IIIT Bhagalpur Admissions

Admissions to all the disciplines of B.Tech are done through [JEE \(MAINS\)](#) scores. Candidates need to have passed 10+2 in Science stream with the required marks. Candidates qualifying in JEE mains need to appear in JOSAA Counselling

How to apply?

- Visit the official site of JEE Mains
- Register by entering all required details
- Log in by using the created password & generated application number
- Complete the application form
- Upload the scanned documents
- Pay the registration fee online
- After qualifying JEE mains successfully, candidates need to register for JOSAA counselling

IIIT Bhagalpur Placements

The Training and Placement Cell of the institution looks after the placement opportunities for the students. Since the institute started functioning from 2017, the first batch of the institute is to pass out in the year 2021. It is an institute of national importance and has become one of the promising leaders in the discipline of Information Technology and Automation.

The placements are expected to be excellent in the upcoming days. However, for obtaining a B.Tech degree, one-internship for every student is intended to be obligatory. There are a few recruiters for industry-based internships which include Livguard, R.K. Automation, SmartBridge Technology, Expertshub, and Tata Steel.

IIIT Bhagalpur Facilities

- **Central Library:** The institution owns a well-equipped modern library to cater to the information needs of the students as well as the faculty members. The library has acquired more than 3500 printed volumes of books from reputed publishers. It is also equipped with modern facilities and resources.
- **Computer Centre:** The Computer Centre is in charge of the maintenance of day to day computational requirements of the institute. It is also responsible for the management of the computer labs accessible to all the students and the PCs of the faculty and staff members. The facilities of the centre are also used by many departments to conduct their practical classes and examinations.
- **Wi-Fi Campus:** The Computer Centre maintains a huge campus network with more than 300+ nodes. IIITBH LAN is also managed by the centre for providing support to the users. The Campus LAN has been extended to all the hostels.
- **Bank & ATM:** The institute has a UCO Bank situated inside the campus area to facilitate the banking needs of the students, faculty, and staff members. There is even access to the ATM facility inside the Academic Building. In addition to this, a Post Office is also situated inside the campus for fulfilling the postal system needs.
- **Virtual Classroom:** The institute possesses a dedicated virtual classroom for 1:5 video conferencing and is well-resourced with a Projector, 43" LED TV, PTZ Camera, Wireless Mic, Amplifier, Presenter, and Sound system. It can accommodate up to 100 students.
- **Conference Room:** There is a well-furnished conference room with Wi-Fi connectivity and with a capacity of 15. The room is equipped with one PTZ Camera with 43" LED TV with video conferencing facility through Panasonic Codec. It also has a projector with a good sound system.
- **Hostels:** The institute provides separate hostels for both boys and girls, constructed near to the main study campus with all the basic facilities and modern amenities for the convenience of the students.

Our college is located on the bank of river Ganga. So there is beautiful view from the campus. Plenty of trees are inside the campus so ample amount of oxygen is present which makes the campus more beautiful and scenic.

everything is fine just one problem is there for college don't have their own land or own building. our classes is held in BC campus. Some positivity in your college that your college have good teacher most of them it came from it is but negative 30 is only Ee that your college don't have their own building that's it.

Nice College

Placement -

9 /10

Being a New college, a very good placement is going. The Highest package has gone 17LPA and many multinational companies visited our college for campus placements and took many of the students. Average package till is 8-9 LPA.

[Over all a good college with better future, You can prefer it over lower brach in nits.](#)

Placement -

10 /10

This was the first campus placement as IIITBH was started in 2017. Many companies visit here and provide a good package. Amazon provided the highest package of 30 lacks. And many other companies like TCS, National instrument, etc are also provided a decent package.

[Lookout to IIIT Bhagalpur](#)

Placement -

8 /10

From the 3rd year onwards students are eligible for on-campus interviews. As college has started in 2017, then also the placements are very high. This year(2021), the highest package was 17.8 lakhs pa. The average placement can be considered to be 9-10 lakhs. In the batch of 60, 34-40 students get placed. And the placement is still going on. The placement cell is doing a great job.

[My IIIT Bhagalpur](#)

Placement -

9 /10

This college is started in 2017 and got placement this year. College placement is good and the highest package offered is sixteen lakhs per annum. My plan is to get 20 lakhs per annum in this college. At least 75% of students are placed from this college.
