## About Lords Institute

### LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY

Commenced in the year 2003, we aim to impart education holistically to create industry-ready and well-qualified professionals. We promote innovative thinking and encourage entrepreneurship amongst students to create a significant change in the industry.

Today, Lords Institute of Engineering and Technology is synonymous with fostering and promoting competent engineers and professionals to create and grow the market, making us one of the leading engineering institutes in Telangana.

#### **Mr. Basha Mohiuddin**, Chairman

Our chairman is an accomplished Chartered Accountant and law graduate by education. For over thirty-five years, he has been a well-established chartered accountant serving clients in the city.

Apart from the education and finance sectors, his interests lie in construction, consulting, and trading. He is a director, trustee, and an honorary member of many private and public companies, religious and charitable trusts, and has been the chairman of BMR Projects Limited, TMR Consultancy, Elite Estate Pvt Ltd., and Coherent Infrastructure Solutions Pvt Ltd.

# WHY CHOOSE LORDS?

## Recognized Excellence and Accreditations

- 15 NAAC 'A' Grade (2021-2026)
- 15 NBA accredited for B.E. CSE, ECE, Mechanical (Dec 2023), Civil (Feb 2023), IT (May 2024)
- 15 NBA accreditation aligns with global standards, enhancing job and visa opportunities (UAE, KSA, Qatar, Kuwait, etc.)

## National Rankings

- 15 Ranked 101-150 in NIRF Innovation Rankings 2023
- 15 Top 25 Engineering Colleges in Telangana (Times of India 2017-2024, The Week 2020-2024)

## Autonomous Status and Academic Advantage

- 15 Autonomous Status (2021-2031)
- 15 Curriculum designed to improve placements and career readiness

## Degrees and Opportunities

- 15 Degrees awarded by Osmania University
- 15 Transparent on-campus examination system
- 15 Option to pursue a Minor Degree in another engineering stream.

## Training & Placement Cell

The Training and Placement Cell helps students secure their dream jobs through strong industry ties and major recruitment drives. It bridges the gap between academia and industry, with training focused on Software, Core, and Management sectors. Its mission is to:

- Help students set academic and career goals through counseling.
- Enhance technical, verbal, and aptitude skills through expert-led sessions.
- Provide industry-aligned training from the second year.
- Offer courses in Python, Java, Data Structures, Web & Android Development.
- Coordinate with companies to meet recruitment needs.
- Facilitate daily coding and aptitude practice.

## Comprehensive Programmes Crafted for Success

### UNDERGRADUATE PROGRAMME

	No. of Students
B.E. in Computer Science & Engineering	480
B.E. in Computer Science & Engineering (Artificial Intelligence & Machine Learning)	180
B.E. in Computer Science & Engineering (Data Science)	120
B.E. in Artificial Intelligence & Machine Learning	120
B.E. in Information Technology	180
B.E. in Electronics and Communication Engineering	60
B.E. in Civil Engineering	30
B.E. in Mechanical Engineering	30
<b>Total Seats</b>	<b>1200</b>

### POST GRADUATE PROGRAMME

M.E Computer Science Engineering	36
M.E Structural Engineering	18
M.E Construction Management	18
<b>Total Seats</b>	<b>72</b>

<b>Bachelor's in Business Administration (BBA)</b>	<b>120*</b>
<b>Master's in Business Administration (MBA)</b>	<b>240</b>

(Finance/ HR/ Marketing/ Information Technology/  
Business Analytics/ Entrepreneurship/  
Health Care Management/ Supply Chain Management)

## TEACHING FACULTY

Over 290 faculty members with rich industry and academic experience, including alumni from the UK, Malaysia, Saudi Arabia, IITs, NITs, and BITS Pilani, mentor students for global leadership.

## STUDENT CLUBS

Lords hosts 20 vibrant student clubs and associations, including Google Developer, GitHub Campus, Microsoft Learn, and Entrepreneurship Cell. These clubs organize workshops, hackathons, tech talks and cultural fests that enrich student life. They foster leadership, collaboration, and industry-ready skills across all disciplines.

## INTERNATIONAL INTERNSHIPS

Lords offers students global learning opportunities through international internships. Recently, a team of 15 students participated in a short-term internship program in Malaysia, gaining practical industry exposure and cross-cultural experience.

## INFRASTRUCTURE

Our lush, serene campus features smart classrooms, research labs, a digital library, seminar halls, sports facilities, cafeterias, playgrounds, and a prayer room, creating an ideal learning environment.

## TECHNOLOGY BUSINESS INCUBATOR

The Technology Business Incubator (TBI) at Lords fosters innovation and entrepreneurship by supporting student-led startups with mentorship, infrastructure, and funding guidance. It provides a collaborative space for idea development, industry networking, and business growth. Supported by MSME, the 5000+ Sq. ft. incubator offers seed grants of up to ₹15 lakh per idea and financial support up to ₹1 crore. It aids startups through advanced stages of growth.

## STUDENTS ACHIEVEMENTS

Students at Lords consistently excel in academics, innovation, sports, and co-curricular activities. They have earned accolades at national and state-level hackathons, published research in reputed journals, secured top university ranks, and gained internships and placements at leading companies like Google, Microsoft, and TCS. From entrepreneurship to community impact, they continue to set benchmarks and bring pride to the institution.

## SPORTS AND GAMES

With facilities for cricket, football, basketball, volleyball, boxing, judo, and various indoor games, the college supports all-round development. The campus hosts regular tournaments that promote teamwork, leadership, and physical fitness. Students actively participate in intercollegiate events, bringing pride and recognition to the institute.
