About the Motherhood University

Motherhood University, Roorkee was established under Uttarakhand Govt: act 5, 2015 in the district of Haridwar. The University is promoted by "The Motherhood Institute of Management & Technology Society". The Society was established on December 23, 2004, to provide education, research and training to aspiring youth of Uttarakhand and the country to increase their employability. The other objective of the society is to establish orphanages, clinics, old age homes, charitable hospitals, etc. A famous social worker, Shri K. D. Sharma, founded the society. He believes that though Uttarakhand has been separated as a State now, it still requires enhancement in the field of education. Shri K.D. Sharma founded the society to start various vocational and technical programs for children who are still deprived of quality education.

The Vision of the University is "To be a global University with state-of-the-art facilities and the best education resources to impart unmatched knowledge and learning, to be a recognized center of academic excellence imparting quality education producing research of high standard and developing talents with the balance of personal and professional excellence".

Benefits of FDP

Our one-week Faculty Development Program is available for faculty members and research scholars throughout the globe. Our experts for the FDP will make the faculty and research scholars skilled in the latest technologies. Introducing new technology like artificial intelligence in teaching makes education more innovative and creative for research scholars. All the faculty members must introduce innovative research and development approaches within their department to increase the standard of education. It will help the faculty members to find the right work balance.

Topic Covered in FDP Sessions

Research Methodology
Instrumentation and Analytical Techniques

Techniques

Modern Teaching Methods
Online Teaching
Artificial Intelligence
MOOC and NPTEL Courses
Basic and Applied Research

REGISTRATION FEE
