

About Organization

International Institute of Research in Multidisciplinary(IIRM) is a Nonprofit Technical Service Oriented Organization under B L Skill Development Trust for Engineering & Technology and was established in 2017, Which is Registered at National Level and Reg. Number: BK IV of 7/2017, Under Indian Trust Act 1882 and Tax Deduction Number:AADTB1740M. IIRM is for Researchers, Scholars, Academicians and Authors "to promote the progress of Research like Engineering and Technology, Medicine, Development Studies, Management Studies, Cultural Studies, Social Sciences, Humanities, Commerce, Sciences and Arts " by displaying their knowledge in the area of Engineering and Technology for the service of mankind and the advancement of general welfare. We are standing high in the field of Research and Technology since 2017, our objective is to provide a platform which will encourage and support Scholars, Researchers and Professionals to carry and accomplish their research work.

The IIRM is to provide and fulfill the requirements of everyone ranging from the academic and professional research communities to industry practitioners by conducting and sponsoring technical meetings, conferences, symposium, and exhibitions all over India and abroad. It is sponsored by Skill Development Trust for Engineering & Technology.

Objective: Provide a platform to all Researchers, Scholars, Academicians and Authors to share the research findings by organizing International and National Conferences. Encourage researchers to identify significant research issues in identified areas, in the field of Science, Engineering, Technology and Management (All branches and Subjects). Dissemination of the work of Researchers, Academicians, Scholars and authors through publications in a journal or in the form of conference proceedings or books.

Mission & Vision: Amalgamate all the technological fields' together form a new aspect of Research. Provide a platform to swap views and knowledge. Spread the technology among all Researchers, Scholars, Authors and Academicians across the world.

About the Virtual Conference (Google Meet)

The 3rd International Conference On Engineering, Science, Medicine, and Management-3rd ICESMM-2021 is to be held on 07th November, 2021 at IIRM, Chirala, Prakasam, Andhra Pradesh. The Conference provides an opportunity to research scholars, Faculty, Industry Professionals, Delegates and Students to interact and share their experience and knowledge in the fields of Engineering, Science, Medicine, and Management. 3rd ICESMM-2021 will be an exceptional international forum for sharing knowledge and results in Engineering, Science, Medicine, and Management. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting- edge developments in the relevant fields. An engineer is a professional practitioner of engineering, concerned with applying scientific knowledge, mathematics, and ingenuity to develop solutions for the technological and societal problems. Therefore, an ideal engineer is a composite and to operate at the interface between science and society.

3rd ICESMM-2021 can throw up a number of new ideas and solutions to address the present-day challenges in the fields of Engineering, Science, Medicine, and Management. The scope of the conference is broad and covers many aspects of international technology prospective. This conference aims to provide a scholarly platform for participants to publish their research in reputed International Journals which are indexed by Scopus/ Web of Science / UGC Care (Gr.I) Journal / A scholarly online Journal

Conference Themes

Full paper submissions from Faculty, Emerging Researchers and Enthusiastic students are invited for the Third Virtual International Conference on Engineering, Science, Medicine, and Management-3rd ICESMM-2021 to be held at IIRM, Chirala, Andhra Pradesh. This is a good platform for researchers, academicians, students, innovators, scientists and industry personnel to discuss current research in all branches of Engineering and Technology. This conference will be a good platform to share research, innovations, and best-practices where constructive feedback and engagement with domain experts is expected. We encourage any submissions that present novel ideas, works-in-progress or any concepts that you think can benefit from inputs of experts.

Selected extended papers will be published in Scopus/ Web of Science / UGC Care (Gr.I) Journal / A scholarly online Journal with a separate fee

3rd ICESMM-2021 invites Original Contributions on all topics related to the following domains:

- Computer Science and Engineering
- Artificial Intelligence and Machine Learning
- Data Science and Cyber Security
- Electronics and Communication Engineering
- Embedded with IoT
- Electrical & Electronics Engineering
- Mechanical, Industrial and Manufacturing Engineering
- Automation and Mechatronics
- Civil, Construction and Architecture Engineering
- Environmental Engineering
- English, Physics, Chemistry and Mathematics
- All Branches, Subjects and Concepts

Instructions to Authors

Original papers based on theoretical or experimental works related to the above mentioned themes are solicited for presentation in the conference. The paper should begin with the title, short abstract and a list of keywords. Simultaneous submissions (papers already submitted to other conferences/journals) are not allowed.

Note : Please do not submit plagiarized papers

Submit your articles @: papers.iirmsdt@gmail.com

Note1: We will permit per Article 4 to 6 authors including Guide for B.E /B.Tech Students, 1 to 2 authors including Guide for M.E / M.Tech Students, 1 to 2 authors including Guide for Research Scholars, 1 to 2 authors for Academician/Practitioner/Industrialist, and 1 to 2 authors for Ph.D./Post Doc.

Registration Fee:

Note2: Per Article, Registration Fee for B.E or B.Tech: ₹700/-, for M.E or M.Tech: ₹1100/-, for Academician/Practitioner/ Ph.D./Post Doc.: ₹ 1400/- Industrialist: ₹ 1900/-

Note3: For Foreigners, 100 Dollars

Note4: Hard Copy of Conference Certificates, Membership Certificates, and proceedings will be posted to your postal address with a separate fee: ₹ 400/-
