"Resolved to approve the Annual Report of the  
Karnatak University, Dharwad for the year 2010-2011

## INTRODUCTION

The Karnatak University was established initially at Mumbai in 1949 and subsequently the location was shifted to Dharwad in 1950. The University covering an area of more than 750 acres stands atop the hill called 'Chotamahabaleshwar'. The University has its own ambience with a sylvan setting. The growth in the number of departments to as many as 48 has made the campus look small, in its sixty years of historic existence. The University covering the four districts of north Karnataka has three more campuses at Karwar, Gadag and Haveri.

The main Library, known as Prof. S. S. Basavanal Library, is housed in a spacious building and has more than four lakh volumes on its shelves and hundreds of research journals, both national and international. The UGC INFONET programme gives direct access to more than 5000 e-journals. The United Nations Depository Centre is a beehive for researchers specializing in the international studies. The constituent Colleges have their own libraries stacked with volumes of repute. The Law College library is also worth mentioning for its collections of AIRs.

Many Specialised departmental libraries are functioning, viz. :

1. Kannada Research Institute library with manuscripts, rare books and journals on arts, culture, epigraphy, history, languages and literature is unique and a boon to students of Arts, Epigraphy, Archaeology and Ancient History.
2. The Library of the Institute of Kannada Studies contains manuscripts, books and journals on culture, folklore and comparative literature.
3. Library is also functioning in the Department of Marine Biology, Kodibag, Karwar.
4. The Library of Kausali Institute of Management Studies caters to students of management.
5. The Library in Chemistry department has a huge collection of rare and research journals, which are being used by teachers and research scholars of our university and also the nearby universities and colleges. The collection of Chemical Abstracts is worth mentioning.

There are two museums related to art, archaeology and folklore consisting of rare manuscripts, coins and artefacts. Biological museum is now placed in an independent building. They provide crucial information for students and research scholars.

The special training facilities, provided by the University for talented students seeking admission to all India Institutes aspiring for a career in the Civil Services as well as for NET/SLET examination are boon to the students. Separate coaching programmes for students belonging to Scheduled Castes and Scheduled Tribes and for the Minorities and other Backward Classes are conducted by the University. The University possesses its own printing press and publication cum extension wing. The University publishes two journals entitled "Karnataka Bharathi" and "Vidhyarthi Bharathi" in Kannada which provide outlet for research work and publications of the staff, research scholars and students. A Social Science and Science journal each, are also being regularly published. The teachers and research scholars actively publish their research in journals of repute.

The University has schemes to foster research through scholarships and fellowships. Numerous students have received Research Fellowships for to do research towards Ph.D. degrees. During the year 2009-10, 122 Scholars have been awarded Doctoral Degrees.

With pride and pleasure, it is submitted that -

1. 10 departments have received financial assistance of over Rs. 1000 lakhs for strengthening research and infrastructure under UGC-SAP programmes, of which an amount of Rs. 250 lakhs to develop the infrastructure, has been received.
2. This year, 21 faculty members have received financial assistance of over Rs.10 Crores for their research proposals from various funding agencies like UGC, DST, DBT INCOIS, IUAC, ICSSR, Govt. of Karnataka etc.
3. DST has sanctioned a special research incentive grant of Rs. 9.00 Crores under Promotion of University Research and Scientific Excellence (PURSE) Scheme.
4. The UGC shortlisted the University as a University with Potential for Excellence. However, the final award is awaited.
5. Recently, Government of Karnataka has decided to convert Karnatak University into an Innovative University.

6. In order to indentify the hereditary disorders prevalent in this area and to conduct advanced research into a diagnosis, prognosis and prevention of such hereditary disorders, DNA Research Center has been established in KUD with the financial assistance of Rs.8.10 Crores from Government of Karnataka.

In addition to regular departments, the University has the centres for Ambedkar and Gandhian Studies, the Basava Peetha, the Vemana Peetha, Kanaka Peetha and Swami Vivekananda Peetha. Apart from these, there is Zakir Hussain Study Centre and Hazarath Tipu Sulthan study centre. The UGC Academic Staff College regularly conducts orientation and refresher courses for teachers, always emphasizing an inter disciplinary approach.

The Prasaranga, meant for popularizing literature, culture and science through lectures and publications has made considerable progress during the year. The extension lectures have been very well received as in the past.

The SC and ST Cell has been looking after the welfare of the SC and ST students. Apart from this, Category-I cell and Minorities and Other Backward Classes Cell are also established to cater to the needs of students from the disadvantaged sections.

The annual convocation of the University was celebrated on 22nd February 2011. Dr. Sukhadev Thorat, Former Chairman, UGC and the present Chairman of ICSSR was the Chief Guest. Honorary degrees were conferred on six dignitaries on the occassion. They are :

Under Dr. D.C.Pavate Foundation this year two eminent scholars are selected to undertake study at the Univertsity of Cambridge. Dr.Vishwanath M., Asst. Professor, University College of Law, Karnatak University, Dharwad and Dr. Kalasad M.N., Research Scholar, Department of Physics, Karnatak University, Dharwad have been selected for Fellowship this year as Dr.D.C.Pavate Fellows.

The University has also provided ample facilities for co-curricular activities. Talented students are encouraged to participate in inter-collegiate and inter-university competitions, sports and games. There are full fledged NCC and NSS units. Many of our youngsters have not only participated but have also brought Kudos and Laurels to their Almamater through the years. In its turn, the University also hosts zonal, interzonal and national tournaments and events.

Lectures by eminent scholars to commemorate birth anniversaries of great Souls such as Dr. D.C.Pavate, Dr.D.R.Bendre, Dr.Mallikarjun Mansoor are celebrated as Educationists day, Poet's day and Musicians day respectively. Apart from the above, Foundation lectures are arranged.

The University has launched the Correspondance Education Programme with the facilities for providing reading material and contact Programmes, to the registered candidates.

Thus the University has come to translate the ideals nshrined in the Allhabad University Convocation Address(1947) by Pandit Nehru -

*" A University stands for humanism, for tolerance, for reason, for the adventure of ideas, for the search, for the truth. It stands for the onward march of the human race towards evenhigher objectives. If the Universities discharge their duties adquatly then it is well with the nation and the people."*

The Bureau publishes Monthly Career Review Bulletin containing career related information. These are circulated to all the affiliated & constituent colleges of our esteemed University, PG departments, UEIGBs of other sister Universities, related Government Offices and UGC, New Delhi. The Bulletin is appreciated and is in demand. This is vouched by the requests received from the local NGOs and Universities outside Karnataka.

The Bureau has Computers with Internet facilities.

During the year 2010-11 the Bureau registered 200 candidates for employment assistance. 172 submissions were made, individual guidance was provided to 1421 candidates. The career information room was accessed by more than 8897 visitors.

In the current year, this Bureau purchased the recently published books on subjects like Personality development, Competitive Exams, Information on various professions, Scholarships and Fellowships etc., and has placed all these books in the house Library for the use of student community. In a portion of the Reading Room of the Bureau, an all time exhibition on career literature is also set up for the benefit of the student youth. In addition, Flex Boards containing information about various professions, Competitive Examinations and admission to academic courses are also displayed there in.

The main object of the bureau though is career counselling and guidance, it has extended its services to the area of placement also. Accordingly the bureau is organizing Campus Selection whenever organizations approach it. This year about 53 candidates from different Post Graduate departments have been placed. The bureau proposes to strengthen this service in the future.
