NEP Syllabus implementation.

Under the NEP (National Education Policy) and AICTE (All India Council for Technical Education) framework, faculty involvement and participation in the syllabus setting for MBA & MCA programs are crucial for ensuring that the curriculum meets current industry needs and educational standards under Savitribai Phule Pune University.

Faculties play a key role in syllabus setting for MCA and MBA programs by:

1. **Joining Curriculum Committees:** Faculties are part of committees responsible for revising and developing syllabi, ensuring they align with industry needs and NEP guidelines.
2. **Participating in Professional Development:** Faculties attend training programs to stay updated on best practices and NEP objectives.
3. **Implementing NEP Guidelines:** They integrate multidisciplinary and outcome-based education approaches into the syllabus.
4. **Reviewing and Monitoring:** Institute collects Faculties feedback, evaluate the effectiveness of the syllabus, and make necessary adjustments and convey to the Board of Studies Members of Savitribai Phule Pune University
5. **Encouraging Innovation:** They design flexible and innovative course structures, including electives and industry-specific modules.

These steps ensure that MCA and MBA programs remain relevant, effective, and aligned with the latest educational standards set by the AICTE and Savitribai Phule Pune University
