# Know Your Child: Affinity

## Let's Celebrate Togetherness

A Workshop For The Parents of Grade IX

**Parents and children share very pious bond, the bond which is inseparable, irreplaceable, highly secured with unconditional love, care and affection.. Let's celebrate this relation with exuberance!**

Dear Parents,

Allenhouse Public School, Panki appreciates you for your glorious efforts for rearing your child dynamically. We are fortunate enough to have consensual participation with you for witnessing your ward's successful growth in knowledge acquisition & physical development. Taking this consensual bond to actual realization, we shall be organizing a series of interactive workshop sessions with our parents and the neighbourhood community, which will fetch more equanimity and lucidity in tackling our children better and making informed choices in our day to day experiences with our children. All in the pursuit to make a Happy Child and a Happy Parent! We anticipate rejoicing your relation with your child to strengthen this pious, parent and child bond. Get exhilarated and buckle up yourself for the overwhelmingly delightful day with your child. Certificates will be provided to the parents for proactively participating in the "Affinity" for your child's influential growth and development. We are eagerly waiting to have your exuberant presence on January 25, 2020 at 11:00 am sharp at The Platform (PDP Room). Attendance of one parent is mandatory.

Warm regards

*Richa*
