1. UTKAL UNIVERSITY

INTRODUCTION

Utkal University, established in 1943, is the seventeenth oldest University in India. Its present campus at Vani Vihar is located on a sprawling 399.9-acre area in the heart of the capital city of Bhubaneswar beside the National Highway No.5, connecting Kolkata and Chennai. The foundation stone of the campus was laid by Dr. Rajendra Prasad, the first President of India, on 1st January 1958, and the campus was inaugurated by Dr. S. Radhakrishnan, the second President of India, on 2nd January 1963. A teaching-cum-affiliating university, Utkal University at present has twenty-seven Post-Graduate Departments located on its campus for studies and research in the disciplines of Science, Humanities, Business Administration, Social Sciences, Law and Commerce. The total number of students in the P. G. Departments at Vani Vihar campus is about 5,000. Utkal University is one of the largest affiliating Universities in the Eastern Region having 447 numbers of colleges, including 16 Autonomous, 298 +3 Degree and 149 Professional Colleges. 73 Medical/ Para Medical Colleges and 08 Law Colleges have been transferred to the Odisha University of Health Science, Bhubaneswar and Madhusudan Law University, Cuttack from the academic session 2023-24 and 2020-21 respectively.

A BRIEF HISTORY

Before 1936, when Odisha was made into a separate province, all the colleges in the region were under the jurisdiction of either Patna University or Andhra University. Subsequently, the government of Odisha, headed by Shri Biswanath Dash, the then Prime Minister; appointed a committee on 2nd March 1938 with Pandit Nilakantha Das as its Chairman to examine the possibility of establishing a separate university in Odisha. During the premiership of Maharaja Krushna Chandra Gajapati, who played a pioneering role in the establishment of the University, the recommendations of this committee were made available. Pandit Godavarish Mishra, the then Minister of Education, introduced the Utkal University Bill, which was passed by the Odisha Legislative Assembly on 30th June 1943. On receiving the Governor's assent on 2nd August 1943, the Utkal University Act, 1943 came into force, clearing the way for the foundation of Utkal University on 27th November 1943. The University started functioning from this date in room no. 15 of Ravenshaw College, Cuttack. The Utkal University Act, of 1943 did not specify the territorial jurisdiction of the University. However, its jurisdiction was extended to include the states of Odisha by an agreement between the rulers of these princely states and the Government. According to the agreement, adequate representation of the princely states in the administrative and academic bodies of the University was ensured. The Utkal University Act, of 1943 was amended in 1947 defining the territorial jurisdiction of the University, which was extended to the whole state in 1950. Dr. Pranakrushna Parija, the then Principal of Ravenshaw College, Cuttack was the first Vice-Chancellor of the University, and Mr. V. V. John, the then Assistant Professor of English, Ravenshaw College was its first Registrar.

The University, to start with, functioned mainly as an affiliating body. But soon afterwards, in 1949, it took over the management of the undergraduate Department of Law from Ravenshaw College, Cuttack and established its first constituent college known as Madhusudan Law College, Cuttack. In 1956, the second phase of expansion began with the opening of the Post-Graduate Department of Geology in Ravenshaw College Campus and an Engineering College at Burla, Sambalpur. The

Research Centre of Rural Economics and Sociology was also started in the same year with a generous grant from the Ford Foundation. In 1957, Post-Graduate Departments of Philosophy and Sanskrit were established on the premises of the Burdwan House in Cuttack. The same year, the University office was shifted to the Circuit House in Cuttack. The University in the initial phases provided new facilities for post-graduate studies only in those subjects which were not taught at Ravenshaw College at that time. In 1958, the Post-Graduate Departments of Psychology, Statistics, Political Science and Anthropology were set up. While the first three Departments were housed in the premises of Ravenshaw College, the Department of Anthropology was accommodated in a rented house in Bhubaneswar. The University took over the Post-Graduate Department of History from Ravenshaw College in 1959. Postgraduate studies in Zoology and Commerce were introduced in 1960 and 1962 respectively. The Research Centre of Rural Economics and Sociology introduced post-graduate courses in Applied Economics in the year 1963 and was subsequently renamed the Department of Analytical and Applied Economics.

Around this time, a movement for the creation of regional universities started in different parts of Orissa. In response to this, the government of Odisha appointed the State University Committee in 1962 with Dr. P. Parija, the then Vice-Chancellor of Utkal University, as the Chairman. On the recommendation of the Committee, two more universities were created, one at Sambalpur and another at Berhampur. The Utkal University Act, of 1943 was suitably amended in response to the new situation. The two new Universities at Sambalpur and Berhampur came into existence with effect from 1st January 1967, the date from which the new Utkal University Act came into force. The jurisdiction of Utkal University, which had earlier covered the whole of Orissa, was redefined in the new legislation.

After the establishment of the above two universities, the management of the Evening Colleges at Cuttack, Bhubaneswar, Sambalpur and Berhampur were taken over by the State Government. The Engineering College at Burla was handed over to Sambalpur University. Utkal University opened a few other Post-Graduate Departments such as Mathematics, Physics, Chemistry, Botany, Oriya and English during the years 1966-69 in its new campus at Vani Vihar. The Department of Sociology and Labour Welfare was set up in 1970, and in 1974 was split into the Department of Sociology and the Department of Labour Welfare (now re-named the Department of Personnel Management and Industrial Relations). The Department of Geography was opened in 1970.

The Post-Graduate Department of Law (LL.M.) was started in the year 1973. The Department of Geology, which was functioning earlier in Ravenshaw College, was shifted to Vani Vihar in 1977. The Departments of Library and Information Science and Business Administration were opened in 1981 and 1984 respectively. A Computer Center was established initially with an IBM - 1130 computer donated by the University Grants Commission in 1970, which has subsequently been replaced by a WIPRO-LANDMARK system for Rs. 16 lakhs provided later by the UGC. The Computer Center, while facilitating research work undertaken by various departments of the University earlier, offered a Post-B.Sc. Diploma Course (DCA) in Computer Application from 1983 to 1997. In 1990, the University opened the Department of Computer Science and Applications. Since the separation of the Computer Centre from the Department of Computer Science and Applications in 1998, the Centre is functioning under the direct administrative control of the P.G. Council. The Computer Centre, Academic Staff College and Jubilee building have been constructed separately for smooth functioning. During the late nineties, new buildings were constructed for the Department of Pharmacy, Integrated MCA, Population Research Centre and

the Department of Women's Studies. In 1996, the Departments of Ancient Indian History, Culture and Archaeology & Public Administration were carved out of the History and Political Science Departments respectively. A new Biotechnology Department started functioning in 2002 in the P.G. Department of Zoology and now has its infrastructure.

At present, the University has twenty-seven post-graduate teaching and research departments on the campus. The University has also offered 8 standalone Self-financing programmes, 3 Self-financing programmes (under the departments of Commerce, Botany and MCA), 6 Self-financing programmes in the Rural Campus, besides three constituent institutions: Directorate of Distance and Continuing Education, University Law College at Vani Vihar and M.S. Law College at Cuttack.

Utkal University has been reaccredited with a NAAC A+ grade since November 2023 and has the distinction of securing an NIRF ranking within 100 for the last four consecutive years.

The University celebrated its Platinum Jubilee in the year 2018 to commemorate its 75 glorious years of journey. The Jubilee ceremony was graced by the Hon- Vice President of India. More than 10,000 alumni, parents, students & staff members from different walks of life were a part of the celebration.

The second campus of the University was inaugurated on the 31st of July 2017 to promote skill-based education.

Now, it has come to the notice of Government for some ambiguities with regard to Academic Fees.

After careful consideration, it has been decided to include the following fees under "Academic Fees" which shall be waived in respect of students with disabilities of 40% or more admitted in State Public Universities/ Government & Aided Colleges coming under this Department.

1. Admission fees and re-admission fees

4. Calendar Fees
5. Library Fees
6. Reading and Common Room Fees
7. Time Table Fees
8. Proctor and Work Experience Fees

However, it is important to clarify that for the students admitted in self-financing Courses, where all the expenditures are met from the funds received from students (e.g. remuneration to teaching and non-teaching staff, guest faculties, lab maintenance & other logistics support etc.), the waiver of aforementioned academic fees as well as the hostel fees shall not be applicable.

This shall come into force with immediate effect.
