CENTRAL UNIVERSITY OF KARNATAKA

About the Central University of Karnataka: Central University of Karnataka (CUK) was established by an Act of Parliament in 2009. It is a new and budding institution, striving for excellence in education by imparting quality teaching and learning in Sciences, Social Sciences, Humanities, Business Studies, Engineering and Technology. The University is currently offering courses in undergraduate, post graduate and doctoral degrees. The university has excellent physical infrastructure and more is on the way. For further information about CUK, please visit _www.cuk.ac.in_.

About the Department of Mathematics: The Department of Mathematics was established in 2012 as a constituent of the School of Physical Sciences. Mathematics is important for all the departments of CUK. The Department of Mathematics shares the vision of our University in striving for excellence in teaching and research. Currently the Department not only teaches various topics in Mathematics to undergraduate and postgraduate students of different engineering and science departments, but also runs its own M.Sc. and Ph.D. courses in Mathematics. The areas of research in the Department include Fluid Mechanics, Computational Fluid Dynamics, Bio Mechanics. Numerical Analysis, Ramanujan's Mathematics and Number Theory. The laboratories in the Department are equipped with modern facilities to provide good work environment. The students are trained in several computer programming languages like C, C++, FORTRAN, MATLAB, Mathematica, Python, Scilab, Maple etc.
