# ABOUT US

Department of Pharmaceutical Sciences established in the year 1983 has over the past forty years been the only institution in the entire state of Jammu and Kashmir offering graduate-level program in Pharmaceutical Sciences. The Department today is offering post-graduate Programmes in six different specializations: Pharmaceutics, Pharmacology, Pharmaceutical Chemistry, Pharmacognosy, Pharmacy Practice and Pharmaceutical biotechnology. The department has endeavoured to impart pharmacy education of highest quality to its students. The alumni have been well placed in both private and public sector, within and outside the state. Department of Pharmaceutical Sciences has so far awarded more than 150 M. Pharm. and 16 Ph.D. candidates besides training more than 700 B. Pharm. graduates since its inception.

Department of Pharmaceutical Sciences envisages to continue its unflinching march towards excellence through augmentation of its faculty strength, expansion of its existing infrastructure, modernization of its laboratories, industry-academia collaborations, quality research activities, publication of research in high impact journals, providing greater opportunities to its students for their career advancement and seeking more financial assistance through research projects and programmes. Department aims to carve a niche for itself in the national arena of Pharmaceutical Sciences and emerge as an institution of repute and excellence in times to come.

## Vision

To Excel in the Field of Pharmaceutical Education and Research by Constant Innovative Efforts in Order to Achieve the Quality Standards

## MISSION

“To empower the pharmaceutical industry, health care system and academics by producing skilled and innovative manpower that is competent for playing its role as an integral part of health services team.”

“To instil the abilities of creativity, scientific temperament, dynamism, social awareness and inquisitiveness for knowledge, in order to ensure overall development in a highly competent environment”.

## ***MESSAGE FROM HEAD OF THE DEPARTMENT***

Prof. Mubashir H. Masoodi

It gives me immense pleasure to welcome you to Department of Pharmaceutical Sciences, University of Kashmir, Hazratbal, Srinagar. Our Department has been catering Bachelors in Pharmacy since 1983, and Masters and PhD program from 2009. Pharmacy being a professional course provides an expertise in manufacturing of medicines and their quality control, health-care service to patient, ensures safe and effective use of medication for better health and well-being. The goal of the Pharmacy program is to render professional skill, knowledge, abilities to students to serve in pharmaceutical industries, academic institutions, drug regulatory bodies, hospitals and to provide appropriate medication service to the patient. The curriculum aims at providing an opportunity to students to design & evaluate various dosage forms, learn their mechanism of action/side effects & also involves Regulatory & Ethics to be followed in Pharmaceutical Manufacturing Processes.

The academic undergraduate four year Bachelors in Pharmacy (B. Pharm) program provides an in-depth adequate knowledge & scientific research updates including basic principles & advances in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy & Phytochemistry, Pharmacy Practice and other interrelated disciplines. The Department offers the two year Masters in Pharmacy (M. Pharm) in five core specializations, i.e. Pharmaceutics, Pharmacology, Pharmaceutical Chemistry, Pharmacy Practice and Pharmacognosy. Course work of these programs is aimed to impart practical skills to budding professionals which include a one year dissertation work in their 2nd year course. The Department also offers doctorate in pharmacy (PhD) in above mentioned five different specializations. Our Department has highly qualified, experienced and research-oriented faculty. It also ignites inbuilt abilities & potentialities in students and prepares highly competent pharmacists who can serve in Pharmacy profession globally. The profession of pharmacy has got a lot of job opportunities in the field and the Department of Pharmaceutical Sciences at University of Kashmir is the right destination for students with career aspirations in the field of pharmacy.

I welcome all the students and extend my warm wishes to one and all associated with Department of Pharmaceutical Sciences at University of Kashmir.

(Prof. Mubashir H. Masoodi)

## *Why to Recruit Our Students?*

The University of Kashmir's B. Pharm and M. Pharm graduates are excellent assets for pharmaceutical companies. Our graduates have:

- **Industry-Relevant Curriculum:** The programme is meant to give students the information and abilities needed to succeed in the pharmaceutical sector. To prepare students for the workforce, this programme offers lessons on medication discovery, formulation development, clinical trials, and regulatory affairs.
- **Practical Experience:** Through partnerships with numerous pharmaceutical companies and its well-equipped laboratories, the institute offers students hands-on training. In addition to working on research projects, students can get practical experience in drug formulation and learn about the regulatory aspects of this sector.
- **Communication and Interpersonal Skills:** The course emphasizes on communication and interpersonal skills. Students are encouraged to develop excellent communication skills and work collaboratively with their Interpersonal and communication skills are prioritised in this training. Students are urged to cultivate strong interpersonal and teamwork abilities, as these are critical competencies in the field.
- **Exposure to Current Industry Practices:** Students are exposed to contemporary industrial methods by faculty members, who possess relevant industry expertise.
- **Ethical and Professional Standards:** Students are instructed about the value of ethical conduct and following the rules, which are crucial in the pharmaceutical sector.
