OUR INSPIRATION

ACHARYA JAGADISH CHANDRA BOSE

(30th NOVEMBER 1858 – 23rd NOVEMBER 1937)

Shri Jagadish Chandra Bose was a pioneer scientist who investigated radio and microwave optics. He was a polymath, physicist, botanist, biologist, biophysicist and archaeologist. He made significant contributions to plant science, and laid the foundations of experimental science in India. Even a crater on the moon has been named in his honour.

He was the first person to prove that plants also have the ability to feel pain and affection. Jagadish Chandra Bose was an Indian polymath whose research has extensively contributed to the fields of Botany, Physics and Radio Science. He is credited to have laid the foundations of experimental science in India and was a pioneer in the area of microwave optics technology. He designated a galena receiver which was amongst the earlier examples of a lead sulphide photo conducting device. A polymath, Jagadish Chandra Bose left an indelible mark in several fields of study.

He invented the Crescograph for measuring the growth in plants using a series of clockwork gears. He is also credited with the invention of the first wireless detection device; an invention he never tried to get patented himself. He was made companion of the order of the Indian Empire in 1903 and Comparison of the Order of the Star of India in 1912 in recognition of his contributions to Science. Jagadish Chandra was acknowledged by IEEE, USA as one of the pioneers in the discovery of radio.

Vision

"J.C. Bose University of Science and Technology, YMCA, Faridabad aspires to be a nationally and internationally acclaimed leader in technical and higher education in all spheres which transforms the life of students through integration of teaching, research and character building."

Mission

- To contribute to the development of science and technology by synthesizing teaching, research and creative activities.
- To provide an enviable research environment and state-of-the art technological exposure to its scholars.

ABOUT THE CHANCELLOR

SH. BANDARU DATTATRAYA
HON'BLE GOVERNOR OF HARYANA

Popularly known as People's Leader, Sh. Bandaru Dattatreya is the 18th Governor of Haryana. He was sworn in as the Governor of Haryana on July 15, 2021.

Sh. Dattatreya was born on 12 June 1947 to Bandaru Anjaiah and Eswaramma at the city of Hyderabad in Telangana State. He received B.Sc degree from Osmania University.

He has been elected as a member of Parliament for 10th, 12th, 13th Lok Sabha (1991-2004) and 16th Lok Sabha from Secunderabad Lok Sabha Constituency. Sh. Dattatreya was Union Minister of State for Labour and Employment (2014-2017) in the NDA Government headed by Prime Minister Sh. Narendra Modi and was the lone minister from the State of Telangana.

Earlier, Sh. Dattatreya has also been a part of the Prime Minister Sh. Atal Bihari Vajpayee's cabinet between 1999 and 2004 and held several important positions in the NDA Cabinet. He served as Union Minister of State for Urban Development and Poverty Alleviation and Union Minister of State Ministry for Railways during the Government led by late Prime Minister Sh. Atal Bihari Vajpayee.

Sh. Dattatreya's social and political career started in 1965 when he joined Rashtriya Swayamsevak Sangh (RSS). He worked as Parcharak from 1968 to 1989. He was State Joint Secretary of Loka Sangarsha Samiti (Jayaprakash Narayana Movement) during Emergency period. He joined the BJP in 1980 and worked as the Secretary for its Andhra Pradesh unit. He was appointed General Secretary from 1981 to 1989, President of the Adhra Pradesh unit between 1996 and 1998 and the National Vice-President of BJP in 2013-2014. In September 2019, he was made the Governor of Himachal Pradesh and in July 2021, he became the Governor of Haryana.

Message from Vice Chancellor's Desk

It gives me immense pleasure to bring out the information brochure of the University for the academic year 2025-2026 and I am also delighted to welcome the new batch of students.

J.C. Bose University of Science and Technology, YMCA, Faridabad (formerly known as YMCA University of Science and Technology) has a long legacy of excellence since its inception. The University's roots trace back to 1969 as the YMCA Institute of Engineering, initiated as an Indo-German Project which was aimed to revolutionize technical education in India, drawing inspiration from the German model and focusing on producing highly practical-oriented professionals tailored to meet the specific technical manpower needs of industries. In 2018, in recognition of the institution's growth and contributions, the State Government bestowed upon it the name of the great Indian scientist Jagadish Chandra Bose, signifying a notable milestone in its journey.

The University has been consistently heading towards achieving excellence on the academic horizon and made significant strides in recent years. It has attained NAAC Accreditation (Cycle 2) with Grade 'A+' in 2022. All prominent technical programs offered by the University are accredited by NBA, and it has constantly made its presence in NIRF Ranking. The University is also recognized with the 'World Peace Education and Promotion Award-2024' by International Association of Educators for World Peace which reflects the commitment of the University towards fostering a culture of peace and harmony among our students and its social responsibilities. The University is dedicated to provide a congenial academic environment for nurturing young minds to take on the challenges posed by globalization and advancements in different areas of knowledge.

The University has established a robust tradition of not only facilitating employment opportunities for its graduates but also nurturing their entrepreneurial ambitions. Through its distinguished alumni, who serve as leaders in both industry and the corporate sector, the University has significantly influenced the entrepreneurial landscape of Faridabad. These alumni play pivotal roles in shaping the industrial sector and contribute substantially to the nation's techno-economic advancement.

The University is also committed to implement the National Education Policy 2020 (NEP-2020) in letter and spirit. As a first step towards this, we have introduced three and four-year undergraduate degree programs, aligned with the provisions of NEP-2020, allowing students to opt for a minor degree program along with the major discipline and the flexibility of Multiple Entry and Exit options.

We also aim to introduce multi and cross-disciplinary courses across engineering, science, management and humanities disciplines. The curriculum is being reorganized, wherever needed, such that a student can choose what he or she wants to study, rather than what he or she is enforced to study. In today's world where existing information quickly becomes obsolete, we would work for a dynamic curriculum which encourages students to learn and innovate, and enables them to take the advantage of career opportunities that come their way.

I believe that research excellence is a defining feature of an institution's landscape, which incessantly affects it by attracting outstanding students and academics. The University is working on nurturing and protecting fundamental research to provide the foundation for innovations. It will also focus on areas that directly impact and improve the lives of people and provide opportunities to people.

The University is also expanding its horizons to bring state-of-the-art infrastructure for shaping ideas and fostering innovation. With a broader vision to show its presence as a world-class University in teaching and research, we have been striving to bring in best practices both at the national and international levels.

With the range of disciplines represented and the quality of education offered at J.C. Bose University which is among the finest in the State of Haryana as well as in the Country, is well poised to make its mark at the international level.

I wish all the students a very bright future.

Note: All B.Tech, B.Voc, BCA, BBA, M.Tech, MBA & MCA Programs are approved by AICTE.

#As per NEP 2020 (National Education Policy 2020) following details should be noted by all applicants:

UG Certificate: Students who opt to exit after completion of the first year will be awarded a UG certificate if, in addition, they complete one vocational course of 4 credits during the summer vacation of the first year. These students are allowed to re-enter the degree program within three years and complete the degree program within the stipulated maximum period of seven years.

UG Diploma: Students who opt to exit after completion of the 2nd year will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits during the summer vacation of the second year. These students are allowed to re-enter within a period of three years and complete the degree program within the maximum period of seven years.

3-year UG Degree: Students who wish to undergo a 3-year UG program will be awarded UG Degree in the Major discipline after successful completion of three years with the minimum credit requirements.

4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a 4-year degree program with the minimum credit requirements.

4-year UG Degree (Honours with Research): Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline with the minimum credit requirements.

ELIGIBILITY CRITERIA AND MODE OF ADMISSION

Department	Course/Program	Eligibility	Mode of Admission
Computer Engineering	B.Tech - Computer Engineering	Passed 10+2 examination with Physics / Mathematics / Chemistry / Computer Science / Electronics / Information Technology / Biology / Informatics Practices / Biotechnology / Technical Vocational subject / Agriculture / Engineering Graphics / Business Studies / Entrepreneurship (as per Annexure-XII). Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. **OR** Passed D.Voc. Stream in the same or allied sector (Refer Annexure XII). **NCrF Level: 4.0** **For Lateral Entry:** Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. **OR** Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject. **OR** Passed 3 year D.Voc. Stream in the same or allied sector are eligible for admission to B.Tech. (Lateral Entry) Courses. Further, any candidate passed 1st Year B.Voc Praogramme after 10+2 with Physics, Chemistry and Mathematics (Non-Medical) in the same or allied sector is also eligible. **NCrF Level: 4.5** (For details refer AICTE APH 2024-27 and HSTES Admission brochure)	Admission will be made through Haryana State Technical Education Society (HSTES) Counseling or according to instructions/ guidelines issued by HSTES on the basis of All India Rank of JEE Mains Exam (conducted by NTA) **For Lateral Entry** in 2nd year (3rd Sem) On the basis of inter-se-rank of Online Common Entrance Test (OCET) - 2025 to be conducted by HSTES (For more details refer to HSTES Admission Brochure)

Computer Applications	MCA	Passed BCA/ Bachelor Degree in Computer Science Engineering or equivalent Degree OR Passed B.Sc./ B.Com./ B.A. with Mathematics at 10+2 Level or at Graduation Level (with additional Bridge Courses as per the norms of the University). Obtained at least 50% marks (45% marks in case of candidates belonging to SC/ST category of Haryana only) in the qualifying Examination. **Note:** The graduates whose qualifications are B.Sc, B.Com, BA etc with Mathematics at 12th or graduate level are eligible for MCA, however, University may decide to conduct a bridge course (of short duration) for such graduates after admission.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
Physics	M.Sc. - Physics	B.Sc. / B.Sc. (Hons.) with 50% marks in aggregate (45% for SC/ST candidates of Haryana only) with Physics as regular subject at graduation level from a recognized Univ./Institute	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
Mathematics	M.Sc. - Mathematics	B.Sc. / B.Sc. (Hons.) / B.A. / B.A. (Hons.) with 50% marks in aggregate (45% for SC/ST candidates of Haryana only) with Mathematics as regular subject at graduation level from a recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
Chemistry	M.Sc. - Chemistry	B.Sc./B.Sc. (Hons.) with 50% marks in aggregate (45% for SC/ST candidates of Haryana only) with Chemistry as regular subject at graduation level from a recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
Environmental Sciences	M.Sc. - Environmental Sciences	Bachelor's degree (B.Sc. or B.Tech. or equivalent) in any branch of Science / Engineering / Technology / Agriculture with 50% marks in aggregate (45% for SC/ST candidates of Haryana only) from a recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
	PG Diploma in Waste Management	Bachelor's degree in any discipline along with 10+2 with Science stream from a recognized Univ./Institute.	Admission shall be made on the basis of merit of Qualifying Exam.

Department	Course/Program	Eligibility	Mode of Admission
Life Sciences	M.Sc. - Biotechnology	B.Sc. with Biological Sciences with at least 50% marks in aggregate (45% for SC/ST candidates of Haryana only) or equivalent CGPA from any recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
	M.Sc. - Botany	B.Sc. (Hons.) in Botany/ B.Sc. (Pass) with Botany and any two other related subjects of biological sciences with at least 50% marks in aggregate (45% for SC/ST candidates of Haryana only) or equivalent CGPA from any recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
	M.Sc. - Zoology	B.Sc. (Hons.) in Zoology/ B.Sc. (Pass) with Zoology and any two other related subjects of biological sciences with at least 50% marks in aggregate (45% for SC/ST candidates of Haryana only) or equivalent CGPA from any recognized Univ./Institute.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
	M.Sc. - Microbiology	B.Sc. with Biological Sciences with at least 50% marks in aggregate (45% for SC/ST candidates of Haryana only) or equivalent CGPA from any recognized Univ./Institute are eligible.	Admission shall be made on the basis of merit of Entrance Exam conducted by the University. **Result awaited (Qualifying Exam.) candidates can also apply.**
Computer Applications	M.Sc. - Animation & Multimedia	Bachelor's degree in any discipline with 45% marks in aggregate (40% for SC/ST candidates of Haryana only) from a recognized Univ./Institute.	Admission will be made on the basis of merit of qualifying exam.
Communication and Media Technology	M.A - Journalism & Mass Communication	Bachelor's degree in any discipline with 45% marks in aggregate (40% for SC/ST candidates of Haryana only) from a recognized Univ./Institute. 	PG Diploma - Yoga Science and Naturopathy	Any Graduate passed from any recognized board/Univ./Institute.	Admission will be made on the basis of merit of qualifying exam.
	PG Diploma - Anti Drone & Autonomous Technology	BE/B.Tech in related Branch from recognized board/Univ./Institute.	Admission will be made on the basis of merit of qualifying exam.
	PG Diploma - Philosophy of Communal Harmony and Social Justice	Any Graduate passed from any recognized board/Univ./Institute.	Admission will be made on the basis of merit of qualifying exam.
	C.Voc in Low Cost Automation	Passed 10th any recognized board.	Admission will be made on the basis of merit of qualifying exam.
Mechanical Engg.	UG Certificate in Applied Mechanics	Passed 10+2 in Science Stream from any recognized board.	Admission shall be made on the basis of percentage in the relevant qualifying exam

Note :- The additional 5 marks weightage will be awarded to NSS Merit Certificate holders students of 10+2 class during the admission process of Under Graduate programs/courses only. For details refer Annexure XIX.

COMMUNITY COLLEGE OF SKILL DEVELOPMENT

The Community College of Skill Development (CCSD), J.C. Bose University of Science and Technology, YMCA, Faridabad (Haryana), represents a pioneering initiative in the realm of higher education and vocational training in Haryana, India. Situated within the vibrant campus of J.C. Bose University, CCSD is dedicated to bridging the gap between academia and industry by offering skill-based programs tailored to meet the demands of the contemporary job market. Established with the vision of fostering holistic development and empowering individuals with practical skills, CCSD has emerged as a beacon of excellence in skill development education. At CCSD, the curriculum is meticulously designed to equip students with the requisite technical expertise and hands-on training needed to excel in their chosen fields. These programs are crafted in consultation with industry experts to ensure alignment with the evolving needs of the workforce.

STATUTORY

Bachelor of Vocation (B. Voc.) a Bachelor level degree specified by UGC under section 22(3) of UGC Act, 1956 and notified in official Gazette of India dated 19th January, 2013 be recognised at par with the other Bachelor level degrees for competitive exams conducted by Union/State Public Service Commission, Staff Selection Commission or other such bodies where the eligibility criterion is "Bachelor Degree in any discipline".

ADMISSION IN B.TECH THROUGH LEET

As per the AICTE APH 2024-27, B. Voc. students can get lateral entry to B. Tech / B.E.

EARN WHILE LEARN/ON-JOB-TRAINING

• Course under CCSD offers a wide range of On-Job-Training opportunities with handsome stipend to the students of B. Voc. through which the students of various streams not only get a financial support for their studies but also gain hands-on experience which would certainly stand by them in their future career as well.

• The program allows students to experience real working environments while continuing their academic studies.

• Exposure to on-the-job training helps students understand the workings of the corporate world.

PRADHAN MANTRI VIDYA LAKSHMI (PM-VIDYALAXMI) SCHEME

The Government of India's Pradhan Mantri Vidya Lakshmi (PM-Vidyalaxmi) Scheme is a significant initiative aimed at providing financial assistance to students pursuing higher education. This scheme simplifies the process of availing educational loans by offering a single window electronic platform. It allows students to easily access information about scholarships and educational loan schemes from various banks, ensuring that deserving candidates are not hindered by financial constraints in their pursuit of academic excellence.

By streamlining the loan application process and connecting students with multiple loan providers, the PM-Vidyalaxmi Scheme promotes inclusive education and empowers students, particularly those from economically disadvantaged backgrounds, to achieve their academic aspirations. This initiative underscores the government's commitment to fostering a skilled and educated workforce, ultimately contributing to the nation's socio-economic development.

The Pradhan Mantri Vidya Lakshmi (PM-Vidyalaxmi) Scheme simplifies educational loan access through a centralized online platform. Students can register and apply for loans from multiple banks and access scholarship information.

Application Process:

1. Visit the Portal: Go to the official Vidya Lakshmi portal: https://www.vidyalakshmiloans.co.in/
2. Register: Create an account by providing basic personal details.
3. Fill the Common Educational Loan Application Form (CELAF): Complete the CELAF with accurate information regarding your educational qualifications, course details, and financial requirements.
4. Select Loan Schemes: Browse and select the loan schemes from various banks that align with your needs.
5. Apply and Track: Submit your application and track its status through the portal.
6. Scholarship Information: The portal also provides information on various government scholarships.
7. This streamlined process ensures that students can efficiently explore and secure financial aid for their higher education.

ANTI RAGGING GUIDELINES & PREVENTIVE MEASURES

Govt. of India and State Govt. of Haryana have already banned the ragging of newly admitted students in all the Professional Institutions. Stern disciplinary action is taken against the students indulging in the ragging of the students, including expulsion from the University and hostels/mess or fine with a public apology or withholding of scholarships or other benefits, debarring from representation in events, withholding results, suspension of campus recruitment / industrial training and alike. If, the individuals committing or abetting ragging are not/cannot be identified, then collective punishment can be awarded to act as a deterrent. In view of the involvement of some senior students in ragging of 1st year students in some of the Institutions in the previous year, Hon'ble Supreme Court of India has directed the concerned Institutions/Universities to take immediate steps for the prevention of ragging of students. The violation of this law (ban on ragging) is not only punishable by a fine of Rs.50,000/- but also may attract rigorous imprisonment for 3 years. In order to curb the ragging, the University takes various steps such as help from the local administration for keeping vigilance in the Campus, senior students are advised individually and in groups and cooperation of their parents is sought explaining the aspects of punishment for violation of law of ban on ragging, by deputing faculty members at different places in the University premises to check the ragging & to book the defaulters during the day and also at mid night.

What constitutes ragging:

a   any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;

b   indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;

c   asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;

d   any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;

e   exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students;

f   any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;

g   any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;

h   any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;

i   any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Deterrent Measures for Ragging:

• Cancellation of admission.
• Suspension from attending classes.

R & D CELL

The Research and Development (R&D) cell of the University plays a pivotal role in fostering innovation, creativity, and intellectual growth among its undergraduate, postgraduate, and doctoral students. In the dynamic landscape of academia, the Research and Development (R&D) cell stands as a beacon of innovation within the University. This entity serves as a gateway to a realm of intellectual exploration and scholarly advancement. It provides a structured platform for students to delve into research projects aligned with their academic interests, nurturing their potential to become tomorrow's leaders in their respective fields. Through mentorship, resources, and collaborative networks, the R&D cell empowers students to embark on transformative journeys of discovery.

Moreover, the R&D cell serves as a bridge between academia and industry, facilitating knowledge exchange and technological innovation through the signing of Memorandums of Understanding (MOUs).By forging partnerships with external stakeholders, students gain exposure to cutting-edge developments in their field and opportunities for applied research, enhancing their academic experience and employability prospects.

Under the R&D Cell, the University offers Ph.D. programs in various disciplines. The University has adopted the UGC guidelines, allowing candidates to seek admission to Ph.D. programs after completing a 4-year/8-semester Bachelor's degree with Research and having a minimum CGPA of 7.5/10 from the session 2024-2025 through its entrance test. However, the applicants who have qualified and valid GATE/UGC/NET/CSIR (JRF)/SLET/ passed regular M.Phil Program in the related discipline are exempted from entrance.

The following scholarship schemes are available for research:

(a) University Research Scholarship (URS) of Rs. 25,000/- per month.

(b) Fellowship/scholarship from outside organizations such as CSIR, UGC, DST, AICTE, etc.

(c) Fellowships available from IOCL and MOB Alumni Association.

In its short span of two years from inception, the R&D cell achieved the following milestones:

Initiated a total of 30 research collaborations with industry/institutions of international and national repute.

Secured sanction for more than 21 research proposals from various funding agencies.

More than 150 students qualify in various national-level competitive exams such as GATE, CAT, NET, etc., with commendable scores.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) was established on 22.09.2015 as per the 12th Plan Guidelines of the UGC, with a grant of Rs. 4,50,000/-, as a mechanism to build and ensure a quality culture at the institutional level. The internal quality assurance mechanism of any institution or University, known as the "Internal Quality Assurance Cell (IQAC)," is responsible for planning, guiding, and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities. The National Assessment and Accreditation Council (NAAC)—an autonomous body established by the University Grants Commission (UGC) of India—advocates that the IQAC has the potential to become a vehicle for ushering in quality by implementing intervention strategies to address deficiencies and enhance quality.

Objectives:
1. To develop a quality system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the University.
2. To promote measures for institutional functioning toward quality enhancement through the internalization of a quality culture and the institutionalization of best practices.
3. To develop and apply quality benchmarks/parameters for various academic and administrative activities of the University.
4. To facilitate the creation of a learner-centric environment conducive to quality education and faculty maturation, enabling the adoption of required knowledge and technology for a participatory teaching and learning process.
5. To initiate the documentation of various programs/activities of the University that lead to quality improvement.
6. To inculcate a system of transparency and mutual trust among stakeholders.
7. To sensitize and disseminate information on various quality parameters of higher education.
8. To prepare the Annual Quality Assurance Report (AQAR).

INCUBATION CENTRE

In spirit of providing a supportive platform to young students to realise their start-up dreams, J.C. Bose University of Science and Technology, YMCA, Faridabad has established J. C. Bose Technology Business Incubator (JCB-TBI) with the support of The Department of Information Technology Electronics & Communication, Haryana (DITECH) and one of our own alumni Mr. Mohit Vohra, Founder and MD, MV Electrosystems Pvt Ltd.

The University has established a thriving ecosystem for innovation, centered around JCB-TBI and supported by key initiatives such as the IoT Lab, Co-working Space, and a 3D printing setup for prototyping and testing. This ecosystem fosters the creation and transfer of knowledge. At JCB-TBI, we provide comprehensive support in technical expertise, strategic management, and business mentoring, guided by experienced faculty and industry experts. Several dynamic startups have flourished under our mentorship, including The Tee Point, Galichaa, Extreme Insurance Surveyors, KimTech Innovations Pvt. Ltd, METASAGA Pvt. Ltd, Smart Skill Wave, Nestays, Nano Agro, Skillwhiskill, TilaHeal, and SpiruFit.

To nurture entrepreneurial spirit, we regularly organize seminars, startup events, motivational and technical lectures, workshops, and symposiums on topics such as Ideation, Startups and Entrepreneurship, Intellectual Property Rights (IPR), and Industry-Academia Innovative Practices. Additionally, JCB-TBI actively supports budding entrepreneurs by assisting with fund raising through various initiatives. The University has set up a comprehensive Start-up Entrepreneurship Workshop Program to help our students to understand the deep nuances of business and all its components including market research, business planning, pitching to investors for successful implementation of their start-up business ideas. Incubation Centre has already successfully conducted over 50 programs /competitions / workshops for Innovation and Entrepreneurship and half a dozen programs / workshops on Intellectual Property Rights (IPR) etc.

DIGITAL LEARNING MANAGEMENT SYSTEM

Unleashing the Learning Avenues through Indigenous Digital LMS

The University has a dedicated web-based Learning Management system named "Digital Learning Management System (DLMS)" which is in-house developed. The key objective of this practice is to host and track online learning. Providing a virtual hub where learners can access course materials, DLMS aims to make contents accessible to remote learners, support blended and flipped learning environments; and provide a central location for learning across the University.

At the student end, the system provides facilities to view the shared content, submit due assignments & tests, track their studying progress and interact with their teachers. The purpose of the practice is to combine the traditional instructor-led approach with online learning to enable learners to have control over their training. DLMS is enabled with features like facility of uploading study material and assignments, live chat, live classes, test facility, continuous assessment, discussion forums etc. and students can access it with their login. The quick links of important platforms like University's Library e-portal, National Digital Library, SWAYAM, Spoken tutorial, ZOOM, Google Classrooms and other e-platforms have also been integrated in this system.

J.C. BOSE IOT RESEARCH CENTRE

The University has a state of the art, fully equipped Internet of Things (IoT) lab for students to discover their true potential in IoT technology to design, create, test and implement prototypes for their technology based start-up ideas. The lab has all the latest tools and machines including 3D printers, electronic workbenches, Arduino kits and raspberry pi tolls etc.

The University has collaborated with RVC Bangalore for IoT programs and projects. University is also under process to sign an MoU with Defence Services for research and development of IoT based projects.

UNIVERSITY LIBRARY

The Central Library of the University has been named after the great Indian thinker and leader Pt. Deen Dayal Upadhayay. The Central Library of J.C. INSTITUTION'S INNOVATION COUNCIL 6.0

Institution's Innovation Council of J.C. Bose University of Science and Technology, YMCA, Faridabad is an initiative under the Ministry of Education's Innovation Cell (MIC) in 2018, and is dedicated to cultivating a dynamic culture of innovation within Higher Education Institutes (HEIs). Its primary mission is to inspire and guide young students towards exploring novel ideas capable of transforming processes, introducing innovative products and services to markets, enhancing efficiency, and maximizing profitability. Through a series of targeted initiatives, council aims to equip students with the knowledge and skills necessary to navigate the landscape of innovation, entrepreneurship, Intellectual Property Rights (IPR), and startups. By fostering collaboration with academia, industry experts, investors, and professionals, the council endeavors to create a supportive ecosystem where student innovators can thrive. Central to its efforts is the organization of motivational sessions, workshops, and training programs aimed at fostering an entrepreneurial mindset and empowering students to realize their innovative potential. Furthermore, it places a strong emphasis on practical skill-building, offering sessions on tools like the Business Model Canvas (BMC) and facilitating the development of robust business plans. By fostering a culture of innovation and providing the necessary support and resources, an Innovation Council plays a crucial role in driving positive change and ensuring the long-term success and sustainability of the institution.Through these comprehensive endeavors, IIC aspires to nurture a new generation of visionary leaders poised to drive meaningful change and innovation in the world.

Activities under Institution's Innovation Council are like: -

- Organize an Inter/Intra Institutional Hackathon and Reward Best Innovations.
- Field/Exposure Visit to Pre-incubation units such as Design Centers, City MSME clusters, workshops.
- IIC Regional MEET
- Mentoring Event: Demo Day/Exhibition/Achieving Problem-Solution Fit & Product-Market Fit.
- Mentoring Event: Prototypes & linkage with Innovation Ambassadors
- Celebration-Science Day, Start-up Day, Youth Day, Energy Conservation Day, Pollution Control Day and many more.

THE IPR, INNOVATION & INCUBATION/ START-UP DIVISION (IIIS)

The IPR Innovation & Incubation/ Start-Up Division (IIIS) at J.C. Bose University is pivotal in fostering innovation and entrepreneurial spirit within the University community. One of our core activities involves organising patent workshops where individuals receive expert guidance on navigating the intricacies of patent filing and support throughout the process. Under the ambit of this division, the University's Incubation Cell operates, offering aspiring student entrepreneurs' access to seed funding grant under the start-up policy.

Recently, two ideas were selected under the MSME Innovation Scheme 3.0, securing a grant. OFFICE OF DEAN STUDENT WELFARE

The Student Welfare Cell at the University plays a pivotal role in fostering the holistic development of students, not only academically but also through co-curricular activities such as cultural, technical, and sports endeavors. Over the past decade, the University has made remarkable strides in establishing state-of-the-art sports facilities, reflecting its commitment to promoting physical fitness and sporting excellence among its students.

In collaboration with various student clubs and societies, the Student Welfare Cell actively organizes a diverse array of cultural, technical, and sports events throughout the academic year. These events provide students with opportunities to showcase their talents, hone their skills, and engage in healthy competition with their peers.

Moreover, the University's investment in sports infrastructure has yielded commendable results, with the students consistently achieving noteworthy ranks in various technical, sports, and cultural activities at both state and national-level tournaments. Whether it's excelling in intercollegiate sports competitions, representing the University in cultural festivals, or participating in technical symposiums, the students have demonstrated their prowess and passion across diverse fields.

Through participation in co-curricular activities, students not only enrich their academic experience but also develop essential life skills such as teamwork, leadership, and time management. The Student Welfare Cell continues to support and encourage students in their pursuit of excellence, providing them with the necessary resources, guidance, and mentorship to thrive both inside and outside the classroom. The Student Welfare Cell serves as a catalyst for nurturing well-rounded individuals who not only excel academically but also contribute positively to society through their talents, skills, and achievements in cultural, technical, and sports arenas.

CULMYCA

CULMYCA is an acronym for Cultural Cum Technical Festival of the University. It is a complete celebration of the youth which aims to celebrate the effervescence of the students and provide them an opportunity to showcase their talent. The festival is generally organized in the month of March every year. The word CULMYCA is evolved from two words i.e. Cultural and YMCA, in which first three letters CUL represent Cultural and last four letters represent YMCA, wherein first two letters ('YM' to 'MY') have been replaced with each other to make a striking name. The festival was started in late 70s with limited cultural events.

ELEMENTS CULMYCA

With the passage of time, CULMYCA , the annual cultural-cum-technical festival of the University, has gained popularity and become a favorite 'Inter-College' festival in Delhi NCR, with more than 3,000 students' participation from over 50 educational institutions across the state, particularly NCR region. The festival has added new techno-cultural elements, which makes it more special. Now, the festival is popularly known as Elements CULMYCA, and it has a dedicated Android app and website.

STUDENT'S LIFE AT UNIVERSITY

When you step onto campus, you are immersed in historic red-brick buildings and glorious green spaces. You will find the campus both a peaceful and vibrant place to spend your time. The office of the Dean of Students Welfare looks after the welfare of the students with active support from representatives of the students, faculty and administration. It closely works with students across all years to provide leadership, social, extracurricular and academic counseling programmes. There is a Students' Council and Student Welfare Committee which caters to the students' interests and promotes cultural and sports activities. The elections to the Students' Council are conducted under the supervision of DSW office.

CO-CURRICULAR ACTIVITIES

Promoting academic excellence is not the only aim of the University. The University provides a vibrant platform through the wide variety of forums and clubs that promotes. Sports, cultural, social service and other extra-curricular and co-curricular activities which not only nurture talent but also develop team building, leadership and organisational skills. Besides various social and cultural clubs, the University has formed different groups like Youth Red Cross, National Service Scheme, National Cadet Corps (Naval wing and Army Wing), Vivekanand Manch and Ethiccraft Club to develop qualities of character, courage, comradeship, discipline, leadership, and the ideals of selfless services among the youth to make them useful citizens. Through these groups, the University has a broad mission to develop the "whole student" and involvement of students in such activities is a key tool in their personal development.
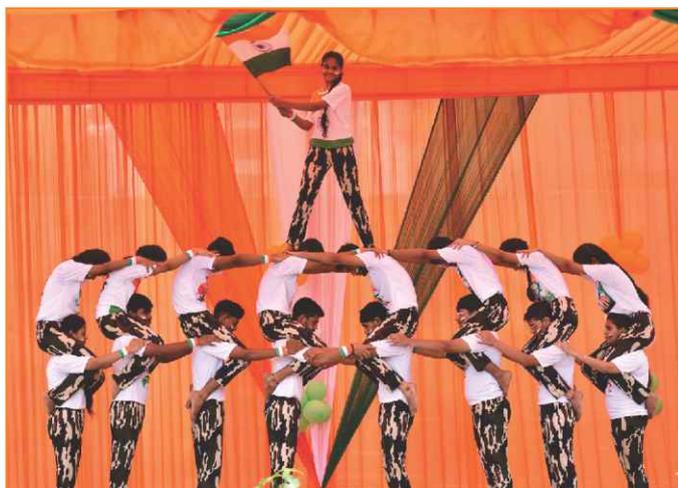

SPORTS ACTIVITIES

Sports play a pivotal role in shaping student's personality and maintaining good health. It also builds many skills in a student like teamwork, leadership and self-confidence. In the University, sports activities go simultaneously with the academic session with active participation of students. The students not only actively participate in inter-college and inter-University sports competitions but also perform well and bring laurels to the University. The University has indoor facility for sports like Table Tennis, Badminton, Yoga, Kabaddi, Weightlifting, Boxing, Chess and Carrom, and outdoor facilities for Cricket, Football, Volleyball, Basketball, Archery and Athletic events.

COMMUNITY SERVICE ACTIVITIES

The University conducts community development programmes such as 'Blood donation camps', 'Tree plantation', 'Cleanliness campaign', 'Health checkups camps' and 'Joy of giving' regularly. It has adopted five villages namely Alipur Sikargah, Sehravak, Tillori Khaddar, Rajpur and Tejpur Kalan in District Faridabad under Unnat Bharat Abhiyan. Also, the University has adopted 'Aanchal Chhaya' orphanage, located in Baghola, district Palwal. Apart from academic activities, the University encouraged students to contribute towards society upliftment. A group of students impart free education to those children who are deprived of education by arranging evening classes within the campus.

EXAMINATION BRANCH

If 'Academics' is the face of an educational institute,'Examination' is its spine. Quality of an institute depends largely on the quality of evaluation and its attendant policy framework, processes and product. Transparency backed by clearly defined procedures is its hallmark. For any system to work smoothly and efficiently, well laid out rules facilitate the stakeholders towards their respective duties and responsibilities to a great extent.

Examination system of J.C.Bose UST YMCA is based on the principle of 'Impartiality and Objectivity' and is not only efficient but also a time bound process. It is a system based on constant and consistent review of the system and on the feedback received regularly from the stakeholders. It is a system based on rigorous processes of checks and balances.

A student can approach the examination branch of the University regarding date sheets, issuance of DMCs/Provisional Degree Certificate/Transcripts/ Backlog Certificate and issues related to result etc.

Presently, Dr. Rajiv Kumar Singh is Controller of Examinations.

ALUMNI SPEAKS...

Sh. Rakesh Bharti (Batch: 1976 - EE)
Vice-Chairman, Bharti Enterprises

"I have very pleasant memories of my four year stint at the then YMCA Institute of Engineering from 1972-76. The four year Sandwich course was way ahead of its times and focused on lab projects which enabled me personally to understand industry related problems. The best part was that every student found a job during the campus interviews by the industry.I served on the Board of Governors from October 2005 and Chaired the Vision 2010 Committee from June 2006 to review infrastructural facilities and prepare the Institute to meet global changing scenarios in technology. The final report was presented in August 2009 highlighting major achievements and future plans at the Institute which led to the upgradation of YMCA Institute to YMCA University of Science & Technology in December 2009. The Institute was ranked 47 amongst the top 50 government engineering colleges in 2008. I encourage the students to learn and embrace every opportunity that comes their way. I wish the university great success in the future."

Naveen Sood (Batch: 1970-74)
Founder, owner and Chairman of Vee Gee Group, a top supplier of Automotive parts and components with turnover of over Rs. 800 Crore INR.

I express my humble gratitude to my Alma Mater YMCA for being an outstanding institute. The course JCBUST is a unique platform which has truly helped me sync my early engineering education, my industrial experience and the updated academia into a progressive mindset. I would like to assure each and every person reading this testimony that YMCA and JCBUST is the ultimate bridge that assimilates basics to up to date skills into attitude needed to excel professionally! All the best.

Kanwal Jeet Java (Batch: 1977-81)
Managing Director & CEO, Daikin Air Conditioning India Pvt. Ltd., Member of Board, Daikin Industries Limited, Japan, Regional General Manager, Air Conditioning Business, India & East Africa.

"When I joined the YMCA IE in 1977, I had only vague idea of what Refrigeration and Air-conditioning was all about. YMCA was a wonderful place to shape up my ideas. I dedicate my success to all the instructors and faculty members who helped me understand this field and motivated me to excel in this".

Mohit Vohra (Batch: 1994-98)
Founder & Managing Director of MV Electro systems Private Limited, Founder, Quadrant Cables Pvt. Ltd., Founder, Prime Electronics.

"J.C. Bose UST has one thing since its starting as YMCA institute of Engineering in 1969 that is to produce entrepreneurs, that is possible one because of highly qualified faculty in their respective fields of expertise. Secondly, many events are organized by the university to provide a variety of experiences to the students and inculcate various life skills requiring to build a sparkling career. It is these skills only which have helped me excel as successful entrepreneur".

Ashok Kumar Nehra (Batch: 1981-85)
Managing Director of BELZ Instruments Private Limited. Lead Assessor/Technical Assessor empaneled with NABL. Consultant/Trainer for Laboratory accreditation as per ISO 17025 :2005.

"I started my business in 2001 and presently employing 100+ engineers. Also received first prize MSME award from former prime minister of India, Dr. Manmohan Singh, for the excellent services. YMCA, being the pioneer in the field of education for 50 years has expanded its roots exponentially, all over the world. Excellent infrastructure with modern facilities and experienced faculties brings out the best in every student".

ALUMNI SPEAKS...

Suresh Chawdhary (Batch: 1996-2000)

As an alumnus, it fills me with great pride and a deep sense of gratitude to acknowledge and appreciate the incredible contribution our university has made in shaping technocrats, researchers, entrepreneurs, civil servants, defense officers, and academics, thus playing a proactive role in the nation's development.

This temple of learning has a long-standing reputation for nurturing excellence and providing a conducive environment for holistic development. Over the years, it has been credited for its yeoman services in preparing its students for their journey of career and life alike.The education I received here not only equipped me with the necessary skills but also instilled in me a sense of responsibility towards society.

I am grateful to the faculty and staff who have shown unwavering dedication and commitment to the noble cause of education. Their guidance and support have been invaluable in shaping the lives and careers of countless individuals, including mine.
Long live my Alma Mater!

I think YMCA has contributed a lot in making me what I am today. The personal attention given by the teachers and the efforts they put in made me a technocrat. My teachers ensured that I became a better person and my friends made sure that I follow my dreams. It's been a decade now that I have been away from university and I still miss all the giggles and frills, the time spent at the canteen, hostel and the annual function 'Culmica', but I miss my teachers and friends the most. I strongly believe that the University is the most important place that shapes our career.

Subject: **Regarding issuing Income Certificates through SARAL portal.**

Sir/Madam,

I am directed to invite your attention to provisions of the *Haryana Parivar Pehchan Act, 2021 (20 of 2021)* which provides for the assignment of the Parivar Pehchan Number (PPN) as a unique identifier number to each family. The database namely Family Information Data Repository (FIDR) contains PPN alongwith corresponding information generally required for determining eligibility for, or the provision of any scheme, service, subsidy or benefit provided/implemented by or on behalf of the State Government/any Government agency/local authority. State Government has been empowered under Section 8 of the Act to prescribe Parivar Pehchan Number (PPN) as a requirement for the purpose of determining above mentioned eligibility or provision. The verified information linked with PPN available in Family Information Data Repository (FIDR) has now made it feasible to issue Income Certificates across the counter through SARAL portal.

3. Keeping in view the above, Government has decided to issue instructions regarding issuance of Income Certificates, in suppression of previous instructions, if any, as under:-

(i) **Portal for issuance of Income Certificate.—**
Income Certificate shall be issued to eligible residents of Haryana on provision of PPN through the SARAL portal (https://saralharyana.gov.in/) facsimile signed by ADC-cum-DCRIO (Additional Deputy Commissioner cum District Citizen Resources Information Officer).
These certificates will be issued on the basis of verified data on income contained in FIDR.

(ii) **Person who is entitled to obtain Income Certificate.—**
A person who is a resident of State of Haryana shall be entitled to obtain Income Certificate on provision of PPN and having income verified in FIDR.

(iii) **Verification of Income.—**
The income shall be verified on the basis of the verified data contained in the Family Information Data Repository (FIDR) in accordance with the provisions of the Haryana Parivar Pehchan Act, 2021 and notifications issued thereunder.

(iv) **Competent Authorities for issuance of Income Certificate.—**

Income certificates shall be issued on provision of PPN through SARAL portal (https://saralharyana.gov.in/) to eligible residents of Haryana by ADC-cum-DCRIO (Additional Deputy Commissioner -cum- District Citizen Resources Information Officer) under his jurisdiction through his facsimile signature on the certificate.

(v) **Online Service for verification of income based on PPN.—**

Residents seeking to get their income verified in FIDR may visit 'https://meraparivar.haryana.gov.in/ReportGrievance' portal. Once the request for verification of income is made by the resident on this portal, designated LC will verify and mark the same as verified in the FIDR for the resident.

(vi) **Validity of an Income Certificate.—**

   (i) An Income Certificate once issued (in its standard format) shall be valid for the current financial year, i.e till coming 31st March (included) from the date of issuance of the certificate.

   (ii) An Income Certificate may become invalid at any time during the financial year, if after due process, it has been concluded that the income was incorrectly mentioned on the certificate or wrongly verified in the FIDR, due to any reason whatsoever.

(vii) **Grievance Redressal and Correction Process.—**

If an applicant is not in agreement with his income contained in the FIDR, then he/she may lodge his/her grievance for re-verification on the Grievance Module of the PPN portal (https://meraparivar.haryana.gov.in/ReportGrievance). The grievances will be dealt with as per the mechanism separately notified by Haryana Parivar Pehchan Authority under the provisions of the Haryana Parivar Pehchan Act, 2021.

(viii) **General Terms and Conditions.—**

   (a) The Income Certificate is usable without any restriction wherever it is accepted (i.e., subject to the criteria laid down by the entity accepting the certificate) and hence no usage/applicability restrictions shall be mentioned on the certificate.

   (b) From the effective date of this order, only the Income Certificates issued through SARAL portal in the format prescribed by the Citizen Resources Information Department, based on PPN and corresponding verified data contained in the FIDR shall be valid Income Certificates.

   (c) An Income Certificate obtained by means of any fraud, misrepresentation or concealment of facts or by any other illegal means shall be declared as invalid and the benefit availed by the candidate/applicant shall be withdrawn and legal action including criminal proceedings will be initiated against the applicant for misrepresenting the facts and playing fraud, as well as against the officials/authorized persons for incorrect/ wrong verification by collusion or otherwise. In such an event, the income shall

be marked as NOT VERIFIED in the FIDR.

(d)   Mere issuance of an Income Certificate does not entitle a person holding such certificate to any benefit that may be admissible under various Government schemes implemented from time to time. Hence, it is important that the authority concerned examines the applicant's entitlement to any specific benefit in accordance with the instructions on the subject at any given point of time. Other eligibility criteria for a particular scheme shall be addressed separately by the authority extending such benefit.

(e)   All Haryana Government organisations (including Departments, Educational Institutions, Boards, Corporations and Societies) are required to accept the Income Certificate in its standard format prescribed by the Citizen Resources Information Department from time to time.

(f)   Any Government organisation accepting physical copy of the income Certificate for the purpose of any scheme, benefit etc. may check the real-time status of the verified income of the person to whom the certificate pertains, on the PPP portal.

4.   No Government Department of Haryana shall obligate any resident of the State to submit income related proof documents if he/she provides PPN and his/her income is marked as verified in Family Information Data Repository (FIDR).

5.   The above instructions/guidelines may kindly be brought to the notice of all the concerned for strict compliance.

Yours faithfully,

Satbir Singh

Subject : **Classification of Scheduled Castes for the purpose of benefit of reservation in Haryana State.**

Sir,

I am directed to invite your attention to Government instructions issued vide No. 22/10/2013-1GS-III, dated 15.07.2014 and thereafter regarding rate(s) of reservation in Govt. jobs and to say that in compliance of the judgement dated 01.08.2024 of the Hon'ble Supreme Court in the case titled "State of Punjab v/s Davinder Singh (CA No. 2317 of 2011) with regard to sub-classification and adequacy of representation, the matter was referred to the Haryana State Commission for Scheduled Castes for examination and to send their recommendations to address intra-community disparities and to ensure a fair and equitable distribution of reservation benefits. The Commission submitted their report on 16ᵗʰ August, 2024 prepared on the basis of analysis of the data received from various sources including different Departments and of the demands, representations and review of literature related to the subject. The recommendations of the Commission regarding classification of Scheduled Castes reservation in Govt. jobs were considered by the State Government. After the approval of Council of Ministers, it has been decided that—

(i) For the purpose of reservation in services, the Scheduled Castes in Haryana will be sub-categorized in two categories i.e. Deprived Scheduled Castes (DSC) and Other Scheduled Castes (OSC).

(ii) List of Deprived Scheduled Castes and Other Scheduled Castes has been enclosed at **Annexure-A** of these instructions.

(iii) Within the existing 20% quota reserved for Scheduled Castes in direct recruitment to Govt. jobs, one-half of the posts will be reserved for candidates of Deprived Scheduled Castes. If and only if suitable candidates of Deprived Scheduled Castes are not available, then suitable candidates of Other Scheduled Castes may be recruited against the balance vacant posts.

(iv) Similarly, one-half of the quota reserved for Scheduled Castes shall be reserved for candidates belonging to Other Scheduled Castes. If and only if suitable candidates of Other Scheduled Castes are not available, then suitable candidates of Deprived Scheduled Castes may be recruited against the balance vacant posts.

(v) The combined merit list of the candidates belonging to Deprived Scheduled Castes and Other Scheduled Castes selected/recommended by the Recruiting Agency will

be prepared and inter-se seniority of such candidates will also be fixed on the basis of merit.

(vi) It will not be necessary to fix the roster points separately for each of the sub-categories within the present roster system.

(vii) If on a particular occasion the total number of vacant posts (cadre wise) meant for Scheduled Castes is odd, say 9, then 5 of them will go to Deprived Scheduled Castes and 4 posts to Other Scheduled Castes. On the next such occasion, however, the position would be reversed, i.e. 4 of them will go to Deprived Scheduled Castes and 5 posts to Other Scheduled Castes.

(viii) After the issue of these instructions, the first vacant post reserved for Scheduled Castes will be allocated to Deprived Scheduled Castes without any change in the roster point already maintained by the Department.

2. These instructions will be applicable with immediate effect and Annexure-B of instructions bearing No. 22/10/2013-1GS-III, dated 15.07.2014 in which the list of castes which are to be treated as Scheduled Castes in Haryana State has been specified for the purpose of reservation in jobs under Government/Government Undertakings and Local Bodies as well as for admission in Government/Government aided educational/technical professional institutions, will be deemed to have been replaced with the Annexure-A of these instructions.

3. These instructions may please be brought to the notice of all concerned for strict compliance.

Yours faithfully,

S. Singh
Deputy Secretary Human Resources,
for Chief Secretary to Government, Haryana.

ANNEXURE-II

Copy of letter No. 62/17/95-6 GSI Dated, Chandigarh, the 3rd October, 1996 received from the Chief Secretary to Government Haryana addressed to All Heads of Departments, Commissioners Ambala, Rohtak, Gurgaon and Hisar Divisions, All Deputy Commissioners and all Sub Divisional Officers (Civil) in Haryana, The Registrar, Punjab and Haryana High Court and all District and Session Judges in Haryana.

Subject: **"Bonafide residents of Haryana - Guidelines regarding".**

I am directed to invite your attention to Haryana Govt. letters noted in the margin on the subject noted above vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for the purpose of admission to educational institution (including technical/medical institution). The matter has been reconsidered in the light of judgment delivered by the Hon'ble Supreme Court of India in the case of Dr. Pradeep Jain vs. Union of India and others reported as AIR 1984-SC-1421, wherein it has been held that instead of the word 'Domicile' the word 'Resident' be used in the instructions issued by the State Government and it has been decided to revise the Government instructions. Henceforth, the following categories of persons would be eligible for the grant of Resident Certificate: -

(i)   Candidates, who have passed the examination qualifying there for selection in an institution from a school/college in Haryana.

(ii)   Children/Wards (if parents are not living) / Dependents: -

    (a)   of the regular employees of Haryana State posted in or outside Haryana State or working on deputation;

    (b)   of the regular employees of the statutory bodies/corporations established by or under an act of the State of Haryana who are posted in Chandigarh or in Haryana or outside Haryana.

    (c)   of the regular employees of the Government of India posted in Chandigarh or in Haryana in connection with the affairs of the Haryana Government;

(iii) Children/wards (if parents not living)/dependents of persons who after retirement have permanently settled in Haryana and draw their pensions from the treasuries situated in the State of Haryana.

(iv)   Children/wards (if parents are not living)/dependents of pensioners of Haryana Government irrespective of the fact that the original home of the retiree is in a state other than Haryana or he has settled after retirement in or outside Haryana;

(v)   Children/Wards (if parents are not living)/dependents of persons, who have permanent home in Haryana and include persons who have been residing in Haryana for a period of not less than 15 years or who have permanent home in Haryana but on account of their occupation they are living outside Haryana;

(vi)   The wives of such persons who are bonafide residents of Haryana irrespective of the fact that they had belonged to any other State before marriage;

(vii) Persons who were born in Haryana and produce a certificate to that effect; provided that the parents/guardians (if parents are not living) of persons belonging to any one of the above mentioned categories are:

    (a)   Citizen of India;

    (b)   Produce an affidavit to the effect that they or their children/wards (if parents are not living)/dependents have not obtained the benefit of Resident in any other State.

2.   All candidates claiming to be bonafide residents of Haryana should produce a Haryana Resident Certificate signed by the District Magistrate/General Assistant to Deputy Commissioner or Sub-Divisional Officer (Civil) of the District/Sub-Divisions to which the candidates belong. Resident Certificates in respect of elsewhere or in respect of the Children/Wards/Dependents of Haryana Govt. employees who are posted at Chandigarh, Delhi or elsewhere or in respect of Children/ Wards/Dependents of pensioners of Haryana Govt. or in respect of the Children/Wards/ Department of the employees of the Government of India posted at Chandigarh or in Haryana in connection with the affairs of Haryana Government, or in respect of Children/Wards/Dependents of the employees and retirees of the Statutory Bodies/Corporations of Haryana established by or under an Act of the State of Haryana or a Central Act and located at Chandigarh, Haryana or outside Haryana, should be by their respective Heads of Departments.

3.   Candidates seeking admission in educational institutions (including medical and technical institutions) located in Haryana, may not be required to produce Resident Certificate, if they have passed the examination from a school/college situated in Haryana. For this purpose, a certificate of the Principal/Headmaster from concerned institution where the children/wards studied last should be considered sufficient. The Principal/Headmaster of the institution shall be competent to issue such certificate, which should be sufficient.
