Bengaluru, Karnataka 560074

## GOALS & OBJECTIVES

The CDE program on Microsurgery and Hands-on workshop on suturing aims to provide a comprehensive theoretical and practical exposure in microsurgical procedures with primary emphasis on developing clinical skills. The program will focus on developing manual surgical dexterity and understanding principles of microsurgery and suturing.

## SPEAKERS

### DR. K. V. ARUN

Completed his BDS and MDS from Government Dental College, Chennai. He is currently working in Amrita School of Dentistry as Professor & Head of the Department. He has 25 years of clinical experience in Periodontology & Implantology and is one of the few practitioners of microscopic periodontal procedures in the country. He has authored textbooks titled "Molecular Biology of Periodontium" for Postgraduates and "Exam Preparatory Manual for undergraduates in Periodontology".

### DR. ALINA PAULY

Dedicated periodontist with a keen interest in Periodontal Microsurgery. She completed her BDS from JSS Dental College and Hospital, Mysore and her MDS in Periodontology from Rajarajeswari Dental College and Hospital, Bangalore. She has attended periodontal microsurgery workshop at A B Shetty Memorial Institute of Dental Sciences, Mangalore. Presently, she serves as a Senior Lecturer at Rajarajeswari Dental College and Hospital.
