शिक्षित हो इस विद्याकुल का, मान बढ़ाएँ गरिमामय ॥
द्वाबा कालेज की जय जय
द्वाबा कालेज की जय जय . . . . ॥

Principles of Arya Samaj

1. God is the efficient cause of all true knowledge and all that is known through knowledge.
2. God is existent, intelligent and blissful. He is formless, omniscient, just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immanent, un-aging, immortal, fearless, eternal and holy, and the maker of all. He alone is worthy of being worshiped.
3. The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and to hear them being read.
4. One should always be ready to accept truth and to renounce untruth.
5. All acts should be performed in accordance with Dharma that is, after deliberating what is right and wrong.
6. The prime object of the Arya Samaj is to do good to the world, that is, to promote physical, spiritual and social good of everyone.
7. Our conduct towards all should be guided by love, righteousness and justice.
8. We should dispel Avidya (ignorance) and promote Vidya (knowledge).
9. No one should be content with promoting his/her good only; on the contrary, one should look for his/her good in promoting the good of all.
10. One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare all should be free.

Vision

The Vision of Doaba College is to become an institution which provides affordable quality education to the students to make them realize their full potential and transform them to skilled manpower, entrepreneur and above all good human beings.

Mission

- Educate all with emphasis on making education accessible to the underprivileged.
- Channelise the energy of students towards creativity, team spirit and service with dedication, devotion and discipline.
- Assist in character building by propagating human and ethical values in the students.

From the President's Desk
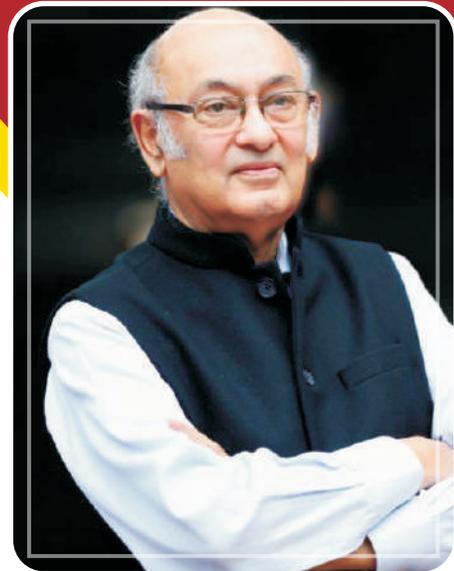

Dear Students,

I heartily welcome you to the portals of Doaba College, Jalandhar, a Multi-Faculty Co-educational Postgraduate Pioneer Institution of North India. College has been reaccredited with A grade by NAAC (Cycle –II) and UGC has conferred college with status of College with Potential for Excellence(CPE). The Arya Shiksha Mandal, the managing body of the institution made a tryst with destiny in 1941to spread value based and quality education in North India. Since then, it has opened colleges and schools in Jalandhar with a mission to emancipate qualitative higher education in the region. This is so because guiding principles of Maharishi Dayanand Saraswati, whose 200th Birth anniversary is being celebrated in whole world, lies at the core of our existence. You will not only be the part of a great tradition but also join ranks with thousands of alumni who have occupied numerous prestigious positions and contributed greatly to the growth of the nation and society at large.

The world of knowledge today has exploded the boundaries of nations and continents posing a challenge for one and all to excel in the field of innovations and creativity. India has developed such an educational ambience that our students have outstripped their counterparts in Europe and USA. The need of the hour is to cultivate fresh and original thinking, spirit of experimentation along with latest knowledge like Artificial Intelligence and digital technology

Doaba College under able leadership of Principal Dr. Pardeep Bhandari has emerged as more vibrant and dynamic institute carrying forward the legacy of providing value based education to all sections of society. Wishing all of you a happy and purposeful bright academic career and comfortable stay in Doaba College - an institution that turns possibilities into realities.

Chander Mohan
President

From the Principal's Desk

Dear Students,

I warmly welcome you to the portals of Doaba College Jalandhar, majestically adorned by UGC with College with Potential for Excellence (CPE) status. We are proud to be part of the rich legacy of this 83 year old institution that has achieved rare milestones in its illustrious history. Over the years the college has marched ahead by making strong connection with its traditional roots and modern technological innovation.

Right knowledge coupled with right action in the right direction is called collective progress. This institution has imbibed those core values to chisel its students into skilled professionals. So we have created an efficient dynamic environment for our students to motivate them to go for skill development courses in addition to available programs.

In order to inculcate sense of belongingness, instil social values and to prepare students for future challenges college organizes student centric classroom discussions, seminars, workshops, panel discussions, celebrates days of national heroes, intra and intercollegiate fests and competitions, presentations and peer learning programmes. All these in turn provide a favourable and conducive environment for the well-being of our students. The excellent placements and top university positions in the university examinations is the living testimony of the unflinching efforts of college in this direction.

Finally, as a responsible institution we are continuously chiseling our responsible youth to promote sustainable environment and eco-consciousness amongst the masses. The eco club of college is doing yeoman's service in this regard. College is also running professional sports academies viz Badminton, Lawn Tennis, Football, Swimming and Cricket for the overall holistic growth of the students. And to this end, I urge upon my dear students and colleagues to apply mind so that a green, clean and benevolent environment is ensured for the future generation. Let us all join together to bring glory to our beloved college.

I wish you all the best for your future endeavours. May you keep shining bright and bring more laurels to your beloved alma mater.
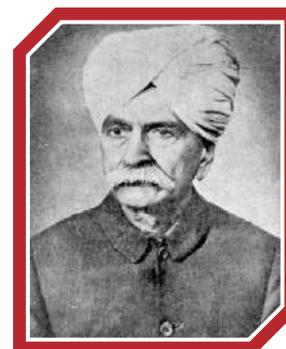

Dr Pardeep Bhandari

College Profile

Celebrating 82 years of Excellence

Star Status College by DBT, MoST, Govt. of India

Doaba College, Jalandhar is one of the oldest Multi-Faculty Postgraduate Co-educational Premier Institution of North India. It was founded on January 1, 1941 by great visionary and philanthropist Sh. Bindraban Sondhi to impart quality education on the principles of Arya Samaj in the Doaba region. Social reformers like Rai Bahadur Badri Dass and philanthropist Sh. Jagan Nath Mittal later contributed towards the development of this august institution. The foundation of Doaba College was laid to promote the study of classical Sanskrit, Hindi and teachings of Vedic Dharma, Gandhian values and to promote the philosophy of Maharishi Dayanand Saraswati. Thus, the primary mission of these philanthropists was to impart value based quality education for transforming Indian youth into good human beings. It was conceived as a part of the national movement for freedom with education as a potent means to arouse public opinion to fight against the imperialism and safeguard the rich cultural heritage of India. Its mission and objective was to enlighten the youth and make them vigilant citizens of the society.

The institution has constantly flourished under the dynamic leadership of earlier Rai Bahadur Badri Dass, Seth Stya Paul, Sh. Balbir Raj Sondhi and Sh. Virendra, Nationalist and Freedom Fighter. Now it is progressing and touching new heights of glory under the able guidance and dynamic leadership of Sh. Chander Mohan, President of Arya Shiksha Mandal and the Managing Committee of Doaba College.

The basic aim of the college is to provide quality education to the students, character-building, moulding and shaping the career of the students so that the students excel in all walks of life. Doaba College provides an excellent opportunity to students to flourish their skills and groom their personalities. The students of Doaba College have touched great heights at national and international levels. The College is known for providing value based, employment oriented traditional and professional education to the students to keep pace with the demands of the 21st Century, especially exploring the new avenues in the fields of Computer Science & I.T, Biotechnology, Commerce & Management, Journalism & Mass Communication, Tourism and Hotel Management, in addition to the traditional courses in the faculties of Science, Commerce & Arts. We acknowledge the role of UGC, GNDU & DPI (Colleges) which have encouraged us to start career oriented and other skill development courses in this institution, which shall increase employability of the students in various fields. The GNDU administrative hierarchy is always promptly supportive and we are indebted to them.

4

COLLEGE CAMPUS

The College presents a gracious look with splendid buildings and infrastructures such as Commerce & Business Management Block, Ultramodern Media & I.T. Block, Sh. Yash Chopra Media & T.V studio, Community Radio Raabta-90.8MHz, Seth Stya Paul Postgraduate Block, well equipped laboratories (Computer Science, Physics, Chemistry, Bio-technology, Food production, Accounting & Simulation, Computational Mathematics Lab, English Language), Swimming Pool, International Level Indoor Sports Training Facility - Gymnasium & Extensive play-grounds for all major games, Big library with open shelf system, Spacious, neat and clean Cafeteria, Beautiful parks, Dispensary, Girls' common room, Student information centre, Rose Garden, Water Coolers with water purifiers, Generators, Boys' and Girls' Hostel, magnificent Virendra Auditorium, O.P Mohan Open-air theatre, Hi-tech Conference Hall, Seminar Hall, New Staff Room, Automated Administrative Block, etc. The college has highly qualified, energetic, innovative and experienced teaching staff in all faculties and dedicated non-teaching staff. The vast lush green eco-friendly campus is located in more than 21 acre area. Recently on campus professional academies for Badminton, Football, Swimming, Lawn Tenis & Cricket have been established.

INFRASTRUCTURE : Distinctive Facilities

Media & IT Block

Ultra-Modern Media & I.T Block is the pride of the college. It is a step towards promoting I.T & Media vision among the people of Doaba region. The College is conducting computer courses in the most sophisticated and air conditioned computer labs.

Dedicated leased line, ultramodern & dedicated servers, visual teaching with LCD projector, the state of the art multi-media conference room, workshops, seminars and visits to industrial houses, guest lectures by eminent scholars, 1:1 system ratio, high speed internet Connectivity, Hi-End computer labs & hardware labs, Latest Computer magazines, Journals & e-content center are its exquisite features.

Sh. Yash Chopra Media & T.V Studio and

Community Radio Raabta 90.8 MHz

Ultra Modern T.V studio has been established to meet the growing needs of the students to undertake multi-camera production. The studio is equipped with the latest digital cameras with teleprompter (for news reading exercises), online editing, cool & hot lighting set-up, Multi Channel Audio Console and studio talk back system. Latest video editing system FCP has been set-up to offer professional and purposeful training to the students and the department has acquired the latest digital cameras for both studio production and outdoor recording; digital cameras for still photography. Jalandhar's first campus Community Radio Raabta 90.8 MHz has been setup under the Ministry of Information and Broadcasting, Government of India.

INFRASTRUCTURE : Distinctive Facilities

Libraray

A three storeyed whisper quiet library is equipped with open shelf system. The college has rich treasure of well-stocked library that has more than 73000 collections, 6000 e-journals 799500 + e-books through E-ShodhSindhu (N-LIST Programme). Each floor is systematically arranged with books and has separate reading places for UG & PG students. The college library is equipped with computerized cataloguing, classification, circulation, transaction, provision of Internet, multimedia, book alert services, periodical alert service, audio-video sections, resource material cell etc. In its peaceful and serene atmosphere, the students can widen their intellectual horizon by browsing books, journals, reference books etc. Web OPAC- Library users can search required books from college library data with 24x7 accessibility.

College Hostels : Home away form Home

Jagan Nath Mittal Boys' Hostel

The college boys' hostel is in the premises of the college and consists of a magnificent building with intake capacity of 80 students. It has hygienic co-operative mess, common room with latest amenities viz indoor games, dining hall, RO, Air cooled & AC Rooms with generator facility. It is run on co-operative basis. The food served to the students is nutritious, purely vegetarian and of excellent quality. Personal attention and parental care is given to students by the Principal and the staff with frequent visits to the hostel. The hostel is a safe haven for boarders as it provides a healthy, congenial and homely atmosphere.

Girls' Hostel

On persistent demand of the girl students joining the college from other states such as Himachal Pradesh, Haryana, Rajasthan, J & K as well as other regions of Punjab, girls hostel is fully functional and is equipped with modern amenities. The girls' hostel is built with all the modern facilities viz Air Cooled & AC Rooms with generator facilities with intake capacity of 96 students.

Girls' Common Room

To meet an urgent need of the ever-increasing number of girl students in the college, ever since it was declared co-educational, a new Girls' Common Room - spacious, well furnished and equipped with modern facilities is located adjacent to the new staff room.

Virendra Auditorium

The magnificent Virendra Auditorium is a jewel in the illustrious crown of Doaba College. It is a boon to the students who can excel themselves in various co-curricular activities and channelise their energy in the right direction. It has seating capacity of more than 800 persons.

College Cafeteria - DCJ Delight - Lady Aruna Paul Student Recreation Centre

The latest feather in the college's cap is the newly constructed **DCJ Delight-Lady Aruna Paul Student Recreation Centre.** It has been built with the contributions of renowned alumnus Lord Swraj Paul. It serves hygienic refreshment to the students at a reasonable price. The eatables served are of optimum quality and have nourishing value.

Administrative Block

Fully computerised newly built Administrative Block houses the Principal's Office, General Office & Accounts Office. The block has an imposing building situated in the centre of the college premises.

Seminar Hall

A new fully AC seminar hall with the sitting capacity of 120 people, with elegant wood-work, audio-visual system, LCD projector, beautiful and comfortable furniture is located in the science block.

English Language Lab

Keeping pace with the present era of globalization and need for English Language proficiency, college has built twenty terminal language lab, equipped with automated language lab system having the facility of voice recording, playback, one-on-one interaction etc. It is extremely beneficial for language learning and enhancement of effective communication skills.

Sports Facilities

1. On Campus Professional Academies viz Cricket, Football, Badminton & Lawn Tennis.

2. Swimming Pool with Latest facilities (Filtration Plants)

SUPPORT SERVICES

Library : Free Internet Access/Research Cell

Doaba College Library provides free Internet access to create, browse and communicate information on diverse range of topics. The college library is a member of E- Shodh Sindhu Consortium (N-LIST Programme) that provides access to students and teachers to 799500 e-books and 6000 e-journals. The web access provided by library caters to the academic and research needs of students and teachers.

On Campus Medical Aid

The college provides medical aid to the students and staff members with availability of a qualified doctor during college hours. General medicines as prescribed by doctor are given to patients as per the requirement during emergency situation. In addition, the college has tie-up with near by hospitals for emergency situations.

Placement and Industry interface cell

Placement and Industry Interface Cell of Doaba College plays a vital role in building Industry-academia relationship. Our team is shaping the career of young aspirants with our dynamic and innovative approach. Placement and Industry Interface cell functions round the year to facilitate students to become industry-ready. In this regard, the cell provides on-campus mentoring and counseling sessions, guest lectures/seminars/workshops by industry expert, hands on experience through simulation and experiential learning modules, real-time experience by having industrial training and visits. Thus, we are making consistent

KNOW THE RULES

Limited Seats: Students can join these courses within the prescribed dates of admission. There are limited seats in all these courses and the admission will stop as soon as the Senctioned number of seats in a particular course are filled. Reservation of seat is as per Punjab Govt. / GNDU Rules.

Eligibility Criteria :
Eligibility of all Courses is as per eligibility criteria as specified by GNDU Asr. from time to time.

Late Admission: Admission will be strictly as per the dates specified by GNDU / DHE Govt. of Punjab. The Principal may recommend late admission to Worthy Vice Chancellor but this will be extended only in rare cases subject to the availability of seats. In case of students whose University or Board result is declared late, no late fee will be charged if they apply for admission within ten days of declaration of the result. The Principal reserves the right to grant or refuse admission to any candidate without assigning any reason. The Principal can cancel the admission of any student who has been admitted to the College without assigning any reason whatsoever.

Provisional Admission: Those students who have appeared in final exams of the lower classes and their results are not yet declared may also apply for admission in higher classes, provisionally with a payment of Rs. 5000/-, subject to the eligibility by GNDU Asr.

A student admitted provisionally has to get admission by submitting the copy of DMC of lower exams and depositing the 1st installment of course fee within 5 days of declaration of result for issue of University Registration Number failing which, the admission of the student in the College shall stand cancelled automatically although he/she might have paid the fee. If a student fails to fulfill eligibility conditions, full amount of registration fee paid will be refunded. No amount shall not be refunded if admission is offered by the college but refused by the student.

• Admission to the College is made provisionally at the sole risk and responsibility of a student and its subject to subsequent approval of GNDU. If approval to the admission is withheld by the competent authority (for the reason that the student concerned has failed to provide the required documents in time/has hidden some information/given false information/is not eligible to join the class otherwise), the entire responsibility in such a case will lie with the student himself/herself. He/she will not be entitled to any refund whatsoever from the college.

Admission Process & Document Checklist

- The application for admission is to be made on the prescribed printed admission form available from the college Library/ Admission Cell along with the Prospectus. It should be accompanied by:

– A certificate from father/mother/guardian of the applicant to the effect that he/she is joining the college with his/her permission.

– Two passport size photograph.

– A certificate of good moral character from the Head of the institution last attended.

– Original certificates, mark sheets, attested photocopies of the lower examination passed.

– Scheduled Caste/Tribe/Backward Class students must attach the certificate from the competent authority.

– Outstanding sports persons, speakers, singers & artists must submit supporting certificates/testimonials.

– For UG Course: The student who has passed their lower examinations from other Boards except PSEB must submit migration certificate in original along with requisite fee as decided by GNDU, Asr. in the college office.

– For PG Classes: The student who has passed their lower examinations from other Universities except GNDU must submit migration certificate in original along with requisite fee as decided by GNDU, Asr. in the college office.

– **The student is required to appear personally for admission with copy of Aadhar Card, Voter Card & ABC ID.**

Rules for Change of Subject/Faculty

– Change of subject / program will be permitted once, without any charges with in 10 days of commencement of classes.

– No application for change of subject / program will be entertained after 20 days of commencement of classes.

– After 10 days of commencement of classes fee of Rs.500/- per subject & Rs.1000/- for program will be charged. No student will be allowed to change subject / course after 20 days of the commencement of classes. They may be allowed to change the group/faculty if they fulfill other requirements laid down by the college/university.

– Application for change of subject / program must be made on the prescribed form available in the Office with requisite fee. Such application form should also be signed by the HoDs/ parents/ guardians of the applicant. The change, if allowed, will be at student's own risk & is subject to availability of seats in the course opted.

– In case of change of subject from Science group to Arts group, Science fee paid in the previous course will not be refunded.

– Students changing from Arts to Science group will have to pay science fee for full session.

– Change of subject will be granted at the student's own risk. No benefit of the lectures attended in the previous subject can be given for the new subject.

Refusal of Admission

The Principal has full power to refuse admission to an applicant without assigning any reason.

Note: While every care is taken to screen eligibility of the candidate before admission is granted, the responsibility for ensuring the eligibility lies on the student.

Girl students are eligible for admission in all classes/courses in all streams.

Bachelor of Arts (BA)

Eligibility : A student who has passed +2 of PSEB/CBSE or other equivalent examination, is eligible to join BA Sem I.

Subject combinations for BA Sem I

A student will take up English (Compulsory) and Punjabi (Compulsory)/Basic Punjabi/PHC and three Subjects out of the following combinations : Mathematics / Psychology / History / Elective-English / Punjabi/Hindi/Sanskrit (Sanskrit Elective with Hindi Elective is allowed), Geography, Journalism & Mass Communication, Economics, Political Science, Physical Education/Computer Science Note : (i) Subjects once taken in BA Sem I can not be changed. (ii) Students are advised to choose one or two job oriented practical subjects out of three elective subjects. Student may get more information from Admissions Counseling Cell.

BA B.Ed.
4 Year Integrated Course
approved by NCTE & GNDU

Future Prospects : BA B.Ed. is a 4 Year Integrated Course which saves one precious year of the students and makes then eligible for teaching jobs in government, government aided and private schools. It enables them to pursue higher studies in foreign countries.

Eligibility : 50% in 10+2 in any stream.

I am elated to do this professional course which has honed my skills in teaching.

Student's Code of Conduct

STUDENT'S RESPONSIBILITIES
- Communicate in a careful/respectful manner with teachers, classmates and other members of the college.
- Proper dress code must be observed while in college.
- Attend actively and be punctual in your classes and other activities of the department.
- Complete assigned work well in time with proper attention to quality of work. Keep the college campus neat & clean.
- Use of mobile phone is prohibited during classes.
- Behave in eco-friendly manner by conserving paper. electricity and water.

STUDENT'S RIGHTS
- Can utilize college resources as per norms and seek help whenever needed.
- Learn in congenial environment that supports the freedom of self-expression and association.
- Make a positive contribution to the multicultural environment of the college.
- Can ask viable questions to teachers for enhanced understanding of the subject.
- Can share innovative ideas to improve the learning environment of the college.

MENTORING SYSTEM OF THE COLLEGE

The mentoring system at our college is designed to support students in their academic and personal growth through a one-on-one relationship with their teachers. This system aims to provide guidance, advice, and encouragement to help students to enrich their experience in college and life as a whole. The mentoring system is primarily based on the conduct of frequent meetings in which mentors discuss the progress, challenges, and goals of their assigned students. These meetings provide an opportunity for students to ask questions, seeking advice on time management, career planning or simply have someone to talk to about their concerns. Mentors connect students with resources on campus, and provide encouragement and motivation during difficult times. In this developed mentoring system of the college, both mentors and mentees gain from the mentoring programme. As mentors have the chance to ensure a supportive environment for the students and share their knowledge and experience, mentees too receive insightful advice, encouragement, and support that can improve their academic standing, boost their self-esteem, and enable them to make wise decisions about their future.

DCJ ECO CLUB

Education aims at holistic development of an individual. The recent advances in industrial and agricultural sectors from past few decades have disrupted the ecological equilibrium. These changes in society have necessitated the need for fostering skills and responsibilities in students which would gear them up for life in addition to the education for their cognitive development. Ecoclub@DCJ with the motto of 'One planet, one mission' is such a forum through which students can reach out to influence, engage their friends, counter-parts, parents, neighbours and in turn their entire adjacent community to promote sound environmental behaviour. There is utmost need to 'learn to live sustainably' which this club helps to contribute in.

Various awareness programs on solid waste management, plastic pollution, energy conservation are organized. Seminars and interaction session along with plantation drives, poster competitions, debates, nukkad-nataks, essay, quiz, cycle rallies form the key aspects of this club. Garbage spot fixing events with the help of NGOs and Municipal Corporation are also being successfully conducted at various sites around college campus. Establishment of eco-club@dcj has made a visible difference in students attitude. Various success stories related to clean campus and spot fixing in front of Kamal Hospital & Shree Devi Talab Mandir have been achieved.

Software Development Cell
(Under the aegis of PG Dept of Computer Science & IT)

Software Development Cell (SDC) is established under the aegis of the PG Department of Computer Science and IT. SDC is made up of faculty and students who want to put theory into practice and use their knowledge for the improvement of institution, and society as a whole. The SDC focuses on the creation of new projects that allow students to work in a structured team environment with deadlines.

SDC's Objectives

1. To meet the institution's current software automation needs
2. Provide students with a platform where they may work on real-world projects.
3. Establish a solid foundation of technical knowledge by teaching various industry-required technologies.
4. To hold several technical seminars for students to assist them with job placement.
5. Provides students with high-quality education and training.

Eminent Visitors' Expressions

"I studied at Doaba College from 1947 to 1949 when I graduated with Honours in Mathematics, Physics and Chemistry. I am proud to come from its tradition and its heritage that is something that we can all take pride in."

Lord Swraj Paul of Marylebone
House of Lords, London

"It is a great feeling to be back in my alma mater after 50 years."

Late Sh. Yash Chopra
Film Producer & Director

It is an honour & proud moment for me to be back in my Alma Mater. I have spent many years in Doaba College campus, playing cricket to attending classes. I am indebted to the teachers & Non-teaching staff for their guidance. Wishing Good Luck to my college."

Sh. Anurag Singh Thakur,
Union Minister of Information & Broadcasting,
Youth Affairs & Sports"

It was a wonderful visit to my Alma mater. I did my graduation from Doaba College in 1955. Best wishes for the all-round development of the college.

Sh. Vijay Chopra
Hind Samachar Group

I am pleased to visit Doaba College. The college is contributing not only in the field of education but also playing a great role in the field of environment by preparing the students for the same cause. It is praiseworthy."

Sant Balbir Singh Seechewal

I congratulate the principal and staff members for organizing the seminar on Punjabi literature. Best wishes for the progress of the institution"

Sh. Surjit Patar
Famous Punjabi Writer and Poet'

Doaba College Jalandhar is a premier institution that is working for empowering young students by providing them holistic education with emphasis on alignment of theory with practice.

Sh. Bawa Henry
MLA- Jalandhar North Constituency

"I am pleased to state that Doaba College, Jalandhar has progressed magnificently and has established new milestones in the education sector."

Sh. Prem Kumar Dhumal
Ex. Chief Minister, Himachal Pradesh

"I am glad to see that my institution has progressed consistently and has made a mark in the field of higher education."

Sh. Balwinder Vicky
(Ace Comedian)

"I am very proud of my alma mater. I am glad that Doaba College is touching new heights of glory.

Ace Comedian
Sh. Gurpreet 'Ghughi'

Doaba College has been engaged in the task of shaping up the earth. I convey my gratitude to all members of Doaba College family for the wonderful task they are doing."

Major D.P. Singh
Kargil War Veteran and India's first bladerunner

"Doaba College, is the best institution for disabled children. I am indebted to my institution "

Sh. Vivek Joshi
President Awardee

"I still recall with great fondness my time spent as a sportsman and student in college during 1970 to 1975. I was able to scale new heights and win laurels for my country in waterpolo & swimming because of my hardwork done in the college swimming pool"

Sh. Sushil Kohli
Dhyan Chand Awardee
Silver Medalist, Asian Swimming 1980

I am pleased to be a part of Alumni Meet- 2022. It was a pleasureful feeling to revisit my Alma Mater."
Sh. Balwinder Vicky, Ace Comedian" It's a matter of great privilege to join Alumni Meet at my own college. I bow my head to the great teachers who guided me in my life."

S. Paramjit Singh Sachdeva,
Sachdeva Stocks Pvt. Limited, Hoshiarpur"
