If you think you may need help paying for your tuition fees, or would just like to see what you might be eligible for go to the 'Apply for funding' page in your applicant portal. We also have a number of scholarships and bursaries available to our applicants. Please [click here](#) for further information.

The offer is subject to meeting the **Terms and Conditions** of the university and complying with applicable university regulations. Please ensure you read through these.

Your offer is based on academic entry. If you require a Student Route Visa to study in the UK you will need to meet the UKVI requirement before a Certificate of Acceptance for Studies (CAS) is issued by the university. If you are required to undertake an English Language test as part of your conditions for a sub-degree course (i.e. foundation year) this will need to be taken at an UKVI approved Secure English Language Test Centre. Further information can be found on **Student visa**.

If you are a government-sponsored student, please arrange for a letter of sponsorship/financial guarantee to be e-mailed to the **Income Team**. Non-UK applicants will be asked to pay a deposit of 50% of the annual tuition fee or the full fees (if less than 50%) on acceptance of an unconditional offer and prior to receiving a CAS. This sum will be refundable only if an applicant is unable to secure the relevant UK visa (please refer to the **Terms and Conditions**). Living expenses are additional to the course fees quoted above and are around £1023 per month.

You can find more information about the CAS request process on our **CAS Information Page**.

Where it may impact on your student experience, you are encouraged to disclose any specific learning difficulty, chronic or long term medical or mental health condition, physical or sensory impairment, or if you are on the autistic spectrum. Find out more at **Disability Support**.

I would like to take this opportunity to wish you every success in any examinations you may be taking and look forward to welcoming you to Solent University. Should you require any further help or information prior to the start of the course, my colleagues and I would be pleased to help on the direct line number quoted below.

Yours sincerely,
