total 65 Unit of Blood were collected.
- Thalassemia Awareness Session was organized on 20th March, 2023. Dr. Mukesh P. Jagiwala (Indian Red Cross Society, Surat District Branch) was invited as Guest speaker.
- Thalassemia Screening and Counselling Camp was organized on 23rd March, 2023 in collaboration with Dr. Mukesh P. Jagiwala (Indian Red Cross Society, Surat District Branch). Total 152 screening test was carried out.

2. Glimpses of Activities

Sarvajanik University SSIP (Student Start-Up and Innovation (SSIP) Cell)

The Student Start-Up and Innovation (SSIP) cell was formed on 29th June, 2022. Since its inception the cell has aimed at building a Startup Ecosystem at Sarvajanik University. The information regarding the list of activities and events conducted under the Student Start-up and Innovation (SSIP) cell during 30 June 2022 to 2 August 2022 was submitted on 20th August 2022.

Following is the list of Faculty Members nominated as coordinators from constituents Institutes.

1. Dr. Dipali Kasat Coordinator, SU-SSIP, Cell
2. Dr. Pranav B Lapsiwala Coordinator, SCET-SSIP Cell
3. Prof. Tejas Patel Coordinator, IDPT – SSIP Cell
4. Prof. Shivani Pachchigar Coordinator, IDPT – SSIP Cell
5. Dr. Ranjan Sabhaya Coordinator, SRLIM – SSIP Cell
6. Dr. Riddhish Joshi Coordinator, SRLIM – SSIP Cell
7. Dr. Rupal Snehkunj Coordinator, SRKI – SSIP Cell
8. Dr. Ushma Desai Coordinator, BRCM – SSIP Cell
9. Dr. Payal Saxena Coordinator, BRCM – SSIP Cell
10. Ms. Ushma Thakkar Coordinator, Sarvajanik Law College – SSIP Cell

1. List of major events/activities held successfully

- Orientation conducted for the institute SSIP coordinators on 3rd August 2022 to make them aware about the Format and the role of the SU-SSIP cell in activities related to the startup ecosystem.
- **IPR Awareness Program with NIPAM** (National Intellectual Property Awareness Mission) Purpose – Anybody can innovate! Despite wonderful innovation in several academic Institutes, many innovations die a quiet death because students are not aware whether the innovations are patentable or not and how to get them patented. Works just get published in a Journal, spoiling all its commercial value, since the patent is not filed. Also creative design of Products can be patented but due to lack of awareness, students/ faculty do not patent them.
- **SartUp Adda** – Entrepreneurship Journey from Pre-Ideation to Growth Stage. Purpose - Undergraduate students have the energy and enthusiasm to become an Entrepreneur. Students are motivated and inspired with StartUp but with a lack of directions, majors are just finished with the Idea Stage. Therefore, the Event of StartUP Adda is planned and organized. StartUP Adda – Entrepreneurship Journey from Pre-Ideation to Growth Stage was organized on 8th September, 2022 by SSIP – Cell, SU in association with TiE University, Surat. Dr. Dipali Kasat, Dr. Pranav B Lapsiwala and Prof. Tejas Patel were coordinators of the events. Mr. Dinesh Jain, Founding Partner, Goel Gaurav Jain & CO – LLP, was invited to address the audience on the theme. Journey of Entrepreneur. 400+ students benefited with the event.
- Constituent colleges of Sarvajanik University have organized online Webinar in association with NIPAM- GOI and SSIP Cell – SU.
- **Expert Talk on “INNOVATION ENGINEERING AND DESIGN” by Dr. PRANAB K. DAN** (Associate Professor, IIT Kharagpur) on 7th Oct. 2022 Purpose - Design, innovation, and thinking are

considered to be key elements of engineering as these define the future of humankind. Through lectures, students are expected to understand the process of thinking, designing, and innovating as an engineer.

- **First Step Bring Idea to Reality Purpose – How to Start StartUp?** There was ambiguity in the students for how their idea can be converted to implementation. The implementation outcome becomes a StartUp Business and therefore, the event is planned. First Step - Idea to Reality was organized by SSIP Cell – SU, in association with TiE University, Surat on 7th January, 2023. Dr. Dipali Kasat, Dr. Pranav B Lapsiwala and Prof. Tejas Patel were the coordinator for the event. There were 200 plus students gathered to getting benefits from the Mr. Ritesh Saraf, Founder and CEO, GHMC, Private Ltd
- **Idea Pitching Purpose** – What is my StartUp? The objective of such an event is to provide a platform to students to demonstrate and present their StartUp idea amongst the Jury members. The session helps them to pitch their ideas for the pitching funds for the business activities. Idea Pitching Activity was organized on 21st January, 2023. The winning teams were selected for the mentorship by the esteemed personality of industries and academics.
- **SU-Carnival** Sarvajanik University organized Carnival to involve the students of all constituent colleges in one grand scale program at the University campus and to orient school students and citizens of Surat with the Sarvajanik University and its colleges by organizing cultural and academic activities and events in Carnival. In this regard being the Student Start up and Innovation Cell of SU, had kept one stall at the Carnival and to discuss the activities to be performed at the stall, we had arranged a meeting on 6th February 2023. Prof Shivani Pacchhigar and Prof Payal Saxena coordinated the event. Different activities were planned and student volunteers were identified from each institution. These volunteers were trained to execute the activities planned for SU Carnival.
- **Activities done by SSIP stall @ SU Carnival.**
 1. The awareness about the SU-SSIP cell was created among visitors.
 2. Posters of selected winners of the Idea Pitching event organized by SSIP cell were placed in the stall.
 3. The Quiz on Management, Law, Computer Application and Architecture was executed in which each institution of SU incorporated questions related to their field and visitors were asked those questions. For the right answer, they were also given a small token/gift in the form of chocolate.
 4. Different games based on intellectuals were carried out by student volunteers under the guidance of faculty coordinators of different institutions of Sarvajanik University.
 5. The start up idea pitching competition was organized in which students of all constituent colleges of SU were encouraged to float their idea.
 6. The cell could gather a good number of inquisitive participants who showed interest in sharing their ideas related to entrepreneurship and Innovation in Business. We could make our audience aware of different stakeholders of Business. It was a very well responded two days program and a learning experience for Organizers and student volunteers.
- **8th Season of “Stractical – The Startup Battle”**, a National Level Intercollege Startup Plan Competition organized by SRLIM on 3rd March 2023 and 25th March 2023 S. R. Luthra Institute of Management (SRLIM) organized 8th Season of “Stractical – The Startup Battle”, a National

Level Intercollege Startup Plan Competition .Mr. Mehul Mehta and Dr. Riddhish Joshi coordinated the event. Purpose –

1. Encourage Innovation.
2. Create structure and process for the startup competition for leading academic institutions across the nation so that the innovative ideas born through these competitions are taken forward to become a real business.
3. Create a platform where any individual or team can post their innovative ideas and seek mentoring, access to incubation and angel funds to help them create a real start-up.

- **Induction Program of SSIP Coordinators held on 30th June 2022: Purpose - Dr. Dipali Kasat, Coordinator SU-SSIP addressed the Coordinators of the Constituent Institutes regarding functionality, dimension, and activities under SSIP cell.**
- **Compilation of data for application of SSIP 2.0: Purpose - To avail the grant money (upto 1 Crore) from GKS, SSIP cell, Govt. of Gujarat for startup and innovation activities under SSIP scheme.**
- **MOU signed between Sarvajani University and TiE Surat Forum on 6th July 2022 Purpose - Collaboration for conducting programs/events/sessions/workshops by mentoring and nurturing the selected students on Entrepreneurship.**
- **2 week online Entrepreneur Course-Turnip offered to interested students/faculty members Purpose - The course covers the key concepts related to entrepreneurship in a highly convenient and practical way.**
- **Survey conducted to identify the students with Entrepreneur mindset Purpose - To subscribe students for various events based on their interest.**
- **Compilation of IPR policy for SU under process.**
- **IPR Awareness Program with NIPAM (National Intellectual Property Awareness Mission) Purpose - Anybody can innovate! Despite wonderful innovations in several academic Institutes, many innovations die a quiet death because neither the students nor the faculty are aware whether the innovations are patentable or not and how to get them patented. Work just gets published in a journal, spoiling all its commercial value, since the patent is not filed. Also CREATIVE DESIGNS OF PRODUCTS CAN BE PATENTED but due to lack of awareness, students/faculty do not patent them.**
- **Initiated the process for permission and registration to conduct i2MF's Startup Market Readiness Program from 22nd Aug 2022 – 22nd Oct 2022 Purpose - As an educational entity, i2MF's student entrepreneurship program will allow us to provide academic input to students on how startups are built and scaled. We will be able to equip our budding student**

entrepreneurs with the tools and resources to turn their entrepreneurial ambition into a market-oriented reality. Above that the university can manage the entire program through self account and check each student's progress.

- **Faculty coordinators of BRCM and SRLIM attended webinar - Registration Procedure of Trademarks in India on 17th Aug 2022**
- **STARTUP ADDA event in association with “TiE, Surat” on 26th August, 2022 in our campus**
Purpose - The aim of this meet-up is interaction of students with eminent personalities/startup founders and to encourage students for thinking about interdisciplinary startup ideas.
- SSIP and Institution’s Innovation Council (IIC) cell of Sarvajani College of Engineering and Technology (SCET), organized an event, ELEVATOR PITCH - 100 ideas in 100 minutes. The event was held on 25th April 2023 as part of the Innovation Day celebration. This event helped students to acquire knowledge with much ease and enthusiasm in the area of startups.
- An orientation workshop on “Intellectual Property Rights” was conducted at IDPT-SCET-SU on 25th May 2023. The resource persons of the workshop were Dr. Dipali Kasat (Computer Engineering Department, SCET) and Prof. Aniket Tandel (Mechanical Engineering Department, SCET). Around 60 participants including the faculty team and students of IDPT registered for the workshop and gained knowledge about the process of legalization and authorization for their own creation. The hands-on session for the same was held on 29 May 2023 where participants registered their selected work under “Intellectual Property Rights”.
- A meeting of the state-level “Policy Implementation Committee” (PIC) for the evaluation of proposals submitted to avail SSIP Grant was scheduled on 5 July 2023 at Gandhinagar under the Chairmanship of Honorable, Shri Mukesh Kumar, IAS, Principal Secretary, Higher and Technical Education Department, Government of Gujarat. Dr. Dipali Kasat and Prof. Tejas Patel attended the meeting and presented the action and budget plan of the grant proposal to the Principal Secretary and PIC members.
- Dr Dipali Kasat and Prof Tejas Patel were honored to represent and witness the MoU signed by Sarvajani University at SSIP Cell - Karmayogi Bhavan, Gandhinagar on 19th July 2023, paving the path for the journey of funded Innovations from 2023 - 2027.
- "Sarvajani University" the only Private University from South Gujarat received the first installment of the SSIP 2.0 Grant cheque at the hand of Shri Rushikeshbhai Patel - Hon'ble Cabinet Minister of Higher & Technical Education, GoG in the presence of Shri. Hiranmaya Mahanta-CEO, I-Hub...Shri. Mukesh Kumar - Principal Secretary, HE & TE, GoG...Shri. Banchha Nidhi Pani - Commissioner of Technical Education, GoG, Shri P. B. Pandya - Director of Higher Education, GoG. SSIP-SU Team is thankful to Hon'ble Provost & Registrar sir for giving the opportunity to be part of the ceremony arranged on 10th August 2023 at Pragna Puram, KCG Campus, Ahmedabad. We have received the advance for Grant Disbursement of Rs 1000000 credited to a/c XX8236 via NEFT from GUJARAT KNOWLEDGE- UTR ref SBIN523231894278.
- SSIP 2.0 Orientation Program was organized on August 19th, 2023, at Ahmedabad. It was attended by Prof. Tejas Patel on behalf of the whole SU-SSIP team. The objective was to provide the Grantee Universities/Institutes with a comprehensive understanding of the impactful implementation of the SSIP 2.0 policy at the campus level, focusing on sensitizing
- SSIP coordinators about various policy components and fostering a clear understanding of the startup product cycle. Glad to highlight that Sarvajani University was one of the 3 Grantees from a total of 100 Grantee Institute/Universities invited on the Dias to share the best practices

of SSIP implementation. Dr Dipali Kasat and Prof Tejas Patel briefed the whole orientation to the internal support team – SU on 24th August 2023.

- Innovation Council, SCET and Entrepreneurship Development and Student Start UP Cell, SCET has organized an event for World Entrepreneurship Day on 21st August, 2023. The event was organized for the UG students to guide and motivate them towards entrepreneurship. Two well known entrepreneurs of Surat namely Mr. Utpal Mistry (Co-founder and Director, Lexus Technomist group) and Mr Ashish Desai (Founder and MD. Aether Industries Ltd.) who have world class recognition were invited for the event
- On 24th August 2023, for celebration of World Entrepreneurs Day a poster making activity on “Innovative Business Solution” was organized at S. R. Luthra Institute of Management under IIC & SSIP Cell. The aim of this activity was to encourage students to explore creative and practical approaches to solving complex business challenges through innovative ideas. Total 68 students participated.
- SSIP awareness efforts
 - i. Stall at SES science fait @ CC Shah on 25th and 26th August 2023
 - ii. Awareness hoardings at strategic locations around the campus. These hoardings will play a vital role in effectively communicating important updates/events/ guidelines and/or other relevant information to the campus community.
 - iii. GBM with students at constituent Institutes will be held by Faculty coordinators
 - iv. Treasure hunt planned
 - v. Video shooting done by SCET students to convey about SSIP grant in the campus
 - vi. Through social media.
- Startup Adda planned on 1st and 3rd Friday of every month
- Idea Pitching Phase 1 is planned for the last week of September at each constituent Institute. Phase 2 will be held at SU tentatively in October for the winners of Phase 1 to disburse the funding support to POCs/prototypes/startups selected by the Jury panel.
