PGP GROUP OF EDUCATIONAL AND RESEARCH INSTITUTIONS

PGP GROUP

OUR VISION

- To provide a holistic education to students and develop them into intelligent, well informed and confident people.
- To instill in them a sense of discipline, strong ethical values and groom them as good citizens of India as well as the world.

OUR MISSION

- To provide our students with an education that combines rigorous academic study and the excitement of discovery.
- To develop the ability and passion for each student to work wisely, creatively and effectively for the betterment of mankind.
- To create an environment of intellectual stimulus, scientific inquiry and moral propriety.

PGP EDUCATIONAL INSTITUTIONS

The PGP Institutions functioning on a sprawling and sylvan campus of 200 acres is the realization of the dream of Dr. Palani G Periasamy, M.A., M.A., Ph.D., (USA) to establish colleges of International Standard in Namakkal his native place. Having served as full tenured Professor in America and based on his experience in his wide tour of the world, Dr.Palani G. Periasamy has set up these institutions to impart quality learning in all disciplines.

ABOUT THE GROUP

Since 1987 PGP Group - Chennai has added a new dimension to the industrial scene of India. The group of companies was promoted by Dr. Palani G.Periasamy, a Non-resident Indian based in the USA. Under his leadership, this group created an impact in the Sugar industry, Hospitality, Education, Construction, Property management and development, Financial Services and Travels.

The PGP group has extensive business and management experience in various sectors such as hospitality, retail, realty and housing. So our students enjoy the benefit of exposure to these and also In-Plant training and Placement in PGP Group.

CHAIRMAN'S MESSAGE

The choice of institution where you will spend precious years of your life paving the way to your future is crucial in this fast-changing technology-driven world. Your choice must complement your aspirations.

Ask Yourself...

- Will this Institution meet my need for Knowledge? YES
- Do they have state-of-the art facilities for my learning? YES
- Will I get hands on experience to practice what I have learnt? YES
- Will I be a Candidate of choice for employment? YES
- We, at PGP can confidently say the answer to all these questions is **YES**.

Although discipline is our watchword, a pleasant academic environment pervades the campus. Located in the idyllic surroundings away from pollution our campus offers all the necessities. At PGP, we endeavour to match your aspirations and ensure that you end up reaching whatever you aim.

Wish you the best of learning and Welcome to PGP!

Dr. Palani G Periasamy
M.A, M.A, Ph.D (USA)
Chairman - PGP Group

INTERNATIONAL EDITION
Pharmacology

WHAT DOES
PGP OFFER YOU

Since their inception PGP Institutions have set high but achievable goals. We strive to provide an academically rewarding environment by exposing our students to quality education. Our focus is **"Students must learn"**. Our founder aims at fostering an environment of intellectual vigour, excitement of discovery through quality education and disciplined life and dedication to make PGP Educational Institutions emerge as a modern "Gurukulam" of the millennium.

THE CAMPUS

PGP is a beautifully designed world class institution located in Namakkal away from noise and pollution. Spread out in an area of 200 acres, abutting National Highway NH - 7, the college is well connected by buses from the neighboring towns of Salem, Karur, Tiruchengode, Coimbatore just to name a few. Thiruchirapalli is about 2 hours away, while a bus ride to Salem takes a little over an hour. College buses operate in required adequacy to connect to the neighbouring areas.

STUDENT COMMUNITY

In conformity with our global objective we have students in our colleges from all over the world. This diversity opens the doors for our students to interact and share global ideas and culture.

DISCIPLINE

Discipline is the order of the day and the college adheres to this very strictly. Attendance levels generally range between 95% - 100%

COUNSELLING

There is choice for everything in today's lifestyle, and the same goes for education. Our students have the luxury of in-house counselling by appointed professionals to guide and advise them in their career path.

SCHOLARSHIP / FINANCIAL ASSISTANCE

PGP offers merit scholarships to deserving students. Besides the SC / ST / MBC scholarships, a student who secures a minimum of 85% marks and stands first or second in his / her branch is awarded this scholarship.

CURRICULAR & EXTRACURRICULAR OPPORTUNITIES

It is mandatory for every student to be a part of at least one student body like Mechanical / Electrical / Electronics Engineers, Indian society of Electrical and Electronics Engineers (IEEE) (USA), Computer society of India (CSI), Indian Society for Technical Education (ISTE). Students are offered ample opportunities for participation in NSS, Youth Red Cross Society activities, etc.

SPORTS / GAMES

Special emphasis is placed on sports and games. Well laid out sports fields for cricket, foot ball, volley ball, basket ball, kabaddi, khokho and gymnastics help students unwind. Encouragement is given to compete at regional / state / national level games of all kinds.

MoU WITH FOREIGN UNIVERSITIES

The college has signed a Memorandum of understanding (MoU) with the University of West Bohemia (UWB) Czech Republic. The MoU provides lecturing by a faculty member of UWB at PGP in the subjects of common interest. It also includes deputation of a selected group of students to UWB for a period of 6 - 8 weeks. This may be extended to one semester potentially leading to the award of a certificate of proficiency in the chosen area.

We are also working on drawing up an MoU with a few other universities in Germany and USA. Upon completion this shall enhance opportunities for students to a large extent.

ACCREDITATIONS AND AFFILIATIONS

PGP College has an excellent infrastructure located in a serene and green environment. The labs and workshops are state-of-the-art. Faculties are well qualified and dedicated to complement these features. In addition to class room teaching with modern educational aids, students have an advantage of value added courses and personality development programmes.

TRAINING AND PLACEMENT

Training and placement are the most important activities from the management's stand point. Our own sugar factories, hospitality industry, tour and travel, offer immense training and employment opportunities to our students. In addition to the above, close tie-ups with other organisations provide an added advantage to our students. The college assist the students in arranging for "in-plant" industrial training. The training and placement cell is committed to finding the optimal student placement.

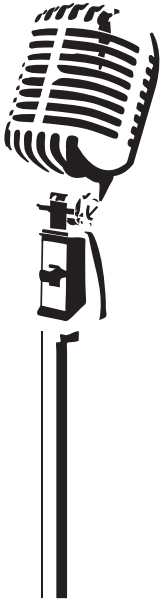
NATIONAL AWARD WINNING

FM RADIO STATION 90.8

PGP Community Radio - 90.8MHz is also an Internet radio station with a global reach. Faculty and students are involved in the technical running and programme preparation. The programmes are on well laid objectives and focus on two target listeners - Local community and students. It is noteworthy to mention that within the first two years of commissioning, it has won two national awards. In February 2012, it won a National award for the programme "Irunda Veetuku oru Agal Vilakku", as the most creative and innovative programme at the National Radio Convention, New Delhi.

PGP COMMUNITY RADIO STATION

'தொண்ணூறு புள்ளி எட்டு தொட்டதெல்லாம் ஹிட்டு'



FACILITIES

A lake of perennial water in the midst of a 2 hectare garden, vast greenery and sports ground are some of the special features of PGP College. The Campus offers live-in facilities of world class standards with shopping, banking, 24 hour medical, communication and recreation. It is a mini township on its own at NH7.

HALLMARKS OF THE COLLEGE

- Driven by discipline
- Good infrastructure like Smart classrooms & healthcare
- MoU with foreign universities
- Continuous counselling available to students
- Extra-curricular opportunities
- Emphasis on sports activities
- Sprawling 200 acre world-class campus
- Scholarship & financial assistance available
- Active student community
- Effective placement cell

Boys Hostel

PGP SCHOLARSHIPS / AWARDS

The founder of PGP Educational Institutions Dr. Palani G Periasamy has instituted a number of Endowments and Scholarships in memory of his parents. Many deserving students are given financial support to complete their studies.

COLLEGE BUS

A fleet of college buses provide transportation to students commuting daily from neighbouring towns.

HOSTEL

PGP College provides the most modern hostel for boys and girls with Wi-Fi and other facilities creating an environment to feel at home. Single, Double and Triple bed rooms to accommodate nearly 1000 boys and 600 girls. Spacious dining, common room, telephone facilities, computer labs etc., in each hostel offer most congenial environment making the stay comfortable.

LIBRARY & INFORMATION CENTRE

The library hosts numerous volumes of text books and reference book on various fields of study. Our "Dr. Ranganathan Library" has been set up with centralized air condition and has state-of the-art standards. The library has nearly 50,000 books, 500 e-journals (DELNET and IEEE), 200 National / International journals and magazines.

A well-equipped video lecture hall has been established with lectures delivered by Professors of IIT on nearly 260 subjects relating to Engineering and Management studies to improve the knowledge and skills of our students and also to provide them with a good exposure to study and research materials.

CANTEEN

A well catered canteen to meet the needs of all students is maintained in a neat and hygienic manner. The canteen is large enough to accommodate most of the students at any time.

HEALTH-CARE

There is a system of visiting doctors, who are also available on call round the clock, 7 days a week. 24 hours ambulance facility is available for emergency use.

WI-FI

The entire PGP campus is provided with Wi-Fi facility. Provision for printing within the campus makes it a self-sufficient hub for working on projects, thesis etc.

LABORATORIES

The campus is proud of its lab facilities offered for all levels and divisions of education, falling under its umbrella. All labs are air-conditioned and have access to the most modern equipments. The campus has independent internet labs for different courses.

PHYSICAL EDUCATION AND GYM

Physical education is compulsory for all our students. Those good in any particular field are encouraged to escalate themselves to higher levels.

BANKING / ATM & SHOPPING

A bank extension center, ATM and a self-sufficient shopping centre is available inside the campus. Facilities are available to make long distance calls, photocopying and fax services.

CULTURAL ACTIVITIES

The college has a state-of-the-art seminar hall for educational and cultural events. It also has an open-air theatre by the lake-side.

OUTLOOK

The future plans comprise of establishing an IT park, central library block, students activity centre, swimming pool, and outdoor stadium.

BHARAT RATNA DR MGR AUDITORIUM

The college houses a large modern auditorium that is fully enhanced with high-end acoustics and video equipment. World class seating arrangements make it a full audio visual retreat for all types of students and academic events.

PGP COLLEGE OF
ENGINEERING & TECHNOLOGY

PGPCET established in 1999 is approved by AICTE and the Govt. of Tamil Nadu. It is affiliated to Anna University, NBA accredited and is an ISO 9001-2008 certified Institution.

The beautifully landscaped building along with well equipped laboratories, makes it the right choice for students selected from regional and national areas. The various streams of engineering studies including Mechanical, ECE, EEE, Computer Science are available to cover the broader spectrum.

We strive to provide an academically rewarding environment by exposing our students to quality education. The aim is to turn out well educated and trained students who are ready to face the challenges and requirement of this globalized world.

Admission

Eligibility for admission to B.E / B.Tech courses is a pass in Maths, Physics & Chemistry (combined) at 10, +2 level examinations of Tamil Nadu Board of Education or equivalent with minimum marks as per community i.e. OC – 50%, BC-45%, MBC-40%, and SC/ST – Pass. Selection is based on the performance in Mathematics, Physics and Chemistry.

Eligibility for direct admission to second year of B.E / B.Tech courses is a pass in 3 year Diploma course in Mechanical, Electronics and Communication Engineering, Computer Science or Information Technology conducted by the Tamil Nadu State Board of Technical Education or equivalent recognized by the board in the final semesters.

Admission against lapsed seats is made directly by the college after the completion of admission process by Anna University. The application form along with photocopies of certificates and Demand Draft for the fees shall be submitted to the Principal for consideration and grant admission. The eligibility for admission in this manner remains the same as enumerated in preceding paragraphs.

COURSES OFFERED

Undergraduate courses in PGPCET

B.E - Computer Science and Engineering

B.E - Electronics and Communication Engineering

B.E - Electrical and Electronics Engineering

B.E -Electronics and Instrumentation Engineering

B.E - Mechanical Engineering

B.E - Civil Engineering

Postgraduate courses in PGPCET

M.E. - Communication System

M.E. - Computer Science and Engineering

M.E. - Engineering Design

M.E. - Power electronics and Drives

M.E. - Structural Engineering

M.E. - VLSI Design

MBA - Master of Business Administration

MCA - Master of Computer Applications.

PGP COLLEGE OF ENGINEERING & TECHNOLOGY

PGP COLLEGE OF
ARTS & SCIENCE

The college strives to educate the students well in their chosen discipline while simultaneously developing their personality and communication skills so that they are employable in today's dynamic job market. More broadly, the college's mission is to challenge students to think for themselves and to think critically. On a practical level, critical thinking means the habitual use of analytical skills, organizational ability, creativity and imagination, so that PGP students become productive members of an increasingly better educated work force.

Research in areas of their study is promoted and encouraged with collaborative efforts of the faculty. Students are also motivated and supported by the college and faculty to do their project in a creative manner and on areas of use to the society.

PGP COLLEGE OF ARTS & SCIENCE
PHYSICAL SCIENCES

Education is the passport to the future, for tomorrow belongs to those who prepare for it today

Dharani International School is affiliated to CBSE, has classes from Pre KG to XII.

MANAGEMENT POLICY

ATTENDANCE AND LEAVE

100% attendance for theory and practical classes is desired. Absenteeism, late attendance, and bunking college is forbidden. Seeking leave on account of minor illness like cold, fever etc., is strictly discouraged. Parents are requested to encourage their wards to attend 100% classes. Students absent for more than 3 consecutive days without prior permission will be dealt with severely and the same informed to their parents. Students seeking leave of absence in excess of 2 days shall have their parents present in person and get necessary approval from the principal.

In case of students residing in faraway places, a telephone call by one of the parents is essential to grant leave of absence. This shall, of course, be followed by a letter duly signed by either of the parents

RAGGING AND EVE-TEASING

Ragging and eve-teasing are totally prohibited in educational institutions and are a punishable offence. Act No 7 of 1997 defines ragging and lays down the penalties. Definition -"Unless the context otherwise requires, ragging means display of noise, disorderly conduct, doing any act which causes or is likely to cause physical and psychological harm to raise apprehension, fear, shame, embarrassment to a student in any education institution. This includes

- Teasing, abusing or playing practical jokes on, or causing hurt to such a student (or)
- Asking the student to do any act or perform something which such a student will not in the ordinary course willingly do."

Penalty

Ragging is strictly prohibited in and out of our educational institution. Whoever directly or indirectly involves, participates in, abets and propagates “Ragging” shall be punished with imprisonment for a term which may extend up to 2 years and shall be liable to pay fine which may extend to Rs. 10,000/-

Ragging in any form will not be accepted and will lead to dismissal of the students with criminal prosecution.

CLASS TESTS & MODEL EXAMINATION

This is a step by step system of examination to test the students after completing a portion of the syllabus and finally prepare him well for the ultimate university examinations.

FACULTY

PGP is committed to offer its students community a dedicated cadre of highly qualified and experienced human resource personnel. Faculties are chosen on the basis of merit and competence in their area of specialization.
