A Brief Report : A Seminar was organized on "Personality Development Program" by St. Joseph's Degree and PG College on 1st November 2021.

The seminar was started by Fr. Dr. D. Sunder Reddy, who delivered a speech focusing on personality. He also focused on the importance of workshop like personality development and motivated the new academicians to grab this kind of opportunities.

Human personality influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and an effective professional.

The session was conducted by Mrs Damandeep Johar. She is an Assistant Professor in HR and Communications department. It was an interactive session. She was very enthusiastic and friendly. The seminar was conducted in an activity based mode in addition to lectures and presentations. Group discussions were also held to make students learn to think collaboratively and also work under competition. All the students participated actively in all the activities. Various Real-life examples were illustrated which were very informative and life changing.

In the first part of the session an activity was conducted emphasizing creativity. It was all about how creative thinking plays an important role in any organization. The students were divided into groups consisting 8-10 members in a group. Each group was given a couple of straws. The students had to use their creative ability and build a bridge using the given straws. It was a fun activity which was also very practical and constructive.

In the second part of the session, the concepts Self-Esteem and Self-Confidence were discussed. Self-esteem is your overall opinion of yourself — how you feel about your abilities and limitations. When you have healthy self-esteem, you feel good about yourself and see yourself as deserving the respect of others. When you have low self-esteem, you put little value on your opinions and ideas.

Self-confidence is an attitude about your skills and abilities. It means you accept and trust yourself and have a sense of control in your life. You know your strengths and weakness well, and have a positive view of yourself.

Later on movies based on self-esteem and self-confidence were discussed. Students were given hand prints about the movie *BLINDSIDE*. Other related movies like *Taare Zameen Par*, *English Vinglish* were also a part of the discussion.

Students were taught about Ethics, personal ethics is the code of ethical guidelines that guide you in your personal life. They often develop from your core values and work ethic. Your personal ethics can, and likely will, contain common ethical guidelines that other people share, but they will vary in their level of importance and how to maintain them.

At the end there was another activity where each group was given newspapers and some decorative papers by using which we had to dress up a team member creatively. It was a very amusing activity.

The session was followed by participant's feedback.

All the students participated actively in all the activities. The feedback obtained from the students revealed that:

- The program was useful to all of them.
- Helps in enhancing their communication and leadership skills.
- They need programs of this kind to be conducted at regular intervals.

OUTCOME OF THE EVENT: Students got deep insight ,
As per the law, foreign exchange transactions have been divided into two categories - capital account and current account. A capital account transaction altered the assets and liabilities outside India or inside India but of a person resident outside India. Thus, any transaction that changed overseas assets and liabilities for an Indian resident in a foreign country, or vice versa, was classified as a capital account transaction. Any other transaction fell into the current account category.

A BRIEF REPORT:

‘Prastuti’ is a presentation competition where the topics are given by the respective class in charge of their students. It was the third event as we celebrated commerce day in college followed by quiz and commerce exhibition. It was made mandatory that each class registered for the competition with a minimum of five members in the team. The google forms were circulated among the college class groups for its registrations. It was a two-day event i.e., on 29th November for the third years and on 30th for first and second years of B.com classes.

Hosts for the events-

DAY 1	DAY 2
TULSI MEHTA	HARSH RAI
PRATHIK BAJI	MANU BHARADWAJ
MOHAMMED KABIR AHMED	AYUSHI KEDIA

DAY 1-

The event started at around 11:30 am and all the participants from third years gathered in Jubilee Hall. The judges were introduced by Tulsi, Event Manager, ACE Club. After this, students were called upon accordingly to present their presentations. The rules for the event were-

1. Each team will get 10 minutes to speak on their presentation.
2. All the team members should get equal participation while presenting.
3. There will be a questionnaire round of 5 minutes where judges may ask the team members questions regarding their presentation.

All the teams had given good presentations and the first session of Prastuti ended with a vote of thanks by Kabir. Feedback was also given by the judges regarding the presentations. The results were to be declared the next day.

Day 2-

The first and second years were to give presentations and in different slots i.e., from 9pm onwards to 11:30 pm for second years and from 12pm to 2pm for first years. The judges panel had arrived and the participants were called upon accordingly to give their presentations on various topics.
