Sabarmati University is equipped with technically sound full Wi-Fi and eco-friendly campus and class rooms. Here in SU, we facilitate our students with well-established libraries and e-resources to make learning more interesting. In SU we understand the vital role of higher education in human life, hence we have eminent and well qualified faculties from across the country & who form the backbone to the academic system of the university. We are committed to provide education based on a theoretical, experimental and ethical foundation, enhanced by opportunities for participation in research, internship, industry and interdisciplinary study.

MISSION OF THE UNIVERSITY

Based on the philosophy of holistic development of mankind, Sabarmati University is driven to cater the all-round development of learners through multi-folded learning experiences and sustainable collaboration with variety of worldwide communities and nurture the idea & Unity in Diversity.

VISION OF THE UNIVERSITY

We aspire to install lifelong passion for knowledge among the learners as well as facilitators. We envision our students to be noble netizens in multicultural perspective of academic, industrial and social spheres and build sustainable world for future generations.

SABARMATI UNIVERSITY

National Education Policy (NEP)

National Education Policy 2020 envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world. The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

"Sabarmati University has taken significant steps towards implementing the National Education Policy (NEP) 2020, which aims to revolutionize India's education system. The university has embraced the policy's key principles, which include a holistic and multidisciplinary approach to education, flexibility in curriculum design, and an emphasis on skill development and experiential learning. Sabarmati University has introduced new curriculum that align with the NEP's vision, promoting creativity, critical thinking, and innovation among its students. Additionally, the university has worked on enhancing teacher training and professional development to ensure the effective implementation of NEP 2020's directives. These efforts demonstrate Sabarmati University's commitment to providing a modern and forward-looking educational experience that aligns with the changing needs of students and society."

MESSAGE FROM PROVOST

सर्वं परवशं दुःखं सर्वम् आत्मवशं स खम्।
एतत् विद्यात् समासेन लक्षणं स खदुःखयोः॥

Dear Students & Parents,

At Sabarmati University, we are led into the path of imparting knowledge and nurturing young minds. Over the years, we have witnessed the steady growth of this institution.

In a continuous journey of spreading education, it is time for a journey from very good to great. We gear up to move towards our next milestone, towards levelling up our growth curve and striving to become a great university. We get young minds every year but to make that young mind, we infuse great knowledge, skills and from those valuable pockets, students build their attitude towards the life.

Let us strengthen our research capabilities and foster a vibrant culture of inquiry. Let us strive to contribute not just to the growth of our institution but to address pressing societal challenges.

I am confident that by capitalizing on our strengths, embracing innovation, and nurturing a spirit of collaboration, we will make significant strides in advancing our university's mission.
