SYMBIOSIS
INSTITUTE OF MANAGEMENT STUDIES, PUNE

FOREWORD

Symbiosis Institute of Management Studies (SIMS), Pune, is proud to announce the **successful culmination of its Final Placement Season for the MBA Batch of 2023-25**. This year's placement season marked yet another milestone in the institute's journey of academic and professional excellence. Our students, from diverse specializations, have secured impressive roles across sectors, including **BFSI, Consulting, IT/ITES, Business Analytics, FMCG, Manufacturing, Telecom, EdTech**, and many more. These results are a testament to their dedication, adaptability, and readiness to take on real-world business challenges.

With a legacy spanning over three decades, SIMS Pune has established itself as a trusted name in management education and Industry. Our success lies in our rigorous, industry-aligned curriculum that emphasizes **holistic student development**, hands-on exposure, and the nurturing of leadership potential.

This year's placements reflected the dynamic versatility of our students, with roles offered across verticals such as **consulting, data analytics, research, HR, marketing and brand management, operations and supply chain, product management, corporate finance, business development** and more.

Our heartfelt appreciation goes out to our **legacy recruitment partners** including **Accenture, AON, Apollo Global Management, Axis Bank, Bajaj Finance, Bank of America, Barclays, BNY, Cognizant, Crisil, Deloitte, Digit Insurance, DXC Technology, Educational Initiatives, FinIQ, ICICI Bank, ICICI Securities, Infosys, KPMG, Marsh, Only, Orient Electric, Packfora, Pramerica Life Insurance, SBI General Insurance, Verity Knowledge Solutions, Wells Fargo, WNS**, and many others, for their unwavering support and confidence in SIMS talent. We are equally delighted to welcome a distinguished group of new recruiters, including **ACT Fibernet, Dezerv, Howden Insurance Brokers India Pvt Ltd, Neeyamo, Oracle Financial Software Services Ltd., People Vector Consulting, SG Analytics, Valuecreed, Whatfix** and many more, who offered exciting opportunities to our students across varied domains. The unwavering support of our alumni has also been a pillar of strength in achieving this milestone. This success is the result of the dedicated efforts of our faculty, placement team, and, most importantly, our talented and determined students. As we celebrate this momentous occasion, we extend our heartfelt congratulations to our students and wish them a bright and successful journey ahead in the corporate world.

HUMAN RESOURCE

The role of HRM over the years has shifted from just being mere operational to more strategic and critical functions of an organization. With the same view in place, we ensure that our students stay updated with the changing trends and prepare themselves by polishing their skill sets. We offer students the opportunity to learn HR Analytics, R Programming, SPSS and many more technical skills. We also work on soft skills development which makes the students corporate-ready and provide the opportunities for shadow mentoring.

DATA ANALYTICS

Data Analytics has transformed into a vital strategic function, empowering organizations to make data-driven decisions and gain a competitive edge. To prepare students for this dynamic field, SIMS offer training in advanced tools and techniques such as Python, R Programming, Tableau, Power BI, and Machine Learning. Beyond technical expertise, we focus on developing critical thinking, problem-solving, and storytelling skills to interpret data effectively. Through practical case studies, industry projects, and shadow mentoring, we ensure our students are equipped to navigate the complexities of analytics and drive impactful business outcomes.
