COURSE ON BASIC ASTROLOGY LAUNCHED 10-11-2022

Sanskrit enthusiasts and the people who know our college must definitely be aware of the fact that the Digital Campus of The MSC is doing a yeomen service in spreading the fervour of learning Sanskrit in every nook and corner of the world. One another course in their list, named Arambha Jothidam was launched with Sri. S. Murali, Asst. Professor of Jyothisha, taking the classes. Though the campaign of the course was started just 2 weeks earlier, 57 students were lucky enough to grab the wonderful opportunity to learn the basics of Astrology. The course however is being conducted in the college campus, the students who live in faraway places can learn by accessing the recorded sessions in our learning platform.

TAMIL NADU – PONDICHERRY STATE LEVEL SANSKRIT ELOCUTION CONTESTS 27 & 28-11-2022

Every year, the Central Sanskrit University encourages our students by conducting State and National level Sanskrit competitions. Winners of State level competitions will be competing in National level competitions representing Tamil Nadu. The Madras Sanskrit College has been the center and organizer of this programme for the past few years. This year, Dr. K.S Maheswaran, Asst. Prof, Department of Vedanta and Dr. C. Hariharan, Asst. Prof / Prak-Siromani and Director, Digital Campus served as coordinators of this event which started with an inaugural session on 27th and ended with prize distribution and valedictory session on the next day. Students from 6 various institutions competed tooth and nail to qualify for the 60th All India Sanskrit Elocution Contest which is going to happen in BHU, Varanasi later in February 2023.
